Telugu, Step by Step, Root by Root

An etymology-driven curriculum, built one word at a time

Adhithya Rajasekaran

This edition compiled incrementally — new chapters added as they are written.

Preface

This book teaches Telugu one word at a time, and it teaches each word by taking it apart. It is written for someone starting from zero — who may not read a single Telugu letter — so the script is taught *inside the word lessons themselves*: each word introduces exactly the letters it needs, so you learn to read నమస్కారం *and* learn that it means "greetings" in the same few minutes. There is no alphabet drill to sit through first. (A reader who already reads Telugu simply skims the "letters in this word" notes.)

Telugu — famous as "the Italian of the East" for its open, vowel-final music — is one of the four literary **Dravidian** languages, a family entirely separate from the Indo-European one that gave us English, Latin, and Sanskrit. Like its sister Kannada, and unlike Tamil, it borrowed *heavily* from Sanskrit; so "hello" is the Sanskrit నమస్కారం (*namaskāram*), yet "yes" and "okay" are the native అవును (*avunu*) and సరే (*sarē*). Telugu also shows the family is no monolith: where its sisters say "no" with a word from the root *il-*, Telugu goes its own way with లేదు (*lēdu*). Each lesson sets the word beside its cousins across the family — English always, and Sanskrit, Hindi, and the other Dravidian languages where they illuminate — every form supplied in full, so no prior knowledge of any of them is assumed.

How to use this book

Every numbered section is one word, or one small phrase, and takes a few minutes — the length of a queue, an errand, or the walk to the bus. Read them in order the first time through: each section stands on the ones before it, and nothing is used before it has been taught. After that the book becomes reference, and you can open it anywhere.

Say the Telugu out loud wherever you can. The prompts under *Your turn* are written to be spoken, and saying a word is most of what makes it stay. The questions under *Before you move on* carry their own answers in brackets: cover them, answer from memory, then look.

Nothing here is gated behind the alphabet. Each lesson introduces exactly the letters and sounds its own word needs, so you are reading real words from the first page rather than drilling a chart. The whole script is gathered in a reference at the back of the book — somewhere to look things up when you are curious, never a chapter to sit through first.

Contents

Preface **iii**

1 Greetings **1**
1.1 నమస్కారం (namaskāram) . . . 1
1.2 ధన్యవాదములు (dhanyavādamulu) . . . 3
1.3 మ (ma) . . . 5
1.4 ధ (dha) . . . 7
1.5 క (ka) . . . 9
1.6 అవును (avunu) . . . 10
1.7 అ (a) . . . 11
1.8 ◌ా (ā) . . . 13
1.9 లేదు (lēdu) . . . 15
1.10 సరే (sarē) . . . 16
1.11 ◌ే (ē) . . . 18
1.12 Practice . . . 20

2 Introducing Yourself **23**
2.1 పేరు (pēru) . . . 23
2.2 న (na) . . . 24
2.3 నా (nā) . . . 26
2.4 ◌ు (u) . . . 27
2.5 నా పేరు ... (nā pēru ...) . . . 29
2.6 ౧ (1) . . . 30
2.7 నువ్వు / మీరు (nuvvu / mīru) . . . 31
2.8 ◌్ (virama) . . . 32
2.9 ఏమిటి (ēmiṭi) . . . 34
2.10 ట (ṭa) . . . 34
2.11 ఏ (ē) . . . 36
2.12 ౨ (2) . . . 38

2.13 మీ పేరు ఏమిటి? (mī pēru ēmiṭi?) . . . 39
2.14 ి (i) . . . 40
2.15 సంతోషం (santōṣam) . . . 41
2.16 ో(ō) . . . 42
2.17 ం (anusvara) . . . 44
2.18 Practice . . . 46

3 How Are You? 49
3.1 ఎలా (elā) . . . 49
3.2 ౩ (3) . . . 50
3.3 మీరు ఎలా ఉన్నారు? (mīru elā unnāru?) . . . 51
3.4 ఉ (u) . . . 52
3.5 నేను (nēnu) . . . 53
3.6 ౪ (4) . . . 55
3.7 బాగా (bāgā) . . . 56
3.8 బ (ba) . . . 57
3.9 ర (ra) . . . 58
3.10 పరవాలేదు (paravālēdu) . . . 60
3.11 ౫ (5) . . . 61
3.12 Practice . . . 62

4 Farewells 65
4.1 డప్పు (ḍappu) . . . 65
4.2 డ (ḍa) . . . 66
4.3 వెళ్ళు (veḷḷu) . . . 67
4.4 ౬ (6) . . . 68
4.5 వెళ్ళి వస్తాను (veḷḷi vastānu) . . . 69
4.6 రేపు కలుద్దాం (rēpu kaluddām) . . . 71
4.7 ప (pa) . . . 72
4.8 మళ్ళీ కలుద్దాం (maḷḷī kaluddām) . . . 74
4.9 ౭ (7) . . . 74
4.10 Practice . . . 75

5 The First Verbs 79
5.1 మాట్లాడు (māṭlāḍu) . . . 79
5.2 త (ta) . . . 80
5.3 త (ta) . . . 82
5.4 త (ta) . . . 83
5.5 త (ta) . . . 84
5.6 ౮ (8) . . . 84

5.7 నేను తెలుగు మాట్లాడతాను (nēnu telugu …) 85
5.8 స (sa) 87
5.9 ష (ṣa) 89
5.10 ఉండు (uṇḍu) 91
5.11 హంస (haṃsa) 92
5.12 హ (ha) 93
5.13 పని చేయు (pani cēyu) 94
5.14 ౯ (9) 96
5.15 Practice 97

6 Case Endings and Dative Subjects 99
6.1 -కు (-ku) 99
6.2 ౦ (0) 101
6.3 య (ya) 102
6.4 నాకు తెలుగు వచ్చు (nāku telugu vaccu) 103
6.5 (dialogue) 105

7 Numbers One to Ten 107
7.1 ఒకటి రెండు మూడు … (okaṭi reṇḍu mūḍu …) 107
7.2 ఐ (ai) 109
7.3 ◌ూ (ū) 110
7.4 ఆరు ఏడు ఎనిమిది … (āru ēḍu enimidi …) 112
7.5 ◌ొ(o) 113
7.6 ఒ (o) 115
7.7 ఆ (ā) 117
7.8 (dialogue) 119

8 Please 121
8.1 దయచేసి (dayacēsi) 121
8.2 -◌ండి (-aṇḍi) 123
8.3 చ (ca) 124

9 Sorry 127
9.1 క్షమించండి (kṣamiñcaṇḍi) 127
9.2 ఇటుక (iṭuka) 129
9.3 ఇ (i) 129
9.4 (dialogue) 131

10 Days of the Week **133**
10.1 సోమవారం మంగళవారం … (Somavāram …) 133
10.2 శ (śa) 135
10.3 ల (la) 137
10.4 ఐదు అచ్చులు (aidu acchulu) 139
10.5 (dialogue) 140

11 Four Core Colours **143**
11.1 నలుపు తెలుపు … (nalupu telupu …) 143
11.2 ే (e) 144

12 Family **147**
12.1 నాన్న అమ్మ అన్న … (nānna amma anna …) 147
12.2 ద (da) 149
12.3 (dialogue) 150

13 Head and Hand **153**
13.1 తల చెయ్యి (tala ceyyi) 153
13.2 వ (va) 154

14 Seasons **157**
14.1 వసంత ఋతువు వేసవి … (vasanta ṛtuvu …) 157
14.2 గ (ga) 159

15 Water and Rice **163**
15.1 నీళ్ళు బియ్యం అన్నం (nīḷḷu biyyam annam) 163
15.2 ీ (ī) 164

16 The Traditional Months **167**
16.1 చైత్రం వైశాఖం జ్యేష్ఠం … (Caitraṁ …) 167
16.2 ై (ai) 169
16.3 ఖ (kha) 170

17 Noon and Midnight **173**
17.1 మధ్యాహ్నం అర్ధరాత్రి (madhyāhnam ardharātri) 173
17.2 ఘ (gha) 174
17.3 ఠ (ṭha) 176
17.4 ఆరు అక్షరాలు (āru akṣarālu) 178
17.5 ఫ (pha) 179
17.6 నాలుగు అక్షరాలు (nālugu akṣarālu) 181

18 Telling Time **183**
18.1 గంట (gaṇṭa) 183
18.2 ళ (ḷa) 185
18.3 ఢ (ḍha) 186
18.4 శ · ఫ (śa · pha) 188

19 Asking Someone's Age **191**
19.1 నీ వయసెంత? (nī vayasenta) 191

20 Numbers 11–20 and Weather **193**
20.1 పదకొండు — ఇరవై (padakoṇḍu — iravai) 193
20.2 వాతావరణం (vātāvaraṇam) 194

21 Dog and Cat **197**
21.1 కుక్క, పిల్లి (kukka, pilli) 197
21.2 ఎ (e) 198

22 Green and Yellow **201**
22.1 పచ్చ, పసుపు (pacca pasupu) 201

23 Day **203**
23.1 రోజు (rōju) 203
23.2 ణ (ṇa) 204

24 Night **207**
24.1 రాత్రి (rātri) 207
24.2 జ (ja) 209

25 Good Night **211**
25.1 శుభ రాత్రి (śubha rātri) 211
25.2 భ (bha) 212

26 Morning **215**
26.1 ఉదయం (udayam) 215
26.2 ఋ (ṛ) 217

27 Evening **219**
27.1 సాయంత్రం (sāyantram) 219

28 Afternoon **221**
28.1 మధ్యాహ్నం (madhyāhnam) 221

29 Good Morning **223**
29.1 **శుభోదయం** (śubhōdayam) 223

30 Good Evening **225**
30.1 **శుభ సాయంత్రం** (śubha sāyantram) 225

31 Good Afternoon **227**
31.1 **శుభ మధ్యాహ్నం** (śubha madhyāhnam) 227
31.2 **శుభ మధ్యాహ్నం** — register (śubha madhyāhnam) 228

32 The Core Verbs **231**
32.1 **ఉండు** (uṇḍu) 231
32.2 **వెళ్ళు** (veḷḷu) 233
32.3 **రా** (rā) 234
32.4 **తిను** (tinu) 236
32.5 **చూడు** (cūḍu) 237
32.6 **తెలుసు** (telusu) 239

33 Four Verbs of the Mind **241**
33.1 **అనుకో** (anukō) 241
33.2 **అర్థం చేసుకో** (arthaṁ cēsukō) 243
33.3 **థ** (tha) 245
33.4 **చదువు** (caduvu) 247
33.5 **రాయు** (rāyu) 248

34 Four Verbs Between People **251**
34.1 **తీసుకో** (tīsukō) 251
34.2 **అడుగు** (aḍugu) 253
34.3 **సహాయం చేయు** (sahāyaṁ cēyu) 255
34.4 **నాకు తెలుగు ఇష్టం** (nāku telugu iṣṭaṁ) 256

35 Family and Friends **259**
35.1 **కుటుంబం** (kuṭumbaṁ) 259
35.2 **స్నేహితుడు** (snēhituḍu) 260

36 Son and Daughter, Two Different Roots **263**
36.1 **కొడుకు** (koḍuku) 263
36.2 **కూతురు** (kūturu) 264

37 Four Words on the Face **267**
37.1 కన్ను (kannu) 267
37.2 చెవి (cevi) 268
37.3 ముక్కు (mukku) 269
37.4 నోరు (nōru) 270

38 The Heart, Two Ways **273**
38.1 గుండె (guṇḍe) 273
38.2 హృదయం (hṛdayaṁ) 274

39 Tea and Milk, Two Roads **277**
39.1 దయచేసి టీ (dayacēsi ṭī) 277
39.2 పాలు (pālu) 278
39.3 ృ (ṛ) 279

40 A Meal **283**
40.1 భోజనం (bhōjanaṁ) 283
40.2 (dialogue) 284

41 Pointing, and Asking **287**
41.1 ఇది (idi) 287
41.2 అది (adi) 288
41.3 ఇక్కడ (ikkaḍa) 289
41.4 అక్కడ (akkaḍa) 290
41.5 ఎవరు (evaru) 290
41.6 ఎక్కడ (ekkaḍa) 291
41.7 i- / a- / e- 292

42 Describing Things **295**
42.1 పెద్ద (pedda) 295
42.2 చిన్న (cinna) 296
42.3 మంచి (manci) 297
42.4 కొత్త (kotta) 297
42.5 పాత (pāta) 298
42.6 before the noun, unchanged 299

43 More Everyday Verbs **301**
43.1 రా (rā) 301
43.2 కూర్చో (kūrcō) 302
43.3 నిల్చో (nilcō) 303
43.4 ఇవ్వు (ivvu) 303

44 Verbs of Seeing and Saying 305
44.1 చూడు (cūḍu) . . . 305
44.2 ఆలకించు (ālakiñcu) . . . 306
44.3 మాట్లాడు (māṭlāḍu) . . . 307
44.4 రాయి (rāyi) . . . 307

45 Grandparents, and the Married Pair 309
45.1 తాత (tāta) . . . 309
45.2 అమ్మమ్మ (ammamma) . . . 310
45.3 భర్త (bharta) . . . 311
45.4 భార్య (bhārya) . . . 312

46 Things You Ask For 315
46.1 పండు (paṇḍu) . . . 315
46.2 బట్ట (baṭṭa) . . . 316
46.3 దీపం (dīpaṁ) . . . 317
46.4 ఉప్పు (uppu) . . . 318
46.5 పుస్తకం (pustakaṁ) . . . 319

47 The Leg and the Tooth 321
47.1 కాలు (kālu) . . . 321
47.2 పన్ను (pannu) . . . 322
47.3 జుట్టు (juṭṭu) . . . 323
47.4 వేలు (vēlu) . . . 324
47.5 కడుపు (kaḍupu) . . . 324

48 Naming Who Someone Is 327
48.1 గురువు (guruvu) . . . 327
48.2 విద్యార్థి (vidyārthi) . . . 328
48.3 వైద్యుడు (vaidyuḍu) . . . 329
48.4 రైతు (raitu) . . . 330
48.5 అతిథి (atithi) . . . 331

49 Answering With More Than Yes 333
49.1 నిజం (nijaṁ) . . . 333
49.2 చాలు (cālu) . . . 334
49.3 తప్పకుండా (tappakuṇḍā) . . . 335
49.4 ఏమో (ēmō) . . . 336
49.5 అలాగే (alāgē) . . . 337

50 Taking Your Leave **339**
50.1 ఇప్పుడు (ippuḍu) 339
50.2 ఎల్లుండి (elluṇḍi) 340
50.3 ప్రయాణం (prayāṇaṁ) 341
50.4 బయలుదేరు (bayaludēru) 342
50.5 వెళ్ళొస్తాను (veḷḷostānu) 343

51 Courtesy Words **345**
51.1 కృతజ్ఞత (kṛtajñata) 345
51.2 ఞ (ña) 346
51.3 మేలు (mēlu) 348
51.4 గౌరవం (gauravaṁ) 349
51.5 ◌ౌ(au) 350
51.6 ఆశీర్వాదం (āśīrvādaṁ) 351
51.7 ఞ · ◌ౌ(ña · au) 352
51.8 దండం (daṇḍaṁ) 353
51.9 ఞ · ◌ౌ(ña · au) 354

52 Welcoming a Guest **357**
52.1 తలుపు (talupu) 357
52.2 కుర్చీ (kurcī) 358
52.3 ముగ్గు (muggu) 359
52.4 పువ్వు (puvvu) 360
52.5 పూలదండ (pūladaṇḍa) 361

53 The Sky **363**
53.1 ఆకాశం (ākāśaṁ) 363
53.2 సూర్యుడు (sūryuḍu) 364
53.3 చంద్రుడు (candruḍu) 365
53.4 చుక్క (cukka) 366
53.5 మబ్బు (mabbu) 367

54 The Tree **369**
54.1 చెట్టు (ceṭṭu) 369
54.2 కొమ్మ (komma) 370
54.3 వేరు (vēru) 371
54.4 విత్తనం (vittanaṁ) 372
54.5 మొక్క (mokka) 373

55 River and Road **375**
55.1 నది (nadi) 375
55.2 చెరువు (ceruvu) 376
55.3 గుట్ట (guṭṭa) 377
55.4 గ్రామం (grāmaṁ) 378
55.5 బాట (bāṭa) 379

56 In the House **381**
56.1 చాప (cāpa) 381
56.2 బుట్ట (buṭṭa) 382
56.3 కత్తి (katti) 383
56.4 గిన్నె (ginne) 384
56.5 పెట్టె (peṭṭe) 385

57 More of the Body **387**
57.1 మెడ (meḍa) 387
57.2 వీపు (vīpu) 388
57.3 పెదవి (pedavi) 389
57.4 గోరు (gōru) 390
57.5 ఎముక (emuka) 391

58 More Short Replies **393**
58.1 కొంచెం (koñcem) 393
58.2 ఎక్కువ (ekkuva) 394
58.3 తక్కువ (takkuva) 395
58.4 వద్దు (vaddu) 396
58.5 అంతే (antē) 397

59 Weather and Ground **399**
59.1 గాలి (gāli) 399
59.2 మంచు (mañcu) 400
59.3 ఇసుక (isuka) 401
59.4 బురద (burada) 402
59.5 నిప్పు (nippu) 403

60 Animals **405**
60.1 గేదె (gēde) 405
60.2 మేక (mēka) 406
60.3 కోడి (kōḍi) 407
60.4 చీమ (cīma) 408

60.5 పక్షి (pakṣi) 409

61 In the Kitchen 411
61.1 పెరుగు (perugu) 411
61.2 నెయ్యి (neyyi) 412
61.3 నూనె (nūne) 413
61.4 చక్కెర (cakkera) 414
61.5 మిరప (mirapa) 415

62 Things People Make 417
62.1 దారం (dāraṁ) 417
62.2 సూది (sūdi) 418
62.3 చీపురు (cīpuru) 419
62.4 గొడుగు (goḍugu) 420
62.5 అద్దం (addaṁ) 421

63 Hunger, Sleep and Health 423
63.1 ఆకలి (ākali) 423
63.2 నిద్ర (nidra) 424
63.3 దగ్గు (daggu) 425
63.4 రోగం (rōgaṁ) 426
63.5 ఆరోగ్యం (ārōgyaṁ) 427

64 Words That Join an Answer 429
64.1 కూడా (kūḍā) 429
64.2 మాత్రమే (mātramē) 430
64.3 అయితే (ayitē) 431
64.4 తరువాత (taruvāta) 432
64.5 ఇంకా (iṅkā) 433

65 More Good Manners 435
65.1 స్వాగతం (svāgataṁ) 435
65.2 మర్యాద (maryāda) 436
65.3 మనవి (manavi) 437
65.4 అనుమతి (anumati) 438
65.5 నమ్మకం (nammakaṁ) 439

66 The Field 441
66.1 పొలం (polaṁ) 441
66.2 వరి (vari) 442
66.3 గడ్డి (gaḍḍi) 443

66.4 కల్లం (kallaṁ) 444
66.5 పంట (paṇṭa) 445

67 The House Itself 447
67.1 గోడ (gōḍa) 447
67.2 కప్పు (kappu) 448
67.3 గడప (gaḍapa) 449
67.4 మెట్టు (meṭṭu) 450
67.5 కిటికీ (kiṭikī) 451

68 Sound and Voice 453
68.1 శబ్దం (śabdaṁ) 453
68.2 గొంతు (gontu) 454
68.3 పాట (pāṭa) 455
68.4 అరుపు (arupu) 456
68.5 కబురు (kaburu) 457

69 Tools 459
69.1 గొడ్డలి (goḍḍali) 459
69.2 రంపం (rampaṁ) 460
69.3 పార (pāra) 461
69.4 సుత్తి (sutti) 462
69.5 కర్ర (karra) 463

70 Small Creatures 465
70.1 ఎలుక (eluka) 465
70.2 కప్ప (kappa) 466
70.3 దోమ (dōma) 467
70.4 ఉడుత (uḍuta) 468
70.5 సాలీడు (sālīḍu) 469

71 The Wider Family 471
71.1 మామ (māma) 471
71.2 అత్త (atta) 472
71.3 బావ (bāva) 473
71.4 మరదలు (maradalu) 474
71.5 అల్లుడు (alluḍu) 475

72 The Market **477**
72.1 అంగడి (aṅgaḍi) 477
72.2 డబ్బు (ḍabbu) 478
72.3 ధర (dhara) 479
72.4 తూకం (tūkaṁ) 480
72.5 బేరం (bēraṁ) 481

73 Tastes **483**
73.1 తీపి (tīpi) 483
73.2 పులుపు (pulupu) 484
73.3 చేదు (cēdu) 485
73.4 కారం (kāraṁ) 486
73.5 వగరు (vagaru) 487

74 And, But, Or **489**
74.1 మరియు (mariyu) 489
74.2 కానీ (kānī) 490
74.3 లేదా (lēdā) 491
74.4 ఎందుకు (enduku) 492
74.5 ఎందుకంటే (endukaṇṭē) 493

75 Today, Yesterday, When **495**
75.1 ఇవాళ (ivāḷa) 495
75.2 నిన్న (ninna) 496
75.3 ఎప్పుడు వస్తారు? (eppuḍu vastāru?) 497
75.4 ముందు (mundu) 498
75.5 సంవత్సరం (saṁvatsaraṁ) 499

76 Very Good, Very Bad **501**
76.1 చాలా మంచి (cālā manci) 501
76.2 చెడ్డ (ceḍḍa) 502
76.3 మంచిది (mancidi) 503
76.4 సులభం (sulabhaṁ) 504
76.5 కష్టం (kaṣṭaṁ) 505

77 Where You Are From **507**
77.1 నుంచి (nunci) 507
77.2 పట్టణం (paṭṭaṇaṁ) 508
77.3 దేశం (dēśaṁ) 509
77.4 భారతదేశం (Bhāratadēśaṁ) 510

77.5 ముప్పై (muppai) 511

78 Yes or No, and I Do Not Know 513
78.1 అవునా (avunā) 513
78.2 తెలుసా (telusā) 514
78.3 నాకు తెలియదు (nāku teliyadu) 515
78.4 అర్థం కాలేదు (arthaṁ kālēdu) 516
78.5 ఉన్నారా (unnārā) 517

79 He, She, and Whose 519
79.1 స్నేహితుడి (snēhituḍi) 519
79.2 మా (mā) 520
79.3 అతను (atanu) 521
79.4 నన్ను (nannu) 522
79.5 గారు (gāru) 523

80 Wanting, Allowing, Wishing 525
80.1 నాకు కావాలి (nāku kāvāli) 525
80.2 అని (ani) 526
80.3 వెళ్ళవచ్చు (veḷḷavaccu) 527
80.4 లోపలికి రండి (lōpaliki raṇḍi) 528
80.5 శుభాకాంక్షలు (śubhākāṅkṣalu) 529

81 Counting in Order 531
81.1 మొదటి (modaṭi) 531
81.2 రెండవ (reṇḍava) 533
81.3 మూడవ (mūḍava) 534
81.4 నాలుగవ (nālugava) 535
81.5 ఐదవ (aidava) 536

82 Sixth to Eleventh 539
82.1 ఆరవ (ārava) 539
82.2 ఏడవ (ēḍava) 540
82.3 ఎనిమిదవ (enimidava) 542
82.4 తొమ్మిదవ (tommidava) 543
82.5 పదవ (padava) 544
82.6 పదకొండవ (padakoṇḍava) 545

83 Reading — Words, Lines, and a First Passage 547
83.1 (reading) . . . 547
83.2 (reading) . . . 548
83.3 (reading) . . . 549

84 When You Are Not Well 551
84.1 జ్వరం (jvaraṁ) . . . 551
84.2 నొప్పి (noppi) . . . 552
84.3 అలసట (alasaṭa) . . . 553

84.5 విశ్రాంతి (viśrānti) . . . 555

85 Cold, Hot, and How You Feel 557
85.1 చలి (cali) . . . 557
85.2 వేడి (vēḍi) . . . 558
85.3 భయం (bhayaṁ) . . . 559
85.4 కోపం (kōpaṁ) . . . 560
85.5 బాధ (bādha) . . . 560

86 Slower, Please 563
86.1 నెమ్మదిగా (nemmadigā) . . . 563
86.2 ఇంకోసారి (iṅkōsāri) . . . 564
86.3 గట్టిగా (gaṭṭigā) . . . 565
86.4 ఒక్క నిమిషం (okka nimiṣaṁ) . . . 566
86.5 ఆగండి (āgaṇḍi) . . . 567

87 Right, Wrong, Maybe 569
87.1 తప్పు (tappu) . . . 569
87.2 సరిగ్గా (sariggā) . . . 570
87.3 బహుశా (bahuśā) . . . 571
87.4 అలాగా (alāgā) . . . 572
87.5 నిజంగా (nijaṁgā) . . . 572
87.6 (dialogue) . . . 573
87.7 (dialogue) . . . 574

88 The People Around You 577
88.1 పిల్లలు (pillalu) . . . 577
88.2 అబ్బాయి (abbāyi) . . . 578
88.3 అమ్మాయి (ammāyi) . . . 579
88.4 మనిషి (maniṣi) . . . 580

88.5 బంధువు (bandhuvu) 580

89 About Yourself 583
89.1 ఉద్యోగం (udyōgaṁ) 583
89.2 భాష (bhāṣa) 584
89.3 ఇంగ్లీషు (iṅglīṣu) 585
89.4 పెళ్ళి (peḷḷi) 586
89.5 చిరునామా (cirunāmā) 586

90 On the Way Out 589
90.1 జాగ్రత్త (jāgratta) 589
90.2 త్వరగా (tvaragā) 590
90.3 ఇంటికి (iṇṭiki) 591
90.4 సెలవు (selavu) 592
90.5 పదండి (padaṇḍi) 592

91 Greetings People Actually Say 595
91.1 బాగున్నారా? (bāgunnārā?) 595
91.2 చాలా రోజులైంది (cālā rōjulaindi) 596
91.3 ఏంటి సంగతి? (ēṇṭi saṅgati?) 597
91.4 ఎక్కడికి? (ekkaḍiki?) 598
91.5 భోంచేశారా? (bhōñcēśārā?) 599
91.6 (dialogue) 599
91.7 (dialogue) 600

92 At the Doctor 603
92.1 జలుబు (jalubu) 603
92.2 మందు (mandu) 604
92.3 ఆసుపత్రి (āsupatri) 605
92.4 గాయం (gāyaṁ) 606
92.5 నీరసం (nīrasaṁ) 606

93 Keeping Well 609
93.1 క్షేమం (kṣēmaṁ) 609
93.2 హాయిగా (hāyigā) 610
93.3 సుఖం (sukhaṁ) 611
93.4 సంతోషంగా (santōṣaṁgā) 612
93.5 ఒళ్ళు (oḷḷu) 613

94 Offers, Apologies, Introductions 615
94.1 మన్నించండి (manniñcaṇḍi) 615
94.2 క్షమాపణ (kṣamāpaṇa) 616
94.3 కావాలా? (kāvālā?) 617
94.4 అవసరం (avasaraṁ) 618
94.5 పరిచయం (paricayaṁ) 619

95 How Do You Say It? 621
95.1 తెలుగులో (telugulō) 621
95.2 ఎలా అంటారు? (elā aṇṭāru?) 622
95.3 మెల్లగా (mellagā) 623
95.4 చూపించండి (cūpiñcaṇḍi) 624
95.5 వినిపించలేదు (vinipiñcalēdu) 624
95.6 (dialogue) 625
95.7 (dialogue) 626

96 Names, Ages, Birthdays 629
96.1 ఇంటిపేరు (iṇṭipēru) 629
96.2 ముద్దుపేరు (muddupēru) 630
96.3 వయసు (vayasu) 631
96.4 పుట్టినరోజు (puṭṭinarōju) 632
96.5 సంతకం (santakaṁ) 633

97 Laughing, Crying, Worrying 635
97.1 నవ్వు (navvu) 635
97.2 ఏడుపు (ēḍupu) 636
97.3 విచారం (vicāraṁ) 637
97.4 ఆందోళన (āndōḷana) 638
97.5 ఒంటరిగా (oṇṭarigā) 638

98 Nothing, Not Yet, That Will Do 641
98.1 ఏమీ లేదు (ēmī lēdu) 641
98.2 ఇంకా లేదు (iṅkā lēdu) 642
98.3 సరిపోతుంది (saripōtundi) 643
98.4 నిజమే (nijamē) 644
98.5 అదే (adē) 645

99 Welcomes, Gifts, Invitations 647
99.1 నమస్తే (namastē) 647
99.2 ఆనందం (ānandaṁ) 648

99.3 అభినందనలు (abhinandanalu) 649
99.4 బహుమతి (bahumati) 650
99.5 ఆహ్వానం (āhvānaṁ) 651
99.6 (dialogue) 651
99.7 (dialogue) 652

100 Right, Left, Straight ahead, Near, Far 655
100.1 కుడి (kuḍi) 655
100.2 ఎడమ (eḍama) 656
100.3 తిన్నగా (tinnagā) 657
100.4 దగ్గర (daggara) 658
100.5 దూరం (dūraṁ) 658

101 Above, Below, Inside, Outside, Behind 661
101.1 పైన (paina) 661
101.2 కింద (kinda) 662
101.3 లోపల (lōpala) 663
101.4 బయట (bayaṭa) 663
101.5 వెనక (venaka) 664

102 In the middle, Street, Road, Bridge, Park 667
102.1 మధ్యలో (madhyalō) 667
102.2 వీధి (vīdhi) 668
102.3 రోడ్డు (rōḍḍu) 669
102.4 వంతెన (vantena) 669
102.5 పార్కు (pārku) 670

103 Temple, School, Library, Bank, Market 673
103.1 గుడి (guḍi) 673
103.2 బడి (baḍi) 674
103.3 గ్రంథాలయం (granthālayaṁ) 675
103.4 బ్యాంకు (byāṅku) 675
103.5 సంత (santa) 676

104 Shore, Office, Garden, Corner, Turn 679
104.1 తీరం (tīraṁ) 679
104.2 కార్యాలయం (kāryālayaṁ) 680
104.3 తోట (tōṭa) 681
104.4 మూల (mūla) 681
104.5 మలుపు (malupu) 682

105 Station, Bus, Ability, Skill, Right **685**
105.1 స్టేషన్ (sṭēṣan) 685
105.2 బస్సు (bassu) 686
105.3 సామర్థ్యం (sāmarthyaṁ) 687
105.4 నైపుణ్యం (naipuṇyaṁ) 687
105.5 హక్కు (hakku) 688

106 Chance, Tool, Property, Owner, Strength **691**
106.1 అవకాశం (avakāśaṁ) 691
106.2 పరికరం (parikaraṁ) 692
106.3 ఆస్తి (āsti) 693
106.4 యజమాని (yajamāni) 693
106.5 బలం (balaṁ) 694

107 Wish, Hope, Dream, Intention, Plan **697**
107.1 కోరిక (kōrika) 697
107.2 ఆశ (āśa) 698
107.3 కల (kala) 699
107.4 ఉద్దేశం (uddēśaṁ) 699
107.5 ప్రణాళిక (praṇāḷika) 700

108 To wish for, To decide, Reason, Therefore, Because of **703**
108.1 కోరు (kōru) 703
108.2 నిర్ణయించు (nirṇayiñcu) 704
108.3 కారణం (kāraṇaṁ) 705
108.4 అందువల్ల (anduvalla) 705
108.5 వల్ల (valla) 706

109 That is exactly why, Bed, Pillow, Blanket, Curtain **709**
109.1 అందుకే (andukē) 709
109.2 మంచం (mañcaṁ) 710
109.3 దిండు (diṇḍu) 711
109.4 దుప్పటి (duppaṭi) 711
109.5 తెర (tera) 712
109.6 (dialogue) 713
109.7 (dialogue) 714

110 Lock, Key, Rope, Nail, Scissors **715**
110.1 తాళం (tāḷaṁ) 715
110.2 తాళంచెవి (tāḷaṁcevi) 716

110.3 తాడు (tāḍu) 717
110.4 మేకు (mēku) 718
110.5 కత్తెర (katterā) 718

111 Comb, Soap, Towel, Glasses, Clock 721
111.1 దువ్వెన (duvvena) 721
111.2 సబ్బు (sabbu) 722
111.3 తువ్వాలు (tuvvālu) 723
111.4 కళ్ళజోడు (kaḷḷajōḍu) 723
111.5 గడియారం (gaḍiyāraṁ) 724

112 Bag, Pen, Paper, Drinking glass, Spoon 727
112.1 సంచి (sañci) 727
112.2 కలం (kalaṁ) 728
112.3 కాగితం (kāgitaṁ) 729
112.4 గ్లాసు (glāsu) 730
112.5 చెంచా (cemcā) 730

113 Stove, Candle, Matchbox, Doll, Ball 733
113.1 పొయ్యి (poyyi) 733
113.2 కొవ్వొత్తి (kovvotti) 734
113.3 అగ్గిపెట్టె (aggipeṭṭe) 735
113.4 బొమ్మ (bomma) 736
113.5 బంతి (banti) 736

114 Kite, Shirt, Sari, Dhoti, Sandals 739
114.1 గాలిపటం (gālipaṭaṁ) 739
114.2 చొక్కా (cokkā) 740
114.3 చీర (cīra) 741
114.4 పంచె (pañce) 742
114.5 చెప్పులు (ceppulu) 742

115 Cap, Ring, Bangles, Curry, Dal 745
115.1 టోపీ (ṭōpī) 745
115.2 ఉంగరం (uṅgaraṁ) 746
115.3 గాజులు (gājulu) 747
115.4 కూర (kūra) 747
115.5 పప్పు (pappu) 748

116 Sambar, Rasam, Egg, Fish, Meat **751**
116.1 సాంబారు (sāmbāru) 751
116.2 రసం (rasaṁ) 752
116.3 గుడ్డు (guḍḍu) 753
116.4 చేప (cēpa) 753
116.5 మాంసం (māṁsaṁ) 754

117 Vegetables, Banana, Mango, Coconut, Onion **757**
117.1 కూరగాయలు (kūragāyalu) 757
117.2 అరటిపండు (araṭipaṇḍu) 758
117.3 మామిడిపండు (māmiḍipaṇḍu) 759
117.4 కొబ్బరి (kobbari) 760
117.5 ఉల్లిపాయ (ullipāya) 760

118 Tomato, Potato, Aubergine, Ginger, Garlic **763**
118.1 టమాటా (ṭamāṭā) 763
118.2 బంగాళాదుంప (baṅgāḷādumpa) 764
118.3 వంకాయ (vaṅkāya) 765
118.4 అల్లం (allaṁ) 766
118.5 వెల్లుల్లి (vellulli) 766

119 Honey, Idli, Dosa, Vada, Coffee **769**
119.1 తేనె (tēne) 769
119.2 ఇడ్లీ (iḍlī) 770
119.3 దోశ (dōsa) 771
119.4 వడ (vaḍa) 772
119.5 కాఫీ (kāphī) 772
119.6 (dialogue) 773
119.7 (dialogue) 774

120 Sea, Lake, Forest, Leaf, Soil **777**
120.1 సముద్రం (samudraṁ) 777
120.2 సరస్సు (sarassu) 778
120.3 అడవి (aḍavi) 779
120.4 ఆకు (āku) 779

Answer Key 2069

Index 2071

Chapter 1

Greetings

Modes: 👁 **eyes** (6) ✓ **pen** (6) 🚗 **Hands-free start:** the first of 12 lessons.

> ***By the end of this chapter:*** I can greet someone in Telugu, recognize the reply, and choose an appropriate response.
>
> *The greetings and the words that oil a first conversation — and, taught through them, how to read the Telugu script and how Telugu sits inside the Dravidian family. Each word introduces the letters it needs, so you learn to read it and understand it at once:* నమస్కారం · ధన్యవాదములు · అవును · లేదు · సరే.

1.1 Namaskāram — "greetings," a making of a bow

Meet your first Telugu word. Say **namaskāram**: "hello" or "greetings." Then meet three of its letters, one small piece at a time.

The letters in this word

Telugu runs **left to right**. A consonant normally carries a built-in **a**.

- న · మ · ర = *na* · *ma* · *ra* — three of the word's letters, each with its built-in *a*.

That is enough for a first lesson. The rest of the word — a *ka* with a long-*ā* sign, an *s* stacked under it, and a final nasal dot — arrives over this chapter, and you will see the whole written word near the chapter's end.

The word, taken apart — its roots and family

Namaskāram came from Sanskrit **namas** ("a bow") + **kāra** ("a making," from *kṛ*, "to do"): literally **"the making of a bow."** Telugu added its own final sound. Tamil instead kept its native greeting, *vaṇakkam*.

Across the family — the same idea, six ways:

Language	"Hello"	Source
Telugu	*namaskāram*	Sanskrit
Kannada	*namaskāra*	Sanskrit — the same word
Malayalam	*namaskāram*	Sanskrit — the same word
Hindi	*namaste*	Sanskrit — the same *namas*
Tamil	*vaṇakkam*	**native Dravidian**
English	*hello*	Germanic

Four of the six borrowed the Sanskrit bow. **Tamil alone kept its own word** — the first sign that "Dravidian family" does not mean "same vocabulary."

CDIAL 6960 lists Sanskrit *namaskāra*, "adoration", and CDIAL 6958 *namas*, "a bow, adoration".

Why it's said this way

With palms together and a small bow, *namaskāram* works as **hello or goodbye**. It is respectful without being stiff.

The letters in this word

Telugu reads **left to right**, and every consonant carries a built-in "a" (many under a little check-mark hat, the *talakaṭṭu*): న *na*, మ *ma*, ర *ra*. Say the five beats slowly: *na-ma-s-kā-ramṁ*. The *s* has no vowel of its own and leans straight into *kā*; the final *ṁ* is a soft nasal hum.

Your turn

- *Say it:* na · ma · s · kā · ramṁ → "namaskāram"
- *Say it:* na · ma · ra

- *Read it:* న · మ · ర
- *Say it:* "namaskāram" — you are offering respect
- *Write it:* trace న with a finger, then copy it once

Before you move on

Read it: న · మ · ర (*na · ma · ra.*) What does *namaskāram* mean? ("Greetings.") What does the whole word literally mean? ("The making of a bow.")

1.2 Dhanyavādamulu — "thank you," utterances of "worthy"

Another Sanskrit loan — and a first look at a Telugu *ending*, the plural that turns "a thanks" into "thanks."

The letters in this word

(Skim if you read Telugu.) Three of its letters today:

- ధ = "dha" — an **aspirated** *d* (a puff of breath after it).
- వ = "va."
- ద = "da" — a plain *d*, with no puff. Set it beside ధ and compare.

The rest — a stacked *nya*, a long *ā*, and the ending *-mulu* — arrives over this chapter, and the whole written word appears near its end.

The word, taken apart — its roots and family

The core is **Sanskrit**: **dhanya** ("worthy, blessed," from *dhana*, "wealth"; CDIAL 6727a) + **vāda** ("a saying," root *vad*, "to speak"; CDIAL 11507) = "an utterance of '[you are] worthy.'" Telugu then adds its own **plural ending -mulu**, so *dhanyavāda-mulu* is literally **"worthy-sayings,"** thanks in the plural of courtesy. (You'll also hear the shorter *dhanyavādālu.*) The Sanskrit stem is the same one inside Hindi *dhanyavād* and Kannada *dhanyavāda.*

Across the family — the same idea, five ways:

Language	"Thanks"	Note
Telugu	*dhanyavādamulu*	**Sanskrit** stem + Telugu plural
Kannada	*dhanyavāda* (ಧನ್ಯವಾದ)	Sanskrit — same stem
Hindi	*dhanyavād* (धन्यवाद)	Sanskrit — same stem
Tamil	*naṉṟi* (நன்றி)	**native** ("goodness")
Malayalam	*nandi* (നന്ദി)	**native** — Tamil's cousin

Telugu, Kannada, and Hindi share the Sanskrit stem; Tamil and Malayalam keep the native *naṉṟi / nandi*.

Grammar Lens: Telugu builds words by gluing endings on

-mulu is your first taste of how Telugu (like all Dravidian languages) works: it is **agglutinative** — it stacks meaning by gluing endings onto a stem, one after another, rather than using separate little words. Here a plural rides on a borrowed Sanskrit noun. Later endings will mark case ("to," "from," "with") the same way. Bank the idea: in Telugu, grammar is mostly **suffixes**.

The letters in this word

New: ధ *dha*, an aspirated *d* with a puff of breath, beside plain ద *da*. Say the six beats: *dha-nya-vā-da-mu-lu*. In *nya* the *n* has no vowel of its own; it glides straight into *ya*.

Your turn

Say these aloud:

- dha · nya · vā · da · mu · lu → "dhanyavādamulu"
- the pieces — Sanskrit *dhanya-vāda* + Telugu plural *-mulu*
- the shorter everyday form, "dhanyavādālu"

Before you move on

Which carries the puff of breath, ధ or ద? (ధ, *dha.*) What is Sanskrit in *dhanyavādamulu*, and what is Telugu? (*dhanya-vāda* is Sanskrit; the plural *-mulu* is Telugu.) What does "agglutinative" mean for how Telugu builds words? (It glues endings onto a stem.)

1.3 ము — one character, and it is in the first word of the book

Say the greeting this book opened with. Then say the word for thank you. You have both of them in your mouth already.

Script you'll notice: ము

ము — *ma.*

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *m*, it is **ma**.

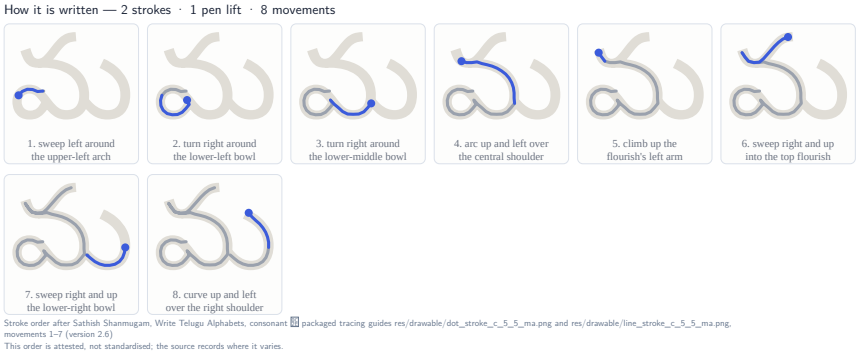

Both of the words you said a moment ago carry it:

- *namaskāram* — hello / greetings ("a making of a bow")
- *dhanyavādamulu* — thank you ("utterances of 'worthy'"), in its tail ములు *-mulu*: ము is మ with the *u* sign hooked on, and లు is ల *la* with the same sign.

Their whole written forms come near this chapter's end.

This is the character the book uses more than any other. It sits in the second syllable of the very first word you were taught, and it will be in front of you on nearly every page from here on.

Writing: ము — seven calm movements

How ము *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 sweeps left around the upper-left arch. Movements 2 and 3 turn right around the two lower bowls. Movement 4 rises around the central shoulder. Keep the pen down: movement 5 climbs a short way up the flourish's left arm, and movement 6 sweeps up into the flourish above. Lift once. Movement 7 turns around the lower-right bowl, and without lifting, movement 8 rises around the outer-right shoulder. The strip gives the short climb a panel of its own, so the seven movements are numbered as eight.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, so keep the seven clear movements instead of rushing their joins.

Your turn

- *Look:* at the three shapes you met in the greeting, and find ము among them

  న · ము · ర

- *Trace it:* ము three times, saying *ma* as you finish each one
- *Say it:* which syllable of *namaskāram* ము carries (the second, *ma*)

Before you move on

Which character is this — మ? What sound does it carry? (***ma***.) Name the two words in this chapter that contain it. (*namaskāram* and *dhanyavādamulu* — once each.)

1.4 ధ — the character the thank-you word opens with

Before the new one: మ — what sound does it carry?

This one is at the very front of the word for thank you, where your eye lands first.

Script you'll notice: ధ

ధ — *dha*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *dh*, it is **dha**.

- *dhanyavādamulu* — thank you ("utterances of 'worthy'")

One word so far, and it is the one this character opens. The *dh* is a single sound made at the teeth with a puff of breath after it, not the English *th* of *this*. More words with ధ arrive as the book goes on; this is where the shape gets into your eye.

Writing: ధ — six deliberate movements

How ధ is written, stroke by stroke

Watch the numbered filmstrip once before your pen moves. Movements 1–4 build the round body in four short curves: upper left, lower left, lower right, then upper right. The pen stays down from one curve to the next. Movement 5 climbs a short way up the flourish's left arm, and movement 6 curls up through the top flourish. Lift once, for movement 7, the short lower stem. The strip gives the short climb a panel of its own, so the six movements are numbered as seven.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, so keep the body and flourish as one unbroken run and make the single lift before the stem.

Your turn

- *Look:* at the three shapes you met in the thank-you word, and find ధ

  ధ · వ · ద

- *Trace it:* ధ three times, saying *dha* as you finish each one

- *Look:* at ధ and ద side by side and say which one carries the puff of breath

Before you move on

Which character is this — ధ? What sound does it carry? (***dha***.)
Where in the thank-you word does it sit? (At the front.)

1.5 క — one character, met inside words you already say

Rounded, curvy letters, most crowned with a small tick or check-mark headstroke; no continuous top line. This is the first one.

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: క

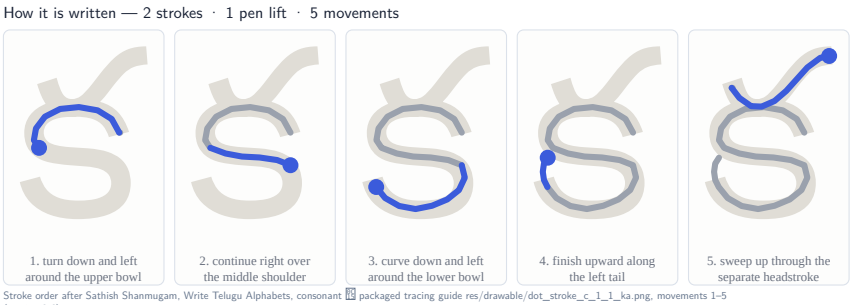

క — *ka*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *k*, it is **ka**.

You already say this one, and it has క inside it:

- *namaskāram* — hello / greetings ("a making of a bow"), where it opens the syllable *kā*. In front of it the word stacks an *s* — స *sa* with its vowel stripped by the mark ్ — onto ka: స్క *ska*.

Writing: క — follow the numbered strip

How క *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write **క** yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at the letters you have met so far, and find **క** among them

  న · మ · ర · క · ధ · వ · ద

- *Trace it:* **క** three times, saying *ka* as you finish each one
- *Say it:* which syllable of *namaskāram* **క** begins (*kā*)

Before you move on

Which character is this — **క**? What sound does it carry? (***ka***.)
Name one word you already say that contains it.

1.6 అవును (avunu) — "yes"

After two Sanskrit loans, a **native Telugu** word: the plain "yes."

The letters in this word

(Skim if you read Telugu.)

- **అ** = **"a"** — an **independent vowel** (the word starts with a vowel, so it gets a full letter, not a hooked-on sign).
- **వు** = "vu" — **వ** (va) with the **"u" vowel sign**.
- **ను** = "nu" — **న** (na) with the "u" sign.

Left to right: **అ · వు · ను** = *a-vu-nu* →

అవును = **avunu** = "yes."

The word, taken apart — its roots and family

అవును (*avunu*) is the everyday **"yes / it is so,"** a native Telugu word. It comes from *avu*, the verb of being (DEDR 333) — literally "it is" — which is why the next lesson's "no" (*kādu*, "is not") is its exact mirror. DEDR compares Sanskrit *ām*, "yes".

Grammar Lens: yes and no as "it is" / "it is not"

Telugu's yes/no pair are really little **statements of being**: *avunu* ("it is [so]") and *kādu* ("it is not"). This is a very Dravidian instinct — answer by asserting or denying existence, rather than with a bare particle. You'll also hear a "yes" come back as the question's own verb, echoed (*vaccānu*, "I came," for "did you come?"). Bank *avunu* as the simple word.

The letters in this word

అ is the **independent vowel** "a" (word-initial). **వు** is *vu*, **ను** is *nu* (each a consonant with the "u" sign). *Read it:* **అ · వు · ను** → *avunu*

Your turn

Say these aloud:

- a · vu · nu → "avunu"
- why **అ** is a full letter here (the word starts with the vowel)
- "avunu" — "yes, it is so"

Before you move on

Read it: **అవును** Native Telugu or Sanskrit loan? (Native.) At root, what kind of statement is a Telugu "yes"? (An assertion of being — "it is [so]," mirrored by *kādu*, "it is not.")

1.7 అ — the vowel you have been saying since the first page

Before the new one: **క** — what sound does it carry? Say it out loud.

You said *ka*, not *k*. Hold on to that vowel at the end.

Script you'll notice: అ

అ — *a*.

It is an **independent vowel** — a vowel that is a letter in its own right, not a mark hung on a consonant.

Every consonant lesson so far has told you the same thing: a consonant in this script is never bare, it comes with an *a* already inside it. **అ is that vowel, standing on its own.**

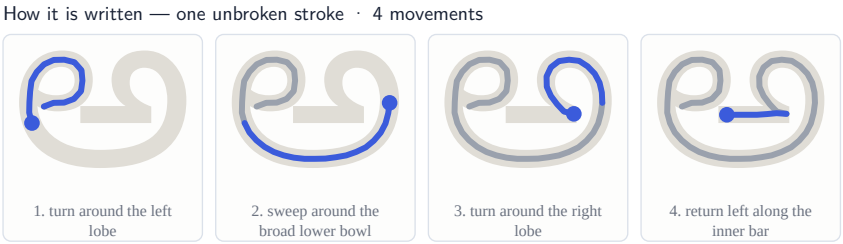

Here is what makes it the odd one out. Most vowels in Telugu have two forms — a letter, and a mark that rides on a consonant. This vowel has a letter and **no mark at all**, because a consonant with nothing hanging off it is already carrying it. The absence is the writing.

So Telugu reaches for అ in one situation: when the vowel opens a word and has no consonant in front of it to sit inside.

- అవును *avunu* — yes

That word begins on today's character. Everything after it is consonants with their own vowels attached.

Writing: అ — follow the numbered strip

How అ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write అ yourself — slowly, and larger than it is printed.

The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at the word below and put a finger on అ at its front

  అవును

- *Trace it:* అ three times, saying *a* as you finish each one
- *Say it:* క, then అ — the same vowel, once tucked inside a consonant and once out on its own

Before you move on

Which character is this — అ? What sound does it carry? (***a***.) Why does this vowel have no mark to hang on a consonant? (**Because a consonant with no mark on it is already carrying it**.) Which word from this chapter begins with it? (అవును.)

1.8 ా — one character, met inside words you already say

Before the new one: క — what does it do?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ా

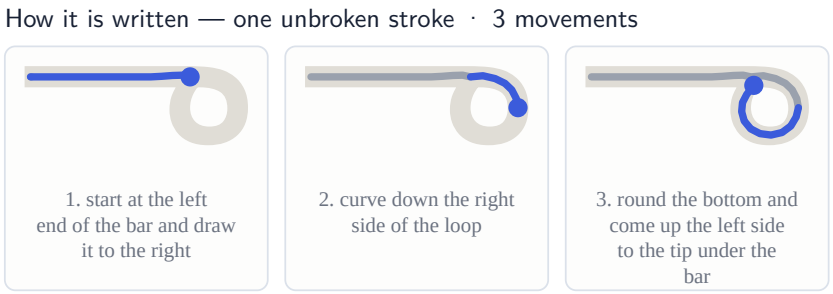

ా — *ā*.

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *ā*. Replaces, not adds — the *a* is gone.

You already say these, and every one of them has ా somewhere inside it:

- *namaskāram* — hello / greetings, where it turns క *ka* into కా *kā*
- *dhanyavādamulu* — thank you, where it turns వ *va* into వా *vā*

Writing: ా — follow the numbered strip

Stroke order after HP Labs India, Lipi Toolkit, Lipi Indic Character Recognizers 4.0, Telugu recognizer, class 52 (ా aa sign): stored online-handwriting prototypes from native writers (MIT licence, 2012)
This order is attested, not standardised; the source records where it varies.

How ా is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ా yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these, and find ా in the ones that have it

  క · కా · వ · వా · అవును

- *Trace it:* ా three times, saying *ā* as you finish each one
- *Say it:* కా and వా — *kā*, *vā*

Before you move on

Which character is this — ా? What vowel does it put on the consonant it attaches to — and what does it take off? (**Puts *ā* on; takes the built-in *a* off.**) Name one word you already say that contains it.

1.9 లేదు (lēdu) — "no," where Telugu only looks different from its sisters

The partner of *avunu* — and a small surprise. Tamil, Kannada, and Malayalam all say "no" with a word built on *il-* (*illai / illa*). Telugu says *lēdu*, which looks nothing like them, yet comes from the same root.

The letters in this word

(Skim if you read Telugu.)

- **లే** = "lē" — **ల** (la) with the **long-"ē" vowel sign**.
- **దు** = "du" — **ద** (da) with the "u" sign.

Left to right: **లే** · **దు** = *lē-du* →

లేదు = lēdu

The word, taken apart — its roots and family

లేదు (*lēdu*) means **"there is not, it is absent."** It is native Dravidian. Its *lē-*, "be not", looks unlike the *il-* of Tamil and Kannada, but DEDR 2559 files them in one entry. Telugu also has **కాదు** (*kādu*), "it is **not** [that]" — so Telugu splits "no" into two:

- **lēdu** — denies **existence** ("there isn't"): *pustakam lēdu*, "there is no book."
- **kādu** — denies **identity** ("it isn't [that]"): *idi pustakam kādu*, "this is not a book."

Across the family — the same idea, five ways:

Language	"No / isn't"	Note
Telugu	*lēdu / kādu* (**లేదు / కాదు**)	native; *lē-* is filed with *il-* (DEDR 2559)
Tamil	*illai* (**இல்லை**)	native, root *il-*
Kannada	*illa* (**ಇಲ್ಲ**)	native, root *il-*
Malayalam	*illa* (**ഇല്ല**)	native, root *il-*
Hindi	*nahīṁ* (**नहीं**)	Indo-European (unrelated)

Telugu's *lē-* looks least like the others, yet DEDR files it with *il-*. *Kādu* comes from another verb, *agu*, "to be" (DEDR 333).

Grammar Lens: two "no"s, existence vs. identity

English leans on one flat "no." Telugu — carefully — keeps **two negatives**: *lēdu* for "there isn't / doesn't exist," *kādu* for "is not [the thing you said]." Choosing between them is choosing *what* you're denying. (This two-way negative is a Dravidian trait; Tamil has an echo of it too, but Telugu draws the line most sharply.)

The letters in this word

లే is *lē* (**ల** *la* with the long-"ē" sign); **దు** is *du*. *Read it:* **లే** · **దు** → *lēdu*

Your turn

Say these aloud:

- lē · du → "lēdu"
- the pair — *avunu* ("yes") / *lēdu* ("no")
- the two no's — *pustakam lēdu* ("no book") vs. *idi pustakam kādu* ("this isn't a book")

Before you move on

Read it: **లేదు** What does it deny — existence or identity? (Existence — "there isn't"; *kādu* denies identity.) How does Telugu's "no" differ from Tamil's and Kannada's? (Only in shape: DEDR files *lē-* with their *il-*.)

1.10 సరే (sarē) — "okay," the shared word in Telugu dress

The easy middle between "yes" and "no": "okay, alright, fine." It's the same word you'd meet as *sari* in Tamil and Kannada — Telugu just rounds it off to *sarē*.

The letters in this word

(Skim if you read Telugu.)

- స = "sa."
- రే = "rē" — ర (ra) with the **long-"ē" vowel sign** (the same sign you met on *lē* in *lēdu*).

Left to right: స · రే = *sa-rē* →

సరే = **sarē** = "okay / alright."

The word, taken apart — its roots and family

సరే (*sarē*) means "correct, right → okay, agreed" — the verbal nod of Telugu. It is the same word as Kannada ಸರಿ and Tamil சரி (*sari*), worn to *sarē* in Telugu. Say it once to agree; say *sarē sarē* to mean "yes yes, fine, enough." Its origin is uncertain: DEDR has no entry, and it is usually traced to Sanskrit *sadṛśa*, "like, equal" (CDIAL 13120).

Grammar Lens: one shared word, three scripts

sari / sarē is a clean demonstration of how much the sisters share: one word, one meaning, dressed in three different scripts — Tamil, Kannada, Telugu. Spotting a shared word in three scripts is the quickest way to feel the relationship.

The letters in this word

స is *sa*; రే is *rē* (ర *ra* with the long-"ē" sign you just met on *lē*). *Read it:* స · రే → *sarē*

Your turn

Say these aloud:

- sa · rē → "sarē"
- the everyday triple — *avunu* (yes) · *lēdu* (no) · *sarē* (okay)
- "sarē sarē" — "alright, alright"

Before you move on

Read it: సరే What does it mean, and what is its Tamil/Kannada twin? ("Okay, agreed"; *sari*.) Which vowel sign does *rē* share with *lēdu*? (The long-"ē" sign.)

1.11 ే — one character, met inside words you already say

Before the new one: ా — what does it do?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ే

ే — *ē*.

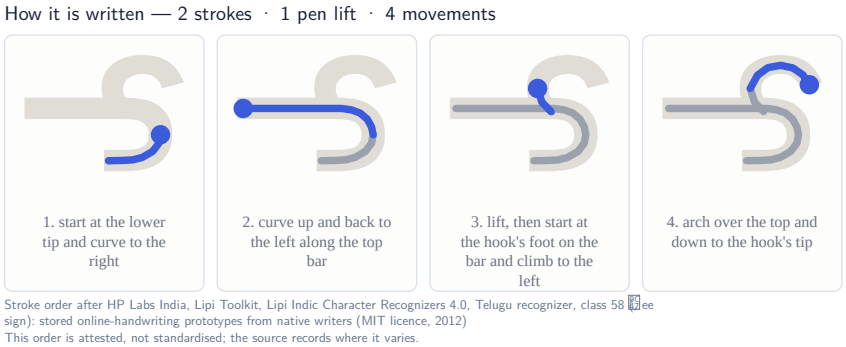

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *ē*. Replaces, not adds — the *a* is gone.

You already say these, and every one of them has ే somewhere inside it:

- లేదు *lēdu* — no / there isn't (lēdu)
- సరే *sarē* — okay / alright (sarē)

The chapter's two long words appear whole below for the first time: నమస్కారం and ధన్యవాదములు. Their last new pieces are small: the dot ం, a final nasal, and య *ya*, stacked under న by the same *virama* ్ you saw in స్క: న్య.

Writing: ే — follow the numbered strip

How ే is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ే yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ే in the ones that have it

  లేదు · సరే · నమస్కారం · ధన్యవాదములు

- *Trace it:* ే three times, saying *ē* as you finish each one
- *Look:* back at any page of this chapter and find ే once more

Before you move on

Which character is this — ే? What vowel does it put on the consonant it attaches to — and what does it take off? (**Puts *ē* on; takes the built-in *a* off.**) Name one word you already say that contains it.

1.12 Chapter 1 — a five-word recap

Five words, and a first handful of Telugu letters read straight off the page. Let's gather only what you have already learned and make it feel easy.

The exchange — read them back

Sound each out, left to right, before checking:

Read	Meaning	Origin
నమస్కారం *namaskāram*	hello / greetings	Sanskrit
ధన్యవాదములు *dhanyavādamulu*	thank you	Sanskrit stem + Telugu plural
అవును *avunu*	yes	native
లేదు *lēdu*	no / there isn't	native (*lē-*, filed with *il-*)
సరే *sarē*	okay	uncertain (= *sari*)

The letters that did it: consonants carry a built-in **"a"** (many under the little *talakaṭṭu* hat); a **vowel sign** swaps that vowel (ా ā, ు u, ే ē); a **virama** lets a consonant **stack below** the next as a conjunct (స్క); a dot **anusvāra** (ం) adds a final nasal; and a word-initial vowel gets a **full letter** (అ).

The now-familiar pattern: the two **greeting/politeness** words are Sanskrit; *avunu* and *lēdu* are native, and *lēdu* only looks unlike its sisters' *il-*; *sarē*'s origin is uncertain.

Why it's said this way

Telugu has a warm departure exchange built around going and coming back. It belongs in the later chapter where you learn those actions one at a time. For now, repeating the greeting is enough when you part.

Your turn

Say these aloud:

- all five — namaskāram · dhanyavādamulu · avunu · lēdu · sarē
- greet and thank — "namaskāram!" … "dhanyavādamulu."

Before you move on

Read all five aloud. Which two are Sanskrit, which two native? (Sanskrit: *namaskāram*, *dhanyavādamulu*. Native: *avunu*, *lēdu*; *sarē* is uncertain.) How does Telugu's "no" differ from its sisters'? (Only in shape — DEDR files *lē-* with their *il-*.) Which word means "okay"? (*sarē*.)

Next chapter starts introducing yourself, one short possession form at a time.

Chapter 2

Introducing Yourself

Modes: **voice** (4) **eyes** (4) **pen** (10) **Hands-free start:** the first of 18 lessons.

> ***By the end of this chapter:*** I can introduce myself in Telugu, give my name, and understand the other person's name.
>
> *A first real exchange — give your name, ask for someone else's, say you are glad to meet them. Built the same way as the greetings: each piece taken apart, its letters and its root, then assembled.* నా పేరు అరుణ్. */* మీ పేరు ఏమిటి*?*

2.1 పేరు (pēru) — "name," the native Dravidian word

"Name" — native Dravidian, even in Sanskrit-loving Telugu.

The letters in this word

(Skim if you read Telugu.) ప (pa) + ే (the *ē*-sign) → పే (pē); రు (ru). Read పే · రు → **pēru**.

The word, taken apart — its roots and family

పేరు (*pēru*, "name") is **native Dravidian** (DEDR 4410), from Proto-Dravidian ***pēr** — the same word as Tamil *peyar* and Malayalam *pēr*, and a cousin of Kannada *hesaru* (which softened *p* → *h*). It is *not* Sanskrit *nāma* (Hindi *nām*, English *name*). Even Telugu — the most Sanskritised of the Dravidian tongues — kept its

home-grown word for "name."

Across the family — the same idea, six ways:

Language	"Name"	Source
Telugu	**పేరు** *pēru*	**native Dravidian** (*pēr)
Tamil	*peyar*	the *same* Dravidian root
Malayalam	*pēr*	the *same* Dravidian root
Kannada	*hesaru*	Dravidian (*pesar, *p* → *h*)
Hindi	*nām*	Sanskrit (Indo-European)
English	*name*	Indo-European

Four Dravidian tongues, one inherited word — even Kannada's *hesaru*, once you know the old *p* went soft. Only the last two rows come from somewhere else.

The letters in this word

ప (*pa*) + ే (the *ē*-sign) → పే (pē); రు (*ru*). *Read it:* పే · రు → *pēru*

Your turn

Say these aloud:

- "pēru"
- its Dravidian cousins — *pēru* / *peyar* / *pēr*

Before you move on

Is పేరు native or a Sanskrit loan, and what Tamil word is its twin? (Native Dravidian, **pēr*; Tamil *peyar*.)

2.2 న — one character, met inside words you already say

Before the new one: ే — what does it do?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: న

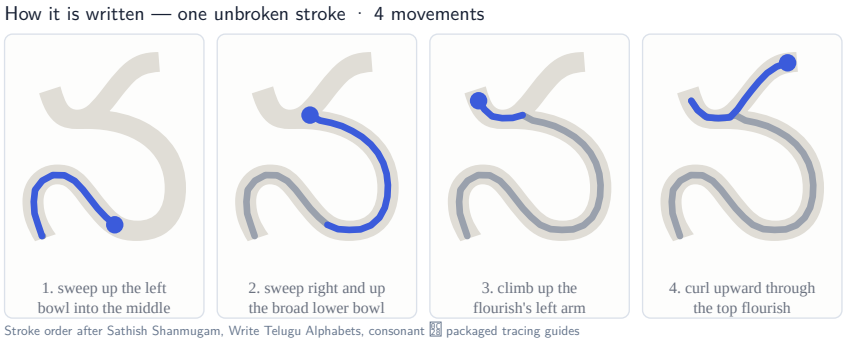

న — *na*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *n*, it is **na**.

You already say these, and every one of them has **న** somewhere inside it:

- **నమస్కారం** *namaskāram* — hello / greetings (namaskāram — "a making of a bow")
- **ధన్యవాదములు** *dhanyavādamulu* — thank you (dhanyavādamulu — "utterances of 'worthy'")
- **అవును** *avunu* — yes (avunu)

Writing: న — three gentle sweeps

How **న** *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 sweeps up around the left bowl and into the middle. Without lifting, movement 2 travels right around the broad lower bowl and rises along its outer edge. Keep the pen down: movement 3 climbs a short way up the flourish's left arm, and movement 4 curls up through the small flourish above. The strip gives that short climb a panel of its own, so the three sweeps are numbered as four.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, but nearly all native writers draw న as one unbroken stroke, so let the three sweeps run into each other without lifting.

Your turn

- *Look:* at these words, and find న in the ones that have it

  నమస్కారం · ధన్యవాదములు · లేదు

- *Trace it:* న three times, saying *na* as you finish each one
- *Look:* back at any page of this chapter and find న once more

Before you move on

Which character is this — న? What sound does it carry? (***na***.)
Name one word you already say that contains it.

2.3 నా (nā) — "my"

"My" — native Dravidian, no European cousin.

The letters in this word

(Skim if you read Telugu.) న (na) + ా (long *ā*) → నా (*nā*).

The word, taken apart — its roots and family

నా (*nā*) means "my." It belongs to Telugu's native Dravidian first-person family, not to the Indo-European family behind English *I/ my*. You will meet the related word for "I" in its own lesson; today you only need *nā*.
DEDR 5160 lists Telugu *nēnu*, "I", with its oblique stems *nan-* and *nā-*, beside Tamil *nāṉ*.

The letters in this word

న (*na*) + ా (long ā) → నా (*nā*).

Your turn

Say these aloud:

- "nā"
- *nā* once with its meaning, "my"

Before you move on

What does నా mean? ("My.") Is it native Dravidian or an Indo-European loan? (Native Dravidian.)

2.4 ు — one character, met inside words you already say

Before the new one: న — what does it do? And one from further back: క?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ు

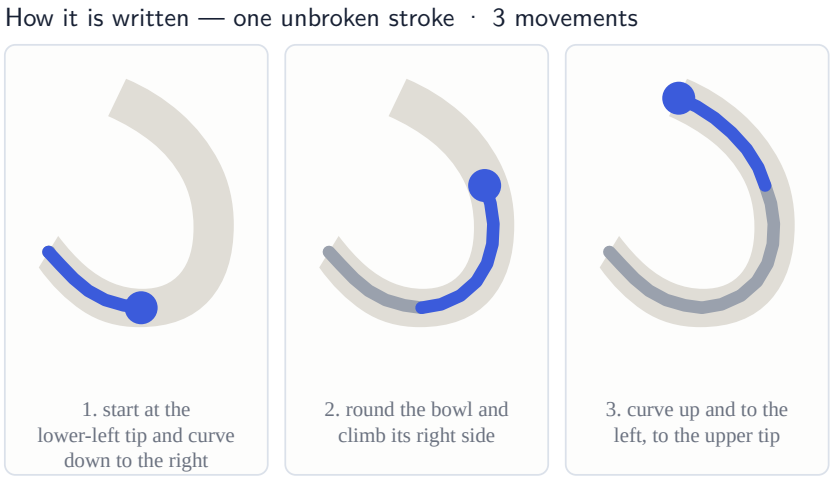

ు — *u*.

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *u*. Replaces, not adds — the *a* is gone.

You already say these, and every one of them has ు somewhere inside it:

- ధన్యవాదములు *dhanyavādamulu* — thank you (dhanyavādamulu — "utterances of 'worthy'")
- అవును *avunu* — yes (avunu)
- లేదు *lēdu* — no / there isn't (lēdu)
- పేరు *pēru* — name

Writing: ు — follow the numbered strip

Stroke order after HP Labs India, Lipi Toolkit, Lipi Indic Character Recognizers 4.0, Telugu recognizer, class 55 (U+0C41, u sign): stored online-handwriting prototypes from native writers (MIT licence, 2012)
This order is attested, not standardised; the source records where it varies.

How ు is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ు yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ు in the ones that have it

  ధన్యవాదములు · అవును · నమస్కారం

- *Trace it:* ు three times, saying *u* as you finish each one
- *Look:* back at any page of this chapter and find ు once more

Before you move on

Which character is this — ు? What vowel does it put on the consonant it attaches to — and what does it take off? (**Puts *u* on; takes the built-in *a* off.**) Name one word you already say that contains it.

2.5 నా పేరు ... (nā pēru ...) — "my name is...," with no "is"

Assemble the two atoms — and note, as in Tamil and Kannada, no word for "is."

The word, taken apart — its roots and family

- nā (my) + pēru (name) + your name.

  నా పేరు ... = "my name ..." → **"my name is..."**

Nā pēru Arun. → "My name is Arun."
Both words are native Dravidian: *nā* (DEDR 5160) and *pēru* (DEDR 4410).

Grammar Lens: the zero copula

There is **no verb**. Telugu sets "my name" beside "Arun" and lets the "is" be understood — the **zero copula** of the Dravidian family. *Nā pēru Arun* = literally "my name Arun."

Your turn

Say these aloud:

- "nā pēru ..." with your name
- notice — no word for "is"

Before you move on

Give your name in Telugu. (*Nā pēru ....*) What does Telugu leave out that English needs? (The verb "is" — zero copula.)

2.6 ౧ — the Telugu numeral for 1

> Before the new one: ◌౨ — what does it do? And one from further back: ◌౩?
>
> One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౧

Telugu writes its numbers twice. The digits you already use — 1, 2, 3 — are everywhere in modern Telugu, on price tags and phone screens. Beside them the language keeps **its own ten numerals**, and they have never gone away: they number the pages of Telugu books, they date the almanac, and they are painted on buses and doorplates.

౧ is **one**.

You do not need a Telugu word for it yet. A numeral is read as a quantity, not as a sound, which is why this ladder can start here: the shape can be learned months before the word for it arrives.

Writing: ౧ — copy what you see

Put your pen on ౧ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౧

- *Trace it:* ౧ three times, saying "1" as you finish each one
- *Look:* for ౧ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౧? What amount does it stand for? (౧ and 1 mean the same thing.)

2.7 నువ్వు / మీరు (nuvvu / mīru) — "you," familiar and respectful

"You" — respect made the same way as Tamil, Kannada, and French.

The letters in this word

(Skim if you read Telugu.) **నువ్వు** (*nuvvu*); **మీరు** (*mīru*) = **మీ** (mī) + **రు** (ru).

The word, taken apart — its roots and family

నువ్వు (*nuvvu*, familiar "you") traces to Proto-Dravidian ***nīn** — the same native root as Tamil *nī* and Kannada *nīnu* (DEDR 3684, which spells the Telugu *nīvu*). **మీరు** (*mīru*) is the respectful/plural "you" (DEDR 3688).

Grammar Lens: respect by the plural

nuvvu (familiar) vs. *mīru* (respectful, and literally plural) — the same politeness-by-plural as Tamil *nīṅgaḷ*, Kannada *nīvu*, and French *vous*. For a first meeting, **mīru**.

The letters in this word

నువ్వు (*nuvvu*); **మీరు** (*mīru*, **మీ** *mī* + **రు** *ru*).

Your turn

- *Say it:* "nuvvu" (familiar), "mīru" (respectful)

Before you move on

How does Telugu make "you" respectful, and which languages share the trick? (By the plural — *mīru*; Tamil *nīṅgaḷ*, Kannada *nīvu*,

French *vous*.)

2.8 ్ — one character, met inside words you already say

Before the new one: ∩ — what amount does it stand for? And one from further back: ే?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ్

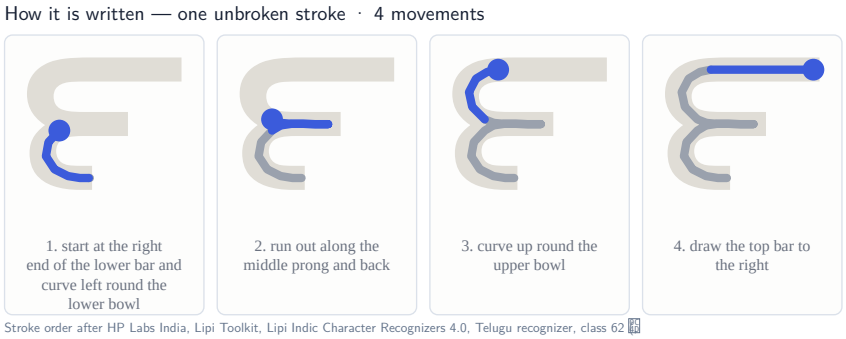

్ — *no sound of its own — it takes one away.*

It is a **vowel-killer**. Every consonant in this script arrives with an *a* already inside it — that is what an abugida is. This mark takes the *a* back, leaving the bare consonant. It is how the script writes two consonants in a row.

You already say these, and every one of them has ్ somewhere inside it:

- నమస్కారం *namaskāram* — hello / greetings (namaskāram — "a making of a bow")
- ధన్యవాదములు *dhanyavādamulu* — thank you (dhanyavādamulu — "utterances of 'worthy'")
- నువ్వు / మీరు *nuvvu / mīru* — you (familiar / respectful)

Writing: ్ — follow the numbered strip

How ్ is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ్ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ్ in the ones that have it

  నమస్కారం · ధన్యవాదములు · అవును

- *Trace it:* ్ three times, and each time say what it does: **it kills the built-in *a***

- *Look:* back at any page of this chapter and find ్ once more

Before you move on

Which character is this — ్? What does it do to the consonant it sits on? (**Takes away the built-in *a*.**) Name one word you already say that contains it.

2.9 ఏమిటి (ēmiṭi) — "what"

The last piece of the question: "what."

The letters in this word

(Skim if you read Telugu.) **ఏ** (independent long *ē*) + **మి** (mi) + **టి** (*ṭi*, retroflex) → **ēmiṭi**.

The word, taken apart — its roots and family

ఏమిటి (*ēmiṭi*, "what") is native Dravidian, on the interrogative stem ***yā-/*e-** — the same Dravidian question-root as Tamil *eṉṉa* and Kannada *ēnu*, heading Telugu's question family: *ēmiṭi* (what), *evaru* (who), *ekkaḍa* (where), *enduku* (why).
DEDR 5151 lists Telugu *ēmi*, "what", beside Tamil *eṉṉa* and Kannada *ēn*.

The letters in this word

ఏ (independent long ē) + **మి** (*mi*) + **టి** (*ṭi*, retroflex) → *ēmiṭi*.

Your turn

Say these aloud:

- "ēmiṭi"
- the question family — ēmiṭi, evaru, ekkaḍa

Before you move on

What Dravidian stem heads **ఏమిటి** and the other Telugu question-words? (**yā-/*e-*, same as Tamil *eṉṉa*, Kannada *ēnu*.)

2.10 ట — the curled t, in the question from this chapter

Say the word for *what*. Listen to the consonant in the middle and notice where your tongue goes for it.

Script you'll notice: ట

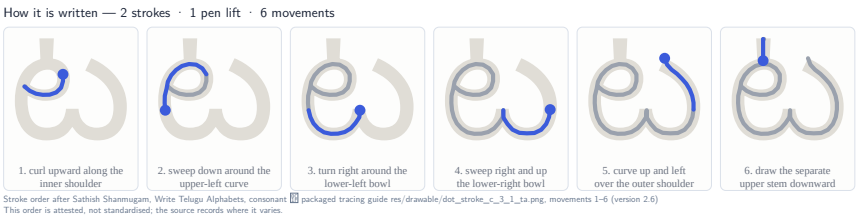

ట — *ṭa*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ṭ*, it is **ṭa**.

- ఏమిటి *ēmiṭi* — what (ēmiṭi)

The tongue curls back to the roof of the mouth for this one. English has a single *t* and lets the mouth decide where to put it; Telugu has two, and they are different letters. The dot under the *ṭ* in the romanization is the only warning you get there — on the page the two shapes are nothing alike, which is easier.

Writing: ట — six deliberate movements

How ట *is written, stroke by stroke*

Follow the filmstrip slowly. Movement 1 curls up the inner shoulder. Movements 2–5 travel around the broad outer body in four sections. Finish with movement 6, the separate short stem above.

This is one attested school-style order. Telugu handwriting varies, so keep the six directions clear and let the rounded shape grow from them.

Your turn

- *Look:* at the word below and find ట in it

  ఏమిటి

- *Trace it:* ట once, following all six numbered movements
- *Copy:* ట twice without tracing, saying *ṭa* as you finish each one
- *Say it:* where your tongue goes for it, against where it goes for a plain *t*

- *Look:* back at the greeting chapter and find **మ** and **ధ** once each

Before you move on

Which character is this — **ట**? What sound does it carry? (***ṭa.***)
Which word from this chapter contains it? (**ఏమిటి**.)

2.11 ఏ — the sign you know, as a letter

Two from before: ే — what does it do to the consonant it sits on? And **అ** — why does that one need no mark?

Today the two ideas meet.

Script you'll notice: ఏ

ఏ — *ē*.

It is an **independent vowel** — a vowel that is a letter in its own right, not a mark hung on a consonant.

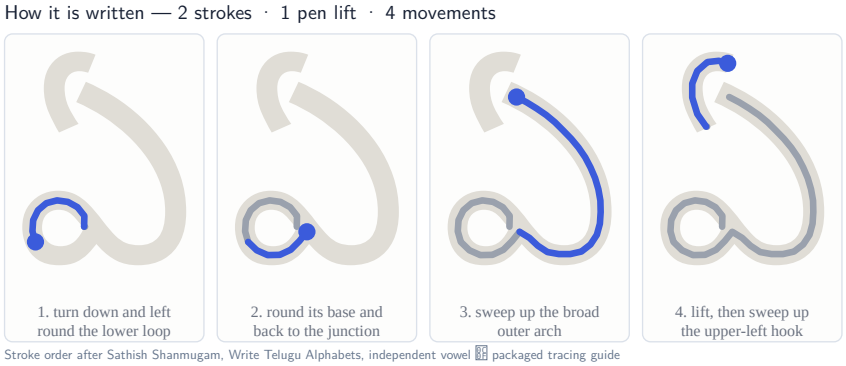

You have read ే, the long-*ē* sign, since the first chapter. It rides on a consonant and needs one to exist. **ఏ is that same vowel with nothing in front of it.**

This is the pattern behind every vowel in the script. A vowel has two written forms — a sign for when a consonant carries it, a letter for when the vowel opens the word. **అ** was the odd one out because its sign is the absence of any sign at all; **ఏ** is the ordinary case, and from here you can expect the pair everywhere.

- **ఏమిటి** *ēmiṭi* — what?

The question word you have been saying opens on today's letter, and the *i* inside it is carried by a sign. One word, both forms.

Writing: ఏ — follow the numbered strip

How ఏ is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఏ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at the word below and find ఏ at its front

  ఏమిటి

- *Trace it:* ఏ three times, saying *ē* as you finish each one
- *Say it:* which form of a vowel goes at the front of a word, the sign or the letter

Before you move on

Which character is this — ఏ? What sound does it carry? (*ē*.) When does Telugu write the letter ఏ rather than the sign ే? (**When the**

vowel has no consonant in front of it.) And which vowel met so far has a letter but no sign? (అ.)

2.12 ౨ — the Telugu numeral for 2

Before the new one: ౯ — what does it do? And one from further back: ౫?

One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౨

౨ is **two**.

Two numerals now, and that is enough for the first real reading skill: telling them apart. A digit is never met alone on a page — it is met in a row of other digits, and the work is picking the one you want out of the row.

Writing: ౨ — copy what you see

Put your pen on ౨ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ∩ · ౨

- *Trace it:* ౨ three times, saying "2" as you finish each one
- *Look:* for ౨ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౨? What amount does it stand for? (౨ is 2, and ౧ beside it is 1.)

2.13 మీ పేరు ఏమిటి? (mī pēru ēmiṭi?) — "what's your name?"

Assemble the question — your + name + what — still no "is."

The word, taken apart — its roots and family

- **మీ** (*mī*, "your") = the possessive of *mīru* ("you," respectful).

  మీ పేరు ఏమిటి? = literally "**your name what?**" = "what's your name?"

Three Dravidian words (DEDR 3688, 4410, 5151), **no verb** — the zero copula holds for questions too.

Grammar Lens: answer, and the familiar version

Answer with the sentence you built: **Nā pēru Arun.** The familiar "your" is *nī* (from *nuvvu*): *nī pēru ēmiṭi?*

Your turn

Say these aloud:

- "mī pēru ēmiṭi?"
- ask, then answer — "mī pēru ēmiṭi?" / "nā pēru …"

Before you move on

What does **మీ పేరు ఏమిటి?** literally say, and what's missing vs. English? ("Your name what?"; no "is" — zero copula.)

2.14 ి — one character, met inside words you already say

Before the new one: ఎ — what amount does it stand for? And one from further back: ు?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ి

ి — *i*.

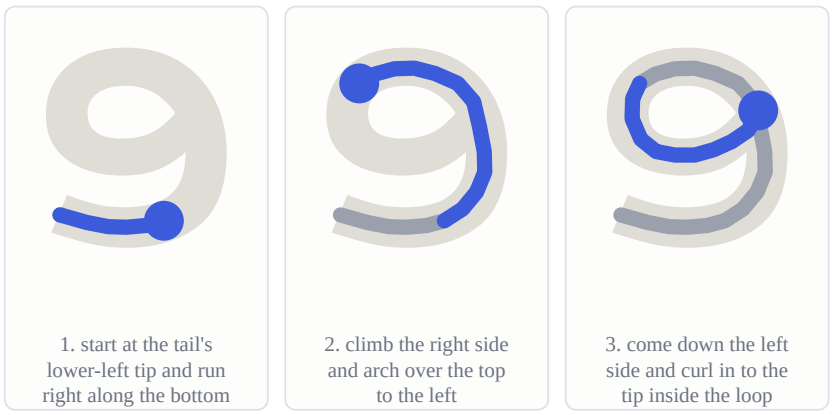

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *i*. Replaces, not adds — the *a* is gone.

You already say these, and every one of them has ి somewhere inside it:

- **మీ పేరు ఏమిటి?** *mī pēru ēmiṭi?* — what is your name?
- **ఏమిటి** *ēmiṭi* — what

Writing: ి — follow the numbered strip

How it is written — one unbroken stroke · 3 movements

Stroke order after HP Labs India, Lipi Toolkit, Lipi Indic Character Recognizers 4.0, Telugu recognizer, class 53 (ి sign): stored online-handwriting prototypes from native writers (MIT licence, 2012)
This order is attested, not standardised; the source records where it varies.

How ి is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ి yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ి in the ones that have it

  ఏమిటి · మీ పేరు ఏమిటి? · నమస్కారం

- *Trace it:* ి three times, saying *i* as you finish each one
- *Look:* back at any page of this chapter and find ి once more

Before you move on

Which character is this — ి? What vowel does it put on the consonant it attaches to — and what does it take off? (**Puts *i* on; takes the built-in *a* off.**) Name one word you already say that contains it.

2.15 సంతోషం (santōṣam) — "joy," and "pleased to meet you"

The warm close — and, as in Kannada, a Sanskrit word.

You'll want to know: the full phrase

The full form is **మిమ్మల్ని కలిసినందుకు సంతోషం** (*mimmalni kalisinanduku santōṣam*) — "joy at having met you."

The word, taken apart — its roots and family

సంతోషం (*santōṣam*, "joy, gladness") is **Sanskrit** — *sam-* ("fully") + *toṣa* ("satisfaction") — the *same* loan Kannada uses (*santōṣa*). Both reach for Sanskrit where Tamil keeps its native *magiḻcci*. Telugu — the

most Sanskritised of the four Dravidian tongues — does so most readily of all.
CDIAL 12895 lists Sanskrit *santoṣa*, "satisfaction".

Your turn

Say these aloud:

- "santōṣam"
- the split — Telugu/Kannada *santōṣa(m)* (Sanskrit) vs. Tamil *magiḻcci* (native)

Before you move on

Is సంతోషం native or borrowed, and what does the contrast with Tamil show? (Sanskrit; Telugu borrows Sanskrit — here for "pleased" — where Tamil keeps native *magiḻcci*.)

2.16 ో— a sign, not a letter

Before the new one: ి — what does it do to the consonant it sits on?

This one does the same job with a different vowel.

Script you'll notice: ో

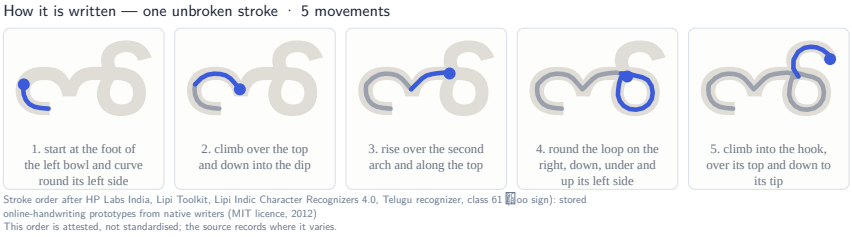

ో — *ō*.

It is a **sign**, not a letter. A Telugu consonant arrives with an *a* already inside it, and a sign is how you swap that *a* for something else. On its own it says nothing; hung on a consonant it turns that consonant's vowel into a long *ō*.

- సంతోషం *santōṣam* — happiness, gladness (santōṣam — "a being well pleased")

Look at the middle of that word: the త carries the sign, and *ta* becomes *tō*.

Writing: ో— follow the numbered strip

How ో is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ో yourself — slowly, and larger than it is printed. Then write it again attached to a consonant, the way it actually appears.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at the word below and find the consonant carrying ో

  సంతోషం

- *Trace it:* ోthree times, saying *ō* as you finish each one
- *Say it:* what the sign does to the consonant underneath it
- *Look:* at ఏమిటి again and name the curled letter in it

Before you move on

Is ోa letter or a sign? (A sign.) What does it do? (It swaps the consonant's built-in *a* for a long *ō*.) Can it stand on its own? (No.)

2.17 ◌ం — one character, met inside words you already say

Before the new one: ◌ీ — what does it do? And one from further back: ∩?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ◌ం

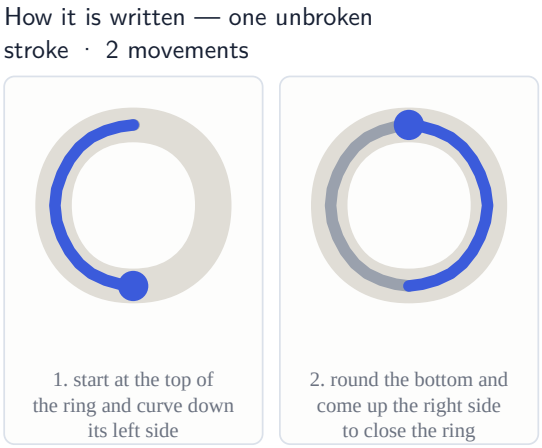

◌ం — *a nasal, ridden on the syllable before it.*

It is a **nasal**, written as a mark rather than as a letter. It rides on the syllable before it and turns the end of it nasal.

You already say these, and every one of them has ◌ం somewhere inside it:

- సంతోషం — joy / pleased to meet you
- నమస్కారం *namaskāram* — hello / greetings (namaskāram — "a making of a bow")

Writing: ం — follow the numbered strip

How ం is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ం yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ం in the ones that have it

  నమస్కారం · సంతోషం · ధన్యవాదములు

- *Trace it:* ం three times, humming the nasal at the end of the syllable as you finish each one

- *Look:* back at any page of this chapter and find ం once more

Before you move on

Which character is this — ◌ం? What does it add to the syllable before it? (**A nasal.**) Name one word you already say that contains it.

2.18 Chapter 2 — the introduction, whole

No new words. Everything you have met in this chapter, said once through as the exchange it was always for.

The exchange — the dialogue

Telugu	English
నా పేరు మీరా. (*nā pēru Mira*)	My name is Mira.
మీ పేరు ఏమిటి? (*mī pēru ēmiṭi*)	What's your name?
నా పేరు అను. (*nā pēru Anu*)	My name is Anu.
సంతోషం. (*santōṣam*)	Pleased to meet you.

Every atom traced:

- **pēru** ← Dravidian **pēr* (*not name*; twin of Tamil *peyar*)
- **nā** ← *nēnu* ("I")
- **ēmiṭi** ← Dravidian question-stem **yā-/*e-*
- **santōṣam** ← **Sanskrit** (Telugu borrows for "pleased"; Tamil keeps native *magi̲lcci*)

The Telugu habit: the **zero copula** (no "is").

Your turn

Say these aloud:

- the whole exchange, both voices
- your own introduction — "nā pēru …"
- ask it back — "mī pēru ēmiṭi?"

Before you move on

Give your name, ask someone else's, say you're pleased. (*Nā pēru …. / Mī pēru ēmiṭi? / Santōṣam.*) Which word is Sanskrit, not native? (*santōṣam.*)
Next chapter: *elā unnāru?* ("how are you?") and answering with *bāgunnānu* — the responding cycle.

Chapter 3

How Are You?

Modes: **voice** (1) **eyes** (5) **pen** (6) **Hands-free start:** the first of 12 lessons.

> ***By the end of this chapter:*** I can ask how someone is in Telugu, answer naturally, and return the question.
>
> *After the name comes the exchange everyone actually has — and, for the first time, a Telugu verb "to be."* మీరు ఎలా ఉన్నారు*? /* నేను బాగున్నాను*,* ధన్యవాదములు*.*

3.1 ఎలా (elā) — "how," another of the e-questions

You met ఏమిటి (*ēmiṭi*, "what") in Chapter 2. Here is its sibling — and, like all of Telugu's question-words, it begins with **e-**.

The letters in this word

(Skim if you read Telugu.) ఎ (independent short *e*) + లా (*lā*, *la* + the long-*ā* sign) → ఎలా (*elā*).

The word, taken apart — its roots and family

ఎలా (*elā*, "how") is native Dravidian (DEDR 5151), on the interrogative base ఎ- (*e-*) you already met in *ēmiṭi*. Telugu gathers nearly all its questions under this **e-**: *ēmiṭi* (what), *elā* (how), *evaru* (who), *ekkaḍa* (where), *eppuḍu* (when), *enduku* (why). It is the same Dravidian question-root that heads Tamil's *eppaḍi* and Kannada's *ēnu*

— a family older than the Sanskrit words that Telugu otherwise borrows so freely.

The letters in this word

ఎ (independent short *e*) + ల (*lā*) → ఎల (*elā*).

Your turn

Say these aloud:

- "elā"
- the e- question family — *ēmiṭi, elā, evaru, ekkaḍa, eppuḍu*

Before you move on

What base do Telugu's question-words share, and which cousins head their own? (The interrogative *e-*; Tamil's *eppaḍi*, Kannada's *ēnu*.)

3.2 ౩ — the Telugu numeral for 3

Before the new one: ◌ొ — what does it do? And one from further back: ◌ీ?

One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౩

౩ is **three**.

Three of the ten. Read the row below left to right and say the values out loud in your own language — **one, two, three**. Saying the value rather than a Telugu word is not a shortcut around the language; it is what a numeral is for.

Writing: ౩ — copy what you see

Put your pen on ౩ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౧ · ౨ · ౩

- *Trace it:* ౩ three times, saying "3" as you finish each one
- *Look:* for ౩ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౩? What amount does it stand for? (౩ is 3.)

3.3 మీరు ఎలా ఉన్నారు? (mīru elā unnāru?)

The everyday "how are you?" — and the verb "to be" that carries it.

The letters in this word

The new word is **ఉన్నారు** (*unnāru*, "you are/exist"): from the verb *uṇḍu* ("to be, to exist, to stay") + the respectful-you ending **-ారు** (*-āru*). Note the doubled **న్న** (*nn*).

The word, taken apart — its roots and family

మీరు ఎలా ఉన్నారు? = **మీరు** (*mīru*, "you," respectful) + **ఎలా** (*elā*, "how") + **ఉన్నారు** (*unnāru*, "are") — "you how are?", the verb **last**, as in every Telugu sentence. The verb is *uṇḍu*, "to be / to exist / to stay" — native Dravidian (DEDR 697), and the workhorse behind "how are you," "I'm well," and (you'll see in Chapter 5) "I live."

Grammar Lens: the verb carries "you"

The ending **-ారు** (*-āru*) already means "you (respectful)," so *mīru* can be dropped: *elā unnāru?* is a complete "how are you?" To a friend (*nuvvu*), the ending changes: **నువ్వు ఎలా ఉన్నావు?** (*nuvvu elā unnāvu?* — *-āvu* for the familiar "you"). Match the "you" to the verb-ending, as Telugu always does.

Your turn

Say these aloud:

- the respectful question — *mīru elā unnāru?*
- the familiar version — *nuvvu elā unnāvu?*
- the verb and its meaning (*uṇḍu* — "to be / exist / stay")

Before you move on

What verb powers "how are you?", and how does the ending change for a friend? (*Uṇḍu*, "to be"; *-āru* → *-āvu* for the familiar *nuvvu*.)

3.4 ఉ — one character, met inside words you already say

Before the new one: ౩ — what amount does it stand for? And one from further back: ఎ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ఉ

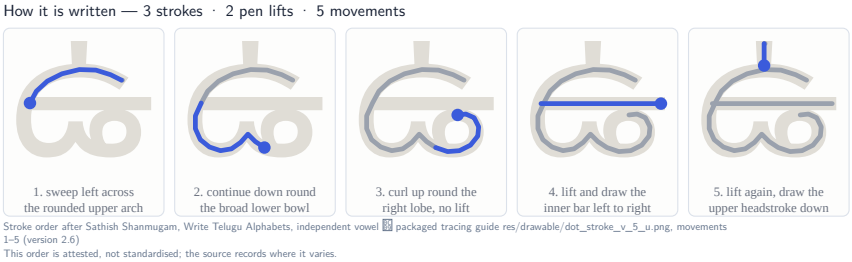

ఉ — *u*.

It is an **independent vowel** — the shape the vowel *u* takes when a word begins with it, rather than the sign it becomes inside a word.

You met it on the page before this one, standing at the front of a word:

- **మీరు ఎలా ఉన్నారు?** — how are you? (respectful)

Writing: ఉ — follow the numbered strip

How ఉ is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఉ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ఉ in the ones that have it

  మీరు ఎలా ఉన్నారు? · నమస్కారం

- *Trace it:* ఉ three times, saying *u* as you finish each one
- *Look:* back at any page of this chapter and find ఉ once more

Before you move on

Which character is this — ఉ? What sound does it carry? (***u***.)
Name one word you already say that contains it.

3.5 నేను (nēnu) — “I,” the Dravidian first person

> To answer “how are you?” you first need “I.” In Chapter 2 you learned *nā* (“my”); here is its owner.

The letters in this word

నే (*nē*, *na* + long-*ē* sign) + ను (*nu*) → నేను (*nēnu*).

The word, taken apart — its roots and family

నేను (*nēnu*, "I") ← Proto-Dravidian ***yāṉ / *nēn** — native, and (unlike Hindi's *maiṁ*, cousin of English *me*) **not** related to the European "I/me" family. Its possessive is the నా (*nā*, "my") you already met: *nēnu* "I," *nā* "my." For all that Telugu borrows Sanskrit vocabulary elsewhere, its most basic pronouns stayed Dravidian to the core — the grammar's foundations never changed hands.
DEDR 5160 lists Telugu *ēnu* and *nēnu* with Tamil *yāṉ*, *nāṉ* and Kannada *nān*.

Grammar Lens: "I" you can drop

Telugu verbs carry the person in their ending — *unnānu* already means "**I** am" — so *nēnu* is often left out. You still learn it first, because the answer to *elā unnāru?* begins with it.

The letters in this word

నే (*nē*) + ను (*nu*) → నేను (*nēnu*).

Your turn

Say these aloud:

- "nēnu"
- the pair — *nēnu* (I), *nā* (my)
- is it related to English *me*? (No — native Dravidian)

Before you move on

What is *nēnu*'s possessive, and is Telugu's "I" cousin to English *me*? (*Nā*, "my"; no — it is native Dravidian, unlike the borrowed Sanskrit nouns around it.)

3.6 ౪ — the Telugu numeral for 4

> Before the new one: ౘ — what does it do? And one from further back: ౙ?
>
> One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౪

౪ is **four**.

From here the row is deliberately shuffled. A digit you can only read in counting order is a digit you cannot read; the test is whether you know it when it turns up out of sequence.

Writing: ౪ — copy what you see

Put your pen on ౪ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౪ · ౨ · ౩ · ∩

- *Trace it:* ౪ three times, saying "4" as you finish each one
- *Look:* for ౪ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౪? What amount does it stand for? (౪ is 4.)
One more, from much earlier: ౬ — what does it do?

3.7 బాగా (bāgā) — "well," and how to answer

The word that answers "how are you?" — and one Telugu says all the time.

The letters in this word

బా (*bā*, *ba* + long *ā*) + **గా** (*gā*, *ga* + long *ā*) → **బాగా** (*bāgā*).

The word, taken apart — its roots and family

బాగా (*bāgā*, "well, nicely, very") comes from **బాగు** (*bāgu*, "goodness, well-being"), a Dravidian word (DEDR 5332). It is the everyday "well/good/very much": *bāgā undi* ("it's good"), *bāgā ceppāru* ("well said"). To answer "how are you," fuse it with the *uṇḍu* verb:

> **నేను బాగున్నాను** (*nēnu bāgunnānu*) — "**I am well**" (*bāgā* + *unnānu*, "I am," run together).

The whole exchange:

> — *mīru elā unnāru?* ("How are you?") — *nēnu bāgunnānu, dhanyavādamulu.* ("I'm well, thank you.")

The letters in this word

బా (*bā*) + **గా** (*gā*) → **బాగా** (*bāgā*).

Your turn

Say these aloud:

- "bāgā"
- the full reply — *nēnu bāgunnānu*
- add thanks (from Chapter 1) — *dhanyavādamulu*

Before you move on

Give the full reply to *mīru elā unnāru?*. (*Nēnu bāgunnānu* — *bāgā* "well" fused with *unnānu* "I am.")

3.8 బ — the letter your answer starts with

> Say how you are. Then say the one word inside that answer that means "well." It starts on your two lips, closed and then opened.

Script you'll notice: బ

బ — *ba*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *b*, it is **ba**.

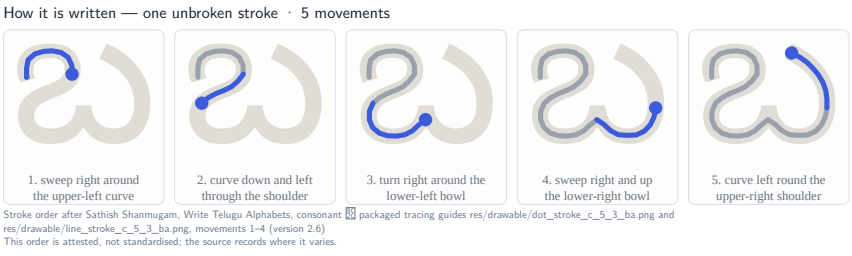

The word from the warm-up opens with it:

- **బాగా** *bāgā* — well, fine
- **బాగున్నాను** *bāgunnānu* — I am well

Both start with **బ** carrying the long-*ā* sign you have been reading since the greeting. The shape underneath that sign is today's character.

Telugu gives *b* a letter of its own, and Tamil does not. Tamil writes one letter, **ப**, for the sound at the front of *pattu* ("ten") and for the sound in the middle of **தம்பி** *tambi* ("younger brother"), and lets the place in the word decide which one you say. Telugu, Kannada and Hindi each keep **బ** / **ಬ** / **ब** apart from their *p* letter and spell the difference out. That is one of the sharpest splits between the two halves of this family, and you are meeting it on a page from chapter three.

Writing: బ — four calm movements

How **బ** *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 rises around the upper-left curve. Without lifting, movement 2 curves down through the shoulder that joins it to the lower-left bowl, and movement 3

turns around that bowl. Movement 4 sweeps right and rises around the lower-right bowl, and movement 5 curves left around the upper-right shoulder. The strip gives the short joining curve a panel of its own, so the four movements are numbered as five.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, but nearly every native writer draws బ as one unbroken stroke, so keep the pen on the paper from the first curve to the last.

Your turn

- *Look:* at these two words, and find బ at the front of each

  బాగా · బాగున్నాను

- *Trace it:* బ three times, saying *ba* as you finish each one
- *Say it:* whether the mark leaning on బ in both words is the same one

Before you move on

Which character is this — బ? What sound does it carry? (***ba***.) Which word in this chapter begins with it? (బాగా — and its longer answer form బాగున్నాను.) Does Tamil have a separate letter for this sound? (**No** — it writes ப and lets the place in the word decide.)

3.9 ర — one character, met inside words you already say

Before the new one: ళ — what amount does it stand for? And one from further back: ◌ం?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ర

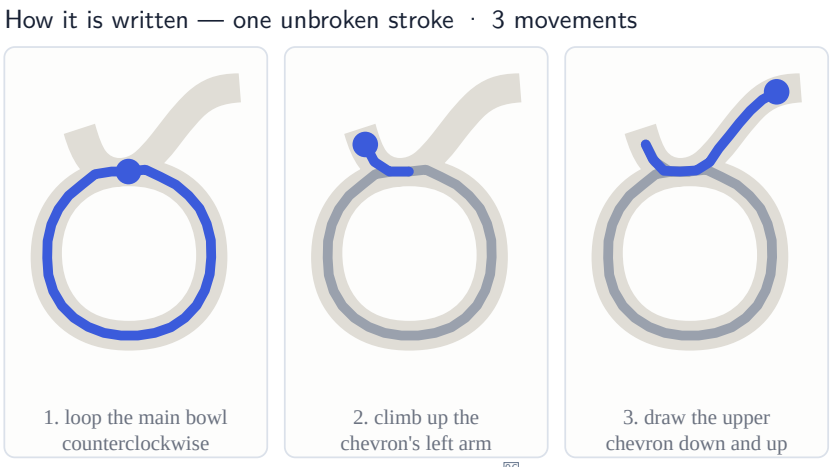

ర — *ra*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *r*, it is **ra**.

You already say these, and every one of them has ర somewhere inside it:

- నమస్కారం *namaskāram* — hello / greetings (namaskāram — “a making of a bow”)
- సరే *sarē* — okay / alright (sarē)
- పేరు *pēru* — name
- నువ్వు / మీరు *nuvvu* / *mīru* — you (familiar / respectful)

Writing: ర — two calm movements

How ర is written, stroke by stroke

Watch the numbered filmstrip once before your pen moves. Movement 1 loops counterclockwise around the main bowl. Without lifting, movement 2 climbs a short way up the chevron’s left arm, and movement 3 travels down and up through the upper chevron, from left to right. The strip gives that short climb a panel of its own, so the two movements are numbered as three.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, but most native writers draw ర as one unbroken stroke, so keep the pen on the paper from the bowl to the end of the chevron.

Your turn

- *Look:* at these words, and find **ర** in the ones that have it

  నమస్కారం · **సరే** · **ధన్యవాదములు**

- *Trace it:* **ర** three times, saying *ra* as you finish each one
- *Look:* back at any page of this chapter and find **ర** once more

Before you move on

Which character is this — **ర**? What sound does it carry? (***ra***.)
Name one word you already say that contains it.
One more, from much earlier: ◌ా — what does it do?

3.10 పరవాలేదు (paravālēdu) — "no problem"

When someone thanks you — or apologises — this is the easy, gracious reply, and it is built on a word you met in Chapter 1.

The letters in this word

Two joined words: **పరవా** (*paravā*, "care, concern") + **లేదు** (*lēdu*, "there is not") → **పరవాలేదు** (*paravālēdu*).

The word, taken apart — its roots and family

పరవాలేదు literally means "**there is no concern**" — *paravā* ("care, concern", from Persian *parvā* through Hindustani) + **లేదు** (*lēdu*, "is-not / there-is-not"), the Chapter-1 negative. It serves as "it's okay / no worries / never mind / you're welcome." The key atom, **లేదు** (*lēdu*), looks unlike the *illa(i)* of Tamil, Kannada, and Malayalam, but DEDR 2559 files them in one entry — so Tamil's "no problem" is *paravāyillai*, and Telugu's is *paravālēdu*: the same borrowed *paravā* on each language's own "not."

Grammar Lens: లేదు, Telugu's "is-not"

Lēdu negates existence: *ḍabbu lēdu* ("there's no money"), *ēmī lēdu* ("it's nothing"). It is the negative twin of **ఉంది** (*undi*, "there is") and of the *uṇḍu* verb behind "how are you." Learn *undi* / *lēdu* together —

"there is" and "there is not."

Your turn

Say these aloud:

- "paravālēdu"
- what it literally means ("there is no concern")
- the Telugu "is-not" that sets it apart from Tamil (*lēdu*, vs. Tamil *illai*)

Before you move on

What does *paravālēdu* literally say, and how does its "not" differ from Tamil's? ("There is no harm"; Telugu uses *lēdu* where Tamil/Kannada/Malayalam use *illa(i)*.)

3.11 ౫ — the Telugu numeral for 5

Before the new one: ౬ — what does it do? And one from further back: ౩?

One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౫

౫ is **five**.

Half the set. Everything the book has shown you so far is on the row below, in no order at all.

Writing: ౫ — copy what you see

Put your pen on ౫ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here

until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౫ · ౩ · ౧ · ౪ · ౯

- *Trace it:* ౫ three times, saying "5" as you finish each one
- *Look:* for ౫ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౫? What amount does it stand for? (౫ is 5.)
One more, from much earlier: ీ — what does it do?

3.12 Chapter 3 — The how-are-you exchange

No new words. The whole responding cycle, from atoms you now own.

The exchange

Read it: the whole cycle off the page first — Telugu, then the sound, then the sense

Telugu		**English**
మీరు ఎలా ఉన్నారు?	*mīru elā unnāru*	How are you?
నేను బాగున్నాను, ధన్యవాదములు.	*nēnu bāgunnānu, dhanyavādamulu*	I'm well, thank you.
పరవాలేదు.	*paravālēdu*	No problem / you're welcome.

A few of these characters have not had their own lesson yet. They are here to be **recognised**, not decoded — the romanization beside each line is what you read from. The letters catch up in the chapters ahead.

Say these aloud:

- "How are you?" (respectful) — *mīru elā unnāru?*
- "I'm well, thank you." — *nēnu bāgunnānu, dhanyavādamulu.*
- "No problem / you're welcome." — *paravālēdu.*
- the familiar version of the question — *nuvvu elā unnāvu?*

What you've built — the atoms

Say these aloud:

- the e- question-word for "how" (*elā*)
- "I" and the verb "to be" (*nēnu*, *uṇḍu*)
- the "there is / there is not" pair (*undi* / *lēdu*)

The word, taken apart — its roots and family

Roots you now carry:

- *elā* ← the interrogative *e-* (native Dravidian, like Tamil *eppaḍi*)
- *nēnu* ← Proto-Dravidian (unrelated to English *me*); possessive *nā*
- *bāgā* ← *bāgu* "goodness"; *nēnu bāgunnānu* "I'm well"
- *lēdu* — Telugu's "is-not," where its sisters use *illa(i)*

Before you move on

A stranger asks *mīru elā unnāru?* — give a full, polite reply, and answer their thanks. (*Nēnu bāgunnānu, dhanyavādamulu* — and to thanks, *paravālēdu.*)

Chapter 4

Farewells

Modes: **voice** (2) **eyes** (4) **pen** (4) **Hands-free start:** the first of 10 lessons.

> ***By the end of this chapter:*** I can end a Telugu conversation politely and choose a farewell that fits the situation.
>
> *Telugu, like every Dravidian language, does not say a plain "goodbye." It promises to return:* వెళ్ళి వస్తాను *— "having gone, I come back."*

4.1 డప్పు (ḍappu) — a drum

Before the new word: say the last thing you learned, once, out loud.

You'll want to know: డప్పు

డప్పు — *ḍappu* — "a drum".

Say it: *ḍappu*. *Look:* at its shape as you say it. The next lesson takes one piece of it, డ, and writes it on its own.

The word, taken apart — its roots and family

The origin of డప్పు (*ḍappu*) is uncertain. Neither DEDR nor CDIAL lists it. Both have drum words of a similar shape, but neither is a sure source: DEDR 3082 lists Telugu *tappeṭa*, "a kind of drum", and CDIAL 5531 lists Gujarati *ḍaph* under Sanskrit *ḍamaru*, "drum", a word CDIAL takes as imitating the sound, perhaps from Munda.

Your turn

Say these aloud:

- *ḍappu*
- *ḍappu*, and what it means

Before you move on

What is "a drum"? (డప్పు, *ḍappu*.)

4.2 డ — one character, met inside words you already say

Before the new one: ౩ — what amount does it stand for? And one from further back: ఊ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: డ

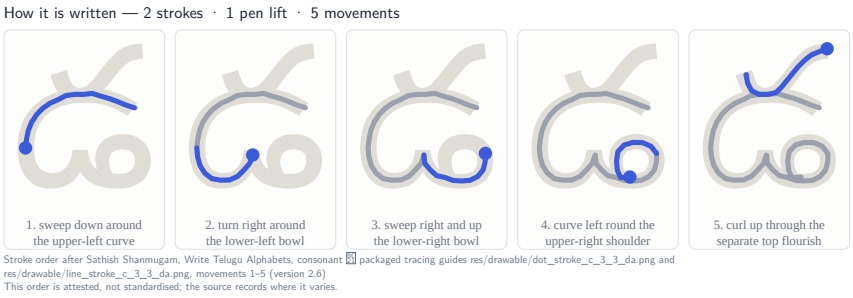

డ — *ḍa*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ḍ*, it is **ḍa**.

You met it on an earlier page, in the middle of a word you already say:

- **మీరు ఎలా ఉన్నారు?** — how are you? (respectful)

Writing: డ — five deliberate movements

How డ is written, stroke by stroke

Follow the filmstrip slowly. Movement 1 sweeps down around the upper-left curve. Movement 2 turns right around the lower-left bowl. Without lifting, movement 3 sweeps right and upward around the lower-right bowl, and movement 4 curves left around the upper-right shoulder. Lift once; movement 5 finishes with the separate top flourish.

This is one attested school-style order. Telugu handwriting varies, so keep the five movements distinct, with the round body as one unbroken run, and let the round shape grow from them.

Your turn

- *Look:* at these words, and find డ in the ones that have it

  మీరు ఎలా ఉన్నారు? · నమస్కారం

- *Trace it:* డ three times, saying *ḍa* as you finish each one
- *Look:* back at any page of this chapter and find డ once more

Before you move on

Which character is this — డ? What sound does it carry? (***ḍa***.)
Name one word you already say that contains it.
One more, from much earlier: న — what does it do?

4.3 వెళ్ళు (veḷḷu) — "go," and vaccu (come)

Two everyday verbs — and together they make the Telugu good-bye.

The letters in this word

వె (*ve*) + ళ్ళు (*ḷḷu*, a doubled retroflex ళ *ḷ*) → వెళ్ళు (*veḷḷu*). Its partner: *vaccu* ("come") with a doubled *cc*.

The word, taken apart — its roots and family

వెళ్ళు (*veḷḷu*, "to go") and *vaccu* ("to come") are native Dravidian verbs (DEDR 5393, 5270). As commands they are whole words: *veḷḷu!* ("go!"), *rā!* ("come!"). You need both, because Telugu — like every

Dravidian language — does not say a plain "goodbye." It says "I go, and I **come back**."

The letters in this word

వె (*ve*) + ళ్ళు (*ḷḷu*, doubled retroflex ళ *ḷ*) → వెళ్ళు. Its partner is *vaccu* ("come").

Your turn

Say these aloud:

- "veḷḷu" (go) and "vaccu" (come)
- why you need both to say goodbye (Telugu's farewell is "I'll go and come back")

Before you move on

What do *veḷḷu* and *vaccu* mean, and why will you need them both to part? ("Go" and "come"; the Telugu goodbye is "I'll go and come back.")

4.4 ౬ — the Telugu numeral for 6

Before the new one: ఢ — what does it do? And one from further back: ళ?

One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౬

౬ is **six**.

Six is where the second half begins, and where a warning belongs: **౬ is not the 6 you write, and it is not an E**. It is its own character, and the only way it becomes readable is by meeting it often enough that the resemblance stops mattering.

Writing: ౬ — copy what you see

Put your pen on ౬ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౬ · ౨ · ౩

- *Trace it:* ౬ three times, saying "6" as you finish each one
- *Look:* for ౬ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౬? What amount does it stand for? (౬ is 6.)
One more, from much earlier: ు — what does it do?

4.5 వెళ్ళి వస్తాను (veḷḷi vastānu) — "I'll go and come back"

The everyday Telugu goodbye — a promise, not a parting.

The letters in this word

వెళ్ళి (*veḷḷi*, "having gone") is *veḷḷu* + the "-i" that means "having …d." వస్తాను (*vastānu*, "I come/will come") is from *vaccu* ("come") + "I."

The word, taken apart — its roots and family

వెళ్ళి వస్తాను = **వెళ్ళి** (*veḷḷi*, "having gone") + **వస్తాను** (*vastānu*, "I come") — literally "**having gone, I come [back]**," i.e. "I'll go and come back." A Telugu speaker never signs off with a bare "I'm leaving" — that sounds final. Instead they promise return. It is the same "go-and-come-back" farewell you meet across the Dravidian south (Tamil *pōy varugiṟēṉ*, Kannada *hōgi baruttēne*, Malayalam *pōyi varāṁ*) and echoing into the Indo-Aryan tracks (Bengali *āshi*). The warm reply is **వెళ్ళి రండి** (*veḷḷi raṇḍi*, "go and come [back]").

Across the family — the same idea, five ways:

Language	"go and come back" (goodbye)
Telugu	*veḷḷi vastānu*
Tamil	*pōy varugiṟēṉ*
Kannada	*hōgi baruttēne*
Malayalam	*pōyi varāṁ*
Bengali (Indo-Aryan)	*āshi* ("I come")

The whole south — and, in Bengali, well beyond it — prefers a promise of return to a blunt farewell. The languages are not all related; the habit travelled anyway.

Both verbs are native Dravidian: *veḷḷu* (DEDR 5393) and *vaccu* (DEDR 5270).

Grammar Lens: the "having …d" participle

Veḷḷi is Telugu's way of chaining actions: "having gone, (then) I come." Like its sisters, Telugu strings verbs with one in the participle form and the last one fully conjugated.

Your turn

Say these aloud:

- the goodbye — *veḷḷi vastānu*
- its literal meaning ("having gone, I come" → "I'll come back")
- the warm reply — *veḷḷi raṇḍi*

Before you move on

What does the Telugu goodbye literally promise, and how do you answer? ("I'll go and come back"; reply *veḷḷi raṇḍi*, "go and come back".)

4.6 రేపు కలుద్దాం (rēpu kaluddām) — "see you tomorrow"

A goodbye with a date on it.

The letters in this word

రే (*rē*) + పు (*pu*) → రేపు (*rēpu*). కలుద్దాం (*kaluddām*) = *kalu* ("meet") + *-ddām* ("let's").

The word, taken apart — its roots and family

రేపు (*rēpu*, "tomorrow") is native Dravidian (DEDR 916). కలుద్దాం (*kaluddām*, "let's meet") is from కలు (*kalu*, "to meet, to join"; DEDR 1299, which compares Sanskrit *kalka*, "a paste") — so the phrase is "**tomorrow, let's meet**," the Telugu "see you tomorrow." The **-దాం** (*-ddām*) ending is Telugu's "let's _____" — a first-person-plural invitation: *veḷḷddām* ("let's go"), *tindām* ("let's eat").

The letters in this word

రే (*rē*) + పు (*pu*) → రేపు. కలుద్దాం (*kaluḍḍām*) = *kalu* ("meet") + *-ḍḍām* ("let's").

Your turn

Say these aloud:

- "rēpu kaluddām"
- "tomorrow" and "to meet" (*rēpu*, *kalu*)
- the "let's _____" ending (*-ddām*)

Before you move on

What are the two pieces of *rēpu kaluddām*, and what does *-ddām* mean? (*Rēpu* "tomorrow" + *kalu* "meet"; *-ddām* = "let's _____.")

4.7 ప — one character, met inside words you already say

Before the new one: ౬ — what amount does it stand for? And one from further back: ర?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ప

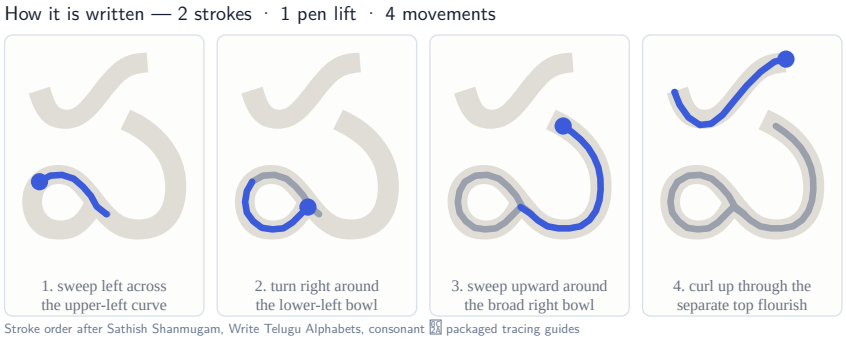

ప — *pa*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *p*, it is **pa**.

You already say these, and every one of them has ప somewhere inside it:

- పేరు *pēru* — name
- పరవాలేదు *paravālēdu* — it's okay / no problem / you're welcome
- రేపు కలుద్దాం *rēpu kaluddām* — see you tomorrow

Writing: ప — four calm curves

How ప *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 sweeps left across the upper part of the small bowl. Without lifting, movement 2 turns around its lower half, and movement 3 carries on round the broad bowl on the right. Lift once, for movement 4, the small rising flourish above.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, so keep the four clear movements, with the body as one unbroken run and the single lift before the flourish.

Your turn

- *Look:* at these words, and find ప in the ones that have it

  పేరు · పరవాలేదు · నమస్కారం

- *Trace it:* ప three times, saying *pa* as you finish each one
- *Look:* back at any page of this chapter and find ప once more

Before you move on

Which character is this — ప? What sound does it carry? (***pa***.)
Name one word you already say that contains it.
One more, from much earlier: ౧ — what amount does it stand for?

4.8 మళ్ళీ కలుద్దాం (maḷḷī kaluddām) — "we'll meet again"

The open-ended, warm goodbye — no date, just a promise.

The letters in this word

మళ్ళీ (*maḷḷī*): note the doubled retroflex **ళ్ళ** (*ḷḷ*), the same sound as in *veḷḷu*. **కలుద్దాం** (*kaluddām*, "let's meet") you just learned.

The word, taken apart — its roots and family

మళ్ళీ కలుద్దాం = **మళ్ళీ** (*maḷḷī*, "again") + **కలుద్దాం** (*kaluddām*, "let's meet") — "**we'll meet again**." Both words are native Dravidian: *maḷḷī* ("again," from *maral*, "to return"; DEDR 4761) and *kalu* ("to meet"; DEDR 1299, which compares Sanskrit *kalka*, "a paste"). Where Tamil's "we'll meet again" (*mīṇḍum sandippōm*) reaches for the Sanskrit loan *sandi* to say "meet," Telugu keeps the native *kalu*.

Your turn

Say these aloud:

- "maḷḷī kaluddām"
- "again" and "let's meet" (*maḷḷī*, *kaluddām*)

Before you move on

What does the phrase mean, and which Dravidian verb does Telugu use for "meet" here? ("We'll meet again"; the native *kalu* — where Tamil used the Sanskrit loan *sandi*.)

4.9 ౭ — the Telugu numeral for 7

Before the new one: **౫** — what does it do? And one from further back: **౩**?

One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౭

౭ is **seven**.

౬ and ౭ sit next to each other in value and are easy to swap on a first reading. Look at the pair below until you can say which is which without counting up to it.

Writing: ౭ — copy what you see

Put your pen on ౭ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౭ · ౬ · ౪

- *Trace it:* ౭ three times, saying "7" as you finish each one
- *Look:* for ౭ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౭? What amount does it stand for? (౭ is 7, ౬ is 6.)
One more, from much earlier: ఀ — what does it do?

4.10 Chapter 4 — The farewells

> No new words. Three ways to part — none of them a blunt "goodbye."

The exchange — the farewells

All three, side by side — none of them a blunt "goodbye":

Telugu		English
—	*veḷḷi vastānu*	I'll go and come back. (the goodbye)
—	*veḷḷi raṇḍi*	Go and come back. (the reply)
రేపు కలుద్దాం.	*rēpu kaluddām*	See you tomorrow.
—	*maḷḷī kaluddām*	We'll meet again.

Three of these stay in romanization for now: their doubled *ḷ* and their *e*-sign have not had their own lessons yet, and a line you cannot decode is not a line to read from. The letters catch up in the chapters ahead.

Say these aloud:

- the everyday goodbye — *veḷḷi vastānu* ("I'll go and come back")
- the warm reply — *veḷḷi raṇḍi* ("go and come back")
- "see you tomorrow" — *rēpu kaluddām*
- "we'll meet again" — *maḷḷī kaluddām*

What you've built — the atoms

Say these aloud:

- the two verbs (*veḷḷu* go, *vaccu* come)
- "tomorrow," "again," "let's meet" (*rēpu*, *maḷḷī*, *kaluddām*)
- the "let's _____" ending (*-ddām*)

The word, taken apart — its roots and family

Roots you now carry:

- *veḷḷi vastānu* — "having gone, I come"; the Dravidian promise-of-return goodbye
- *rēpu* "tomorrow" + *kalu* "meet" (native, where Tamil borrowed *sandi*)
- *maḷḷī* ← *maral* "to return"

Before you move on

Why does Telugu never say a plain "I'm leaving," and what does its everyday goodbye promise instead? (It sounds too final; *veḷḷi vastānu* promises "I'll go and come back.")

Chapter 5

The First Verbs

Modes: **voice** (2) **eyes** (4) **pen** (9) **Hands-free start:** the first of 15 lessons.

> ***By the end of this chapter:*** I can build short present-tense Telugu sentences with the chapter's first verbs.
>
> *Until now, "to be" and "to be-not." Now verbs that act, and Telugu's sentences begin to move:* **నేను తెలుగు మాట్లాడతాను** *— stem + tense + person, stacked.*

5.1 మాట్లాడు (māṭlāḍu) — "to speak," your first full verb

So far, "to be." Here is a verb that *does* something — and it shows how Telugu builds "I do X."

The letters in this word

మా (*mā*) + **ట్లా** (*ṭlā*) + **డు** (*ḍu*) → **మాట్లాడు** (*māṭlāḍu*).

The word, taken apart — its roots and family

మాట్లాడు (*māṭlāḍu*, "to speak, to talk") is native Dravidian, built on **మాట** (*māṭa*, "word, speech"; DEDR 4834). To say "**I speak**," Telugu adds a two-part ending to the stem — tense + person:

> *māṭlāḍ-* (speak) + *-t-* (present/future) + *-ānu* ("I") → **మాట్లాడతాను** (*māṭlāḍatānu*), "I speak / I will speak."

The -ాను (*-ānu*) ending *is* "I," so *nēnu* is rarely needed. Change the ending, change the person: *māṭlāḍtāḍu* (he), *māṭlāḍtundi* (she/it), *māṭlāḍtāru* (they / you-respectful).

Grammar Lens: stem + tense + person

Every Telugu verb is built this way — a stem, a tense-marker, a person-ending, stacked and glued. Learn the pattern once and every verb follows it. (Telugu, like Tamil, marks no gender in the first person: *māṭlāḍatānu* is the same for a man or a woman.)

The letters in this word

మా (*mā*) + ట్లా (*ṭlā*) + డు (*ḍu*) → మాట్లాడు.

Your turn

Say these aloud:

- "māṭlāḍu" (speak)
- "I speak" — *māṭlāḍatānu*
- the word "speech" inside it (*māṭa*)

Before you move on

Build "I speak" from *māṭlāḍu*, and name the noun it's built on. (*Māṭlāḍatānu*; *māṭa*, "word / speech.")

5.2 త — one character, met inside words you already say

Before the new one: ౭ — what amount does it stand for? And one from further back: డ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: త

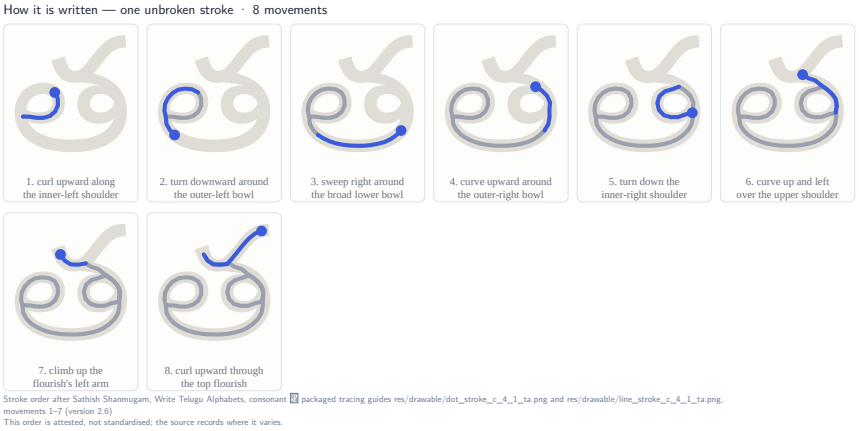

త — *ta*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *t*, it is **ta**.

You already say these, and every one of them has **త** somewhere inside it:

- **సంతోషం** — joy / pleased to meet you
- **వెళ్ళి వస్తాను** *veḷḷi vastānu* — goodbye (lit. "I'll go and come back")

Writing: త — observe, then trace

How **త** *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. The whole letter is one pen-down run. Movements 1–6 carry it round the body: curl up inside the left shoulder, turn down around the left bowl, sweep right around the broad bottom, curve up around the right bowl, turn down inside it, then curve left across the upper shoulder. Keep the pen on the paper. Movement 7 climbs a short way up the flourish's left arm, and movement 8 sweeps up through the top flourish.

Trace the same route slowly. The numbers divide one long connected line into manageable turns; they do not ask you to lift. Writers differ on this letter: about half of native writers draw it without a lift, and nearly as many lift once before the flourish. This route keeps the pen down from start to finish.

Your turn

- *Look:* at these words, and find **త** in the ones that have it

  సంతోషం · వెళ్ళి వస్తాను · నమస్కారం

- *Trace it:* **త** three times, saying *ta* as you finish each one
- *Look:* back at any page of this chapter and find **త** once more

Before you move on

Which character is this — **త**? What sound does it carry? (***ta***.)
Name one word you already say that contains it.
One more, from much earlier: ౨ — what amount does it stand for?

5.3 త — copy it where it lives

Find **త** inside **సంతోషం** — *santōṣaṁ* — and put your finger on it.

Writing — guided copy

How **త** *is written, stroke by stroke*

The model stays on the page. Copy **త** once on its own, then copy it a second time **with the letter that follows it in the word**, keeping the two the same size and the same distance apart as the printed pair.

That second copy is the whole lesson. A letter traced alone teaches your hand one shape; a letter copied beside its neighbour teaches it where the shape has to stop, and a hand that has only ever drawn letters alone writes them too large and too far apart the first time it writes a word.

Look back at the model as often as you want. Nothing is hidden today.

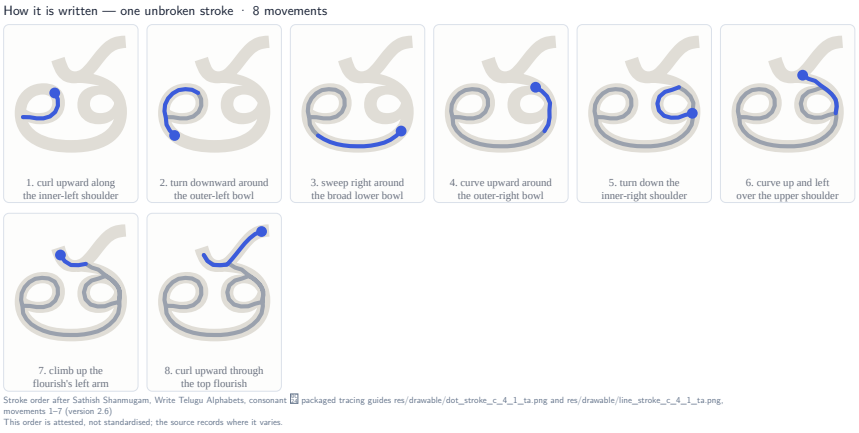

Before you move on

Hold your two copies next to the printed word. Is the gap you left the same one the book left? That gap is not spacing — it is the difference between two letters and one word.

5.4 త — write it with the model covered

Look at **త** once and say *ta*. Then cover it, and every other **త** on the page.

Writing — delayed copy

How **త** *is written, stroke by stroke*

With the model covered, wait ten seconds, then write **త** once from memory.

Ten seconds is not long and is not meant to be. It is long enough that your hand cannot be tracing a shape it can still see, and short enough that a letter you met a minute ago is still there to be found.

Only after the letter is finished, uncover the model and compare. Repair **one** thing — the first that differs — and leave the rest.

Before you move on

The thing to look at is not whether your letter is beautiful. It is whether it is the **same letter**, and in this script that usually comes down to one curve closing where the model's closes, or staying open where the model's stays open. A hand drawing from memory rounds off what it is unsure about.

5.5 త — the letter from the sound

Cover every త on the page. Nothing to copy and nothing to uncover.

Writing — dictation

Say *ta* aloud, or play it, and write the letter that carries it. Once.

This is a different job from the last lesson even though the letter is the same. A delayed copy asks your hand to remember a shape. Dictation asks it to turn a **sound** into a shape, which is the thing writing is actually for, and the two do not always arrive together.

Before you move on

Uncover the model and compare — and then notice what you were asked to write.
Not *t*. **ta**. The vowel is already inside the letter and nobody wrote it, which is the fact about this script that the first three lessons showed you and this one makes you act on. Hearing *ta* and writing one shape is the whole difference between an alphabet and what you are learning.

5.6 ౮ — the Telugu numeral for 8

Before the new one: త — what does it do? And one from further back: ౬?

One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౮

౮ is **eight**.

Eight of ten. Read the row below and say each value aloud before moving on — the pause matters more than the speed.

Writing: ౮ — copy what you see

Put your pen on ౮ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౮ · ౩ · ౨ · ౦

- *Trace it:* ౮ three times, saying "8" as you finish each one
- *Look:* for ౮ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౮? What amount does it stand for? (౮ is 8.)
One more, from much earlier: ◌ి — what does it do?

5.7 నేను తెలుగు మాట్లాడతాను (nēnu telugu māṭlāḍatānu) — "I speak Telugu"

Your first full, moving sentence — and it names one of India's most musical languages.

The letters in this word

తెలుగు (*telugu*): **తె** (*te*) + **లు** (*lu*) + **గు** (*gu*).

The word, taken apart — its roots and family

నేను తెలుగు మాట్లాడతాను = **నేను** (*nēnu*, "I") + **తెలుగు** (*telugu*, "Telugu," the object) + **మాట్లాడతాను** (*māṭlāḍatānu*, "speak") — "**I Telugu speak**," the verb last as always. The name **తెలుగు** (*telugu*) is native (DEDR 3426), of debated origin (often linked to *tenugu*, and to the land *Trilinga*); its vowel-rich sound and habit of ending most words in a vowel earned it the old nickname "the Italian of the East." It is the language of the *Kāvya* poets and, today, of some eighty million speakers.

Grammar Lens: no gender on "I speak"

Māṭlāḍatānu is the same whether a man or a woman says it — Telugu, like Tamil, marks **no gender in the first or second person** (only the third: *-āḍu* he, *-undi* she/it). This is unlike Hindi, where even "I speak" changes for the speaker's gender (*boltā/boltī*).

Your turn

Say these aloud:

- "nēnu telugu māṭlāḍatānu"
- the old nickname for Telugu and why ("the Italian of the East" — vowel-rich, most words end in a vowel)
- does "I speak" change for a man vs. a woman? (No — no 1st-person gender)

Before you move on

Say "I speak Telugu," and give Telugu's old nickname. (*Nēnu telugu māṭlāḍatānu*; "the Italian of the East.")

5.8 స — one character, met inside words you already say

Before the new one: ఠ — what amount does it stand for? And one from further back: ప?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: స

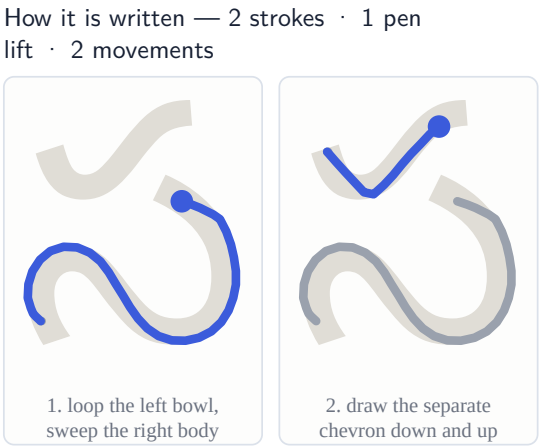

స — *sa*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *s*, it is **sa**.

You already say these, and every one of them has స somewhere inside it:

- నమస్కారం *namaskāram* — hello / greetings (namaskāram — "a making of a bow")
- సరే *sarē* — okay / alright (sarē)
- వెళ్ళి వస్తాను *veḷḷi vastānu* — goodbye (lit. "I'll go and come back")

Writing: స — two calm movements

How స *is written, stroke by stroke*

Watch the guide once before your hand moves. స arrives in **two calm movements**, with one lift between them:

1. Loop around the left bowl, then keep sweeping around the broad right body.
2. Lift once, then draw down and up through the separate chevron above.

Trace the filmstrip slowly. Let the long first movement settle before you lift for the small upper mark. Then copy the whole shape once without rushing.

Your turn

- *Look:* at these words, and find స in the ones that have it

  నమస్కారం · సరే · ధన్యవాదములు

- *Trace it:* స three times, saying *sa* as you finish each one

- *Look:* back at any page of this chapter and find స once more

Before you move on

Which character is this — స? What sound does it carry? (***sa***.)
Name one word you already say that contains it.
One more, from much earlier: ◌ం — what does it do?

5.9 ష — the second of the s letters

Before the new one: స — what sound does it carry, and which word from chapter two opens with it?

That word carries a second s-shape as well, further along. Today's character is the second one.

Script you'll notice: ష

ష — *ṣa*.

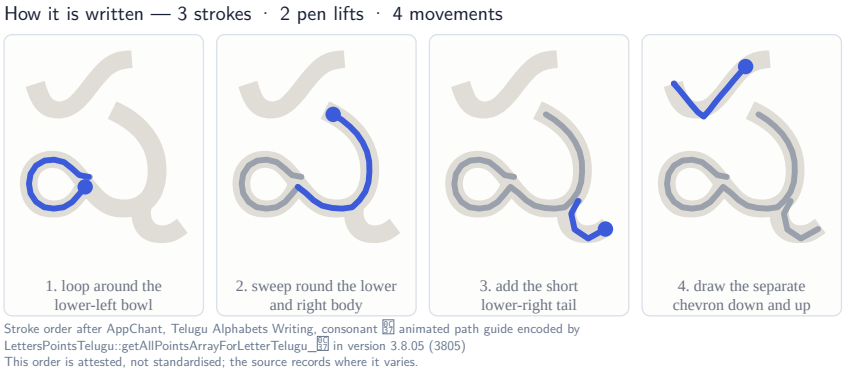

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ṣ*, it is **ṣa**.

- సంతోషం *santōṣam* — joy; and the way you say you are pleased to meet somebody (santōṣam — "gladness")

Look at that word end to end. It opens on స and closes on ష, with the *o* sign between them. **Two different s-shapes inside one short word**, and until now you could read the first and not the second.

Your tongue makes them in two different places. For స the tip touches the ridge behind your teeth. For ష it curls back along the roof of your mouth, the same backward curl you already make for ట. The romanization marks the difference with one dot under the letter — *s* against *ṣ* — which is easy to miss in print and impossible to miss on the page, where they are two unlike shapes.

Writing: ష — four calm movements

How ష is written, stroke by stroke

Watch the guide once before your hand moves. ష arrives in **four calm movements**, with two lifts:

1. Loop around the small bowl at the lower left.
2. Without lifting, sweep around the broad lower and right body.
3. Lift, then add the short tail at the lower right.
4. Lift once more, then draw down and up through the separate chevron above.

Trace the filmstrip slowly. Let the bowl and body run on as one stroke, and lift only before the tail and before the chevron. Then write స beside ష and notice how different the two silhouettes feel.

Your turn

- *Look:* at the word below and put a finger on each of its two s-shapes in turn

  సంతోషం

- *Trace it:* ష three times, saying *ṣa* as you finish each one
- *Say it:* which of the two has your tongue curled back

Before you move on

Which character is this — ష? What sound does it carry? (*ṣa*.) Which end of సంతోషం does it sit at? (**The far end** — స opens the word, ష closes it.) Which other letter puts your tongue in the same curled place? (ట.)

5.10 ఉండు (uṇḍu) — "to be, to stay, to live"

You have already used this verb — in "how are you." Now meet it in its own right, and use it to say where you live.

The letters in this word

ఉ (independent *u*) + ◌ండు (*ṇḍu*, with the retroflex cluster ◌ండ) → ఉండు (*uṇḍu*).

The word, taken apart — its roots and family

ఉండు (*uṇḍu*, "to be, to exist, to stay, to live") is native Dravidian and does an enormous amount of work. It is the verb behind Chapter 3's *unnāru* ("you are") and *bāgunnānu* ("I'm well") — and it also means "to reside": *nēnu Hyderābādlō uṇṭānu* ("I live in Hyderabad"). One verb covers "be," "stay," and "live."
DEDR 697 lists Telugu *uṇḍu*, "to be, exist, live", with Tamil *uḷ*, "to be", and *uṇṭu*, "there is", and Kannada *uḷ*.

Grammar Lens: "in" comes after the noun

Hyderābādlō = *Hyderabad* + **-లో** (*-lō*, "in"). The little word for "in" is glued to the **end** of the noun — Telugu uses **post**positions (really, case-suffixes) where English uses prepositions. "Hyderabad-in I stay," the verb last.

Your turn

Say these aloud:

- "uṇḍu"
- "I live in Hyderabad" — *nēnu Hyderābādlō uṇṭānu*

- where "in" (*-lō*) sits — glued to the end of the noun

Before you move on

Name three things the one verb *uṇḍu* can mean, and say where "in" goes. ("To be / to stay / to live"; *-lō* "in" attaches to the **end** of the noun.)

5.11 హంస (haṃsa) — a swan

Before the new word: say the last thing you learned, once, out loud.

You'll want to know: హంస

హంస — *haṃsa* — "a swan".

Say it: *haṃsa*. *Look:* at its shape as you say it. The next lesson takes one piece of it, **హ**, and writes it on its own.

The word, taken apart — its roots and family

హంస (*haṃsa*) is Sanskrit *haṃsa*, taken over whole as a learned loan, a tatsama (CDIAL 13937). CDIAL glosses the Sanskrit word "goose"; Telugu uses it for the swan.

Your turn

Say these aloud:

- *haṃsa*
- *haṃsa*, and what it means

Before you move on

What is "a swan"? (**హంస**, *haṃsa*.)

5.12 హ — one character, met inside words you already say

Before the new one: స — what does it do? And one from further back: ౭?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: హ

హ — *ha*.

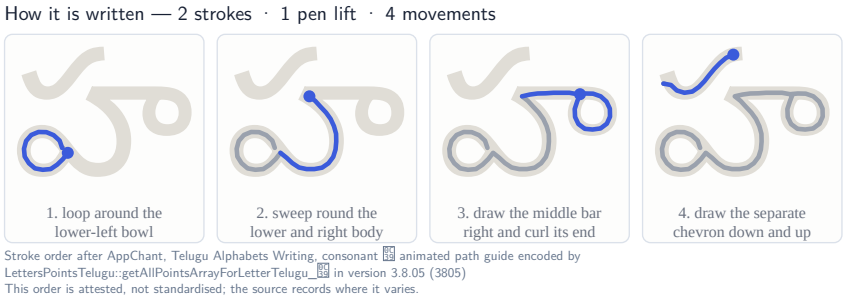

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *h*, it is **ha**.

You met it on the page before this one, at the front of a place name:

- హైదరాబాద్ *Hyderābād* — the city from the sentence about where you live

Look at where that word came from. *Hyderābād* reached Telugu through Persian and Urdu, and that is the pattern: in the words this book has given you so far, హ sits almost entirely on borrowings — from Persian, from Urdu, from Sanskrit. It is a letter you will meet again on the very next page, in a word for help that came in from Sanskrit.

Writing: హ — four calm movements

How హ *is written, stroke by stroke*

Watch the guide once before your hand moves. హ arrives in **four calm movements**, with one lift, before the last:

1. Loop around the small bowl at the lower left.
2. Without lifting, sweep around the broad lower and right body.
3. Without lifting, draw right across the middle bar and curl around its far end.
4. Lift once, then draw down and up through the separate chevron above.

Trace the filmstrip slowly. Let the first three movements run on as one stroke and lift only for the chevron, then copy the whole shape once without rushing.

Your turn

- *Look:* at these words, and find హ in the ones that have it

  హైదరాబాద్ · నమస్కారం

- *Trace it:* హ three times, saying *ha* as you finish each one
- *Look:* back at any page of this chapter and find హ once more

Before you move on

Which character is this — హ? What sound does it carry? (***ha.***)
Name one word you already say that contains it.
One more, from much earlier: ౩ — what amount does it stand for?

5.13 పని చేయు (pani cēyu) — "to work"

The last verb of the chapter — and, like Hindi's *karnā* and Tamil's *sey*, it is a "do" verb that builds a hundred others.

The letters in this word

పని (*pani*, "work"): ప (*pa*) + ని (*ni*). చేయు (*cēyu*, "do"): చే (*cē*) + యు (*yu*).

The word, taken apart — its roots and family

చేయు (*cēyu*, "to do, to make") is a core native Dravidian verb (DEDR 1957), and Telugu — like Hindi with *karnā* and Tamil with *sey* — builds compound verbs by putting a noun in front of it:

- **పని చేయు** (*pani cēyu*) = "work-do" = "**to work**" (*pani*, "work", DEDR 3884)
- **వంట చేయు** (*vaṇṭa cēyu*) = "to cook"
- **సహాయం చేయు** (*sahāyaṁ cēyu*) = "to help" (*sahāyaṁ* ← Sanskrit)

So "I work" is **నేను పని చేస్తాను** (*nēnu pani cēstānu*) — *cēy-* + tense + "I." Master *cēyu* and a whole grammar of "do-verbs" opens up — and notice *sahāyaṁ cēyu* ("to help") pairs a **Sanskrit** noun with the **native** *cēyu*: Telugu's two vocabularies working together in a single verb.

Grammar Lens: noun + చేయు = a new verb

This "noun + *cēyu*" pattern is the exact twin of Hindi's "noun + *karnā*" and Tamil's "noun + *sey*." Three languages — two of them from unrelated families — all hit on the same trick: an all-purpose "do" verb with nouns bolted on.

Your turn

Say these aloud:

- "pani cēyu" (to work)
- "I work" — *nēnu pani cēstānu*
- the Hindi and Tamil twins of this trick (*karnā*, *sey*)

Before you move on

How does Telugu turn "work" into "to work," and what verbs work the same way in Hindi and Tamil? (*Pani* + *cēyu* = "work-do"; Hindi *karnā*, Tamil *sey*.)

5.14 ౯ — the Telugu numeral for 9

> Before the new one: ౮ — what does it do? And one from further back: ౭?
>
> One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౯

౯ is **nine**.

That is nine of the ten, and the last one is the one that makes the rest useful.

Writing: ౯ — copy what you see

Put your pen on ౯ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౯ · ౮ · ౬ · ౫ · ౪

- *Trace it:* ౯ three times, saying "9" as you finish each one
- *Look:* for ౯ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౯? What amount does it stand for? (౯ is 9.)
One more, from much earlier: ఉ — what does it do?

5.15 Chapter 5 — The first verbs

No new words. Three verbs, one engine — build real sentences about yourself.

Your turn: build the sentences

Three sentences about yourself. *Read it:* each off the page before you say it

Telugu		English
నేను తెలుగు మాట్లాడతాను.	*nēnu telugu māṭlāḍatānu*	I speak Telugu.
నేను హైదరాబాద్లో ఉంటాను.	*nēnu Hyderābādlō uṇṭānu*	I live in Hyderabad.
—	*nēnu pani cēstānu*	I work.

One of these stays in romanization for now: its *c* has not had its own lesson yet, and a line you cannot decode is not a line to read from. The others are read straight off the page; the romanization is there to check against.

Say these aloud:

- "I speak Telugu" — *nēnu telugu māṭlāḍatānu*
- "I live in Hyderabad" — *nēnu Hyderābādlō uṇṭānu*
- "I work" — *nēnu pani cēstānu*
- "he speaks" vs. "she speaks" — *māṭlāḍtāḍu* / *māṭlāḍtundi*

What you've built — the engine

Say these aloud:

- the three stacked pieces of every Telugu verb (stem + tense + person)
- the ending that means "I" (*-ānu*)
- where Telugu marks gender — and where it doesn't (3rd person only)

The word, taken apart — its roots and family

Roots you now carry:

- *māṭlāḍu* "to speak" ← *māṭa* "word"
- *uṇḍu* "to be / stay / live"; *-lō* "in" attaches to the noun's end
- *cēyu* "to do" → *pani cēyu* "to work" (the twin of Hindi's *karnā*, Tamil's *sey*)
- *telugu* — "the Italian of the East," vowel-rich

Before you move on

In one breath, say your language, your city, and your work in Telugu. (*Nēnu telugu māṭlāḍatānu. Nēnu … lō uṇṭānu. Nēnu pani cēstānu.*)

Chapter 6

Case Endings and Dative Subjects

Modes: **voice** (3) **pen** (2) **Hands-free start:** the first of 5 lessons.

> ***By the end of this chapter:*** I can say that I know Telugu the way Telugu itself says it — "to me Telugu comes," with no subject and the dative -ku.
>
> *Say* నాకు తెలుగు వచ్చు *against* నేను తెలుగు మాట్లాడతాను*, then line up the four Dravidian datives -ku · -ukku · -ge · -ikku.*

6.1 -కు (-ku) — "to, for"

Your first **case ending**. English puts "to" in **front** as its own word. Telugu sticks it on the **back** — and that difference is the biggest structural fact about the language.

You'll want to know: Adding it on

word	+ -ku	meaning
పేరు *pēru* — name	పేరుకు *pēru**ku***	to/for the name
పని *pani* — work	పనికి *pani**ki***	for work

Notice the suffix appears as **-కు** *-ku* or **-కి** *-ki* depending on the vowel before it. Same suffix, adjusted to fit — the seam still shows.

And with "I", which changes its body first:

నేను *nēnu* ("I") → నాకు *nāku* ("to me")

Nēnu becomes *nā-* before the ending. Nouns don't do this; they just take the suffix.

Grammar Lens: Why this matters

	Telugu -ku	**a Latin ending like -īs**
pins down the case?	**yes** — dative, always	**no** — *-īs* is dative **or** ablative
carries number?	**no** — a separate suffix does	yes — plural, baked in
carries declension class?	**no**	yes — 1st/2nd only
is there a seam?	**yes**: *pēru* + *ku*	no — one fused lump

Telugu **stacks**: each suffix means one thing and sits in a fixed order, so you can point at every piece of a long word. Latin **fuses** — *-īs* is case *and* plural *and* declension, indivisible, and it doesn't even settle *which* case. Telugu's *-ku* is never ambiguous.
That's what "**agglutinative**" means, and it's why Telugu words grow long without growing hard: they are **built**, not memorised.

Your turn

Say these aloud:

- "*pēru … pēruku*"
- "*nēnu … nāku*" — "I" … "to me"
- "*paniki*" — "for work," from Ch. 5's పని
- the principle — "one suffix, one meaning, visible seam"

Before you move on

What does **-కు** mean? ("**To**" or "**for**.") Where does it go? (**On the end** of the noun.) What is "to me"? (**నాకు** *nāku* — *nēnu* shrinks to *nā-* first.) Why does it sometimes appear as **-కి**? (It **adjusts to the preceding vowel** — same suffix.) How does that differ from Latin? (Latin **fuses** case+number+declension into one ending — and *-īs* doesn't even fix *which* case; Telugu's carries **one** meaning, unambiguously, with the **seam visible**.) Next: the sentence where Telugu leaves out the subject entirely.

6.2 ౦ — the Telugu numeral for 0

> Before the new one: ౯ — what amount does it stand for? And one from further back: ౮?
>
> One numeral this time, and it is read the way every numeral is read: as an amount.

Script you'll notice: ౦

౦ is **zero**, and it closes the set.

It is a ring, and you have seen that ring before: ◌ం, the sunna, is drawn the same way. On the page the difference is where it sits — the sunna rides after a letter inside a word, the zero stands in a row of numerals. Context, not shape, tells you which one you are looking at.

With ౦ in hand the other nine become worth something, because Telugu numerals use **place value exactly the way your own digits do**. ౧ then ౦ is ten. ౩ then ౦ is twenty. Three digits make hundreds. Nothing new has to be learned for that — the system is one you already own, wearing different characters.

Writing: ౦ — copy what you see

Put your pen on ౦ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at this row and say the value of each numeral in it, left to right

  ౧౦ · ౩౦ · ౯౯ · ౧౦౦

- *Trace it:* ౦ three times, saying "0" as you finish each one
- *Look:* for ౦ on any page of a Telugu book, calendar or doorplate you can find

Before you move on

Which numeral is this — ౦? What amount does it stand for? (౦ is 0, and ౧౦ is ten.)
One more, from much earlier: ౪ — what amount does it stand for?

6.3 య — one character, met inside words you already say

Before the new one: ౦ — what amount does it stand for? And one from further back: స?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: య

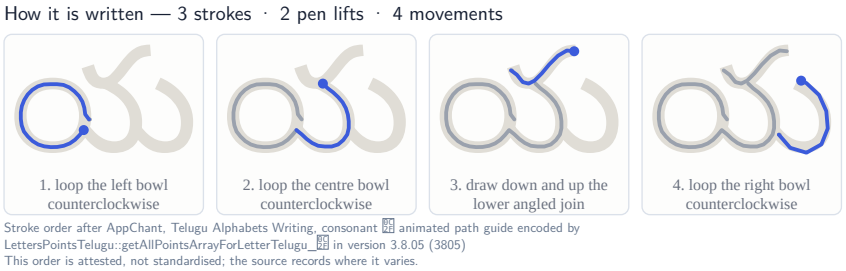

య — *ya*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *y*, it is **ya**.

You already say these, and every one of them has య somewhere inside it:

- ధన్యవాదములు *dhanyavādamulu* — thank you (dhanyavādamulu — "utterances of 'worthy'")
- పని చేయు *pani cēyu* — to work (lit. "work-do")

Writing: య — four calm movements

How య *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 loops counterclockwise around the left bowl, and without lifting, movement 2 makes the centre bowl in the same direction. Lift, then movement 3 travels down and up through the lower angled join. Lift once more; movement 4 loops around the right bowl. That is two pen lifts in all.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, so keep the four clear movements instead of rushing their joins.

Your turn

- *Look:* at these words, and find య in the ones that have it

  ధన్యవాదములు · నమస్కారం
- *Trace it:* య three times, saying *ya* as you finish each one
- *Look:* back at any page of this chapter and find య once more

Before you move on

Which character is this — య? What sound does it carry? (***ya***.)
Name one word you already say that contains it.
One more, from much earlier: ర — what does it do?

6.4 నాకు తెలుగు వచ్చు — "I know Telugu"

Chapter 5 taught you how to say "**I** speak Telugu." Now say "I **know** Telugu." Telugu won't let you use *nēnu* — and the verb it uses instead will surprise you.

You'll want to know: The sentence

నాకు తెలుగు వచ్చు. *nāku telugu vaccu.* literally: "**to-me** Telugu **comes**."

piece	
నాకు *nāku*	"to me" — the dative from the last lesson
తెలుగు *telugu*	Telugu (Ch. 5)
వచ్చు *vaccu*	"**comes**" — the very verb you learned in Ch. 4

Two things at once. **You are not the subject** — *nēnu* is gone, moved into the dative, and what's left unmarked is *telugu*. And the verb is literally "**to come**": a language you know is a thing that **comes to you**.

Grammar Lens: Why: things that happen *to* you

Telugu sorts experiences from actions. Speaking is something you **do**, so Ch. 5 used *nēnu*. But knowing, liking, wanting, being hungry — these **arrive** at you. Telugu marks that by putting the person in the **dative**.

English frames it as	**Telugu frames it as**
I **know** Telugu	Telugu **comes to me**
I **like** it	it is pleasing **to me**
I **am** cold	cold is **to me**

English keeps one fossil of exactly this: "**methinks**" — *me* is a dative, "it seems **to me**." Telugu made it the rule.

The word, taken apart — its roots and family

language	**"I know [the language]"**	**the dative**
Telugu	*nāku telugu vaccu*	**-ku**
Tamil	*enakku tamiḻ teriyum*	**-ukku**
Kannada	*nanage kannaḍa gottu*	**-ge**
Malayalam	*enikku malayāḷam aṟiyām*	**-ikku**

One construction across four languages, with four suffixes that are the **same suffix** — *-ku / -ukku / -ge / -ikku*. Native Dravidian bones, like *vaccu*, "comes" (DEDR 5270) — as *blanc/bianco/branco* were for Romance.

Your turn

Say these aloud:

- "*nāku telugu vaccu*"
- the contrast — "*nēnu telugu māṭlāḍatānu*" (I speak) … "*nāku telugu vaccu*" (comes to me)
- the literal — "to-me Telugu comes"

- the four cousins — "*-ku* · *-ukku* · *-ge* · *-ikku*"

Before you move on

What does **నాకు తెలుగు వచ్చు** literally say? ("**To-me** Telugu **comes**.") Which verb is doing the work, and where did you meet it? (**వచ్చు** "to come" — Chapter 4.) What has English got that Telugu hasn't? (A nominative "**I**" — *nēnu* is replaced by the dative *nāku*.) Why the dative? (Knowing **happens to** you.) Which English word keeps the same idea? (**Methinks**.)

6.5 The opening five, again — three jobs

From memory: the word that opens a conversation, and the word that closes a piece of business.

You'll want to know: sort them by the job, not by the order they arrived

This far on, the question is no longer *what does each word mean* but *which one do I reach for*. Three jobs cover all five:

job	the word
open or close the whole exchange	**నమస్కారం** *namaskāram*
answer a question	**అవును** *avunu* · **లేదు** *lēdu*
close one turn and move on	**సరే** *sarē* · **ధన్యవాదములు** *dhanyavādamulu*

The second row is the one to feel: **అవును** and **లేదు** are the two ways a Telugu answer can go.

What you've built — what each word was carrying

Each of the five arrived with a point attached. Recall the point, not the sentence it came in:

- **నమస్కారం** — hello **and** goodbye in one word, respectful without being stiff.
- **ధన్యవాదములు** — its *-mulu* is an ending glued to a stem, which is how Telugu does most of its grammar.
- **అవును** — a small statement of being, "it is so," not a bare

particle.

- **లేదు** — one of **two** negatives: *lēdu* denies that a thing is there, **కాదు** *kādu* that it is the thing you named.
- **సరే** — one Dravidian word wearing three scripts.

Your turn: choose, then say

Say these aloud:

- someone asks whether you speak Telugu — one word back
- someone asks whether the tea is there — deny that it is
- the word for thanks, all five syllables, unhurried
- hello, then goodbye — the same word both times

Before you move on

Which word does both hello and goodbye? (**నమస్కారం**.) Which two negatives does Telugu keep apart? (**లేదు**, *not there*; **కాదు**, *not that*.) What is the *-mulu* an example of? (**An ending glued onto a stem**.) Which of the five would a Kannada speaker know on sight? (**సరే**.)

Chapter 7

Numbers One to Ten

Modes: **voice** (1) **eyes** (2) **pen** (5) **Hands-free start:** the first of 8 lessons.

> ***By the end of this chapter:*** I can count from one to ten in Telugu, including the numbers that wander furthest from their Dravidian cousins.
>
> *Count* ఒకటి *through* పది*, say the two Telugu builds fresh — enimidi and tommidi — and hear seven's three fates in ēlu, ēḷu and ēḍu.*

7.1 ఒకటి, రెండు, మూడు, నాలుగు, ఐదు — one to five

All five are old Dravidian friends, but the very first one wears Telugu's own shape.

You'll want to know: The five

numeral	word	said
౧ (1)	ఒకటి	*okaṭi*
౨ (2)	రెండు	*reṇḍu*
౩ (3)	మూడు	*mūḍu*
౪ (4)	నాలుగు	*nālugu*
౫ (5)	ఐదు	*aidu*

The symbols ౧ ౨ ౩ ౪ ౫ are Telugu's own digits.

The word, taken apart — its roots and family

One is where Telugu looks least like the family. Its cousins sound alike — Tamil *onṟu*, Kannada *ondu*, Malayalam *onnu* — but Telugu says **okaṭi**, built differently on the same root: DEDR 990 files them together. It's the number to memorise fresh rather than reason across from Tamil.

From two onward, the family closes ranks again:

	Tamil	Telugu
2	*iraṇṭu*	**reṇḍu**
3	*mūṉṟu*	**mūḍu**
4	*nāṉku*	**nālugu**
5	*aintu*	**aidu**

Reṇḍu has simply dropped the opening vowel of *iraṇṭu*; *mūḍu* is *mūṉṟu* with its cluster smoothed to a single **ḍ**. Same numbers, a Telugu polish.

Script you'll notice: A Telugu shape to notice

Nearly every Telugu word here ends in **-u** (*reṇḍu, mūḍu, nālugu*) — the language's strong preference for open, vowel-final syllables. Even where Tamil ends hard, Telugu tends to round the word off with a vowel.

Your turn

Say these aloud:

- "okaṭi, reṇḍu, mūḍu, nālugu, aidu"
- the odd shape — "okaṭi", beside the onṟu/ondu/onnu of its cousins
- the family — "iraṇṭu → reṇḍu", the opening vowel dropped

Before you move on

Count to five in Telugu. (*Okaṭi, reṇḍu, mūḍu, nālugu, aidu.*) Which number does Telugu shape unlike the rest of the family, and what do the others say? (**One** — Telugu *okaṭi* vs *onṟu / ondu / onnu.*) How does *reṇḍu* relate to Tamil *iraṇṭu*? (The opening vowel was dropped.) What vowel do most Telugu words here end in? (**-u**.) Next: six to ten.

7.2 ఐ — one letter for a vowel that moves

Before the new one: ఏ — what sound, and where in a word does Telugu use the letter rather than the sign?

Count to five out loud. The last number opens on today's character.

Script you'll notice: ఐ

ఐ — *ai*.

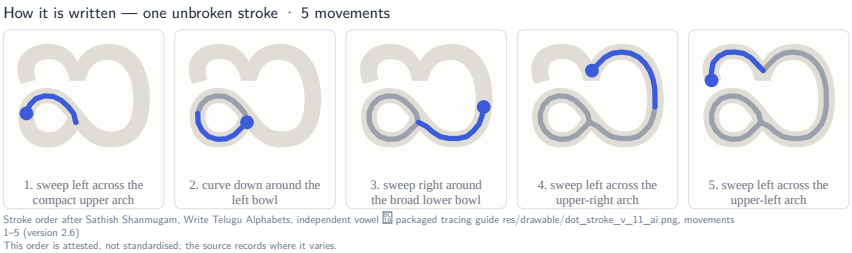

It is an **independent vowel** — a vowel that is a letter in its own right, not a mark hung on a consonant.

- ఐదు *aidu* — five

Say *aidu* slowly and listen to the opening. Your mouth does not hold one position: it starts low and slides up toward *i*. Two sounds in one movement, which is what the romanization's two letters are trying to show.

Telugu writes that whole movement with one character. English needs a digraph or a silent letter for the same job — *aisle*, *height*, *my* — and picks a different trick each time. Here the slide has a shape of its own, and it looks nothing like the ఏ you met a chapter ago even though the romanizations share a letter.

Writing: ఐ — follow the numbered strip

How ఐ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఐ yourself, slowly and larger than it is printed, with ఏ beside it, and look at the two.

The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at the number below and find ఐ at its front

  ఐదు

- *Trace it:* ఐ three times, saying *ai* as you finish each one
- *Say it:* *ēmiṭi* and *aidu* one after the other, and say which opening moves

Before you move on

Which character is this — ఐ? What sound does it carry? (***ai***.) Which number begins with it? (ఐదు.) Does your mouth hold one position for it or two? (**Two** — it slides.)

7.3 ◌ూ — one character, met inside words you already say

Before the new one: యు — what does it do? And one from further back: హూ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ◌ూ

◌ూ — *ū*.

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it. Replaces, not adds — the *a* is gone.

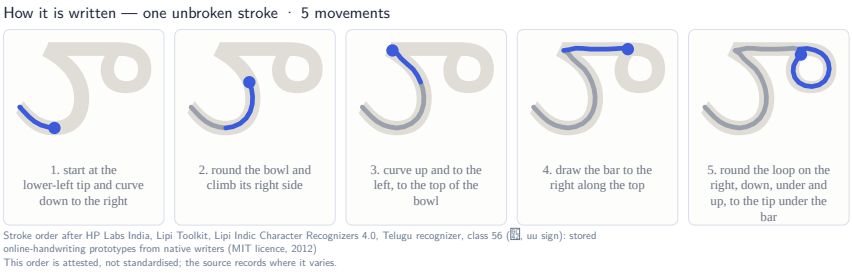

You already know its short partner. ◌ు puts a quick *u* on a consonant; ◌ూ puts a **held** one on it — the same vowel, kept twice as long. Telugu counts that length as the difference between two different words, so the two signs are two different characters and not two ways of writing one.

Say *mu*, then say *mū* and let the vowel run on. That extra length is all the second mark is asking for.

You already say this one, and the held vowel is sitting in the middle of it:

- మూడు *mūḍu* — three, from the numbers you counted out

Writing: ూ — follow the numbered strip

How ూ is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ూ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these two, and say which one holds its vowel and which one does not

  మూడు · రెండు

- *Trace it:* ూ three times, saying *ū* and holding it as you finish each one

- *Look:* back at any page of this chapter and find ూ once more

Before you move on

Which character is this — ూ? What vowel does it put on the consonant it attaches to, and how is it different from ు? (**A held *ū*; ు is the short one.**)
One more, from much earlier: ౩ — what amount does it stand for?

7.4 ఆరు, ఏడు, ఎనిమిది, తొమ్మిది, పది — six to ten

The top of the count is where Telugu is least like its cousins — two of these you simply learn on their own.

You'll want to know: The five

numeral	word	said
౬ (6)	ఆరు	*āru*
౭ (7)	ఏడు	*ēḍu*
౮ (8)	ఎనిమిది	*enimidi*
౯ (9)	తొమ్మిది	*tommidi*
౧౦ (10)	పది	*padi*

The word, taken apart — its roots and family

Six is an easy cousin (Tamil *āṟu* → Telugu *āru*). **Seven** is more interesting: Tamil *ēḻu* carries the rare **ḻ** (the *zh* of *Tamil*); Kannada hardened it to **ḷ** (*ēḷu*); **Telugu went further still** and turned it into a plain **ḍ** — *ēḍu*. One inherited sound, three fates across the three scripts.

The word, taken apart — its roots and family

Here Telugu strays furthest from its cousins —

number	Tamil / Malayalam	Telugu
8	*eṭṭu* / *eṭṭu*	**enimidi**
9	*oṉpatu* / *onpatu*	**tommidi**

You can't reach *enimidi* and *tommidi* from Tamil by regular sound-change the way you can *reṇḍu* from *iraṇṭu*. *Enimidi* shares the ancient *eṇ-* root behind *eṭṭu* (DEDR 784) but has drifted too far to

derive; *tommidi* matches not *oṉpatu* but old Tamil *toṇṭu*, "nine" (DEDR 3532). So unlike 2–7, learn these two **fresh**.
Ten comes partly back into the fold — Telugu *padi* is a worn-down relative of the *pat-* in Tamil *pattu* (and the *-patu* hiding inside *tommidi* and Tamil *oṉpatu*, "one-to-ten").

Your turn

Say these aloud:

- "āru, ēḍu, enimidi, tommidi, padi"
- seven's three fates — "Tamil ēḻu, Kannada ēḷu, Telugu ēḍu"
- the two you learn fresh — "enimidi, tommidi"

Before you move on

Count six to ten in Telugu. (*Āru, ēḍu, enimidi, tommidi, padi.*) What became of Tamil's ḻ (in *ēḻu*) by the time it reached Telugu *ēḍu*? (It hardened all the way to **ḍ**.) Which two numbers can't you derive from Tamil by regular correspondence? (**Eight and nine** — learn *enimidi, tommidi* fresh.) How does *padi* relate to Tamil *pattu*? (A worn-down relative of the same *pat-* "ten".)

7.5 ొ— the short one of the pair

Before the new one: ా — is it a letter or a sign, and what does it do?

Count from six to ten out loud. One of those numbers needs today's sign.

Script you'll notice: ొ

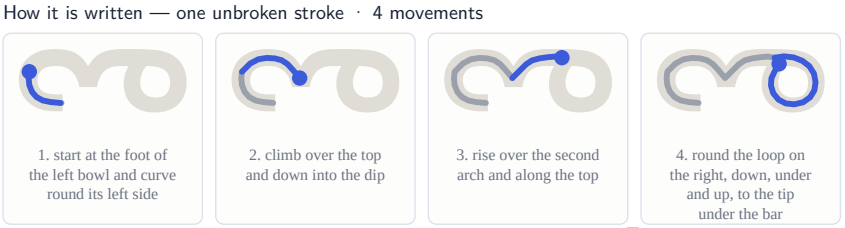

ొ — *o*.

It is a **sign**, like the long ో you have already met, and it carries the **short** *o* where that one carries the long *ō*.

- తొమ్మిది *tommidi* — nine (tommidi)

Telugu keeps short and long vowels apart as separate signs, and the difference changes words. English writes one *o* and leaves the length to the ear; here the page tells you, which is one less thing to guess at.

Writing: ొ— follow the numbered strip

How ొ is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ొ yourself — slowly, and larger than it is printed. Then write it attached to a consonant, the way it actually appears.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at the number below and find the consonant carrying ొ

  తొమ్మిది

- *Trace it:* ొthree times, saying *o* as you finish each one
- *Say it:* which of ొand ోis the long one
- *Look:* at సంతోషం and find the long one riding its consonant

Before you move on

Is ొa letter or a sign? (A sign.) Which number from this chapter uses it? (**తొమ్మిది**, nine.) Which of the two *o* signs is longer? (ో)

7.6 ఒ — the sign from a page ago, standing alone

A page ago you met ొ, the short-*o* sign, inside **తొమ్మిది**. Say that number.

Now count from one. The first number opens on the same vowel, and it has no consonant to hang the sign on.

Script you'll notice: ఒ

ఒ — *o*.

It is an **independent vowel** — a vowel that is a letter in its own right, not a mark hung on a consonant.

- **ఒకటి** *okaṭi* — one

This is the clearest pair you will get. ొ and **ఒ** are the same vowel: the first rides on a consonant, the second stands where no consonant does. You met the sign one lesson ago inside *tommidi*; here is the letter, at the front of *okaṭi*, in the same chapter and the same list of numbers.

Hold the two next to each other and the whole system is visible in one line:

the vowel is carried	**the vowel starts the word**
తొమ్మిది — the sign ొrides on **త**	**ఒకటి** — the letter **ఒ** stands alone

Writing: ఒ — follow the numbered strip

Stroke order after Sathish Shanmugam, Write Telugu Alphabets, independent vowel 𑌒 packaged tracing guide res/drawable/dot_stroke_v_12_o.png, movements 1–3 (version 2.6)
This order is attested, not standardised; the source records where it varies.

How ఒ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఒ yourself, slowly and larger than it is printed, with ొbeside it, and look at the two.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these two numbers and say which one carries the letter ఒ and which the sign ొ

  ఒకటి · తొమ్మిది

- *Trace it:* ఒ three times, saying *o* as you finish each one
- *Say it:* the numbers one to five, and name the one that opens on a vowel letter

Before you move on

Which character is this — ఒ? What sound does it carry? (*o*.) Which number begins with it? (ఒకటి.) And what is the difference between ఒ and ొ? (**None in the sound** — one stands alone, the other rides on a consonant.)

7.7 ఆ — the long one, beside the short one that needs no sign

Two from the first chapter: అ, and the sign ా. Say what each of them does.

Today's character is the missing corner of that square.

Script you'll notice: ఆ

ఆ — *ā*.

It is an **independent vowel** — a vowel that is a letter in its own right, not a mark hung on a consonant.

- ఆరు *āru* — six

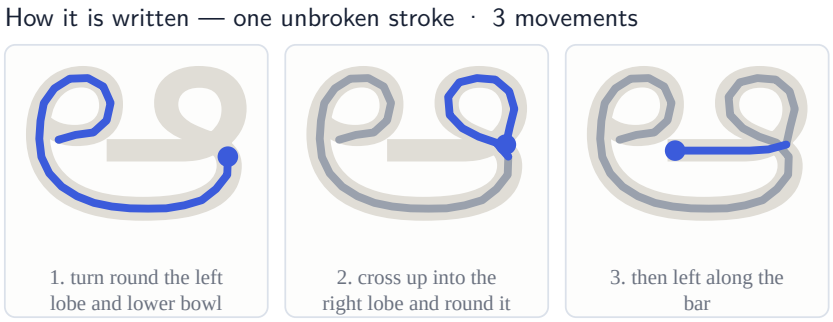

With this one the *a* vowels are complete, and they make a square worth drawing:

	short	**long**
carried by a consonant	nothing at all	ా
starting a word	అ	ఆ

Three of those four cells you have had since chapter one. **The top-left cell is the one that surprises people**: short *a* on a consonant is written with no mark, which is why క is *ka* and not *k*. Every other cell gets a shape.

Look at the two letters side by side — అ and ఆ. The long one is the short one with a stroke added on the right, and that stroke has the same shape as the sign ా. Length shows up on the page as *more ink*, in both columns of the square.

Writing: ఆ — follow the numbered strip

Stroke order after Hojaswani LUCIDA and Physics classes, practice Telugu letters with strokes (అ letter), 00:00–00:10 (YouTube, 15 September 2024); drawn in one stroke, with the right lobe turned clockwise, after HP Labs India, Lipi Toolkit, Lipi Indic Character Recognizers 4.0, Telugu recognizer, class 1 (అ): stored online-handwriting prototypes from native writers (MIT licence, 2012)
This order is attested, not standardised; the source records where it varies.

How ఆ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఆ yourself, slowly and larger than it is printed, with అ beside it, and find the difference.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these two words and say which opens on అ and which on ఆ

  అవును · ఆరు

- *Trace it:* ఆ three times, saying *ā* as you finish each one
- *Say it: avunu* and *āru*, holding the opening vowel of the second one longer

Before you move on

Which character is this — ఆ? What sound does it carry? (*ā*.) Which number begins with it? (ఆరు.) Which cell of the square has no shape in it at all? (**Short *a* carried by a consonant** — the consonant alone says it.)

7.8 The name exchange again — built from four pieces

Two words, from memory: the one for *name*, and the one for *my*.

You'll want to know: four pieces, and everything they build

The question you learned and its answer are made of the same four pieces:

piece	
పేరు *pēru*	name
నా *nā* · మీ *mī*	my · your
ఏమిటి *ēmiṭi*	what?
నువ్వు *nuvvu* · మీరు *mīru*	you, close · you, respectful

Two side by side give the answer, **నా పేరు ...** The respectful one in front and the question word behind give the question, **మీ పేరు ఏమిటి?**

Grammar Lens: the two things the name exchange was really teaching

Two points sit under those four pieces:

- **No word for *is*.** *Nā pēru Arun* is "my name Arun," and the link stays unsaid in every sentence of this shape.
- **Respect rides on the plural.** మీరు is a plural doing the work of politeness — the move Tamil *nīṅgaḷ* and French *vous* also make.

The familiar *your* goes with the familiar *you*: **నీ పేరు ఏమిటి?**

Script: three letters that open numbers

ఒ · ఐ · ఆ

Three vowel letters come back with the counting. Each opens a number you now say, and each is a whole letter rather than a sign for one reason: nothing is carrying the vowel.

letter	the number it opens
ఒ *o*	ఒకటి — one
ఐ *ai*	ఐదు — five
ఆ *ā*	ఆరు — six

Your turn: the exchange, both ways

Say these aloud:

- ask a stranger their name, then answer with your own — no "is"
- the one word for "pleased to meet you"
- the same question to a child — one letter of *mī* changes

Before you move on

Which word does నా పేరు **...** leave out? (**Is**.) Which *you* goes to a stranger, and what is it really? (మీరు — a plural doing politeness.) One word for "pleased to meet you"? (సంతోషం.) Which three numbers open on a whole vowel letter? (ఒకటి · ఐదు · ఆరు.)

Chapter 8

Please

Modes: **voice** (1) **eyes** (1) **pen** (1) **Hands-free start:** the first 2 of 3 lessons.

> ***By the end of this chapter:*** I can say please in Telugu, and use the polite -aṇḍi verb ending speakers actually reach for.
>
> *Build* **దయచేసి** *out of daya ("compassion") + cēsi ("having done"), then make the everyday polite request instead:* **కూర్చోండి**, *"please sit."*

8.1 దయచేసి (dayacēsi) — please (having done compassion)

Telugu's "please" carries a whole small sentence inside it: "having **done** (me) a compassion."

You'll want to know: The word

దయచేసి = **please**, literally "**having done kindness / compassion**." Two pieces:

- **దయ** (*daya*) = **compassion, kindness, grace** — from Sanskrit **daya**.
- **చేసి** (*cēsi*) = "**having done**," from the verb **చేయు** (*cēyu*) "to do."

So *dayacēsi* is *having done (a) kindness* — you ask by crediting the listener with the grace you hope they'll show.

It is the twin of **Tamil** *tayavu seytu* ("**do** the kindness") — both use a "do" verb — and cousins with **Kannada** *dayaviṭṭu* ("having **placed** compassion"). Further off, **Arabic** *min faḍlik* ("from your **grace**") and **Hindi** *kṛpayā* (from *kṛpā*, "**compassion**") ask in the very same spirit.

The word, taken apart — its roots and family

daya + a light verb, four ways:

- Telugu దయచేసి *daya**cēsi*** — compassion + **having done**
- Tamil தயவுசெய்து *tayavu **seytu*** — kindness + **do**
- Kannada ದಯವಿಟ್ಟು *daya**viṭṭu*** — compassion + **having placed**
- Malayalam ദയവായി *daya**vāyi*** — compassion + **as / having become**

Script you'll notice: Sound & structure point

The middle syllable చే is *ca* wearing the **long-ē** sign **-ే** (the counterpart of the short-e sign **-ె**), giving *cē*; then సి is *sa* + the *i* sign (**-ి**). Telugu marks a vowel's length and quality by the little sign riding on the consonant — the consonant stays put, the vowel-sign changes the tune.

Your turn

Say these aloud:

- "daya" — compassion — then "cēsi," having done
- the whole word — "dayacēsi" = please
- the two pieces again, slowly — "daya" then "cēsi"

Before you move on

What is the Telugu word for please? (దయచేసి *dayacēsi*.) What do its pieces mean? ("**Compassion**" *daya* + "**having done**" *cēsi*.) Which cousins ask the same way? (**Tamil, Kannada, Malayalam** with *daya* — plus **Arabic** *faḍl*, **Hindi** *kṛpā*.) Which sign sits on the middle syllable? (**The long-ē sign -ే**, making చ into చే.)

8.2 -ండి (-aṇḍi) — where Telugu actually keeps "please"

> You now have దయచేసి for *please*. Now the honest part: most of the time, a Telugu speaker asking politely does not say it.

You'll want to know: The ending does the work

Telugu politeness rides on the **respectful command ending -ండి** (*-aṇḍi*). It is not a separate word you add — it is a **tail on the verb**, and it is already "please."

respectful form	
కూర్చోండి *kūrcōṇḍi*	please sit
చెప్పండి *ceppaṇḍi*	please tell me

Each of these is a verb with **-ండి** on the end, and each is already polite — no extra word required. There is a shorter form of every one of them, used with a friend or a child; you will meet those verbs properly later, so take the -ండి forms as wholes for now. The short form is not rude, it is *close*, and using it with a stranger is the mistake. Leaving out దయచేసి is not.

Why it's said this way

The standalone దయచేసి is **formal or emphatic**. It is not the everyday "please" — it is the one you reach for to *warm a request further*, on top of an ending that is already polite:

- కూర్చోండి — please sit. Complete, polite, ordinary.
- దయచేసి కూర్చోండి — *do* please sit. Warmer, more insistent, more formal.

So the two stack. What they do not do is substitute: దయచేసి in front of the *short* form reads as oddly as "kindly sit down, mate."
English keeps politeness in a word you add; Telugu keeps it in the shape of the verb. A learner hunting for a word to translate *please* will reach for దయచేసి far too often and still sound abrupt — because the abruptness was never in the missing word. It was in the ending.

Your turn

Say these aloud:

- "kūrcōṇḍi" — that ending is already "please sit"
- "ceppaṇḍi" — please tell me
- both words together, warmer — "dayacēsi kūrcōṇḍi"

Before you move on

What carries "please" in ordinary Telugu speech? (**The ending -ండి** *-aṇḍi*, on the verb.) Is కూర్చోండి already polite without దయచేసి? (**Yes** — the ending is the politeness.) When do you add దయచేసి? (To make a request **warmer or more formal**, on top of -ండి.) What is wrong with putting దయచేసి in front of the short form? (The **short** ending undercuts the polite word.)

8.3 చ — one character, met inside words you already say

Before the new one: ా — what does it do? And one from further back: ర్?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: చ

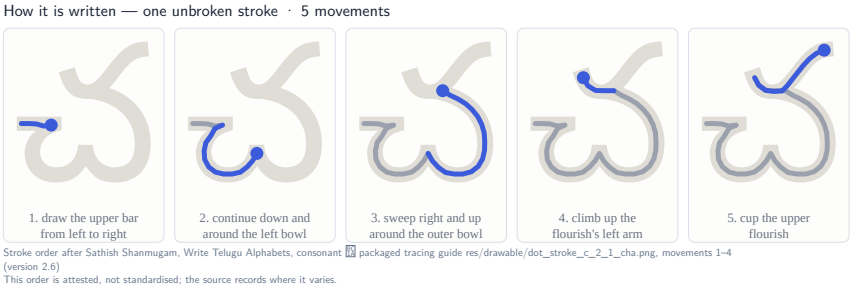

చ — *ca*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *c*, it is **ca**.

You already say these, and every one of them has **చ** somewhere inside it:

- **పని చేయు** *pani cēyu* — to work (lit. "work-do")
- **నాకు తెలుగు వచ్చు** *nāku telugu vaccu* — 'I know Telugu'
- **దయచేసి** *dayacēsi* — please (dayacēsi

Writing: చ — follow the numbered strip

How **చ** *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write **చ** yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find **చ** in the ones that have it

  దయచేసి · నమస్కారం

- *Trace it:* **చ** three times, saying *ca* as you finish each one
- *Look:* back at any page of this chapter and find **చ** once more

Before you move on

Which character is this — **చ**? What sound does it carry? (***ca***.)
Name one word you already say that contains it.
One more, from much earlier: **డ** — what does it do?

Chapter 9

Sorry

Modes: 🚗 **voice** (2) 👁 **eyes** (1) ✓ **pen** (1) 🚗 **Hands-free start:** the first 2 of 4 lessons.

> ***By the end of this chapter:*** I can apologise in Telugu and ask someone to forgive me, using the same respectful ending.
>
> *Say* **క్షమించండి**, *unpack it as kṣamiñcu plus the respectful -aṇḍi already met in kūrcōṇḍi, and trace it to Sanskrit kṣamā.*

9.1 క్షమించండి — sorry

You already know **దయచేసి** and its respectful **-ండి** ending (*kūrcōṇḍi*, "please sit"). Telugu's "sorry" hands you that very ending again, riding a brand-new verb.

The word, taken apart — its roots and family

- **క్షమా** (*kṣamā*) = "**forgiveness, patience**" — the Sanskrit noun, borrowed whole.
- **-ించు** (*-iñcu*) = a **verb-making suffix**: *kṣamā* + *-iñcu* → **క్షమించు** (*kṣamiñcu*), "**to forgive**." (The same pattern gives *prārambhiñcu*, "to begin," from Sanskrit *prārambha*.)
- **-ండి** (*-aṇḍi*) = the **respectful imperative** ending — exactly the one you already met on *kūrcōṇḍi* "please sit" and *ceppaṇḍi* "please tell me."

So **క్షమించండి** is "**please forgive**" — the same polite mold you already

know, filled with a new verb.

The word, taken apart — its roots and family

- Telugu క్షమించండి *kṣamiñ**caṇḍi*** — Sanskrit *kṣamā* + **-iñcu** (verb) + **-aṇḍi** (imperative)
- Kannada ಕ್ಷಮಿಸಿ *kṣami**si*** — Sanskrit *kṣamā* + **-isu** (verb) + **-i** (imperative)
- Malayalam ക്ഷമിക്കണം *kṣami**kkaṇaṁ*** — Sanskrit *kṣama* + **-ikkuka** (verb) + **-aṇaṁ** (necessitative)
- Tamil மன்னிக்கவும் *maṉṉi**kkavum*** — its **own** native root *maṉṉi*, not Sanskrit at all

Why it's said this way

క్షమించండి is a real, everyday "sorry / please forgive me" — not stiffly formal — though in quick, casual exchanges Telugu speakers just as often reach for the borrowed English **"sorry."**

Your turn

Say these aloud:

- "kṣamā" — the Sanskrit noun, forgiveness
- the verb — "kṣamiñcu," to forgive — then "kṣamiñcaṇḍi," please forgive
- the ending you already know — "-aṇḍi," same as kūrcōṇḍi

Before you move on

What is క్షమించండి built from? (**Sanskrit kṣamā** + the verb-making suffix **-iñcu** + the respectful ending **-aṇḍi**, which you already met on *kūrcōṇḍi*.) Which cousins also verb-ify *kṣamā*, and which doesn't? (**Kannada and Malayalam** do too; **Tamil** uses its own root *maṉṉi*.) What's the casual alternative? (**Borrowed English "sorry."**)

9.2 ఇటుక (iṭuka) — a brick

Before the new word: say the last thing you learned, once, out loud.

You'll want to know: ఇటుక

ఇటుక — *iṭuka* — "a brick".

Say it: *iṭuka*. *Look:* at its shape as you say it. The next lesson takes one piece of it, **ఇ**, and writes it on its own.

The word, taken apart — its roots and family

ఇటుక (*iṭuka*) is usually traced to Sanskrit *iṣṭakā*, "brick", reshaped to Telugu sounds: a tadbhava. CDIAL 1600 lists the Sanskrit word with Prakrit *iṭṭagā*, which has already lost the *ṣ*; it does not list the Telugu.

Your turn

Say these aloud:

- *iṭuka*
- *iṭuka*, and what it means

Before you move on

What is "a brick"? (**ఇటుక**, *iṭuka*.)

9.3 ఇ — one character, met inside words you already say

Before the new one: **చ** — what does it do? And one from further back: **ం**?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ఇ

ఇ — *i*.

It is an **independent vowel** — a vowel that is a letter in its own right, not a mark hung on a consonant.

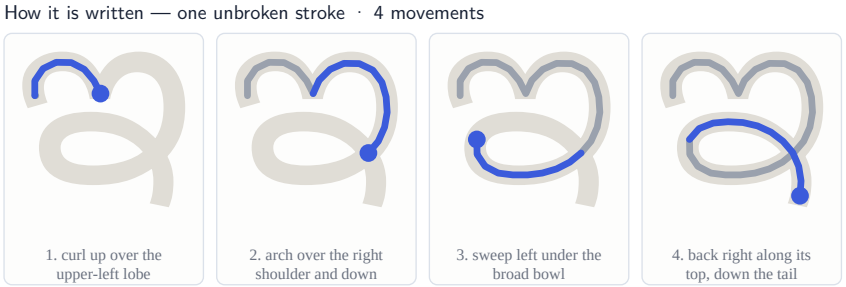

This is the pair that makes Telugu writing click. You already read ి, the *i* sign: it rides on a consonant and needs one to exist. ఇ is the same vowel with nothing in front of it, and that is exactly when Telugu reaches for it — at the front of a word, or on a piece of a word quoted on its own.

Every vowel in this script has both forms. Meeting the pair once is worth more than meeting either alone, because from here on you can predict the rule: **sign after a consonant, letter when the vowel starts.**

You met it on the page before this one, on a suffix quoted by itself:

- **-ఇంచు** *-incu* — the ending that turns a borrowed noun into a Telugu verb

Writing: ఇ — follow the numbered strip

Stroke order after Hojaswani LUCIDA and Physics classes, practice Telugu letters with strokes, independent vowel ఇ decomposition, 00:00–00:05 (YouTube, 14 September 2024); reordered, and drawn in one stroke, after HP Labs India, Lipi Toolkit, Lipi Indic Character Recognizers 4.0, Telugu recognizer, class 2 (ఇ): stored online-handwriting prototypes from native writers (MIT licence, 2012)
This order is attested, not standardised; the source records where it varies.

How ఇ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఇ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these two, and say which one carries the letter ఇ and which carries the sign ి

  -ఇంచు · ఏమిటి

- *Trace it:* ఇ three times, saying *i* as you finish each one
- *Look:* back at any page of this chapter and find ఇ once more

Before you move on

Which character is this — ఇ? When does Telugu write the letter ఇ rather than the sign ి? (**When the vowel has no consonant in front of it.**)
One more, from much earlier: ౬ — what amount does it stand for?

9.4 How are you, again — and the word that answers క్షమించండి

Someone has said క్షమించండి to you. One word back — the one that tells them it does not matter. You have had it since the greetings.

You'll want to know: పరవాలేదు does three jobs at once

పరవాలేదు *paravālēdu* covers all of these in ordinary speech:

what English says	
it's okay	after an apology
no problem	after a request
you're welcome	after thanks

Look at its tail. **-లేదు** is the *lēdu* you already carry, the negative of existence, and *paravā* is the bother — so the word is **"there is no bother."** That is why one word answers an apology, a request and a thank-you alike.

Grammar Lens: the ending is already carrying the person

That question and its answer hide the same point:

- మీరు ఎలా ఉన్నారు? — **-ారు** already means *you, respectful*, so

ఎలా ఉన్నారు? is a whole question on its own.

- నేను బాగున్నాను — -ాను already means *I*, so నేను can drop too.

To someone close the ending moves with the pronoun: నువ్వు ఎలా ఉన్నావు?

Script: బ, the letter your answer starts with

బ

బాగా and బాగున్నాను both open on బ *ba* under the long-ā sign. Telugu keeps *b* apart from its *p* letter; Tamil writes one shape for both and lets the position decide.

Your turn: the whole small exchange

Say these aloud:

- ask a stranger how they are, then drop the pronoun and ask again
- answer that you are well
- apologise, then thank someone — and give the same one-word reply to both

Before you move on

What hides inside పరవాలేదు? (లేదు — "no bother.") Which three English replies does it cover? (**It's okay · no problem · you're welcome**.) Why can మీరు and నేను drop out? (**The ending already names the person.**) Which letter opens your answer? (బ.)

Chapter 10

Days of the Week

Modes: **voice** (2) **eyes** (1) **pen** (2) **Hands-free start:** the first of 5 lessons.

> ***By the end of this chapter:*** I can name any day of the week in Telugu, including the Sunday that is counted rather than named for a planet.
>
> *Run Somavāram through Śanivāram, then name Sunday* ఆదివారం*, "the first day" — positional like Arabic's numbered days, not planetary.*

10.1 సోమవారం to ఆదివారం — Telugu's week, with a twist on Sunday

Like Kannada, Telugu's week runs on Sanskrit deity-names — but its Sunday breaks the "planet" pattern entirely, in a way even Kannada's doesn't.

The word, taken apart — its roots and family

Telugu	deity/planet	day
సోమవారం (*Somavāram*)	**Moon** (Soma)	Monday
మంగళవారం (*Maṅgaḷavāram*)	**Mars** (Maṅgala)	Tuesday
బుధవారం (*Budhavāram*)	**Mercury** (Budha)	Wednesday
గురువారం (*Guruvāram*)	**Jupiter** (Guru/ Bṛhaspati)	Thursday
శుక్రవారం (*Śukravāram*)	**Venus** (Śukra)	Friday
శనివారం (*Śanivāram*)	**Saturn** (Śani)	Saturday
ఆదివారం (*Ādivāram*)	— not a planet at all	Sunday

Why it's said this way

Five days match the familiar planet-deity pattern — but ఆదివారం (*Ādivāram*) doesn't name the Sun at all. ఆది (*ādi*) is Sanskrit for "**the beginning, the first**." So Telugu's Sunday literally means "**the first day**" — a **positional** name, like Arabic's numbered weekdays, sitting right next to six planet-names that don't work that way. Even within one single week, a language can mix completely different naming strategies.

Your turn

Say these aloud:

- "Somavāram, Maṅgaḷavāram, Budhavāram, Guruvāram, Śukravāram, Śanivāram" — Monday through Saturday
- the odd one — "Ādivāram" — not a planet, "the first day"
- the parallel — like Arabic's numbered days, one Telugu day is positional too

Before you move on

What does **ఆదివారం** literally mean, and is it a planet-name? (**"The first day"** — **ādi** "beginning" — **not** a planet-name, unlike the other six.) What ending do the other six Telugu weekdays share? (**-వారం** *-vāram*, Sanskrit "day," each paired with a planet-deity.)

10.2 శ — the third s, and the last one

You have two s-shapes already: **స**, and the curled one you met beside it. Say which of the two puts your tongue further back.

Two of the day names from this chapter carry a third one.

Script you'll notice: శ

శ — *śa*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ś*, it is **śa**.

- **శుక్రవారం** *śukravāram* — Friday
- **శనివారం** *śanivāram* — Saturday

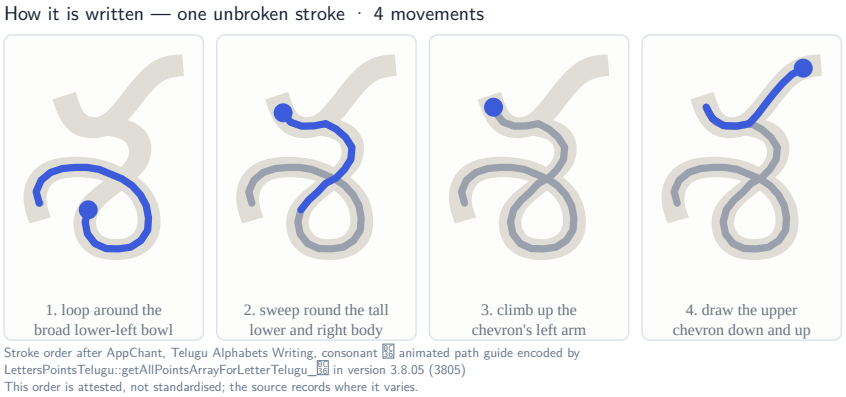

Both open on today's character. **The two ends of the week you have been reciting begin with a letter you could not yet read.**

Now you have the whole set:

letter	romanized	where the tongue goes
స	*sa*	tip behind the teeth
ష	*ṣa*	curled back along the roof
శ	*śa*	flat against the front of the roof

Telugu, Kannada and Hindi keep all three apart on the page. Tamil's own alphabet has none of them and adds borrowed shapes for Sanskrit words — same family, opposite decision.

Writing: శ — three calm movements

How శ *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 loops around the broad lower-left bowl. Without lifting, movement 2 sweeps around the tall lower and right body. Keep the pen down: movement 3 climbs a short way up the chevron's left arm, and movement 4 draws the chevron down and up. The strip gives that short climb a panel of its own, so the three movements are numbered as four.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, but nearly all native writers draw శ as one unbroken stroke, so keep the pen on the paper until the chevron is finished. Then write స and ష beside it.

Your turn

- *Look:* at the two day names below and find శ at the front of each

  శుక్రవారం · శనివారం

- *Trace it:* శ three times, saying *śa* as you finish each one
- *Look:* at సంతోషం and say which two of the three s letters are in it

Before you move on

Which character is this — శ? What sound does it carry? (***śa***.)
Which two days of the week begin with it? (శుక్రవారం and శనివారం.)

How many separate s letters does Telugu print? (**Three** — స, ష, శ.)

10.3 ల — one character, met inside words you already say

Before the new one: ఇ — what does it do? And one from further back: య?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ల

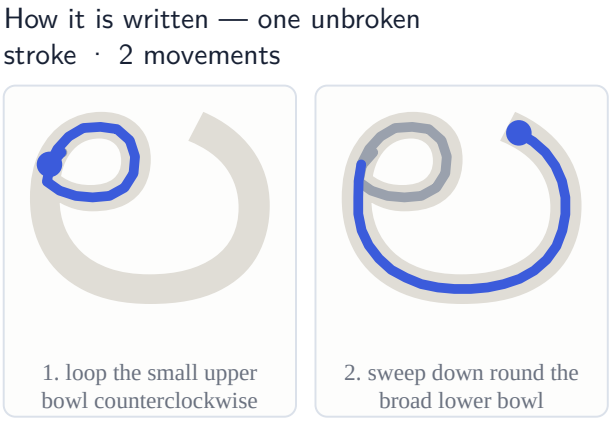

ల — *la*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *l*, it is **la**.

You already say these, and every one of them has ల somewhere inside it:

- ధన్యవాదములు *dhanyavādamulu* — thank you (dhanyavādamulu — "utterances of 'worthy'")
- లేదు *lēdu* — no / there isn't (lēdu)
- పరవాలేదు *paravālēdu* — it's okay / no problem / you're welcome
- రేపు కలుద్దాం *rēpu kaluddām* — see you tomorrow

Writing: ల — two calm movements

How ల *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 loops counterclockwise around the small upper bowl. Without lifting, movement 2 sweeps on down the left side and around the broad lower bowl.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, but almost every native writer draws ల as one unbroken stroke, so let the small bowl flow straight into the large one.

Your turn

- *Look:* at these words, and find ల in the ones that have it

  ధన్యవాదములు · లేదు · నమస్కారం

- *Trace it:* ల three times, saying *la* as you finish each one
- *Look:* back at any page of this chapter and find ల once more

Before you move on

Which character is this — **ల**? What sound does it carry? (***la***.)
Name one word you already say that contains it.
One more, from much earlier: **ప** — what does it do?

10.4 ఐదు అచ్చులు — five vowel letters, from cold

Close the lessons before this one. Say the word for yes and the number six, and name the character each of them opens on.

Script: the five, and the one question behind them

అ · ఆ · ఏ · ఐ · ఒ

Five letters, and **every one of them is on the page for the same reason**: a vowel turned up at the front of a word with no consonant to sit inside.

letter	sound	the word it opens
అ	*a*	అవును — yes
ఆ	*ā*	ఆరు — six
ఏ	*ē*	ఏమిటి — what?
ఐ	*ai*	ఐదు — five
ఒ	*o*	ఒకటి — one

Look down the right-hand column. **Three of the five open a number you can already count with, and the other two open two of the commonest words in the book.** None of these is an exotic letter kept for later; they were on your pages from chapter one, and only now do you have the shapes for them.

The question to ask of any vowel in Telugu is the same each time: *is a consonant carrying it?* If yes, a sign. If no, a letter.

Your turn

- *Look:* at these words and name the vowel letter each one begins with

  ఒకటి · ఆరు · అవును · ఏమిటి

- *Say it:* which two of the five are the short and long pair

- *Say it:* which one of the five is a vowel your mouth has to move through
- *Trace it:* each of the five once, saying its sound

Before you move on

Which of the five opens the number one? (ఒ.) Which opens the number five? (ఐ.) Which pair differs only in length? (అ and ఆ.) And what has to be true of a vowel before Telugu writes it as a letter? (**Nothing is carrying it** — no consonant in front.)

10.5 The three goodbyes again, now that you can name the day

From memory: the ordinary Telugu goodbye. Then say what it means word for word, which is not "goodbye" at all.

You'll want to know: none of the three says "goodbye"

You have three ways to leave, and every one of them promises a return:

what you say	**what it says**
వెళ్ళి వస్తాను *veḷḷi vastānu*	having gone, I come
రేపు కలుద్దాం *rēpu kaluddām*	tomorrow, let us meet
మళ్ళీ కలుద్దాం *maḷḷī kaluddām*	again, let us meet

Telugu has no comfortable word for a plain, final parting. The polite thing is to name the return, and the three above are three sizes of it — the next hour, the next day, some day.

Grammar Lens: the "having ...ed" link

వెళ్ళి is not a finished verb — it is *having gone*, waiting for a second verb to complete it. Telugu chains actions this way: every verb but the last takes the *having …ed* shape, and the last one carries the person and the time.
వెళ్ళి వస్తాను = *having gone* + *I come*. The **-తాను** at the end is the same "I" ending you met on **మాట్లాడతాను**.

Your turn: pick the right size of return

Say these aloud:

- leaving a shop you will pass again this week
- leaving a class that meets again tomorrow
- leaving someone you may not see for a year
- the plain verb for *to go*, then the *having gone* form

Before you move on

What do all three farewells have in common? (**Each one promises a return.**) What does **వెళ్ళి వస్తాను** say literally? (**Having gone, I come.**) Which part of it carries the "I"? (**The -తాను ending.**) And which of the three would you use with someone you see tomorrow? (**రేపు కలుద్దాం.**)

Chapter 11

Four Core Colours

Modes: **voice** (1) **pen** (1) **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can name four basic colours in Telugu — black, white, red, and blue.
>
> *Say* నలుపు, తెలుపు, ఎరుపు *— Telugu's own three — then* నీలం, *blue, which Telugu borrowed rather than inherited.*

11.1 నలుపు, తెలుపు, ఎరుపు, నీలం — the pattern completes itself

By now the shape should feel familiar: native colors for black, white, and red — and one shared Sanskrit word for blue. Telugu confirms it a fourth time.

You'll want to know: Three native colors

- నలుపు (*nalupu*) = "**black**" — native Dravidian.
- తెలుపు (*telupu*) = "**white**" — native Dravidian.
- ఎరుపు (*erupu*) = "**red**" — native Dravidian.

The word, taken apart — its roots and family

నీలం (*nīlam*) = "**blue**" — the identical Sanskrit నీల (*nīla*) loan that also sits in Tamil (*nīlam*), Malayalam (*nīla*), Kannada (*nīli*), and Hindi (*nīlā*). Four Dravidian languages plus Hindi, all independently

keeping their own native black/white/red, and all reaching for the **exact same** borrowed word the moment it comes to blue.

Your turn

Say these aloud:

- "nalupu, telupu, erupu" — black, white, red
- "nīlam" — blue, the word the four Dravidian languages and Hindi all share
- the whole pattern, one more time — native, native, native, **borrowed**

Before you move on

What's the pattern across Tamil, Malayalam, Kannada, and Telugu's basic colors? (**Black, white, and red are native Dravidian words in every one of them; blue is a shared Sanskrit loan (nīla) in every one of them.**)

11.2 ే — one character, met inside words you already say

Before the new one: లు — what does it do? And one from further back: ాా?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ే

ే — *e*.

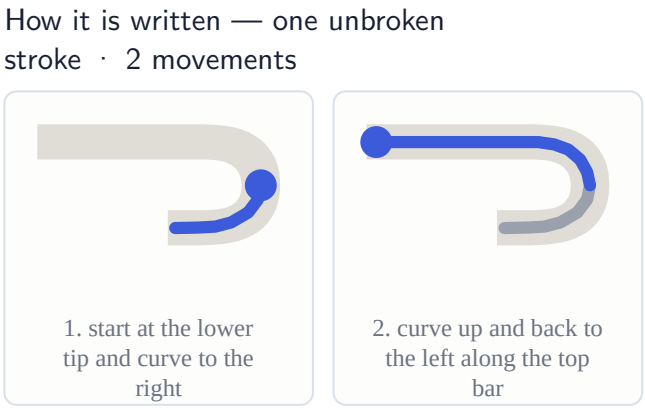

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *e*. Replaces, not adds — the *a* is gone.

You already say these, and every one of them has ే somewhere inside it:

- వెళ్ళు *veḷḷu* — to go (and వచ్చు, to come)

- వెళ్ళి వస్తాను *veḷḷi vastānu* — goodbye (lit. “I’ll go and come back”)
- నాకు తెలుగు వచ్చు *nāku telugu vaccu* — ’I know Telugu’
- ఒకటి రెండు మూడు నాలుగు ఐదు *okaṭi reṇḍu mūḍu nālugu aidu* — one to five

Writing: ై — follow the numbered strip

Stroke order after HP Labs India, Lipi Toolkit, Lipi Indic Character Recognizers 4.0, Telugu recognizer, class 57 (ై e sign): stored online-handwriting prototypes from native writers (MIT licence, 2012)
This order is attested, not standardised; the source records where it varies.

How ై is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ై yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ై in the ones that have it

వెళ్ళు · నమస్కారం

- *Trace it:* ే three times, saying *e* as you finish each one
- *Look:* back at any page of this chapter and find ే once more

Before you move on

Which character is this — ే? What vowel does it put on the consonant it attaches to — and what does it take off? (**Puts *e* on; takes the built-in *a* off.**) Name one word you already say that contains it.
One more, from much earlier: ౭ — what amount does it stand for?

Chapter 12

Family

Modes: **voice** (1) **eyes** (1) **pen** (1) **Hands-free start:** the first of 3 lessons.

> ***By the end of this chapter:*** I can name my parents and my brothers and sisters in Telugu, choosing the right word for older or younger.
>
> *Name* నాన్న *and* అమ్మ*, then the four age-graded siblings* అన్న · తమ్ముడు · అక్క · చెల్లి*, with* చెల్లి *being Telugu's own.*

12.1 నాన్న, అమ్మ, and four sibling words — Telugu's own twist

Telugu also sorts siblings by relative age. Its words for "father" and "younger sister," though, go their own way.

You'll want to know: Parents — one matches, one is Telugu's own

- నాన్న (*nānna*) = "**father**" — **Telugu's own word**, unlike Tamil/Kannada's *appā/appa*.
- అమ్మ (*amma*) = "**mother**" — matches Tamil/Kannada's *ammā/amma* closely.

The word, taken apart — its roots and family

Telugu	meaning	compare Tamil/ Kannada
అన్న (*anna*)	**older** brother	*aṇṇaṉ/aṇṇa* — near match
తమ్ముడు (*tammuḍu*)	**younger** brother	*tambi/tamma* — near match
అక్క (*akka*)	**older** sister	*akkā/akka* — near match
చెల్లి (*celli*)	**younger** sister	*tangai/tangi* — **Telugu's own word here**

So the *system* — four words, split by relative age rather than just gender — is shared across Tamil, Kannada, and Telugu. But the exact words aren't identical everywhere: Telugu keeps its own నాన్న for father and చెల్లి for "younger sister," even while three of the six words line up closely with its cousins. All four sibling words are native Dravidian: *anna*, *tammuḍu* and *akka* share entries with their cousins (DEDR 131, 3085, 23), and DEDR 2783 files *celli* with *celi*, "female companion".

Your turn

Say these aloud:

- "nānna, amma" — father, mother
- "anna, tammuḍu" — older/younger brother
- "akka, celli" — older/younger sister — celli is Telugu's own

Before you move on

Which two Telugu family words are its own, rather than matching Tamil/Kannada? (నాన్న *nānna*, "father," and చెల్లి *celli*, "younger sister.") Does Telugu still split siblings by age the same way? (**Yes** — the four-way age-before-gender system is shared across the whole Dravidian family, even where the exact words differ.)

12.2 ద — one character, met inside words you already say

Before the new one: ై — what does it do? And one from further back: చ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ద

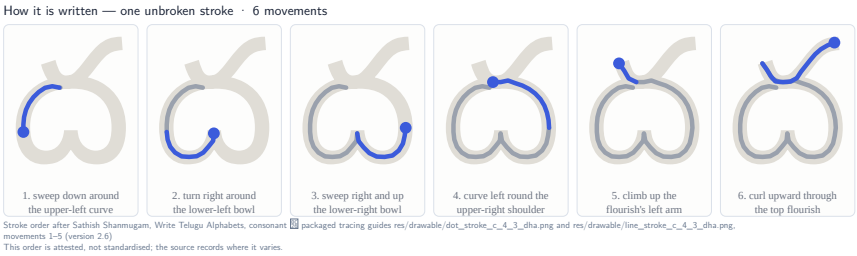

ద — *da*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *d*, it is **da**.

You already say these, and every one of them has ద somewhere inside it:

- ధన్యవాదములు *dhanyavādamulu* — thank you (dhanyavādamulu — "utterances of 'worthy'")
- లేదు *lēdu* — no / there isn't (lēdu)
- పరవాలేదు *paravālēdu* — it's okay / no problem / you're welcome
- రేపు కలుద్దాం *rēpu kaluddām* — see you tomorrow

Writing: ద — five deliberate movements

How ద *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movements 1–4 build the round body in four short curves: upper left, lower left, lower right, then upper right. The pen stays down from one curve to the next.

Movement 5 climbs a short way back up the flourish's left arm, and movement 6 curls up through the top flourish. The strip gives that short climb a panel of its own, so the five movements are numbered as six.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, but most native writers draw **ద** as one unbroken stroke, so keep the pen on the paper from the first curve to the end of the flourish.

Your turn

- *Look:* at these words, and find **ద** in the ones that have it

  ధన్యవాదములు · లేదు · నమస్కారం

- *Trace it:* **ద** three times, saying *da* as you finish each one
- *Look:* back at any page of this chapter and find **ద** once more

Before you move on

Which character is this — **ద**? What sound does it carry? (***da***.)
Name one word you already say that contains it.
One more, from much earlier: **త** — what does it do?

12.3 The first three verbs again — one engine, and its negative

The first three plain verbs, in any order: *to speak*, *to stay*, *to work*. Say them before reading on.

You'll want to know: the three verbs, side by side

plain verb	the "I" form
మాట్లాడు *māṭlāḍu* — speak	మాట్లాడతాను *māṭlāḍatānu*
ఉండు *uṇḍu* — be, stay, live	ఉంటాను *uṇṭānu*
పని చేయు *pani cēyu* — work	పని చేస్తాను *pani cēstānu*

Read the right-hand column downwards and listen to the last three sounds of each. **-ాను** every time. Three different verbs, one ending, and it is the ending that means *I*.

Grammar Lens: stem, then time, then person

Every Telugu verb you meet from here is built in that order: the **stem** says what happens, the next piece says **when**, the last piece says **who**. It is the same gluing-on you met on the end of ధన్యవాదములు, applied to actions rather than nouns.
Because the *who* sits at the end, నేను is optional — and because the *when* sits in the middle, changing the time never disturbs the person.

What you've built — ఉండు and its negative

ఉండు is the verb of *being there*, and Telugu keeps a dedicated word for its denial: లేదు, *there is not*. Learn the two as a pair rather than as a verb and a stray word.
That pairing is what makes పరవాలేదు readable rather than memorised: *paravā* is the bother, **-లేదు** says there is none. A word you took whole when you learned to answer *how are you* turns out to be a sentence built on this verb.

Your turn

Say these aloud:

- I speak Telugu — then drop the pronoun and say it again
- where you live, using the *stay* verb
- that you work
- someone apologises for being late — give the one-word reply

Before you move on

What ending do all three "I" forms share? (**-ాను**.) In what order does a Telugu verb stack its pieces? (**Stem, then time, then person**.) Which word denies ఉండు? (లేదు.) And what is పరవాలేదు made of? (*Paravā*, the bother, plus **-లేదు** — there is none.)

Chapter 13

Head and Hand

Modes: 🚗 **voice** (1) ✓ **pen** (1) 🚗 **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can name the head and the hand in Telugu.
>
> *Say* **తల***, plainly matching its cousins, and* **చెయ్యి** *— the same Dravidian root as kai, reshaped by sound change past easy recognition.*

13.1 తల, చెయ్యి — head and hand

> Head matches its cousins plainly. Hand looks, at first glance, like Telugu went its own way — but look closer, and it's the same word after all, just heavily reshaped.

You'll want to know: The words

- **తల** (*tala*) = "**head**" — native Dravidian, matching Tamil *talai*, Malayalam *thala*, and Kannada *tale* closely and plainly.
- **చెయ్యి** (*ceyyi*) = "**hand**" — also native Dravidian, and **the very same root** as Tamil/Malayalam/Kannada's *kai*: Proto-Dravidian ***kay-***. Telugu's own regular sound change turned that ancient **k-** into **c-**, and reshaped the rest of the word alongside it — so *ceyyi* only *looks* unrelated to *kai*. It's a cognate in disguise, not a different word.

So all four Dravidian languages actually **agree** on both "head" and "hand" at the root level — Telugu's hand-word has simply drifted further in sound than its cousins have, thanks to a sound change that reshaped many Telugu words the same way.

Your turn

Say these aloud:

- "tala" — head, matching its cousins plainly
- "ceyyi" — hand, the SAME root as kai, reshaped by sound change
- the lesson — looks different, is actually the same word

Before you move on

Does Telugu's word for "head" match its cousins? (**Yes** — *tala*, like Tamil/Malayalam/Kannada.) Is its word for "hand," *ceyyi*, truly a different word from *kai*? (**No** — it's the **same Proto-Dravidian root** *kay-*, reshaped by Telugu's own regular k→c sound change — a cognate in disguise, not an unrelated word.)

13.2 వ — one character, met inside words you already say

Before the new one: ద — what does it do? And one from further back: ఇ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: వ

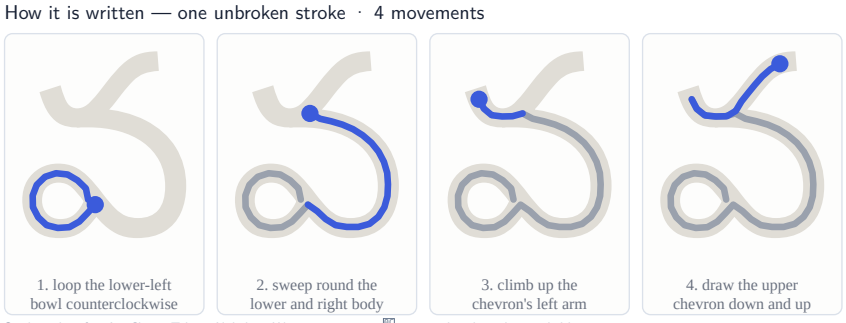

వ — *va*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *v*, it is **va**.

You already say these, and every one of them has వ somewhere inside it:

- ధన్యవాదములు *dhanyavādamulu* — thank you (dhanyavādamulu — "utterances of 'worthy'")
- అవును *avunu* — yes (avunu)
- నువ్వు / మీరు *nuvvu / mīru* — you (familiar / respectful)
- పరవాలేదు *paravālēdu* — it's okay / no problem / you're welcome

Writing: వ — three calm movements

How వ *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 loops counterclockwise around the small lower-left bowl. Without lifting, movement 2 sweeps around the broad lower and right body. Keep the pen down: movement 3 climbs a short way up the chevron's left arm, and movement 4 draws the chevron down and up. The strip gives that short climb a panel of its own, so the three movements are numbered as four.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, but most native writers draw వ as one unbroken stroke, so keep the pen on the paper until the chevron is finished.

Your turn

- *Look:* at these words, and find వ in the ones that have it

  ధన్యవాదములు · అవును · నమస్కారం

- *Trace it:* వ three times, saying *va* as you finish each one
- *Look:* back at any page of this chapter and find వ once more

Before you move on

Which character is this — వ? What sound does it carry? (***va***.)
Name one word you already say that contains it.
One more, from much earlier: ౮ — what amount does it stand for?

Chapter 14

Seasons

Modes: 🚗 **voice** (1) ✓ **pen** (1) 🚗 **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can name the four seasons in Telugu, including the rains that anchor the year.
>
> *Say* వేసవి *(cousin of Kannada's bēsige),* వానాకాలం *and* శీతాకాలం *from native roots, then the doubly-Sanskrit* వసంత ఋతువు.

14.1 వసంత ఋతువు, వేసవి, వానాకాలం, శీతాకాలం — the pattern completes itself

Telugu closes out the Dravidian season words the same way Kannada did: native words for summer/rain/cold, and a spring-word borrowed twice over from Sanskrit.

You'll want to know: The words

Telugu	meaning	source
వసంత ఋతువు (*vasanta ṛtuvu*)	"spring"	both *vasanta* and ఋతువు *ṛtuvu* ("season") are Sanskrit, like Kannada's pair
వేసవి (*vēsavi*)	"summer"	native Dravidian — cousin of Kannada's *bēsige*
వానాకాలం (*vānākālam*)	"rainy season"	వాన *vāna* ("rain," native) + *kālam* ("time," itself Sanskrit-derived but long assimilated)
శీతాకాలం (*śītākālam*)	"winter/cold season"	*śīta* ("cold") leans Sanskrit-flavored here, unlike Tamil/ Kannada's fully native cold-words

Why it's said this way

Telugu's *vēsavi* and Kannada's *bēsige* are close enough in shape to be genuine cousins — the same native Dravidian summer-word wearing two languages' sound changes. And once again, it's వానాకాలం (*vānākālam*, the rains) that actually organizes Andhra/Telangana's agricultural year, not a clean four-way Western split — the same honest point its neighbours make.

Your turn

Say these aloud:

- "vēsavi" — summer, cousin of Kannada's bēsige
- "vānākālam" — the rains, the real central season
- "śītākālam" — the cold season
- the double Sanskrit loan — "vasanta ṛtuvu," like Kannada

Before you move on

What's the relationship between Telugu's *vēsavi* and Kannada's *bēsige*? (**Cousins** — the same native Dravidian summer-word.) Which Dravidian languages borrow BOTH halves of their spring-word from Sanskrit (the season-name AND the word for "season" itself)? (**Kannada and Telugu** — *vasanta ṛtu(vu)* — unlike Tamil/Malayalam's single *vasantham* loan plus the long-assimilated *kaalam*.)

14.2 గ — one character, met inside words you already say

Before the new one: వ — what does it do? And one from further back: ల?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: గ

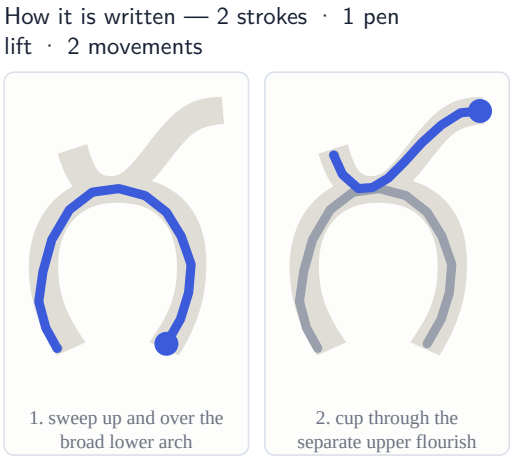

గ — *ga*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *g*, it is **ga**.

You already say these, and every one of them has గ somewhere inside it:

- బాగా *bāgā* — well, fine — and the reply "నేను బాగున్నాను
- నేను తెలుగు మాట్లాడతాను — I speak Telugu
- నాకు తెలుగు వచ్చు *nāku telugu vaccu* — 'I know Telugu'
- ఒకటి రెండు మూడు నాలుగు ఐదు *okaṭi reṇḍu mūḍu nālugu aidu* — one to five

Writing: గ — follow the numbered strip

How గ is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write గ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find గ in the ones that have it

  బాగా · నమస్కారం

- *Trace it:* గ three times, saying *ga* as you finish each one
- *Look:* back at any page of this chapter and find గ once more

Before you move on

Which character is this — గ? What sound does it carry? (***ga***.)
Name one word you already say that contains it.
One more, from much earlier: స — what does it do?

Chapter 15

Water and Rice

Modes: **voice** (1) **pen** (1) **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can ask for water in Telugu and tell raw rice apart from cooked rice.
>
> *Say* నీళ్ళు *— matching Tamil and Kannada — then separate* బియ్యం*, Telugu's own word for raw rice, from* అన్నం*, the cooked rice on the plate.*

15.1 నీళ్ళు, బియ్యం, అన్నం — water and rice

Water closes out 3-against-1 against Malayalam. Rice, though, turns out to have its own twist here.

The word, taken apart — its roots and family

నీళ్ళు (*nīḷḷu*) = "**water**" — matching Tamil's *nīr* and Kannada's *nīru*. Malayalam's *veḷḷam* is the odd one out among all four Dravidian languages for water, not Telugu. *Nīḷḷu*, *nīr* and *nīru* are one native Dravidian word (DEDR 3690).

The word, taken apart — its roots and family

- బియ్యం (*biyyam*) = "**rice**" (raw grain) — **not** the shared *ari/arisi/akki* found in Malayalam, Tamil, and Kannada. DEDR lists it among its words taken from Indo-Aryan (DEDR App. 60), under Sanskrit *bīja*, "seed" (CDIAL 9250): seed became husked rice.

- అన్నం (*annam*) = "**cooked rice**" (the meal) — matching Kannada's *anna* closely, both from Sanskrit *anna*, "food, cooked rice" (CDIAL 395).

So the pattern flips between water and rice: for **water**, Telugu joins the majority (Tamil/Kannada) against Malayalam; for **raw rice**, Telugu is itself the odd one out against the other three.

Your turn

Say these aloud:

- "nīḷḷu" — water, matching Tamil/Kannada
- "biyyam" — raw rice, once Sanskrit "seed"
- "annam" — cooked rice, matching Kannada's anna

Before you move on

Which language is the odd one out for water, and which for raw rice? (**Malayalam** is the odd one out for water (*veḷḷam*); **Telugu** is the odd one out for raw rice (*biyyam*, unlike the shared *ari/arisi/akki* elsewhere).)

15.2 ◌ీ — one character, met inside words you already say

Before the new one: ర — what does it do? And one from further back: ◌ి?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ◌ీ

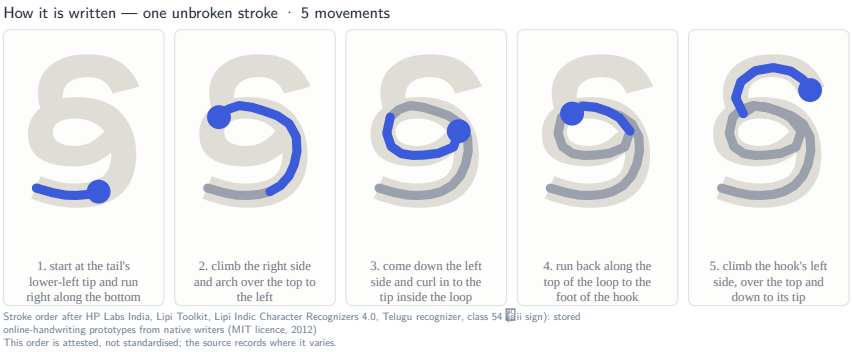

◌ీ — *ī*.

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *ī*. Replaces, not adds — the *a* is gone.

You already say these, and every one of them has ◌ీ somewhere inside it:

- నువ్వు / మీరు *nuvvu / mīru* — you (familiar / respectful)
- మీ పేరు ఏమిటి? — what's your name?
- మీరు ఎలా ఉన్నారు? — how are you? (respectful)
- మళ్ళీ కలుద్దాం *maḷḷī kaluddām* — we'll meet again

Writing: ళ — follow the numbered strip

How ళ is written, stroke by stroke

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ళ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find ళ in the ones that have it

  నమస్కారం

- *Trace it:* ళ three times, saying *ī* as you finish each one
- *Look:* back at any page of this chapter and find ళ once more

Before you move on

Which character is this — ి? What vowel does it put on the consonant it attaches to — and what does it take off? (**Puts *ī* on; takes the built-in *a* off.**) Name one word you already say that contains it.
One more, from much earlier: మ — what does it do?

Chapter 16

The Traditional Months

Modes: 🚗 **voice** (1) ✓ **pen** (2) 🚗 **Hands-free start:** the first of 3 lessons.

> ***By the end of this chapter:*** I can name the twelve traditional Telugu months and say when Ugadi, the new year, falls.
>
> *Recite Caitraṁ through Phālguṇaṁ, place Ugadi at Chaitra Śuddha Pādyami, and note the family split: Telugu and Kannada share Hindi's calendar, Tamil and Malayalam do not.*

16.1 Caitraṁ to Phālguṇaṁ — completing the split

> The pattern across all four Dravidian languages is now complete: Telugu, like Kannada, shares its calendar with Hindi rather than building its own.

You'll want to know: The twelve months

The year runs in three four-month groups:

- *Caitraṁ, Vaiśākhaṁ, Jyēṣṭhaṁ, Āṣāḍhaṁ.*
- *Śrāvaṇaṁ, Bhādrapadaṁ, Āśvayujaṁ, Kārtīkaṁ.*
- *Mārgaśiraṁ, Puṣyaṁ, Māghaṁ, Phālguṇaṁ.*

Seven of them you can also see written today: **చైత్రం, శ్రావణం, భాద్రపదం, ఆశ్వయుజం, కార్తీకం, మార్గశిరం, పుష్యం**. Three shapes in them are new: **ణ** *ṇa*

in *Śrāvaṇaṁ*, ಭ *bha* in *Bhādrapadaṁ*, and ಜ *ja* in *Āśvayujaṁ*. The other five months each wait for a short lesson of their own, which spells the month beside its one rare shape.

The word, taken apart — its roots and family

This closes out a genuine, clean split across the four Dravidian languages: **Tamil** and **Malayalam** each built their **own** solar calendar (nakshatra-named and zodiac-named, respectively) — while **Kannada** and **Telugu** instead share the **same pan-Indian Sanskritic lunisolar calendar** as Hindi's Vikram Samvat. Telugu's New Year, **Ugadi**, falls on the very same day as Kannada's — *Chaitra Śuddha Pādyami*, the first day of Chaitra's bright fortnight. The month names themselves are Sanskrit: *Caitraṁ* is *caitra*, the month whose full moon stands in the asterism Citrā (CDIAL 4915), and the others are named the same way.

Your turn

Say these aloud:

- the twelve — "Caitraṁ, Vaiśākhaṁ, Jyēṣṭhaṁ, Āṣāḍhaṁ, Śrāvaṇaṁ, Bhādrapadaṁ, Āśvayujaṁ, Kārtīkaṁ, Mārgaśiraṁ, Puṣyaṁ, Māghaṁ, Phālguṇaṁ"
- "Ugadi — Chaitra Śuddha Pādyami"
- the whole family split — Tamil/Malayalam their own; Kannada/Telugu shared with Hindi

Before you move on

How does the four-language Dravidian calendar picture split? (**Tamil and Malayalam** each have their **own** solar calendar; **Kannada and Telugu** share the **same pan-Indian lunisolar calendar** as Hindi.) What is Telugu's New Year, and when does it fall? (**Ugadi**, on *Chaitra Śuddha Pādyami* — the same day as Kannada's Ugadi.)

16.2 ై — one character, met inside words you already say

> Before the new one: ీ — what does it do? And one from further back: ద?
>
> One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ై

ై — *ai*.

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it. Replaces, not adds — the *a* is gone.

This one is a **diphthong** — two vowels run together into one sound, *a* gliding into *i*. Say *ai* as in English *aisle* and you have it.

Look at what it is made of. You already read ె, the short *e* sign; ై is that mark with a second stroke added above it. The month names you just learned carry it twice.

You already say these, and both have ై inside them:

- చైత్రం *Caitraṁ* — the first of the twelve months
- వైశాఖం *Vaiśākhaṁ* — the second

Writing: ై — copy what you see

Put your pen on ై and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at these three, and find the two that carry ై

చైత్రం · వైశాఖం · వెళ్ళు

- *Trace it:* ై three times, saying *ai* as you finish each one
- *Look:* back at any page of this chapter and find ై once more

Before you move on

Which character is this — ై? What vowel does it put on the consonant it attaches to? (***ai*, two vowels glided into one.**) One more, from much earlier: ౯ — what amount does it stand for?

16.3 ఖ — one character, met inside words you already say

Before the new one: ై — what does it do? And one from further back: వ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ఖ

ఖ — *kha*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *kh*, it is **kha**.

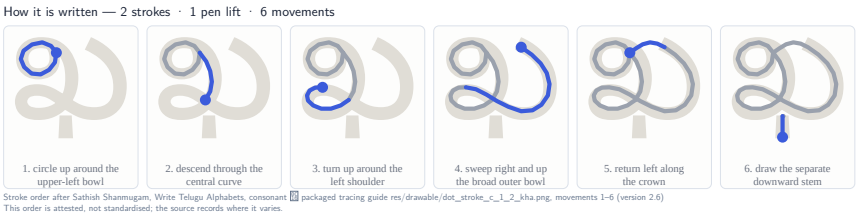

The very first character this book asked you to trace was క, *ka*. This is that letter with **a puff of breath after it**. The mouth does not move: the back of the tongue lands in the same place. What changes is that the breath is let out before the vowel starts.

Say *ka*, then say it again and push a small hiss of air out behind it. Telugu writes those as two different letters because it hears them as two different letters — and once you know this pair you can expect the others, because most of the consonants in this alphabet come with a breathed partner.

You already say this one, and the breathed letter is inside it:

- వైశాఖం *Vaiśākhaṁ* — the second of the twelve months

Writing: ఖ — follow the numbered strip

How ఖ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఖ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these two, and say which one has ఖ and which has క

  వైశాఖం · నమస్కారం

- *Trace it:* ఖ three times, saying *kha* and letting the breath out as you finish each one

- *Look:* back at any page of this chapter and find ఖ once more

Before you move on

Which character is this — ఖ? What sound does it carry, and how is it different from క? (***kha*** — the same mouth, with a puff of breath let out after it.)
One more, from much earlier: ౦ — what amount does it stand for?

Chapter 17

Noon and Midnight

Modes: **voice** (1) **eyes** (2) **pen** (3) **Hands-free start:** the first of 6 lessons.

> ***By the end of this chapter:*** I can say noon and midnight in Telugu and explain why one is "middle" and the other "half."
>
> *Say* మధ్యాహ్నం *and* అర్ధరాత్రి*, then separate madhya ("middle") from ardha ("half") — two different Sanskrit roots where Kannada uses one.*

17.1 మధ్యాహ్నం, అర్ధరాత్రి — the same noon word, a different midnight word

Telugu and Kannada share the exact same Sanskrit word for noon — but then quietly part ways on midnight.

The word, taken apart — its roots and family

మధ్యాహ్నం (*madhyāhnam*) = "**noon, midday**" — the same Sanskrit *tatsama* compound as Kannada's *madhyāhna*: మధ్య (*madhya*, "**middle**") + అహ్న (*ahna*, "**day**"), plus Telugu's own **-ం** (*anusvāra*) ending. Same root, same meaning, same everyday register in both languages.

The word, taken apart — its roots and family

అర్ధరాత్రి (*ardharātri*) = "**midnight**" — but here Telugu reaches for a **different** Sanskrit root: అర్ధ (*ardha*, "**half**"), not *madhya* ("middle").

Paired with రాత్రి (*rātri*, "**night**"), it literally means "**half-night**" — structurally the same shape as Hindi's colloquial *ādhī rāt* ("half night") and Latin's transparent *media nox* pattern, but built from Sanskrit's own dedicated "half" word rather than "middle."

Grammar Lens: Be honest: two different "middle-ish" ideas, side by side

Don't assume *madhya* and *ardha* are the same word wearing different clothes — they're genuinely **separate Sanskrit roots** ("middle" vs. "half") that happen to land on the same meaning here, the way English "midday" and "half the day gone" would both point at noon without sharing a root. Telugu's noon word keeps Kannada's "middle" logic; its midnight word switches to "half" logic instead.

Your turn

Say these aloud:

- "madhyāhnam" — noon, same root as Kannada
- "ardharātri" — midnight, literally "half-night"
- the contrast — "madhya" (middle) for noon, "ardha" (half) for midnight — two different Sanskrit roots

Before you move on

Does Telugu's noon word match Kannada's? (**Yes** — both *madhyāhna(m)*, from *madhya*, "middle.") Does Telugu's midnight word use the same root? (**No** — *ardharātri* uses **ardha**, "half," a different Sanskrit root.) What does *ardharātri* literally mean? ("**Half-night**" — the same shape as Hindi's *ādhī rāt*.)

17.2 ఘ — one character, met inside words you already say

Before the new one: ఖ — what does it do? And one from further back: గ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ఘ

ఘ — *gha*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *gh*, it is **gha**.

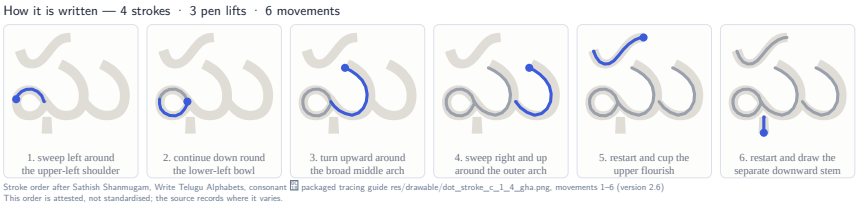

The same trick as last time, one row down. గ is *ga*; ఘ is *ga* with the breath let out behind it.

That is now two breathed pairs — క/ఖ and గ/ఘ — and they behave identically. When you meet a Telugu letter you do not know, it is worth asking first whether it is a letter you *do* know wearing extra breath.

You already say this one, and the breathed letter is inside it:

- మాఘం *Māghaṁ* — the eleventh of the twelve months

Writing: ఘ — follow the numbered strip

How ఘ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఘ yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these two, and say which one has ఘ and which has గ

  మాఘం · బాగా

- *Trace it:* ఘ three times, saying *gha* and letting the breath out as you finish each one

- *Look:* back at any page of this chapter and find ఘ once more

Before you move on

Which character is this — ఘ? What sound does it carry, and which plain letter is it built on? (***gha***, built on గ.)
One more, from much earlier: య — what does it do?

17.3 ఠ — the curled t, with the breath let out

Before the new one: ట — what sound does it carry, and where does your tongue go for it?

Today's character is that one with a puff of air after it.

Script you'll notice: ఠ

ఠ — *ṭha*.

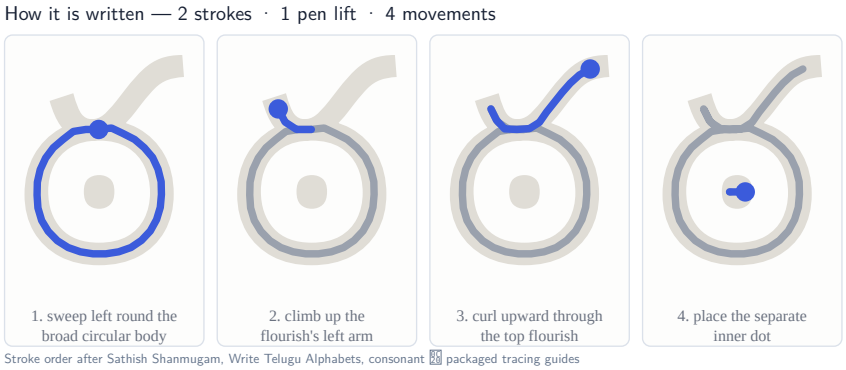

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ṭh*, it is **ṭha**.

- జ్యేష్ఠం *jyēṣṭham* — Jyeshtha, the third month of the year (jyēṣṭham — "the eldest")

ట and ఠ are the same tongue position with and without the breath, the pair this script marks and English does not. The romanization writes them *ṭ* and *ṭha*, which is a difference of two letters for a difference you can hear; on the page they are two separate shapes, and that is the more reliable signal.

This one is rare. It is worth a page because a month name needs it, and a reader who meets an unfamiliar shape in a familiar list has no way to tell whether the word or the printing is at fault.

Writing: ఠ — three deliberate movements

How ఠ is written, stroke by stroke

Follow the filmstrip slowly. Movement 1 sweeps around the broad circular body. Without lifting, movement 2 climbs a short way up the flourish's left arm, and movement 3 curls upward through the top flourish. Lift once, and finish by placing the inner dot as movement 4. The strip gives the short climb a panel of its own, so the three movements are numbered as four. Then write ట beside it and look at the two.

This is one attested school-style order. Telugu handwriting varies, so keep the body and flourish as one unbroken run, make the single lift before the dot, and let the round shape grow from them.

Your turn

- *Look:* at the month name below and find ఠ near its end

  జ్యేష్ఠం

- *Trace it:* ఠ once, following all four numbered movements on the strip
- *Copy:* ఠ twice without tracing, saying *ṭha* as you finish each one
- *Say it:* which of ట and ఠ has the breath after it

Before you move on

Which character is this — ఠ? What sound does it carry? (***ṭha***.) What is the only difference between it and ట? (The breath after it.)

17.4 ఆరు అక్షరాలు — six characters, from cold

Close the lessons before this one. Say the greeting and the thank-you word, and name the character each of them carries that you met most recently.

Script: the six, side by side

మ · ధ · ట · ో · ొ · ఠ

Four are letters and two are signs. **A letter can stand where a word begins; a sign has to hang on a letter**, and telling which is which is the first question to ask of an unfamiliar shape.

letters	signs
మ ధ ట ఠ	ో ొ

Your turn

- *Look:* at these words and name every character in them you have been taught

  నమస్కారం · ధన్యవాదములు · ఏమిటి · తొమ్మిది

- *Say it:* which of the six is the one you have seen most often
- *Say it:* which two of the six cannot start a word
- *Trace it:* each of the four letters once, saying its sound

Before you move on

Which two of the six are signs rather than letters? (ో and ొ.) Which pair is one tongue position with and without the breath? (ట and ఠ.) Which of the two *o* signs is the long one? (ో.)

17.5 ఫ — ప, with the breath let out

A page ago you met ట and ఠ — one tongue position, with and without a puff of air after it. Say both.

Now say ప. Today's character does to ప what ఠ did to ట.

Script you'll notice: ఫ

ఫ — *pha*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ph*, it is **pha**.

- ఫాల్గుణం *phālguṇam* — Phalguna, the twelfth month of the year

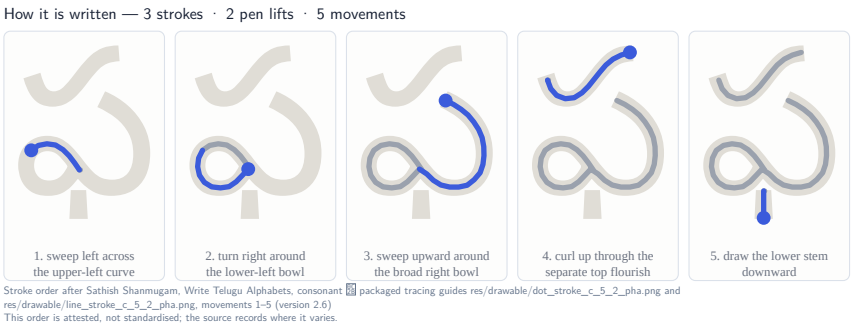

Hold a hand in front of your mouth. Say ప: the air stays put. Say ఫ: the air comes out. That puff is the whole difference, and Telugu gives it a shape of its own rather than leaving you to guess from the neighbours.

no breath	**breath**
ట	ఠ
ప	ఫ

Read the romanization carefully here: *ph* is one sound with air behind it, not the *f* that the same two English letters make in *phone*. Two letters on the romanized line, one character on the Telugu line, one puff in the mouth.

This character is rare on these pages. It earns a lesson because the last of the twelve months needs it, and an unfamiliar shape inside a list you already know by heart leaves a reader unable to tell whether the word or the printing is at fault.

Writing: ఫ — five calm movements

How ఫ *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 sweeps left across the upper part of the small bowl. Without lifting, movement 2 turns around its lower half, and movement 3 carries on round the broad bowl on the right. Lift for movement 4, the small rising flourish above, then lift once more and draw movement 5, the short straight stem below.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, so keep the five clear movements, with the body as one unbroken run and a lift before the flourish and before the stem.

Your turn

- *Look:* at the month name below and find ఫ at its front

  ఫాల్గుణం

- *Trace it:* ఫ three times, saying *pha* as you finish each one
- *Say it:* ప and ఫ one after the other with a hand in front of your mouth

Before you move on

Which character is this — ఫ? What sound does it carry? (***pha***.) Which month begins with it? (ఫాల్గుణం.) Name the other pair in this book that differs only by the breath. (ట and ఠ.)

17.6 నాలుగు అక్షరాలు — four characters, from cold

> Close the lessons before this one. Say how you are, and say the two days at the end of the week. Name the character each of those answers starts on.

Script: the four, and what each one stands next to

బ · ష · శ · ఫ

Not one of these four arrived on its own. Each stands beside a character you had already been reading for chapters, and what it adds is a single change you can hear:

already yours	new	what changed
ప *pa*	బ *ba*	the voice switched on
ప *pa*	ఫ *pha*	a puff of air came after it
స *sa*	ష *ṣa*	the tongue curled back
స *sa*	శ *śa*	the tongue went flat against the front of the roof

Two of the four hang off ప and two off స. A reader who holds those two anchors in mind has four fewer shapes to memorise cold, because each of the four is one adjustment away from something already known.

Your turn

- *Look:* at these words and name every character in them you have been taught

  బాగా · సంతోషం · శనివారం · ఫాల్గుణం

- *Say it:* which of the four you have seen most often on these pages
- *Say it:* which two of the four are s-sounds
- *Trace it:* each of the four once, saying its sound

Before you move on

Which of the four differs from ప by a puff of air? (ఫ.) Which differs from ప by the voice alone? (బ.) Which of ష and శ has the tongue curled back? (ష.) And how many s letters does Telugu print in all, counting the one you had before these two? (**Three**.)

Chapter 18

Telling Time

Modes: **voice** (1) **eyes** (1) **pen** (2) **Hands-free start:** the first of 4 lessons.

> ***By the end of this chapter:*** I can tell someone the time on the hour in Telugu, in the singular and the plural.
>
> *Say* గంట *— hour, and also "bell" — then* ఒక గంట *for one o'clock and* రెండు గంటలు *for two, taking the plural -lu.*

18.1 గంట — matching Kannada and Hindi's "bell" word exactly

> Telugu completes a clean three-way match: Hindi, Kannada, and now Telugu all use the same Sanskrit "bell" word for "hour."

You'll want to know: గంట — bell AND hour, a third time

గంట (*gaṇṭa*) = "**hour**" — and, exactly like Hindi's *ghaṇṭā* and Kannada's *gaṇṭe*, it means "**bell, clapper**" just as commonly, from the same Sanskrit घण्टा (*ghaṇṭā*). Same word, same bell-strikes-the-hour logic, three languages in a row.

Why it's said this way

So on this concept, the split isn't "Hindi vs. all four Dravidian languages" — **Hindi, Kannada, and Telugu** all share the Sanskrit *ghaṇṭā* ("bell") root. **Tamil** most likely goes its own way with a native Dravidian word instead (though even specialists don't call this fully

settled). **Malayalam** is the genuinely surprising one: its cognate word, *mani*, is ALSO Sanskrit-derived per its own dictionaries — just from a **different** Sanskrit word, *maṇi* ("gem"), not *ghaṇṭā*. So three of these four languages likely trace their hour-word to Sanskrit, just not all to the *same* Sanskrit word — worth remembering that a Sanskrit/native split isn't fixed per language, and isn't always a clean binary either.

Grammar Lens: telling the time

ఒక గంట. — "One o'clock." (*oka ganṭa*, "one hour/bell")
రెండు గంటలు. — "Two o'clock." (*reṇḍu ganṭalu* — *ganṭa* takes its plural form, *ganṭalu*, once the count passes one)

Notice Telugu's *ganṭa* pluralizes to *ganṭalu* for "two o'clock" onward — a small grammatical wrinkle Kannada's *gaṇṭe* didn't show you.

Your turn

Say these aloud:

- "ganṭa" — hour, also "bell"
- "oka ganṭa" — one o'clock
- "reṇḍu ganṭalu" — two o'clock, plural *ganṭalu*

Before you move on

What Sanskrit word do **గంట**, Kannada's *gaṇṭe*, and Hindi's *ghaṇṭā* all share? (**घण्टा**, *ghaṇṭā*, "bell.") Which Dravidian language most likely does NOT use this Sanskrit word for "hour"? (**Tamil** — most likely a native Dravidian word instead.) Does Malayalam's cognate word skip Sanskrit entirely too? (**No** — it's Sanskrit-derived too, per its own dictionaries, just from a *different* Sanskrit word, *maṇi*, "gem.") What happens to *ganṭa* for "two o'clock"? (It **pluralizes** to *ganṭalu*.)

18.2 ళ — one character, met inside words you already say

Before the new one: ఘు — what does it do? And one from further back: ◌ృ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ళ

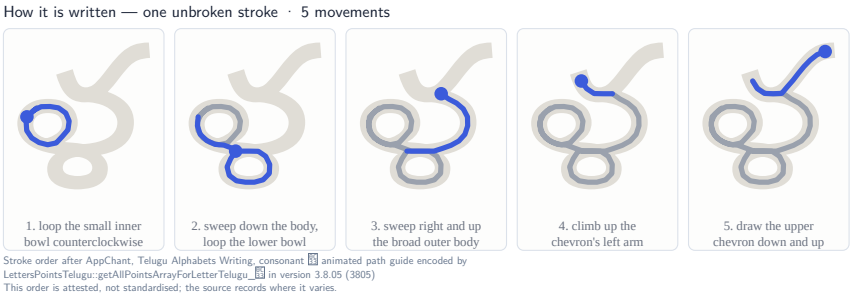

ళ — *ḷa*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *l*, it is **ḷa**.

You already say these, and every one of them has ళ somewhere inside it:

- వెళ్ళు *veḷḷu* — to go (and వచ్చు, to come)
- వెళ్ళి వస్తాను *veḷḷi vastānu* — goodbye (lit. "I'll go and come back")
- మళ్ళీ కలుద్దాం *maḷḷī kaluddām* — we'll meet again
- సోమవారం మంగళవారం బుధవారం గురువారం శుక్రవారం శనివారం ఆదివారం — the seven weekdays

Writing: ళ — four calm movements

How ళ is written, stroke by stroke

Watch the guide once before your hand moves. ళ arrives in **four calm movements**, all in one unbroken stroke:

1. Loop counterclockwise around the small inner bowl.

2. Without lifting, sweep down around the broad left body and loop the lower bowl.
3. Without lifting, sweep right and up around the broad outer body.
4. Climb a short way up the chevron's left arm, then draw down and up through the chevron above.

The strip gives the short climb in movement 4 a panel of its own, so it numbers five panels for these four movements. Trace the filmstrip slowly, keeping the pen on the paper until the chevron is finished, then copy the whole shape once without rushing.

Your turn

- *Look:* at these words, and find ళ in the ones that have it

  వెళ్ళు · నమస్కారం

- *Trace it:* ళ three times, saying *ḷa* as you finish each one
- *Look:* back at any page of this chapter and find ళ once more

Before you move on

Which character is this — ళ? What sound does it carry? (***ḷa***.)
Name one word you already say that contains it.
One more, from much earlier: ా — what does it do?

18.3 ఢ — one character, met inside words you already say

Before the new one: ళ — what does it do? And one from further back: ై?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ఢ

ఢ — *ḍha*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ḍh*, it is **ḍha**.

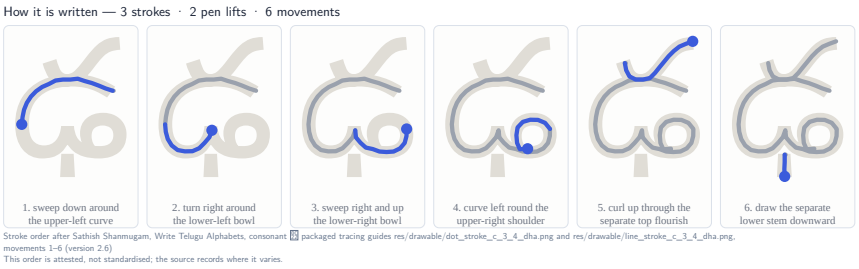

The third breathed pair, and this one asks for two things at once. డ is *ḍa*, the *d* made with the tongue curled back to the roof of the mouth. ఢ is that letter with the breath let out after it.

So the curl stays and the breath is added. The dot under the romanized *ḍ* marks the curl; the *h* beside it marks the breath. Both marks, both jobs.

You already say this one, and the breathed letter is inside it:

- ఆషాఢం *Āṣāḍhaṁ* — the fourth of the twelve months

Writing: ఢ — six deliberate movements

How ఢ is written, stroke by stroke

Follow the filmstrip slowly. Movement 1 sweeps down around the upper-left curve. Movement 2 turns right around the lower-left bowl. Without lifting, movement 3 sweeps right and upward around the lower-right bowl, and movement 4 curves left around the upper-right shoulder. Lift; movement 5 draws the separate top flourish. Lift once more; movement 6 finishes with the separate lower stem.

This is one attested school-style order. Telugu handwriting varies, so keep the six movements distinct, with the round body as one unbroken run, and let the round shape grow from them.

Your turn

- *Look:* at these two, and say which one has ఢ and which has డ

  ఆషాఢం · ఉండు

- *Trace it:* ఢ three times, saying *ḍha* with the tongue curled back as you finish each one
- *Look:* back at any page of this chapter and find ఢ once more

Before you move on

Which character is this — ఢ? What sound does it carry, and which plain letter is it built on? (***ḍha***, built on డ — the curled-back *d*, with breath added.)
One more, from much earlier: చ — what does it do?

18.4 శ · ఫ — two letters, one reason

Without looking back: name the two days of the week that open on the same letter, and say which letter it is.

Script: both are here to keep a difference visible

శ · ఫ

These two arrived chapters apart and for the same reason. Each is the shape Telugu spends so that a difference you can hear is a difference you can see.

letter	what it splits off
శ *śa*	a third s, beside స and its curled neighbour
ఫ *pha*	ప with the breath let out after it

A script that skipped either one would still be readable — the reader would work the sound out from the word. Telugu declines to make the reader do that.

Your turn

- *Look:* at శుక్రవారం and శనివారం, and put a finger on the shared letter
- *Say it:* ప, then ఫ
- *Feel:* which one moves a hand held in front of your mouth
- *Trace it:* each of the two once, saying its sound

Before you move on

Which letter opens both Friday and Saturday? (శ.) What does ఫ do to ప? (**Lets the breath out after it.**) And what do the two letters have in common? (**Each exists so a heard difference is also a written one.**)

Chapter 19

Asking Someone's Age

Modes: 🚗 **voice** (1) 🚗 **Hands-free start:** its only lesson.

> ***By the end of this chapter:*** I can ask someone how old they are in Telugu and give my own age in return.
>
> *Ask* నీ వయసెంత *? and answer* నా వయసు ఇరవై *— a complete verbless exchange about age.*

19.1 నీ వయసెంత? — matching Kannada's simple possessive exactly

Telugu matches Kannada closely here — same Sanskrit word, same verbless grammar, just fused together by ordinary Telugu vowel sandhi.

The word, taken apart — its roots and family

వయస్సు (*vayasu*) = "**age**" — the exact same Sanskrit वयस् (*vayas*, "age, vigor, strength," PIE cousin of Latin **vīs**) that Kannada also carries.

Grammar Lens: fused by sandhi, still verbless

నీ వయసెంత? — "How old are you?" — literally "**your age how-much**?" (*nī vayas-enta?* — from *nī vayasu* + *enta*, "how much," fused by regular vowel sandhi into *vayasenta.*)
నా వయస్సు పది. — "I am ten years old." — literally "**my age** [is] **ten**." (*nā vayasu padi.*)

Same shape as Kannada: a plain possessive ("your/my age") sitting next to the number, **no verb at all**. The only wrinkle is surface-level: everyday spoken Telugu often **fuses** *vayasu* + *enta* into one word, *vayasenta*, the same kind of vowel sandhi you'd see fusing any two Telugu words in fast speech — the underlying grammar is identical to Kannada's, just written closer together.

Your turn

Say these aloud:

- "vayasu" — age
- "nī vayasenta?" — how old are you?
- "nā vayasu padi" — I am ten, "my age [is] ten"

Before you move on

Is Telugu's వయస్సు the same Sanskrit word as Kannada's *vayassu*? (**Yes** — both from *vayas*, PIE cousin of Latin *vīs*.) What happens to *vayasu* + *enta* in "*nī vayasenta*?"? (They **fuse** by ordinary vowel sandhi.) Does Telugu use a verb to state age, like Kannada? (**No** — same verbless possessive shape.)

Chapter 20

Numbers 11–20 and Weather

Modes: 🚘 **voice** (2) 🚘 **Hands-free start:** both lessons.

> ***By the end of this chapter:*** I can say what the weather is doing in Telugu and count past ten up to twenty.
>
> *Say* **వాతావరణం** *— a pure Sanskrit vāta + āvaraṇa, "the covering of air" — and report the weather with* **వర్షం పడుతోంది**, *"rain is falling."*

20.1 పదకొండు, ఇరవై — the same pattern, worn down one step further

You just watched Kannada's twenty split cleanly into "two" + "ten." Telugu most likely comes from the exact same pattern — but centuries of extra erosion have worn it past the point of being visible today.

The word, taken apart — its roots and family

Telugu's teens echo **పది** (*padi*, "**ten**") plus each digit — **పదకొండు** (*padakoṇḍu*, 11), **పన్నెండు** (*panneṇḍu*, 12), and onward through **పందొమ్మిది** (*paṅdommidi*, 19) — the same "digit + ten-echo" compounding Kannada builds.

The word, taken apart — its roots and family

ఇరవై (*iravai*, "**twenty**") most likely continues the **same** pan-Dravidian pattern as Kannada's *ippattu* — an old ***iru-**/***renḍu** ("two") root fused with an old "ten" root — but here's the honest difference:

centuries of sound change have worn *iravai* down far enough that it no longer visibly splits into "two" and "ten" on the surface, the way Kannada's *ippattu* still does today. Telugu's own word for "two," రెండు (*renḍu*), doesn't obviously show up inside *iravai* anymore — treat this as the most likely comparative-Dravidian account rather than a transparent, easily re-derivable compound.

Your turn

Say these aloud:

- "padakoṇḍu, panneṇḍu" — 11, 12
- "padi" — ten
- "iravai" — twenty, most likely the same "two-tens" idea as Kannada, just worn down further

Before you move on

How are Telugu's teens built? (పది (ten) + a digit, compounded.) Does ఇరవై visibly split into "two" + "ten" today, the way Kannada's *ippattu* does? (**No** — it most likely continues the same pan-Dravidian pattern, but erosion has worn away the visible split.) What's Telugu's word for "two"? (రెండు, *renḍu*.)

20.2 వాతావరణం — "the covering of air," pure Sanskrit this time

Kannada's weather word mixed a Persian loan with a Sanskrit one. Telugu's is different again — a single, unmixed Sanskrit compound.

The word, taken apart — its roots and family

వాతావరణం (*vātāvaraṇam*) = "**weather, atmosphere**" — built entirely from Sanskrit:

- వాత (*vāta*, "**wind, air**") — the same Sanskrit root behind వాయువు (*vāyuvu*, "wind," and the wind-god Vāyu).

- **ఆవరణ** (*āvaraṇa*, "**covering, layer, enclosure**").

So *vātāvaraṇam* literally means "**the covering of air**" — the layer of air surrounding everything, i.e., the atmosphere/weather. Unlike Kannada's *havāmāna* (Persian *hava* + Sanskrit *māna*), **both** pieces here are Sanskrit — no Perso-Arabic loan involved at all.

Grammar Lens: వర్షం పడుతోంది — "rain is falling"

వర్షం పడుతోంది. — "It's raining." — literally "**rain is falling**." (*varṣaṁ paḍutōndi.*) — **వర్షం** (*varṣaṁ*, "rain") is the same Sanskrit root, *varṣā*, you'll see again in the Dravidian arc.

Your turn

Say these aloud:

- "vātāvaraṇam" — weather, "the covering of air"
- "vāta" — wind/air, "āvaraṇa" — covering
- "varṣaṁ paḍutōndi" — it's raining, "rain is falling"

Before you move on

What are the two Sanskrit pieces of **వాతావరణం**, and what does the whole word literally mean? (**వాత**, "air," + **ఆవరణ**, "covering" — "**the covering of air**.") Is either piece a Persian/Arabic loan, like part of Kannada's word? (**No** — both pieces are Sanskrit.) What word does Telugu use for "rain"? (**వర్షం**, *varṣaṁ*.)

Chapter 21

Dog and Cat

Modes: 🚗 **voice** (1) ↙ **pen** (1) 🚗 **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can name a dog and a cat in Telugu.
>
> *Say* కుక్క*, which genuinely breaks from the family's shared naayi root, and* పిల్లి*, most likely the Dravidian source behind Hindi's billī.*

21.1 కుక్క, పిల్లి — the odd one out, and the word that most likely closes the loop

Kannada just gave you a rock-solid native dog-word. Telugu breaks from that pattern — but its cat-word may be the single most important word in this whole arc.

The word, taken apart — its roots and family

కుక్క (*kukka*, "**dog**") does **not** clearly continue the same నాయి-family root shared by Kannada, Malayalam, and Tamil. Its origin is honestly debated: some linguists propose it's **onomatopoeic**, imitating the sound of a bark; others propose a borrowing from **Sanskrit** कुक्कुर (*kukkura*, itself a similarly-shaped word for dog). Neither is settled — but either way, Telugu's everyday dog-word genuinely doesn't match its closest cousins.

The word, taken apart — its roots and family

పిల్లి (*pilli*, "**cat**") is a real, documented **Proto-Dravidian** root, ****pillV*** — with cognates surviving as **rarer, alternate** words for cat

in both Tamil and Kannada. Here's why this word matters for the **whole** arc: Sanskrit's word for cat, बिडाल (*biḍāla*) — the word behind Hindi's बिल्ली (*billī*), which you met as "most likely" borrowed from Dravidian, without a confirmed specific source — most likely traces back to **this exact root**. So Telugu's everyday word for "cat" is most likely the closest living relative of the very word Sanskrit borrowed, tying together Latin's *cattus*/Arabic's *qiṭṭ* story on one side and Hindi's *billī* story on the other, all in one word.

Your turn

Say these aloud:

- "kukka" — dog, genuinely different from its Dravidian cousins
- "pilli" — cat, most likely the source behind Hindi's billī

Before you move on

Does కుక్క continue the same root as Kannada's *nāyi*? (**No** — genuinely different, debated between onomatopoeia and a Sanskrit loan.) What is పిల్లి most likely the source of? (**Sanskrit's** बिडाल, *biḍāla* — and so Hindi's बिल्ली, *billī*.)

21.2 ఎ — one character, met inside words you already say

Before the new one: ఢ — what does it do? And one from further back: ఖ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ఎ

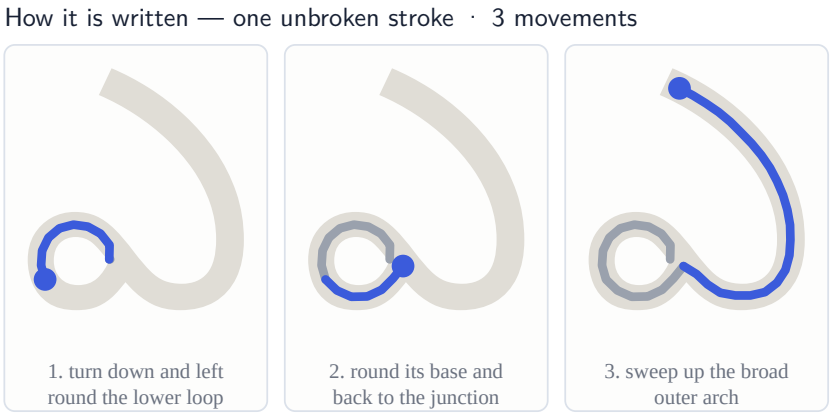

ఎ — *e*.

It is an **independent vowel** — the shape the vowel *e* takes when a word begins with it, rather than the sign it becomes inside a word.

You already say these, and every one of them has ఎ somewhere inside it:

- ఎలా — how
- మీరు ఎలా ఉన్నారు? — how are you? (respectful)
- ఆరు ఏడు ఎనిమిది తొమ్మిది పది — six to ten
- నలుపు తెలుపు ఎరుపు నీలం — black, white, red, blue

Writing: ఎ — follow the numbered strip

Stroke order after Sathish Shanmugam, Write Telugu Alphabets, independent vowel packaged tracing guide res/drawable/dot_stroke_v_9_e.png, movements 1–3 (version 2.6)
This order is attested, not standardised; the source records where it varies.

How ఎ *is written, stroke by stroke*

Use **one unbroken stroke**. Start at the central junction. Turn down and left around the compact lower loop, then continue around its base until you return to that junction. Without lifting, sweep on from the junction through the broad outer arch, climbing to the high left tip.

That is three numbered movements: **1–3 stay joined; the pen does not leave the paper**. The order follows Sathish Shanmugam's *Write Telugu Alphabets* tracing guide and is fitted here to the printed Noto Sans Telugu shape; the single unbroken stroke follows how most native writers draw ఎ. Telugu schools do vary in how they teach the hand, so learn this as one sourced order rather than the only possible way anyone writes ఎ.

Your turn

- *Look:* at these words, and find ఎ in the ones that have it

ఎలా · నమస్కారం

- *Trace it:* ఎ three times — lower loop, then on without lifting through the broad outer arch — saying *e* as you finish each one
- *Look:* back at any page of this chapter and find ఎ once more

Before you move on

Which character is this — ఎ? What sound does it carry? (*e.*) Name one word you already say that contains it.
One more, from much earlier: ఇ — what does it do?

Chapter 22

Green and Yellow

Modes: **voice** (1) **Hands-free start:** its only lesson.

> ***By the end of this chapter:*** I can name green and yellow in Telugu, on top of the four colours I already had.
>
> *Say* పచ్చ *and* పసుపు *and show they are doublets of one Proto-Dravidian *pac- root — where Kannada's yellow broke away as a Sanskrit loan.*

22.1 పచ్చ, పసుపు — two colors, one Dravidian root

In Kannada, green stayed native but yellow got borrowed from Sanskrit. Telugu tells a tighter story: its green word and its yellow word turn out to be **doublets of the same root**, wearing two different faces.

The word, taken apart — its roots and family

పచ్చ (**pacca**, "**green**") comes from **Proto-Dravidian **pac-*** — the same root already behind Tamil's பச்சை (*paccai*) and Kannada's ಹಸಿರು (*hasiru*, via Old Kannada *pasir*). No surprise here; this is the same pan-Dravidian green family from the last lesson.

The word, taken apart — its roots and family

పసుపు (**pasupu**, "**yellow, turmeric**") is, remarkably, **also** a direct descendant of that **same** Proto-Dravidian ****pac-*** root — a true **doublet** of *pacca* itself, not a separate borrowing the way Kannada's

haḷadi was. Tamil even keeps a matching cognate, பசுப்பு (*pacuppu*), sitting alongside its own *paccai*. So where Kannada split green and yellow into two unrelated families (native Dravidian vs. a Sanskrit turmeric-loan), Telugu kept **both** colors inside the same native word-family — *pacca* and *pasupu* are, at root, doublets of the same word, one settling on "green" and the other on "yellow, turmeric-colored."

Your turn

Say these aloud:

- "పచ్చ" — green, from Proto-Dravidian *pac-*
- "పసుపు" — yellow/turmeric, a true doublet of pacca, same root
- the contrast with Kannada — Telugu kept both colors in one native family; Kannada's yellow broke away as a Sanskrit loan

Before you move on

Are పచ్చ and పసుపు two unrelated words, or doublets of the same root? (**Doublets** — both from Proto-Dravidian **pac-*.) Does Telugu's yellow word follow the same pattern as Kannada's *haḷadi* (a Sanskrit loan)? (**No** — Telugu kept its yellow word native, unlike Kannada.) What Tamil word is *pasupu*'s direct cognate? (பசுப்பு, *pacuppu*.)

Chapter 23

Day

Modes: **voice** (1) **pen** (1) **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can say "day" in Telugu and choose between the everyday Persian loan and its formal Sanskrit alternate.
>
> *Say రోజు, a genuine Persian loan from rōz, and set it against the formal దినము — the mirror image of Kannada's plain dina.*

23.1 రోజు (rōju) — "day," a genuine Persian surprise

You might expect Telugu's word for "day" to be Sanskrit, like Kannada's *dina*, or native Dravidian. It's neither — it's Persian.

The word, taken apart — its roots and family

రోజు (**rōju**) — "**day**" — is Telugu's everyday, ordinary word for "a day." Here's the real surprise: it's **borrowed from Classical Persian** روز (*rōz*) — the same root, ultimately, as the Persian day names hiding in words like "Nowruz" ("new day"). Persian *rōz* itself traces to a Proto-Indo-European root, ****lewk-*** ("**bright**") — a **completely different** PIE root from the ****dyew-*** family behind Latin's *diēs*, Hindi's *din*, and Kannada's *dina*. Both roots independently mean something like "shining, bright" — but they are **not** cousins; this is convergent meaning, not shared ancestry.

Why it's said this way

Telugu also has దినము (**dinamu**) — the same Sanskrit **tatsama** word as Kannada's *dina*. But here's the honest twist: unlike Kannada, where *dina* is the plain, everyday word, Telugu's దినము is the more **formal, literary** alternate — *rōju* does the everyday work instead. Telugu's formal/everyday split runs the **opposite direction** from Kannada's.

Your turn

Say these aloud:

- "rōju" — "day," a genuine Persian loanword
- the honest surprise — from Persian rōz, PIE *lewk-, NOT the same root as diēs/din/dina*
- the reversed pattern — dinamu is Telugu's FORMAL word, unlike Kannada's plain dina

Before you move on

What language does Telugu's everyday రోజు (*rōju*) come from? (**Persian** — *rōz*.) Is Persian *rōz*'s PIE root the same as Latin *diēs*/ Hindi *din*/Kannada *dina*'s root? (**No** — a completely different PIE root, **lewk-*, "bright," vs. **dyew-* — related in meaning, not in ancestry.) Is Telugu's Sanskrit word, దినము (*dinamu*), the everyday word or the formal one? (**The formal one** — the opposite of Kannada, where *dina* is plain and everyday.)

23.2 ఐ — one character, met inside words you already say

Before the new one: ఎ — what does it do? And one from further back: ఘు?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ణ

ణ — *ṇa*.

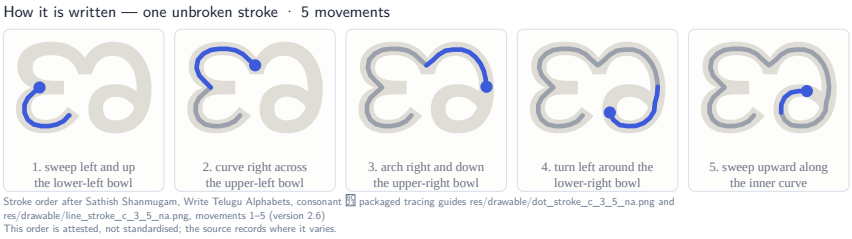

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ṇ*, it is **ṇa**.

There is a second *n* in this alphabet, and you met it long ago: **న**, the *na* of *nēnu* and *namaskāram*. For **న** the tongue touches the back of the teeth. For **ణ** it curls back and touches the roof of the mouth. Telugu hears the two as different letters and writes them as different letters — the same split you have already seen between **ల** and **ళ**, and between **ద** and **డ**. The dot under the romanized *ṇ* is how this book marks the curled-back one.

You already say these, and every one of them has **ణ** somewhere inside it:

- **వాతావరణం** *vātāvaraṇam* — weather
- **శ్రావణం** *Śrāvaṇaṁ* — the fifth of the twelve months
- **ఫాల్గుణం** *Phālguṇaṁ* — the twelfth

Writing: ణ — five deliberate movements

How **ణ** *is written, stroke by stroke*

Follow the filmstrip slowly. Movement 1 sweeps left and upward around the lower-left bowl. Movement 2 curves right across the upper-left bowl. Movement 3 arches right and downward over the upper-right bowl. Movement 4 turns left around the lower-right bowl. Movement 5 finishes along the inner curve.

This is one attested school-style order. Telugu handwriting varies, so keep the five movements distinct and let the paired round shapes grow from them.

Your turn

- *Look:* at these two, and say which one has ణ and which has న

  వాతావరణం · నమస్కారం

- *Trace it:* ణ three times, saying *ṇa* as you finish each one
- *Look:* back at any page of this chapter and find ణ once more

Before you move on

Which character is this — ణ? What sound does it carry, and where is the tongue for it? (***ṇa***, with the tongue curled back to the roof of the mouth — not న, which touches the teeth.) Name one word you already say that contains it.
One more, from much earlier: ల — what does it do?

Chapter 24

Night

Modes: **voice** (1) **pen** (1) **Hands-free start:** the first of 2 lessons.

By the end of this chapter: I can say "night" in Telugu and recognise it inside the midnight word I already knew.

Say రాత్రి*, find it again inside* అర్ధరాత్రి*, and note the three native words — rēyi, māpu, irulu — it pushed aside.*

24.1 రాత్రి (rātri) — "night," this time matching the expected pattern

Last lesson's *rōju* broke every expectation. This one is more straightforward — but still worth checking honestly, not assuming.

The word, taken apart — its roots and family

రాత్రి (**rātri**) — "**night**" — is a Sanskrit **tatsama** word, already hiding inside అర్ధరాత్రి (*ardharātri*, "midnight," Chapter 17). Unlike *rōju*'s Persian surprise, *rātri* really **is** Telugu's ordinary, everyday word for "night" — matching Kannada's own pattern this time, not breaking it.

The word, taken apart — its roots and family

Telugu **does** have native words here — but be honest: it's a **messier** picture than Kannada's clean two-word story, not a tidy mirror of it.

- రేయి (**rēyi**) — attested in older Telugu literature; most sources

treat it as inherited Dravidian, though some grammars instead link it to *rātri* itself, so its native status is less than fully settled.

- మాపు (**māpu**) — its **primary** sense is actually "**evening, dusk**" (as in రేపుమాపు, "morning and evening"), with "night" only a secondary, extended sense — not a clean synonym for *rātri*.
- ఇరులు (**irulu**) — a genuine cognate of Kannada's ಇರುಳು (*iruḷu*), but its primary modern sense is "**darkness**," archaic even in that use.

All three have been effectively pushed aside by the Sanskrit loan — but unlike Kannada's single native competitor, Telugu's "native" side is split across three words in three different, overlapping senses.

Your turn

Say these aloud:

- "rātri" — "night," already met inside ardharātri
- rēyi, māpu, irulu — three native words, three overlapping senses, all pushed aside
- the contrast with last lesson — day broke the pattern, night matches it

Before you move on

Where have you already met రాత్రి before this lesson? (అర్ధరాత్రి, *ardharātri*, "midnight.") Does *rātri* follow the same "Sanskrit-as-everyday" pattern as Kannada's *rātri*, or does it break the pattern the way *rōju* did for "day"? (**It matches** — *rātri* really is Telugu's everyday word.) Does Telugu's native-word story cleanly mirror Kannada's single-word *iruḷu*? (**No** — it's messier: three words, రేయి/మాపు/ఇరులు, in three overlapping senses, not one clean replacement.)

24.2 జ — one character, met inside words you already say

Before the new one: ణ — what does it do? And one from further back: ళ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: జ

జ — *ja*.

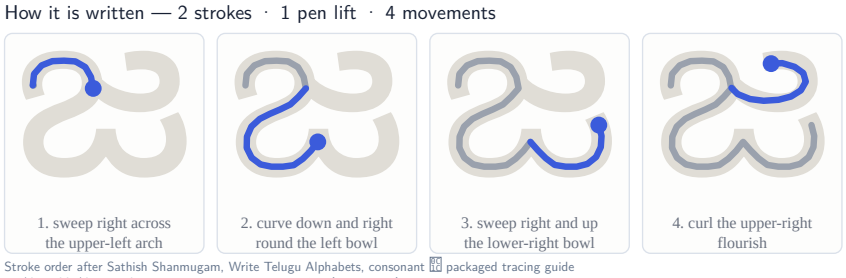

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *j*, it is **ja**.

You already say these, and every one of them has **జ** somewhere inside it:

- **రోజు** *rōju* — day, the word that came in from Persian
- **జ్యేష్ఠం** *Jyēṣṭhaṁ* — the third of the twelve months
- **ఆశ్వయుజం** *Āśvayujaṁ* — the seventh

Rōju is worth a second look. Its first letter is the **ర** you traced inside *namaskāram*. Its last is **జు** — this new letter carrying the *u* sign you met early on. The vowel sign in the middle is one this book has not stopped on yet, so the word is not wholly yours on the page. Two of its three pieces are, and that is new today.

Writing: జ — follow the numbered strip

Stroke order after Sathish Shanmugam, Write Telugu Alphabets, consonant packaged tracing guide res/drawable/dot_stroke_c_2_3_ja.png, movements 1–4 (version 2.6)
This order is attested, not standardised; the source records where it varies.

How **జ** *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write **జ** yourself — slowly, and larger than it is printed.

> The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these words, and find **జ** in the ones that have it

  రోజు · **నమస్కారం**

- *Trace it:* **జ** three times, saying *ja* as you finish each one
- *Look:* back at any page of this chapter and find **జ** once more

Before you move on

Which character is this — **జ**? What sound does it carry? (***ja***.)
Read **రోజు** aloud, letter by letter, and then as one word.
One more, from much earlier: ◌ే — what does it do?

Chapter 25

Good Night

Modes: **voice** (1) **pen** (1) **Hands-free start:** the first of 2 lessons.

By the end of this chapter: I can wish someone good night in Telugu.

Say **శుభ రాత్రి** *— "auspicious night" — pairing the* **రాత్రి** *already learned with śubha, while knowing many speakers code-switch to English here.*

25.1 శుభ రాత్రి (śubha rātri) — the standard translation, honestly checked against real speech

You have both pieces already: *rātri* from last lesson, and one more Sanskrit word. But this lesson's honest twist is about who actually says the result out loud.

The word, taken apart — its roots and family

శుభ రాత్రి (**śubha rātri**) — "**good night**" — literally "**auspicious night**." Both pieces are Sanskrit **tatsama**: **రాత్రి** (*rātri*, "night," already met) plus **శుభ** (*śubha*, "**auspicious**," from root **śubh**, "to be beautiful," ultimately PIE ****ḱewbʰ-***).

Why it's said this way

Here's a genuinely interesting wrinkle, hedged appropriately: some sources describe modern Telugu speakers, especially casually, often **code- switching to English** "**good night**" rather than saying **శుభ**

రాత్రి aloud — treating it more as the standard written/dictionary translation than an everyday spoken phrase. Be careful with this claim, though: the evidence for it comes mainly from informal language-learning blogs and forum posts, not rigorous sociolinguistic sources, and the same "code-switch to English for casual farewells" pattern plausibly shows up across other South Asian languages too — it isn't clearly something unique to Telugu, just something the available sources happened to mention for Telugu specifically. Either way, *śubha rātri* itself is perfectly correct and understood Telugu, whatever its actual spoken frequency turns out to be.

Your turn

Say these aloud:

- "śubha rātri" — "good night," literally "auspicious night"
- śubha's own root — śubh, "to be beautiful" → "auspicious"
- the honest twist — the standard translation, but many speakers code-switch to English instead

Before you move on

What does శుభ రాత్రి literally mean? ("**Auspicious night**.") Is *śubha rātri* actually the phrase most Telugu speakers say aloud for "good night"? (**Often not** — many code-switch to English "good night" in casual speech; *śubha rātri* is the standard written/ formal translation.) Does this mean *śubha rātri* is wrong or ungrammatical? (**No** — perfectly correct, just less commonly spoken than expected.)

25.2 భ — one character, met inside words you already say

Before the new one: ఐ — what does it do? And one from further back: ఢ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: భ

భ — *bha*.

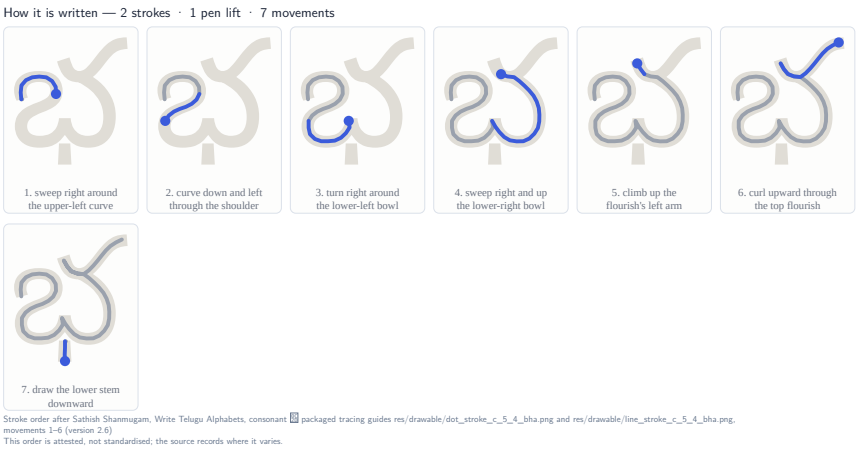

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *bh*, it is **bha**.

Say **బ** (*ba*), then say it again and let a puff of breath out on top of it. That second thing is **భ**. By now the pattern should arrive before the letter does: you have met **క/ఖ**, **గ/ఘ** and **డ/ఢ**, and this is the fourth pair of the same kind. The *h* in the romanization *bha* is that puff, not a separate sound.

You already say these, and every one of them has **భ** somewhere inside it:

- **శుభ రాత్రి** *śubha rātri* — good night, from the chapter before this one
- **భాద్రపదం** *Bhādrapadaṁ* — the sixth of the twelve months
- **ప్రారంభించు** *prārambhiñcu* — to begin

Writing: భ — six calm movements

How **భ** *is written, stroke by stroke*

Watch the numbered filmstrip once before your pen moves. Movement 1 rises around the upper-left curve; movement 2 comes down and left through its inner shoulder. Movement 3 turns around the lower-left bowl. Movement 4 rises around the broad lower-right bowl. Keep the pen down: movement 5 climbs a short way up the flourish's left arm, and movement 6 curls up through the flourish above. Lift once, then draw movement 7, the short

straight stem below. The strip gives the short climb a panel of its own, so the six movements are numbered as seven.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, so keep the six clear movements instead of rushing their joins.

Your turn

- *Look:* at these words, and find భ in the ones that have it

  శుభ రాత్రి · నమస్కారం

- *Say it:* *ba*, then *bha*, and hear the breath arrive
- *Trace it:* భ three times, saying *bha* as you finish each one

Before you move on

Which character is this — భ? What does it carry that బ does not? (***bha*** — the same *b* with a puff of breath after it.) Name one word you already say that contains it.
One more, from much earlier: ద — what does it do?

Chapter 26

Morning

Modes: **voice** (1) **pen** (1) **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can say "morning" in Telugu with the same word that sits inside the morning greeting.
>
> *Say* **ఉదయం**, *Telugu's broadest morning word, note the real native competitors poddu and vēkuva, and see that Kannada splits this job across two unrelated words.*

26.1 ఉదయం (udayam) — the same Sanskrit root, a different job than in Kannada

Last lesson's **రోజు** was a genuine Persian surprise. This lesson's word for "morning" goes the other way — straight Sanskrit, doing double duty in a way its Kannada cousin doesn't.

The word, taken apart — its roots and family

ఉదయం (**udayam**) — "**morning**" — is a Sanskrit **tatsama**: from **ఉదయ** (*udaya*, "**rise, appearance**") plus Telugu's own **-ము** (*-mu*) nominal suffix. This is Telugu's most common, general everyday word for "morning" — but be honest: it doesn't have the field entirely to itself. **పొద్దు/పొద్దున** (*poddu/podduna*) is genuine **Proto-Dravidian** vocabulary — cognate with Tamil **pozhudu** and Kannada **hottu** — and does real everyday work too ("**పొద్దున్నే లేచాను**," "I woke up in the morning"). **వేకువ** (*vēkuva*, "dawn, early morning") is labeled **colloquial**, not archaic or purely poetic. **ఉదయం** is the broadest, most

general word — but not an uncontested one.

Why it's said this way

Here's the honest cross-language twist. Kannada also has this **exact** Sanskrit root, **ಉದಯ** (*udaya*) — but only inside its **greeting**, **ಶುಭೋದಯ** (*śubhōdaya*, "good morning"). Kannada's actual everyday **noun** for "morning" is a completely unrelated **native** word, **ಬೆಳಗ್ಗೆ** (*beḷagge*, "the shining"). Telugu doesn't split the job that way: **ఉదయం** covers both the everyday noun AND, inside the good-morning greeting, the greeting root — one word, doing what Kannada spreads across two unrelated ones. And unlike **రోజు** (last lesson's genuine Persian surprise for "day"), Telugu's morning word holds no such twist — straightforwardly Sanskrit, start to finish.

Your turn

Say these aloud:

- "udayam" — "morning," Sanskrit tatsama, the broadest word, though poddu/podduna and vēkuva are real native alternatives too
- the cross-language twist — Kannada's **ಉದಯ** root only shows up in ITS greeting; Telugu uses **ఉదయం** for both the noun and the greeting
- the contrast with **రోజు** — no Persian surprise here, just straightforward Sanskrit

Before you move on

Is **ఉదయం** the ONLY word Telugu speakers use for "morning"? (**No** — it's the broadest, most common one, but **పొద్దు**/**పొద్దున** and **వేకువ**, both genuinely native, do real everyday work too.) Does Kannada's everyday morning-noun share **ಉದಯಂ**'s root? (**No** — Kannada's **ಬೆಳಗ್ಗೆ** is native; the shared root, udaya, shows up only inside Kannada's GREETING, **ಶುಭೋದಯ**.) Does **ఉదయం** hold a surprise the way **రోజు** did? (**No** — straightforwardly Sanskrit throughout.)

26.2 ఋ — one character, met inside a word you already say

Before the new one: భ — what does it do? And one from further back: ఎ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ఋ

ఋ — *ṛ*.

It is an **independent vowel** — the shape a vowel takes when a word begins with it, rather than the sign it becomes inside a word. You have met that pairing twice already, at ఉ and at ఎ.

What makes this one worth a page of its own is what the vowel is. It is an *r* doing a vowel's work: a whole syllable with no other vowel in it, the way English lets *l* carry the second half of *bottle*. Telugu took the letter from Sanskrit along with the words that need it, and modern speakers give it the sound *ru*.

You already say this one, and it has ఋ at the front of its second word:

- వసంత ఋతువు *vasanta ṛtuvu* — the spring season

ఋ is one of the rarest letters in the alphabet: outside Sanskrit borrowings it has almost nowhere to appear. Meeting it once, on a word you can already say, is enough for now.

Writing: ఋ — follow the numbered strip

How ఋ *is written, stroke by stroke*

Follow the numbered strip: start where movement 1 begins, and let each panel show you the next movement before your pen makes it. Then write ఋ yourself — slowly, and larger than it is printed.

The strip shows **where to start the character and which way to travel**, in one attested order. That is taught with real variation from school to school, so the strip names its source beneath it: treat it as a sound way in, not the only one.

Your turn

- *Look:* at these two, and say which one opens with ఋ

  ఋతువు · ఉదయం

- *Trace it:* ఋ three times, saying *ṛ* as you finish each one

- *Say it: vasanta ṛtuvu*, and name the letter its second word starts with

Before you move on

Which character is this — ఋ? What kind of thing is it — a consonant, a vowel sign, or an independent vowel? (**An independent vowel**, sounded *ru.*) Name the word you already say that contains it.
One more, from much earlier: వ — what does it do?

Chapter 27

Evening

Modes: 🚗 **voice** (1) 🚗 **Hands-free start:** its only lesson.

> ***By the end of this chapter:*** I can say "evening" in Telugu.
>
> *Say* సాయంత్రం*, from sāyam plus a time-suffix, and follow its PIE *seh₁- root across to Latin sērus, French soir and Italian sera.*

27.1 సాయంత్రం (sāyantram) — a distant cousin of French "soir"

This lesson's word for "evening" reaches back to a PIE root that also surfaces — in a completely different language, on a completely different continent's language family.

The word, taken apart — its roots and family

సాయంత్రం (**sāyantram**) — "**evening**" — is a Sanskrit **tatsama**: from సాయం (*sāyam*, "**in the evening**") plus a Sanskrit **-tana** suffix that turns time-adverbs into adjectives — the same suffix pattern behind Sanskrit **divātana** ("of the day") and **sanātana** ("eternal, lasting").

The word, taken apart — its roots and family

Here's the striking part, checked directly against primary sources rather than assumed: సాయం itself traces to **Proto-Indo-European **seh₁-*** ("**long, lasting**") — and this is **explicitly** documented as "distantly related to **Latin sērus**" ("late"), itself confirmed independently to trace to the very same **seh₁-* root (via Proto-Italic

sēros*). *sērus* is worth a closer look: it's the Latin root well attested as the source of **French soir and **Italian sera** — French and Italian's own everyday "evening" words. That makes సాయంత్రం and **soir**/**sera** genuine distant cognates — one route through Sanskrit tatsama borrowing into Telugu, one route through centuries of Vulgar Latin erosion into French and Italian, both ultimately the same Proto-Indo-European idea of something "long, lasting" stretching into "late in the day."

Your turn

Say these aloud:

- "sāyantram" — "evening," sāyam + the -tana time-suffix
- the deep root — PIE *seh₁-, "long, lasting"*
- the cross-family cognate — the same root behind French soir and Italian sera, via Latin sērus

Before you move on

What is సాయంత్రం built from? (సాయం, "in the evening," + a Sanskrit "-tana" time-adjective suffix.) What PIE root does సాయం trace to? (****seh₁-***, "long, lasting.") What two Romance words are genuine distant cognates of సాయంత్రం, and through which Latin word? (**French soir and Italian sera** — both through Latin **sērus**, "late," which traces to the same **seh₁-* root.)

Chapter 28

Afternoon

Modes: 🚗 **voice** (1) 🚗 **Hands-free start:** its only lesson.

> ***By the end of this chapter:*** I can use Telugu's noon word to talk about the afternoon, and reach for the classical term when I need to be precise.
>
> *Reuse* మధ్యాహ్నం *for the stretch between noon and evening, then contrast it with* అపరాహ్నం*, the more formal, more precise later-afternoon word.*

28.1 మధ్యాహ్నం — the same "noon" word, now also "afternoon"

You already know మధ్యాహ్నం means "noon" — precisely, "middle of the day." This lesson's honest twist: the word doesn't stay that precise in modern use.

Why it's said this way

మధ్యాహ్నం (**madhyāhnam**) is the exact word from Chapter 17, still literally "middle" + "day" — but a source fetched directly (not just a search summary) confirms it now covers "**the time between noon and evening**" in modern usage — a genuine widened sense, not just the precise midday instant its etymology points to. This mirrors Hindi's दोपहर (clearly, well- confirmed widened from "noon" to "afternoon") and, more thinly Kannada's own మధ్యాహ్న (a hedged, single-source impression of the same kind of stretch).

The word, taken apart — its roots and family

Telugu also has అపరాహ్నం (**aparāhnam**), a tatsama from the same classical **five-part Sanskrit day division** already found behind Kannada's ಅಪರಾಹ್ನ — *prāta/udaya* (sunrise), *saṅgava*, *madhyāhna* (noon), *aparāhna* ("later afternoon" specifically), *sāyāhna* (evening). Be honest about the sourcing here, echoing the same hedge already applied to Kannada's *aparāhna*: thin, informal evidence — a native-speaker forum discussion, general dictionary usage notes — points toward మధ్యాహ్నం **winning colloquially**, with అపరాహ్నం staying the more **formally precise** term. Real, but not corpus-linguistics-grade sourcing — treat it the same cautious way Kannada's own equivalent finding was treated, not as fully settled.

Your turn

Say these aloud:

- "madhyāhnam" — the same word from Chapter 17, "middle of the day"
- the confirmed widening — now also covers "the time between noon and evening"
- "aparāhnam" — the more precise classical word for later afternoon, staying the more formal term per thin but real evidence

Before you move on

Is మధ్యాహ్నం a new word, or the same one from Chapter 17? (**The same word** — "middle" + "day.") Does modern usage confirm మధ్యాహ్నం covers only the exact instant of noon? (**No** — a directly-fetched source confirms it now covers "the time between noon and evening" too.) Is it confirmed whether అపరాహ్నం or widened మధ్యాహ్నం is more common today? (**Thin but real evidence** points to మధ్యాహ్నం winning colloquially, అపరాహ్నం staying formally precise — not fully settled, but not silent either.)

Chapter 29

Good Morning

Modes: 🚗 **voice** (1) 🚗 **Hands-free start:** its only lesson.

> ***By the end of this chapter:*** I can wish someone good morning in Telugu.
>
> *Say* **శుభోదయం** *— śubha +* **ఉదయం** *— and weigh the single low-authority claim that it is out of trend against* **నమస్కారం***, the safer everyday bet.*

29.1 శుభోదయం (śubhōdayam) — a claim worth real skepticism, not a settled fact

You already have **ఉదయం**. This lesson's honest twist is about a dramatic-sounding claim — and about being skeptical of it, even though it came from a source fetched directly.

The word, taken apart — its roots and family

శుభోదయం (**śubhōdayam**) — "**good morning**" — is built from **శుభ** ("good") plus **ఉదయం** (already met, Chapter 26). Grammatically and etymologically, this is the straightforward, traditional Telugu "good morning."

Why it's said this way

Here's the twist, and the honesty this time cuts against the source itself: one directly-fetched page describes **శుభోదయం** as **out of trend**, displaced by **English** "good morning," with children taught the

English phrase from **preschool**. That's a vivid, quotable claim — but "fetched directly" doesn't make a source authoritative. This is the **same genre** of Telugu/Kannada/Hindi-learning content blog already found **overstated** for Hindi's सुप्रभात and Kannada's own **ಶುಭೋದಯ** (a single uncredentialed listicle, no sociolinguistic methodology, no citations) — treat this claim the same skeptical way, not as settled. Genuinely worth separating from that dramatic claim: **సుప్రభాతం** (*suprabhātam*) also exists — built on **ప్రభాత** (*prabhāta*), a **completely different** Sanskrit root from **ఉదయ** (*udaya*). This is **not** the same root behind Kannada's **ಶುಭೋದಯ**, which itself uses *udaya* — don't conflate the two Sanskrit "morning" roots. A third option, **ప్రొద్దుటి వందనాలు** ("morning greetings," built on **పొద్దు**, Chapter 26's genuine native competitor to **ఉదయం**), also exists but isn't confirmed common either. **నమస్కారం** is the safer bet for everyday use — matching the same **నమస్కార/नमस्ते** pattern already found doing the real everyday work for both Kannada and Hindi.

Your turn

Say these aloud:

- "śubhōdayam" — "good morning," śubha + udayam
- the honest twist — one low-authority source claims it's out of trend, displaced by English; treat with real skepticism
- **నమస్కారం** — the safer everyday-greeting bet

Before you move on

What is **ಶುಭೋದಯಂ** built from? (**ಶುಭ** + **ಉದಯಂ**.) Is the claim that **ಶುಭೋದಯಂ** has been displaced by English a confirmed, well-sourced fact? (**No** — it comes from one low-authority content-blog source, the same genre already found overstated for Hindi/Kannada; treat it skeptically, not as settled.) Does **సుప్రభాతం** share **ఉదయం**'s root, or Kannada's **ಶುಭೋದಯ**'s root? (**Neither** — its own root, **ప్రభాత**/ prabhāta, is a genuinely different Sanskrit word.)

Chapter 30

Good Evening

Modes: 🚗 **voice** (1) 🚗 **Hands-free start:** its only lesson.

> ***By the end of this chapter:*** I can wish someone good evening in Telugu.
>
> *Say* **శుభ సాయంత్రం**, *backed by two independent sources as genuinely common in both formal and casual speech, with* **నమస్కారం** *as an alternative rather than a replacement.*

30.1 శుభ సాయంత్రం (śubha sāyantram) — a claim that actually holds up on checking

Last lesson's morning greeting rested on one dramatic, shaky source. This one is different — and the difference itself is worth noticing.

The word, taken apart — its roots and family

శుభ సాయంత్రం (**śubha sāyantram**) — "**good evening**" — pairs **శుభ** ("good") with **సాయంత్రం** (already met, Chapter 27 — the word whose PIE root, *seh₁-, turned out to be a genuine distant cognate of Latin's* sērus, *and so of French* ***soir*** *and Italian* ***sera****).*

Why it's said this way

Here's the honest contrast worth drawing explicitly: last lesson's **శుభోదయం** rested on **one** dramatic, low-authority source claiming it had been displaced by English entirely. This time, **two** independently

fetched sources — not just search-engine summaries — **agree**: **శుభ సాయంత్రం** is genuinely, commonly used, in **both** formal and informal contexts, appropriate for greeting people after work or arriving at an evening gathering. Neither source flags it as archaic or displaced. This doesn't mean these sources are beyond question — they're still the same general genre of language-learning content that has needed hedging before — but **being independently cross-corroborated** is a real, meaningful difference in evidence quality from a single dramatic claim, and it's worth being just as honest about a claim holding up as about one that doesn't. **నమస్కారం**, as before, remains a genuine time-independent alternative — but nothing here suggests it has **displaced** this greeting the way English reportedly displaced **శుభోదయం**.

Your turn

Say these aloud:

- "śubha sāyantram" — "good evening," śubha + sāyantram
- the honest contrast — this claim is cross-corroborated by two sources, unlike last lesson's single dramatic one
- **నమస్కారం** — a time-independent alternative, not a replacement here

Before you move on

What word does **శుభ సాయంత్రం** pair with, and what's that word's own striking cross-language story? (**సాయంత్రం** — a genuine distant PIE cognate of Latin sērus/French soir/Italian sera.) Is the "genuinely commonly used" claim for **శుభ సాయంత్రం** as thinly sourced as **శుభోదయం**'s "displaced by English" claim was? (**No** — two independent sources agree here, versus one dramatic claim last lesson — a real difference in evidence quality.)

Chapter 31

Good Afternoon

Modes: 🚗 **voice** (2) 🚗 **Hands-free start:** both lessons.

> ***By the end of this chapter:*** I can wish someone good afternoon in Telugu and judge whether it fits the setting I am in.
>
> *Say* **శుభ మధ్యాహ్నం** *where the setting is formal or workplace-timed, and fall back on* **నమస్కారం**, *the time-independent everyday greeting.*

31.1 శుభ మధ్యాహ్నం (śubha madhyāhnam) — good afternoon

> You already know **శుభ** from the morning and evening greetings and **మధ్యాహ్నం** from the parts-of-day lessons. Put them together.

You'll want to know: శుభ + మధ్యాహ్నం

శుభ మధ్యాహ్నం (**śubha madhyāhnam**) means "**good afternoon**." The second word originally centres on "midday" or "noon," but you learned in Chapter 28 that modern use widens it into the stretch between noon and evening.

Telugu could instead have built the phrase on **అపరాహ్నం** (*aparāhnam*), the more classically precise word for later afternoon. It did not. Kannada made the same choice in **ಶುಭ ಮಧ್ಯಾಹ್ನ** (*śubha madhyāhna*): both languages chose the everyday "noon, widened" word from two available classical terms.

The word, taken apart — its roots and family

శుభ (*śubha*) is Sanskrit *śubha*, "bright, auspicious, good" (CDIAL 12532), and **మధ్యాహ్నం** (*madhyāhnam*) is Sanskrit *madhyāhna*, "midday" (CDIAL 9818), with the Telugu noun ending *-m*: both are taken over whole.

Your turn

Say these aloud:

- "śubha madhyāhnam" — "good afternoon," śubha + madhyāhnam
- the word choice — built on **మధ్యాహ్నం**, not **అపరాహ్నం**, matching Kannada's exact same choice
- Kannada **ಶುಭ ಮಧ್ಯಾಹ್ನ** — the same word-building choice

Before you move on

Is **శుభ మధ్యాహ్నం** built on **మధ్యాహ్నం** or **అపరాహ్నం**? (**మధ్యాహ్నం** — the "noon, widened" word.) Which sister language made the same choice? (**Kannada**, in **ಶುಭ ಮಧ್ಯಾಹ್ನ**.)

31.2 శుభ మధ్యాహ్నం — register and evidence

You can now build **శుభ మధ్యాహ్నం**. The next question is when it sounds natural—and how strongly the available evidence answers that question.

Why it's said this way

Two independently fetched language-learning sources confirm that **శుభ మధ్యాహ్నం** is a real, correctly formed greeting for **formal or workplace** use around noon and early afternoon.
Keep the claims separate, though. Talkpal explicitly ranks the greeting as **less common** in everyday conversation than morning or evening greetings. Preply independently supports its timing and formal register, but does not make that frequency comparison. So there are two sources for "real and formal," but only one for "less common." A second source must not be counted as evidence for a claim it never

made.

Why it's said this way

- **శుభోదయం** — the morning lesson found one low-authority claim of displacement by English; treat that dramatic claim skeptically.
- **శుభ సాయంత్రం** — two sources supported common formal and informal use.
- **శుభ మధ్యాహ్నం** — real and workplace-timed, with narrower support for its lower everyday frequency.

The three phrases do not need one uniform usage story. For a time-independent everyday greeting, **నమస్కారం** remains the safer choice.

Your turn

Say these aloud:

- the two-source claim — real, formal, and workplace-timed
- the one-source claim — less common than morning or evening
- **నమస్కారం** — the time-independent everyday alternative

Before you move on

Do both sources rank **శుభ మధ్యాహ్నం** as less common? (**No.** Both support its formal use; only Talkpal makes the frequency comparison.) What is the safer all-day greeting? (**నమస్కారం**.)

Chapter 32

The Core Verbs

Modes: 🚗 **voice** (6) 🚗 **Hands-free start:** all 6 lessons.

> ***By the end of this chapter:*** I can build a Telugu verb as stem plus tense plus person, say why one form covers both "I go" and "I will go", give a polite command with -aṇḍi, and explain why **ఉండు** has to borrow its negative and **తెలుసు** has no person at all.
>
> *Say* **నాకు తెలుసు***, name the three slots that built uṇṭānu, veḷtānu and cūstānu, separate it from Chapter 6's* **నాకు తెలుగు వచ్చు** *— fact against skill — and recall that* **ఉండు** *switches to lē- to be negated.*

32.1 ఉండు (uṇḍu) — "to be," and the negative that is a different verb

> Thirty-one chapters of words. Now the engine room. Telugu glues a verb together one piece at a time, seams showing, and this first verb carries the machine.

You'll want to know: ఉండు

> **ఉండు** — *uṇḍu* — **to be, to exist, to stay**

Chapter 5 met it as "to live somewhere." Here it is the verb-machine itself: **ఉండ్-** (the stem) + **-త-** (tense) + **-ాను** ("I") → **ఉంటాను** (*uṇṭānu*), "I stay, I will be."

One form is already in your mouth: **ఉన్నాను** (*unnānu*), "I am — right now," the shape hiding inside *bāgunnānu* and *mīru elā unnāru?*

The sisters' everyday "be" is another verb: Tamil இரு (*iru*), Kannada ಇರು (*iru*), Malayalam ഇരിക്കുക (*irikkuka*). Yet *uṇḍu* is Dravidian too: DEDR 697 files it with Tamil *uḷ*, "to be", and *uṇṭu*, "there is".

The letters in this word

ఉ is the standing vowel *u*. ◌ండు is the retroflex cluster *ṇḍ* with the *u* sign — tongue tip curled back, then released. Both shapes are familiar from Chapter 5.

Grammar Lens: Telugu's "be" cannot be made negative

There is no negative of *uṇḍu*. To say something is **not** there, Telugu drops the verb and picks up a second one, లే- (*lē-*) — the root behind Chapter 1's *lēdu*. It takes the very same person-endings:

who	is	is not
I	*unnānu*	*lēnu*
he	*unnāḍu*	*lēḍu*
it	*undi*	*lēdu*

So *lēdu* was never a bare word for "no." It is the **it**-form of a full verb, and you can now run it through its persons.

Tamil negates *iru* with இல்லை (*illai*), Kannada with ಇಲ್ಲ (*illa*), Malayalam with ഇല്ല (*illa*) — one shared root, *il-*. Telugu's *lē-* looks different, but DEDR 2559 files it with *il-*.

Your turn

Say these aloud:

- "uṇḍu" — be, exist, stay
- the three pieces in order — "uṇḍ … ta … ānu" → "uṇṭānu"
- the pair you must switch verbs for — "unnānu … lēnu"
- the three sisters' one verb — "iru … iru … irikkuka"

Before you move on

What are the three pieces of *uṇṭānu*? (**Stem, tense, person** — *uṇḍ-*, *-ta-*, *-ānu*.) How do you say "I am not there"? (లేను, *lēnu* — a different verb entirely.) So what kind of word is *lēdu*? (**The it-form**

of the negative verb *lē-*.) Which root do the other three sisters use, and does Telugu? (***il-***; Telugu too, as *lē-*.) Next: the same machine, tense piece swapped.

32.2 వెళ్ళు (veḷḷu) — "to go," and a tense Telugu refuses to split

You have the three pieces — stem, tense, person. Change only the middle one. That is the whole of Telugu tense, and it has one setting fewer than you would expect.

You'll want to know: వెళ్ళు

వెళ్ళు — *veḷḷu* — **to go**

Chapter 4 gave it to you as a bare command, *veḷḷu!*, "go!" Threaded up it is **వెళ్తాను** (*veḷtānu*), and its past is **వెళ్ళాను** (*veḷḷānu*), "I went."

Telugu keeps a second go-verb beside it. The family's inherited word for going is ***pō-***, and Telugu has it as **పోవు** (*pōvu*), **పోతాను** (*pōtānu*) — the same verb as Tamil **போ** (*pō*), Malayalam **പോകുക** (*pōkuka*) and Kannada **ಹೋಗು** (*hōgu*). So Telugu did not lose the family's word; it gave the everyday job to *veḷḷu*, which is Dravidian too: DEDR 5393 files it with Tamil *viṭu*, "to leave".

The letters in this word

వె is *va* with the short-*e* sign. **ళ్ళు** is the retroflex **ళ** (*ḷ*) doubled and held — *veḷ-ḷu*, a real catch in the middle. The same doubling is in *nīḷḷu*, Chapter 15's water.

Grammar Lens: one piece for "I go" and "I will go"

when	Telugu	the middle piece
now, or later	*veḷtānu*	*-ta-*
already	*veḷḷānu*	*-ā-*
this minute	*veḷtunnānu*	*-tunnā-*

Be honest about the first row: **వెళ్తాను** means "I go" **and** "I will go." Telugu does not separate habit from future — one piece does both,

and context decides. Tamil keeps them apart (*pōgiṟēṉ* against *pōvēṉ*); Telugu merged them.
Having merged them, Telugu needed a way to say "right this minute," and built one out of last lesson's verb. **వెళ్తున్నాను** (*veḷtunnānu*) is *veḷ-* plus **ఉన్నా-**, the very *unnānu* that means "I am," welded on: literally "going-am-I." The be-verb did not stay a word. It became a piece of every other verb.

Your turn

Say these aloud:

- "veḷḷu" — go — then "veḷtānu"
- the two meanings of one form — "I go" and "I will go"
- the three times — "veḷtānu … veḷḷānu … veḷtunnānu"
- the be-verb hiding in the third — "unnānu … veḷtunnānu"

Before you move on

How many things does *veḷtānu* mean? (**Two** — "I go" and "I will go"; Telugu merges habit and future.) What is glued inside *veḷtunnānu*? (**ఉన్నా-**, the be-verb — "going-am-I.") Does Telugu have the family's old go-root at all? (**Yes** — *pōvu*, cousin of *pō*, *pōkuka*, *hōgu*; *veḷḷu* just took the everyday work.) Next: a verb you call by one shape and build on another.

32.3 రా (rā) — "come!", and the stem it is not built on

Veḷḷu threads its pieces on without a fuss: the word you call it by is the word you build on. Its partner refuses — and the goodbye you learned in Chapter 4 has been hiding the reason.

You'll want to know: రా

రా — *rā* — **come!**

One syllable: ర (*ra*) with the long-*ā* sign. It is a whole command on its own, the plainest thing one Telugu speaker can say to another.

Every sister has this verb, and every sister's command-shape drifted somewhere different: Tamil வா (*vā*), Kannada ಬಾ (*bā*), Malayalam വരുക (*varuka*), Telugu రా (*rā*). A *v*, a *b*, an *r* — one old Dravidian come-word, worn three ways, not three separate verbs. DEDR 5270 files Telugu *vaccu* and *rā-* with Tamil *varu*: the verb is Dravidian.

Grammar Lens: the word you call it by is not the word you build on

Try to thread endings onto *rā-* and you get nothing anyone says. They attach to వచ్చు (*vaccu*) instead, which appears as *vast-* once the tense piece arrives:

- వస్తాను (*vastānu*) — "I come, I will come"
- వచ్చాను (*vaccānu*) — "I came"
- వస్తున్నాను (*vastunnānu*) — "I am coming right now"

The third one is last lesson's trick again: the be-verb *unnā-* welded onto the stem. Learn this verb as a pair, then — ***rā***, and ***vaccu-***. Telugu is not odd here; Tamil pairs *vā* with *varu-* and Kannada pairs *bā* with *baru-*, and the building-stems stayed far closer to each other than the commands did.
You have said *vastānu* already. Chapter 4's farewell వెళ్ళి వస్తాను (*veḷḷi vastānu*) — "I'll go and come back" — is *veḷḷu* and *vaccu* standing side by side, and that second word is exactly the form above. Chapter 6 used the bare stem too, in *nāku telugu vaccu*.

Your turn

Say these aloud:

- the command — "rā!"
- the pair to learn together — "rā … vaccu-"
- "vastānu … vaccānu … vastunnānu"
- the farewell you now understand — "veḷḷi vastānu"

Before you move on

Which shape do the endings attach to for "come"? (**వచ్చు**, *vaccu-*, never *rā-*.) Say "I will come." (*Vastānu.*) Which two verbs are standing in *veḷḷi vastānu*? (**వెళ్ళు** and **వచ్చు** — go, and come back.) Are Tamil *vā*, Kannada *bā* and Telugu *rā* three different verbs? (**No** — one old come-word, reshaped three ways.) Next: a verb Telugu kept where Tamil replaced it.

32.4 తిను (tinu) — "to eat," the root Telugu kept

Three verbs in, and every one has been Telugu's own choice. This one is the opposite: the oldest eat-word the family has, still doing plain everyday work.

You'll want to know: తిను

తిను — *tinu* — **to eat**

తి is the dental *ta* with the *i* sign; **ను** is *nu*, the same shape that ends *nēnu*. Threaded up: **తింటాను** (*tiṇṭānu*), "I eat, I will eat," and **తిన్నాను** (*tinnānu*), "I ate."

The inherited Dravidian root is ***tiṉ-***, and the family kept it: Kannada **ತಿನ್ನು** (*tinnu*), Malayalam **തിന്നുക** (*tinnuka*), Tamil **தின்** (*tiṉ*). But Tamil narrowed its own to chewing and snacking and put an assembled compound, **சாப்பிடு** (*sāppiḍu*), in the everyday slot. Telugu did no such thing. *Tinu* is still simply the word.

The word, taken apart — its roots and family

Build a noun straight off the root and you get **తిండి** (*tiṇḍi*) — "food, grub." Native, transparent, and blunt: it is what you feed people, not what you invite them to.

For the invitation Telugu reaches across to Sanskrit: **భోజనం** (*bhōjanaṁ*, "a meal") and **ఆహారం** (*āhāraṁ*, "food"). Both are **tatsama** loans, taken in whole, and both outrank *tiṇḍi* in politeness without displacing it.

That is Telugu's Sanskrit habit in miniature, and it is worth naming plainly. The verbs at the centre of living — be, go, come, eat — stayed Dravidian. The formal and ceremonial vocabulary layered on top came

from Sanskrit. You met the same split in Chapter 1, where the greeting *namaskāram* is Sanskrit while *avunu* and *lēdu* are native. Telugu borrowed far more of that top layer than Tamil ever did; it did not borrow the floor.

Your turn

Say these aloud:

- "tinu" — eat — then "tiṇṭānu … tinnānu"
- the root the whole family kept — "tinu … tinnu … tinnuka"
- the native noun — "tiṇḍi" — blunt and everyday
- the four verbs so far — "uṇṭānu … veḷtānu … vastānu … tiṇṭānu"

Before you move on

Did Telugu keep the inherited eat-root? (**Yes** — *tinu*, plain and everyday, where Tamil demoted *tiṉ* and built *sāppiḍu*.) Which word for food is native, and where does the polite one come from? (తిండి *tiṇḍi* is native and blunt; the polite one is borrowed from Sanskrit.) What is the pattern? (**Native verbs at the core, Sanskrit vocabulary layered on top** — as with *avunu* against *namaskāram*.) Next: a verb, and the polite ending that fits every verb in this chapter.

32.5 చూడు (cūḍu) — "to see," and the polite ending that fits every verb

Four bare commands so far — *uṇḍu*, *veḷḷu*, *rā*, *tinu* — and every one is blunt. This verb brings the ending that makes them polite.

You'll want to know: చూడు

చూడు — *cūḍu* — **to see, to look**

Threaded up: **చూస్తాను** (*cūstānu*), "I see, I will see," and **చూశాను** (*cūśānu*), "I saw."

Here the sisters scatter completely. Tamil says பார் (*pār*), Kannada ನೋಡು (*nōḍu*), Malayalam കാണുക (*kāṇuka*), Telugu చూడు (*cūḍu*). Four languages, four different everyday verbs. Telugu's is Dravidian: DEDR 2735 lists it as *cūcu*, "to see".

And yet the family's oldest seeing-root is right there in all four, sitting in a noun you can point at, "eye" — Tamil கண் (*kaṇ*), Kannada ಕಣ್ಣು (*kaṇṇu*), Malayalam കണ്ണ് (*kaṇṇ*), and Telugu's own eye-word, which comes later in this book. Telugu still builds on it: కనిపించు (*kanipiñcu*), "to appear, to be visible." Four everyday verbs, one shared eye.

The letters in this word

చూ is చ (*ca*) with the **long-ū** sign — the drawn-out partner of the short *u* ending every verb in this chapter. Hold it: *cū*, not *cu*. డు is retroflex *ḍa* with that short *u*.

Grammar Lens: -అండి, the respectful command, on any stem

Chapter 8 gave you కూర్చోండి (*kūrcōṇḍi*), "please sit." Chapter 9 gave you క్షమించండి (*kṣamiñcaṇḍi*), "forgive me." That shared **-అండి** (*-aṇḍi*) is not baked into those two words. It is a slot, and every verb in this chapter can fill it:

- చూడండి (*cūḍaṇḍi*) — please look
- రండి (*raṇḍi*) — please come
- తినండి (*tinaṇḍi*) — please eat
- వెళ్ళండి (*veḷḷaṇḍi*) — please go

Bare stem for a child or a close friend; stem plus *-aṇḍi* for everyone else. The respect is built the way Chapter 2 built it: *mīru* is a plural standing in for one person, and *-aṇḍi* is that plural now sitting on the verb.

Your turn

Say these aloud:

- "cūḍu" — see, look — then "cūstānu"
- the four sisters' four verbs — "cūḍu … pār … nōḍu … kāṇuka"

- the eye the sisters share — "kaṇ … kaṇṇu … kaṇṇ"
- all four polite commands — "cūḍaṇḍi … raṇḍi … tinaṇḍi … veḷḷaṇḍi"

Before you move on

Do the four sisters share an everyday verb for seeing? (**No** — *cūḍu*, *pār*, *nōḍu*, *kāṇuka*, all different.) What do they share instead? (**The eye** — *kaṇ*, *kaṇṇu*, *kaṇṇ*.) Make "please eat" and "please come." (*Tinaṇḍi*; *raṇḍi*.) Where have you met that politeness before? (**In మీరు** — a plural used for one person, now on the verb.) Next: a verb with no room for a person at all.

32.6 తెలుసు (telusu) — "to know," the verb with no room for a person

Five verbs, and every one ended on *-ānu*, the piece that means "I." The last verb of the chapter has no such piece — and Chapter 6 already handed you the sentence it makes.

You'll want to know: తెలుసు

తెలుసు — *telusu* — **it is known**

Not "to know" in the English sense. It comes from **తెలియు** (*teliyu*), "to become clear, to be apparent" — a thing *telusu*-es to you the way a shape resolves out of fog. Its negative is **తెలియదు** (*teliyadu*), "it is not known."

The verb is Dravidian: DEDR 3433 files *teliyu* with Tamil *teḷi*, "to become clear". Tamil's everyday match is **தெரி** (*teri*); Kannada and Malayalam use *gottu* and *aṟiyām*. All four build the sentence the same way.

Grammar Lens: no person on the verb, so the person moves

నాకు తెలుసు. — *nāku telusu* — "I know."

తెలుసు never changes shape. Only the little dative word in front of it moves:

the knower	**the sentence**
I	*nāku telusu*
you	*nīku telusu*
he	*ataniki telusu*

Five verbs put the person in the last piece, which is why *nēnu* could be dropped. Here there is no such piece, so the dative word is the one thing you **cannot** drop. Telugu treats knowing as something that **happens to** you, not something you do — and Tamil builds it identically, *enakkut teriyum*.

Now the distinction Chapter 6 could not yet draw. **నాకు తెలుగు వచ్చు** uses *vaccu*, "comes" — Telugu **comes to** you, and that is a **skill**, a language you can actually use. **నాకు తెలుసు** is a **fact** you hold. Two dative sentences, two verbs, two kinds of knowing.

Your turn

Say these aloud:

- "telusu" — it is known — from "teliyu", to become clear
- "nāku telusu" — I know
- three knowers, one verb — "nāku … nīku … ataniki telusu"
- the five that carried the person — "uṇṭānu, veḷtānu, vastānu, tiṇṭānu, cūstānu"

Before you move on

What does *telusu* mean underneath "know"? (**It is clear, it is apparent** — from *teliyu*.) Which piece is missing from it? (**The person** — so the knower sits in the dative instead.) Say "I know." (*Nāku telusu*.) What is the difference from *nāku telugu vaccu*? (***Vaccu* marks a skill**, *telusu* marks a fact.) Name the three slots one last time, with a verb in them. (**Stem, tense, person** — *veḷ* + *-ta-* + *-ānu*.) And what has no negative of its own? (**ఉండు** — Telugu switches to *lē-*.)

Chapter 33

Four Verbs of the Mind

Modes: 👁 **eyes** (4) ✓ **pen** (1) 🚗 **Hands-free start:** the first 2 of 5 lessons.

> ***By the end of this chapter:*** I can say I think, I understand, I read and I write in Telugu with the same three slots, build the -కో ending that hands an action back to its doer, say "I understood" with no నేను in it, and tell this chapter's native verbs from the Sanskrit words layered beside them.
>
> *Say* నేను తెలుగు రాస్తాను*, run the chapter's four verbs in the present, count them up from* ఆరు *to* పది*, take* వ్రాయు *back to the Dravidian line-drawing root behind Tamil* வரை *and Kannada* ಬರೆ*, and name which of the four words came from Sanskrit.*

33.1 అనుకో (anukō) — "to think," which is saying it to yourself

> *Nāku telusu* — "I know" — and that verb had no room for a person. This one takes the person back, and carries a second verb on its end.

You'll want to know: అనుకో

> **అనుకో** — *anukō* — **to think; to suppose**

Threaded up: అనుకుంటాను (*anukuṇṭānu*), "I think," and అనుకున్నాను (*anukunnānu*), "I thought." That **-ుంటాను** is the ending you already made in తింటాను (*tiṇṭānu*): stem, tense, then the -*ānu* that means "I."

The letters in this word

అ is the standing vowel *a*, used when a word begins on that sound. ను is *na* with the *u* sign, the shape that ends *nēnu*. కో is క (*ka*) with the long-*ō* sign: hold it, *kō*.

Grammar Lens: -కో, the ending that hands the verb back

కొను (*konu*) is a verb of its own — "to take, to get." Bolted onto the back of another verb it stops being a word and becomes an ending, **-కొను**, worn down to **-కో** in speech. What it adds is small and everywhere: *do the thing, and keep it.*
So అను ("say") plus **-కో** is **say it, and keep it** — say it to nobody but yourself.

The word, taken apart — its roots and family

అను (*anu*), "to say," is Proto-Dravidian ****aHn-***, and every sister kept it: Tamil என் (*eṉ*), Kannada అన్ನು (*annu*), Malayalam എന്നുക (*ennuka*).
Beside it Telugu keeps a borrowed thinker: ఆలోచించు (*ālōciñcu*), "to consider" — ఆలోచిస్తాను (*ālōcistānu*). Its Sanskrit noun ఆలోచన (*ālōcana*) is glossed two ways at once: "reflecting" **and** "seeing." Sanskrit made thinking a kind of looking, as English did in *reflect*.
The split Chapter 32 named over *tiṇḍi* and *bhōjanam* holds: plain verb native, formal word Sanskrit.

Your turn

Say these aloud:

- the two pieces, then the word — "anu … kō … anukō"
- "anukuṇṭānu", I think — then "anukunnānu", I thought
- the ending you already had — "tiṇṭānu … anukuṇṭānu"
- the family's say-verb — "anu … eṉ … annu … ennuka"
- native and borrowed — "anukuṇṭānu … ālōcistānu"

Before you move on

What are the two pieces of *anukō*, and what does the second do? (**అను** "say" plus **-కో**, which hands the action back to the doer.) Say "I think," and name the verb ending the same way. (*Anukuṇṭānu*; **తిను**.) Which sisters keep the say-verb, and what is *ālōcana* glossed as? (**All three**; "**reflecting**" and "**seeing**".) Which think-word is borrowed? (**ఆలోచించు** — as *bhōjanaṁ* was beside *tiṇḍi*.)

33.2 అర్థం చేసుకో (arthaṁ cēsukō) — "to understand," making the meaning yours

Anukuṇṭānu — I think — and the **-కో** on its back meant *and keep it*. That ending now arrives on a verb you have owned since Chapter 5.

You'll want to know: అర్థం చేసుకో

అర్థం చేసుకో — *arthaṁ cēsukō* — **to understand**

Three pieces, all already yours: **అర్థం** (*arthaṁ*, "meaning"), **చేయు** (*cēyu*, "to do"), and the **-కో** of the last lesson. Word for word it says **make the meaning your own**.

నేను అర్థం చేసుకుంటాను. — *nēnu arthaṁ cēsukuṇṭānu* — "I understand."

The letters in this word

ర్థ is a **conjunct** — **ర** (*ra*) stacked above **థ** (*tha*), one block for two consonants with no vowel between. **ం** is the **anusvāra** that closes *namaskāram*, and **చే** opens *cēyu*.

Grammar Lens: the other way to say it, with no "I" in it

నాకు అర్థమైంది. — *nāku arthamaindi* — "I understood."
Literally: "**to me it became meaning**."

Three dative sentences now, and one design:

the sentence	what it says
nāku telugu vaccu	Telugu **comes** to me
nāku telusu	it **is clear** to me
nāku arthamaindi	it **became meaning** to me

No *nēnu* in any of them: the person sits in the dative because understanding, like knowing, arrives. Both shapes are good Telugu and do not feel alike — *nēnu arthaṁ cēsukuṇṭānu* is work you did, *nāku arthamaindi* is a thing that landed.

The word, taken apart — its roots and family

అర్థం is Sanskrit **अर्थ** (*artha*), and Telugu took the whole of it: **అర్థము** means "**meaning**" and "**money, wealth**" in one entry — which is why Kauṭilya's manual of statecraft is the *Arthaśāstra*. Its opposite: **అపార్థం** (*apārthaṁ*), "a meaning taken wrong."
Now the seam. Chapter 20's **వాతావరణం** was Sanskrit throughout — *vāta* plus *āvaraṇa*. This is not that. Only the noun crossed over; the doing is Telugu's own *cēyu* wearing Telugu's own *-kō*.

Your turn

Say these aloud:

- the three pieces — "arthaṁ … cēyu … kō"
- "nēnu arthaṁ cēsukuṇṭānu" — I understand
- the three dative sentences — "nāku telugu vaccu … nāku telusu … nāku arthamaindi"
- the two verbs built with -kō — "anukuṇṭānu … arthaṁ cēsukuṇṭānu"
- "arthaṁ … apārthaṁ"

Before you move on

Take *arthaṁ cēsukō* apart and give the literal sense. (**Meaning + do + for yourself**.) Say "I understood" without *nēnu*, then name the other two sentences built that way. (*Nāku arthamaindi*; *nāku telugu vaccu*, *nāku telusu*.) Why is the person in the dative?

(**Understanding arrives at you**.) What two things does *arthaṁ* mean, and how is this compound unlike *vātāvaraṇam*? (**Meaning** and **wealth**; *vātāvaraṇam* is **Sanskrit throughout**, here only the noun is.)

33.3 థ — one character, met inside words you already say

Before the new one: ఋ — what does it do? And one from further back: ణ?

One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: థ

థ — *tha*.

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *th*, it is **tha**.

The *h* in *tha* is a puff of breath — the fifth pair of that kind, after క/ఖ, గ/ఘ, డ/ఢ and బ/భ. The plain letter here is త. Say *ta*, then say it again and let the breath out after it: that is థ.

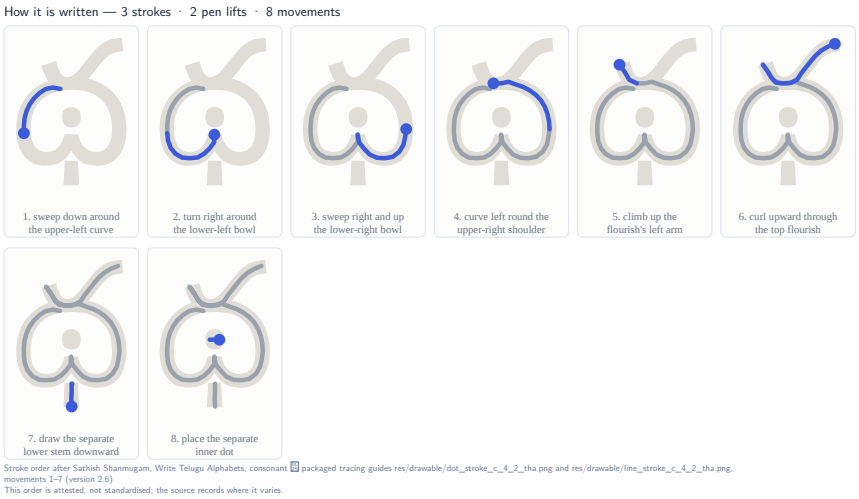

It is not the *th* of English *this* or *thin*. The tongue stays where it goes for త, against the back of the teeth; only the breath is added.

You already say these, and both have థ inside them:

- అర్థం *arthaṁ* — meaning, the word inside *arthaṁ cēsukō*
- అపార్థం *apārthaṁ* — a misunderstanding, meaning gone wrong

In both, థ carries ర stacked on top of it — the ర్థ block you met when you learned to understand things.

Writing: థ — seven deliberate movements

How థ is written, stroke by stroke

Watch the numbered filmstrip once before your pen moves. Movements 1–4 build the round body in four short curves: upper left, lower left, lower right, then upper right. The pen stays down from one curve to the next. Movement 5 climbs a short way up the flourish's left arm, and movement 6 curls up through the top flourish. Lift for movement 7, the short lower stem, and lift once more for movement 8, the dot inside. The strip gives the short climb a panel of its own, so the seven movements are numbered as eight.

Trace the same route slowly. This is one attested school-style order fitted to the printed shape here; Telugu handwriting varies, so keep the body and flourish as one unbroken run, lifting only before the stem and the dot.

Your turn

- *Look:* at these two, and say which one has థ and which has త

  అర్థం · తెలుగు

- *Say it:* *ta*, then *tha*, and hear the breath arrive

- *Trace it:* థ three times, saying *tha* as you finish each one

Before you move on

Which character is this — థ? What does it carry that త does not? (***tha*** — the same *t* with a puff of breath after it, and not the English *th*.)
One more, from much earlier: గ — what does it do?

33.4 చదువు (caduvu) — "to read," which is also "an education"

Nāku arthamaindi — it became meaning to me. Say it once. Now the verb for the work that gets you there.

You'll want to know: చదువు

చదువు — *caduvu* — **to read; to study**

నేను తెలుగు చదువుతాను. — *nēnu telugu caduvutānu* — "I read Telugu."

Telugu does not split reading from studying, and it builds no separate noun either: చదువు unchanged is "**education, studies**" — what a family means when it says a child's *caduvu* is going well.

The sisters scatter here as completely as they did over seeing: Tamil படி (*paḍi*), Kannada ಓದು (*ōdu*), Malayalam വായിക്കുക (*vāyikkuka*), Telugu చదువు. Four different everyday verbs for one act. DEDR 2327 lists *caduvu* with a query, in an entry that compares Sanskrit *catura*, "clever".

The letters in this word

చ is *ca*, the letter that opens *cūḍu*. దు is ద (*da*) with the *u* sign, and వు is వ (*va*) with the same sign. Three light syllables, each ending in that short *u*.

Grammar Lens: one stem, three middle vowels

when	Telugu
now, or later	*caduvutānu*
already	*cadivānu*
asked politely	*cadavaṇḍi*

cadu-, *cadi-*, *cada-*. The middle vowel moves, and nothing else does.

Chapter 32 gave you the harsh version of this with రా: there the word you call the verb by was not the word the endings attach to, and they went to *vaccu-* instead. This is the mild version — one stem, three vowels, plainly the same word.
The respectful **-అండి** arrives exactly as it did on *cūḍaṇḍi*: **చదవండి** (*cadavaṇḍi*), "please read." The ending never changes; only the stem in front of it does.

Your turn

Say these aloud:

- "nēnu telugu caduvutānu" — I read Telugu
- the three middle vowels — "caduvutānu … cadivānu … cadavaṇḍi"
- the two polite commands — "cūḍaṇḍi … cadavaṇḍi"
- the four sisters' four verbs — "caduvu … paḍi … ōdu … vāyikkuka"
- the chapter so far — "anukuṇṭānu, arthaṁ cēsukuṇṭānu, caduvutānu"

Before you move on

What two English verbs does *caduvu* cover, and what is its noun? (**Read** and **study**; the **same word** — an education.) Say "I read Telugu," then "please read." (*Nēnu telugu caduvutānu*; *cadavaṇḍi*.) What moves between *caduvutānu*, *cadivānu* and *cadavaṇḍi*, and which verb warned you about a second stem? (**The middle vowel**; రా, whose endings went to *vaccu-*.) Do the four sisters share a read-verb? (**No** — *caduvu*, *paḍi*, *ōdu*, *vāyikkuka*.)

33.5 రాయు (rāyu) — "to write," which began as drawing a line

Caduvutānu, *cadivānu*, *cadavaṇḍi* — one stem, three middle vowels. The chapter's last verb is the other half of that one.

You'll want to know: రాయు

రాయు — *rāyu* — **to write**

నేను తెలుగు రాస్తాను. — *nēnu telugu rāstānu* — "I write Telugu."

The past is **రాశాను** (*rāśānu*). Dictionaries often print the headword as **వ్రాయు** (*vrāyu*): not a different verb, just the older spelling, with a *v* gone quiet in speech.

The letters in this word

రా is **ర** (*ra*) — Chapter 32's whole command *rā* — with the long-*ā* sign, and **యు** is **య** (*ya*) with the *u* sign. In **వ్రాయు** a **వ** is stacked in front.

The word, taken apart — its roots and family

That silent *v* is the evidence. **వ్రాయు** goes back to a Dravidian ****warV-***, "to draw a line," and the sisters kept the *v* Telugu buried: Tamil **வரை** (*varai*), Malayalam **വരയ്ക്കുക** (*varaykkuka*), Kannada **ಬರೆ** (*bare*) with a *b*. Every one still means **draw** as readily as **write**.
Telugu's noun keeps the shape: **రాత** (*rāta*), "handwriting" — and, in speech, what is written for you.
One honest note: Tamil's everyday write-verb is **எழுது** (*e̱lutu*), not *varai*. The sisters share the root without agreeing which word does the daily work — the picture *caduvu* left you with.

Grammar Lens: ten verbs, and one machine

Chapter 32 handed you **ఆరు** (*āru*) verbs. Four more makes **పది** (*padi*), ten — and not one needed a new machine. Stem, tense, person: the three slots were already yours. That is what agglutination buys.
What they added is a shape and a habit. The shape is **-క్కో**, which hands the action back to its doer. The habit is Telugu's oldest: *caduvu*, *rāyu* and *anu* are native, while *ālōcana* and *artham*, laid on top, are Sanskrit — *tiṇḍi* beside *bhōjanam*, one chapter on.

Your turn

Say these aloud:

- "nēnu telugu rāstānu" — then "rāśānu"

- the spellings and the sisters — "rāyu … vrāyu … varai … bare"
- the chapter's four — "anukuṇṭānu, arthaṁ cēsukuṇṭānu, caduvutānu, rāstānu"
- the count — "āru", then "padi"
- two dative sentences — "nāku telusu … nāku arthamaindi"

Before you move on

Say "I write Telugu," name the older spelling, and say what the root meant first. (*Nēnu telugu rāstānu*; వ్రాయు; **to draw a line** — Tamil *varai*, Kannada *bare*.) Run this chapter's four verbs, then count them with Chapter 32's. (*Anukuṇṭānu, arthaṁ cēsukuṇṭānu, caduvutānu, rāstānu*; **padi** — *āru* plus four.) What does **-కో** do, and which two carry it? (**Hands the action back to the doer**; *anukō*, *arthaṁ cēsukō*.) Which words here are Sanskrit? (అర్థం and *ālōcana*, with the plain verbs native — *tiṇḍi* against *bhōjanaṁ*.)

Chapter 34

Four Verbs Between People

Modes: 👁 **eyes** (4) 🚗 **Hands-free start:** all 4 lessons.

> ***By the end of this chapter:*** I can say I take, I ask and I help in Telugu, say **నాకు తెలుగు ఇష్టం** knowing there is no verb in it, place it beside the three other dative sentences I have built, and name the branch of Dravidian Telugu actually belongs to.
>
> *Say* **నాకు తెలుగు ఇష్టం** *and unpack it as "to me, Telugu, a liking" with no verb at all; line it up against* **నాకు తెలుగు వచ్చు**, **నాకు తెలుసు** *and* **నాకు అర్థమైంది**; *choose between the native* **నచ్చు** *and* **ఇష్టపడు**, *whose* **పడు** *is the falling of* **వర్షం పడుతోంది**; *and trace* **ఇష్టం** *to the Indo-European root behind English ask.*

34.1 తీసుకో (tīsukō) — "to take," the third verb you do for yourself

> The last four verbs happened inside your head; these four happen between you and somebody else. Say *caduvutānu* and *rāstānu*, and name what *vrāyu*'s root first meant.

You'll want to know: తీసుకో

తీసుకో — *tīsukō* — **to take**

Underneath it is **తీయు** (*tīyu*), "to pull out," and then the **-కో** you have met twice: pull it out, **and keep it**.

తీసుకుంటాను (*tīsukuṇṭānu*), "I take"; **తీసుకున్నాను** (*tīsukunnānu*), "I took" — *tiṇṭānu*'s ending on a different stem. Two whole sentences, from Chapter 15:

నేను నీళ్ళు తీసుకుంటాను. — *nēnu nīḷḷu tīsukuṇṭānu* — "I take water."

నేను బియ్యం తీసుకుంటాను. — *nēnu biyyaṁ tīsukuṇṭānu* — "I take rice."

The letters in this word

తీ is the dental **త** (*ta*) with the long-*ī* sign — *tinu*'s letter, held longer. **సు** is **స** (*sa*) plus *u*; **కో** is *anukō*'s *kō*.

Grammar Lens: three verbs, one ending

the verb	what the -కో adds
anukō	say it — **to yourself**
arthaṁ cēsukō	make the meaning — **yours**
tīsukō	pull it out — **for yourself**

The respectful **-అండి** goes on this one too: **తీసుకోండి** (*tīsukōṇḍi*), "please take" — what a Telugu host says while pushing a dish towards you.

The word, taken apart — its roots and family

కొను (*konu*) is still a verb on its own: "to take, to get, to buy." Its cousins are exact — Tamil **கொள்** (*koḷ*) and Malayalam **കൊള്ളുക** (*koḷḷuka*), both "to hold, to take."

What those two did with it is the good part: they welded it onto the backs of other verbs as an ending, with the very meaning Telugu gives it. So the shape you learned two lessons ago is not a Telugu quirk. It is Dravidian machinery, and *tīsukō* is the verb it started from.

Your turn

Say these aloud:

- "tīyu … kō" → "tīsukō"
- "nēnu nīḷḷu tīsukuṇṭānu" — then with "biyyaṁ", rice
- the three with the ending — "anukō … arthaṁ cēsukō … tīsukō"
- what a host says — "tīsukōṇḍi"
- the cousins — "konu … koḷ … koḷḷuka"

Before you move on

Take *tīsukō* apart, say "I take water," and name the other two verbs with that ending. (తీయు plus **-కో**; *nēnu nīḷḷu tīsukuṇṭānu*; *anukō* and *arthaṁ cēsukō*.) Which verb did the ending come from, and which sisters have it? (కొను; **Tamil** *koḷ*, **Malayalam** *koḷḷuka* — both use it as an ending too.) How do you offer someone food? (తీసుకోండి.)

34.2 అడుగు (aḍugu) — "to ask," and the branch Telugu really sits on

Tīsukuṇṭānu — and its ending belonged to the whole family. This next verb belongs to almost nobody.

You'll want to know: అడుగు

అడుగు — *aḍugu* — **to ask; to request**

అడుగుతాను (*aḍugutānu*), "I ask"; **అడిగాను** (*aḍigānu*), "I asked"; **అడగండి** (*aḍagaṇḍi*), "please ask." *aḍu-*, *aḍi-*, *aḍa-*: the middle vowel wanders as *caduvu*'s did, and the polite **-అండి** rides on unbothered.

One warning: Telugu has a **second** అడుగు, "a foot, a step" — same spelling, different root, nothing to do with asking.

The letters in this word

అ is the standing vowel *a*, as in *anukō*; డు is the retroflex డ (*ḍa*) plus *u*, the *ḍu* ending *cūḍu*; గు is గ (*ga*) plus *u*.

The word, taken apart — its roots and family

The four literary sisters share no ask-verb: Tamil கேள் (*kēḷ*) and Kannada ಕೇಳು (*kēḷu*), which also mean "hear"; Malayalam ചോദിക്കുക (*cōdikkuka*); and Telugu అడుగు, which keeps hearing separate in విను (*vinu*). The Dravidian dictionary's firmest match for *aḍugu* is in none of them: it is **Parji** *aḍ-*, a small language of central India.

That is the clue to something worth naming outright. **Telugu is not in the same branch as Tamil, Kannada and Malayalam.** Those three are **South Dravidian**; Telugu heads **South-Central**

Dravidian, with Gondi, Konda, Kui, Kuvi, Pengo and Manda. That is why so many everyday Telugu words look unlike the sisters' — *lēdu*, *uṇḍu*, *enimidi*, *tommidi* — even when DEDR files them with Tamil *il-*, *uṇṭu*, *eṭṭu* and old *toṇṭu*.

The word, taken apart — its roots and family

For the noun Telugu reaches for Sanskrit: ప్రశ్న (*praśna*), "a question," from प्रच्छ् (*prach*) — an Indo-European root, and the root of Latin *precārī*, which English took as **pray**. Native verb, borrowed noun: *tiṇḍi* and *bhōjanam*, a third time.

Your turn

Say these aloud:

- the three vowels — "aḍugutānu … aḍigānu … aḍagaṇḍi"
- the same wobble — "caduvutānu … cadivānu … cadavaṇḍi"
- four sisters, four verbs — "aḍugu … kēḷ … kēḷu … cōdikkuka"
- Telugu's own branch — "Gondi, Konda, Kui"
- words it explains — "lēdu … uṇḍu … enimidi, tommidi"
- the borrowed noun and its cousin — "praśna … pray"

Before you move on

Say "I ask," "I asked," "please ask," and name the other verb that wanders its middle vowel. (*Aḍugutānu, aḍigānu, aḍagaṇḍi*; చదువు.) Do the four literary sisters share an ask-verb? (**No** — *aḍugu*, *kēḷ*, *kēḷu*, *cōdikkuka*.) Which branch is Telugu on, who is on it, and name two things that explains. (**South-Central Dravidian**, with Gondi, Konda and Kui; why ***lēdu***, ***uṇḍu***, ***enimidi*** and ***tommidi*** look unlike their Tamil cousins.) Where is *praśna* from? (**Sanskrit**, from the root behind English **pray**.)

34.3 సహాయం చేయు (sahāyaṁ cēyu) — "to help," which is a going-together

Aḍagaṇḍi — please ask. Say it, and name where *praśna* came from. The verb that answers is one Chapter 5 walked past.

You'll want to know: సహాయం చేయు

సహాయం చేయు — *sahāyaṁ cēyu* — **to help**

Chapter 5 listed it once, as an example of what *cēyu* does with a noun in front. Take it properly now.

నేను మీకు సహాయం చేస్తాను. — *nēnu mīku sahāyaṁ cēstānu* — "I help you."

The person helped goes in the **dative**: *mīku*, "to you," Chapter 6's **-కు** at ordinary work. Politely: **సహాయం చేయండి** (*sahāyaṁ cēyaṇḍi*). Speech shortens the noun to **సాయం** (*sāyaṁ*).

The letters in this word

స is *sa*; **హా** is **హ** (*ha*) with the long-*ā* sign; **యం** is **య** (*ya*) closed by the **anusvāra**.

The word, taken apart — its roots and family

సహాయం is Sanskrit **सहाय** (*sahāya*), and it comes apart cleanly: **सह** (*saha*), "with," plus **आय** (*āya*), "a going." A helper is **one who goes with you**. Both halves are Indo-European — *saha* is the "one, together" root behind **same** and **similar**, and *āya* is the go-root Latin carries as *īre*, which English took whole in **exit** and **transit**.
The build is Chapter 8's: a borrowed noun in front of the native **చేయు**, as **దయచేసి** was made from *daya*. Kannada and Malayalam borrowed *sahāya* too; **Tamil did not**, keeping its own **உதவி** (*udavi*) — yet for *please* all four reached for *daya*. Borrowing happens **word by word**.

Why it's said this way

Dictionaries record **సహాయం** and **సాయం** side by side, *sāyaṁ* the shorter and more casual. What no source consulted here states is that *sāyaṁ* is a worn-down *sahāyaṁ*. It seems obvious. Obvious is not a citation.

Chapter 31 drew the same line over a greeting: two sources for "real and formal," one for "less common," kept apart.

Your turn

Say these aloud:

- "nēnu mīku sahāyaṁ cēstānu" — I help you
- shorter, then polite — "sāyaṁ cēstānu … sahāyaṁ cēyaṇḍi"
- the halves — "saha … āya" — then "exit … transit"
- two nouns, one verb — "daya cēsi … sahāyaṁ cēyu"
- the sister that kept its own — "udavi"
- the chapter — "tīsukuṇṭānu, aḍugutānu, sahāyaṁ cēstānu"

Before you move on

Say "I help you," name the case the helped person takes, and take *sahāya* apart. (*Nēnu mīku sahāyaṁ cēstānu*; the **dative -కు**; **सह** "with" plus **आय** "a going" — **exit** and **transit** carry the go-half.) Which other word is built on *cēyu* that way, and which sister kept its own? (**దయచేసి**; **Tamil**, with *udavi*.) What may you *not* say about *sāyaṁ*? (**That it comes from *sahāyaṁ*** — that derivation is not sourced here.)

34.4 నాకు తెలుగు ఇష్టం — "I like Telugu," with no verb in it

Sahāyaṁ cēstānu — a going with somebody. Say it, then *tīsukuṇṭānu*. This last sentence has no verb.

You'll want to know: The sentence

నాకు తెలుగు ఇష్టం. *nāku telugu iṣṭaṁ.* — "**to me** — Telugu — **a liking**."

ఇష్టం is a **noun**: "a liking, a wish," and Telugu supplies no *is*, having never needed one. Only the front piece moves — *nāku*, *nīku*, *ataniki*. తెలుసు behaved so too: there the verb had no room for a person; here there is no verb.

The letters in this word

ఇ is the standing vowel *i*; ష్ట is the conjunct ష (*ṣa*) over ట (*ṭa*).

Grammar Lens: the fourth dative sentence, and two ways round it

Four sentences, one idea: *nāku telugu vaccu*, a **skill**; *nāku telusu*, a **fact**; *nāku arthamaindi*, a meaning that **landed**; *nāku telugu iṣṭaṁ*, a **taste**. Chapter 6's dative subject was no curiosity: it is how Telugu files what happens **to** you.
A native verb does it too — నచ్చు (*naccu*), "to be pleasing": నాకు తెలుగు నచ్చింది (*nāku telugu naccindi*). Tamil நச்சு and Kannada ನಚ್ಚು are the same verb: *iṣṭaṁ* displaced nothing.
One shape takes an ordinary subject: ఇష్టపడు (*iṣṭapaḍu*), నేను ఇష్టపడతాను — *iṣṭaṁ* plus పడు (*paḍu*), "to fall," Chapter 20's verb in వర్షం పడుతోంది. Liking is something you **fall into**.

The word, taken apart — its roots and family

ఇష్టం is Sanskrit इष्ट (*iṣṭa*), "desired," from इष् (*iṣ*) — an Indo-European root whose English descendant is **ask**. So this chapter carried two asking-roots, not one: *prach* behind *pray*, *iṣ* behind *ask*. Telugu's అడుగు is cousin to neither: its relatives are Gondi and Kui.
Spanish *me gusta*, Italian *mi piace*, Hindi *mujhe pasand hai*, Bengali *āmār bhālo lāge*, Tamil *eṉakkut tamiḻ piḍikkum* — and now *nāku telugu iṣṭaṁ*. **Six languages, three unrelated families, one design**, with Chapter 6's Dravidian seam showing: **-ku**, **-ukku**, **-ge**, **-ikku**.

Your turn

Say these aloud:

- "nāku telugu iṣṭaṁ" — "to me, Telugu, a liking"
- three likers — "nāku … nīku … ataniki telugu iṣṭaṁ"

- the four datives — “vaccu … telusu … arthamaindi … iṣṭaṁ”
- native, then falling — “naccindi … iṣṭapaḍatānu”
- the chapter — “tīsukuṇṭānu, aḍugutānu, cēstānu, iṣṭaṁ”
- the endings — “-ku · -ukku · -ge · -ikku”

Before you move on

Say “I like Telugu,” say how many verbs it holds, and name the four datives. (*Nāku telugu iṣṭaṁ*; **none**; *vaccu* a **skill**, *telusu* a **fact**, *arthamaindi* a **landing**, *iṣṭaṁ* a **taste**.) Which native verb does the same job, and what hides inside *iṣṭapaḍu*? (**నచ్చు**; **పడు**, the falling of *varṣaṁ paḍutōndi*.) Which English word is *iṣṭaṁ*’s cousin, and is it *praśna*’s? (**Ask**; **no**, that is **pray** — and **six** languages in **three** families build liking so.)

Chapter 35

Family and Friends

Modes: 🚗 **voice** (2) 🚗 **Hands-free start:** both lessons.

> ***By the end of this chapter:*** I can name my family as a group in Telugu and name a friend, and say which of the two words is a Sanskrit loan and which is Telugu's own native word.
>
> *Say* ఇది నా కుటుంబం *and* ఇతను నా స్నేహితుడు*, trace* కుటుంబం *and* స్నేహితుడు *back to Sanskrit, and set* స్నేహితుడు *beside the native, DEDR-attested* నేస్తం*.*

35.1 కుటుంబం (kuṭumbaṁ) — "family," the word the household words never needed

> *Nāku telugu iṣṭaṁ* closed the last chapter on a sentence built from nothing but nouns. This chapter opens on the plainest nouns of all: the words for the people you would actually say that sentence to.

You'll want to know: కుటుంబం

> **కుటుంబం** — *kuṭumbaṁ* — **family**
>
> **నా కుటుంబం** — *nā kuṭumbaṁ* — "my family"

నా, "my," has been yours since one of the very first words you learned.

The word, taken apart — its roots and family

కుటుంబం is Sanskrit कुटुम्ब (*kuṭumba*), "family, household," carried into Telugu whole — the same kind of tatsama loan as నమస్కారం and సంతోషం.
Your earlier family-words lesson gave you six words: నాన్న, అమ్మ, and the four age-graded siblings అన్న/తమ్ముడు, అక్క/చెల్లి. Every one is native Dravidian, and not one of them means "family" — each names a single specific person. Telugu never inherited a plain word for the group itself, so when it needed one, it reached for Sanskrit. The people came first, and stayed native; the collective came later, and came borrowed — the same split you already met between *tinu* and *bhōjanaṁ*.

Your turn

Say these aloud:

- "nā kuṭumbaṁ" — my family
- the six named people, then the borrowed group word — "nānna, amma, anna, tammuḍu, akka, celli … kuṭumbaṁ"
- "nāku telugu iṣṭaṁ" — once more, no verb in it

Before you move on

Say "my family." (*Nā kuṭumbaṁ.*) Is *kuṭumbaṁ* native Dravidian or a loan? (**A Sanskrit loan**, like *namaskāram* and *santōṣam.*) Name the six family words from that earlier lesson. (*Nānna, amma, anna, tammuḍu, akka, celli.*) Which of those six means "family" as a group? (**None of them** — that's exactly the gap *kuṭumbaṁ* fills.)

35.2 స్నేహితుడు (snēhituḍu) — "friend," and the native word beside it

Kuṭumbaṁ named the people you're related to. This word names the people you choose.

You'll want to know: స్నేహితుడు

> **స్నేహితుడు** — *snēhituḍu* — **friend** (male; **స్నేహితురాలు**, *snēhiturālu*, for a female friend)
>
> **ఇతను నా స్నేహితుడు.** — *itanu nā snēhituḍu.* — "This is my friend."

The word, taken apart — its roots and family

స్నేహితుడు is built on Sanskrit **स्नेह** (*sneha*), "affection, love" — the same kind of tatsama loan as *kuṭumbaṁ* itself, plus a Telugu agentive ending. Telugu also has a **native** word for friendship: **నేస్తం** (*nēstaṁ*), catalogued in the Dravidian Etymological Dictionary alongside the related forms *neyyamu*, *neyyami*, and *neyyari* — all clustered around friendship, love, and tenderness. *Nēstaṁ* is real and still heard, but the everyday choice for "friend" is the borrowed one, *snēhituḍu* — the same pattern already found with *sahāyaṁ cēyu*, where the everyday verb is built on a Sanskrit noun too.

Your turn

Say these aloud:

- "itanu nā snēhituḍu" — this is my friend
- the borrowed word and the native one — "snēhituḍu … nēstaṁ"
- family, then friend — "kuṭumbaṁ … snēhituḍu"

Before you move on

Say "this is my friend." (*Itanu nā snēhituḍu.*) Is *snēhituḍu* native or borrowed? (**A Sanskrit loan**, from *sneha*, "affection.") What is Telugu's own native word for friendship, and is it the everyday choice? (**నేస్తం**, *nēstaṁ* — real, but **not** the everyday choice; that's the borrowed word.)

Chapter 36

Son and Daughter, Two Different Roots

Modes: 🚗 **voice** (2) 🚗 **Hands-free start:** both lessons.

> ***By the end of this chapter:*** I can say son and daughter in Telugu, and show that they trace to two different Proto-Dravidian roots rather than one shared root.
>
> *Line up* కొడుకు *and* కూతురు *against their two separate Proto-Dravidian roots, trace* కొడుకు*'s own root sideways to* కోడలు *("daughter-in-law"), and trace* కూతురు*'s root across the family to Kannada's word for infant.*

36.1 కొడుకు (koḍuku) — "son," and the unexpected word it shares a root with

Kuṭumbaṁ, family; *snēhituḍu*, friend. Now the two words for your own children — and Telugu does not build them the tidy way you might expect.

You'll want to know: కొడుకు

కొడుకు — *koḍuku* — **son**

వాడి కొడుకు వయసెంత? — *vāḍi koḍuku vayasenta?* — "How old is his son?" — the verbless age question you already know, asked about someone else's child.

The word, taken apart — its roots and family

కొడుకు is inherited from Proto-Dravidian ***kōẓ-**, "young, tender." You might expect "daughter," Telugu's other child-word, to share that same root with a different ending — that is exactly the shape Kannada's *magu/maga/ magalu* takes. Telugu does not do that. The very same ***kōẓ-** root instead gives Telugu **కోడలు** (*kōḍalu*), "**daughter-in-law**" — the woman a son marries, not the daughter a parent has. So *koḍuku* and *kōḍalu* are true cognates, one root apart; *koḍuku* and *kūturu* — son and daughter — are not related to each other at all. The next lesson takes up *kūturu*'s own, separate root.

Your turn

Say these aloud:

- "koḍuku" — son
- "vāḍi koḍuku vayasenta?" — how old is his son?
- the unexpected cognate — "koḍuku … kōḍalu" — son, daughter-in-law
- three words for people — "kuṭumbaṁ … snēhituḍu … koḍuku"

Before you move on

Say "son." (*Koḍuku.*) What Proto-Dravidian root does it come from, and what other Telugu word shares that exact root? (***kōẓ-**, "young, tender" — shared with **కోడలు**, "daughter-in-law," not with "daughter" itself.) Ask "how old is his son?" (*Vāḍi koḍuku vayasenta?*)

36.2 కూతురు (kūturu) — "daughter," on a root all its own

Koḍuku's root turned up again inside a completely different Telugu word. This word's root does something even less expected: it turns up inside a different **language**.

You'll want to know: కూతురు

కూతురు — *kūturu* — **daughter**

నా కూతురు. — *nā kūturu.* — "My daughter."

The word, taken apart — its roots and family

కూతురు is inherited from Proto-Dravidian ***kūnttu** — a root with **no connection** to *koḍuku*'s ***kōẓ-**. Telugu's two child-words are not a matched pair; they are two separate inheritances that happen to sit side by side in the same sentence.
Kūturu's cousin is not in Telugu at all. Kannada **కూసు** (*kūsu*), "**infant, maiden**," answers to the very same root. So the word a Telugu speaker uses for "my daughter" and the word a Kannada speaker uses for "the baby" are, underneath, one and the same — a reminder that a cognate does not have to keep the same *sense* as it crosses a language boundary, only the same root.

Your turn

Say these aloud:

- "nā kūturu" — my daughter
- son, then daughter — "koḍuku … kūturu" — two unrelated roots
- the cross-language cousin — "kūturu … kūsu" — daughter, infant
- friend, son, daughter — "snēhituḍu … koḍuku … kūturu"

Before you move on

Say "my daughter." (*Nā kūturu.*) Does *kūturu* share a root with *koḍuku*? (**No** — two separate Proto-Dravidian roots.) What word in another Dravidian language answers to *kūturu*'s own root, and what does it mean there? (**Kannada కూసు** *kūsu*, "**infant, maiden**.")

Chapter 37

Four Words on the Face

Modes: 🚗 **voice** (4) 🚗 **Hands-free start:** all 4 lessons.

> ***By the end of this chapter:*** I can name my eye, ear, nose and mouth in Telugu, and say which three the family agrees on and which one Telugu's word does not obviously match.
>
> *Name* కన్ను, చెవి, ముక్కు *and* నోరు*; close the loop Chapter 32 left open on* కన్ను*; and say why* నోరు*, unlike the other three, shows no visible trace of the shared vāy root Tamil, Malayalam and Kannada all carry.*

37.1 కన్ను (kannu) — "eye," a word you've already met once

One from much earlier first. Tamil says *ēḻu* for seven, with its rare *ḻ*. What did Telugu turn that sound into? (A plain **ఴ** — *ēẽḍu.*)

Head and hand, taught earlier, gave you your first two body words. This chapter gives you four more — starting with one this book has secretly used before.

You'll want to know: కన్ను

కన్ను — *kannu* — **eye**

నా కన్ను. — *nā kannu.* — "My eye."

Three body words now, with two from that earlier lesson: *tala*, *ceyyi*, *kannu* — and *koḍuku*, "son," still fresh, one lesson back.

The word, taken apart — its roots and family

కన్ను already appeared earlier, inside the *cūḍu* lesson's own etymology note for చూడు — as proof that Tamil *pār*, Kannada *nōḍu*, Malayalam *kāṇuka*, and Telugu *cūḍu*, four completely unrelated everyday see-verbs, all sit beside the very same ancient eye-word: Telugu *kannu*, Tamil *kaṇ*, Kannada *kaṇṇu*, Malayalam *kaṇṇ*. That chapter named the word without ever teaching it. This lesson closes the loop.
Like *tala* ("head") and *ceyyi* ("hand," a cognate reshaped almost past recognition) before it, *kannu* is native Dravidian, and here the whole family agrees on it plainly — no reshaping required.

Your turn

Say these aloud:

- "nā kannu" — my eye
- the four sisters' shared eye — "kannu … kaṇ … kaṇṇu … kaṇṇ"
- three body words — "tala … ceyyi … kannu"
- son, daughter, eye — "koḍuku … kūturu … kannu"

Before you move on

Say "my eye." (*Nā kannu.*) Which earlier lesson already used this exact word, and what did it prove? (**The *cūḍu* lesson's** etymology note — that all four Dravidian sisters share one eye-root behind four unrelated see-verbs.) Name the two body words from that earlier lesson. (తల, *tala*, and చెయ్యి, *ceyyi*.)

37.2 చెవి (cevi) — "ear," matching Tamil almost letter for letter

Kannu matched its cousins closely but not exactly. This word matches even more closely.

You'll want to know: చెవి

చెవి — *cevi* — **ear**

నా చెవి. — *nā cevi.* — "My ear."

The word, taken apart — its roots and family

చెవి is native Dravidian, and it answers Tamil **செவி** (*cevi*) almost syllable for syllable — a plainer, closer match than *kannu* found with Tamil *kaṇ* just one lesson ago. Two body words in a row, both native, both recognizably the same family — but "close cousin" is not "identical twin": each word drifts by its own amount, and *cevi* simply happened to drift less.

Your turn

Say these aloud:

- "nā cevi" — my ear
- the near-match — "cevi … cevi"
- eye, then ear — "kannu … cevi"
- daughter, then ear — "kūturu … cevi"

Before you move on

Say "my ear." (*Nā cevi.*) Which Dravidian cousin's word for ear matches *cevi* most closely? (**Tamil** *cevi* — almost syllable for syllable.) Did *kannu* match its cousins that closely? (**Not quite** — one vowel apart from Tamil's *kaṇ*.)

37.3 ముక్కు (mukku) — "nose," an inherited word with a second word's fingerprints on it

Eye and ear both descend cleanly from their Proto-Dravidian roots. This word descends too — but not quite cleanly.

You'll want to know: ముక్కు

ముక్కు — *mukku* — **nose**

నా ముక్కు. — *nā mukku.* — "My nose."

The word, taken apart — its roots and family

ముక్కు descends from Proto-Dravidian ***mūnk(k)u**, and it is a real cognate of Kannada *mūgu*, Malayalam *mūkkŭ*, and Tamil *mūkku*. But comparative Dravidian scholarship flags Telugu's own reflex as **irregular**: the consonant in the middle of the word is probably not a clean, regular descendant of **mūnk(k)u* alone. It looks contaminated by a separate Dravidian root, ***mok-**, "face" — as if two related words leaned on each other and left a mark. *Cevi* showed a word that drifted very little; *mukku* shows one that drifted in a specific, traceable way, nudged by its neighbour.

Your turn

Say these aloud:

- "nā mukku" — my nose
- the cousins — "mukku … mūgu … mūkkŭ … mūkku"
- three body words so far — "kannu … cevi … mukku"

Before you move on

Say "my nose." (*Nā mukku.*) Is *mukku* a regular or an irregular reflex of its Proto-Dravidian root? (**Irregular** — likely contaminated by the separate root **mok-*, "face.") Which two body words so far were plain, regular matches with their cousins? (కన్ను and చెవి.)

37.4 నోరు (nōru) — "mouth," the word that breaks the chapter's pattern

Eye, ear, nose — three native words, three visible matches with the family, one plainer than the next. The fourth face word does not keep that streak going.

You'll want to know: నోరు

నోరు — *nōru* — **mouth**

నా నోరు. — *nā nōru.* — "My mouth."

Four body words done: *kannu*, *cevi*, *mukku*, *nōru*.

The word, taken apart — its roots and family

Tamil and Malayalam both say **வாய்/vāyi** (*vāy*), "mouth," and Kannada's **ಬಾಯಿ** (*bāyi*) answers it through a regular sound law that turns a Tamil word-initial *v-* into Kannada *b-*. Three sisters, one shared root, one visible law.
నోరు does not obviously belong to that set. It shows no trace of *vāy*, and no source consulted here states what its own deeper Proto-Dravidian root actually is — so nothing is invented for it, the same discipline applied earlier to *veḷḷu*'s own unresolved history. After three straight matches — *kannu* plain, *cevi* nearly exact, *mukku* traceably contaminated but still clearly related — *nōru* is the one face word where this book cannot show you the family resemblance, only note honestly that it is not there to show.

Your turn

Say these aloud:

- "nā nōru" — my mouth
- the shared root Telugu sits outside of — "vāy … bāyi … nōru"
- all four face words — "kannu … cevi … mukku … nōru"

Before you move on

Name all four face words. (**కన్ను, చెవి, ముక్కు, నోరు**.) Which three Dravidian sisters share one root and one sound law for "mouth," and does Telugu's word visibly belong with them? (**Tamil, Malayalam, and Kannada**, on *vāy*; **no** — *nōru* shows no trace of it, and its own root is not confirmed by any source consulted here.)

Chapter 38

The Heart, Two Ways

Modes: **voice** (1) **eyes** (1) **Hands-free start:** both lessons.

> ***By the end of this chapter:*** I can name my heart in Telugu two ways, the everyday native word and the literary Sanskrit loan, and trace the Sanskrit one to the same Proto-Indo-European root as the English word heart.
>
> *Say* నా గుండె *and* నా హృదయం నీది, *set the everyday native word beside the literary Sanskrit loan, and trace* హృదయం *to the same PIE root as English heart, Latin cor and Greek kardía.*

38.1 గుండె (guṇḍe) — "heart," the everyday native word

Four face words done, one of them an honest gap. This chapter gives you a fifth body word — and then, unusually, a second word for the very same thing.

You'll want to know: గుండె

గుండె — *guṇḍe* — **heart**

నా గుండె. — *nā guṇḍe.* — "My heart."

The word, taken apart — its roots and family

గుండె is inherited from Proto-Dravidian ***kuṇṭV**, and it is cognate with Kannada's own native heart-word, **గుండిగే** (*guṇḍige*) — plainly

the same root, wearing a different Telugu and Kannada shape. *Guṇḍe* is the plain, physical, everyday word: the organ beating in your chest. The next lesson gives Telugu's *other* word for heart — not a synonym so much as a different register entirely.

Your turn

Say these aloud:

- "nā guṇḍe" — my heart
- the Kannada cognate — "guṇḍe … guṇḍige"
- five body words — "kannu … cevi … mukku … nōru … guṇḍe"

Before you move on

Say "my heart." (*Nā guṇḍe.*) Is *guṇḍe* native or borrowed? (**Native Dravidian**, from Proto-Dravidian **kuṇṭV.*) Which language carries a matching native heart-word? (**Kannada**, *guṇḍige.*)

38.2 హృదయం (hṛdayaṁ) — "heart," and a genuine cousin of the English word

Guṇḍe is the heart beating in your chest. This word is the heart Telugu reaches for in a poem, a speech, or a love letter.

You'll want to know: హృదయం

హృదయం — *hṛdayaṁ* — **heart** (literary, emotional register)

నా హృదయం నీది. — *nā hṛdayaṁ nīdi.* — "My heart is yours."

The letters in this word

హృ is హ (*ha*) carrying the **vocalic-r vowel sign** ృ — the *dependent* form of the same vowel taught earlier as the *independent* letter ఋ, standing alone at the front of ఋతువు. Same vowel, two shapes: one when it opens a word, another when it rides on a consonant. దయం closes with the familiar అనుస్వార ం.

The word, taken apart — its roots and family

హృదయం is Sanskrit **हृदय**, built on **हृद्** (*hṛd*), "heart." That Sanskrit root and the English word **heart** are not a coincidence of sound — both descend from the same reconstructed Proto-Indo-European root, ***ḱērd-**. Latin's **cor** (genitive *cordis*, the source of English *cordial* and *courage*) and Greek's **kardía** (behind *cardiac*) come from that exact same root. Four languages, one ancient word.
Telugu keeps *hṛdayaṁ* beside native *guṇḍe* the same way it keeps Sanskrit *bhōjanaṁ* beside native *tiṇḍi*: the plain, physical word stays Dravidian; the word for ceremony, poetry, and feeling is layered on top from Sanskrit.

Your turn

Say these aloud:

- "nā hṛdayaṁ nīdi" — my heart is yours
- the four cousins — "hṛd … heart … cor … kardía"
- native, then literary — "guṇḍe … hṛdayaṁ"
- all six body words now — "kannu … cevi … mukku … nōru … guṇḍe … hṛdayaṁ"

Before you move on

Say "my heart is yours." (*Nā hṛdayaṁ nīdi.*) Is *hṛdayaṁ* a real Indo-European cousin of English "heart," or just a coincidence of sound? (**A real cousin** — both from PIE **ḱērd-*, alongside Latin *cor* and Greek *kardía*.) Which is the everyday, physical word for heart, and which is literary? (**గుండె** everyday; **హృదయం** literary.)

Chapter 39

Tea and Milk, Two Roads

Modes: 🚗 **voice** (2) ✓ **pen** (1) 🚗 **Hands-free start:** the first 2 of 3 lessons.

> ***By the end of this chapter:*** I can politely ask for tea or milk in Telugu, and say which word travelled by sea and which one three Dravidian cousins share under one regular sound law.
>
> *Ask* దయచేసి టీ *and* దయచేసి పాలు*, follow* టీ *along its sea route through Hokkien and Malay against the overland chai route, then place* పాలు *beside Tamil and Malayalam's matching pāl against Kannada's own p-to-h shift.*

39.1 దయచేసి టీ (dayacēsi ṭī) — "tea, please," a word that sailed rather than walked

> Two ways to say heart, done. దయచేసి — please, taught earlier — is about to earn its keep again, in front of the drink you'd politely ask for first.

You'll want to know: టీ

> **టీ** — *ṭī* — **tea**
>
> **దయచేసి టీ.** — *dayacēsi ṭī.* — "Tea, please."

Day to day, Telugu politeness usually rides on the **-అండి** verb ending already named as the everyday carrier — but a bare request for a drink, with no verb at all, is exactly where **దయచేసి** itself does the work instead.

The word, taken apart — its roots and family

టీ is a direct loan from English **tea**. English's own word traces to **Hokkien** (Southern Min Chinese) **tê**, carried west by Dutch and English sea trade through **Malay** *teh* and into Europe — the **sea** route.
That is the opposite road from the word most of Telugu's neighbours use. Hindi, Kannada, and Marathi all say some form of **chai**, which travelled **overland**: Mandarin **chá**, into Persian چای (*chāy*), and from Persian into North and South India alike. One drink, two Chinese dialects, two trade routes, two families of words — and Telugu's coastal contact with English trade left it holding the sea-word, **ṭī**, where its landlocked neighbours picked up the land-word instead.

Your turn

Say these aloud:

- "dayacēsi ṭī" — tea, please
- the sea route — "tê … teh … tea … ṭī"
- the land route it is not — "chá … chāy … chai"

Before you move on

Say "tea, please." (*Dayacēsi ṭī.*) Did *ṭī* travel by land or by sea, and through which languages? (**By sea** — Hokkien *tê*, Malay *teh*, English *tea.*) Which word, common in Hindi, Kannada, and Marathi, took the overland road instead, and through which languages? (**Chai** — Mandarin *chá*, Persian *chāy.*)

39.2 పాలు (pālu) — "milk," where Kannada is the odd one out, not Telugu

Ṭī showed Telugu going its own way against most of its neighbours. This word shows the opposite: Telugu sits with the majority, and one cousin stands alone.

You'll want to know: పాలు

పాలు — *pālu* — **milk**

దయచేసి పాలు. — *dayacēsi pālu.* — "Milk, please."

The word, taken apart — its roots and family

పాలు descends, unchanged, from Proto-Dravidian ***pāl** — matching Tamil பால் (*pāl*) and Malayalam പാൽ (*pāl*) exactly. Kannada alone says ಹಾಲು (*hālu*), because Kannada carries a **regular sound law** that turns a word-initial Dravidian *p-* into *h-*: the same law that turns Tamil பத்து (*pattu*, "ten") into Kannada ಹತ್ತು (*hattu*). Telugu, Tamil, and Malayalam all keep the original *p-*; only Kannada shifted it.
So the pattern this chapter has been building — Telugu sometimes matching its neighbours, sometimes standing apart — flips one more time: here it is **Kannada** standing apart, not Telugu.

Your turn

Say these aloud:

- "dayacēsi pālu" — milk, please
- the three that match — "pālu … pāl … pāl"
- the one that shifted — "pālu … hālu"
- tea, then milk — "ṭī … pālu"

Before you move on

Say "milk, please." (*Dayacēsi pālu.*) Which three Dravidian languages keep the original *p-* in "milk," and which one shifts it to *h-*? (**Telugu, Tamil, and Malayalam** keep *p-*; **Kannada** alone shifts to *h-*, *hālu.*) Name one other word pair that shows the same Kannada sound law. (**Tamil pattu, Kannada hattu** — "ten.")

39.3 ◌ృ — one character, met inside a word you already say

Before the new one: థ — what does it do? And one from further back: జ?

> One character this time — and you have been saying it for pages without knowing which mark on the page it was.

Script you'll notice: ృ

ృ — *ṛ*.

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *ṛ*. Replaces, not adds — the *a* is gone.

This is the second shape of a vowel you already traced whole. Back at the seasons you met ఋ, the independent letter that opens ఋతువు. When the same vowel has to ride on a consonant instead of opening a word, it sheds that standing shape and becomes this mark. One vowel, two shapes, chosen by where in the word it falls — exactly the arrangement you know from ఉ and ు, and from ఎ and ె.

You already say this one:

- హృదయం *hṛdayaṁ* — heart, the word for poems rather than for chests

Take it apart: హ, the letter from the borrowings, carrying ృ. Not *ha* any more, and not *hru* with a vowel added — the built-in *a* has been swapped out, and what is left is **hṛ**.

Writing: ృ — copy what you see

Put your pen on ృ and follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at these two, and say which one carries the sign and which carries the standing letter

  హృదయం · ఋతువు

- *Trace it:* ృ three times, saying *ṛ* as you finish each one
- *Look:* at హ్మా, and name its two pieces

Before you move on

Which character is this — ృ? What vowel does it put on the consonant it attaches to, and what does it take off? (**Puts *ṛ* on; takes the built-in *a* off.**) Which standing letter is its partner? (ఋ.)
One more, from much earlier: ్ — what does it do?

Chapter 40

A Meal

Modes: **voice** (1) **eyes** (1) **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can say I am having a meal in Telugu, using the word an earlier chapter already used and never explained.
>
> *Say* భోజనం చేద్దాం, *explain* భోజనం *against everyday* తిండి *the way Chapter 32 first set them side by side, and apologise for a late meal with Chapter 9's* క్షమించండి.

40.1 భోజనం (bhōjanaṁ) — "a meal," a word this book named before it ever taught it

> Tea, then milk. This chapter's last word is not a drink — it is the meal you would sit down to with both.

You'll want to know: భోజనం

> **భోజనం** — *bhōjanaṁ* — **a meal**
>
> **భోజనం చేద్దాం.** — *bhōjanaṁ cēddāṁ.* — "Let's eat" (literally, "let's do a meal").

The *tinu* lesson already used this exact word, in passing, as the polite counterpart of native **తిండి** — without ever teaching it properly. This lesson finally does.

The word, taken apart — its roots and family

భోజనం is Sanskrit **भोजन**, built on **भुज्** (*bhuj*), "to enjoy, to partake of, to eat." It sits above native **తిండి** the same way **దయచేసి** sits above the everyday **-అండి** ending: a formal Sanskrit layer over a plain Dravidian floor. **కన్ను**, "eye," was a word this book had already used once, unglossed, inside an etymology note — this lesson does the very same thing for **భోజనం**, which was named earlier without ever being taught. If a meal runs late, Telugu reaches for the apology word taught earlier: **భోజనం ఆలస్యం అయింది, క్షమించండి** — "the meal is late, sorry" — the same respectful **-అండి** ending that first met you on **దయచేసి**'s own everyday alternative.

Your turn

Say these aloud:

- "bhōjanaṁ cēddāṁ" — let's eat
- native, then borrowed — "tiṇḍi … bhōjanaṁ"
- the apology — "bhōjanaṁ ālasyaṁ ayindi, kṣamiñcaṇḍi"
- the chapter — "ṭī … pālu … bhōjanaṁ"

Before you move on

Say "let's eat." (*Bhōjanaṁ cēddāṁ.*) Which earlier lesson already used *bhōjanaṁ*, without teaching it as its own word? (**The *tinu* lesson.**) Apologise for a late meal, using the word you learned earlier. (*Bhōjanaṁ ālasyaṁ ayindi, kṣamiñcaṇḍi.*)

40.2 The table words, second pass — and how to ask for them

Three words, from memory and without the page: tea, milk, and the word for a meal.

You'll want to know: three words, three different journeys

The three sit together on a table and came from three different places:

word	where it came from
టీ *ṭī*	borrowed, and by sea rather than by the overland road
పాలు *pālu*	the family's own — the whole Dravidian group shares it
భోజనం *bhōjanaṁ*	Sanskrit, and formal in tone because of it

భోజనం is the one to weigh. It is not the everyday word for food; it is the polite noun for **a meal**, the sit-down kind, and its tone is the reason it belongs beside *please* rather than beside a shopping list.

Grammar Lens: two ways to put "please" on a request

Asking for any of the three uses what దయచేసి and the -ండి ending settled:

- The -ండి ending on the verb is where ordinary Telugu keeps *please*. A request with it is already polite.
- దయచేసి is the extra warmth on top — formal, or emphatic, and not the everyday word English speakers expect it to be.

So దయచేసి టీ is a warm, slightly formal ask, and the same request made with a -ండి verb and no దయచేసి is the ordinary polite one. Neither is rude.

Your turn: ask for each

Say these aloud:

- tea, please — the two-word form you learned with it
- the same ask with milk in place of tea
- the word for a meal, and notice it sounds more formal than the other two
- which of the three a host would offer you first

Before you move on

Which of the three words is the family's own? (పాలు.) Which arrived from Sanskrit, and what does that do to its tone? (భోజనం — it makes it **formal**.) Where does everyday Telugu keep *please*? (**In the -ండి ending on the verb.**) And what is దయచేసి for? (**Extra warmth, or formality, on top of an ending that is already polite.**)

Chapter 41

Pointing, and Asking

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can point at something in Telugu and ask who or where it is — and I can say what the six words have in common.
>
> *Say the near word, the far word and the question word in a row, and name the part that changed.*

41.1 ఇది (idi) — this one — the thing near me

You can already name things. This is how you POINT at them.

You'll want to know: ఇది

ఇది — *idi* — this one — the thing near me.

Say it, and picture the thing it lands on as you say it. That is the whole word: it does not mean anything on its own, it means whatever the speaker is pointing at.

Its partner, the far one, comes in the next lesson. The two of them differ by one sound at the front — **i-** for near — and that is not a coincidence. It is the whole system, and the last lesson of this chapter says so.

The word, taken apart — its roots and family

ఇది (*idi*) is native Dravidian, one word with Tamil *itu* and Kannada *idu* (DEDR 410). It is built on the near-pointing base *i-*, "this".

Your turn

Say these aloud:

- "ඉදි" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *idi*? (this one — the thing near me.) What sound does it start with, and does that sound mean near, far, or a question? (**i-** — near.)

41.2 අදි (adi) — that one — the thing over there

You can already name things. This is how you POINT at them.

You'll want to know: අදි

අදි — *adi* — that one — the thing over there.

Say it, and picture the thing it lands on as you say it. That is the whole word: it does not mean anything on its own, it means whatever the speaker is pointing at.

Its partner is **ඉදි** *idi*, which you have just met. The two of them differ by one sound at the front — **a-** for far — and that is not a coincidence. It is the whole system, and the last lesson of this chapter says so.

The word, taken apart — its roots and family

අදි (*adi*) is native Dravidian, one word with Tamil *atu* and Kannada *adu* (DEDR 1). It is built on the far-pointing base *a-*, "that".

Your turn

Say these aloud:

- "අදි" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *adi*? (that one — the thing over there.) What sound does it start with, and does that sound mean near, far, or a question? (**a-** — far.)

41.3 ఇక్కడ (ikkaḍa) — here — where I am

You can already name things. This is how you POINT at them.

You'll want to know: ఇక్కడ

ఇక్కడ — *ikkaḍa* — here — where I am.

Say it, and picture the thing it lands on as you say it. That is the whole word: it does not mean anything on its own, it means whatever the speaker is pointing at.

Its partner, the far one, comes in the next lesson. The two of them differ by one sound at the front — **i-** for near — and that is not a coincidence. It is the whole system, and the last lesson of this chapter says so.

The word, taken apart — its roots and family

ఇక్కడ (*ikkaḍa*) is native Dravidian, built on the near-pointing base *i-*, "this". DEDR 410 lists *ikkaḍa*, "this place, here", itself.

Your turn

Say these aloud:

- "**ఇక్కడ**" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *ikkaḍa*? (here — where I am.) What sound does it start with, and does that sound mean near, far, or a question? (**i-** — near.)

41.4 అక్కడ (akkaḍa) — there — where I am not

You can already name things. This is how you POINT at them.

You'll want to know: అక్కడ

అక్కడ — *akkaḍa* — there — where I am not.

Say it, and picture the thing it lands on as you say it. That is the whole word: it does not mean anything on its own, it means whatever the speaker is pointing at.

Its partner is **ఇక్కడ** *ikkaḍa*, which you have just met. The two of them differ by one sound at the front — **a-** for far — and that is not a coincidence. It is the whole system, and the last lesson of this chapter says so.

The word, taken apart — its roots and family

అక్కడ (*akkaḍa*) is native Dravidian, built on the far-pointing base *a-*, "that". DEDR 1 lists *akkaḍa*, "that place, there", itself.

Your turn

Say these aloud:

- "అక్కడ" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *akkaḍa*? (there — where I am not.) What sound does it start with, and does that sound mean near, far, or a question? (**a-** — far.)

41.5 ఎవరు (evaru) — who? — asking about a person

You can already name things. This is how you ASK about them.

You'll want to know: ఎవరు

ఎవరు — *evaru* — who? — asking about a person.

Say it with an asking voice. It points at no one: it asks your listener to name the person.

Its partner, the question word for place, comes in the next lesson, and it opens with the same **e-**. That is the pattern: the near words you know open with **i-** (**ఇది** *idi*, **ఇక్కడ** *ikkaḍa*), the far ones with **a-** (**అది** *adi*, **అక్కడ** *akkaḍa*), and the asking words with **e-**. The last lesson of this chapter lays it out.

The word, taken apart — its roots and family

ఎవరు (*evaru*) is native Dravidian, built on the question base *e-*. DEDR 5151 lists *evaru*, "who", itself, with Tamil *yār*, "who".

Your turn

Say these aloud:

- "**ఎవరు**" three times, asking about a different person each time
- it once with a word you already know after it

Before you move on

What is *evaru*? (who? — asking about a person.) What sound does it start with, and does that sound mean near, far, or a question? (**e-** — ask.)

41.6 ఎక్కడ (ekkaḍa) — where? — asking about a place

You can already name things. This is how you ASK about them.

You'll want to know: ఎక్కడ

ఎక్కడ — *ekkaḍa* — where? — asking about a place.

Say it with an asking voice. It points at no place: it asks your listener to point one out.

Its partner is ఎవరు *evaru*, which you have just met: both open with **e-**, the asking sound. Its other partners, ఇక్కడ *ikkaḍa* and అక్కడ *akkaḍa*, differ from it only at the front. That is the whole system, and the last lesson of this chapter says so.

The word, taken apart — its roots and family

ఎక్కడ (*ekkaḍa*) is native Dravidian, built on the question base *e-*. DEDR 5151 lists *ekkaḍa*, "where", itself, with Tamil *eṅku*, "where".

Your turn

Say these aloud:

- "ఎక్కడ" three times, asking about a different place each time
- it once with a word you already know after it

Before you move on

What is *ekkaḍa*? (where? — asking about a place.) What sound does it start with, and does that sound mean near, far, or a question? (**e-** — ask.)

41.7 i- / a- / e- — six words, one machine

Say the six words from this chapter out loud, in order. Listen to how they begin.

Grammar lens: one slot changes

You did not learn six words. You learned **three beginnings** and reused them.

meaning	word
near	ఇక్కడ *ikkaḍa*
far	అక్కడ *akkaḍa*
question	ఎక్కడ *ekkaḍa*

Telugu keeps the whole tail identical: ఇక్కడ, అక్కడ, ఎక్కడ — only the first vowel moves.
Change the front, and the meaning walks from **near** to **far** to **a**

question. Nothing else in the word moves.
The same three beginnings run the thing-words too: **ඉදි** *idi* and **අදි** *adi* start exactly like the first two rows. This chapter did not teach you the matching question word for things — that one arrives later, and when it does you will already know what it has to start with.
This is worth more than the six words are. When you meet a new word in this family later, you will not have to be taught all three of it — you will be taught one and work out the others.

Your turn

- *Say it:* the near word, then the far word, then the question word
- *Say it:* them again for place, not for things
- *Notice:* the part that did NOT change

Before you move on

Which beginning means near? (**i-**) Far? (**a-**) And which one turns the word into a question? (**e-**)

Chapter 42

Describing Things

Modes: 🚗 **voice** (6) 🚗 **Hands-free start:** all 6 lessons.

> ***By the end of this chapter:*** I can point at something in Telugu and ask who or where it is — and I can say what the six words have in common.
>
> *Say the near word, the far word and the question word in a row, and name the part that changed.*

42.1 పెద్ద (pedda) — big

You can already name things. This is how you DESCRIBE them.

You'll want to know: పెద్ద

పెద్ద — *pedda* — big.

Put it in front of a word you already know and you have said something new. That is all an adjective does in this language.

The last lesson of this chapter gives the one rule that governs every adjective you will ever meet here.

The word, taken apart — its roots and family

పెద్ద (*pedda*) is native Dravidian, from the root for "great". DEDR 4411 lists *pedda*, "big, great, elder", itself, with Tamil *periya*, "large", and Kannada *pēr*, "great".

Your turn

Say these aloud:

- "పెద్ద" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *pedda*? (**big**.) Where does it go — before the word it describes, or after? (**Before.**)

42.2 చిన్న (cinna) — small

You can already name things. This is how you DESCRIBE them.

You'll want to know: చిన్న

చిన్న — *cinna* — small.

Put it in front of a word you already know and you have said something new. That is all an adjective does in this language.

You met **పెద్ద** *pedda* a moment ago. Put them side by side and nothing about either one changes.

The last lesson of this chapter gives the one rule that governs every adjective you will ever meet here.

The word, taken apart — its roots and family

చిన్న (*cinna*) is native Dravidian, one word with Tamil *ciṉṉa*, Kannada *ciṉṉa* and Malayalam *cinna* (DEDR 2594).

Your turn

Say these aloud:

- "చిన్న" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *cinna*? (**small**.) Where does it go — before the word it describes, or after? (**Before.**)

42.3 మంచి (manci) — good

You can already name things. This is how you DESCRIBE them.

You'll want to know: మంచి

మంచి — *manci* — good.

Put it in front of a word you already know and you have said something new. That is all an adjective does in this language.

You met **చిన్న** *cinna* a moment ago. Put them side by side and nothing about either one changes.

The last lesson of this chapter gives the one rule that governs every adjective you will ever meet here.

The word, taken apart — its roots and family

The origin of **మంచి** (*manci*) is uncertain. Neither DEDR nor CDIAL records it.

Your turn

Say these aloud:

- "**మంచి**" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *manci*? (**good**.) Where does it go — before the word it describes, or after? (**Before.**)

42.4 కొత్త (kotta) — new

You can already name things. This is how you DESCRIBE them.

You'll want to know: కొత్త

కొత్త — *kotta* — new.

Put it in front of a word you already know and you have said something new. That is all an adjective does in this language.

You met **మంచి** *manci* a moment ago. Put them side by side and nothing about either one changes.

The last lesson of this chapter gives the one rule that governs every adjective you will ever meet here.

The word, taken apart — its roots and family

కొత్త (*kotta*) is native Dravidian. DEDR 2149 lists it as *krotta*, "new, fresh", beside Tamil *koḻuntu*, "tender shoot", and Kannada *koḍa*, "tenderness". DEDR compares Sanskrit *koraka*, "bud" (CDIAL 3527), which CDIAL itself takes from Dravidian.

Your turn

Say these aloud:

- "**కొత్త**" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *kotta*? (**new**.) Where does it go — before the word it describes, or after? (**Before.**)

42.5 పాత (pāta) — old — of a thing, not of a person

You can already name things. This is how you DESCRIBE them.

You'll want to know: పాత

పాత — *pāta* — old — of a thing, not of a person.

Put it in front of a word you already know and you have said something new. That is all an adjective does in this language.

You met కొత్త *kotta* a moment ago. Put them side by side and nothing about either one changes.

The last lesson of this chapter gives the one rule that governs every adjective you will ever meet here.

The word, taken apart — its roots and family

పాత (*pāta*) is native Dravidian, one word with Tamil *paḻa* and Kannada *paḻe* (DEDR 3999). DEDR lists Telugu *pāta*, "old, worn out".

Your turn

Say these aloud:

- "పాత" three times, picturing something different each time
- it once with a word you already know after it

Before you move on

What is *pāta*? (**old — of a thing, not of a person**.) Where does it go — before the word it describes, or after? (**Before.**)

42.6 before the noun, unchanged — five words, one rule

Say the five words from this chapter out loud, then say each one in front of a noun you already know.

Grammar lens: where an adjective goes

You did not learn five separate words. You learned **where an adjective goes**, and five words that go there.

meaning	word
big	పెద్ద *pedda*
small	చిన్న *cinna*
good	మంచి *manci*

They sit in front of the noun and stay exactly as they are.

This is worth more than the five words are. Every noun you already know — your name, the house, the water, the day — can now take any

of them in front, and every adjective you meet from here goes in the same place.

Your turn

- *Say it:* each of the five in front of a noun you already know
- *Say it:* two of them with the same noun, one after the other
- *Notice:* whether the adjective changed shape when the noun did

Before you move on

Where does an adjective go in this language? (**In front of the noun.**) Does it change shape to match the noun? (unchanged.)

Chapter 43

More Everyday Verbs

Modes: **voice** (4) **Hands-free start:** all 4 lessons.

> ***By the end of this chapter:*** I can tell someone to come, sit, stand and give in Telugu.
>
> *Complete TE-C43-give and say all four verbs in order.*

43.1 రా (rā) — come

A short run of everyday verbs, one at a time.

You'll want to know: రా

రా (*rā*) — "come".

You met it beside its partner *vaccu-*; here it opens the run. The bare command, and one of the shortest words in the language: a single syllable that is a complete sentence. The old warning still holds: the tense endings attach to *vaccu-*, not to *rā*.

The word, taken apart — its roots and family

రా (*rā*) is native Dravidian: the command form of the verb DEDR 5270 lists as *vaccu*, "to come", one word with Tamil *varu* (command *vā*) and Kannada *bar* (command *bā*).

What you've built

One more everyday action. Three more follow, and each reuses the ones before it.

Your turn

Say these aloud:

- *rā*
- it again, to someone standing in a doorway

Before you move on

What does రా mean? ("come".) Say it once more.

43.2 కూర్చో (kūrcō) — sit

Before the new one: what did *rā* mean?

You'll want to know: కూర్చో

కూర్చో (*kūrcō*) — "sit".

A command you will hear on entering any home, usually before anything else is said.

The word, taken apart — its roots and family

కూర్చో (*kūrcō*) is native Dravidian, the command form of *kūrcuṇḍu*, "to sit", which DEDR 1900 lists with Kannada *kūr*, "to sit down".

What you've built

One more everyday action. Three more follow, and each reuses the ones before it.

Your turn

Say these aloud:

- *kūrcō*
- it again, to someone standing in a doorway
- it after *rā*, so the two sit together

Before you move on

What does కూర్చో mean? ("sit".) Say it once more.

43.3 నిల్చో (nilcō) — stand

Before the new one: what did *kūrcō* mean?

You'll want to know: నిల్చో

నిల్చో (*nilcō*) — "stand".

Its pair. Telugu, like the other Dravidian languages, makes the bare stem do the work of a command with nothing added.

The word, taken apart — its roots and family

నిల్చో (*nilcō*) is native Dravidian, the command form of *nilucu*, "to stand", one word with Tamil *nil* and Kannada *nillu* (DEDR 3675).

What you've built

One more everyday action. Three more follow, and each reuses the ones before it.

Your turn

Say these aloud:

- *nilcō*
- it again, to someone standing in a doorway
- it after *kūrcō*, so the two sit together

Before you move on

What does నిల్చో mean? ("stand".) Say it once more.

43.4 ఇవ్వు (ivvu) — give

Before the new one: what did *nilcō* mean?

You'll want to know: ఇవ్వు

ఇవ్వు (*ivvu*) — "give".

The everyday 'give'. Softening it is done with a separate politeness word rather than by changing the verb.

The word, taken apart — its roots and family

ఇవ్వు (*ivvu*) is native Dravidian. DEDR 2598 lists the Telugu verb *iccu*, "to give", with the stem *ivv-*, beside Tamil *ī* and Kannada *ī*, "to give".

What you've built

One more everyday action. That closes the run: four everyday actions, each met on its own.

Your turn

Say these aloud:

- *ivvu*
- it again, to someone standing in a doorway
- it after *nilcō*, so the two sit together

Before you move on

What does ఇవ్వు mean? ("give".) Say it once more.

Chapter 44

Verbs of Seeing and Saying

Modes: **voice** (4) **Hands-free start:** all 4 lessons.

> ***By the end of this chapter:*** I can tell someone to look, listen, speak and write in Telugu.
>
> *Complete TE-C44-write and say all four verbs in order.*

44.1 చూడు (cūḍu) — look

Four verbs for taking things in and putting them out, one at a time.

You'll want to know: చూడు

చూడు (*cūḍu*) — "look".

You met it earlier as "to see, to look"; here it opens the run. It also stretches to 'to look after', the same three meanings Kannada packs into *nōḍu*, although the two verbs themselves are not related.

The word, taken apart — its roots and family

చూడు (*cūḍu*) is native Dravidian. DEDR 2735 lists the Telugu verb *cūcu*, "to see, look at", with the stem *cūḍ-*, beside Kannada *cūpu*, "sight".

What you've built

One more. Three follow, and each reuses the ones before.

Your turn

Say these aloud:

- *cūḍu*
- it once more, slowly

Before you move on

What does **చూడు** mean? ("look".) Say it once more.

44.2 ఆలకించు (ālakiñcu) — listen

Before the new one: what did *cūḍu* mean?

You'll want to know: ఆలకించు

ఆలకించు (*ālakiñcu*) — "listen".

'Listen attentively' — a step above simply hearing. Telugu keeps listening and asking separate, where Kannada merges them into one stem.

The word, taken apart — its roots and family

ఆలకించు (*ālakiñcu*) is native Dravidian, one word with Kannada *ālisu* (DEDR 383). DEDR lists Telugu *ālakincu*, "to hear, listen".

What you've built

One more. Three follow, and each reuses the ones before.

Your turn

Say these aloud:

- *ālakiñcu*
- it once more, slowly
- it after *cūḍu*, so the two sit together

Before you move on

What does **ఆలకించు** mean? (“listen”.) Say it once more.

44.3 మాట్లాడు (māṭlāḍu) — speak

Before the new one: what did *ālakiñcu* mean?

You’ll want to know: మాట్లాడు

మాట్లాడు (*māṭlāḍu*) — “speak”.

From *māṭa*, ’word’, plus *āḍu*, ’to play’ — the same construction as Kannada’s *mātāḍu*, built from the same two pieces.

The word, taken apart — its roots and family

మాట్లాడు (*māṭlāḍu*) is native Dravidian: *māṭa*, “word”, and *āḍu*, “to play, move”. DEDR 4834 lists *māṭa* and *māṭal-āḍu*, “to speak”, with Kannada *mātu*, “word”; *āḍu* is DEDR 347.

What you’ve built

One more. Three follow, and each reuses the ones before.

Your turn

Say these aloud:

- *māṭlāḍu*
- it once more, slowly
- it after *ālakiñcu*, so the two sit together

Before you move on

What does **మాట్లాడు** mean? (“speak”.) Say it once more.

44.4 రాయి (rāyi) — write

Before the new one: what did *māṭlāḍu* mean?

You'll want to know: రాయి

రాయి (*rāyi*) — "write".

The everyday 'write'. Telugu and Kannada both kept the inherited Dravidian stem here rather than borrowing one.

The word, taken apart — its roots and family

రాయి (*rāyi*) is native Dravidian. DEDR 5263 lists Telugu *vrāyu* and *rāyu*, "to write", with Tamil *vari* and Kannada *bare*, "to write". DEDR compares, with a query, Prakrit *rajju*, "a writer".

What you've built

That closes the run: look, listen, speak, write.

Your turn

Say these aloud:

- *rāyi*
- it once more, slowly
- it after *māṭlāḍu*, so the two sit together

Before you move on

What does రాయి mean? ("write".) Say it once more.

Chapter 45

Grandparents, and the Married Pair

Modes: **voice** (4) **Hands-free start:** all 4 lessons.

> ***By the end of this chapter:*** I can name four more family and people words in this language.
>
> *Complete TE-C45-wife and say all four words in order.*

45.1 తాత (tāta) — grandfather

Before the new one: what did *rāyi* mean?

You'll want to know: తాత

తాత (*tāta*) — "grandfather".

It has the same small, repeatable shape as the *nānna* and *amma* you met in the family lesson. Sanskrit carries a *tāta* too, meaning 'father' or simply 'dear one'; Telugu moved the word up a generation. Children use it for any kindly old man, not only their own grandfather.

The word, taken apart — its roots and family

DEDR 3160 lists **తాత** (*tāta*) as Dravidian, one word with Tamil *tāttā* and Kannada *tāta*, "grandfather". DEDR compares Sanskrit *tāta*, "father" (CDIAL 5754).

What you've built

The first of four family words. Three follow, and each reuses the ones before.

Your turn

Say these aloud:

- *tāta*
- it once more, slowly
- it after *rāyi*, so the two sit together

Before you move on

What does **తాత** mean? ("grandfather".) Say it once more.

45.2 అమ్మమ్మ (ammamma) — grandmother, the mother's mother

Before the new one: what did *tāta* mean?

You'll want to know: అమ్మమ్మ

అమ్మమ్మ (*ammamma*) — "grandmother", and specifically your mother's mother.

Say it slowly and you can hear what it is made of: *amma* twice over, mother of mother. Telugu keeps the two grandmothers apart, and the father's mother is *nāyanamma*, assembled the same way on *nāyana*, 'father'. Nothing here is borrowed; every piece came from the family lesson.

The word, taken apart — its roots and family

అమ్మమ్మ (*ammamma*) is *amma*, "mother", twice over. *Amma* is native Dravidian, one word with Tamil *ammā* and Kannada *amma* (DEDR 183). DEDR compares Sanskrit *ambā*, "mother" (CDIAL 574).

What you've built

Two of four, and a word you could have decoded before you were taught it.

Your turn

Say these aloud:

- *ammamma*
- it once more, slowly, hearing the two halves
- it after *tāta*, so the two sit together

Before you move on

What does అమ్మమ్మ mean? ("grandmother", the mother's mother.) Say it once more.

45.3 భర్త (bharta) — husband

Before the new one: what did *ammamma* mean?

You'll want to know: భర్త

భర్త (*bharta*) — "husband".

Sanskrit, and it opens cleanly: the root *bhṛ*, 'to bear, to carry, to support', plus the ending that names the one who does it. So the word says 'the one who supports'. That root is old enough to have relatives far outside India — Latin *fero*, 'I carry', and English *bear* both continue it.

CDIAL 9402 lists Sanskrit *bhartṛ*, "husband, bearer".

What you've built

Three of four. The last word comes from the very same root.

Your turn

Say these aloud:

- *bharta*

- it once more, slowly
- it after *ammamma*, so the two sit together

Before you move on

What does భర్త mean? ("husband".) Say it once more.

45.4 భార్య (bhārya) — wife

Before the new one: what did *bharta* mean?

You'll want to know: భార్య

భార్య (*bhārya*) — "wife".

The same root *bhṛ* as the last word, with a different ending: 'she who is to be supported'. Two words, one root, and between them a picture of the household as Sanskrit's grammarians framed it rather than as anyone lives in it now. That is worth hearing plainly, because the shape of the pair is the reason it is easy to remember.

The word, taken apart — its roots and family

భార్య (*bhārya*) is Sanskrit *bhāryā*, "wife", taken over whole as a learned loan, a tatsama, with the final -*ā* shortened (CDIAL 9471).

What you've built

That closes the run: grandfather, grandmother, husband, wife.

Your turn

Say these aloud:

- *bhārya*
- it once more, slowly
- it after *bharta*, and name the root they share

Before you move on

What does భార్య mean? (“wife”.) Say it once more.

Chapter 46

Things You Ask For

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five everyday things I might ask someone for in Telugu, and say which of them Telugu has always had and which arrived from elsewhere.
>
> *Complete TE-C46-book and demonstrate the chapter promise.*

46.1 పండు (paṇḍu) — a fruit

Before the new run of words: what did *bhārya* mean?

You'll want to know: పండు

పండు (*paṇḍu*) — "a fruit".

పండు is also a verb: *to ripen.* The fruit is named for what happened to it — the ripened thing — and Telugu never troubled to invent a second noun. Say *paṇḍu* of a mango on the table and you mean the fruit; say it of the tree's crop and you mean it is coming ripe.

Kannada writes the same inherited word **ಹಣ್ಣು** (*haṇṇu*). That *p-* at the front turning into *h-* is a regular Kannada sound law, and it has already turned up once, on **పాలు** beside **ಹಾಲು**. Watch for it again.

The word, taken apart — its roots and family

పండు (*paṇḍu*) is native Dravidian, one word with Tamil *paḻu*, "to ripen", and Kannada *paṇṇu*, "ripe fruit" (DEDR 4004). DEDR lists the Telugu as both "to ripen" and "fruit". DEDR compares Sanskrit

phala, “fruit” (CDIAL 9051).

What you’ve built

The first of five things you might ask someone for.

Your turn

Say these aloud:

- *paṇḍu*
- it once more, slowly
- *paṇḍu*, then *dayacēsi paṇḍu ivvaṇḍi* — “please give a fruit”

Before you move on

What does పండు mean? (“a fruit”.) Say it once more.

46.2 బట్ట (baṭṭa) — cloth

Before the new one: what did *paṇḍu* mean?

You’ll want to know: బట్ట

బట్ట (*baṭṭa*) — “cloth”.

బట్ట is the plain word for cloth: the bolt on the shelf, the washing on the line, the rag in your hand.

Sanskrit has *paṭṭa*, “a strip of cloth, a bandage”, and here the borrowing may have run the unusual way — into Sanskrit from a non-Aryan source, rather than the other direction this book has shown so often. The same strip reached English by a different road: Hindi *paṭṭī*, a wrapping, is the soldier’s *puttee*.

The word, taken apart — its roots and family

The origin of **బట్ట** (*baṭṭa*) is uncertain, and DEDR does not list it. It is often set beside Sanskrit *paṭṭa*, “cloth, woven silk”, which CDIAL 7700 itself thinks probably came from a non-Aryan source, without naming which.

What you've built

Two: a fruit and a cloth.

Your turn

Say these aloud:

- *baṭṭa*
- it once more, slowly
- *paṇḍu*, then *baṭṭa*, and ask for each one with *dayacēsi*

Before you move on

What does **బట్ట** mean? ("cloth".) Say it once more.

46.3 దీపం (dīpaṁ) — a lamp

Before the new one: what did *baṭṭa* mean?

You'll want to know: దీపం

దీపం (*dīpaṁ*) — "a lamp".

దీపం is the small clay lamp with oil and a wick. Its Sanskrit root *dīp* means "to blaze", so the word names the burning rather than the vessel.

Put **దీప** together with a word meaning "a row" and you get *dīpāvaḷi*, "a row of lamps" — the festival English spells Diwali. The ending is the tatsama neuter **-ం**, the same shape already carried by **హృదయం** and **భోజనం**.

CDIAL 6348 lists Sanskrit *dīpa*, "lamp".

What you've built

Three: a fruit, a cloth, a lamp.

Your turn

Say these aloud:

- *dīpaṁ*

- it once more, slowly
- all three, then name the one that came in from Sanskrit

Before you move on

What does దీపం mean? ("a lamp".) Say it once more.

46.4 ఉప్పు (uppu) — salt

Before the new one: what did *dīpaṁ* mean?

You'll want to know: ఉప్పు

ఉప్పు (*uppu*) — "salt".

Proto-Dravidian had ***uppu**, and the whole family kept it almost untouched: Tamil உப்பு, Kannada ಉಪ್ಪು, Malayalam ഉപ്പ്. A word this ordinary gives nobody a reason to replace it.

Notice the doubled ప్ప in the middle. Telugu likes a consonant twice inside a short word — కుక్క, పిల్లి, కన్ను all do it — and the doubling is not decoration: it is the difference between one word and another.

DEDR 2674 lists Telugu *uppu*, "salt", with Tamil *uppu*, Kannada *uppu* and Malayalam *uppu*.

What you've built

Four. Three of them inherited, one borrowed.

Your turn

Say these aloud:

- *uppu*
- it once more, slowly
- all four in order, then say which one has not changed in three thousand years

Before you move on

What does ఉప్పు mean? ("salt".) Say it once more.

46.5 పుస్తకం (pustakaṁ) — a book

Before the new one: what did *uppu* mean?

You'll want to know: పుస్తకం

పుస్తకం (*pustakaṁ*) — "a book".

Sanskrit *pustaka* is the source, but the trail behind it leaves India altogether. Middle Persian *post* meant "hide, skin" — the thing written on before paper.

So the Telugu word for a book carries an animal skin folded up inside it, and it arrived by the same north-western road as రోజు, which turned out to be Persian too. Two of these five walked in from outside; three were always here.

CDIAL 8413 takes Sanskrit *pustaka* from Iranian, comparing Sogdian *pwstk*, "book", and Persian *pōst*, "skin".

What you've built

Five things you might ask for: a fruit, a cloth, a lamp, salt, a book.

Your turn

Say these aloud:

- *pustakaṁ*
- it once more, slowly
- all five in order, then sort them into the inherited and the borrowed

Before you move on

What does పుస్తకం mean? ("a book".) Say it once more.

Chapter 47

The Leg and the Tooth

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five more parts of the body in Telugu, and say which of them held their old shape and which wore down past recognition.
>
> *Complete TE-C47-stomach and demonstrate the chapter promise.*

47.1 కాలు (kālu) — leg, foot

> Before the new run: what did *pustakam* mean, and what did *uppu* mean?

You'll want to know: కాలు

కాలు (*kālu*) — "leg, foot".

Proto-Dravidian ***kāl**, and every sister kept it nearly whole: Tamil **கால்**, Kannada **ಕಾಲು**, Malayalam **കാൽ**.

Set that beside **చెయ్యి**, the hand-word, which wore down so far that its family resemblance is hard to see at all. Two body-words of the same age; one held its shape and one did not, and nothing about the meaning predicts which.

కాలు covers the whole limb, foot and leg together. When precision is wanted, Sanskrit's **పాదం** names the foot alone.

DEDR 1479 lists Telugu *kālu*, "leg, foot", with Tamil *kāl* and Kannada *kāl*.

What you've built

The first of five more body words.

Your turn

Say these aloud:

- *kālu*
- it once more, slowly
- *kālu*, then *tala*, so the top and the bottom sit together

Before you move on

What does కాలు mean? ("leg, foot".) Say it once more.

47.2 పన్ను (pannu) — a tooth

Before the new one: what did *kālu* mean?

You'll want to know: పన్ను

పన్ను (*pannu*) — "a tooth".

Proto-Dravidian ***pal**. Tamil kept பல்; Kannada has ಹಲ್ಲು, with that *p-* to *h-* law working again exactly where the last chapter said to watch for it. Telugu took a third road: DEDR 3986 lists *palu*, *pallu*, with the plural *paṇḍlu*, and explains *pannu* as built back from that plural.

An honest warning: పన్ను is also the word for a tax. Nothing joins the tooth to the tax but an accident of sound. Telugu has a fair number of these pairs, and context is the only fix — which is what context is for.

What you've built

Two: a leg and a tooth.

Your turn

Say these aloud:

- *pannu*

- it once more, slowly
- *kālu*, then *pannu*, and say which of the two also names something you pay

Before you move on

What does **పన్ను** mean? (“a tooth”.) Say it once more.

47.3 జుట్టు (juṭṭu) — hair (of the head)

Before the new one: what did *pannu* mean?

You’ll want to know: జుట్టు

జుట్టు (*juṭṭu*) — “hair (of the head)”.

జుట్టు is the hair on a head taken as one thing — the mass, not the strand. For a single hair Telugu reaches for a different noun, **వెంట్రుక**.

English leans on number for the same distinction — “a hair” against “hair” — while Telugu simply reaches for a different noun. **జుట్టు** also names the knot or tuft tied at the back of the head, which is most likely where the word started.

The word, taken apart — its roots and family

DEDR 2655 lists **జుట్టు** (*juṭṭu*) as Dravidian, one word with Tamil *cuṭṭi*, “tuft of hair”, and Kannada *juṭṭu*. DEDR compares Sanskrit *jūṭa*, “twisted hair” (CDIAL 5258), and notes that some words in the entry may be loans from Indo-Aryan.

What you’ve built

Three: a leg, a tooth, hair.

Your turn

Say these aloud:

- *juṭṭu*
- it once more, slowly
- *juṭṭu*, then *tala*, and say which one sits on the other

Before you move on

What does **జుట్టు** mean? ("hair (of the head)".) Say it once more.

47.4 వేలు (vēlu) — a finger

Before the new one: what did *juṭṭu* mean?

You'll want to know: వేలు

వేలు (*vēlu*) — "a finger".

Proto-Dravidian ***viral**. Tamil kept **விரல்** entire; Kannada has **ಬೆರಳು**; Telugu dropped the *-r-* and came out with **వేలు**. On the page the three look barely related, and they are the same word.

It is still working inside compounds: **బొటనవేలు**, the thumb, is the stubby one of the set.

DEDR 5409 lists Telugu *vēlu* and *vrēlu*, "finger, toe", with Tamil *viral* and Kannada *beraḷ*.

What you've built

Four. Note that **చెయ్యి** and **వేలు** are separate roots — Telugu does not build the finger out of the hand.

Your turn

Say these aloud:

- *vēlu*
- it once more, slowly
- *vēlu*, then *ceyyi*, and say which one has five of the other

Before you move on

What does **వేలు** mean? ("a finger".) Say it once more.

47.5 కడుపు (kaḍupu) — the stomach, the belly

Before the new one: what did *vēlu* mean?

You'll want to know: కడుపు

కడుపు (*kaḍupu*) — "the stomach, the belly".

కడుపు is the unfussy everyday word, and it carries the commonest way of saying you have eaten enough: *kaḍupu niṇḍindi*, "the stomach has filled".

It also says, gently and without ever being explicit, that a woman is expecting. Sanskrit's **ఉదరం** exists in Telugu and stays where the clinical register lives.

The word, taken apart — its roots and family

The origin of **కడుపు** (*kaḍupu*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

Five more body words: a leg, a tooth, hair, a finger, a belly. With **తల**, **చెయ్యి**, **కన్ను**, **ముక్కు**, **నోరు** and **చెవి** behind them, you can point at most of a person.

Your turn

Say these aloud:

- *kaḍupu*
- it once more, slowly
- all five in order, then add *tala* and *ceyyi* and say the seven as one list

Before you move on

What does **కడుపు** mean? ("the stomach, the belly".) Say it once more.

Chapter 48

Naming Who Someone Is

Modes: **voice** (4) **eyes** (1) **Hands-free start:** the first 2 of 5 lessons.

> ***By the end of this chapter:*** I can say what someone's role is in Telugu — teacher, student, doctor, farmer, guest — and name the root that two of those words share.
>
> *Complete TE-C48-guest and demonstrate the chapter promise.*

48.1 గురువు (guruvu) — a teacher

Before the new run: what did *kaḍupu* mean, and what did *vēlu* mean?

You'll want to know: గురువు

గురువు (*guruvu*) — "a teacher".

Sanskrit *guru* means "heavy". The teacher is the weighty one — the one whose word carries weight — and Telugu added its own **-వు** to make **గురువు**.

You have already said the word without being told. **గురువారం**, Thursday, is Guru's day: the guru there is Jupiter, the heaviest wanderer the naked eye can find and the teacher of the gods. Latin named the same weekday for Jove, which is the same planet under another name.

CDIAL 4209 lists Sanskrit *guru*, "heavy".

What you've built

The first of five roles.

Your turn

- *Say it: guruvu*
- *Say it:* it once more, slowly
- *Say it: guruvu*, then *guruvāraṁ*, and say what the two have in common
- *Recall:* say *paṇḍu*
- *Read it:* కాలు, then say what it means

Before you move on

What does గురువు mean? ("a teacher".) Say it once more.

48.2 విద్యార్థి (vidyārthi) — a student

Before the new one: what did *guruvu* mean?

You'll want to know: విద్యార్థి

విద్యార్థి (*vidyārthi*) — "a student".

Two Sanskrit pieces welded: *vidyā*, knowledge, and *arthin*, one who seeks. A student is a knowledge-seeker, and the word says so on its face.

vidyā grows from the root *vid*, "to know" — the same ancient root behind English *wit* and *wisdom*, and behind Latin *vidēre*, "to see". Knowing and seeing were one word long before either language existed.

CDIAL 11741 lists Sanskrit *vidyā*, "knowledge", and CDIAL 640 *arthin*, "desiring".

What you've built

Two: a teacher and a student.

Your turn

- *Say it: vidyārthi*
- *Say it:* it once more, slowly

- *Say it: guruvu*, then *vidyārthi*, and say which one seeks and which one weighs
- *Read it:* బట్ట
- *Recall:* say *pannu*

Before you move on

What does విద్యార్థి mean? ("a student".) Say it once more.

48.3 వైద్యుడు (vaidyuḍu) — a doctor, a physician

Before the new one: what did *vidyārthi* mean?

You'll want to know: వైద్యుడు

వైద్యుడు (*vaidyuḍu*) — "a doctor, a physician".

Look at the middle of it. *vaidya* is built on the very *vid* sitting inside విద్యార్థి: a physician is one versed in the knowledge, the knowledge in question being आयुर्वेद, the science of long life.

The ending -ుడు is not Sanskrit's but Telugu's own, marking a masculine person — the same -ుడు already carried by స్నేహితుడు.

The word, taken apart — its roots and family

వైద్యుడు (*vaidyuḍu*) is Sanskrit *vaidya*, "learned; physician", taken over whole as a learned loan, a tatsama, with the Telugu ending *-uḍu* (CDIAL 12140).

What you've built

Three roles, and two of them share a root.

Your turn

- *Say it: vaidyuḍu*
- *Say it:* it once more, slowly
- *Say it: vidyārthi*, then *vaidyuḍu*, and name the syllable they share

- *Recall:* say *dīpaṁ*, then read జూట్టు and say what it means

Before you move on

What does వైద్యుడు mean? (“a doctor, a physician”.) Say it once more.

48.4 రైతు (raitu) — a farmer

Before the new one: what did *vaidyuḍu* mean?

You’ll want to know: రైతు

రైతు (*raitu*) — “a farmer”.

రైతు came the long way round. Arabic *raᶜiyyah* meant a flock, then the people a ruler answers for. Persian and Urdu carried it into India as *raᶜīyat*, the subject, the tenant; the revenue clerks of the Deccan wrote it on their rolls; and Telugu kept it for the person who works the land.

That is a second arrival from the north-west, after రోజు (*rōju*) and పుస్తకం. The words that travel are the words that follow paperwork and trade.

What you’ve built

Four.

Your turn

- *Say it: raitu*
- *Say it:* it once more, slowly
- *Say it: raitu*, then *rōju*, and say what road the two have in common
- *Read it:* ఉప్పు
- *Recall:* say *vēlu*

Before you move on

What does రైతు mean? (“a farmer”.) Say it once more.

48.5 అతిథి (atithi) — a guest

Before the new one: what did *raitu* mean?

You'll want to know: అతిథి

అతిథి (*atithi*) — "a guest".

a-tithi — "one without a *tithi*", without a date on the calendar. The guest is defined by not being expected.

The old formula **అతిథి దేవో భవ**, "let the guest be a god to you", is built on exactly that: you cannot prepare for a god who arrives unannounced, so you keep the house ready instead. What a Telugu house actually does when the **అతిథి** arrives has a chapter of its own, at the end of this book.

The word, taken apart — its roots and family

అతిథి (*atithi*) is Sanskrit *atithi*, "guest", taken over whole as a learned loan, a tatsama. Its reading as *a-tithi*, "without a date", is a traditional explanation; where the Sanskrit word itself comes from is not settled.

What you've built

Five roles: a teacher, a student, a doctor, a farmer, a guest.

Your turn

- *Say it: atithi*
- *Say it:* it once more, slowly
- *Say it:* all five, then say *nā pēru* and your own name, and ask *mīru evaru?*
- *Recall:* say *pustakaṁ*
- *Read it:* **కడుపు**, then say what it means

Before you move on

What does **అతిథి** mean? ("a guest".) Say it once more.

Chapter 49

Answering With More Than Yes

Modes: **voice** (3) **eyes** (2) **Hands-free start:** the first 3 of 5 lessons.

> ***By the end of this chapter:*** I can answer in Telugu with more than yes and no — true, enough, certainly, perhaps, just so — and see the three-vowel grid running under అది, ఇక్కడ and ఎలా.
>
> *Complete TE-C49-alright and demonstrate the chapter promise.*

49.1 నిజం (nijaṁ) — true; the truth

Before the new run: what did *atithi* mean?

You'll want to know: నిజం

నిజం (*nijaṁ*) — "true; the truth".

Sanskrit *nija* meant "one's own, innate" — what belongs to a thing by its nature. Telugu moved it one step: what belongs to a thing by nature is what is really so, and **నిజం** became the truth.

Alone it answers a doubt: *nijaṁ*, "true". With a question on the end it becomes perhaps the commonest interjection in the language: *nijamā?*, "really?"

CDIAL 7181 lists Sanskrit *nija*, "innate, one's own".

What you've built

The first of five answers that are neither **అవును** nor **లేదు**.

Your turn

- *Say it: nijaṁ*
- *Say it:* it once more, slowly
- *Say it: nijaṁ*, then *nijamā?*, and say which one asks
- *Recall:* say *kālu*
- *Read it:* గురువు, then say what it means

Before you move on

What does నిజం mean? ("true; the truth".) Say it once more.

49.2 చాలు (cālu) — enough, that will do

Before the new one: what did *nijaṁ* mean?

You'll want to know: చాలు

చాలు (*cālu*) — "enough, that will do".

చాలు is a verb — "it suffices" — used as a complete answer. Held over a glass being filled it stops the pouring; said of an argument it ends it.

చాలా, the everyday word for "very" and "a lot", is the same root wearing a different ending. Sufficiency and abundance sit one letter apart, which is a fair account of how the two ideas are related anywhere.

The word, taken apart — its roots and family

చాలు (*cālu*) is native Dravidian, one word with Tamil *cāl* and Kannada *sālu* (DEDR 2470). DEDR lists Telugu *cālu*, "to be enough", and *cāla*, "abundant".

What you've built

Two.

Your turn

- *Say it: cālu*

- *Say it:* it once more, slowly
- *Say it: cālu*, then *nijam*, and say which one you would use to stop someone pouring
- *Read it:* పన్ను
- *Recall:* say *vidyārthi*

Before you move on

What does చాలు mean? ("enough, that will do".) Say it once more.

49.3 తప్పకుండా (tappakuṇḍā) — certainly, without fail

Before the new one: what did *cālu* mean?

You'll want to know: తప్పకుండా

తప్పకుండా (*tappakuṇḍā*) — "certainly, without fail".

Take it apart: **తప్పు** + **-కుండా** → **తప్పకుండా**. The first piece means "to miss, to slip, to go wrong"; the second is the ending meaning "without doing". So **తప్పకుండా** is *without missing*.

The ending is worth having on its own, because it attaches to any verb stem: *ceppakuṇḍā*, without telling; *tinakuṇḍā*, without eating. One suffix, and every verb you own gains a negative.

The word, taken apart — its roots and family

తప్పకుండా (*tappakuṇḍā*) is native Dravidian: *tappu*, "to miss, to fail", which DEDR 3071 lists with Tamil *tappu*, "to err", and Kannada *tappu*, "to slip", followed by the ending *-kuṇḍā*, "without".

What you've built

Three.

Your turn

- *Say it: tappakuṇḍā*

- *Say it:* it once more, slowly
- *Say it: tappakuṇḍā*, then *cālu*, and say which one is a promise
- *Recall:* say *juṭṭu*
- *Read it:* వైద్యుడు, then say what it means

Before you move on

What does తప్పకుండా mean? ("certainly, without fail".) Say it once more.

49.4 ఏమో (ēmō) — perhaps, who knows

Before the new one: what did *tappakuṇḍā* mean?

You'll want to know: ఏమో

ఏమో (*ēmō*) — "perhaps, who knows".

ఏమో is a shrug made into a word: perhaps, it may be so, who knows.

Look at the front of it and you will find the questioning **ఏ-** that already stands in **ఏమిటి**, "what". **ఏమో** is that question with the asking taken out and only the uncertainty left behind.

It also hangs on the end of a whole sentence, where English would need a separate clause: *vastāḍēmō*, "he may come". A language with a settled, unembarrassed word for not knowing is telling you something about its manners.

The word, taken apart — its roots and family

ఏమో (*ēmō*) is native Dravidian: *ēmi*, "what", which DEDR 5151 lists on the question base *e-*, with the doubting ending *-ō*.

What you've built

Four.

Your turn

- *Say it: ēmō*

- *Say it:* it once more, slowly
- *Say it:* *ēmō*, then *tappakuṇḍā*, and say which one commits you
- *Recall:* read **వేలు**, then say *raitu*

Before you move on

What does **ఏమో** mean? (“perhaps, who knows”.) Say it once more.

49.5 అలాగే (alāgē) — just so, alright then

Before the new one: what did *ēmō* mean?

You’ll want to know: అలాగే

అలాగే (*alāgē*) — “just so, alright then”.

అలా means “in that way”; **-గే** is the small emphatic tail that makes it “just so”. **అలాగే** is the yes you give to an instruction — not “that is correct” but “it shall be as you said”.

Now look at the front of it. **అ-** points far, and already carries **అది**, “that one”, and **అక్కడ**, “there”. **ఇ-** points near: **ఇది**, **ఇక్కడ**, and so **ఇలా**, “in this way”. **ఎ-** asks: **ఎక్కడ**, **ఎలా**. Three vowels, one grid, and **అలాగే** is simply the far corner of it with an ending stuck on.

The word, taken apart — its roots and family

అలాగే (*alāgē*) is native Dravidian: *alā*, “in that way”, built on the far-pointing base *a-* (DEDR 1), with the emphatic tail *-gē*.

What you’ve built

Five answers, and a three-way grid you can now see running under **అది**, **ఇక్కడ** and **ఎలా**.

Your turn

- *Say it:* *alāgē*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say *alāgē* as a reply to *dayacēsi kūrcō*

- *Recall:* say *kaḍupu*, then read అతిథి and say what it means

Before you move on

What does అలాగే mean? (“just so, alright then”.) Say it once more.

Chapter 50

Taking Your Leave

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can take my leave in Telugu the way a Telugu speaker actually does, and say why the flat "I am going" is the one thing never said at a door.
>
> *Complete TE-C50-farewell and demonstrate the chapter promise.*

50.1 ఇప్పుడు (ippuḍu) — now

Before the new run: what did *alāgē* mean?

You'll want to know: ఇప్పుడు

ఇప్పుడు (*ippuḍu*) — "now".

The grid from the last chapter has a time row, and this is its near corner. **-ప్పుడు** is the time-piece; put a pointing vowel in front of it and the word makes itself.

ఇప్పుడు is "this time" — now. **అప్పుడు** is "that time" — then. **ఎప్పుడు** is "which time" — when? You already owned the vowels; the row costs you one word.

The word, taken apart — its roots and family

ఇప్పుడు (*ippuḍu*) is native Dravidian: the near-pointing *i-*, "this", and *-ppuḍu*, "time". DEDR 410 lists *ippuḍu*, "this time, now", and DEDR 4559 sets it beside *poddu*, "time, sun", with Tamil *po̲lutu*, "time".

What you've built

Now — and a shape that gives you two more words for free.

Your turn

- *Say it: ippuḍu*
- *Say it:* it once more, slowly
- *Say it: ippuḍu*, then *ippuḍu veḷḷu* — "go now"
- *Recall:* say *guruvu*
- *Read it:* **నిజం**, then say what it means

Before you move on

What does **ఇప్పుడు** mean? ("now".) Say it once more.

50.2 ఎల్లుండి (elluṇḍi) — the day after tomorrow

Before the new one: what did *ippuḍu* mean?

You'll want to know: ఎల్లుండి

ఎల్లుండి (*elluṇḍi*) — "the day after tomorrow".

One settled noun for the day after tomorrow. English needs four words and still sounds unsure of itself; Telugu, like its sisters, simply has the word.

There is an older tomorrow hiding at the front of it. **ఎల్లి** once meant tomorrow, and though **రేపు** took that job in everyday speech, **ఎల్లి** is still in service inside **ఎల్లుండి**, doing its old work one day further out.

The word, taken apart — its roots and family

ఎల్లుండి (*elluṇḍi*) is native Dravidian. DEDR 845 lists Telugu *elli*, "tomorrow", and *elluṇḍi*, "the day after tomorrow", itself.

What you've built

Two: now, and the day after tomorrow.

Your turn

- *Say it: elluṇḍi*
- *Say it:* it once more, slowly
- *Say it: ippuḍu*, then *elluṇḍi*, and say which one is further off
- *Read it:* విద్యార్థి
- *Recall:* say *cālu*

Before you move on

What does ఎల్లుండి mean? ("the day after tomorrow".) Say it once more.

50.3 ప్రయాణం (prayāṇaṁ) — a journey

Before the new one: what did *elluṇḍi* mean?

You'll want to know: ప్రయాణం

ప్రయాణం (*prayāṇaṁ*) — "a journey".

Sanskrit *pra-yāṇa*: the root *yā*, "to go", with *pra-*, "forth". A journey is a going-forth, and the word is transparent to anyone holding the pieces.

The ending is the -ం you have now sorted three times: the tatsama neuter, as on దీపం, హృదయం and భోజనం. When a Telugu noun ends in -ం and names an abstraction, Sanskrit is usually behind it.

CDIAL 8732 lists Sanskrit *prayāṇa*, "setting out, journey".

What you've built

Three.

Your turn

- *Say it: prayāṇaṁ*
- *Say it:* it once more, slowly
- *Say it: prayāṇaṁ*, then *dīpaṁ*, and name the ending they share
- *Recall:* say *vaidyuḍu*

- *Read it:* తప్పకుండా, then say what it means

Before you move on

What does ప్రయాణం mean? ("a journey".) Say it once more.

50.4 బయలుదేరు (bayaludēru) — to set out, to start off

Before the new one: what did *prayāṇaṁ* mean?

You'll want to know: బయలుదేరు

బయలుదేరు (*bayaludēru*) — "to set out, to start off".

Native, and a picture rather than an abstraction. **బయలు** is open ground, the outside, and the verb **దేరు** follows it: to set out is to come out into the open.

Set it beside **ప్రయాణం** (*prayāṇaṁ*) and you have two languages building the same idea from opposite ends: Sanskrit from the going, Telugu from the doorstep.

The word, taken apart — its roots and family

The first piece of **బయలుదేరు** (*bayaludēru*) is native Dravidian: *bayalu*, which DEDR 3940 lists as "outside, exterior" and DEDR 5258 as "open space, plain", with Tamil *vayal*, "open space". DEDR does not settle the second piece.

What you've built

Four.

Your turn

- *Say it: bayaludēru*
- *Say it:* it once more, slowly
- *Say it: bayaludēru*, then *prayāṇaṁ*, and say which of the two is inherited
- *Read it:* రైతు

- *Recall:* say *ēmō*

Before you move on

What does **బయలుదేరు** mean? ("to set out, to start off".) Say it once more.

50.5 వెళ్ళొస్తాను (veḷḷostānu) — I'll go and come back — the everyday goodbye

Before the new one: what did *bayaludēru* mean?

You'll want to know: వెళ్ళొస్తాను

వెళ్ళొస్తాను (*veḷḷostānu*) — "I'll go and come back — the everyday goodbye".

Two verbs you already have, welded at the seam: **వెళ్ళి**, "having gone", and **వస్తాను**, "I will come". **వెళ్ళొస్తాను** is *I'll go and come back*, and it is what is said at the door.

What is not said is the flat "I am going". Leaving without the returning half is what is said of the dead, and the rule holds right across the South. The politeness here is not decoration laid over the grammar; it is the grammar. The reply comes back in the same shape: **వెళ్ళి రండి** — "go, and come".

The word, taken apart — its roots and family

వెళ్ళొస్తాను (*veḷḷostānu*) is two native Dravidian verbs run together: *veḷḷi*, "having gone" (DEDR 5393), and *vastānu*, "I will come", from *vaccu* (DEDR 5270).

What you've built

Five: **ఇప్పుడు**, **ఎల్లుండి**, **ప్రయాణం**, **బయలుదేరు**, and a goodbye that refuses to be one.

Your turn

- *Say it: veḷḷostānu*
- *Say it:* it once more, slowly
- *Say it: veḷḷostānu*, then the reply *veḷḷi raṇḍi*, and say why neither half stands alone

- *Recall:* say *atithi*
- *Read it:* అలాగే, then say what it means

Before you move on

What does వెళ్ళొస్తాను mean? ("I'll go and come back — the everyday goodbye".) Say it once more.

Chapter 51

Courtesy Words

Modes: **voice** (5) **eyes** (1) **pen** (3) **Hands-free start:** the first of 9 lessons.

> ***By the end of this chapter:*** I can be polite in Telugu beyond thank you — gratitude, a good turn, respect, a blessing, a salutation — and name the piece that two of those words share.
>
> *Complete TE-C51-salutation and demonstrate the chapter promise.*

51.1 కృతజ్ఞత (kṛtajñata) — gratitude

Before the new run: what did *veḷḷostānu* mean?

You'll want to know: కృతజ్ఞత

కృతజ్ఞత (*kṛtajñata*) — "gratitude".

kṛta, "done", plus *jña*, "knowing": knowing what was done for you. That is the whole of gratitude in two Sanskrit syllables, and Telugu took it entire.

Set it beside **ధన్యవాదములు**, the thank-you from the first pages of this book, which is "utterances of 'worthy'". One word thanks by calling the giver worthy. The other thanks by admitting the debt is remembered. They are not the same gesture, and Telugu keeps both.

The word, taken apart — its roots and family

కృతజ్ఞత (*kṛtajñata*) is Sanskrit *kṛtajñatā*, "gratitude", from *kṛtajña*, "knowing what has been done", taken over as a learned loan, a tatsama, with the final -*ā* shortened.

What you've built

A second word for thanks, with a different picture inside it.

Your turn

- *Say it: kṛtajñata*
- *Say it:* it once more, slowly
- *Say it: kṛtajñata*, then *dhanyavādamulu*, and say which one remembers a debt
- *Recall:* say *nijaṁ*
- *Read it:* ఇప్పుడు, then say what it means

Before you move on

What does కృతజ్ఞత mean? ("gratitude".) Say it once more.

51.2 ఞ — one character, met inside a word you already say

Before the new one: ృ — what does it do? And one from further back: భ?

One character this time — and you have been saying it since the page before this one, without knowing which mark on the page it was.

Script you'll notice: ఞ

ఞ — *ña.*

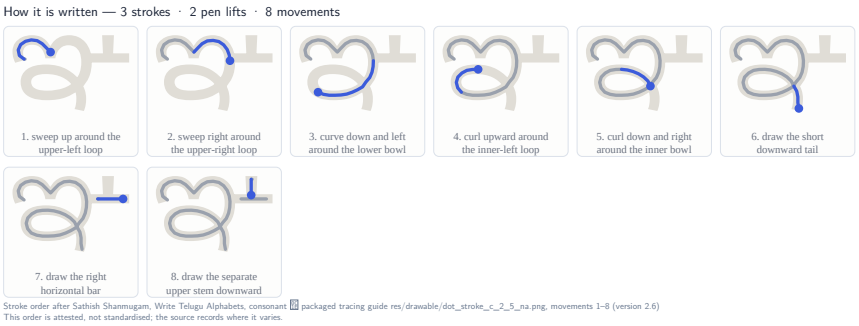

It is a **consonant**, and in this script a consonant is never bare: it comes with an *a* already in it. So it is not *ñ*, it is **ña**.

It is a nasal, made where య is made — the middle of the tongue against the roof of the mouth, the sound in the middle of Spanish *señor*. In modern Telugu you will almost never meet it standing on its own. Where it lives is inside one stacked block, and you met that block a moment ago:

- కృతజ్ఞత *kṛtajñata* — gratitude

The block is జ్ఞ: జ with ఞ stacked under it, joined by the virama. Telugu does not say that block the way its two letters would suggest. Spelled *jña*, it comes out of the mouth closer to **gnya** — so *kṛtajñata* is heard as *kṛtagnyata*. Both facts are true at once, and this is one of the places where Telugu's spelling remembers Sanskrit while Telugu's mouth has moved on.

Writing: ఞ — eight deliberate movements

How ఞ is written, stroke by stroke

Follow the filmstrip slowly. Movements 1 and 2 trace the two upper loops. Movements 3–6 build the lower bowl, its inner turns and the short tail. Draw the right bar as movement 7, then finish with the separate upper stem as movement 8.

This is one attested school-style order. Telugu handwriting varies, so keep the eight directions clear and let the rounded shape grow from them.

Your turn

- *Look:* at కృతజ్ఞత, and find the block that has ఞ under it

  కృతజ్ఞత · ధన్యవాదములు

- *Trace it:* ఞ once, following all eight numbered movements
- *Copy:* ఞ twice without tracing, saying *ña* as you finish each one
- *Say it: kṛtajñata* the way it is said — *kṛtagnyata*

Before you move on

Which character is this — ఞ? Which letter does it usually sit under, and what does that pair sound like? (**Under జ, in the block జ్ఞ, said *gnya*.**)
One more, from much earlier: ై — what does it do?

51.3 మేలు (mēlu) — a good turn, a benefit

Before the new one: what did *kṛtajñata* mean?

You'll want to know: మేలు

మేలు (*mēlu*) — "a good turn, a benefit".

Inherited, and short. **మేల్** meant "above"; the good is what is above. From it Telugu draws **మేలు**, a benefit or a good turn done to someone, and also the plain comparative sense of "better".

So *idi mēlu* says "this one is higher" and lets the height do the judging — which is what English does too, in *superior*, without anyone noticing any more.

The word, taken apart — its roots and family

మేలు (*mēlu*) is native Dravidian, one word with Tamil *mē* and Kannada *mē* (DEDR 5086). DEDR lists Telugu *mēlu*, "good, advantage, better".

What you've built

Two.

Your turn

- *Say it: mēlu*
- *Say it:* it once more, slowly
- *Say it: mēlu*, then *manci*, and say which one is a thing done and which is a quality
- *Read it:* చాలు

- *Recall:* say *elluṇḍi*

Before you move on

What does **మేలు** mean? ("a good turn, a benefit".) Say it once more.

51.4 గౌరవం (gauravaṁ) — respect

Before the new one: what did *mēlu* mean?

You'll want to know: గౌరవం

గౌరవం (*gauravaṁ*) — "respect".

gaurava is the abstract noun of *guru* — the very word met one chapter ago as the teacher. Respect is weightiness: to hold someone in **గౌరవం** is to grant that what they say has mass.

Telugu marks the same idea in its grammar as well as its vocabulary. **మీరు** rather than **నువ్వు**, and the **-అండి** hung on the end of a verb, are **గౌరవం** turned into endings. A language can be polite in its words or in its shapes, and this one does both.

The word, taken apart — its roots and family

గౌరవం (*gauravaṁ*) is Sanskrit *gaurava*, "weight; venerableness", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 4346).

What you've built

Three, and one of them is a word you already knew wearing a different suit.

Your turn

- *Say it: gauravaṁ*
- *Say it:* it once more, slowly
- *Say it: gauravaṁ*, then *guruvu*, and name the syllable they share
- *Recall:* say *tappakuṇḍā*

- *Read it:* ప్రయాణం, then say what it means

Before you move on

What does గౌరవం mean? ("respect".) Say it once more.

51.5 ౌ— one character, met inside a word you already say

Before the new one: ఈ — what does it do? And one from further back: ము?

One character this time — and you have been saying it since the page before this one, without knowing which mark on the page it was.

Script you'll notice: ౌ

ౌ — *au*.

It is a **vowel sign**. It is not a letter and never stands alone: it attaches to a consonant and **replaces** the *a* built into it with *au*. Replaces, not adds — the *a* is gone.

Au is one vowel that moves while you hold it: it starts where *a* starts and slides toward *u*, the way the middle of English *now* does. Say it as one sound, not as two.

You already say this one:

- గౌరవం *gauravaṁ* — respect

Take it apart: గ, the letter you traced long before this, carrying ౌ. Not *ga* any more — **gau**. Then ర, వ, and the anusvāra ం that has been closing words since *namaskāram*. Every piece of *gauravaṁ* now has a name, and this mark was the last one missing.

Writing: ౌ— copy what you see

Put your pen on ౌand follow its line. Copy the shape you can see — slowly, and larger than it is printed.

> This book does not yet tell you **where to start the character or which way to travel**. That is a real thing, taught with real

variation from school to school, and it is not written down here until it can be written down with a source. Copying what is in front of you needs no such source, and it is how the shape gets into your hand in the meantime.

Your turn

- *Look:* at these two, and say which one carries ౌ

  గౌరవం · గురువు

- *Say it: ga*, then *gau*, and hear the vowel move
- *Trace it:* ౌthree times, saying *au* as you finish each one

Before you move on

Which character is this — ౌ? What vowel does it put on the consonant it attaches to, and what does it take off? (**Puts *au* on; takes the built-in *a* off.**) Name the word you already say that contains it.
One more, from much earlier: ఖ — what does it do?

51.6 ఆశీర్వాదం (āśīrvādaṁ) — a blessing

Before the new one: what did *gauravaṁ* mean?

You'll want to know: ఆశీర్వాదం

ఆశీర్వాదం (*āśīrvādaṁ*) — "a blessing".

āśīs, a wish or a prayer, plus *vāda*, an utterance: a blessing is a wish said out loud.

The ceremony behind it is still in daily use. You bend and touch an elder's feet, and what comes back is **ఆశీర్వాదం** — a hand on the head — at a birthday, before an examination, at a wedding, and at every departure.

Notice *vāda* sitting there. It is the same piece inside **ధన్యవాదములు**, "utterances of 'worthy'". Twice now this language has counted a thing said as a thing given.

The word, taken apart — its roots and family

ఆశీర్వాదం (*āśīrvādaṁ*) is Sanskrit *āśīrvāda*, "blessing", taken over whole as a learned loan, a tatsama: *āśis*, "wish, blessing" (CDIAL 1457), and *vāda*, "utterance" (CDIAL 11507).

What you've built

Four courtesy words, and two of them are utterances by name.

Your turn

- *Say it:* *āśīrvādaṁ*
- *Say it:* it once more, slowly
- *Say it:* *āśīrvādaṁ*, then *dhanyavādamulu*, and name the piece they share
- *Read it:* **ఏమో**
- *Recall:* say *bayaludēru*

Before you move on

What does **ఆశీర్వాదం** mean? ("a blessing".) Say it once more.

51.7 ఇ · ొ — the two you were saying before you could see them

Cover the two words this chapter taught for *gratitude* and for *respect*. From memory, say which character sits inside each one.

Script: a letter you rarely see alone, and a sign that replaces what it lands on

ఇ · ొ

These two are opposites in how they behave, which is the thing worth holding:

character	how it behaves
ఞ *ña*	a consonant, almost never standing alone — it lives stacked under జ
◌ౌ *au*	a vowel sign, never standing alone — it replaces the *a* inside a consonant

In కృతజ్ఞత the stack జ్ఞ is spelled *jña* and comes out of the mouth closer to *gnya*. In గౌరవం the గ stops being *ga* the moment the sign lands on it and becomes *gau*.

One is a shape you will hardly ever see by itself; the other changes a shape you see constantly. Neither adds a sound beside the letter — one hides inside a block, the other overwrites what was already there.

Your turn

- *Look:* at కృతజ్ఞత and find the two-letter stack
- *Look:* at గౌరవం and name the letter underneath the sign
- *Say it: ga*, then *gau* — one sound sliding, not two sounds in a row
- *Trace it:* the stack once, and the sign once

Before you move on

Where does ఞ live in modern Telugu? (**Stacked under జ**, as జ్ఞ.) How is that stack spelled, and how is it said? (**Spelled *jña*, said closer to *gnya*.**) What does ◌ౌ do to the letter it lands on? (**Replaces the *a* inside it with *au*.**) And which word of this chapter carries each? (కృతజ్ఞత and గౌరవం.)

51.8 దండం (daṇḍaṁ) — a salutation, "my respects"

Before the new one: what did *āśīrvādaṁ* mean?

You'll want to know: దండం

దండం (*daṇḍaṁ*) — "a salutation, "my respects"".

దండం is what you say with the palms together — my respects — offered to an elder, a temple, a photograph on the wall. Children are taught to say it long before anyone explains it.

Sanskrit *daṇḍa* is a staff, a stick. The full form of the gesture, *daṇḍa-praṇāma*, is the prostration where the body lies down straight as a staff. Telugu kept the word and let the body straighten most of the way up.

Hold on to **దండ**; a word of the same shape comes back in the next chapter carrying flowers.

CDIAL 6128 lists Sanskrit *daṇḍa*, "stick, staff", which it thinks probably non-Aryan; the greeting is usually explained through *daṇḍa-praṇāma*, the full prostration.

What you've built

Five courtesy words: **కృతజ్ఞత**, **మేలు**, **గౌరవం**, **ఆశీర్వాదం**, **దండం**. Thanks, a good turn, respect, a blessing, and the greeting you make with your hands.

Your turn

- *Say it: daṇḍaṁ*
- *Say it:* it once more, slowly
- *Say it: daṇḍaṁ*, then *namaskāraṁ*, and say which one you would give a grandparent
- *Recall:* say *alāgē*
- *Read it:* **వెళ్ళొస్తాను**, then say what it means

Before you move on

What does **దండం** mean? ("a salutation, "my respects"".) Say it once more.

51.9 ఇ · ొ — from the sound, with nothing to copy

Cover both courtesy words and the page before this one. Nothing to copy and nothing to uncover.

Writing — dictation

Say *gau* aloud and write it: the letter ಗ, then the sign that makes it *gau*. Once.

Then say *gnya* aloud and write the block it is spelled with. This is the harder of the two, because your ear is being asked for one thing and your hand for another — the mouth says *gnya* and the page wants ಜ್ಞ.

Before you move on

Uncover the two words and compare. Then notice what each of the two asked of you. The sign was a matter of hearing one sliding vowel and putting one mark in the right place. The stack was not a matter of hearing at all — the sound your mouth makes and the letters the page keeps have drifted apart, and only the spelling remembers where the word came from.

Chapter 52

Welcoming a Guest

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name the five things a Telugu welcome puts between the street and the guest, from the mark on the ground to the garland.
>
> *Complete TE-C52-garland and demonstrate the chapter promise.*

52.1 తలుపు (talupu) — a door

Before the last run: what did *daṇḍaṁ* mean, and what did *gauravaṁ* mean?

You'll want to know: తలుపు

తలుపు (*talupu*) — "a door".

తలుపు is the leaf: the panel that swings and shuts. The opening it fills is a different word — **వాకిలి** in everyday speech, **ద్వారం** in the formal Sanskrit register. Telugu keeps the hole and the thing that fills it apart, which English manages only when it is being careful.

తలుపు is inherited. That **ద్వారం** sits beside it doing no daily work is the usual arrangement here: the old word carries the load, the borrowed one keeps the ceremony.

The word, taken apart — its roots and family

తలుపు (*talupu*) is native Dravidian. DEDR 3123 lists *talupu*, "door", in an entry with Tamil *taḷ*, "to hinder, obstruct", and Kannada *taḷ*,

"impediment".

What you've built

The first of five things standing between the street and a guest.

Your turn

- *Say it: talupu*
- *Say it:* it once more, slowly
- *Say it: talupu*, then *ikkaḍa talupu undi* — "there is a door here"
- *Recall:* say *ippuḍu*
- *Read it:* కృతజ్ఞత, then say what it means

Before you move on

What does తలుపు mean? ("a door".) Say it once more.

52.2 కుర్చీ (kurcī) — a chair

Before the new one: what did *talupu* mean?

You'll want to know: కుర్చీ

కుర్చీ (*kurcī*) — "a chair".

Arabic *kursī* is a seat, a throne — the word standing in the Qur'ān's Throne Verse. Persian took it, Urdu carried it across the Deccan, and Telugu has కుర్చీ.

The word came because the thing came. A house welcoming a guest before the chair arrived offered a పీట, a low wooden plank set on the floor, and many still do. Borrowed furniture brings borrowed nouns with it.

One trap: కుర్చీ and కూర్చో, "sit", look like a pair and are not. The verb is inherited, the noun is Arabic, and the resemblance is an accident. Sound alone never proves a relation.

What you've built

Two: a door and a chair.

Your turn

- *Say it: kurcī*
- *Say it:* it once more, slowly
- *Say it: kurcī*, then *kūrcō*, and say why the two are not related
- *Read it:* ఎల్లుండి
- *Recall:* say *mēlu*

Before you move on

What does కుర్చీ mean? ("a chair".) Say it once more.

52.3 ముగ్గు (muggu) — the rice-flour design drawn at the doorstep

Before the new one: what did *kurcī* mean?

You'll want to know: ముగ్గు

ముగ్గు (*muggu*) — "the rice-flour design drawn at the doorstep".

ముగ్గు is the design put on the ground outside the door, in rice flour, before the sun is up. It is walked over all day and drawn again the next morning.

The flour is the point. It is laid where ants and birds will find it, so the welcome begins by feeding something smaller than a guest. Tamil calls the same act கோலம், Kannada ರಂಗೋಲಿ. The word is local; the practice is not.

The word, taken apart — its roots and family

The origin of ముగ్గు (*muggu*) is uncertain. DEDR lists no word of this shape in this sense, and CDIAL has nothing for it.

What you've built

Three: the door, the chair, and the mark on the ground in front of both.

Your turn

- *Say it: muggu*
- *Say it:* it once more, slowly
- *Say it: muggu*, then *talupu*, and say which one is outside the other
- *Recall:* say *prayāṇaṁ*
- *Read it:* గౌరవం, then say what it means

Before you move on

What does ముగ్గు mean? ("the rice-flour design drawn at the doorstep".) Say it once more.

52.4 పువ్వు (puvvu) — a flower

Before the new one: what did *muggu* mean?

You'll want to know: పువ్వు

పువ్వు (*puvvu*) — "a flower".

Proto-Dravidian ***pū**, and the family kept it: Tamil பூ, Malayalam പൂ, Kannada ಹೂವು.

There is that *p-* to *h-* once more on the Kannada side — the third time in this book, after పాలు beside ಹಾಲು and పండు beside ಹಣ್ಣು. A sound law you have watched work three times has stopped being a claim; it is a pattern you can predict with, and predicting is the only test a sound law ever gets.

The plural stem is పూల-, which is about to matter.

DEDR 4345 lists Telugu *pū*, *pūvu* and *puvvu*, "flower", with Tamil *pū* and Kannada *pūvu*. DEDR compares, with a query, Sanskrit *puṣpa*, "flower" (CDIAL 8303).

What you've built

Four.

Your turn

- *Say it: puvvu*
- *Say it:* it once more, slowly
- *Say it: puvvu*, then *paṇḍu*, and say what the two share at the front
- *Read it:* బయలుదేరు
- *Recall:* say *āśīrvādaṁ*

Before you move on

What does పువ్వు mean? ("a flower".) Say it once more.

52.5 పూలదండ (pūladaṇḍa) — a flower garland

Before the new one: what did *puvvu* mean?

You'll want to know: పూలదండ

పూలదండ (*pūladaṇḍa*) — "a flower garland".

పూల, flowers, and దండ, a garland. It looks like the దండ of దండం, the salutation, one chapter back, but this one is Dravidian: DEDR 3060 lists it with Kannada *daṇḍe*, "garland, wreath". A పూలదండ is a garland of flowers, strung.

So the greeting and the garland only sound alike. You say దండం with your hands; you put పూలదండ round a neck.

And that closes the welcome: the ముగ్గు on the ground, the తలుపు opened, the కుర్చీ offered, and a పూలదండ of పువ్వులు for the అతిథి who sent no word ahead.

What you've built

Five: తలుపు, కుర్చీ, ముగ్గు, పువ్వు, పూలదండ. A guest can now be met at the door and seated.

Your turn

- *Say it: pūladaṇḍa*
- *Say it:* it once more, slowly

- *Say it:* all five in order, then say *namaskāraṁ* as you would at the door to an *atithi*
- *Recall:* say *veḷḷostānu*
- *Read it:* దండం, then say what it means

Before you move on

What does పూలదండ mean? (“a flower garland”.) Say it once more.

Chapter 53

The Sky

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five things overhead in Telugu, and say which of them Telugu borrowed and which it has always had.
>
> *Complete TE-C53-cloud and demonstrate the chapter promise.*

53.1 ఆకాశం (ākāśaṁ) — the sky

Before the new one: what did *pūladaṇḍa* mean?

You'll want to know: ఆకాశం

ఆకాశం (*ākāśaṁ*) — "the sky".

ఆకాశం came from Sanskrit *ākāśa*, built on a piece meaning "to shine, to be seen". So the sky is named for being the open, lit place where a thing can be visible at all, rather than for being a lid over the world.

Telugu also holds an inherited word for the same overhead space, **నింగి**, which owes Sanskrit nothing. The two sit side by side: **ఆకాశం** does the ordinary work and turns up in newspapers and weather talk, while **నింగి** keeps to songs and poetry. A borrowed word taking the daily shift and leaving the old one the ceremony is an arrangement you have watched before, with the door.

ākāśa travelled, too. Traders carried it east, and Malay and Indonesian still say *angkasa* for the sky.

CDIAL 1008 lists Sanskrit *ākāśa*, "sky".

What you've built

The space that the rest of this chapter hangs in.

Your turn

- *Say it:* *ākāśaṁ*
- *Say it:* it once more, slowly
- *Say it:* *ākāśaṁ*, then *namaskāraṁ*, as you would greet somebody outdoors
- *Recall:* say *kṛtajñata*
- *Read it:* **తలుపు**, then say what it means

Before you move on

What does **ఆకాశం** mean? ("the sky".) Say it once more.

53.2 సూర్యుడు (sūryuḍu) — the sun

Before the new one: what did *ākāśaṁ* mean?

You'll want to know: సూర్యుడు

సూర్యుడు (*sūryuḍu*) — "the sun".

Sanskrit *sūrya* is the sun. Telugu took the word and hung **-డు** on the end, the ending it puts on a man's name and on the words for men doing work — the same **-డు** that stands at the end of **రైతు**'s formal cousin and of **వైద్యుడు**.

That ending is doing something real here. **సూర్యుడు** is the sun as a person: the one who drives, who is greeted, who is asked for things. Telugu has a plainer inherited word for the thing in the sky, **పొద్దు**, which you already have, and **పొద్దు** is what you use to say the sun came up.

So one language keeps two suns: **పొద్దు** for the light, **సూర్యుడు** for the god.

CDIAL 13574 lists Sanskrit *sūrya*, "sun".

What you've built

Two: the sky, and the brightest thing in it.

Your turn

- *Say it: sūryuḍu*
- *Say it:* it once more, slowly
- *Say it: sūryuḍu*, then *poddu*, and say which one of them can be prayed to
- *Read it:* మేలు
- *Recall:* say *kurcī*

Before you move on

What does సూర్యుడు mean? ("the sun".) Say it once more.

53.3 చంద్రుడు (candruḍu) — the moon

Before the new one: what did *sūryuḍu* mean?

You'll want to know: చంద్రుడు

చంద్రుడు (*candruḍu*) — "the moon".

Sanskrit *candra* means "shining, bright", and it carries the same **-డు** that సూర్యుడు carries. Two borrowed lights, and Telugu made people of both.

The inherited word here is **నెల**, which you already have as the word for a month. One shape for the moon and for the stretch of time it measures — the moon is the oldest calendar there is, and Telugu keeps that fact inside a single word.

candra went a long way west as well. It shares an ancestor with the Latin piece that gives English *candle* and *incandescent*: a very old root for burning white.

CDIAL 4661 lists Sanskrit *candra*, "shining; moon".

What you've built

Three, and two of them named as people.

Your turn

- *Say it: candruḍu*
- *Say it:* it once more, slowly
- *Say it: candruḍu*, then *sūryuḍu*, and say what the two share at the end
- *Recall:* say *gauravaṁ*
- *Read it:* ముగ్గు, then say what it means

Before you move on

What does చంద్రుడు mean? ("the moon".) Say it once more.

53.4 చుక్క (cukka) — a star; a dot

Before the new one: what did *candruḍu* mean?

You'll want to know: చుక్క

చుక్క (*cukka*) — "a star; a dot".

చుక్క is inherited, and it means a star and a dot and a drop of liquid, all with one shape. Anything small and round and separate is a చుక్క.

That is why it matters for the ముగ్గు. The design at the doorstep is laid out first as a grid of చుక్కలు, dots of rice flour set at even spacing, and the lines are then drawn around and between them. A woman who says she is putting down చుక్కలు in the morning is not talking about the sky.

The borrowed word for a star is నక్షత్రం, and it is what an astrologer uses. చుక్క is what a child points at.

The word, taken apart — its roots and family

చుక్క (*cukka*) is native Dravidian, one word with Kannada *cukke*, "small mark, dot" (DEDR 2646). DEDR notes that Tamil *cukkai*, "star", is a loan from Telugu.

What you've built

Four.

Your turn

- *Say it: cukka*
- *Say it:* it once more, slowly
- *Say it: cukka*, then *muggu*, and say how the two are connected on the ground
- *Read it:* ఆశీర్వాదం
- *Recall:* say *puvvu*

Before you move on

What does చుక్క mean? ("a star; a dot".) Say it once more.

53.5 మబ్బు (mabbu) — a cloud

Before the new one: what did *cukka* mean?

You'll want to know: మబ్బు

మబ్బు (*mabbu*) — "a cloud".

మబ్బు is inherited and quite plain: the grey thing between you and the సూర్యుడు.

It stretched, the way weather words do. మబ్బు also describes a dull, heavy, half-asleep feeling, and a person who is slow to catch on. English went the same way with *cloudy* and *foggy*, from opposite ends of the earth and with no contact at all. When two unrelated languages reach for the same picture, the picture is doing the work rather than the borrowing.

With that, the sky is furnished.

The word, taken apart — its roots and family

మబ్బు (*mabbu*) is native Dravidian, one word with Tamil *mappu* and Kannada *mabbu* (DEDR 4728). DEDR also lists Telugu *mrabbu*, "cloud".

What you've built

Five: ఆకాశం, సూర్యుడు, చంద్రుడు, చుక్క, మబ్బు. You can now say what is overhead.

Your turn

- *Say it: mabbu*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say which two of them end the same way
- *Recall:* say *daṇḍaṁ*
- *Read it:* పూలదండ, then say what it means

Before you move on

What does మబ్బు mean? (“a cloud”.) Say it once more.

Chapter 54

The Tree

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name a tree and its parts in Telugu, from the seed it started as to the branch at the top.
>
> *Complete TE-C54-seedling and demonstrate the chapter promise.*

54.1 చెట్టు (ceṭṭu) — a tree

Before the new one: what did *mabbu* mean?

You'll want to know: చెట్టు

చెట్టు (*ceṭṭu*) — "a tree".

చెట్టు is inherited and old. The Dravidian family kept the shape but shuffled the meaning: Tamil's *ceṭi* is a bush or a shrub, a small woody thing, while Telugu raised the same word to the full-grown tree and left the bush to other words.

A meaning that moves up or down the scale like that is the commonest kind of drift there is. The word holds its place in the family; what it points at slides.

మ్రాను is another Telugu word for a tree, older-sounding and now mostly literary. **చెట్టు** is what anybody says.

The word, taken apart — its roots and family

చెట్టు (*ceṭṭu*) is native Dravidian, one word with Tamil *ceṭi*, Kannada *ceṭṭu* and Malayalam *ceṭi* (DEDR 1941). DEDR glosses the Tamil

word “shrub, bush”.

What you’ve built

The thing the rest of this chapter is made of.

Your turn

- *Say it: ceṭṭu*
- *Say it:* it once more, slowly
- *Say it: ceṭṭu*, then *puvvu*, and say which one grows on the other
- *Recall:* say *talupu*
- *Read it:* **ఆకాశం**, then say what it means

Before you move on

What does **చెట్టు** mean? (“a tree”.) Say it once more.

54.2 కొమ్మ (komma) — a branch

Before the new one: what did *ceṭṭu* mean?

You’ll want to know: కొమ్మ

కొమ్మ (*komma*) — “a branch”.

కొమ్మ is the branch, the arm the **చెట్టు** puts out sideways.

It stands very close to **కొమ్ము**, the horn of an animal, and the closeness is not an accident: both are the thing that grows out and forks. A tree wearing horns is a fair description of a tree in winter.

కొమ్మ turns up in old poetry meaning a young woman, by way of the slenderness of a branch. That sense has gone quiet, but it is why the word looks odd inside a love poem.

The word, taken apart — its roots and family

కొమ్మ (*komma*) is native Dravidian, one word with Tamil *kompu*, Kannada *kombu* and Malayalam *kompu* (DEDR 2115). DEDR lists Telugu *kommu*, “horn”, and *komma*, “branch”, together.

What you've built

Two: the tree and what it puts out.

Your turn

- *Say it: komma*
- *Say it:* it once more, slowly
- *Say it: komma*, then *ceṭṭu*, and say which is part of which
- *Read it:* కుర్చీ
- *Recall:* say *sūryuḍu*

Before you move on

What does కొమ్మ mean? ("a branch".) Say it once more.

54.3 వేరు (vēru) — a root

Before the new one: what did *komma* mean?

You'll want to know: వేరు

వేరు (*vēru*) — "a root".

వేరు is the root under the **చెట్టు**. It also means "separate, apart, other" — **వేరు** as an answer means "that is a different thing".

One shape, two jobs, and they are not far apart when you think about what a root does: it is the part that is set aside, buried, kept out of the daylight and out of the reckoning.

Telugu is comfortable letting a word carry a solid thing and an abstract idea at once. You had one working two jobs a moment ago, with **చుక్క**.

The word, taken apart — its roots and family

వేరు (*vēru*) is native Dravidian, one word with Tamil *vēr*, Kannada *bēru* and Malayalam *vēr* (DEDR 5535). The **వేరు** that means "different" is another word, DEDR 5548.

What you've built

Three: what is up, what is out, and what is under.

Your turn

- *Say it:* *vēru*
- *Say it:* it once more, slowly
- *Say it:* *vēru*, then *komma*, and say which end of the **చెట్టు** each one is at
- *Recall:* say *muggu*
- *Read it:* **చంద్రుడు**, then say what it means

Before you move on

What does **వేరు** mean? ("a root".) Say it once more.

54.4 విత్తనం (vittanaṁ) — a seed

Before the new one: what did *vēru* mean?

You'll want to know: విత్తనం

విత్తనం (*vittanaṁ*) — "a seed".

విత్తనం is the seed, and it is built on **విత్తు**, "to sow". The word for the thing comes out of the word for the act, which is the ordinary direction of travel: people had been sowing for a long time before anybody needed a name for what they held.

Sanskrit's *bīja* was borrowed in as *bījaṁ*, and it does the abstract work — the seed of an idea, the germ of a quarrel. **విత్తనం** stays in the sack.

The whole chapter is inside this word. A **విత్తనం** becomes a **చెట్టు** with a **వేరు** below and a **కొమ్మ** above.

The word, taken apart — its roots and family

విత్తనం (*vittanaṁ*) is native Dravidian, one word with Tamil *vittu*, Kannada *bittu* and Malayalam *vittu* (DEDR 5401). DEDR lists Telugu *vittu*, "to sow; seed", and *vittanamu*, "seed".

What you've built

Four.

Your turn

- *Say it: vittanaṁ*
- *Say it:* it once more, slowly
- *Say it: vittanaṁ*, then *ceṭṭu*, and say which one comes first
- *Read it:* పువ్వు
- *Recall:* say *cukka*

Before you move on

What does **విత్తనం** mean? ("a seed".) Say it once more.

54.5 మొక్క (mokka) — a young plant

Before the new one: what did *vittanaṁ* mean?

You'll want to know: మొక్క

మొక్క (*mokka*) — "a young plant".

మొక్క is what the **విత్తనం** becomes before it earns the name **చెట్టు**: a seedling, a sapling, anything small and green and rooted.

The line between **మొక్క** and **చెట్టు** is about woodiness rather than height. A tomato plant stays a **మొక్క** at any size, because it stays soft. A **చెట్టు** has bark.

Do not tie it to **మొక్కు**, "to bow, to make a vow", which sounds close. Telugu has a good many pairs like that, and a resemblance on its own settles nothing.

The word, taken apart — its roots and family

మొక్క (*mokka*) is native Dravidian. DEDR 4997 lists Telugu *mokka*, "young plant, shoot, sprout", beside *molaka* and *mōka*, "sprout", with Tamil *muḷai*, "to sprout".

What you've built

Five: చెట్టు, కొమ్మ, వేరు, విత్తనం, మొక్క. A tree, its parts, and its beginning.

Your turn

- *Say it: mokka*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say them again as a life story, starting with the seed
- *Recall:* say *pūladaṇḍa*
- *Read it:* మబ్బు, then say what it means

Before you move on

What does మొక్క mean? ("a young plant".) Say it once more.

Chapter 55

River and Road

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name the water, the ground and the road around a Telugu village, and ask my way with them.
>
> *Complete TE-C55-path and demonstrate the chapter promise.*

55.1 నది (nadi) — a river

Before the new one: what did *mokka* mean?

You'll want to know: నది

నది (*nadi*) — "a river".

Sanskrit *nadī* is the river, and it is built on a piece meaning "to sound, to roar". A river is named for the noise it makes, which tells you the people who named it were listening for water before they could see it.

Telugu clipped the long final vowel and says **నది**. The inherited Telugu word is **ఏరు**, a stream, and it survives in place names up and down the country long after it stopped being said on its own.

నది is the word you want when asking a stranger which way the water is.

CDIAL 6943 lists Sanskrit *nadī*, "river".

What you've built

The first thing you would ask the way to.

Your turn

- *Say it: nadi*
- *Say it:* it once more, slowly
- *Say it: nadi*, then *dayacēsi*, and put the two together as a question
- *Recall:* say *ākāśaṁ*
- *Read it:* **చెట్టు**, then say what it means

Before you move on

What does **నది** mean? ("a river".) Say it once more.

55.2 చెరువు (ceruvu) — a village tank, a reservoir

Before the new one: what did *nadi* mean?

You'll want to know: చెరువు

చెరువు (*ceruvu*) — "a village tank, a reservoir".

A **చెరువు** is not a natural lake. It is a dug and banked tank that catches the rain and holds it through the dry months, and a great many Telugu villages were laid out around one before they were laid out around anything else.

So the word carries an argument about how the country was settled: the **నది** is where the water goes, the **చెరువు** is where it was made to stay. Kings had them dug and put their names on the bunds, and the names are still there.

Indian English calls this a "tank", which is why the translation can sound strange until you have stood on the bund of one.

The word, taken apart — its roots and family

చెరువు (*ceruvu*) is native Dravidian. DEDR 1980 lists *ceruvu*, "artificial lake, tank", beside *ceṟa*, "prison, confinement", in an entry with Tamil *ceṟi*, "to be close, crowded".

What you've built

Two waters: one that moves, one that was kept.

Your turn

- *Say it: ceruvu*
- *Say it:* it once more, slowly
- *Say it: ceruvu*, then *nadi*, and say which one people made
- *Read it:* సూర్యుడు
- *Recall:* say *komma*

Before you move on

What does చెరువు mean? ("a village tank, a reservoir".) Say it once more.

55.3 గుట్ట (guṭṭa) — a low hill

Before the new one: what did *ceruvu* mean?

You'll want to know: గుట్ట

గుట్ట (*guṭṭa*) — "a low hill".

గుట్ట is inherited, and it means the small rocky rise that the Deccan is covered in — a heap of boulders rather than a peak. It also means a heap of anything: a గుట్ట of grain, a గుట్ట of clothes.

That double sense is honest about the landscape. These hills look piled rather than pushed up, and a speaker naming one is naming a pile.

The borrowed పర్వతం is the big mountain, the one in a poem. Nobody calls the rise behind their village a పర్వతం.

The word, taken apart — its roots and family

గుట్ట (*guṭṭa*) is native Dravidian, one word with Tamil *kuṇṭu* and Kannada *guḍḍa* (DEDR 1682). DEDR lists Telugu *guṭṭa*, "hill, hillock, heap".

What you've built

Three: water that moves, water that stays, and ground that stands up.

Your turn

- *Say it: guṭṭa*
- *Say it:* it once more, slowly
- *Say it: guṭṭa*, then *ceruvu*, and say which of the two you would climb
- *Recall:* say *candruḍu*
- *Read it:* వేరు, then say what it means

Before you move on

What does గుట్ట mean? ("a low hill".) Say it once more.

55.4 గ్రామం (grāmaṁ) — a village

Before the new one: what did *guṭṭa* mean?

You'll want to know: గ్రామం

గ్రామం (*grāmaṁ*) — "a village".

Sanskrit *grāma* began as the word for a moving band of people, a travelling group, and settled into meaning the place they settled in. The word sat down when the people did.

Telugu's own word is *ūru*, and it is the one used in speech: it is in half the place names on the map and it is what you say to a neighbour. గ్రామం is the official register — the word on a form, in a land record, on a signboard.

So a Telugu speaker holds two villages, one for the revenue office and one for home.

CDIAL 4368 lists Sanskrit *grāma*, "troop, village".

What you've built

Four.

Your turn

- *Say it: grāmaṁ*
- *Say it:* it once more, slowly

- *Say it: grāmaṁ*, then *ceruvu*, and say which one a village is built around
- *Read it:* చుక్క
- *Recall:* say *vittanaṁ*

Before you move on

What does గ్రామం mean? ("a village".) Say it once more.

55.5 బాట (bāṭa) — a path, a way

Before the new one: what did *grāmaṁ* mean?

You'll want to know: బాట

బాట (*bāṭa*) — "a path, a way".

బాట is the plain word for a way, a track, the line worn by feet going the same way twice. **దారి** does much the same work; **బాట** is the more physical of the two, the ground itself.

It goes abstract as easily as English "path" does. **బాట పట్టు** is to take up a way of living, and a person can be on somebody else's **బాట**.

You can now ask your way properly: **దయచేసి**, which **గ్రామం**, which **బాట**, which side the **నది** is on.

The word, taken apart — its roots and family

Where **బాట** (*bāṭa*) comes from is not settled, and DEDR does not list it. It matches the northern word for a path, Hindi *bāṭ* and Oriya *bāṭa*, which CDIAL 11366 traces to Sanskrit *vartman*, "track, path", so it may be a loan from the north.

What you've built

Five: **నది**, **చెరువు**, **గుట్ట**, **గ్రామం**, **బాట**. Enough to be given directions with.

Your turn

- *Say it: bāṭa*

- *Say it:* it once more, slowly
- *Say it:* all five in order, then ask a stranger the way to the **నది** using *dayacēsi*
- *Recall:* say *mabbu*
- *Read it:* **మొక్క**, then say what it means

Before you move on

What does **బాట** mean? (“a path, a way”.) Say it once more.

Chapter 56

In the House

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five ordinary things inside a Telugu house and thank somebody for handing me one.
>
> *Complete TE-C56-box and demonstrate the chapter promise.*

56.1 చాప (cāpa) — a mat

Before the new one: what did *bāṭa* mean?

You'll want to know: చాప

చాప (*cāpa*) — "a mat".

A **చాప** is woven from palm leaf or reed, rolled up against a wall by day and unrolled to sit or sleep on.

It belongs beside the **కుర్చీ** you already have. Where the chair is a borrowed thing with a borrowed name, the **చాప** is old and the word is inherited, and a house that has both will often put the **చాప** down for the people who are comfortable on the floor and keep the **కుర్చీ** for the guest who is not.

Offering somebody a **చాప** is an invitation to stay a while. It is a slower gesture than pointing at a chair.

The word, taken apart — its roots and family

చాప (*cāpa*) is native Dravidian, one word with Tamil *cāppai*, "mat of grass or rushes", and Kannada *cāpe*, "mat" (DEDR 2452).

What you've built

The first thing a floor gets.

Your turn

- *Say it:* *cāpa*
- *Say it:* it once more, slowly
- *Say it:* *cāpa*, then *kurcī*, and say which of the two gets rolled up
- *Recall:* say *ceṭṭu*
- *Read it:* నది, then say what it means

Before you move on

What does చాప mean? ("a mat".) Say it once more.

56.2 బుట్ట (buṭṭa) — a basket

Before the new one: what did *cāpa* mean?

You'll want to know: బుట్ట

బుట్ట (*buṭṭa*) — "a basket".

బుట్ట is inherited: the woven basket that carries vegetables home, holds flowers for the morning, and sits on a head on the way to market.

Weaving words tend to be old, and they tend to stay put while the trade words move around them. A **బుట్ట** and a **చాప** come off the same hands and the same palm leaf, which is why the two words feel like family even though they are not.

పూల బుట్ట is the flower basket — **పువ్వు**'s **పూల**- shape doing its work again.

The word, taken apart — its roots and family

బుట్ట (*buṭṭa*) is native Dravidian, one word with Kannada *buṭṭi* (DEDR 4263). DEDR lists Telugu *buṭṭa* and *buṭṭi*, "basket", with Tamil *puṭṭil*, "basket".

What you've built

Two: something to sit on, something to carry with.

Your turn

- *Say it: buṭṭa*
- *Say it:* it once more, slowly
- *Say it: buṭṭa*, then *cāpa*, and say what the two are made of
- *Read it:* కొమ్మ
- *Recall:* say *ceruvu*

Before you move on

What does బుట్ట mean? ("a basket".) Say it once more.

56.3 కత్తి (katti) — a knife

Before the new one: what did *buṭṭa* mean?

You'll want to know: కత్తి

కత్తి (*katti*) — "a knife".

కత్తి is the knife and, in older use, the sword. Size did not divide them; the blade did.

It is inherited, and it is spread right across the family — Tamil, Kannada and Malayalam all have a word of the same shape for a cutting blade. Tools that a household could make for itself keep their names for a very long time.

కత్తి also does the work English gives to "sharp" when talking about people: కత్తిలాంటి is knife-like, said of somebody quick.

The word, taken apart — its roots and family

కత్తి (*katti*) is native Dravidian, one word with Tamil *katti*, Kannada *katti* and Malayalam *katti* (DEDR 1204).

What you've built

Three.

Your turn

- *Say it: katti*
- *Say it:* it once more, slowly
- *Say it: katti*, then *buṭṭa*, and say which one you would cut a పండు with
- *Recall:* say *vēru*
- *Read it:* గుట్ట, then say what it means

Before you move on

What does కత్తి mean? ("a knife".) Say it once more.

56.4 గిన్నె (ginne) — a cooking vessel, a bowl

Before the new one: what did *katti* mean?

You'll want to know: గిన్నె

గిన్నె (*ginne*) — "a cooking vessel, a bowl".

గిన్నె is the round metal vessel that food is cooked and served in — the everyday one, brass or steel, with no lid worth mentioning.

Telugu splits its containers finely. A గిన్నె is not a కుండ, the fired clay pot, and it is not a పళ్ళెం, the flat plate. English pushes all three towards "pot" and "dish" and loses the difference between what holds heat, what holds water and what holds a meal.

When a kitchen has a name for each shape, the names are telling you which shapes the kitchen actually uses.

The word, taken apart — its roots and family

గిన్నె (*ginne*) is native Dravidian, one word with Tamil *kiṇṇam* and Malayalam *kiṇṇam* (DEDR 1543). DEDR lists Telugu *ginniya* and *ginne*, "cup, bowl".

What you've built

Four.

Your turn

- *Say it: ginne*
- *Say it:* it once more, slowly
- *Say it: ginne*, then *katti*, and say which one goes on the fire
- *Read it:* విత్తనం
- *Recall:* say *grāmaṁ*

Before you move on

What does గిన్నె mean? ("a cooking vessel, a bowl".) Say it once more.

56.5 పెట్టె (peṭṭe) — a box

Before the new one: what did *ginne* mean?

You'll want to know: పెట్టె

పెట్టె (*peṭṭe*) — "a box".

పెట్టె looks as if it comes out of పెట్టు, "to put" — the box as the put-place — but DEDR keeps the two words apart.

Then the railways arrived and పెట్టె picked up a second job — a railway carriage is a పెట్టె, a box that people are put in. A word for putting things away ended up on the side of a train.

The house is furnished now: a చాప on the floor, a బుట్ట by the door, a కత్తి and a గిన్నె in the kitchen, and a పెట్టె for what is not needed today.

The word, taken apart — its roots and family

పెట్టె (*peṭṭe*) is native Dravidian, one word with Tamil *peṭṭi* and Kannada *peṭṭi*, "box" (DEDR 4388). DEDR compares Sanskrit *peṭaka*, "box" (CDIAL 8164), a word CDIAL calls non-Aryan.

What you've built

Five: చాప, బుట్ట, కత్తి, గిన్నె, పెట్టె. You can name what a room holds, and say ధన్యవాదాలు when one is handed to you.

Your turn

- *Say it: peṭṭe*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then take one from somebody and say *dhanyavādālu*
- *Recall:* say *mokka*
- *Read it:* బాట, then say what it means

Before you move on

What does పెట్టె mean? (“a box”.) Say it once more.

Chapter 57

More of the Body

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five more parts of the body in Telugu and say which one hurts.
>
> *Complete TE-C57-bone and demonstrate the chapter promise.*

57.1 మెడ (meḍa) — the neck

Before the new one: what did *peṭṭe* mean?

You'll want to know: మెడ

మెడ (*meḍa*) — "the neck".

మెడ is inherited and short, which is what you expect of a body word: the parts people point at got their names early and kept them.

It is where a **పూలదండ** goes, so you already had the place before you had the word.

మెడ వంచు, to bend the neck, is to give in. The gesture and the phrase mean the same thing in a great many languages, because the gesture came first.

The word, taken apart — its roots and family

మెడ (*meḍa*) is native Dravidian, one word with Tamil *miṭaṟu*, "neck, throat", and Kannada *meṭre*, "throat" (DEDR 4847). DEDR compares Prakrit *maḍa*, "neck".

What you've built

The place a garland already went.

Your turn

- *Say it:* *meḍa*
- *Say it:* it once more, slowly
- *Say it:* *meḍa*, then *pūladaṇḍa*, and put one on the other
- *Recall:* say *nadi*
- *Read it:* చాప, then say what it means

Before you move on

What does మెడ mean? ("the neck".) Say it once more.

57.2 వీపు (vīpu) — the back

Before the new one: what did *meḍa* mean?

You'll want to know: వీపు

వీపు (*vīpu*) — "the back".

వీపు is the back — the flat of it, the part you carry a load on and a child rides on.

It sits with the other inherited body words you have: **కాలు**, **పన్ను**, **వేలు**, and now **మెడ** above it. The head is a different matter, since Telugu leans on borrowed words in the higher registers there, but the trunk and the limbs are almost entirely old stock.

That pattern is worth noticing. The words a language borrows tend to be for things it acquired; the body was not acquired.

The word, taken apart — its roots and family

వీపు (*vīpu*) is native Dravidian. DEDR 5455 lists the Telugu word for "the back" in an entry with Kota and Kolami words for the backbone.

What you've built

Two more, both of them old.

Your turn

- *Say it:* *vīpu*
- *Say it:* it once more, slowly
- *Say it:* *vīpu*, then *meḍa*, and say which is above the other
- *Read it:* చెరువు
- *Recall:* say *buṭṭa*

Before you move on

What does వీపు mean? ("the back".) Say it once more.

57.3 పెదవి (pedavi) — a lip

Before the new one: what did *vīpu* mean?

You'll want to know: పెదవి

పెదవి (*pedavi*) — "a lip".

పెదవి is the lip. Telugu keeps it separate from నోరు, the mouth as an opening, which you already have: the పెదవి is the rim, the నోరు is the hole.

పెదవి విరుచు — to twist the lip — is the Telugu way of saying somebody sneered. The face does the talking, and the language just reports it.

It is the part that shapes the sounds you have been making all along. Every ప in this book has been made with two పెదవులు.

The word, taken apart — its roots and family

పెదవి (*pedavi*) is native Dravidian, one word with Kolami *pedave*, "lip" (DEDR 4400). DEDR lists no Tamil or Kannada match.

What you've built

Three.

Your turn

- *Say it: pedavi*
- *Say it:* it once more, slowly
- *Say it: pedavi*, then say *puvvu* slowly and notice what your పెదవులు do at the start
- *Recall:* say *guṭṭa*
- *Read it:* కత్తి, then say what it means

Before you move on

What does పెదవి mean? ("a lip".) Say it once more.

57.4 గోరు (gōru) — a fingernail, a claw

Before the new one: what did *pedavi* mean?

You'll want to know: గోరు

గోరు (*gōru*) — "a fingernail, a claw".

గోరు is the nail on a finger and the claw on an animal, with no line drawn between them. One word for the hard thing at the end of the digit, whoever it belongs to.

It goes on the end of వేలు, which you already have. వేలి గోరు is the fingernail said in full, when the plain word would be unclear.

గోరువెచ్చని, "nail-warm", is the Telugu word for lukewarm water — the temperature you test by dipping a fingertip. A measurement made with the body, before there were thermometers.

The word, taken apart — its roots and family

గోరు (*gōru*) is native Dravidian, one word with Tamil *ukir* and Kannada *ugur*, "nail, claw" (DEDR 561). The Telugu form has a *g-* in front, like its Gondi and Kui cousins.

What you've built

Four.

Your turn

- *Say it: gōru*
- *Say it:* it once more, slowly
- *Say it: gōru*, then *vēlu*, and say which one grows out of the other
- *Read it:* గ్రామం
- *Recall:* say *ginne*

Before you move on

What does గోరు mean? (“a fingernail, a claw”.) Say it once more.

57.5 ఎముక (emuka) — a bone

Before the new one: what did *gōru* mean?

You’ll want to know: ఎముక

ఎముక (*emuka*) — “a bone”.

ఎముక is the bone, inherited, and it covers the whole family of them.

It carries the same weight English gives it: **ఎముకలు విరిగేలా**, “until the bones break”, is how you describe work that took everything a body had. The bone stands for the last thing left when the rest is gone.

That closes the body words. **మెడ**, **వీపు**, **పెదవి**, **గోరు** and **ఎముక** join **కాలు**, **పన్ను**, **వేలు** and the rest, and between them you can tell a doctor where it hurts.

The word, taken apart — its roots and family

ఎముక (*emuka*) is native Dravidian, one word with Tamil *elumpu* and Kannada *elubu*, “bone” (DEDR 839). DEDR compares Sanskrit *eḍūka*, “a monument holding bones”.

What you’ve built

Five: **మెడ**, **వీపు**, **పెదవి**, **గోరు**, **ఎముక**. Enough to answer a **వైద్యుడు** with.

Your turn

- *Say it:* *emuka*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then name your **మెడ** and say *nāku noppi*
- *Recall:* say *bāṭa*
- *Read it:* **పెట్టె**, then say what it means

Before you move on

What does **ఎముక** mean? (“a bone”.) Say it once more.

Chapter 58

More Short Replies

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say how much I want, refuse politely, and close a conversation in Telugu.
>
> *Complete TE-C58-thats-all and demonstrate the chapter promise.*

58.1 కొంచెం (koñcem) — a little, a bit

Before the new one: what did *emuka* mean?

You'll want to know: కొంచెం

కొంచెం (*koñcem*) — "a little, a bit".

కొంచెం is "a little", and it does far more work in Telugu than its size suggests. It softens whatever comes after it.

Ask for something plainly and you are demanding; put **కొంచెం** in front and you are asking. **కొంచెం నీళ్ళు** is a request for water that leaves the other person room. The word is a quantity in the dictionary and a manner in the mouth.

Telugu shares this habit with a good many languages. English does it with "just" and "a bit", and both of those have stopped measuring anything too.

The word, taken apart — its roots and family

కొంచెం (*koñcem*) is native Dravidian, one word with Tamil *koñcam* and Kannada *koñca* (DEDR 2041). DEDR lists Telugu *koncemu*, "a little,

a few”.

What you’ve built

A word that makes the next one polite.

Your turn

- *Say it: koñcem*
- *Say it:* it once more, slowly
- *Say it: koñcem*, then *koñcem pālu*, and hear how much softer it is than *pālu* alone
- *Recall:* say *cāpa*
- *Read it:* **మెడ**, then say what it means

Before you move on

What does **కొంచెం** mean? (“a little, a bit”.) Say it once more.

58.2 ఎక్కువ (ekkuva) — more, a great deal

Before the new one: what did *koñcem* mean?

You’ll want to know: ఎక్కువ

ఎక్కువ (*ekkuva*) — “more, a great deal”.

ఎక్కువ is built on **ఎక్కు**, “to climb, to go up”. The quantity is a movement: more is what has gone up.

Set it against **కొంచెం**, which you had a moment ago, and you have the two ends of a plate of food. **కొంచెం** is what you say when you would like the serving to stop; **ఎక్కువ** is what you say when it was too much.

It doubles as “too much” without changing shape, so tone and face carry the difference. **ఎక్కువ మాట్లాడు** can be praise or a complaint depending on how it is said.

The word, taken apart — its roots and family

ఎక్కువ (*ekkuva*) is native Dravidian, built on *ekku*, "to rise, increase". DEDR 768 lists *ekku* and *ekkuva*, "excess, more", itself, with Kannada *ekke*, "superiority".

What you've built

Two: a little, and a lot.

Your turn

- *Say it: ekkuva*
- *Say it:* it once more, slowly
- *Say it: ekkuva*, then *koñcem*, and say them as a pair
- *Read it:* బుట్ట
- *Recall:* say *vīpu*

Before you move on

What does ఎక్కువ mean? ("more, a great deal".) Say it once more.

58.3 తక్కువ (takkuva) — less, too little

Before the new one: what did *ekkuva* mean?

You'll want to know: తక్కువ

తక్కువ (*takkuva*) — "less, too little".

తక్కువ is built on తక్కు, "to fall short", exactly the way ఎక్కువ is built on climbing. Two words, one shape of construction, opposite directions.

A matched pair like this is worth holding on to, because it lets you guess. Once the -కువ ending on both has registered, you can meet a Telugu word for the first time and have some idea what it is doing.

తక్కువ చేసి మాట్లాడు, to speak somebody less, is to belittle them. The arithmetic goes straight into the manners.

The word, taken apart — its roots and family

తక్కువ (*takkuva*) is native Dravidian. DEDR 3178 lists *takkuva*, "less, deficient", with *taggu*, "to decrease", in an entry with Tamil *tāḻ*, "to be low", and Kannada *tāḻ*, "being low".

What you've built

Three, and two of them are a pair.

Your turn

- *Say it: takkuva*
- *Say it:* it once more, slowly
- *Say it: takkuva*, then *ekkuva*, and say which one climbs
- *Recall:* say *katti*
- *Read it:* **పెదవి**, then say what it means

Before you move on

What does **తక్కువ** mean? ("less, too little".) Say it once more.

58.4 వద్దు (vaddu) — no, I don't want it

Before the new one: what did *takkuva* mean?

You'll want to know: వద్దు

వద్దు (*vaddu*) — "no, I don't want it".

వద్దు is the refusal of a thing offered. It is not the same as **కాదు**, which denies that something is so; **వద్దు** turns down an offer.

It answers **కావాలి**, "I want it", and the two of them run every meal in a Telugu house. A hand over the plate and **వద్దు** is a complete sentence.

It softens the moment you put **కొంచెం**'s cousin in front of it, or the **-అండి** ending on the end: **వద్దండి** is the same refusal with the door left open.

The word, taken apart — its roots and family

వద్దు (*vaddu*) is native Dravidian. DEDR 1006 lists *valadu* and *vaddu*, "it is not wanted", under the verb *valacu*, "to wish, desire", with Tamil *ollu*, "to agree", and Kannada *ol*, "to like".

What you've built

Four.

Your turn

- *Say it: vaddu*
- *Say it:* it once more, slowly
- *Say it: vaddu*, then *vaddaṇḍi*, and say which one you would use with a stranger
- *Read it:* గిన్నె
- *Recall:* say *gōru*

Before you move on

What does వద్దు mean? ("no, I don't want it".) Say it once more.

58.5 అంతే (antē) — that's all; that's just it

Before the new one: what did *vaddu* mean?

You'll want to know: అంతే

అంతే (*antē*) — "that's all; that's just it".

అంతే is అంత, "that much", with a small -ఏ on the end that means "just, exactly". So the word says "exactly that much" — and it ends a list, a story or an argument.

It has a second life as agreement. Somebody explains why a thing went wrong and you say అంతే: that is precisely it, nothing further to add. The same word closes a sale and closes a discussion.

It is a good word to leave a chapter on. కొంచెం, ఎక్కువ, తక్కువ, వద్దు — and then అంతే.

The word, taken apart — its roots and family

అంతే (*antē*) is native Dravidian: *anta*, "so much", on the far-pointing base *a-* (DEDR 1), with the emphatic *-ē*, "only".

What you've built

Five: **కొంచెం**, **ఎక్కువ**, **తక్కువ**, **వద్దు**, **అంతే**. You can now say how much, and when to stop.

Your turn

- *Say it: antē*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then refuse a second helping with *vaddu*, *antē*
- *Recall:* say *peṭṭe*
- *Read it:* **ఎముక**, then say what it means

Before you move on

What does **అంతే** mean? ("that's all; that's just it".) Say it once more.

Chapter 59

Weather and Ground

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name the weather and what is underfoot in Telugu, and use it as a reason to go home.
>
> *Complete TE-C59-fire and demonstrate the chapter promise.*

59.1 గాలి (gāli) — wind, air

Before the new one: what did *antē* mean?

You'll want to know: గాలి

గాలి (*gāli*) — "wind, air".

గాలి is inherited, and it covers both the wind that blows and the air that is simply there. Telugu does not split them.

It reaches further than weather. **గాలి** is breath, and it is rumour — **గాలి వార్త** is a story with nothing holding it up, blown in from somewhere. Air, breath and hearsay under one word is a chain a great many languages make, and it usually starts with breathing.

A **గాలి** getting up in the evening is the ordinary reason given for cutting a visit short.

The word, taken apart — its roots and family

గాలి (*gāli*) is native Dravidian, one word with Kannada *gāḷi* (DEDR 1499). DEDR lists Telugu *gāli*, "wind, air".

What you've built

The first reason to start saying goodbye.

Your turn

- *Say it:* *gāli*
- *Say it:* it once more, slowly
- *Say it:* *gāli*, then *veḷḷostānu*, and use the one as a reason for the other
- *Recall:* say *meḍa*
- *Read it:* కొంచెం, then say what it means

Before you move on

What does గాలి mean? ("wind, air".) Say it once more.

59.2 మంచు (mañcu) — mist, dew, snow

Before the new one: what did *gāli* mean?

You'll want to know: మంచు

మంచు (*mañcu*) — "mist, dew, snow".

మంచు is the cold wet thing in the air: mist on a winter morning, dew on the ground, and snow where there is any. One word for all three states, which suits a country that meets the third of them rarely.

This is worth sitting with. A language draws its lines where its speakers need them. Telugu splits its cooking vessels three ways and lumps mist, dew and snow together; a language spoken where snow falls would do the opposite.

మంచు కురుస్తోంది is "it is misting" on the coast and "it is snowing" in the hills, with no change to the word.

The word, taken apart — its roots and family

మంచు (*mañcu*) is native Dravidian, one word with Tamil *mañcu*, Kannada *mañju* and Malayalam *mañño* (DEDR 4641).

What you've built

Two: what moves, and what settles.

Your turn

- *Say it: mañcu*
- *Say it:* it once more, slowly
- *Say it: mañcu*, then *gāli*, and say which of the two you can see
- *Read it:* **వీపు**
- *Recall:* say *ekkuva*

Before you move on

What does **మంచు** mean? ("mist, dew, snow".) Say it once more.

59.3 ఇసుక (isuka) — sand

Before the new one: what did *mañcu* mean?

You'll want to know: ఇసుక

ఇసుక (*isuka*) — "sand".

ఇసుక is inherited and unremarkable, and that is the point: it is the ground beside every **నది** in the Telugu country.

The sand of a riverbed is where cattle are watered, where lorries come at night to dig, and where a village argument about who owns the river tends to start. A plain word can carry a lot of local weather.

ఇసుకలో నీళ్ళు, water in sand, is what you say about effort that soaks away.

The word, taken apart — its roots and family

ఇసుక (*isuka*) is probably native Dravidian. DEDR does not list the Telugu form, but its entry 575 gathers Kannada *usuku* and *isaka*, the Kannada word for sand, with Kolami and Konda words of the same shape.

What you've built

Three.

Your turn

- *Say it: isuka*
- *Say it:* it once more, slowly
- *Say it: isuka*, then *nadi*, and say where you would find one beside the other
- *Recall:* say *pedavi*
- *Read it:* **తక్కువ**, then say what it means

Before you move on

What does **ఇసుక** mean? ("sand".) Say it once more.

59.4 బురద (burada) — mud

Before the new one: what did *isuka* mean?

You'll want to know: బురద

బురద (*burada*) — "mud".

బురద is mud — what **ఇసుక** becomes when the rain has been at it.

It does the same second job that mud does in English. **బురద చల్లు**, to throw mud, is to slander somebody, and the picture is exact enough that you can guess the phrase before you are told it.

బురద is also the honest reason a visit ends early in the wet months. The **బాట** between the **గ్రామం** and the **నది** turns to it.

The word, taken apart — its roots and family

బురద (*burada*) is native Dravidian, one word with Kannada *burude* (DEDR 4291). DEDR lists Telugu *burada*, "mud".

What you've built

Four.

Your turn

- *Say it: burada*
- *Say it:* it once more, slowly
- *Say it: burada*, then *isuka*, and say what turns one into the other
- *Read it:* గోరు
- *Recall:* say *vaddu*

Before you move on

What does బురద mean? ("mud".) Say it once more.

59.5 నిప్పు (nippu) — fire, a live coal

Before the new one: what did *burada* mean?

You'll want to know: నిప్పు

నిప్పు (*nippu*) — "fire, a live coal".

నిప్పు is inherited, and it is the fire you can point at: the live coal, the burning thing in the hearth. అగ్ని, borrowed from Sanskrit, is fire as an idea and as a god, the one that carries offerings.

So Telugu keeps a working fire and a ceremonial one, in the same way it keeps a పొద్దు and a సూర్యుడు. That split has turned up so often in these chapters that you can start expecting it: the old word does the work, the borrowed one does the ceremony.

నిప్పు is what a house is banked down around at night, and putting it out is the last thing done before sleep. A good place to say వెళ్ళొస్తాను.

DEDR 2929 lists Telugu *nippu*, "fire", with Tamil *neruppu* and Malayalam *nerippu*.

What you've built

Five: గాలి, మంచు, ఇసుక, బురద, నిప్పు. Weather enough to take your leave on.

Your turn

- *Say it: nippu*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say *gāli ekkuva*, and take your leave with *veḷḷostānu*
- *Recall:* say *emuka*
- *Read it:* అంతే, then say what it means

Before you move on

What does నిప్పు mean? (“fire, a live coal”.) Say it once more.

Chapter 60

Animals

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five common animals in Telugu, and greet the house that keeps them.
>
> *Complete TE-C60-bird and demonstrate the chapter promise.*

60.1 గేదె (gēde) — a buffalo

Before the new one: what did *nippu* mean?

You'll want to know: గేదె

గేదె (*gēde*) — "a buffalo".

గేదె is the water buffalo — black, unhurried, and the animal most of the **పాలు** in a Telugu household actually come from. The cow gets the songs; the **గేదె** fills the pot.

The word is inherited, and the animal is so ordinary that arriving at a village house often means being met by one before anybody comes out to say **నమస్కారం**.

A **గేదె** standing in a **చెరువు** with only its nose above the water is the picture the word carries. That is where it spends the hottest part of the day.

The word, taken apart — its roots and family

గేదె (*gēde*) is native Dravidian. DEDR 2000 lists *gēde*, "a she-buffalo", with Konda *geyda* and Kuwi *gedde*; it has no Tamil or Kannada match.

What you've built

The first animal.

Your turn

- *Say it: gēde*
- *Say it:* it once more, slowly
- *Say it: gēde*, then *pālu*, and say which one gives the other
- *Recall:* say *koñcem*
- *Read it:* గాలి, then say what it means

Before you move on

What does గేదె mean? ("a buffalo".) Say it once more.

60.2 మేక (mēka) — a goat

Before the new one: what did *gēde* mean?

You'll want to know: మేక

మేక (*mēka*) — "a goat".

మేక is the goat: small, loud, and kept by households that cannot keep a గేదె. Where the buffalo wants water and grazing, the **మేక** wants almost nothing and will eat what is left.

The word is inherited and it is old. Its shape sits close to the Tamil and Kannada words for the same animal, which is what happens to the names of animals people have kept for a very long time.

A **మేక** will strip a bush bare and move on, which is why a గ్రామం keeps them at its edge rather than in its lanes.

The word, taken apart — its roots and family

మేక (*mēka*) is native Dravidian, one word with Kannada *mēke*, "she-goat" (DEDR 5087). DEDR compares Sanskrit *meka*, "goat", a word known only from lexicons.

What you've built

Two: one for milk, one for anything.

Your turn

- *Say it: mēka*
- *Say it:* it once more, slowly
- *Say it: mēka*, then *gēde*, and say which one wants the చెరువు
- *Read it:* ఎక్కువ
- *Recall:* say *mañcu*

Before you move on

What does మేక mean? ("a goat".) Say it once more.

60.3 కోడి (kōḍi) — a hen

Before the new one: what did *mēka* mean?

You'll want to know: కోడి

కోడి (*kōḍi*) — "a hen".

కోడి is the domestic fowl, hen or cock alike; the word does not divide them, and when the difference matters a second word goes in front.

It is inherited and it is everywhere in the family, close in shape to the Tamil, Kannada and Malayalam words for the same bird — one of those words that travelled with the animal and has not moved since.

The కోడి is also the village clock. It wakes a house before ఉదయం is properly under way, which is why nobody there has ever needed a గంట.

The word, taken apart — its roots and family

కోడి (*kōḍi*) is native Dravidian, one word with Tamil *kōḻi*, Kannada *kōḻi* and Malayalam *kōḻi* (DEDR 2248).

What you've built

Three.

Your turn

- *Say it: kōḍi*
- *Say it:* it once more, slowly
- *Say it: kōḍi*, then *mēka*, and say which one wakes you
- *Recall:* say *takkuva*
- *Read it:* ఇసుక, then say what it means

Before you move on

What does కోడి mean? ("a hen".) Say it once more.

60.4 చీమ (cīma) — an ant

Before the new one: what did *kōḍi* mean?

You'll want to know: చీమ

చీమ (*cīma*) — "an ant".

చీమ is the ant. After a గేదె and a కోడి it is a jump in scale worth making, because the same plain word-making covers whatever lives in a house, however small it is.

The word is inherited. Telugu has a stock comparison about a చీమ carrying many times its own weight, and it is the ordinary way to praise somebody small who works hard.

A line of చీమలు across a floor usually ends at a పండు somebody left out.

The word, taken apart — its roots and family

చీమ (*cīma*) is native Dravidian. DEDR 2623 lists *cīma*, "ant", with Konda and Kuwi *sīma*; it has no Tamil or Kannada match.

What you've built

Four: the biggest and the smallest so far.

Your turn

- *Say it:* *cīma*
- *Say it:* it once more, slowly
- *Say it:* *cīma*, then *gēde*, and say which one is easier to miss
- *Read it:* వద్దు
- *Recall:* say *burada*

Before you move on

What does చీమ mean? (“an ant”.) Say it once more.

60.5 పక్షి (pakṣi) — a bird

Before the new one: what did *cīma* mean?

You’ll want to know: పక్షి

పక్షి (*pakṣi*) — “a bird”.

పక్షి is the general one: any bird at all, the కోడి included. It came in from Sanskrit, and beside it Telugu keeps its own పిట్ట for the small ones about a garden.

That is a split this book has met before — an inherited word doing the everyday work and a borrowed one carrying the wider idea, the same shape as నిప్పు beside అగ్ని. Once you start expecting it, half the vocabulary sorts itself.

Five animals now, from the గేదె at the gate to the చీమ under it, and a నమస్కారం for whoever keeps them.

CDIAL 7636 lists Sanskrit *pakṣin*, “winged; bird”.

What you’ve built

Five: గేదె, మేక, కోడి, చీమ, పక్షి. Enough to greet a house and name what lives in it.

Your turn

- *Say it: pakṣi*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say *namaskāram* to whoever keeps them
- *Recall:* say *antē*
- *Read it:* నిప్పు, then say what it means

Before you move on

What does పక్షి mean? (“a bird”.) Say it once more.

Chapter 61

In the Kitchen

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five everyday things in a Telugu kitchen, and swap names with the person cooking.
>
> *Complete TE-C61-chilli and demonstrate the chapter promise.*

61.1 పెరుగు (perugu) — curd

Before the new one: what did *pakṣi* mean?

You'll want to know: పెరుగు

పెరుగు (*perugu*) — "curd".

పెరుగు is set curd: **పాలు** left overnight with a spoonful of yesterday's **పెరుగు** stirred in. It closes almost every meal in a Telugu house, and a *bhōjanaṁ* without it is thought unfinished.

The word is inherited, and Telugu uses the same shape for what curd does and for what anything does when it grows. Curd is milk that grew.

A **గేదె**'s **పాలు** set thicker than a cow's, which is one reason a village that keeps buffaloes is in no hurry to change.

The word, taken apart — its roots and family

పెరుగు (*perugu*) is native Dravidian, one word with Tamil *peruku*, "curdled milk" (DEDR 4421). The same entry lists the Telugu verb *pēru*, "to curdle".

What you've built

The first thing in the kitchen.

Your turn

- *Say it: perugu*
- *Say it:* it once more, slowly
- *Say it: perugu*, then *pālu*, and say which one comes first
- *Recall:* say *gāli*
- *Read it:* గేదె, then say what it means

Before you move on

What does పెరుగు mean? ("curd".) Say it once more.

61.2 నెయ్యి (neyyi) — ghee

Before the new one: what did *perugu* mean?

You'll want to know: నెయ్యి

నెయ్యి (*neyyi*) — "ghee".

నెయ్యి is clarified butter, and it is what పెరుగు becomes after churning and heating. Three things out of one: పాలు, పెరుగు, నెయ్యి.

The word is inherited and very old. Its root runs across the whole family for the same fat, which suits a food that has been made the same way for longer than any of these languages have been separate.

A spoonful of నెయ్యి over rice is both a taste and a courtesy. It is what a house puts in front of an *atithi* first.

The word, taken apart — its roots and family

నెయ్యి (*neyyi*) is native Dravidian, one word with Tamil *ney* and Kannada *ney* (DEDR 3746).

What you've built

Two, and the second is made out of the first.

Your turn

- *Say it: neyyi*
- *Say it:* it once more, slowly
- *Say it: neyyi*, then *perugu*, and say which one is poured
- *Read it:* మంచు
- *Recall:* say *mēka*

Before you move on

What does నెయ్యి mean? ("ghee".) Say it once more.

61.3 నూనె (nūne) — oil

Before the new one: what did *neyyi* mean?

You'll want to know: నూనె

నూనె (*nūne*) — "oil".

నూనె is oil pressed from seeds — groundnut, sesame, sunflower — and it is what a kitchen cooks with on the days it is not cooking with **నెయ్యి**.

The word is inherited, and Telugu keeps it firmly apart from **నెయ్యి**. One comes from an animal and one comes from a **విత్తనం**, and no cook mixes the two up.

నూనె also works outside the kitchen. It is what goes into a **దీపం**, and a house that has run out of it sits in the dark.

The word, taken apart — its roots and family

నూనె (*nūne*) is native Dravidian. DEDR 3746 lists *nūne*, "oil", and derives it from a reconstructed *nū, "sesame" (DEDR 3720), and *ney*, "ghee, oil".

What you've built

Three.

Your turn

- *Say it: nūne*
- *Say it:* it once more, slowly
- *Say it: nūne*, then *neyyi*, and say which one a దీపం takes
- *Recall:* say *isuka*
- *Read it:* కోడి, then say what it means

Before you move on

What does నూనె mean? ("oil".) Say it once more.

61.4 చక్కెర (cakkera) — sugar

Before the new one: what did *nūne* mean?

You'll want to know: చక్కెర

చక్కెర (*cakkera*) — "sugar".

చక్కెర is sugar, and the word is a traveller. Sanskrit *śarkarā* meant "grit, gravel" — the stuff arrived in grains — and the same word went west through Persian and Arabic and Latin until English got "sugar" out of it. The Telugu shape and the English one are cousins with a very long road between them.

Telugu also keeps బెల్లం, the unrefined block of palm or cane sugar, for everything traditional. చక్కెర is the white refined thing that came later.

A pinch of చక్కెర goes into dishes an English kitchen would leave savoury, and it goes in to round off the salt rather than to make anything sweet.

CDIAL 12338 lists Sanskrit *śarkarā*, "candied sugar", with Prakrit *sakkarā*, "granulated sugar"; Telugu reshaped it, as Prakrit had.

What you've built

Four.

Your turn

- *Say it: cakkera*
- *Say it:* it once more, slowly

- *Say it: cakkera*, then *perugu*, and say which one is stirred into the other
- *Read it:* బురద
- *Recall:* say *cīma*

Before you move on

What does చక్కెర mean? ("sugar".) Say it once more.

61.5 మిరప (mirapa) — a chilli

Before the new one: what did *cakkera* mean?

You'll want to know: మిరప

మిరప (*mirapa*) — "a chilli".

మిరప is the chilli, and it is the newest thing in this kitchen by several thousand years. The plant crossed from the Americas on Portuguese ships and reached the coast about four hundred years ago.

The word is older than the plant it names. It belonged to black pepper first, and when the new pod arrived and took over the job of making food hot, the name went with the job rather than staying with the plant.

Andhra cooking is built on it now, and a kitchen there measures itself by how much మిరప it can carry. Five things, and the person at the stove will ask your పేరు before the meal is over.

The word, taken apart — its roots and family

మిరప (*mirapa*) was first a name for black pepper. It is usually traced to Sanskrit *marica*, "peppercorn" (CDIAL 9875), reshaped to Telugu sounds as a tadbhava, and it passed to the chilli when the chilli arrived. CDIAL itself takes the Sanskrit word from an Austroasiatic language.

What you've built

Five: పెరుగు, నెయ్యి, నూనె, చక్కెర, మిరప. Enough to name what a kitchen holds while somebody asks you your పేరు.

Your turn

- *Say it: mirapa*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say *nā pēru* and your own name
- *Recall:* say *nippu*
- *Read it:* పక్షి, then say what it means

Before you move on

What does మిరప mean? (“a chilli”.) Say it once more.

Chapter 62

Things People Make

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five things a Telugu household makes or keeps, and ask politely for one of them.
>
> *Complete TE-C62-mirror and demonstrate the chapter promise.*

62.1 దారం (dāraṁ) — thread

Before the new one: what did *mirapa* mean?

You'll want to know: దారం

దారం (*dāraṁ*) — "thread".

దారం is thread — spun cotton, fine enough to sew with and strong enough to tie a knot that holds. It is the first thing in this chapter and the smallest.

The word may have come in from the north; the dictionaries do not settle it.

దారం does ceremonial work too. The thread tied round a wrist at a festival is a **దారం**, and once it is on it stays there until it falls off by itself.

DEDR 3167 lists Telugu *dāramu*, "cord, twine", with Tamil *tār*, "cord", and Kannada *dāra*, "thread", and asks, with a query, whether it came from Indo-Aryan, comparing Prakrit *dāra*, "waist-band", and Sanskrit *davara*, "string" (CDIAL 6225).

What you've built

The first thing a house makes for itself.

Your turn

- *Say it: dāraṁ*
- *Say it:* it once more, slowly
- *Say it: dāraṁ*, then *dayacēsi*, and ask for it politely
- *Recall:* say *gēde*
- *Read it:* పెరుగు, then say what it means

Before you move on

What does దారం mean? ("thread".) Say it once more.

62.2 సూది (sūdi) — a needle

Before the new one: what did *dāraṁ* mean?

You'll want to know: సూది

సూది (*sūdi*) — "a needle".

సూది is a needle. It arrived from Sanskrit *sūcī*, and Telugu wore the middle sound down to a *d* — a change the language makes often enough that the two shapes line up easily once you know to expect it.

A సూది is useless without a దారం, and a దారం is only a tangle without a సూది. That is about as neat a pair as this book has come across.

The same word does the వైద్యుడు's work: an injection is a సూది, and somebody at a clinic who uses the word is not talking about mending a బట్ట.

CDIAL 13551 lists Sanskrit *sūcī*, "needle".

What you've built

Two, and neither is much use without the other.

Your turn

- *Say it: sūdi*
- *Say it:* it once more, slowly
- *Say it: sūdi*, then *dāraṁ*, and say which one goes through the other

- *Read it:* మేక
- *Recall:* say *neyyi*

Before you move on

What does సూది mean? (“a needle”.) Say it once more.

62.3 చీపురు (cīpuru) — a broom

Before the new one: what did *sūdi* mean?

You’ll want to know: చీపురు

చీపురు (*cīpuru*) — “a broom”.

చీపురు is the broom: a bundle of coconut-leaf ribs bound tight at one end, used bent at the waist rather than standing upright.

The word is inherited. Sweeping is the first work of the morning in a Telugu house, done before the **ముగ్గు** goes down at the doorstep.

A **చీపురు** is treated with a little care because of that. It is not stood on its bristles, it is not stepped over, and it is not lent out lightly.

The word, taken apart — its roots and family

చీపురు (*cīpuru*) is native Dravidian. DEDR 2599 lists the Telugu word for “a broom” with Tamil *cī*, “to sweep”, and Kannada *cīpari*, “broom”.

What you’ve built

Three, and this one starts the day.

Your turn

- *Say it: cīpuru*
- *Say it:* it once more, slowly
- *Say it: cīpuru*, then *muggu*, and say which one comes first
- *Recall:* say *kōḍi*
- *Read it:* నూనె, then say what it means

Before you move on

What does **చీపురు** mean? (“a broom”.) Say it once more.

62.4 గొడుగు (goḍugu) — an umbrella

Before the new one: what did *cīpuru* mean?

You’ll want to know: గొడుగు

గొడుగు (*goḍugu*) — “an umbrella”.

గొడుగు is an umbrella, and in Telugu it answers the sun as much as the rain — which is the commoner use of it on a hot morning.

The word is inherited. Long before cloth and wire there was a **గొడుగు** of palm leaf, and the ceremonial one held over a deity or over a bride is still made and named the same way.

It settles two things already met: **గాలి** will turn it inside out and **మంచు** will not, so a **గొడుగు** goes out in one kind of weather and stays at home in the other.

The word, taken apart — its roots and family

గొడుగు (*goḍugu*) is native Dravidian, one word with Tamil *kuṭai*, Kannada *koḍe* and Malayalam *kuṭa*, “umbrella” (DEDR 1663). DEDR compares Sanskrit *utkūṭa*, “umbrella”, a word known only from lexicons.

What you’ve built

Four.

Your turn

- *Say it:* *goḍugu*
- *Say it:* it once more, slowly
- *Say it:* *goḍugu*, then *gāli*, and say what one does to the other
- *Read it:* **చీమ**
- *Recall:* say *cakkera*

Before you move on

What does **గొడుగు** mean? ("an umbrella".) Say it once more.

62.5 అద్దం (addaṁ) — a mirror

Before the new one: what did *goḍugu* mean?

You'll want to know: అద్దం

అద్దం (*addaṁ*) — "a mirror".

అద్దం is a mirror. Of the five things here it is the only one a household buys rather than makes, and the only one whose name is probably borrowed — usually traced, through Prakrit *addāa*, to Sanskrit *ādarśa*, "what shows back".

The other four come out of whatever grows nearby: a **దారం** out of cotton, a **చీపురు** out of leaf ribs, a **గొడుగు** out of palm and cane, and a **సూది** out of a scrap of metal from the smith at the edge of the **గ్రామం**. An **అద్దం** needs a factory.

Asking for one is where **దయచేసి** earns its keep. **అద్దం ఇవ్వండి** on its own lands like an instruction; with **దయచేసి** in front it lands like a request.

DEDR 147 lists Telugu *addamu*, "mirror", notes that Tamil *attam* is a loan from Telugu, and compares Prakrit *addāa*, "mirror"; CDIAL 1143 lists Sanskrit *ādarśa*, "mirror".

What you've built

Five: **దారం**, **సూది**, **చీపురు**, **గొడుగు**, **అద్దం**. Enough to ask for what you need with **దయచేసి** in front of it.

Your turn

- *Say it: addaṁ*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say *dayacēsi addaṁ ivvaṇḍi*
- *Recall:* say *pakṣi*
- *Read it:* **మిరప**, then say what it means

Before you move on

What does **అద్దం** mean? (“a mirror”.) Say it once more.

Chapter 63

Hunger, Sleep and Health

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say in Telugu that I am hungry, sleepy or unwell, and ask after somebody else's health.
>
> *Complete TE-C63-health and demonstrate the chapter promise.*

63.1 ఆకలి (ākali) — hunger

Before the new one: what did *addaṁ* mean?

You'll want to know: ఆకలి

ఆకలి (*ākali*) — "hunger".

ఆకలి is hunger. Telugu does not say "I am hungry" — it says **నాకు ఆకలి**, "to me, hunger", the same shape as **నాకు తెలుసు** and **నాకు తెలుగు వచ్చు**. Hunger is something that happens to you.

The word is inherited, and it is among the first a child in a Telugu house learns to say — usually loudly, and usually before *bhōjanaṁ* is anywhere near ready.

ఆకలిగా ఉందా? is a real greeting in a house you are close to. It gets asked before **మీరు ఎలా ఉన్నారు**? has a chance.

The word, taken apart — its roots and family

ఆకలి (*ākali*) is native Dravidian. DEDR 2429 lists the Telugu word, "hunger, appetite", with Kui *saki* and Kuwi *hakki*, "hunger"; it has no Tamil or Kannada match.

What you've built

The first thing to say about yourself.

Your turn

- *Say it: ākali*
- *Say it:* it once more, slowly
- *Say it: nāku ākali*, then ask *mīru elā unnāru?*
- *Recall:* say *perugu*
- *Read it:* దారం, then say what it means

Before you move on

What does ఆకలి mean? ("hunger".) Say it once more.

63.2 నిద్ర (nidra) — sleep

Before the new one: what did *ākali* mean?

You'll want to know: నిద్ర

నిద్ర (*nidra*) — "sleep".

నిద్ర is sleep, and it takes the same shape as ఆకలి: నాకు నిద్ర వస్తోంది, "sleep is coming to me". You do not do it; it arrives.

The word came from Sanskrit *nidrā* and settled without changing. Beside it Telugu keeps నిదుర, the softer everyday form, and the two are one word wearing different clothes.

నిద్ర also makes a polite reason for leaving late in the evening, and it works the way గాలి worked earlier. Nobody argues with it.

CDIAL 7200 lists Sanskrit *nidrā*, "sleep".

What you've built

Two, and both of them come to you.

Your turn

- *Say it: nidra*
- *Say it:* it once more, slowly
- *Say it: nidra*, then *ākali*, and say which one you have now
- *Read it:* నెయ్యి
- *Recall:* say *sūdi*

Before you move on

What does నిద్ర mean? ("sleep".) Say it once more.

63.3 దగ్గు (daggu) — a cough

Before the new one: what did *nidra* mean?

You'll want to know: దగ్గు

దగ్గు (*daggu*) — "a cough".

దగ్గు is a cough. It is inherited, and it is a sound turned into a word, which is how a good many of these words start out.

Like **ఆకలి** and **నిద్ర** it comes to you rather than from you: **నాకు దగ్గు**, and nobody needs telling any more than that.

Telugu keeps **దగ్గు** for the whole thing at once — the single cough, the fit of coughing, and the illness sitting behind both — where English reaches for three phrases. A **మంచు** morning in the hills fills a house with it.

The word, taken apart — its roots and family

దగ్గు (*daggu*) is native Dravidian. DEDR 2939 lists *daggu*, "to cough; a cough", with Kolami *dag-*, "to cough"; it has no Tamil or Kannada match.

What you've built

Three.

Your turn

- *Say it: daggu*
- *Say it:* it once more, slowly
- *Say it: daggu*, then *nidra*, and say which one keeps you from the other
- *Recall:* say *nūne*
- *Read it:* చీపురు, then say what it means

Before you move on

What does దగ్గు mean? ("a cough".) Say it once more.

63.4 రోగం (rōgaṁ) — a disease

Before the new one: what did *daggu* mean?

You'll want to know: రోగం

రోగం (*rōgaṁ*) — "a disease".

రోగం is illness in general: not the దగ్గు you have this week, but the thing a వైద్యుడు puts a name to.

It is Sanskrit, from a root about breaking — an illness is something breaking in you — and Telugu took the word whole, the way it took *hṛdayaṁ*.

రోగి is the person who has one. A వైద్యుడు's whole working day is spent between those two words, and so is a good deal of ordinary conversation about relatives.

CDIAL 10829 lists Sanskrit *roga*, "disease".

What you've built

Four.

Your turn

- *Say it: rōgaṁ*
- *Say it:* it once more, slowly
- *Say it: rōgaṁ*, then *daggu*, and say which one is the smaller trouble

- *Read it:* చక్కెర
- *Recall:* say *goḍugu*

Before you move on

What does రోగం mean? (“a disease”.) Say it once more.

63.5 ఆరోగ్యం (ārōgyaṁ) — health

Before the new one: what did *rōgaṁ* mean?

You’ll want to know: ఆరోగ్యం

ఆరోగ్యం (*ārōgyaṁ*) — “health”.

ఆరోగ్యం is health, and it is the word before it with a small piece stuck on the front. The piece means “not”, and రోగ is the illness: health here is what is left when the illness is gone.

That is a real difference in outlook and worth a moment. English health is something to be built up. ఆరోగ్యం is a subtraction.

మీ ఆరోగ్యం ఎలా ఉంది? is what a house asks an *atithi* who has been ill. It is more particular than మీరు ఎలా ఉన్నారు?, and it expects a real answer.

The word, taken apart — its roots and family

ఆరోగ్యం (*ārōgyaṁ*) is Sanskrit *ārogya*, “health”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 1330).

What you’ve built

Five: ఆకలి, నిద్ర, దగ్గు, రోగం, ఆరోగ్యం. Enough to say what is wrong and to ask after somebody else.

Your turn

- *Say it:* *ārōgyaṁ*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then ask *mī ārōgyaṁ elā undi?*

- *Recall:* say *mirapa*
- *Read it:* అద్దం, then say what it means

Before you move on

What does ఆరోగ్యం mean? (“health”.) Say it once more.

Chapter 64

Words That Join an Answer

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can add to a Telugu answer, limit it, put it in order, or say it is not finished.
>
> *Complete TE-C64-still and demonstrate the chapter promise.*

64.1 కూడా (kūḍā) — also

Before the new one: what did *ārōgyaṁ* mean?

You'll want to know: కూడా

కూడా (*kūḍā*) — "also".

కూడా goes after the thing it is adding, not before it. **నేను కూడా** is "me too"; **పెరుగు కూడా** is "the curd as well".

English can drop "also" almost anywhere in a sentence and let the stress carry the meaning. Telugu puts **కూడా** straight after whatever it includes, and that placement does the work the stress would have done.

It is a small word that softens a great deal. Adding **కూడా** to an answer turns a flat **అవును** into agreement with the person who asked.

The word, taken apart — its roots and family

కూడా (*kūḍā*) is native Dravidian, built on *kūḍu*, "to join, add together", which DEDR 1882 lists with Tamil *kūṭu*, "to come together", and Kannada *kūḍu*, "to join".

What you've built

The first joining word.

Your turn

- *Say it: kūḍā*
- *Say it:* it once more, slowly
- *Say it: nēnu kūḍā*, then *perugu kūḍā*, and say what each one adds
- *Recall:* say *dāraṁi*
- *Read it:* **ఆకలి**, then say what it means

Before you move on

What does **కూడా** mean? ("also".) Say it once more.

64.2 మాత్రమే (mātramē) — only

Before the new one: what did *kūḍā* mean?

You'll want to know: మాత్రమే

మాత్రమే (*mātramē*) — "only".

మాత్రమే is the other half of **కూడా**. Where **కూడా** opens an answer out, **మాత్రమే** shuts it: **పెరుగు మాత్రమే** is "curd and nothing else". It stands in the same place, straight after the thing it is about.

It is built on Sanskrit *mātra*, "a measure" — the same piece English carries in metre and in diameter. Saying **మాత్రమే** is saying "this much and no further".

With a small quantity in front it does polite work. **కొంచెం మాత్రమే**, "only a little", accepts what is offered without taking much of it.

CDIAL 10023 lists Sanskrit *mātrā*, "measure".

What you've built

Two, and they pull opposite ways.

Your turn

- *Say it: mātramē*
- *Say it:* it once more, slowly
- *Say it: perugu kūḍā*, then *perugu mātramē*, and say which one takes more
- *Read it:* సూది
- *Recall:* say *nidra*

Before you move on

What does మాత్రమే mean? ("only".) Say it once more.

64.3 అయితే (ayitē) — in that case

Before the new one: what did *mātramē* mean?

You'll want to know: అయితే

అయితే (*ayitē*) — "in that case".

అయితే picks up what the other person has just said and turns on it: **సరే, అయితే వెళ్ళొస్తాను** — "alright, in that case I'll be off".

It is put together out of the piece Telugu uses for "it happened" plus the little ending that means "if", so what it literally says is "if it is so". English "well then" and "in that case" both land in the same spot.

At the head of an answer, on its own, **అయితే** is one of the most useful things a learner can carry. It buys a moment, and it shows the other person you were listening.

The word, taken apart — its roots and family

అయితే (*ayitē*) is native Dravidian: the "if it is" form of *agu*, "to be, become" (DEDR 333), one word with Tamil *āku* and Kannada *āgu*.

What you've built

Three.

Your turn

- *Say it: ayitē*
- *Say it:* it once more, slowly
- *Say it: sarē*, then *ayitē*, and put the two together
- *Recall:* say *cīpuru*
- *Read it:* దగ్గు, then say what it means

Before you move on

What does అయితే mean? ("in that case".) Say it once more.

64.4 తరువాత (taruvāta) — after that, later

Before the new one: what did *ayitē* mean?

You'll want to know: తరువాత

తరువాత (*taruvāta*) — "after that, later".

తరువాత puts two things in order: *bhōjanaṁ taruvāta*, "after the meal". It goes after the thing it follows, exactly like **కూడా** and **మాత్రమే** before it — a habit worth noticing, because it holds for a great many of these small words.

The word is inherited. Standing alone at the front of a sentence it means "later", and it is the gentle way to put something off: **తరువాత**, not now, and no reason offered.

తరువాత is also how a story gets kept moving. A listener who says it is asking you to go on.

The word, taken apart — its roots and family

తరువాత (*taruvāta*) is native Dravidian. DEDR 3142 lists *taruvāta*, "afterwards, next", itself, with *taruvāyi*, "what follows", in an entry with Tamil *taṟuvāy*, "occasion".

What you've built

Four, and this one is about order.

Your turn

- *Say it: taruvāta*
- *Say it:* it once more, slowly
- *Say it: bhōjanaṁ taruvāta*, then just *taruvāta*, and say how the two differ
- *Read it:* గొడుగు
- *Recall:* say *rōgaṁ*

Before you move on

What does **తరువాత** mean? ("after that, later".) Say it once more.

64.5 ఇంకా (iṅkā) — still, yet

Before the new one: what did *taruvāta* mean?

You'll want to know: ఇంకా

ఇంకా (*iṅkā*) — "still, yet".

ఇంకా says the thing is not finished. **ఇంకా ఉంది** is "there is still some"; **ఇంకా రాలేదు** is "she hasn't come yet".

It is the natural answer to **అంతే**. Where **అంతే** closes a list off, **ఇంకా** says there is more of it coming, and the two make a pair the way **కూడా** and **మాత్రమే** do.

Five small words, and not one of them names a thing. **కూడా**, **మాత్రమే**, **అయితే**, **తరువాత**, **ఇంకా** are what turn a set of separate answers into a conversation.

The word, taken apart — its roots and family

ఇంకా (*iṅkā*) is native Dravidian, on the near-pointing base *i-*. DEDR 410 lists *iṅka*, "hereafter, still, yet", itself.

What you've built

Five: **కూడా**, **మాత్రమే**, **అయితే**, **తరువాత**, **ఇంకా**. Enough to add to an answer, limit it, order it, or keep it open.

Your turn

- *Say it:* *iṅkā*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then answer *antē?* with *iṅkā undi*
- *Recall:* say *addaṁ*
- *Read it:* ఆరోగ్యం, then say what it means

Before you move on

What does ఇంకా mean? (“still, yet”.) Say it once more.

Chapter 65

More Good Manners

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can welcome somebody in Telugu, make a request, ask their leave, and thank them.
>
> *Complete TE-C65-trust and demonstrate the chapter promise.*

65.1 స్వాగతం (svāgatam̐) — a welcome

Before the new one: what did *iṅkā* mean?

You'll want to know: స్వాగతం

స్వాగతం (*svāgatam̐*) — "a welcome".

Keep this well apart from **పరవాలేదు**. **పరవాలేదు** is what you say after somebody thanks you. **స్వాగతం** is what you say when they walk in. English hands the one word "welcome" both jobs; Telugu does not.

It is Sanskrit, and it comes apart neatly: *su-* "well" and *āgata* "come" — "well come", which is what the English word is too, arrived by an entirely separate road.

A house says it with the door open and a *gauravam̐* behind it. The **ముగ్గు** at the step is the same sentence without any words in it.

CDIAL 13920 lists Sanskrit *svāgata*, "welcome".

What you've built

The first thing said at a door.

Your turn

- *Say it: svāgataṁ*
- *Say it:* it once more, slowly
- *Say it: svāgataṁ*, then *paravālēdu*, and say which one answers a thank-you
- *Recall:* say *ākali*
- *Read it:* కూడా, then say what it means

Before you move on

What does స్వాగతం mean? ("a welcome".) Say it once more.

65.2 మర్యాద (maryāda) — good manners

Before the new one: what did *svāgataṁ* mean?

You'll want to know: మర్యాద

మర్యాద (*maryāda*) — "good manners".

మర్యాద is the doing half of *gauravaṁ*. Respect is what you feel for somebody; మర్యాద is what you do about it — standing up, offering the కుర్చీ, serving the *atithi* before yourself.

The word is Sanskrit and its first sense was a boundary line. Manners as a line you do not step over is a picture worth keeping hold of.

మర్యాదగా is how it usually reaches a person: మర్యాదగా మాట్లాడు, "speak with manners", which sounds sterner in English than it does in Telugu. It is closer to "be decent about it".

CDIAL 9895 lists Sanskrit *maryādā*, "region, boundary".

What you've built

Two: what you feel and what you do.

Your turn

- *Say it: maryāda*
- *Say it:* it once more, slowly

- *Say it: maryāda*, then *gauravaṁ*, and say which one somebody can watch you doing
- *Read it:* నిద్ర
- *Recall:* say *mātramē*

Before you move on

What does మర్యాద mean? ("good manners".) Say it once more.

65.3 మనవి (manavi) — a polite request

Before the new one: what did *maryāda* mean?

You'll want to know: మనవి

మనవి (*manavi*) — "a polite request".

మనవి is a request made from below — not **దయచేసి** set in front of an instruction, but the whole thing framed as a submission. **ఒక మనవి**, "one request", is said before the request itself arrives.

Where the word came from is not something any source consulted here settles, so nothing is invented for it. What is certain is the register it sits in, and that is the part a learner needs.

A **మనవి** goes to somebody who can say no: an official, an elder, a host. The word does half the softening before you have said what you want.

The word, taken apart — its roots and family

మనవి (*manavi*) is native Dravidian, one word with Tamil *maṉu* and Kannada *manave* (DEDR 4775). DEDR lists Telugu *manavi*, "a respectful request, petition".

What you've built

Three.

Your turn

- *Say it: manavi*
- *Say it:* it once more, slowly

- *Say it: manavi*, then *dayacēsi*, and say which one is the whole request
- *Recall:* say *daggu*
- *Read it:* అయితే, then say what it means

Before you move on

What does మనవి mean? ("a polite request".) Say it once more.

65.4 అనుమతి (anumati) — permission

Before the new one: what did *manavi* mean?

You'll want to know: అనుమతి

అనుమతి (*anumati*) — "permission".

అనుమతి is permission — what a **మనవి** is hoping to be given. **అనుమతి ఇవ్వండి**, "give permission", is the formal shape of it; in a house it usually comes out as a nod.

It is Sanskrit: *anu-* "along with" and *mati* "a mind". Permission is somebody's mind going along with yours, which is a kinder picture than the English word offers.

Asking leave before you go is where it is most used, and it sits naturally in front of **వెళ్ళొస్తాను**. With **అనుమతి** first, leaving stops being something you announce and becomes something you are given.

What you've built

Four.

Your turn

- *Say it: anumati*
- *Say it:* it once more, slowly
- *Say it: anumati*, then *veḷḷostānu*, and take your leave properly
- *Read it:* రోగం
- *Recall:* say *taruvāta*

Before you move on

What does **అనుమతి** mean? ("permission".) Say it once more.

65.5 నమ్మకం (nammakaṁ) — trust

Before the new one: what did *anumati* mean?

You'll want to know: నమ్మకం

నమ్మకం (*nammakaṁ*) — "trust".

నమ్మకం is trust, and it is the one word here that is Telugu's own. It is built on **నమ్ము**, "to believe", with the ending that turns an action into the thing itself.

The four before it are Sanskrit and they are all about form: a welcome, manners, a request, permission. **నమ్మకం** is what the form is for. A house that does all four and is still not trusted has been doing something else.

The word also carries "belief" in the religious sense, and Telugu is content to let one word hold both. Trusting a person and believing a thing are the same act pointed in two directions.

DEDR 3600 lists Telugu *nammu*, "to believe, trust", and *nammakamu*, "trust", with Tamil *nampu* and Kannada *nambu*.

What you've built

Five: **స్వాగతం**, **మర్యాద**, **మనవి**, **అనుమతి**, **నమ్మకం**. Enough to bring somebody in, ask something of them, and say **ధన్యవాదములు** when they agree.

Your turn

- *Say it: nammakaṁ*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then say *dhanyavādamulu* to whoever gave you the last one
- *Recall:* say *ārōgyaṁ*
- *Read it:* **ఇంకా**, then say what it means

Before you move on

What does **నమ్మకం** mean? (“trust”.) Say it once more.

Chapter 66

The Field

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name a Telugu field and what comes off it, and take my leave when the work is done.
>
> *Complete TE-C66-harvest and demonstrate the chapter promise.*

66.1 పొలం (polaṁ) — a field

Before the new one: what did *nammakaṁ* mean?

You'll want to know: పొలం

పొలం (*polaṁ*) — "a field".

పొలం is a field under cultivation — not open ground, but somebody's, with a boundary and a name and a **రైతు** who walks it every morning.

The word is inherited. A **గ్రామం** is measured by its **పొలం** far more than by its houses, and directions in the country are given by whose **పొలం** you pass rather than by any **బాట**.

Going out to the **పొలం** before **ఉదయం** and coming back after **సాయంత్రం** is the shape of the day the rest of this chapter describes.

The word, taken apart — its roots and family

పొలం (*polaṁ*) is native Dravidian, one word with Tamil *pulam* and Kannada *pola* (DEDR 4303). DEDR lists Telugu *polamu*, "field, cultivated land".

What you've built

The ground everything else here stands on.

Your turn

- *Say it: polaṁ*
- *Say it:* it once more, slowly
- *Say it: polaṁ*, then *grāmaṁ*, and say which one feeds the other
- *Recall:* say *kūḍā*
- *Read it:* స్వాగతం, then say what it means

Before you move on

What does పొలం mean? ("a field".) Say it once more.

66.2 వరి (vari) — paddy, rice still in the field

Before the new one: what did *polaṁ* mean?

You'll want to know: వరి

వరి (*vari*) — "paddy", rice while it is still standing.

Telugu counts rice three times over and this is the first of them: వరి in the పొలం, బియ్యం once it is husked, అన్నం once it is cooked. Three words, three states, and none of them will stand in for another.

The word is inherited and it names the plant. English has one word for the lot and has to borrow "paddy" from Malay to get the same distinction; Telugu had it from the start.

A వరి పొలం under water with the seedlings just pushed in is the picture the coast is built on, and what is being pushed in is the మొక్క from earlier in this book.

DEDR 5265 lists Telugu *vari*, "paddy", with Tamil *vari*.

What you've built

Two: the ground and what is standing in it.

Your turn

- *Say it: vari*
- *Say it:* it once more, slowly
- *Say it: vari*, then say which of బియ్యం and అన్నం comes next
- *Read it:* మాత్రమే
- *Recall:* say *maryāda*

Before you move on

What does వరి mean? ("paddy, rice still in the field".) Say it once more.

66.3 గడ్డి (gaḍḍi) — grass

Before the new one: what did *vari* mean?

You'll want to know: గడ్డి

గడ్డి (*gaḍḍi*) — "grass".

గడ్డి is grass, and in a village it mostly means fodder — what gets cut at the edge of the పొలం and carried back for the గేదె and the మేక.

The word is inherited. It covers straw as well, meaning what is left of the వరి once the grain is off, so one word runs all the way from the living plant to the dry stalk stacked beside the house.

గడ్డి does insulting work too. Calling something గడ్డి is calling it worthless, which is what tends to happen to a word that means "the part nobody eats".

The word, taken apart — its roots and family

గడ్డి (*gaḍḍi*) is native Dravidian. DEDR 1158 lists *gaḍḍi*, "grass, straw, hay", with Kolami *gaḍḍi*, "grass", and compares the Sanskrit grass words *kaṭa* and *khaṭa*, known only from lexicons (CDIAL 2630, 3769); CDIAL takes *khaṭa* from Dravidian.

What you've built

Three, and this is what the animals get.

Your turn

- *Say it: gaḍḍi*
- *Say it:* it once more, slowly
- *Say it: gaḍḍi*, then *gēde*, and say which one is carried to the other
- *Recall:* say *ayitē*
- *Read it:* మనవి, then say what it means

Before you move on

What does గడ్డి mean? ("grass".) Say it once more.

66.4 కల్లం (kallaṁ) — a threshing floor

Before the new one: what did *gaḍḍi* mean?

You'll want to know: కల్లం

కల్లం (*kallaṁ*) — "a threshing floor".

కల్లం is the threshing floor: a flat patch of ground beaten hard and swept clean, where the cut వరి is separated from its గడ్డి.

The word is inherited. A కల్లం belongs to the గ్రామం rather than to one house, and the order in which families take their turn on it is settled by custom rather than by asking — the kind of arrangement a village is full of.

It gets swept with a చీపురు before anything is laid down on it, and that sweeping is taken about as seriously as the ముగ్గు at a doorstep.

The word, taken apart — its roots and family

కల్లం (*kallaṁ*) is native Dravidian, one word with Tamil *kaḷam* and Malayalam *kaḷam*, "threshing floor" (DEDR 1376). DEDR compares Sanskrit *khala*, "threshing floor" (CDIAL 3834).

What you've built

Four: where the year's work gets finished.

Your turn

- *Say it: kallaṁ*
- *Say it:* it once more, slowly
- *Say it: kallaṁ*, then *cīpuru*, and say which one is used on the other
- *Read it:* తరువాత
- *Recall:* say *anumati*

Before you move on

What does కల్లం mean? (“a threshing floor”.) Say it once more.

66.5 పంట (paṇṭa) — a harvest

Before the new one: what did *kallaṁ* mean?

You’ll want to know: పంట

పంట (*paṇṭa*) — “a harvest”.

పంట is the harvest — the crop standing and the crop taken in, both at once. It is inherited, and it is what this whole chapter has been walking towards: పొలం, వరి, గడ్డి, కల్లం, and then పంట.

Telugu uses it well outside the field. A good year at anything is a మంచి పంట, and somebody talking about how their children turned out will reach for the word without meaning anything about rice at all.

When the పంట is in and the కల్లం is swept, the day and the season finish together, and there is nothing left to do but say వెళ్ళొస్తాను.

The word, taken apart — its roots and family

పంట (*paṇṭa*) is native Dravidian. DEDR 4004 lists *paṇṭa*, “produce, crop”, under *paṇḍu*, “to ripen”, with Tamil *paḻu*, “to ripen”. DEDR compares Sanskrit *phala*, “fruit” (CDIAL 9051).

What you’ve built

Five: పొలం, వరి, గడ్డి, కల్లం, పంట. A year’s work in five words, and a good place to take your leave.

Your turn

- *Say it: paṇṭa*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then take your leave with *veḷḷostānu*
- *Recall:* say *iṅkā*
- *Read it:* నమ్మకం, then say what it means

Before you move on

What does పంట mean? (“a harvest”.) Say it once more.

Chapter 67

The House Itself

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name the parts a Telugu house is built from, and greet the people inside it.
>
> *Complete TE-C67-window and demonstrate the chapter promise.*

67.1 గోడ (gōḍa) — a wall

Before the new one: what did *paṇṭa* mean?

You'll want to know: గోడ

గోడ (*gōḍa*) — "a wall".

గోడ is a wall: the built side of a room. A village house puts up four of them in mud or in brick, and everything after that — the **తలుపు**, the **కుర్చీ** pushed back against one of them — is placed by where they stand.

The word is inherited, and it does the same figurative work English asks of a wall. Somebody who will not listen is a **గోడ**, and a family with nothing hidden has no **గోడ** inside it.

Whitewashing the **గోడ** before a festival is its own small season in a Telugu house. A guest who arrives to a fresh one has been told they were expected, and the right thing to say at that moment is **నమస్కారం**.

The word, taken apart — its roots and family

గోడ (*gōḍa*) is native Dravidian, one word with Kannada *gōḍe*, "wall" (DEDR 2207).

What you've built

One. What a house is measured by before anything is put inside it.

Your turn

- *Say it: gōḍa*
- *Say it:* it once more, slowly
- *Say it: gōḍa*, then *namaskāram*, as though greeting somebody at a freshly painted one
- *Recall:* say *svāgataṁ*
- *Read it:* పొలం, then say what it means

Before you move on

What does గోడ mean? ("a wall".) Say it once more.

67.2 కప్పు (kappu) — a roof

Before the new one: what did *gōḍa* mean?

You'll want to know: కప్పు

కప్పు (*kappu*) — "a roof".

కప్పు is the roof — the thing that covers. It comes from the same stem as the everyday word for covering something over, so a lid on a గిన్నె and the roof over a room are one idea in Telugu.

Village roofs were గడ్డి over beams for centuries and are tile or concrete now. The material changed and the word did not, which is usually a sign of a very old one.

To be under somebody's కప్పు is to be their guest, and it binds the person underneath as much as the person above. నమస్కారం comes first, and everything else follows it.

The word, taken apart — its roots and family

కప్పు (*kappu*) is native Dravidian, from the verb *kappu*, "to cover", one word with Tamil *kappu*, "to overspread", and Kannada *kappu*, "to

cover" (DEDR 1221). DEDR compares Sanskrit *kavaca*, "armour" (CDIAL 2957), which CDIAL takes from Dravidian.

What you've built

Two: గోడ and కప్పు. Sides, and a lid.

Your turn

- *Say it: kappu*
- *Say it:* it once more, slowly
- *Say it: gōḍa*, then *kappu*, and say which one holds up the other
- *Read it:* మర్యాద
- *Recall:* say *vari*

Before you move on

What does కప్పు mean? ("a roof".) Say it once more.

67.3 గడప (gaḍapa) — a threshold

Before the new one: what did *kappu* mean?

You'll want to know: గడప

గడప (*gaḍapa*) — "a threshold".

గడప is the threshold: the raised strip of stone or wood under the తలుపు that you step over on the way in.

It is the most watched piece of a Telugu house. The ముగ్గు is drawn just outside it, water is thrown across it at ఉదయం, and nobody steps on it if they can help it.

Because it marks in from out, గడప also does the work of the word household. Asking whose గడప somebody comes from is asking about their family, not about their doorstep.

The word, taken apart — its roots and family

గడప (*gaḍapa*) is native Dravidian. DEDR 1109 lists *kaḍapa* and *gaḍapa*, "threshold", under *kaḍacu*, "to pass over, cross", with Tamil *kaṭa*, "to pass through".

What you've built

Three. The line you cross to be inside.

Your turn

- *Say it: gaḍapa*
- *Say it:* it once more, slowly
- *Say it: gaḍapa*, then *muggu*, and say which one is drawn beside the other
- *Recall:* say *manavi*
- *Read it:* గడ్డి, then say what it means

Before you move on

What does గడప mean? ("a threshold".) Say it once more.

67.4 మెట్టు (meṭṭu) — a step

Before the new one: what did *gaḍapa* mean?

You'll want to know: మెట్టు

మెట్టు (*meṭṭu*) — "a step".

మెట్టు is a step — one of a flight, cut in stone or built up in mud.

Telugu counts them and remembers them. The steps down to a చెరువు are named in some villages, and a house with a మెట్టు at its గడప is a house standing a little above the street.

The word carries rank as well. A person who has risen has climbed a మెట్టు, which is how a stair turns into a career with nobody explaining it.

The word, taken apart — its roots and family

మెట్టు (*meṭṭu*) is native Dravidian, one word with Kannada *meṭṭu* (DEDR 5057). DEDR lists Telugu *meṭṭu*, "step, stair".

What you've built

Four. Something to climb before you cross.

Your turn

- *Say it: meṭṭu*
- *Say it:* it once more, slowly
- *Say it: meṭṭu*, then *gaḍapa*, in the order your feet meet them
- *Read it:* అనుమతి
- *Recall:* say *kallaṁ*

Before you move on

What does మెట్టు mean? ("a step".) Say it once more.

67.5 కిటికీ (kiṭikī) — a window

Before the new one: what did *meṭṭu* mean?

You'll want to know: కిటికీ

కిటికీ (*kiṭikī*) — "a window".

కిటికీ is a window. It is a borrowing, probably from the north, where Hindi says *khiṛkī*, and it arrived carrying the shape of window it names: a framed opening in a గోడ, rather than the small unglazed gap older houses left for గాలి.

Telugu kept the borrowed word and the older habit side by side. A కిటికీ is opened at ఉదయం, shut against the sun in the middle of the day, and opened again by సాయంత్రం.

A house with a గోడ, a కప్పు, a గడప, a మెట్టు and a కిటికీ is a whole house. Whoever is standing at any one of them is somebody you can greet.

CDIAL 3770 traces Hindi *khiṛkī* and Marathi *khiḍkī* to Sanskrit *khaṭakkikā*, “side door”.

What you’ve built

Five: గోడ, కప్పు, గడప, మెట్టు, కిటికీ. A house you could walk up to and greet.

Your turn

- *Say it: kiṭikī*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then *namaskāram* at the last one
- *Recall:* say *nammakaṁ*
- *Read it:* పంట, then say what it means

Before you move on

What does కిటికీ mean? (“a window”.) Say it once more.

Chapter 68

Sound and Voice

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name the sounds a Telugu house makes, and give my name aloud in a message.
>
> *Complete TE-C68-message and demonstrate the chapter promise.*

68.1 శబ్దం (śabdaṁ) — a sound

Before the new one: what did *kiṭikī* mean?

You'll want to know: శబ్దం

శబ్దం (*śabdaṁ*) — "a sound".

శబ్దం is a sound — any sound at all, from a **తలుపు** closing to thunder over a **పొలం**.

It is Sanskrit, borrowed early and borrowed whole. It covers the smallest noise and the largest with no change: a **చుక్క** of water landing, or the crack that comes before rain.

A room with no **శబ్దం** in it is not called quiet in Telugu so much as empty, and people say exactly that about a house whose children have grown up and gone.

CDIAL 12298 lists Sanskrit *śabda*, "articulate sound, noise".

What you've built

One. The most general thing an ear can take in.

Your turn

- *Say it: śabdaṁ*
- *Say it:* it once more, slowly
- *Say it: śabdaṁ*, then *kiṭikī*, and say which one comes in through the other
- *Recall:* say *polaṁ*
- *Read it:* గోడ, then say what it means

Before you move on

What does శబ్దం mean? ("a sound".) Say it once more.

68.2 గొంతు (gontu) — a voice

Before the new one: what did *śabdaṁ* mean?

You'll want to know: గొంతు

గొంతు (*gontu*) — "a voice".

గొంతు is a voice, and it is also the throat that makes one — the front of the మెడ you already know. Telugu lets the two meanings sit in the single word.

Somebody loud has a big గొంతు and somebody who sings well has a sweet one. A person who speaks up for people who cannot is said to have lent them their గొంతు.

Losing it is ordinary. After a night of దగ్గు a villager will say the గొంతు has gone, and mean the throat and the sound at once.

The word, taken apart — its roots and family

గొంతు (*gontu*) is native Dravidian. DEDR 1718 lists *gontu*, "throat, voice", with *kuttuka*, "throat", beside Kannada *kuttige*, "throat, neck".

What you've built

Two: శబ్దం and గొంతు. Sound in general, and the sound a person makes.

Your turn

- *Say it: gontu*
- *Say it:* it once more, slowly
- *Say it: gontu*, then *śabdaṁ*, and say which one is the wider word
- *Read it:* వరి
- *Recall:* say *kappu*

Before you move on

What does గొంతు mean? ("a voice".) Say it once more.

68.3 పాట (pāṭa) — a song

Before the new one: what did *gontu* mean?

You'll want to know: పాట

పాట (*pāṭa*) — "a song".

పాట is a song. Listen for the middle letter. **పాత**, with a plain letter, is the word for old that you already have; **పాట** is a song. One has the tongue behind the teeth and the other has it curled back.

The word is inherited and it is everywhere: work songs at the **కల్లం**, lullabies, film songs a whole state can hum. A Telugu speaker will name a **పాట** faster than a book.

Anything repeated past patience becomes a **పాట** as an insult, in the way English reaches for the same old song.

The word, taken apart — its roots and family

పాట (*pāṭa*) is native Dravidian, one word with Tamil *pāṭu* and Kannada *pāḍu* (DEDR 4065). DEDR lists Telugu *pāḍu*, "to sing", and *pāṭa*, "song".

What you've built

Three. And a **పాత పాట** is an old song, which is a phrase you have now earned.

Your turn

- *Say it: pāṭa*
- *Say it:* it once more, slowly
- *Say it: pāta*, then *pāṭa*, and hear the one letter between them
- *Recall:* say *gaḍḍi*
- *Read it:* గడప, then say what it means

Before you move on

What does పాట mean? ("a song".) Say it once more.

68.4 అరుపు (arupu) — a shout

Before the new one: what did *pāṭa* mean?

You'll want to know: అరుపు

అరుపు (*arupu*) — "a shout".

అరుపు is a shout: a cry raised on purpose, loud enough to carry the width of a పొలం.

It is inherited, built on the everyday word for shouting, and it is not rude in itself. Calling somebody in from work is an అరుపు, and so is the cry that warns a గ్రామం.

It turns rude only when there is a person on the far end of it. Somebody who was shouted at will say they got an అరుపు, and everybody hears the difference without being told.

The word, taken apart — its roots and family

అరుపు (*arupu*) is native Dravidian. DEDR 319 lists *a̲racu*, "to cry out, shout", and *a̲rapu*, "a cry, shout", with Kannada *a̲racu*, "to cry out", and Tamil *a̲rai*, "to speak, sound".

What you've built

Four. Sound, voice, song, and now sound sent a distance.

Your turn

- *Say it: arupu*
- *Say it:* it once more, slowly
- *Say it: arupu*, then *gontu*, and say which one is louder
- *Read it:* కల్లం
- *Recall:* say *meṭṭu*

Before you move on

What does అరుపు mean? ("a shout".) Say it once more.

68.5 కబురు (kaburu) — a message, news

Before the new one: what did *arupu* mean?

You'll want to know: కబురు

కబురు (*kaburu*) — "a message, news".

కబురు is a message: word sent, or news arriving.

It came into Telugu from Arabic by way of Persian, and it was worn in so long ago that it stopped feeling borrowed. It is the word for what an అరుపు is for — getting something to somebody who is not there.

Sending కబురు is a fixed pair of words in the countryside, and the greeting at the head of a message is part of the message. Names travel this way too: a కబురు usually opens by saying whose it is.

What you've built

Five: శబ్దం, గొంతు, పాట, అరుపు, కబురు. Sound, and the whole way it gets from one person to another.

Your turn

- *Say it: kaburu*
- *Say it:* it once more, slowly

- *Say it:* all five in order, then your own name, as the opening line of a **కబురు**
- *Recall:* say *paṇṭa*
- *Read it:* **కిటికీ**, then say what it means

Before you move on

What does **కబురు** mean? (“a message, news”.) Say it once more.

Chapter 69

Tools

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five Telugu tools and ask politely to borrow one.
>
> *Complete TE-C69-stick and demonstrate the chapter promise.*

69.1 గొడ్డలి (goḍḍali) — an axe

Before the new one: what did *kaburu* mean?

You'll want to know: గొడ్డలి

గొడ్డలి (*goḍḍali*) — "an axe".

గొడ్డలి is an axe — an iron head on a wooden handle, for cutting a చెట్టు down or splitting firewood at the గడప.

The word is inherited and old. Its first piece turns up in other Telugu words about striking, so the name says plainly what the thing does.

Asking for one is the ordinary polite request: దయచేసి, and then the word. The person hands it over handle first, and nobody throws a గొడ్డలి.

The word, taken apart — its roots and family

గొడ్డలి (*goḍḍali*) is listed in DEDR's appendix of words taken from Indo-Aryan (DEDR App. 32), under Sanskrit *kuṭhāra*, "axe" (CDIAL 3244). CDIAL itself thinks *kuṭhāra* probably came from Dravidian, so the word may have gone north and come back. Tamil *kōṭāli* and Kannada *koḍali* are in the same appendix entry.

What you've built

One. Heavy, and handed over rather than thrown.

Your turn

- *Say it: goḍḍali*
- *Say it:* it once more, slowly
- *Say it: dayacēsi*, then *goḍḍali*, in that order
- *Recall:* say *gōḍa*
- *Read it:* శబ్దం, then say what it means

Before you move on

What does గొడ్డలి mean? ("an axe".) Say it once more.

69.2 రంపం (rampaṁ) — a saw

Before the new one: what did *goḍḍali* mean?

You'll want to know: రంపం

రంపం (*rampaṁ*) — "a saw".

రంపం is a saw. Where the **గొడ్డలి** breaks wood apart, the **రంపం** takes it apart along a line.

It is a borrowing, and it came in with the trade rather than ahead of it: the long two-man saw and its name reached the carpenter's shed together.

The noise is half the word. Telugu calls a rasping sound a **రంపం** sound, and somebody who repeats a complaint until you give way is running a **రంపం** over your **చెవి**.

The word, taken apart — its roots and family

రంపం (*rampaṁ*) is listed in DEDR's appendix of words taken from Indo-Aryan (DEDR App. 55), under Prakrit *rampa*, "knife, scraper" (CDIAL 10629), with Tamil *irampam*, "a saw".

What you've built

Two. Both of them cut; only one cuts straight.

Your turn

- *Say it: rampaṁi*
- *Say it:* it once more, slowly
- *Say it: goḍḍali*, then *rampaṁi*, and say which one leaves a straight edge
- *Read it:* కప్పు
- *Recall:* say *gontu*

Before you move on

What does రంపం mean? ("a saw".) Say it once more.

69.3 పార (pāra) — a spade

Before the new one: what did *rampaṁi* mean?

You'll want to know: పార

పార (*pāra*) — "a spade".

పార is a spade — a broad iron blade on a handle, for digging and for shifting బురద or ఇసుక.

It is the tool of the రైతు out of season: clearing a channel, banking up the edge of a పొలం, cutting a way for water to run.

The word is inherited and it stays narrow. It does not stretch into anything figurative at all, which by itself says how firmly it belongs to the ground.

The word, taken apart — its roots and family

పార (*pāra*) is native Dravidian, one word with Tamil *pārai* and Kannada *pāre* (DEDR 4093). DEDR lists Telugu *pāra*, "spade".

What you've built

Three. The first one here you push rather than swing.

Your turn

- *Say it:* *pāra*
- *Say it:* it once more, slowly
- *Say it:* *pāra*, then *rampaṁ*, and say which one you push
- *Recall:* say *gaḍapa*
- *Read it:* పాట, then say what it means

Before you move on

What does పార mean? ("a spade".) Say it once more.

69.4 సుత్తి (sutti) — a hammer

Before the new one: what did *pāra* mean?

You'll want to know: సుత్తి

సుత్తి (*sutti*) — "a hammer".

సుత్తి is a hammer: an iron head on a short handle, for driving things in and for beating things straight.

Telugu turned it into a word about people. Somebody who makes the same point until you give in is doing సుత్తి, and telling them to stop the సుత్తి is telling them to stop going on.

In a city that second sense is now the commoner one, which is worth knowing before somebody uses it about you.

The word, taken apart — its roots and family

సుత్తి (*sutti*) is native Dravidian, one word with Tamil *cutti*, Kannada *suttige* and Malayalam *cutti* (DEDR 2668). DEDR gives the Telugu as *sutte*.

What you've built

Four. The one whose second meaning you are likelier to hear.

Your turn

- *Say it: sutti*
- *Say it:* it once more, slowly
- *Say it: sutti*, then *goḍḍali*, and say which one has a short handle
- *Read it:* మెట్టు
- *Recall:* say *arupu*

Before you move on

What does సుత్తి mean? ("a hammer".) Say it once more.

69.5 కర్ర (karra) — a stick

Before the new one: what did *sutti* mean?

You'll want to know: కర్ర

కర్ర (*karra*) — "a stick".

కర్ర is a stick — a length of wood, cut or picked up, for everything the other four are too particular for.

It is inherited and completely ordinary: a walking stick for a తాత, a herding stick behind a మేక, the handle still waiting for a గొడ్డలి head.

It is also the right thing to ask for first. దయచేసి and a కర్ర costs nobody anything, and by the time you want the సుత్తి you already know how to ask.

The word, taken apart — its roots and family

కర్ర (*karra*) is native Dravidian, one word with Tamil *kaṟal*, "firewood" (DEDR 1389), which gives the older Telugu spelling *kaṟṟa*, "wood, stick". DEDR compares Prakrit *karālī*, "toothstick".

What you've built

Five: గొడ్డలి, రంపం, పార, సుత్తి, కర్ర. Enough to ask for anything in a shed.

Your turn

- *Say it: karra*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then *dayacēsi* and the one you would borrow first
- *Recall:* say *kiṭikī*
- *Read it:* కబురు, then say what it means

Before you move on

What does కర్ర mean? ("a stick".) Say it once more.

Chapter 70

Small Creatures

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name five small Telugu creatures and answer yes or no about them.
>
> *Complete TE-C70-spider and demonstrate the chapter promise.*

70.1 ఎలుక (eluka) — a mouse, a rat

Before the new one: what did *karra* mean?

You'll want to know: ఎలుక

ఎలుక (*eluka*) — "a mouse, a rat".

ఎలుక is a mouse, and the same word does for a rat. Telugu does not split them the way English does; when the size matters, a word for size is added.

It is inherited. Any house with **బియ్యం** in it has an **ఎలుక** story, and the **పిల్లి** you already know earns its keep here.

Asked whether there is one about, most people say **అవును** before they have thought about it, and **లేదు** only after going to look.

The word, taken apart — its roots and family

ఎలుక (*eluka*) is native Dravidian, one word with Tamil *eli*, Kannada *eli* and Malayalam *eli* (DEDR 833).

What you've built

One. And the first thing anybody asks about a house.

Your turn

- *Say it: eluka*
- *Say it:* it once more, slowly
- *Say it: eluka*, then *avunu*, then *lēdu*
- *Recall:* say *śabdaṁ*
- *Read it:* గొడ్డలి, then say what it means

Before you move on

What does ఎలుక mean? ("a mouse, a rat".) Say it once more.

70.2 కప్ప (kappa) — a frog

Before the new one: what did *eluka* mean?

You'll want to know: కప్ప

కప్ప (*kappa*) — "a frog".

కప్ప is a frog. Set it beside కప్పు, the roof, and you have a pair worth saying twice: one small vowel at the end is the whole difference.

It is inherited and it belongs to the rains. The first కప్ప heard after dark is how a గ్రామం knows the season turned, before anybody looks at a calendar.

Telugu uses it for somebody whose world is small — a కప్ప in a well, which is a picture a dozen unrelated languages reached for on their own.

The word, taken apart — its roots and family

కప్ప (*kappa*) is native Dravidian, one word with Kannada *kappe* (DEDR 1224). DEDR lists Telugu *kappa*, "frog".

What you've built

Two. And the roof is still కప్పు.

Your turn

- *Say it: kappa*
- *Say it:* it once more, slowly
- *Say it: kappu*, then *kappa*, and say which one is the roof
- *Read it:* గొంతు
- *Recall:* say *rampaṁ*

Before you move on

What does కప్ప mean? ("a frog".) Say it once more.

70.3 దోమ (dōma) — a mosquito

Before the new one: what did *kappa* mean?

You'll want to know: దోమ

దోమ (*dōma*) — "a mosquito".

దోమ is a mosquito. The word is inherited, and it is said with feeling.

A దోమ is the reason for the net over a bed, for smoke at dusk, and for half the complaints of a hot సాయంత్రం.

It is also the standard small annoyance. Somebody waving away a threat calls it a దోమ, and somebody who could not sleep blames one.

The word, taken apart — its roots and family

దోమ (*dōma*) is native Dravidian, one word with Kannada *dōme* (DEDR 2991). DEDR lists Telugu *dōma*, "mosquito".

What you've built

Three. The smallest of them and the loudest complaint.

Your turn

- *Say it: dōma*
- *Say it:* it once more, slowly

- *Say it:* *dōma*, then *kappa*, and say which one you hear at night
- *Recall:* say *pāṭa*
- *Read it:* పార, then say what it means

Before you move on

What does దోమ mean? ("a mosquito".) Say it once more.

70.4 ఉడుత (uḍuta) — a squirrel

Before the new one: what did *dōma* mean?

You'll want to know: ఉడుత

ఉడుత (*uḍuta*) — "a squirrel".

ఉడుత is a squirrel — the striped palm squirrel that runs along the top of a గోడ and out onto any కొమ్మ it can reach.

It is inherited. The three stripes down its back carry a story that every Telugu household can tell, and the animal is let alone because of it.

An ఉడుత's help is a set phrase for a small contribution offered honestly. Whoever says it is calling their own share tiny and means to give it anyway.

The word, taken apart — its roots and family

ఉడుత (*uḍuta*) is native Dravidian, one word with Kannada *uḍute* (DEDR 590). DEDR lists Telugu *uḍuta*, "squirrel".

What you've built

Four. The one nobody chases off.

Your turn

- *Say it:* *uḍuta*
- *Say it:* it once more, slowly
- *Say it:* *uḍuta*, then *eluka*, and say which one is welcome
- *Read it:* అరుపు

- *Recall:* say *sutti*

Before you move on

What does **ఉడుత** mean? ("a squirrel".) Say it once more.

70.5 సాలీడు (sālīḍu) — a spider

Before the new one: what did *uḍuta* mean?

You'll want to know: సాలీడు

సాలీడు (*sālīḍu*) — "a spider".

సాలీడు is a spider — the one in the corner where the **గోడ** meets the **కప్పు**.

It is inherited, and it is built on the old Telugu word for a weaver, so the name says what the creature does. The thread a person works with is **దారం**, which you already have.

Ask whether one has been swept out and the answer is a plain **అవును** or **లేదు**, which is where five small creatures have got you.

The word, taken apart — its roots and family

సాలీడు (*sālīḍu*) is native Dravidian. DEDR 2475 lists the same Telugu form as "a weaver", with *sāle*, "the weaver caste", beside Tamil *cāliyaṉ* and Kannada *sāliga*, "weavers". The entry does not list the spider sense: the spider is named as the weaver.

What you've built

Five: **ఎలుక**, **కప్ప**, **దోమ**, **ఉడుత**, **సాలీడు**. Everything small enough to share a house with.

Your turn

- *Say it: sālīḍu*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then *avunu* for the ones in your house and *lēdu* for the rest
- *Recall:* say *kaburu*

- *Read it:* కర్ర, then say what it means

Before you move on

What does సాలీడు mean? (“a spider”.) Say it once more.

Chapter 71

The Wider Family

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name the family a Telugu marriage adds, and ask after each of them.
>
> *Complete TE-C71-son-in-law and demonstrate the chapter promise.*

71.1 మామ (māma) — an uncle; a father-in-law

Before the new one: what did *sālīḍu* mean?

You'll want to know: మామ

మామ (*māma*) — "an uncle; a father-in-law".

మామ is a mother's brother, and it is also a father-in-law. Telugu keeps one word for both because for a very long time they were often the same man.

That is the whole of it: a man's sister's daughter was the expected match for his son, so the uncle a child grew up with became the father-in-law they married into.

Asking after a **మామ**'s **ఆరోగ్యం** is the first thing said after **నమస్కారం** in a house you have married into.

The word, taken apart — its roots and family

మామ (*māma*) is a Dravidian word, one with Tamil *māmaṉ* and Kannada *māma*, "maternal uncle, father-in-law" (DEDR 4813). DEDR compares Sanskrit *māma*, "uncle", and CDIAL 10055 calls that a

nursery word with similar words in Dravidian.

What you've built

One. And the reason Telugu needs fewer family words than you expect.

Your turn

- *Say it: māma*
- *Say it:* it once more, slowly
- *Say it: māma*, then *ārōgyaṁ*, as one question
- *Recall:* say *goḍḍali*
- *Read it:* **ఎలుక**, then say what it means

Before you move on

What does **మామ** mean? ("an uncle; a father-in-law".) Say it once more.

71.2 అత్త (atta) — an aunt; a mother-in-law

Before the new one: what did *māma* mean?

You'll want to know: అత్త

అత్త (*atta*) — "an aunt; a mother-in-law".

అత్త is the **మామ**'s counterpart: a father's sister, and a mother-in-law.

The same reasoning folds them together. She is the woman a child calls **అత్త** while growing up and the woman they answer to after marrying, and one word covers both lives.

It is inherited and it is among the oldest words in the family. The neighbouring languages all keep something very close to it.

The word, taken apart — its roots and family

అత్త (*atta*) is a Dravidian word, one with Tamil *attai*, "father's sister, mother-in-law", and Kannada *atte*, "mother-in-law" (DEDR 142). DEDR compares Sanskrit *attā*, "mother, elder sister", which CDIAL

222 itself takes from Dravidian.

What you've built

Two: **మామ** and **అత్త**, and they usually arrive as a pair.

Your turn

- *Say it: atta*
- *Say it:* it once more, slowly
- *Say it: māma*, then *atta*, and say which one is the mother-in-law
- *Read it:* **రంపం**
- *Recall:* say *kappa*

Before you move on

What does **అత్త** mean? ("an aunt; a mother-in-law".) Say it once more.

71.3 బావ (bāva) — a brother-in-law; a male cousin

Before the new one: what did *atta* mean?

You'll want to know: బావ

బావ (*bāva*) — "a brother-in-law; a male cousin".

బావ is a sister's husband, a wife's brother, and the **మామ**'s son — the cousin you might have married.

So the word covers a bond that is close, level and a little teasing. Two men who call each other **బావ** can joke in a way an **అన్న** and a **తమ్ముడు** cannot.

City Telugu now uses it for a friend, roughly where English says mate. That irritates some people and has stopped nobody.

The word, taken apart — its roots and family

Where **బావ** (*bāva*) comes from is not settled, and DEDR does not list it. CDIAL 9455 cites Sanskrit *bhāvuka*, "sister's husband", a word of

the drama, beside *bhāma*, which it takes as probably a pet name made from *bhrāṭṛ*, "brother"; the Telugu word may belong with them.

What you've built

Three. The first one standing on level ground with you.

Your turn

- *Say it: bāva*
- *Say it:* it once more, slowly
- *Say it: bāva*, then *māma*, and say which one is older
- *Recall:* say *pāra*
- *Read it:* దోమ, then say what it means

Before you move on

What does బావ mean? ("a brother-in-law; a male cousin".) Say it once more.

71.4 మరదలు (maradalu) — a sister-in-law; a female cousin

Before the new one: what did *bāva* mean?

You'll want to know: మరదలు

మరదలు (*maradalu*) — "a sister-in-law; a female cousin".

మరదలు is the **బావ**'s counterpart on the other side: a wife's younger sister, a younger brother's wife, and the **మామ**'s daughter — the cousin you might have married.

So it carries the same easy, teasing register that **బావ** does. A **బావ** and a **మరదలు** can joke across a room in a way an **అన్న** and a **చెల్లి** cannot, and Telugu films have lived off that for eighty years.

It is inherited, and it belongs to the same reckoning as the rest of this chapter: the person a marriage hands you was very often somebody the family already had a word for.

The word, taken apart — its roots and family

మరదలు (*maradalu*) is native Dravidian. DEDR 4762 lists the Telugu word as "spouse's younger sister, younger brother's wife, younger female cross-cousin", with a matching masculine for the younger brother-in-law.

What you've built

Four. The one who matches **బావ**.

Your turn

- *Say it: maradalu*
- *Say it:* it once more, slowly
- *Say it: bāva*, then *maradalu*, and say which of the two is the woman
- *Read it:* **సుత్తి**
- *Recall:* say *uḍuta*

Before you move on

What does **మరదలు** mean? ("a sister-in-law; a female cousin".) Say it once more.

71.5 అల్లుడు (alluḍu) — a son-in-law

Before the new one: what did *maradalu* mean?

You'll want to know: అల్లుడు

అల్లుడు (*alluḍu*) — "a son-in-law".

అల్లుడు is a daughter's husband — the **మామ**'s word for the young man on the far side of the match.

He is treated as a guest for life. An **అల్లుడు** on a visit is fed first, seated first and asked after first, and the household's own people wait their turn.

Which is what the chapter has been building to: **మామ**, **అత్త**, **బావ**, **మరదలు**, **అల్లుడు**. Ask each of them how they are and you have done the whole visit properly.

The word, taken apart — its roots and family

అల్లుడు (*alluḍu*) is native Dravidian, one word with Kannada *aḷiya*, "son-in-law", and Malayalam *aḷiyan*, "wife's brother" (DEDR 2410).

What you've built

Five: **మామ**, **అత్త**, **బావ**, **మరదలు**, **అల్లుడు**. A marriage's worth of new people to ask after.

Your turn

- *Say it:* *alluḍu*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then *ārōgyaṁ*, asking after the last of them
- *Recall:* say *karra*
- *Read it:* **సాలీడు**, then say what it means

Before you move on

What does **అల్లుడు** mean? ("a son-in-law".) Say it once more.

Chapter 72

The Market

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can buy something in a Telugu shop, ask the price, and thank the seller.
>
> *Complete TE-C72-bargain and demonstrate the chapter promise.*

72.1 అంగడి (aṅgaḍi) — a shop

Before the new one: what did *alluḍu* mean?

You'll want to know: అంగడి

అంగడి (*aṅgaḍi*) — "a shop".

అంగడి is a shop — one counter, one family behind it, and everything a **గ్రామం** needs on the shelves.

It is inherited, and it is the older and homelier of the two words available. City Telugu will as often reach for a borrowed word for a store, but the **అంగడి** is the one at the end of the **బాట**.

You are known in an **అంగడి**. Nobody there opens with a price; they open by asking whether your household is well.

The word, taken apart — its roots and family

అంగడి (*aṅgaḍi*) is native Dravidian, one word with Tamil *aṅkāṭi*, "bazaar", and Kannada *aṅgaḍi*, "shop" (DEDR 35). DEDR compares, with a query, Sanskrit *aṅgaṇa*, "courtyard".

What you've built

One. The place the rest of this chapter happens in.

Your turn

- *Say it: aṅgaḍi*
- *Say it:* it once more, slowly
- *Say it: aṅgaḍi*, then *grāmaṁ*, and say which one sits inside the other
- *Recall:* say *eluka*
- *Read it:* మూమ, then say what it means

Before you move on

What does అంగడి mean? ("a shop".) Say it once more.

72.2 డబ్బు (ḍabbu) — money

Before the new one: what did *aṅgaḍi* mean?

You'll want to know: డబ్బు

డబ్బు (*ḍabbu*) — "money".

డబ్బు is money. You have said it once already without being told what it was: డబ్బు లేదు, there is no money, turned up early as an example of how లేదు denies that a thing exists. Here is the word itself.

It is a borrowing, from the name of a small copper coin, and it travelled across the region on the coin's back.

It is blunt and it is not rude. Asking whether somebody has డబ్బు today is an ordinary question in an అంగడి where the account is settled by the month.

The word, taken apart — its roots and family

The origin of డబ్బు (*ḍabbu*) is uncertain. DEDR and CDIAL list words of this shape only in other senses: a drum's noise (DEDR 2947) and a ladle (CDIAL 6206).

What you've built

Two. And one of them you had already used once.

Your turn

- *Say it: ḍabbu*
- *Say it:* it once more, slowly
- *Say it: ḍabbu*, then *lēdu*, as the phrase you already knew
- *Read it:* కప్ప
- *Recall:* say *atta*

Before you move on

What does డబ్బు mean? ("money".) Say it once more.

72.3 ధర (dhara) — a price

Before the new one: what did *ḍabbu* mean?

You'll want to know: ధర

ధర (*dhara*) — "a price".

ధర is a price — what a thing costs, said out loud.

It is Sanskrit, from a sense of what holds a thing up, which is a fair picture of value. Telugu uses it for one thing's price and for prices in general: when people say the ధర has gone up, they mean everything has.

Asking is direct and expected. Nobody in an అంగడి minds the question, and asking before you pick a thing up is politer than asking after.

CDIAL 6740 lists Sanskrit *dhara*, "holding, supporting"; the sense "price" is the one Telugu gives it.

What you've built

Three. The question you are allowed to ask first.

Your turn

- *Say it: dhara*
- *Say it:* it once more, slowly
- *Say it: dhara*, then *ḍabbu*, in the order they come up
- *Recall:* say *dōma*
- *Read it:* **బావ**, then say what it means

Before you move on

What does **ధర** mean? (“a price”.) Say it once more.

72.4 తూకం (tūkaṁ) — weight

Before the new one: what did *dhara* mean?

You’ll want to know: తూకం

తూకం (*tūkaṁ*) — “weight”.

తూకం is weight — what the scales say, and also the act of weighing.

Almost everything in an **అంగడి** is sold by it: **బియ్యం**, **ఉప్పు**, **చక్కెర**, **మిరప**. The **ధర** you are quoted is a **ధర** for a **తూకం**, so the two words travel together.

It carries fairness as well. Somebody who speaks with **తూకం** is somebody whose words are measured, and short **తూకం** is a serious accusation.

The word, taken apart — its roots and family

తూకం (*tūkaṁ*) is probably native Dravidian. DEDR 3376 lists a nasalised Telugu *tūgu*, “to hang, weigh”, and *tūcu*, “to weigh”, with Kannada *tūka*, “weighing, weight”; it does not list *tūkaṁ* itself.

What you’ve built

Four. What the **ధర** is attached to.

Your turn

- *Say it: tūkaṁ*

- *Say it:* it once more, slowly
- *Say it:* *tūkaṁ*, then *dhara*, as one question in a shop
- *Read it:* ఉడుత
- *Recall:* say *maradalu*

Before you move on

What does తూకం mean? (“weight”.) Say it once more.

72.5 బేరం (bēraṁ) — a bargain, haggling

Before the new one: what did *tūkaṁ* mean?

You’ll want to know: బేరం

బేరం (*bēraṁ*) — “a bargain, haggling”.

బేరం is the haggle — the back and forth between the ధర asked and the ధర paid, and also the deal that comes out of it.

It is expected in an open market crowd and out of place in a fixed-price అంగడి, and telling those two apart is most of what a newcomer gets wrong.

However the బేరం ends, it ends with ధన్యవాదములు, and in a small అంగడి it ends with both sides fairly sure they did well out of it.

The word, taken apart — its roots and family

The origin of బేరం (*bēraṁ*) is uncertain. Neither DEDR nor CDIAL records it.

What you’ve built

Five: అంగడి, డబ్బు, ధర, తూకం, బేరం. Enough to buy something and thank the person who sold it.

Your turn

- *Say it:* *bēraṁ*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then close with *dhanyavādamulu*

- *Recall:* say *sālīḍu*
- *Read it:* **అల్లుడు**, then say what it means

Before you move on

What does **బేరం** mean? (“a bargain, haggling”.) Say it once more.

Chapter 73

Tastes

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can name the tastes of a Telugu meal and take my leave when it is finished.
>
> *Complete TE-C73-astringent and demonstrate the chapter promise.*

73.1 తీపి (tīpi) — sweet, sweetness

Before the new one: what did *bērami* mean?

You'll want to know: తీపి

తీపి (*tīpi*) — "sweet, sweetness".

తీపి is sweetness — the taste, and the quality of anything that has it.

It is inherited. **చక్కెర** gives it in a kitchen and a **పండు** gives it on a **చెట్టు**, and a person described as **తీపి** is being called good company.

Telugu counts its tastes rather than gesturing at them, and **తీపి** is the one every count opens with.

The word, taken apart — its roots and family

తీపి (*tīpi*) is native Dravidian, one word with Tamil *tīm*, "sweet", and Kannada *sīyi*, "sweet" (DEDR 3268), which lists *tīpi* itself. DEDR compares, with a query, Prakrit *tiṇisa*, "honeycomb".

What you've built

One. The taste every count opens with.

Your turn

- *Say it: tīpi*
- *Say it:* it once more, slowly
- *Say it: tīpi*, then *cakkera*, and say which one is the taste
- *Recall:* say *māma*
- *Read it:* అంగడి, then say what it means

Before you move on

What does తీపి mean? ("sweet, sweetness".) Say it once more.

73.2 పులుపు (pulupu) — sour, sourness

Before the new one: what did *tīpi* mean?

You'll want to know: పులుపు

పులుపు (*pulupu*) — "sour, sourness".

పులుపు is sourness — tamarind, lime, పెరుగు left a day too long.

It is inherited and it is not a complaint. A Telugu meal wants పులుపు in it on purpose; the everyday tamarind stew is built around exactly this taste.

Said of a face it means what it means in English, and it is said most often of children who have just been told no.

The word, taken apart — its roots and family

పులుపు (*pulupu*) is native Dravidian, one word with Tamil *puḷi* and Malayalam *puḷikka*, "to be sour" (DEDR 4322), which lists *pulupu*, "sourness", itself.

What you've built

Two: తీపి and పులుపు, and a meal wants both of them.

Your turn

- *Say it: pulupu*
- *Say it:* it once more, slowly
- *Say it: tīpi*, then *pulupu*, and say which one is in curd
- *Read it:* అత్త
- *Recall:* say *ḍabbu*

Before you move on

What does పులుపు mean? ("sour, sourness".) Say it once more.

73.3 చేదు (cēdu) — bitter, bitterness

Before the new one: what did *pulupu* mean?

You'll want to know: చేదు

చేదు (*cēdu*) — "bitter, bitterness".

చేదు is bitterness — neem leaf, some greens, most medicine.

It is inherited, and Telugu does not treat it as a fault. Bitter is eaten deliberately at the opening of the year and at the opening of a meal, on the understanding that it does you good.

It carries over into speech unchanged. **చేదు** news is bad news, and a **చేదు** truth is one you are told anyway.

The word, taken apart — its roots and family

చేదు (*cēdu*) is native Dravidian. DEDR 1249 lists the Telugu word for "bitterness; bitter" with Tamil *kaya*, "to be bitter", and Kannada *kay*, "bitterness". DEDR compares Sanskrit *kaṣāya*, "astringent" (CDIAL 2974), which CDIAL thinks points to a non-Aryan origin.

What you've built

Three. The one eaten on purpose.

Your turn

- *Say it: cēdu*
- *Say it:* it once more, slowly
- *Say it: cēdu*, then *tīpi*, and say which one is eaten first
- *Recall:* say *bāva*
- *Read it:* ధర, then say what it means

Before you move on

What does చేదు mean? ("bitter, bitterness".) Say it once more.

73.4 కారం (kāraṁ) — pungency, heat

Before the new one: what did *cēdu* mean?

You'll want to know: కారం

కారం (*kāraṁ*) — "pungency, heat".

కారం is heat — the bite of మిరప, and by an easy extension the chilli powder itself.

Ask for something with తక్కువ కారం and you will be understood anywhere, though in one or two households you will be heard as having said something mildly insulting.

It is inherited. Do not read it into the end of నమస్కారం, which is a different word altogether, Sanskrit, and means a making.

The word, taken apart — its roots and family

కారం (*kāraṁ*) is native Dravidian, one word with Tamil *kār*, "to be pungent", and Kannada *kāra*, "pungency" (DEDR 1466). DEDR adds that the word was probably influenced by Sanskrit *kṣāra*, "caustic, alkali".

What you've built

Four. And the one you may want తక్కువ of.

Your turn

- *Say it: kāraṁ*
- *Say it:* it once more, slowly
- *Say it: kāraṁ*, then *takkuva* and *kāraṁ* together
- *Read it:* మరదలు
- *Recall:* say *tūkaṁ*

Before you move on

What does కారం mean? ("pungency, heat".) Say it once more.

73.5 వగరు (vagaru) — astringent

Before the new one: what did *kāraṁ* mean?

You'll want to know: వగరు

వగరు (*vagaru*) — "astringent".

వగరు is astringency — the dry, puckering taste of an unripe **పండు**, of raw banana, of **టీ** left to stand.

English has no everyday word for it and Telugu has had one for as long as it has been written down. Once you can name it you begin noticing it, which is most of what a word is for.

With **ఉప్పు**, which you already have, that is the full set a Telugu cook thinks in: **తీపి**, **పులుపు**, **చేదు**, **కారం**, **వగరు** and salt. A meal carrying all of them is finished, and so is the visit — **వెళ్ళొస్తాను**.

The word, taken apart — its roots and family

వగరు (*vagaru*) is native Dravidian. DEDR 2674 lists *ogaru* and *vagaru*, "astringent taste", with Tamil *uvar*, "to taste astringent", and Kannada *ogar*, "an astringent taste".

What you've built

Five: **తీపి**, **పులుపు**, **చేదు**, **కారం**, **వగరు**. The tastes a Telugu meal is built from, and the last of them names what nothing else does.

Your turn

- *Say it: vagaru*
- *Say it:* it once more, slowly
- *Say it:* all five in order, then take your leave with *veḷḷostānu*
- *Recall:* say *alluḍu*
- *Read it:* బేరం, then say what it means

Before you move on

What does వగరు mean? (“astringent”.) Say it once more.

Chapter 74

And, But, Or

Modes: **voice** (4) **eyes** (1) **Hands-free start:** the first 4 of 5 lessons.

> ***By the end of this chapter:*** I can join two Telugu words or two Telugu clauses, and I can ask why and answer it.
>
> *Complete TE-C74-because and demonstrate the chapter promise.*

74.1 మరియు (mariyu) — and

Before the new one: what did *vagaru* mean?

You'll want to know: మరియు

మరియు (*mariyu*) — "and".

Telugu's everyday speech often joins two things by simply saying them one after the other, or by hanging a small **-ఉ** on the end of each. **మరియు** is the written, spoken-carefully form, and it is the one a list on a page will use.

Put it between two nouns you already have: **నీళ్ళు మరియు పాలు** — "water and milk".

The word, taken apart — its roots and family

మరియు (*mariyu*) is native Dravidian. DEDR 4766 lists Telugu *ma̲ri*, "and, again, further", with Tamil *ma̲ru* and Kannada *ma̲ru*, "other, next".

What you've built

The first way you have had to put two things in one sentence.

Your turn

- *Say it:* *mariyu*
- *Say it:* *mariyu*, once more
- *Say it:* join two words you know with *mariyu*
- *Recall:* say *dayacēsi*, then say *mariyu*
- *Recall:* say *aṅgaḍi*
- *Read it:* **తీపి**, then say what it means

Before you move on

What does **మరియు** mean? ("and".) Say it once more.

74.2 కానీ (kānī) — but

Before the new one: what did *mariyu* mean?

You'll want to know: కానీ

కానీ (*kānī*) — "but".

కానీ turns a sentence around. Where **మరియు** adds, **కానీ** takes back: it warns the listener that what comes next does not match what came before.

నాకు టీ ఇష్టం, కానీ పాలు వద్దు — "I like tea, but no milk." This one word is what lets you disagree politely instead of only saying **లేదు**.

The word, taken apart — its roots and family

కానీ (*kānī*) is native Dravidian, built on *kā-*, the stem of *agu*, "to be", that also gives *kādu*, "it is not" (DEDR 333).

What you've built

Two clauses, and a way to set the second against the first.

Your turn

- *Say it: kānī*
- *Say it: kānī*, once more
- *Say it:* say something you like, then *kānī*, then something about it you do not
- *Recall:* say *kṣamīncaṇḍi*, then say *kānī*
- *Read it:* డబ్బు
- *Recall:* say *pulupu*

Before you move on

What does కానీ mean? ("but".) Say it once more.

74.3 లేదా (lēdā) — or

Before the new one: what did *kānī* mean?

You'll want to know: లేదా

లేదా (*lēdā*) — "or".

You have met its first half already: **లే-** is the same root behind **లేదు**, "there isn't". **లేదా** is literally the *or-else* of that root — "failing that".

టీ లేదా పాలు? — "tea or milk?" That is the whole of an offered choice, and you can now make one.

The word, taken apart — its roots and family

లేదా (*lēdā*) is native Dravidian, built on *lē-*, "be not", the root of *lēdu*. DEDR 2559 lists *lēka*, "without; or, else", with Tamil *il*.

What you've built

A choice you can put to somebody.

Your turn

- *Say it:* *lēdā*
- *Say it:* *lēdā*, once more
- *Say it:* offer a choice between two drinks you know, using *lēdā*
- *Recall:* say *anukō*, then say *lēdā*
- *Recall:* say *dhara*
- *Read it:* **చేదు**, then say what it means

Before you move on

What does **లేదా** mean? ("or".) Say it once more.

74.4 ఎందుకు (enduku) — why?

Before the new one: what did *lēdā* mean?

You'll want to know: ఎందుకు

ఎందుకు (*enduku*) — "why?".

Another word off the **ఎ-** question row you already know: **ఎక్కడ** "where", **ఎవరు** "who", and now **ఎందుకు** "why". The row keeps its shape and you keep getting the words free.

It goes where its answer goes, not at the front: **మీరు ఎందుకు వెళ్తారు?** — "why do you go?"

The word, taken apart — its roots and family

ఎందుకు (*enduku*) is native Dravidian, built on the question base *e-*. DEDR 5151 lists *enduku*, "why", itself.

What you've built

The question the next word answers.

Your turn

- *Say it:* *enduku*
- *Say it:* *enduku*, once more
- *Say it:* ask *enduku* about something somebody just told you
- *Recall:* say *aḍugu*, then say *enduku*
- *Read it:* తూకం
- *Recall:* say *kāraṁ*

Before you move on

What does ఎందుకు mean? ("why?".) Say it once more.

74.5 ఎందుకంటే (endukaṇṭē) — because

Before the new one: what did *enduku* mean?

You'll want to know: ఎందుకంటే

ఎందుకంటే (*endukaṇṭē*) — "because".

Look at it: it *is* ఎందుకు with అంటే glued on — "if you ask why". Telugu answers the question by repeating it and then continuing, which is the gluing habit of your very first lesson doing real work.

నేను వెళ్తాను, ఎందుకంటే పని ఉంది — "I'll go, because there is work."

The word, taken apart — its roots and family

ఎందుకంటే (*endukaṇṭē*) is native Dravidian: *enduku*, "why" (DEDR 5151), and *aṇṭē*, "if you say", from *anu*, "to say" (DEDR 868).

Grammar Lens: the reason clause comes second

Telugu can put the reason first, as పని ఉంది కాబట్టి నేను వెళ్తాను. With ఎందుకంటే it goes second, after the thing being explained, exactly where English puts it. Use ఎందుకంటే while that ordering is still the one you think in.

What you've built

A reason, attached to the thing it explains.

Your turn

- *Say it:* *endukaṇṭē*
- *Say it:* *endukaṇṭē*, once more
- *Say it:* answer an *enduku* question with *endukaṇṭē* and one word you know
- *Recall:* say *gaṇṭa*, then say *endukaṇṭē*
- *Recall:* say *bēraṁi*, then read **వగరు** and say what it means

Before you move on

What does **ఎందుకంటే** mean? ("because".) Say it once more.

Chapter 75

Today, Yesterday, When

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say today, yesterday and before in Telugu, ask when something happens, and name a year.
>
> *Complete TE-C75-year and demonstrate the chapter promise.*

75.1 ఇవాళ (ivāḷa) — today

Before the new one: what did *endukaṇṭē* mean?

You'll want to know: ఇవాళ

ఇవాళ (*ivāḷa*) — "today".

The farewells gave you **రేపు**, "tomorrow", inside **రేపు కలుద్దాం**. The day you are actually standing in had no name until now.

It begins with the same **ఇ-** as **ఇక్కడ** and **ఇది**: the near one, the one right here. **ఇవాళ** is the near day.

The word, taken apart — its roots and family

ఇవాళ (*ivāḷa*) begins with the near-pointing *i*-, "this", of DEDR 410. DEDR does not list the word itself, and where its second part comes from is not recorded.

What you've built

The day you are in.

Your turn

- *Say it:* *ivāḷa*
- *Say it:* *ivāḷa*, once more
- *Say it:* say *ivāḷa*, then *rēpu*, and say which is nearer
- *Recall:* say *bhōjanaṁ*, then say *ivāḷa*
- *Recall:* say *tīpi*
- *Read it:* **మరియు**, then say what it means

Before you move on

What does **ఇవాళ** mean? (“today”.) Say it once more.

75.2 నిన్న (ninna) — yesterday

Before the new one: what did *ivāḷa* mean?

You’ll want to know: నిన్న

నిన్న (*ninna*) — “yesterday”.

With **ఇవాళ** and **రేపు** you now have the three days every conversation stands on, and **నిన్న** is the only one that looks backward.

It is native Dravidian and short, with the doubled **న్న** you have seen in **ఉన్నాను**.

The word, taken apart — its roots and family

నిన్న (*ninna*) is native Dravidian, one word with Kannada *ninne* and Malayalam *innalē* (DEDR 3758). DEDR lists Telugu *ninna*, “yesterday”.

What you’ve built

Three days: **నిన్న**, **ఇవాళ**, **రేపు**.

Your turn

- *Say it:* *ninna*
- *Say it:* *ninna*, once more
- *Say it:* say the three days in order: *ninna*, *ivāḷa*, *rēpu*
- *Recall:* say *vātāvaraṇam*, then say *ninna*
- *Read it:* పులుపు
- *Recall:* say *kānī*

Before you move on

What does నిన్న mean? ("yesterday".) Say it once more.

75.3 ఎప్పుడు వస్తారు? (eppuḍu vastāru?) — when will you come?

Before the new one: what did *ninna* mean?

You'll want to know: ఎప్పుడు వస్తారు?

ఎప్పుడు వస్తారు? (*eppuḍu vastāru?*) — "when will you come?". The new word in it is **ఎప్పుడు**, "when?".

The last gap in the **ఎ-** question row: **ఎక్కడ** where, **ఎవరు** who, **ఎందుకు** why, and now **ఎప్పుడు** when. The row is complete.

The three days you just learned are its answers, and **మీరు** in front of it makes the question respectful.

The word, taken apart — its roots and family

ఎప్పుడు వస్తారు? (*eppuḍu vastāru?*) is native Dravidian: *eppuḍu*, "what time, when", which DEDR 5151 and 4559 list, with the question base *e-* and the time word *poddu*; and *vastāru*, from *vaccu*, "to come" (DEDR 5270).

What you've built

The question the three days answer.

Your turn

- *Say it:* *eppuḍu*
- *Say it:* *eppuḍu*, once more
- *Say it:* ask *eppuḍu*, then answer it with *ivāḷa*
- *Recall:* say *rātri*, then say *eppuḍu vastāru?*
- *Recall:* say *cēdu*
- *Read it:* లేదా, then say what it means

Before you move on

What does ఎప్పుడు వస్తారు? mean? ("when will you come?".) Say it once more.

75.4 ముందు (mundu) — before, in front

Before the new one: what did *eppuḍu* mean?

You'll want to know: ముందు

ముందు (*mundu*) — "before".

You already have తరువాత, "after that". ముందు is its other half, and until now you could only order events one way.

Like most Telugu relation words it follows its noun: భోజనం ముందు — "before the meal". It also means "in front" in space, which is the same idea pointed at a room instead of a day.

The word, taken apart — its roots and family

ముందు (*mundu*) is native Dravidian, one word with Tamil *mun̲* and Kannada *munnu*, "front, before" (DEDR 5020), which lists *mundu* itself.

What you've built

Both ends of an order: ముందు and తరువాత.

Your turn

- *Say it: mundu*
- *Say it: mundu*, once more
- *Say it:* say *mundu*, then *taruvāta*, and put a meal between them
- *Recall:* say *mariyu*, then *udayam*, then say *mundu*
- *Read it:* కారం
- *Recall:* say *enduku*

Before you move on

What does ముందు mean? ("before, in front".) Say it once more.

75.5 సంవత్సరం (saṁvatsaraṁ) — a year

Before the new one: what did *mundu* mean?

You'll want to know: సంవత్సరం

సంవత్సరం (*saṁvatsaraṁ*) — "a year".

A Sanskrit tatsama, wearing the same -ం ending you have seen on ఉదయం and భోజనం. Telugu also says ఏడు for a year of age, but సంవత్సరం is the plain calendar word.

You now have the hour (గంట), the day (రోజు), the month (నెల) and the year — the whole ladder of Telugu time.

The word, taken apart — its roots and family

సంవత్సరం (*saṁvatsaraṁ*) is Sanskrit *saṁvatsara*, "year", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13011).

What you've built

The largest unit of time you can name.

Your turn

- *Say it:* *saṁvatsaraṁ*
- *Say it:* *saṁvatsaraṁ*, once more
- *Say it:* say *gaṇṭa*, then *rōju*, then *saṁvatsaraṁ*, smallest to largest
- *Recall:* say *kānī*, then *sāyantram*, then say *saṁvatsaraṁ*
- *Recall:* say *vagaru*
- *Read it:* **ఎందుకంటే**, then say what it means

Before you move on

What does **సంవత్సరం** mean? (“a year”.) Say it once more.

Chapter 76

Very Good, Very Bad

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say that something is very good, bad, easy or difficult in Telugu, and make an adjective the whole comment.
>
> *Complete TE-C76-difficult and demonstrate the chapter promise.*

76.1 చాలా మంచి (cālā manci) — very good

Before the new one: what did *samvatsaram* mean?

You'll want to know: చాలా మంచి

చాలా మంచి (*cālā manci*) — "very good". The new word in it is **చాలా**, "very, a lot".

Until now every adjective you had was flat: **పెద్ద** was big and there was no bigger. **చాలా** is the dial.

It stands in front of what it strengthens: **చాలా పెద్ద** "very big", **చాలా కొత్త** "very new". It also works on its own for "a lot", where **కొంచెం** was "a little".

The word, taken apart — its roots and family

చాలా మంచి (*cālā manci*) is *cālā*, "very", which DEDR 2470 lists as *cāla*, "abundant, abundantly", under *cālu*, "to be enough", with Tamil *cāl*; and *manci*, "good", whose origin is uncertain.

What you've built

A degree, on any adjective you have.

Your turn

- *Say it:* *cālā*
- *Say it:* *cālā*, once more
- *Say it:* put *cālā* in front of *manci*, then in front of *pedda*
- *Recall:* say *lēdā*, then *madhyāhnam*, then say *cālā manci*

Before you move on

What does **చాలా మంచి** mean? ("very good".) Say it once more.

76.2 చెడ్డ (ceḍḍa) — bad

Before the new one: what did *cālā* mean?

You'll want to know: చెడ్డ

చెడ్డ (*ceḍḍa*) — "bad".

మంచి, "good", has stood without an opposite ever since the adjectives chapter. **చెడ్డ** is the opposite.

It sits in front of its noun and does not change, exactly as **మంచి** does. Do not reach for **చేదు** from the last chapter: that is *bitter*, a taste, and it does not judge anything.

The word, taken apart — its roots and family

చెడ్డ (*ceḍḍa*) is native Dravidian. DEDR 2760 lists *ceḍu*, "to be rotten", and *ceḍḍa*, "rotten", with Tamil *ceṭṭi*, "bad odour".

What you've built

Both ends of the judgement: **మంచి** and **చెడ్డ**.

Your turn

- *Say it:* *ceḍḍa*
- *Say it:* *ceḍḍa*, once more
- *Say it:* say *manci*, then *ceḍḍa*, then *cālā ceḍḍa*
- *Recall:* say *enduku*, then *śubhōdayam*, then say *ceḍḍa*

Before you move on

What does **చెడ్డ** mean? (“bad”.) Say it once more.

76.3 మంచిది (mancidi) — it is a good one

Before the new one: what did *ceḍḍa* mean?

You’ll want to know: మంచిది

మంచిది (*mancidi*) — “it is a good one”.

You could already say **మంచి పుస్తకం**, “a good book”. You could not yet say that the book *is* good, because a Telugu adjective cannot end a sentence by itself.

Add **-ది** and it becomes a thing: **మంచి** + **ది** = “a good one”. **పుస్తకం మంచిది** — “the book is a good one”, which is how Telugu says “the book is good”.

The word, taken apart — its roots and family

మంచిది (*mancidi*) is *manci*, “good”, with *-di*, “it, the thing”. The origin of *manci* is uncertain: neither DEDR nor CDIAL records it.

Grammar Lens: -ది turns a describing word into a naming word

Telugu will not let a bare adjective be the predicate. **-ది** makes it one — a pronoun-like ending meaning “the one that is”. **మంచిది** “a good one”, **చెడ్డది** “a bad one”, **కొత్తది** “a new one”. For a person the ending is **-వాడు** or **-ఆమె** instead. Learn -ది now and every adjective you already have can finish a sentence.

What you've built

An adjective that can be the whole comment.

Your turn

- *Say it: mancidi*
- *Say it: mancidi*, once more
- *Say it:* say *manci pustakaṁ*, then *pustakaṁ mancidi*
- *Recall:* say *endukaṇṭē*, then *rāyu*, then say *mancidi*

Before you move on

What does **మంచిది** mean? ("it is a good one".) Say it once more.

76.4 సులభం (sulabhaṁ) — easy

Before the new one: what did *mancidi* mean?

You'll want to know: సులభం

సులభం (*sulabhaṁ*) — "easy".

Sanskrit **సు-** ("well") plus **లభ** ("got"): what is easily got. The same **సు-** is the **శు-** of **శుభోదయం**, softened.

తెలుగు సులభం — "Telugu is easy." A **-ం** noun like this needs no **-ది**; it is already a naming word.

CDIAL 13512 lists Sanskrit *sulabha*, "easy".

What you've built

A verdict you can pass on a task.

Your turn

- *Say it: sulabhaṁ*
- *Say it: sulabhaṁ*, once more
- *Say it:* say *telugu sulabhaṁ*, then add *cālā* in front of *sulabhaṁ*

- *Recall:* say *ivāḷa*, then *tīsukō*, then say *sulabhaṁ*

Before you move on

What does సులభం mean? (“easy”.) Say it once more.

76.5 కష్టం (kaṣṭaṁ) — difficult; trouble

Before the new one: what did *sulabhaṁ* mean?

You’ll want to know: కష్టం

కష్టం (*kaṣṭaṁ*) — “difficult”, and also “trouble, hardship”.

The pair to సులభం, and a Sanskrit tatsama shared right across India.

It carries more weight than English “difficult”: కష్టం said alone about someone’s situation means real hardship, not an awkward crossword.

The word, taken apart — its roots and family

కష్టం (*kaṣṭaṁ*) is Sanskrit *kaṣṭa*, “bad, difficult”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 2978).

What you’ve built

Both ends of a task: సులభం and కష్టం.

Your turn

- *Say it: kaṣṭaṁ*
- *Say it: kaṣṭaṁ*, once more
- *Say it:* say *sulabhaṁ*, then *kaṣṭaṁ*, then *cālā kaṣṭaṁ*
- *Recall:* say *ninna*, then *kuṭumbaṁ*, then say *kaṣṭaṁ*

Before you move on

What does కష్టం mean? (“difficult; trouble”.) Say it once more.

Chapter 77

Where You Are From

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say which town and country I am from in Telugu, count past twenty, and give my age.
>
> *Complete TE-C77-thirty and demonstrate the chapter promise.*

77.1 నుంచి (nunci) — from

Before the new one: what did *kaṣṭam* mean?

You'll want to know: నుంచి

నుంచి (*nunci*) — "from".

You already have **-కు**, "to", and **-లో**, "in". **నుంచి** is the third of the set and the one an introduction needs.

Like them it follows its noun: **గ్రామం నుంచి** — "from the village".

The word, taken apart — its roots and family

నుంచి (*nunci*) is usually explained as *uṇḍi*, "having been", a form of *uṇḍu*, "to be" (DEDR 697), worn down to a case word. DEDR does not list the postposition itself.

Grammar Lens: the third relation word

Three now sit behind a noun and do three different jobs: **-లో** puts you inside, **-కు** sends you toward, **నుంచి** takes you out of. Telugu has no words in front of nouns at all; everything a preposition would do in

English is done by a piece glued to the back.

What you've built

The direction you came out of.

Your turn

- *Say it: nunci*
- *Say it: nunci*, once more
- *Say it:* say *grāmaṁ nunci*, then *grāmāniki* — out of, and into
- *Recall:* say *eppuḍu vastāru?*, then *snēhituḍu*, then say *nunci*

Before you move on

What does **నుంచి** mean? ("from".) Say it once more.

77.2 పట్టణం (paṭṭaṇaṁ) — a town

Before the new one: what did *nunci* mean?

You'll want to know: పట్టణం

పట్టణం (*paṭṭaṇaṁ*) — "a town".

You already have **గ్రామం**, the village. **పట్టణం** is the larger settlement, the one with the shops and the bargaining in it.

నేను పట్టణం నుంచి — "I am from a town." That sentence needs no verb, exactly like **నా పేరు**.

The word, taken apart — its roots and family

పట్టణం (*paṭṭaṇaṁ*) comes from Sanskrit *paṭṭana*, "town", reshaped to Telugu sounds: a tadbhava (CDIAL 7705). CDIAL itself thinks the Sanskrit word probably came from Dravidian.

What you've built

Somewhere to be from.

Your turn

- *Say it: paṭṭaṇaṁ*
- *Say it: paṭṭaṇaṁ*, once more
- *Say it:* say *grāmaṁ*, then *paṭṭaṇaṁ*, and say which is bigger
- *Recall:* say *mundu*, then *koḍuku*, then say *paṭṭaṇaṁ*

Before you move on

What does **పట్టణం** mean? ("a town".) Say it once more.

77.3 దేశం (dēśaṁ) — a country

Before the new one: what did *paṭṭaṇaṁ* mean?

You'll want to know: దేశం

దేశం (*dēśaṁ*) — "a country".

Sanskrit tatsama, and the same word behind Hindi *desh*. It scales the ladder up once more: **గ్రామం**, **పట్టణం**, **దేశం**.

ఏ దేశం? — "which country?" is a question you will be asked in the first minute of any exam interview.

The word, taken apart — its roots and family

దేశం (*dēśaṁ*) is Sanskrit *deśa*, "region, country", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 6547).

What you've built

The largest place you can be from.

Your turn

- *Say it: dēśaṁ*
- *Say it: dēśaṁ*, once more
- *Say it:* say *grāmaṁ*, *paṭṭaṇaṁ*, *dēśaṁ*, smallest to largest

- *Recall:* say *saṁvatsaraṁ*, then *kūturu*, then say *dēśaṁ*

Before you move on

What does **దేశం** mean? ("a country".) Say it once more.

77.4 భారతదేశం (Bhāratadēśaṁ) — India

Before the new one: what did *dēśaṁ* mean?

You'll want to know: భారతదేశం

భారతదేశం (*Bhāratadēśaṁ*) — "India".

Your first Telugu proper name, and you can already read half of it: **భారత** plus the **దేశం** you learned a moment ago.

నేను భారతదేశం నుంచి — "I am from India." Swap in the name of wherever you are actually from and the sentence still works.

The word, taken apart — its roots and family

భారతదేశం (*Bhāratadēśaṁ*) is Sanskrit *bhārata*, "of Bharata", the land of the sons of Bharata, and *deśa*, "country" (CDIAL 6547), taken over whole.

What you've built

A place with a name, in a sentence that says you came from it.

Your turn

- *Say it: Bhāratadēśaṁ*
- *Say it: Bhāratadēśaṁ*, once more
- *Say it:* say *nēnu Bhāratadēśaṁ nunci*, then say it with your own country instead
- *Recall:* say *cālā manci*, then *cevi*, then say *Bhāratadēśaṁ*

Before you move on

What does **భారతదేశం** mean? ("India".) Say it once more.

77.5 ముప్పై (muppai) — thirty (and the tens above it)

Before the new one: what did *Bhāratadēśaṁ* mean?

You'll want to know: ముప్పై

ముప్పై (*muppai*) — "thirty".

Your counting stopped at **ఇరవై**, twenty. The tens above it are built the same way, from the units you already know:

ముప్పై 30, **నలభై** 40, **యాభై** 50, **అరవై** 60, **డెబ్భై** 70, **ఎనభై** 80, **తొంభై** 90, **వంద** 100. Every one but **వంద** ends in the same **-ై** twenty does.

The word, taken apart — its roots and family

ముప్పై (*muppai*) is native Dravidian. DEDR 5052 lists *muppai*, "thirty", itself, under *mūḍu*, "three", with Kannada *mū-vattu*, "thirty".

Grammar Lens: an age, at last

You have long been able to ask **నీ వయసెంత?** and unable to answer it, because the numbers stopped at twenty and no word for a year existed. With the tens and with **సంవత్సరం**, the answer is now sayable: **నాకు ముప్పై సంవత్సరాలు** — "I am thirty", literally "to me, thirty years". Note the dative **నాకు**: an age is something that has arrived at you, like every other Telugu experience.

What you've built

Numbers past twenty: an age, a price, a year.

Your turn

- *Say it:* *muppai*
- *Say it:* *muppai*, once more
- *Say it:* count the tens aloud: *iravai*, *muppai*, *nalabhai*
- *Recall:* say *ceḍḍa*, then *kannu*, then say *muppai*

Before you move on

What does ముప్పై mean? (“thirty (and the tens above it)”.) Say it once more.

Chapter 78

Yes or No, and I Do Not Know

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can ask a Telugu yes-or-no question, say I do not know, say I did not understand, and ask whether somebody is there.
>
> *Complete TE-C78-isthere and demonstrate the chapter promise.*

78.1 అవునా (avunā) — is it so?

Before the new one: what did *muppai* mean?

You'll want to know: అవునా

అవునా (*avunā*) — "is it so?".

Every question you have asked so far needed a question *word*. This one needs none: take **అవును**, "yes", and add **-ఆ**.

That **-ఆ** is the whole yes-or-no machine. Hang it on the end of any statement and it becomes a question.

The word, taken apart — its roots and family

అవునా (*avunā*) is *avunu*, "yes", which DEDR 333 lists under *agu*, "to be", with the question ending -*ā*. DEDR compares Sanskrit *ām*, "yes" (CDIAL 1235).

Grammar Lens: -ఆ makes any statement a question

మీరు వెళ్తారు "you go" becomes **మీరు వెళ్తారా?** "do you go?". **తెలుగు కష్టం** becomes **తెలుగు కష్టమా?**. Nothing moves and no word is added: the last vowel lengthens into **ఆ** and the sentence is a question. This is the commonest question type in any listening paper, and it is one ending.

What you've built

A question with no question word in it.

Your turn

- *Say it: avunā*
- *Say it: avunā*, once more
- *Say it:* say *avunu*, then *avunā*, and hear the difference
- *Recall:* say *mancidi*, then *mukku*, then say *avunā*

Before you move on

What does **అవునా** mean? ("is it so?".) Say it once more.

78.2 తెలుసా (telusā) — do you know?

Before the new one: what did *avunā* mean?

You'll want to know: తెలుసా

తెలుసా (*telusā*) — "do you know?".

The first thing you will do with the new ending. You already have **తెలుసు**, "it is known"; add **-ఆ** and you are asking.

మీకు తెలుగు తెలుసా? — "do you know Telugu?" The knower sits in the dative **మీకు**, the way it did when you first met **తెలుసు**.

The word, taken apart — its roots and family

తెలుసా (*telusā*) is *telusu*, "it is known", with the question ending *-ā*. The verb is native Dravidian: DEDR 3433 lists *teliyu*, "to be known", with Tamil *teḷi*, "to become clear".

What you've built

A real question, built from a word you already had.

Your turn

- *Say it: telusā*
- *Say it: telusā*, once more
- *Say it:* ask *mīku telugu telusā?*
- *Recall:* say *sulabhaṁ*, then *nōru*, then say *telusā*

Before you move on

What does **తెలుసా** mean? ("do you know?".) Say it once more.

78.3 నాకు తెలియదు (nāku teliyadu) — I do not know

Before the new one: what did *telusā* mean?

You'll want to know: నాకు తెలియదు

తెలియదు (*teliyadu*) — "it is not known", which is Telugu for "I don't know".

This is the answer to the last word, and it is probably the sentence you will need most often of anything in this book.

It is not **తెలుసు** with **లేదు** after it. Telugu negates an ordinary verb from the inside, with **-అదు** on the stem: **తెలియ-** + **-దు**.

The word, taken apart — its roots and family

నాకు తెలియదు (*nāku teliyadu*) is native Dravidian: *nāku*, "to me", built on *nā-*, the oblique stem of *nēnu* (DEDR 5160), and *teliyadu*, "it is not known", from *teliyu*, "to be known" (DEDR 3433).

Grammar Lens: how Telugu says a verb did not happen

The two negatives of your first lesson, **లేదు** and **కాదు**, deny **existence** and **identity**. An ordinary action is denied differently — with an ending on the verb itself: **వెళ్తాను** "I go" becomes **వెళ్ళను** "I don't go";

వస్తాను becomes **రాను**. The ending carries the negative and no separate word is used. **తెలియదు** is that pattern on **తెలియ-**.

What you've built

The most useful sentence in the chapter.

Your turn

- *Say it: teliyadu*
- *Say it: teliyadu*, once more
- *Say it:* answer *mīku telugu telusā?* with *teliyadu*
- *Recall:* say *kaṣṭaṁ*, then *guṇḍe*, then say *nāku teliyadu*

Before you move on

What does **నాకు తెలియదు** mean? ("I do not know".) Say it once more.

78.4 అర్థం కాలేదు (arthaṁ kālēdu) — I did not understand

Before the new one: what did *teliyadu* mean?

You'll want to know: అర్థం కాలేదు

అర్థం కాలేదు (*arthaṁ kālēdu*) — "I did not understand".

You already have **నాకు అర్థమైంది**, "I understood" — literally "to me it became meaning". This is the same sentence with the becoming denied: **కా-** "become" plus **లేదు**.

Say it, and the person you are talking to will slow down. That is the whole point of a repair phrase.

The word, taken apart — its roots and family

అర్థం కాలేదు (*arthaṁ kālēdu*) is Sanskrit *artha*, "aim, meaning" (CDIAL 638), with *kālēdu*, "did not become", built from two native Dravidian stems: *kā-*, "to become" (DEDR 333), and *lē-*, "be not" (DEDR 2559).

What you've built

A way out of the moment you lose the thread.

Your turn

- *Say it: arthaṁ kālēdu*
- *Say it: arthaṁ kālēdu*, once more
- *Say it:* say *nāku arthamaindi*, then *arthaṁ kālēdu*
- *Recall:* say *nunci*, then *hṛdayaṁ*, then say *arthaṁ kālēdu*

Before you move on

What does **అర్థం కాలేదు** mean? ("I did not understand".) Say it once more.

78.5 ఉన్నారా (unnārā) — is he or she there?

Before the new one: what did *arthaṁ kālēdu* mean?

You'll want to know: ఉన్నారా

ఉన్నారా (*unnārā*) — "is he or she there?".

ఉండు in its respectful **-ఆరు** form, with the new **-ఆ** on the end. Three pieces you already had.

It is what you say at a door or into a telephone: **గురువు ఉన్నారా?** — "is the teacher there?"

The word, taken apart — its roots and family

ఉన్నారా (*unnārā*) is native Dravidian: a form of *uṇḍu*, "to be" (DEDR 697), with the respectful *-āru* and the question ending *-ā*.

What you've built

A question you can ask at somebody's door.

Your turn

- *Say it:* *unnārā*
- *Say it:* *unnārā*, once more
- *Say it:* ask whether the teacher is there
- *Recall:* say *paṭṭaṇaṁ*, then *pālu*, then say *unnārā*

Before you move on

What does ఉన్నారా mean? (“is he or she there?”.) Say it once more.

Chapter 79

He, She, and Whose

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can talk about a third person in Telugu, mark a noun as an owner or an object, and address somebody respectfully.
>
> *Complete TE-C79-garu and demonstrate the chapter promise.*

79.1 స్నేహితుడి (snēhituḍi) — the friend's

Before the new one: what did *unnārā* mean?

You'll want to know: స్నేహితుడి

స్నేహితుడి (*snēhituḍi*) — "the friend's".

నా and **నీ** let you own things as *I* and *you*. Nothing let a named person own anything.

A Telugu noun becomes an owner by changing its own ending: **స్నేహితుడు** → **స్నేహితుడి**. **స్నేహితుడి పేరు** — "the friend's name".

The word, taken apart — its roots and family

స్నేహితుడి (*snēhituḍi*) is the possessive of *snēhituḍu*, "friend", from Sanskrit *snehita*, "loved; a friend", which is built on *sneha*, "affection, love" (CDIAL 13802); the endings are Telugu.

Grammar Lens: the noun changes shape before it does a job

Watch the shape of the noun, not just the ending. స్నేహితుడు stands on its own; స్నేహితుడి is the form that owns something. The ending does not land on the dictionary form — the noun leans toward it first, and you have already seen the same lean in నేను becoming నాకు. Look for it in front of -కు and -లో as well.

What you've built

Possession by somebody other than you or me.

Your turn

- *Say it: snēhituḍi*
- *Say it: snēhituḍi*, once more
- *Say it:* say *nā pēru*, then *snēhituḍi pēru*
- *Recall:* say *dēśaṁ*, then *mariyu*, then *cūḍu*, then say *snēhituḍi*

Before you move on

What does స్నేహితుడి mean? ("the friend's".) Say it once more.

79.2 మా (mā) — our (not including you)

Before the new one: what did *snēhituḍi* mean?

You'll want to know: మా

మా (*mā*) — "our", and మన (*mana*) — "our" as well.

Telugu splits a word English does not. మా leaves the listener out: my family, not yours. మన takes the listener in: our country, yours and mine.

మా ఇల్లు is my household. మన దేశం is the country we share. Choosing wrong is the mistake an examiner hears first.

The word, taken apart — its roots and family

మా (*mā*) is native Dravidian: the oblique stem of *mēmu*, "we", which DEDR 5154 lists with *mā-*, and its inclusive partner *mana*, the stem of

manamu (DEDR 3647).

What you've built

Two kinds of *our*, and the difference between them.

Your turn

- *Say it:* *mā*
- *Say it:* *mana*
- *Say it:* say *mā kuṭumbaṁ*, then *mana dēśaṁ*
- *Recall:* say *Bhāratadēśaṁ*, then *kānī*, then *rā*, then say *mā*

Before you move on

What does **మా** mean? ("our (not including you)".) Say it once more.

79.3 అతను (atanu) — he (and ఆమె, she)

Before the new one: what did *mā* and *mana* mean?

You'll want to know: అతను

అతను (*atanu*) — "he", **ఆమె** (*āme*) — "she", **వాళ్ళు** (*vāḷḷu*) — "they".

Until now you could speak about yourself and to one other person. You could not speak *about* anybody, which is half of what an exam asks you to do.

All three start on the **అ-** of **అది** and **అక్కడ**: the far one, the one not here. **అతను** is literally "that man".

The word, taken apart — its roots and family

అతను (*atanu*) is native Dravidian, built on the far-pointing base *a-*, "that": DEDR 1 lists the Telugu words for "that man", and *āme*, "that woman", among them.

Grammar Lens: the third person is where Telugu marks gender

You were told Telugu marks no gender on **I** or **you**, and that is still true. The third person is the exception: **అతను వెళ్తాడు** "he goes" ends in **-ఆడు**, **ఆమె వెళ్తుంది** "she goes" ends in **-ఉంది**, and **వాళ్ళు వెళ్తారు** "they go" takes the same **-ఆరు** you already use for **మీరు**. Three endings, and the verb tells you who without the pronoun.

What you've built

Somebody to talk about.

Your turn

- *Say it: atanu*
- *Say it: āme*
- *Say it:* say *atanu*, *āme*, *vāḷḷu*
- *Recall:* say *muppai*, then *lēdā*, then *caduvu*, then say *atanu*

Before you move on

What does **అతను** mean? ("he (and **ఆమె**, she)".) Say it once more.

79.4 నన్ను (nannu) — me (as the object)

Before the new one: what did *atanu* mean?

You'll want to know: నన్ను

నన్ను (*nannu*) — "me", when I am the one something is done to.

నేను is the *I* that does. **నన్ను** is the *me* that is done to: **అతను నన్ను అడిగాడు** — "he asked me".

The ending is **-ను**, and its partner **-ని** does the same on other nouns: **స్నేహితుడిని అడిగాను**, "I asked the friend".

The word, taken apart — its roots and family

నన్ను (*nannu*) is native Dravidian, built on *nan-*, the oblique stem of *nēnu*, "I" (DEDR 5160), with the object ending *-nu*.

Grammar Lens: people get marked, things usually do not

స్నేహితుడిని చూశాను — "I saw the friend", with **-ని** on the person. పుస్తకం చూశాను — "I saw the book", with nothing on the thing. Telugu marks a human object and leaves an inanimate one bare, which is very close to what Spanish does with its personal *a*. Mark people; leave objects alone.

What you've built

A pronoun on the receiving end.

Your turn

- *Say it: nannu*
- *Say it: nannu*, once more
- *Say it:* say *nēnu*, then *nannu*, and say which one is asked
- *Recall:* say *avunā*, then *enduku*, then *veḷḷu*, then say *nannu*

Before you move on

What does **నన్ను** mean? ("me (as the object)".) Say it once more.

79.5 గారు (gāru) — the respectful suffix on a name

Before the new one: what did *nannu* mean?

You'll want to know: గారు

గారు (*gāru*) — the respect you attach to a name.

It is not a word you say alone. It rides on the end of a name or a role: **రాము గారు**, **గురువు గారు**, **అమ్మ గారు**.

You have had **మీరు** from your first introduction for respect in the pronoun. **గారు** is respect in the *address*, and leaving it off where it belongs is heard as rudeness, not neutrality.

The word, taken apart — its roots and family

The origin of గారు (*gāru*) is uncertain. Neither DEDR nor CDIAL records the honorific.

What you've built

A way to say somebody's name that does not sound blunt.

Your turn

- *Say it:* *gāru*
- *Say it:* *gāru*, once more
- *Say it:* say *guruvu gāru*, then *ammagāru*
- *Recall:* say *telusā*, then *endukaṇṭē*, then *rōju*, then say *gāru*

Before you move on

What does గారు mean? ("the respectful suffix on a name".) Say it once more.

Chapter 80

Wanting, Allowing, Wishing

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say what I want in Telugu, report what I think, give or refuse permission, invite somebody in, and offer congratulations.
>
> *Complete TE-C80-congratulations and demonstrate the chapter promise.*

80.1 నాకు కావాలి (nāku kāvāli) — I want it

Before the new one: what did *gāru* mean?

You'll want to know: నాకు కావాలి

నాకు కావాలి (*nāku kāvāli*) — "I want it". The new word in it is **కావాలి**, "is wanted".

You already have **వద్దు**, "no, I don't want it", which left you able to refuse a thing and unable to ask for one. **కావాలి** is the missing half.

నాకు టీ కావాలి — "I want tea." The wanter sits in the dative **నాకు**, exactly like the knower of **తెలుసు** and the liker of **ఇష్టం**. It is the same Telugu design a fourth time.

The word, taken apart — its roots and family

నాకు కావాలి (*nāku kāvāli*) is native Dravidian: *nāku*, "to me" (DEDR 5160), and *kāvāli*, "it must become", built on *kā-*, the stem of *agu*, "to be, become" (DEDR 333).

What you've built

A request, and the opposite of **వద్దు**.

Your turn

- *Say it: kāvāli*
- *Say it: kāvāli*, once more
- *Say it:* say *nāku ṭī kāvāli*, then refuse it with *vaddu*
- *Recall:* say *nāku teliyadu*, then *ivāḷa*, then *telusu*, then say *nāku kāvāli*

Before you move on

What does **నాకు కావాలి** mean? ("I want it".) Say it once more.

80.2 అని (ani) — that (reporting what was said or thought)

Before the new one: what did *kāvāli* mean?

You'll want to know: అని

అని (*ani*) — the little word that closes a quotation.

You already have **అనుకో**, "to think", with nothing it could think *about*. **అని** is what attaches a thought or a sentence to the verb.

It comes **after** what is being reported, not before it: **తెలుగు సులభం అని అనుకుంటాను** — "I think that Telugu is easy", literally "Telugu-is-easy *that* I-think".

The word, taken apart — its roots and family

అని (*ani*) is native Dravidian: the "having said" form of *anu*, "to say", which DEDR 868 lists.

Grammar Lens: Telugu quotes forwards, not backwards

English opens with *that* and then reports. Telugu reports and then closes with **అని**. The quoted sentence keeps its own shape completely

— nothing inside it changes — and **అని** is the seam. Every reported thought, every reported question and every reported instruction in Telugu is built this way, so this one syllable opens the whole of indirect speech.

What you've built

A second clause, hanging off a verb of thinking or saying.

Your turn

- *Say it: ani*
- *Say it: ani*, once more
- *Say it:* say *telugu sulabhaṁ ani anukuṇṭānu*
- *Recall:* say *arthaṁ kālēdu*, then *ninna*, then *uṇḍu*, then say *ani*

Before you move on

What does **అని** mean? ("that (reporting what was said or thought)".) Say it once more.

80.3 వెళ్ళవచ్చు (veḷḷavaccu) — you may go

Before the new one: what did *ani* mean?

You'll want to know: వెళ్ళవచ్చు

వచ్చు (*vaccu*) — "may", "is allowed to", and also "can".

It is the same **వచ్చు** you met as "to come", doing a second job: what *comes* to you is what you may do.

వెళ్ళవచ్చు — "you may go". **వెళ్ళవచ్చా?** — "may I go?", with the **-ఆ** of the last chapter. To refuse, the answer is **వద్దు**.

The word, taken apart — its roots and family

వెళ్ళవచ్చు (*veḷḷavaccu*) is native Dravidian: *veḷḷu*, "to go" (DEDR 5393), and *vaccu*, "to come", here "may" (DEDR 5270), which DEDR glosses "to come, happen, be possible".

What you've built

Permission: asking for it, giving it, refusing it.

Your turn

- *Say it:* *vaccu*
- *Say it:* *vaccu*, once more
- *Say it:* ask *veḷḷavaccā?*, then allow it, then refuse it
- *Recall:* say *unnārā*, then *eppuḍu vastāru?*, then *tinu*, then say *veḷḷavaccu*

Before you move on

What does వెళ్ళవచ్చు mean? ("you may go".) Say it once more.

80.4 లోపలికి రండి (lōpaliki raṇḍi) — please come in

Before the new one: what did *vaccu* mean?

You'll want to know: లోపలికి రండి

రండి (*raṇḍi*) — "please come".

రా was the blunt "come" you say to a friend. Add the respectful **-అండి** and it becomes what you say at your own door to anybody.

With స్వాగతం it is the whole of a Telugu welcome: **రండి, స్వాగతం**.

The word, taken apart — its roots and family

లోపలికి రండి (*lōpaliki raṇḍi*) is native Dravidian: *lōpala*, "inside", which DEDR 698 lists, with the ending *-ki*, "to", and *raṇḍi*, "please come", from the verb DEDR 5270 lists as *vaccu*.

What you've built

An invitation, in the register you would actually use it in.

Your turn

- *Say it: raṇḍi*
- *Say it: raṇḍi*, once more
- *Say it:* say *raṇḍi*, then *svāgatam*, then *kūrcōṇḍi*
- *Recall:* say *snēhituḍi*, then *mundu*, then *ivvu*, then say *lōpaliki raṇḍi*

Before you move on

What does **లోపలికి రండి** mean? ("please come in".) Say it once more.

80.5 శుభాకాంక్షలు (śubhākāṅkṣalu) — congratulations, good wishes

Before the new one: what did *raṇḍi* mean?

You'll want to know: శుభాకాంక్షలు

శుభాకాంక్షలు (*śubhākāṅkṣalu*) — "good wishes", which is Telugu for "congratulations".

You have been building it for six chapters without knowing. **శుభ** is the *auspicious* of **శుభోదయం** and **శుభ రాత్రి**; **ఆకాంక్ష** is a wish; **-లు** is the plural ending you met in your very first lesson.

జన్మదిన శుభాకాంక్షలు is "happy birthday". Said alone it covers a wedding, an examination passed, a new house — anything worth marking.

The word, taken apart — its roots and family

శుభాకాంక్షలు (*śubhākāṅkṣalu*) is Sanskrit *śubha*, "auspicious, good" (CDIAL 12532), and *ākāṅkṣā*, "wish, longing", with the Telugu plural ending *-lu*: "good wishes".

What you've built

The last thing this book teaches you to say, and the kindest.

Your turn

- *Say it:* *śubhākāṅkṣalu*
- *Say it:* *śubhākāṅkṣalu*, once more
- *Say it:* say *śubhōdayaṁ*, then *śubhākāṅkṣalu*, and hear the śubha in both
- *Recall:* say *mā*, then *saṁvatsaraṁ*, then *ikkaḍa*, then say *śubhākāṅkṣalu*

Before you move on

What does **శుభాకాంక్షలు** mean? (“congratulations, good wishes”.) Say it once more.

Chapter 81

Counting in Order

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say first to fifth in Telugu, and make an ordinal from any number by dropping its final vowel and adding -va.
>
> *The five said in order, with only modati learned as a word and the other four made by the ending.*

81.1 మొదటి (modaṭi) — first

A new kind of counting starts here, so the recalls come first, at the four growing distances this book measures.

- *Recall:* say *śubhākāṅkṣalu* — **R1**, one lesson back, before it decays
- *Recall:* say *atanu* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *goḍḍali* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *atta* — **R3**, a second word from the same distance
- *Recall:* say *padakoṇḍu and iravai* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *kukka and pilli* — **R4**, a second word from the same distance

You'll want to know: మొదటి

మొదటి (*modaṭi*) — "**first**".

ఒకటి, **రెండు**, **మూడు** answer **how many**. This word answers **which one in the line**, and Telugu keeps a second set of words for that job.

It goes straight in front of what it counts: **మొదటి రోజు** (*modaṭi rōju*), the first day; **మొదటి పుస్తకం** (*modaṭi pustakaṁ*), the first book. Nothing changes on the noun.

The word, taken apart — its roots and family

There is no **ఒకటి** in **మొదటి**, and there was never going to be. It is built on **మొదలు** (*modalu*), "**a beginning**" — so *modaṭi* means "of the beginning", not "one-th". You will also meet the bare **మొదట** (*modaṭa*), "at first".

That is worth noticing because **ఒకటి** already looked least like its cousins: Tamil says *oṉṟu*, Kannada *ondu*, Malayalam *onnu*, and Telugu *okaṭi*, though DEDR 990 files all four in one entry. Now the number **one** turns out to be odd in a second way: Telugu does not build its ordinal on it.

From two upward it is a different story, and the next lesson is where the rule starts.

Your turn

Say these aloud:

- *modaṭi*
- *modaṭi rōju* — the first day
- *okaṭi* is how many, *modaṭi* is which one

Before you move on

What does **మొదటి** mean? (**First** — which one in the line.) What word is it built on? (**మొదలు**, a beginning — **not ఒకటి**.) Say "the first day". (**మొదటి రోజు**.)

81.2 రెండవ (reṇḍava) — second, and the swap behind all the rest

Recalls before the second ordinal, at the four measured distances.

- *Recall:* say *modaṭi* — **R1**, one lesson back, before it decays
- *Recall:* say *nannu* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *rampaṁ* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *bāva* — **R3**, a second word from the same distance
- *Recall:* say *the letter e* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *pacca and pasupu* — **R4**, a second word from the same distance

You'll want to know: రెండవ

రెండవ (*reṇḍava*) — "**second**".
రెండవ రోజు (*reṇḍava rōju*) — the second day.

The word, taken apart — its roots and family

రెండవ (*reṇḍava*) is native Dravidian (DEDR 474), from *reṇḍu*, "two".

Grammar Lens: cardinal, minus its last vowel, plus -వ

Say them together and you can hear the join: రెండు → రెండవ.
Take the number you already have, take its final vowel off, and put **-వ** (*-va*) on the end. That is the whole of it, and it holds for every number from two upward. Nine ordinals for the price of one ending.
Telugu is doing here what the last lesson said it would not do for **one**: *modaṭi* had no number to build on, and every ordinal from here does.
In speech you will also hear రెండో (*reṇḍō*), the same word ending in a long **ō** instead of **-వ**. It is the everyday spoken form; **-వ** is what you will see written.

Your turn

Say these aloud:

- *reṇḍava*
- the swap — *reṇḍu* → *reṇḍava*
- *reṇḍava rōju* — the second day

Before you move on

How is an ordinal made from two upward? (**Take the number, drop its final vowel, add -వ**.) Say the second day. (**రెండవ రోజు**.) And what will you hear instead in speech? (**రెండో**.)

81.3 మూడవ (mūḍava) — third

Recalls first, then the third.

- *Recall:* say *reṇḍava* — **R1**, one lesson back, before it decays
- *Recall:* say *gāru* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *pāra* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *maradalu* — **R3**, a second word from the same distance
- *Recall:* say *the letter ṇa* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *the letter ja* — **R4**, a second word from the same distance

You'll want to know: మూడవ

మూడవ (*mūḍava*) — "**third**".

మూడు → **మూడవ**. The long **ū** stays long; only the ending changes.

మూడవ వారం (*mūḍava vāraṁ*) — the third week.

Two numbers in a row have now taken the same ending, which is what a rule looks like from inside: not a statement, but the second time you were not surprised. The spoken form is **మూడో** (*mūḍō*), exactly as *reṇḍō* was.

The word, taken apart — its roots and family

మూడవ (*mūḍava*) is native Dravidian: *mūḍu*, "three", one word with Tamil *mūṉṟu* (DEDR 5052), with the ordinal ending *-va*.

Your turn

Say these aloud:

- *mūḍava*
- the swap — *mūḍu* → *mūḍava*
- *mūḍava vāraṁ* — the third week

Before you move on

Say the third. (మూడవ.) What happened to the long *ū*? (**Nothing** — only the ending changed.) And the spoken form? (మూడో.)

81.4 నాలుగవ (nālugava) — fourth

Recalls first, then the fourth.

- *Recall:* say *mūḍava* — **R1**, one lesson back, before it decays
- *Recall:* say *nāku kāvāli* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *sutti* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *alluḍu* — **R3**, a second word from the same distance
- *Recall:* say *śubha rātri* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *śubha sāyantram* — **R4**, a second word from the same distance

You'll want to know: నాలుగవ

నాలుగవ (*nālugava*) — "**fourth**".

నాలుగు → **నాలుగవ**. Four syllables, and the swap is the same one: the final **u** goes, **-వ** arrives.

నాలుగవ సంవత్సరం (*nālugava saṁvatsaraṁ*) — the fourth year.

This is the longest of the ten and it is no harder than the shortest, which is the practical point of a regular ending. Once you can count, you can order.

The word, taken apart — its roots and family

నాలుగవ (*nālugava*) is native Dravidian: *nālugu*, "four", one word with Tamil *nālku* (DEDR 3655), with the ordinal ending *-va*.

Your turn

Say these aloud:

- *nālugava*
- the swap — *nālugu* → *nālugava*
- *nālugava saṁvatsaraṁ* — the fourth year

Before you move on

Say the fourth. (**నాలుగవ**.) What is the ending? (**-వ**, after the final vowel goes.) And say "the fourth year". (**నాలుగవ సంవత్సరం**.)

81.5 ఐదవ (aidava) — fifth

Recalls first, then the fifth, which closes the chapter.

- *Recall:* say *nālugava* — **R1**, one lesson back, before it decays
- *Recall:* say *ani* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *karra* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *aṅgaḍi* — **R3**, a second word from the same distance

- *Recall:* say *śubha madhyāhnam* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *when to use śubha madhyāhnam* — **R4**, a second word from the same distance

You'll want to know: ఐదవ

ఐదవ (*aidava*) — "**fifth**".

ఐదు → **ఐదవ**. The opening **ఐ** is untouched — it is a single letter in Telugu, not two — and only the final **u** is traded for **-వ**.

ఐదవ రోజు (*aidava rōju*) — the fifth day.

That is one to five in order. Say *modaṭi, reṇḍava, mūḍava, nālugava, aidava*, and notice that only the first one had to be learned as a word.

The word, taken apart — its roots and family

ఐదవ (*aidava*) is native Dravidian: *aidu*, "five", one word with Tamil *aintu* (DEDR 2826), with the ordinal ending *-va*.

Your turn

Say these aloud:

- *aidava*
- the five in order — *modaṭi, reṇḍava, mūḍava, nālugava, aidava*
- *aidava rōju* — the fifth day

Before you move on

Say the five in order. (***Modaṭi, reṇḍava, mūḍava, nālugava, aidava.***) How many of them had to be learned as separate words? (**One** — *modaṭi.*) And what did the other four need? (**The number, and -వ.**)

Chapter 82

Sixth to Eleventh

Modes: 🚗 **voice** (6) 🚗 **Hands-free start:** all 6 lessons.

> ***By the end of this chapter:*** I can count in order all the way to tenth in Telugu and beyond it, because the ending that makes an ordinal does not stop at ten.
>
> *The ending taken past ten, which shows it was never a fact about the numbers one to ten but about numbers.*

82.1 ఆరవ (ārava) — sixth

Recalls open the chapter, at the four measured distances.

- *Recall:* say *aidava* — **R1**, one lesson back, before it decays
- *Recall:* say *modaṭi* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *veḷḷavaccu* — **R2**, a second word from the same distance
- *Recall:* say *eluka* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *ḍabbu* — **R3**, a second word from the same distance
- *Recall:* say *arthaṁ cēsukō* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *the letter tha* — **R4**, a second word from the same distance

You'll want to know: ఆరవ

ఆరవ (*āravа*) — "**sixth**".

ఆరు → **ఆరవ**, and this is the shortest ordinal in the ten: three syllables, two of them the number itself.

ఆరవ రోజు (*āravа rōju*) — the sixth day.

The numbers six to ten were the ones the first numbers lesson called Telugu's wandering half, the place where it drifts furthest from Tamil and Kannada. The ordinal ending does not care. Whatever shape the cardinal arrived in, **-వ** goes on it.

DEDR 2485 lists Telugu *āṟu*, "six", with Tamil *āṟu*.

Your turn

Say these aloud:

- *āravа*
- the swap — *āru* → *āravа*
- *āravа rōju* — the sixth day

Before you move on

Say the sixth. (**ఆరవ**.) What was traded for the ending? (**The final *u* of ఆరు**.) And does the ending change for the wandering half of the numbers? (**No** — it is the same **-వ**.)

82.2 ఏడవ (ēḍavа) — seventh

Recalls first, then the seventh.

- *Recall:* say *āravа* — **R1**, one lesson back, before it decays
- *Recall:* say *reṇḍavа* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *lōpaliki raṇḍi* — **R2**, a second word from the same distance
- *Recall:* say *kappa* — **R3**, durable, twenty to sixty lessons back

- *Recall:* say *dhara* — **R3**, a second word from the same distance
- *Recall:* say *sahāyaṁ cēyu* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *nāku telugu iṣṭaṁ* — **R4**, a second word from the same distance

You'll want to know: ఏడవ

ఏడవ (*ēḍava*) — "**seventh**".

ఏడు → **ఏడవ**. Hold the **ē** long — the letter **ఏ** is the long one, and its short partner **ఎ** is a different letter and a different word.

ఏడవ వారం (*ēḍava vāraṁ*) — the seventh week.

Seven weeks is a useful thing to be able to say and a good place to hear that the ordinal is doing work no cardinal can do: **ఏడు వారం** would be seven weeks, a quantity. **ఏడవ వారం** is the seventh one, a position.

The word, taken apart — its roots and family

ఏడవ (*ēḍava*) is native Dravidian: *ēḍu*, "seven", one word with Tamil *ēḻu* (DEDR 910), with the ordinal ending *-va*.

Your turn

Say these aloud:

- *ēḍava*
- the swap — *ēḍu* → *ēḍava*
- *ēḍu vāraṁ* is seven weeks; *ēḍava vāraṁ* is the seventh

Before you move on

Say the seventh. (**ఏడవ**.) Which vowel opens it, the long or the short one? (**The long ఏ**.) And what is the difference between **ఏడు వారం** and **ఏడవ వారం**? (**Seven weeks** against **the seventh week**.)

82.3 ఎనిమిదవ (enimidava) — eighth

Recalls first, then the eighth.

- *Recall:* say *ēḍava* — **R1**, one lesson back, before it decays
- *Recall:* say *mūḍava* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *śubhākāṅkṣalu* — **R2**, a second word from the same distance
- *Recall:* say *dōma* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *tūkaṁ* — **R3**, a second word from the same distance
- *Recall:* say *dayacēsi ṭī* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *the vowel sign ṛ* — **R4**, a second word from the same distance

You'll want to know: ఎనిమిదవ

ఎనిమిదవ (*enimidava*) — "**eighth**".

ఎనిమిది → **ఎనిమిదవ**, and here the vowel that goes is an **i**, not a **u**. Every ordinal so far has traded a final *u*; this one and the next trade a final *i*, because that is what their cardinals happen to end in.

Which is the useful way to hold the rule: it is not "drop the *u*", it is **drop whatever vowel is at the end**. The ending does not know which vowel it replaced.

Note the short **ఎ** at the front, against the long **ఏ** of the last lesson.

The word, taken apart — its roots and family

ఎనిమిదవ (*enimidava*) is native Dravidian: *enimidi*, "eight", filed with Tamil *eṭṭu* (DEDR 784), with the ordinal ending *-va*.

Your turn

Say these aloud:

- *enimidava*

- the swap — *enimidi* → *enimidava*, an *i* this time
- short ఎ here, long ఏ in *ēḍava*

Before you move on

Say the eighth. (ఎనిమిదవ.) Which vowel came off this time? (**An *i***, not a *u*.) And how is the rule best held? (**Drop whatever final vowel is there**.)

82.4 తొమ్మిదవ (tommidava) — ninth

Recalls first, then the ninth.

- *Recall:* say *enimidava* — **R1**, one lesson back, before it decays
- *Recall:* say *nālugava* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *uḍuta* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *bēraṁ* — **R3**, a second word from the same distance
- *Recall:* say *idi* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *adi* — **R4**, a second word from the same distance

You'll want to know: తొమ్మిదవ

తొమ్మిదవ (*tommidava*) — "**ninth**".

తొమ్మిది → **తొమ్మిదవ**. The doubled **మ్మ** in the middle is held, exactly as it is in the cardinal — the ending is added at the far end of the word and touches nothing on its way.

తొమ్మిదవ రోజు (*tommidava rōju*) — the ninth day.

Second *i*-ending in a row, and the same trade. One more and the ten are closed.

The word, taken apart — its roots and family

తొమ్మిదవ (*tommidava*) is native Dravidian: *tommidi*, "nine", which DEDR 3532 files with old Tamil *toṇṭu*, "nine", with the ordinal ending *-va*.

Your turn

Say these aloud:

- *tommidava* — hold the *mm*
- the swap — *tommidi* → *tommidava*
- *tommidava rōju* — the ninth day

Before you move on

Say the ninth. (**తొమ్మిదవ**.) What happens to the doubled *mm*? (**Nothing** — it is held, as in the cardinal.) And which vowel came off? (**The final *i***.)

82.5 పదవ (padava) — tenth

Recalls first, then the tenth, which closes the series.

- *Recall:* say *tommidava* — **R1**, one lesson back, before it decays
- *Recall:* say *aidava* — **R2**, the first real retrieval, five to fifteen lessons back
- *Recall:* say *sālīḍu* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *tīpi* — **R3**, a second word from the same distance
- *Recall:* say *akkaḍa* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *evaru* — **R4**, a second word from the same distance

You'll want to know: పదవ

పదవ (*padava*) — "**tenth**".

పది → **పదవ**. Two syllables become three, and the trade is the same one you have now made nine times.

పదవ సంవత్సరం (*padava saṁvatsaraṁ*) — the tenth year.

That is the ten. Say them in order — *modaṭi, reṇḍava, mūḍava, nālugava, aidava, ārava, ēḍava, enimidava, tommidava, padava* — and count what you actually had to learn: **one word and one ending**. Latin needed ten separate words for the same stretch, and English still does.

The word, taken apart — its roots and family

పదవ (*padava*) is native Dravidian: *padi*, "ten", one word with Tamil *pattu* (DEDR 3918), with the ordinal ending *-va*.

Your turn

Say these aloud:

- *padava*
- the ten in order, *modaṭi* to *padava*
- *padava saṁvatsaraṁ* — the tenth year

Before you move on

Say the ten in order. (***Modaṭi*** through ***padava***.) How much had to be learned as separate words? (**One** — *modaṭi*.) And say "the tenth year". (**పదవ సంవత్సరం**.)

82.6 పదకొండవ (padakoṇḍava) — the ending does not stop at ten

Recalls first, and then the last thing the chapter has to give.

- *Recall:* say *padava* — **R1**, one lesson back, before it decays
- *Recall:* say *ārava* — **R2**, the first real retrieval, five to fifteen lessons back

- *Recall:* say *māma* — **R3**, durable, twenty to sixty lessons back
- *Recall:* say *pulupu* — **R3**, a second word from the same distance
- *Recall:* say *ekkaḍa* — **R4**, recognition at distance, eighty lessons back or more
- *Recall:* say *the i- / a- / e- pattern* — **R4**, a second word from the same distance

Grammar Lens: every number you have, and every one you meet

పదకొండవ (*padakoṇḍava*) — "**eleventh**".
పదకొండు → పదకొండవ. Nothing new: the same final vowel goes, the same **-వ** arrives.
That is the point of this last lesson. The ending was never a fact about the numbers one to ten; it is a fact about **numbers**. Take any Telugu number you know and it works:

number	**ordinal**
పదకొండు (11)	పదకొండవ
ఇరవై (20)	ఇరవయ్యవ

So there is no second list to learn above ten, and no list to learn below it either except the single word **మొదటి**. One irregular word, one ending, and every position on the number line is sayable.

Your turn

Say these aloud:

- *padakoṇḍava*
- the swap on a bigger number — *padakoṇḍu* → *padakoṇḍava*
- *modaṭi* is the only word; *-va* is the rest

Before you move on

Say the eleventh. (**పదకొండవ**.) How many separate ordinal words does Telugu have to be learned? (**One** — *modaṭi*.) And what makes all the others? (**The number, minus its final vowel, plus -వ**.)

Chapter 83

Reading — Words, Lines, and a First Passage

Modes: **eyes** (3) **Hands-free start:** none of the 3 lessons.

By the end of this chapter: I can read a Telugu word downwards as well as along, read a sentence with no word for is, and hold a whole passage about one room without translating it word by word.

Twenty-five words about one room, carried by ఉంది *and* లేదు*, with respect marked in the verb where the teacher gets* ఉన్నారా *and the farmer does not.*

83.1 (reading) — six words, read down as well as along

Every word below you have written. Not one is new.

What is new is that nobody says them first.

Read this

పుస్తకం తలుపు కుర్చీ నది గాలి దీపం

Read down the list once, without stopping.
Again — and look at పుస్తకం and కుర్చీ. Something in each of them sits below the line rather than on it.

What to know first

Telugu stacks a consonant underneath its neighbour instead of putting it alongside. So a word can be two syllables wide and three levels deep.

A reader has to look down a word as well as along it, and that is the habit this list is for. నది and గాలి have nothing below; పుస్తకం has two things.

Six words, and the tall ones are not longer — they are deeper.

Your turn

- *Say it:* the six words down the list, once, without stopping

Twice through:

Before you move on

How many of the six were new? (**None.**)
Which way does a Telugu word grow when it gets complicated? (**Downwards.**)

83.2 (reading) — six lines, and no word for *is*

The last lesson gave you words. These put them into sentences.

Nothing here is new.

Read this

ఇది పుస్తకం. ఇది తలుపు. కుర్చీ ఇక్కడ. పుస్తకం సులభం. నిజం.
ఇవాళ.

Read it: the six lines down once, without stopping
Read it: the six lines again, and search the first four lines for the verb

What to know first

There is none. ఇది పుస్తకం is *this book* with nothing between them, and it is a complete sentence: *this is a book.*

Telugu does not say *is*. Two words placed together are already a statement, and a reader has to stop waiting for the word that joins them.

The last two lines are one word each and still complete. That is the same rule taken as far as it goes.

Your turn

- *Say it:* the six lines, once, in order, without stopping

Twice through:

Before you move on

How many of the six were new? (**None.**)
What joins **ఇది** and **పుస్తకం**? (**Nothing** — and that is the sentence.)

83.3 (reading) — the first passage

Six words, then six lines. Now nine of them together, all about one room.

Twenty-five words, and not one of them is new.

Read this

ఇది పుస్తకం. పుస్తకం సులభం. ఇది తలుపు. కుర్చీ ఇక్కడ ఉంది.
దీపం ఇక్కడ ఉంది. గురువు ఇక్కడ ఉన్నారా? రైతు ఇక్కడ లేదు.
రెండవ పుస్తకం ఇక్కడ ఉంది. ఇవాళ చాలా సులభం.

Read it: the passage once without stopping; do not translate as you go — let the sentences arrive
Read it: the passage again, and notice that every line is about the same place

What to know first

That is not a stylistic choice. A language that has not yet taught you a word for *is* can still say **ఉంది** — *it exists here* — and **లేదు** — *it does not.* So the first passage a Telugu reader can hold is a room described from one spot: everything is here, or it is not.

ఉన్నారా? is the same word made into a question and made respectful at once, which is why the teacher gets it and the farmer does not. Telugu marks respect in the verb, and you have now read it doing so.

This is the first whole passage the book has asked you to hold at once, and it works because everything in it was paid for.

Your turn

- *Say it:* the passage aloud, once, without stopping

Twice through:

Before you move on

What two words carry the whole passage? (**ఉంది** and **లేదు** — here, and not here.)
Why does the teacher get **ఉన్నారా**? (**Respect lives in the verb.**)

Chapter 84

When You Are Not Well

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say that I have a fever, that something hurts, that I am tired or thirsty, and ask someone to rest.
>
> *Complete TE-C84-rest: name what is wrong and tell a tired or feverish friend to rest.*

84.1 జ్వరం (jvaraṁ) — a fever

> Before the new one: say the Telugu for a disease, then the Telugu for health.

You'll want to know: జ్వరం

జ్వరం (*jvaraṁ*) — "a fever".

నాకు జ్వరం వచ్చింది — "I have a fever", literally "to me a fever has come".

Notice the shape. The person sits in the dative **నాకు** and the fever *arrives*, on the same come-verb as **నాకు తెలుగు వచ్చు**. In Telugu an illness is something that comes to you.

The word, taken apart — its roots and family

జ్వరం (*jvaraṁ*) is Sanskrit *jvara*, "fever", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 5303).

What you've built

Your first word for what is wrong, on the pattern you already use for knowing Telugu.

Your turn

- *Say it: jvaraṁ*
- *Say it: jvaraṁ*, once more
- *Say it:* say *nāku jvaraṁ vaccindi*, I have a fever
- *Recall:* say the Telugu for a disease, then the Telugu for health, then say *jvaraṁ* again

Before you move on

What does **జ్వరం** mean? ("A fever".) Say it once more.

84.2 నొప్పి (noppi) — a pain, an ache

Before the new one: say the Telugu for health, then the Telugu for a fever.

You'll want to know: నొప్పి

నొప్పి (*noppi*) — "a pain, an ache".

Put a body part in front of it and you have the complaint: **తల నొప్పి** (*tala noppi*), a headache, and **కడుపు నొప్పి** (*kaḍupu noppi*), a stomach ache. Both body words are ones you already own.

The word, taken apart — its roots and family

నొప్పి (*noppi*) is native Dravidian, one word with Tamil *nō* and Kannada *nō* (DEDR 3793). DEDR lists Telugu *noppi*, "pain, ache".

What you've built

One word that turns every body part you know into something you can complain about.

Your turn

- *Say it: noppi*
- *Say it: noppi*, once more
- *Say it:* say *tala noppi*, then *kaḍupu noppi*
- *Recall:* say the Telugu for health, then the Telugu for a fever, then say *noppi* again

Before you move on

What does నొప్పి mean? (“A pain, an ache”.) Say it once more.

84.3 అలసట (alasaṭa) — tiredness

Before the new one: say the Telugu for a fever, then the Telugu for a pain.

You’ll want to know: అలసట

అలసట (*alasaṭa*) — “tiredness”.

నాకు అలసటగా ఉంది — “I feel tired”, literally “to me it is tired-ly”.

The ending **-గా** turns the noun into a manner, and **ఉంది** says “it is”. This frame, **నాకు … గా ఉంది**, is how Telugu says many of the things English says with *I am*.

The word, taken apart — its roots and family

అలసట (*alasaṭa*) is native Dravidian. DEDR 236 lists *alasaṭa*, “weariness”, with *alayu*, “to be tired”, beside Tamil *ala*, “to suffer, be in distress”. DEDR suggests that Sanskrit *alasa*, “lazy, tired”, came from this Dravidian root.

What you’ve built

The frame **నాకు … గా ఉంది**, which the next words keep using.

Your turn

- *Say it: alasaṭa*

- *Say it:* *alasaṭa*, once more
- *Say it:* say *nāku alasaṭagā undi*, I feel tired
- *Recall:* say the Telugu for a fever, then the Telugu for a pain, then say *alasaṭa* again

Before you move on

What does **అలసట** mean? ("Tiredness".) Say it once more.

84.4 దాహం (dāhaṁ) — thirst

Before the new one: say the Telugu for a pain, then the Telugu for tiredness.

You'll want to know: దాహం

దాహం (*dāhaṁ*) — "thirst".

నాకు దాహంగా ఉంది — "I am thirsty". Same frame as tiredness, a new noun in the middle.

And you can already ask for the cure: **నాకు నీళ్ళు కావాలి**, "I want water".

The word, taken apart — its roots and family

దాహం (*dāhaṁ*) is Sanskrit *dāha*, "burning; fever", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 6321). Telugu uses it for thirst.

What you've built

Thirst, and the request that answers it.

Your turn

- *Say it:* *dāhaṁ*
- *Say it:* *dāhaṁ*, once more
- *Say it:* say *nāku dāhaṁgā undi*, then ask for water
- *Recall:* say the Telugu for a pain, then the Telugu for tiredness, then say *dāhaṁ* again

Before you move on

What does **దాహం** mean? (“Thirst”.) Say it once more.

84.5 విశ్రాంతి (viśrānti) — rest

Before the new one: say the Telugu for tiredness, then the Telugu for thirst.

You’ll want to know: విశ్రాంతి

విశ్రాంతి (*viśrānti*) — “rest”.

విశ్రాంతి తీసుకోండి — “please take some rest”, what you say to someone with a fever or a long day behind them. The polite ending **-అండి** is the one you already put on *raṇḍi*.

The word, taken apart — its roots and family

విశ్రాంతి (*viśrānti*) is Sanskrit *viśrānti*, “rest, repose”, taken over whole as a learned loan, a tatsama. CDIAL 11955 lists the related *viśrānta*, “rested”.

What you’ve built

Something to say to the person who is unwell, not only about yourself.

Your turn

- *Say it: viśrānti*
- *Say it: viśrānti*, once more
- *Say it:* say *viśrānti tīsukōṇḍi* to a tired friend
- *Recall:* say the Telugu for tiredness, then the Telugu for thirst, then say *viśrānti* again

Before you move on

What does **విశ్రాంతి** mean? (“Rest”.) Say it once more.

Chapter 85

Cold, Hot, and How You Feel

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say that I feel cold or hot, and that I am afraid, angry or sad.
>
> *Complete TE-C85-sorrow: say how you feel, from the weather to the heart.*

85.1 చలి (cali) — cold, the cold

> Before the new one: say the Telugu for thirst, then the Telugu for rest.

You'll want to know: చలి

చలి (*cali*) — "cold, the cold".

ఇవాళ చలిగా ఉంది — "it is cold today". **నాకు చలిగా ఉంది** — "I feel cold". The same frame again: with **నాకు** it is your body, without it it is the day.

The word, taken apart — its roots and family

చలి (*cali*) is native Dravidian, one word with Tamil *caḷi* and Kannada *cali*, "cold, chill" (DEDR 2408).

What you've built

The first word that works for both the weather and the body.

Your turn

- *Say it: cali*
- *Say it: cali*, once more
- *Say it:* say *ivāḷa caligā undi*, then *nāku caligā undi*
- *Recall:* say the Telugu for thirst, then the Telugu for rest, then say *cali* again

Before you move on

What does **చలి** mean? ("Cold, the cold".) Say it once more.

85.2 వేడి (vēḍi) — heat; hot

Before the new one: say the Telugu for rest, then the Telugu for the cold.

You'll want to know: వేడి

వేడి (*vēḍi*) — "heat", and before a noun, "hot".
ఇవాళ చాలా వేడిగా ఉంది — "it is very hot today". **వేడి నీళ్ళు** — "hot water". It is the pair of **చలి**, and it slots into the same frame.

The word, taken apart — its roots and family

వేడి (*vēḍi*) is native Dravidian. DEDR 5517 lists the Telugu word for "heat; hot" with Tamil *vē*, "to burn, be hot", and Kannada *bē*, "to be burnt".

What you've built

Cold and hot, as a pair, in one frame.

Your turn

- *Say it: vēḍi*
- *Say it: vēḍi*, once more
- *Say it:* say *vēḍi nīḷḷu*, then *ivāḷa cālā vēḍigā undi*

- *Recall:* say the Telugu for rest, then the Telugu for the cold, then say *vēḍi* again

Before you move on

What does **వేడి** mean? ("Heat; hot".) Say it once more.

85.3 భయం (bhayaṁ) — fear

Before the new one: say the Telugu for the cold, then the Telugu for heat.

You'll want to know: భయం

భయం (*bhayaṁ*) — "fear".

నాకు భయంగా ఉంది — "I am afraid". The frame that carried tiredness and cold now carries a feeling, with nothing else changed.

The word, taken apart — its roots and family

భయం (*bhayaṁ*) is Sanskrit *bhaya*, "fear, peril", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 9390).

What you've built

The first feeling, in a frame you can already build.

Your turn

- *Say it: bhayaṁ*
- *Say it: bhayaṁ*, once more
- *Say it:* say *nāku bhayaṁgā undi*
- *Recall:* say the Telugu for the cold, then the Telugu for heat, then say *bhayaṁ* again

Before you move on

What does **భయం** mean? ("Fear".) Say it once more.

85.4 కోపం (kōpaṁ) — anger

Before the new one: say the Telugu for heat, then the Telugu for fear.

You'll want to know: కోపం

కోపం (*kōpaṁ*) — "anger".

నాకు కోపం వచ్చింది — "I got angry", literally "to me anger came". Anger arrives the way a fever did, on the come-verb, and the person it happens to sits in the dative.

The word, taken apart — its roots and family

కోపం (*kōpaṁ*) is Sanskrit *kopa*, "anger", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 3516).

What you've built

A feeling that comes to you, like a fever.

Your turn

- *Say it: kōpaṁ*
- *Say it: kōpaṁ*, once more
- *Say it:* say *nāku kōpaṁ vaccindi*
- *Recall:* say the Telugu for heat, then the Telugu for fear, then say *kōpaṁ* again

Before you move on

What does **కోపం** mean? ("Anger".) Say it once more.

85.5 బాధ (bādha) — sorrow, distress

Before the new one: say the Telugu for fear, then the Telugu for anger.

You'll want to know: బాధ

బాధ (*bādha*) — "sorrow, distress".

నాకు బాధగా ఉంది — "I feel sad". It also covers the ache behind worry, so it answers **మీరు ఎలా ఉన్నారు**? honestly on a bad day.

The word, taken apart — its roots and family

బాధ (*bādha*) is Sanskrit *bādhā*, "distress, pain", from the verb *bādh*, "to press, harass" (CDIAL 9204), taken over as a learned loan, a tatsama, with the final *-ā* shortened.

What you've built

An honest answer to how are you, when the answer is not **బాగా**.

Your turn

- *Say it: bādha*
- *Say it: bādha*, once more
- *Say it:* say *nāku bādhagā undi*
- *Recall:* say the Telugu for fear, then the Telugu for anger, then say *bādha* again

Before you move on

What does **బాధ** mean? ("Sorrow, distress".) Say it once more.

Chapter 86

Slower, Please

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can ask someone to speak slowly or loudly, to say it once more, or to wait a minute.
>
> *Complete TE-C86-wait: keep a conversation going when you cannot follow it.*

86.1 నెమ్మదిగా (nemmadigā) — slowly

> Before the new one: say the Telugu for anger, then the Telugu for sorrow.

You'll want to know: నెమ్మదిగా

నెమ్మదిగా (*nemmadigā*) — "slowly".

నెమ్మదిగా మాట్లాడండి — "please speak slowly". You have the verb from your first chapters and the polite ending from *raṇḍi*.

Notice the **-గా** at the end: the same ending that made *alasaṭagā* and *caligā*.

The word, taken apart — its roots and family

నెమ్మదిగా (*nemmadigā*) is native Dravidian: *nemmadi*, "tranquillity; tranquil", which DEDR 3602 lists with Tamil *naya*, "to desire", and Kannada *naya*, "softness", followed by the adverb ending *-gā*.

What you've built

The request a beginner needs most.

Your turn

- *Say it:* *nemmadigā*
- *Say it:* *nemmadigā*, once more
- *Say it:* say *nemmadigā māṭlāḍaṇḍi*
- *Recall:* say the Telugu for anger, then the Telugu for sorrow, then say *nemmadigā* again

Before you move on

What does నెమ్మదిగా mean? ("Slowly".) Say it once more.

86.2 ఇంకోసారి (iṅkōsāri) — once more

Before the new one: say the Telugu for sorrow, then the Telugu for slowly.

You'll want to know: ఇంకోసారి

ఇంకోసారి (*iṅkōsāri*) — "once more, one more time".

ఇంకోసారి చెప్పండి — "please say it once more". సారి is "a time, an occasion", and ఇంకో is "another".

The word, taken apart — its roots and family

ఇంకోసారి (*iṅkōsāri*) is native Dravidian: *iṅka*, "still, more" (DEDR 410), with *-ō*, "one", and *sāri*, "a time, a turn", which DEDR 2464 lists with Tamil *cāri*, "time, turn".

What you've built

A way to hear it again without saying you did not understand.

Your turn

- *Say it: iṅkōsāri*
- *Say it: iṅkōsāri*, once more
- *Say it:* say *iṅkōsāri ceppaṇḍi*
- *Recall:* say the Telugu for sorrow, then the Telugu for slowly, then say *iṅkōsāri* again

Before you move on

What does **ఇంకోసారి** mean? ("Once more".) Say it once more.

86.3 గట్టిగా (gaṭṭigā) — loudly; firmly

Before the new one: say the Telugu for slowly, then the Telugu for once more.

You'll want to know: గట్టిగా

గట్టిగా (*gaṭṭigā*) — "loudly", and also "firmly, tightly".

కొంచెం గట్టిగా మాట్లాడండి — "please speak a little louder". **కొంచెం** softens it, as it softens any request.

The word, taken apart — its roots and family

గట్టిగా (*gaṭṭigā*) is native Dravidian: *gaṭṭi*, "hard, firm", which DEDR 1148 lists with Tamil *kaṭṭu*, "to harden", followed by the adverb ending *-gā*. DEDR compares Sanskrit *kaṭhina*, "hard" (CDIAL 2650); CDIAL reports the view that *kaṭhina* came from Dravidian.

What you've built

Slowly and loudly: the two fixes for a sentence you could not catch.

Your turn

- *Say it: gaṭṭigā*
- *Say it: gaṭṭigā*, once more

- *Say it:* say *koñcem gaṭṭigā māṭlāḍaṇḍi*
- *Recall:* say the Telugu for slowly, then the Telugu for once more, then say *gaṭṭigā* again

Before you move on

What does **గట్టిగా** mean? ("Loudly; firmly".) Say it once more.

86.4 ఒక్క నిమిషం (okka nimiṣaṁ) — one minute, a moment

Before the new one: say the Telugu for once more, then the Telugu for loudly.

You'll want to know: ఒక్క నిమిషం

ఒక్క నిమిషం (*okka nimiṣaṁ*) — "one minute", said the way English says "a moment".

నిమిషం is "a minute", and **ఒక్క** is "a single one", a close relative of **ఒకటి**, the "one" you count with.

The word, taken apart — its roots and family

ఒక్క నిమిషం (*okka nimiṣaṁ*) is native *okka*, "a single", from the "one" of DEDR 990, and Sanskrit *nimiṣa*, "a wink, a moment", which CDIAL 7243 lists as *nimeṣa*.

What you've built

A way to buy time while you find the word.

Your turn

- *Say it: okka nimiṣaṁ*
- *Say it: okka nimiṣaṁ*, once more
- *Say it:* say *okka nimiṣaṁ*
- *Recall:* say the Telugu for once more, then the Telugu for loudly, then say *okka nimiṣaṁ* again

Before you move on

What does **ఒక్క నిమిషం** mean? ("One minute, a moment".) Say it once more.

86.5 ఆగండి (āgaṇḍi) — please wait

Before the new one: say the Telugu for loudly, then the Telugu for one minute.

You'll want to know: ఆగండి

ఆగండి (*āgaṇḍi*) — "please wait", or "please stop".

It is the verb **ఆగు** with the polite **-అండి**. **ఆగండి, ఒక్క నిమిషం** — "wait, one minute".

The word, taken apart — its roots and family

ఆగండి (*āgaṇḍi*) is native Dravidian: *āgu*, "to stop, stay", which DEDR 340 lists with Kannada *āpu*, "restraint, stoppage", followed by the polite ending *-aṇḍi*.

What you've built

Wait, slower, louder, once more: enough to hold a conversation you cannot yet follow.

Your turn

- *Say it: āgaṇḍi*
- *Say it: āgaṇḍi*, once more
- *Say it:* say *āgaṇḍi, okka nimiṣaṁ*
- *Recall:* say the Telugu for loudly, then the Telugu for one minute, then say *āgaṇḍi* again

Before you move on

What does **ఆగండి** mean? ("Please wait; please stop".) Say it once more.

Chapter 87

Right, Wrong, Maybe

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say that something is wrong or exactly right, answer with maybe, and react with really? and I see.
>
> *Complete TE-R87-second-pass-replies: the chapter replies and the requests that keep a conversation going, from cold.*

87.1 తప్పు (tappu) — a mistake; wrong

Before the new one: say the Telugu for one minute, then the Telugu for please wait.

You'll want to know: తప్పు

తప్పు (*tappu*) — "a mistake", and as a reply, "wrong".
క్షమించండి, నా తప్పు — "sorry, my mistake".

You have met it before without seeing it: **తప్పకుండా**, "certainly", is built on the verb behind this word, "to slip, to miss". Certainly is *without slipping*.

The word, taken apart — its roots and family

తప్పు (*tappu*) is native Dravidian, one word with Tamil *tappu* and Kannada *tappu* (DEDR 3071). DEDR lists Telugu *tappu*, "error, mistake; to miss, fail".

What you've built

A word for a mistake, and the word for certainly finally explained.

Your turn

- *Say it: tappu*
- *Say it: tappu*, once more
- *Say it:* say *kṣamiñcaṇḍi, nā tappu*
- *Recall:* say the Telugu for one minute, then the Telugu for please wait, then say *tappu* again

Before you move on

What does తప్పు mean? (“A mistake; wrong”.) Say it once more.

87.2 సరిగ్గా (sariggā) — exactly, properly

Before the new one: say the Telugu for please wait, then the Telugu for a mistake.

You’ll want to know: సరిగ్గా

సరిగ్గా (*sariggā*) — “exactly, properly”.

Said alone, **సరిగ్గా!** is “exactly!”. It shares its start with సరే, “okay”: both lean on సరి, “right, even”.

The word, taken apart — its roots and family

సరిగ్గా (*sariggā*) is *sari*, “right, even”, with the adverb ending *-gā*. The origin of *sari* is uncertain: DEDR has no entry for it, and it is usually traced to Sanskrit *sadṛśa*, “like, equal” (CDIAL 13120).

What you’ve built

Wrong and exactly right, as a pair.

Your turn

- *Say it: sariggā*
- *Say it: sariggā*, once more
- *Say it:* say *sariggā!* to agree strongly

- *Recall:* say the Telugu for please wait, then the Telugu for a mistake, then say *sariggā* again

Before you move on

What does సరిగ్గా mean? ("Exactly, properly".) Say it once more.

87.3 బహుశా (bahuśā) — probably, perhaps

Before the new one: say the Telugu for a mistake, then the Telugu for exactly.

You'll want to know: బహుశా

బహుశా (*bahuśā*) — "probably, perhaps".

బహుశా రేపు — "probably tomorrow". Compare **ఏమో**: *ēmō* shrugs, "who knows", while *bahuśā* makes a guess.

The word, taken apart — its roots and family

బహుశా (*bahuśā*) is Sanskrit *bahuśaḥ*, "many times, often", from *bahu*, "much, many" (CDIAL 9187), taken over as a learned loan with its ending worn down.

What you've built

A guess, next to the shrug you already had.

Your turn

- *Say it: bahuśā*
- *Say it: bahuśā*, once more
- *Say it:* say *bahuśā rēpu*
- *Recall:* say the Telugu for a mistake, then the Telugu for exactly, then say *bahuśā* again

Before you move on

What does **బహుశా** mean? ("Probably, perhaps".) Say it once more.

87.4 అలాగా (alāgā) — is that so? I see

Before the new one: say the Telugu for exactly, then the Telugu for probably.

You'll want to know: అలాగా

అలాగా (*alāgā*) — "is that so?", "I see".

It sits one vowel away from **అలాగే**, "alright then". *Alāgā* receives news; *alāgē* agrees to a plan. Say both and hear the difference in the last vowel.

The word, taken apart — its roots and family

అలాగా (*alāgā*) is native Dravidian: *alā*, "in that way", built on the far-pointing base *a-* (DEDR 1), with *-gā*.

What you've built

A way to show you are listening.

Your turn

- *Say it:* *alāgā*
- *Say it:* *alāgā*, once more
- *Say it:* say *alāgā*, then *alāgē*, and hear the last vowel change
- *Recall:* say the Telugu for exactly, then the Telugu for probably, then say *alāgā* again

Before you move on

What does **అలాగా** mean? ("Is that so? I see".) Say it once more.

87.5 నిజంగా (nijaṁgā) — really, truly

Before the new one: say the Telugu for probably, then the Telugu for I see.

You'll want to know: నిజంగా

నిజంగా (*nijaṁgā*) — "really, truly".

నిజం is "the truth", and **-గా** turns it into a manner, as it did for *nemmadigā*. As a question, **నిజంగా?** is "really?".

The word, taken apart — its roots and family

నిజంగా (*nijaṁgā*) is *nijaṁ*, "truth", from Sanskrit *nija*, "one's own, innate" (CDIAL 7181), with the Telugu adverb ending *-gā*.

What you've built

Five replies: wrong, exactly, probably, I see, really.

Your turn

- *Say it: nijaṁgā*
- *Say it: nijaṁgā*, once more
- *Say it:* say *nijaṁgā?* with a rising voice
- *Recall:* say the Telugu for probably, then the Telugu for I see, then say *nijaṁgā* again

Before you move on

What does **నిజంగా** mean? ("Really, truly".) Say it once more.

87.6 Keeping a conversation going — a second pass

Someone speaks fast and quietly. Ask for three things: slowly, louder, once more.

Grammar Lens: the ending -గా

word	built from
నెమ్మదిగా	slow + -గా
గట్టిగా	firm + -గా
సరిగ్గా	right + -గా
నిజంగా	truth + -గా

One ending, four manners. It is the same **-గా** that made *nāku caligā undi*.

Your turn

Say these aloud:

- ask someone to wait one minute
- you made a mistake; say sorry and own it
- agree strongly, then guess "probably tomorrow"
- react to news with "I see", then with "really?"

Before you move on

Slowly? (నెమ్మదిగా.) Once more? (ఇంకోసారి.) Louder? (గట్టిగా.) One minute? (ఒక్క నిమిషం.) Please wait? (ఆగండి.) My mistake? (నా తప్పు.) Exactly? (సరిగ్గా.) Probably? (బహుశా.) I see? (అలాగా.) Really? (నిజంగా.)

87.7 How are you, honestly — a second pass

You are not well today. Say that you have a fever, that your head aches, and that you are tired.

Grammar Lens: two ways a feeling reaches you

it comes to you	it is so, to you
నాకు జ్వరం వచ్చింది	నాకు అలసటగా ఉంది
నాకు కోపం వచ్చింది	నాకు భయంగా ఉంది

Both keep the person in the dative **నాకు**. One says the thing arrived;

the other says how it is with you now. చలి and బాధ take the right-hand frame too.

Your turn

Say these aloud:

- you are thirsty; ask for water
- it is cold today; then, it is very hot today
- tell a friend with a stomach ache to rest
- a friend says they are sad; react with “really?”, then “I see”

Before you move on

A fever? (జ్వరం.) A pain? (నొప్పి.) Tiredness? (అలసట.) Thirst? (దాహం.) Rest? (విశ్రాంతి.) Cold, and heat? (చలి, వేడి.) Fear, anger, sorrow? (భయం, కోపం, బాధ.) Really? (నిజంగా.) I see? (అలాగా.)

Chapter 88

The People Around You

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can talk about children, a boy or a girl, a person, and a relative when people introduce themselves.
>
> *Complete TE-C88-relative: introduce the people around you.*

88.1 పిల్లలు (pillalu) — children

> Before the new one: say the Telugu for I see, then the Telugu for really.

You'll want to know: పిల్లలు

పిల్లలు (*pillalu*) — "children".

మీకు పిల్లలు ఉన్నారా? — "do you have children?", literally "to you, are there children?". The **-లు** at the end is the plural you met in your very first lesson.

The word, taken apart — its roots and family

పిల్లలు (*pillalu*) is the plural of *pilla*, "child", which is native Dravidian, one word with Tamil *piḷḷai* and Kannada *pilla* (DEDR 4198). DEDR compares Sanskrit *pillika*, "chicken", and Pali *pillaka*, "young of an animal, child".

What you've built

The question that follows a name in almost every first conversation.

Your turn

- *Say it: pillalu*
- *Say it: pillalu*, once more
- *Say it:* ask *mīku pillalu unnārā?*
- *Recall:* say the Telugu for I see, then the Telugu for really, then say *pillalu* again

Before you move on

What does **పిల్లలు** mean? ("Children".) Say it once more.

88.2 అబ్బాయి (abbāyi) — a boy; a son

Before the new one: say the Telugu for really, then the Telugu for children.

You'll want to know: అబ్బాయి

అబ్బాయి (*abbāyi*) — "a boy", and in a family, "a son".
మా అబ్బాయి — "our boy", which is how a parent says "my son" out loud.

The word, taken apart — its roots and family

The origin of **అబ్బాయి** (*abbāyi*) is uncertain. DEDR does not list it, though it lists its partner *ammāyi*, "girl", under *amma*, "mother" (DEDR 183).

What you've built

A word for a boy that doubles as the everyday word for a son.

Your turn

- *Say it: abbāyi*
- *Say it: abbāyi*, once more
- *Say it:* say *mā abbāyi*

- *Recall:* say the Telugu for really, then the Telugu for children, then say *abbāyi* again

Before you move on

What does **అబ్బాయి** mean? (“A boy; a son”.) Say it once more.

88.3 అమ్మాయి (ammāyi) — a girl; a daughter

Before the new one: say the Telugu for children, then the Telugu for a boy.

You’ll want to know: అమ్మాయి

అమ్మాయి (*ammāyi*) — “a girl”, and in a family, “a daughter”.

It is built like **అబ్బాయి**, and it opens on the same sound as **అమ్మ**, “mother”. **మా అమ్మాయి** — “our girl”, “my daughter”.

The word, taken apart — its roots and family

అమ్మాయి (*ammāyi*) is native Dravidian. DEDR 183 lists *ammāyi*, “girl”, itself, under *amma*, “mother”, with Tamil *ammā*. DEDR compares Sanskrit *ambā*, “mother” (CDIAL 574).

What you’ve built

Boy and girl as a pair, each also a word for a child of the family.

Your turn

- *Say it: ammāyi*
- *Say it: ammāyi*, once more
- *Say it:* say *mā abbāyi*, then *mā ammāyi*
- *Recall:* say the Telugu for children, then the Telugu for a boy, then say *ammāyi* again

Before you move on

What does **అమ్మాయి** mean? (“A girl; a daughter”.) Say it once more.

88.4 మనిషి (manişi) — a person

Before the new one: say the Telugu for a boy, then the Telugu for a girl.

You'll want to know: మనిషి

మనిషి (*manişi*) — "a person, a human being".

మంచి మనిషి — "a good person", with the **మంచి** you already have. The plural changes shape: **మనుషులు** (*manuşulu*), "people".

The word, taken apart — its roots and family

మనిషి (*manişi*) comes from Sanskrit *manuṣya*, "human being, man", reshaped to Telugu sounds: a tadbhava (CDIAL 9828).

What you've built

A word for anyone at all, and your first plural that changes its stem.

Your turn

- *Say it: manişi*
- *Say it: manişi*, once more
- *Say it:* say *manci manişi*
- *Recall:* say the Telugu for a boy, then the Telugu for a girl, then say *manişi* again

Before you move on

What does **మనిషి** mean? ("A person, a human being".) Say it once more.

88.5 బంధువు (bandhuvu) — a relative

Before the new one: say the Telugu for a girl, then the Telugu for a person.

You'll want to know: బంధువు

బంధువు (*bandhuvu*) — "a relative".

అతను మా బంధువు — "he is our relative", with no word for *is*, the same way **నా పేరు ...** needs none.

The word, taken apart — its roots and family

బంధువు (*bandhuvu*) is Sanskrit *bandhu*, "kinsman", taken over whole as a learned loan, a tatsama, with the Telugu ending *-vu* (CDIAL 9144).

What you've built

Children, a boy, a girl, a person, a relative: the people an introduction reaches for.

Your turn

- *Say it: bandhuvu*
- *Say it: bandhuvu*, once more
- *Say it:* say *atanu mā bandhuvu*
- *Recall:* say the Telugu for a girl, then the Telugu for a person, then say *bandhuvu* again

Before you move on

What does **బంధువు** mean? ("A relative".) Say it once more.

Chapter 89

About Yourself

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can ask and answer about a job, the languages someone speaks, whether they are married, and an address.
>
> *Complete TE-C89-address: the questions that come after a name.*

89.1 ఉద్యోగం (udyōgaṁ) — a job

> Before the new one: say the Telugu for a person, then the Telugu for a relative.

You'll want to know: ఉద్యోగం

ఉద్యోగం (*udyōgaṁ*) — "a job".

మీ ఉద్యోగం ఏమిటి? — "what is your job?". It is built exactly like **మీ పేరు ఏమిటి?**, with the job where the name was.

The word, taken apart — its roots and family

ఉద్యోగం (*udyōgaṁ*) is Sanskrit *udyoga*, "exertion", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 2055). The sense "job" is the one Telugu gives it.

What you've built

The second question of an introduction, on the frame of the first.

Your turn

- *Say it: udyōgaṁ*
- *Say it: udyōgaṁ*, once more
- *Say it:* ask *mī udyōgaṁ ēmiṭi?*
- *Recall:* say the Telugu for a person, then the Telugu for a relative, then say *udyōgaṁ* again

Before you move on

What does **ఉద్యోగం** mean? ("A job".) Say it once more.

89.2 భాష (bhāṣa) — a language

Before the new one: say the Telugu for a relative, then the Telugu for a job.

You'll want to know: భాష

భాష (*bhāṣa*) — "a language".

మీకు ఏ భాషలు వచ్చు? — "which languages do you know?". The knower sits in the dative, as in **నాకు తెలుగు వచ్చు**: a language is something that comes to you.

The word, taken apart — its roots and family

భాష (*bhāṣa*) is Sanskrit *bhāṣā*, "speech", taken over whole as a learned loan, a tatsama, with the final *-ā* shortened (CDIAL 9479).

What you've built

A way to ask what someone speaks, in the frame you learned for Telugu itself.

Your turn

- *Say it: bhāṣa*
- *Say it: bhāṣa*, once more

- *Say it:* ask *mīku ē bhāṣalu vaccu?*
- *Recall:* say the Telugu for a relative, then the Telugu for a job, then say *bhāṣa* again

Before you move on

What does **భాష** mean? ("A language".) Say it once more.

89.3 ఇంగ్లీషు (iṅglīṣu) — English

Before the new one: say the Telugu for a job, then the Telugu for a language.

You'll want to know: ఇంగ్లీషు

ఇంగ్లీషు (*iṅglīṣu*) — "English", the language.
నాకు ఇంగ్లీషు వచ్చు, తెలుగు కొంచెం వచ్చు — "I know English, and a little Telugu".

The word, taken apart — its roots and family

ఇంగ్లీషు (*iṅglīṣu*) is a loan from English *English*, with Telugu's added *-u*.

What you've built

An honest answer to which languages do you know.

Your turn

- *Say it: iṅglīṣu*
- *Say it: iṅglīṣu*, once more
- *Say it:* say *nāku iṅglīṣu vaccu, telugu koñcem vaccu*
- *Recall:* say the Telugu for a job, then the Telugu for a language, then say *iṅglīṣu* again

Before you move on

What does **ఇంగ్లీషు** mean? ("English".) Say it once more.

89.4 పెళ్ళి (peḷḷi) — a wedding, marriage

Before the new one: say the Telugu for a language, then the Telugu for English.

You'll want to know: పెళ్ళి

పెళ్ళి (*peḷḷi*) — "a wedding", and "marriage".

మీకు పెళ్ళి అయిందా? — "are you married?", literally "has a wedding happened to you?". The person sits in the dative again, and the marriage is something that happened.

The word, taken apart — its roots and family

పెళ్ళి (*peḷḷi*) is native Dravidian. DEDR 4395 lists *peṇḍli* and, in modern use, *peḷḷi*, "marriage", under *peṇṭi*, "female", with Tamil *peṇ*, "woman, bride". DEDR compares Sanskrit *pṛṇākā*, "young female (of deer)".

What you've built

A question you will be asked early and often, and the word it turns on.

Your turn

- *Say it: peḷḷi*
- *Say it: peḷḷi*, once more
- *Say it:* ask *mīku peḷḷi ayindā?*
- *Recall:* say the Telugu for a language, then the Telugu for English, then say *peḷḷi* again

Before you move on

What does పెళ్ళి mean? ("A wedding, marriage".) Say it once more.

89.5 చిరునామా (cirunāmā) — an address

Before the new one: say the Telugu for English, then the Telugu for a wedding.

You'll want to know: చిరునామా

చిరునామా (*cirunāmā*) — "an address".

మీ చిరునామా ఏమిటి? — "what is your address?". The same frame as the name and the job: **మీ ... ఏమిటి?**

The word, taken apart — its roots and family

చిరునామా (*cirunāmā*) is usually traced to Persian *sar-nāma*, "heading, address of a letter", which came through Hindustani.

What you've built

Job, languages, marriage, address: the questions that come after a name.

Your turn

- *Say it: cirunāmā*
- *Say it: cirunāmā*, once more
- *Say it:* ask *mī cirunāmā ēmiṭi?*
- *Recall:* say the Telugu for English, then the Telugu for a wedding, then say *cirunāmā* again

Before you move on

What does **చిరునామా** mean? ("An address".) Say it once more.

Chapter 90

On the Way Out

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can tell someone to take care and to come soon, say I am going home, suggest we leave, and take my leave politely.
>
> *Complete TE-C90-letsgo: leave a visit well.*

90.1 జాగ్రత్త (jāgratta) — care, caution

> Before the new one: say the Telugu for a wedding, then the Telugu for an address.

You'll want to know: జాగ్రత్త

జాగ్రత్త (*jāgratta*) — "care, caution".

జాగ్రత్తగా వెళ్ళండి — "go carefully", what a host says at the door, where English says "take care". The **-గా** is the ending that makes a manner.

The word, taken apart — its roots and family

జాగ్రత్త (*jāgratta*) comes from Sanskrit *jāgrat*, "waking, wakefulness" (CDIAL 5174), reshaped to Telugu sounds: a tadbhava. Caution is staying awake.

What you've built

The kindest thing to say to someone leaving.

Your turn

- *Say it: jāgratta*
- *Say it: jāgratta*, once more
- *Say it:* say *jāgrattagā veḷḷaṇḍi*
- *Recall:* say the Telugu for a wedding, then the Telugu for an address, then say *jāgratta* again

Before you move on

What does **జాగ్రత్త** mean? ("Care, caution".) Say it once more.

90.2 త్వరగా (tvaragā) — quickly, soon

Before the new one: say the Telugu for an address, then the Telugu for care.

You'll want to know: త్వరగా

త్వరగా (*tvaragā*) — "quickly", and at a parting, "soon".

త్వరగా రండి — "come back soon". The respectful **raṇḍi** you already have.

The word, taken apart — its roots and family

త్వరగా (*tvaragā*) is Sanskrit *tvarā*, "haste", with the Telugu adverb ending *-gā*.

What you've built

An invitation to return, built from pieces you own.

Your turn

- *Say it: tvaragā*
- *Say it: tvaragā*, once more
- *Say it:* say *tvaragā raṇḍi*

- *Recall:* say the Telugu for an address, then the Telugu for care, then say *tvaragā* again

Before you move on

What does **త్వరగా** mean? ("Quickly, soon".) Say it once more.

90.3 ఇంటికి (iṇṭiki) — home, to the house

Before the new one: say the Telugu for care, then the Telugu for soon.

You'll want to know: ఇంటికి

ఇంటికి (*iṇṭiki*) — "home", as in "going home".

It is **ఇల్లు**, "a house", with the **-కి** "to" ending on it, and the house word changes shape to take it. **నేను ఇంటికి వెళ్తాను** — "I am going home".

The word, taken apart — its roots and family

ఇంటికి (*iṇṭiki*) is native Dravidian: *iṇṭi*, the form *illu*, "house", takes before an ending, which DEDR 494 lists with Tamil *il*, "house", followed by *-ki*, "to".

What you've built

A reason to leave that needs no apology.

Your turn

- *Say it: iṇṭiki*
- *Say it: iṇṭiki*, once more
- *Say it:* say *nēnu iṇṭiki veḷtānu*
- *Recall:* say the Telugu for care, then the Telugu for soon, then say *iṇṭiki* again

Before you move on

What does **ఇంటికి** mean? ("Home, to the house".) Say it once more.

90.4 సెలవు (selavu) — leave, a holiday

Before the new one: say the Telugu for soon, then the Telugu for home.

You'll want to know: సెలవు

సెలవు (*selavu*) — "leave", both a holiday and permission to go.

ఇవాళ సెలవు — "today is a holiday". At a formal parting, **సెలవు** alone asks leave to go, the way English once said "by your leave".

The word, taken apart — its roots and family

సెలవు (*selavu*) is native Dravidian. DEDR 2781 lists *selavu*, "order, leave, permission, expense", under *cellu*, "to pass, be current", with Tamil *cel*, "to go, pass".

What you've built

A holiday, and the most formal way out of a room.

Your turn

- *Say it: selavu*
- *Say it: selavu*, once more
- *Say it:* say *ivāḷa selavu*, then take your leave with *selavu*
- *Recall:* say the Telugu for soon, then the Telugu for home, then say *selavu* again

Before you move on

What does **సెలవు** mean? ("Leave, a holiday".) Say it once more.

90.5 పదండి (padaṇḍi) — let's go

Before the new one: say the Telugu for home, then the Telugu for leave.

You'll want to know: పదండి

పదండి (*padaṇḍi*) — "let's go", said to the group you are leaving with.

It carries the respectful **-అండి** like **raṇḍi** and **āgaṇḍi**, so it stays polite even when it hurries people along.

The word, taken apart — its roots and family

పదండి (*padaṇḍi*) carries the polite ending *-aṇḍi*. The origin of the verb in front of it is uncertain: neither DEDR nor CDIAL records it.

What you've built

Take care, come soon, I am going home, farewell, let's go: a whole exit.

Your turn

- *Say it: padaṇḍi*
- *Say it: padaṇḍi*, once more
- *Say it:* say *padaṇḍi*
- *Recall:* say the Telugu for home, then the Telugu for leave, then say *padaṇḍi* again

Before you move on

What does **పదండి** mean? ("Let's go".) Say it once more.

Chapter 91

Greetings People Actually Say

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can greet someone the way Telugu speakers greet each other day to day: are you well, long time, what's new, where to, have you eaten.
>
> *Complete TE-R91-second-pass-greetings: everyday greetings and partings, from cold.*

91.1 బాగున్నారా? (bāgunnārā?) — are you well?

> Before the new one: say the Telugu for leave, then the Telugu for let's go.

You'll want to know: బాగున్నారా?

బాగున్నారా? (*bāgunnārā?*) — "are you well?".

It is the answer you already give, **బాగున్నాను**, turned into a question: the respectful ending **-ారు** and the question mark **-ఆ** you know from **అవునా?**

The word, taken apart — its roots and family

Both pieces are native Dravidian: *bāgu*, "good" (DEDR 5332), and *uṇḍu*, "to be" (DEDR 697).

What you've built

The greeting most people open with, built from your own answer.

Your turn

- *Say it:* *bāgunnārā?*
- *Say it:* *bāgunnārā?*, once more
- *Say it:* ask *bāgunnārā?*, then answer *bāgunnānu*
- *Recall:* say the Telugu for leave, then the Telugu for let's go, then say *bāgunnārā?* again

Before you move on

What does **బాగున్నారా**? mean? ("Are you well?".) Say it once more.

91.2 చాలా రోజులైంది (cālā rōjulaindi) — it has been a long time

Before the new one: say the Telugu for let's go, then the Telugu for are you well.

You'll want to know: చాలా రోజులైంది

చాలా రోజులైంది (*cālā rōjulaindi*) — "it has been a long time", literally "many days have become".

చాలా and **రోజు** are both yours already; **-లు** makes the days plural.

The word, taken apart — its roots and family

చాలా రోజులైంది (*cālā rōjulaindi*) is native *cāla*, "much" (DEDR 2470), *rōjulu*, "days", from Persian *rōz*, "day", and *ayindi*, "it became", from *agu*, "to become" (DEDR 333).

What you've built

The greeting for someone you have not seen in a while.

Your turn

- *Say it:* *cālā rōjulaindi*
- *Say it:* *cālā rōjulaindi*, once more

- *Say it:* say *cālā rōjulaindi!*
- *Recall:* say the Telugu for let's go, then the Telugu for are you well, then say *cālā rōjulaindi* again

Before you move on

What does **చాలా రోజులైంది** mean? ("It has been a long time".) Say it once more.

91.3 ఏంటి సంగతి? (ēṇṭi saṅgati?) — what's new?

Before the new one: say the Telugu for are you well, then the Telugu for it has been a long time.

You'll want to know: ఏంటి సంగతి?

ఏంటి సంగతి? (*ēṇṭi saṅgati?*) — "what's new?", literally "what's the matter?", but warm.

ఏంటి is the everyday spoken form of **ఏమిటి**. Use it with friends, not with a stranger.

The word, taken apart — its roots and family

ఏంటి సంగతి? (*ēṇṭi saṅgati?*) is *ēṇṭi*, the spoken form of native *ēmiṭi*, "what" (DEDR 5151), and Sanskrit *saṅgati*, "meeting, connection, matter".

What you've built

A friendly opener, and the spoken shape of a word you learned formally.

Your turn

- *Say it: ēṇṭi saṅgati?*
- *Say it: ēṇṭi saṅgati?*, once more
- *Say it:* ask a friend *ēṇṭi saṅgati?*
- *Recall:* say the Telugu for are you well, then the Telugu for it has been a long time, then say *ēṇṭi saṅgati?* again

Before you move on

What does **ఏంటి సంగతి**? mean? ("What's new?".) Say it once more.

91.4 ఎక్కడికి? (ekkaḍiki?) — where to?

Before the new one: say the Telugu for it has been a long time, then the Telugu for what's new.

You'll want to know: ఎక్కడికి?

ఎక్కడికి? (*ekkaḍiki?*) — "where to?".

It is **ఎక్కడ**, "where", with the **-కి** "to" ending. Asked of a neighbour on the street it is a greeting, not a demand; **ఇంటికి**, "home", is a full answer.

The word, taken apart — its roots and family

ఎక్కడికి? (*ekkaḍiki?*) is native Dravidian: *ekkaḍa*, "where", which DEDR 5151 lists, with the ending *-ki*, "to".

What you've built

A street greeting, and its answer from the last chapter.

Your turn

- *Say it: ekkaḍiki?*
- *Say it: ekkaḍiki?*, once more
- *Say it:* ask *ekkaḍiki?*, then answer *iṇṭiki*
- *Recall:* say the Telugu for it has been a long time, then the Telugu for what's new, then say *ekkaḍiki?* again

Before you move on

What does **ఎక్కడికి**? mean? ("Where to?".) Say it once more.

91.5 భోంచేశారా? (bhōñcēśārā?) — have you eaten?

Before the new one: say the Telugu for what's new, then the Telugu for where to.

You'll want to know: భోంచేశారా?

భోంచేశారా? (*bhōñcēśārā?*) — "have you eaten?".

It is **భోజనం చేశారా?**, "have you done the meal?", worn short in speech. Asked around a mealtime it is a greeting and a kindness; **ఆ, అయింది** — "yes, done" — is enough of an answer.

The word, taken apart — its roots and family

Bhōñ- is Sanskrit *bhojana*, "food" (CDIAL 9630), worn down; *cēyu*, "to do", is native (DEDR 1957).

What you've built

Five greetings people actually use, one of them about food.

Your turn

- *Say it: bhōñcēśārā?*
- *Say it: bhōñcēśārā?*, once more
- *Say it:* ask *bhōñcēśārā?*
- *Recall:* say the Telugu for what's new, then the Telugu for where to, then say *bhōñcēśārā?* again

Before you move on

What does **భోంచేశారా?** mean? ("Have you eaten?".) Say it once more.

91.6 Hello and goodbye, the everyday way — a second pass

You meet a neighbour you have not seen in a long time, around lunch. Say three things.

Grammar Lens: the ending -కి, "to"

word	built from
ఇంటికి	house + -కి
ఎక్కడికి?	where + -కి

The same **-కి** as **నాకు**: a direction, to a place or to a person.

Your turn

Say these aloud:

- ask a friend what's new, then ask where they are going
- answer that you are going home
- at the door, tell your host to take care and to come soon
- take your leave formally, then hurry your group along

Before you move on

Are you well? (**బాగున్నారా?**) Long time? (**చాలా రోజులైంది.**) What's new? (**ఏంటి సంగతి?**) Where to? (**ఎక్కడికి?**) Have you eaten? (**భోంచేశారా?**) Take care? (**జాగ్రత్త.**) Soon? (**త్వరగా.**) Home? (**ఇంటికి.**) Leave? (**సెలవు.**) Let's go? (**పదండి.**)

91.7 After the name — a second pass

You have given your name. Ask the next two questions: the job, and the address.

Grammar Lens: one frame, many questions

ask about you	ask what happened to you
మీ ఉద్యోగం ఏమిటి?	మీకు పెళ్ళి అయిందా?
మీ చిరునామా ఏమిటి?	మీకు ఏ భాషలు వచ్చు?

మీ asks about something of yours; **మీకు** asks what is so, or what came, to you. The children question is the right-hand kind: **మీకు పిల్లలు ఉన్నారా?**

Your turn

Say these aloud:

- say you know English and a little Telugu
- introduce your son and your daughter
- say he is a good person, and our relative
- a neighbour asks where to, and whether you have eaten; answer both

Before you move on

Children? (పిల్లలు.) A boy, a girl? (అబ్బాయి, అమ్మాయి.) A person? (మనిషి.) A relative? (బంధువు.) A job? (ఉద్యోగం.) A language? (భాష.) English? (ఇంగ్లీషు.) A wedding? (పెళ్ళి.) An address? (చిరునామా.)

Chapter 92

At the Doctor

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say I have a cold, a wound or feel weak, and talk about medicine and the hospital.
>
> *Complete TE-C92-weakness: tell a doctor what is wrong.*

92.1 జలుబు (jalubu) — a cold, a runny nose

> Before the new one: say the Telugu for where to, then the Telugu for have you eaten.

You'll want to know: జలుబు

జలుబు (*jalubu*) — "a cold", the kind with a runny nose.

నాకు జలుబు చేసింది — "I have caught a cold", literally "a cold has done to me". Telugu keeps this apart from **చలి**, the cold of the weather.

The word, taken apart — its roots and family

జలుబు (*jalubu*) is native Dravidian, one word with Tamil *caḷi*, "catarrh, mucus" (DEDR 2409).

What you've built

The illness, next to the weather word you already have.

Your turn

- *Say it: jalubu*
- *Say it: jalubu*, once more
- *Say it:* say *nāku jalubu cēsindi*
- *Recall:* say the Telugu for where to, then the Telugu for have you eaten, then say *jalubu* again

Before you move on

What does **జలుబు** mean? ("A cold, a runny nose".) Say it once more.

92.2 మందు (mandu) — medicine

Before the new one: say the Telugu for have you eaten, then the Telugu for a cold.

You'll want to know: మందు

మందు (*mandu*) — "medicine".

మందు వేసుకోండి — "please take the medicine". Telugu *puts on* a medicine, where English *takes* it.

The word, taken apart — its roots and family

మందు (*mandu*) is native Dravidian, one word with Tamil *maruntu*, Kannada *maddu* and Malayalam *marunnu* (DEDR 4719).

What you've built

The cure, and the verb Telugu uses for taking it.

Your turn

- *Say it: mandu*
- *Say it: mandu*, once more
- *Say it:* say *mandu vēsukōṇḍi*

- *Recall:* say the Telugu for have you eaten, then the Telugu for a cold, then say *mandu* again

Before you move on

What does **మందు** mean? ("Medicine".) Say it once more.

92.3 ఆసుపత్రి (āsupatri) — a hospital

Before the new one: say the Telugu for a cold, then the Telugu for medicine.

You'll want to know: ఆసుపత్రి

ఆసుపత్రి (*āsupatri*) — "a hospital".

ఆసుపత్రి ఎక్కడ? — "where is the hospital?", with the **ఎక్కడ** you already ask places with.

The word, taken apart — its roots and family

ఆసుపత్రి (*āsupatri*) is usually traced to English *hospital*, reshaped. Neither DEDR nor CDIAL records it.

What you've built

A place to ask the way to when it matters most.

Your turn

- *Say it:* *āsupatri*
- *Say it:* *āsupatri*, once more
- *Say it:* ask *āsupatri ekkaḍa?*
- *Recall:* say the Telugu for a cold, then the Telugu for medicine, then say *āsupatri* again

Before you move on

What does **ఆసుపత్రి** mean? ("A hospital".) Say it once more.

92.4 గాయం (gāyaṁ) — a wound, an injury

Before the new one: say the Telugu for medicine, then the Telugu for a hospital.

You'll want to know: గాయం

గాయం (*gāyaṁ*) — "a wound, an injury".

గాయం అయింది — "I have been hurt", literally "a wound has happened". Like a wedding, an injury is something that happens.

The word, taken apart — its roots and family

గాయం (*gāyaṁ*) comes from Sanskrit *ghāta*, "blow, bruise", reshaped to Telugu sounds: a tadbhava (CDIAL 4460). Prakrit *ghāya*, "wound", in the same entry, shows the same loss of the *t*.

What you've built

A way to say you are hurt.

Your turn

- *Say it:* *gāyaṁ*
- *Say it:* *gāyaṁ*, once more
- *Say it:* say *gāyaṁ ayindi*
- *Recall:* say the Telugu for medicine, then the Telugu for a hospital, then say *gāyaṁ* again

Before you move on

What does **గాయం** mean? ("A wound, an injury".) Say it once more.

92.5 నీరసం (nīrasaṁ) — weakness, lethargy

Before the new one: say the Telugu for a hospital, then the Telugu for a wound.

You'll want to know: నీరసం

నీరసం (*nīrasaṁ*) — "weakness, lethargy", the drained feeling after a fever.

నాకు నీరసంగా ఉంది — "I feel weak", in the frame of **అలసటగా** and **దాహంగా**.

The word, taken apart — its roots and family

నీరసం (*nīrasaṁ*) is Sanskrit *nīrasa*, "sapless, tasteless", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7556). The sense "weakness" is the one Telugu gives it.

What you've built

A cold, medicine, a hospital, a wound, weakness: enough for a visit to the doctor.

Your turn

- *Say it: nīrasaṁ*
- *Say it: nīrasaṁ*, once more
- *Say it:* say *nāku nīrasaṁgā undi*
- *Recall:* say the Telugu for a hospital, then the Telugu for a wound, then say *nīrasaṁ* again

Before you move on

What does **నీరసం** mean? ("Weakness, lethargy".) Say it once more.

Chapter 93

Keeping Well

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can ask whether someone is keeping well, say I am comfortable and happy, and name aches in the body.
>
> *Complete TE-C93-body: good news and bad news about how you are.*

93.1 క్షేమం (kṣēmaṁ) — wellbeing, safety

> Before the new one: say the Telugu for a wound, then the Telugu for weakness.

You'll want to know: క్షేమం

క్షేమం (*kṣēmaṁ*) — "wellbeing, safety".

క్షేమంగా ఉన్నారా? — "are you keeping well?", a warmer, more formal cousin of **బాగున్నారా?**, heard from elders and read at the top of letters.

The word, taken apart — its roots and family

క్షేమం (*kṣēmaṁ*) is Sanskrit *kṣema*, "ease, happiness", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 3745).

What you've built

A respectful way to ask after someone.

Your turn

- *Say it: kṣēmaṁ*
- *Say it: kṣēmaṁ*, once more
- *Say it:* ask *kṣēmaṁgā unnārā?*
- *Recall:* say the Telugu for a wound, then the Telugu for weakness, then say *kṣēmaṁ* again

Before you move on

What does క్షేమం mean? ("Wellbeing, safety".) Say it once more.

93.2 హాయిగా (hāyigā) — comfortably, pleasantly

Before the new one: say the Telugu for weakness, then the Telugu for wellbeing.

You'll want to know: హాయిగా

హాయిగా (*hāyigā*) — "comfortably, pleasantly".

హాయిగా ఉంది — "it is pleasant", said of a cool breeze, a good rest, an easy day.

The word, taken apart — its roots and family

హాయిగా (*hāyigā*) is *hāyi*, "comfort, pleasantness", with the adverb ending *-gā*. The origin of *hāyi* is uncertain: neither DEDR nor CDIAL records it.

What you've built

A word for when things are good.

Your turn

- *Say it: hāyigā*
- *Say it: hāyigā*, once more
- *Say it:* say *hāyigā undi*

- *Recall:* say the Telugu for weakness, then the Telugu for wellbeing, then say *hāyigā* again

Before you move on

What does **హాయిగా** mean? ("Comfortably, pleasantly".) Say it once more.

93.3 సుఖం (sukhaṁ) — comfort, ease

Before the new one: say the Telugu for wellbeing, then the Telugu for comfortably.

You'll want to know: సుఖం

సుఖం (*sukhaṁ*) — "comfort, ease, contentment".

సుఖంగా ఉన్నారా? — "are you comfortable?", a host's question. Its opposite is the **కష్టం** you already have: ease against difficulty.

The word, taken apart — its roots and family

సుఖం (*sukhaṁ*) is Sanskrit *sukha*, "easy; comfort, happiness", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13451).

What you've built

Ease, set against a word you know for its opposite.

Your turn

- *Say it: sukhaṁ*
- *Say it: sukhaṁ*, once more
- *Say it:* ask *sukhaṁgā unnārā?*
- *Recall:* say the Telugu for wellbeing, then the Telugu for comfortably, then say *sukhaṁ* again

Before you move on

What does **సుఖం** mean? ("Comfort, ease".) Say it once more.

93.4 సంతోషంగా (santōṣaṁgā) — happily, gladly

Before the new one: say the Telugu for comfortably, then the Telugu for comfort.

You'll want to know: సంతోషంగా

సంతోషంగా (*santōṣaṁgā*) — "happily, gladly".

It is **సంతోషం**, the "pleased" of your first introductions, with **-గా**. **సంతోషంగా** alone answers a request: "gladly".

The word, taken apart — its roots and family

సంతోషంగా (*santōṣaṁgā*) is *santōṣaṁ*, "joy", from Sanskrit *santoṣa*, "satisfaction" (CDIAL 12895), with the Telugu adverb ending *-gā*.

What you've built

An old word put to a new job with the ending you know.

Your turn

- *Say it: santōṣaṁgā*
- *Say it: santōṣaṁgā*, once more
- *Say it:* answer a request with *santōṣaṁgā*
- *Recall:* say the Telugu for comfortably, then the Telugu for comfort, then say *santōṣaṁgā* again

Before you move on

What does **సంతోషంగా** mean? ("Happily, gladly".) Say it once more.

93.5 ఒళ్ళు (oḷḷu) — the body

Before the new one: say the Telugu for comfort, then the Telugu for gladly.

You'll want to know: ఒళ్ళు

ఒళ్ళు (*oḷḷu*) — "the body".

ఒళ్ళు నొప్పులు — "body aches", with the plural of **నొప్పి**. What a fever leaves behind.

The word, taken apart — its roots and family

ఒళ్ళు (*oḷḷu*) is native Dravidian, one word with Tamil *uṭal* and Kannada *oḍal* (DEDR 586). DEDR lists Telugu *oḍalu* and *oḷḷu*, "body".

What you've built

Well, comfortable, at ease, glad, and the body that aches when you are not.

Your turn

- *Say it: oḷḷu*
- *Say it: oḷḷu*, once more
- *Say it:* say *oḷḷu noppulu*
- *Recall:* say the Telugu for comfort, then the Telugu for gladly, then say *oḷḷu* again

Before you move on

What does **ఒళ్ళు** mean? ("The body".) Say it once more.

Chapter 94

Offers, Apologies, Introductions

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can beg pardon, apologise, offer something, decline politely, and say I am glad of an introduction.
>
> *Complete TE-C94-introduction: the courtesies around a first visit.*

94.1 మన్నించండి (manniñcaṇḍi) — please pardon me

Before the new one: say the Telugu for gladly, then the Telugu for the body.

You'll want to know: మన్నించండి

మన్నించండి (*manniñcaṇḍi*) — "please pardon me".

It does the work of **క్షమించండి**, and is the gentler word beside it. Either answers a mistake; **మన్నించండి** is the one to use with an elder.

The word, taken apart — its roots and family

The origin of *manniñcu*, the verb in **మన్నించండి** (*manniñcaṇḍi*), is uncertain: neither DEDR nor CDIAL records it. It may come from Sanskrit *manyatē*, "thinks, honours" (CDIAL 9857), but no source says so. The polite ending *-aṇḍi* is the one in *raṇḍi*.

What you've built

A second apology, softer than the first.

Your turn

- *Say it: manniñcaṇḍi*
- *Say it: manniñcaṇḍi*, once more
- *Say it:* say *manniñcaṇḍi*
- *Recall:* say the Telugu for gladly, then the Telugu for the body, then say *manniñcaṇḍi* again

Before you move on

What does **మన్నించండి** mean? ("Please pardon me".) Say it once more.

94.2 క్షమాపణ (kṣamāpaṇa) — an apology

Before the new one: say the Telugu for the body, then the Telugu for pardon me.

You'll want to know: క్షమాపణ

క్షమాపణ (*kṣamāpaṇa*) — "an apology", the noun.

క్షమాపణ చెప్పండి — "say sorry". It comes from the same root as **క్షమించండి**: to forgive, and to ask forgiveness.

The word, taken apart — its roots and family

క్షమాపణ (*kṣamāpaṇa*) is Sanskrit *kṣamāpaṇa*, "asking pardon", built on *kṣamā*, "patience" (CDIAL 3659), taken over as a learned loan.

What you've built

The apology as a thing you can give.

Your turn

- *Say it: kṣamāpaṇa*
- *Say it: kṣamāpaṇa*, once more
- *Say it:* say *kṣamāpaṇa ceppaṇḍi*
- *Recall:* say the Telugu for the body, then the Telugu for pardon me, then say *kṣamāpaṇa* again

Before you move on

What does **క్షమాపణ** mean? ("An apology".) Say it once more.

94.3 కావాలా? (kāvālā?) — do you want it?

Before the new one: say the Telugu for pardon me, then the Telugu for an apology.

You'll want to know: కావాలా?

కావాలా? (*kāvālā?*) — "do you want it?".

It is **కావాలి**, "is wanted", with the question **-ఆ**. **టీ కావాలా?** — "would you like tea?". The answer is **కావాలి** or **వద్దు**, both yours already.

The word, taken apart — its roots and family

కావాలా? (*kāvālā?*) is native Dravidian: *kāvāli*, "is wanted", from *kā-*, "to become" (DEDR 333), and the question *-ā*.

What you've built

An offer, and both of its answers.

Your turn

- *Say it: kāvālā?*
- *Say it: kāvālā?*, once more
- *Say it:* ask *ṭī kāvālā?*

- *Recall:* say the Telugu for pardon me, then the Telugu for an apology, then say *kāvālā?* again

Before you move on

What does కావాలా? mean? ("Do you want it?".) Say it once more.

94.4 అవసరం (avasaraṁ) — need, necessity

Before the new one: say the Telugu for an apology, then the Telugu for do you want it.

You'll want to know: అవసరం

అవసరం (*avasaraṁ*) — "need".

అవసరం లేదు — "there is no need", the polite way to refuse help, with the **లేదు** of your first chapter.

The word, taken apart — its roots and family

అవసరం (*avasaraṁ*) is Sanskrit *avasara*, "occasion, opportunity", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 858). The sense "need" is the one Telugu gives it.

What you've built

A way to refuse kindly.

Your turn

- *Say it: avasaraṁ*
- *Say it: avasaraṁ*, once more
- *Say it:* say *avasaraṁ lēdu*
- *Recall:* say the Telugu for an apology, then the Telugu for do you want it, then say *avasaraṁ* again

Before you move on

What does **అవసరం** mean? ("Need, necessity".) Say it once more.

94.5 పరిచయం (paricayaṁ) — an introduction, acquaintance

Before the new one: say the Telugu for do you want it, then the Telugu for need.

You'll want to know: పరిచయం

పరిచయం (*paricayaṁ*) — "an introduction, an acquaintance".

మీతో పరిచయం సంతోషం — "glad to have met you", literally "the acquaintance with you is a joy". A fuller form of the **సంతోషం** you said at your first meeting.

The word, taken apart — its roots and family

పరిచయం (*paricayaṁ*) is Sanskrit *paricaya*, "acquaintance", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7807).

What you've built

Pardon, an apology, an offer, a refusal, and a fuller pleased-to-meet-you.

Your turn

- *Say it: paricayaṁ*
- *Say it: paricayaṁ*, once more
- *Say it:* say *mītō paricayaṁ santōṣaṁ*
- *Recall:* say the Telugu for do you want it, then the Telugu for need, then say *paricayaṁ* again

Before you move on

What does **పరిచయం** mean? ("An introduction, acquaintance".) Say it once more.

Chapter 95

How Do You Say It?

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can ask how to say something in Telugu, ask to be shown, ask someone to speak gently, and say I could not hear.
>
> *Complete TE-R95-second-pass-asking: courtesies and questions about the language, from cold.*

95.1 తెలుగులో (telugulō) — in Telugu

> Before the new one: say the Telugu for need, then the Telugu for an introduction.

You'll want to know: తెలుగులో

తెలుగులో (*telugulō*) — "in Telugu".

It is **తెలుగు** with **-లో**, "in", the ending you met on **ఉండు**. Any language takes it: **ఇంగ్లీషులో**, "in English".

The word, taken apart — its roots and family

తెలుగులో (*telugulō*) is native Dravidian: *telugu*, the language's name, which DEDR 3426 lists as *teluṅgu*, and *-lō*, "in", which DEDR 698 lists as *lō*, "inside".

What you've built

A way to name the language you want an answer in.

Your turn

- *Say it: telugulō*
- *Say it: telugulō*, once more
- *Say it:* say *telugulō*, then *iṅglīṣulō*
- *Recall:* say the Telugu for need, then the Telugu for an introduction, then say *telugulō* again

Before you move on

What does **తెలుగులో** mean? ("In Telugu".) Say it once more.

95.2 ఎలా అంటారు? (elā aṇṭāru?) — how do you say it?

Before the new one: say the Telugu for an introduction, then the Telugu for in Telugu.

You'll want to know: ఎలా అంటారు?

ఎలా అంటారు? (*elā aṇṭāru?*) — "how does one say it?".

దీన్ని తెలుగులో ఎలా అంటారు? — "how do you say this in Telugu?". **అను**, "to say", is the verb inside **అని** and **అనుకో**.

The word, taken apart — its roots and family

Both words are native Dravidian: *elā*, "how" (DEDR 5151), and *anu*, "to say" (DEDR 868).

What you've built

The one question that lets a learner learn from anyone.

Your turn

- *Say it: elā aṇṭāru?*
- *Say it: elā aṇṭāru?*, once more
- *Say it:* ask *telugulō elā aṇṭāru?*

- *Recall:* say the Telugu for an introduction, then the Telugu for in Telugu, then say *elā aṇṭāru?* again

Before you move on

What does ఎలా అంటారు? mean? ("How do you say it?".) Say it once more.

95.3 మెల్లగా (mellagā) — gently, softly, slowly

Before the new one: say the Telugu for in Telugu, then the Telugu for how do you say it.

You'll want to know: మెల్లగా

మెల్లగా (*mellagā*) — "gently, softly", and "slowly".

It overlaps with **నెమ్మదిగా**. **మెల్లగా** leans to softness: a quiet voice, a careful hand.

The word, taken apart — its roots and family

మెల్లగా (*mellagā*) is native Dravidian, one word with Tamil *mella* and Kannada *mel* (DEDR 5078). DEDR lists Telugu *mella*, "slowly", itself.

What you've built

A second slowly, with softness in it.

Your turn

- *Say it: mellagā*
- *Say it: mellagā*, once more
- *Say it:* say *mellagā māṭlāḍaṇḍi*
- *Recall:* say the Telugu for in Telugu, then the Telugu for how do you say it, then say *mellagā* again

Before you move on

What does **మెల్లగా** mean? ("Gently, softly, slowly".) Say it once more.

95.4 చూపించండి (cūpiñcaṇḍi) — please show me

Before the new one: say the Telugu for how do you say it, then the Telugu for gently.

You'll want to know: చూపించండి

చూపించండి (*cūpiñcaṇḍi*) — "please show me".

It is built on **చూడు**, "see": to show is to *make someone see*. When a word will not come, point and say **చూపించండి**.

The word, taken apart — its roots and family

చూపించండి (*cūpiñcaṇḍi*) is native Dravidian: *cūpincu*, "to show", which DEDR 2735 lists under *cūcu*, "to see", followed by the polite ending *-aṇḍi*.

What you've built

A request for when words run out.

Your turn

- *Say it:* *cūpiñcaṇḍi*
- *Say it:* *cūpiñcaṇḍi*, once more
- *Say it:* say *cūpiñcaṇḍi*
- *Recall:* say the Telugu for how do you say it, then the Telugu for gently, then say *cūpiñcaṇḍi* again

Before you move on

What does **చూపించండి** mean? ("Please show me".) Say it once more.

95.5 వినిపించలేదు (vinipiñcalēdu) — I could not hear it

Before the new one: say the Telugu for gently, then the Telugu for please show me.

You'll want to know: వినిపించలేదు

వినిపించలేదు (*vinipiñcalēdu*) — "I could not hear it", literally "it did not make itself heard".

It ends in the **లేదు** you know. Pair it with a fix: **వినిపించలేదు, గట్టిగా చెప్పండి**.

The word, taken apart — its roots and family

వినిపించలేదు (*vinipiñcalēdu*) is native Dravidian: *vinipincu*, "to cause to hear", which DEDR 5516 lists under *vinu*, "to hear", and the negative *lē-* (DEDR 2559).

What you've built

In Telugu, how do you say, gently, show me, I could not hear: a learner's toolkit.

Your turn

- *Say it: vinipiñcalēdu*
- *Say it: vinipiñcalēdu*, once more
- *Say it:* say *vinipiñcalēdu, gaṭṭigā ceppaṇḍi*
- *Recall:* say the Telugu for gently, then the Telugu for please show me, then say *vinipiñcalēdu* again

Before you move on

What does **వినిపించలేదు** mean? ("I could not hear it".) Say it once more.

95.6 Asking about the language — a second pass

Think of something near you and ask how to say it in Telugu.

Grammar Lens: two kinds of polite

you ask	you answer
మన్నించండి	పరవాలేదు
టీ కావాలా?	అవసరం లేదు

An apology is met with "no bother"; an offer is refused with "no need". Both answers end in లేదు.

Your turn

Say these aloud:

- beg pardon of an elder, then say you owe them an apology
- offer tea; then refuse help politely
- say you are glad to have met someone
- say you could not hear; ask them to speak gently, then to show you

Before you move on

Pardon me? (మన్నించండి.) An apology? (క్షమాపణ.) Do you want it? (కావాలా?) No need? (అవసరం లేదు.) An introduction? (పరిచయం.) In Telugu? (తెలుగులో.) How do you say it? (ఎలా అంటారు?) Gently? (మెల్లగా.) Show me? (చూపించండి.) I could not hear? (వినిపించలేదు.)

95.7 From ill to well — a second pass

You are ill. Say you have a cold, you feel weak, and your body aches.

Grammar Lens: ill and well in one frame

not well	well again
నాకు నీరసంగా ఉంది	హాయిగా ఉంది
జలుబు చేసింది	క్షేమంగా ఉన్నారా?

The -గా ఉంది frame carries both halves: the weakness and the ease.

Your turn

Say these aloud:

- ask where the hospital is; say you have been hurt
- tell a friend to take the medicine
- a week later: ask an elder if they are keeping well, and a guest if they are comfortable
- agree gladly; then, when a word fails, ask to be shown, or say you could not hear

Before you move on

A cold? (జలుబు.) Medicine? (మందు.) A hospital? (ఆసుపత్రి.) A wound? (గాయం.) Weakness? (నీరసం.) Wellbeing? (క్షేమం.) Comfortably? (హాయిగా.) Ease? (సుఖం.) Gladly? (సంతోషంగా.) The body? (ఒళ్ళు.)

Chapter 96

Names, Ages, Birthdays

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can give a surname and a nickname, ask an age, talk about a birthday, and sign my name.
>
> *Complete TE-C96-signature: the details of a name, from surname to signature.*

96.1 ఇంటిపేరు (iṇṭipēru) — a surname, the family name

Before the new one: say the Telugu for please show me, then the Telugu for I could not hear it.

You'll want to know: ఇంటిపేరు

ఇంటిపేరు (*iṇṭipēru*) — "a surname", literally "the house name".

It is **ఇంటి**, "of the house", and **పేరు**, "name". In Telugu the house name comes FIRST, before the given name, so a form that asks for a first name is asking the wrong question.

The word, taken apart — its roots and family

ఇంటిపేరు (*iṇṭipēru*) is native Dravidian: *iṇṭi*, "of the house" (DEDR 494), and *pēru*, "name" (DEDR 4410).

What you've built

The family name, and where it goes.

Your turn

- *Say it:* *iṇṭipēru*
- *Say it:* *iṇṭipēru*, once more
- *Say it:* say *nā iṇṭipēru* …, then your given name
- *Recall:* say the Telugu for please show me, then the Telugu for I could not hear it, then say *iṇṭipēru* again

Before you move on

What does **ఇంటిపేరు** mean? ("A surname, the family name".) Say it once more.

96.2 ముద్దుపేరు (muddupēru) — a nickname, a pet name

Before the new one: say the Telugu for I could not hear it, then the Telugu for a surname.

You'll want to know: ముద్దుపేరు

ముద్దుపేరు (*muddupēru*) — "a nickname, a pet name".

ముద్దు is "a kiss, affection", so a nickname is an *affection name*: the one family uses.

The word, taken apart — its roots and family

ముద్దుపేరు (*muddupēru*) is native Dravidian: *muddu*, "kiss", one word with Tamil *muttu* (DEDR 4960), and *pēru*, "name" (DEDR 4410). DEDR compares Prakrit *muddī*, "kiss".

What you've built

The name the family uses.

Your turn

- *Say it: muddupēru*
- *Say it: muddupēru*, once more
- *Say it:* say *nā muddupēru …*
- *Recall:* say the Telugu for I could not hear it, then the Telugu for a surname, then say *muddupēru* again

Before you move on

What does **ముద్దుపేరు** mean? (“A nickname, a pet name”.) Say it once more.

96.3 వయసు (vayasu) — age

Before the new one: say the Telugu for a surname, then the Telugu for a nickname.

You’ll want to know: వయసు

వయసు (*vayasu*) — “age”.

You have asked it already, inside **నీ వయసెంత?**. Now the word stands alone: **మీ వయసు ఎంత?** — “what is your age?”, the respectful form.

The word, taken apart — its roots and family

వయసు (*vayasu*) is Sanskrit *vayas*, “prime of life, age”, taken over whole as a learned loan, a tatsama, with Telugu’s added *-u* (CDIAL 11305).

What you’ve built

The word you have been using inside a question, taken out.

Your turn

- *Say it: vayasu*
- *Say it: vayasu*, once more

- *Say it:* ask *mī vayasu enta?*
- *Recall:* say the Telugu for a surname, then the Telugu for a nickname, then say *vayasu* again

Before you move on

What does **వయసు** mean? ("Age".) Say it once more.

96.4 పుట్టినరోజు (puṭṭinarōju) — a birthday

Before the new one: say the Telugu for a nickname, then the Telugu for age.

You'll want to know: పుట్టినరోజు

పుట్టినరోజు (*puṭṭinarōju*) — "a birthday", literally "the day one was born".

రోజు is the day you know. On the day, say **పుట్టినరోజు శుభాకాంక్షలు** — "happy birthday", with the good wishes you already have.

The word, taken apart — its roots and family

పుట్టినరోజు (*puṭṭinarōju*) is native *puṭṭina*, "on which one was born", from *puṭṭu*, "to be born" (DEDR 4264), and *rōju*, "day", from Persian *rōz*.

What you've built

A day to name, and a wish to make on it.

Your turn

- *Say it: puṭṭinarōju*
- *Say it: puṭṭinarōju*, once more
- *Say it:* say *puṭṭinarōju śubhākāṅkṣalu*
- *Recall:* say the Telugu for a nickname, then the Telugu for age, then say *puṭṭinarōju* again

Before you move on

What does **పుట్టినరోజు** mean? ("A birthday".) Say it once more.

96.5 సంతకం (santakaṁ) — a signature

Before the new one: say the Telugu for age, then the Telugu for a birthday.

You'll want to know: సంతకం

సంతకం (*santakaṁ*) — "a signature".

ఇక్కడ సంతకం చేయండి — "please sign here". A signature is something you *do*, with the **చేయు** of **పని చేయు**.

The word, taken apart — its roots and family

The origin of **సంతకం** (*santakaṁ*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

Surname, nickname, age, birthday, signature: every box on a form.

Your turn

- *Say it: santakaṁ*
- *Say it: santakaṁ*, once more
- *Say it:* say *ikkaḍa santakaṁ cēyaṇḍi*
- *Recall:* say the Telugu for age, then the Telugu for a birthday, then say *santakaṁ* again

Before you move on

What does **సంతకం** mean? ("A signature".) Say it once more.

Chapter 97

Laughing, Crying, Worrying

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can talk about laughing and crying, say I am worried or regretful, and say I am alone.
>
> *Complete TE-C97-alone: say how you are when the answer is complicated.*

97.1 నవ్వు (navvu) — a laugh, a smile

> Before the new one: say the Telugu for a birthday, then the Telugu for a signature.

You'll want to know: నవ్వు

నవ్వు (*navvu*) — "a laugh", and "a smile": Telugu uses one word for both.
నవ్వండి — "smile!", with the polite ending, what a photographer says.

The word, taken apart — its roots and family

నవ్వు (*navvu*) is native Dravidian, one word with Tamil *naku* and Kannada *nagu* (DEDR 3569). DEDR lists Telugu *navvu*, "to laugh, smile; laughter".

What you've built

A laugh and a smile, in one word.

Your turn

- *Say it:* *navvu*
- *Say it:* *navvu*, once more
- *Say it:* say *navvaṇḍi*
- *Recall:* say the Telugu for a birthday, then the Telugu for a signature, then say *navvu* again

Before you move on

What does **నవ్వు** mean? (“A laugh, a smile”.) Say it once more.

97.2 ఏడుపు (ēḍupu) — crying, tears

Before the new one: say the Telugu for a signature, then the Telugu for a laugh.

You’ll want to know: ఏడుపు

ఏడుపు (*ēḍupu*) — “crying”.

నాకు ఏడుపు వచ్చింది — “I felt like crying”, literally “crying came to me”, on the pattern of **కోపం వచ్చింది**.

The word, taken apart — its roots and family

DEDR 282 lists **ఏడుపు** (*ēḍupu*), “weeping, crying”, with the verb *ēḍucu*, “to cry”, beside Tamil *aḻu* and Kannada *aḻu*, “to weep”, but puts a query against the Telugu forms.

What you’ve built

Crying, which comes to you like anger does.

Your turn

- *Say it:* *ēḍupu*
- *Say it:* *ēḍupu*, once more
- *Say it:* say *nāku ēḍupu vaccindi*

- *Recall:* say the Telugu for a signature, then the Telugu for a laugh, then say *ēḍupu* again

Before you move on

What does **ఏడుపు** mean? ("Crying, tears".) Say it once more.

97.3 విచారం (vicāraṁ) — regret, sorrow

Before the new one: say the Telugu for a laugh, then the Telugu for crying.

You'll want to know: విచారం

విచారం (*vicāraṁ*) — "regret, sorrow".

బాధ is pain; **విచారం** is the sorrow of looking back. **విచారంగా ఉంది** — "I am sorry about it", "I regret it".

The word, taken apart — its roots and family

విచారం (*vicāraṁ*) is Sanskrit *vicāra*, "pondering", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 11683). The sense "regret" is the one Telugu gives it.

What you've built

A sorrow about something that has happened.

Your turn

- *Say it: vicāraṁ*
- *Say it: vicāraṁ*, once more
- *Say it:* say *vicāraṁgā undi*
- *Recall:* say the Telugu for a laugh, then the Telugu for crying, then say *vicāraṁ* again

Before you move on

What does **విచారం** mean? ("Regret, sorrow".) Say it once more.

97.4 ఆందోళన (āndōḷana) — anxiety, worry

Before the new one: say the Telugu for crying, then the Telugu for regret.

You'll want to know: ఆందోళన

ఆందోళన (*āndōḷana*) — "anxiety, worry".

ఆందోళన పడకండి — "don't worry". Telugu *falls into* worry: **పడు** is "to fall".

The word, taken apart — its roots and family

ఆందోళన (*āndōḷana*) is Sanskrit *āndolana*, "swinging, agitation", from *andolayati*, "swings" (CDIAL 384), taken over as a learned loan.

What you've built

A way to tell someone not to worry.

Your turn

- *Say it:* *āndōḷana*
- *Say it:* *āndōḷana*, once more
- *Say it:* say *āndōḷana paḍakaṇḍi*
- *Recall:* say the Telugu for crying, then the Telugu for regret, then say *āndōḷana* again

Before you move on

What does **ఆందోళన** mean? ("Anxiety, worry".) Say it once more.

97.5 ఒంటరిగా (oṇṭarigā) — alone

Before the new one: say the Telugu for regret, then the Telugu for worry.

You'll want to know: ఒంటరిగా

ఒంటరిగా (*oṇṭarigā*) — "alone".

నేను ఒంటరిగా ఉన్నాను — "I am alone". The **-గా** ending again, on a word for "single, on one's own".

The word, taken apart — its roots and family

ఒంటరిగా (*oṇṭarigā*) is native Dravidian: *oṇṭari*, "one who is alone", which DEDR 990 lists under the root for "one", followed by the adverb ending *-gā*.

What you've built

Laughing, crying, regret, worry, alone: a fuller answer to how are you.

Your turn

- *Say it: oṇṭarigā*
- *Say it: oṇṭarigā*, once more
- *Say it:* say *nēnu oṇṭarigā unnānu*
- *Recall:* say the Telugu for regret, then the Telugu for worry, then say *oṇṭarigā* again

Before you move on

What does **ఒంటరిగా** mean? ("Alone".) Say it once more.

Chapter 98

Nothing, Not Yet, That Will Do

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can answer with nothing, not yet, that will do, that's true, and that's the one.
>
> *Complete TE-C98-thatone: five short answers that close a question.*

98.1 ఏమీ లేదు (ēmī lēdu) — nothing, it's nothing

> Before the new one: say the Telugu for worry, then the Telugu for alone.

You'll want to know: ఏమీ లేదు

ఏమీ లేదు (*ēmī lēdu*) — "nothing", "it's nothing".

The answer to **ఏమైంది?**, "what happened?", when you would rather not say. It ends on the **లేదు** you have had since your first chapter.

The word, taken apart — its roots and family

ఏమీ లేదు (*ēmī lēdu*) is native Dravidian: *ēmī*, "anything", from *ēmi*, "what" (DEDR 5151), and *lēdu*, "there is not" (DEDR 2559).

What you've built

An answer that closes a question kindly.

Your turn

- *Say it:* *ēmī lēdu*
- *Say it:* *ēmī lēdu*, once more
- *Say it:* say *ēmī lēdu*
- *Recall:* say the Telugu for worry, then the Telugu for alone, then say *ēmī lēdu* again

Before you move on

What does **ఏమీ లేదు** mean? ("Nothing, it's nothing".) Say it once more.

98.2 ఇంకా లేదు (iṅkā lēdu) — not yet

Before the new one: say the Telugu for alone, then the Telugu for nothing.

You'll want to know: ఇంకా లేదు

ఇంకా లేదు (*iṅkā lēdu*) — "not yet".

Two words you own, **ఇంకా**, "still", and **లేదు**, "there isn't". *Have you eaten?* — **ఇంకా లేదు**.

The word, taken apart — its roots and family

ఇంకా లేదు (*iṅkā lēdu*) is native Dravidian: *iṅka*, "still, yet" (DEDR 410), and *lēdu*, "there is not" (DEDR 2559).

What you've built

An answer from two old words.

Your turn

- *Say it:* *iṅkā lēdu*
- *Say it:* *iṅkā lēdu*, once more
- *Say it:* answer *bhōñcēśārā?* with *iṅkā lēdu*

- *Recall:* say the Telugu for alone, then the Telugu for nothing, then say *iṅkā lēdu* again

Before you move on

What does ఇంకా లేదు mean? (“Not yet”.) Say it once more.

98.3 సరిపోతుంది (saripōtundi) — that will do, it is enough

Before the new one: say the Telugu for nothing, then the Telugu for not yet.

You’ll want to know: సరిపోతుంది

సరిపోతుంది (*saripōtundi*) — “that will do”, “it is enough”, and of clothes, “it fits”.

It starts on సరి, “right, even”, like సరే and సరిగ్గా.

The word, taken apart — its roots and family

సరిపోతుంది (*saripōtundi*) is *sari*, “right, even”, and *pōtundi*, “it goes”, from native *pō*, “to go” (DEDR 4572). The origin of *sari* is uncertain: DEDR has no entry for it.

What you’ve built

A third word on the same right-even root.

Your turn

- *Say it: saripōtundi*
- *Say it: saripōtundi*, once more
- *Say it:* say *saripōtundi*
- *Recall:* say the Telugu for nothing, then the Telugu for not yet, then say *saripōtundi* again

Before you move on

What does **సరిపోతుంది** mean? ("That will do, it is enough".) Say it once more.

98.4 నిజమే (nijamē) — that's true

Before the new one: say the Telugu for not yet, then the Telugu for that will do.

You'll want to know: నిజమే

నిజమే (*nijamē*) — "that's true", "quite right".

It is **నిజం** with **-ఏ**, the ending that says *exactly this*. Where **నిజంగా?** asks, **నిజమే** agrees.

The word, taken apart — its roots and family

నిజమే (*nijamē*) is *nijami*, "truth", from Sanskrit *nija*, "one's own, innate" (CDIAL 7181), with the emphatic *-ē*.

What you've built

Agreement, from the word for truth.

Your turn

- *Say it: nijamē*
- *Say it: nijamē*, once more
- *Say it:* say *nijamē*
- *Recall:* say the Telugu for not yet, then the Telugu for that will do, then say *nijamē* again

Before you move on

What does **నిజమే** mean? ("That's true".) Say it once more.

98.5 అదే (adē) — that's the one, the same

Before the new one: say the Telugu for that will do, then the Telugu for that's true.

You'll want to know: అదే

అదే (*adē*) — "that's the one", "the same one".

It is **అది**, "that", with the same **-ఏ**. When someone finally names what you meant, **అదే!**

The word, taken apart — its roots and family

అదే (*adē*) is native Dravidian: *adi*, "that", on the far-pointing base *a-* (DEDR 1), with the emphatic *-ē*.

What you've built

Nothing, not yet, that will do, true, that's the one: five ways to close a question.

Your turn

- *Say it: adē*
- *Say it: adē*, once more
- *Say it:* say *adē!*
- *Recall:* say the Telugu for that will do, then the Telugu for that's true, then say *adē* again

Before you move on

What does **అదే** mean? ("That's the one, the same".) Say it once more.

Chapter 99

Welcomes, Gifts, Invitations

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can greet with namaste, say I am delighted to see someone, congratulate, and talk about gifts and invitations.
>
> *Complete TE-R99-second-pass-welcome: short answers and a warm welcome, from cold.*

99.1 నమస్తే (namastē) — namaste, hello

> Before the new one: say the Telugu for that's true, then the Telugu for that's the one.

You'll want to know: నమస్తే

నమస్తే (*namastē*) — "namaste", said with the palms together.

It sits beside **నమస్కారం**, your first word. Both bow: **నమస్తే** is "a bow to you", heard all across India; **నమస్కారం** is the fuller Telugu form.

The word, taken apart — its roots and family

నమస్తే (*namastē*) is Sanskrit *namas te*, "a bow to you": *namas*, "bow, adoration" (CDIAL 6958), and *te*, "to you".

What you've built

A second hello, shared with most of India.

Your turn

- *Say it:* *namastē*
- *Say it:* *namastē*, once more
- *Say it:* say *namastē*, then *namaskāraṁ*
- *Recall:* say the Telugu for that's true, then the Telugu for that's the one, then say *namastē* again

Before you move on

What does **నమస్తే** mean? ("Namaste, hello".) Say it once more.

99.2 ఆనందం (ānandaṁ) — delight, joy

Before the new one: say the Telugu for that's the one, then the Telugu for namaste.

You'll want to know: ఆనందం

ఆనందం (*ānandaṁ*) — "delight, joy".

మిమ్మల్ని చూసి ఆనందంగా ఉంది — "I am delighted to see you". Stronger than **సంతోషం**, and in the frame you know.

The word, taken apart — its roots and family

ఆనందం (*ānandaṁ*) is Sanskrit *ānanda*, "happiness", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 1172).

What you've built

A warmer word for glad.

Your turn

- *Say it:* *ānandaṁ*
- *Say it:* *ānandaṁ*, once more
- *Say it:* say *mimmalni cūsi ānandaṁgā undi*

- *Recall:* say the Telugu for that's the one, then the Telugu for namaste, then say *ānandaṁ* again

Before you move on

What does **ఆనందం** mean? ("Delight, joy".) Say it once more.

99.3 అభినందనలు (abhinandanalu) — congratulations, compliments

Before the new one: say the Telugu for namaste, then the Telugu for delight.

You'll want to know: అభినందనలు

అభినందనలు (*abhinandanalu*) — "congratulations", "compliments" on something done well.

శుభాకాంక్షలు wishes someone well for what is coming; **అభినందనలు** praises what they have done. A passed exam gets both.

The word, taken apart — its roots and family

అభినందనలు (*abhinandanalu*) is Sanskrit *abhinandana*, "rejoicing, praise", with the Telugu plural ending *-lu*.

What you've built

Praise for what is done, beside wishes for what comes.

Your turn

- *Say it: abhinandanalu*
- *Say it: abhinandanalu*, once more
- *Say it:* say *abhinandanalu*
- *Recall:* say the Telugu for namaste, then the Telugu for delight, then say *abhinandanalu* again

Before you move on

What does **అభినందనలు** mean? ("Congratulations, compliments".) Say it once more.

99.4 బహుమతి (bahumati) — a gift, a prize

Before the new one: say the Telugu for delight, then the Telugu for congratulations.

You'll want to know: బహుమతి

బహుమతి (*bahumati*) — "a gift", and "a prize".
మీకు ఒక బహుమతి — "a gift for you", with the dative **మీకు**.

The word, taken apart — its roots and family

బహుమతి (*bahumati*) is Sanskrit *bahumati*, "high regard", from *bahu*, "much" (CDIAL 9187), and *mati*, "mind": a gift as a mark of regard.

What you've built

Something to bring when you visit.

Your turn

- *Say it: bahumati*
- *Say it: bahumati*, once more
- *Say it:* say *mīku oka bahumati*
- *Recall:* say the Telugu for delight, then the Telugu for congratulations, then say *bahumati* again

Before you move on

What does **బహుమతి** mean? ("A gift, a prize".) Say it once more.

99.5 ఆహ్వానం (āhvānaṁ) — an invitation

Before the new one: say the Telugu for congratulations, then the Telugu for a gift.

You'll want to know: ఆహ్వానం

ఆహ్వానం (*āhvānaṁ*) — "an invitation".

పెళ్ళికి ఆహ్వానం — "an invitation to the wedding", with **-కి**, "to". It is the reason for most of the visits this book has taught you to make.

The word, taken apart — its roots and family

ఆహ్వానం (*āhvānaṁ*) is Sanskrit *āhvāna*, "calling, invitation", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

Namaste, delight, congratulations, a gift, an invitation: the way into a visit.

Your turn

- *Say it: āhvānaṁ*
- *Say it: āhvānaṁ*, once more
- *Say it:* say *peḷḷiki āhvānaṁ*
- *Recall:* say the Telugu for congratulations, then the Telugu for a gift, then say *āhvānaṁ* again

Before you move on

What does **ఆహ్వానం** mean? ("An invitation".) Say it once more.

99.6 A warm welcome and short answers — a second pass

A friend arrives at your door. Greet them, and say you are delighted.

Grammar Lens: the ending -ఏ, "exactly this"

word	built from
నిజమే	truth + -ఏ
అదే	that + -ఏ

The **-ఏ** points: *this truth and no other*, *that one exactly*.

Your turn

Say these aloud:

- hand over a gift; congratulate your friend
- say the wedding invitation came
- someone asks what happened: it's nothing. Have you eaten? Not yet
- agree that it's true; say that will do; and "that's the one!"

Before you move on

Nothing? (ఏమీ లేదు.) Not yet? (ఇంకా లేదు.) That will do? (సరిపోతుంది.) That's true? (నిజమే.) That's the one? (అదే.) Namaste? (నమస్తే.) Delight? (ఆనందం.) Congratulations? (అభినందనలు.) A gift? (బహుమతి.) An invitation? (ఆహ్వానం.)

99.7 Who you are and how you are — a second pass

Give your surname first, then your nickname, then ask someone their age.

Grammar Lens: a name in two parts

word	literally
ఇంటిపేరు	house name
ముద్దుపేరు	affection name
పుట్టినరోజు	born day

Each is built from pieces you know, and the house name goes first.

Your turn

Say these aloud:

- wish someone a happy birthday; hand them a gift
- ask them to sign here
- tell a friend to smile; then say you felt like crying
- tell a worried friend not to worry; say you regret it; say you are alone
- say an invitation came

Before you move on

A surname? (ఇంటిపేరు.) A nickname? (ముద్దుపేరు.) Age? (వయసు.) A birthday? (పుట్టినరోజు.) A signature? (సంతకం.) A laugh? (నవ్వు.) Crying? (ఏడుపు.) Regret? (విచారం.) Worry? (ఆందోళన.) Alone? (ఒంటరిగా.)

Chapter 100

Right, Left, Straight ahead, Near, Far

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say right, left, straight ahead, near and far.

Complete the last lesson of chapter 100: I can say right, left, straight ahead, near and far.

100.1 కుడి (kuḍi) — right (not left)

Before the new one: say the Telugu for a gift, a prize, then the Telugu for an invitation.

You'll want to know: కుడి

కుడి — *kuḍi* — "right (not left)".

The word, taken apart — its roots and family

కుడి (*kuḍi*) is native Dravidian. DEDR 1654 lists *kuḍi*, "right, right-hand", in the same entry as *kuḍucu*, "to eat, drink", with Tamil *kuṭi*, "to drink".

What you've built

One more word for this chapter.

Your turn

- *Say it: kuḍi*
- *Say it: kuḍi*, once more
- *Say it:* say *kuḍi*
- *Recall:* say the Telugu for a gift, a prize, then the Telugu for an invitation, then say *kuḍi* again

Before you move on

What does **కుడి** mean? ("Right (not left)".) Say it once more.

100.2 ఎడమ (eḍama) — left (not right)

Before the new one: say the Telugu for an invitation, then the Telugu for right.

You'll want to know: ఎడమ

ఎడమ — *eḍama* — "left (not right)".

The word, taken apart — its roots and family

ఎడమ (*eḍama*) is native Dravidian, one word with Tamil *iṭam* and Kannada *eḍa*, "left side" (DEDR 449). DEDR compares the Indo-Aryan words for "left" in CDIAL 5539, such as Hindi *ḍāwā*, which CDIAL itself calls non-Aryan, perhaps from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: eḍama*
- *Say it: eḍama*, once more
- *Say it:* say *eḍama*

- *Recall:* say the Telugu for an invitation, then the Telugu for right, then say *eḍama* again

Before you move on

What does **ఎడమ** mean? (“Left (not right)”.) Say it once more.

100.3 తిన్నగా (tinnagā) — straight ahead

Before the new one: say the Telugu for right, then the Telugu for left.

You’ll want to know: తిన్నగా

తిన్నగా — *tinnagā* — “straight ahead”.

The word, taken apart — its roots and family

తిన్నగా (*tinnagā*) is native Dravidian. DEDR 3264 lists *tinna*, “straight, direct”, and the adverb built on it.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: tinnagā*
- *Say it: tinnagā*, once more
- *Say it:* say *tinnagā*
- *Recall:* say the Telugu for right, then the Telugu for left, then say *tinnagā* again

Before you move on

What does **తిన్నగా** mean? (“Straight ahead”.) Say it once more.

100.4 దగ్గర (daggara) — near

Before the new one: say the Telugu for left, then the Telugu for straight ahead.

One slot changes: **ఇక్కడ**, **అక్కడ**, **ఎక్కడ**. Here, there, where?

You'll want to know: దగ్గర

దగ్గర — *daggara* — "near".

The word, taken apart — its roots and family

దగ్గర (*daggara*) is native Dravidian. DEDR 79 lists *ḍaggaṟa* and *daggaṟa*, "nearness", with Tamil *aṭu*, "to be next, near".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *daggara*
- *Say it:* *daggara*, once more
- *Say it:* say *daggara*
- *Recall:* say the Telugu for left, then the Telugu for straight ahead, then say *daggara* again

Before you move on

What does **దగ్గర** mean? ("Near".) Say it once more.

100.5 దూరం (dūraṁ) — far; distance

Before the new one: say the Telugu for straight ahead, then the Telugu for near.

You'll want to know: దూరం

దూరం — *dūraṁ* — "far; distance".

The word, taken apart — its roots and family

దూరం (*dūraṁ*) is Sanskrit *dūra*, "distant; distance", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 6495).

What you've built

One more word for this chapter.

Your turn

- *Say it: dūraṁ*
- *Say it: dūraṁ*, once more
- *Say it:* say *dūraṁ*
- *Recall:* say the Telugu for straight ahead, then the Telugu for near, then say *dūraṁ* again

Before you move on

What does **దూరం** mean? ("Far; distance".) Say it once more.

Chapter 101

Above, Below, Inside, Outside, Behind

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say above, below, inside, outside and behind.

Complete the last lesson of chapter 101: I can say above, below, inside, outside and behind.

101.1 పైన (paina) — above, on top

Before the new one: say the Telugu for near, then the Telugu for far; distance.

You'll want to know: పైన

పైన — *paina* — "above, on top".

The word, taken apart — its roots and family

పైన (*paina*) is native Dravidian: *pai*, "top; on, above", one word with Kannada *pai*, "upper" (DEDR 4451), with the ending *-na*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *paina*
- *Say it:* *paina*, once more
- *Say it:* say *paina*
- *Recall:* say the Telugu for near, then the Telugu for far; distance, then say *paina* again

Before you move on

What does పైన mean? ("Above, on top".) Say it once more.

101.2 కింద (kinda) — below, underneath

Before the new one: say the Telugu for far; distance, then the Telugu for above.

You'll want to know: కింద

కింద — *kinda* — "below, underneath".

The word, taken apart — its roots and family

కింద (*kinda*) is native Dravidian, one word with Tamil *kīḻ* and Kannada *kīḻ*, "below" (DEDR 1619), which lists *kinda* itself.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kinda*
- *Say it:* *kinda*, once more
- *Say it:* say *kinda*
- *Recall:* say the Telugu for far; distance, then the Telugu for above, then say *kinda* again

Before you move on

What does **కింద** mean? ("Below, underneath".) Say it once more.

101.3 లోపల (lōpala) — inside

Before the new one: say the Telugu for above, then the Telugu for below.

You'll want to know: లోపల

లోపల — *lōpala* — "inside".

The word, taken apart — its roots and family

లోపల (*lōpala*) is native Dravidian. DEDR 698 lists *lōpala*, "within, inside", itself, with Tamil *uḷ*, "inside".

What you've built

One more word for this chapter.

Your turn

- *Say it: lōpala*
- *Say it: lōpala*, once more
- *Say it:* say *lōpala*
- *Recall:* say the Telugu for above, then the Telugu for below, then say *lōpala* again

Before you move on

What does **లోపల** mean? ("Inside".) Say it once more.

101.4 బయట (bayaṭa) — outside

Before the new one: say the Telugu for below, then the Telugu for inside.

You'll want to know: బయట

బయట — *bayaṭa* — "outside".

The word, taken apart — its roots and family

బయట (*bayaṭa*) is native Dravidian, built on *bayalu*, which DEDR 3940 lists as "outside, exterior"; DEDR does not list *bayaṭa* itself.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bayaṭa*
- *Say it:* *bayaṭa*, once more
- *Say it:* say *bayaṭa*
- *Recall:* say the Telugu for below, then the Telugu for inside, then say *bayaṭa* again

Before you move on

What does **బయట** mean? ("Outside".) Say it once more.

101.5 వెనక (venaka) — behind

Before the new one: say the Telugu for inside, then the Telugu for outside.

You'll want to know: వెనక

వెనక — *venaka* — "behind".

The word, taken apart — its roots and family

వెనక (*venaka*) is native Dravidian, one word with Tamil *veṉ* and Kannada *bennu*, "the back" (DEDR 5488), which lists Telugu *venuka*, "the rear".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *venaka*
- *Say it:* *venaka*, once more
- *Say it:* say *venaka*
- *Recall:* say the Telugu for inside, then the Telugu for outside, then say *venaka* again

Before you move on

What does వెనక mean? ("Behind".) Say it once more.

Chapter 102

In the middle, Street, Road, Bridge, Park

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say in the middle, a street, a road, a bridge and a park.

Complete the last lesson of chapter 102: I can say in the middle, a street, a road, a bridge and a park.

102.1 మధ్యలో (madhyalō) — in the middle

Before the new one: say the Telugu for outside, then the Telugu for behind.

You'll want to know: మధ్యలో

మధ్యలో — *madhyalō* — "in the middle".

The word, taken apart — its roots and family

మధ్యలో (*madhyalō*) is Sanskrit *madhya*, "middle" (CDIAL 9804), with the native ending *-lō*, "in" (DEDR 698).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *madhyalō*
- *Say it:* *madhyalō*, once more
- *Say it:* say *madhyalō*
- *Recall:* say the Telugu for outside, then the Telugu for behind, then say *madhyalō* again

Before you move on

What does **మధ్యలో** mean? ("In the middle".) Say it once more.

102.2 వీధి (vīdhi) — a street

Before the new one: say the Telugu for behind, then the Telugu for in the middle.

You'll want to know: వీధి

వీధి — *vīdhi* — "a street".

The word, taken apart — its roots and family

వీధి (*vīdhi*) comes from Sanskrit *vīthi*, "road, street" (CDIAL 12050), lightly reshaped (*th* to *dh*): a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vīdhi*
- *Say it:* *vīdhi*, once more
- *Say it:* say *vīdhi*
- *Recall:* say the Telugu for behind, then the Telugu for in the middle, then say *vīdhi* again

Before you move on

What does వీధి mean? (“A street”.) Say it once more.

102.3 రోడ్డు (rōḍḍu) — a road

Before the new one: say the Telugu for in the middle, then the Telugu for a street.

You’ll want to know: రోడ్డు

రోడ్డు — *rōḍḍu* — “a road”.

The word, taken apart — its roots and family

రోడ్డు (*rōḍḍu*) is a loan from English *road*, with a doubled *-ḍḍ-* and Telugu’s added *-u*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: rōḍḍu*
- *Say it: rōḍḍu*, once more
- *Say it:* say *rōḍḍu*
- *Recall:* say the Telugu for in the middle, then the Telugu for a street, then say *rōḍḍu* again

Before you move on

What does రోడ్డు mean? (“A road”.) Say it once more.

102.4 వంతెన (vantena) — a bridge

Before the new one: say the Telugu for a street, then the Telugu for a road.

You'll want to know: వంతెన

వంతెన — *vantena* — "a bridge".

The word, taken apart — its roots and family

The origin of **వంతెన** (*vantena*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: vantena*
- *Say it: vantena*, once more
- *Say it:* say *vantena*
- *Recall:* say the Telugu for a street, then the Telugu for a road, then say *vantena* again

Before you move on

What does **వంతెన** mean? ("A bridge".) Say it once more.

102.5 పార్కు (pārku) — a park

Before the new one: say the Telugu for a road, then the Telugu for a bridge.

You'll want to know: పార్కు

పార్కు — *pārku* — "a park".

The word, taken apart — its roots and family

పార్కు (*pārku*) is a loan from English *park*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: pārku*
- *Say it: pārku*, once more
- *Say it:* say *pārku*
- *Recall:* say the Telugu for a road, then the Telugu for a bridge, then say *pārku* again

Before you move on

What does పార్కు mean? (“A park”.) Say it once more.

Chapter 103

Temple, School, Library, Bank, Market

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a temple, a school, a library, a bank and a market.
>
> *Complete the last lesson of chapter 103: I can say a temple, a school, a library, a bank and a market.*

103.1 గుడి (guḍi) — a temple

> Before the new one: say the Telugu for a bridge, then the Telugu for a park.

You'll want to know: గుడి

గుడి — *guḍi* — "a temple".

The word, taken apart — its roots and family

గుడి (*guḍi*) is native Dravidian, one word with Tamil *kuṭi*, "house", and Kannada *guḍi*, "house, temple" (DEDR 1655). DEDR compares Sanskrit *kuṭī*, "hut".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *guḍi*
- *Say it:* *guḍi*, once more
- *Say it:* say *guḍi*
- *Recall:* say the Telugu for a bridge, then the Telugu for a park, then say *guḍi* again

Before you move on

What does గుడి mean? ("A temple".) Say it once more.

103.2 బడి (baḍi) — a school

Before the new one: say the Telugu for a park, then the Telugu for a temple.

You'll want to know: బడి

బడి — *baḍi* — "a school".

The word, taken apart — its roots and family

The origin of బడి (*baḍi*) is uncertain. DEDR and CDIAL list no word of this shape meaning "school".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *baḍi*
- *Say it:* *baḍi*, once more
- *Say it:* say *baḍi*
- *Recall:* say the Telugu for a park, then the Telugu for a temple, then say *baḍi* again

Before you move on

What does **బడి** mean? ("A school".) Say it once more.

103.3 గ్రంథాలయం (granthālayaṁ) — a library

Before the new one: say the Telugu for a temple, then the Telugu for a school.

You'll want to know: గ్రంథాలయం

గ్రంథాలయం — *granthālayaṁ* — "a library".

The word, taken apart — its roots and family

గ్రంథాలయం (*granthālayaṁ*) is Sanskrit *grantha*, "book" (CDIAL 4350), and *ālaya*, "house, dwelling" (CDIAL 1366): "the house of books".

What you've built

One more word for this chapter.

Your turn

- *Say it: granthālayaṁ*
- *Say it: granthālayaṁ*, once more
- *Say it:* say *granthālayaṁ*
- *Recall:* say the Telugu for a temple, then the Telugu for a school, then say *granthālayaṁ* again

Before you move on

What does **గ్రంథాలయం** mean? ("A library".) Say it once more.

103.4 బ్యాంకు (byāṅku) — a bank

Before the new one: say the Telugu for a school, then the Telugu for a library.

You'll want to know: బ్యాంకు

బ్యాంకు — *byāṅku* — "a bank".

The word, taken apart — its roots and family

బ్యాంకు (*byāṅku*) is a loan from English *bank*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: byāṅku*
- *Say it: byāṅku*, once more
- *Say it:* say *byāṅku*
- *Recall:* say the Telugu for a school, then the Telugu for a library, then say *byāṅku* again

Before you move on

What does బ్యాంకు mean? ("A bank".) Say it once more.

103.5 సంత (santa) — a market

Before the new one: say the Telugu for a library, then the Telugu for a bank.

You'll want to know: సంత

సంత — *santa* — "a market".

The word, taken apart — its roots and family

The origin of సంత (*santa*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: santa*
- *Say it: santa*, once more
- *Say it:* say *santa*
- *Recall:* say the Telugu for a library, then the Telugu for a bank, then say *santa* again

Before you move on

What does సంత mean? (“A market”.) Say it once more.

Chapter 104

Shore, Office, Garden, Corner, Turn

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a shore, an office, a garden, a corner and a turn.

Complete the last lesson of chapter 104: I can say a shore, an office, a garden, a corner and a turn.

104.1 తీరం (tīraṁ) — a shore, a coast

Before the new one: say the Telugu for a bank, then the Telugu for a market.

You'll want to know: తీరం

తీరం — *tīraṁ* — "a shore, a coast".

The word, taken apart — its roots and family

తీరం (*tīraṁ*) is Sanskrit *tīra*, "shore, bank", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 5842).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tīraṁ*
- *Say it:* *tīraṁ*, once more
- *Say it:* say *tīraṁ*
- *Recall:* say the Telugu for a bank, then the Telugu for a market, then say *tīraṁ* again

Before you move on

What does **తీరం** mean? ("A shore, a coast".) Say it once more.

104.2 కార్యాలయం (kāryālayaṁ) — an office

Before the new one: say the Telugu for a market, then the Telugu for a shore.

You'll want to know: కార్యాలయం

కార్యాలయం — *kāryālayaṁ* — "an office".

The word, taken apart — its roots and family

కార్యాలయం (*kāryālayaṁ*) is Sanskrit *kārya*, "business, work" (CDIAL 3078), and *ālaya*, "house" (CDIAL 1366): "the house of business".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kāryālayaṁ*
- *Say it:* *kāryālayaṁ*, once more
- *Say it:* say *kāryālayaṁ*
- *Recall:* say the Telugu for a market, then the Telugu for a shore, then say *kāryālayaṁ* again

Before you move on

What does కార్యాలయం mean? ("An office".) Say it once more.

104.3 తోట (tōṭa) — a garden

Before the new one: say the Telugu for a shore, then the Telugu for an office.

You'll want to know: తోట

తోట — *tōṭa* — "a garden".

The word, taken apart — its roots and family

తోట (*tōṭa*) is native Dravidian. DEDR 3549 lists the Telugu word for "garden, grove" under the verb for "to scoop out", with Tamil *tōṇṭu*, "to dig".

What you've built

One more word for this chapter.

Your turn

- *Say it: tōṭa*
- *Say it: tōṭa*, once more
- *Say it:* say *tōṭa*
- *Recall:* say the Telugu for a shore, then the Telugu for an office, then say *tōṭa* again

Before you move on

What does తోట mean? ("A garden".) Say it once more.

104.4 మూల (mūla) — a corner

Before the new one: say the Telugu for an office, then the Telugu for a garden.

You'll want to know: మూల

మూల — *mūla* — "a corner".

The word, taken apart — its roots and family

మూల (*mūla*) is native Dravidian, one word with Tamil *mūlai* and Kannada *mūle* (DEDR 5044).

What you've built

One more word for this chapter.

Your turn

- *Say it: mūla*
- *Say it: mūla*, once more
- *Say it:* say *mūla*
- *Recall:* say the Telugu for an office, then the Telugu for a garden, then say *mūla* again

Before you move on

What does **మూల** mean? ("A corner".) Say it once more.

104.5 మలుపు (malupu) — a turn, a bend

Before the new one: say the Telugu for a garden, then the Telugu for a corner.

You'll want to know: మలుపు

మలుపు — *malupu* — "a turn, a bend".

The word, taken apart — its roots and family

మలుపు (*malupu*) is probably native Dravidian. DEDR 4734 lists Telugu *malapu*, "to turn back", and *maluku*, "a turn, twist", with Kannada *malaku*, "a turn, bend", but not *malupu* itself. DEDR 4831 *malupu*, "to extinguish", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *malupu*
- *Say it:* *malupu*, once more
- *Say it:* say *malupu*
- *Recall:* say the Telugu for a garden, then the Telugu for a corner, then say *malupu* again

Before you move on

What does **మలుపు** mean? ("A turn, a bend".) Say it once more.

Chapter 105

Station, Bus, Ability, Skill, Right

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a station, a bus, ability, a skill and a right.
>
> *Complete the last lesson of chapter 105: I can say a station, a bus, ability, a skill and a right.*

105.1 స్టేషన్ (sṭēṣan) — a station

Before the new one: say the Telugu for a corner, then the Telugu for a turn.

You'll want to know: స్టేషన్

స్టేషన్ — *sṭēṣan* — "a station".

The word, taken apart — its roots and family

స్టేషన్ (*sṭēṣan*) is a loan from English *station*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sṭēṣan*

- *Say it:* *sṭēṣan*, once more
- *Say it:* say *sṭēṣan*
- *Recall:* say the Telugu for a corner, then the Telugu for a turn, then say *sṭēṣan* again

Before you move on

What does స్టేషన్ mean? ("A station".) Say it once more.

105.2 బస్సు (bassu) — a bus

Before the new one: say the Telugu for a turn, then the Telugu for a station.

You'll want to know: బస్సు

బస్సు — *bassu* — "a bus".

The word, taken apart — its roots and family

బస్సు (*bassu*) is a loan from English *bus*, itself short for Latin *omnibus*, "for all", with a doubled *-ss-* and Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bassu*
- *Say it:* *bassu*, once more
- *Say it:* say *bassu*
- *Recall:* say the Telugu for a turn, then the Telugu for a station, then say *bassu* again

Before you move on

What does బస్సు mean? ("A bus".) Say it once more.

105.3 సామర్థ్యం (sāmarthyaṁ) — ability

Before the new one: say the Telugu for a station, then the Telugu for a bus.

You'll want to know: సామర్థ్యం

సామర్థ్యం — *sāmarthyaṁ* — "ability".

The word, taken apart — its roots and family

సామర్థ్యం (*sāmarthyaṁ*) is Sanskrit *sāmarthya*, "ability, power", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sāmarthyaṁ*
- *Say it: sāmarthyaṁ*, once more
- *Say it:* say *sāmarthyaṁ*
- *Recall:* say the Telugu for a station, then the Telugu for a bus, then say *sāmarthyaṁ* again

Before you move on

What does సామర్థ్యం mean? ("Ability".) Say it once more.

105.4 నైపుణ్యం (naipuṇyaṁ) — a skill

Before the new one: say the Telugu for a bus, then the Telugu for ability.

You'll want to know: నైపుణ్యం

నైపుణ్యం — *naipuṇyaṁ* — "a skill".

The word, taken apart — its roots and family

నైపుణ్యం (*naipuṇyaṁ*) is Sanskrit *naipuṇya*, "skill", from *nipuṇa*, "skilful", taken over whole as a learned loan, a tatsama.

What you've built

One more word for this chapter.

Your turn

- *Say it: naipuṇyaṁ*
- *Say it: naipuṇyaṁ*, once more
- *Say it:* say *naipuṇyaṁ*
- *Recall:* say the Telugu for a bus, then the Telugu for ability, then say *naipuṇyaṁ* again

Before you move on

What does నైపుణ్యం mean? ("A skill".) Say it once more.

105.5 హక్కు (hakku) — a right

Before the new one: say the Telugu for ability, then the Telugu for a skill.

You'll want to know: హక్కు

హక్కు — *hakku* — "a right".

The word, taken apart — its roots and family

హక్కు (*hakku*) is a loan from Arabic *ḥaqq*, "right, truth", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: hakku*
- *Say it: hakku*, once more
- *Say it:* say *hakku*
- *Recall:* say the Telugu for ability, then the Telugu for a skill, then say *hakku* again

Before you move on

What does హక్కు mean? ("A right".) Say it once more.

Chapter 106

Chance, Tool, Property, Owner, Strength

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a chance, a tool, property, an owner and strength.

Complete the last lesson of chapter 106: I can say a chance, a tool, property, an owner and strength.

106.1 అవకాశం (avakāśaṁ) — a chance, an opportunity

Before the new one: say the Telugu for a skill, then the Telugu for a right.

You'll want to know: అవకాశం

అవకాశం — *avakāśaṁ* — "a chance, an opportunity".

The word, taken apart — its roots and family

అవకాశం (*avakāśaṁ*) is Sanskrit *avakāśa*, "space; opportunity", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 728).

What you've built

One more word for this chapter.

Your turn

- *Say it: avakāśaṁ*
- *Say it: avakāśaṁ*, once more
- *Say it:* say *avakāśaṁ*
- *Recall:* say the Telugu for a skill, then the Telugu for a right, then say *avakāśaṁ* again

Before you move on

What does **అవకాశం** mean? ("A chance, an opportunity".) Say it once more.

106.2 పరికరం (parikaraṁ) — a tool

Before the new one: say the Telugu for a right, then the Telugu for a chance.

You'll want to know: పరికరం

పరికరం — *parikaraṁ* — "a tool".

The word, taken apart — its roots and family

పరికరం (*parikaraṁ*) is Sanskrit *parikara*, "equipment, apparatus", taken over whole as a learned loan, a tatsama.

What you've built

One more word for this chapter.

Your turn

- *Say it: parikaraṁ*
- *Say it: parikaraṁ*, once more
- *Say it:* say *parikaraṁ*
- *Recall:* say the Telugu for a right, then the Telugu for a chance, then say *parikaraṁ* again

Before you move on

What does **పరికరం** mean? ("A tool".) Say it once more.

106.3 ఆస్తి (āsti) — property

Before the new one: say the Telugu for a chance, then the Telugu for a tool.

You'll want to know: ఆస్తి

ఆస్తి — *āsti* — "property".

The word, taken apart — its roots and family

The origin of **ఆస్తి** (*āsti*) is uncertain. It is often linked to Sanskrit *asti*, "existence, what is", but neither DEDR nor CDIAL records the Telugu word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āsti*
- *Say it:* *āsti*, once more
- *Say it:* say *āsti*
- *Recall:* say the Telugu for a chance, then the Telugu for a tool, then say *āsti* again

Before you move on

What does **ఆస్తి** mean? ("Property".) Say it once more.

106.4 యజమాని (yajamāni) — an owner

Before the new one: say the Telugu for a tool, then the Telugu for property.

You'll want to know: యజమాని

యజమాని — *yajamāni* — "an owner".

The word, taken apart — its roots and family

యజమాని (*yajamāni*) comes from Sanskrit *yajamāna*, "the patron of a sacrifice", the man who paid for the rite, reshaped to Telugu sounds.

What you've built

One more word for this chapter.

Your turn

- *Say it: yajamāni*
- *Say it: yajamāni*, once more
- *Say it:* say *yajamāni*
- *Recall:* say the Telugu for a tool, then the Telugu for property, then say *yajamāni* again

Before you move on

What does **యజమాని** mean? ("An owner".) Say it once more.

106.5 బలం (balaṁ) — strength

Before the new one: say the Telugu for property, then the Telugu for an owner.

You'll want to know: బలం

బలం — *balaṁ* — "strength".

The word, taken apart — its roots and family

బలం (*balaṁ*) is Sanskrit *bala*, "power, strength", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 9161).

What you've built

One more word for this chapter.

Your turn

- *Say it: balaṁ*
- *Say it: balaṁ*, once more
- *Say it:* say *balaṁ*
- *Recall:* say the Telugu for property, then the Telugu for an owner, then say *balaṁ* again

Before you move on

What does బలం mean? ("Strength".) Say it once more.

Chapter 107

Wish, Hope, Dream, Intention, Plan

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a wish, hope, a dream, an intention and a plan.
>
> *Complete the last lesson of chapter 107: I can say a wish, hope, a dream, an intention and a plan.*

107.1 కోరిక (kōrika) — a wish

> Before the new one: say the Telugu for an owner, then the Telugu for strength.

You'll want to know: కోరిక

కోరిక — *kōrika* — "a wish".

The word, taken apart — its roots and family

కోరిక (*kōrika*) is native Dravidian, one word with Tamil *kōrikkai*, "request, wish", and Kannada *kōr̲ike*, "wishing" (DEDR 2232), which lists *kōrika* itself.

What you've built

One more word for this chapter.

Your turn

- *Say it: kōrika*
- *Say it: kōrika*, once more
- *Say it:* say *kōrika*
- *Recall:* say the Telugu for an owner, then the Telugu for strength, then say *kōrika* again

Before you move on

What does కోరిక mean? (“A wish”.) Say it once more.

107.2 ఆశ (āśa) — hope

Before the new one: say the Telugu for strength, then the Telugu for a wish.

You’ll want to know: ఆశ

ఆశ — *āśa* — “hope”.

The word, taken apart — its roots and family

ఆశ (*āśa*) is Sanskrit *āśā*, “wish, expectation”, taken over whole as a learned loan, a tatsama, with the final -*ā* shortened (CDIAL 1456).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: āśa*
- *Say it: āśa*, once more
- *Say it:* say *āśa*
- *Recall:* say the Telugu for strength, then the Telugu for a wish, then say *āśa* again

Before you move on

What does **ఆశ** mean? (“Hope”.) Say it once more.

107.3 కల (kala) — a dream

Before the new one: say the Telugu for a wish, then the Telugu for hope.

You’ll want to know: కల

కల — *kala* — “a dream”.

The word, taken apart — its roots and family

కల (*kala*) is native Dravidian, one word with Tamil *kaṉā* and Kannada *kanasu* (DEDR 1407). DEDR lists Telugu *kala*, “dream”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kala*
- *Say it: kala*, once more
- *Say it:* say *kala*
- *Recall:* say the Telugu for a wish, then the Telugu for hope, then say *kala* again

Before you move on

What does **కల** mean? (“A dream”.) Say it once more.

107.4 ఉద్దేశం (uddēśaṁ) — an intention

Before the new one: say the Telugu for hope, then the Telugu for a dream.

You'll want to know: ఉద్దేశం

ఉద్దేశం — *uddēśaṁ* — "an intention".

The word, taken apart — its roots and family

ఉద్దేశం (*uddēśaṁ*) is Sanskrit *uddeśa*, "pointing out", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 1998). Telugu uses it for "intention".

What you've built

One more word for this chapter.

Your turn

- *Say it: uddēśaṁ*
- *Say it: uddēśaṁ*, once more
- *Say it:* say *uddēśaṁ*
- *Recall:* say the Telugu for hope, then the Telugu for a dream, then say *uddēśaṁ* again

Before you move on

What does **ఉద్దేశం** mean? ("An intention".) Say it once more.

107.5 ప్రణాళిక (praṇālika) — a plan

Before the new one: say the Telugu for a dream, then the Telugu for an intention.

You'll want to know: ప్రణాళిక

ప్రణాళిక — *praṇālika* — "a plan".

The word, taken apart — its roots and family

ప్రణాళిక (*praṇālika*) is Sanskrit *praṇālikā*, "channel, course", taken over as a learned loan, a tatsama, with the final *-ā* shortened. The sense "plan" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it: praṇālika*
- *Say it: praṇālika*, once more
- *Say it:* say *praṇālika*
- *Recall:* say the Telugu for a dream, then the Telugu for an intention, then say *praṇālika* again

Before you move on

What does ప్రణాళిక mean? ("A plan".) Say it once more.

Chapter 108

To wish for, To decide, Reason, Therefore, Because of

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to wish for, to decide, a reason, therefore and because of.

Complete the last lesson of chapter 108: I can say to wish for, to decide, a reason, therefore and because of.

108.1 కోరు (kōru) — to wish for, to ask for

Before the new one: say the Telugu for an intention, then the Telugu for a plan.

You'll want to know: కోరు

కోరు — *kōru* — "to wish for, to ask for".

The word, taken apart — its roots and family

కోరు (*kōru*) is native Dravidian, one word with Tamil *kōru* and Kannada *kōru* (DEDR 2232). DEDR lists Telugu *kōru*, "to desire, request".

What you've built

One more word for this chapter.

Your turn

- *Say it: kōru*
- *Say it: kōru*, once more
- *Say it:* say *kōru*
- *Recall:* say the Telugu for an intention, then the Telugu for a plan, then say *kōru* again

Before you move on

What does కోరు mean? ("To wish for, to ask for".) Say it once more.

108.2 నిర్ణయించు (nirṇayiñcu) — to decide

Before the new one: say the Telugu for a plan, then the Telugu for to wish for.

You'll want to know: నిర్ణయించు

నిర్ణయించు — *nirṇayiñcu* — "to decide".

The word, taken apart — its roots and family

నిర్ణయించు (*nirṇayiñcu*) is Sanskrit *nirṇaya*, "decision", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: nirṇayiñcu*
- *Say it: nirṇayiñcu*, once more
- *Say it:* say *nirṇayiñcu*
- *Recall:* say the Telugu for a plan, then the Telugu for to wish for, then say *nirṇayiñcu* again

Before you move on

What does **నిర్ణయించు** mean? ("To decide".) Say it once more.

108.3 కారణం (kāraṇaṁ) — a reason

Before the new one: say the Telugu for to wish for, then the Telugu for to decide.

You'll want to know: కారణం

కారణం — *kāraṇaṁ* — "a reason".

The word, taken apart — its roots and family

కారణం (*kāraṇaṁ*) is Sanskrit *kāraṇa*, "cause", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 3057).

What you've built

One more word for this chapter.

Your turn

- *Say it: kāraṇaṁ*
- *Say it: kāraṇaṁ*, once more
- *Say it:* say *kāraṇaṁ*
- *Recall:* say the Telugu for to wish for, then the Telugu for to decide, then say *kāraṇaṁ* again

Before you move on

What does **కారణం** mean? ("A reason".) Say it once more.

108.4 అందువల్ల (anduvalla) — therefore

Before the new one: say the Telugu for to decide, then the Telugu for a reason.

You'll want to know: అందువల్ల

అందువల్ల — *anduvalla* — "therefore".

The word, taken apart — its roots and family

అందువల్ల (*anduvalla*) is native Dravidian: *andu*, "there, that", on the far-pointing base of DEDR 1, and *valla*, "because of", which DEDR 5276 lists as the postposition *valana*.

What you've built

One more word for this chapter.

Your turn

- *Say it: anduvalla*
- *Say it: anduvalla*, once more
- *Say it:* say *anduvalla*
- *Recall:* say the Telugu for to decide, then the Telugu for a reason, then say *anduvalla* again

Before you move on

What does **అందువల్ల** mean? ("Therefore".) Say it once more.

108.5 వల్ల (valla) — because of

Before the new one: say the Telugu for a reason, then the Telugu for therefore.

You'll want to know: వల్ల

వల్ల — *valla* — "because of".

The word, taken apart — its roots and family

వల్ల (*valla*) is native Dravidian. DEDR 5276 lists *valana*, an instrumental postposition, under *val-*, "strong, able", with Tamil *val*, "strong".

What you've built

One more word for this chapter.

Your turn

- *Say it: valla*
- *Say it: valla*, once more
- *Say it:* say *valla*
- *Recall:* say the Telugu for a reason, then the Telugu for therefore, then say *valla* again

Before you move on

What does వల్ల mean? ("Because of".) Say it once more.

Chapter 109

That is exactly why, Bed, Pillow, Blanket, Curtain

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say that is exactly why, a bed, a pillow, a blanket and a curtain.

Complete the last lesson of chapter 109: I can say that is exactly why, a bed, a pillow, a blanket and a curtain.

109.1 అందుకే (andukē) — that is exactly why

Before the new one: say the Telugu for therefore, then the Telugu for because of.

You'll want to know: అందుకే

అందుకే — *andukē* — "that is exactly why".

The word, taken apart — its roots and family

అందుకే (*andukē*) is native Dravidian: *andu*, "that", on the far-pointing base of DEDR 1, with the dative *-ku* and the emphatic *-ē*: "for exactly that".

What you've built

One more word for this chapter.

Your turn

- *Say it: andukē*
- *Say it: andukē*, once more
- *Say it:* say *andukē*
- *Recall:* say the Telugu for therefore, then the Telugu for because of, then say *andukē* again

Before you move on

What does **అందుకే** mean? ("That is exactly why".) Say it once more.

109.2 మంచం (mañcaṁ) — a bed

Before the new one: say the Telugu for because of, then the Telugu for that is exactly why.

You'll want to know: మంచం

మంచం — *mañcaṁ* — "a bed".

The word, taken apart — its roots and family

మంచం (*mañcaṁ*) is Sanskrit *mañca*, "stage, platform; bed", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 9715).

What you've built

One more word for this chapter.

Your turn

- *Say it: mañcaṁ*
- *Say it: mañcaṁ*, once more
- *Say it:* say *mañcaṁ*
- *Recall:* say the Telugu for because of, then the Telugu for that is exactly why, then say *mañcaṁ* again

Before you move on

What does **మంచం** mean? ("A bed".) Say it once more.

109.3 దిండు (diṇḍu) — a pillow

Before the new one: say the Telugu for that is exactly why, then the Telugu for a bed.

You'll want to know: దిండు

దిండు — *diṇḍu* — "a pillow".

The word, taken apart — its roots and family

దిండు (*diṇḍu*) is native Dravidian, one word with Tamil *tiṇṭu* and Kannada *diṇḍu* (DEDR 3224). DEDR lists Telugu *diṇḍu*, "pillow, cushion".

What you've built

One more word for this chapter.

Your turn

- *Say it: diṇḍu*
- *Say it: diṇḍu*, once more
- *Say it:* say *diṇḍu*
- *Recall:* say the Telugu for that is exactly why, then the Telugu for a bed, then say *diṇḍu* again

Before you move on

What does **దిండు** mean? ("A pillow".) Say it once more.

109.4 దుప్పటి (duppaṭi) — a blanket

Before the new one: say the Telugu for a bed, then the Telugu for a pillow.

You'll want to know: దుప్పటి

దుప్పటి — *duppaṭi* — "a blanket".

The word, taken apart — its roots and family

దుప్పటి (*duppaṭi*) is probably a loan of the northern word for a double cloth, Hindi *dupaṭṭā*. CDIAL does not list *dupaṭṭā*; its entry 6413 reconstructs *dupaṭṭikā, "two cloths", from a single Ḍogrī word.

What you've built

One more word for this chapter.

Your turn

- *Say it: duppaṭi*
- *Say it: duppaṭi*, once more
- *Say it:* say *duppaṭi*
- *Recall:* say the Telugu for a bed, then the Telugu for a pillow, then say *duppaṭi* again

Before you move on

What does **దుప్పటి** mean? ("A blanket".) Say it once more.

109.5 తెర (tera) — a curtain, a screen

Before the new one: say the Telugu for a pillow, then the Telugu for a blanket.

You'll want to know: తెర

తెర — *tera* — "a curtain, a screen".

The word, taken apart — its roots and family

తెర (*tera*) is native Dravidian, one word with Kannada *tere* (DEDR 3244). DEDR lists Telugu *tera*, "screen, curtain, wave".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tera*
- *Say it:* *tera*, once more
- *Say it:* say *tera*
- *Recall:* say the Telugu for a pillow, then the Telugu for a blanket, then say *tera* again

Before you move on

What does **తెర** mean? ("A curtain, a screen".) Say it once more.

109.6 Places, can and want — a first pass

Say the words for a blanket and a curtain.

Your turn

Say these aloud:

- right, left, straight ahead, near, far; distance
- above, below, inside, outside, behind
- in the middle, a street, a road, a bridge, a park
- a temple, a school, a library, a bank, a market
- a shore, an office, a garden, a corner, a turn

Before you move on

Right? (**కుడి**, *kuḍi.*) Left? (**ఎడమ**, *eḍama.*) Straight ahead? (**తిన్నగా**, *tinnagā.*) Near? (**దగ్గర**, *daggara.*) Far; distance? (**దూరం**, *dūraṁ.*) Above? (**పైన**, *paina.*) Below? (**కింద**, *kinda.*) Inside? (**లోపల**, *lōpala.*) Outside? (**బయట**, *bayaṭa.*) Behind? (**వెనక**, *venaka.*) In the middle?

(మధ్యలో, *madhyalō.*) A street? (వీధి, *vīdhi.*) A road? (రోడ్డు, *rōḍḍu.*) A bridge? (వంతెన, *vantena.*) A park? (పార్కు, *pārku.*) A temple? (గుడి, *guḍi.*) A school? (బడి, *baḍi.*) A library? (గ్రంథాలయం, *granthālayaṁ.*) A bank? (బ్యాంకు, *byāṅku.*) A market? (సంత, *santa.*) A shore? (తీరం, *tīraṁ.*) An office? (కార్యాలయం, *kāryālayaṁ.*) A garden? (తోట, *tōṭa.*) A corner? (మూల, *mūla.*) A turn? (మలుపు, *malupu.*)

109.7 Want, why and the house — a second pass

Say the words for a station and a bus.

Your turn

Say these aloud:

- a station, a bus, ability, a skill, a right
- a chance, a tool, property, an owner, strength
- a wish, hope, a dream, an intention, a plan
- to wish for, to decide, a reason, therefore, because of
- that is exactly why, a bed, a pillow, a blanket, a curtain

Before you move on

A station? (స్టేషన్, *sṭēṣan.*) A bus? (బస్సు, *bassu.*) Ability? (సామర్థ్యం, *sāmarthyaṁ.*) A skill? (నైపుణ్యం, *naipuṇyaṁ.*) A right? (హక్కు, *hakku.*) A chance? (అవకాశం, *avakāśaṁ.*) A tool? (పరికరం, *parikaraṁ.*) Property? (ఆస్తి, *āsti.*) An owner? (యజమాని, *yajamāni.*) Strength? (బలం, *balaṁ.*) A wish? (కోరిక, *kōrika.*) Hope? (ఆశ, *āśa.*) A dream? (కల, *kala.*) An intention? (ఉద్దేశం, *uddēśaṁ.*) A plan? (ప్రణాళిక, *praṇāḷika.*) To wish for? (కోరు, *kōru.*) To decide? (నిర్ణయించు, *nirṇayiñcu.*) A reason? (కారణం, *kāraṇaṁ.*) Therefore? (అందువల్ల, *anduvalla.*) Because of? (వల్ల, *valla.*) That is exactly why? (అందుకే, *andukē.*) A bed? (మంచం, *mañcaṁ.*) A pillow? (దిండు, *diṇḍu.*) A blanket? (దుప్పటి, *duppaṭi.*) A curtain? (తెర, *tera.*)

Chapter 110

Lock, Key, Rope, Nail, Scissors

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a lock, a key, a rope, a nail and scissors.
>
> *Complete the last lesson of chapter 110: I can say a lock, a key, a rope, a nail and scissors.*

110.1 తాళం (tāḷaṁ) — a lock

Before the new one: say the Telugu for a blanket, then the Telugu for a curtain, a screen.

You'll want to know: తాళం

తాళం — *tāḷaṁ* — "a lock".

The word, taken apart — its roots and family

తాళం (*tāḷaṁ*) is native Dravidian, one word with Tamil *tāḻ* and Kannada *tāḷ*, "bolt, bar" (DEDR 3179), which lists *tāḷamu*, "lock, key". DEDR compares Sanskrit *tāla* and *tāḍaka*, "latch, bolt" (CDIAL 5749).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tāḷaṁ*
- *Say it:* *tāḷaṁ*, once more
- *Say it:* say *tāḷaṁ*
- *Recall:* say the Telugu for a blanket, then the Telugu for a curtain, a screen, then say *tāḷaṁ* again

Before you move on

What does **తాళం** mean? (“A lock”.) Say it once more.

110.2 తాళంచెవి (tāḷaṁcevi) — a key

Before the new one: say the Telugu for a curtain, a screen, then the Telugu for a lock.

You’ll want to know: తాళంచెవి

తాళంచెవి — *tāḷaṁcevi* — “a key”.

The word, taken apart — its roots and family

తాళంచెవి (*tāḷaṁcevi*) is native Dravidian: *tāḷaṁ*, “lock” (DEDR 3179), and *cevi*, “ear”, one word with Tamil *cevi* (DEDR 1977): the lock’s ear. DEDR compares Sanskrit *tāḍaka*, “latch”, with the first word (CDIAL 5749).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *tāḷaṁcevi*
- *Say it:* *tāḷaṁcevi*, once more
- *Say it:* say *tāḷaṁcevi*

- *Recall:* say the Telugu for a curtain, a screen, then the Telugu for a lock, then say *tāḷamicevi* again

Before you move on

What does **తాళంచెవి** mean? ("A key".) Say it once more.

110.3 తాడు (tāḍu) — a rope

Before the new one: say the Telugu for a lock, then the Telugu for a key.

You'll want to know: తాడు

తాడు — *tāḍu* — "a rope".

The word, taken apart — its roots and family

తాడు (*tāḍu*) is native Dravidian. DEDR 2356 lists *trāḍu*, "cord, rope, twine", with Tamil *caraṭu*, "twisted thread, cord".

What you've built

One more word for this chapter.

Your turn

- *Say it: tāḍu*
- *Say it: tāḍu*, once more
- *Say it:* say *tāḍu*
- *Recall:* say the Telugu for a lock, then the Telugu for a key, then say *tāḍu* again

Before you move on

What does **తాడు** mean? ("A rope".) Say it once more.

110.4 మేకు (mēku) — a nail (to hammer)

Before the new one: say the Telugu for a key, then the Telugu for a rope.

You'll want to know: మేకు

మేకు — *mēku* — "a nail (to hammer)".

The word, taken apart — its roots and family

మేకు (*mēku*) is usually traced to Persian *mēkh*, "nail, peg", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: mēku*
- *Say it: mēku*, once more
- *Say it:* say *mēku*
- *Recall:* say the Telugu for a key, then the Telugu for a rope, then say *mēku* again

Before you move on

What does **మేకు** mean? ("A nail (to hammer)".) Say it once more.

110.5 కత్తెర (katterā) — scissors

Before the new one: say the Telugu for a rope, then the Telugu for a nail.

You'll want to know: కత్తెర

కత్తెర — *katterā* — "scissors".

The word, taken apart — its roots and family

కత్తెర (*katterā*) comes from Sanskrit *kartarī*, "scissors, knife", reshaped to Telugu sounds: a tadbhava (CDIAL 2858).

What you've built

One more word for this chapter.

Your turn

- *Say it: katterā*
- *Say it: katterā*, once more
- *Say it:* say *katterā*
- *Recall:* say the Telugu for a rope, then the Telugu for a nail, then say *katterā* again

Before you move on

What does కత్తెర mean? ("Scissors".) Say it once more.

Chapter 111

Comb, Soap, Towel, Glasses, Clock

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a comb, soap, a towel, glasses and a clock.
>
> *Complete the last lesson of chapter 111: I can say a comb, soap, a towel, glasses and a clock.*

111.1 దువ్వెన (duvvena) — a comb

Before the new one: say the Telugu for a nail, then the Telugu for scissors.

You'll want to know: దువ్వెన

దువ్వెన — *duvvena* — "a comb".

The word, taken apart — its roots and family

దువ్వెన (*duvvena*) is native Dravidian. DEDR 689 lists *duvvu*, "to comb", and *duvvena*, "a comb", with Tamil *u̲lu*, "to arrange the hair".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *duvvena*
- *Say it:* *duvvena*, once more
- *Say it:* say *duvvena*
- *Recall:* say the Telugu for a nail, then the Telugu for scissors, then say *duvvena* again

Before you move on

What does దువ్వెన mean? (“A comb”.) Say it once more.

111.2 సబ్బు (sabbu) — soap

Before the new one: say the Telugu for scissors, then the Telugu for a comb.

You’ll want to know: సబ్బు

సబ్బు — *sabbu* — “soap”.

The word, taken apart — its roots and family

సబ్బు (*sabbu*) is usually traced to Arabic *ṣābūn*, “soap”, which came through Persian and Hindustani.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *sabbu*
- *Say it:* *sabbu*, once more
- *Say it:* say *sabbu*
- *Recall:* say the Telugu for scissors, then the Telugu for a comb, then say *sabbu* again

Before you move on

What does **సబ్బు** mean? ("Soap".) Say it once more.

111.3 తువ్వాలు (tuvvālu) — a towel

Before the new one: say the Telugu for a comb, then the Telugu for soap.

You'll want to know: తువ్వాలు

తువ్వాలు — *tuvvālu* — "a towel".

The word, taken apart — its roots and family

తువ్వాలు (*tuvvālu*) is usually traced to Portuguese *toalha*, "towel".

What you've built

One more word for this chapter.

Your turn

- *Say it: tuvvālu*
- *Say it: tuvvālu*, once more
- *Say it:* say *tuvvālu*
- *Recall:* say the Telugu for a comb, then the Telugu for soap, then say *tuvvālu* again

Before you move on

What does **తువ్వాలు** mean? ("A towel".) Say it once more.

111.4 కళ్ళజోడు (kaḷḷajōḍu) — glasses, spectacles

Before the new one: say the Telugu for soap, then the Telugu for a towel.

You'll want to know: కళ్ళజోడు

కళ్ళజోడు — *kaḷḷajōḍu* — "glasses, spectacles".

The word, taken apart — its roots and family

కళ్ళజోడు (*kaḷḷajōḍu*) is native *kaḷḷu*, "eyes", the plural of *kannu* (DEDR 1159), and *jōḍu*, "pair", a word from the north (Hindi *joṛ*): "a pair for the eyes".

What you've built

One more word for this chapter.

Your turn

- *Say it: kaḷḷajōḍu*
- *Say it: kaḷḷajōḍu*, once more
- *Say it:* say *kaḷḷajōḍu*
- *Recall:* say the Telugu for soap, then the Telugu for a towel, then say *kaḷḷajōḍu* again

Before you move on

What does **కళ్ళజోడు** mean? ("Glasses, spectacles".) Say it once more.

111.5 గడియారం (gaḍiyāraṁ) — a clock, a watch

Before the new one: say the Telugu for a towel, then the Telugu for glasses.

Name the first Telugu month, **చైత్రం**, and the last, **ఫాల్గుణం**. Then say **ఆదివారం**, the day of the beginning.

You'll want to know: గడియారం

గడియారం — *gaḍiyāraṁ* — "a clock, a watch".

The word, taken apart — its roots and family

గడియారం (*gaḍiyāraṁ*) is a loan from Hindustani *ghaṛiyāl*, "gong, clock", from Sanskrit *ghaṭikā*, the little pot that measured time as a water-clock.

What you've built

One more word for this chapter.

Your turn

- *Say it: gaḍiyāraṁ*
- *Say it: gaḍiyāraṁ*, once more
- *Say it:* say *gaḍiyāraṁ*
- *Recall:* say the Telugu for a towel, then the Telugu for glasses, then say *gaḍiyāraṁ* again

Before you move on

What does గడియారం mean? ("A clock, a watch".) Say it once more.

Chapter 112

Bag, Pen, Paper, Drinking glass, Spoon

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a bag, a pen, paper, a drinking glass and a spoon.

Complete the last lesson of chapter 112: I can say a bag, a pen, paper, a drinking glass and a spoon.

112.1 సంచి (sañci) — a bag

Before the new one: say the Telugu for glasses, then the Telugu for a clock.

You'll want to know: సంచి

సంచి — *sañci* — "a bag".

The word, taken apart — its roots and family

The origin of సంచి (*sañci*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: sañci*
- *Say it: sañci*, once more
- *Say it:* say *sañci*
- *Recall:* say the Telugu for glasses, then the Telugu for a clock, then say *sañci* again

Before you move on

What does సంచి mean? (“A bag”.) Say it once more.

112.2 కలం (kalaṁ) — a pen

Before the new one: say the Telugu for a clock, then the Telugu for a bag.

You’ll want to know: కలం

కలం — *kalaṁ* — “a pen”.

The word, taken apart — its roots and family

కలం (*kalaṁ*) is a loan from Arabic *qalam*, “reed pen”, which came through Persian and Hindustani.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kalaṁ*
- *Say it: kalaṁ*, once more
- *Say it:* say *kalaṁ*
- *Recall:* say the Telugu for a clock, then the Telugu for a bag, then say *kalaṁ* again

Before you move on

What does **కలం** mean? (“A pen”.) Say it once more.

112.3 కాగితం (kāgitaṁ) — paper

Before the new one: say the Telugu for a bag, then the Telugu for a pen.

Read it: the lines aloud as one run — **ఇది పుస్తకం. కుర్చీ ఇక్కడ ఉంది.**

You’ll want to know: కాగితం

కాగితం — *kāgitaṁ* — “paper”.

The word, taken apart — its roots and family

కాగితం (*kāgitaṁ*) is a loan from Persian *kāghaz*, “paper”, which came through Hindustani.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kāgitaṁ*
- *Say it: kāgitaṁ*, once more
- *Say it:* say *kāgitaṁ*
- *Recall:* say the Telugu for a bag, then the Telugu for a pen, then say *kāgitaṁ* again

Before you move on

What does **కాగితం** mean? (“Paper”.) Say it once more.

112.4 గ్లాసు (glāsu) — a drinking glass

Before the new one: say the Telugu for a pen, then the Telugu for paper.

You'll want to know: గ్లాసు

గ్లాసు — *glāsu* — "a drinking glass".

The word, taken apart — its roots and family

గ్లాసు (*glāsu*) is a loan from English *glass*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: glāsu*
- *Say it: glāsu*, once more
- *Say it:* say *glāsu*
- *Recall:* say the Telugu for a pen, then the Telugu for paper, then say *glāsu* again

Before you move on

What does గ్లాసు mean? ("A drinking glass".) Say it once more.

112.5 చెంచా (cemcā) — a spoon

Before the new one: say the Telugu for paper, then the Telugu for a drinking glass.

You'll want to know: చెంచా

చెంచా — *cemcā* — "a spoon".

The word, taken apart — its roots and family

చెంచా (*cemcā*) is a loan from Persian *chamcha*, "spoon, ladle", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cemcā*
- *Say it:* *cemcā*, once more
- *Say it:* say *cemcā*
- *Recall:* say the Telugu for paper, then the Telugu for a drinking glass, then say *cemcā* again

Before you move on

What does **చెంచా** mean? ("A spoon".) Say it once more.

Chapter 113

Stove, Candle, Matchbox, Doll, Ball

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a stove, a candle, a matchbox, a doll and a ball.

Complete the last lesson of chapter 113: I can say a stove, a candle, a matchbox, a doll and a ball.

113.1 పొయ్యి (poyyi) — a stove

Before the new one: say the Telugu for a drinking glass, then the Telugu for a spoon.

You'll want to know: పొయ్యి

పొయ్యి — *poyyi* — "a stove".

The word, taken apart — its roots and family

పొయ్యి (*poyyi*) is native Dravidian, one word with Tamil *pori* and Kannada *puri* (DEDR 4537). DEDR lists Telugu *poyi*, *poyyi*, "oven, stove, hearth", under the verb for "to fry, parch".

What you've built

One more word for this chapter.

Your turn

- *Say it: poyyi*
- *Say it: poyyi*, once more
- *Say it:* say *poyyi*
- *Recall:* say the Telugu for a drinking glass, then the Telugu for a spoon, then say *poyyi* again

Before you move on

What does పొయ్యి mean? ("A stove".) Say it once more.

113.2 కొవ్వొత్తి (kovvotti) — a candle

Before the new one: say the Telugu for a spoon, then the Telugu for a stove.

Greet the afternoon and the night: శుభ మధ్యాహ్నం, శుభ రాత్రి.

You'll want to know: కొవ్వొత్తి

కొవ్వొత్తి — *kovvotti* — "a candle".

The word, taken apart — its roots and family

కొవ్వొత్తి (*kovvotti*) is native *kovvu*, "fat", one word with Tamil *koḻu* (DEDR 2146), and *vatti*, "wick", from Sanskrit *varti*, "wick" (CDIAL 11359): a fat-wick.

What you've built

One more word for this chapter.

Your turn

- *Say it: kovvotti*
- *Say it: kovvotti*, once more
- *Say it:* say *kovvotti*

- *Recall:* say the Telugu for a spoon, then the Telugu for a stove, then say *kovvotti* again

Before you move on

What does కొవ్వొత్తి mean? (“A candle”.) Say it once more.

113.3 అగ్గిపెట్టె (aggipeṭṭe) — a matchbox

Before the new one: say the Telugu for a stove, then the Telugu for a candle.

You’ll want to know: అగ్గిపెట్టె

అగ్గిపెట్టె — *aggipeṭṭe* — “a matchbox”.

The word, taken apart — its roots and family

అగ్గిపెట్టె (*aggipeṭṭe*) is *aggi*, “fire”, from Sanskrit *agni* through a Prakrit *aggi* (CDIAL 55), and native *peṭṭe*, “box” (DEDR 4388), which DEDR compares with Sanskrit *peṭaka*, “box”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: aggipeṭṭe*
- *Say it: aggipeṭṭe*, once more
- *Say it:* say *aggipeṭṭe*
- *Recall:* say the Telugu for a stove, then the Telugu for a candle, then say *aggipeṭṭe* again

Before you move on

What does అగ్గిపెట్టె mean? (“A matchbox”.) Say it once more.

113.4 బొమ్మ (bomma) — a doll; a picture

Before the new one: say the Telugu for a candle, then the Telugu for a matchbox.

You'll want to know: బొమ్మ

బొమ్మ — *bomma* — "a doll; a picture".

The word, taken apart — its roots and family

బొమ్మ (*bomma*) is native Dravidian, one word with Tamil *pommai* and Kannada *bombe* (DEDR 4530).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bomma*
- *Say it:* *bomma*, once more
- *Say it:* say *bomma*
- *Recall:* say the Telugu for a candle, then the Telugu for a matchbox, then say *bomma* again

Before you move on

What does **బొమ్మ** mean? ("A doll; a picture".) Say it once more.

113.5 బంతి (banti) — a ball

Before the new one: say the Telugu for a matchbox, then the Telugu for a doll; a picture.

You'll want to know: బంతి

బంతి — *banti* — "a ball".

The word, taken apart — its roots and family

బంతి (*banti*) is native Dravidian, one word with Tamil *pantu* and Malayalam *pantu* (DEDR 3925).

What you've built

One more word for this chapter.

Your turn

- *Say it: banti*
- *Say it: banti*, once more
- *Say it:* say *banti*
- *Recall:* say the Telugu for a matchbox, then the Telugu for a doll; a picture, then say *banti* again

Before you move on

What does బంతి mean? ("A ball".) Say it once more.

Chapter 114

Kite, Shirt, Sari, Dhoti, Sandals

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a kite, a shirt, a sari, a dhoti and sandals.
>
> *Complete the last lesson of chapter 114: I can say a kite, a shirt, a sari, a dhoti and sandals.*

114.1 గాలిపటం (gālipaṭaṁ) — a kite

> Before the new one: say the Telugu for a doll; a picture, then the Telugu for a ball.

You'll want to know: గాలిపటం

గాలిపటం — *gālipaṭaṁ* — "a kite".

The word, taken apart — its roots and family

గాలిపటం (*gālipaṭaṁ*) is native *gāli*, "wind" (DEDR 1499), and *paṭaṁ*, from Sanskrit *paṭa*, "woven cloth" (CDIAL 7692), which CDIAL itself thinks probably came from an Austroasiatic language, less likely from Dravidian: "a wind-cloth".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gālipaṭaṁ*
- *Say it:* *gālipaṭaṁ*, once more
- *Say it:* say *gālipaṭaṁ*
- *Recall:* say the Telugu for a doll; a picture, then the Telugu for a ball, then say *gālipaṭaṁ* again

Before you move on

What does గాలిపటం mean? ("A kite".) Say it once more.

114.2 చొక్కా (cokkā) — a shirt

Before the new one: say the Telugu for a ball, then the Telugu for a kite.

You'll want to know: చొక్కా

చొక్కా — *cokkā* — "a shirt".

The word, taken apart — its roots and family

The origin of చొక్కా (*cokkā*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cokkā*
- *Say it:* *cokkā*, once more
- *Say it:* say *cokkā*
- *Recall:* say the Telugu for a ball, then the Telugu for a kite, then say *cokkā* again

Before you move on

What does **చొక్కా** mean? ("A shirt".) Say it once more.

114.3 చీర (cīra) — a sari

Before the new one: say the Telugu for a kite, then the Telugu for a shirt.

You'll want to know: చీర

చీర — *cīra* — "a sari".

The word, taken apart — its roots and family

చీర (*cīra*) is a Dravidian word, one with Tamil *cīrai* and Kannada *sīre*, "cloth" (DEDR 2629). DEDR notes that the Kannada word is said to come from Sanskrit *cīra*, "strip of cloth", though its sense is that of *cela*, "garment", and that the two words have probably been mixed; CDIAL 4843 in turn takes *cīra* and *cela* from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cīra*
- *Say it:* *cīra*, once more
- *Say it:* say *cīra*
- *Recall:* say the Telugu for a kite, then the Telugu for a shirt, then say *cīra* again

Before you move on

What does **చీర** mean? ("A sari".) Say it once more.

114.4 పంచె (pañce) — a dhoti

Before the new one: say the Telugu for a shirt, then the Telugu for a sari.

You'll want to know: పంచె

పంచె — *pañce* — "a dhoti".

The word, taken apart — its roots and family

The origin of **పంచె** (*pañce*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: pañce*
- *Say it: pañce*, once more
- *Say it:* say *pañce*
- *Recall:* say the Telugu for a shirt, then the Telugu for a sari, then say *pañce* again

Before you move on

What does **పంచె** mean? ("A dhoti".) Say it once more.

114.5 చెప్పులు (ceppulu) — sandals

Before the new one: say the Telugu for a sari, then the Telugu for a dhoti.

You'll want to know: చెప్పులు

చెప్పులు — *ceppulu* — "sandals".

The word, taken apart — its roots and family

చెప్పులు (*ceppulu*) is native Dravidian, one word with Tamil *ceruppu* and Malayalam *cerippu* (DEDR 1963). DEDR lists Telugu *ceppu*, "sandal, slipper".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ceppulu*
- *Say it:* *ceppulu*, once more
- *Say it:* say *ceppulu*
- *Recall:* say the Telugu for a sari, then the Telugu for a dhoti, then say *ceppulu* again

Before you move on

What does చెప్పులు mean? ("Sandals".) Say it once more.

Chapter 115

Cap, Ring, Bangles, Curry, Dal

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a cap, a ring, bangles, a curry and dal.
>
> *Complete the last lesson of chapter 115: I can say a cap, a ring, bangles, a curry and dal.*

115.1 టోపీ (ṭōpī) — a cap, a hat

> Before the new one: say the Telugu for a dhoti, then the Telugu for sandals.

You'll want to know: టోపీ

టోపీ — *ṭōpī* — "a cap, a hat".

The word, taken apart — its roots and family

టోపీ (*ṭōpī*) is a loan from Hindustani *ṭōpī*, "cap".

What you've built

One more word for this chapter.

Your turn

- *Say it: ṭōpī*

- *Say it:* *ṭōpī*, once more
- *Say it:* say *ṭōpī*
- *Recall:* say the Telugu for a dhoti, then the Telugu for sandals, then say *ṭōpī* again

Before you move on

What does టోపీ mean? ("A cap, a hat".) Say it once more.

115.2 ఉంగరం (uṅgaraṁ) — a ring

Before the new one: say the Telugu for sandals, then the Telugu for a cap.

You'll want to know: ఉంగరం

ఉంగరం — *uṅgaraṁ* — "a ring".

The word, taken apart — its roots and family

ఉంగరం (*uṅgaraṁ*) is native Dravidian, one word with Kannada *uṅgara* (DEDR 572). DEDR lists Telugu *uṅgaramu*, "ring".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *uṅgaraṁ*
- *Say it:* *uṅgaraṁ*, once more
- *Say it:* say *uṅgaraṁ*
- *Recall:* say the Telugu for sandals, then the Telugu for a cap, then say *uṅgaraṁ* again

Before you move on

What does ఉంగరం mean? ("A ring".) Say it once more.

115.3 గాజులు (gājulu) — bangles

Before the new one: say the Telugu for a cap, then the Telugu for a ring.

You'll want to know: గాజులు

గాజులు — *gājulu* — "bangles".

The word, taken apart — its roots and family

గాజులు (*gājulu*) is the plural of *gāju*, "glass", probably from Sanskrit *kāca*, "glass" (CDIAL 3007), reshaped as a tadbhava: bangles are named for what they are made of.

What you've built

One more word for this chapter.

Your turn

- *Say it: gājulu*
- *Say it: gājulu*, once more
- *Say it:* say *gājulu*
- *Recall:* say the Telugu for a cap, then the Telugu for a ring, then say *gājulu* again

Before you move on

What does **గాజులు** mean? ("Bangles".) Say it once more.

115.4 కూర (kūra) — a curry

Before the new one: say the Telugu for a ring, then the Telugu for bangles.

You'll want to know: కూర

కూర — *kūra* — "a curry".

The word, taken apart — its roots and family

కూర (*kūra*) is native Dravidian. DEDR 1760 lists *kūra*, "a vegetable, curry-stuff", with Tamil *kuy*, "seasoning with spices".

What you've built

One more word for this chapter.

Your turn

- *Say it: kūra*
- *Say it: kūra*, once more
- *Say it:* say *kūra*
- *Recall:* say the Telugu for a ring, then the Telugu for bangles, then say *kūra* again

Before you move on

What does కూర mean? ("A curry".) Say it once more.

115.5 పప్పు (pappu) — dal, lentils

Before the new one: say the Telugu for bangles, then the Telugu for a curry.

You'll want to know: పప్పు

పప్పు — *pappu* — "dal, lentils".

The word, taken apart — its roots and family

పప్పు (*pappu*) is native Dravidian, one word with Tamil *paruppu*, Kannada *pappu* and Malayalam *parippu* (DEDR 3978). DEDR lists Telugu *pappu*, "split pulse, dal".

What you've built

One more word for this chapter.

Your turn

- *Say it: pappu*
- *Say it: pappu*, once more
- *Say it:* say *pappu*
- *Recall:* say the Telugu for bangles, then the Telugu for a curry, then say *pappu* again

Before you move on

What does పప్పు mean? (“Dal, lentils”.) Say it once more.

Chapter 116

Sambar, Rasam, Egg, Fish, Meat

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say sambar, rasam, an egg, a fish and meat.
>
> *Complete the last lesson of chapter 116: I can say sambar, rasam, an egg, a fish and meat.*

116.1 సాంబారు (sāmbāru) — sambar

Before the new one: say the Telugu for a curry, then the Telugu for dal.

You'll want to know: సాంబారు

సాంబారు — *sāmbāru* — "sambar".

The word, taken apart — its roots and family

The origin of **సాంబారు** (*sāmbāru*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: sāmbāru*

- *Say it:* *sāmbāru*, once more
- *Say it:* say *sāmbāru*
- *Recall:* say the Telugu for a curry, then the Telugu for dal, then say *sāmbāru* again

Before you move on

What does సాంబారు mean? (“Sambar”.) Say it once more.

116.2 రసం (rasaṁ) — rasam

Before the new one: say the Telugu for dal, then the Telugu for sambar.

You’ll want to know: రసం

రసం — *rasaṁ* — “rasam”.

The word, taken apart — its roots and family

రసం (*rasaṁ*) is Sanskrit *rasa*, “sap, juice; taste”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 10650).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *rasaṁ*
- *Say it:* *rasaṁ*, once more
- *Say it:* say *rasaṁ*
- *Recall:* say the Telugu for dal, then the Telugu for sambar, then say *rasaṁ* again

Before you move on

What does రసం mean? ("Rasam".) Say it once more.

116.3 గుడ్డు (guḍḍu) — an egg

Before the new one: say the Telugu for sambar, then the Telugu for rasam.

You'll want to know: గుడ్డు

గుడ్డు — *guḍḍu* — "an egg".

The word, taken apart — its roots and family

గుడ్డు (*guḍḍu*) is native Dravidian, one word with Kannada *guḍḍu*, "eyeball, egg" (DEDR 1680). DEDR compares Sanskrit *guṭikā* and *guḍa*, "ball, globe" (CDIAL 4181).

What you've built

One more word for this chapter.

Your turn

- *Say it: guḍḍu*
- *Say it: guḍḍu*, once more
- *Say it:* say *guḍḍu*
- *Recall:* say the Telugu for sambar, then the Telugu for rasam, then say *guḍḍu* again

Before you move on

What does గుడ్డు mean? ("An egg".) Say it once more.

116.4 చేప (cēpa) — a fish

Before the new one: say the Telugu for rasam, then the Telugu for an egg.

You'll want to know: చేప

చేప — *cēpa* — "a fish".

The word, taken apart — its roots and family

చేప (*cēpa*) is native Dravidian. DEDR 1252 lists the Telugu word for "fish" with Tamil *kayal*, "carp", and compares, with a query, the *kai-* of Sanskrit *kaivarta*, "fisherman" (CDIAL 3469).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cēpa*
- *Say it:* *cēpa*, once more
- *Say it:* say *cēpa*
- *Recall:* say the Telugu for rasam, then the Telugu for an egg, then say *cēpa* again

Before you move on

What does **చేప** mean? ("A fish".) Say it once more.

116.5 మాంసం (māṁsaṁ) — meat

Before the new one: say the Telugu for an egg, then the Telugu for a fish.

You'll want to know: మాంసం

మాంసం — *māṁsaṁ* — "meat".

The word, taken apart — its roots and family

మాంసం (*māṁsaṁ*) is Sanskrit *māṁsa*, "flesh", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 9982).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *māṁsaṁ*
- *Say it:* *māṁsaṁ*, once more
- *Say it:* say *māṁsaṁ*
- *Recall:* say the Telugu for an egg, then the Telugu for a fish, then say *māṁsaṁ* again

Before you move on

What does మాంసం mean? ("Meat".) Say it once more.

Chapter 117

Vegetables, Banana, Mango, Coconut, Onion

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say vegetables, a banana, a mango, coconut and an onion.
>
> *Complete the last lesson of chapter 117: I can say vegetables, a banana, a mango, coconut and an onion.*

117.1 కూరగాయలు (kūragāyalu) — vegetables

> Before the new one: say the Telugu for a fish, then the Telugu for meat.

You'll want to know: కూరగాయలు

కూరగాయలు — *kūragāyalu* — "vegetables".

The word, taken apart — its roots and family

కూరగాయలు (*kūragāyalu*) is native Dravidian: *kūra*, "curry-stuff" (DEDR 1760), and *kāya*, "unripe fruit" (DEDR 1459), with the plural *-lu*. DEDR compares the Indo-Aryan **kacca*, "raw, unripe" (CDIAL 2613), with *kāya*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kūragāyalu*
- *Say it: kūragāyalu*, once more
- *Say it:* say *kūragāyalu*
- *Recall:* say the Telugu for a fish, then the Telugu for meat, then say *kūragāyalu* again

Before you move on

What does కూరగాయలు mean? ("Vegetables".) Say it once more.

117.2 అరటిపండు (araṭipaṇḍu) — a banana

Before the new one: say the Telugu for meat, then the Telugu for vegetables.

You'll want to know: అరటిపండు

అరటిపండు — *araṭipaṇḍu* — "a banana".

The word, taken apart — its roots and family

అరటిపండు (*araṭipaṇḍu*) is native Dravidian: *araṭi*, "banana tree" (DEDR 205), and *paṇḍu*, "fruit" (DEDR 4004). DEDR compares Sanskrit *phala*, "fruit", with *paṇḍu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: araṭipaṇḍu*
- *Say it: araṭipaṇḍu*, once more
- *Say it:* say *araṭipaṇḍu*
- *Recall:* say the Telugu for meat, then the Telugu for vegetables, then say *araṭipaṇḍu* again

Before you move on

What does **అరటిపండు** mean? ("A banana".) Say it once more.

117.3 మామిడిపండు (māmiḍipaṇḍu) — a mango

Before the new one: say the Telugu for vegetables, then the Telugu for a banana.

You'll want to know: మామిడిపండు

మామిడిపండు — *māmiḍipaṇḍu* — "a mango".

The word, taken apart — its roots and family

మామిడిపండు (*māmiḍipaṇḍu*) is native Dravidian: *māmiḍi*, "mango", which DEDR 4782 lists with Tamil *mā* and Kannada *māvu*; and *paṇḍu*, "fruit" (DEDR 4004). DEDR compares Sanskrit *mākanda*, "mango tree", with the first and *phala*, "fruit", with the second.

What you've built

One more word for this chapter.

Your turn

- *Say it: māmiḍipaṇḍu*
- *Say it: māmiḍipaṇḍu*, once more
- *Say it:* say *māmiḍipaṇḍu*
- *Recall:* say the Telugu for vegetables, then the Telugu for a banana, then say *māmiḍipaṇḍu* again

Before you move on

What does **మామిడిపండు** mean? ("A mango".) Say it once more.

117.4 కొబ్బరి (kobbari) — coconut

Before the new one: say the Telugu for a banana, then the Telugu for a mango.

You'll want to know: కొబ్బరి

కొబ్బరి — *kobbari* — "coconut".

The word, taken apart — its roots and family

కొబ్బరి (*kobbari*) is native Dravidian, one word with Tamil *koppari*, "dried coconut kernel", and Kannada *kobbari* (DEDR 2105). DEDR compares Sanskrit *kūrpasa*, "the inner part of a coconut", a word known only from lexicons, and the northern words in CDIAL 3936.

What you've built

One more word for this chapter.

Your turn

- *Say it: kobbari*
- *Say it: kobbari*, once more
- *Say it:* say *kobbari*
- *Recall:* say the Telugu for a banana, then the Telugu for a mango, then say *kobbari* again

Before you move on

What does కొబ్బరి mean? ("Coconut".) Say it once more.

117.5 ఉల్లిపాయ (ullipāya) — an onion

Before the new one: say the Telugu for a mango, then the Telugu for coconut.

You'll want to know: ఉల్లిపాయ

ఉల్లిపాయ — *ullipāya* — "an onion".

The word, taken apart — its roots and family

Ulli, "onion", the first part of **ఉల్లిపాయ** (*ullipāya*), is native Dravidian: DEDR 705 lists Telugu *ulli*, "onion, garlic", with Tamil and Kannada *uḷḷi*, and compares Sanskrit *ūlī*. The second part is *kāya*, "unripe fruit, pod" (DEDR 1459), which DEDR compares with the Indo-Aryan **kacca*, "raw" (CDIAL 2613).

What you've built

One more word for this chapter.

Your turn

- *Say it: ullipāya*
- *Say it: ullipāya*, once more
- *Say it:* say *ullipāya*
- *Recall:* say the Telugu for a mango, then the Telugu for coconut, then say *ullipāya* again

Before you move on

What does **ఉల్లిపాయ** mean? ("An onion".) Say it once more.

Chapter 118

Tomato, Potato, Aubergine, Ginger, Garlic

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a tomato, a potato, an aubergine, ginger and garlic.

Complete the last lesson of chapter 118: I can say a tomato, a potato, an aubergine, ginger and garlic.

118.1 టమాటా (ṭamāṭā) — a tomato

Before the new one: say the Telugu for coconut, then the Telugu for an onion.

You'll want to know: టమాటా

టమాటా — *ṭamāṭā* — "a tomato".

The word, taken apart — its roots and family

టమాటా (*ṭamāṭā*) is a loan from English *tomato*, a word that reached English from Nahuatl through Spanish.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ṭamāṭā*
- *Say it:* *ṭamāṭā*, once more
- *Say it:* say *ṭamāṭā*
- *Recall:* say the Telugu for coconut, then the Telugu for an onion, then say *ṭamāṭā* again

Before you move on

What does **టమాటా** mean? ("A tomato".) Say it once more.

118.2 బంగాళాదుంప (baṅgāḷādumpa) — a potato

Before the new one: say the Telugu for an onion, then the Telugu for a tomato.

You'll want to know: బంగాళాదుంప

బంగాళాదుంప — *baṅgāḷādumpa* — "a potato".

The word, taken apart — its roots and family

బంగాళాదుంప (*baṅgāḷādumpa*) is "the Bengal tuber": *baṅgāḷā*, "Bengal", and native *dumpa*, "bulbous root", which DEDR 3326A lists with Kannada *dumpa*, "a root".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *baṅgāḷādumpa*
- *Say it:* *baṅgāḷādumpa*, once more
- *Say it:* say *baṅgāḷādumpa*
- *Recall:* say the Telugu for an onion, then the Telugu for a tomato, then say *baṅgāḷādumpa* again

Before you move on

What does **బంగాళాదుంప** mean? ("A potato".) Say it once more.

118.3 వంకాయ (vaṅkāya) — an aubergine

Before the new one: say the Telugu for a tomato, then the Telugu for a potato.

You'll want to know: వంకాయ

వంకాయ — *vaṅkāya* — "an aubergine".

The word, taken apart — its roots and family

వంకాయ (*vaṅkāya*) is *vaṅga*, "brinjal", which DEDR 5301 lists with Kannada *badane*; and *kāya*, "unripe fruit". DEDR compares Sanskrit *bhaṇṭākī*, *vaṅga* and *vṛntāka*, "brinjal" (CDIAL 11503), names that CDIAL itself thinks probably go back to Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: vaṅkāya*
- *Say it: vaṅkāya*, once more
- *Say it:* say *vaṅkāya*
- *Recall:* say the Telugu for a tomato, then the Telugu for a potato, then say *vaṅkāya* again

Before you move on

What does **వంకాయ** mean? ("An aubergine".) Say it once more.

118.4 అల్లం (allaṁ) — ginger

Before the new one: say the Telugu for a potato, then the Telugu for an aubergine.

You'll want to know: అల్లం

అల్లం — *allaṁ* — "ginger".

The word, taken apart — its roots and family

అల్లం (*allaṁ*) is usually traced to Sanskrit *ārdraka*, "fresh ginger" (CDIAL 1341), reshaped to Telugu sounds: a tadbhava. Pali already has *adda-*.

What you've built

One more word for this chapter.

Your turn

- *Say it: allaṁ*
- *Say it: allaṁ*, once more
- *Say it:* say *allaṁ*
- *Recall:* say the Telugu for a potato, then the Telugu for an aubergine, then say *allaṁ* again

Before you move on

What does అల్లం mean? ("Ginger".) Say it once more.

118.5 వెల్లుల్లి (vellulli) — garlic

Before the new one: say the Telugu for an aubergine, then the Telugu for ginger.

You'll want to know: వెల్లుల్లి

వెల్లుల్లి — *vellulli* — "garlic".

The word, taken apart — its roots and family

వెల్లుల్లి (*vellulli*) is "white onion": native *vel-*, "white" (DEDR 5496), and *ulli*, "onion, garlic", one word with Tamil *uḷḷi* (DEDR 705).

What you've built

One more word for this chapter.

Your turn

- *Say it: vellulli*
- *Say it: vellulli*, once more
- *Say it:* say *vellulli*
- *Recall:* say the Telugu for an aubergine, then the Telugu for ginger, then say *vellulli* again

Before you move on

What does **వెల్లుల్లి** mean? ("Garlic".) Say it once more.

Chapter 119

Honey, Idli, Dosa, Vada, Coffee

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say honey, an idli, a dosa, a vada and coffee.
>
> *Complete the last lesson of chapter 119: I can say honey, an idli, a dosa, a vada and coffee.*

119.1 తేనె (tēne) — honey

Before the new one: say the Telugu for ginger, then the Telugu for garlic.

You'll want to know: తేనె

తేనె — *tēne* — "honey".

The word, taken apart — its roots and family

తేనె (*tēne*) is native Dravidian, one word with Tamil *tēṉ* and Kannada *tēnu*, "honey" (DEDR 3268). DEDR compares, with a query, Prakrit *tiṇisa*, "honeycomb".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tēne*
- *Say it:* *tēne*, once more
- *Say it:* say *tēne*
- *Recall:* say the Telugu for ginger, then the Telugu for garlic, then say *tēne* again

Before you move on

What does తేనె mean? (“Honey”.) Say it once more.

119.2 ఇడ్లీ (iḍlī) — an idli

Before the new one: say the Telugu for garlic, then the Telugu for honey.

You’ll want to know: ఇడ్లీ

ఇడ్లీ — *iḍlī* — “an idli”.

The word, taken apart — its roots and family

ఇడ్లీ (*iḍlī*) matches Kannada *iḍḍali* and Tamil *iṭṭali*, “steamed rice cake”, in DEDR 455, where the older Telugu form is *iḍḍena*. DEDR compares Sanskrit *iṇḍarī*, “a kind of cake”, a word known only from lexicons.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *iḍlī*
- *Say it:* *iḍlī*, once more
- *Say it:* say *iḍlī*

- *Recall:* say the Telugu for garlic, then the Telugu for honey, then say *iḍlī* again

Before you move on

What does ఇడ్లీ mean? ("An idli".) Say it once more.

119.3 దోశ (dōsa) — a dosa

Before the new one: say the Telugu for honey, then the Telugu for an idli.

You'll want to know: దోశ

దోశ — *dōsa* — "a dosa".

The word, taken apart — its roots and family

దోశ (*dōsa*) is a Dravidian word, one with Tamil *tōcai* and Kannada *dōse*, "rice cake" (DEDR 3542). DEDR compares Sanskrit *dhosaka* and *dośā*.

What you've built

One more word for this chapter.

Your turn

- *Say it: dōsa*
- *Say it: dōsa*, once more
- *Say it:* say *dōsa*
- *Recall:* say the Telugu for honey, then the Telugu for an idli, then say *dōsa* again

Before you move on

What does దోశ mean? ("A dosa".) Say it once more.

119.4 వడ (vaḍa) — a vada

Before the new one: say the Telugu for an idli, then the Telugu for a dosa.

You'll want to know: వడ

వడ — *vaḍa* — "a vada".

The word, taken apart — its roots and family

వడ (*vaḍa*) comes from Sanskrit *vaṭa*, "round cake of pulse fried in oil" (CDIAL 11213), with the *ṭ* softened to *ḍ*: a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it: vaḍa*
- *Say it: vaḍa*, once more
- *Say it:* say *vaḍa*
- *Recall:* say the Telugu for an idli, then the Telugu for a dosa, then say *vaḍa* again

Before you move on

What does **వడ** mean? ("A vada".) Say it once more.

119.5 కాఫీ (kāphī) — coffee

Before the new one: say the Telugu for a dosa, then the Telugu for a vada.

You'll want to know: కాఫీ

కాఫీ — *kāphī* — "coffee".

The word, taken apart — its roots and family

కాఫీ (*kāphī*) is a loan from English *coffee*, which goes back, through Turkish and Dutch, to Arabic *qahwa*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kāphī*
- *Say it: kāphī*, once more
- *Say it:* say *kāphī*
- *Recall:* say the Telugu for a dosa, then the Telugu for a vada, then say *kāphī* again

Before you move on

What does కాఫీ mean? ("Coffee".) Say it once more.

119.6 The house and things you carry — a first pass

Say the words for a vada and coffee.

Your turn

Say these aloud:

- a lock, a key, a rope, a nail, scissors
- a comb, soap, a towel, glasses, a clock
- a bag, a pen, paper, a drinking glass, a spoon
- a stove, a candle, a matchbox, a doll; a picture, a ball
- a kite, a shirt, a sari, a dhoti, sandals

Before you move on

A lock? (తాళం, *tāḷaṁ.*) A key? (తాళంచెవి, *tāḷaṁcevi.*) A rope? (తాడు, *tāḍu.*) A nail? (మేకు, *mēku.*) Scissors? (కత్తెర, *kattērā.*) A comb? (దువ్వెన, *duvvena.*) Soap? (సబ్బు, *sabbu.*) A towel? (తువ్వాలు, *tuvvālu.*) Glasses? (కళ్ళజోడు, *kaḷḷajōḍu.*) A clock? (గడియారం, *gaḍiyāraṁ.*) A bag? (సంచి, *sañci.*) A pen? (కలం, *kalaṁ.*) Paper? (కాగితం, *kāgitaṁ.*) A drinking glass? (గ్లాసు, *glāsu.*) A spoon? (చెంచా, *cemcā.*) A stove? (పొయ్యి, *poyyi.*) A candle? (కొవ్వొత్తి, *kovvotti.*) A matchbox? (అగ్గిపెట్టె, *aggipeṭṭe.*) A doll; a picture? (బొమ్మ, *bomma.*) A ball? (బంతి, *banti.*) A kite? (గాలిపటం, *gālipaṭaṁ.*) A shirt? (చొక్కా, *cokkā.*) A sari? (చీర, *cīra.*) A dhoti? (పంచె, *pañce.*) Sandals? (చెప్పులు, *ceppulu.*)

119.7 Clothes and food — a second pass

Say the words for a cap and a ring.

Your turn

Say these aloud:

- a cap, a ring, bangles, a curry, dal
- sambar, rasam, an egg, a fish, meat
- vegetables, a banana, a mango, coconut, an onion
- a tomato, a potato, an aubergine, ginger, garlic
- honey, an idli, a dosa, a vada, coffee

Before you move on

A cap? (టోపీ, *ṭōpī.*) A ring? (ఉంగరం, *uṅgaraṁ.*) Bangles? (గాజులు, *gājulu.*) A curry? (కూర, *kūra.*) Dal? (పప్పు, *pappu.*) Sambar? (సాంబారు, *sāmbāru.*) Rasam? (రసం, *rasaṁ.*) An egg? (గుడ్డు, *guḍḍu.*) A fish? (చేప, *cēpa.*) Meat? (మాంసం, *māṁsaṁ.*) Vegetables? (కూరగాయలు, *kūragāyalu.*) A banana? (అరటిపండు, *araṭipaṇḍu.*) A mango? (మామిడిపండు, *māmiḍipaṇḍu.*) Coconut? (కొబ్బరి, *kobbari.*) An onion? (ఉల్లిపాయ, *ullipāya.*) A tomato? (టమాటా, *ṭamāṭā.*) A

potato? (బంగాళాదుంప, *baṅgāḷādumpa.*) An aubergine? (వంకాయ, *vaṅkāya.*) Ginger? (అల్లం, *allaṁ.*) Garlic? (వెల్లుల్లి, *vellulli.*) Honey? (తేనె, *tēne.*) An idli? (ఇడ్లీ, *iḍlī.*) A dosa? (దోశ, *dōsa.*) A vada? (వడ, *vaḍa.*) Coffee? (కాఫీ, *kāphī.*)

Chapter 120

Sea, Lake, Forest, Leaf, Soil

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say the sea, a lake, a forest, a leaf and soil.
>
> *Complete the last lesson of chapter 120: I can say the sea, a lake, a forest, a leaf and soil.*

120.1 సముద్రం (samudraṁ) — the sea

Before the new one: say the Telugu for a vada, then the Telugu for coffee.

You'll want to know: సముద్రం

సముద్రం — *samudraṁ* — "the sea".

The word, taken apart — its roots and family

సముద్రం (*samudraṁ*) is Sanskrit *samudra*, "sea", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13236).

What you've built

One more word for this chapter.

Your turn

- *Say it: samudrami*
- *Say it: samudrami*, once more
- *Say it:* say *samudrami*
- *Recall:* say the Telugu for a vada, then the Telugu for coffee, then say *samudrami* again

Before you move on

What does సముద్రం mean? ("The sea".) Say it once more.

120.2 సరస్సు (sarassu) — a lake

Before the new one: say the Telugu for coffee, then the Telugu for the sea.

You'll want to know: సరస్సు

సరస్సు — *sarassu* — "a lake".

The word, taken apart — its roots and family

సరస్సు (*sarassu*) is Sanskrit *saras*, "lake, pool", taken over whole as a learned loan, a tatsama, with Telugu's added *-u* (CDIAL 13254).

What you've built

One more word for this chapter.

Your turn

- *Say it: sarassu*
- *Say it: sarassu*, once more
- *Say it:* say *sarassu*
- *Recall:* say the Telugu for coffee, then the Telugu for the sea, then say *sarassu* again

Before you move on

What does సరస్సు mean? (“A lake”.) Say it once more.

120.3 అడవి (aḍavi) — a forest

Before the new one: say the Telugu for the sea, then the Telugu for a lake.

You’ll want to know: అడవి

అడవి — *aḍavi* — “a forest”.

The word, taken apart — its roots and family

అడవి (*aḍavi*) comes from Sanskrit *aṭavī*, “forest”, reshaped to Telugu sounds: a tadbhava (CDIAL 177).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: aḍavi*
- *Say it: aḍavi*, once more
- *Say it:* say *aḍavi*
- *Recall:* say the Telugu for the sea, then the Telugu for a lake, then say *aḍavi* again

Before you move on

What does అడవి mean? (“A forest”.) Say it once more.

120.4 ఆకు (āku) — a leaf

Before the new one: say the Telugu for a lake, then the Telugu for a forest.

You'll want to know: ఆకు

ఆకు — *ākku* — "a leaf".

The word, taken apart — its roots and family

ఆకు (*ākku*) is native Dravidian, one word with Kannada *ākku*, "leaf" (DEDR 335).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ākku*
- *Say it:* *ākku*, once more
- *Say it:* say *ākku*
- *Recall:* say the Telugu for a lake, then the Telugu for a forest, then say *ākku* again

Before you move on

What does **ఆకు** mean? ("A leaf".) Say it once more.

120.5 మట్టి (maṭṭi) — soil, earth

Before the new one: say the Telugu for a forest, then the Telugu for a leaf.

You'll want to know: మట్టి

మట్టి — *maṭṭi* — "soil, earth".

The word, taken apart — its roots and family

మట్టి (*maṭṭi*) is usually traced to Sanskrit *mṛttikā*, "earth, clay" (CDIAL 10286), reshaped as a tadbhava; CDIAL lists Hindi *maṭṭī* from it.

What you've built

One more word for this chapter.

Your turn

- *Say it: maṭṭi*
- *Say it: maṭṭi*, once more
- *Say it:* say *maṭṭi*
- *Recall:* say the Telugu for a forest, then the Telugu for a leaf, then say *maṭṭi* again

Before you move on

What does **మట్టి** mean? ("Soil, earth".) Say it once more.

Chapter 121

Thunder, Lightning, Storm, Wave, Hill

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say thunder, lightning, a storm, a wave and a hill.
>
> *Complete the last lesson of chapter 121: I can say thunder, lightning, a storm, a wave and a hill.*

121.1 ఉరుము (urumu) — thunder

> Before the new one: say the Telugu for a leaf, then the Telugu for soil.

You'll want to know: ఉరుము

ఉరుము — *urumu* — "thunder".

The word, taken apart — its roots and family

ఉరుము (*urumu*) is native Dravidian, one word with Tamil *u̲rumu*, "to growl, roar" (DEDR 718), which lists the Telugu *u̲rumu*, "to thunder; thunder".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *urumu*
- *Say it:* *urumu*, once more
- *Say it:* say *urumu*
- *Recall:* say the Telugu for a leaf, then the Telugu for soil, then say *urumu* again

Before you move on

What does ఉరుము mean? (“Thunder”.) Say it once more.

121.2 మెరుపు (merupu) — lightning

Before the new one: say the Telugu for soil, then the Telugu for thunder.

You’ll want to know: మెరుపు

మెరుపు — *merupu* — “lightning”.

The word, taken apart — its roots and family

మెరుపు (*merupu*) is native Dravidian. DEDR 5074 lists *me̲rapu*, “shining, lightning flash”, with Tamil *meruku* and Kannada *merugu*, “lustre”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *merupu*
- *Say it:* *merupu*, once more
- *Say it:* say *merupu*
- *Recall:* say the Telugu for soil, then the Telugu for thunder, then say *merupu* again

Before you move on

What does **మెరుపు** mean? ("Lightning".) Say it once more.

121.3 తుపాను (tupānu) — a storm

Before the new one: say the Telugu for thunder, then the Telugu for lightning.

Name the seasons: **వసంత ఋతువు**, **వేసవి**, **వానాకాలం**, **శీతాకాలం**.

You'll want to know: తుపాను

తుపాను — *tupānu* — "a storm".

The word, taken apart — its roots and family

తుపాను (*tupānu*) is a loan from Arabic *ṭūfān*, "flood, storm", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: tupānu*
- *Say it: tupānu*, once more
- *Say it:* say *tupānu*
- *Recall:* say the Telugu for thunder, then the Telugu for lightning, then say *tupānu* again

Before you move on

What does **తుపాను** mean? ("A storm".) Say it once more.

121.4 అల (ala) — a wave

Before the new one: say the Telugu for lightning, then the Telugu for a storm.

You'll want to know: అల

అల — *ala* — "a wave".

The word, taken apart — its roots and family

అల (*ala*) is native Dravidian, one word with Tamil *alaṅku*, "to move, shake", and Kannada *alaku* (DEDR 240), which lists *ala*, "a wave". DEDR compares, with a query, Sanskrit *alaka*, "curl".

What you've built

One more word for this chapter.

Your turn

- *Say it: ala*
- *Say it: ala*, once more
- *Say it:* say *ala*
- *Recall:* say the Telugu for lightning, then the Telugu for a storm, then say *ala* again

Before you move on

What does **అల** mean? ("A wave".) Say it once more.

121.5 కొండ (koṇḍa) — a hill, a mountain

Before the new one: say the Telugu for a storm, then the Telugu for a wave.

You'll want to know: కొండ

కొండ — *koṇḍa* — "a hill, a mountain".

The word, taken apart — its roots and family

కొండ (*koṇḍa*) is native Dravidian, one word with Tamil *kuṉṟu*, "hill" (DEDR 1864). DEDR notes that Kannada *koṇḍa*, "hill", is a loan from Telugu.

What you've built

One more word for this chapter.

Your turn

- *Say it: koṇḍa*
- *Say it: koṇḍa*, once more
- *Say it:* say *koṇḍa*
- *Recall:* say the Telugu for a storm, then the Telugu for a wave, then say *koṇḍa* again

Before you move on

What does కొండ mean? ("A hill, a mountain".) Say it once more.

Chapter 122

Waterfall, Island, Cow, Horse, Elephant

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a waterfall, an island, a cow, a horse and an elephant.
>
> *Complete the last lesson of chapter 122: I can say a waterfall, an island, a cow, a horse and an elephant.*

122.1 జలపాతం (jalapātaṁ) — a waterfall

> Before the new one: say the Telugu for a wave, then the Telugu for a hill.

You'll want to know: జలపాతం

జలపాతం — *jalapātaṁ* — "a waterfall".

The word, taken apart — its roots and family

జలపాతం (*jalapātaṁ*) is Sanskrit *jala*, "water" (CDIAL 5155), and *pāta*, "fall" (CDIAL 8052): "a water-fall".

What you've built

One more word for this chapter.

Your turn

- *Say it: jalapātaṁ*
- *Say it: jalapātaṁ*, once more
- *Say it:* say *jalapātaṁ*
- *Recall:* say the Telugu for a wave, then the Telugu for a hill, then say *jalapātaṁ* again

Before you move on

What does **జలపాతం** mean? ("A waterfall".) Say it once more.

122.2 దీవి (dīvi) — an island

Before the new one: say the Telugu for a hill, then the Telugu for a waterfall.

You'll want to know: దీవి

దీవి — *dīvi* — "an island".

The word, taken apart — its roots and family

దీవి (*dīvi*) comes from Sanskrit *dvīpa*, "land, island", reshaped to Telugu sounds: a tadbhava (CDIAL 6691).

What you've built

One more word for this chapter.

Your turn

- *Say it: dīvi*
- *Say it: dīvi*, once more
- *Say it:* say *dīvi*
- *Recall:* say the Telugu for a hill, then the Telugu for a waterfall, then say *dīvi* again

Before you move on

What does **దీవి** mean? ("An island".) Say it once more.

122.3 ఆవు (āvu) — a cow

Before the new one: say the Telugu for a waterfall, then the Telugu for an island.

You'll want to know: ఆవు

ఆవు — *āvu* — "a cow".

The word, taken apart — its roots and family

ఆవు (*āvu*) is native Dravidian, one word with Tamil *ā* and Kannada *āvu* (DEDR 334). DEDR lists Telugu *āvu*, "cow".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āvu*
- *Say it:* *āvu*, once more
- *Say it:* say *āvu*
- *Recall:* say the Telugu for a waterfall, then the Telugu for an island, then say *āvu* again

Before you move on

What does **ఆవు** mean? ("A cow".) Say it once more.

122.4 గుర్రం (gurraṁ) — a horse

Before the new one: say the Telugu for an island, then the Telugu for a cow.

You'll want to know: గుర్రం

గుర్రం — *gurraṁ* — "a horse".

The word, taken apart — its roots and family

DEDR 1711 lists *gur̲ramu*, "horse", beside Tamil *kutirai*, and raises the possibility that it came from Indo-Aryan, Sanskrit *ghoṭaka*, "horse". CDIAL 4516 in turn calls *ghoṭa* non-Aryan, probably Dravidian, so the source of **గుర్రం** (*gurraṁ*) is not settled.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gurraṁ*
- *Say it:* *gurraṁ*, once more
- *Say it:* say *gurraṁ*
- *Recall:* say the Telugu for an island, then the Telugu for a cow, then say *gurraṁ* again

Before you move on

What does **గుర్రం** mean? ("A horse".) Say it once more.

122.5 ఏనుగు (ēnugu) — an elephant

Before the new one: say the Telugu for a cow, then the Telugu for a horse.

You'll want to know: ఏనుగు

ఏనుగు — *ēnugu* — "an elephant".

The word, taken apart — its roots and family

ఏనుగు (*ēnugu*) is native Dravidian, one word with Tamil *yāṉai* and Kannada *āne* (DEDR 5161). DEDR gives the Telugu as *ēnūgu*,

"elephant".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ēnugu*
- *Say it:* *ēnugu*, once more
- *Say it:* say *ēnugu*
- *Recall:* say the Telugu for a cow, then the Telugu for a horse, then say *ēnugu* again

Before you move on

What does ఏనుగు mean? ("An elephant".) Say it once more.

Chapter 123

Tiger, Lion, Bear, Monkey, Rabbit

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a tiger, a lion, a bear, a monkey and a rabbit.
>
> *Complete the last lesson of chapter 123: I can say a tiger, a lion, a bear, a monkey and a rabbit.*

123.1 పులి (puli) — a tiger

> Before the new one: say the Telugu for a horse, then the Telugu for an elephant.

You'll want to know: పులి

పులి — *puli* — "a tiger".

The word, taken apart — its roots and family

పులి (*puli*) is native Dravidian, one word with Tamil *puli* and Kannada *puli* (DEDR 4307). DEDR compares Prakrit *pulli*, "tiger".

What you've built

One more word for this chapter.

Your turn

- *Say it: puli*
- *Say it: puli*, once more
- *Say it:* say *puli*
- *Recall:* say the Telugu for a horse, then the Telugu for an elephant, then say *puli* again

Before you move on

What does పులి mean? ("A tiger".) Say it once more.

123.2 సింహం (siṁhaṁ) — a lion

Before the new one: say the Telugu for an elephant, then the Telugu for a tiger.

You'll want to know: సింహం

సింహం — *siṁhaṁ* — "a lion".

The word, taken apart — its roots and family

సింహం (*siṁhaṁ*) is Sanskrit *siṁha*, "lion", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13384).

What you've built

One more word for this chapter.

Your turn

- *Say it: siṁhaṁ*
- *Say it: siṁhaṁ*, once more
- *Say it:* say *siṁhaṁ*
- *Recall:* say the Telugu for an elephant, then the Telugu for a tiger, then say *siṁhaṁ* again

Before you move on

What does సింహం mean? (“A lion”.) Say it once more.

123.3 ఎలుగుబంటి (elugubaṇṭi) — a bear

Before the new one: say the Telugu for a tiger, then the Telugu for a lion.

You’ll want to know: ఎలుగుబంటి

ఎలుగుబంటి — *elugubaṇṭi* — “a bear”.

The word, taken apart — its roots and family

ఎలుగుబంటి (*elugubaṇṭi*) is built on native *elugu*, “bear”, one word with Tamil *eṇku*, “bear” (DEDR 857).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: elugubaṇṭi*
- *Say it: elugubaṇṭi*, once more
- *Say it:* say *elugubaṇṭi*
- *Recall:* say the Telugu for a tiger, then the Telugu for a lion, then say *elugubaṇṭi* again

Before you move on

What does **ఎలుగుబంటి** mean? (“A bear”.) Say it once more.

123.4 కోతి (kōti) — a monkey

Before the new one: say the Telugu for a lion, then the Telugu for a bear.

You'll want to know: కోతి

కోతి — *kōti* — "a monkey".

The word, taken apart — its roots and family

కోతి (*kōti*) is native Dravidian, one word with Tamil *kuraṅku* and Kannada *kōti* (DEDR 1769).

What you've built

One more word for this chapter.

Your turn

- *Say it: kōti*
- *Say it: kōti*, once more
- *Say it:* say *kōti*
- *Recall:* say the Telugu for a lion, then the Telugu for a bear, then say *kōti* again

Before you move on

What does **కోతి** mean? ("A monkey".) Say it once more.

123.5 కుందేలు (kundēlu) — a rabbit

Before the new one: say the Telugu for a bear, then the Telugu for a monkey.

You'll want to know: కుందేలు

కుందేలు — *kundēlu* — "a rabbit".

The word, taken apart — its roots and family

కుందేలు (*kundēlu*) is native Dravidian. DEDR 1728 lists the Telugu word for "hare" under the verb for squatting, with Tamil *kuntu*, "to sit on the heels".

What you've built

One more word for this chapter.

Your turn

- *Say it: kundēlu*
- *Say it: kundēlu*, once more
- *Say it:* say *kundēlu*
- *Recall:* say the Telugu for a bear, then the Telugu for a monkey, then say *kundēlu* again

Before you move on

What does **కుందేలు** mean? ("A rabbit".) Say it once more.

Chapter 124

Deer, Fox, Snake, Tortoise, Parrot

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a deer, a fox, a snake, a tortoise and a parrot.
>
> *Complete the last lesson of chapter 124: I can say a deer, a fox, a snake, a tortoise and a parrot.*

124.1 జింక (jiṅka) — a deer

Before the new one: say the Telugu for a monkey, then the Telugu for a rabbit.

You'll want to know: జింక

జింక — *jiṅka* — "a deer".

The word, taken apart — its roots and family

జింక (*jiṅka*) is native Dravidian, one word with Kannada *jiṅke* (DEDR 2504). DEDR lists Telugu *jiṅka*, "deer".

What you've built

One more word for this chapter.

Your turn

- *Say it: jiṅka*
- *Say it: jiṅka*, once more
- *Say it:* say *jiṅka*
- *Recall:* say the Telugu for a monkey, then the Telugu for a rabbit, then say *jiṅka* again

Before you move on

What does జింక mean? (“A deer”.) Say it once more.

124.2 నక్క (nakka) — a fox

Before the new one: say the Telugu for a rabbit, then the Telugu for a deer.

You’ll want to know: నక్క

నక్క — *nakka* — “a fox”.

The word, taken apart — its roots and family

నక్క (*nakka*) is native Dravidian, one word with Tamil *nari* and Kannada *nari* (DEDR 3606). DEDR lists Telugu *nakka*, “jackal”, and Kannada has *nakke* as well.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: nakka*
- *Say it: nakka*, once more
- *Say it:* say *nakka*
- *Recall:* say the Telugu for a rabbit, then the Telugu for a deer, then say *nakka* again

Before you move on

What does **నక్క** mean? ("A fox".) Say it once more.

124.3 పాము (pāmu) — a snake

Before the new one: say the Telugu for a deer, then the Telugu for a fox.

You'll want to know: పాము

పాము — *pāmu* — "a snake".

The word, taken apart — its roots and family

పాము (*pāmu*) is native Dravidian, one word with Tamil *pāmpu* and Kannada *pāvu* (DEDR 4085). DEDR compares Prakrit *pāva*, "snake".

What you've built

One more word for this chapter.

Your turn

- *Say it: pāmu*
- *Say it: pāmu*, once more
- *Say it:* say *pāmu*
- *Recall:* say the Telugu for a deer, then the Telugu for a fox, then say *pāmu* again

Before you move on

What does **పాము** mean? ("A snake".) Say it once more.

124.4 తాబేలు (tābēlu) — a tortoise

Before the new one: say the Telugu for a fox, then the Telugu for a snake.

You'll want to know: తాబేలు

తాబేలు — *tābēlu* — "a tortoise".

The word, taken apart — its roots and family

తాబేలు (*tābēlu*) is native Dravidian, one word with Tamil *āmai* and Kannada *āme*, "tortoise" (DEDR 5155).

What you've built

One more word for this chapter.

Your turn

- *Say it: tābēlu*
- *Say it: tābēlu*, once more
- *Say it:* say *tābēlu*
- *Recall:* say the Telugu for a fox, then the Telugu for a snake, then say *tābēlu* again

Before you move on

What does **తాబేలు** mean? ("A tortoise".) Say it once more.

124.5 చిలక (cilaka) — a parrot

Before the new one: say the Telugu for a snake, then the Telugu for a tortoise.

You'll want to know: చిలక

చిలక — *cilaka* — "a parrot".

The word, taken apart — its roots and family

చిలక (*cilaka*) is native Dravidian, one word with Tamil *kiḷi* and Kannada *giḷi* (DEDR 1584). DEDR lists Telugu *ciluka*, "parrot".

What you've built

One more word for this chapter.

Your turn

- *Say it: cilaka*
- *Say it: cilaka*, once more
- *Say it:* say *cilaka*
- *Recall:* say the Telugu for a snake, then the Telugu for a tortoise, then say *cilaka* again

Before you move on

What does **చిలక** mean? ("A parrot".) Say it once more.

Chapter 125

Pigeon, Owl, Peacock, Butterfly, Crow

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a pigeon, an owl, a peacock, a butterfly and a crow.
>
> *Complete the last lesson of chapter 125: I can say a pigeon, an owl, a peacock, a butterfly and a crow.*

125.1 పావురం (pāvuraṁ) — a pigeon

> Before the new one: say the Telugu for a tortoise, then the Telugu for a parrot.

You'll want to know: పావురం

పావురం — *pāvuraṁ* — "a pigeon".

The word, taken apart — its roots and family

పావురం (*pāvuraṁ*) comes from Sanskrit *pārāvata*, "turtle-dove, pigeon", reshaped to Telugu sounds: a tadbhava (CDIAL 8109).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pāvuraṁ*
- *Say it:* *pāvuraṁ*, once more
- *Say it:* say *pāvuraṁ*
- *Recall:* say the Telugu for a tortoise, then the Telugu for a parrot, then say *pāvuraṁ* again

Before you move on

What does పావురం mean? ("A pigeon".) Say it once more.

125.2 గుడ్లగూబ (guḍlagūba) — an owl

Before the new one: say the Telugu for a parrot, then the Telugu for a pigeon.

You'll want to know: గుడ్లగూబ

గుడ్లగూబ — *guḍlagūba* — "an owl".

The word, taken apart — its roots and family

గుడ్లగూబ (*guḍlagūba*) is native Dravidian. DEDR 1657 lists *guḍla-gūba*, "an owl", with Tamil *kuṭiñai*, "rock horned-owl".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *guḍlagūba*
- *Say it:* *guḍlagūba*, once more
- *Say it:* say *guḍlagūba*
- *Recall:* say the Telugu for a parrot, then the Telugu for a pigeon, then say *guḍlagūba* again

Before you move on

What does **గుడ్లగూబ** mean? ("An owl".) Say it once more.

125.3 నెమలి (nemali) — a peacock

Before the new one: say the Telugu for a pigeon, then the Telugu for an owl.

You'll want to know: నెమలి

నెమలి — *nemali* — "a peacock".

The word, taken apart — its roots and family

నెమలి (*nemali*) is native Dravidian, one word with Tamil *ñamali* and Kannada *navilu* (DEDR 2902).

What you've built

One more word for this chapter.

Your turn

- *Say it: nemali*
- *Say it: nemali*, once more
- *Say it:* say *nemali*
- *Recall:* say the Telugu for a pigeon, then the Telugu for an owl, then say *nemali* again

Before you move on

What does **నెమలి** mean? ("A peacock".) Say it once more.

125.4 సీతాకోకచిలుక (sītākōkacilaka) — a butterfly

Before the new one: say the Telugu for an owl, then the Telugu for a peacock.

You'll want to know: సీతాకోకచిలుక

సీతాకోకచిలుక — *sītākōkacilaka* — "a butterfly".

The word, taken apart — its roots and family

సీతాకోకచిలుక (*sītākōkacilaka*) ends in *cilaka*, "parrot", which is native Dravidian (DEDR 1584). Where the first parts of the name come from is uncertain.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *sītākōkacilaka*
- *Say it:* *sītākōkacilaka*, once more
- *Say it:* say *sītākōkacilaka*
- *Recall:* say the Telugu for an owl, then the Telugu for a peacock, then say *sītākōkacilaka* again

Before you move on

What does **సీతాకోకచిలుక** mean? ("A butterfly".) Say it once more.

125.5 కాకి (kāki) — a crow

Before the new one: say the Telugu for a peacock, then the Telugu for a butterfly.

You'll want to know: కాకి

కాకి — *kāki* — "a crow".

The word, taken apart — its roots and family

కాకి (*kāki*) is a Dravidian word, one with Tamil *kākkai* and Kannada *kāke*, "crow" (DEDR 1425). DEDR compares Sanskrit *kāka*, "crow" (CDIAL 2993), and notes that some of the Dravidian forms may be

borrowed back from Indo-Aryan.

What you've built

One more word for this chapter.

Your turn

- *Say it: kāki*
- *Say it: kāki*, once more
- *Say it:* say *kāki*
- *Recall:* say the Telugu for a peacock, then the Telugu for a butterfly, then say *kāki* again

Before you move on

What does కాకి mean? ("A crow".) Say it once more.

Chapter 126

Duck, Pig, Donkey, Camel, Face

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a duck, a pig, a donkey, a camel and the face.
>
> *Complete the last lesson of chapter 126: I can say a duck, a pig, a donkey, a camel and the face.*

126.1 బాతు (bātu) — a duck

Before the new one: say the Telugu for a butterfly, then the Telugu for a crow.

You'll want to know: బాతు

బాతు — *bātu* — "a duck".

The word, taken apart — its roots and family

బాతు (*bātu*) is usually traced to the northern word for a duck, Hindustani *baṭ*, *baṭak*. Neither DEDR nor CDIAL records the Telugu word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bātu*
- *Say it:* *bātu*, once more
- *Say it:* say *bātu*
- *Recall:* say the Telugu for a butterfly, then the Telugu for a crow, then say *bātu* again

Before you move on

What does **బాతు** mean? ("A duck".) Say it once more.

126.2 పంది (pandi) — a pig

Before the new one: say the Telugu for a crow, then the Telugu for a duck.

You'll want to know: పంది

పంది — *pandi* — "a pig".

The word, taken apart — its roots and family

పంది (*pandi*) is native Dravidian, one word with Tamil *paṉṟi* and Kannada *pandi* (DEDR 4039).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pandi*
- *Say it:* *pandi*, once more
- *Say it:* say *pandi*
- *Recall:* say the Telugu for a crow, then the Telugu for a duck, then say *pandi* again

Before you move on

What does పంది mean? ("A pig".) Say it once more.

126.3 గాడిద (gāḍida) — a donkey

Before the new one: say the Telugu for a duck, then the Telugu for a pig.

You'll want to know: గాడిద

గాడిద — *gāḍida* — "a donkey".

The word, taken apart — its roots and family

గాడిద (*gāḍida*) is a Dravidian word, one with Tamil *kaḻutai* and Kannada *kaḻte*, "ass" (DEDR 1364). DEDR compares Sanskrit *gardabha*, "ass" (CDIAL 4054).

What you've built

One more word for this chapter.

Your turn

- *Say it: gāḍida*
- *Say it: gāḍida*, once more
- *Say it:* say *gāḍida*
- *Recall:* say the Telugu for a duck, then the Telugu for a pig, then say *gāḍida* again

Before you move on

What does గాడిద mean? ("A donkey".) Say it once more.

126.4 ఒంటె (oṇṭe) — a camel

Before the new one: say the Telugu for a pig, then the Telugu for a donkey.

You'll want to know: ఒంటె

ఒంటె — *oṇṭe* — "a camel".

The word, taken apart — its roots and family

ఒంటె (*oṇṭe*) comes from Sanskrit *uṣṭra*, "buffalo; camel", reshaped to Telugu sounds: a tadbhava (CDIAL 2387).

What you've built

One more word for this chapter.

Your turn

- *Say it: oṇṭe*
- *Say it: oṇṭe*, once more
- *Say it:* say *oṇṭe*
- *Recall:* say the Telugu for a pig, then the Telugu for a donkey, then say *oṇṭe* again

Before you move on

What does **ఒంటె** mean? ("A camel".) Say it once more.

126.5 ముఖం (mukhaṁ) — the face

Before the new one: say the Telugu for a donkey, then the Telugu for a camel.

You'll want to know: ముఖం

ముఖం — *mukhaṁ* — "the face".

The word, taken apart — its roots and family

ముఖం (*mukhaṁ*) is Sanskrit *mukha*, "mouth, face", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 10158).

What you've built

One more word for this chapter.

Your turn

- *Say it: mukhaṁ*
- *Say it: mukhaṁ*, once more
- *Say it:* say *mukhaṁ*
- *Recall:* say the Telugu for a donkey, then the Telugu for a camel, then say *mukhaṁ* again

Before you move on

What does **ముఖం** mean? ("The face".) Say it once more.

Chapter 127

Tongue, Knee, Shoulder, Eyebrow, Cheek

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say the tongue, a knee, a shoulder, an eyebrow and a cheek.

Complete the last lesson of chapter 127: I can say the tongue, a knee, a shoulder, an eyebrow and a cheek.

127.1 నాలుక (nāluka) — the tongue

Before the new one: say the Telugu for a camel, then the Telugu for the face.

You'll want to know: నాలుక

నాలుక — *nāluka* — "the tongue".

The word, taken apart — its roots and family

నాలుక (*nāluka*) is native Dravidian, one word with Tamil *nā* and Kannada *nālige* (DEDR 3633). DEDR lists Telugu *nālika* and *nāluka*, "tongue".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nāluka*
- *Say it:* *nāluka*, once more
- *Say it:* say *nāluka*
- *Recall:* say the Telugu for a camel, then the Telugu for the face, then say *nāluka* again

Before you move on

What does నాలుక mean? (“The tongue”.) Say it once more.

127.2 మోకాలు (mōkālu) — a knee

Before the new one: say the Telugu for the face, then the Telugu for the tongue.

You’ll want to know: మోకాలు

మోకాలు — *mōkālu* — “a knee”.

The word, taken apart — its roots and family

మోకాలు (*mōkālu*) is native Dravidian. DEDR 4990 lists *mō kālu*, “knee”, the joint of the leg, with Tamil *muḻaṅ kāl*, “knee”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *mōkālu*
- *Say it:* *mōkālu*, once more
- *Say it:* say *mōkālu*
- *Recall:* say the Telugu for the face, then the Telugu for the tongue, then say *mōkālu* again

Before you move on

What does **మోకాలు** mean? ("A knee".) Say it once more.

127.3 భుజం (bhujaṁ) — a shoulder

Before the new one: say the Telugu for the tongue, then the Telugu for a knee.

You'll want to know: భుజం

భుజం — *bhujaṁ* — "a shoulder".

The word, taken apart — its roots and family

భుజం (*bhujaṁ*) is Sanskrit *bhuja*, "arm", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 9525). The sense "shoulder" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it: bhujaṁ*
- *Say it: bhujaṁ*, once more
- *Say it:* say *bhujaṁ*
- *Recall:* say the Telugu for the tongue, then the Telugu for a knee, then say *bhujaṁ* again

Before you move on

What does **భుజం** mean? ("A shoulder".) Say it once more.

127.4 కనుబొమ్మ (kanubomma) — an eyebrow

Before the new one: say the Telugu for a knee, then the Telugu for a shoulder.

You'll want to know: కనుబొమ్మ

కనుబొమ్మ — *kanubomma* — "an eyebrow".

The word, taken apart — its roots and family

కనుబొమ్మ (*kanubomma*) is native Dravidian: *kanu*, "eye" (DEDR 1159), and *bomma*, which DEDR 4530 glosses "puppet, doll, effigy, eyebrow".

What you've built

One more word for this chapter.

Your turn

- *Say it: kanubomma*
- *Say it: kanubomma*, once more
- *Say it:* say *kanubomma*
- *Recall:* say the Telugu for a knee, then the Telugu for a shoulder, then say *kanubomma* again

Before you move on

What does కనుబొమ్మ mean? ("An eyebrow".) Say it once more.

127.5 బుగ్గ (bugga) — a cheek

Before the new one: say the Telugu for a shoulder, then the Telugu for an eyebrow.

You'll want to know: బుగ్గ

బుగ్గ — *bugga* — "a cheek".

The word, taken apart — its roots and family

బుగ్గ (*bugga*) is native Dravidian. DEDR 4242 lists Telugu *bugga*, "cheek, inside of the cheek", with Kannada *buggi*, "cheek".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bugga*
- *Say it:* *bugga*, once more
- *Say it:* say *bugga*
- *Recall:* say the Telugu for a shoulder, then the Telugu for an eyebrow, then say *bugga* again

Before you move on

What does బుగ్గ mean? ("A cheek".) Say it once more.

Chapter 128

Chin, Wrist, Elbow, Skin, Blood

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say the chin, a wrist, an elbow, the skin and blood.
>
> *Complete the last lesson of chapter 128: I can say the chin, a wrist, an elbow, the skin and blood.*

128.1 గడ్డం (gaḍḍaṁ) — the chin; a beard

> Before the new one: say the Telugu for an eyebrow, then the Telugu for a cheek.

You'll want to know: గడ్డం

గడ్డం — *gaḍḍaṁ* — "the chin; a beard".

The word, taken apart — its roots and family

గడ్డం (*gaḍḍaṁ*) is native Dravidian, one word with Kannada *gaḍḍa*, "the beard about the chin, the chin" (DEDR 1156). DEDR notes that Tamil *keṭṭam*, "beard", is a loan from Telugu, and compares Prakrit *khaḍḍa*, "beard".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gaḍḍaṁ*
- *Say it:* *gaḍḍaṁ*, once more
- *Say it:* say *gaḍḍaṁ*
- *Recall:* say the Telugu for an eyebrow, then the Telugu for a cheek, then say *gaḍḍaṁ* again

Before you move on

What does గడ్డం mean? ("The chin; a beard".) Say it once more.

128.2 మణికట్టు (maṇikaṭṭu) — a wrist

Before the new one: say the Telugu for a cheek, then the Telugu for the chin; a beard.

You'll want to know: మణికట్టు

మణికట్టు — *maṇikaṭṭu* — "a wrist".

The word, taken apart — its roots and family

మణికట్టు (*maṇikaṭṭu*) is native Dravidian, one word with Tamil *maṇikkaṭṭu* and Kannada *maṇikaṭṭu*, "wrist" (DEDR 4673). DEDR notes that Sanskrit *maṇibandha*, "wrist", is a translation of it, its *bandha* rendering *kaṭṭu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *maṇikaṭṭu*
- *Say it:* *maṇikaṭṭu*, once more
- *Say it:* say *maṇikaṭṭu*

- *Recall:* say the Telugu for a cheek, then the Telugu for the chin; a beard, then say *maṇikaṭṭu* again

Before you move on

What does **మణికట్టు** mean? ("A wrist".) Say it once more.

128.3 మోచేయి (mōcēyi) — an elbow

Before the new one: say the Telugu for the chin; a beard, then the Telugu for a wrist.

You'll want to know: మోచేయి

మోచేయి — *mōcēyi* — "an elbow".

The word, taken apart — its roots and family

మోచేయి (*mōcēyi*) is native Dravidian. DEDR 4990 lists *mō ceyyi*, "elbow", the joint of the arm, with Tamil *mu̲lam*, "cubit".

What you've built

One more word for this chapter.

Your turn

- *Say it: mōcēyi*
- *Say it: mōcēyi*, once more
- *Say it:* say *mōcēyi*
- *Recall:* say the Telugu for the chin; a beard, then the Telugu for a wrist, then say *mōcēyi* again

Before you move on

What does **మోచేయి** mean? ("An elbow".) Say it once more.

128.4 చర్మం (carmaṁ) — the skin

Before the new one: say the Telugu for a wrist, then the Telugu for an elbow.

You'll want to know: చర్మం

చర్మం — *carmaṁ* — "the skin".

The word, taken apart — its roots and family

చర్మం (*carmaṁ*) is Sanskrit *carman*, "hide, skin", taken over whole as a learned loan, a tatsama (CDIAL 4701).

What you've built

One more word for this chapter.

Your turn

- *Say it: carmaṁ*
- *Say it: carmaṁ*, once more
- *Say it:* say *carmaṁ*
- *Recall:* say the Telugu for a wrist, then the Telugu for an elbow, then say *carmaṁ* again

Before you move on

What does చర్మం mean? ("The skin".) Say it once more.

128.5 రక్తం (raktaṁ) — blood

Before the new one: say the Telugu for an elbow, then the Telugu for the skin.

You'll want to know: రక్తం

రక్తం — *raktaṁ* — "blood".

The word, taken apart — its roots and family

రక్తం (*raktaṁ*) is Sanskrit *rakta*, "red; blood", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 10539).

What you've built

One more word for this chapter.

Your turn

- *Say it: raktaṁ*
- *Say it: raktaṁ*, once more
- *Say it:* say *raktaṁ*
- *Recall:* say the Telugu for an elbow, then the Telugu for the skin, then say *raktaṁ* again

Before you move on

What does రక్తం mean? ("Blood".) Say it once more.

Chapter 129

Window curtain, Clay pot, Water pot, Cupboard, Table

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say a window curtain, a clay pot, a water pot, a cupboard and a table.

Complete the last lesson of chapter 129: I can say a window curtain, a clay pot, a water pot, a cupboard and a table.

129.1 కిటికీతెర (kiṭikītera) — a window curtain

Before the new one: say the Telugu for the skin, then the Telugu for blood.

You'll want to know: కిటికీతెర

కిటికీతెర — *kiṭikītera* — "a window curtain".

The word, taken apart — its roots and family

కిటికీతెర (*kiṭikītera*) is *kiṭikī*, "window", probably a loan from the north (CDIAL 3770), and native *tera*, "curtain" (DEDR 3244).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kiṭikītera*
- *Say it:* *kiṭikītera*, once more
- *Say it:* say *kiṭikītera*
- *Recall:* say the Telugu for the skin, then the Telugu for blood, then say *kiṭikītera* again

Before you move on

What does **కిటికీతెర** mean? (“A window curtain”.) Say it once more.

129.2 చట్టి (caṭṭi) — a clay pot

Before the new one: say the Telugu for blood, then the Telugu for a window curtain.

You’ll want to know: చట్టి

చట్టి — *caṭṭi* — “a clay pot”.

The word, taken apart — its roots and family

చట్టి (*caṭṭi*) is a Dravidian word, one with Tamil *caṭṭi* and Kannada *caṭṭi*, “earthen pot” (DEDR 2306). DEDR points to the northern pot words in CDIAL 4736, which CDIAL takes from Dravidian, and notes that some forms are borrowed back from them.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *caṭṭi*
- *Say it:* *caṭṭi*, once more
- *Say it:* say *caṭṭi*

- *Recall:* say the Telugu for blood, then the Telugu for a window curtain, then say *caṭṭi* again

Before you move on

What does **చట్టి** mean? ("A clay pot".) Say it once more.

129.3 బిందె (bindē) — a water pot

Before the new one: say the Telugu for a window curtain, then the Telugu for a clay pot.

You'll want to know: బిందె

బిందె — *bindē* — "a water pot".

The word, taken apart — its roots and family

The origin of **బిందె** (*bindē*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: bindē*
- *Say it: bindē*, once more
- *Say it:* say *bindē*
- *Recall:* say the Telugu for a window curtain, then the Telugu for a clay pot, then say *bindē* again

Before you move on

What does **బిందె** mean? ("A water pot".) Say it once more.

129.4 బీరువా (bīruvā) — a cupboard

Before the new one: say the Telugu for a clay pot, then the Telugu for a water pot.

You'll want to know: బీరువా

బీరువా — *bīruvā* — "a cupboard".

The word, taken apart — its roots and family

బీరువా (*bīruvā*) is usually traced to English *bureau*, a chest of drawers.

What you've built

One more word for this chapter.

Your turn

- *Say it: bīruvā*
- *Say it: bīruvā*, once more
- *Say it:* say *bīruvā*
- *Recall:* say the Telugu for a clay pot, then the Telugu for a water pot, then say *bīruvā* again

Before you move on

What does **బీరువా** mean? ("A cupboard".) Say it once more.

129.5 టేబుల్ (ṭēbul) — a table

Before the new one: say the Telugu for a water pot, then the Telugu for a cupboard.

You'll want to know: టేబుల్

టేబుల్ — *ṭēbul* — "a table".

The word, taken apart — its roots and family

టేబుల్ (*ṭēbul*) is a loan from English *table*.

What you've built

One more word for this chapter.

Your turn

- *Say it: ṭēbul*
- *Say it: ṭēbul*, once more
- *Say it:* say *ṭēbul*
- *Recall:* say the Telugu for a water pot, then the Telugu for a cupboard, then say *ṭēbul* again

Before you move on

What does **టేబుల్** mean? ("A table".) Say it once more.

129.6 Food and nature — a first pass

Say the words for a cupboard and a table.

Your turn

Say these aloud:

- the sea, a lake, a forest, a leaf, soil
- thunder, lightning, a storm, a wave, a hill
- a waterfall, an island, a cow, a horse, an elephant
- a tiger, a lion, a bear, a monkey, a rabbit
- a deer, a fox, a snake, a tortoise, a parrot

Before you move on

The sea? (సముద్రం, *samudraṁ.*) A lake? (సరస్సు, *sarassu.*) A forest? (అడవి, *aḍavi.*) A leaf? (ఆకు, *āku.*) Soil? (మట్టి, *maṭṭi.*) Thunder? (ఉరుము, *urumu.*) Lightning? (మెరుపు, *merupu.*) A storm? (తుపాను, *tupānu.*) A wave? (అల, *ala.*) A hill? (కొండ, *koṇḍa.*) A waterfall? (జలపాతం, *jalapātaṁ.*) An island? (దీవి, *dīvi.*) A cow? (ఆవు, *āvu.*) A horse? (గుర్రం, *gurraṁ.*) An elephant? (ఏనుగు, *ēnugu.*) A tiger? (పులి, *puli.*) A lion? (సింహం, *siṁhaṁ.*) A bear? (ఎలుగుబంటి, *elugubaṇṭi.*) A monkey? (కోతి, *kōti.*) A rabbit? (కుందేలు, *kundēlu.*) A deer? (జింక, *jiṅka.*) A fox? (నక్క, *nakka.*) A snake? (పాము, *pāmu.*) A tortoise? (తాబేలు, *tābēlu.*) A parrot? (చిలక, *cilaka.*)

129.7 Nature and animals — a second pass

Say the words for a pigeon and an owl.

Your turn

Say these aloud:

- a pigeon, an owl, a peacock, a butterfly, a crow
- a duck, a pig, a donkey, a camel, the face
- the tongue, a knee, a shoulder, an eyebrow, a cheek
- the chin; a beard, a wrist, an elbow, the skin, blood
- a window curtain, a clay pot, a water pot, a cupboard, a table

Before you move on

A pigeon? (పావురం, *pāvuraṁ.*) An owl? (గుడ్లగూబ, *guḍlagūba.*) A peacock? (నెమలి, *nemali.*) A butterfly? (సీతాకోకచిలుక, *sītākōkacilaka.*) A crow? (కాకి, *kāki.*) A duck? (బాతు, *bātu.*) A pig? (పంది, *pandi.*) A donkey? (గాడిద, *gāḍida.*) A camel? (ఒంటె, *oṇṭe.*) The face? (ముఖం, *mukhaṁ.*) The tongue? (నాలుక, *nāluka.*) A knee? (మోకాలు, *mōkālu.*) A shoulder? (భుజం, *bhujaṁ.*) An eyebrow? (కనుబొమ్మ, *kanubomma.*) A cheek? (బుగ్గ, *bugga.*) The chin; a beard? (గడ్డం, *gaḍḍaṁ.*) A wrist? (మణికట్టు, *maṇikaṭṭu.*) An elbow?

(మోచేయి, *mōcēyi.*) The skin? (చర్మం, *carmaṁ.*) Blood? (రక్తం, *raktaṁ.*) A window curtain? (కిటికీతెర, *kiṭikītera.*) A clay pot? (చట్టి, *caṭṭi.*) A water pot? (బిందె, *bindē.*) A cupboard? (బీరువా, *bīruvā.*) A table? (టేబుల్, *ṭēbul.*)

Chapter 130

Television, Computer, Phone, Ticket, Paisa

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a television, a computer, a phone, a ticket and a paisa.
>
> *Complete the last lesson of chapter 130: I can say a television, a computer, a phone, a ticket and a paisa.*

130.1 టీవీ (ṭīvī) — a television

> Before the new one: say the Telugu for a cupboard, then the Telugu for a table.

You'll want to know: టీవీ

టీవీ — *ṭīvī* — "a television".

The word, taken apart — its roots and family

టీవీ (*ṭīvī*) is a loan from English *TV*, short for *television*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ṭīvī*
- *Say it:* *ṭīvī*, once more
- *Say it:* say *ṭīvī*
- *Recall:* say the Telugu for a cupboard, then the Telugu for a table, then say *ṭīvī* again

Before you move on

What does **టీవీ** mean? (“A television”.) Say it once more.

130.2 కంప్యూటర్ (kampyūṭar) — a computer

Before the new one: say the Telugu for a table, then the Telugu for a television.

You’ll want to know: కంప్యూటర్

కంప్యూటర్ — *kampyūṭar* — “a computer”.

The word, taken apart — its roots and family

కంప్యూటర్ (*kampyūṭar*) is a loan from English *computer*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *kampyūṭar*
- *Say it:* *kampyūṭar*, once more
- *Say it:* say *kampyūṭar*
- *Recall:* say the Telugu for a table, then the Telugu for a television, then say *kampyūṭar* again

Before you move on

What does కంప్యూటర్ mean? ("A computer".) Say it once more.

130.3 ఫోను (phōnu) — a phone

Before the new one: say the Telugu for a television, then the Telugu for a computer.

You'll want to know: ఫోను

ఫోను — *phōnu* — "a phone".

The word, taken apart — its roots and family

ఫోను (*phōnu*) is a loan from English *phone*, short for *telephone*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: phōnu*
- *Say it: phōnu*, once more
- *Say it:* say *phōnu*
- *Recall:* say the Telugu for a television, then the Telugu for a computer, then say *phōnu* again

Before you move on

What does ఫోను mean? ("A phone".) Say it once more.

130.4 టిక్కెట్టు (ṭikkeṭṭu) — a ticket

Before the new one: say the Telugu for a computer, then the Telugu for a phone.

Count on with **-వ**: పదవ, then పదకొండవ.

You'll want to know: టికెట్టు

టికెట్టు — *ṭikkeṭṭu* — "a ticket".

The word, taken apart — its roots and family

టికెట్టు (*ṭikkeṭṭu*) is a loan from English *ticket*, with Telugu's doubled consonants and added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: ṭikkeṭṭu*
- *Say it: ṭikkeṭṭu*, once more
- *Say it:* say *ṭikkeṭṭu*
- *Recall:* say the Telugu for a computer, then the Telugu for a phone, then say *ṭikkeṭṭu* again

Before you move on

What does **టికెట్టు** mean? ("A ticket".) Say it once more.

130.5 పైసా (paisā) — a paisa, small change

Before the new one: say the Telugu for a phone, then the Telugu for a ticket.

Count **ఒకటి** to **పది**, and hear how nearly every one ends in *-u*.

You'll want to know: పైసా

పైసా — *paisā* — "a paisa, small change".

The word, taken apart — its roots and family

పైసా (*paisā*) is a loan from Hindustani *paisā*, "a small copper coin".

What you've built

One more word for this chapter.

Your turn

- *Say it: paisā*
- *Say it: paisā*, once more
- *Say it:* say *paisā*
- *Recall:* say the Telugu for a phone, then the Telugu for a ticket, then say *paisā* again

Before you move on

What does పైసా mean? ("A paisa, small change".) Say it once more.

Chapter 131

Rupee, Bottle, Long skirt, Pocket, Belt

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a rupee, a bottle, a long skirt, a pocket and a belt.
>
> *Complete the last lesson of chapter 131: I can say a rupee, a bottle, a long skirt, a pocket and a belt.*

131.1 రూపాయి (rūpāyi) — a rupee

> Before the new one: say the Telugu for a ticket, then the Telugu for a paisa.

You'll want to know: రూపాయి

రూపాయి — *rūpāyi* — "a rupee".

The word, taken apart — its roots and family

రూపాయి (*rūpāyi*) is a loan from Hindustani *rupayā*, from Sanskrit *rūpya*, "stamped; silver" (CDIAL 10805).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *rūpāyi*
- *Say it:* *rūpāyi*, once more
- *Say it:* say *rūpāyi*
- *Recall:* say the Telugu for a ticket, then the Telugu for a paisa, then say *rūpāyi* again

Before you move on

What does **రూపాయి** mean? (“A rupee”.) Say it once more.

131.2 బాటిలు (bāṭilu) — a bottle

Before the new one: say the Telugu for a paisa, then the Telugu for a rupee.

You’ll want to know: బాటిలు

బాటిలు — *bāṭilu* — “a bottle”.

The word, taken apart — its roots and family

బాటిలు (*bāṭilu*) is a loan from English *bottle*, with Telugu’s added *-u*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *bāṭilu*
- *Say it:* *bāṭilu*, once more
- *Say it:* say *bāṭilu*
- *Recall:* say the Telugu for a paisa, then the Telugu for a rupee, then say *bāṭilu* again

Before you move on

What does **బాటిలు** mean? ("A bottle".) Say it once more.

131.3 లంగా (laṅgā) — a long skirt

Before the new one: say the Telugu for a rupee, then the Telugu for a bottle.

You'll want to know: లంగా

లంగా — *laṅgā* — "a long skirt".

The word, taken apart — its roots and family

లంగా (*laṅgā*) is usually traced to Hindustani *lahangā*, "a long skirt". Neither DEDR nor CDIAL records the Telugu word.

What you've built

One more word for this chapter.

Your turn

- *Say it: laṅgā*
- *Say it: laṅgā*, once more
- *Say it:* say *laṅgā*
- *Recall:* say the Telugu for a rupee, then the Telugu for a bottle, then say *laṅgā* again

Before you move on

What does **లంగా** mean? ("A long skirt".) Say it once more.

131.4 జేబు (jēbu) — a pocket

Before the new one: say the Telugu for a bottle, then the Telugu for a long skirt.

You'll want to know: జేబు

జేబు — *jēbu* — "a pocket".

The word, taken apart — its roots and family

జేబు (*jēbu*) is a loan from Arabic *jayb*, "pocket", which came through Persian and Hindustani *jēb*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *jēbu*
- *Say it:* *jēbu*, once more
- *Say it:* say *jēbu*
- *Recall:* say the Telugu for a bottle, then the Telugu for a long skirt, then say *jēbu* again

Before you move on

What does **జేబు** mean? ("A pocket".) Say it once more.

131.5 బెల్టు (beltu) — a belt

Before the new one: say the Telugu for a long skirt, then the Telugu for a pocket.

You'll want to know: బెల్టు

బెల్టు — *beltu* — "a belt".

The word, taken apart — its roots and family

బెల్టు (*beltu*) is a loan from English *belt*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: beltu*
- *Say it: beltu*, once more
- *Say it:* say *beltu*
- *Recall:* say the Telugu for a long skirt, then the Telugu for a pocket, then say *beltu* again

Before you move on

What does **బెల్టు** mean? ("A belt".) Say it once more.

Chapter 132

Socks, Coat, Dhoti, Blouse, Lotus

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say socks, a coat, a dhoti, a blouse and a lotus.
>
> *Complete the last lesson of chapter 132: I can say socks, a coat, a dhoti, a blouse and a lotus.*

132.1 సాక్సు (sāksu) — socks

Before the new one: say the Telugu for a pocket, then the Telugu for a belt.

You'll want to know: సాక్సు

సాక్సు — *sāksu* — "socks".

The word, taken apart — its roots and family

సాక్సు (*sāksu*) is a loan from English *socks*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sāksu*

- *Say it:* *sāksu*, once more
- *Say it:* say *sāksu*
- *Recall:* say the Telugu for a pocket, then the Telugu for a belt, then say *sāksu* again

Before you move on

What does సాక్సు mean? ("Socks".) Say it once more.

132.2 కోటు (kōṭu) — a coat

Before the new one: say the Telugu for a belt, then the Telugu for socks.

You'll want to know: కోటు

కోటు — *kōṭu* — "a coat".

The word, taken apart — its roots and family

కోటు (*kōṭu*) is a loan from English *coat*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kōṭu*
- *Say it:* *kōṭu*, once more
- *Say it:* say *kōṭu*
- *Recall:* say the Telugu for a belt, then the Telugu for socks, then say *kōṭu* again

Before you move on

What does కోటు mean? ("A coat".) Say it once more.

132.3 ధోతి (dhōti) — a dhoti

Before the new one: say the Telugu for socks, then the Telugu for a coat.

You'll want to know: ధోతి

ధోతి — *dhōti* — "a dhoti".

The word, taken apart — its roots and family

ధోతి (*dhōti*) is a loan from Hindustani *dhotī*, which CDIAL 6881 sets under a reconstructed *dhōtta, "cloth", perhaps related to *dhauta*, "washed".

What you've built

One more word for this chapter.

Your turn

- *Say it: dhōti*
- *Say it: dhōti*, once more
- *Say it:* say *dhōti*
- *Recall:* say the Telugu for socks, then the Telugu for a coat, then say *dhōti* again

Before you move on

What does **ధోతి** mean? ("A dhoti".) Say it once more.

132.4 జాకెట్టు (jākeṭṭu) — a blouse

Before the new one: say the Telugu for a coat, then the Telugu for a dhoti.

You'll want to know: జాకెట్టు

జాకెట్టు — *jākeṭṭu* — "a blouse".

The word, taken apart — its roots and family

జాకెట్టు (*jāketṭu*) is a loan from English *jacket*, used in Telugu for a blouse.

What you've built

One more word for this chapter.

Your turn

- *Say it: jāketṭu*
- *Say it: jāketṭu*, once more
- *Say it:* say *jāketṭu*
- *Recall:* say the Telugu for a coat, then the Telugu for a dhoti, then say *jāketṭu* again

Before you move on

What does **జాకెట్టు** mean? ("A blouse".) Say it once more.

132.5 తామరపువ్వు (tāmarapuvvu) — a lotus

Before the new one: say the Telugu for a dhoti, then the Telugu for a blouse.

You'll want to know: తామరపువ్వు

తామరపువ్వు — *tāmarapuvvu* — "a lotus".

The word, taken apart — its roots and family

తామరపువ్వు (*tāmarapuvvu*) is *tāmara*, "lotus", from Sanskrit *tāmarasa*, "red lotus" (CDIAL 5774), and native *puvvu*, "flower" (DEDR 4345), which DEDR compares, with a query, with Sanskrit *puṣpa*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tāmarapuvvu*
- *Say it:* *tāmarapuvvu*, once more
- *Say it:* say *tāmarapuvvu*
- *Recall:* say the Telugu for a dhoti, then the Telugu for a blouse, then say *tāmarapuvvu* again

Before you move on

What does **తామరపువ్వు** mean? (“A lotus”.) Say it once more.

Chapter 133

Clothes, Moustache, Tears, Boat, Train

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say clothes, a moustache, tears, a boat and a train.
>
> *Complete the last lesson of chapter 133: I can say clothes, a moustache, tears, a boat and a train.*

133.1 గుడ్డలు (guḍḍalu) — clothes, cloth

> Before the new one: say the Telugu for a blouse, then the Telugu for a lotus.

You'll want to know: గుడ్డలు

గుడ్డలు — *guḍḍalu* — "clothes, cloth".

The word, taken apart — its roots and family

గుడ్డలు (*guḍḍalu*) is native Dravidian, one word with Tamil *kuṭṭai* and Kannada *guḍḍe* (DEDR 1681). DEDR lists Telugu *guḍḍa*, "cloth, a piece of cloth".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *guḍḍalu*
- *Say it:* *guḍḍalu*, once more
- *Say it:* say *guḍḍalu*
- *Recall:* say the Telugu for a blouse, then the Telugu for a lotus, then say *guḍḍalu* again

Before you move on

What does గుడ్డలు mean? ("Clothes, cloth".) Say it once more.

133.2 మీసాలు (mīsālu) — a moustache

Before the new one: say the Telugu for a lotus, then the Telugu for clothes.

You'll want to know: మీసాలు

మీసాలు — *mīsālu* — "a moustache".

The word, taken apart — its roots and family

మీసాలు (*mīsālu*) is native Dravidian, one word with Tamil *mīcai* (DEDR 4879). DEDR lists Telugu *mīsamu*, plural *mīsalu*, "moustache".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mīsālu*
- *Say it:* *mīsālu*, once more
- *Say it:* say *mīsālu*
- *Recall:* say the Telugu for a lotus, then the Telugu for clothes, then say *mīsālu* again

Before you move on

What does మీసాలు mean? (“A moustache”.) Say it once more.

133.3 కంటినీరు (kaṇṭinīru) — tears

Before the new one: say the Telugu for clothes, then the Telugu for a moustache.

You’ll want to know: కంటినీరు

కంటినీరు — *kaṇṭinīru* — “tears”.

The word, taken apart — its roots and family

కంటినీరు (*kaṇṭinīru*) is native Dravidian: *kaṇṭi*, “of the eye”, from *kannu* (DEDR 1159), and *nīru*, “water” (DEDR 3690). DEDR compares Sanskrit *nīra*, “water”, with *nīru* (CDIAL 7552); CDIAL reports the view that *nīra* came from Dravidian, though one scholar takes it as Indo-European.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kaṇṭinīru*
- *Say it: kaṇṭinīru*, once more
- *Say it:* say *kaṇṭinīru*
- *Recall:* say the Telugu for clothes, then the Telugu for a moustache, then say *kaṇṭinīru* again

Before you move on

What does కంటినీరు mean? (“Tears”.) Say it once more.

133.4 పడవ (paḍava) — a boat

Before the new one: say the Telugu for a moustache, then the Telugu for tears.

You'll want to know: పడవ

పడవ — *paḍava* — "a boat".

The word, taken apart — its roots and family

పడవ (*paḍava*) is native Dravidian, one word with Tamil *paṭaku* and Kannada *paḍagu* (DEDR 3838). DEDR lists Telugu *paḍava*, "boat".

What you've built

One more word for this chapter.

Your turn

- *Say it: paḍava*
- *Say it: paḍava*, once more
- *Say it:* say *paḍava*
- *Recall:* say the Telugu for a moustache, then the Telugu for tears, then say *paḍava* again

Before you move on

What does పడవ mean? ("A boat".) Say it once more.

133.5 రైలు (railu) — a train

Before the new one: say the Telugu for tears, then the Telugu for a boat.

You'll want to know: రైలు

రైలు — *railu* — "a train".

The word, taken apart — its roots and family

రైలు (*railu*) is a loan from English *rail*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: railu*
- *Say it: railu*, once more
- *Say it:* say *railu*
- *Recall:* say the Telugu for tears, then the Telugu for a boat, then say *railu* again

Before you move on

What does రైలు mean? ("A train".) Say it once more.

Chapter 134

Car, Bicycle, Aeroplane, Grain, Wheat

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a car, a bicycle, an aeroplane, grain and wheat.

Complete the last lesson of chapter 134: I can say a car, a bicycle, an aeroplane, grain and wheat.

134.1 కారు (kāru) — a car

Before the new one: say the Telugu for a boat, then the Telugu for a train.

You'll want to know: కారు

కారు — *kāru* — "a car".

The word, taken apart — its roots and family

కారు (*kāru*) is a loan from English *car*, with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kāru*
- *Say it: kāru*, once more
- *Say it:* say *kāru*
- *Recall:* say the Telugu for a boat, then the Telugu for a train, then say *kāru* again

Before you move on

What does **కారు** mean? ("A car".) Say it once more.

134.2 సైకిలు (sāikilu) — a bicycle

Before the new one: say the Telugu for a train, then the Telugu for a car.

You'll want to know: సైకిలు

సైకిలు — *sāikilu* — "a bicycle".

The word, taken apart — its roots and family

సైకిలు (*sāikilu*) is a loan from English *cycle*, short for *bicycle*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sāikilu*
- *Say it: sāikilu*, once more
- *Say it:* say *sāikilu*
- *Recall:* say the Telugu for a train, then the Telugu for a car, then say *sāikilu* again

Before you move on

What does **సైకిలు** mean? ("A bicycle".) Say it once more.

134.3 విమానం (vimānaṁ) — an aeroplane

Before the new one: say the Telugu for a car, then the Telugu for a bicycle.

You'll want to know: విమానం

విమానం — *vimānaṁ* — "an aeroplane".

The word, taken apart — its roots and family

విమానం (*vimānaṁ*) is Sanskrit *vimāna*, "car of the gods", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 11823).

What you've built

One more word for this chapter.

Your turn

- *Say it: vimānaṁ*
- *Say it: vimānaṁ*, once more
- *Say it:* say *vimānaṁ*
- *Recall:* say the Telugu for a car, then the Telugu for a bicycle, then say *vimānaṁ* again

Before you move on

What does **విమానం** mean? ("An aeroplane".) Say it once more.

134.4 ధాన్యం (dhānyaṁ) — grain

Before the new one: say the Telugu for a bicycle, then the Telugu for an aeroplane.

You'll want to know: ధాన్యం

ధాన్యం — *dhānyaṁ* — "grain".

The word, taken apart — its roots and family

ధాన్యం (*dhānyaṁ*) is Sanskrit *dhānya*, "grain, corn", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 6778).

What you've built

One more word for this chapter.

Your turn

- *Say it: dhānyaṁ*
- *Say it: dhānyaṁ*, once more
- *Say it:* say *dhānyaṁ*
- *Recall:* say the Telugu for a bicycle, then the Telugu for an aeroplane, then say *dhānyaṁ* again

Before you move on

What does ధాన్యం mean? ("Grain".) Say it once more.

134.5 గోధుములు (gōdhumalu) — wheat

Before the new one: say the Telugu for an aeroplane, then the Telugu for grain.

You'll want to know: గోధుములు

గోధుములు — *gōdhumalu* — "wheat".

The word, taken apart — its roots and family

గోధుములు (*gōdhumalu*) is Sanskrit *godhūma*, "wheat" (CDIAL 4287), with the vowel shortened and the Telugu plural ending *-lu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gōdhumalu*
- *Say it:* *gōdhumalu*, once more
- *Say it:* say *gōdhumalu*
- *Recall:* say the Telugu for an aeroplane, then the Telugu for grain, then say *gōdhumalu* again

Before you move on

What does **గోధుమలు** mean? ("Wheat".) Say it once more.

Chapter 135

Black pepper, Cumin, Tamarind, Lemon, Grapes

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say black pepper, cumin, tamarind, a lemon and grapes.

Complete the last lesson of chapter 135: I can say black pepper, cumin, tamarind, a lemon and grapes.

135.1 మిరియాలు (miriyālu) — black pepper

Before the new one: say the Telugu for grain, then the Telugu for wheat.

You'll want to know: మిరియాలు

మిరియాలు — *miriyālu* — "black pepper".

The word, taken apart — its roots and family

మిరియాలు (*miriyālu*) comes from Sanskrit *marica*, "peppercorn", reshaped to Telugu sounds: a tadbhava (CDIAL 9875). CDIAL itself takes the Sanskrit word from an Austroasiatic language.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *miriyālu*
- *Say it:* *miriyālu*, once more
- *Say it:* say *miriyālu*
- *Recall:* say the Telugu for grain, then the Telugu for wheat, then say *miriyālu* again

Before you move on

What does మిరియాలు mean? (“Black pepper”.) Say it once more.

135.2 జీలకర్ర (jīlakarra) — cumin

Before the new one: say the Telugu for wheat, then the Telugu for black pepper.

You’ll want to know: జీలకర్ర

జీలకర్ర — *jīlakarra* — “cumin”.

The word, taken apart — its roots and family

జీలకర్ర (*jīlakarra*) is usually traced to Sanskrit *jīraka*, “cumin seed” (CDIAL 5234), reshaped to Telugu sounds.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *jīlakarra*
- *Say it:* *jīlakarra*, once more
- *Say it:* say *jīlakarra*
- *Recall:* say the Telugu for wheat, then the Telugu for black pepper, then say *jīlakarra* again

Before you move on

What does **జీలకర్ర** mean? ("Cumin".) Say it once more.

135.3 చింతపండు (cintapaṇḍu) — tamarind

Before the new one: say the Telugu for black pepper, then the Telugu for cumin.

You'll want to know: చింతపండు

చింతపండు — *cintapaṇḍu* — "tamarind".

The word, taken apart — its roots and family

చింతపండు (*cintapaṇḍu*) is native Dravidian: *cinta*, "tamarind", one word with Tamil *cintam* (DEDR 2529), and *paṇḍu*, "fruit" (DEDR 4004). DEDR compares Sanskrit *ciñcā*, "tamarind", which CDIAL 4792 traces to Munda, with the first, and Sanskrit *phala*, "fruit" (CDIAL 9051), with the second.

What you've built

One more word for this chapter.

Your turn

- *Say it: cintapaṇḍu*
- *Say it: cintapaṇḍu*, once more
- *Say it:* say *cintapaṇḍu*
- *Recall:* say the Telugu for black pepper, then the Telugu for cumin, then say *cintapaṇḍu* again

Before you move on

What does **చింతపండు** mean? ("Tamarind".) Say it once more.

135.4 నిమ్మకాయ (nimmakāya) — a lemon

Before the new one: say the Telugu for cumin, then the Telugu for tamarind.

You'll want to know: నిమ్మకాయ

నిమ్మకాయ — *nimmakāya* — "a lemon".

The word, taken apart — its roots and family

నిమ్మకాయ (*nimmakāya*) is *nimma*, from Sanskrit *nimbū*, "lime" (CDIAL 7247), which CDIAL takes from an Austroasiatic language, and native *kāya*, "unripe fruit" (DEDR 1459). DEDR compares the Indo-Aryan **kacca*, "raw" (CDIAL 2613), with *kāya*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nimmakāya*
- *Say it:* *nimmakāya*, once more
- *Say it:* say *nimmakāya*
- *Recall:* say the Telugu for cumin, then the Telugu for tamarind, then say *nimmakāya* again

Before you move on

What does **నిమ్మకాయ** mean? ("A lemon".) Say it once more.

135.5 ద్రాక్ష (drākṣa) — grapes

Before the new one: say the Telugu for tamarind, then the Telugu for a lemon.

You'll want to know: ద్రాక్ష

ద్రాక్ష — *drākṣa* — "grapes".

The word, taken apart — its roots and family

ద్రాక్ష (*drākṣa*) is Sanskrit *drākṣā*, "vine, grape", taken over whole as a learned loan, a tatsama, with the final *-ā* shortened (CDIAL 6628).

What you've built

One more word for this chapter.

Your turn

- *Say it: drākṣa*
- *Say it: drākṣa*, once more
- *Say it:* say *drākṣa*
- *Recall:* say the Telugu for tamarind, then the Telugu for a lemon, then say *drākṣa* again

Before you move on

What does ద్రాక్ష mean? ("Grapes".) Say it once more.

Chapter 136

Guava, Sugar, Tall, Short, Heavy

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a guava, sugar, tall, short and heavy.
>
> *Complete the last lesson of chapter 136: I can say a guava, sugar, tall, short and heavy.*

136.1 జామపండు (jāmapaṇḍu) — a guava

Before the new one: say the Telugu for a lemon, then the Telugu for grapes.

You'll want to know: జామపండు

జామపండు — *jāmapaṇḍu* — "a guava".

The word, taken apart — its roots and family

జామపండు (*jāmapaṇḍu*) is *jāma*, usually traced to Sanskrit *jambū*, "the rose-apple tree" (CDIAL 5131), a name passed on to the guava, and native *paṇḍu*, "fruit" (DEDR 4004), which DEDR compares with Sanskrit *phala*.

What you've built

One more word for this chapter.

Your turn

- *Say it: jāmapaṇḍu*
- *Say it: jāmapaṇḍu*, once more
- *Say it:* say *jāmapaṇḍu*
- *Recall:* say the Telugu for a lemon, then the Telugu for grapes, then say *jāmapaṇḍu* again

Before you move on

What does **జామపండు** mean? ("A guava".) Say it once more.

136.2 పంచదార (pañcadāra) — sugar

Before the new one: say the Telugu for grapes, then the Telugu for a guava.

You'll want to know: పంచదార

పంచదార — *pañcadāra* — "sugar".

The word, taken apart — its roots and family

The origin of **పంచదార** (*pañcadāra*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: pañcadāra*
- *Say it: pañcadāra*, once more
- *Say it:* say *pañcadāra*
- *Recall:* say the Telugu for grapes, then the Telugu for a guava, then say *pañcadāra* again

Before you move on

What does పంచదార mean? (“Sugar”.) Say it once more.

136.3 పొడవు (poḍavu) — tall, long

Before the new one: say the Telugu for a guava, then the Telugu for sugar.

An adjective goes before the noun and does not change: పాత పుస్తకం, కొత్త పుస్తకం.

You’ll want to know: పొడవు

పొడవు — *poḍavu* — “tall, long”.

The word, taken apart — its roots and family

పొడవు (*poḍavu*) is native Dravidian, one word with Kannada *poḍe* (DEDR 4484). DEDR lists Telugu *poḍavu*, “height, length; tall, long”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: poḍavu*
- *Say it: poḍavu*, once more
- *Say it:* say *poḍavu*
- *Recall:* say the Telugu for a guava, then the Telugu for sugar, then say *poḍavu* again

Before you move on

What does పొడవు mean? (“Tall, long”.) Say it once more.

136.4 పొట్టి (poṭṭi) — short

Before the new one: say the Telugu for sugar, then the Telugu for tall.

You'll want to know: పొట్టి

పొట్టి — *poṭṭi* — "short".

The word, taken apart — its roots and family

పొట్టి (*poṭṭi*) is native Dravidian, one word with Tamil *poṭi*, "that which is small", and Kannada *puṭṭa*, "smallness" (DEDR 4259). DEDR compares Sanskrit *puṭṭ-*, "to be small" (CDIAL 8256), and Prakrit *phiḍḍa*, "dwarf"; CDIAL, after Burrow, takes the Sanskrit from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: poṭṭi*
- *Say it: poṭṭi*, once more
- *Say it:* say *poṭṭi*
- *Recall:* say the Telugu for sugar, then the Telugu for tall, then say *poṭṭi* again

Before you move on

What does పొట్టి mean? ("Short".) Say it once more.

136.5 బరువు (baruvu) — heavy

Before the new one: say the Telugu for tall, then the Telugu for short.

You'll want to know: బరువు

బరువు — *baruvu* — "heavy".

The word, taken apart — its roots and family

The origin of **బరువు** (*baruvu*) is uncertain. DEDR does not list it. It is often linked to Sanskrit *bhāra*, "burden, weight" (CDIAL 9459), but the link is not settled.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *baruvu*
- *Say it:* *baruvu*, once more
- *Say it:* say *baruvu*
- *Recall:* say the Telugu for tall, then the Telugu for short, then say *baruvu* again

Before you move on

What does **బరువు** mean? ("Heavy".) Say it once more.

Chapter 137

Light, Soft, Hard, Clean, Dirty

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say light, soft, hard, clean and dirty.
>
> *Complete the last lesson of chapter 137: I can say light, soft, hard, clean and dirty.*

137.1 తేలిక (tēlika) — light (in weight)

Before the new one: say the Telugu for short, then the Telugu for heavy.

You'll want to know: తేలిక

తేలిక — *tēlika* — "light (in weight)".

The word, taken apart — its roots and family

తేలిక (*tēlika*) is native Dravidian. DEDR 3464 lists *tēlika*, "lightness; light, easy", under *tēlu*, "to float", with Kannada *tēlu*, "to float".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tēlika*
- *Say it:* *tēlika*, once more
- *Say it:* say *tēlika*
- *Recall:* say the Telugu for short, then the Telugu for heavy, then say *tēlika* again

Before you move on

What does **తేలిక** mean? (“Light (in weight)”.) Say it once more.

137.2 మెత్తని (mettani) — soft

Before the new one: say the Telugu for heavy, then the Telugu for light.

You’ll want to know: మెత్తని

మెత్తని — *mettani* — “soft”.

The word, taken apart — its roots and family

మెత్తని (*mettani*) is native Dravidian, one word with Kannada *mettage* (DEDR 5070). DEDR lists Telugu *metta* and *mettani*, “soft”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *mettani*
- *Say it:* *mettani*, once more
- *Say it:* say *mettani*
- *Recall:* say the Telugu for heavy, then the Telugu for light, then say *mettani* again

Before you move on

What does **మెత్తని** mean? (“Soft”.) Say it once more.

137.3 గట్టి (gaṭṭi) — hard

Before the new one: say the Telugu for light, then the Telugu for soft.

You’ll want to know: గట్టి

గట్టి — *gaṭṭi* — “hard”.

The word, taken apart — its roots and family

గట్టి (*gaṭṭi*) is native Dravidian. DEDR 1148 lists *gaṭṭi*, “hard, firm”, with Tamil *kaṭṭu*, “to harden”, and Kannada *gaṭṭi*, “firmness”. DEDR compares Sanskrit *kaṭhina*, “hard” (CDIAL 2650); CDIAL reports the view that *kaṭhina* came from Dravidian.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: gaṭṭi*
- *Say it: gaṭṭi*, once more
- *Say it:* say *gaṭṭi*
- *Recall:* say the Telugu for light, then the Telugu for soft, then say *gaṭṭi* again

Before you move on

What does **గట్టి** mean? (“Hard”.) Say it once more.

137.4 శుభ్రం (śubhraṁ) — clean

Before the new one: say the Telugu for soft, then the Telugu for hard.

You'll want to know: శుభ్రం

శుభ్రం — *śubhraṁ* — "clean".

The word, taken apart — its roots and family

శుభ్రం (*śubhraṁ*) is Sanskrit *śubhra*, "bright; white", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 12539). The sense "clean" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *śubhraṁ*
- *Say it:* *śubhraṁ*, once more
- *Say it:* say *śubhraṁ*
- *Recall:* say the Telugu for soft, then the Telugu for hard, then say *śubhraṁ* again

Before you move on

What does **శుభ్రం** mean? ("Clean".) Say it once more.

137.5 మురికి (murikī) — dirty

Before the new one: say the Telugu for hard, then the Telugu for clean.

You'll want to know: మురికి

మురికి — *murikī* — "dirty".

The word, taken apart — its roots and family

మురికి (*murikī*) is native Dravidian. DEDR 5007 lists *mu̲riki*, "dirt, filth; dirty", with Tamil *mu̲ri*, "to be spoiled", and Kannada *mu̲rikil*, "impurity".

What you've built

One more word for this chapter.

Your turn

- *Say it: murikī*
- *Say it: murikī*, once more
- *Say it:* say *murikī*
- *Recall:* say the Telugu for hard, then the Telugu for clean, then say *murikī* again

Before you move on

What does **మురికి** mean? ("Dirty".) Say it once more.

Chapter 138

Fast, Beautiful, Deep, Wide, Narrow

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say fast, beautiful, deep, wide and narrow.
>
> *Complete the last lesson of chapter 138: I can say fast, beautiful, deep, wide and narrow.*

138.1 వేగం (vēgaṁ) — fast; speed

> Before the new one: say the Telugu for clean, then the Telugu for dirty.

You'll want to know: వేగం

వేగం — *vēgaṁ* — "fast; speed".

The word, taken apart — its roots and family

వేగం (*vēgaṁ*) is Sanskrit *vega*, "violent agitation; speed", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 12089).

What you've built

One more word for this chapter.

Your turn

- *Say it: vēgaṁ*
- *Say it: vēgaṁ*, once more
- *Say it:* say *vēgaṁ*
- *Recall:* say the Telugu for clean, then the Telugu for dirty, then say *vēgaṁ* again

Before you move on

What does **వేగం** mean? ("Fast; speed".) Say it once more.

138.2 అందమైన (andamaina) — beautiful

Before the new one: say the Telugu for dirty, then the Telugu for fast; speed.

An adjective goes before the noun and does not change: **పాత పుస్తకం**, **కొత్త పుస్తకం**.

You'll want to know: అందమైన

అందమైన — *andamaina* — "beautiful".

The word, taken apart — its roots and family

అందమైన (*andamaina*) is native *andamu*, "beauty", one word with Tamil *antam* and Kannada *anda* (DEDR 2328), which queries whether it was influenced by Sanskrit *chanda*; and *ayina*, "which is", from *agu*, "to be" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: andamaina*
- *Say it: andamaina*, once more

- *Say it:* say *andamaina*
- *Recall:* say the Telugu for dirty, then the Telugu for fast; speed, then say *andamaina* again

Before you move on

What does **అందమైన** mean? ("Beautiful".) Say it once more.

138.3 లోతు (lōtu) — deep

Before the new one: say the Telugu for fast; speed, then the Telugu for beautiful.

You'll want to know: లోతు

లోతు — *lōtu* — "deep".

The word, taken apart — its roots and family

The origin of **లోతు** (*lōtu*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: lōtu*
- *Say it: lōtu*, once more
- *Say it:* say *lōtu*
- *Recall:* say the Telugu for fast; speed, then the Telugu for beautiful, then say *lōtu* again

Before you move on

What does **లోతు** mean? ("Deep".) Say it once more.

138.4 వెడల్పు (veḍalpu) — wide

Before the new one: say the Telugu for beautiful, then the Telugu for deep.

You'll want to know: వెడల్పు

వెడల్పు — *veḍalpu* — "wide".

The word, taken apart — its roots and family

The origin of వెడల్పు (*veḍalpu*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: veḍalpu*
- *Say it: veḍalpu*, once more
- *Say it:* say *veḍalpu*
- *Recall:* say the Telugu for beautiful, then the Telugu for deep, then say *veḍalpu* again

Before you move on

What does వెడల్పు mean? ("Wide".) Say it once more.

138.5 ఇరుకు (iruku) — narrow

Before the new one: say the Telugu for deep, then the Telugu for wide.

You'll want to know: ఇరుకు

ఇరుకు — *iruku* — "narrow".

The word, taken apart — its roots and family

ఇరుకు (*iruku*) is native Dravidian, one word with Tamil *iṟuku* and Kannada *iṟuku* (DEDR 524). DEDR lists Telugu *iṟuku*, "to be squeezed; a narrow place".

What you've built

One more word for this chapter.

Your turn

- *Say it: iruku*
- *Say it: iruku*, once more
- *Say it:* say *iruku*
- *Recall:* say the Telugu for deep, then the Telugu for wide, then say *iruku* again

Before you move on

What does ఇరుకు mean? ("Narrow".) Say it once more.

Chapter 139

Wet, Dry, Poor, Old, Famous

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say wet, dry, poor, old and famous.
>
> *Complete the last lesson of chapter 139: I can say wet, dry, poor, old and famous.*

139.1 తడి (taḍi) — wet

Before the new one: say the Telugu for wide, then the Telugu for narrow.

You'll want to know: తడి

తడి — *taḍi* — "wet".

The word, taken apart — its roots and family

తడి (*taḍi*) is native Dravidian. DEDR 3045 lists *taḍi*, "moisture, wet, damp", in an entry with Tamil *taṇ*, "cool". DEDR compares Prakrit *taṇṇāya*, "damp", and the northern words in CDIAL 13676.

What you've built

One more word for this chapter.

Your turn

- *Say it: taḍi*
- *Say it: taḍi*, once more
- *Say it:* say *taḍi*
- *Recall:* say the Telugu for wide, then the Telugu for narrow, then say *taḍi* again

Before you move on

What does **తడి** mean? (“Wet”.) Say it once more.

139.2 పొడి (poḍi) — dry

Before the new one: say the Telugu for narrow, then the Telugu for wet.

You’ll want to know: పొడి

పొడి — *poḍi* — “dry”.

The word, taken apart — its roots and family

పొడి (*poḍi*) is native Dravidian. DEDR 4481 lists *poḍi*, “powder, dust; powdery, loose”, with Kannada *puḍi*, “powder”; the sense “dry” is not listed there.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: poḍi*
- *Say it: poḍi*, once more
- *Say it:* say *poḍi*
- *Recall:* say the Telugu for narrow, then the Telugu for wet, then say *poḍi* again

Before you move on

What does పొడి mean? (“Dry”.) Say it once more.

139.3 పేద (pēda) — poor

Before the new one: say the Telugu for wet, then the Telugu for dry.

You’ll want to know: పేద

పేద — *pēda* — “poor”.

The word, taken apart — its roots and family

పేద (*pēda*) is native Dravidian. DEDR 4437 lists *pēda*, “poor, timid”, with Tamil *pētu*, “bewilderment, sorrow”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *pēda*
- *Say it:* *pēda*, once more
- *Say it:* say *pēda*
- *Recall:* say the Telugu for wet, then the Telugu for dry, then say *pēda* again

Before you move on

What does పేద mean? (“Poor”.) Say it once more.

139.4 ముసలి (musali) — old (of people)

Before the new one: say the Telugu for dry, then the Telugu for poor.

Say తాత and అమ్మమ్మ, grandfather and grandmother.

You'll want to know: ముసలి

ముసలి — *musali* — "old (of people)".

The word, taken apart — its roots and family

The origin of **ముసలి** (*musali*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it: musali*
- *Say it: musali*, once more
- *Say it:* say *musali*
- *Recall:* say the Telugu for dry, then the Telugu for poor, then say *musali* again

Before you move on

What does **ముసలి** mean? ("Old (of people)".) Say it once more.

139.5 ప్రసిద్ధ (prasiddha) — famous

Before the new one: say the Telugu for poor, then the Telugu for old.

You'll want to know: ప్రసిద్ధ

ప్రసిద్ధ — *prasiddha* — "famous".

The word, taken apart — its roots and family

ప్రసిద్ధ (*prasiddha*) is Sanskrit *prasiddha*, "celebrated", taken over whole as a learned loan, a tatsama (CDIAL 8842).

What you've built

One more word for this chapter.

Your turn

- *Say it: prasiddha*
- *Say it: prasiddha*, once more
- *Say it:* say *prasiddha*
- *Recall:* say the Telugu for poor, then the Telugu for old, then say *prasiddha* again

Before you move on

What does ప్రసిద్ధ mean? ("Famous".) Say it once more.

139.6 Animals, the body and more things — a first pass

Say the words for old and famous.

Your turn

Say these aloud:

- a television, a computer, a phone, a ticket, a paisa
- a rupee, a bottle, a long skirt, a pocket, a belt
- socks, a coat, a dhoti, a blouse, a lotus
- clothes, a moustache, tears, a boat, a train
- a car, a bicycle, an aeroplane, grain, wheat

Before you move on

A television? (టీవీ, *ṭīvī.*) A computer? (కంప్యూటర్, *kampyūṭar.*) A phone? (ఫోను, *phōnu.*) A ticket? (టిక్కెట్టు, *ṭikkeṭṭu.*) A paisa? (పైసా,

paisā.) A rupee? (రూపాయి, *rūpāyi.*) A bottle? (బాటిలు, *bāṭilu.*) A long skirt? (లంగా, *laṅgā.*) A pocket? (జేబు, *jēbu.*) A belt? (బెల్టు, *beltu.*) Socks? (సాక్సు, *sāksu.*) A coat? (కోటు, *kōṭu.*) A dhoti? (ధోతి, *dhōti.*) A blouse? (జాకెట్టు, *jāketṭu.*) A lotus? (తామరపువ్వు, *tāmarapuvvu.*) Clothes? (గుడ్డలు, *guḍḍalu.*) A moustache? (మీసాలు, *mīsālu.*) Tears? (కంటినీరు, *kaṇṭinīru.*) A boat? (పడవ, *paḍava.*) A train? (రైలు, *railu.*) A car? (కారు, *kāru.*) A bicycle? (సైకిలు, *sāikilu.*) An aeroplane? (విమానం, *vimānaṁ.*) Grain? (ధాన్యం, *dhānyaṁ.*) Wheat? (గోధుమలు, *gōdhumalu.*)

139.7 Describing words — a second pass

Say the words for black pepper and cumin.

Your turn

Say these aloud:

- black pepper, cumin, tamarind, a lemon, grapes
- a guava, sugar, tall, short, heavy
- light, soft, hard, clean, dirty
- fast; speed, beautiful, deep, wide, narrow
- wet, dry, poor, old, famous

Before you move on

Black pepper? (మిరియాలు, *miriyālu.*) Cumin? (జీలకర్ర, *jīlakarra.*) Tamarind? (చింతపండు, *cintapaṇḍu.*) A lemon? (నిమ్మకాయ, *nimmakāya.*) Grapes? (ద్రాక్ష, *drākṣa.*) A guava? (జామపండు, *jāmapaṇḍu.*) Sugar? (పంచదార, *pañcadāra.*) Tall? (పొడవు, *poḍavu.*) Short? (పొట్టి, *poṭṭi.*) Heavy? (బరువు, *baruvu.*) Light? (తేలిక, *tēlika.*) Soft? (మెత్తని, *mettani.*) Hard? (గట్టి, *gaṭṭi.*) Clean? (శుభ్రం, *śubhraṁ.*) Dirty? (మురికి, *murikī.*) Fast; speed? (వేగం, *vēgaṁ.*) Beautiful? (అందమైన, *andamaina.*) Deep? (లోతు, *lōtu.*) Wide? (వెడల్పు, *veḍalpu.*) Narrow? (ఇరుకు, *iruku.*) Wet? (తడి, *taḍi.*) Dry? (పొడి, *poḍi.*) Poor? (పేద, *pēda.*) Old? (ముసలి, *musali.*) Famous? (ప్రసిద్ధ,

prasiddha.)

Chapter 140

Safe, Lie, Grey, Golden, Spoiled

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say safe, a lie, grey, golden and spoiled.
>
> *Complete the last lesson of chapter 140: I can say safe, a lie, grey, golden and spoiled.*

140.1 సురక్షితం (surakṣitaṁ) — safe

> Before the new one: say the Telugu for old (of people), then the Telugu for famous.

You'll want to know: సురక్షితం

సురక్షితం — *surakṣitaṁ* — "safe".

The word, taken apart — its roots and family

సురక్షితం (*surakṣitaṁ*) is Sanskrit *surakṣita*, "well protected", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13499).

What you've built

One more word for this chapter.

Your turn

- *Say it: surakṣitaṁ*
- *Say it: surakṣitaṁ*, once more
- *Say it:* say *surakṣitaṁ*
- *Recall:* say the Telugu for old (of people), then the Telugu for famous, then say *surakṣitaṁ* again

Before you move on

What does **సురక్షితం** mean? (“Safe”.) Say it once more.

140.2 అబద్ధం (abaddhaṁ) — a lie; untrue

Before the new one: say the Telugu for famous, then the Telugu for safe.

You’ll want to know: అబద్ధం

అబద్ధం — *abaddhaṁ* — “a lie; untrue”.

The word, taken apart — its roots and family

అబద్ధం (*abaddhaṁ*) is Sanskrit *abaddha*, “unconnected, meaningless”, taken over whole as a learned loan, a tatsama. Telugu uses it for a lie.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: abaddhaṁ*
- *Say it: abaddhaṁ*, once more
- *Say it:* say *abaddhaṁ*
- *Recall:* say the Telugu for famous, then the Telugu for safe, then say *abaddhaṁ* again

Before you move on

What does **అబద్ధం** mean? ("A lie; untrue".) Say it once more.

140.3 బూడిద (būḍida) — grey; ash

Before the new one: say the Telugu for safe, then the Telugu for a lie; untrue.

You'll want to know: బూడిద

బూడిద — *būḍida* — "grey; ash".

The word, taken apart — its roots and family

బూడిద (*būḍida*) is native Dravidian. DEDR 4316 lists *būḍida*, "ashes", with Tamil *puḻuti*, "dust". DEDR compares Sanskrit *bhūti*, "ashes", and notes that some forms in the entry are probably borrowed from it.

What you've built

One more word for this chapter.

Your turn

- *Say it: būḍida*
- *Say it: būḍida*, once more
- *Say it:* say *būḍida*
- *Recall:* say the Telugu for safe, then the Telugu for a lie; untrue, then say *būḍida* again

Before you move on

What does **బూడిద** mean? ("Grey; ash".) Say it once more.

140.4 బంగారు (baṅgāru) — golden

Before the new one: say the Telugu for a lie; untrue, then the Telugu for grey; ash.

You'll want to know: బంగారు

బంగారు — *baṅgāru* — "golden".

The word, taken apart — its roots and family

The origin of బంగారు (*baṅgāru*) is uncertain. Neither DEDR nor CDIAL records it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *baṅgāru*
- *Say it:* *baṅgāru*, once more
- *Say it:* say *baṅgāru*
- *Recall:* say the Telugu for a lie; untrue, then the Telugu for grey; ash, then say *baṅgāru* again

Before you move on

What does బంగారు mean? ("Golden".) Say it once more.

140.5 పాడైన (pāḍaina) — spoiled

Before the new one: say the Telugu for grey; ash, then the Telugu for golden.

You'll want to know: పాడైన

పాడైన — *pāḍaina* — "spoiled".

The word, taken apart — its roots and family

పాడైన (*pāḍaina*) is native Dravidian: *pāḍu*, "ruin", one word with Tamil *pāḻ* (DEDR 4110), and *ayina*, "which has become" (DEDR 333). DEDR compares Prakrit *pāla*, "worn out".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pāḍaina*
- *Say it:* *pāḍaina*, once more
- *Say it:* say *pāḍaina*
- *Recall:* say the Telugu for grey; ash, then the Telugu for golden, then say *pāḍaina* again

Before you move on

What does పాడైన mean? ("Spoiled".) Say it once more.

Chapter 141

Sweet, Bitter-tasting, Spicy, Courage, Lazy

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say sweet, bitter-tasting, spicy, courage and lazy.

Complete the last lesson of chapter 141: I can say sweet, bitter-tasting, spicy, courage and lazy.

141.1 తీయని (tīyani) — sweet (of taste)

Before the new one: say the Telugu for golden, then the Telugu for spoiled.

You'll want to know: తీయని

తీయని — *tīyani* — "sweet (of taste)".

The word, taken apart — its roots and family

తీయని (*tīyani*) is native Dravidian, one word with Tamil *tīm*, "sweet" (DEDR 3268), which lists Telugu *tiyyani*, "sweet". DEDR compares, with a query, Prakrit *tiṇisa*, "honeycomb".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tīyani*
- *Say it:* *tīyani*, once more
- *Say it:* say *tīyani*
- *Recall:* say the Telugu for golden, then the Telugu for spoiled, then say *tīyani* again

Before you move on

What does **తీయని** mean? ("Sweet (of taste)".) Say it once more.

141.2 చేదైన (cēdaina) — bitter-tasting

Before the new one: say the Telugu for spoiled, then the Telugu for sweet.

You'll want to know: చేదైన

చేదైన — *cēdaina* — "bitter-tasting".

The word, taken apart — its roots and family

చేదైన (*cēdaina*) is native Dravidian: *cēdu*, "bitter" (DEDR 1249), and *ayina*, "which is" (DEDR 333). DEDR compares Sanskrit *kaṣāya*, "astringent", with *cēdu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cēdaina*
- *Say it:* *cēdaina*, once more
- *Say it:* say *cēdaina*
- *Recall:* say the Telugu for spoiled, then the Telugu for sweet, then say *cēdaina* again

Before you move on

What does **చేదైన** mean? ("Bitter-tasting".) Say it once more.

141.3 కారమైన (kāramaina) — spicy

Before the new one: say the Telugu for sweet, then the Telugu for bitter-tasting.

You'll want to know: కారమైన

కారమైన — *kāramaina* — "spicy".

The word, taken apart — its roots and family

కారమైన (*kāramaina*) is native Dravidian: *kāraṁ*, "pungency" (DEDR 1466), which DEDR thinks was probably influenced by Sanskrit *kṣāra*, and *ayina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: kāramaina*
- *Say it: kāramaina*, once more
- *Say it:* say *kāramaina*
- *Recall:* say the Telugu for sweet, then the Telugu for bitter-tasting, then say *kāramaina* again

Before you move on

What does **కారమైన** mean? ("Spicy".) Say it once more.

141.4 ధైర్యం (dhairyaṁ) — courage; brave

Before the new one: say the Telugu for bitter-tasting, then the Telugu for spicy.

You'll want to know: ధైర్యం

ధైర్యం — *dhairyaṁ* — "courage; brave".

The word, taken apart — its roots and family

ధైర్యం (*dhairyaṁ*) is Sanskrit *dhairya*, "firmness, courage", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *dhairyaṁ*
- *Say it:* *dhairyaṁ*, once more
- *Say it:* say *dhairyaṁ*
- *Recall:* say the Telugu for bitter-tasting, then the Telugu for spicy, then say *dhairyaṁ* again

Before you move on

What does ధైర్యం mean? ("Courage; brave".) Say it once more.

141.5 సోమరి (sōmari) — lazy

Before the new one: say the Telugu for spicy, then the Telugu for courage; brave.

You'll want to know: సోమరి

సోమరి — *sōmari* — "lazy".

The word, taken apart — its roots and family

సోమరి (*sōmari*) is native Dravidian. DEDR 2882 lists *sōmari*, "an idle person", with Tamil *cōmpu*, "to be idle".

What you've built

One more word for this chapter.

Your turn

- *Say it: sōmari*
- *Say it: sōmari*, once more
- *Say it:* say *sōmari*
- *Recall:* say the Telugu for spicy, then the Telugu for courage; brave, then say *sōmari* again

Before you move on

What does సోమరి mean? ("Lazy".) Say it once more.

Chapter 142

Hard-working, Clever, Terrible, Black, White

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say hard-working, clever, terrible, black and white.

Complete the last lesson of chapter 142: I can say hard-working, clever, terrible, black and white.

142.1 కష్టపడే (kaṣṭapaḍē) — hard-working

Before the new one: say the Telugu for courage; brave, then the Telugu for lazy.

You'll want to know: కష్టపడే

కష్టపడే — *kaṣṭapaḍē* — "hard-working".

The word, taken apart — its roots and family

కష్టపడే (*kaṣṭapaḍē*) is Sanskrit *kaṣṭa*, "hardship" (CDIAL 2978), with native *paḍu*, "to suffer, undergo" (DEDR 3853): "one who undergoes hardship".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kaṣṭapaḍē*
- *Say it:* *kaṣṭapaḍē*, once more
- *Say it:* say *kaṣṭapaḍē*
- *Recall:* say the Telugu for courage; brave, then the Telugu for lazy, then say *kaṣṭapaḍē* again

Before you move on

What does **కష్టపడే** mean? (“Hard-working”.) Say it once more.

142.2 తెలివైన (telivaina) — clever

Before the new one: say the Telugu for lazy, then the Telugu for hard-working.

Read it: **ఇది తలుపు. దీపం ఇక్కడ ఉంది.** aloud as one run

You’ll want to know: తెలివైన

తెలివైన — *telivaina* — “clever”.

The word, taken apart — its roots and family

తెలివైన (*telivaina*) is native Dravidian: *telivi*, “understanding, intelligence”, which DEDR 3433 lists under *teliyu*, “to be known”, and *ayina*, “which is” (DEDR 333).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *telivaina*
- *Say it:* *telivaina*, once more
- *Say it:* say *telivaina*

- *Recall:* say the Telugu for lazy, then the Telugu for hard-working, then say *telivaina* again

Before you move on

What does **తెలివైన** mean? ("Clever".) Say it once more.

142.3 భయంకరమైన (bhayaṅkaramaina) — terrible, dreadful

Before the new one: say the Telugu for hard-working, then the Telugu for clever.

You'll want to know: భయంకరమైన

భయంకరమైన — *bhayaṅkaramaina* — "terrible, dreadful".

The word, taken apart — its roots and family

భయంకరమైన (*bhayaṅkaramaina*) is *bhayaṅkara*, Sanskrit for "causing fear", built on Sanskrit *bhaya*, "fear" (CDIAL 9390), with native *ayina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: bhayaṅkaramaina*
- *Say it: bhayaṅkaramaina*, once more
- *Say it:* say *bhayaṅkaramaina*
- *Recall:* say the Telugu for hard-working, then the Telugu for clever, then say *bhayaṅkaramaina* again

Before you move on

What does **భయంకరమైన** mean? ("Terrible, dreadful".) Say it once more.

142.4 నల్లని (nallani) — black, dark

Before the new one: say the Telugu for clever, then the Telugu for terrible.

You'll want to know: నల్లని

నల్లని — *nallani* — "black, dark".

The word, taken apart — its roots and family

నల్లని (*nallani*) is native Dravidian, one word with Tamil *nallam* (DEDR 3613). DEDR lists Telugu *nalla* and *nallani*, "black".

What you've built

One more word for this chapter.

Your turn

- *Say it: nallani*
- *Say it: nallani*, once more
- *Say it:* say *nallani*
- *Recall:* say the Telugu for clever, then the Telugu for terrible, then say *nallani* again

Before you move on

What does **నల్లని** mean? ("Black, dark".) Say it once more.

142.5 తెల్లని (tellani) — white, bright

Before the new one: say the Telugu for terrible, then the Telugu for black.

You'll want to know: తెల్లని

తెల్లని — *tellani* — "white, bright".

The word, taken apart — its roots and family

తెల్లని (*tellani*) is native Dravidian. DEDR 3433 lists *tella* and *tellani*, "white", under *teli*, "white, pure", with Tamil *tel*, "to become clear".

What you've built

One more word for this chapter.

Your turn

- *Say it: tellani*
- *Say it: tellani*, once more
- *Say it:* say *tellani*
- *Recall:* say the Telugu for terrible, then the Telugu for black, then say *tellani* again

Before you move on

What does **తెల్లని** mean? ("White, bright".) Say it once more.

Chapter 143

Red, To fly, To run, To sleep, To get up

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say red, to fly, to run, to sleep and to get up.
>
> *Complete the last lesson of chapter 143: I can say red, to fly, to run, to sleep and to get up.*

143.1 ఎర్రటి (erraṭi) — red, reddish

> Before the new one: say the Telugu for black, then the Telugu for white.

You'll want to know: ఎర్రటి

ఎర్రటి — *erraṭi* — "red, reddish".

The word, taken apart — its roots and family

ఎర్రటి (*erraṭi*) is native Dravidian. DEDR 865 lists *e̱ṟra* and *e̱ṟrani*, "redness, red", with Tamil *e̱ru̱l*, a hill tree with red flowers.

What you've built

One more word for this chapter.

Your turn

- *Say it: erraṭi*
- *Say it: erraṭi*, once more
- *Say it:* say *erraṭi*
- *Recall:* say the Telugu for black, then the Telugu for white, then say *erraṭi* again

Before you move on

What does **ఎర్రటి** mean? (“Red, reddish”.) Say it once more.

143.2 ఎగురు (egiru) — to fly

Before the new one: say the Telugu for white, then the Telugu for red.

You’ll want to know: ఎగురు

ఎగురు — *egiru* — “to fly”.

The word, taken apart — its roots and family

ఎగురు (*egiru*) is native Dravidian. DEDR 3730 lists *negayu*, *egayu* and *eguru*, “to fly, rise”, with Tamil *niva*, “to rise”, and Kannada *nege*, “to rise, jump”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: egiru*
- *Say it: egiru*, once more
- *Say it:* say *egiru*
- *Recall:* say the Telugu for white, then the Telugu for red, then say *egiru* again

Before you move on

What does **ఎగురు** mean? ("To fly".) Say it once more.

143.3 పరిగెత్తు (parigettu) — to run

Before the new one: say the Telugu for red, then the Telugu for to fly.

You'll want to know: పరిగెత్తు

పరిగెత్తు — *parigettu* — "to run".

The word, taken apart — its roots and family

పరిగెత్తు (*parigettu*) is native Dravidian, built on *pari-*, "to run", the root of *parugu*, "running", which DEDR 3963 lists with Tamil *pari*, "to run".

What you've built

One more word for this chapter.

Your turn

- *Say it: parigettu*
- *Say it: parigettu*, once more
- *Say it:* say *parigettu*
- *Recall:* say the Telugu for red, then the Telugu for to fly, then say *parigettu* again

Before you move on

What does **పరిగెత్తు** mean? ("To run".) Say it once more.

143.4 నిద్రపో (nidrapō) — to sleep

Before the new one: say the Telugu for to fly, then the Telugu for to run.

You'll want to know: నిద్రపో

నిద్రపో — *nidrapō* — "to sleep".

The word, taken apart — its roots and family

నిద్రపో (*nidrapō*) is Sanskrit *nidrā*, "sleep" (CDIAL 7200), with native *pō*, "to go" (DEDR 4572): "go to sleep".

What you've built

One more word for this chapter.

Your turn

- *Say it: nidrapō*
- *Say it: nidrapō*, once more
- *Say it:* say *nidrapō*
- *Recall:* say the Telugu for to fly, then the Telugu for to run, then say *nidrapō* again

Before you move on

What does **నిద్రపో** mean? ("To sleep".) Say it once more.

143.5 లేచు (lēcu) — to get up

Before the new one: say the Telugu for to run, then the Telugu for to sleep.

Say eight commands, one breath each: **రా**, **ఇవ్వు**, **కూర్చో**, **నిల్చో**, **ఆలకించు**, **చూడు**, **మాట్లాడు**, **రాయి**.

You'll want to know: లేచు

లేచు — *lēcu* — "to get up".

The word, taken apart — its roots and family

లేచు (*lēcu*) is native Dravidian. DEDR 916 lists *lēcu*, "to rise, get up", with Tamil *ēṟu* and Kannada *ēṟu*, "to rise, ascend".

What you've built

One more word for this chapter.

Your turn

- *Say it: lēcu*
- *Say it: lēcu*, once more
- *Say it:* say *lēcu*
- *Recall:* say the Telugu for to run, then the Telugu for to sleep, then say *lēcu* again

Before you move on

What does **లేచు** mean? ("To get up".) Say it once more.

Chapter 144

To cook, To cut, To break, To send, To look for

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to cook, to cut, to break, to send and to look for.

Complete the last lesson of chapter 144: I can say to cook, to cut, to break, to send and to look for.

144.1 వండు (vaṇḍu) — to cook

Before the new one: say the Telugu for to sleep, then the Telugu for to get up.

You'll want to know: వండు

వండు — *vaṇḍu* — "to cook".

The word, taken apart — its roots and family

వండు (*vaṇḍu*) is native Dravidian. DEDR 5329 lists *vaṇḍu*, "to cook", and *vaṇṭa*, "cooking", with Kui *vaja* and Kuwi *vaj-*, "to cook".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vaṇḍu*
- *Say it:* *vaṇḍu*, once more
- *Say it:* say *vaṇḍu*
- *Recall:* say the Telugu for to sleep, then the Telugu for to get up, then say *vaṇḍu* again

Before you move on

What does **వండు** mean? ("To cook".) Say it once more.

144.2 కోయు (kōyu) — to cut

Before the new one: say the Telugu for to get up, then the Telugu for to cook.

You'll want to know: కోయు

కోయు — *kōyu* — "to cut".

The word, taken apart — its roots and family

కోయు (*kōyu*) is native Dravidian, one word with Tamil *koy* and Kannada *koy* (DEDR 2119). DEDR lists Telugu *kōyu*, "to cut, reap, pluck".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kōyu*
- *Say it:* *kōyu*, once more
- *Say it:* say *kōyu*
- *Recall:* say the Telugu for to get up, then the Telugu for to cook, then say *kōyu* again

Before you move on

What does కోయు mean? (“To cut”.) Say it once more.

144.3 పగలగొట్టు (pagalagoṭṭu) — to break

Before the new one: say the Telugu for to cook, then the Telugu for to cut.

You’ll want to know: పగలగొట్టు

పగలగొట్టు — *pagalagoṭṭu* — “to break”.

The word, taken apart — its roots and family

పగలగొట్టు (*pagalagoṭṭu*) is native Dravidian: *pagulu*, “to break, crack” (DEDR 3808), and *koṭṭu*, “to strike”, one word with Tamil *koṭṭu* (DEDR 2063). DEDR compares Pali *koṭṭeti*, “to beat” (CDIAL 3241).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: pagalagoṭṭu*
- *Say it: pagalagoṭṭu*, once more
- *Say it:* say *pagalagoṭṭu*
- *Recall:* say the Telugu for to cook, then the Telugu for to cut, then say *pagalagoṭṭu* again

Before you move on

What does పగలగొట్టు mean? (“To break”.) Say it once more.

144.4 పంపు (pampu) — to send

Before the new one: say the Telugu for to cut, then the Telugu for to break.

You'll want to know: పంపు

పంపు — *pampu* — "to send".

The word, taken apart — its roots and family

పంపు (*pampu*) is native Dravidian. DEDR 3887 lists *panucu*, "to send, command", and *pani*, "errand". DEDR compares Prakrit *peṇḍavaï*, "sends".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pampu*
- *Say it:* *pampu*, once more
- *Say it:* say *pampu*
- *Recall:* say the Telugu for to cut, then the Telugu for to break, then say *pampu* again

Before you move on

What does పంపు mean? ("To send".) Say it once more.

144.5 వెతుకు (vetuku) — to look for

Before the new one: say the Telugu for to break, then the Telugu for to send.

You'll want to know: వెతుకు

వెతుకు — *vetuku* — "to look for".

The word, taken apart — its roots and family

వెతుకు (*vetuku*) is native Dravidian, one word with Kannada *bedaku* (DEDR 5483). DEDR lists Telugu *vetuku*, "to search, look for".

What you've built

One more word for this chapter.

Your turn

- *Say it: vetuku*
- *Say it: vetuku*, once more
- *Say it:* say *vetuku*
- *Recall:* say the Telugu for to break, then the Telugu for to send, then say *vetuku* again

Before you move on

What does **వెతుకు** mean? ("To look for".) Say it once more.

Chapter 145

To learn, To teach, To forget, To jump, To get down

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to learn, to teach, to forget, to jump and to get down.

Complete the last lesson of chapter 145: I can say to learn, to teach, to forget, to jump and to get down.

145.1 నేర్చుకో (nērcukō) — to learn

Before the new one: say the Telugu for to send, then the Telugu for to look for.

You'll want to know: నేర్చుకో

నేర్చుకో — *nērcukō* — "to learn".

The word, taken apart — its roots and family

నేర్చుకో (*nērcukō*) is native Dravidian: *nērcu*, "to learn", which DEDR 3770 lists, with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nērcukō*
- *Say it:* *nērcukō*, once more
- *Say it:* say *nērcukō*
- *Recall:* say the Telugu for to send, then the Telugu for to look for, then say *nērcukō* again

Before you move on

What does నేర్చుకో mean? (“To learn”.) Say it once more.

145.2 నేర్పు (nērpu) — to teach

Before the new one: say the Telugu for to look for, then the Telugu for to learn.

You’ll want to know: నేర్పు

నేర్పు — *nērpu* — “to teach”.

The word, taken apart — its roots and family

నేర్పు (*nērpu*) is native Dravidian. DEDR 3770 lists *nērupu*, “to teach”, beside *nērcu*, “to learn”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *nērpu*
- *Say it:* *nērpu*, once more
- *Say it:* say *nērpu*
- *Recall:* say the Telugu for to look for, then the Telugu for to learn, then say *nērpu* again

Before you move on

What does **నేర్పు** mean? ("To teach".) Say it once more.

145.3 మరచిపో (maracipō) — to forget

Before the new one: say the Telugu for to learn, then the Telugu for to teach.

You'll want to know: మరచిపో

మరచిపో — *maracipō* — "to forget".

The word, taken apart — its roots and family

మరచిపో (*maracipō*) is native Dravidian: *maṟacu*, "to forget", one word with Malayalam *maṟakka*, "to forget" (DEDR 4760), and *pō*, "to go" (DEDR 4572).

What you've built

One more word for this chapter.

Your turn

- *Say it: maracipō*
- *Say it: maracipō*, once more
- *Say it:* say *maracipō*
- *Recall:* say the Telugu for to learn, then the Telugu for to teach, then say *maracipō* again

Before you move on

What does **మరచిపో** mean? ("To forget".) Say it once more.

145.4 దూకు (dūku) — to jump

Before the new one: say the Telugu for to teach, then the Telugu for to forget.

You'll want to know: దూకు

దూకు — *dūku* — "to jump".

The word, taken apart — its roots and family

దూకు (*dūku*) is native Dravidian. DEDR 3326 lists the Telugu verb "to leap, jump" with Kannada *dumuku*, "to leap down".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *dūku*
- *Say it:* *dūku*, once more
- *Say it:* say *dūku*
- *Recall:* say the Telugu for to teach, then the Telugu for to forget, then say *dūku* again

Before you move on

What does **దూకు** mean? ("To jump".) Say it once more.

145.5 దిగు (digu) — to get down, to get off

Before the new one: say the Telugu for to forget, then the Telugu for to jump.

You'll want to know: దిగు

దిగు — *digu* — "to get down, to get off".

The word, taken apart — its roots and family

దిగు (*digu*) is native Dravidian, one word with Tamil *i̲li* and Kannada *i̲li* (DEDR 502). DEDR lists Telugu *digu*, "to descend, alight".

What you've built

One more word for this chapter.

Your turn

- *Say it: digu*
- *Say it: digu*, once more
- *Say it:* say *digu*
- *Recall:* say the Telugu for to forget, then the Telugu for to jump, then say *digu* again

Before you move on

What does దిగు mean? ("To get down, to get off".) Say it once more.

Chapter 146

To reach, To put on, To call, To count, To wash

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to reach, to put on, to call, to count and to wash.

Complete the last lesson of chapter 146: I can say to reach, to put on, to call, to count and to wash.

146.1 చేరు (cēru) — to reach, to join

Before the new one: say the Telugu for to jump, then the Telugu for to get down.

You'll want to know: చేరు

చేరు — *cēru* — "to reach, to join".

The word, taken apart — its roots and family

చేరు (*cēru*) is native Dravidian, one word with Tamil *cēr* and Kannada *sēr* (DEDR 2814). DEDR lists Telugu *cēru*, "to join, reach, arrive at".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cēru*
- *Say it:* *cēru*, once more
- *Say it:* say *cēru*
- *Recall:* say the Telugu for to jump, then the Telugu for to get down, then say *cēru* again

Before you move on

What does **చేరు** mean? ("To reach, to join".) Say it once more.

146.2 వేసుకో (vēsukō) — to put on (clothes)

Before the new one: say the Telugu for to get down, then the Telugu for to reach.

You'll want to know: వేసుకో

వేసుకో — *vēsukō* — "to put on (clothes)".

The word, taken apart — its roots and family

వేసుకో (*vēsukō*) is native Dravidian: *vēyu*, "to put on (as a dress)", which DEDR 5534 lists, with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vēsukō*
- *Say it:* *vēsukō*, once more
- *Say it:* say *vēsukō*
- *Recall:* say the Telugu for to get down, then the Telugu for to reach, then say *vēsukō* again

Before you move on

What does **వేసుకో** mean? ("To put on (clothes)".) Say it once more.

146.3 పిలుచు (pilucu) — to call

Before the new one: say the Telugu for to reach, then the Telugu for to put on.

You'll want to know: పిలుచు

పిలుచు — *pilucu* — "to call".

The word, taken apart — its roots and family

పిలుచు (*pilucu*) is native Dravidian, one word with Tamil *piḷiṟu* (DEDR 4195). DEDR lists Telugu *pilucu*, "to call, invite".

What you've built

One more word for this chapter.

Your turn

- *Say it: pilucu*
- *Say it: pilucu*, once more
- *Say it:* say *pilucu*
- *Recall:* say the Telugu for to reach, then the Telugu for to put on, then say *pilucu* again

Before you move on

What does **పిలుచు** mean? ("To call".) Say it once more.

146.4 లెక్కపెట్టు (lekkapeṭṭu) — to count

Before the new one: say the Telugu for to put on, then the Telugu for to call.

Count on with **-వ**: **పదవ**, then **పదకొండవ**.

You'll want to know: లెక్కపెట్టు

లెక్కపెట్టు — *lekkapeṭṭu* — "to count".

The word, taken apart — its roots and family

లెక్కపెట్టు (*lekkapeṭṭu*) is *lekka*, "count, account", usually traced to Sanskrit *lekhya*, "to be written; a document" (CDIAL 11108), and native *peṭṭu*, "to put" (DEDR 4390).

What you've built

One more word for this chapter.

Your turn

- *Say it: lekkapeṭṭu*
- *Say it: lekkapeṭṭu*, once more
- *Say it:* say *lekkapeṭṭu*
- *Recall:* say the Telugu for to put on, then the Telugu for to call, then say *lekkapeṭṭu* again

Before you move on

What does లెక్కపెట్టు mean? ("To count".) Say it once more.

146.5 కడుగు (kaḍugu) — to wash

Before the new one: say the Telugu for to call, then the Telugu for to count.

You'll want to know: కడుగు

కడుగు — *kaḍugu* — "to wash".

The word, taken apart — its roots and family

కడుగు (*kaḍugu*) is native Dravidian, one word with Tamil *kaḻuvu* (DEDR 1369). DEDR lists Telugu *kaḍugu*, "to wash".

What you've built

One more word for this chapter.

Your turn

- *Say it: kaḍugu*
- *Say it: kaḍugu*, once more
- *Say it:* say *kaḍugu*
- *Recall:* say the Telugu for to call, then the Telugu for to count, then say *kaḍugu* again

Before you move on

What does కడుగు mean? ("To wash".) Say it once more.

Chapter 147

To wipe, To tie, To sew, To win, To hide

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to wipe, to tie, to sew, to win and to hide.

Complete the last lesson of chapter 147: I can say to wipe, to tie, to sew, to win and to hide.

147.1 తుడుచు (tuḍucu) — to wipe

Before the new one: say the Telugu for to count, then the Telugu for to wash.

You'll want to know: తుడుచు

తుడుచు — *tuḍucu* — "to wipe".

The word, taken apart — its roots and family

తుడుచు (*tuḍucu*) is native Dravidian, one word with Tamil *tuṭai* and Kannada *toḍe* (DEDR 3301). DEDR lists Telugu *tuḍucu*, "to wipe, sweep".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tuḍucu*
- *Say it:* *tuḍucu*, once more
- *Say it:* say *tuḍucu*
- *Recall:* say the Telugu for to count, then the Telugu for to wash, then say *tuḍucu* again

Before you move on

What does **తుడుచు** mean? (“To wipe”.) Say it once more.

147.2 కట్టు (kaṭṭu) — to tie, to build

Before the new one: say the Telugu for to wash, then the Telugu for to wipe.

You’ll want to know: కట్టు

కట్టు — *kaṭṭu* — “to tie, to build”.

The word, taken apart — its roots and family

కట్టు (*kaṭṭu*) is native Dravidian, one word with Tamil *kaṭṭu* and Kannada *kaṭṭu* (DEDR 1147). DEDR lists Telugu *kaṭṭu*, “to tie, bind, build”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *kaṭṭu*
- *Say it:* *kaṭṭu*, once more
- *Say it:* say *kaṭṭu*
- *Recall:* say the Telugu for to wash, then the Telugu for to wipe, then say *kaṭṭu* again

Before you move on

What does కట్టు mean? (“To tie, to build”.) Say it once more.

147.3 కుట్టు (kuṭṭu) — to sew

Before the new one: say the Telugu for to wipe, then the Telugu for to tie.

You’ll want to know: కుట్టు

కుట్టు — *kuṭṭu* — “to sew”.

The word, taken apart — its roots and family

కుట్టు (*kuṭṭu*) is native Dravidian, one word with Kannada *kuṭṭu* (DEDR 1672). DEDR lists Telugu *kuṭṭu*, “to prick, stitch, sew”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kuṭṭu*
- *Say it: kuṭṭu*, once more
- *Say it:* say *kuṭṭu*
- *Recall:* say the Telugu for to wipe, then the Telugu for to tie, then say *kuṭṭu* again

Before you move on

What does కుట్టు mean? (“To sew”.) Say it once more.

147.4 గెలుచు (gelucu) — to win

Before the new one: say the Telugu for to tie, then the Telugu for to sew.

You'll want to know: గెలుచు

గెలుచు — *gelucu* — "to win".

The word, taken apart — its roots and family

గెలుచు (*gelucu*) is native Dravidian, one word with Tamil *keli* and Kannada *gel* (DEDR 1972). DEDR lists Telugu *gelucu*, "to win".

What you've built

One more word for this chapter.

Your turn

- *Say it: gelucu*
- *Say it: gelucu*, once more
- *Say it:* say *gelucu*
- *Recall:* say the Telugu for to tie, then the Telugu for to sew, then say *gelucu* again

Before you move on

What does **గెలుచు** mean? ("To win".) Say it once more.

147.5 దాచు (dācu) — to hide

Before the new one: say the Telugu for to sew, then the Telugu for to win.

You'll want to know: దాచు

దాచు — *dācu* — "to hide".

The word, taken apart — its roots and family

దాచు (*dācu*) is native Dravidian. DEDR 63 lists *ḍācu*, "to hide, conceal", and a nasalised form of *dācu*, with Kannada *aḍagu*, "to hide", and Tamil *aṭaṅku*, "to submit". DEDR compares the northern verbs for "to cover" in CDIAL 5574 and 5579.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *dācu*
- *Say it:* *dācu*, once more
- *Say it:* say *dācu*
- *Recall:* say the Telugu for to sew, then the Telugu for to win, then say *dācu* again

Before you move on

What does దాచు mean? ("To hide".) Say it once more.

Chapter 148

To protect, To burn, To put out, To sing, To sell

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to protect, to burn, to put out, to sing and to sell.
>
> *Complete the last lesson of chapter 148: I can say to protect, to burn, to put out, to sing and to sell.*

148.1 కాపాడు (kāpāḍu) — to protect, to save

> Before the new one: say the Telugu for to win, then the Telugu for to hide.

You'll want to know: కాపాడు

కాపాడు — *kāpāḍu* — "to protect, to save".

The word, taken apart — its roots and family

కాపాడు (*kāpāḍu*) is native Dravidian. DEDR 1416 lists *kāpāḍu*, "to protect, save", under *kācu*, "to guard", with Tamil *kā*, "to guard". DEDR compares Prakrit *kāhila*, "cowherd".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kāpāḍu*
- *Say it:* *kāpāḍu*, once more
- *Say it:* say *kāpāḍu*
- *Recall:* say the Telugu for to win, then the Telugu for to hide, then say *kāpāḍu* again

Before you move on

What does కాపాడు mean? ("To protect, to save".) Say it once more.

148.2 కాల్చు (kālcu) — to burn

Before the new one: say the Telugu for to hide, then the Telugu for to protect.

You'll want to know: కాల్చు

కాల్చు — *kālcu* — "to burn".

The word, taken apart — its roots and family

కాల్చు (*kālcu*) is native Dravidian. DEDR 1500 lists *kālu*, "to burn", and *kālcu*, "to burn (something)", with Malayalam *kāḷuka*, "to burn".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kālcu*
- *Say it:* *kālcu*, once more
- *Say it:* say *kālcu*
- *Recall:* say the Telugu for to hide, then the Telugu for to protect, then say *kālcu* again

Before you move on

What does కాల్చు mean? ("To burn".) Say it once more.

148.3 ఆర్పు (ārpu) — to put out

Before the new one: say the Telugu for to protect, then the Telugu for to burn.

You'll want to know: ఆర్పు

ఆర్పు — *ārpu* — "to put out".

The word, taken apart — its roots and family

ఆర్పు (*ārpu*) is native Dravidian: the "make it go out" form of *āṟu*, "to be extinguished, cool", which DEDR 404 lists with Tamil *āṟu*, "to cool".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ārpu*
- *Say it:* *ārpu*, once more
- *Say it:* say *ārpu*
- *Recall:* say the Telugu for to protect, then the Telugu for to burn, then say *ārpu* again

Before you move on

What does ఆర్పు mean? ("To put out".) Say it once more.

148.4 పాడు (pāḍu) — to sing

Before the new one: say the Telugu for to burn, then the Telugu for to put out.

You'll want to know: పాడు

పాడు — *pāḍu* — "to sing".

The word, taken apart — its roots and family

పాడు (*pāḍu*) is native Dravidian, one word with Tamil *pāṭu* and Kannada *pāḍu* (DEDR 4065). DEDR lists Telugu *pāḍu*, "to sing".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pāḍu*
- *Say it:* *pāḍu*, once more
- *Say it:* say *pāḍu*
- *Recall:* say the Telugu for to burn, then the Telugu for to put out, then say *pāḍu* again

Before you move on

What does పాడు mean? ("To sing".) Say it once more.

148.5 అమ్ము (ammu) — to sell

Before the new one: say the Telugu for to put out, then the Telugu for to sing.

You'll want to know: అమ్ము

అమ్ము — *ammu* — "to sell".

The word, taken apart — its roots and family

అమ్ము (*ammu*) is native Dravidian. DEDR 186 lists *ammu*, "to sell", and *ammakamu*, "sale".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ammu*
- *Say it:* *ammu*, once more
- *Say it:* say *ammu*
- *Recall:* say the Telugu for to put out, then the Telugu for to sing, then say *ammu* again

Before you move on

What does అమ్ము mean? ("To sell".) Say it once more.

Chapter 149

To walk, To close, To open, To drink, To cry

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say to walk, to close, to open, to drink and to cry.
>
> *Complete the last lesson of chapter 149: I can say to walk, to close, to open, to drink and to cry.*

149.1 నడుచు (naḍucu) — to walk

> Before the new one: say the Telugu for to sing, then the Telugu for to sell.

You'll want to know: నడుచు

నడుచు — *naḍucu* — "to walk".

The word, taken apart — its roots and family

నడుచు (*naḍucu*) is native Dravidian, one word with Tamil *naṭa* and Kannada *naḍe* (DEDR 3582). DEDR lists Telugu *naḍucu*, "to walk".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *naḍucu*
- *Say it:* *naḍucu*, once more
- *Say it:* say *naḍucu*
- *Recall:* say the Telugu for to sing, then the Telugu for to sell, then say *naḍucu* again

Before you move on

What does **నడుచు** mean? (“To walk”.) Say it once more.

149.2 మూయు (mūyu) — to close

Before the new one: say the Telugu for to sell, then the Telugu for to walk.

You’ll want to know: మూయు

మూయు — *mūyu* — “to close”.

The word, taken apart — its roots and family

మూయు (*mūyu*) is native Dravidian, one word with Tamil *mūy* and Kannada *muccu* (DEDR 4915). DEDR lists Telugu *mūyu*, “to cover, shut, close”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *mūyu*
- *Say it:* *mūyu*, once more
- *Say it:* say *mūyu*
- *Recall:* say the Telugu for to sell, then the Telugu for to walk, then say *mūyu* again

Before you move on

What does మూయు mean? ("To close".) Say it once more.

149.3 తెరువు (teruvu) — to open

Before the new one: say the Telugu for to walk, then the Telugu for to close.

You'll want to know: తెరువు

తెరువు — *teruvu* — "to open".

The word, taken apart — its roots and family

తెరువు (*teruvu*) is native Dravidian, one word with Tamil *tiṟa*, "to open" (DEDR 3259), which lists the Telugu as *teṟacu*, "to open".

What you've built

One more word for this chapter.

Your turn

- *Say it: teruvu*
- *Say it: teruvu*, once more
- *Say it:* say *teruvu*
- *Recall:* say the Telugu for to walk, then the Telugu for to close, then say *teruvu* again

Before you move on

What does తెరువు mean? ("To open".) Say it once more.

149.4 తాగు (tāgu) — to drink

Before the new one: say the Telugu for to close, then the Telugu for to open.

You'll want to know: తాగు

తాగు — *tāgu* — "to drink".

The word, taken apart — its roots and family

తాగు (*tāgu*) is native Dravidian. DEDR 3174 lists *trāgu* and *trāvu*, "to drink".

What you've built

One more word for this chapter.

Your turn

- *Say it: tāgu*
- *Say it: tāgu*, once more
- *Say it:* say *tāgu*
- *Recall:* say the Telugu for to close, then the Telugu for to open, then say *tāgu* again

Before you move on

What does తాగు mean? ("To drink".) Say it once more.

149.5 ఏడ్చు (ēḍcu) — to cry

Before the new one: say the Telugu for to open, then the Telugu for to drink.

You'll want to know: ఏడ్చు

ఏడ్చు — *ēḍcu* — "to cry".

The word, taken apart — its roots and family

DEDR 282 lists *ēḍucu*, "to cry, weep", beside Tamil *aḻu* and Kannada *aḻu*, "to weep", but puts a query against the Telugu forms.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ēḍcu*
- *Say it:* *ēḍcu*, once more
- *Say it:* say *ēḍcu*
- *Recall:* say the Telugu for to open, then the Telugu for to drink, then say *ēḍcu* again

Before you move on

What does ఏడ్చు mean? ("To cry".) Say it once more.

149.6 Describing words and verbs — a first pass

Say the words for to drink and to cry.

Your turn

Say these aloud:

- safe, a lie; untrue, grey; ash, golden, spoiled
- sweet, bitter-tasting, spicy, courage; brave, lazy
- hard-working, clever, terrible, black, white
- red, to fly, to run, to sleep, to get up
- to cook, to cut, to break, to send, to look for

Before you move on

Safe? (సురక్షితం, *surakṣitaṁ.*) A lie; untrue? (అబద్ధం, *abaddhaṁ.*) Grey; ash? (బూడిద, *būḍida.*) Golden? (బంగారు, *baṅgāru.*) Spoiled? (పాడైన, *pāḍaina.*) Sweet? (తీయని, *tīyani.*) Bitter-tasting? (చేదైన,

cēdaina.) Spicy? (కారమైన, *kāramaina.*) Courage; brave? (ధైర్యం, *dhairyaṁ.*) Lazy? (సోమరి, *sōmari.*) Hard-working? (కష్టపడే, *kaṣṭapaḍē.*) Clever? (తెలివైన, *telivaina.*) Terrible? (భయంకరమైన, *bhayaṅkaramaina.*) Black? (నల్లని, *nallani.*) White? (తెల్లని, *tellani.*) Red? (ఎర్రటి, *erraṭi.*) To fly? (ఎగురు, *egiru.*) To run? (పరిగెత్తు, *parigettu.*) To sleep? (నిద్రపో, *nidrapō.*) To get up? (లేచు, *lēcu.*) To cook? (వండు, *vaṇḍu.*) To cut? (కోయు, *kōyu.*) To break? (పగలగొట్టు, *pagalagoṭṭu.*) To send? (పంపు, *pampu.*) To look for? (వెతుకు, *vetuku.*)

149.7 Verbs — a second pass

Say the words for to learn and to teach.

Your turn

Say these aloud:

- to learn, to teach, to forget, to jump, to get down
- to reach, to put on, to call, to count, to wash
- to wipe, to tie, to sew, to win, to hide
- to protect, to burn, to put out, to sing, to sell
- to walk, to close, to open, to drink, to cry

Before you move on

To learn? (నేర్చుకో, *nērcukō.*) To teach? (నేర్పు, *nērpu.*) To forget? (మరచిపో, *maracipō.*) To jump? (దూకు, *dūku.*) To get down? (దిగు, *digu.*) To reach? (చేరు, *cēru.*) To put on? (వేసుకో, *vēsukō.*) To call? (పిలుచు, *pilucu.*) To count? (లెక్కపెట్టు, *lekkapeṭṭu.*) To wash? (కడుగు, *kaḍugu.*) To wipe? (తుడుచు, *tuḍucu.*) To tie? (కట్టు, *kaṭṭu.*) To sew? (కుట్టు, *kuṭṭu.*) To win? (గెలుచు, *gelucu.*) To hide? (దాచు, *dācu.*) To protect? (కాపాడు, *kāpāḍu.*) To burn? (కాల్చు, *kālcu.*) To put out? (ఆర్పు, *ārpu.*) To sing? (పాడు, *pāḍu.*) To sell? (అమ్ము, *ammu.*) To walk? (నడుచు, *naḍucu.*) To close? (మూయు, *mūyu.*) To open? (తెరువు, *teruvu.*) To drink? (తాగు, *tāgu.*) To cry? (ఏడ్చు, *ēḍcu.*)

Chapter 150

A Word for Literature — Then the Letter Inside It

Modes: 🚗 **voice** (1) ✓ **pen** (1) 🚗 **Hands-free start:** the first of 2 lessons.

> ***By the end of this chapter:*** I can say the Telugu word for literature, recognise the rare letter inside it, and write that letter in a source-backed order.
>
> *Take* ఱ *from the already-known word* వాఙ్మయం *and write its five movements in three pen-down runs.*

150.1 వాఙ్మయం (vāṅmayaṁ) — literature, the whole body of expression in words

> You already know పుస్తకం, a book, and you have held a short passage without translating every word. This lesson names the larger body that books and spoken works belong to.

You'll want to know: వాఙ్మయం

వాఙ్మయం — *vāṅmayaṁ* — "literature", or more broadly, expression made of words.

Say it in three gentle pieces: *vāṅ* · *ma* · *yaṁ*. The first piece ends with the velar nasal heard in English *sing*. The spelling keeps that sound as ఙ్ before మ: వా-ఙ్-మ-యం.

The word came through Sanskrit: *vāc* is speech, and *maya* means made of or filled with. A single పుస్తకం is one book; వాఙ్మయం is the world of words that books, speeches, and other verbal works make together.

What you've built

One book, then the wider field it can belong to. The unusual spelling has had a meaning before it becomes a handwriting exercise.

Your turn

- *Say it:* *vāṅ · ma · yaṁ*, slowly
- *Say it:* *vāṅmayaṁ*, as one word
- *Read it:* పుస్తకం · వాఙ్మయం — one book, then literature
- *Find:* the small ఙ్ immediately before మ

Before you move on

What does వాఙ్మయం mean? ("Literature; the wider body of expression in words.") Say it once more.

150.2 ఙ — the quiet letter inside వాఙ్మయం

Say వాఙ్మయం once. What does it mean? ("Literature; the wider body of expression in words.")

Now slow the first two pieces: *vāṅ · ma*. The letter between them is today's whole task.

Script you'll notice: ఙ

ఙ — *ṅa*.

It is the velar nasal: the sound at the end of English *sing*. In వాఙ్మయం, the vowel is suppressed, so ఙ్ leans into the following మ. The base letter you will write is ఙ.

This is an uncommon letter in modern Telugu words. That is why the book waited until it had given you a real word that needs it.

Writing: ఙ — five small movements

How ఙ is written, stroke by stroke

Follow the filmstrip slowly. Movements 1–3 stay joined: turn around the compact upper-left lobe, continue around the broad lower bowl, then curl up through the right lobe. Lift for the inner horizontal bar. Lift once more for the short downward headstroke.

The numbered route is one attested school-style order; Telugu handwriting can vary. Keep the three pen-down runs clear rather than racing the shape.

Your turn

- *Trace it:* ఙ once, following the five numbered movements
- *Copy:* ఙ twice without tracing
- *Find:* జ్ఞ inside వాఙ్మయం
- *Say it: vāṅmayaṁ* as you finish

Before you move on

Which letter is this — ఙ? What sound does it carry? (*ña.*) Which word gave it to you? (వాఙ్మయం.)

Chapter 151

A Word for Shade — Then Its First Letter

Modes: **voice** (2) **pen** (1) **Hands-free start:** the first of 3 lessons.

> ***By the end of this chapter:*** I can say a Telugu word for shade or shadow, recognise its uncommon first letter, and write that letter in a source-backed order.
>
> *Take* ఛ *from the already-known word* ఛాయ *and write its five movements in two pen-down runs.*

151.1 ఛాయ (chāya) — shade, shadow

> *Point to:* the rare ఋ you met in వాఙ్మయం, once
>
> Now imagine the cool patch beneath a tree. This lesson gives that patch a name, using the familiar య at the end and a different uncommon letter at the beginning.

You'll want to know: ఛాయ

ఛాయ — *chāya* — "shade" or "shadow".

Say it in two gentle pieces: *chā* · *ya*. The first sound is an airy **ch**; the second is the familiar య sound. Say the word as ఛా-య.

ఛాయ is a learned word with a wider range than one dark shape. In literary or careful language it can also name a reflected image or a tinge of colour. Keep the first meaning small today: shade or shadow.

The word, taken apart — its roots and family

Chāya is Sanskrit *chāyā*, "shade, shadow, reflection" (CDIAL 5027), with the final *-ā* shortened.

What you've built

A useful image comes before an unfamiliar letter. You can say the whole word before the next lesson asks your hand to take its first shape apart.

Your turn

- *Say it: chā · ya*, slowly
- *Say it: chāya*, as one word
- *Read it:* ఛాయ — shade or shadow
- *Find:* the familiar య at the end

Before you move on

What does ఛాయ mean? ("Shade" or "shadow.") Say it once more.

151.2 ఛ — the airy first letter in ఛాయ

Say ఛాయ once. What does it mean? ("Shade" or "shadow.")

Now slow the first piece: *chā*. The base letter carrying that airy **ch** is today's whole task.

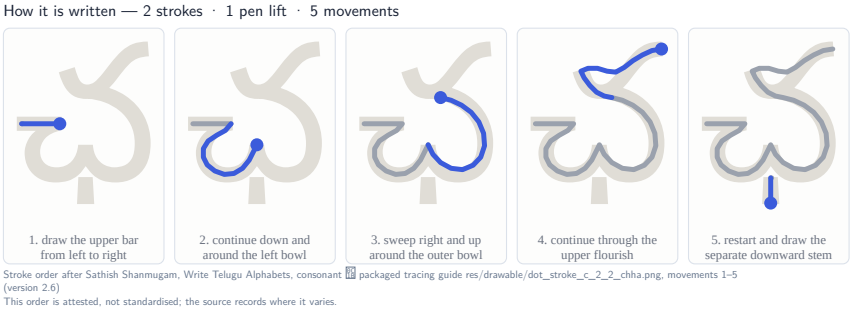

Script you'll notice: ఛ

ఛ — *cha*.

In ఛాయ, the long ా sign turns the base sound into ఛా. Remove that vowel sign and the base letter is ఛ.

This aspirated letter is uncommon in everyday Telugu vocabulary. That is why the book gave you ఛాయ before asking you to practise the shape.

Writing: ఛ — five movements, two runs

How ఛ is written, stroke by stroke

Follow the filmstrip slowly. Movements 1–4 stay joined: draw the short upper bar, turn around the left bowl, sweep around the broad outer bowl, and continue through the upper flourish. Lift once. Movement 5 draws the separate stem downward below the middle.

The numbered route is one attested school-style order; Telugu handwriting can vary. Keep the two pen-down runs distinct and let the long curves stay round.

Your turn

- *Trace it:* ఛ once, following the five numbered movements
- *Copy:* ఛ twice without tracing
- *Build:* ఛ + ◌ా = ఛా
- *Read it:* ఛాయ

Before you move on

Which letter is this — ఛ? What word gave it to you? (ఛాయ.)

151.3 ఛాయ — meaning and shape together

Picture the cool patch beneath a tree. Say the Telugu word for it. (ఛాయ.)

Your turn

Read it: ఛాయ once
Cover: the word
Write it: only its first base letter — ఛ
Check: the uncovered word for two things — the broad curved body and the short separate stem beneath it
Write it: the long ా sign only after the base letter is steady

- *Write it:* ఛ once from memory
- *Build:* ఛ + ా + య = ఛాయ
- *Say it:* "shade or shadow"

Before you move on

What does ఛాయ mean, and which base letter begins it? ("Shade" or "shadow"; ఛ.)

Chapter 152

A Word for a Stream — Then Its First Letter

Modes: **voice** (2) **pen** (1) **Hands-free start:** the first of 3 lessons.

> ***By the end of this chapter:*** I can say a Telugu word for a stream, recognise its uncommon first letter, and write that letter in a source-backed order.
>
> *Take* ఝ *from the already-known word* ఝరి *and write its five movements in five pen-down runs.*

152.1 ఝరి (jhari) — a stream

> What did వాఙ్మయం name? ("Literature.") *Find:* the familiar ఠి at the end of today's word — ర carries the short ి sign
>
> Picture a narrow stream moving down a hillside. This lesson gives that stream a name before it asks you to study the uncommon first letter.

You'll want to know: ఝరి

ఝరి — *jhari* — "a stream" or "mountain stream".

Say it in two gentle pieces: *jha* · *ri*. Say the word as ఝ-ఠి. The first sound is a breathy **jh**; the second piece is the familiar ఠి.

ఝరి is an authentic learned or literary word shared with Sanskrit. It is not an everyday word you must force into conversation. Keep its concrete image today: a stream running down a slope.

The word, taken apart — its roots and family

Jhari is Sanskrit *jharī*, "river", which CDIAL 5343 lists beside *jhara*, "waterfall".

What you've built

Meaning comes first. You can recognise and say the whole word before the next lesson asks your hand to take its first shape apart.

Your turn

- *Say it: jha · ri*, slowly
- *Say it: jhari*, as one word
- *Read it:* ఝరి — a stream
- *Find:* the familiar ి at the end

Before you move on

What does ఝరి mean? ("A stream" or "mountain stream.") Say it once more.

152.2 ఝ — the breathy first letter in ఝరి

One gentle look back first: వాఙ్మయం means "literature," and its uncommon letter is ఙ. Point to ఙ without copying it. Today you will keep that shape distinct from a different uncommon letter.

Now say ఝరి once. What does it mean? ("A stream" or "mountain stream.")

Now slow the first piece: *jha*. That breathy **jh** base letter is today's whole task.

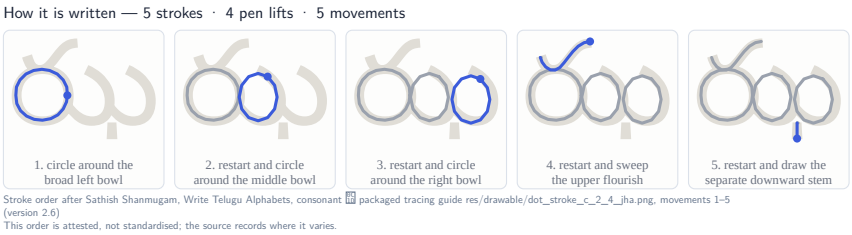

Script you'll notice: ఝ

ఝ — *jha*.

In ఝరి, the first base letter is ఝ. The rest, ి, is already familiar. Read the whole word in two pieces: ఝ-ి.

This aspirated letter is uncommon in everyday Telugu vocabulary. That is why the book gave you the authentic word ఝరి before asking you to practise the shape.

Writing: ఝ — five movements, five runs

How ఝ *is written, stroke by stroke*

Follow the filmstrip slowly. Movement 1 circles the broad left bowl. Lift. Movement 2 circles the middle bowl. Lift again. Movement 3 circles the right bowl. Movement 4 sweeps through the separate upper flourish. Movement 5 draws the separate stem downward below the middle.

The numbered route is one attested school-style order; Telugu handwriting can vary. Keep all five pen-down runs distinct and let the three bowls stay round.

Your turn

- *Trace it:* ఝ once, following the five numbered movements
- *Copy:* ఝ twice without tracing
- *Build:* ఝ + ి = ఝి
- *Read it:* ఝి

Before you move on

Which letter is this — ఝ? What word gave it to you? (ఝి.)

152.3 ఝి — meaning and shape together

Picture a stream running down a hillside. Say the Telugu word for it. (ఝి.)

Your turn

Read it: ఝరి once

Cover: the word

Write it: the whole word from memory, with only the picture of a stream as your cue

Check: the uncovered model — both the whole word and its first base letter

Write it: a circle round ఝ — then check its three rounded bowls, upper flourish, and separate downward stem, keeping the five pen-down runs distinct

- *Write it:* ఝరి once from the picture cue
- *Circle:* the first base letter ఝ
- *Say it:* "a stream"

Before you move on

Write it: without looking back, the Telugu word for "a stream," then a circle round its first base letter
(ఝరి; the circle goes round ఝ.)

Chapter 153

Nobody, Never, Nowhere, Anyone, Anything

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say what is not so, and ask yes-or-no questions.
>
> *Complete the last lesson of chapter 153: I can say what is not so, and ask yes-or-no questions.*

153.1 ఎవరూ (evarū) — nobody (with a negative verb)

Before the new one: say the Telugu for shade, then the Telugu for a stream.

You'll want to know: ఎవరూ

ఎవరూ — *evarū* — "nobody (with a negative verb)". Telugu negates a past verb with **లేదు** (*lēdu*) joined onto it: **ఎవరూ రాలేదు** — *evarū rālēdu* — "Nobody came." To say something is not a thing, it uses **కాదు** (*kādu*): **ఇది నా ఇల్లు కాదు** — *idi nā illu kādu* — "This is not my house."

The word, taken apart — its roots and family

ఎవరూ (*evarū*) is native Dravidian: *evaru*, "who" (DEDR 5151), with *-ū*, "even, any": with a negative verb, "nobody".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *evarū*
- *Say it:* *evarū*, once more
- *Say it:* say *evarū*
- *Recall:* say the Telugu for shade, then the Telugu for a stream, then say *evarū* again

Before you move on

What does **ఎవరూ** mean? ("Nobody (with a negative verb)".) Say it once more.

153.2 ఎప్పుడూ (eppuḍū) — never (with a negative verb); always

Before the new one: say the Telugu for a stream, then the Telugu for nobody.

You'll want to know: ఎప్పుడూ

ఎప్పుడూ — *eppuḍū* — "never (with a negative verb); always". **నేను ఎప్పుడూ మాంసం తినను** — *nēnu eppuḍū māṁsaṁ tinanu* — "I never eat meat."

The word, taken apart — its roots and family

ఎప్పుడూ (*eppuḍū*) is native Dravidian: *eppuḍu*, "when" (DEDR 5151, 4559), with *-ū*, "even, any".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *eppuḍū*
- *Say it:* *eppuḍū*, once more
- *Say it:* say *eppuḍū*
- *Recall:* say the Telugu for a stream, then the Telugu for nobody, then say *eppuḍū* again

Before you move on

What does **ఎప్పుడూ** mean? ("Never (with a negative verb); always".) Say it once more.

153.3 ఎక్కడా (ekkaḍā) — nowhere, not anywhere (with a negative verb)

Before the new one: say the Telugu for nobody, then the Telugu for never.

You'll want to know: ఎక్కడా

ఎక్కడా — *ekkaḍā* — "nowhere, not anywhere (with a negative verb)". **నాకు ఆ పుస్తకం ఎక్కడా దొరకలేదు** — *nāku ā pustakaṁ ekkaḍā dorakalēdu* — "I couldn't find that book anywhere."

The word, taken apart — its roots and family

ఎక్కడా (*ekkaḍā*) is native Dravidian: *ekkaḍa*, "where" (DEDR 5151), with the ending *-ā*: with a negative verb, "nowhere".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ekkaḍā*
- *Say it:* *ekkaḍā*, once more

- *Say it:* say *ekkaḍā*
- *Recall:* say the Telugu for nobody, then the Telugu for never, then say *ekkaḍā* again

Before you move on

What does **ఎక్కడా** mean? ("Nowhere, not anywhere (with a negative verb)".) Say it once more.

153.4 ఎవరైనా (evarainā) — anyone, someone

Before the new one: say the Telugu for never, then the Telugu for nowhere.

You'll want to know: ఎవరైనా

ఎవరైనా — *evarainā* — "anyone, someone". A yes-or-no question ends in **-ఆ** (*-ā*): **ఉన్నారు** becomes **ఉన్నారా**. **అక్కడ ఎవరైనా ఉన్నారా?** — *akkaḍa evarainā unnārā?* — "Is anyone there?"

The word, taken apart — its roots and family

ఎవరైనా (*evarainā*) is native Dravidian: *evaru*, "who" (DEDR 5151), and *ayinā*, "even if it be", from *agu*, "to be" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: evarainā*
- *Say it: evarainā*, once more
- *Say it:* say *evarainā*
- *Recall:* say the Telugu for never, then the Telugu for nowhere, then say *evarainā* again

Before you move on

What does **ఎవరైనా** mean? ("Anyone, someone".) Say it once more.

153.5 ఏమైనా (ēmainā) — anything, something

Before the new one: say the Telugu for nowhere, then the Telugu for anyone.

You'll want to know: ఏమైనా

ఏమైనా — *ēmainā* — "anything, something". **మీకు ఏమైనా కావాలా?** — *mīku ēmainā kāvālā?* — "Do you need anything?" *Read it:* two words again — **ఛాయ** (*chāya*, shade) is written with **ఛ**, and **ఝరి** (*jhari*, a stream) with **ఝ**

The word, taken apart — its roots and family

ఏమైనా (*ēmainā*) is native Dravidian: *ēmi*, "what" (DEDR 5151), and *ayinā*, "even if it be" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ēmainā*
- *Say it:* *ēmainā*, once more
- *Say it:* say *ēmainā*
- *Recall:* say the Telugu for nowhere, then the Telugu for anyone, then say *ēmainā* again

Before you move on

What does **ఏమైనా** mean? ("Anything, something".) Say it once more.

Chapter 154

Recently, Already, Last, Once, To Spend (Time)

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say what happened, and when: recently, already, last year.

Complete the last lesson of chapter 154: I can say what happened, and when: recently, already, last year.

154.1 ఇటీవల (iṭīvala) — recently

Before the new one: say the Telugu for anyone, then the Telugu for anything.

You'll want to know: ఇటీవల

ఇటీవల — *iṭīvala* — "recently". Telugu's past for "I" ends in **-ఆను** (*-ānu*): **నేను ఇటీవల ఒక పుస్తకం చదివాను** — *nēnu iṭīvala oka pustakaṁ cadivānu* — "I recently read a book."

The word, taken apart — its roots and family

ఇటీవల (*iṭīvala*) is native Dravidian, built on the near-pointing base *i-*. DEDR 410 lists *iṭu*, "to this place", and *īvala*, "this side; recently".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *iṭīvala*
- *Say it:* *iṭīvala*, once more
- *Say it:* say *iṭīvala*
- *Recall:* say the Telugu for anyone, then the Telugu for anything, then say *iṭīvala* again

Before you move on

What does **ఇటీవల** mean? (“Recently”.) Say it once more.

154.2 ఇప్పటికే (ippaṭikē) — already

Before the new one: say the Telugu for anything, then the Telugu for recently.

You’ll want to know: ఇప్పటికే

ఇప్పటికే — *ippaṭikē* — “already”. **నేను ఇప్పటికే భోజనం చేశాను** — *nēnu ippaṭikē bhōjanaṁ cēśānu* — “I have already eaten.”

The word, taken apart — its roots and family

ఇప్పటికే (*ippaṭikē*) is native Dravidian: *ippaṭi*, “of this time, present”, which DEDR 410 lists, with *-ki*, “to”, and the emphatic *-ē*: “by exactly now”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *ippaṭikē*
- *Say it:* *ippaṭikē*, once more
- *Say it:* say *ippaṭikē*

- *Recall:* say the Telugu for anything, then the Telugu for recently, then say *ippaṭikē* again

Before you move on

What does **ఇప్పటికే** mean? (“Already”.) Say it once more.

154.3 గత (gata) — last, previous

Before the new one: say the Telugu for recently, then the Telugu for already.

You’ll want to know: గత

గత — *gata* — “last, previous”. **గత సంవత్సరం నేను హైదరాబాద్ వెళ్ళాను** — *gata saṁvatsaraṁ nēnu haidarābād veḷḷānu* — “Last year I went to Hyderabad.”

The word, taken apart — its roots and family

గత (*gata*) is Sanskrit *gata*, “gone”, taken over whole as a learned loan, a tatsama (CDIAL 4008).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: gata*
- *Say it: gata*, once more
- *Say it:* say *gata*
- *Recall:* say the Telugu for recently, then the Telugu for already, then say *gata* again

Before you move on

What does **గత** mean? (“Last, previous”.) Say it once more.

154.4 ఒకసారి (okasāri) — once, one time

Before the new one: say the Telugu for already, then the Telugu for last.

You'll want to know: ఒకసారి

ఒకసారి — *okasāri* — "once, one time". **నేను ఒకసారి చెన్నై వెళ్ళాను** — *nēnu okasāri cennai veḷḷānu* — "I went to Chennai once."

The word, taken apart — its roots and family

ఒకసారి (*okasāri*) is native Dravidian: *oka*, "one" (DEDR 990), and *sāri*, "a time, a turn" (DEDR 2464).

What you've built

One more word for this chapter.

Your turn

- *Say it: okasāri*
- *Say it: okasāri*, once more
- *Say it:* say *okasāri*
- *Recall:* say the Telugu for already, then the Telugu for last, then say *okasāri* again

Before you move on

What does **ఒకసారి** mean? ("Once, one time".) Say it once more.

154.5 గడుపు (gaḍupu) — to spend (time)

Before the new one: say the Telugu for last, then the Telugu for once.

You'll want to know: గడుపు

గడుపు — *gaḍupu* — "to spend (time)". Said of time: **నేను సెలవులను గ్రామంలో గడిపాను** — *nēnu selavulanu grāmaṁlō gaḍipānu* — "I spent the holidays in the village."

The word, taken apart — its roots and family

గడుపు (*gaḍupu*) is native Dravidian. DEDR 1109 lists *kaḍapu* and *gaḍupu*, "to pass, cause to pass", with Tamil *kaṭa*, "to pass through".

What you've built

One more word for this chapter.

Your turn

- *Say it: gaḍupu*
- *Say it: gaḍupu*, once more
- *Say it:* say *gaḍupu*
- *Recall:* say the Telugu for last, then the Telugu for once, then say *gaḍupu* again

Before you move on

What does **గడుపు** mean? ("To spend (time)".) Say it once more.

Chapter 155

Next, From Now On, the Future, To Hope, To Look Forward To

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say what will happen, and when: next week, from now on, and what I hope for.

Complete the last lesson of chapter 155: I can say what will happen, and when: next week, from now on, and what I hope for.

155.1 వచ్చే (vaccē) — next, coming

Before the new one: say the Telugu for once, then the Telugu for to spend.

You'll want to know: వచ్చే

వచ్చే — *vaccē* — "next, coming". The future for "I" ends in **-తాను** (*-tānu*): **వచ్చే వారం నేను విజయవాడ వెళ్తాను** — *vaccē vāraṁ nēnu vijayavāḍa veḷtānu* — "Next week I will go to Vijayawada."

The word, taken apart — its roots and family

వచ్చే (*vaccē*) is native Dravidian: the "which is coming" form of *vaccu*, "to come" (DEDR 5270).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vaccē*
- *Say it:* *vaccē*, once more
- *Say it:* say *vaccē*
- *Recall:* say the Telugu for once, then the Telugu for to spend, then say *vaccē* again

Before you move on

What does **వచ్చే** mean? ("Next, coming".) Say it once more.

155.2 ఇకపై (ikapai) — from now on

Before the new one: say the Telugu for to spend, then the Telugu for next.

You'll want to know: ఇకపై

ఇకపై — *ikapai* — "from now on". **ఇకపై నేను త్వరగా లేస్తాను** — *ikapai nēnu tvaragā lēstānu* — "From now on I will get up early."

The word, taken apart — its roots and family

ఇకపై (*ikapai*) is native Dravidian: *ika*, "hereafter, henceforth", which DEDR 410 lists, and *pai*, "upon; in future" (DEDR 4451).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ikapai*
- *Say it:* *ikapai*, once more
- *Say it:* say *ikapai*
- *Recall:* say the Telugu for to spend, then the Telugu for next, then say *ikapai* again

Before you move on

What does **ఇకపై** mean? ("From now on".) Say it once more.

155.3 భవిష్యత్తు (bhaviṣyattu) — the future

Before the new one: say the Telugu for next, then the Telugu for from now on.

You'll want to know: భవిష్యత్తు

భవిష్యత్తు — *bhaviṣyattu* — "the future". **భవిష్యత్తులో నేను ఉపాధ్యాయుడిని అవుతాను** — *bhaviṣyattulō nēnu upādhyāyuḍini avutānu* — "In the future I will become a teacher."

The word, taken apart — its roots and family

భవిష్యత్తు (*bhaviṣyattu*) is Sanskrit *bhaviṣyat*, "that which will be", with Telugu's added *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: bhaviṣyattu*
- *Say it: bhaviṣyattu*, once more
- *Say it:* say *bhaviṣyattu*
- *Recall:* say the Telugu for next, then the Telugu for from now on, then say *bhaviṣyattu* again

Before you move on

What does **భవిష్యత్తు** mean? ("The future".) Say it once more.

155.4 ఆశించు (āśiñcu) — to hope, to expect

Before the new one: say the Telugu for from now on, then the Telugu for the future.

You'll want to know: ఆశించు

ఆశించు — *āśiñcu* — "to hope, to expect". **మీరు బాగున్నారని ఆశిస్తున్నాను** — *mīru bāgunnārani āśistunnānu* — "I hope you are well."

The word, taken apart — its roots and family

ఆశించు (*āśiñcu*) is Sanskrit *āśā*, "wish, expectation" (CDIAL 1456), made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āśiñcu*
- *Say it:* *āśiñcu*, once more
- *Say it:* say *āśiñcu*
- *Recall:* say the Telugu for from now on, then the Telugu for the future, then say *āśiñcu* again

Before you move on

What does **ఆశించు** mean? ("To hope, to expect".) Say it once more.

155.5 ఎదురుచూడు (edurucūḍu) — to look forward to, to wait for

Before the new one: say the Telugu for the future, then the Telugu for to hope.

You'll want to know: ఎదురుచూడు

ఎదురుచూడు — *edurucūḍu* — "to look forward to, to wait for". **నేను మీ ఉత్తరం కోసం ఎదురుచూస్తున్నాను** — *nēnu mī uttaraṁ kōsaṁ edurucūstunnānu* — "I am looking forward to your letter."

The word, taken apart — its roots and family

ఎదురుచూడు (*edurucūḍu*) is native Dravidian: *eduru*, "the front, the point opposite", one word with Tamil *etir* (DEDR 795), and *cūḍu*, "to look" (DEDR 2735).

What you've built

One more word for this chapter.

Your turn

- *Say it: edurucūḍu*
- *Say it: edurucūḍu*, once more
- *Say it:* say *edurucūḍu*
- *Recall:* say the Telugu for the future, then the Telugu for to hope, then say *edurucūḍu* again

Before you move on

What does **ఎదురుచూడు** mean? ("To look forward to, to wait for".) Say it once more.

Chapter 156

A Timetable, a Notice, the Rent, an Advert, a Receipt

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can read a timetable, a notice, an advert and a receipt, and act on what they say.
>
> *Complete the last lesson of chapter 156: I can read a timetable, a notice, an advert and a receipt, and act on what they say.*

156.1 కాలపట్టిక (kālapaṭṭika) — a timetable

> Before the new one: say the Telugu for to hope, then the Telugu for to look forward to.

You'll want to know: కాలపట్టిక

కాలపట్టిక — *kālapaṭṭika* — "a timetable".

Read it: the board

The board says **బస్సు: ఉదయం ఎనిమిది గంటలు** — *bassu: udayaṁ enimidi gaṇṭalu* — "Bus: 8 a.m." The bus leaves at eight, so be there before eight.

The word, taken apart — its roots and family

కాలపట్టిక (*kālapaṭṭika*) is Sanskrit: *kāla*, "time" (CDIAL 3084), and *paṭṭikā*, "a slab, tablet" (CDIAL 7699), with the final -*ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it: kālapaṭṭika*
- *Say it: kālapaṭṭika*, once more
- *Say it:* say *kālapaṭṭika*
- *Recall:* say the Telugu for to hope, then the Telugu for to look forward to, then say *kālapaṭṭika* again

Before you move on

What does **కాలపట్టిక** mean? ("A timetable".) Say it once more.

156.2 సూచన (sūcana) — an instruction, a note (on a sign)

Before the new one: say the Telugu for to look forward to, then the Telugu for a timetable.

You'll want to know: సూచన

సూచన — *sūcana* — "an instruction, a note (on a sign)".

Read it: the notice

The notice says **ఇవాళ దుకాణం మూసి ఉంది** — *ivāḷa dukāṇaṁ mūsi undi* — "The shop is closed today." Come back on another day.

The word, taken apart — its roots and family

సూచన (*sūcana*) is Sanskrit *sūcanā*, "pointing out, indication", taken over as a learned loan, a tatsama, with the final *-ā* shortened. CDIAL 13551a lists the related *sūcyatē*, "is indicated".

What you've built

One more word for this chapter.

Your turn

- *Say it: sūcana*
- *Say it: sūcana*, once more
- *Say it:* say *sūcana*
- *Recall:* say the Telugu for to look forward to, then the Telugu for a timetable, then say *sūcana* again

Before you move on

What does **సూచన** mean? ("An instruction, a note (on a sign)".) Say it once more.

156.3 అద్దె (adde) — rent

Before the new one: say the Telugu for a timetable, then the Telugu for an instruction.

You'll want to know: అద్దె

అద్దె — *adde* — "rent". The money you pay to live in a house: **ఇంటి అద్దె** — *iṇṭi adde* — "the rent for the house".

The word, taken apart — its roots and family

The origin of **అద్దె** (*adde*) is uncertain. DEDR and CDIAL list no word of this shape meaning "rent".

What you've built

One more word for this chapter.

Your turn

- *Say it: adde*
- *Say it: adde*, once more
- *Say it:* say *adde*

- *Recall:* say the Telugu for a timetable, then the Telugu for an instruction, then say *adde* again

Before you move on

What does అద్దె mean? ("Rent".) Say it once more.

156.4 ప్రకటన (prakaṭana) — an advertisement, an announcement

Before the new one: say the Telugu for an instruction, then the Telugu for rent.

You'll want to know: ప్రకటన

ప్రకటన — *prakaṭana* — "an advertisement, an announcement".
Read it: the advert
The advert says ఇల్లు అద్దెకు ఉంది — *illu addeku undi* — "House for rent."

The word, taken apart — its roots and family

ప్రకటన (*prakaṭana*) is Sanskrit *prakaṭana*, "bringing to light", taken over whole as a learned loan, a tatsama (CDIAL 8429). The sense "announcement" grows out of it.

What you've built

One more word for this chapter.

Your turn

- *Say it: prakaṭana*
- *Say it: prakaṭana*, once more
- *Say it:* say *prakaṭana*
- *Recall:* say the Telugu for an instruction, then the Telugu for rent, then say *prakaṭana* again

Before you move on

What does **ప్రకటన** mean? (“An advertisement, an announcement”.) Say it once more.

156.5 రసీదు (rasīdu) — a receipt

Before the new one: say the Telugu for rent, then the Telugu for an advertisement.

You’ll want to know: రసీదు

రసీదు — *rasīdu* — “a receipt”. Ask for it when you pay: **రసీదు ఇస్తారా?** — *rasīdu istārā?* — “Could you give me the receipt?” *Read it:* two words again — **ఛాయ** (*chāya*, shade) is written with **ఛ**, and **ఝరి** (*jhari*, a stream) with **ఝ**

The word, taken apart — its roots and family

రసీదు (*rasīdu*) comes from Persian *rasīd*, “received; a receipt”, which reached Telugu through Hindustani and took the Telugu ending *-u*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: rasīdu*
- *Say it: rasīdu*, once more
- *Say it:* say *rasīdu*
- *Recall:* say the Telugu for rent, then the Telugu for an advertisement, then say *rasīdu* again

Before you move on

What does **రసీదు** mean? (“A receipt”.) Say it once more.

156.6 Saying no and looking back — a first pass

Say the words for an advertisement and a receipt.

Your turn

Say these aloud:

- nobody, never, nowhere, anyone, anything
- recently, already, last, once, to spend

Before you move on

Nobody? (ఎవరూ, *evarū.*) Never? (ఎప్పుడూ, *eppuḍū.*) Nowhere? (ఎక్కడా, *ekkaḍā.*) Anyone? (ఎవరైనా, *evarainā.*) Anything? (ఏమైనా, *ēmainā.*) Recently? (ఇటీవల, *iṭīvala.*) Already? (ఇప్పటికే, *ippaṭikē.*) Last? (గత, *gata.*) Once? (ఒకసారి, *okasāri.*) To spend? (గడుపు, *gaḍupu.*)

156.7 Looking ahead and reading signs — a second pass

Say the words for next and from now on.

Your turn

Say these aloud:

- next, from now on, the future, to hope, to look forward to
- a timetable, an instruction, rent, an advertisement, a receipt

Before you move on

Next? (వచ్చే, *vaccē.*) From now on? (ఇకపై, *ikapai.*) The future? (భవిష్యత్తు, *bhaviṣyattu.*) To hope? (ఆశించు, *āśiñcu.*) To look forward to? (ఎదురుచూడు, *edurucūḍu.*) A timetable? (కాలపట్టిక, *kālapaṭṭika.*) An instruction? (సూచన, *sūcana.*) Rent? (అద్దె, *adde.*) An advertisement? (ప్రకటన, *prakaṭana.*) A receipt? (రసీదు, *rasīdu.*)

Chapter 157

To pay, To fry, To boil, To mix, To grind

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to pay, to fry, to boil, to mix and to grind.
>
> *Complete the last lesson of chapter 157: I can say to pay, to fry, to boil, to mix and to grind.*

157.1 చెల్లించు (celliñcu) — to pay

> Before the new one: say the Telugu for an advertisement, then the Telugu for a receipt.

You'll want to know: చెల్లించు

చెల్లించు — *celliñcu* — "to pay".

The word, taken apart — its roots and family

చెల్లించు (*celliñcu*) is native Dravidian, made from *cellu*, "to pass, be current, be paid" (DEDR 2781). Malayalam *celuttuka*, "to pay", stands in the same entry.

What you've built

One more word for this chapter.

Your turn

- *Say it: celliñcu*
- *Say it: celliñcu*, once more
- *Say it:* say *celliñcu*
- *Recall:* say the Telugu for an advertisement, then the Telugu for a receipt, then say *celliñcu* again

Before you move on

What does **చెల్లించు** mean? ("To pay".) Say it once more.

157.2 వేయించు (vēyiñcu) — to fry, to roast

Before the new one: say the Telugu for a receipt, then the Telugu for to pay.

You'll want to know: వేయించు

వేయించు — *vēyiñcu* — "to fry, to roast".

The word, taken apart — its roots and family

వేయించు (*vēyiñcu*) is native Dravidian. DEDR 5517 lists nasalised forms of *vēgiñcu* and *vēpu*, "to fry, grill", with Tamil *vē*, "to burn, be boiled, cooked", and Kannada *bēyu*, "to be cooked".

What you've built

One more word for this chapter.

Your turn

- *Say it: vēyiñcu*
- *Say it: vēyiñcu*, once more
- *Say it:* say *vēyiñcu*
- *Recall:* say the Telugu for a receipt, then the Telugu for to pay, then say *vēyiñcu* again

Before you move on

What does **వేయించు** mean? (“To fry, to roast”.) Say it once more.

157.3 ఉడికించు (uḍikiñcu) — to boil (food), to simmer

Before the new one: say the Telugu for to pay, then the Telugu for to fry.

You’ll want to know: ఉడికించు

ఉడికించు — *uḍikiñcu* — “to boil (food), to simmer”.

The word, taken apart — its roots and family

ఉడికించు (*uḍikiñcu*) is native Dravidian. DEDR 588 lists it, “to boil, cook”, under *uḍuku*, “to boil, simmer”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: uḍikiñcu*
- *Say it: uḍikiñcu*, once more
- *Say it:* say *uḍikiñcu*
- *Recall:* say the Telugu for to pay, then the Telugu for to fry, then say *uḍikiñcu* again

Before you move on

What does **ఉడికించు** mean? (“To boil (food), to simmer”.) Say it once more.

157.4 కలుపు (kalupu) — to mix, to stir in

Before the new one: say the Telugu for to fry, then the Telugu for to boil.

You'll want to know: కలుపు

కలుపు — *kalupu* — "to mix, to stir in".

The word, taken apart — its roots and family

కలుపు (*kalupu*) is native Dravidian. DEDR 1299 gives it as *kalapu*, "to mix, join", with Tamil *kala* and Kannada *kalasu*, "to mix". DEDR compares Sanskrit *kalka*, "a paste" (CDIAL 2939).

What you've built

One more word for this chapter.

Your turn

- *Say it: kalupu*
- *Say it: kalupu*, once more
- *Say it:* say *kalupu*
- *Recall:* say the Telugu for to fry, then the Telugu for to boil, then say *kalupu* again

Before you move on

What does కలుపు mean? ("To mix, to stir in".) Say it once more.

157.5 రుబ్బు (rubbu) — to grind (wet batter)

Before the new one: say the Telugu for to boil, then the Telugu for to mix.

You'll want to know: రుబ్బు

రుబ్బు — *rubbu* — "to grind (wet batter)".

The word, taken apart — its roots and family

రుబ్బు (*rubbu*) is native Dravidian. DEDR 665 lists *rubbu*, "to grind in a mortar", with Tamil *urai*, "to rub into a paste", and Kannada *ujju*, "to rub". DEDR compares, with a query, Sanskrit *uñchati*, "gleans" (CDIAL 1680).

What you've built

One more word for this chapter.

Your turn

- *Say it: rubbu*
- *Say it: rubbu*, once more
- *Say it:* say *rubbu*
- *Recall:* say the Telugu for to boil, then the Telugu for to mix, then say *rubbu* again

Before you move on

What does రుబ్బు mean? ("To grind (wet batter)".) Say it once more.

Chapter 158

To hurry, To brush, To change, To take off, To measure

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to hurry, to brush, to change, to take off and to measure.
>
> *Complete the last lesson of chapter 158: I can say to hurry, to brush, to change, to take off and to measure.*

158.1 తొందరపడు (tondarapaḍu) — to hurry

> Before the new one: say the Telugu for to mix, then the Telugu for to grind.

You'll want to know: తొందరపడు

తొందరపడు — *tondarapaḍu* — "to hurry".

The word, taken apart — its roots and family

తొందరపడు (*tondarapaḍu*) is native Dravidian: *tondara*, "haste, trouble", one word with Kannada *tondare*, "trouble" (DEDR 3506), and *paḍu*, "to feel, undergo" (DEDR 3853).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tondarapaḍu*
- *Say it:* *tondarapaḍu*, once more
- *Say it:* say *tondarapaḍu*
- *Recall:* say the Telugu for to mix, then the Telugu for to grind, then say *tondarapaḍu* again

Before you move on

What does **తొందరపడు** mean? ("To hurry".) Say it once more.

158.2 తోము (tōmu) — to brush (teeth), to scour (pots)

Before the new one: say the Telugu for to grind, then the Telugu for to hurry.

You'll want to know: తోము

తోము — *tōmu* — "to brush (teeth), to scour (pots)".

The word, taken apart — its roots and family

తోము (*tōmu*) is native Dravidian. DEDR 3552 lists *tōmu*, "to rub, clean", with Gadba *dōm-*, "to wash and clean by rubbing".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tōmu*
- *Say it:* *tōmu*, once more
- *Say it:* say *tōmu*
- *Recall:* say the Telugu for to grind, then the Telugu for to hurry, then say *tōmu* again

Before you move on

What does తోము mean? (“To brush (teeth), to scour (pots)”.) Say it once more.

158.3 మార్చు (mārcu) — to change

Before the new one: say the Telugu for to hurry, then the Telugu for to brush.

You’ll want to know: మార్చు

మార్చు — *mārcu* — “to change”.

The word, taken apart — its roots and family

మార్చు (*mārcu*) is native Dravidian. DEDR 4834 lists *mārcu*, “to change, alter”, with Tamil *māṟu* and Kannada *māṟu*, “to change”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *mārcu*
- *Say it:* *mārcu*, once more
- *Say it:* say *mārcu*
- *Recall:* say the Telugu for to hurry, then the Telugu for to brush, then say *mārcu* again

Before you move on

What does మార్చు mean? (“To change”.) Say it once more.

158.4 విప్పు (vippu) — to take off, to untie

Before the new one: say the Telugu for to brush, then the Telugu for to change.

You'll want to know: విప్పు

విప్పు — *vippu* — "to take off, to untie".

The word, taken apart — its roots and family

విప్పు (*vippu*) is native Dravidian. DEDR 5411 lists *vippu*, "to open, untie, loosen", with Tamil *viri*, "to expand, open".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vippu*
- *Say it:* *vippu*, once more
- *Say it:* say *vippu*
- *Recall:* say the Telugu for to brush, then the Telugu for to change, then say *vippu* again

Before you move on

What does **విప్పు** mean? ("To take off, to untie".) Say it once more.

158.5 కొలుచు (kolucu) — to measure

Before the new one: say the Telugu for to change, then the Telugu for to take off.

You'll want to know: కొలుచు

కొలుచు — *kolucu* — "to measure".

The word, taken apart — its roots and family

కొలుచు (*kolucu*) is Dravidian. DEDR 1827 lists *kolucu*, "to measure", with *kola*, "measurement", but doubts whether this group belongs with Tamil *kuḷakam*, "a grain measure". DEDR compares the Tamil measure words with Sanskrit *kuḍava*, "a grain measure" (CDIAL

3246), which CDIAL takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: kolucu*
- *Say it: kolucu*, once more
- *Say it:* say *kolucu*
- *Recall:* say the Telugu for to change, then the Telugu for to take off, then say *kolucu* again

Before you move on

What does కొలుచు mean? ("To measure".) Say it once more.

Chapter 159

To squeeze, To soak, To repair, To throw away, To lose

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to squeeze, to soak, to repair, to throw away and to lose.
>
> *Complete the last lesson of chapter 159: I can say to squeeze, to soak, to repair, to throw away and to lose.*

159.1 పిండు (piṇḍu) — to squeeze

> Before the new one: say the Telugu for to take off, then the Telugu for to measure.

You'll want to know: పిండు

పిండు — *piṇḍu* — "to squeeze".

The word, taken apart — its roots and family

పిండు (*piṇḍu*) is native Dravidian. DEDR 4183 lists *piṇḍu*, "to squeeze, press", with Tamil *piḻi* and Kannada *piḷi*, "to squeeze out". DEDR compares Sanskrit *piṇyāka*, "oilcake" (CDIAL 8174).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *piṇḍu*
- *Say it:* *piṇḍu*, once more
- *Say it:* say *piṇḍu*
- *Recall:* say the Telugu for to take off, then the Telugu for to measure, then say *piṇḍu* again

Before you move on

What does **పిండు** mean? (“To squeeze”.) Say it once more.

159.2 నానబెట్టు (nānabeṭṭu) — to soak

Before the new one: say the Telugu for to measure, then the Telugu for to squeeze.

You’ll want to know: నానబెట్టు

నానబెట్టు — *nānabeṭṭu* — “to soak”.

The word, taken apart — its roots and family

నానబెట్టు (*nānabeṭṭu*) is native Dravidian: *nānu*, “to soak”, one word with Tamil *naṉai*, “to be soaked” (DEDR 3630), and *peṭṭu*, “to put” (DEDR 4390).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *nānabeṭṭu*
- *Say it:* *nānabeṭṭu*, once more
- *Say it:* say *nānabeṭṭu*
- *Recall:* say the Telugu for to measure, then the Telugu for to squeeze, then say *nānabeṭṭu* again

Before you move on

What does **నానబెట్టు** mean? (“To soak”.) Say it once more.

159.3 బాగుచేయు (bāgucēyu) — to repair, to mend

Before the new one: say the Telugu for to squeeze, then the Telugu for to soak.

You’ll want to know: బాగుచేయు

బాగుచేయు — *bāgucēyu* — “to repair, to mend”.

The word, taken apart — its roots and family

బాగుచేయు (*bāgucēyu*) is native Dravidian: *bāgu*, “good, sound condition” (DEDR 5332), and *cēyu*, “to do” (DEDR 1957): “to make good”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *bāgucēyu*
- *Say it:* *bāgucēyu*, once more
- *Say it:* say *bāgucēyu*
- *Recall:* say the Telugu for to squeeze, then the Telugu for to soak, then say *bāgucēyu* again

Before you move on

What does **బాగుచేయు** mean? (“To repair, to mend”.) Say it once more.

159.4 పారేయు (pārēyu) — to throw away

Before the new one: say the Telugu for to soak, then the Telugu for to repair.

You'll want to know: పారేయు

పారేయు — *pārēyu* — "to throw away".

The word, taken apart — its roots and family

The second part of **పారేయు** (*pārēyu*) is native *vēyu*, "to put, place" (DEDR 5549). The first part matches *pāṟu*, "to run, flow" (DEDR 4020), though DEDR does not list the compound.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pārēyu*
- *Say it:* *pārēyu*, once more
- *Say it:* say *pārēyu*
- *Recall:* say the Telugu for to soak, then the Telugu for to repair, then say *pārēyu* again

Before you move on

What does **పారేయు** mean? ("To throw away".) Say it once more.

159.5 పోగొట్టుకో (pōgoṭṭukō) — to lose (something)

Before the new one: say the Telugu for to repair, then the Telugu for to throw away.

You'll want to know: పోగొట్టుకో

పోగొట్టుకో — *pōgoṭṭukō* — "to lose (something)".

The word, taken apart — its roots and family

పోగొట్టుకో (*pōgoṭṭukō*) is built on native *pō*, "to go" (DEDR 4572), with the reflexive *-kō*, "for oneself" (DEDR 2151): "to let something go from oneself". DEDR does not list the middle *-goṭṭu* in this use.

What you've built

One more word for this chapter.

Your turn

- *Say it: pōgoṭṭukō*
- *Say it: pōgoṭṭukō*, once more
- *Say it:* say *pōgoṭṭukō*
- *Recall:* say the Telugu for to repair, then the Telugu for to throw away, then say *pōgoṭṭukō* again

Before you move on

What does పోగొట్టుకో mean? ("To lose (something)".) Say it once more.

Chapter 160

To earn, To explain, To translate, To remember, To agree

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to earn, to explain, to translate, to remember and to agree.
>
> *Complete the last lesson of chapter 160: I can say to earn, to explain, to translate, to remember and to agree.*

160.1 సంపాదించు (sampādiñcu) — to earn

> Before the new one: say the Telugu for to throw away, then the Telugu for to lose.

You'll want to know: సంపాదించు

సంపాదించు — *sampādiñcu* — "to earn".

The word, taken apart — its roots and family

సంపాదించు (*sampādiñcu*) is Sanskrit *sampādana*, "bringing about, procuring", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sampādiñcu*
- *Say it: sampādiñcu*, once more
- *Say it:* say *sampādiñcu*
- *Recall:* say the Telugu for to throw away, then the Telugu for to lose, then say *sampādiñcu* again

Before you move on

What does **సంపాదించు** mean? ("To earn".) Say it once more.

160.2 వివరించు (vivariñcu) — to explain

Before the new one: say the Telugu for to lose, then the Telugu for to earn.

You'll want to know: వివరించు

వివరించు — *vivariñcu* — "to explain".

The word, taken apart — its roots and family

వివరించు (*vivariñcu*) is Sanskrit *vivaraṇa*, "opening up, explanation", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: vivariñcu*
- *Say it: vivariñcu*, once more
- *Say it:* say *vivariñcu*
- *Recall:* say the Telugu for to lose, then the Telugu for to earn, then say *vivariñcu* again

Before you move on

What does **వివరించు** mean? (“To explain”.) Say it once more.

160.3 అనువదించు (anuvadiñcu) — to translate

Before the new one: say the Telugu for to earn, then the Telugu for to explain.

You’ll want to know: అనువదించు

అనువదించు — *anuvadiñcu* — “to translate”.

The word, taken apart — its roots and family

అనువదించు (*anuvadiñcu*) is Sanskrit *anuvāda*, “repeating, explaining”, made into a verb with the Telugu ending *-iñcu*. Its *vāda*, “speech”, is in CDIAL 11507.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: anuvadiñcu*
- *Say it: anuvadiñcu*, once more
- *Say it:* say *anuvadiñcu*
- *Recall:* say the Telugu for to earn, then the Telugu for to explain, then say *anuvadiñcu* again

Before you move on

What does **అనువదించు** mean? (“To translate”.) Say it once more.

160.4 గుర్తుపెట్టుకో (gurtupeṭṭukō) — to remember, to keep in mind

Before the new one: say the Telugu for to explain, then the Telugu for to translate.

You'll want to know: గుర్తుపెట్టుకో

గుర్తుపెట్టుకో — *gurtupeṭṭukō* — "to remember, to keep in mind".

The word, taken apart — its roots and family

గుర్తుపెట్టుకో (*gurtupeṭṭukō*) is native Dravidian: *gurtu*, "a mark, sign", one word with Kannada *gurtu* (DEDR 1847); *peṭṭu*, "to put" (DEDR 4390); and *-kō*, "for oneself" (DEDR 2151): "to put a mark for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: gurtupeṭṭukō*
- *Say it: gurtupeṭṭukō*, once more
- *Say it:* say *gurtupeṭṭukō*
- *Recall:* say the Telugu for to explain, then the Telugu for to translate, then say *gurtupeṭṭukō* again

Before you move on

What does **గుర్తుపెట్టుకో** mean? ("To remember, to keep in mind".) Say it once more.

160.5 ఒప్పుకో (oppukō) — to agree, to accept

Before the new one: say the Telugu for to translate, then the Telugu for to remember.

You'll want to know: ఒప్పుకో

ఒప్పుకో — *oppukō* — "to agree, to accept".

The word, taken apart — its roots and family

ఒప్పుకో (*oppukō*) is native Dravidian: *oppu*, "to consent, agree", one word with Kannada *oppu*, "to agree" (DEDR 924), and *-kō*, "for oneself" (DEDR 2151).

What you've built

One more word for this chapter.

Your turn

- *Say it: oppukō*
- *Say it: oppukō*, once more
- *Say it:* say *oppukō*
- *Recall:* say the Telugu for to translate, then the Telugu for to remember, then say *oppukō* again

Before you move on

What does ఒప్పుకో mean? ("To agree, to accept".) Say it once more.

Chapter 161

To dance, To celebrate, To greet, To feel shy, To be surprised

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to dance, to celebrate, to greet, to feel shy and to be surprised.
>
> *Complete the last lesson of chapter 161: I can say to dance, to celebrate, to greet, to feel shy and to be surprised.*

161.1 నాట్యం చేయు (nāṭyaṁ cēyu) — to dance

> Before the new one: say the Telugu for to remember, then the Telugu for to agree.

You'll want to know: నాట్యం చేయు

నాట్యం చేయు — *nāṭyaṁ cēyu* — "to dance".

The word, taken apart — its roots and family

నాట్యం చేయు (*nāṭyaṁ cēyu*) pairs Sanskrit *nāṭya*, "dancing, dramatic art" (CDIAL 7046), with the Telugu ending *-ṁ*, and native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: nāṭyaṁ cēyu*
- *Say it: nāṭyaṁ cēyu*, once more
- *Say it:* say *nāṭyaṁ cēyu*
- *Recall:* say the Telugu for to remember, then the Telugu for to agree, then say *nāṭyaṁ cēyu* again

Before you move on

What does **నాట్యం చేయు** mean? ("To dance".) Say it once more.

161.2 జరుపుకో (jarupukō) — to celebrate (a festival or occasion)

Before the new one: say the Telugu for to agree, then the Telugu for to dance.

You'll want to know: జరుపుకో

జరుపుకో — *jarupukō* — "to celebrate (a festival or occasion)".

The word, taken apart — its roots and family

జరుపుకో (*jarupukō*) is native Dravidian. DEDR 2360 lists *jarapu*, "to spend or pass (time)", beside *jarugu*, "to happen, move on", with Kannada *sari*, "to move, go". The ending *-kō* means "for oneself" (DEDR 2151).

What you've built

One more word for this chapter.

Your turn

- *Say it: jarupukō*
- *Say it: jarupukō*, once more
- *Say it:* say *jarupukō*

- *Recall:* say the Telugu for to agree, then the Telugu for to dance, then say *jarupukō* again

Before you move on

What does **జరుపుకో** mean? ("To celebrate (a festival or occasion)".) Say it once more.

161.3 పలకరించు (palakariñcu) — to greet

Before the new one: say the Telugu for to dance, then the Telugu for to celebrate.

You'll want to know: పలకరించు

పలకరించు — *palakariñcu* — "to greet".

The word, taken apart — its roots and family

పలకరించు (*palakariñcu*) is native Dravidian. DEDR 3887 lists *palukarincu*, "to accost, speak to", under *paluku*, "to sound, answer, say".

What you've built

One more word for this chapter.

Your turn

- *Say it: palakariñcu*
- *Say it: palakariñcu*, once more
- *Say it:* say *palakariñcu*
- *Recall:* say the Telugu for to dance, then the Telugu for to celebrate, then say *palakariñcu* again

Before you move on

What does **పలకరించు** mean? ("To greet".) Say it once more.

161.4 సిగ్గుపడు (siggupaḍu) — to feel shy, to be bashful

Before the new one: say the Telugu for to celebrate, then the Telugu for to greet.

You'll want to know: సిగ్గుపడు

సిగ్గుపడు — *siggupaḍu* — "to feel shy, to be bashful".

The word, taken apart — its roots and family

సిగ్గుపడు (*siggupaḍu*) is native Dravidian: *siggu*, "shame, bashfulness", one word with Kannada *siggu* (DEDR 2500), and *paḍu*, "to feel" (DEDR 3853).

What you've built

One more word for this chapter.

Your turn

- *Say it: siggupaḍu*
- *Say it: siggupaḍu*, once more
- *Say it:* say *siggupaḍu*
- *Recall:* say the Telugu for to celebrate, then the Telugu for to greet, then say *siggupaḍu* again

Before you move on

What does **సిగ్గుపడు** mean? ("To feel shy, to be bashful".) Say it once more.

161.5 ఆశ్చర్యపోవు (āścaryapōvu) — to be surprised, to be amazed

Before the new one: say the Telugu for to greet, then the Telugu for to feel shy.

You'll want to know: ఆశ్చర్యపోవు

ఆశ్చర్యపోవు — *āścaryapōvu* — "to be surprised, to be amazed".

The word, taken apart — its roots and family

ఆశ్చర్యపోవు (*āścaryapōvu*) is Sanskrit *āścarya*, "wonderful" (CDIAL 1464), with native *pōvu*, "to go" (DEDR 4572): "to go into wonder".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āścaryapōvu*
- *Say it:* *āścaryapōvu*, once more
- *Say it:* say *āścaryapōvu*
- *Recall:* say the Telugu for to greet, then the Telugu for to feel shy, then say *āścaryapōvu* again

Before you move on

What does **ఆశ్చర్యపోవు** mean? ("To be surprised, to be amazed".) Say it once more.

Chapter 162

To kiss, To hug, To tease, To praise, To describe

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to kiss, to hug, to tease, to praise and to describe.
>
> *Complete the last lesson of chapter 162: I can say to kiss, to hug, to tease, to praise and to describe.*

162.1 ముద్దుపెట్టు (muddupeṭṭu) — to kiss

Before the new one: say the Telugu for to feel shy, then the Telugu for to be surprised.

You'll want to know: ముద్దుపెట్టు

ముద్దుపెట్టు — *muddupeṭṭu* — "to kiss".

The word, taken apart — its roots and family

ముద్దుపెట్టు (*muddupeṭṭu*) is native Dravidian: *muddu*, "kiss", one word with Tamil *muttu* and Kannada *muddu* (DEDR 4960), and *peṭṭu*, "to put" (DEDR 4390). DEDR compares Prakrit *muddī*, "kiss".

What you've built

One more word for this chapter.

Your turn

- *Say it: muddupeṭṭu*
- *Say it: muddupeṭṭu*, once more
- *Say it:* say *muddupeṭṭu*
- *Recall:* say the Telugu for to feel shy, then the Telugu for to be surprised, then say *muddupeṭṭu* again

Before you move on

What does ముద్దుపెట్టు mean? ("To kiss".) Say it once more.

162.2 కౌగిలించు (kaugiliñcu) — to hug, to embrace

Before the new one: say the Telugu for to be surprised, then the Telugu for to kiss.

You'll want to know: కౌగిలించు

కౌగిలించు — *kaugiliñcu* — "to hug, to embrace".

The word, taken apart — its roots and family

The origin of కౌగిలించు (*kaugiliñcu*) is uncertain. DEDR 1802 cites it only in the phrase *grucci kaugiliñcu*, "to embrace tightly", filed under *grucci*, and gives it no entry of its own.

What you've built

One more word for this chapter.

Your turn

- *Say it: kaugiliñcu*
- *Say it: kaugiliñcu*, once more
- *Say it:* say *kaugiliñcu*
- *Recall:* say the Telugu for to be surprised, then the Telugu for to kiss, then say *kaugiliñcu* again

Before you move on

What does **కౌగిలించు** mean? ("To hug, to embrace".) Say it once more.

162.3 ఆటపట్టించు (āṭapaṭṭiñcu) — to tease

Before the new one: say the Telugu for to kiss, then the Telugu for to hug.

You'll want to know: ఆటపట్టించు

ఆటపట్టించు — *āṭapaṭṭiñcu* — "to tease".

The word, taken apart — its roots and family

ఆటపట్టించు (*āṭapaṭṭiñcu*) is native Dravidian: *āṭa*, "play, game", from *āḍu*, "to play" (DEDR 347), and *paṭṭiñcu*, "to make hold, apply", from *paṭṭu*, "to hold" (DEDR 4034).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āṭapaṭṭiñcu*
- *Say it:* *āṭapaṭṭiñcu*, once more
- *Say it:* say *āṭapaṭṭiñcu*
- *Recall:* say the Telugu for to kiss, then the Telugu for to hug, then say *āṭapaṭṭiñcu* again

Before you move on

What does **ఆటపట్టించు** mean? ("To tease".) Say it once more.

162.4 పొగడు (pogaḍu) — to praise

Before the new one: say the Telugu for to hug, then the Telugu for to tease.

You'll want to know: పొగడు

పొగడు — *pogaḍu* — "to praise".

The word, taken apart — its roots and family

పొగడు (*pogaḍu*) is native Dravidian, one word with Tamil *pukaḻ* and Kannada *pogaḻ* (DEDR 4235). DEDR lists Telugu *pogaḍu*, "to praise, applaud".

What you've built

One more word for this chapter.

Your turn

- *Say it: pogaḍu*
- *Say it: pogaḍu*, once more
- *Say it:* say *pogaḍu*
- *Recall:* say the Telugu for to hug, then the Telugu for to tease, then say *pogaḍu* again

Before you move on

What does పొగడు mean? ("To praise".) Say it once more.

162.5 వర్ణించు (varṇiñcu) — to describe

Before the new one: say the Telugu for to tease, then the Telugu for to praise.

You'll want to know: వర్ణించు

వర్ణించు — *varṇiñcu* — "to describe".

The word, taken apart — its roots and family

వర్ణించు (*varṇiñcu*) is Sanskrit *varṇana*, "description" (CDIAL 11340), made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: varṇiñcu*
- *Say it: varṇiñcu*, once more
- *Say it:* say *varṇiñcu*
- *Recall:* say the Telugu for to tease, then the Telugu for to praise, then say *varṇiñcu* again

Before you move on

What does **వర్ణించు** mean? ("To describe".) Say it once more.

Chapter 163

To suspect, To realize, To pay attention to, To compete, To kick

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to suspect, to realize, to pay attention to, to compete and to kick.
>
> *Complete the last lesson of chapter 163: I can say to suspect, to realize, to pay attention to, to compete and to kick.*

163.1 అనుమానించు (anumāniñcu) — to suspect, to doubt

Before the new one: say the Telugu for to praise, then the Telugu for to describe.

You'll want to know: అనుమానించు

అనుమానించు — *anumāniñcu* — "to suspect, to doubt".

The word, taken apart — its roots and family

అనుమానించు (*anumāniñcu*) is Sanskrit *anumāna*, "inference, thought" (CDIAL 328), made into a verb with the Telugu ending *-iñcu*. Telugu gives it the sense "suspicion".

What you've built

One more word for this chapter.

Your turn

- *Say it: anumāniñcu*
- *Say it: anumāniñcu*, once more
- *Say it:* say *anumāniñcu*
- *Recall:* say the Telugu for to praise, then the Telugu for to describe, then say *anumāniñcu* again

Before you move on

What does **అనుమానించు** mean? ("To suspect, to doubt".) Say it once more.

163.2 గ్రహించు (grahiñcu) — to realize, to grasp

Before the new one: say the Telugu for to describe, then the Telugu for to suspect.

You'll want to know: గ్రహించు

గ్రహించు — *grahiñcu* — "to realize, to grasp".

The word, taken apart — its roots and family

గ్రహించు (*grahiñcu*) is the Sanskrit root *grah*, "to seize, grasp", made into a verb with the Telugu ending *-iñcu*. CDIAL 4364 lists its noun *grahaṇa*, "seizing, holding".

What you've built

One more word for this chapter.

Your turn

- *Say it: grahiñcu*
- *Say it: grahiñcu*, once more
- *Say it:* say *grahiñcu*

- *Recall:* say the Telugu for to describe, then the Telugu for to suspect, then say *grahiñcu* again

Before you move on

What does గ్రహించు mean? ("To realize, to grasp".) Say it once more.

163.3 పట్టించుకో (paṭṭiñcukō) — to pay attention to, to care about

Before the new one: say the Telugu for to suspect, then the Telugu for to realize.

You'll want to know: పట్టించుకో

పట్టించుకో — *paṭṭiñcukō* — "to pay attention to, to care about".

The word, taken apart — its roots and family

పట్టించుకో (*paṭṭiñcukō*) is native Dravidian, built on *paṭṭu*, "to hold, catch", one word with Kannada *paṭṭu*, "to seize" (DEDR 4034), which also lists *paṭṭimpu*, "attention, not overlooking". The ending *-kō* means "for oneself" (DEDR 2151).

What you've built

One more word for this chapter.

Your turn

- *Say it: paṭṭiñcukō*
- *Say it: paṭṭiñcukō*, once more
- *Say it:* say *paṭṭiñcukō*
- *Recall:* say the Telugu for to suspect, then the Telugu for to realize, then say *paṭṭiñcukō* again

Before you move on

What does **పట్టించుకో** mean? ("To pay attention to, to care about".) Say it once more.

163.4 పోటీపడు (pōṭīpaḍu) — to compete

Before the new one: say the Telugu for to realize, then the Telugu for to pay attention to.

You'll want to know: పోటీపడు

పోటీపడు — *pōṭīpaḍu* — "to compete".

The word, taken apart — its roots and family

పోటీపడు (*pōṭīpaḍu*) is native Dravidian: *pōṭī*, "competition", one word with Kannada *pōṭi*, "competition, rivalry" (DEDR 4583), and *paḍu*, "to undergo" (DEDR 3853).

What you've built

One more word for this chapter.

Your turn

- *Say it: pōṭīpaḍu*
- *Say it: pōṭīpaḍu*, once more
- *Say it:* say *pōṭīpaḍu*
- *Recall:* say the Telugu for to realize, then the Telugu for to pay attention to, then say *pōṭīpaḍu* again

Before you move on

What does **పోటీపడు** mean? ("To compete".) Say it once more.

163.5 తన్ను (tannu) — to kick

Before the new one: say the Telugu for to pay attention to, then the Telugu for to compete.

You'll want to know: తన్ను

తన్ను — *tannu* — "to kick".

The word, taken apart — its roots and family

తన్ను (*tannu*) is native Dravidian. DEDR 3053 lists *tannu*, "to kick; a kick", with Kolami *tanḍ-*, "to kick", and Konda *dand-*, "to kick, beat".

What you've built

One more word for this chapter.

Your turn

- *Say it: tannu*
- *Say it: tannu*, once more
- *Say it:* say *tannu*
- *Recall:* say the Telugu for to pay attention to, then the Telugu for to compete, then say *tannu* again

Before you move on

What does **తన్ను** mean? ("To kick".) Say it once more.

Chapter 164

To grate, To strain, To dip, To tear, To wrap

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to grate, to strain, to dip, to tear and to wrap.

Complete the last lesson of chapter 164: I can say to grate, to strain, to dip, to tear and to wrap.

164.1 తురుము (turumu) — to grate

Before the new one: say the Telugu for to compete, then the Telugu for to kick.

You'll want to know: తురుము

తురుము — *turumu* — "to grate".

The word, taken apart — its roots and family

తురుము (*turumu*) is native Dravidian. DEDR 3339 gives it as *tu̲rumu*, "to scrape, as a coconut", with Kannada *turi*, "to grate, scrape out", and Tamil *turuvu*, "to scrape out".

What you've built

One more word for this chapter.

Your turn

- *Say it: turumu*
- *Say it: turumu*, once more
- *Say it:* say *turumu*
- *Recall:* say the Telugu for to compete, then the Telugu for to kick, then say *turumu* again

Before you move on

What does **తురుము** mean? (“To grate”.) Say it once more.

164.2 వడకట్టు (vaḍakaṭṭu) — to strain, to filter

Before the new one: say the Telugu for to kick, then the Telugu for to grate.

You’ll want to know: వడకట్టు

వడకట్టు — *vaḍakaṭṭu* — “to strain, to filter”.

The word, taken apart — its roots and family

వడకట్టు (*vaḍakaṭṭu*) is native Dravidian. DEDR 5221 lists nasalised forms of *vaḍigaṭṭu*, “to strain, filter”, under *vaḍiyu*, “to be strained, percolate”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: vaḍakaṭṭu*
- *Say it: vaḍakaṭṭu*, once more
- *Say it:* say *vaḍakaṭṭu*
- *Recall:* say the Telugu for to kick, then the Telugu for to grate, then say *vaḍakaṭṭu* again

Before you move on

What does **వడకట్టు** mean? ("To strain, to filter".) Say it once more.

164.3 ముంచు (muñcu) — to dip, to soak in

Before the new one: say the Telugu for to grate, then the Telugu for to strain.

You'll want to know: ముంచు

ముంచు — *muñcu* — "to dip, to soak in".

The word, taken apart — its roots and family

ముంచు (*muñcu*) is native Dravidian. DEDR 4993 lists *muñcu*, "to plunge, immerse", with Tamil *mu̲lukku*, "to immerse", and Kannada *mu̲lugisu*, "to dip".

What you've built

One more word for this chapter.

Your turn

- *Say it: muñcu*
- *Say it: muñcu*, once more
- *Say it:* say *muñcu*
- *Recall:* say the Telugu for to grate, then the Telugu for to strain, then say *muñcu* again

Before you move on

What does **ముంచు** mean? ("To dip, to soak in".) Say it once more.

164.4 చింపు (cimpu) — to tear

Before the new one: say the Telugu for to strain, then the Telugu for to dip.

You'll want to know: చింపు

చింపు — *cimpu* — "to tear".

The word, taken apart — its roots and family

చింపు (*cimpu*) is native Dravidian. DEDR 2491 lists *cimpu*, "to tear, rend", with Malayalam *cīntuka*, "to tear". DEDR compares Sanskrit *cīra*, "a strip of bark or cloth" (CDIAL 4843), which CDIAL reports as taken from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: cimpu*
- *Say it: cimpu*, once more
- *Say it:* say *cimpu*
- *Recall:* say the Telugu for to strain, then the Telugu for to dip, then say *cimpu* again

Before you move on

What does **చింపు** mean? ("To tear".) Say it once more.

164.5 చుట్టు (cuṭṭu) — to wrap, to roll up

Before the new one: say the Telugu for to dip, then the Telugu for to tear.

You'll want to know: చుట్టు

చుట్టు — *cuṭṭu* — "to wrap, to roll up".

The word, taken apart — its roots and family

చుట్టు (*cuṭṭu*) is native Dravidian, one word with Tamil *cuṟṟu* and Kannada *suttu* (DEDR 2715). DEDR lists Telugu *cuṭṭu*, "to roll, wrap,

wind”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: cuṭṭu*
- *Say it: cuṭṭu*, once more
- *Say it:* say *cuṭṭu*
- *Recall:* say the Telugu for to dip, then the Telugu for to tear, then say *cuṭṭu* again

Before you move on

What does **చుట్టు** mean? (“To wrap, to roll up”.) Say it once more.

Chapter 165

To spill, To shave, To tighten, To prick, To knit

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say to spill, to shave, to tighten, to prick and to knit.
>
> *Complete the last lesson of chapter 165: I can say to spill, to shave, to tighten, to prick and to knit.*

165.1 చిందు (cindu) — to spill

Before the new one: say the Telugu for to tear, then the Telugu for to wrap.

You'll want to know: చిందు

చిందు — *cindu* — "to spill".

The word, taken apart — its roots and family

చిందు (*cindu*) is native Dravidian. DEDR 1546 lists *cindu*, "to be spilt; to spill", with Malayalam *cintuka*, "to be spilt", and Tamil *citar*, "to scatter".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cindu*
- *Say it:* *cindu*, once more
- *Say it:* say *cindu*
- *Recall:* say the Telugu for to tear, then the Telugu for to wrap, then say *cindu* again

Before you move on

What does **చిందు** mean? (“To spill”.) Say it once more.

165.2 గొరుగు (gorugu) — to shave

Before the new one: say the Telugu for to wrap, then the Telugu for to spill.

You’ll want to know: గొరుగు

గొరుగు — *gorugu* — “to shave”.

The word, taken apart — its roots and family

గొరుగు (*gorugu*) is native Dravidian. DEDR 2258 lists it as *gor̲ugu*, “to shave”, with Gondi *kori-*, “to shave”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *gorugu*
- *Say it:* *gorugu*, once more
- *Say it:* say *gorugu*
- *Recall:* say the Telugu for to wrap, then the Telugu for to spill, then say *gorugu* again

Before you move on

What does **గొరుగు** mean? ("To shave".) Say it once more.

165.3 బిగించు (biginñcu) — to tighten

Before the new one: say the Telugu for to spill, then the Telugu for to shave.

You'll want to know: బిగించు

బిగించు — *biginñcu* — "to tighten".

The word, taken apart — its roots and family

బిగించు (*biginñcu*) is native Dravidian. DEDR 5382 lists *biginñcu*, "to tighten, fasten", with Kannada *bigi*, "to tighten", and Tamil *viku*, "to be tight".

What you've built

One more word for this chapter.

Your turn

- *Say it: biginñcu*
- *Say it: biginñcu*, once more
- *Say it:* say *biginñcu*
- *Recall:* say the Telugu for to spill, then the Telugu for to shave, then say *biginñcu* again

Before you move on

What does **బిగించు** mean? ("To tighten".) Say it once more.

165.4 గుచ్చు (guccu) — to prick, to string (flowers)

Before the new one: say the Telugu for to shave, then the Telugu for to tighten.

You'll want to know: గుచ్చు

గుచ్చు — *guccu* — "to prick, to string (flowers)".

The word, taken apart — its roots and family

గుచ్చు (*guccu*) is native Dravidian. DEDR 1861 lists *guccu*, "to pierce, prick, thread together (as beads)", with Tamil *kuṟṟu*, "to prick".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *guccu*
- *Say it:* *guccu*, once more
- *Say it:* say *guccu*
- *Recall:* say the Telugu for to shave, then the Telugu for to tighten, then say *guccu* again

Before you move on

What does గుచ్చు mean? ("To prick, to string (flowers)".) Say it once more.

165.5 అల్లు (allu) — to knit, to weave

Before the new one: say the Telugu for to tighten, then the Telugu for to prick.

You'll want to know: అల్లు

అల్లు — *allu* — "to knit, to weave".

The word, taken apart — its roots and family

అల్లు (*allu*) is native Dravidian, one word with Tamil *allu* and Kannada *allu* (DEDR 260). DEDR lists Telugu *allu*, "to plait, braid, weave".

What you've built

One more word for this chapter.

Your turn

- *Say it: allu*
- *Say it: allu*, once more
- *Say it:* say *allu*
- *Recall:* say the Telugu for to tighten, then the Telugu for to prick, then say *allu* again

Before you move on

What does **అల్లు** mean? ("To knit, to weave".) Say it once more.

165.6 Words from chapters 157-160 — a first pass

Say the words for to prick and to knit.

Your turn

Say these aloud:

- to pay, to fry, to boil, to mix, to grind
- to hurry, to brush, to change, to take off, to measure
- to squeeze, to soak, to repair, to throw away, to lose
- to earn, to explain, to translate, to remember, to agree

Before you move on

To pay? (**చెల్లించు**, *celliñcu.*) To fry? (**వేయించు**, *vēyiñcu.*) To boil? (**ఉడికించు**, *uḍikiñcu.*) To mix? (**కలుపు**, *kalupu.*) To grind? (**రుబ్బు**, *rubbu.*) To hurry? (**తొందరపడు**, *tondarapaḍu.*) To brush? (**తోము**, *tōmu.*) To change? (**మార్చు**, *mārcu.*) To take off? (**విప్పు**, *vippu.*) To measure? (**కొలుచు**, *kolucu.*) To squeeze? (**పిండు**, *piṇḍu.*) To soak?

(నానబెట్టు, *nānabeṭṭu.*) To repair? (బాగుచేయు, *bāgucēyu.*) To throw away? (పారేయు, *pārēyu.*) To lose? (పోగొట్టుకో, *pōgoṭṭukō.*) To earn? (సంపాదించు, *sampādiñcu.*) To explain? (వివరించు, *vivariñcu.*) To translate? (అనువదించు, *anuvadiñcu.*) To remember? (గుర్తుపెట్టుకో, *gurtupeṭṭukō.*) To agree? (ఒప్పుకో, *oppukō.*)

165.7 Words from chapters 161-165 — a second pass

Say the words for to dance and to celebrate.

Your turn

Say these aloud:

- to dance, to celebrate, to greet, to feel shy, to be surprised
- to kiss, to hug, to tease, to praise, to describe
- to suspect, to realize, to pay attention to, to compete, to kick
- to grate, to strain, to dip, to tear, to wrap
- to spill, to shave, to tighten, to prick, to knit

Before you move on

To dance? (నాట్యం చేయు, *nāṭyaṁ cēyu.*) To celebrate? (జరుపుకో, *jarupukō.*) To greet? (పలకరించు, *palakariñcu.*) To feel shy? (సిగ్గుపడు, *siggupaḍu.*) To be surprised? (ఆశ్చర్యపోవు, *āścaryapōvu.*) To kiss? (ముద్దుపెట్టు, *muddupeṭṭu.*) To hug? (కౌగిలించు, *kaugiliñcu.*) To tease? (ఆటపట్టించు, *āṭapaṭṭiñcu.*) To praise? (పొగడు, *pogaḍu.*) To describe? (వర్ణించు, *varṇiñcu.*) To suspect? (అనుమానించు, *anumāniñcu.*) To realize? (గ్రహించు, *grahiñcu.*) To pay attention to? (పట్టించుకో, *paṭṭiñcukō.*) To compete? (పోటీపడు, *pōṭīpaḍu.*) To kick? (తన్ను, *tannu.*) To grate? (తురుము, *turumu.*) To strain? (వడకట్టు, *vaḍakaṭṭu.*) To dip? (ముంచు, *muñcu.*) To tear? (చింపు, *cimpu.*) To wrap? (చుట్టు, *cuṭṭu.*) To spill? (చిందు, *cindu.*) To shave? (గొరుగు, *gorugu.*) To tighten? (బిగించు, *biginñcu.*) To prick? (గుచ్చు, *guccu.*) To knit? (అల్లు, *allu.*)

Chapter 166

To continue, To observe, To correct, To mutter, To separate

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to continue, to observe, to correct, to mutter and to separate.
>
> *Complete the last lesson of chapter 166: I can say to continue, to observe, to correct, to mutter and to separate.*

166.1 కొనసాగు (konasāgu) — to continue

Before the new one: say the Telugu for to prick, then the Telugu for to knit.

You'll want to know: కొనసాగు

కొనసాగు — *konasāgu* — "to continue".

The word, taken apart — its roots and family

కొనసాగు (*konasāgu*) is native Dravidian. Its second part is *sāgu*, "to go on, continue", one word with Kannada *sāgu* (DEDR 2430); its first part matches *kona*, "end, tip" (DEDR 2174), though DEDR does not list the compound.

What you've built

One more word for this chapter.

Your turn

- *Say it: konasāgu*
- *Say it: konasāgu*, once more
- *Say it:* say *konasāgu*
- *Recall:* say the Telugu for to prick, then the Telugu for to knit, then say *konasāgu* again

Before you move on

What does **కొనసాగు** mean? ("To continue".) Say it once more.

166.2 పాటించు (pāṭiñcu) — to observe, to follow (rules)

Before the new one: say the Telugu for to knit, then the Telugu for to continue.

You'll want to know: పాటించు

పాటించు — *pāṭiñcu* — "to observe, to follow (rules)".

The word, taken apart — its roots and family

The origin of **పాటించు** (*pāṭiñcu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "to observe, follow".

What you've built

One more word for this chapter.

Your turn

- *Say it: pāṭiñcu*
- *Say it: pāṭiñcu*, once more
- *Say it:* say *pāṭiñcu*
- *Recall:* say the Telugu for to knit, then the Telugu for to continue, then say *pāṭiñcu* again

Before you move on

What does **పాటించు** mean? ("To observe, to follow (rules)".) Say it once more.

166.3 దిద్దు (diddu) — to correct (written work)

Before the new one: say the Telugu for to continue, then the Telugu for to observe.

You'll want to know: దిద్దు

దిద్దు — *diddu* — "to correct (written work)".

The word, taken apart — its roots and family

దిద్దు (*diddu*) is native Dravidian, one word with Tamil *tiruttu* and Kannada *tiddu* (DEDR 3251). DEDR lists Telugu *diddu*, "to correct, set right".

What you've built

One more word for this chapter.

Your turn

- *Say it: diddu*
- *Say it: diddu*, once more
- *Say it:* say *diddu*
- *Recall:* say the Telugu for to continue, then the Telugu for to observe, then say *diddu* again

Before you move on

What does **దిద్దు** mean? ("To correct (written work)".) Say it once more.

166.4 గొణుగు (goṇugu) — to mutter, to grumble

Before the new one: say the Telugu for to observe, then the Telugu for to correct.

You'll want to know: గొణుగు

గొణుగు — *goṇugu* — "to mutter, to grumble".

The word, taken apart — its roots and family

గొణుగు (*goṇugu*) is Dravidian. DEDR 1685 lists nasalised forms of *goṇugu*, "to murmur, mutter, grumble", with Tamil *kuṇukuṇu*, "to murmur", and points to related sound-words across the region, such as Hindi *gungun*, "murmur" (CDIAL 4013).

What you've built

One more word for this chapter.

Your turn

- *Say it: goṇugu*
- *Say it: goṇugu*, once more
- *Say it:* say *goṇugu*
- *Recall:* say the Telugu for to observe, then the Telugu for to correct, then say *goṇugu* again

Before you move on

What does **గొణుగు** mean? ("To mutter, to grumble".) Say it once more.

166.5 విడిపోవు (viḍipōvu) — to separate, to part

Before the new one: say the Telugu for to correct, then the Telugu for to mutter.

You'll want to know: విడిపోవు

విడిపోవు — *viḍipōvu* — "to separate, to part".

The word, taken apart — its roots and family

విడిపోవు (*viḍipōvu*) is native Dravidian: *viḍu*, "to be loosened, separate", one word with Tamil *viṭu*, "to leave" (DEDR 5393), and *pōvu*, "to go" (DEDR 4572).

What you've built

One more word for this chapter.

Your turn

- *Say it: viḍipōvu*
- *Say it: viḍipōvu*, once more
- *Say it:* say *viḍipōvu*
- *Recall:* say the Telugu for to correct, then the Telugu for to mutter, then say *viḍipōvu* again

Before you move on

What does **విడిపోవు** mean? ("To separate, to part".) Say it once more.

Chapter 167

Headache, Diarrhoea, Tablet, Sweat, Swelling

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a headache, diarrhoea, a tablet, sweat and a swelling.

Complete the last lesson of chapter 167: I can say a headache, diarrhoea, a tablet, sweat and a swelling.

167.1 తలనొప్పి (talanoppi) — a headache

Before the new one: say the Telugu for to mutter, then the Telugu for to separate.

You'll want to know: తలనొప్పి

తలనొప్పి — *talanoppi* — "a headache".

The word, taken apart — its roots and family

తలనొప్పి (*talanoppi*) is native Dravidian: *tala*, "head" (DEDR 3103), and *noppi*, "pain, ache" (DEDR 3793).

What you've built

One more word for this chapter.

Your turn

- *Say it: talanoppi*
- *Say it: talanoppi*, once more
- *Say it:* say *talanoppi*
- *Recall:* say the Telugu for to mutter, then the Telugu for to separate, then say *talanoppi* again

Before you move on

What does **తలనొప్పి** mean? ("A headache".) Say it once more.

167.2 విరేచనాలు (virēcanālu) — diarrhoea

Before the new one: say the Telugu for to separate, then the Telugu for a headache.

You'll want to know: విరేచనాలు

విరేచనాలు — *virēcanālu* — "diarrhoea".

The word, taken apart — its roots and family

విరేచనాలు (*virēcanālu*) is Sanskrit *virecana*, "purging", with the Telugu plural ending *-lu*. CDIAL 11874 lists the verb behind it, *virēcayati*, "empties, drains".

What you've built

One more word for this chapter.

Your turn

- *Say it: virēcanālu*
- *Say it: virēcanālu*, once more
- *Say it:* say *virēcanālu*
- *Recall:* say the Telugu for to separate, then the Telugu for a headache, then say *virēcanālu* again

Before you move on

What does **విరేచనాలు** mean? (“Diarrhoea”.) Say it once more.

167.3 మాత్ర (mātra) — a tablet, a pill

Before the new one: say the Telugu for a headache, then the Telugu for diarrhoea.

You’ll want to know: మాత్ర

మాత్ర — *mātra* — “a tablet, a pill”.

The word, taken apart — its roots and family

మాత్ర (*mātra*) is Sanskrit *mātrā*, “measure; minute portion”, taken over whole as a learned loan, a tatsama, with the final *-ā* shortened (CDIAL 10023). The sense “pill” is the one Telugu gives it.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: mātra*
- *Say it: mātra*, once more
- *Say it:* say *mātra*
- *Recall:* say the Telugu for a headache, then the Telugu for diarrhoea, then say *mātra* again

Before you move on

What does **మాత్ర** mean? (“A tablet, a pill”.) Say it once more.

167.4 చెమట (cemaṭa) — sweat

Before the new one: say the Telugu for diarrhoea, then the Telugu for a tablet.

You'll want to know: చెమట

చెమట — *cemaṭa* — "sweat".

The word, taken apart — its roots and family

చెమట (*cemaṭa*) is native Dravidian. DEDR 2539 lists it, "sweat", beside *cemma*, "moisture", with Tamil *cemmal*, "water".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cemaṭa*
- *Say it:* *cemaṭa*, once more
- *Say it:* say *cemaṭa*
- *Recall:* say the Telugu for diarrhoea, then the Telugu for a tablet, then say *cemaṭa* again

Before you move on

What does **చెమట** mean? ("Sweat".) Say it once more.

167.5 వాపు (vāpu) — a swelling

Before the new one: say the Telugu for a tablet, then the Telugu for sweat.

You'll want to know: వాపు

వాపు — *vāpu* — "a swelling".

The word, taken apart — its roots and family

వాపు (*vāpu*) is native Dravidian. DEDR 5350 lists *vāpu*, "swelling", with Kannada *bāvu*, "swelling".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vāpu*
- *Say it:* *vāpu*, once more
- *Say it:* say *vāpu*
- *Recall:* say the Telugu for a tablet, then the Telugu for sweat, then say *vāpu* again

Before you move on

What does **వాపు** mean? ("A swelling".) Say it once more.

Chapter 168

Jealousy, Pride, Enthusiasm, Peace, Patience

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say jealousy, pride, enthusiasm, peace and patience.
>
> *Complete the last lesson of chapter 168: I can say jealousy, pride, enthusiasm, peace and patience.*

168.1 అసూయ (asūya) — jealousy

> Before the new one: say the Telugu for sweat, then the Telugu for a swelling.

You'll want to know: అసూయ

అసూయ — *asūya* — "jealousy".

The word, taken apart — its roots and family

అసూయ (*asūya*) is Sanskrit *asūyā*, "envy, jealousy", taken over as a learned loan, a tatsama, with the final -*ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *asūya*
- *Say it:* *asūya*, once more
- *Say it:* say *asūya*
- *Recall:* say the Telugu for sweat, then the Telugu for a swelling, then say *asūya* again

Before you move on

What does అసూయ mean? ("Jealousy".) Say it once more.

168.2 గర్వం (garvaṁ) — pride

Before the new one: say the Telugu for a swelling, then the Telugu for jealousy.

You'll want to know: గర్వం

గర్వం — *garvaṁ* — "pride".

The word, taken apart — its roots and family

గర్వం (*garvaṁ*) is Sanskrit *garva*, "pride, arrogance", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 4064).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *garvaṁ*
- *Say it:* *garvaṁ*, once more
- *Say it:* say *garvaṁ*
- *Recall:* say the Telugu for a swelling, then the Telugu for jealousy, then say *garvaṁ* again

Before you move on

What does గర్వం mean? ("Pride".) Say it once more.

168.3 ఉత్సాహం (utsāhaṁ) — enthusiasm, excitement

Before the new one: say the Telugu for jealousy, then the Telugu for pride.

You'll want to know: ఉత్సాహం

ఉత్సాహం — *utsāhaṁ* — "enthusiasm, excitement".

The word, taken apart — its roots and family

ఉత్సాహం (*utsāhaṁ*) is Sanskrit *utsāha*, "power, firmness; joy", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 1882). The sense "enthusiasm" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it: utsāhaṁ*
- *Say it: utsāhaṁ*, once more
- *Say it:* say *utsāhaṁ*
- *Recall:* say the Telugu for jealousy, then the Telugu for pride, then say *utsāhaṁ* again

Before you move on

What does ఉత్సాహం mean? ("Enthusiasm, excitement".) Say it once more.

168.4 శాంతి (śānti) — peace, calm

Before the new one: say the Telugu for pride, then the Telugu for enthusiasm.

You'll want to know: శాంతి

శాంతి — *śānti* — "peace, calm".

The word, taken apart — its roots and family

శాంతి (*śānti*) is Sanskrit *śānti*, "cessation; rest, peace", taken over whole as a learned loan, a tatsama (CDIAL 12391).

What you've built

One more word for this chapter.

Your turn

- *Say it: śānti*
- *Say it: śānti*, once more
- *Say it:* say *śānti*
- *Recall:* say the Telugu for pride, then the Telugu for enthusiasm, then say *śānti* again

Before you move on

What does **శాంతి** mean? ("Peace, calm".) Say it once more.

168.5 సహనం (sahanaṁ) — patience

Before the new one: say the Telugu for enthusiasm, then the Telugu for peace.

You'll want to know: సహనం

సహనం — *sahanaṁ* — "patience".

The word, taken apart — its roots and family

సహనం (*sahanaṁ*) is Sanskrit *sahana*, "endurance, patience", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13305).

What you've built

One more word for this chapter.

Your turn

- *Say it: sahanaṁ*
- *Say it: sahanaṁ*, once more
- *Say it:* say *sahanaṁ*
- *Recall:* say the Telugu for enthusiasm, then the Telugu for peace, then say *sahanaṁ* again

Before you move on

What does సహనం mean? ("Patience".) Say it once more.

Chapter 169

Sore, Blister, Rash, Scar, Sprain

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a sore, a blister, a rash, a scar and a sprain.
>
> *Complete the last lesson of chapter 169: I can say a sore, a blister, a rash, a scar and a sprain.*

169.1 పుండు (puṇḍu) — a sore, an ulcer

> Before the new one: say the Telugu for peace, then the Telugu for patience.

You'll want to know: పుండు

పుండు — *puṇḍu* — "a sore, an ulcer".

The word, taken apart — its roots and family

పుండు (*puṇḍu*) is native Dravidian, one word with Tamil *puṇ* and Kannada *puṇ* (DEDR 4268). DEDR lists Telugu *puṇḍu*, "sore, ulcer, boil".

What you've built

One more word for this chapter.

Your turn

- *Say it: puṇḍu*
- *Say it: puṇḍu*, once more
- *Say it:* say *puṇḍu*
- *Recall:* say the Telugu for peace, then the Telugu for patience, then say *puṇḍu* again

Before you move on

What does పుండు mean? (“A sore, an ulcer”.) Say it once more.

169.2 బొబ్బ (bobba) — a blister

Before the new one: say the Telugu for patience, then the Telugu for a sore.

You’ll want to know: బొబ్బ

బొబ్బ — *bobba* — “a blister”.

The word, taken apart — its roots and family

బొబ్బ (*bobba*) is native Dravidian. DEDR 4455 lists *bobba*, “blister”, with Kannada *bobbe* and Malayalam *pokkuḷa*, “blister”. DEDR compares Nepali *phoko*, “blister” (CDIAL 8391), a word group CDIAL thinks probably came from Dravidian.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: bobba*
- *Say it: bobba*, once more
- *Say it:* say *bobba*

- *Recall:* say the Telugu for patience, then the Telugu for a sore, then say *bobba* again

Before you move on

What does **బొబ్బ** mean? (“A blister”.) Say it once more.

169.3 దద్దుర్లు (daddurlu) — a rash

Before the new one: say the Telugu for a sore, then the Telugu for a blister.

You’ll want to know: దద్దుర్లు

దద్దుర్లు — *daddurlu* — “a rash”.

The word, taken apart — its roots and family

The origin of **దద్దుర్లు** (*daddurlu*) is uncertain. DEDR has no entry for it. Sanskrit *dadru*, “skin eruption” (CDIAL 6142), is close in shape and sense, but CDIAL lists no Telugu word.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: daddurlu*
- *Say it: daddurlu*, once more
- *Say it:* say *daddurlu*
- *Recall:* say the Telugu for a sore, then the Telugu for a blister, then say *daddurlu* again

Before you move on

What does **దద్దుర్లు** mean? (“A rash”.) Say it once more.

169.4 మచ్చ (macca) — a scar, a spot

Before the new one: say the Telugu for a blister, then the Telugu for a rash.

You'll want to know: మచ్చ

మచ్చ — *macca* — "a scar, a spot".

The word, taken apart — its roots and family

మచ్చ (*macca*) is native Dravidian, one word with Tamil *maccu* and Kannada *macca* (DEDR 4632). DEDR lists Telugu *macca*, "spot, mole, scar".

What you've built

One more word for this chapter.

Your turn

- *Say it: macca*
- *Say it: macca*, once more
- *Say it:* say *macca*
- *Recall:* say the Telugu for a blister, then the Telugu for a rash, then say *macca* again

Before you move on

What does **మచ్చ** mean? ("A scar, a spot".) Say it once more.

169.5 బెణుకు (beṇuku) — a sprain

Before the new one: say the Telugu for a rash, then the Telugu for a scar.

You'll want to know: బెణుకు

బెణుకు — *beṇuku* — "a sprain".

The word, taken apart — its roots and family

The origin of **బెణుకు** (*beṇuku*) is uncertain. DEDR and CDIAL list no word of this shape meaning "sprain".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *beṇuku*
- *Say it:* *beṇuku*, once more
- *Say it:* say *beṇuku*
- *Recall:* say the Telugu for a rash, then the Telugu for a scar, then say *beṇuku* again

Before you move on

What does **బెణుకు** mean? ("A sprain".) Say it once more.

Chapter 170

Time, Sometimes, Often, Date, Weekend

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say time, sometimes, often, a date and a weekend.
>
> *Complete the last lesson of chapter 170: I can say time, sometimes, often, a date and a weekend.*

170.1 సమయం (samayaṁ) — time

> Before the new one: say the Telugu for a scar, then the Telugu for a sprain.

You'll want to know: సమయం

సమయం — *samayaṁ* — "time".

The word, taken apart — its roots and family

సమయం (*samayaṁ*) is Sanskrit *samaya*, "meeting; rule; agreement; time", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13185).

What you've built

One more word for this chapter.

Your turn

- *Say it: samayaṁ*
- *Say it: samayaṁ*, once more
- *Say it:* say *samayaṁ*
- *Recall:* say the Telugu for a scar, then the Telugu for a sprain, then say *samayaṁ* again

Before you move on

What does సమయం mean? ("Time".) Say it once more.

170.2 అప్పుడప్పుడు (appuḍappuḍu) — sometimes

Before the new one: say the Telugu for a sprain, then the Telugu for time.

You'll want to know: అప్పుడప్పుడు

అప్పుడప్పుడు — *appuḍappuḍu* — "sometimes".

The word, taken apart — its roots and family

అప్పుడప్పుడు (*appuḍappuḍu*) is native Dravidian: *appuḍu*, "at that time, then", built on the far-pointing base *a-* (DEDR 1), said twice.

What you've built

One more word for this chapter.

Your turn

- *Say it: appuḍappuḍu*
- *Say it: appuḍappuḍu*, once more
- *Say it:* say *appuḍappuḍu*
- *Recall:* say the Telugu for a sprain, then the Telugu for time, then say *appuḍappuḍu* again

Before you move on

What does **అప్పుడప్పుడు** mean? ("Sometimes".) Say it once more.

170.3 తరచుగా (taracugā) — often

Before the new one: say the Telugu for time, then the Telugu for sometimes.

You'll want to know: తరచుగా

తరచుగా — *taracugā* — "often".

The word, taken apart — its roots and family

The origin of *taracu*, "often", the word in **తరచుగా** (*taracugā*), is uncertain: DEDR and CDIAL list no word of this shape with this sense. The ending *-gā* makes it an adverb.

What you've built

One more word for this chapter.

Your turn

- *Say it: taracugā*
- *Say it: taracugā*, once more
- *Say it:* say *taracugā*
- *Recall:* say the Telugu for time, then the Telugu for sometimes, then say *taracugā* again

Before you move on

What does **తరచుగా** mean? ("Often".) Say it once more.

170.4 తేదీ (tēdī) — a date

Before the new one: say the Telugu for sometimes, then the Telugu for often.

You'll want to know: తేదీ

తేదీ — *tēdī* — "a date".

The word, taken apart — its roots and family

The origin of **తేదీ** (*tēdī*) is not settled. Sanskrit *tithi*, "a lunar day" (CDIAL 5810), is the usual suggestion, but neither CDIAL nor DEDR lists the Telugu word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tēdī*
- *Say it:* *tēdī*, once more
- *Say it:* say *tēdī*
- *Recall:* say the Telugu for sometimes, then the Telugu for often, then say *tēdī* again

Before you move on

What does **తేదీ** mean? ("A date".) Say it once more.

170.5 వారాంతం (vārāntaṁ) — a weekend

Before the new one: say the Telugu for often, then the Telugu for a date.

You'll want to know: వారాంతం

వారాంతం — *vārāntaṁ* — "a weekend".

The word, taken apart — its roots and family

వారాంతం (*vārāntaṁ*) is Sanskrit: *vāra*, "day of the week" (CDIAL 11547), and *anta*, "end" (CDIAL 347), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vārāntaṁ*
- *Say it:* *vārāntaṁ*, once more
- *Say it:* say *vārāntaṁ*
- *Recall:* say the Telugu for often, then the Telugu for a date, then say *vārāntaṁ* again

Before you move on

What does **వారాంతం** mean? ("A weekend".) Say it once more.

Chapter 171

Sunset, Every day, Usually, Rarely, Constantly

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say sunset, every day, usually, rarely and constantly.
>
> *Complete the last lesson of chapter 171: I can say sunset, every day, usually, rarely and constantly.*

171.1 సూర్యాస్తమయం (sūryāstamayaṁ) — sunset

> Before the new one: say the Telugu for a date, then the Telugu for a weekend.

You'll want to know: సూర్యాస్తమయం

సూర్యాస్తమయం — *sūryāstamayaṁ* — "sunset".

The word, taken apart — its roots and family

సూర్యాస్తమయం (*sūryāstamayaṁ*) is Sanskrit: *sūrya*, "sun" (CDIAL 13574), and *astamaya*, "setting of the sun" (CDIAL 974), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *sūryāstamayaṁ*
- *Say it:* *sūryāstamayaṁ*, once more
- *Say it:* say *sūryāstamayaṁ*
- *Recall:* say the Telugu for a date, then the Telugu for a weekend, then say *sūryāstamayaṁ* again

Before you move on

What does సూర్యాస్తమయం mean? ("Sunset".) Say it once more.

171.2 ప్రతిరోజు (pratirōju) — every day

Before the new one: say the Telugu for a weekend, then the Telugu for sunset.

You'll want to know: ప్రతిరోజు

ప్రతిరోజు — *pratirōju* — "every day".

The word, taken apart — its roots and family

ప్రతిరోజు (*pratirōju*) joins Sanskrit *prati*, "towards, against" (CDIAL 8540), used in Telugu as "each", to *rōju*, "day", from Persian *rōz*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pratirōju*
- *Say it:* *pratirōju*, once more
- *Say it:* say *pratirōju*
- *Recall:* say the Telugu for a weekend, then the Telugu for sunset, then say *pratirōju* again

Before you move on

What does ప్రతిరోజు mean? ("Every day".) Say it once more.

171.3 సాధారణంగా (sādhāraṇaṅgā) — usually, generally

Before the new one: say the Telugu for sunset, then the Telugu for every day.

You'll want to know: సాధారణంగా

సాధారణంగా — *sādhāraṇaṅgā* — "usually, generally".

The word, taken apart — its roots and family

సాధారణంగా (*sādhāraṇaṅgā*) is Sanskrit *sādhāraṇa*, "common, general", with the Telugu ending *-ṁi* and the adverb ending *-gā*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sādhāraṇaṅgā*
- *Say it: sādhāraṇaṅgā*, once more
- *Say it:* say *sādhāraṇaṅgā*
- *Recall:* say the Telugu for sunset, then the Telugu for every day, then say *sādhāraṇaṅgā* again

Before you move on

What does సాధారణంగా mean? ("Usually, generally".) Say it once more.

171.4 అరుదుగా (arudugā) — rarely

Before the new one: say the Telugu for every day, then the Telugu for usually.

You'll want to know: అరుదుగా

అరుదుగా — *arudugā* — "rarely".

The word, taken apart — its roots and family

అరుదుగా (*arudugā*) is native Dravidian: *arudu*, "rare, scarce", one word with Tamil *aru*, "rare" (DEDR 221), followed by the adverb ending *-gā*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *arudugā*
- *Say it:* *arudugā*, once more
- *Say it:* say *arudugā*
- *Recall:* say the Telugu for every day, then the Telugu for usually, then say *arudugā* again

Before you move on

What does **అరుదుగా** mean? ("Rarely".) Say it once more.

171.5 నిరంతరం (nirantaraṁ) — constantly, continuously

Before the new one: say the Telugu for usually, then the Telugu for rarely.

You'll want to know: నిరంతరం

నిరంతరం — *nirantaraṁ* — "constantly, continuously". *Read it:* two words again — **ఛాయ** (*chāya*, shade) is written with **ఛ**, and **ఝరి** (*jhari*, a stream) with **ఝ**

The word, taken apart — its roots and family

నిరంతరం (*nirantaraṁ*) is Sanskrit *nirantara*, "without interval, perpetual", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7265).

What you've built

One more word for this chapter.

Your turn

- *Say it: nirantaraṁ*
- *Say it: nirantaraṁ*, once more
- *Say it:* say *nirantaraṁ*
- *Recall:* say the Telugu for usually, then the Telugu for rarely, then say *nirantaraṁ* again

Before you move on

What does **నిరంతరం** mean? ("Constantly, continuously".) Say it once more.

Chapter 172

Youth, Old age, Meanwhile, Every year, Forever

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say youth, old age, meanwhile, every year and forever.
>
> *Complete the last lesson of chapter 172: I can say youth, old age, meanwhile, every year and forever.*

172.1 యవ్వనం (yavvanaṁ) — youth

> Before the new one: say the Telugu for rarely, then the Telugu for constantly.

You'll want to know: యవ్వనం

యవ్వనం — *yavvanaṁ* — "youth".

The word, taken apart — its roots and family

యవ్వనం (*yavvanaṁ*) comes from Sanskrit *yauvana*, "youth, puberty", reshaped to Telugu sounds: a tadbhava (CDIAL 10537). Telugu turned the *au* into *avva*.

What you've built

One more word for this chapter.

Your turn

- *Say it: yavvanaṁ*
- *Say it: yavvanaṁ*, once more
- *Say it:* say *yavvanaṁ*
- *Recall:* say the Telugu for rarely, then the Telugu for constantly, then say *yavvanaṁ* again

Before you move on

What does **యవ్వనం** mean? ("Youth".) Say it once more.

172.2 వృద్ధాప్యం (vṛddhāpyaṁ) — old age

Before the new one: say the Telugu for constantly, then the Telugu for youth.

You'll want to know: వృద్ధాప్యం

వృద్ధాప్యం — *vṛddhāpyaṁ* — "old age".

The word, taken apart — its roots and family

వృద్ధాప్యం (*vṛddhāpyaṁ*) is a learned word built on Sanskrit *vṛddha*, "grown up, old" (CDIAL 12073), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: vṛddhāpyaṁ*
- *Say it: vṛddhāpyaṁ*, once more
- *Say it:* say *vṛddhāpyaṁ*
- *Recall:* say the Telugu for constantly, then the Telugu for youth, then say *vṛddhāpyaṁ* again

Before you move on

What does వృద్ధాప్యం mean? ("Old age".) Say it once more.

172.3 ఇంతలో (intalō) — meanwhile

Before the new one: say the Telugu for youth, then the Telugu for old age.

You'll want to know: ఇంతలో

ఇంతలో — *intalō* — "meanwhile".

The word, taken apart — its roots and family

ఇంతలో (*intalō*) is native Dravidian: *inta*, "so much; this time", built on the near-pointing base *i-* (DEDR 410), with the ending *-lō*, "in".

What you've built

One more word for this chapter.

Your turn

- *Say it: intalō*
- *Say it: intalō*, once more
- *Say it:* say *intalō*
- *Recall:* say the Telugu for youth, then the Telugu for old age, then say *intalō* again

Before you move on

What does ఇంతలో mean? ("Meanwhile".) Say it once more.

172.4 ఏటా (ēṭā) — every year, annually

Before the new one: say the Telugu for old age, then the Telugu for meanwhile.

You'll want to know: ఏటా

ఏటా — *ēṭā* — "every year, annually".

The word, taken apart — its roots and family

ఏటా (*ēṭā*) is native Dravidian. DEDR 5153 lists *ēṇṭēṭa*, "yearly", under the word for "year", one word with Kannada *ēḍu* and Tamil *yāṇṭu*, "year".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ēṭā*
- *Say it:* *ēṭā*, once more
- *Say it:* say *ēṭā*
- *Recall:* say the Telugu for old age, then the Telugu for meanwhile, then say *ēṭā* again

Before you move on

What does **ఏటా** mean? ("Every year, annually".) Say it once more.

172.5 ఎప్పటికీ (eppaṭikī) — forever

Before the new one: say the Telugu for meanwhile, then the Telugu for every year.

You'll want to know: ఎప్పటికీ

ఎప్పటికీ — *eppaṭikī* — "forever".

The word, taken apart — its roots and family

ఎప్పటికీ (*eppaṭikī*) is native Dravidian: *eppaṭi*, "of what time", built on the question base *e-* (DEDR 5151), with the ending *-kī*.

What you've built

One more word for this chapter.

Your turn

- *Say it: eppaṭikī*
- *Say it: eppaṭikī*, once more
- *Say it:* say *eppaṭikī*
- *Recall:* say the Telugu for meanwhile, then the Telugu for every year, then say *eppaṭikī* again

Before you move on

What does **ఎప్పటికీ** mean? ("Forever".) Say it once more.

Chapter 173

Veranda, Backyard, Restaurant, Beside, Post office

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a veranda, a backyard, a restaurant, beside and a post office.
>
> *Complete the last lesson of chapter 173: I can say a veranda, a backyard, a restaurant, beside and a post office.*

173.1 వరండా (varaṇḍā) — a veranda

> Before the new one: say the Telugu for every year, then the Telugu for forever.

You'll want to know: వరండా

వరండా — *varaṇḍā* — "a veranda".

The word, taken apart — its roots and family

వరండా (*varaṇḍā*) is a loan from English *veranda*.

What you've built

One more word for this chapter.

Your turn

- *Say it: varaṇḍā*
- *Say it: varaṇḍā*, once more
- *Say it:* say *varaṇḍā*
- *Recall:* say the Telugu for every year, then the Telugu for forever, then say *varaṇḍā* again

Before you move on

What does **వరండా** mean? ("A veranda".) Say it once more.

173.2 పెరడు (peraḍu) — a backyard

Before the new one: say the Telugu for forever, then the Telugu for a veranda.

You'll want to know: పెరడు

పెరడు — *peraḍu* — "a backyard".

The word, taken apart — its roots and family

The origin of **పెరడు** (*peraḍu*) is uncertain. DEDR has no entry for it; the nearest is *peḍalu*, "backyard", which DEDR 4146 lists under *peḍa*, "back". DEDR 4205 also has Kannada *peṟagu*, "backside", and *pittil*, "backyard".

What you've built

One more word for this chapter.

Your turn

- *Say it: peraḍu*
- *Say it: peraḍu*, once more
- *Say it:* say *peraḍu*

- *Recall:* say the Telugu for forever, then the Telugu for a veranda, then say *peraḍu* again

Before you move on

What does పెరడు mean? (“A backyard”.) Say it once more.

173.3 హోటలు (hōṭalu) — a restaurant, an eating house

Before the new one: say the Telugu for a veranda, then the Telugu for a backyard.

You’ll want to know: హోటలు

హోటలు — *hōṭalu* — “a restaurant, an eating house”.

The word, taken apart — its roots and family

హోటలు (*hōṭalu*) is a loan from English *hotel*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: hōṭalu*
- *Say it: hōṭalu*, once more
- *Say it:* say *hōṭalu*
- *Recall:* say the Telugu for a veranda, then the Telugu for a backyard, then say *hōṭalu* again

Before you move on

What does హోటలు mean? (“A restaurant, an eating house”.) Say it once more.

173.4 పక్కన (pakkana) — beside, next to

Before the new one: say the Telugu for a backyard, then the Telugu for a restaurant.

You'll want to know: పక్కన

పక్కన — *pakkana* — "beside, next to".

The word, taken apart — its roots and family

పక్కన (*pakkana*) is *pakka*, "side", with the ending *-na*. DEDR 4005 lists Telugu *prakka*, "side", with Konda *paṛka*, "side", and notes that it has run together with loans of Middle Indo-Aryan *pakkha*, "side".

What you've built

One more word for this chapter.

Your turn

- *Say it: pakkana*
- *Say it: pakkana*, once more
- *Say it:* say *pakkana*
- *Recall:* say the Telugu for a backyard, then the Telugu for a restaurant, then say *pakkana* again

Before you move on

What does పక్కన mean? ("Beside, next to".) Say it once more.

173.5 పోస్టాఫీసు (pōsṭāphīsu) — a post office

Before the new one: say the Telugu for a restaurant, then the Telugu for beside.

You'll want to know: పోస్టాఫీసు

పోస్టాఫీసు — *pōsṭāphīsu* — "a post office".

The word, taken apart — its roots and family

పోస్టాఫీసు (*pōsṭāphīsu*) is a loan from English *post office*.

What you've built

One more word for this chapter.

Your turn

- *Say it: pōsṭāphīsu*
- *Say it: pōsṭāphīsu*, once more
- *Say it:* say *pōsṭāphīsu*
- *Recall:* say the Telugu for a restaurant, then the Telugu for beside, then say *pōsṭāphīsu* again

Before you move on

What does పోస్టాఫీసు mean? ("A post office".) Say it once more.

Chapter 174

On the other side, That way, This way, Cave, Valley

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say on the other side, that way, this way, a cave and a valley.

Complete the last lesson of chapter 174: I can say on the other side, that way, this way, a cave and a valley.

174.1 అవతల (avatala) — on the other side, beyond

Before the new one: say the Telugu for beside, then the Telugu for a post office.

You'll want to know: అవతల

అవతల — *avatala* — "on the other side, beyond".

The word, taken apart — its roots and family

అవతల (*avatala*) is native Dravidian, built on the far-pointing base *a-*, "that" (DEDR 1), which lists *avvala*, "that side, beyond".

What you've built

One more word for this chapter.

Your turn

- *Say it: avatala*
- *Say it: avatala*, once more
- *Say it:* say *avatala*
- *Recall:* say the Telugu for beside, then the Telugu for a post office, then say *avatala* again

Before you move on

What does **అవతల** mean? ("On the other side, beyond".) Say it once more.

174.2 అటు (aṭu) — that way, in that direction

Before the new one: say the Telugu for a post office, then the Telugu for on the other side.

You'll want to know: అటు

అటు — *aṭu* — "that way, in that direction".

The word, taken apart — its roots and family

అటు (*aṭu*) is native Dravidian, built on the far-pointing base *a-*, "that"; DEDR 1 lists *aṭu*, "thus".

What you've built

One more word for this chapter.

Your turn

- *Say it: aṭu*
- *Say it: aṭu*, once more
- *Say it:* say *aṭu*
- *Recall:* say the Telugu for a post office, then the Telugu for on the other side, then say *aṭu* again

Before you move on

What does అటు mean? (“That way, in that direction”.) Say it once more.

174.3 ఇటు (iṭu) — this way, in this direction

Before the new one: say the Telugu for on the other side, then the Telugu for that way.

You’ll want to know: ఇటు

ఇటు — *iṭu* — “this way, in this direction”.

The word, taken apart — its roots and family

ఇటు (*iṭu*) is native Dravidian, built on the near-pointing base *i-*, “this”; DEDR 410 lists *iṭu*, “thus; to this place”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: iṭu*
- *Say it: iṭu*, once more
- *Say it:* say *iṭu*
- *Recall:* say the Telugu for on the other side, then the Telugu for that way, then say *iṭu* again

Before you move on

What does ఇటు mean? (“This way, in this direction”.) Say it once more.

174.4 గుహ (guha) — a cave

Before the new one: say the Telugu for that way, then the Telugu for this way.

You'll want to know: గుహ

గుహ — *guha* — "a cave".

The word, taken apart — its roots and family

గుహ (*guha*) is Sanskrit *guhā*, "hiding place, cave", taken over whole as a learned loan, a tatsama, with the final -*ā* shortened (CDIAL 4220).

What you've built

One more word for this chapter.

Your turn

- *Say it: guha*
- *Say it: guha*, once more
- *Say it:* say *guha*
- *Recall:* say the Telugu for that way, then the Telugu for this way, then say *guha* again

Before you move on

What does గుహ mean? ("A cave".) Say it once more.

174.5 లోయ (lōya) — a valley

Before the new one: say the Telugu for this way, then the Telugu for a cave.

You'll want to know: లోయ

లోయ — *lōya* — "a valley".

The word, taken apart — its roots and family

The origin of లోయ (*lōya*) is uncertain. DEDR 5197 lists *loddi*, "a valley", with Kannada *lotta*, "a hollow, ravine", but not *lōya* itself.

What you've built

One more word for this chapter.

Your turn

- *Say it: lōya*
- *Say it: lōya*, once more
- *Say it:* say *lōya*
- *Recall:* say the Telugu for this way, then the Telugu for a cave, then say *lōya* again

Before you move on

What does లోయ mean? ("A valley".) Say it once more.

174.6 Words from chapters 166-169 — a first pass

Say the words for a cave and a valley.

Your turn

Say these aloud:

- to continue, to observe, to correct, to mutter, to separate
- a headache, diarrhoea, a tablet, sweat, a swelling
- jealousy, pride, enthusiasm, peace, patience
- a sore, a blister, a rash, a scar, a sprain

Before you move on

To continue? (కొనసాగు, *konasāgu.*) To observe? (పాటించు, *pāṭiñcu.*) To correct? (దిద్దు, *diddu.*) To mutter? (గొణుగు, *goṇugu.*) To separate? (విడిపోవు, *viḍipōvu.*) A headache? (తలనొప్పి, *talanoppi.*) Diarrhoea? (విరేచనాలు, *virēcanālu.*) A tablet? (మాత్ర, *mātra.*) Sweat? (చెమట, *cemaṭa.*) A swelling? (వాపు, *vāpu.*) Jealousy? (అసూయ, *asūya.*) Pride? (గర్వం, *garvaṁ.*) Enthusiasm? (ఉత్సాహం, *utsāhaṁ.*) Peace? (శాంతి, *śānti.*) Patience? (సహనం, *sahanaṁ.*) A sore? (పుండు, *puṇḍu.*) A blister? (బొబ్బ, *bobba.*) A rash? (దద్దుర్లు, *daddurlu.*) A scar? (మచ్చ, *macca.*) A sprain? (బెణుకు, *beṇuku.*)

174.7 Words from chapters 170-174 — a second pass

Say the words for time and sometimes.

Your turn

Say these aloud:

- time, sometimes, often, a date, a weekend
- sunset, every day, usually, rarely, constantly
- youth, old age, meanwhile, every year, forever
- a veranda, a backyard, a restaurant, beside, a post office
- on the other side, that way, this way, a cave, a valley

Before you move on

Time? (సమయం, *samayaṁ.*) Sometimes? (అప్పుడప్పుడు, *appuḍappuḍu.*) Often? (తరచుగా, *taracugā.*) A date? (తేదీ, *tēdī.*) A weekend? (వారాంతం, *vārāntaṁ.*) Sunset? (సూర్యాస్తమయం, *sūryāstamayaṁ.*) Every day? (ప్రతిరోజు, *pratirōju.*) Usually? (సాధారణంగా, *sādhāraṇaṅgā.*) Rarely? (అరుదుగా, *arudugā.*) Constantly? (నిరంతరం, *nirantaraṁ.*) Youth? (యవ్వనం, *yavvanaṁ.*) Old age? (వృద్ధాప్యం, *vṛddhāpyaṁ.*) Meanwhile? (ఇంతలో, *intalō.*)

Every year? (ఏటా, *ēṭā.*) Forever? (ఎప్పటికీ, *eppaṭikī.*) A veranda? (వరండా, *varaṇḍā.*) A backyard? (పెరడు, *peraḍu.*) A restaurant? (హోటలు, *hōṭalu.*) Beside? (పక్కన, *pakkana.*) A post office? (పోస్టాఫీసు, *pōsṭāphīsu.*) On the other side? (అవతల, *avatala.*) That way? (అటు, *aṭu.*) This way? (ఇటు, *iṭu.*) A cave? (గుహ, *guha.*) A valley? (లోయ, *lōya.*)

Chapter 175

Crowd, World, Earthquake, Dust, Smoke

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a crowd, the world, an earthquake, dust and smoke.

Complete the last lesson of chapter 175: I can say a crowd, the world, an earthquake, dust and smoke.

175.1 గుంపు (gumpu) — a crowd

Before the new one: say the Telugu for a cave, then the Telugu for a valley.

You'll want to know: గుంపు

గుంపు — *gumpu* — "a crowd".

The word, taken apart — its roots and family

గుంపు (*gumpu*) is native Dravidian. DEDR 1741 lists *gumpu*, "a crowd, group", beside *gumi*, "crowd", with Tamil *kumi*, "to be heaped up, crowd together".

What you've built

One more word for this chapter.

Your turn

- *Say it: gumpu*
- *Say it: gumpu*, once more
- *Say it:* say *gumpu*
- *Recall:* say the Telugu for a cave, then the Telugu for a valley, then say *gumpu* again

Before you move on

What does గుంపు mean? ("A crowd".) Say it once more.

175.2 ప్రపంచం (prapañcaṁ) — the world

Before the new one: say the Telugu for a valley, then the Telugu for a crowd.

You'll want to know: ప్రపంచం

ప్రపంచం — *prapañcaṁ* — "the world".

The word, taken apart — its roots and family

ప్రపంచం (*prapañcaṁ*) is Sanskrit *prapañca*, "expansion; the visible world", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: prapañcaṁ*
- *Say it: prapañcaṁ*, once more
- *Say it:* say *prapañcaṁ*
- *Recall:* say the Telugu for a valley, then the Telugu for a crowd, then say *prapañcaṁ* again

Before you move on

What does **ప్రపంచం** mean? ("The world".) Say it once more.

175.3 భూకంపం (bhūkampaṁ) — an earthquake

Before the new one: say the Telugu for a crowd, then the Telugu for the world.

You'll want to know: భూకంపం

భూకంపం — *bhūkampaṁ* — "an earthquake".

The word, taken apart — its roots and family

భూకంపం (*bhūkampaṁ*) is Sanskrit: *bhū*, "world; ground" (CDIAL 9546), and *kampa*, "tremor" (CDIAL 2765), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: bhūkampaṁ*
- *Say it: bhūkampaṁ*, once more
- *Say it:* say *bhūkampaṁ*
- *Recall:* say the Telugu for a crowd, then the Telugu for the world, then say *bhūkampaṁ* again

Before you move on

What does **భూకంపం** mean? ("An earthquake".) Say it once more.

175.4 దుమ్ము (dummu) — dust

Before the new one: say the Telugu for the world, then the Telugu for an earthquake.

You'll want to know: దుమ్ము

దుమ్ము — *dummu* — "dust".

The word, taken apart — its roots and family

దుమ్ము (*dummu*) is native Dravidian. DEDR 3332 lists *dummu*, "dust", with Tamil *tumpu*, "dust", and Kannada *dumbu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *dummu*
- *Say it:* *dummu*, once more
- *Say it:* say *dummu*
- *Recall:* say the Telugu for the world, then the Telugu for an earthquake, then say *dummu* again

Before you move on

What does దుమ్ము mean? ("Dust".) Say it once more.

175.5 పొగ (poga) — smoke

Before the new one: say the Telugu for an earthquake, then the Telugu for dust.

You'll want to know: పొగ

పొగ — *poga* — "smoke".

The word, taken apart — its roots and family

పొగ (*poga*) is native Dravidian, one word with Tamil *pukai* and Kannada *poge* (DEDR 4240). DEDR lists Telugu *poga*, "smoke, fume".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *poga*
- *Say it:* *poga*, once more
- *Say it:* say *poga*
- *Recall:* say the Telugu for an earthquake, then the Telugu for dust, then say *poga* again

Before you move on

What does పొగ mean? ("Smoke".) Say it once more.

Chapter 176

Otherwise, Even so, Through, About, Without

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say otherwise, even so, through, about and without.

Complete the last lesson of chapter 176: I can say otherwise, even so, through, about and without.

176.1 లేకపోతే (lēkapōtē) — otherwise, or else

Before the new one: say the Telugu for dust, then the Telugu for smoke.

You'll want to know: లేకపోతే

లేకపోతే — *lēkapōtē* — "otherwise, or else".

The word, taken apart — its roots and family

లేకపోతే (*lēkapōtē*) is native Dravidian: *lēka*, "without; or, else", which DEDR 2559 files with Tamil *il*; and *pōtē*, "if it goes", from *pō*, "to go" (DEDR 4572): "if it goes without".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *lēkapōtē*
- *Say it:* *lēkapōtē*, once more
- *Say it:* say *lēkapōtē*
- *Recall:* say the Telugu for dust, then the Telugu for smoke, then say *lēkapōtē* again

Before you move on

What does **లేకపోతే** mean? ("Otherwise, or else".) Say it once more.

176.2 అయినా (ayinā) — even so, still

Before the new one: say the Telugu for smoke, then the Telugu for otherwise.

You'll want to know: అయినా

అయినా — *ayinā* — "even so, still".

The word, taken apart — its roots and family

అయినా (*ayinā*) is native Dravidian, from *agu*, "to be, become" (DEDR 333): "even if it is".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ayinā*
- *Say it:* *ayinā*, once more
- *Say it:* say *ayinā*
- *Recall:* say the Telugu for smoke, then the Telugu for otherwise, then say *ayinā* again

Before you move on

What does అయినా mean? ("Even so, still".) Say it once more.

176.3 ద్వారా (dvārā) — through, by means of

Before the new one: say the Telugu for otherwise, then the Telugu for even so.

You'll want to know: ద్వారా

ద్వారా — *dvārā* — "through, by means of".

The word, taken apart — its roots and family

ద్వారా (*dvārā*) is Sanskrit *dvārā*, "by way of", the instrumental of *dvāra*, "door" (CDIAL 6663).

What you've built

One more word for this chapter.

Your turn

- *Say it: dvārā*
- *Say it: dvārā*, once more
- *Say it:* say *dvārā*
- *Recall:* say the Telugu for otherwise, then the Telugu for even so, then say *dvārā* again

Before you move on

What does ద్వారా mean? ("Through, by means of".) Say it once more.

176.4 గురించి (guriñci) — about, concerning

Before the new one: say the Telugu for even so, then the Telugu for through.

You'll want to know: గురించి

గురించి — *guriñci* — "about, concerning".

The word, taken apart — its roots and family

గురించి (*guriñci*) is native Dravidian. DEDR 1847 lists *gu̱rinci*, "concerning", under *gu̱ri*, "aim, sign", one word with Tamil *ku̱ri*, "aim, mark".

What you've built

One more word for this chapter.

Your turn

- *Say it: guriñci*
- *Say it: guriñci*, once more
- *Say it:* say *guriñci*
- *Recall:* say the Telugu for even so, then the Telugu for through, then say *guriñci* again

Before you move on

What does **గురించి** mean? ("About, concerning".) Say it once more.

176.5 లేకుండా (lēkuṇḍā) — without

Before the new one: say the Telugu for through, then the Telugu for about.

You'll want to know: లేకుండా

లేకుండా — *lēkuṇḍā* — "without".

The word, taken apart — its roots and family

లేకుండా (*lēkuṇḍā*) is native Dravidian: *lē-*, "be not", which DEDR 2559 files with Tamil *il*; and *uṇḍu*, "to be" (DEDR 697): "not being".

What you've built

One more word for this chapter.

Your turn

- *Say it: lēkuṇḍā*
- *Say it: lēkuṇḍā*, once more
- *Say it:* say *lēkuṇḍā*
- *Recall:* say the Telugu for through, then the Telugu for about, then say *lēkuṇḍā* again

Before you move on

What does **లేకుండా** mean? ("Without".) Say it once more.

Chapter 177

If by chance, Instead of, According to, Actually, Anyway

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say if by chance, instead of, according to, actually and anyway.

Complete the last lesson of chapter 177: I can say if by chance, instead of, according to, actually and anyway.

177.1 ఒకవేళ (okavēḷa) — if by chance, in case

Before the new one: say the Telugu for about, then the Telugu for without.

You'll want to know: ఒకవేళ

ఒకవేళ — *okavēḷa* — "if by chance, in case".

The word, taken apart — its roots and family

ఒకవేళ (*okavēḷa*) is native *oka*, "one" (DEDR 990), and *vēḷa*, "time", from Sanskrit *vēlā*, "limit, time" (CDIAL 12115), a word CDIAL thinks probably came from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *okavēḷa*
- *Say it:* *okavēḷa*, once more
- *Say it:* say *okavēḷa*
- *Recall:* say the Telugu for about, then the Telugu for without, then say *okavēḷa* again

Before you move on

What does **ఒకవేళ** mean? ("If by chance, in case".) Say it once more.

177.2 బదులు (badulu) — instead of

Before the new one: say the Telugu for without, then the Telugu for if by chance.

You'll want to know: బదులు

బదులు — *badulu* — "instead of".

The word, taken apart — its roots and family

బదులు (*badulu*) is a loan from Arabic *badal*, "exchange, substitute", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *badulu*
- *Say it:* *badulu*, once more
- *Say it:* say *badulu*
- *Recall:* say the Telugu for without, then the Telugu for if by chance, then say *badulu* again

Before you move on

What does **బదులు** mean? ("Instead of".) Say it once more.

177.3 ప్రకారం (prakāraṁ) — according to

Before the new one: say the Telugu for if by chance, then the Telugu for instead of.

You'll want to know: ప్రకారం

ప్రకారం — *prakāraṁ* — "according to".

The word, taken apart — its roots and family

ప్రకారం (*prakāraṁ*) is Sanskrit *prakāra*, "sort, manner", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8435). Telugu uses it for "according to".

What you've built

One more word for this chapter.

Your turn

- *Say it: prakāraṁ*
- *Say it: prakāraṁ*, once more
- *Say it:* say *prakāraṁ*
- *Recall:* say the Telugu for if by chance, then the Telugu for instead of, then say *prakāraṁ* again

Before you move on

What does **ప్రకారం** mean? ("According to".) Say it once more.

177.4 అసలు (asalu) — actually; (not) at all

Before the new one: say the Telugu for instead of, then the Telugu for according to.

You'll want to know: అసలు

అసలు — *asalu* — "actually; (not) at all".

The word, taken apart — its roots and family

అసలు (*asalu*) is a loan from Arabic *aṣl*, "root, origin", which came through Persian and Hindustani, where it also means "real". DEDR 41 *asalu*, "mud", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *asalu*
- *Say it:* *asalu*, once more
- *Say it:* say *asalu*
- *Recall:* say the Telugu for instead of, then the Telugu for according to, then say *asalu* again

Before you move on

What does **అసలు** mean? ("Actually; (not) at all".) Say it once more.

177.5 ఏదేమైనా (ēdēmainā) — anyway, in any case

Before the new one: say the Telugu for according to, then the Telugu for actually.

You'll want to know: ఏదేమైనా

ఏదేమైనా — *ēdēmainā* — "anyway, in any case".

The word, taken apart — its roots and family

ఏదేమైనా (*ēdēmainā*) is native Dravidian: *ēdi*, "which", and *ēmi*, "what", both on the question base *e-* (DEDR 5151), with *ainā*, "even if it is", from *agu*, "to be" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ēdēmainā*
- *Say it:* *ēdēmainā*, once more
- *Say it:* say *ēdēmainā*
- *Recall:* say the Telugu for according to, then the Telugu for actually, then say *ēdēmainā* again

Before you move on

What does ఏదేమైనా mean? ("Anyway, in any case".) Say it once more.

Chapter 178

On purpose, By mistake, Never mind, Condition, Excuse

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say on purpose, by mistake, never mind, a condition and an excuse.

Complete the last lesson of chapter 178: I can say on purpose, by mistake, never mind, a condition and an excuse.

178.1 కావాలని (kāvālani) — on purpose, deliberately

Before the new one: say the Telugu for actually, then the Telugu for anyway.

You'll want to know: కావాలని

కావాలని — *kāvālani* — "on purpose, deliberately".

The word, taken apart — its roots and family

కావాలని (*kāvālani*) is native Dravidian: *kāvāli*, "is wanted", from *kā-*, "to become" (DEDR 333), with *ani*, "saying": "saying it is wanted".

What you've built

One more word for this chapter.

Your turn

- *Say it: kāvālani*
- *Say it: kāvālani*, once more
- *Say it:* say *kāvālani*
- *Recall:* say the Telugu for actually, then the Telugu for anyway, then say *kāvālani* again

Before you move on

What does కావాలని mean? ("On purpose, deliberately".) Say it once more.

178.2 పొరపాటున (porapāṭuna) — by mistake, accidentally

Before the new one: say the Telugu for anyway, then the Telugu for on purpose.

You'll want to know: పొరపాటున

పొరపాటున — *porapāṭuna* — "by mistake, accidentally".

The word, taken apart — its roots and family

The origin of *porapāṭu*, "mistake", the word in పొరపాటున (*porapāṭuna*), is uncertain: DEDR and CDIAL list no word of this shape with this sense.

What you've built

One more word for this chapter.

Your turn

- *Say it: porapāṭuna*
- *Say it: porapāṭuna*, once more
- *Say it:* say *porapāṭuna*

- *Recall:* say the Telugu for anyway, then the Telugu for on purpose, then say *porapāṭuna* again

Before you move on

What does పొరపాటున mean? ("By mistake, accidentally".) Say it once more.

178.3 పోనీ (pōnī) — never mind; let it be

Before the new one: say the Telugu for on purpose, then the Telugu for by mistake.

You'll want to know: పోనీ

పోనీ — *pōnī* — "never mind; let it be".

The word, taken apart — its roots and family

పోనీ (*pōnī*) is native Dravidian: *pō*, "to go" (DEDR 4572), with *-nī*, "let": "let it go".

What you've built

One more word for this chapter.

Your turn

- *Say it: pōnī*
- *Say it: pōnī*, once more
- *Say it:* say *pōnī*
- *Recall:* say the Telugu for on purpose, then the Telugu for by mistake, then say *pōnī* again

Before you move on

What does పోనీ mean? ("Never mind; let it be".) Say it once more.

178.4 షరతు (ṣaratu) — a condition

Before the new one: say the Telugu for by mistake, then the Telugu for never mind.

You'll want to know: షరతు

షరతు — *ṣaratu* — "a condition".

The word, taken apart — its roots and family

షరతు (*ṣaratu*) is a loan from Arabic *sharṭ*, "condition", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: ṣaratu*
- *Say it: ṣaratu*, once more
- *Say it:* say *ṣaratu*
- *Recall:* say the Telugu for by mistake, then the Telugu for never mind, then say *ṣaratu* again

Before you move on

What does **షరతు** mean? ("A condition".) Say it once more.

178.5 సాకు (sāku) — an excuse, a pretext

Before the new one: say the Telugu for never mind, then the Telugu for a condition.

You'll want to know: సాకు

సాకు — *sāku* — "an excuse, a pretext".

The word, taken apart — its roots and family

సాకు (*sāku*) is native Dravidian, one word with Tamil *cākku* and Kannada *sāku* (DEDR 2428). DEDR lists Telugu *sāku*, "pretext, excuse".

What you've built

One more word for this chapter.

Your turn

- *Say it: sāku*
- *Say it: sāku*, once more
- *Say it:* say *sāku*
- *Recall:* say the Telugu for never mind, then the Telugu for a condition, then say *sāku* again

Before you move on

What does సాకు mean? ("An excuse, a pretext".) Say it once more.

Chapter 179

Delicious, Bland, Fresh, Expensive, Cheap

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say delicious, bland, fresh, expensive and cheap.

Complete the last lesson of chapter 179: I can say delicious, bland, fresh, expensive and cheap.

179.1 కమ్మని (kammani) — delicious, tasty

Before the new one: say the Telugu for a condition, then the Telugu for an excuse.

You'll want to know: కమ్మని

కమ్మని — *kammani* — "delicious, tasty".

The word, taken apart — its roots and family

కమ్మని (*kammani*) is native Dravidian. DEDR 1247 lists *kammani*, "delicious, sweet", beside *kampu*, "smell", with Kannada *kamma*, "fragrance". DEDR compares Hindi *gamak*, "fragrance".

What you've built

One more word for this chapter.

Your turn

- *Say it: kammani*
- *Say it: kammani*, once more
- *Say it:* say *kammani*
- *Recall:* say the Telugu for a condition, then the Telugu for an excuse, then say *kammani* again

Before you move on

What does **కమ్మని** mean? ("Delicious, tasty".) Say it once more.

179.2 చప్పని (cappani) — bland, tasteless

Before the new one: say the Telugu for an excuse, then the Telugu for delicious.

You'll want to know: చప్పని

చప్పని — *cappani* — "bland, tasteless".

The word, taken apart — its roots and family

చప్పని (*cappani*) is native Dravidian. DEDR 2337 lists *cappani*, "tasteless, insipid", with Tamil *cappai* and Kannada *cappage*, "insipid". DEDR compares Sanskrit *capaṭa*, "tasteless", a lexicon word.

What you've built

One more word for this chapter.

Your turn

- *Say it: cappani*
- *Say it: cappani*, once more
- *Say it:* say *cappani*
- *Recall:* say the Telugu for an excuse, then the Telugu for delicious, then say *cappani* again

Before you move on

What does **చప్పని** mean? (“Bland, tasteless”.) Say it once more.

179.3 తాజా (tājā) — fresh

Before the new one: say the Telugu for delicious, then the Telugu for bland.

You’ll want to know: తాజా

తాజా — *tājā* — “fresh”.

The word, taken apart — its roots and family

తాజా (*tājā*) is a loan from Persian *tāza*, “fresh”, which came through Hindustani.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: tājā*
- *Say it: tājā*, once more
- *Say it:* say *tājā*
- *Recall:* say the Telugu for delicious, then the Telugu for bland, then say *tājā* again

Before you move on

What does **తాజా** mean? (“Fresh”.) Say it once more.

179.4 ఖరీదైన (kharīdaina) — expensive

Before the new one: say the Telugu for bland, then the Telugu for fresh.

You'll want to know: ఖరీదైన

ఖరీదైన — *kharīdaina* — "expensive".

The word, taken apart — its roots and family

ఖరీదైన (*kharīdaina*) is Persian *kharīd*, "purchase", which came through Hindustani, with native *aina*, "which is", from *agu*, "to be" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: kharīdaina*
- *Say it: kharīdaina*, once more
- *Say it:* say *kharīdaina*
- *Recall:* say the Telugu for bland, then the Telugu for fresh, then say *kharīdaina* again

Before you move on

What does **ఖరీదైన** mean? ("Expensive".) Say it once more.

179.5 చౌక (cauka) — cheap

Before the new one: say the Telugu for fresh, then the Telugu for expensive.

You'll want to know: చౌక

చౌక — *cauka* — "cheap".

The word, taken apart — its roots and family

The origin of **చౌక** (*cauka*) is uncertain. DEDR and CDIAL list no word of this shape meaning "cheap".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cauka*
- *Say it:* *cauka*, once more
- *Say it:* say *cauka*
- *Recall:* say the Telugu for fresh, then the Telugu for expensive, then say *cauka* again

Before you move on

What does చౌక mean? ("Cheap".) Say it once more.

Chapter 180

Main, Total, Every, Pink, Orange

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say main, total, every, pink and orange.
>
> *Complete the last lesson of chapter 180: I can say main, total, every, pink and orange.*

180.1 ప్రధాన (pradhāna) — main, chief

Before the new one: say the Telugu for expensive, then the Telugu for cheap.

You'll want to know: ప్రధాన

ప్రధాన — *pradhāna* — "main, chief".

The word, taken apart — its roots and family

ప్రధాన (*pradhāna*) is Sanskrit *pradhāna*, "chief thing", taken over whole as a learned loan, a tatsama (CDIAL 8671).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pradhāna*
- *Say it:* *pradhāna*, once more
- *Say it:* say *pradhāna*
- *Recall:* say the Telugu for expensive, then the Telugu for cheap, then say *pradhāna* again

Before you move on

What does ప్రధాన mean? ("Main, chief".) Say it once more.

180.2 మొత్తం (mottaṁ) — total, whole; the total

Before the new one: say the Telugu for cheap, then the Telugu for main.

You'll want to know: మొత్తం

మొత్తం — *mottaṁ* — "total, whole; the total".

The word, taken apart — its roots and family

మొత్తం (*mottaṁ*) is native Dravidian, one word with Tamil *mottam* and Malayalam *mottam* (DEDR 5119). DEDR lists Telugu *mottamu*, "total, sum, whole".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mottaṁ*
- *Say it:* *mottaṁ*, once more
- *Say it:* say *mottaṁ*
- *Recall:* say the Telugu for cheap, then the Telugu for main, then say *mottaṁ* again

Before you move on

What does మొత్తం mean? ("Total, whole; the total".) Say it once more.

180.3 ప్రతి (prati) — every, each

Before the new one: say the Telugu for main, then the Telugu for total.

You'll want to know: ప్రతి

ప్రతి — *prati* — "every, each".

The word, taken apart — its roots and family

ప్రతి (*prati*) is Sanskrit *prati*, "towards, against", taken over whole as a learned loan, a tatsama (CDIAL 8540). Telugu uses it for "every, each".

What you've built

One more word for this chapter.

Your turn

- *Say it: prati*
- *Say it: prati*, once more
- *Say it:* say *prati*
- *Recall:* say the Telugu for main, then the Telugu for total, then say *prati* again

Before you move on

What does ప్రతి mean? ("Every, each".) Say it once more.

180.4 గులాబీ రంగు (gulābī raṅgu) — pink

Before the new one: say the Telugu for total, then the Telugu for every.

You'll want to know: గులాబీ రంగు

గులాబీ రంగు — *gulābī raṅgu* — "pink".

The word, taken apart — its roots and family

గులాబీ రంగు (*gulābī raṅgu*) pairs Persian *gulābī*, "rose-coloured", from *gulāb*, "rose", with *raṅgu*, "colour", from Sanskrit *raṅga*, "dye, colour" (CDIAL 10560).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gulābī raṅgu*
- *Say it:* *gulābī raṅgu*, once more
- *Say it:* say *gulābī raṅgu*
- *Recall:* say the Telugu for total, then the Telugu for every, then say *gulābī raṅgu* again

Before you move on

What does **గులాబీ రంగు** mean? ("Pink".) Say it once more.

180.5 నారింజ రంగు (nāriñja raṅgu) — orange (colour)

Before the new one: say the Telugu for every, then the Telugu for pink.

You'll want to know: నారింజ రంగు

నారింజ రంగు — *nāriñja raṅgu* — "orange (colour)".

The word, taken apart — its roots and family

నారింజ రంగు (*nāriñja raṅgu*) pairs *nāriñja*, "orange", which goes back to Sanskrit *nāraṅga*, "orange tree" (CDIAL 7073), with *raṅgu*, "colour", from Sanskrit *raṅga*, "dye, colour" (CDIAL 10560).

What you've built

One more word for this chapter.

Your turn

- *Say it: nāriñja raṅgu*
- *Say it: nāriñja raṅgu*, once more
- *Say it:* say *nāriñja raṅgu*
- *Recall:* say the Telugu for every, then the Telugu for pink, then say *nāriñja raṅgu* again

Before you move on

What does **నారింజ రంగు** mean? ("Orange (colour)".) Say it once more.

Chapter 181

Great, Smell, Interesting, Wonderful, Ordinary

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say great, a smell, interesting, wonderful and ordinary.

Complete the last lesson of chapter 181: I can say great, a smell, interesting, wonderful and ordinary.

181.1 గొప్ప (goppa) — great, eminent

Before the new one: say the Telugu for pink, then the Telugu for orange.

You'll want to know: గొప్ప

గొప్ప — *goppa* — "great, eminent".

The word, taken apart — its roots and family

The origin of గొప్ప (*goppa*) is uncertain. DEDR and CDIAL list no word of this shape meaning "great".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *goppa*
- *Say it:* *goppa*, once more
- *Say it:* say *goppa*
- *Recall:* say the Telugu for pink, then the Telugu for orange, then say *goppa* again

Before you move on

What does గొప్ప mean? ("Great, eminent".) Say it once more.

181.2 వాసన (vāsana) — a smell

Before the new one: say the Telugu for orange, then the Telugu for great.

You'll want to know: వాసన

వాసన — *vāsana* — "a smell".

The word, taken apart — its roots and family

వాసన (*vāsana*) is Sanskrit *vāsana*, "perfuming", from *vāsa*, "perfume" (CDIAL 11592), taken over as a learned loan.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vāsana*
- *Say it:* *vāsana*, once more
- *Say it:* say *vāsana*
- *Recall:* say the Telugu for orange, then the Telugu for great, then say *vāsana* again

Before you move on

What does **వాసన** mean? ("A smell".) Say it once more.

181.3 ఆసక్తికరమైన (āsaktikaramaina) — interesting

Before the new one: say the Telugu for great, then the Telugu for a smell.

You'll want to know: ఆసక్తికరమైన

ఆసక్తికరమైన — *āsaktikaramaina* — "interesting".

The word, taken apart — its roots and family

ఆసక్తికరమైన (*āsaktikaramaina*) is Sanskrit *āsakti*, "attachment, interest", from *āsakta*, "attached to" (CDIAL 1477), with *kara*, "making", and native *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: āsaktikaramaina*
- *Say it: āsaktikaramaina*, once more
- *Say it:* say *āsaktikaramaina*
- *Recall:* say the Telugu for great, then the Telugu for a smell, then say *āsaktikaramaina* again

Before you move on

What does **ఆసక్తికరమైన** mean? ("Interesting".) Say it once more.

181.4 అద్భుతమైన (adbhutamaina) — wonderful, amazing

Before the new one: say the Telugu for a smell, then the Telugu for interesting.

You'll want to know: అద్భుతమైన

అద్భుతమైన — *adbhutamaina* — "wonderful, amazing".

The word, taken apart — its roots and family

అద్భుతమైన (*adbhutamaina*) is Sanskrit *adbhuta*, "wonderful" (CDIAL 240), with native *aina*, "which is", from *agu*, "to be" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: adbhutamaina*
- *Say it: adbhutamaina*, once more
- *Say it:* say *adbhutamaina*
- *Recall:* say the Telugu for a smell, then the Telugu for interesting, then say *adbhutamaina* again

Before you move on

What does **అద్భుతమైన** mean? ("Wonderful, amazing".) Say it once more.

181.5 మామూలు (māmūlu) — ordinary, usual

Before the new one: say the Telugu for interesting, then the Telugu for wonderful.

You'll want to know: మామూలు

మామూలు — *māmūlu* — "ordinary, usual".

The word, taken apart — its roots and family

మామూలు (*māmūlu*) is a loan from Arabic *maᶜmūl*, "customary, usual", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *māmūlu*
- *Say it:* *māmūlu*, once more
- *Say it:* say *māmūlu*
- *Recall:* say the Telugu for interesting, then the Telugu for wonderful, then say *māmūlu* again

Before you move on

What does **మామూలు** mean? ("Ordinary, usual".) Say it once more.

Chapter 182

Silence, Durable, Fake, Plain, Extra

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say silence, durable, fake, plain and extra.
>
> *Complete the last lesson of chapter 182: I can say silence, durable, fake, plain and extra.*

182.1 నిశ్శబ్దం (niśśabdaṁ) — silence; quiet

> Before the new one: say the Telugu for wonderful, then the Telugu for ordinary.

You'll want to know: నిశ్శబ్దం

నిశ్శబ్దం — *niśśabdaṁ* — "silence; quiet".

The word, taken apart — its roots and family

నిశ్శబ్దం (*niśśabdaṁ*) is Sanskrit *niḥśabda*, "soundless", from *śabda*, "sound, noise" (CDIAL 12298), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *niśśabdaṁ*
- *Say it:* *niśśabdaṁ*, once more
- *Say it:* say *niśśabdaṁ*
- *Recall:* say the Telugu for wonderful, then the Telugu for ordinary, then say *niśśabdaṁ* again

Before you move on

What does నిశ్శబ్దం mean? ("Silence; quiet".) Say it once more.

182.2 మన్నికైన (mannikaina) — durable, long-lasting

Before the new one: say the Telugu for ordinary, then the Telugu for silence.

You'll want to know: మన్నికైన

మన్నికైన — *mannikaina* — "durable, long-lasting".

The word, taken apart — its roots and family

మన్నికైన (*mannikaina*) is native Dravidian, built on *mannu*, "to last, be durable", one word with Tamil *maṉṉu*, "to endure" (DEDR 4778), with *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mannikaina*
- *Say it:* *mannikaina*, once more
- *Say it:* say *mannikaina*

- *Recall:* say the Telugu for ordinary, then the Telugu for silence, then say *mannikaina* again

Before you move on

What does **మన్నికైన** mean? ("Durable, long-lasting".) Say it once more.

182.3 నకిలీ (nakilī) — fake, counterfeit

Before the new one: say the Telugu for silence, then the Telugu for durable.

You'll want to know: నకిలీ

నకిలీ — *nakilī* — "fake, counterfeit".

The word, taken apart — its roots and family

నకిలీ (*nakilī*) is a loan from Arabic *naql*, "copy", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: nakilī*
- *Say it: nakilī*, once more
- *Say it:* say *nakilī*
- *Recall:* say the Telugu for silence, then the Telugu for durable, then say *nakilī* again

Before you move on

What does **నకిలీ** mean? ("Fake, counterfeit".) Say it once more.

182.4 సాదా (sādā) — plain, simple

Before the new one: say the Telugu for durable, then the Telugu for fake.

You'll want to know: సాదా

సాదా — *sādā* — "plain, simple".

The word, taken apart — its roots and family

సాదా (*sādā*) is a loan from Persian *sāda*, "plain, simple", which came through Hindustani. DEDR 2810 *sāda*, "fatigue", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: sādā*
- *Say it: sādā*, once more
- *Say it:* say *sādā*
- *Recall:* say the Telugu for durable, then the Telugu for fake, then say *sādā* again

Before you move on

What does **సాదా** mean? ("Plain, simple".) Say it once more.

182.5 అదనపు (adanapu) — extra, additional

Before the new one: say the Telugu for fake, then the Telugu for plain.

You'll want to know: అదనపు

అదనపు — *adanapu* — "extra, additional".

The word, taken apart — its roots and family

DEDR 136 lists **అదనపు** (*adanapu*) as *adanamu*, “exceeding, much, too much”, and queries a link with its entry 140.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: adanapu*
- *Say it: adanapu*, once more
- *Say it:* say *adanapu*
- *Recall:* say the Telugu for fake, then the Telugu for plain, then say *adanapu* again

Before you move on

What does **అదనపు** mean? (“Extra, additional”.) Say it once more.

Chapter 183

Kitchen, Bedroom, Bucket, Lid, Frying pan

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say a kitchen, a bedroom, a bucket, a lid and a frying pan.

Complete the last lesson of chapter 183: I can say a kitchen, a bedroom, a bucket, a lid and a frying pan.

183.1 వంటగది (vaṇṭagadi) — a kitchen

Before the new one: say the Telugu for plain, then the Telugu for extra.

You'll want to know: వంటగది

వంటగది — *vaṇṭagadi* — "a kitchen".

The word, taken apart — its roots and family

వంటగది (*vaṇṭagadi*) is native *vaṇṭa*, "cooking", from *vaṇḍu*, "to cook" (DEDR 5329), and *gadi*, "room", whose origin is uncertain.

What you've built

One more word for this chapter.

Your turn

- *Say it: vaṇṭagadi*
- *Say it: vaṇṭagadi*, once more
- *Say it:* say *vaṇṭagadi*
- *Recall:* say the Telugu for plain, then the Telugu for extra, then say *vaṇṭagadi* again

Before you move on

What does **వంటగది** mean? (“A kitchen”.) Say it once more.

183.2 పడకగది (paḍakagadi) — a bedroom

Before the new one: say the Telugu for extra, then the Telugu for a kitchen.

You’ll want to know: పడకగది

పడకగది — *paḍakagadi* — “a bedroom”.

The word, taken apart — its roots and family

పడకగది (*paḍakagadi*) is native *paḍaka*, “bed”, which DEDR 3852 lists as *paḍuka*, “bed, bedding”, and *gadi*, “room”, whose origin is uncertain.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: paḍakagadi*
- *Say it: paḍakagadi*, once more
- *Say it:* say *paḍakagadi*
- *Recall:* say the Telugu for extra, then the Telugu for a kitchen, then say *paḍakagadi* again

Before you move on

What does పడకగది mean? (“A bedroom”.) Say it once more.

183.3 బాల్చీ (bālcī) — a bucket

Before the new one: say the Telugu for a kitchen, then the Telugu for a bedroom.

You’ll want to know: బాల్చీ

బాల్చీ — *bālcī* — “a bucket”.

The word, taken apart — its roots and family

బాల్చీ (*bālcī*) matches Hindustani *bālṭī*, “bucket”, which is usually traced to Portuguese *balde*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: bālcī*
- *Say it: bālcī*, once more
- *Say it:* say *bālcī*
- *Recall:* say the Telugu for a kitchen, then the Telugu for a bedroom, then say *bālcī* again

Before you move on

What does బాల్చీ mean? (“A bucket”.) Say it once more.

183.4 మూత (mūta) — a lid

Before the new one: say the Telugu for a bedroom, then the Telugu for a bucket.

You'll want to know: మూత

మూత — *mūta* — "a lid".

The word, taken apart — its roots and family

మూత (*mūta*) is native Dravidian. DEDR 4915 lists a nasalised *mūta*, "covering", under *mūyu*, "to cover", with Tamil *mūy*, "to cover; a cover".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mūta*
- *Say it:* *mūta*, once more
- *Say it:* say *mūta*
- *Recall:* say the Telugu for a bedroom, then the Telugu for a bucket, then say *mūta* again

Before you move on

What does **మూత** mean? ("A lid".) Say it once more.

183.5 బాణలి (bāṇali) — a frying pan, a wok

Before the new one: say the Telugu for a bucket, then the Telugu for a lid.

You'll want to know: బాణలి

బాణలి — *bāṇali* — "a frying pan, a wok".

The word, taken apart — its roots and family

బాణలి (*bāṇali*) is native Dravidian. DEDR 4069 lists *bāṇali*, "frying pan", with Kannada *bāṇali*.

What you've built

One more word for this chapter.

Your turn

- *Say it: bāṇali*
- *Say it: bāṇali*, once more
- *Say it:* say *bāṇali*
- *Recall:* say the Telugu for a bucket, then the Telugu for a lid, then say *bāṇali* again

Before you move on

What does **బాణలి** mean? ("A frying pan, a wok".) Say it once more.

183.6 Words from chapters 175-178 — a first pass

Say the words for a lid and a frying pan.

Your turn

Say these aloud:

- a crowd, the world, an earthquake, dust, smoke
- otherwise, even so, through, about, without
- if by chance, instead of, according to, actually, anyway
- on purpose, by mistake, never mind, a condition, an excuse

Before you move on

A crowd? (**గుంపు**, *gumpu.*) The world? (**ప్రపంచం**, *prapañcaṁ.*) An earthquake? (**భూకంపం**, *bhūkampaṁ.*) Dust? (**దుమ్ము**, *dummu.*) Smoke? (**పొగ**, *poga.*) Otherwise? (**లేకపోతే**, *lēkapōtē.*) Even so? (**అయినా**, *ayinā.*) Through? (**ద్వారా**, *dvārā.*) About? (**గురించి**, *guriñci.*) Without? (**లేకుండా**, *lēkuṇḍā.*) If by chance? (**ఒకవేళ**,

okavēḷa.) Instead of? (**బదులు**, *badulu.*) According to? (**ప్రకారం**, *prakāraṁ.*) Actually? (**అసలు**, *asalu.*) Anyway? (**ఏదేమైనా**, *ēdēmainā.*) On purpose? (**కావాలని**, *kāvālani.*) By mistake? (**పొరపాటున**, *porapāṭuna.*) Never mind? (**పోనీ**, *pōnī.*) A condition? (**షరతు**, *ṣaratu.*) An excuse? (**సాకు**, *sāku.*)

183.7 Words from chapters 179-183 — a second pass

Say the words for delicious and bland.

Your turn

Say these aloud:

- delicious, bland, fresh, expensive, cheap
- main, total, every, pink, orange
- great, a smell, interesting, wonderful, ordinary
- silence, durable, fake, plain, extra
- a kitchen, a bedroom, a bucket, a lid, a frying pan

Before you move on

Delicious? (**కమ్మని**, *kammani.*) Bland? (**చప్పని**, *cappani.*) Fresh? (**తాజా**, *tājā.*) Expensive? (**ఖరీదైన**, *kharīdaina.*) Cheap? (**చౌక**, *cauka.*) Main? (**ప్రధాన**, *pradhāna.*) Total? Chapter 184

Butter, Chutney, Sweet milk pudding, Cucumber, Okra

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say butter, a chutney, a sweet milk pudding, a cucumber and okra.

Complete the last lesson of chapter 184: I can say butter, a chutney, a sweet milk pudding, a cucumber and okra.

184.1 వెన్న (venna) — butter

Before the new one: say the Telugu for a lid, then the Telugu for a frying pan.

You'll want to know: వెన్న

వెన్న — *venna* — "butter".

The word, taken apart — its roots and family

వెన్న (*venna*) is native Dravidian, one word with Tamil *veṇṇai* and Kannada *beṇṇe*, "butter" (DEDR 5496).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *venna*
- *Say it:* *venna*, once more
- *Say it:* say *venna*
- *Recall:* say the Telugu for a lid, then the Telugu for a frying pan, then say *venna* again

Before you move on

What does వెన్న mean? (“Butter”.) Say it once more.

184.2 పచ్చడి (paccaḍi) — a chutney, a pickle

Before the new one: say the Telugu for a frying pan, then the Telugu for butter.

You’ll want to know: పచ్చడి

పచ్చడి — *paccaḍi* — “a chutney, a pickle”.

The word, taken apart — its roots and family

పచ్చడి (*paccaḍi*) is native Dravidian, one word with Tamil *paccaṭi* and Kannada *paccaḍi* (DEDR 3831). DEDR lists Telugu *paccaḍi*, “chutney”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *paccaḍi*
- *Say it:* *paccaḍi*, once more
- *Say it:* say *paccaḍi*
- *Recall:* say the Telugu for a frying pan, then the Telugu for butter, then say *paccaḍi* again

Before you move on

What does **పచ్చడి** mean? ("A chutney, a pickle".) Say it once more.

184.3 పాయసం (pāyasaṁ) — a sweet milk pudding

Before the new one: say the Telugu for butter, then the Telugu for a chutney.

You'll want to know: పాయసం

పాయసం — *pāyasaṁ* — "a sweet milk pudding".

The word, taken apart — its roots and family

పాయసం (*pāyasaṁ*) is Sanskrit *pāyasa*, "made of milk; rice boiled in milk", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8099).

What you've built

One more word for this chapter.

Your turn

- *Say it: pāyasaṁ*
- *Say it: pāyasaṁ*, once more
- *Say it:* say *pāyasaṁ*
- *Recall:* say the Telugu for butter, then the Telugu for a chutney, then say *pāyasaṁ* again

Before you move on

What does **పాయసం** mean? ("A sweet milk pudding".) Say it once more.

184.4 దోసకాయ (dōsakāya) — a cucumber

Before the new one: say the Telugu for a chutney, then the Telugu for a sweet milk pudding.

You'll want to know: దోసకాయ

దోసకాయ — *dōsakāya* — "a cucumber".

The word, taken apart — its roots and family

దోసకాయ (*dōsakāya*) is *dōsa*, "cucumber", whose origin is uncertain, and native *kāya*, "fruit, vegetable" (DEDR 1459).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *dōsakāya*
- *Say it:* *dōsakāya*, once more
- *Say it:* say *dōsakāya*
- *Recall:* say the Telugu for a chutney, then the Telugu for a sweet milk pudding, then say *dōsakāya* again

Before you move on

What does **దోసకాయ** mean? ("A cucumber".) Say it once more.

184.5 బెండకాయ (beṇḍakāya) — okra, lady's finger

Before the new one: say the Telugu for a sweet milk pudding, then the Telugu for a cucumber.

You'll want to know: బెండకాయ

బెండకాయ — *beṇḍakāya* — "okra, lady's finger".

The word, taken apart — its roots and family

బెండకాయ (*beṇḍakāya*) is *beṇḍa*, "okra", whose origin is uncertain, and native *kāya*, "fruit, vegetable" (DEDR 1459).

What you've built

One more word for this chapter.

Your turn

- *Say it: beṇḍakāya*
- *Say it: beṇḍakāya*, once more
- *Say it:* say *beṇḍakāya*
- *Recall:* say the Telugu for a sweet milk pudding, then the Telugu for a cucumber, then say *beṇḍakāya* again

Before you move on

What does **బెండకాయ** mean? ("Okra, lady's finger".) Say it once more.

Chapter 185

Envelope, Postage stamp, Parcel, Post, Pencil

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say an envelope, a postage stamp, a parcel, the post and a pencil.

Complete the last lesson of chapter 185: I can say an envelope, a postage stamp, a parcel, the post and a pencil.

185.1 కవరు (kavaru) — an envelope

Before the new one: say the Telugu for a cucumber, then the Telugu for okra.

You'll want to know: కవరు

కవరు — *kavaru* — "an envelope".

The word, taken apart — its roots and family

కవరు (*kavaru*) is a loan from English *cover*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kavaru*
- *Say it: kavaru*, once more
- *Say it:* say *kavaru*
- *Recall:* say the Telugu for a cucumber, then the Telugu for okra, then say *kavaru* again

Before you move on

What does **కవరు** mean? ("An envelope".) Say it once more.

185.2 స్టాంపు (sṭāmpu) — a postage stamp

Before the new one: say the Telugu for okra, then the Telugu for an envelope.

You'll want to know: స్టాంపు

స్టాంపు — *sṭāmpu* — "a postage stamp".

The word, taken apart — its roots and family

స్టాంపు (*sṭāmpu*) is a loan from English *stamp*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sṭāmpu*
- *Say it: sṭāmpu*, once more
- *Say it:* say *sṭāmpu*
- *Recall:* say the Telugu for okra, then the Telugu for an envelope, then say *sṭāmpu* again

Before you move on

What does స్టాంపు mean? ("A postage stamp".) Say it once more.

185.3 పార్సెలు (pārselu) — a parcel

Before the new one: say the Telugu for an envelope, then the Telugu for a postage stamp.

You'll want to know: పార్సెలు

పార్సెలు — *pārselu* — "a parcel".

The word, taken apart — its roots and family

పార్సెలు (*pārselu*) is a loan from English *parcel*.

What you've built

One more word for this chapter.

Your turn

- *Say it: pārselu*
- *Say it: pārselu*, once more
- *Say it:* say *pārselu*
- *Recall:* say the Telugu for an envelope, then the Telugu for a postage stamp, then say *pārselu* again

Before you move on

What does పార్సెలు mean? ("A parcel".) Say it once more.

185.4 తపాలా (tapālā) — the post, mail

Before the new one: say the Telugu for a postage stamp, then the Telugu for a parcel.

You'll want to know: తపాలా

తపాలా — *tapālā* — "the post, mail".

The word, taken apart — its roots and family

The origin of **తపాలా** (*tapālā*) is uncertain. DEDR and CDIAL list no word of this shape meaning "post, mail".

What you've built

One more word for this chapter.

Your turn

- *Say it: tapālā*
- *Say it: tapālā*, once more
- *Say it:* say *tapālā*
- *Recall:* say the Telugu for a postage stamp, then the Telugu for a parcel, then say *tapālā* again

Before you move on

What does **తపాలా** mean? ("The post, mail".) Say it once more.

185.5 పెన్సిలు (pensilu) — a pencil

Before the new one: say the Telugu for a parcel, then the Telugu for the post.

You'll want to know: పెన్సిలు

పెన్సిలు — *pensilu* — "a pencil".

The word, taken apart — its roots and family

పెన్సిలు (*pensilu*) is a loan from English *pencil*.

What you've built

One more word for this chapter.

Your turn

- *Say it: pensilu*
- *Say it: pensilu*, once more
- *Say it:* say *pensilu*
- *Recall:* say the Telugu for a parcel, then the Telugu for the post, then say *pensilu* again

Before you move on

What does పెన్సిలు mean? (“A pencil”.) Say it once more.

Chapter 186

Grandson, Granddaughter, Parents, Twins, Baby

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a grandson, a granddaughter, parents, twins and a baby.
>
> *Complete the last lesson of chapter 186: I can say a grandson, a granddaughter, parents, twins and a baby.*

186.1 మనవడు (manavaḍu) — a grandson

> Before the new one: say the Telugu for the post, then the Telugu for a pencil.

You'll want to know: మనవడు

మనవడు — *manavaḍu* — "a grandson".

The word, taken apart — its roots and family

మనవడు (*manavaḍu*) is native Dravidian. DEDR 4715 lists the older *manumāḍu*, "grandson", with Kannada *mommaga*, "grandson".

What you've built

One more word for this chapter.

Your turn

- *Say it: manavaḍu*
- *Say it: manavaḍu*, once more
- *Say it:* say *manavaḍu*
- *Recall:* say the Telugu for the post, then the Telugu for a pencil, then say *manavaḍu* again

Before you move on

What does **మనవడు** mean? ("A grandson".) Say it once more.

186.2 మనవరాలు (manavarālu) — a granddaughter

Before the new one: say the Telugu for a pencil, then the Telugu for a grandson.

You'll want to know: మనవరాలు

మనవరాలు — *manavarālu* — "a granddaughter".

The word, taken apart — its roots and family

మనవరాలు (*manavarālu*) is native Dravidian. DEDR 4715 lists the older *manumarālu*, "granddaughter", with Kannada *mommagaḷu*, "granddaughter".

What you've built

One more word for this chapter.

Your turn

- *Say it: manavarālu*
- *Say it: manavarālu*, once more
- *Say it:* say *manavarālu*
- *Recall:* say the Telugu for a pencil, then the Telugu for a grandson, then say *manavarālu* again

Before you move on

What does **మనవరాలు** mean? ("A granddaughter".) Say it once more.

186.3 తల్లిదండ్రులు (tallidaṇḍrulu) — parents

Before the new one: say the Telugu for a grandson, then the Telugu for a granddaughter.

You'll want to know: తల్లిదండ్రులు

తల్లిదండ్రులు — *tallidaṇḍrulu* — "parents".

The word, taken apart — its roots and family

తల్లిదండ్రులు (*tallidaṇḍrulu*) is native Dravidian: *talli*, "mother", one word with Tamil *taḷḷai* (DEDR 3136), and *taṇḍri*, "father", one word with Tamil *tantai* (DEDR 3067), with the plural ending *-lu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: tallidaṇḍrulu*
- *Say it: tallidaṇḍrulu*, once more
- *Say it:* say *tallidaṇḍrulu*
- *Recall:* say the Telugu for a grandson, then the Telugu for a granddaughter, then say *tallidaṇḍrulu* again

Before you move on

What does **తల్లిదండ్రులు** mean? ("Parents".) Say it once more.

186.4 కవలలు (kavalalu) — twins

Before the new one: say the Telugu for a granddaughter, then the Telugu for parents.

You'll want to know: కవలలు

కవలలు — *kavalalu* — "twins".

The word, taken apart — its roots and family

కవలలు (*kavalalu*) is native Dravidian. DEDR 1325 lists *kavalu*, "twins", beside *kava*, "pair, couple", with Kannada *kaval*, "pair".

What you've built

One more word for this chapter.

Your turn

- *Say it: kavalalu*
- *Say it: kavalalu*, once more
- *Say it:* say *kavalalu*
- *Recall:* say the Telugu for a granddaughter, then the Telugu for parents, then say *kavalalu* again

Before you move on

What does **కవలలు** mean? ("Twins".) Say it once more.

186.5 పాప (pāpa) — a baby, a little one

Before the new one: say the Telugu for parents, then the Telugu for twins.

You'll want to know: పాప

పాప — *pāpa* — "a baby, a little one".

The word, taken apart — its roots and family

పాప (*pāpa*) is native Dravidian. DEDR 4095 lists *pāpa*, "infant, child", with Kannada *pāpa*, "small child". CDIAL 8092 *pāpa*, "evil", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: pāpa*
- *Say it: pāpa*, once more
- *Say it:* say *pāpa*
- *Recall:* say the Telugu for parents, then the Telugu for twins, then say *pāpa* again

Before you move on

What does పాప mean? ("A baby, a little one".) Say it once more.

Chapter 187

Bee, Lizard, Insect, Sparrow, Koel

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a bee, a lizard, an insect, a sparrow and a koel.
>
> *Complete the last lesson of chapter 187: I can say a bee, a lizard, an insect, a sparrow and a koel.*

187.1 తేనెటీగ (tēneṭīga) — a bee

> Before the new one: say the Telugu for twins, then the Telugu for a baby.

You'll want to know: తేనెటీగ

తేనెటీగ — *tēneṭīga* — "a bee".

The word, taken apart — its roots and family

తేనెటీగ (*tēneṭīga*) is native Dravidian: *tēne*, "honey", one word with Tamil *tēṉ* (DEDR 3268), and *īga*, "fly", one word with Tamil *ī*, "fly, bee" (DEDR 533). For the first, DEDR compares, with a query, Prakrit *tiṇisa*, "honeycomb".

What you've built

One more word for this chapter.

Your turn

- *Say it: tēneṭīga*
- *Say it: tēneṭīga*, once more
- *Say it:* say *tēneṭīga*
- *Recall:* say the Telugu for twins, then the Telugu for a baby, then say *tēneṭīga* again

Before you move on

What does తేనెటీగ mean? ("A bee".) Say it once more.

187.2 బల్లి (balli) — a lizard, a gecko

Before the new one: say the Telugu for a baby, then the Telugu for a bee.

You'll want to know: బల్లి

బల్లి — *balli* — "a lizard, a gecko".

The word, taken apart — its roots and family

బల్లి (*balli*) is native Dravidian. DEDR 3994 lists *palli* and *balli*, "lizard", with Tamil *palli* and Kannada *palli*. DEDR compares Sanskrit *pallī*, "small house lizard" (CDIAL 7973), a lexicon word.

What you've built

One more word for this chapter.

Your turn

- *Say it: balli*
- *Say it: balli*, once more
- *Say it:* say *balli*
- *Recall:* say the Telugu for a baby, then the Telugu for a bee, then say *balli* again

Before you move on

What does **బల్లి** mean? ("A lizard, a gecko".) Say it once more.

187.3 పురుగు (purugu) — an insect, a worm

Before the new one: say the Telugu for a bee, then the Telugu for a lizard.

You'll want to know: పురుగు

పురుగు — *purugu* — "an insect, a worm".

The word, taken apart — its roots and family

పురుగు (*purugu*) is native Dravidian. DEDR 4312 lists *purugu*, "worm, any insect", with Tamil *puḻu*, "worm", and Kannada *puḻu*, "worm, insect". DEDR compares several Sanskrit words for "worm", among them *pīlu*, "worm" (CDIAL 8240), which CDIAL takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *purugu*
- *Say it:* *purugu*, once more
- *Say it:* say *purugu*
- *Recall:* say the Telugu for a bee, then the Telugu for a lizard, then say *purugu* again

Before you move on

What does **పురుగు** mean? ("An insect, a worm".) Say it once more.

187.4 పిచ్చుక (piccuka) — a sparrow

Before the new one: say the Telugu for a lizard, then the Telugu for an insect.

You'll want to know: పిచ్చుక

పిచ్చుక — *piccuka* — "a sparrow".

The word, taken apart — its roots and family

పిచ్చుక (*piccuka*) is native Dravidian. DEDR 4190 lists *piccuka*, "sparrow", with Gadba *piske*, "sparrow", and Kuwi *piṛska*, "sparrow".

What you've built

One more word for this chapter.

Your turn

- *Say it: piccuka*
- *Say it: piccuka*, once more
- *Say it:* say *piccuka*
- *Recall:* say the Telugu for a lizard, then the Telugu for an insect, then say *piccuka* again

Before you move on

What does **పిచ్చుక** mean? ("A sparrow".) Say it once more.

187.5 కోకిల (kōkila) — a koel, the Indian cuckoo

Before the new one: say the Telugu for an insect, then the Telugu for a sparrow.

You'll want to know: కోకిల

కోకిల — *kōkila* — "a koel, the Indian cuckoo".

The word, taken apart — its roots and family

కోకిల (*kōkila*) is Sanskrit *kōkila*, "the Indian cuckoo", taken over whole as a learned loan, a tatsama (CDIAL 3483).

What you've built

One more word for this chapter.

Your turn

- *Say it: kōkila*
- *Say it: kōkila*, once more
- *Say it:* say *kōkila*
- *Recall:* say the Telugu for an insect, then the Telugu for a sparrow, then say *kōkila* again

Before you move on

What does కోకిల mean? ("A koel, the Indian cuckoo".) Say it once more.

Chapter 188

Prasadam, Rice-flour sweets, Festoon of mango leaves hung over a doorway, Bindi, Henna

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say prasadam, rice-flour sweets, a festoon of mango leaves hung over a doorway, a bindi and henna.
>
> *Complete the last lesson of chapter 188: I can say prasadam, rice-flour sweets, a festoon of mango leaves hung over a doorway, a bindi and henna.*

188.1 ప్రసాదం (prasādaṁ) — prasadam, food offered to a deity and shared

> Before the new one: say the Telugu for a sparrow, then the Telugu for a koel.

You'll want to know: ప్రసాదం

ప్రసాదం — *prasādaṁ* — "prasadam, food offered to a deity and shared".

The word, taken apart — its roots and family

ప్రసాదం (*prasādaṁ*) is Sanskrit *prasāda*, "clearness, calmness; kindness, favour", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8831). Telugu uses it for food offered

to a deity and shared, a gift of grace.

What you've built

One more word for this chapter.

Your turn

- *Say it: prasādaṁ*
- *Say it: prasādaṁ*, once more
- *Say it:* say *prasādaṁ*
- *Recall:* say the Telugu for a sparrow, then the Telugu for a koel, then say *prasādaṁ* again

Before you move on

What does ప్రసాదం mean? ("Prasadam, food offered to a deity and shared".) Say it once more.

188.2 అరిసెలు (ariselu) — rice-flour sweets; made with jaggery at Sankranti

Before the new one: say the Telugu for a koel, then the Telugu for prasadam.

You'll want to know: అరిసెలు

అరిసెలు — *ariselu* — "rice-flour sweets; made with jaggery at Sankranti".

The word, taken apart — its roots and family

DEDR 215 lists *arise*, "a sweetmeat of rice, flour and jaggery", with a query, beside Tamil *arici*, "rice"; **అరిసెలు** (*ariselu*) is its plural.

What you've built

One more word for this chapter.

Your turn

- *Say it: ariselu*
- *Say it: ariselu*, once more
- *Say it:* say *ariselu*
- *Recall:* say the Telugu for a koel, then the Telugu for prasadam, then say *ariselu* again

Before you move on

What does అరిసెలు mean? ("Rice-flour sweets; made with jaggery at Sankranti".) Say it once more.

188.3 తోరణం (tōraṇaṁ) — a festoon of mango leaves hung over a doorway

Before the new one: say the Telugu for prasadam, then the Telugu for rice-flour sweets.

You'll want to know: తోరణం

తోరణం — *tōraṇaṁ* — "a festoon of mango leaves hung over a doorway".

The word, taken apart — its roots and family

తోరణం (*tōraṇaṁ*) is Sanskrit *tōraṇa*, "arched or festooned doorway", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 5976).

What you've built

One more word for this chapter.

Your turn

- *Say it: tōraṇaṁ*
- *Say it: tōraṇaṁ*, once more
- *Say it:* say *tōraṇaṁ*

- *Recall:* say the Telugu for prasadam, then the Telugu for rice-flour sweets, then say *tōraṇaṁ* again

Before you move on

What does **తోరణం** mean? ("A festoon of mango leaves hung over a doorway".) Say it once more.

188.4 బొట్టు (boṭṭu) — a bindi, a dot worn on the forehead

Before the new one: say the Telugu for rice-flour sweets, then the Telugu for a festoon of mango leaves hung over a doorway.

You'll want to know: బొట్టు

బొట్టు — *boṭṭu* — "a bindi, a dot worn on the forehead".

The word, taken apart — its roots and family

బొట్టు (*boṭṭu*) is native Dravidian, one word with Tamil *poṭṭu* and Kannada *boṭṭu* (DEDR 4492). DEDR lists Telugu *boṭṭu*, "a drop; the mark worn on the forehead".

What you've built

One more word for this chapter.

Your turn

- *Say it: boṭṭu*
- *Say it: boṭṭu*, once more
- *Say it:* say *boṭṭu*
- *Recall:* say the Telugu for rice-flour sweets, then the Telugu for a festoon of mango leaves hung over a doorway, then say *boṭṭu* again

Before you move on

What does **బొట్టు** mean? (“A bindi, a dot worn on the forehead”.) Say it once more.

188.5 గోరింటాకు (gōriṇṭāku) — henna

Before the new one: say the Telugu for a festoon of mango leaves hung over a doorway, then the Telugu for a bindi.

You’ll want to know: గోరింటాకు

గోరింటాకు — *gōriṇṭāku* — “henna”.

The word, taken apart — its roots and family

గోరింటాకు (*gōriṇṭāku*) is *gōriṇṭa*, “henna”, whose origin is uncertain, and native *āku*, “leaf”, one word with Kannada *āku* (DEDR 335).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: gōriṇṭāku*
- *Say it: gōriṇṭāku*, once more
- *Say it:* say *gōriṇṭāku*
- *Recall:* say the Telugu for a festoon of mango leaves hung over a doorway, then the Telugu for a bindi, then say *gōriṇṭāku* again

Before you move on

What does **గోరింటాకు** mean? (“Henna”.) Say it once more.

Chapter 189

Competition, Winner, Medal, Hobby, Novel

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a competition, a winner, a medal, a hobby and a novel.

Complete the last lesson of chapter 189: I can say a competition, a winner, a medal, a hobby and a novel.

189.1 పోటీ (pōṭī) — a competition, a match

Before the new one: say the Telugu for a bindi, then the Telugu for henna.

You'll want to know: పోటీ

పోటీ — *pōṭī* — "a competition, a match".

The word, taken apart — its roots and family

పోటీ (*pōṭī*) is native Dravidian, one word with Tamil *pōṭi* and Kannada *pōṭi* (DEDR 4583). DEDR lists Telugu *pōṭi*, "competition, rivalry".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pōṭī*
- *Say it:* *pōṭī*, once more
- *Say it:* say *pōṭī*
- *Recall:* say the Telugu for a bindi, then the Telugu for henna, then say *pōṭī* again

Before you move on

What does **పోటీ** mean? ("A competition, a match".) Say it once more.

189.2 విజేత (vijēta) — a winner

Before the new one: say the Telugu for henna, then the Telugu for a competition.

You'll want to know: విజేత

విజేత — *vijēta* — "a winner".

The word, taken apart — its roots and family

విజేత (*vijēta*) is Sanskrit *vijetā*, "conqueror", taken over as a learned loan, a tatsama, with the final -*ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vijēta*
- *Say it:* *vijēta*, once more
- *Say it:* say *vijēta*
- *Recall:* say the Telugu for henna, then the Telugu for a competition, then say *vijēta* again

Before you move on

What does **విజేత** mean? ("A winner".) Say it once more.

189.3 పతకం (patakaṁ) — a medal

Before the new one: say the Telugu for a competition, then the Telugu for a winner.

You'll want to know: పతకం

పతకం — *patakaṁ* — "a medal".

The word, taken apart — its roots and family

The origin of **పతకం** (*patakaṁ*) is uncertain. DEDR and CDIAL list no word of this shape meaning "medal".

What you've built

One more word for this chapter.

Your turn

- *Say it: patakaṁ*
- *Say it: patakaṁ*, once more
- *Say it:* say *patakaṁ*
- *Recall:* say the Telugu for a competition, then the Telugu for a winner, then say *patakaṁ* again

Before you move on

What does **పతకం** mean? ("A medal".) Say it once more.

189.4 అభిరుచి (abhiruci) — a hobby; taste

Before the new one: say the Telugu for a winner, then the Telugu for a medal.

You'll want to know: అభిరుచి

అభిరుచి — *abhiruci* — "a hobby; taste".

The word, taken apart — its roots and family

అభిరుచి (*abhiruci*) is Sanskrit *abhiruci*, "liking, delight", taken over whole as a learned loan, a tatsama. It is built on *ruci*, which CDIAL 10762 glosses "light, beauty".

What you've built

One more word for this chapter.

Your turn

- *Say it: abhiruci*
- *Say it: abhiruci*, once more
- *Say it:* say *abhiruci*
- *Recall:* say the Telugu for a winner, then the Telugu for a medal, then say *abhiruci* again

Before you move on

What does **అభిరుచి** mean? ("A hobby; taste".) Say it once more.

189.5 నవల (navala) — a novel

Before the new one: say the Telugu for a medal, then the Telugu for a hobby.

You'll want to know: నవల

నవల — *navala* — "a novel".

The word, taken apart — its roots and family

The origin of **నవల** (*navala*) is not settled. It looks built on Sanskrit *nava*, "new, young" (CDIAL 6983), but neither DEDR nor CDIAL lists it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *navala*
- *Say it:* *navala*, once more
- *Say it:* say *navala*
- *Recall:* say the Telugu for a medal, then the Telugu for a hobby, then say *navala* again

Before you move on

What does **నవల** mean? ("A novel".) Say it once more.

Chapter 190

Electricity, Machine, Sofa, Swing, Carpet

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say electricity, a machine, a sofa, a swing and a carpet.
>
> *Complete the last lesson of chapter 190: I can say electricity, a machine, a sofa, a swing and a carpet.*

190.1 కరెంటు (kareṇṭu) — electricity, power

> Before the new one: say the Telugu for a hobby, then the Telugu for a novel.

You'll want to know: కరెంటు

కరెంటు — *kareṇṭu* — "electricity, power".

The word, taken apart — its roots and family

కరెంటు (*kareṇṭu*) is a loan from English *current*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kareṇṭu*
- *Say it: kareṇṭu*, once more
- *Say it:* say *kareṇṭu*
- *Recall:* say the Telugu for a hobby, then the Telugu for a novel, then say *kareṇṭu* again

Before you move on

What does కరెంటు mean? ("Electricity, power".) Say it once more.

190.2 యంత్రం (yantraṁ) — a machine

Before the new one: say the Telugu for a novel, then the Telugu for electricity.

You'll want to know: యంత్రం

యంత్రం — *yantraṁ* — "a machine".

The word, taken apart — its roots and family

యంత్రం (*yantraṁ*) is Sanskrit *yantra*, "controlling device; any implement", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 10412).

What you've built

One more word for this chapter.

Your turn

- *Say it: yantraṁ*
- *Say it: yantraṁ*, once more
- *Say it:* say *yantraṁ*
- *Recall:* say the Telugu for a novel, then the Telugu for electricity, then say *yantraṁ* again

Before you move on

What does యంత్రం mean? ("A machine".) Say it once more.

190.3 సోఫా (sōphā) — a sofa

Before the new one: say the Telugu for electricity, then the Telugu for a machine.

You'll want to know: సోఫా

సోఫా — *sōphā* — "a sofa".

The word, taken apart — its roots and family

సోఫా (*sōphā*) is a loan from English *sofa*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sōphā*
- *Say it: sōphā*, once more
- *Say it:* say *sōphā*
- *Recall:* say the Telugu for electricity, then the Telugu for a machine, then say *sōphā* again

Before you move on

What does సోఫా mean? ("A sofa".) Say it once more.

190.4 ఉయ్యాల (uyyāla) — a swing; a cradle

Before the new one: say the Telugu for a machine, then the Telugu for a sofa.

You'll want to know: ఉయ్యాల

ఉయ్యాల — *uyyāla* — "a swing; a cradle".

The word, taken apart — its roots and family

ఉయ్యాల (*uyyāla*) is native Dravidian, one word with Kannada *uyyāle* (DEDR 731). DEDR lists Telugu *uyyāla*, "cradle, swing, hammock".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *uyyāla*
- *Say it:* *uyyāla*, once more
- *Say it:* say *uyyāla*
- *Recall:* say the Telugu for a machine, then the Telugu for a sofa, then say *uyyāla* again

Before you move on

What does ఉయ్యాల mean? ("A swing; a cradle".) Say it once more.

190.5 తివాచీ (tivācī) — a carpet, a rug

Before the new one: say the Telugu for a sofa, then the Telugu for a swing.

You'll want to know: తివాచీ

తివాచీ — *tivācī* — "a carpet, a rug".

The word, taken apart — its roots and family

The origin of తివాచీ (*tivācī*) is uncertain. DEDR and CDIAL list no word of this shape meaning "carpet".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tivācī*
- *Say it:* *tivācī*, once more
- *Say it:* say *tivācī*
- *Recall:* say the Telugu for a sofa, then the Telugu for a swing, then say *tivācī* again

Before you move on

What does **తివాచీ** mean? ("A carpet, a rug".) Say it once more.

Chapter 191

Rubber, Light bulb, Firewood, Net, Weighing scale

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say rubber, a light bulb, firewood, a net and a weighing scale.

Complete the last lesson of chapter 191: I can say rubber, a light bulb, firewood, a net and a weighing scale.

191.1 రబ్బరు (rabbaru) — rubber; an eraser

Before the new one: say the Telugu for a swing, then the Telugu for a carpet.

You'll want to know: రబ్బరు

రబ్బరు — *rabbaru* — "rubber; an eraser".

The word, taken apart — its roots and family

రబ్బరు (*rabbaru*) is a loan from English *rubber*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *rabbaru*
- *Say it:* *rabbaru*, once more
- *Say it:* say *rabbaru*
- *Recall:* say the Telugu for a swing, then the Telugu for a carpet, then say *rabbaru* again

Before you move on

What does రబ్బరు mean? ("Rubber; an eraser".) Say it once more.

191.2 బల్బు (balbu) — a light bulb

Before the new one: say the Telugu for a carpet, then the Telugu for rubber.

You'll want to know: బల్బు

బల్బు — *balbu* — "a light bulb".

The word, taken apart — its roots and family

బల్బు (*balbu*) is a loan from English *bulb*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *balbu*
- *Say it:* *balbu*, once more
- *Say it:* say *balbu*
- *Recall:* say the Telugu for a carpet, then the Telugu for rubber, then say *balbu* again

Before you move on

What does బల్బు mean? (“A light bulb”.) Say it once more.

191.3 కట్టెలు (kaṭṭelu) — firewood

Before the new one: say the Telugu for rubber, then the Telugu for a light bulb.

You’ll want to know: కట్టెలు

కట్టెలు — *kaṭṭelu* — “firewood”.

The word, taken apart — its roots and family

The origin of కట్టెలు (*kaṭṭelu*) is uncertain. DEDR and CDIAL list no word of this shape meaning “firewood”. It may come from Prakrit *kaṭṭha*, “wood”, from Sanskrit *kāṣṭha* (CDIAL 3120), but no source says so.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kaṭṭelu*
- *Say it: kaṭṭelu*, once more
- *Say it:* say *kaṭṭelu*
- *Recall:* say the Telugu for rubber, then the Telugu for a light bulb, then say *kaṭṭelu* again

Before you move on

What does కట్టెలు mean? (“Firewood”.) Say it once more.

191.4 వల (vala) — a net

Before the new one: say the Telugu for a light bulb, then the Telugu for firewood.

You'll want to know: వల

వల — *vala* — "a net".

The word, taken apart — its roots and family

వల (*vala*) is native Dravidian, one word with Tamil *valai* and Kannada *bale* (DEDR 5288). DEDR lists Telugu *vala*, "net, snare".

What you've built

One more word for this chapter.

Your turn

- *Say it: vala*
- *Say it: vala*, once more
- *Say it:* say *vala*
- *Recall:* say the Telugu for a light bulb, then the Telugu for firewood, then say *vala* again

Before you move on

What does **వల** mean? ("A net".) Say it once more.

191.5 త్రాసు (trāsu) — a weighing scale

Before the new one: say the Telugu for firewood, then the Telugu for a net.

You'll want to know: త్రాసు

త్రాసు — *trāsu* — "a weighing scale".

The word, taken apart — its roots and family

త్రాసు (*trāsu*) is probably a loan from Persian *tarāzū*, "balance, scales", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: trāsu*
- *Say it: trāsu*, once more
- *Say it:* say *trāsu*
- *Recall:* say the Telugu for firewood, then the Telugu for a net, then say *trāsu* again

Before you move on

What does త్రాసు mean? ("A weighing scale".) Say it once more.

Chapter 192

Wick, Latch, Paintbrush, Necklace, Braid

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say a wick, a latch, a paintbrush, a necklace and a braid.

Complete the last lesson of chapter 192: I can say a wick, a latch, a paintbrush, a necklace and a braid.

192.1 వత్తి (vatti) — a wick

Before the new one: say the Telugu for a net, then the Telugu for a weighing scale.

You'll want to know: వత్తి

వత్తి — *vatti* — "a wick".

The word, taken apart — its roots and family

వత్తి (*vatti*) comes from Sanskrit *varti*, "wick; lamp" (CDIAL 11359), reshaped to Telugu sounds: a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it: vatti*
- *Say it: vatti*, once more
- *Say it:* say *vatti*
- *Recall:* say the Telugu for a net, then the Telugu for a weighing scale, then say *vatti* again

Before you move on

What does వత్తి mean? (“A wick”.) Say it once more.

192.2 గొళ్ళెం (goḷḷeṁ) — a latch, a bolt

Before the new one: say the Telugu for a weighing scale, then the Telugu for a wick.

You’ll want to know: గొళ్ళెం

గొళ్ళెం — *goḷḷeṁ* — “a latch, a bolt”.

The word, taken apart — its roots and family

The origin of గొళ్ళెం (*goḷḷeṁ*) is uncertain. DEDR and CDIAL list no word of this shape meaning “latch, bolt”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: goḷḷeṁ*
- *Say it: goḷḷeṁ*, once more
- *Say it:* say *goḷḷeṁ*
- *Recall:* say the Telugu for a weighing scale, then the Telugu for a wick, then say *goḷḷeṁ* again

Before you move on

What does గొళ్ళెం mean? ("A latch, a bolt".) Say it once more.

192.3 కుంచె (kuñce) — a paintbrush

Before the new one: say the Telugu for a wick, then the Telugu for a latch.

You'll want to know: కుంచె

కుంచె — *kuñce* — "a paintbrush".

The word, taken apart — its roots and family

కుంచె (*kuñce*) is probably native Dravidian. DEDR 1639 does not list it, but has Kannada *kuñca*, "tassel, brush", and Tamil *kuñcam*, "weaver's brush", and compares Sanskrit *kūrca*, "brush" (CDIAL 3408).

What you've built

One more word for this chapter.

Your turn

- *Say it: kuñce*
- *Say it: kuñce*, once more
- *Say it:* say *kuñce*
- *Recall:* say the Telugu for a wick, then the Telugu for a latch, then say *kuñce* again

Before you move on

What does **కుంచె** mean? ("A paintbrush".) Say it once more.

192.4 హారం (hāraṁ) — a necklace

Before the new one: say the Telugu for a latch, then the Telugu for a paintbrush.

You'll want to know: హారం

హారం — *hāraṁ* — "a necklace".

The word, taken apart — its roots and family

హారం (*hāraṁ*) is Sanskrit *hāra*, "necklace", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 14059).

What you've built

One more word for this chapter.

Your turn

- *Say it: hāraṁ*
- *Say it: hāraṁ*, once more
- *Say it:* say *hāraṁ*
- *Recall:* say the Telugu for a latch, then the Telugu for a paintbrush, then say *hāraṁ* again

Before you move on

What does **హారం** mean? ("A necklace".) Say it once more.

192.5 జడ (jaḍa) — a braid, a plait (of hair)

Before the new one: say the Telugu for a paintbrush, then the Telugu for a necklace.

You'll want to know: జడ

జడ — *jaḍa* — "a braid, a plait (of hair)".

The word, taken apart — its roots and family

జడ (*jaḍa*) is listed in DEDR's appendix of words taken from Indo-Aryan (DEDR App. 35), beside Sanskrit *jaṭā*, "hair twisted together" (CDIAL 5086), with Tamil *caṭai* and Kannada *jaḍe*, "plaited

hair". CDIAL reports the view that *jaṭā* came from Dravidian, and the later view that it came from Munda.

What you've built

One more word for this chapter.

Your turn

- *Say it: jaḍa*
- *Say it: jaḍa*, once more
- *Say it:* say *jaḍa*
- *Recall:* say the Telugu for a paintbrush, then the Telugu for a necklace, then say *jaḍa* again

Before you move on

What does జడ mean? ("A braid, a plait (of hair)".) Say it once more.

192.6 Words from chapters 184-187 — a first pass

Say the words for a necklace and a braid.

Your turn

Say these aloud:

- butter, a chutney, a sweet milk pudding, a cucumber, okra
- an envelope, a postage stamp, a parcel, the post, a pencil
- a grandson, a granddaughter, parents, twins, a baby
- a bee, a lizard, an insect, a sparrow, a koel

Before you move on

Butter? (వెన్న, *venna.*) A chutney? (పచ్చడి, *paccaḍi.*) A sweet milk pudding? (పాయసం, *pāyasaṁ.*) A cucumber? (దోసకాయ, *dōsakāya.*) Okra? (బెండకాయ, *beṇḍakāya.*) An envelope? (కవరు, *kavaru.*) A postage stamp? (స్టాంపు, *sṭāmpu.*) A parcel? (పార్సెలు, *pārselu.*) The post? (తపాలా, *tapālā.*) A pencil? (పెన్సిలు, *pensilu.*) A grandson? (మనవడు, *manavaḍu.*) A granddaughter? (మనవరాలు, *manavarālu.*) Parents? (తల్లిదండ్రులు, *tallidaṇḍrulu.*) Twins? (కవలలు, *kavalalu.*) A baby? (పాప, *pāpa.*) A bee? (తేనెటీగ, *tēneṭīga.*) A lizard? (బల్లి, *balli.*) An insect? (పురుగు, *purugu.*) A sparrow? (పిచ్చుక, *piccuka.*) A koel? (కోకిల, *kōkila.*)

192.7 Words from chapters 188-192 — a second pass

Say the words for prasadam and rice-flour sweets.

Your turn

Say these aloud:

- prasadam, rice-flour sweets, a festoon of mango leaves hung over a doorway, a bindi, henna
- a competition, a winner, a medal, a hobby, a novel
- electricity, a machine, a sofa, a swing, a carpet
- rubber, a light bulb, firewood, a net, a weighing scale
- a wick, a latch, a paintbrush, a necklace, a braid

Before you move on

Prasadam? (ప్రసాదం, *prasādaṁ.*) Rice-flour sweets? (అరిసెలు, *ariselu.*) A festoon of mango leaves hung over a doorway? (తోరణం, *tōraṇaṁ.*) A bindi? (బొట్టు, *boṭṭu.*) Henna? (గోరింటాకు, *gōriṇṭāku.*) A competition? (పోటీ, *pōṭī.*) A winner? (విజేత, *vijēta.*) A medal? (పతకం, *patakaṁ.*) A hobby? (అభిరుచి, *abhiruci.*) A novel? (నవల, *navala.*) Electricity? (కరెంటు, *kareṇṭu.*) A machine? (యంత్రం,

yantraṁ.) A sofa? (సోఫా, *sōphā.*) A swing? (ఉయ్యాల, *uyyāla.*) A carpet? (తివాచీ, *tivācī.*) Rubber? (రబ్బరు, *rabbaru.*) A light bulb? (బల్బు, *balbu.*) Firewood? (కట్టెలు, *kaṭṭelu.*) A net? (వల, *vala.*) A weighing scale? (త్రాసు, *trāsu.*) A wick? (వత్తి, *vatti.*) A latch? (గొళ్ళెం, *goḷḷeṁ.*) A paintbrush? (కుంచె, *kuñce.*) A necklace? (హారం, *hāraṁ.*) A braid? (జడ, *jaḍa.*)

Chapter 193

Line, Circle, Square, Triangle, Wheel

Modes: **voice** (4) **eyes** (1) **Hands-free start:** the first 4 of 5 lessons.

By the end of this chapter: I can say a line, a circle, a square, a triangle and a wheel.

Complete the last lesson of chapter 193: I can say a line, a circle, a square, a triangle and a wheel.

193.1 గీత (gīta) — a line

Before the new one: say the Telugu for a necklace, then the Telugu for a braid.

You'll want to know: గీత

గీత — *gīta* — "a line".

The word, taken apart — its roots and family

గీత (*gīta*) is native Dravidian. DEDR 1623 lists a nasalised *gīta*, "stroke, line", under *gīṟu*, "to scratch", with Tamil *kīṟṟu* and Kannada *gīṭu*, "a line, stroke". DEDR compares, with a query, Sanskrit *kiraka*, "scribe" (CDIAL 3170). CDIAL 4167 *gīta*, "singing", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: gīta*
- *Say it: gīta*, once more
- *Say it:* say *gīta*
- *Recall:* say the Telugu for a necklace, then the Telugu for a braid, then say *gīta* again

Before you move on

What does గీత mean? ("A line".) Say it once more.

193.2 వృత్తం (vṛttaṁ) — a circle

Before the new one: say the Telugu for a braid, then the Telugu for a line.

You'll want to know: వృత్తం

వృత్తం — *vṛttaṁ* — "a circle".

The word, taken apart — its roots and family

వృత్తం (*vṛttaṁ*) is Sanskrit *vṛtta*, "turned; rounded", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 12069). Sanskrit already used it for "circle" too.

What you've built

One more word for this chapter.

Your turn

- *Say it: vṛttaṁ*
- *Say it: vṛttaṁ*, once more

- *Say it:* say *vṛttaṁ*
- *Recall:* say the Telugu for a braid, then the Telugu for a line, then say *vṛttaṁ* again

Before you move on

What does **వృత్తం** mean? (“A circle”.) Say it once more.

193.3 చతురస్రం (caturasraṁ) — a square

Before the new one: say the Telugu for a line, then the Telugu for a circle.

You’ll want to know: చతురస్రం

చతురస్రం — *caturasraṁ* — “a square”.

The word, taken apart — its roots and family

చతురస్రం (*caturasraṁ*) is Sanskrit *caturasra*, “four-cornered”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: caturasraṁ*
- *Say it: caturasraṁ*, once more
- *Say it:* say *caturasraṁ*
- *Recall:* say the Telugu for a line, then the Telugu for a circle, then say *caturasraṁ* again

Before you move on

What does **చతురస్రం** mean? (“A square”.) Say it once more.

193.4 త్రిభుజం (tribhujaṁ) — a triangle

Before the new one: say the Telugu for a circle, then the Telugu for a square.

You'll want to know: త్రిభుజం

త్రిభుజం — *tribhujaṁ* — "a triangle".

The word, taken apart — its roots and family

త్రిభుజం (*tribhujaṁ*) is Sanskrit *tribhuja*, "three-armed": *tri*, "three", and *bhuja*, "arm" (CDIAL 9525), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: tribhujaṁ*
- *Say it: tribhujaṁ*, once more
- *Say it:* say *tribhujaṁ*
- *Recall:* say the Telugu for a circle, then the Telugu for a square, then say *tribhujaṁ* again

Before you move on

What does **త్రిభుజం** mean? ("A triangle".) Say it once more.

193.5 చక్రం (cakraṁ) — a wheel

Before the new one: say the Telugu for a square, then the Telugu for a triangle.

You'll want to know: చక్రం

చక్రం — *cakraṁ* — "a wheel".

The word, taken apart — its roots and family

చక్రం (*cakramu*) is Sanskrit *cakra*, "wheel; potter's wheel; circle", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-mu* (CDIAL 4538).

What you've built

One more word for this chapter.

Your turn

- *Say it: cakramu*
- *Say it: cakramu*, once more
- *Say it:* say *cakramu*
- *Recall:* say the Telugu for a square, then the Telugu for a triangle, then say *cakramu* again

Before you move on

What does చక్రం mean? ("A wheel".) Say it once more.

Chapter 194

Housework, Domestic helper, Tailor, Trader, Coin

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say housework, a domestic helper, a tailor, a trader and a coin.

Complete the last lesson of chapter 194: I can say housework, a domestic helper, a tailor, a trader and a coin.

194.1 ఇంటిపని (iṇṭipani) — housework

Before the new one: say the Telugu for a triangle, then the Telugu for a wheel.

You'll want to know: ఇంటిపని

ఇంటిపని — *iṇṭipani* — "housework".

The word, taken apart — its roots and family

ఇంటిపని (*iṇṭipani*) is native Dravidian: *iṇṭi*, "of the house", the adjective form of *illu*, "house" (DEDR 494), and *pani*, "work" (DEDR 3884).

What you've built

One more word for this chapter.

Your turn

- *Say it: iṇṭipani*
- *Say it: iṇṭipani*, once more
- *Say it:* say *iṇṭipani*
- *Recall:* say the Telugu for a triangle, then the Telugu for a wheel, then say *iṇṭipani* again

Before you move on

What does **ఇంటిపని** mean? (“Housework”.) Say it once more.

194.2 పనిమనిషి (panimaniṣi) — a domestic helper

Before the new one: say the Telugu for a wheel, then the Telugu for housework.

You’ll want to know: పనిమనిషి

పనిమనిషి — *panimaniṣi* — “a domestic helper”.

The word, taken apart — its roots and family

పనిమనిషి (*panimaniṣi*) is native *pani*, “work” (DEDR 3884), and *maniṣi*, “person”, from Sanskrit *manuṣya*, “human being” (CDIAL 9828).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: panimaniṣi*
- *Say it: panimaniṣi*, once more
- *Say it:* say *panimaniṣi*
- *Recall:* say the Telugu for a wheel, then the Telugu for housework, then say *panimaniṣi* again

Before you move on

What does **పనిమనిషి** mean? ("A domestic helper".) Say it once more.

194.3 దర్జీ (darjī) — a tailor

Before the new one: say the Telugu for housework, then the Telugu for a domestic helper.

You'll want to know: దర్జీ

దర్జీ — *darjī* — "a tailor".

The word, taken apart — its roots and family

దర్జీ (*darjī*) is a loan from Persian *darzī*, "tailor", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: darjī*
- *Say it: darjī*, once more
- *Say it:* say *darjī*
- *Recall:* say the Telugu for housework, then the Telugu for a domestic helper, then say *darjī* again

Before you move on

What does **దర్జీ** mean? ("A tailor".) Say it once more.

194.4 వ్యాపారి (vyāpāri) — a trader, a merchant

Before the new one: say the Telugu for a domestic helper, then the Telugu for a tailor.

You'll want to know: వ్యాపారి

వ్యాపారి — *vyāpāri* — "a trader, a merchant".

The word, taken apart — its roots and family

వ్యాపారి (*vyāpāri*) is Sanskrit *vyāpārin*, "one in business", from *vyāpāra*, "occupation, business" (CDIAL 12205), with the final *-n* dropped.

What you've built

One more word for this chapter.

Your turn

- *Say it: vyāpāri*
- *Say it: vyāpāri*, once more
- *Say it:* say *vyāpāri*
- *Recall:* say the Telugu for a domestic helper, then the Telugu for a tailor, then say *vyāpāri* again

Before you move on

What does **వ్యాపారి** mean? ("A trader, a merchant".) Say it once more.

194.5 నాణెం (nāṇeṁ) — a coin

Before the new one: say the Telugu for a tailor, then the Telugu for a trader.

You'll want to know: నాణెం

నాణెం — *nāṇeṁ* — "a coin".

The word, taken apart — its roots and family

నాణెం (*nāṇeṁ*) comes from Sanskrit *nāṇaka*, "coin, anything stamped" (CDIAL 7050), reshaped to Telugu sounds: a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nāṇeṁ*
- *Say it:* *nāṇeṁ*, once more
- *Say it:* say *nāṇeṁ*
- *Recall:* say the Telugu for a tailor, then the Telugu for a trader, then say *nāṇeṁ* again

Before you move on

What does నాణెం mean? ("A coin".) Say it once more.

Chapter 195

Officer, Clerk, Manager, Colleague, Meeting

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say an officer, a clerk, a manager, a colleague and a meeting.

Complete the last lesson of chapter 195: I can say an officer, a clerk, a manager, a colleague and a meeting.

195.1 అధికారి (adhikāri) — an officer, an official

Before the new one: say the Telugu for a trader, then the Telugu for a coin.

You'll want to know: అధికారి

అధికారి — *adhikāri* — "an officer, an official".

The word, taken apart — its roots and family

అధికారి (*adhikāri*) is Sanskrit *adhikārin*, "one in charge, official", taken over as a learned loan, a tatsama, with the final *-n* dropped.

What you've built

One more word for this chapter.

Your turn

- *Say it: adhikāri*
- *Say it: adhikāri*, once more
- *Say it:* say *adhikāri*
- *Recall:* say the Telugu for a trader, then the Telugu for a coin, then say *adhikāri* again

Before you move on

What does **అధికారి** mean? ("An officer, an official".) Say it once more.

195.2 గుమాస్తా (gumāstā) — a clerk

Before the new one: say the Telugu for a coin, then the Telugu for an officer.

You'll want to know: గుమాస్తా

గుమాస్తా — *gumāstā* — "a clerk".

The word, taken apart — its roots and family

గుమాస్తా (*gumāstā*) is a loan from Persian *gumāshta*, "agent, one appointed", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: gumāstā*
- *Say it: gumāstā*, once more
- *Say it:* say *gumāstā*
- *Recall:* say the Telugu for a coin, then the Telugu for an officer, then say *gumāstā* again

Before you move on

What does **గుమాస్తా** mean? ("A clerk".) Say it once more.

195.3 మేనేజరు (mēnējaru) — a manager

Before the new one: say the Telugu for an officer, then the Telugu for a clerk.

You'll want to know: మేనేజరు

మేనేజరు — *mēnējaru* — "a manager".

The word, taken apart — its roots and family

మేనేజరు (*mēnējaru*) is a loan from English *manager*.

What you've built

One more word for this chapter.

Your turn

- *Say it: mēnējaru*
- *Say it: mēnējaru*, once more
- *Say it:* say *mēnējaru*
- *Recall:* say the Telugu for an officer, then the Telugu for a clerk, then say *mēnējaru* again

Before you move on

What does **మేనేజరు** mean? ("A manager".) Say it once more.

195.4 సహోద్యోగి (sahōdyōgi) — a colleague

Before the new one: say the Telugu for a clerk, then the Telugu for a manager.

You'll want to know: సహోద్యోగి

సహోద్యోగి — *sahōdyōgi* — "a colleague".

The word, taken apart — its roots and family

సహోద్యోగి (*sahōdyōgi*) is Sanskrit: *saha*, "with", and *udyōgin*, "one at work", from *udyōga*, "exertion" (CDIAL 2055), with the final *-n* dropped.

What you've built

One more word for this chapter.

Your turn

- *Say it: sahōdyōgi*
- *Say it: sahōdyōgi*, once more
- *Say it:* say *sahōdyōgi*
- *Recall:* say the Telugu for a clerk, then the Telugu for a manager, then say *sahōdyōgi* again

Before you move on

What does సహోద్యోగి mean? ("A colleague".) Say it once more.

195.5 సమావేశం (samāvēśaṁ) — a meeting

Before the new one: say the Telugu for a manager, then the Telugu for a colleague.

You'll want to know: సమావేశం

సమావేశం — *samāvēśaṁ* — "a meeting".

The word, taken apart — its roots and family

సమావేశం (*samāvēśaṁ*) is Sanskrit *samāvēśa*, "coming together", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *samāvēśaṁ*
- *Say it:* *samāvēśaṁ*, once more
- *Say it:* say *samāvēśaṁ*
- *Recall:* say the Telugu for a manager, then the Telugu for a colleague, then say *samāvēśaṁ* again

Before you move on

What does **సమావేశం** mean? ("A meeting".) Say it once more.

Chapter 196

Fee, Fine, Deadline, Responsibility, Application

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a fee, a fine, a deadline, a responsibility and an application.
>
> *Complete the last lesson of chapter 196: I can say a fee, a fine, a deadline, a responsibility and an application.*

196.1 ఫీజు (phīju) — a fee

> Before the new one: say the Telugu for a colleague, then the Telugu for a meeting.

You'll want to know: ఫీజు

ఫీజు — *phīju* — "a fee".

The word, taken apart — its roots and family

ఫీజు (*phīju*) is a loan from English *fee*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *phīju*
- *Say it:* *phīju*, once more
- *Say it:* say *phīju*
- *Recall:* say the Telugu for a colleague, then the Telugu for a meeting, then say *phīju* again

Before you move on

What does ఫీజు mean? ("A fee".) Say it once more.

196.2 జరిమానా (jarimānā) — a fine, a penalty

Before the new one: say the Telugu for a meeting, then the Telugu for a fee.

You'll want to know: జరిమానా

జరిమానా — *jarimānā* — "a fine, a penalty".

The word, taken apart — its roots and family

జరిమానా (*jarimānā*) is a loan from Persian *jurmāna*, "fine, penalty", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *jarimānā*
- *Say it:* *jarimānā*, once more
- *Say it:* say *jarimānā*
- *Recall:* say the Telugu for a meeting, then the Telugu for a fee, then say *jarimānā* again

Before you move on

What does **జరిమానా** mean? ("A fine, a penalty".) Say it once more.

196.3 గడువు (gaḍuvu) — a deadline, a time limit

Before the new one: say the Telugu for a fee, then the Telugu for a fine.

You'll want to know: గడువు

గడువు — *gaḍuvu* — "a deadline, a time limit".

The word, taken apart — its roots and family

గడువు (*gaḍuvu*) is native Dravidian. DEDR 1109 lists *gaḍuvu*, "limit of time, appointed time", under *gaḍucu*, "to pass, elapse", one word with Tamil *kaṭa*, "to pass".

What you've built

One more word for this chapter.

Your turn

- *Say it: gaḍuvu*
- *Say it: gaḍuvu*, once more
- *Say it:* say *gaḍuvu*
- *Recall:* say the Telugu for a fee, then the Telugu for a fine, then say *gaḍuvu* again

Before you move on

What does **గడువు** mean? ("A deadline, a time limit".) Say it once more.

196.4 బాధ్యత (bādhyata) — a responsibility, a duty

Before the new one: say the Telugu for a fine, then the Telugu for a deadline.

You'll want to know: బాధ్యత

బాధ్యత — *bādhyata* — "a responsibility, a duty".

The word, taken apart — its roots and family

బాధ్యత (*bādhyata*) is Sanskrit *bādhyatā*, "being bound, obligation", from the verb *bādh*, "to press" (CDIAL 9204), with the final *-ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it: bādhyata*
- *Say it: bādhyata*, once more
- *Say it:* say *bādhyata*
- *Recall:* say the Telugu for a fine, then the Telugu for a deadline, then say *bādhyata* again

Before you move on

What does **బాధ్యత** mean? ("A responsibility, a duty".) Say it once more.

196.5 దరఖాస్తు (darakhāstu) — an application

Before the new one: say the Telugu for a deadline, then the Telugu for a responsibility.

You'll want to know: దరఖాస్తు

దరఖాస్తు — *darakhāstu* — "an application".

The word, taken apart — its roots and family

దరఖాస్తు (*darakhāstu*) is a loan from Persian *darkhwāst*, "request, application", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: darakhāstu*
- *Say it: darakhāstu*, once more
- *Say it:* say *darakhāstu*
- *Recall:* say the Telugu for a deadline, then the Telugu for a responsibility, then say *darakhāstu* again

Before you move on

What does **దరఖాస్తు** mean? ("An application".) Say it once more.

Chapter 197

Carpenter, Writer, Problem, Solution, Opinion

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a carpenter, a writer, a problem, a solution and an opinion.
>
> *Complete the last lesson of chapter 197: I can say a carpenter, a writer, a problem, a solution and an opinion.*

197.1 వడ్రంగి (vaḍraṅgi) — a carpenter

> Before the new one: say the Telugu for a responsibility, then the Telugu for an application.

You'll want to know: వడ్రంగి

వడ్రంగి — *vaḍraṅgi* — "a carpenter".

The word, taken apart — its roots and family

The origin of **వడ్రంగి** (*vaḍraṅgi*) is uncertain. CDIAL 11375 has Sanskrit *vardhaki*, Prakrit *vaḍḍhaï*, "carpenter", which may be behind its first part, but no source says so.

What you've built

One more word for this chapter.

Your turn

- *Say it: vaḍraṅgi*
- *Say it: vaḍraṅgi*, once more
- *Say it:* say *vaḍraṅgi*
- *Recall:* say the Telugu for a responsibility, then the Telugu for an application, then say *vaḍraṅgi* again

Before you move on

What does వడ్రంగి mean? ("A carpenter".) Say it once more.

197.2 రచయిత (racayita) — a writer, an author

Before the new one: say the Telugu for an application, then the Telugu for a carpenter.

You'll want to know: రచయిత

రచయిత — *racayita* — "a writer, an author".

The word, taken apart — its roots and family

రచయిత (*racayita*) is Sanskrit *racayitā*, "maker, composer", taken over as a learned loan, a tatsama, with the final *-ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it: racayita*
- *Say it: racayita*, once more
- *Say it:* say *racayita*
- *Recall:* say the Telugu for an application, then the Telugu for a carpenter, then say *racayita* again

Before you move on

What does **రచయిత** mean? ("A writer, an author".) Say it once more.

197.3 సమస్య (samasya) — a problem

Before the new one: say the Telugu for a carpenter, then the Telugu for a writer.

You'll want to know: సమస్య

సమస్య — *samasya* — "a problem".

The word, taken apart — its roots and family

సమస్య (*samasya*) is Sanskrit *samasyā*, "a problem set to be completed", taken over as a learned loan, a tatsama, with the final *-ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it: samasya*
- *Say it: samasya*, once more
- *Say it:* say *samasya*
- *Recall:* say the Telugu for a carpenter, then the Telugu for a writer, then say *samasya* again

Before you move on

What does **సమస్య** mean? ("A problem".) Say it once more.

197.4 పరిష్కారం (pariṣkāraṁ) — a solution

Before the new one: say the Telugu for a writer, then the Telugu for a problem.

You'll want to know: పరిష్కారం

పరిష్కారం — *pariṣkāraṁ* — "a solution".

The word, taken apart — its roots and family

పరిష్కారం (*pariṣkāraṁ*) is Sanskrit *pariṣkāra*, "ornament", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7894). The sense "solution" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pariṣkāraṁ*
- *Say it:* *pariṣkāraṁ*, once more
- *Say it:* say *pariṣkāraṁ*
- *Recall:* say the Telugu for a writer, then the Telugu for a problem, then say *pariṣkāraṁ* again

Before you move on

What does **పరిష్కారం** mean? ("A solution".) Say it once more.

197.5 అభిప్రాయం (abhiprāyaṁ) — an opinion

Before the new one: say the Telugu for a problem, then the Telugu for a solution.

You'll want to know: అభిప్రాయం

అభిప్రాయం — *abhiprāyaṁ* — "an opinion".

The word, taken apart — its roots and family

అభిప్రాయం (*abhiprāyaṁ*) is Sanskrit *abhiprāya*, "aim, intention, opinion", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: abhiprāyaṁ*
- *Say it: abhiprāyaṁ*, once more
- *Say it:* say *abhiprāyaṁ*
- *Recall:* say the Telugu for a problem, then the Telugu for a solution, then say *abhiprāyaṁ* again

Before you move on

What does **అభిప్రాయం** mean? ("An opinion".) Say it once more.

Chapter 198

Tuition, Interview, Work shift, Uniform, Staff

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say tuition, an interview, a work shift, a uniform and staff.

Complete the last lesson of chapter 198: I can say tuition, an interview, a work shift, a uniform and staff.

198.1 ట్యూషను (ṭyūṣanu) — tuition, coaching

Before the new one: say the Telugu for a solution, then the Telugu for an opinion.

You'll want to know: ట్యూషను

ట్యూషను — *ṭyūṣanu* — "tuition, coaching".

The word, taken apart — its roots and family

ట్యూషను (*ṭyūṣanu*) is a loan from English *tuition*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ṭyūṣanu*
- *Say it:* *ṭyūṣanu*, once more
- *Say it:* say *ṭyūṣanu*
- *Recall:* say the Telugu for a solution, then the Telugu for an opinion, then say *ṭyūṣanu* again

Before you move on

What does ట్యూషను mean? ("Tuition, coaching".) Say it once more.

198.2 ఇంటర్వ్యూ (iṇṭarvyū) — an interview

Before the new one: say the Telugu for an opinion, then the Telugu for tuition.

You'll want to know: ఇంటర్వ్యూ

ఇంటర్వ్యూ — *iṇṭarvyū* — "an interview".

The word, taken apart — its roots and family

ఇంటర్వ్యూ (*iṇṭarvyū*) is a loan from English *interview*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *iṇṭarvyū*
- *Say it:* *iṇṭarvyū*, once more
- *Say it:* say *iṇṭarvyū*
- *Recall:* say the Telugu for an opinion, then the Telugu for tuition, then say *iṇṭarvyū* again

Before you move on

What does ఇంటర్వ్యూ mean? (“An interview”.) Say it once more.

198.3 షిఫ్టు (ṣiphṭu) — a work shift

Before the new one: say the Telugu for tuition, then the Telugu for an interview.

You’ll want to know: షిఫ్టు

షిఫ్టు — *ṣiphṭu* — “a work shift”.

The word, taken apart — its roots and family

షిఫ్టు (*ṣiphṭu*) is a loan from English *shift*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: ṣiphṭu*
- *Say it: ṣiphṭu*, once more
- *Say it:* say *ṣiphṭu*
- *Recall:* say the Telugu for tuition, then the Telugu for an interview, then say *ṣiphṭu* again

Before you move on

What does షిఫ్టు mean? (“A work shift”.) Say it once more.

198.4 యూనిఫారం (yūniphāraṁ) — a uniform

Before the new one: say the Telugu for an interview, then the Telugu for a work shift.

You'll want to know: యూనిఫారం

యూనిఫారం — *yūniphāraṁ* — "a uniform".

The word, taken apart — its roots and family

యూనిఫారం (*yūniphāraṁ*) is a loan from English *uniform*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *yūniphāraṁ*
- *Say it:* *yūniphāraṁ*, once more
- *Say it:* say *yūniphāraṁ*
- *Recall:* say the Telugu for an interview, then the Telugu for a work shift, then say *yūniphāraṁ* again

Before you move on

What does **యూనిఫారం** mean? ("A uniform".) Say it once more.

198.5 సిబ్బంది (sibbandi) — staff

Before the new one: say the Telugu for a work shift, then the Telugu for a uniform.

You'll want to know: సిబ్బంది

సిబ్బంది — *sibbandi* — "staff".

The word, taken apart — its roots and family

The origin of **సిబ్బంది** (*sibbandi*) is uncertain. DEDR and CDIAL list no word of this shape meaning "staff". It is probably Hindustani *sibandī*, the "sebundy" of British India, a word for hired staff and irregular troops.

What you've built

One more word for this chapter.

Your turn

- *Say it: sibbandi*
- *Say it: sibbandi*, once more
- *Say it:* say *sibbandi*
- *Recall:* say the Telugu for a work shift, then the Telugu for a uniform, then say *sibbandi* again

Before you move on

What does సిబ్బంది mean? ("Staff".) Say it once more.

198.6 Words from chapters 193-195 — a first pass

Say the words for a uniform and staff.

Your turn

Say these aloud:

- a line, a circle, a square, a triangle, a wheel
- housework, a domestic helper, a tailor, a trader, a coin
- an officer, a clerk, a manager, a colleague, a meeting

Before you move on

A line? (గీత, *gīta.*) A circle? (వృత్తం, *vṛttaṁ.*) A square? (చతురస్రం, *caturasraṁ.*) A triangle? (త్రిభుజం, *tribhujaṁ.*) A wheel? (చక్రం, *cakraṁ.*) Housework? (ఇంటిపని, *iṇṭipani.*) A domestic helper? (పనిమనిషి, *panimaniṣi.*) A tailor? (దర్జీ, *darjī.*) A trader? (వ్యాపారి, *vyāpāri.*) A coin? (నాణెం, *nāṇeṁ.*) An officer? (అధికారి, *adhikāri.*) A clerk? (గుమాస్తా, *gumāstā.*) A manager? (మేనేజరు, *mēnējaru.*) A colleague? (సహోద్యోగి, *sahōdyōgi.*) A meeting? (సమావేశం,

samāvēśaṁ.)

198.7 Words from chapters 196-198 — a second pass

Say the words for a fee and a fine.

Your turn

Say these aloud:

- a fee, a fine, a deadline, a responsibility, an application
- a carpenter, a writer, a problem, a solution, an opinion
- tuition, an interview, a work shift, a uniform, staff

Before you move on

A fee? (ఫీజు, *phīju.*) A fine? (జరిమానా, *jarimānā.*) A deadline? (గడువు, *gaḍuvu.*) A responsibility? (బాధ్యత, *bādhyata.*) An application? (దరఖాస్తు, *darakhāstu.*) A carpenter? (వడ్రంగి, *vaḍraṅgi.*) A writer? (రచయిత, *racayita.*) A problem? (సమస్య, *samasya.*) A solution? (పరిష్కారం, *pariṣkāraṁ.*) An opinion? (అభిప్రాయం, *abhiprāyaṁ.*) Tuition? (ట్యూషను, *ṭyūṣanu.*) An interview? (ఇంటర్వ్యూ, *iṇṭarvyū.*) A work shift? (షిఫ్టు, *ṣiphṭu.*) A uniform? (యూనిఫారం, *yūniphāraṁ.*) Staff? (సిబ్బంది, *sibbandi.*)

Chapter 199

To pound, To fill, To put out to dry, To fold, To arrange

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to pound, to fill, to put out to dry, to fold and to arrange.
>
> *Complete the last lesson of chapter 199: I can say to pound, to fill, to put out to dry, to fold and to arrange.*

199.1 దంచు (dañcu) — to pound (in a mortar)

> Before the new one: say the Telugu for a uniform, then the Telugu for staff.

You'll want to know: దంచు

దంచు — *dañcu* — "to pound (in a mortar)".

The word, taken apart — its roots and family

దంచు (*dañcu*) is native Dravidian. DEDR 77 lists *dañcu*, "to pound, clean grain in a mortar", with Tamil *aṭu*, "to pound (as rice)".

What you've built

One more word for this chapter.

Your turn

- *Say it: dañcu*
- *Say it: dañcu*, once more
- *Say it:* say *dañcu*
- *Recall:* say the Telugu for a uniform, then the Telugu for staff, then say *dañcu* again

Before you move on

What does **దంచు** mean? ("To pound (in a mortar)".) Say it once more.

199.2 నింపు (nimpu) — to fill

Before the new one: say the Telugu for staff, then the Telugu for to pound.

You'll want to know: నింపు

నింపు — *nimpu* — "to fill".

The word, taken apart — its roots and family

నింపు (*nimpu*) is native Dravidian. DEDR 3682 lists *nimpu*, "to fill", with Tamil *niṟai*, "to fill", and notes that in Telugu this root has run together with another, so that the two cannot be told apart.

What you've built

One more word for this chapter.

Your turn

- *Say it: nimpu*
- *Say it: nimpu*, once more
- *Say it:* say *nimpu*

- *Recall:* say the Telugu for staff, then the Telugu for to pound, then say *nimpu* again

Before you move on

What does **నింపు** mean? ("To fill".) Say it once more.

199.3 ఆరబెట్టు (ārabeṭṭu) — to put out to dry

Before the new one: say the Telugu for to pound, then the Telugu for to fill.

You'll want to know: ఆరబెట్టు

ఆరబెట్టు — *ārabeṭṭu* — "to put out to dry".

The word, taken apart — its roots and family

ఆరబెట్టు (*ārabeṭṭu*) is native Dravidian: *āru*, "to dry, cool", one word with Tamil *ā̲ru*, "to cool" (DEDR 404), and *peṭṭu*, "to put" (DEDR 4390).

What you've built

One more word for this chapter.

Your turn

- *Say it: ārabeṭṭu*
- *Say it: ārabeṭṭu*, once more
- *Say it:* say *ārabeṭṭu*
- *Recall:* say the Telugu for to pound, then the Telugu for to fill, then say *ārabeṭṭu* again

Before you move on

What does **ఆరబెట్టు** mean? ("To put out to dry".) Say it once more.

199.4 మడతపెట్టు (maḍatapeṭṭu) — to fold

Before the new one: say the Telugu for to fill, then the Telugu for to put out to dry.

You'll want to know: మడతపెట్టు

మడతపెట్టు — *maḍatapeṭṭu* — "to fold".

The word, taken apart — its roots and family

మడతపెట్టు (*maḍatapeṭṭu*) is native Dravidian. DEDR 4645 lists *maḍata peṭṭu*, "to fold, double up", with *maḍata*, "a fold", one word with Kannada *maḍate*, "a fold".

What you've built

One more word for this chapter.

Your turn

- *Say it: maḍatapeṭṭu*
- *Say it: maḍatapeṭṭu*, once more
- *Say it:* say *maḍatapeṭṭu*
- *Recall:* say the Telugu for to fill, then the Telugu for to put out to dry, then say *maḍatapeṭṭu* again

Before you move on

What does **మడతపెట్టు** mean? ("To fold".) Say it once more.

199.5 సర్దు (sardu) — to arrange, to tidy up

Before the new one: say the Telugu for to put out to dry, then the Telugu for to fold.

You'll want to know: సర్దు

సర్దు — *sardu* — "to arrange, to tidy up".

The word, taken apart — its roots and family

The origin of సర్దు (*sardu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "to arrange".

What you've built

One more word for this chapter.

Your turn

- *Say it: sardu*
- *Say it: sardu*, once more
- *Say it:* say *sardu*
- *Recall:* say the Telugu for to put out to dry, then the Telugu for to fold, then say *sardu* again

Before you move on

What does సర్దు mean? ("To arrange, to tidy up".) Say it once more.

Chapter 200

To save, To choose, To try, To serve, To chew

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to save, to choose, to try, to serve and to chew.

Complete the last lesson of chapter 200: I can say to save, to choose, to try, to serve and to chew.

200.1 పొదుపు చేయు (podupu cēyu) — to save (money)

Before the new one: say the Telugu for to fold, then the Telugu for to arrange.

You'll want to know: పొదుపు చేయు

పొదుపు చేయు — *podupu cēyu* — "to save (money)".

The word, taken apart — its roots and family

The origin of *podupu*, "saving", the first word of **పొదుపు చేయు** (*podupu cēyu*), is uncertain: DEDR 4509 lists *podupu* only as "to imbed". *Cēyu*, "to do", is native (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: podupu cēyu*
- *Say it: podupu cēyu*, once more
- *Say it:* say *podupu cēyu*
- *Recall:* say the Telugu for to fold, then the Telugu for to arrange, then say *podupu cēyu* again

Before you move on

What does **పొదుపు చేయు** mean? ("To save (money)".) Say it once more.

200.2 ఎంచుకో (eñcukō) — to choose

Before the new one: say the Telugu for to arrange, then the Telugu for to save.

You'll want to know: ఎంచుకో

ఎంచుకో — *eñcukō* — "to choose".

The word, taken apart — its roots and family

ఎంచుకో (*eñcukō*) is native Dravidian: *eñcu*, "to count, consider, judge", one word with Tamil *eṇṇu*, "to think, count" (DEDR 793), with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: eñcukō*
- *Say it: eñcukō*, once more
- *Say it:* say *eñcukō*

- *Recall:* say the Telugu for to arrange, then the Telugu for to save, then say *eñcukō* again

Before you move on

What does **ఎంచుకో** mean? ("To choose".) Say it once more.

200.3 ప్రయత్నించు (prayatniñcu) — to try

Before the new one: say the Telugu for to save, then the Telugu for to choose.

You'll want to know: ప్రయత్నించు

ప్రయత్నించు — *prayatniñcu* — "to try".

The word, taken apart — its roots and family

ప్రయత్నించు (*prayatniñcu*) is Sanskrit *prayatna*, "effort", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: prayatniñcu*
- *Say it: prayatniñcu*, once more
- *Say it:* say *prayatniñcu*
- *Recall:* say the Telugu for to save, then the Telugu for to choose, then say *prayatniñcu* again

Before you move on

What does **ప్రయత్నించు** mean? ("To try".) Say it once more.

200.4 వడ్డించు (vaḍḍiñcu) — to serve (food)

Before the new one: say the Telugu for to choose, then the Telugu for to try.

You'll want to know: వడ్డించు

వడ్డించు — *vaḍḍiñcu* — "to serve (food)".

The word, taken apart — its roots and family

The origin of **వడ్డించు** (*vaḍḍiñcu*) is uncertain. It may come from Sanskrit *vardhayati*, "cuts, divides", whose Oriya and Marathi descendants mean "to serve out food" (CDIAL 11381), but no source says so.

What you've built

One more word for this chapter.

Your turn

- *Say it: vaḍḍiñcu*
- *Say it: vaḍḍiñcu*, once more
- *Say it:* say *vaḍḍiñcu*
- *Recall:* say the Telugu for to choose, then the Telugu for to try, then say *vaḍḍiñcu* again

Before you move on

What does **వడ్డించు** mean? ("To serve (food)".) Say it once more.

200.5 నమలు (namalu) — to chew

Before the new one: say the Telugu for to try, then the Telugu for to serve.

You'll want to know: నములు

నములు — *namalu* — "to chew".

The word, taken apart — its roots and family

నములు (*namalu*) is native Dravidian, one word with Kannada *namalu* (DEDR 3595). DEDR lists Telugu *namalu*, "to chew".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *namalu*
- *Say it:* *namalu*, once more
- *Say it:* say *namalu*
- *Recall:* say the Telugu for to try, then the Telugu for to serve, then say *namalu* again

Before you move on

What does **నములు** mean? ("To chew".) Say it once more.

Chapter 201

To be found, To lie down, To yawn, To shiver, To move

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to be found, to lie down, to yawn, to shiver and to move.

Complete the last lesson of chapter 201: I can say to be found, to lie down, to yawn, to shiver and to move.

201.1 దొరుకు (doruku) — to be found, to be available

Before the new one: say the Telugu for to serve, then the Telugu for to chew.

You'll want to know: దొరుకు

దొరుకు — *doruku* — "to be found, to be available".

The word, taken apart — its roots and family

దొరుకు (*doruku*) is native Dravidian. DEDR 3535 gives it as *doraku*, "to be found, got", with Kannada *doraku*, "to be obtained, found".

What you've built

One more word for this chapter.

Your turn

- *Say it: doruku*
- *Say it: doruku*, once more
- *Say it:* say *doruku*
- *Recall:* say the Telugu for to serve, then the Telugu for to chew, then say *doruku* again

Before you move on

What does **దొరుకు** mean? ("To be found, to be available".) Say it once more.

201.2 పడుకో (paḍukō) — to lie down

Before the new one: say the Telugu for to chew, then the Telugu for to be found.

You'll want to know: పడుకో

పడుకో — *paḍukō* — "to lie down".

The word, taken apart — its roots and family

పడుకో (*paḍukō*) is native Dravidian: *paḍu*, "to lie down", which DEDR 3852 lists with Kannada *paḍu*, "to lie down", with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: paḍukō*
- *Say it: paḍukō*, once more
- *Say it:* say *paḍukō*
- *Recall:* say the Telugu for to chew, then the Telugu for to be found, then say *paḍukō* again

Before you move on

What does **పడుకో** mean? ("To lie down".) Say it once more.

201.3 ఆవలించు (āvaliñcu) — to yawn

Before the new one: say the Telugu for to be found, then the Telugu for to lie down.

You'll want to know: ఆవలించు

ఆవలించు — *āvaliñcu* — "to yawn".

The word, taken apart — its roots and family

ఆవలించు (*āvaliñcu*) is native Dravidian. DEDR 392 lists *āvaliñcu*, "to yawn", with Tamil *āvi* and Kannada *ākaḷisu*, "to yawn".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āvaliñcu*
- *Say it:* *āvaliñcu*, once more
- *Say it:* say *āvaliñcu*
- *Recall:* say the Telugu for to be found, then the Telugu for to lie down, then say *āvaliñcu* again

Before you move on

What does **ఆవలించు** mean? ("To yawn".) Say it once more.

201.4 వణుకు (vaṇuku) — to shiver, to tremble

Before the new one: say the Telugu for to lie down, then the Telugu for to yawn.

You'll want to know: వణుకు

వణుకు — *vaṇuku* — "to shiver, to tremble".

The word, taken apart — its roots and family

వణుకు (*vaṇuku*) is native Dravidian. DEDR 5307 lists a nasalised *vaṇaku*, "to tremble, shiver", with Kannada *baḷaku*, "to tremble".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vaṇuku*
- *Say it:* *vaṇuku*, once more
- *Say it:* say *vaṇuku*
- *Recall:* say the Telugu for to lie down, then the Telugu for to yawn, then say *vaṇuku* again

Before you move on

What does **వణుకు** mean? ("To shiver, to tremble".) Say it once more.

201.5 కదులు (kadulu) — to move

Before the new one: say the Telugu for to yawn, then the Telugu for to shiver.

You'll want to know: కదులు

కదులు — *kadulu* — "to move".

The word, taken apart — its roots and family

కదులు (*kadulu*) is native Dravidian. DEDR 1188 gives it as *kadalu*, "to move, stir, shake".

What you've built

One more word for this chapter.

Your turn

- *Say it: kadulu*
- *Say it: kadulu*, once more
- *Say it:* say *kadulu*
- *Recall:* say the Telugu for to yawn, then the Telugu for to shiver, then say *kadulu* again

Before you move on

What does **కదులు** mean? ("To move".) Say it once more.

Chapter 202

To discuss, To contact, To check, To register, To practise

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to discuss, to contact, to check, to register and to practise.
>
> *Complete the last lesson of chapter 202: I can say to discuss, to contact, to check, to register and to practise.*

202.1 చర్చించు (carciñcu) — to discuss

Before the new one: say the Telugu for to shiver, then the Telugu for to move.

You'll want to know: చర్చించు

చర్చించు — *carciñcu* — "to discuss".

The word, taken apart — its roots and family

చర్చించు (*carciñcu*) is Sanskrit *carcā*, which CDIAL 4695 glosses "repetition", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: carciñcu*
- *Say it: carciñcu*, once more
- *Say it:* say *carciñcu*
- *Recall:* say the Telugu for to shiver, then the Telugu for to move, then say *carciñcu* again

Before you move on

What does **చర్చించు** mean? ("To discuss".) Say it once more.

202.2 సంప్రదించు (sampradiñcu) — to contact, to consult

Before the new one: say the Telugu for to move, then the Telugu for to discuss.

You'll want to know: సంప్రదించు

సంప్రదించు — *sampradiñcu* — "to contact, to consult".

The word, taken apart — its roots and family

సంప్రదించు (*sampradiñcu*) has the Telugu verb ending *-iñcu* on a stem that looks Sanskrit, but neither DEDR nor CDIAL lists it, so its source is uncertain.

What you've built

One more word for this chapter.

Your turn

- *Say it: sampradiñcu*
- *Say it: sampradiñcu*, once more
- *Say it:* say *sampradiñcu*

- *Recall:* say the Telugu for to move, then the Telugu for to discuss, then say *sampradiñcu* again

Before you move on

What does **సంప్రదించు** mean? ("To contact, to consult".) Say it once more.

202.3 తనిఖీ చేయు (tanikhī cēyu) — to check, to inspect

Before the new one: say the Telugu for to discuss, then the Telugu for to contact.

You'll want to know: తనిఖీ చేయు

తనిఖీ చేయు — *tanikhī cēyu* — "to check, to inspect".

The word, taken apart — its roots and family

The origin of *tanikhī*, "inspection", the first word of **తనిఖీ చేయు** (*tanikhī cēyu*), is uncertain; DEDR and CDIAL do not list it. *Cēyu*, "to do", is native (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: tanikhī cēyu*
- *Say it: tanikhī cēyu*, once more
- *Say it:* say *tanikhī cēyu*
- *Recall:* say the Telugu for to discuss, then the Telugu for to contact, then say *tanikhī cēyu* again

Before you move on

What does **తనిఖీ చేయు** mean? ("To check, to inspect".) Say it once more.

202.4 నమోదు చేయు (namōdu cēyu) — to register, to record

Before the new one: say the Telugu for to contact, then the Telugu for to check.

You'll want to know: నమోదు చేయు

నమోదు చేయు — *namōdu cēyu* — "to register, to record".

The word, taken apart — its roots and family

The origin of *namōdu*, "record", the first word of **నమోదు చేయు** (*namōdu cēyu*), is uncertain; DEDR and CDIAL do not list it. *Cēyu*, "to do", is native (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: namōdu cēyu*
- *Say it: namōdu cēyu*, once more
- *Say it:* say *namōdu cēyu*
- *Recall:* say the Telugu for to contact, then the Telugu for to check, then say *namōdu cēyu* again

Before you move on

What does **నమోదు చేయు** mean? ("To register, to record".) Say it once more.

202.5 సాధన చేయు (sādhana cēyu) — to practise

Before the new one: say the Telugu for to check, then the Telugu for to register.

You'll want to know: సాధన చేయు

సాధన చేయు — *sādhana cēyu* — "to practise".

The word, taken apart — its roots and family

సాధన చేయు (*sādhana cēyu*) pairs Sanskrit *sādhana*, "furthering, completion" (CDIAL 13334), with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: sādhana cēyu*
- *Say it: sādhana cēyu*, once more
- *Say it:* say *sādhana cēyu*
- *Recall:* say the Telugu for to check, then the Telugu for to register, then say *sādhana cēyu* again

Before you move on

What does **సాధన చేయు** mean? ("To practise".) Say it once more.

Chapter 203

To scold, To fight, To grow up, To bloom, To rain down

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to scold, to fight, to grow up, to bloom and to rain down.
>
> *Complete the last lesson of chapter 203: I can say to scold, to fight, to grow up, to bloom and to rain down.*

203.1 తిట్టు (tiṭṭu) — to scold, to curse

Before the new one: say the Telugu for to register, then the Telugu for to practise.

You'll want to know: తిట్టు

తిట్టు — *tiṭṭu* — "to scold, to curse".

The word, taken apart — its roots and family

తిట్టు (*tiṭṭu*) is native Dravidian, one word with Tamil *tiṭṭu* and Kannada *tiṭṭu* (DEDR 3220). DEDR lists Telugu *tiṭṭu*, "to curse, scold".

What you've built

One more word for this chapter.

Your turn

- *Say it: tiṭṭu*
- *Say it: tiṭṭu*, once more
- *Say it:* say *tiṭṭu*
- *Recall:* say the Telugu for to register, then the Telugu for to practise, then say *tiṭṭu* again

Before you move on

What does తిట్టు mean? ("To scold, to curse".) Say it once more.

203.2 పోట్లాడు (pōṭlāḍu) — to fight, to quarrel

Before the new one: say the Telugu for to practise, then the Telugu for to scold.

You'll want to know: పోట్లాడు

పోట్లాడు — *pōṭlāḍu* — "to fight, to quarrel".

The word, taken apart — its roots and family

పోట్లాడు (*pōṭlāḍu*) is native Dravidian: *pōṭu*, "battle", which DEDR 4252 lists with Kannada *poḍe*, "to strike", and *āḍu*, "to play, act" (DEDR 347).

What you've built

One more word for this chapter.

Your turn

- *Say it: pōṭlāḍu*
- *Say it: pōṭlāḍu*, once more
- *Say it:* say *pōṭlāḍu*
- *Recall:* say the Telugu for to practise, then the Telugu for to scold, then say *pōṭlāḍu* again

Before you move on

What does **పోట్లాడు** mean? ("To fight, to quarrel".) Say it once more.

203.3 ఎదుగు (edugu) — to grow up

Before the new one: say the Telugu for to scold, then the Telugu for to fight.

You'll want to know: ఎదుగు

ఎదుగు — *edugu* — "to grow up".

The word, taken apart — its roots and family

ఎదుగు (*edugu*) is native Dravidian. DEDR 870 lists *edugu*, "to grow, increase in stature", with Tamil *ē*, "increase".

What you've built

One more word for this chapter.

Your turn

- *Say it: edugu*
- *Say it: edugu*, once more
- *Say it:* say *edugu*
- *Recall:* say the Telugu for to scold, then the Telugu for to fight, then say *edugu* again

Before you move on

What does **ఎదుగు** mean? ("To grow up".) Say it once more.

203.4 పూయు (pūyu) — to bloom, to flower

Before the new one: say the Telugu for to fight, then the Telugu for to grow up.

You'll want to know: పూయు

పూయు — *pūyu* — "to bloom, to flower".

The word, taken apart — its roots and family

పూయు (*pūyu*) is native Dravidian. DEDR 4345 lists *pūcu*, "to blossom", beside *pū*, "flower". DEDR compares, with a query, Sanskrit *puṣpa*, "flower" (CDIAL 8303). DEDR 4352 *pūyu*, "to smear", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pūyu*
- *Say it:* *pūyu*, once more
- *Say it:* say *pūyu*
- *Recall:* say the Telugu for to fight, then the Telugu for to grow up, then say *pūyu* again

Before you move on

What does పూయు mean? ("To bloom, to flower".) Say it once more.

203.5 కురియు (kuriyu) — to rain down, to pour (of rain)

Before the new one: say the Telugu for to grow up, then the Telugu for to bloom.

You'll want to know: కురియు

కురియు — *kuriyu* — "to rain down, to pour (of rain)".

The word, taken apart — its roots and family

DEDR 1907 adds కురియు (*kuriyu*), "to rain, shower, fall", with a query, to the family of *kūlu*, "to fall down".

What you've built

One more word for this chapter.

Your turn

- *Say it: kuriyu*
- *Say it: kuriyu*, once more
- *Say it:* say *kuriyu*
- *Recall:* say the Telugu for to grow up, then the Telugu for to bloom, then say *kuriyu* again

Before you move on

What does కురియు mean? ("To rain down, to pour (of rain)".) Say it once more.

Chapter 204

To compare, To fall, To exercise, To act, To draw

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to compare, to fall, to exercise, to act and to draw.

Complete the last lesson of chapter 204: I can say to compare, to fall, to exercise, to act and to draw.

204.1 పోల్చు (pōlcu) — to compare

Before the new one: say the Telugu for to bloom, then the Telugu for to rain down.

You'll want to know: పోల్చు

పోల్చు — *pōlcu* — "to compare".

The word, taken apart — its roots and family

పోల్చు (*pōlcu*) is native Dravidian. DEDR 4597 lists *pōlcu*, "to compare, liken", with Tamil *pōl*, "to resemble", and Kannada *pōlisu*, "to compare".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pōlcu*
- *Say it:* *pōlcu*, once more
- *Say it:* say *pōlcu*
- *Recall:* say the Telugu for to bloom, then the Telugu for to rain down, then say *pōlcu* again

Before you move on

What does పోల్చు mean? ("To compare".) Say it once more.

204.2 రాలు (rālu) — to fall (of leaves, fruit, petals)

Before the new one: say the Telugu for to rain down, then the Telugu for to compare.

You'll want to know: రాలు

రాలు — *rālu* — "to fall (of leaves, fruit, petals)".

The word, taken apart — its roots and family

రాలు (*rālu*) is native Dravidian. DEDR 233 lists *rālu*, "to fall or drop down (of leaves, tears)", with Gondi words for "to fall".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *rālu*
- *Say it:* *rālu*, once more
- *Say it:* say *rālu*
- *Recall:* say the Telugu for to rain down, then the Telugu for to compare, then say *rālu* again

Before you move on

What does **రాలు** mean? ("To fall (of leaves, fruit, petals)".) Say it once more.

204.3 వ్యాయామం చేయు (vyāyāmaṁ cēyu) — to exercise

Before the new one: say the Telugu for to compare, then the Telugu for to fall.

You'll want to know: వ్యాయామం చేయు

వ్యాయామం చేయు — *vyāyāmaṁ cēyu* — "to exercise".

The word, taken apart — its roots and family

వ్యాయామం చేయు (*vyāyāmaṁ cēyu*) pairs Sanskrit *vyāyāma*, "exertion" (CDIAL 12209), with the Telugu ending *-ṁ*, and native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: vyāyāmaṁ cēyu*
- *Say it: vyāyāmaṁ cēyu*, once more
- *Say it:* say *vyāyāmaṁ cēyu*
- *Recall:* say the Telugu for to compare, then the Telugu for to fall, then say *vyāyāmaṁ cēyu* again

Before you move on

What does **వ్యాయామం చేయు** mean? ("To exercise".) Say it once more.

204.4 నటించు (naṭiñcu) — to act (in a play or film)

Before the new one: say the Telugu for to fall, then the Telugu for to exercise.

You'll want to know: నటించు

నటించు — *naṭiñcu* — "to act (in a play or film)".

The word, taken apart — its roots and family

నటించు (*naṭiñcu*) is Sanskrit *naṭa*, "dancer, actor" (CDIAL 6933), made into a verb with the Telugu ending *-iñcu*. CDIAL thinks *naṭa* probably came through Middle Indo-Aryan, and keeps it apart from a look-alike verb that it takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: naṭiñcu*
- *Say it: naṭiñcu*, once more
- *Say it:* say *naṭiñcu*
- *Recall:* say the Telugu for to fall, then the Telugu for to exercise, then say *naṭiñcu* again

Before you move on

What does **నటించు** mean? ("To act (in a play or film)".) Say it once more.

204.5 గీయు (gīyu) — to draw (a line, a picture)

Before the new one: say the Telugu for to exercise, then the Telugu for to act.

You'll want to know: గీయు

గీయు — *gīyu* — "to draw (a line, a picture)".

The word, taken apart — its roots and family

గీయు (*gīyu*) is native Dravidian. DEDR 1623 lists *gīyu*, "to scratch, draw (as a line)", with Tamil *kīṟu*, "to scratch, draw lines". DEDR compares, with a query, Sanskrit *kiraka*, "scribe" (CDIAL 3170).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gīyu*
- *Say it:* *gīyu*, once more
- *Say it:* say *gīyu*
- *Recall:* say the Telugu for to exercise, then the Telugu for to act, then say *gīyu* again

Before you move on

What does గీయు mean? ("To draw (a line, a picture)".) Say it once more.

Chapter 205

To record, To take a photo, To share, To find out, To borrow

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to record, to take a photo, to share, to find out and to borrow.
>
> *Complete the last lesson of chapter 205: I can say to record, to take a photo, to share, to find out and to borrow.*

205.1 రికార్డు చేయు (rikārḍu cēyu) — to record

> Before the new one: say the Telugu for to act, then the Telugu for to draw.

You'll want to know: రికార్డు చేయు

రికార్డు చేయు — *rikārḍu cēyu* — "to record".

The word, taken apart — its roots and family

రికార్డు చేయు (*rikārḍu cēyu*) pairs *rikārḍu*, a loan from English *record*, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: rikārḍu cēyu*
- *Say it: rikārḍu cēyu*, once more
- *Say it:* say *rikārḍu cēyu*
- *Recall:* say the Telugu for to act, then the Telugu for to draw, then say *rikārḍu cēyu* again

Before you move on

What does రికార్డు చేయు mean? ("To record".) Say it once more.

205.2 ఫోటో తీయు (phōṭō tīyu) — to take a photo

Before the new one: say the Telugu for to draw, then the Telugu for to record.

You'll want to know: ఫోటో తీయు

ఫోటో తీయు — *phōṭō tīyu* — "to take a photo".

The word, taken apart — its roots and family

ఫోటో తీయు (*phōṭō tīyu*) pairs *phōṭō*, a loan from English *photo*, with native *tīyu*, "to take, draw", one word with Kannada *tegu*, "to pull, take" (DEDR 3407).

What you've built

One more word for this chapter.

Your turn

- *Say it: phōṭō tīyu*
- *Say it: phōṭō tīyu*, once more
- *Say it:* say *phōṭō tīyu*
- *Recall:* say the Telugu for to draw, then the Telugu for to record, then say *phōṭō tīyu* again

Before you move on

What does ఫోటో తీయు mean? ("To take a photo".) Say it once more.

205.3 పంచుకో (pañcukō) — to share

Before the new one: say the Telugu for to record, then the Telugu for to take a photo.

You'll want to know: పంచుకో

పంచుకో — *pañcukō* — "to share".

The word, taken apart — its roots and family

పంచుకో (*pañcukō*) is native Dravidian: *pañcu*, "to distribute, divide", one word with Kannada *pañcu*, "to share" (DEDR 3936), with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: pañcukō*
- *Say it: pañcukō*, once more
- *Say it:* say *pañcukō*
- *Recall:* say the Telugu for to record, then the Telugu for to take a photo, then say *pañcukō* again

Before you move on

What does పంచుకో mean? ("To share".) Say it once more.

205.4 కనుక్కో (kanukkō) — to find out, to discover

Before the new one: say the Telugu for to take a photo, then the Telugu for to share.

You'll want to know: కనుక్కో

కనుక్కో — *kanukkō* — "to find out, to discover".

The word, taken apart — its roots and family

కనుక్కో (*kanukkō*) is native Dravidian: *kanu*, "to see", one word with Tamil *kāṇ*, "to see" (DEDR 1443), with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: kanukkō*
- *Say it: kanukkō*, once more
- *Say it:* say *kanukkō*
- *Recall:* say the Telugu for to take a photo, then the Telugu for to share, then say *kanukkō* again

Before you move on

What does **కనుక్కో** mean? ("To find out, to discover".) Say it once more.

205.5 అప్పు తీసుకో (appu tīsukō) — to borrow (money)

Before the new one: say the Telugu for to share, then the Telugu for to find out.

You'll want to know: అప్పు తీసుకో

అప్పు తీసుకో — *appu tīsukō* — "to borrow (money)".

The word, taken apart — its roots and family

అప్పు తీసుకో (*appu tīsukō*) is native Dravidian: *appu*, "loan", which DEDR 216 lists, noting that Tamil *appu*, "loan, debt", was borrowed

from Telugu; and *tīsukō*, "to take for oneself", from *tīyu*, "to take" (DEDR 3407).

What you've built

One more word for this chapter.

Your turn

- *Say it: appu tīsukō*
- *Say it: appu tīsukō*, once more
- *Say it:* say *appu tīsukō*
- *Recall:* say the Telugu for to share, then the Telugu for to find out, then say *appu tīsukō* again

Before you move on

What does **అప్పు తీసుకో** mean? ("To borrow (money)".) Say it once more.

Chapter 206

To roll, To slip, To hang, To tread on, To hit

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to roll, to slip, to hang, to tread on and to hit.
>
> *Complete the last lesson of chapter 206: I can say to roll, to slip, to hang, to tread on and to hit.*

206.1 దొర్లు (dorlu) — to roll (over)

Before the new one: say the Telugu for to find out, then the Telugu for to borrow.

You'll want to know: దొర్లు

దొర్లు — *dorlu* — "to roll (over)".

The word, taken apart — its roots and family

దొర్లు (*dorlu*) is native Dravidian. DEDR 3514 lists *doralu*, "to roll, turn over", with Kui *tronga*, "to roll", and Gondi *dorg-*, "to wallow".

What you've built

One more word for this chapter.

Your turn

- *Say it: dorlu*
- *Say it: dorlu*, once more
- *Say it:* say *dorlu*
- *Recall:* say the Telugu for to find out, then the Telugu for to borrow, then say *dorlu* again

Before you move on

What does దొర్లు mean? ("To roll (over)".) Say it once more.

206.2 జారు (jāru) — to slip, to slide

Before the new one: say the Telugu for to borrow, then the Telugu for to roll.

You'll want to know: జారు

జారు — *jāru* — "to slip, to slide".

The word, taken apart — its roots and family

జారు (*jāru*) is native Dravidian, one word with Tamil *cāṟu* and Kannada *jāṟu* (DEDR 2482). DEDR lists Telugu *jāṟu*, "to slide, slip".

What you've built

One more word for this chapter.

Your turn

- *Say it: jāru*
- *Say it: jāru*, once more
- *Say it:* say *jāru*
- *Recall:* say the Telugu for to borrow, then the Telugu for to roll, then say *jāru* again

Before you move on

What does **జారు** mean? ("To slip, to slide".) Say it once more.

206.3 వేలాడు (vēlāḍu) — to hang, to dangle

Before the new one: say the Telugu for to roll, then the Telugu for to slip.

You'll want to know: వేలాడు

వేలాడు — *vēlāḍu* — "to hang, to dangle".

The word, taken apart — its roots and family

The origin of **వేలాడు** (*vēlāḍu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "to hang".

What you've built

One more word for this chapter.

Your turn

- *Say it: vēlāḍu*
- *Say it: vēlāḍu*, once more
- *Say it:* say *vēlāḍu*
- *Recall:* say the Telugu for to roll, then the Telugu for to slip, then say *vēlāḍu* again

Before you move on

What does **వేలాడు** mean? ("To hang, to dangle".) Say it once more.

206.4 తొక్కు (tokku) — to tread on, to pedal

Before the new one: say the Telugu for to slip, then the Telugu for to hang.

You'll want to know: తొక్కు

తొక్కు — *tokku* — "to tread on, to pedal".

The word, taken apart — its roots and family

తొక్కు (*tokku*) is native Dravidian. DEDR 3522 gives it as *trokku*, "to tread, trample", with Kannada *tuḷi*, "to tread". DEDR 3477 *tokku*, "a chutney", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: tokku*
- *Say it: tokku*, once more
- *Say it:* say *tokku*
- *Recall:* say the Telugu for to slip, then the Telugu for to hang, then say *tokku* again

Before you move on

What does **తొక్కు** mean? ("To tread on, to pedal".) Say it once more.

206.5 కొట్టు (koṭṭu) — to hit, to beat

Before the new one: say the Telugu for to hang, then the Telugu for to tread on.

You'll want to know: కొట్టు

కొట్టు — *koṭṭu* — "to hit, to beat".

The word, taken apart — its roots and family

కొట్టు (*koṭṭu*) is native Dravidian, one word with Tamil *koṭṭu* and Malayalam *koṭṭuka* (DEDR 2063). DEDR lists Telugu *koṭṭu*, "to beat, strike". DEDR compares Pali *koṭṭeti*, "beats" (CDIAL 3241).

What you've built

One more word for this chapter.

Your turn

- *Say it: koṭṭu*
- *Say it: koṭṭu*, once more
- *Say it:* say *koṭṭu*
- *Recall:* say the Telugu for to hang, then the Telugu for to tread on, then say *koṭṭu* again

Before you move on

What does కొట్టు mean? ("To hit, to beat".) Say it once more.

Chapter 207

To cool, To tap, To pluck, To till, To grow

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say to cool, to tap, to pluck, to till and to grow.

Complete the last lesson of chapter 207: I can say to cool, to tap, to pluck, to till and to grow.

207.1 చల్లార్చు (callārcu) — to cool (something) down

Before the new one: say the Telugu for to tread on, then the Telugu for to hit.

You'll want to know: చల్లార్చు

చల్లార్చు — *callārcu* — "to cool (something) down".

The word, taken apart — its roots and family

చల్లార్చు (*callārcu*) is native Dravidian: *calla*, "cool, cold", one word with Kannada *caḷi*, "cold" (DEDR 2408), and *ārcu*, "to cool, extinguish", one word with Tamil *ā̲r̲ru*, "to cool" (DEDR 404).

What you've built

One more word for this chapter.

Your turn

- *Say it: callārcu*
- *Say it: callārcu*, once more
- *Say it:* say *callārcu*
- *Recall:* say the Telugu for to tread on, then the Telugu for to hit, then say *callārcu* again

Before you move on

What does చల్లార్చు mean? ("To cool (something) down".) Say it once more.

207.2 తట్టు (taṭṭu) — to tap, to pat

Before the new one: say the Telugu for to hit, then the Telugu for to cool.

You'll want to know: తట్టు

తట్టు — *taṭṭu* — "to tap, to pat".

The word, taken apart — its roots and family

తట్టు (*taṭṭu*) is native Dravidian, one word with Tamil *taṭṭu* and Kannada *taṭṭu* (DEDR 3039). DEDR lists Telugu *taṭṭu*, "to strike, knock, pat". DEDR compares Indo-Aryan words for striking, such as Sanskrit *tāḍayati*, "strikes" (CDIAL 5752).

What you've built

One more word for this chapter.

Your turn

- *Say it: taṭṭu*
- *Say it: taṭṭu*, once more
- *Say it:* say *taṭṭu*

- *Recall:* say the Telugu for to hit, then the Telugu for to cool, then say *taṭṭu* again

Before you move on

What does **తట్టు** mean? (“To tap, to pat”.) Say it once more.

207.3 తెంపు (tempu) — to pluck, to snap off

Before the new one: say the Telugu for to cool, then the Telugu for to tap.

You’ll want to know: తెంపు

తెంపు — *tempu* — “to pluck, to snap off”.

The word, taken apart — its roots and family

తెంపు (*tempu*) is native Dravidian. DEDR 3437 lists *tempu*, “to snap, break, cut”, with Tamil *teṟi*, “to snap”, and Kannada *tiṟi*, “to cut off”. DEDR 3416 *tempu*, “daring”, is a different word.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: tempu*
- *Say it: tempu*, once more
- *Say it:* say *tempu*
- *Recall:* say the Telugu for to cool, then the Telugu for to tap, then say *tempu* again

Before you move on

What does **తెంపు** mean? (“To pluck, to snap off”.) Say it once more.

207.4 దున్ను (dunnu) — to till (a field)

Before the new one: say the Telugu for to tap, then the Telugu for to pluck.

You'll want to know: దున్ను

దున్ను — *dunnu* — "to till (a field)".

The word, taken apart — its roots and family

దున్ను (*dunnu*) is native Dravidian, one word with Tamil *u̲lu* and Kannada *u̲l* (DEDR 688). DEDR lists Telugu *dunnu*, "to plough, till".

What you've built

One more word for this chapter.

Your turn

- *Say it: dunnu*
- *Say it: dunnu*, once more
- *Say it:* say *dunnu*
- *Recall:* say the Telugu for to tap, then the Telugu for to pluck, then say *dunnu* again

Before you move on

What does **దున్ను** mean? ("To till (a field)".) Say it once more.

207.5 పండించు (paṇḍiñcu) — to grow (crops)

Before the new one: say the Telugu for to pluck, then the Telugu for to till.

You'll want to know: పండించు

పండించు — *paṇḍiñcu* — "to grow (crops)".

The word, taken apart — its roots and family

పండించు (*paṇḍiñcu*) is native Dravidian. DEDR 4004 lists *paṇḍiñcu*, "to ripen (tr.)", under *paṇḍu*, "to ripen, yield", one word with Tamil *paḻu*, "to ripen". DEDR compares Sanskrit *phala*, "fruit" (CDIAL 9051).

What you've built

One more word for this chapter.

Your turn

- *Say it: paṇḍiñcu*
- *Say it: paṇḍiñcu*, once more
- *Say it:* say *paṇḍiñcu*
- *Recall:* say the Telugu for to pluck, then the Telugu for to till, then say *paṇḍiñcu* again

Before you move on

What does **పండించు** mean? ("To grow (crops)".) Say it once more.

207.6 Words from chapters 199-202 — a first pass

Say the words for to till and to grow.

Your turn

Say these aloud:

- to pound, to fill, to put out to dry, to fold, to arrange
- to save, to choose, to try, to serve, to chew
- to be found, to lie down, to yawn, to shiver, to move
- to discuss, to contact, to check, to register, to practise

Before you move on

To pound? (దంచు, *dañcu.*) To fill? (నింపు, *nimpu.*) To put out to dry? (ఆరబెట్టు, *ārabeṭṭu.*) To fold? (మడతపెట్టు, *maḍatapeṭṭu.*) To arrange? (సర్దు, *sardu.*) To save? (పొదుపు చేయు, *podupu cēyu.*) To choose? (ఎంచుకో, *eñcukō.*) To try? (ప్రయత్నించు, *prayatniñcu.*) To serve? (వడ్డించు, *vaḍḍiñcu.*) To chew? (నమలు, *namalu.*) To be found? (దొరుకు, *doruku.*) To lie down? (పడుకో, *paḍukō.*) To yawn? (ఆవలించు, *āvaliñcu.*) To shiver? (వణుకు, *vaṇuku.*) To move? (కదులు, *kadulu.*) To discuss? (చర్చించు, *carciñcu.*) To contact? (సంప్రదించు, *sampradiñcu.*) To check? (తనిఖీ చేయు, *tanikhī cēyu.*) To register? (నమోదు చేయు, *namōdu cēyu.*) To practise? (సాధన చేయు, *sādhana cēyu.*)

207.7 Words from chapters 203-207 — a second pass

Say the words for to scold and to fight.

Your turn

Say these aloud:

- to scold, to fight, to grow up, to bloom, to rain down
- to compare, to fall, to exercise, to act, to draw
- to record, to take a photo, to share, to find out, to borrow
- to roll, to slip, to hang, to tread on, to hit
- to cool, to tap, to pluck, to till, to grow

Before you move on

To scold? (తిట్టు, *tiṭṭu.*) To fight? (పోట్లాడు, *pōṭlāḍu.*) To grow up? (ఎదుగు, *edugu.*) To bloom? (పూయు, *pūyu.*) To rain down? (కురియు, *kuriyu.*) To compare? (పోల్చు, *pōlcu.*) To fall? (రాలు, *rālu.*) To exercise? (వ్యాయామం చేయు, *vyāyāmaṁ cēyu.*) To act? (నటించు, *naṭiñcu.*) To draw? (గీయు, *gīyu.*) To record? (రికార్డు చేయు, *rikārḍu cēyu.*) To take a photo? (ఫోటో తీయు, *phōṭō tīyu.*) To share?

(పంచుకో, *pañcukō.*) To find out? (కనుక్కో, *kanukkō.*) To borrow? (అప్పు తీసుకో, *appu tīsukō.*) To roll? (దొర్లు, *dorlu.*) To slip? (జారు, *jāru.*) To hang? (వేలాడు, *vēlāḍu.*) To tread on? (తొక్కు, *tokku.*) To hit? (కొట్టు, *koṭṭu.*) To cool? (చల్లార్చు, *callārcu.*) To tap? (తట్టు, *taṭṭu.*) To pluck? (తెంపు, *tempu.*) To till? (దున్ను, *dunnu.*) To grow? (పండించు, *paṇḍiñcu.*)

Chapter 208

To stick, To gargle, To die, To be born, To confront

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to stick, to gargle, to die, to be born and to confront.

Complete the last lesson of chapter 208: I can say to stick, to gargle, to die, to be born and to confront.

208.1 అతుకు (atuku) — to stick, to be joined together

Before the new one: say the Telugu for to till, then the Telugu for to grow.

You'll want to know: అతుకు

అతుకు — *atuku* — "to stick, to be joined together".

The word, taken apart — its roots and family

అతుకు (*atuku*) is native Dravidian, one word with Tamil *attu* and Kannada *atuku* (DEDR 145). DEDR lists Telugu *atuku*, "to join, solder".

What you've built

One more word for this chapter.

Your turn

- *Say it: atuku*
- *Say it: atuku*, once more
- *Say it:* say *atuku*
- *Recall:* say the Telugu for to till, then the Telugu for to grow, then say *atuku* again

Before you move on

What does **అతుకు** mean? ("To stick, to be joined together".) Say it once more.

208.2 పుక్కిలించు (pukkiliñcu) — to gargle

Before the new one: say the Telugu for to grow, then the Telugu for to stick.

You'll want to know: పుక్కిలించు

పుక్కిలించు — *pukkiliñcu* — "to gargle".

The word, taken apart — its roots and family

పుక్కిలించు (*pukkiliñcu*) is native Dravidian. DEDR 4241 lists *pukkiliñcu*, "to gargle", and sets beside it, with a query, Tamil *pilku*, "to gargle".

What you've built

One more word for this chapter.

Your turn

- *Say it: pukkiliñcu*
- *Say it: pukkiliñcu*, once more
- *Say it:* say *pukkiliñcu*

- *Recall:* say the Telugu for to grow, then the Telugu for to stick, then say *pukkiliñcu* again

Before you move on

What does **పుక్కిలించు** mean? ("To gargle".) Say it once more.

208.3 చనిపోవు (canipōvu) — to die

Before the new one: say the Telugu for to stick, then the Telugu for to gargle.

You'll want to know: చనిపోవు

చనిపోవు — *canipōvu* — "to die".

The word, taken apart — its roots and family

చనిపోవు (*canipōvu*) is native Dravidian: *cani*, from *canu*, "to go, depart, pass" (DEDR 2781), and *pōvu*, "to go" (DEDR 4572): "to go away, pass away".

What you've built

One more word for this chapter.

Your turn

- *Say it: canipōvu*
- *Say it: canipōvu*, once more
- *Say it:* say *canipōvu*
- *Recall:* say the Telugu for to stick, then the Telugu for to gargle, then say *canipōvu* again

Before you move on

What does **చనిపోవు** mean? ("To die".) Say it once more.

208.4 పుట్టు (puṭṭu) — to be born

Before the new one: say the Telugu for to gargle, then the Telugu for to die.

You'll want to know: పుట్టు

పుట్టు — *puṭṭu* — "to be born".

The word, taken apart — its roots and family

పుట్టు (*puṭṭu*) is native Dravidian, one word with Kannada *puṭṭu* (DEDR 4264). DEDR lists Telugu *puṭṭu*, "to be born".

What you've built

One more word for this chapter.

Your turn

- *Say it: puṭṭu*
- *Say it: puṭṭu*, once more
- *Say it:* say *puṭṭu*
- *Recall:* say the Telugu for to gargle, then the Telugu for to die, then say *puṭṭu* again

Before you move on

What does పుట్టు mean? ("To be born".) Say it once more.

208.5 ఎదుర్కొను (edurkonu) — to confront, to face

Before the new one: say the Telugu for to die, then the Telugu for to be born.

You'll want to know: ఎదుర్కొను

ఎదుర్కొను — *edurkonu* — "to confront, to face".

The word, taken apart — its roots and family

ఎదుర్కొను (*edurkonu*) is native Dravidian: *eduru*, "the front; to oppose", one word with Tamil *etir*, "that which is opposite" (DEDR 795), with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: edurkonu*
- *Say it: edurkonu*, once more
- *Say it:* say *edurkonu*
- *Recall:* say the Telugu for to die, then the Telugu for to be born, then say *edurkonu* again

Before you move on

What does ఎదుర్కొను mean? ("To confront, to face".) Say it once more.

Chapter 209

Itch, Nurse, Test, Medical treatment, Forehead

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say an itch, a nurse, a test, medical treatment and the forehead.

Complete the last lesson of chapter 209: I can say an itch, a nurse, a test, medical treatment and the forehead.

209.1 దురద (durada) — an itch

Before the new one: say the Telugu for to be born, then the Telugu for to confront.

You'll want to know: దురద

దురద — *durada* — "an itch".

The word, taken apart — its roots and family

దురద (*durada*) is native Dravidian. DEDR 2865 lists *durada*, "itching", with Kannada *turi* and Tamil *coṟi*, "itching".

What you've built

One more word for this chapter.

Your turn

- *Say it: durada*
- *Say it: durada*, once more
- *Say it:* say *durada*
- *Recall:* say the Telugu for to be born, then the Telugu for to confront, then say *durada* again

Before you move on

What does **దురద** mean? (“An itch”.) Say it once more.

209.2 నర్సు (narsu) — a nurse

Before the new one: say the Telugu for to confront, then the Telugu for an itch.

You’ll want to know: నర్సు

నర్సు — *narsu* — “a nurse”.

The word, taken apart — its roots and family

నర్సు (*narsu*) is a loan from English *nurse*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: narsu*
- *Say it: narsu*, once more
- *Say it:* say *narsu*
- *Recall:* say the Telugu for to confront, then the Telugu for an itch, then say *narsu* again

Before you move on

What does నర్సు mean? ("A nurse".) Say it once more.

209.3 పరీక్ష (parīkṣa) — a test, an examination

Before the new one: say the Telugu for an itch, then the Telugu for a nurse.

You'll want to know: పరీక్ష

పరీక్ష — *parīkṣa* — "a test, an examination".

The word, taken apart — its roots and family

పరీక్ష (*parīkṣa*) is Sanskrit *parīkṣā*, "examination", from *parīkṣatē*, "observes, examines" (CDIAL 7904), with the final -*ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it: parīkṣa*
- *Say it: parīkṣa*, once more
- *Say it:* say *parīkṣa*
- *Recall:* say the Telugu for an itch, then the Telugu for a nurse, then say *parīkṣa* again

Before you move on

What does పరీక్ష mean? ("A test, an examination".) Say it once more.

209.4 వైద్యం (vaidyaṁ) — medical treatment

Before the new one: say the Telugu for a nurse, then the Telugu for a test.

You'll want to know: వైద్యం

వైద్యం — *vaidyaṁ* — "medical treatment".

The word, taken apart — its roots and family

వైద్యం (*vaidyaṁ*) is Sanskrit *vaidya*, "learned; physician" (CDIAL 12140), with the Telugu noun ending *-ṁ*: "the physician's art".

What you've built

One more word for this chapter.

Your turn

- *Say it: vaidyaṁ*
- *Say it: vaidyaṁ*, once more
- *Say it:* say *vaidyaṁ*
- *Recall:* say the Telugu for a nurse, then the Telugu for a test, then say *vaidyaṁ* again

Before you move on

What does **వైద్యం** mean? ("Medical treatment".) Say it once more.

209.5 నుదురు (nuduru) — the forehead

Before the new one: say the Telugu for a test, then the Telugu for medical treatment.

You'll want to know: నుదురు

నుదురు — *nuduru* — "the forehead".

The word, taken apart — its roots and family

నుదురు (*nuduru*) is native Dravidian, one word with Tamil *nutal* and Kannada *nosalu*, "forehead" (DEDR 3705). DEDR compares Sanskrit *niṭāla*, "forehead", which CDIAL 10970 takes as a later borrowing from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nuduru*
- *Say it:* *nuduru*, once more
- *Say it:* say *nuduru*
- *Recall:* say the Telugu for a test, then the Telugu for medical treatment, then say *nuduru* again

Before you move on

What does **నుదురు** mean? ("The forehead".) Say it once more.

Chapter 210

Doubt, Contentment, Disappointment, Boredom, Pining

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say doubt, contentment, disappointment, boredom and pining.

Complete the last lesson of chapter 210: I can say doubt, contentment, disappointment, boredom and pining.

210.1 అనుమానం (anumānaṁ) — doubt, suspicion

Before the new one: say the Telugu for medical treatment, then the Telugu for the forehead.

You'll want to know: అనుమానం

అనుమానం — *anumānaṁ* — "doubt, suspicion".

The word, taken apart — its roots and family

అనుమానం (*anumānaṁ*) is Sanskrit *anumāna*, "inference, thought", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 328). The sense "doubt, suspicion" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *anumānaṁ*
- *Say it:* *anumānaṁ*, once more
- *Say it:* say *anumānaṁ*
- *Recall:* say the Telugu for medical treatment, then the Telugu for the forehead, then say *anumānaṁ* again

Before you move on

What does అనుమానం mean? ("Doubt, suspicion".) Say it once more.

210.2 తృప్తి (tṛpti) — contentment, satisfaction

Before the new one: say the Telugu for the forehead, then the Telugu for doubt.

You'll want to know: తృప్తి

తృప్తి — *tṛpti* — "contentment, satisfaction".

The word, taken apart — its roots and family

తృప్తి (*tṛpti*) is Sanskrit *tṛpti*, "satisfaction", taken over whole as a learned loan, a tatsama (CDIAL 5931).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tṛpti*
- *Say it:* *tṛpti*, once more
- *Say it:* say *tṛpti*
- *Recall:* say the Telugu for the forehead, then the Telugu for doubt, then say *tṛpti* again

Before you move on

What does తృప్తి mean? ("Contentment, satisfaction".) Say it once more.

210.3 నిరాశ (nirāśa) — disappointment

Before the new one: say the Telugu for doubt, then the Telugu for contentment.

You'll want to know: నిరాశ

నిరాశ — *nirāśa* — "disappointment".

The word, taken apart — its roots and family

నిరాశ (*nirāśa*) is Sanskrit *nirāśa*, "hopeless", taken over whole as a learned loan, a tatsama (CDIAL 7278). Telugu uses it as a noun, "disappointment".

What you've built

One more word for this chapter.

Your turn

- *Say it: nirāśa*
- *Say it: nirāśa*, once more
- *Say it:* say *nirāśa*
- *Recall:* say the Telugu for doubt, then the Telugu for contentment, then say *nirāśa* again

Before you move on

What does నిరాశ mean? ("Disappointment".) Say it once more.

210.4 విసుగు (visugu) — boredom, weariness of something

Before the new one: say the Telugu for contentment, then the Telugu for disappointment.

You'll want to know: విసుగు

విసుగు — *visugu* — "boredom, weariness of something".

The word, taken apart — its roots and family

విసుగు (*visugu*) is native Dravidian. DEDR 5386 lists *visugu*, "to be weary, disgusted; weariness", with Tamil *vicukku*, "displeasure".

What you've built

One more word for this chapter.

Your turn

- *Say it: visugu*
- *Say it: visugu*, once more
- *Say it:* say *visugu*
- *Recall:* say the Telugu for contentment, then the Telugu for disappointment, then say *visugu* again

Before you move on

What does **విసుగు** mean? ("Boredom, weariness of something".) Say it once more.

210.5 బెంగ (beṅga) — pining, homesickness

Before the new one: say the Telugu for disappointment, then the Telugu for boredom.

You'll want to know: బెంగ

బెంగ — *beṅga* — "pining, homesickness".

The word, taken apart — its roots and family

The origin of **బెంగ** (*beṅga*) is uncertain. DEDR and CDIAL list no word of this shape meaning "pining, longing".

What you've built

One more word for this chapter.

Your turn

- *Say it: beṅga*
- *Say it: beṅga*, once more
- *Say it:* say *beṅga*
- *Recall:* say the Telugu for disappointment, then the Telugu for boredom, then say *beṅga* again

Before you move on

What does **బెంగ** mean? ("Pining, homesickness".) Say it once more.

Chapter 211

Numbness, Hiccups, Snoring, Sunstroke, Steam

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say numbness, hiccups, snoring, sunstroke and steam.

Complete the last lesson of chapter 211: I can say numbness, hiccups, snoring, sunstroke and steam.

211.1 తిమ్మిరి (timmiri) — numbness, pins and needles

Before the new one: say the Telugu for boredom, then the Telugu for pining.

You'll want to know: తిమ్మిరి

తిమ్మిరి — *timmiri* — "numbness, pins and needles".

The word, taken apart — its roots and family

తిమ్మిరి (*timmiri*) is native Dravidian. DEDR 3235 lists *timmiri*, "numbness", with Tamil *timir* and Malayalam *timir*, "numbness".

What you've built

One more word for this chapter.

Your turn

- *Say it: timmiri*
- *Say it: timmiri*, once more
- *Say it:* say *timmiri*
- *Recall:* say the Telugu for boredom, then the Telugu for pining, then say *timmiri* again

Before you move on

What does తిమ్మిరి mean? ("Numbness, pins and needles".) Say it once more.

211.2 ఎక్కిళ్ళు (ekkiḷḷu) — hiccups

Before the new one: say the Telugu for pining, then the Telugu for numbness.

You'll want to know: ఎక్కిళ్ళు

ఎక్కిళ్ళు — *ekkiḷḷu* — "hiccups".

The word, taken apart — its roots and family

ఎక్కిళ్ళు (*ekkiḷḷu*) is native Dravidian. DEDR 772 lists *ekkili*, "hiccup", with Malayalam *ekkiḷ*, "hiccough"; ఎక్కిళ్ళు (*ekkiḷḷu*) is its plural.

What you've built

One more word for this chapter.

Your turn

- *Say it: ekkiḷḷu*
- *Say it: ekkiḷḷu*, once more
- *Say it:* say *ekkiḷḷu*
- *Recall:* say the Telugu for pining, then the Telugu for numbness, then say *ekkiḷḷu* again

Before you move on

What does ఎక్కిళ్ళు mean? ("Hiccups".) Say it once more.

211.3 గురక (guraka) — snoring

Before the new one: say the Telugu for numbness, then the Telugu for hiccups.

You'll want to know: గురక

గురక — *guraka* — "snoring".

The word, taken apart — its roots and family

గురక (*guraka*) is native Dravidian. DEDR 1852 lists *gu̲raka*, "snoring", with Kannada *gu̲rake* and Tamil *ku̲raṭṭai*, "snoring", and points to related sound-words across the region (CDIAL 4207).

What you've built

One more word for this chapter.

Your turn

- *Say it: guraka*
- *Say it: guraka*, once more
- *Say it:* say *guraka*
- *Recall:* say the Telugu for numbness, then the Telugu for hiccups, then say *guraka* again

Before you move on

What does **గురక** mean? ("Snoring".) Say it once more.

211.4 వడదెబ్బ (vaḍadebba) — sunstroke

Before the new one: say the Telugu for hiccups, then the Telugu for snoring.

You'll want to know: వడదెబ్బ

వడదెబ్బ — *vaḍadebba* — "sunstroke".

The word, taken apart — its roots and family

వడదెబ్బ (*vaḍadebba*) is native Dravidian: *vaḍa*, "hot wind, heat", one word with Kannada *vaḍi*, "heat" (DEDR 5225), and *debba*, "blow", one word with Kannada *debbe* (DEDR 3075).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vaḍadebba*
- *Say it:* *vaḍadebba*, once more
- *Say it:* say *vaḍadebba*
- *Recall:* say the Telugu for hiccups, then the Telugu for snoring, then say *vaḍadebba* again

Before you move on

What does **వడదెబ్బ** mean? ("Sunstroke".) Say it once more.

211.5 ఆవిరి (āviri) — steam, vapour

Before the new one: say the Telugu for snoring, then the Telugu for sunstroke.

You'll want to know: ఆవిరి

ఆవిరి — *āviri* — "steam, vapour".

The word, taken apart — its roots and family

ఆవిరి (*āviri*) is native Dravidian. DEDR 393 lists *āviri*, "vapour", with Tamil *āvi*, "steam, vapour", and Kannada *āviri*, "steam".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āviri*
- *Say it:* *āviri*, once more
- *Say it:* say *āviri*
- *Recall:* say the Telugu for snoring, then the Telugu for sunstroke, then say *āviri* again

Before you move on

What does ఆవిరి mean? ("Steam, vapour".) Say it once more.

Chapter 212

Free time, Immediately, Finally, Until, Sankranti

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say free time, immediately, finally, until and Sankranti.

Complete the last lesson of chapter 212: I can say free time, immediately, finally, until and Sankranti.

212.1 తీరిక (tīrika) — free time, leisure

Before the new one: say the Telugu for sunstroke, then the Telugu for steam.

You'll want to know: తీరిక

తీరిక — *tīrika* — "free time, leisure".

The word, taken apart — its roots and family

తీరిక (*tīrika*) looks built on native *tīru*, "to be finished, completed", one word with Tamil *tīr* (DEDR 3278); DEDR does not list *tīrika* itself.

What you've built

One more word for this chapter.

Your turn

- *Say it: tīrika*
- *Say it: tīrika*, once more
- *Say it:* say *tīrika*
- *Recall:* say the Telugu for sunstroke, then the Telugu for steam, then say *tīrika* again

Before you move on

What does **తీరిక** mean? (“Free time, leisure”.) Say it once more.

212.2 వెంటనే (veṇṭanē) — immediately

Before the new one: say the Telugu for steam, then the Telugu for free time.

You’ll want to know: వెంటనే

వెంటనే — *veṇṭanē* — “immediately”.

The word, taken apart — its roots and family

వెంటనే (*veṇṭanē*) is native Dravidian: *veṇṭa*, “behind, along with”, which DEDR 5488 lists under the word for “back”, one word with Kannada *ben*, “the back”, with the emphatic -*ē*: “right behind”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: veṇṭanē*
- *Say it: veṇṭanē*, once more
- *Say it:* say *veṇṭanē*
- *Recall:* say the Telugu for steam, then the Telugu for free time, then say *veṇṭanē* again

Before you move on

What does **వెంటనే** mean? ("Immediately".) Say it once more.

212.3 చివరకు (civaraku) — finally, at last

Before the new one: say the Telugu for free time, then the Telugu for immediately.

You'll want to know: చివరకు

చివరకు — *civaraku* — "finally, at last".

The word, taken apart — its roots and family

చివరకు (*civaraku*) is native Dravidian: *civara*, "end, tip", which DEDR 2544 lists, with *-ku*, "to": "to the end".

What you've built

One more word for this chapter.

Your turn

- *Say it: civaraku*
- *Say it: civaraku*, once more
- *Say it:* say *civaraku*
- *Recall:* say the Telugu for free time, then the Telugu for immediately, then say *civaraku* again

Before you move on

What does **చివరకు** mean? ("Finally, at last".) Say it once more.

212.4 వరకు (varaku) — until, up to

Before the new one: say the Telugu for immediately, then the Telugu for finally.

You'll want to know: వరకు

వరకు — *varaku* — "until, up to".

The word, taken apart — its roots and family

వరకు (*varaku*) is native Dravidian. DEDR 5261 lists *vaṟaku*, "up to, until", under *vaṟa*, "limit", with Malayalam *varē* and Kannada *bare*, "up to, till".

What you've built

One more word for this chapter.

Your turn

- *Say it: varaku*
- *Say it: varaku*, once more
- *Say it:* say *varaku*
- *Recall:* say the Telugu for immediately, then the Telugu for finally, then say *varaku* again

Before you move on

What does **వరకు** mean? ("Until, up to".) Say it once more.

212.5 సంక్రాంతి (saṅkrānti) — Sankranti, the January harvest festival

Before the new one: say the Telugu for finally, then the Telugu for until.

You'll want to know: సంక్రాంతి

సంక్రాంతి — *saṅkrānti* — "Sankranti, the January harvest festival".

The word, taken apart — its roots and family

సంక్రాంతి (*saṅkrānti*) is Sanskrit *saṁkrānti*, "going from one place to another; passage of a heavenly body", taken over whole as a learned

loan, a tatsama (CDIAL 12835). The festival marks the sun's passage into Capricorn.

What you've built

One more word for this chapter.

Your turn

- *Say it: saṅkrānti*
- *Say it: saṅkrānti*, once more
- *Say it:* say *saṅkrānti*
- *Recall:* say the Telugu for finally, then the Telugu for until, then say *saṅkrānti* again

Before you move on

What does సంక్రాంతి mean? ("Sankranti, the January harvest festival".) Say it once more.

Chapter 213

Suddenly, Again and again, Little while, Second, Day before yesterday

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say suddenly, again and again, a little while, a second and the day before yesterday.

Complete the last lesson of chapter 213: I can say suddenly, again and again, a little while, a second and the day before yesterday.

213.1 అకస్మాత్తుగా (akasmāttugā) — suddenly

Before the new one: say the Telugu for until, then the Telugu for Sankranti.

You'll want to know: అకస్మాత్తుగా

అకస్మాత్తుగా — *akasmāttugā* — "suddenly".

The word, taken apart — its roots and family

అకస్మాత్తుగా (*akasmāttugā*) is Sanskrit *akasmāt*, "without cause, suddenly", with the adverb ending *-gā*.

What you've built

One more word for this chapter.

Your turn

- *Say it: akasmāttugā*
- *Say it: akasmāttugā*, once more
- *Say it:* say *akasmāttugā*
- *Recall:* say the Telugu for until, then the Telugu for Sankranti, then say *akasmāttugā* again

Before you move on

What does **అకస్మాత్తుగా** mean? ("Suddenly".) Say it once more.

213.2 పదే పదే (padē padē) — again and again

Before the new one: say the Telugu for Sankranti, then the Telugu for suddenly.

You'll want to know: పదే పదే

పదే పదే — *padē padē* — "again and again".

The word, taken apart — its roots and family

పదే పదే (*padē padē*) is Sanskrit *padē padē*, "at every step", the locative of *pada*, "footstep" (CDIAL 7747), said twice.

What you've built

One more word for this chapter.

Your turn

- *Say it: padē padē*
- *Say it: padē padē*, once more
- *Say it:* say *padē padē*
- *Recall:* say the Telugu for Sankranti, then the Telugu for suddenly, then say *padē padē* again

Before you move on

What does **పదే పదే** mean? ("Again and again".) Say it once more.

213.3 కాసేపు (kāsēpu) — a little while

Before the new one: say the Telugu for suddenly, then the Telugu for again and again.

You'll want to know: కాసేపు

కాసేపు — *kāsēpu* — "a little while".

The word, taken apart — its roots and family

The origin of **కాసేపు** (*kāsēpu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "a little while".

What you've built

One more word for this chapter.

Your turn

- *Say it: kāsēpu*
- *Say it: kāsēpu*, once more
- *Say it:* say *kāsēpu*
- *Recall:* say the Telugu for suddenly, then the Telugu for again and again, then say *kāsēpu* again

Before you move on

What does **కాసేపు** mean? ("A little while".) Say it once more.

213.4 సెకను (sekanu) — a second

Before the new one: say the Telugu for again and again, then the Telugu for a little while.

You'll want to know: సెకను

సెకను — *sekanu* — "a second".

The word, taken apart — its roots and family

సెకను (*sekanu*) is a loan from English *second*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sekanu*
- *Say it: sekanu*, once more
- *Say it:* say *sekanu*
- *Recall:* say the Telugu for again and again, then the Telugu for a little while, then say *sekanu* again

Before you move on

What does **సెకను** mean? ("A second".) Say it once more.

213.5 మొన్న (monna) — the day before yesterday

Before the new one: say the Telugu for a little while, then the Telugu for a second.

You'll want to know: మొన్న

మొన్న — *monna* — "the day before yesterday".

The word, taken apart — its roots and family

మొన్న (*monna*) is native Dravidian. DEDR 5020 lists *monna*, "the day before yesterday", with Kannada *monne*, "day before yesterday", under the word for "front, before".

What you've built

One more word for this chapter.

Your turn

- *Say it: monna*
- *Say it: monna*, once more
- *Say it:* say *monna*
- *Recall:* say the Telugu for a little while, then the Telugu for a second, then say *monna* again

Before you move on

What does మొన్న mean? ("The day before yesterday".) Say it once more.

Chapter 214

Bus stand, Airport, Junction, Capital city, District

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a bus stand, an airport, a junction, a capital city and a district.

Complete the last lesson of chapter 214: I can say a bus stand, an airport, a junction, a capital city and a district.

214.1 బస్టాండు (basṭāṇḍu) — a bus stand

Before the new one: say the Telugu for a second, then the Telugu for the day before yesterday.

You'll want to know: బస్టాండు

బస్టాండు — *basṭāṇḍu* — "a bus stand".

The word, taken apart — its roots and family

బస్టాండు (*basṭāṇḍu*) is a loan from English *bus stand*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *basṭāṇḍu*
- *Say it:* *basṭāṇḍu*, once more
- *Say it:* say *basṭāṇḍu*
- *Recall:* say the Telugu for a second, then the Telugu for the day before yesterday, then say *basṭāṇḍu* again

Before you move on

What does **బస్టాండు** mean? ("A bus stand".) Say it once more.

214.2 విమానాశ్రయం (vimānāśrayaṁ) — an airport

Before the new one: say the Telugu for the day before yesterday, then the Telugu for a bus stand.

You'll want to know: విమానాశ్రయం

విమానాశ్రయం — *vimānāśrayaṁ* — "an airport".

The word, taken apart — its roots and family

విమానాశ్రయం (*vimānāśrayaṁ*) is Sanskrit: *vimāna*, "car of the gods", now "aeroplane" (CDIAL 11823), and *āśraya*, "resting place, refuge" (CDIAL 1466), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vimānāśrayaṁ*
- *Say it:* *vimānāśrayaṁ*, once more
- *Say it:* say *vimānāśrayaṁ*
- *Recall:* say the Telugu for the day before yesterday, then the Telugu for a bus stand, then say *vimānāśrayaṁ* again

Before you move on

What does **విమానాశ్రయం** mean? ("An airport".) Say it once more.

214.3 కూడలి (kūḍali) — a junction, a crossroads

Before the new one: say the Telugu for a bus stand, then the Telugu for an airport.

You'll want to know: కూడలి

కూడలి — *kūḍali* — "a junction, a crossroads".

The word, taken apart — its roots and family

కూడలి (*kūḍali*) is native Dravidian. DEDR 1882 lists *kūḍali*, "joining", under *kūḍu*, "to join, meet", one word with Tamil *kūṭu*, "to come together".

What you've built

One more word for this chapter.

Your turn

- *Say it: kūḍali*
- *Say it: kūḍali*, once more
- *Say it:* say *kūḍali*
- *Recall:* say the Telugu for a bus stand, then the Telugu for an airport, then say *kūḍali* again

Before you move on

What does **కూడలి** mean? ("A junction, a crossroads".) Say it once more.

214.4 రాజధాని (rājadhāni) — a capital city

Before the new one: say the Telugu for an airport, then the Telugu for a junction.

You'll want to know: రాజధాని

రాజధాని — *rājadhāni* — "a capital city".

The word, taken apart — its roots and family

రాజధాని (*rājadhāni*) is Sanskrit *rājadhānī*, "royal seat", from *rājan*, "king" (CDIAL 10679), with the final *-ī* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *rājadhāni*
- *Say it:* *rājadhāni*, once more
- *Say it:* say *rājadhāni*
- *Recall:* say the Telugu for an airport, then the Telugu for a junction, then say *rājadhāni* again

Before you move on

What does **రాజధాని** mean? ("A capital city".) Say it once more.

214.5 జిల్లా (jillā) — a district

Before the new one: say the Telugu for a junction, then the Telugu for a capital city.

You'll want to know: జిల్లా

జిల్లా — *jillā* — "a district".

The word, taken apart — its roots and family

జిల్లా (*jillā*) is a loan from Arabic *ḍil*^{c}, "side; district", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: jillā*
- *Say it: jillā*, once more
- *Say it:* say *jillā*
- *Recall:* say the Telugu for a junction, then the Telugu for a capital city, then say *jillā* again

Before you move on

What does **జిల్లా** mean? ("A district".) Say it once more.

Chapter 215

Desert, Rock, Open ground, Theatre, Stadium

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a desert, a rock, an open ground, a theatre and a stadium.

Complete the last lesson of chapter 215: I can say a desert, a rock, an open ground, a theatre and a stadium.

215.1 ఎడారి (eḍāri) — a desert

Before the new one: say the Telugu for a capital city, then the Telugu for a district.

You'll want to know: ఎడారి

ఎడారి — *eḍāri* — "a desert".

The word, taken apart — its roots and family

ఎడారి (*eḍāri*) is Dravidian as far as DEDR records it: DEDR 781 lists *eḍāri*, "a desert, wilderness", and notes that Tamil *eṭār*, "open plain", was borrowed from Telugu.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *eḍāri*
- *Say it:* *eḍāri*, once more
- *Say it:* say *eḍāri*
- *Recall:* say the Telugu for a capital city, then the Telugu for a district, then say *eḍāri* again

Before you move on

What does ఎడారి mean? (“A desert”.) Say it once more.

215.2 బండ (baṇḍa) — a rock, a boulder

Before the new one: say the Telugu for a district, then the Telugu for a desert.

You’ll want to know: బండ

బండ — *baṇḍa* — “a rock, a boulder”.

The word, taken apart — its roots and family

బండ (*baṇḍa*) is native Dravidian, one word with Kannada *baṇḍe* (DEDR 3903). DEDR lists Telugu *baṇḍa*, “rock, block of stone”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *baṇḍa*
- *Say it:* *baṇḍa*, once more
- *Say it:* say *baṇḍa*
- *Recall:* say the Telugu for a district, then the Telugu for a desert, then say *baṇḍa* again

Before you move on

What does **బండ** mean? ("A rock, a boulder".) Say it once more.

215.3 మైదానం (maidānaṁ) — an open ground, a plain

Before the new one: say the Telugu for a desert, then the Telugu for a rock.

You'll want to know: మైదానం

మైదానం — *maidānaṁ* — "an open ground, a plain".

The word, taken apart — its roots and family

మైదానం (*maidānaṁ*) is a loan from Persian *maidān*, "open plain, field", which came through Hindustani and took the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: maidānaṁ*
- *Say it: maidānaṁ*, once more
- *Say it:* say *maidānaṁ*
- *Recall:* say the Telugu for a desert, then the Telugu for a rock, then say *maidānaṁ* again

Before you move on

What does **మైదానం** mean? ("An open ground, a plain".) Say it once more.

215.4 థియేటరు (thiyēṭaru) — a theatre, a cinema hall

Before the new one: say the Telugu for a rock, then the Telugu for an open ground.

You'll want to know: థియేటరు

థియేటరు — *thiyēṭaru* — "a theatre, a cinema hall".

The word, taken apart — its roots and family

థియేటరు (*thiyēṭaru*) is a loan from English *theatre*.

What you've built

One more word for this chapter.

Your turn

- *Say it: thiyēṭaru*
- *Say it: thiyēṭaru*, once more
- *Say it:* say *thiyēṭaru*
- *Recall:* say the Telugu for a rock, then the Telugu for an open ground, then say *thiyēṭaru* again

Before you move on

What does **థియేటరు** mean? ("A theatre, a cinema hall".) Say it once more.

215.5 స్టేడియం (sṭēḍiyaṁ) — a stadium

Before the new one: say the Telugu for an open ground, then the Telugu for a theatre.

You'll want to know: స్టేడియం

స్టేడియం — *sṭēḍiyaṁ* — "a stadium".

The word, taken apart — its roots and family

స్టేడియం (*sṭēḍiyaṁ*) is a loan from English *stadium*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sṭēḍiyaṁ*
- *Say it: sṭēḍiyaṁ*, once more
- *Say it:* say *sṭēḍiyaṁ*
- *Recall:* say the Telugu for an open ground, then the Telugu for a theatre, then say *sṭēḍiyaṁ* again

Before you move on

What does స్టేడియం mean? ("A stadium".) Say it once more.

Chapter 216

Bathroom, Foundation, Gate, Bakery, Hair salon

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say a bathroom, a foundation, a gate, a bakery and a hair salon.

Complete the last lesson of chapter 216: I can say a bathroom, a foundation, a gate, a bakery and a hair salon.

216.1 స్నానపు గది (snānapu gadi) — a bathroom

Before the new one: say the Telugu for a theatre, then the Telugu for a stadium.

You'll want to know: స్నానపు గది

స్నానపు గది — *snānapu gadi* — "a bathroom".

The word, taken apart — its roots and family

స్నానపు గది (*snānapu gadi*) is Sanskrit *snāna*, "bathing" (CDIAL 13789), in its joining form *snānapu*, and *gadi*, "room", whose origin is uncertain.

What you've built

One more word for this chapter.

Your turn

- *Say it: snānapu gadi*
- *Say it: snānapu gadi*, once more
- *Say it:* say *snānapu gadi*
- *Recall:* say the Telugu for a theatre, then the Telugu for a stadium, then say *snānapu gadi* again

Before you move on

What does స్నానపు గది mean? ("A bathroom".) Say it once more.

216.2 పునాది (punādi) — a foundation

Before the new one: say the Telugu for a stadium, then the Telugu for a bathroom.

You'll want to know: పునాది

పునాది — *punādi* — "a foundation".

The word, taken apart — its roots and family

పునాది (*punādi*) is a loan from Persian *bunyād*, "foundation", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: punādi*
- *Say it: punādi*, once more
- *Say it:* say *punādi*
- *Recall:* say the Telugu for a stadium, then the Telugu for a bathroom, then say *punādi* again

Before you move on

What does పునాది mean? ("A foundation".) Say it once more.

216.3 గేటు (gēṭu) — a gate

Before the new one: say the Telugu for a bathroom, then the Telugu for a foundation.

You'll want to know: గేటు

గేటు — *gēṭu* — "a gate".

The word, taken apart — its roots and family

గేటు (*gēṭu*) is a loan from English *gate*.

What you've built

One more word for this chapter.

Your turn

- *Say it: gēṭu*
- *Say it: gēṭu*, once more
- *Say it:* say *gēṭu*
- *Recall:* say the Telugu for a bathroom, then the Telugu for a foundation, then say *gēṭu* again

Before you move on

What does **గేటు** mean? ("A gate".) Say it once more.

216.4 బేకరీ (bēkarī) — a bakery

Before the new one: say the Telugu for a foundation, then the Telugu for a gate.

You'll want to know: బేకరీ

బేకరీ — *bēkarī* — "a bakery".

The word, taken apart — its roots and family

బేకరీ (*bēkarī*) is a loan from English *bakery*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bēkarī*
- *Say it:* *bēkarī*, once more
- *Say it:* say *bēkarī*
- *Recall:* say the Telugu for a foundation, then the Telugu for a gate, then say *bēkarī* again

Before you move on

What does **బేకరీ** mean? ("A bakery".) Say it once more.

216.5 సెలూను (selūnu) — a hair salon

Before the new one: say the Telugu for a gate, then the Telugu for a bakery.

You'll want to know: సెలూను

సెలూను — *selūnu* — "a hair salon".

The word, taken apart — its roots and family

సెలూను (*selūnu*) is a loan from English *saloon*.

What you've built

One more word for this chapter.

Your turn

- *Say it: selūnu*
- *Say it: selūnu*, once more
- *Say it:* say *selūnu*
- *Recall:* say the Telugu for a gate, then the Telugu for a bakery, then say *selūnu* again

Before you move on

What does సెలూను mean? ("A hair salon".) Say it once more.

216.6 Words from chapters 208-211 — a first pass

Say the words for a bakery and a hair salon.

Your turn

Say these aloud:

- to stick, to gargle, to die, to be born, to confront
- an itch, a nurse, a test, medical treatment, the forehead
- doubt, contentment, disappointment, boredom, pining
- numbness, hiccups, snoring, sunstroke, steam

Before you move on

To stick? (అతుకు, *atuku.*) To gargle? (పుక్కిలించు, *pukkiliñcu.*) To die? (చనిపోవు, *canipōvu.*) To be born? (పుట్టు, *puṭṭu.*) To confront? (ఎదుర్కొను, *edurkonu.*) An itch? (దురద, *durada.*) A nurse? (నర్సు, *narsu.*) A test? (పరీక్ష, *parīkṣa.*) Medical treatment? (వైద్యం, *vaidyaṁ.*) The forehead? (నుదురు, *nuduru.*) Doubt? (అనుమానం, *anumānaṁ.*) Contentment? (తృప్తి, *tṛpti.*) Disappointment? (నిరాశ, *nirāśa.*) Boredom? (విసుగు, *visugu.*) Pining? (బెంగ, *beṅga.*) Numbness? (తిమ్మిరి, *timmiri.*) Hiccups? (ఎక్కిళ్ళు, *ekkiḷḷu.*) Snoring? (గురక, *guraka.*) Sunstroke? (వడదెబ్బ, *vaḍadebba.*) Steam? (ఆవిరి,

āviri.)

216.7 Words from chapters 212-216 — a second pass

Say the words for free time and immediately.

Your turn

Say these aloud:

- free time, immediately, finally, until, Sankranti
- suddenly, again and again, a little while, a second, the day before yesterday
- a bus stand, an airport, a junction, a capital city, a district
- a desert, a rock, an open ground, a theatre, a stadium
- a bathroom, a foundation, a gate, a bakery, a hair salon

Before you move on

Free time? (**తీరిక**, *tīrika.*) Immediately? (**వెంటనే**, *veṇṭanē.*) Finally? (**చివరకు**, *civaraku.*) Until? (**వరకు**, *varaku.*) Sankranti? (**సంక్రాంతి**, *saṅkrānti.*) Suddenly? (**అకస్మాత్తుగా**, *akasmāttugā.*) Again and again? (**పదే పదే**, *padē padē.*) A little while? (**కాసేపు**, *kāsēpu.*) A second? (**సెకను**, *sekanu.*) The day before yesterday? (**మొన్న**, *monna.*) A bus stand? (**బస్టాండు**, *basṭāṇḍu.*) An airport? (**విమానాశ్రయం**, *vimānāśrayaṁ.*) A junction? (**కూడలి**, *kūḍali.*) A capital city? (**రాజధాని**, *rājadhāni.*) A district? (**జిల్లా**, *jillā.*) A desert? (**ఎడారి**, *eḍāri.*) A rock? (**బండ**, *baṇḍa.*) An open ground? (**మైదానం**, *maidānaṁ.*) A theatre? (**థియేటరు**, *thiyēṭaru.*) A stadium? (**స్టేడియం**, *sṭēḍiyaṁ.*) A bathroom? (**స్నానపు గది**, *snānapu gadi.*) A foundation? (**పునాది**, *punādi.*) A gate? (**గేటు**, *gēṭu.*) A bakery? (**బేకరీ**, *bēkarī.*) A hair salon? (**సెలూను**, *selūnu.*)

Chapter 217

Together, Except, Tradition, Custom, Habit

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say together, except, a tradition, a custom and a habit.

Complete the last lesson of chapter 217: I can say together, except, a tradition, a custom and a habit.

217.1 కలిసి (kalisi) — together

Before the new one: say the Telugu for a bakery, then the Telugu for a hair salon.

You'll want to know: కలిసి

కలిసి — *kalisi* — "together".

The word, taken apart — its roots and family

కలిసి (*kalisi*) is native Dravidian, from *kaliyu*, "to join, meet" (DEDR 1299), one word with Tamil *kala*, "to unite": "having joined".

What you've built

One more word for this chapter.

Your turn

- *Say it: kalisi*
- *Say it: kalisi*, once more
- *Say it:* say *kalisi*
- *Recall:* say the Telugu for a bakery, then the Telugu for a hair salon, then say *kalisi* again

Before you move on

What does **కలిసి** mean? ("Together".) Say it once more.

217.2 తప్ప (tappa) — except

Before the new one: say the Telugu for a hair salon, then the Telugu for together.

You'll want to know: తప్ప

తప్ప — *tappa* — "except".

The word, taken apart — its roots and family

తప్ప (*tappa*) is native Dravidian. DEDR 3071 lists *tappa*, "except, but", under *tappu*, "to miss, fail", one word with Tamil *tappu*, "to err".

What you've built

One more word for this chapter.

Your turn

- *Say it: tappa*
- *Say it: tappa*, once more
- *Say it:* say *tappa*
- *Recall:* say the Telugu for a hair salon, then the Telugu for together, then say *tappa* again

Before you move on

What does **తప్ప** mean? ("Except".) Say it once more.

217.3 సంప్రదాయం (sampradāyaṁ) — a tradition

Before the new one: say the Telugu for together, then the Telugu for except.

You'll want to know: సంప్రదాయం

సంప్రదాయం — *sampradāyaṁ* — "a tradition".

The word, taken apart — its roots and family

సంప్రదాయం (*sampradāyaṁ*) is Sanskrit *sampradāya*, "handing down, tradition", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sampradāyaṁ*
- *Say it: sampradāyaṁ*, once more
- *Say it:* say *sampradāyaṁ*
- *Recall:* say the Telugu for together, then the Telugu for except, then say *sampradāyaṁ* again

Before you move on

What does **సంప్రదాయం** mean? ("A tradition".) Say it once more.

217.4 ఆచారం (ācāraṁ) — a custom, a practice

Before the new one: say the Telugu for except, then the Telugu for a tradition.

You'll want to know: ఆచారం

ఆచారం — *ācāraṁ* — "a custom, a practice".

The word, taken apart — its roots and family

ఆచారం (*ācāraṁ*) is Sanskrit *ācāra*, "mode of action", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 1071).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ācāraṁ*
- *Say it:* *ācāraṁ*, once more
- *Say it:* say *ācāraṁ*
- *Recall:* say the Telugu for except, then the Telugu for a tradition, then say *ācāraṁ* again

Before you move on

What does **ఆచారం** mean? ("A custom, a practice".) Say it once more.

217.5 అలవాటు (alavāṭu) — a habit

Before the new one: say the Telugu for a tradition, then the Telugu for a custom.

You'll want to know: అలవాటు

అలవాటు — *alavāṭu* — "a habit".

The word, taken apart — its roots and family

అలవాటు (*alavāṭu*) is Dravidian as far as DEDR records it: DEDR 249 lists *alavāṭu*, "habit, custom", under *ala-vaḍu*, "to be accustomed", and

notes that Tamil *alavāṭṭu* was borrowed from Telugu.

What you've built

One more word for this chapter.

Your turn

- *Say it: alavāṭu*
- *Say it: alavāṭu*, once more
- *Say it:* say *alavāṭu*
- *Recall:* say the Telugu for a tradition, then the Telugu for a custom, then say *alavāṭu* again

Before you move on

What does **అలవాటు** mean? ("A habit".) Say it once more.

Chapter 218

Result, Goal, Example, Difference, Effort

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a result, a goal, an example, a difference and effort.

Complete the last lesson of chapter 218: I can say a result, a goal, an example, a difference and effort.

218.1 ఫలితం (phalitaṁ) — a result

Before the new one: say the Telugu for a custom, then the Telugu for a habit.

You'll want to know: ఫలితం

ఫలితం — *phalitaṁ* — "a result".

The word, taken apart — its roots and family

ఫలితం (*phalitaṁ*) is Sanskrit *phalita*, "bearing fruit", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 9060a). The sense "result" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it: phalitaṁ*
- *Say it: phalitaṁ*, once more
- *Say it:* say *phalitaṁ*
- *Recall:* say the Telugu for a custom, then the Telugu for a habit, then say *phalitaṁ* again

Before you move on

What does ఫలితం mean? ("A result".) Say it once more.

218.2 లక్ష్యం (lakṣyaṁ) — a goal, an aim

Before the new one: say the Telugu for a habit, then the Telugu for a result.

You'll want to know: లక్ష్యం

లక్ష్యం — *lakṣyaṁ* — "a goal, an aim".

The word, taken apart — its roots and family

లక్ష్యం (*lakṣyaṁ*) is Sanskrit *lakṣya*, "stake, prize; mark, sign; aim", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 10881).

What you've built

One more word for this chapter.

Your turn

- *Say it: lakṣyaṁ*
- *Say it: lakṣyaṁ*, once more
- *Say it:* say *lakṣyaṁ*
- *Recall:* say the Telugu for a habit, then the Telugu for a result, then say *lakṣyaṁ* again

Before you move on

What does **లక్ష్యం** mean? ("A goal, an aim".) Say it once more.

218.3 ఉదాహరణ (udāharaṇa) — an example

Before the new one: say the Telugu for a result, then the Telugu for a goal.

You'll want to know: ఉదాహరణ

ఉదాహరణ — *udāharaṇa* — "an example".

The word, taken apart — its roots and family

ఉదాహరణ (*udāharaṇa*) is Sanskrit *udāharaṇa*, "example, illustration", taken over whole as a learned loan, a tatsama.

What you've built

One more word for this chapter.

Your turn

- *Say it: udāharaṇa*
- *Say it: udāharaṇa*, once more
- *Say it:* say *udāharaṇa*
- *Recall:* say the Telugu for a result, then the Telugu for a goal, then say *udāharaṇa* again

Before you move on

What does **ఉదాహరణ** mean? ("An example".) Say it once more.

218.4 తేడా (tēḍā) — a difference

Before the new one: say the Telugu for a goal, then the Telugu for an example.

You'll want to know: తేడా

తేడా — *tēḍā* — "a difference".

The word, taken apart — its roots and family

The origin of **తేడా** (*tēḍā*) is uncertain. DEDR and CDIAL list no word of this shape meaning "difference". DEDR 3411 *treḍḍu*, "ladle", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: tēḍā*
- *Say it: tēḍā*, once more
- *Say it:* say *tēḍā*
- *Recall:* say the Telugu for a goal, then the Telugu for an example, then say *tēḍā* again

Before you move on

What does **తేడా** mean? ("A difference".) Say it once more.

218.5 శ్రమ (śrama) — effort, toil

Before the new one: say the Telugu for an example, then the Telugu for a difference.

You'll want to know: శ్రమ

శ్రమ — *śrama* — "effort, toil".

The word, taken apart — its roots and family

శ్రమ (*śrama*) is Sanskrit *śrama*, "labour; fatigue", taken over whole as a learned loan, a tatsama (CDIAL 12682).

What you've built

One more word for this chapter.

Your turn

- *Say it: śrama*
- *Say it: śrama*, once more
- *Say it:* say *śrama*
- *Recall:* say the Telugu for an example, then the Telugu for a difference, then say *śrama* again

Before you move on

What does శ్రము mean? ("Effort, toil".) Say it once more.

Chapter 219

Blame, Basis, Proof, Development, Motivation

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say blame, a basis, proof, a development and motivation.

Complete the last lesson of chapter 219: I can say blame, a basis, proof, a development and motivation.

219.1 నింద (ninda) — blame

Before the new one: say the Telugu for a difference, then the Telugu for effort.

You'll want to know: నింద

నింద — *ninda* — "blame".

The word, taken apart — its roots and family

నింద (*ninda*) is Sanskrit *nindā*, "blame", taken over whole as a learned loan, a tatsama, with the final -*ā* shortened (CDIAL 7212).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ninda*
- *Say it:* *ninda*, once more
- *Say it:* say *ninda*
- *Recall:* say the Telugu for a difference, then the Telugu for effort, then say *ninda* again

Before you move on

What does **నింద** mean? (“Blame”.) Say it once more.

219.2 ఆధారం (ādhāraṁ) — a basis; evidence

Before the new one: say the Telugu for effort, then the Telugu for blame.

You’ll want to know: ఆధారం

ఆధారం — *ādhāraṁ* — “a basis; evidence”.

The word, taken apart — its roots and family

ఆధారం (*ādhāraṁ*) is Sanskrit *ādhāra*, “support, substratum”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 1165).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *ādhāraṁ*
- *Say it:* *ādhāraṁ*, once more
- *Say it:* say *ādhāraṁ*
- *Recall:* say the Telugu for effort, then the Telugu for blame, then say *ādhāraṁ* again

Before you move on

What does **ఆధారం** mean? ("A basis; evidence".) Say it once more.

219.3 రుజువు (rujuvu) — proof

Before the new one: say the Telugu for blame, then the Telugu for a basis.

You'll want to know: రుజువు

రుజువు — *rujuvu* — "proof".

The word, taken apart — its roots and family

The origin of **రుజువు** (*rujuvu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "proof".

What you've built

One more word for this chapter.

Your turn

- *Say it: rujuvu*
- *Say it: rujuvu*, once more
- *Say it:* say *rujuvu*
- *Recall:* say the Telugu for blame, then the Telugu for a basis, then say *rujuvu* again

Before you move on

What does **రుజువు** mean? ("Proof".) Say it once more.

219.4 పరిణామం (pariṇāmaṁ) — a development, an outcome

Before the new one: say the Telugu for a basis, then the Telugu for proof.

You'll want to know: పరిణామం

పరిణామం — *pariṇāmaṁ* — "a development, an outcome".

The word, taken apart — its roots and family

పరిణామం (*pariṇāmaṁ*) is Sanskrit *pariṇāma*, "change, development, outcome", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: pariṇāmaṁ*
- *Say it: pariṇāmaṁ*, once more
- *Say it:* say *pariṇāmaṁ*
- *Recall:* say the Telugu for a basis, then the Telugu for proof, then say *pariṇāmaṁ* again

Before you move on

What does **పరిణామం** mean? ("A development, an outcome".) Say it once more.

219.5 ప్రేరణ (prēraṇa) — motivation, inspiration

Before the new one: say the Telugu for proof, then the Telugu for a development.

You'll want to know: ప్రేరణ

ప్రేరణ — *prēraṇa* — "motivation, inspiration".

The word, taken apart — its roots and family

ప్రేరణ (*prēraṇa*) is Sanskrit *prēraṇa*, "driving on", taken over whole as a learned loan, a tatsama (CDIAL 9000).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *prēraṇa*
- *Say it:* *prēraṇa*, once more
- *Say it:* say *prēraṇa*
- *Recall:* say the Telugu for proof, then the Telugu for a development, then say *prēraṇa* again

Before you move on

What does ప్రేరణ mean? ("Motivation, inspiration".) Say it once more.

Chapter 220

Free, Full, Fat, Thin, Raw

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say free, full, fat, thin and raw.
>
> *Complete the last lesson of chapter 220: I can say free, full, fat, thin and raw.*

220.1 ఉచితం (ucitaṁ) — free (of charge)

Before the new one: say the Telugu for a development, then the Telugu for motivation.

You'll want to know: ఉచితం

ఉచితం — *ucitaṁ* — "free (of charge)".

The word, taken apart — its roots and family

ఉచితం (*ucitaṁ*) is Sanskrit *ucita*, "fitting, customary", taken over whole as a learned loan, a tatsama, with the Telugu ending *-ṁ*. The sense "free of charge" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ucitaṁ*
- *Say it:* *ucitaṁ*, once more
- *Say it:* say *ucitaṁ*
- *Recall:* say the Telugu for a development, then the Telugu for motivation, then say *ucitaṁ* again

Before you move on

What does **ఉచితం** mean? (“Free (of charge)”.) Say it once more.

220.2 నిండు (niṇḍu) — full

Before the new one: say the Telugu for motivation, then the Telugu for free.

You’ll want to know: నిండు

నిండు — *niṇḍu* — “full”.

The word, taken apart — its roots and family

నిండు (*niṇḍu*) is native Dravidian. DEDR 3682 lists *niṇḍu*, “to be filled; full”, with Tamil *niṟai*, “to become full”, and notes that in Telugu this root has run together with another.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *niṇḍu*
- *Say it:* *niṇḍu*, once more
- *Say it:* say *niṇḍu*
- *Recall:* say the Telugu for motivation, then the Telugu for free, then say *niṇḍu* again

Before you move on

What does **నిండు** mean? ("Full".) Say it once more.

220.3 లావు (lāvu) — fat, thick

Before the new one: say the Telugu for free, then the Telugu for full.

You'll want to know: లావు

లావు — *lāvu* — "fat, thick".

The word, taken apart — its roots and family

లావు (*lāvu*) is native Dravidian. DEDR 291 lists *lāvu*, "strength, bigness, fatness", with Kannada *aḷavu*, "strength".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *lāvu*
- *Say it:* *lāvu*, once more
- *Say it:* say *lāvu*
- *Recall:* say the Telugu for free, then the Telugu for full, then say *lāvu* again

Before you move on

What does **లావు** mean? ("Fat, thick".) Say it once more.

220.4 సన్నని (sannani) — thin, slim

Before the new one: say the Telugu for full, then the Telugu for fat.

You'll want to know: సన్నని

సన్నని — *sannani* — "thin, slim".

The word, taken apart — its roots and family

The origin of సన్నని (*sannani*) is uncertain. It may come from Prakrit *saṇha*, "fine, small", from Sanskrit *ślakṣṇa*, "smooth; thin" (CDIAL 12732), but no source says so.

What you've built

One more word for this chapter.

Your turn

- *Say it: sannani*
- *Say it: sannani*, once more
- *Say it:* say *sannani*
- *Recall:* say the Telugu for full, then the Telugu for fat, then say *sannani* again

Before you move on

What does సన్నని mean? ("Thin, slim".) Say it once more.

220.5 పచ్చి (pacci) — raw, unripe

Before the new one: say the Telugu for fat, then the Telugu for thin.

You'll want to know: పచ్చి

పచ్చి — *pacci* — "raw, unripe".

The word, taken apart — its roots and family

పచ్చి (*pacci*) is native Dravidian. DEDR 3821 lists *pacci*, "raw, unripe, green", with Kannada *pacce*, "unripeness, rawness", and Tamil *paca*, "to be green".

What you've built

One more word for this chapter.

Your turn

- *Say it: pacci*
- *Say it: pacci*, once more
- *Say it:* say *pacci*
- *Recall:* say the Telugu for fat, then the Telugu for thin, then say *pacci* again

Before you move on

What does పచ్చి mean? ("Raw, unripe".) Say it once more.

Chapter 221

Brown, Silver, Pale, Round, Sharp

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say brown, silver, pale, round and sharp.
>
> *Complete the last lesson of chapter 221: I can say brown, silver, pale, round and sharp.*

221.1 గోధుమ రంగు (gōdhuma raṅgu) — brown

Before the new one: say the Telugu for thin, then the Telugu for raw.

You'll want to know: గోధుమ రంగు

గోధుమ రంగు — *gōdhuma raṅgu* — "brown".

The word, taken apart — its roots and family

గోధుమ రంగు (*gōdhuma raṅgu*) pairs Sanskrit *gōdhūma*, "wheat" (CDIAL 4287), with *raṅgu*, "colour", from Sanskrit *raṅga*, "dye, colour" (CDIAL 10560): "wheat colour".

What you've built

One more word for this chapter.

Your turn

- *Say it: gōdhuma raṅgu*
- *Say it: gōdhuma raṅgu*, once more
- *Say it:* say *gōdhuma raṅgu*
- *Recall:* say the Telugu for thin, then the Telugu for raw, then say *gōdhuma raṅgu* again

Before you move on

What does గోధుమ రంగు mean? (“Brown”.) Say it once more.

221.2 వెండి (veṇḍi) — silver

Before the new one: say the Telugu for raw, then the Telugu for brown.

You’ll want to know: వెండి

వెండి — *veṇḍi* — “silver”.

The word, taken apart — its roots and family

వెండి (*veṇḍi*) is native Dravidian. DEDR 5496 lists *veṇḍi*, “silver”, under the word for “white”, one word with Tamil *veḷ*, “white”. DEDR 5481 *veṇḍi*, “again”, is a different word.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: veṇḍi*
- *Say it: veṇḍi*, once more
- *Say it:* say *veṇḍi*
- *Recall:* say the Telugu for raw, then the Telugu for brown, then say *veṇḍi* again

Before you move on

What does **వెండి** mean? ("Silver".) Say it once more.

221.3 లేత (lēta) — pale (of a colour); tender, young

Before the new one: say the Telugu for brown, then the Telugu for silver.

You'll want to know: లేత

లేత — *lēta* — "pale (of a colour); tender, young".

The word, taken apart — its roots and family

లేత (*lēta*) is native Dravidian. DEDR 513 lists a nasalised *lēta*, "young, tender", with Tamil *iḷa* and Kannada *eḷa*, "young, tender". DEDR compares Prakrit *līva*, "child".

What you've built

One more word for this chapter.

Your turn

- *Say it: lēta*
- *Say it: lēta*, once more
- *Say it:* say *lēta*
- *Recall:* say the Telugu for brown, then the Telugu for silver, then say *lēta* again

Before you move on

What does **లేత** mean? ("Pale (of a colour); tender, young".) Say it once more.

221.4 గుండ్రని (guṇḍrani) — round

Before the new one: say the Telugu for silver, then the Telugu for pale.

You'll want to know: గుండ్రని

గుండ్రని — *guṇḍrani* — "round".

The word, taken apart — its roots and family

గుండ్రని (*guṇḍrani*) is native Dravidian. DEDR 1695 lists *guṇḍrani*, "round", under *guṇḍu*, "anything round", with Kannada *guṇḍa*, "roundness", and Tamil *kuṇṭu*, "ball".

What you've built

One more word for this chapter.

Your turn

- *Say it: guṇḍrani*
- *Say it: guṇḍrani*, once more
- *Say it:* say *guṇḍrani*
- *Recall:* say the Telugu for silver, then the Telugu for pale, then say *guṇḍrani* again

Before you move on

What does గుండ్రని mean? ("Round".) Say it once more.

221.5 పదునైన (padunaina) — sharp

Before the new one: say the Telugu for pale, then the Telugu for round.

You'll want to know: పదునైన

పదునైన — *padunaina* — "sharp".

The word, taken apart — its roots and family

పదునైన (*padunaina*) is native Dravidian: *padunu*, “sharpness”, one word with Kannada *pada*, “keenness of edge” (DEDR 3907), with *aina*, “which is” (DEDR 333).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: padunaina*
- *Say it: padunaina*, once more
- *Say it:* say *padunaina*
- *Recall:* say the Telugu for pale, then the Telugu for round, then say *padunaina* again

Before you move on

What does పదునైన mean? (“Sharp”.) Say it once more.

Chapter 222

Fun, Modern, Clear, Different, Fair

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say fun, modern, clear, different and fair.
>
> *Complete the last lesson of chapter 222: I can say fun, modern, clear, different and fair.*

222.1 సరదా (saradā) — fun; a fondness

Before the new one: say the Telugu for round, then the Telugu for sharp.

You'll want to know: సరదా

సరదా — *saradā* — "fun; a fondness".

The word, taken apart — its roots and family

The origin of సరదా (*saradā*) is uncertain. DEDR and CDIAL list no word of this shape meaning "fun, fondness".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *saradā*
- *Say it:* *saradā*, once more
- *Say it:* say *saradā*
- *Recall:* say the Telugu for round, then the Telugu for sharp, then say *saradā* again

Before you move on

What does **సరదా** mean? (“Fun; a fondness”.) Say it once more.

222.2 ఆధునిక (ādhunika) — modern

Before the new one: say the Telugu for sharp, then the Telugu for fun.

You’ll want to know: ఆధునిక

ఆధునిక — *ādhunika* — “modern”.

The word, taken apart — its roots and family

ఆధునిక (*ādhunika*) is Sanskrit *ādhunika*, “of the present time”, taken over whole as a learned loan, a tatsama.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *ādhunika*
- *Say it:* *ādhunika*, once more
- *Say it:* say *ādhunika*
- *Recall:* say the Telugu for sharp, then the Telugu for fun, then say *ādhunika* again

Before you move on

What does **ఆధునిక** mean? (“Modern”.) Say it once more.

222.3 స్పష్టమైన (spaṣṭamaina) — clear

Before the new one: say the Telugu for fun, then the Telugu for modern.

You’ll want to know: స్పష్టమైన

స్పష్టమైన — *spaṣṭamaina* — “clear”.

The word, taken apart — its roots and family

స్పష్టమైన (*spaṣṭamaina*) is Sanskrit *spaṣṭa*, “clear, distinct”, with native *aina*, “which is”, from *agu*, “to be” (DEDR 333).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: spaṣṭamaina*
- *Say it: spaṣṭamaina*, once more
- *Say it:* say *spaṣṭamaina*
- *Recall:* say the Telugu for fun, then the Telugu for modern, then say *spaṣṭamaina* again

Before you move on

What does **స్పష్టమైన** mean? (“Clear”.) Say it once more.

222.4 భిన్నమైన (bhinnamaina) — different

Before the new one: say the Telugu for modern, then the Telugu for clear.

You'll want to know: భిన్నమైన

భిన్నమైన — *bhinnamaina* — "different".

The word, taken apart — its roots and family

భిన్నమైన (*bhinnamaina*) is Sanskrit *bhinna*, "split; different" (CDIAL 9498), with native *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: bhinnamaina*
- *Say it: bhinnamaina*, once more
- *Say it:* say *bhinnamaina*
- *Recall:* say the Telugu for modern, then the Telugu for clear, then say *bhinnamaina* again

Before you move on

What does భిన్నమైన mean? ("Different".) Say it once more.

222.5 న్యాయమైన (nyāyamaina) — fair, righteous

Before the new one: say the Telugu for clear, then the Telugu for different.

You'll want to know: న్యాయమైన

న్యాయమైన — *nyāyamaina* — "fair, righteous".

The word, taken apart — its roots and family

న్యాయమైన (*nyāyamaina*) is Sanskrit *nyāya*, "rule, method" (CDIAL 7614), which Telugu uses for "justice", with native *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nyāyamaina*
- *Say it:* *nyāyamaina*, once more
- *Say it:* say *nyāyamaina*
- *Recall:* say the Telugu for clear, then the Telugu for different, then say *nyāyamaina* again

Before you move on

What does న్యాయమైన mean? ("Fair, righteous".) Say it once more.

Chapter 223

Personal, Private, Useless, Messy, Rude

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say personal, private, useless, messy and rude.

Complete the last lesson of chapter 223: I can say personal, private, useless, messy and rude.

223.1 వ్యక్తిగత (vyaktigata) — personal

Before the new one: say the Telugu for different, then the Telugu for fair.

You'll want to know: వ్యక్తిగత

వ్యక్తిగత — *vyaktigata* — "personal".

The word, taken apart — its roots and family

వ్యక్తిగత (*vyaktigata*) is Sanskrit: *vyakti*, "individual", and *gata*, "gone", here "relating to" (CDIAL 4008).

What you've built

One more word for this chapter.

Your turn

- *Say it: vyaktigata*
- *Say it: vyaktigata*, once more
- *Say it:* say *vyaktigata*
- *Recall:* say the Telugu for different, then the Telugu for fair, then say *vyaktigata* again

Before you move on

What does **వ్యక్తిగత** mean? ("Personal".) Say it once more.

223.2 ప్రైవేటు (praivēṭu) — private

Before the new one: say the Telugu for fair, then the Telugu for personal.

You'll want to know: ప్రైవేటు

ప్రైవేటు — *praivēṭu* — "private".

The word, taken apart — its roots and family

ప్రైవేటు (*praivēṭu*) is a loan from English *private*.

What you've built

One more word for this chapter.

Your turn

- *Say it: praivēṭu*
- *Say it: praivēṭu*, once more
- *Say it:* say *praivēṭu*
- *Recall:* say the Telugu for fair, then the Telugu for personal, then say *praivēṭu* again

Before you move on

What does ప్రైవేటు mean? ("Private".) Say it once more.

223.3 పనికిరాని (panikirāni) — useless

Before the new one: say the Telugu for personal, then the Telugu for private.

You'll want to know: పనికిరాని

పనికిరాని — *panikirāni* — "useless".

The word, taken apart — its roots and family

పనికిరాని (*panikirāni*) is native Dravidian: *pani*, "work" (DEDR 3884), with *-ki*, "for", and *rāni*, "not coming", from *rā-*, "to come" (DEDR 5270): "not coming to use".

What you've built

One more word for this chapter.

Your turn

- *Say it: panikirāni*
- *Say it: panikirāni*, once more
- *Say it:* say *panikirāni*
- *Recall:* say the Telugu for personal, then the Telugu for private, then say *panikirāni* again

Before you move on

What does పనికిరాని mean? ("Useless".) Say it once more.

223.4 చిందరవందర (cindaravandara) — messy, in disarray

Before the new one: say the Telugu for private, then the Telugu for useless.

You'll want to know: చిందరవందర

చిందరవందర — *cindaravandara* — "messy, in disarray".

The word, taken apart — its roots and family

చిందరవందర (*cindaravandara*) is a rhyming pair built on *cindara*, which DEDR 1547 lists as *cindaṟa*, "fragment, piece; ruin", with Tamil *citar*, "to split".

What you've built

One more word for this chapter.

Your turn

- *Say it: cindaravandara*
- *Say it: cindaravandara*, once more
- *Say it:* say *cindaravandara*
- *Recall:* say the Telugu for private, then the Telugu for useless, then say *cindaravandara* again

Before you move on

What does **చిందరవందర** mean? ("Messy, in disarray".) Say it once more.

223.5 మొరటు (moraṭu) — rude, coarse

Before the new one: say the Telugu for useless, then the Telugu for messy.

You'll want to know: మొరటు

మొరటు — *moraṭu* — "rude, coarse".

The word, taken apart — its roots and family

మొరటు (*moraṭu*) is native Dravidian. DEDR 4971 lists *moraṭu*, "rough, rude", with Tamil *muraṭu*, "roughness, rudeness". DEDR compares Sanskrit *murumba*, a lexicon word for crushed stone.

What you've built

One more word for this chapter.

Your turn

- *Say it: moraṭu*
- *Say it: moraṭu*, once more
- *Say it:* say *moraṭu*
- *Recall:* say the Telugu for useless, then the Telugu for messy, then say *moraṭu* again

Before you move on

What does **మొరటు** mean? ("Rude, coarse".) Say it once more.

Chapter 224

Ladle, Rubbish, Floor, Mattress, Flour

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a ladle, rubbish, the floor, a mattress and flour.

Complete the last lesson of chapter 224: I can say a ladle, rubbish, the floor, a mattress and flour.

224.1 గరిటె (gariṭe) — a ladle

Before the new one: say the Telugu for messy, then the Telugu for rude.

You'll want to know: గరిటె

గరిటె — *gariṭe* — "a ladle".

The word, taken apart — its roots and family

గరిటె (*gariṭe*) is native Dravidian. DEDR 1267 lists a nasalised *gariṭe*, "spoon, ladle", with Tamil *karaṇṭi* and Malayalam *karaṇṭi*, "spoon".

What you've built

One more word for this chapter.

Your turn

- *Say it: gariṭe*
- *Say it: gariṭe*, once more
- *Say it:* say *gariṭe*
- *Recall:* say the Telugu for messy, then the Telugu for rude, then say *gariṭe* again

Before you move on

What does గరిటె mean? ("A ladle".) Say it once more.

224.2 చెత్త (cetta) — rubbish, garbage

Before the new one: say the Telugu for rude, then the Telugu for a ladle.

You'll want to know: చెత్త

చెత్త — *cetta* — "rubbish, garbage".

The word, taken apart — its roots and family

చెత్త (*cetta*) is native Dravidian. DEDR 2770 lists *cetta*, "rubbish, trash", with Tamil *cettai*, "dry rubbish", and Kannada *satte*, "rubbish".

What you've built

One more word for this chapter.

Your turn

- *Say it: cetta*
- *Say it: cetta*, once more
- *Say it:* say *cetta*
- *Recall:* say the Telugu for rude, then the Telugu for a ladle, then say *cetta* again

Before you move on

What does **చెత్త** mean? ("Rubbish, garbage".) Say it once more.

224.3 నేల (nēla) — the floor, the ground

Before the new one: say the Telugu for a ladle, then the Telugu for rubbish.

You'll want to know: నేల

నేల — *nēla* — "the floor, the ground".

The word, taken apart — its roots and family

నేల (*nēla*) is native Dravidian. DEDR 2913 lists *nēla*, "ground", with Tamil *ñālam*, "earth, land". DEDR compares Sanskrit *nāla*, "field under cultivation", a lexicon and inscription word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nēla*
- *Say it:* *nēla*, once more
- *Say it:* say *nēla*
- *Recall:* say the Telugu for a ladle, then the Telugu for rubbish, then say *nēla* again

Before you move on

What does **నేల** mean? ("The floor, the ground".) Say it once more.

224.4 పరుపు (parupu) — a mattress

Before the new one: say the Telugu for rubbish, then the Telugu for the floor.

You'll want to know: పరుపు

పరుపు — *parupu* — "a mattress".

The word, taken apart — its roots and family

పరుపు (*parupu*) is native Dravidian. DEDR 3852 lists *paṟupu*, "mattress, bed, bedding", under *paḍu*, "to fall, lie", one word with Kannada *paḍu*, "to lie down".

What you've built

One more word for this chapter.

Your turn

- *Say it: parupu*
- *Say it: parupu*, once more
- *Say it:* say *parupu*
- *Recall:* say the Telugu for rubbish, then the Telugu for the floor, then say *parupu* again

Before you move on

What does పరుపు mean? ("A mattress".) Say it once more.

224.5 పిండి (piṇḍi) — flour

Before the new one: say the Telugu for the floor, then the Telugu for a mattress.

You'll want to know: పిండి

పిండి — *piṇḍi* — "flour".

The word, taken apart — its roots and family

పిండి (*piṇḍi*) is native Dravidian, one word with Tamil *piṇṭi* (DEDR 4162). DEDR lists Telugu *piṇḍi*, "flour, powder".

What you've built

One more word for this chapter.

Your turn

- *Say it: piṇḍi*
- *Say it: piṇḍi*, once more
- *Say it:* say *piṇḍi*
- *Recall:* say the Telugu for the floor, then the Telugu for a mattress, then say *piṇḍi* again

Before you move on

What does పిండి mean? ("Flour".) Say it once more.

Chapter 225

Leafy greens, Spinach, Papaya, Watermelon, Cashew nuts

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say leafy greens, spinach, a papaya, a watermelon and cashew nuts.

Complete the last lesson of chapter 225: I can say leafy greens, spinach, a papaya, a watermelon and cashew nuts.

225.1 ఆకుకూర (ākukūra) — leafy greens

Before the new one: say the Telugu for a mattress, then the Telugu for flour.

You'll want to know: ఆకుకూర

ఆకుకూర — *ākukūra* — "leafy greens".

The word, taken apart — its roots and family

ఆకుకూర (*ākukūra*) is native Dravidian: *āku*, "leaf", one word with Kannada *āku* (DEDR 335), and *kūra*, "vegetable, curry-stuff" (DEDR 1760).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ākukūra*
- *Say it:* *ākukūra*, once more
- *Say it:* say *ākukūra*
- *Recall:* say the Telugu for a mattress, then the Telugu for flour, then say *ākukūra* again

Before you move on

What does **ఆకుకూర** mean? (“Leafy greens”.) Say it once more.

225.2 పాలకూర (pālakūra) — spinach

Before the new one: say the Telugu for flour, then the Telugu for leafy greens.

You’ll want to know: పాలకూర

పాలకూర — *pālakūra* — “spinach”.

The word, taken apart — its roots and family

పాలకూర (*pālakūra*) is *pāla-*, probably the spinach name of Sanskrit *pālakyā*, Prakrit *pālakkā* (CDIAL 8126), and native *kūra*, “vegetable, curry-stuff” (DEDR 1760).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *pālakūra*
- *Say it:* *pālakūra*, once more
- *Say it:* say *pālakūra*
- *Recall:* say the Telugu for flour, then the Telugu for leafy greens, then say *pālakūra* again

Before you move on

What does **పాలకూర** mean? ("Spinach".) Say it once more.

225.3 బొప్పాయి (boppāyi) — a papaya

Before the new one: say the Telugu for leafy greens, then the Telugu for spinach.

You'll want to know: బొప్పాయి

బొప్పాయి — *boppāyi* — "a papaya".

The word, taken apart — its roots and family

బొప్పాయి (*boppāyi*) is a form of the fruit's name *papaya*, borrowed when the fruit reached India. DEDR and CDIAL do not list it.

What you've built

One more word for this chapter.

Your turn

- *Say it: boppāyi*
- *Say it: boppāyi*, once more
- *Say it:* say *boppāyi*
- *Recall:* say the Telugu for leafy greens, then the Telugu for spinach, then say *boppāyi* again

Before you move on

What does **బొప్పాయి** mean? ("A papaya".) Say it once more.

225.4 పుచ్చకాయ (puccakāya) — a watermelon

Before the new one: say the Telugu for spinach, then the Telugu for a papaya.

You'll want to know: పుచ్చకాయ

పుచ్చకాయ — *puccakāya* — "a watermelon".

The word, taken apart — its roots and family

పుచ్చకాయ (*puccakāya*) is *pucca*, whose origin is uncertain, and native *kāya*, "fruit, vegetable" (DEDR 1459). DEDR 4248 lists *pucca* only as the bitter colocynth.

What you've built

One more word for this chapter.

Your turn

- *Say it: puccakāya*
- *Say it: puccakāya*, once more
- *Say it:* say *puccakāya*
- *Recall:* say the Telugu for spinach, then the Telugu for a papaya, then say *puccakāya* again

Before you move on

What does **పుచ్చకాయ** mean? ("A watermelon".) Say it once more.

225.5 జీడిపప్పు (jīḍipappu) — cashew nuts

Before the new one: say the Telugu for a papaya, then the Telugu for a watermelon.

You'll want to know: జీడిపప్పు

జీడిపప్పు — *jīḍipappu* — "cashew nuts".

The word, taken apart — its roots and family

DEDR 2005 lists *jīḍi*, with a query, beside Tamil *cēr*, "marking-nut tree"; *pappu*, "kernel, split pulse", is native, one word with Tamil *paruppu* (DEDR 3978). **జీడిపప్పు** (*jīḍipappu*) joins them.

What you've built

One more word for this chapter.

Your turn

- *Say it: jīḍipappu*
- *Say it: jīḍipappu*, once more
- *Say it:* say *jīḍipappu*
- *Recall:* say the Telugu for a papaya, then the Telugu for a watermelon, then say *jīḍipappu* again

Before you move on

What does **జీడిపప్పు** mean? ("Cashew nuts".) Say it once more.

225.6 Words from chapters 217-220 — a first pass

Say the words for a watermelon and cashew nuts.

Your turn

Say these aloud:

- together, except, a tradition, a custom, a habit
- a result, a goal, an example, a difference, effort
- blame, a basis, proof, a development, motivation
- free, full, fat, thin, raw

Before you move on

Together? (**కలిసి**, *kalisi.*) Except? (**తప్ప**, *tappa.*) A tradition? (**సంప్రదాయం**, *sampradāyami.*) A custom? (**ఆచారం**, *ācārami.*) A habit? (**అలవాటు**, *alavāṭu.*) A result? (**ఫలితం**, *phalitami.*) A goal? (**లక్ష్యం**, *lakṣyami.*) An example? (**ఉదాహరణ**, *udāharaṇa.*) A difference? (**తేడా**, *tēḍā.*) Effort? (**శ్రమ**, *śrama.*) Blame? (**నింద**, *ninda.*) A basis?

(ఆధారం, *ādhāraṁ.*) Proof? (రుజువు, *rujuvu.*) A development? (పరిణామం, *pariṇāmaṁ.*) Motivation? (ప్రేరణ, *prēraṇa.*) Free? (ఉచితం, *ucitaṁ.*) Full? (నిండు, *niṇḍu.*) Fat? (లావు, *lāvu.*) Thin? (సన్నని, *sannani.*) Raw? (పచ్చి, *pacci.*)

225.7 Words from chapters 221-225 — a second pass

Say the words for brown and silver.

Your turn

Say these aloud:

- brown, silver, pale, round, sharp
- fun, modern, clear, different, fair
- personal, private, useless, messy, rude
- a ladle, rubbish, the floor, a mattress, flour
- leafy greens, spinach, a papaya, a watermelon, cashew nuts

Before you move on

Brown? (గోధుమ రంగు, *gōdhuma raṅgu.*) Silver? (వెండి, *veṇḍi.*) Pale? (లేత, *lēta.*) Round? (గుండ్రని, *guṇḍrani.*) Sharp? (పదునైన, *padunaina.*) Fun? (సరదా, *saradā.*) Modern? (ఆధునిక, *ādhunika.*) Clear? (స్పష్టమైన, *spaṣṭamaina.*) Different? (భిన్నమైన, *bhinnamaina.*) Fair? (న్యాయమైన, *nyāyamaina.*) Personal? (వ్యక్తిగత, *vyaktigata.*) Private? (ప్రైవేటు, *praivēṭu.*) Useless? (పనికిరాని, *panikirāni.*) Messy? (చిందరవందర, *cindaravandara.*) Rude? (మొరటు, *moraṭu.*) A ladle? (గరిటె, *gariṭe.*) Rubbish? (చెత్త, *cetta.*) The floor? (నేల, *nēla.*) A mattress? (పరుపు, *parupu.*) Flour? (పిండి, *piṇḍi.*) Leafy greens? (ఆకుకూర, *ākukūra.*) Spinach? (పాలకూర, *pālakūra.*) A papaya? (బొప్పాయి, *boppāyi.*) A watermelon? (పుచ్చకాయ, *puccakāya.*) Cashew nuts? (జీడిపప్పు, *jīḍipappu.*)

Chapter 226

Map, Document, File, Form, Card

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a map, a document, a file, a form and a card.
>
> *Complete the last lesson of chapter 226: I can say a map, a document, a file, a form and a card.*

226.1 పటం (paṭaṁ) — a map, a chart

Before the new one: say the Telugu for a watermelon, then the Telugu for cashew nuts.

You'll want to know: పటం

పటం — *paṭaṁ* — "a map, a chart".

The word, taken apart — its roots and family

పటం (*paṭaṁ*) is Sanskrit *paṭa*, "woven cloth" (CDIAL 7692), with the Telugu ending *-ṁ*; a map was once drawn on cloth. CDIAL thinks *paṭa* probably came from an Austroasiatic language, and less likely from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *paṭaṁ*
- *Say it:* *paṭaṁ*, once more
- *Say it:* say *paṭaṁ*
- *Recall:* say the Telugu for a watermelon, then the Telugu for cashew nuts, then say *paṭaṁ* again

Before you move on

What does పటం mean? ("A map, a chart".) Say it once more.

226.2 పత్రం (patraṁ) — a document, a certificate

Before the new one: say the Telugu for cashew nuts, then the Telugu for a map.

You'll want to know: పత్రం

పత్రం — *patraṁ* — "a document, a certificate".

The word, taken apart — its roots and family

పత్రం (*patraṁ*) is Sanskrit *pattra*, "wing; leaf, petal; leaf of book", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7733).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *patraṁ*
- *Say it:* *patraṁ*, once more
- *Say it:* say *patraṁ*
- *Recall:* say the Telugu for cashew nuts, then the Telugu for a map, then say *patraṁ* again

Before you move on

What does పత్రం mean? ("A document, a certificate".) Say it once more.

226.3 ఫైలు (phailu) — a file, a folder

Before the new one: say the Telugu for a map, then the Telugu for a document.

You'll want to know: ఫైలు

ఫైలు — *phailu* — "a file, a folder".

The word, taken apart — its roots and family

ఫైలు (*phailu*) is a loan from English *file*.

What you've built

One more word for this chapter.

Your turn

- *Say it: phailu*
- *Say it: phailu*, once more
- *Say it:* say *phailu*
- *Recall:* say the Telugu for a map, then the Telugu for a document, then say *phailu* again

Before you move on

What does ఫైలు mean? ("A file, a folder".) Say it once more.

226.4 ఫారం (phāraṁ) — a form (to fill in)

Before the new one: say the Telugu for a document, then the Telugu for a file.

You'll want to know: ఫారం

ఫారం — *phāraṁ* — "a form (to fill in)".

The word, taken apart — its roots and family

ఫారం (*phāraṁ*) is a loan from English *form*.

What you've built

One more word for this chapter.

Your turn

- *Say it: phāraṁ*
- *Say it: phāraṁ*, once more
- *Say it:* say *phāraṁ*
- *Recall:* say the Telugu for a document, then the Telugu for a file, then say *phāraṁ* again

Before you move on

What does ఫారం mean? ("A form (to fill in)".) Say it once more.

226.5 కార్డు (kārḍu) — a card

Before the new one: say the Telugu for a file, then the Telugu for a form.

You'll want to know: కార్డు

కార్డు — *kārḍu* — "a card".

The word, taken apart — its roots and family

కార్డు (*kārḍu*) is a loan from English *card*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kārḍu*
- *Say it:* *kārḍu*, once more
- *Say it:* say *kārḍu*
- *Recall:* say the Telugu for a file, then the Telugu for a form, then say *kārḍu* again

Before you move on

What does కార్డు mean? (“A card”.) Say it once more.

Chapter 227

Young man, Elders, Neighbours, Enemy, Bridegroom

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a young man, elders, neighbours, an enemy and a bridegroom.

Complete the last lesson of chapter 227: I can say a young man, elders, neighbours, an enemy and a bridegroom.

227.1 యువకుడు (yuvakuḍu) — a young man, a youth

Before the new one: say the Telugu for a form, then the Telugu for a card.

You'll want to know: యువకుడు

యువకుడు — *yuvakuḍu* — "a young man, a youth".

The word, taken apart — its roots and family

యువకుడు (*yuvakuḍu*) is Sanskrit *yuvaka*, "young man", from *yuvan*, "young" (CDIAL 10508), with the Telugu ending *-uḍu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: yuvakuḍu*
- *Say it: yuvakuḍu*, once more
- *Say it:* say *yuvakuḍu*
- *Recall:* say the Telugu for a form, then the Telugu for a card, then say *yuvakuḍu* again

Before you move on

What does **యువకుడు** mean? ("A young man, a youth".) Say it once more.

227.2 పెద్దలు (peddalu) — elders

Before the new one: say the Telugu for a card, then the Telugu for a young man.

You'll want to know: పెద్దలు

పెద్దలు — *peddalu* — "elders".

The word, taken apart — its roots and family

పెద్దలు (*peddalu*) is native Dravidian: *pedda*, "great, elder", one word with Tamil *periya*, "great, elder" (DEDR 4411), with the plural ending *-lu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: peddalu*
- *Say it: peddalu*, once more
- *Say it:* say *peddalu*

- *Recall:* say the Telugu for a card, then the Telugu for a young man, then say *peddalu* again

Before you move on

What does పెద్దలు mean? ("Elders".) Say it once more.

227.3 ఇరుగుపొరుగు (iruguporugu) — neighbours

Before the new one: say the Telugu for a young man, then the Telugu for elders.

You'll want to know: ఇరుగుపొరుగు

ఇరుగుపొరుగు — *iruguporugu* — "neighbours".

The word, taken apart — its roots and family

ఇరుగుపొరుగు (*iruguporugu*) is native Dravidian: *irugu* (DEDR 480) and *porugu* (DEDR 4541), both "neighbourhood".

What you've built

One more word for this chapter.

Your turn

- *Say it: iruguporugu*
- *Say it: iruguporugu*, once more
- *Say it:* say *iruguporugu*
- *Recall:* say the Telugu for a young man, then the Telugu for elders, then say *iruguporugu* again

Before you move on

What does ఇరుగుపొరుగు mean? ("Neighbours".) Say it once more.

227.4 శత్రువు (śatruvu) — an enemy

Before the new one: say the Telugu for elders, then the Telugu for neighbours.

You'll want to know: శత్రువు

శత్రువు — *śatruvu* — "an enemy".

The word, taken apart — its roots and family

శత్రువు (*śatruvu*) is Sanskrit *śatru*, "enemy", taken over whole as a learned loan, a tatsama, with the Telugu ending *-vu* (CDIAL 12286).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *śatruvu*
- *Say it:* *śatruvu*, once more
- *Say it:* say *śatruvu*
- *Recall:* say the Telugu for elders, then the Telugu for neighbours, then say *śatruvu* again

Before you move on

What does **శత్రువు** mean? ("An enemy".) Say it once more.

227.5 పెళ్ళికొడుకు (peḷḷikoḍuku) — a bridegroom

Before the new one: say the Telugu for neighbours, then the Telugu for an enemy.

You'll want to know: పెళ్ళికొడుకు

పెళ్ళికొడుకు — *peḷḷikoḍuku* — "a bridegroom".

The word, taken apart — its roots and family

పెళ్ళికొడుకు (*peḷḷikoḍuku*) is native Dravidian: *peḷḷi*, "marriage" (DEDR 4395), and *koḍuku*, "son" (DEDR 2149): "the wedding son". DEDR compares Sanskrit *kuḍaka*, "child", with the second.

What you've built

One more word for this chapter.

Your turn

- *Say it: peḷḷikoḍuku*
- *Say it: peḷḷikoḍuku*, once more
- *Say it:* say *peḷḷikoḍuku*
- *Recall:* say the Telugu for neighbours, then the Telugu for an enemy, then say *peḷḷikoḍuku* again

Before you move on

What does పెళ్ళికొడుకు mean? ("A bridegroom".) Say it once more.

Chapter 228

Crab, Scorpion, Bat, Nest, Tail

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a crab, a scorpion, a bat, a nest and a tail.
>
> *Complete the last lesson of chapter 228: I can say a crab, a scorpion, a bat, a nest and a tail.*

228.1 పీత (pīta) — a crab

Before the new one: say the Telugu for an enemy, then the Telugu for a bridegroom.

You'll want to know: పీత

పీత — *pīta* — "a crab".

The word, taken apart — its roots and family

The origin of **పీత** (*pīta*) is uncertain. DEDR and CDIAL list no word of this shape meaning "crab"; CDIAL's *pīta*, "drunk" and "yellow", are different words.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pīta*
- *Say it:* *pīta*, once more
- *Say it:* say *pīta*
- *Recall:* say the Telugu for an enemy, then the Telugu for a bridegroom, then say *pīta* again

Before you move on

What does పీత mean? ("A crab".) Say it once more.

228.2 తేలు (tēlu) — a scorpion

Before the new one: say the Telugu for a bridegroom, then the Telugu for a crab.

You'll want to know: తేలు

తేలు — *tēlu* — "a scorpion".

The word, taken apart — its roots and family

తేలు (*tēlu*) is native Dravidian, one word with Tamil *tēḷ* and Malayalam *tēḷ* (DEDR 3470). DEDR lists Telugu *tēlu*, "scorpion".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tēlu*
- *Say it:* *tēlu*, once more
- *Say it:* say *tēlu*
- *Recall:* say the Telugu for a bridegroom, then the Telugu for a crab, then say *tēlu* again

Before you move on

What does **తేలు** mean? ("A scorpion".) Say it once more.

228.3 గబ్బిలం (gabbilaṁ) — a bat (animal)

Before the new one: say the Telugu for a crab, then the Telugu for a scorpion.

You'll want to know: గబ్బిలం

గబ్బిలం — *gabbilaṁ* — "a bat (animal)".

The word, taken apart — its roots and family

గబ్బిలం (*gabbilaṁ*) is native Dravidian. DEDR 1216 lists *gabbilamu*, "bat", with Kannada *gabbilāyi* and *kapaṭe*, "bat".

What you've built

One more word for this chapter.

Your turn

- *Say it: gabbilaṁ*
- *Say it: gabbilaṁ*, once more
- *Say it:* say *gabbilaṁ*
- *Recall:* say the Telugu for a crab, then the Telugu for a scorpion, then say *gabbilaṁ* again

Before you move on

What does **గబ్బిలం** mean? ("A bat (animal)".) Say it once more.

228.4 గూడు (gūḍu) — a nest

Before the new one: say the Telugu for a scorpion, then the Telugu for a bat.

You'll want to know: గూడు

గూడు — *gūḍu* — "a nest".

The word, taken apart — its roots and family

గూడు (*gūḍu*) is native Dravidian. DEDR 1883 lists a nasalised *gūḍu*, "nest, cage", with Tamil *kūṭu* and Kannada *gūḍu*, "nest". DEDR compares Sanskrit *kūṭa*, "trap for catching deer" (CDIAL 3397).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gūḍu*
- *Say it:* *gūḍu*, once more
- *Say it:* say *gūḍu*
- *Recall:* say the Telugu for a scorpion, then the Telugu for a bat, then say *gūḍu* again

Before you move on

What does **గూడు** mean? ("A nest".) Say it once more.

228.5 తోక (tōka) — a tail

Before the new one: say the Telugu for a bat, then the Telugu for a nest.

You'll want to know: తోక

తోక — *tōka* — "a tail".

The word, taken apart — its roots and family

తోక (*tōka*) is native Dravidian. DEDR 3538 lists a nasalised *tōka*, "tail", with Tamil *tōkai* and Kannada *tōke*, "tail".

What you've built

One more word for this chapter.

Your turn

- *Say it: tōka*
- *Say it: tōka*, once more
- *Say it:* say *tōka*
- *Recall:* say the Telugu for a bat, then the Telugu for a nest, then say *tōka* again

Before you move on

What does తోక mean? ("A tail".) Say it once more.

Chapter 229

Firecrackers, Decorated performing bull seen at Sankranti, Sunshine, Raindrop, Fog

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say firecrackers, a decorated performing bull seen at Sankranti, sunshine, a raindrop and fog.
>
> *Complete the last lesson of chapter 229: I can say firecrackers, a decorated performing bull seen at Sankranti, sunshine, a raindrop and fog.*

229.1 టపాకాయలు (ṭapākāyalu) — firecrackers

> Before the new one: say the Telugu for a nest, then the Telugu for a tail.

You'll want to know: టపాకాయలు

టపాకాయలు — *ṭapākāyalu* — "firecrackers".

The word, taken apart — its roots and family

టపాకాయలు (*ṭapākāyalu*) is *ṭapā*, whose origin is uncertain (it may imitate the bang), and native *kāya*, "fruit, pod" (DEDR 1459), with the plural ending *-lu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ṭapākāyalu*
- *Say it:* *ṭapākāyalu*, once more
- *Say it:* say *ṭapākāyalu*
- *Recall:* say the Telugu for a nest, then the Telugu for a tail, then say *ṭapākāyalu* again

Before you move on

What does **టపాకాయలు** mean? ("Firecrackers".) Say it once more.

229.2 గంగిరెద్దు (gaṅgireddu) — a decorated performing bull seen at Sankranti

Before the new one: say the Telugu for a tail, then the Telugu for firecrackers.

You'll want to know: గంగిరెద్దు

గంగిరెద్దు — *gaṅgireddu* — "a decorated performing bull seen at Sankranti".

The word, taken apart — its roots and family

గంగిరెద్దు (*gaṅgireddu*) is native Dravidian in its second part. DEDR 815 lists *gaṅgi-reddu*, "bull consecrated to a temple", under *eddu*, "ox, bull", one word with Tamil *erutu*, "bull".

What you've built

One more word for this chapter.

Your turn

- *Say it: gaṅgireddu*
- *Say it: gaṅgireddu*, once more
- *Say it:* say *gaṅgireddu*
- *Recall:* say the Telugu for a tail, then the Telugu for firecrackers, then say *gaṅgireddu* again

Before you move on

What does గంగిరెద్దు mean? ("A decorated performing bull seen at Sankranti".) Say it once more.

229.3 ఎండ (eṇḍa) — sunshine, the sun's heat

Before the new one: say the Telugu for firecrackers, then the Telugu for a decorated performing bull seen at Sankranti.

You'll want to know: ఎండ

ఎండ — *eṇḍa* — "sunshine, the sun's heat".

The word, taken apart — its roots and family

ఎండ (*eṇḍa*) is native Dravidian. DEDR 869 lists *eṇḍa*, "sunshine, heat of the sun", with Tamil *eṉṟu*, "sun".

What you've built

One more word for this chapter.

Your turn

- *Say it: eṇḍa*
- *Say it: eṇḍa*, once more
- *Say it:* say *eṇḍa*
- *Recall:* say the Telugu for firecrackers, then the Telugu for a decorated performing bull seen at Sankranti, then say *eṇḍa* again

Before you move on

What does **ఎండ** mean? ("Sunshine, the sun's heat".) Say it once more.

229.4 చినుకు (cinuku) — a raindrop

Before the new one: say the Telugu for a decorated performing bull seen at Sankranti, then the Telugu for sunshine.

You'll want to know: చినుకు

చినుకు — *cinuku* — "a raindrop".

The word, taken apart — its roots and family

చినుకు (*cinuku*) is native Dravidian. DEDR 2520 lists *cinuku*, "a drop, drizzle", with Malayalam *cinaṅṅuka*, "to rain slightly", and Kannada *jinugu*, "to drizzle".

What you've built

One more word for this chapter.

Your turn

- *Say it: cinuku*
- *Say it: cinuku*, once more
- *Say it:* say *cinuku*
- *Recall:* say the Telugu for a decorated performing bull seen at Sankranti, then the Telugu for sunshine, then say *cinuku* again

Before you move on

What does **చినుకు** mean? ("A raindrop".) Say it once more.

229.5 పొగమంచు (pogamañcu) — fog

Before the new one: say the Telugu for sunshine, then the Telugu for a raindrop.

You'll want to know: పొగమంచు

పొగమంచు — *pogamañcu* — "fog".

The word, taken apart — its roots and family

పొగమంచు (*pogamañcu*) is native Dravidian: *poga*, "smoke" (DEDR 4240), and *mañcu*, "dew, frost", one word with Kannada *mañju*, "dew, fog" (DEDR 4641): "smoke-mist".

What you've built

One more word for this chapter.

Your turn

- *Say it: pogamañcu*
- *Say it: pogamañcu*, once more
- *Say it:* say *pogamañcu*
- *Recall:* say the Telugu for sunshine, then the Telugu for a raindrop, then say *pogamañcu* again

Before you move on

What does పొగమంచు mean? ("Fog".) Say it once more.

Chapter 230

Poem, Painting, Camera, Entertainment, Actor

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a poem, a painting, a camera, entertainment and an actor.

Complete the last lesson of chapter 230: I can say a poem, a painting, a camera, entertainment and an actor.

230.1 కవిత (kavita) — a poem

Before the new one: say the Telugu for a raindrop, then the Telugu for fog.

You'll want to know: కవిత

కవిత — *kavita* — "a poem".

The word, taken apart — its roots and family

కవిత (*kavita*) is Sanskrit *kavitā*, "poetry", from *kavi*, "wise man, poet" (CDIAL 2964), with the final -*ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it: kavita*
- *Say it: kavita*, once more
- *Say it:* say *kavita*
- *Recall:* say the Telugu for a raindrop, then the Telugu for fog, then say *kavita* again

Before you move on

What does **కవిత** mean? ("A poem".) Say it once more.

230.2 చిత్రం (citraṁ) — a painting, a picture

Before the new one: say the Telugu for fog, then the Telugu for a poem.

You'll want to know: చిత్రం

చిత్రం — *citraṁ* — "a painting, a picture".

The word, taken apart — its roots and family

చిత్రం (*citraṁ*) is Sanskrit *citra*, "conspicuous, bright; variegated", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 4803). Telugu uses it for "a painting, a picture".

What you've built

One more word for this chapter.

Your turn

- *Say it: citraṁ*
- *Say it: citraṁ*, once more
- *Say it:* say *citraṁ*
- *Recall:* say the Telugu for fog, then the Telugu for a poem, then say *citraṁ* again

Before you move on

What does **చిత్రం** mean? (“A painting, a picture”.) Say it once more.

230.3 కెమెరా (kemerā) — a camera

Before the new one: say the Telugu for a poem, then the Telugu for a painting.

You’ll want to know: కెమెరా

కెమెరా — *kemerā* — “a camera”.

The word, taken apart — its roots and family

కెమెరా (*kemerā*) is a loan from English *camera*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kemerā*
- *Say it: kemerā*, once more
- *Say it:* say *kemerā*
- *Recall:* say the Telugu for a poem, then the Telugu for a painting, then say *kemerā* again

Before you move on

What does **కెమెరా** mean? (“A camera”.) Say it once more.

230.4 వినోదం (vinōdaṁ) — entertainment

Before the new one: say the Telugu for a painting, then the Telugu for a camera.

You'll want to know: వినోదం

వినోదం — *vinōdaṁ* — "entertainment".

The word, taken apart — its roots and family

వినోదం (*vinōdaṁ*) is Sanskrit *vinōda*, "diversion, amusement", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: vinōdaṁ*
- *Say it: vinōdaṁ*, once more
- *Say it:* say *vinōdaṁ*
- *Recall:* say the Telugu for a painting, then the Telugu for a camera, then say *vinōdaṁ* again

Before you move on

What does **వినోదం** mean? ("Entertainment".) Say it once more.

230.5 నటుడు (naṭuḍu) — an actor

Before the new one: say the Telugu for a camera, then the Telugu for entertainment.

You'll want to know: నటుడు

నటుడు — *naṭuḍu* — "an actor".

The word, taken apart — its roots and family

నటుడు (*naṭuḍu*) is Sanskrit *naṭa*, "dancer, actor" (CDIAL 6933), with the Telugu ending *-uḍu*. CDIAL thinks *naṭa* probably came through Middle Indo-Aryan, and keeps it apart from a look-alike verb that it

takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *naṭuḍu*
- *Say it:* *naṭuḍu*, once more
- *Say it:* say *naṭuḍu*
- *Recall:* say the Telugu for a camera, then the Telugu for entertainment, then say *naṭuḍu* again

Before you move on

What does **నటుడు** mean? ("An actor".) Say it once more.

Chapter 231

Fan, Pliers, Ladder, Glue, Ruler

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a fan, pliers, a ladder, glue and a ruler.
>
> *Complete the last lesson of chapter 231: I can say a fan, pliers, a ladder, glue and a ruler.*

231.1 ఫ్యాను (phyānu) — a fan

Before the new one: say the Telugu for entertainment, then the Telugu for an actor.

You'll want to know: ఫ్యాను

ఫ్యాను — *phyānu* — "a fan".

The word, taken apart — its roots and family

ఫ్యాను (*phyānu*) is a loan from English *fan*.

What you've built

One more word for this chapter.

Your turn

- *Say it: phyānu*

- *Say it: phyānu*, once more
- *Say it:* say *phyānu*
- *Recall:* say the Telugu for entertainment, then the Telugu for an actor, then say *phyānu* again

Before you move on

What does ఫ్యాను mean? ("A fan".) Say it once more.

231.2 పటకారు (paṭakāru) — pliers, tongs

Before the new one: say the Telugu for an actor, then the Telugu for a fan.

You'll want to know: పటకారు

పటకారు — *paṭakāru* — "pliers, tongs".

The word, taken apart — its roots and family

పటకారు (*paṭakāru*) is listed in DEDR 3864, "pair of tongs, pincers", with Kannada *paṭakāru*, "tongs".

What you've built

One more word for this chapter.

Your turn

- *Say it: paṭakāru*
- *Say it: paṭakāru*, once more
- *Say it:* say *paṭakāru*
- *Recall:* say the Telugu for an actor, then the Telugu for a fan, then say *paṭakāru* again

Before you move on

What does **పటకారు** mean? ("Pliers, tongs".) Say it once more.

231.3 నిచ్చెన (niccena) — a ladder

Before the new one: say the Telugu for a fan, then the Telugu for pliers.

You'll want to know: నిచ్చెన

నిచ్చెన — *niccena* — "a ladder".

The word, taken apart — its roots and family

నిచ్చెన (*niccena*) probably comes from Sanskrit *niśrayaṇī*, "ladder", Prakrit *ṇissēṇi* (CDIAL 7458): a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it: niccena*
- *Say it: niccena*, once more
- *Say it:* say *niccena*
- *Recall:* say the Telugu for a fan, then the Telugu for pliers, then say *niccena* again

Before you move on

What does **నిచ్చెన** mean? ("A ladder".) Say it once more.

231.4 జిగురు (jiguru) — glue

Before the new one: say the Telugu for pliers, then the Telugu for a ladder.

You'll want to know: జిగురు

జిగురు — *jiguru* — "glue".

The word, taken apart — its roots and family

జిగురు (*jiguru*) is native Dravidian. DEDR 2488 lists *jiguru*, "gum, birdlime", with Kannada *jigi*, "gum, stickiness". DEDR compares Sanskrit *cikka*, "bird-lime" (CDIAL 4780), which CDIAL reports as taken from Dravidian, or else from Munda.

What you've built

One more word for this chapter.

Your turn

- *Say it: jiguru*
- *Say it: jiguru*, once more
- *Say it:* say *jiguru*
- *Recall:* say the Telugu for pliers, then the Telugu for a ladder, then say *jiguru* again

Before you move on

What does **జిగురు** mean? ("Glue".) Say it once more.

231.5 కొలబద్ద (kolabadda) — a ruler, a measuring stick

Before the new one: say the Telugu for a ladder, then the Telugu for glue.

You'll want to know: కొలబద్ద

కొలబద్ద — *kolabadda* — "a ruler, a measuring stick".

The word, taken apart — its roots and family

కొలబద్ద (*kolabadda*) is native Dravidian: *kola*, "measurement" (DEDR 1827), and *badda*, "a thin strip, piece" (DEDR 3962): "measuring strip".

What you've built

One more word for this chapter.

Your turn

- *Say it: kolabadda*
- *Say it: kolabadda*, once more
- *Say it:* say *kolabadda*
- *Recall:* say the Telugu for a ladder, then the Telugu for glue, then say *kolabadda* again

Before you move on

What does కొలబద్ద mean? ("A ruler, a measuring stick".) Say it once more.

Chapter 232

Jar, Sack, Tub, Barrel, Mug

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a jar, a sack, a tub, a barrel and a mug.
>
> *Complete the last lesson of chapter 232: I can say a jar, a sack, a tub, a barrel and a mug.*

232.1 జాడీ (jāḍī) — a jar (for pickle)

Before the new one: say the Telugu for glue, then the Telugu for a ruler.

You'll want to know: జాడీ

జాడీ — *jāḍī* — "a jar (for pickle)".

The word, taken apart — its roots and family

జాడీ (*jāḍī*) is probably native Dravidian. DEDR does not list it, but CDIAL 4736 cites Telugu *jāḍi* with Tamil *cāṭi*, "jar", and takes the northern pot word from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *jāḍī*
- *Say it:* *jāḍī*, once more
- *Say it:* say *jāḍī*
- *Recall:* say the Telugu for glue, then the Telugu for a ruler, then say *jāḍī* again

Before you move on

What does **జాడీ** mean? (“A jar (for pickle)”.) Say it once more.

232.2 బస్తా (bastā) — a sack (of grain)

Before the new one: say the Telugu for a ruler, then the Telugu for a jar.

You’ll want to know: బస్తా

బస్తా — *bastā* — “a sack (of grain)”.

The word, taken apart — its roots and family

బస్తా (*bastā*) is a loan from Persian *basta*, “bundle, package”, which came through Hindustani.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *bastā*
- *Say it:* *bastā*, once more
- *Say it:* say *bastā*
- *Recall:* say the Telugu for a ruler, then the Telugu for a jar, then say *bastā* again

Before you move on

What does బస్తా mean? ("A sack (of grain)".) Say it once more.

232.3 తొట్టి (toṭṭi) — a tub, a trough

Before the new one: say the Telugu for a jar, then the Telugu for a sack.

You'll want to know: తొట్టి

తొట్టి — *toṭṭi* — "a tub, a trough".

The word, taken apart — its roots and family

తొట్టి (*toṭṭi*) is native Dravidian, one word with Tamil *toṭṭi* and Kannada *toṭṭi* (DEDR 3484). DEDR lists Telugu *toṭṭi*, "tub, trough, manger".

What you've built

One more word for this chapter.

Your turn

- *Say it: toṭṭi*
- *Say it: toṭṭi*, once more
- *Say it:* say *toṭṭi*
- *Recall:* say the Telugu for a jar, then the Telugu for a sack, then say *toṭṭi* again

Before you move on

What does తొట్టి mean? ("A tub, a trough".) Say it once more.

232.4 పీపా (pīpā) — a barrel

Before the new one: say the Telugu for a sack, then the Telugu for a tub.

You'll want to know: పీపా

పీపా — *pīpā* — "a barrel".

The word, taken apart — its roots and family

పీపా (*pīpā*) is usually traced to Portuguese *pipa*, "cask, barrel".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pīpā*
- *Say it:* *pīpā*, once more
- *Say it:* say *pīpā*
- *Recall:* say the Telugu for a sack, then the Telugu for a tub, then say *pīpā* again

Before you move on

What does పీపా mean? ("A barrel".) Say it once more.

232.5 మగ్గు (maggu) — a mug

Before the new one: say the Telugu for a tub, then the Telugu for a barrel.

You'll want to know: మగ్గు

మగ్గు — *maggu* — "a mug".

The word, taken apart — its roots and family

మగ్గు (*maggu*) is a loan from English *mug*.

What you've built

One more word for this chapter.

Your turn

- *Say it: maggu*
- *Say it: maggu*, once more
- *Say it:* say *maggu*
- *Recall:* say the Telugu for a tub, then the Telugu for a barrel, then say *maggu* again

Before you move on

What does **మగ్గు** mean? (“A mug”.) Say it once more.

Chapter 233

Shoulder cloth, Bubble, Rust, Soot, Charcoal

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a shoulder cloth, a bubble, rust, soot and charcoal.
>
> *Complete the last lesson of chapter 233: I can say a shoulder cloth, a bubble, rust, soot and charcoal.*

233.1 కండువా (kaṇḍuvā) — a shoulder cloth, a scarf

Before the new one: say the Telugu for a barrel, then the Telugu for a mug.

You'll want to know: కండువా

కండువా — *kaṇḍuvā* — "a shoulder cloth, a scarf".

The word, taken apart — its roots and family

DEDR 1180 lists **కండువా** (*kaṇḍuvā*), "upper garment", with Tamil *kaṇṭai*, "a small cloth", and records Krishnamurti's view that the Dravidian word was taken from Indo-Aryan; CDIAL 3801, the other way round, takes Oriya *khaṇḍuā*, "shawl", from Dravidian, citing Telugu *kaṇḍuvā*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kaṇḍuvā*
- *Say it:* *kaṇḍuvā*, once more
- *Say it:* say *kaṇḍuvā*
- *Recall:* say the Telugu for a barrel, then the Telugu for a mug, then say *kaṇḍuvā* again

Before you move on

What does కండువా mean? ("A shoulder cloth, a scarf".) Say it once more.

233.2 బుడగ (buḍaga) — a bubble

Before the new one: say the Telugu for a mug, then the Telugu for a shoulder cloth.

You'll want to know: బుడగ

బుడగ — *buḍaga* — "a bubble".

The word, taken apart — its roots and family

బుడగ (*buḍaga*) is not itself in DEDR. The nearest entry, DEDR 4249, lists *buḍabuḍa*, "with a bubbling noise", and points to Sanskrit *budbuda*, "bubble" (CDIAL 9278), as part of a sound-word shared across the region.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *buḍaga*
- *Say it:* *buḍaga*, once more
- *Say it:* say *buḍaga*
- *Recall:* say the Telugu for a mug, then the Telugu for a shoulder cloth, then say *buḍaga* again

Before you move on

What does **బుడగ** mean? (“A bubble”.) Say it once more.

233.3 తుప్పు (tuppu) — rust

Before the new one: say the Telugu for a shoulder cloth, then the Telugu for a bubble.

You’ll want to know: తుప్పు

తుప్పు — *tuppu* — “rust”.

The word, taken apart — its roots and family

తుప్పు (*tuppu*) is native Dravidian. DEDR 3343 lists *tuppu*, “rust”, with Tamil *tuppu*, “rust”, and Kannada *tukku*, “rust of iron”. DEDR compares Sanskrit *tuttha*, “blue vitriol” (CDIAL 5855), which CDIAL thinks probably came from Dravidian.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *tuppu*
- *Say it:* *tuppu*, once more
- *Say it:* say *tuppu*

- *Recall:* say the Telugu for a shoulder cloth, then the Telugu for a bubble, then say *tuppu* again

Before you move on

What does **తుప్పు** mean? ("Rust".) Say it once more.

233.4 మసి (masi) — soot

Before the new one: say the Telugu for a bubble, then the Telugu for rust.

You'll want to know: మసి

మసి — *masi* — "soot".

The word, taken apart — its roots and family

మసి (*masi*) is native Dravidian. DEDR 5101 lists *masi*, "soot, blackness, ink", with Kannada *masi*, "soot", and Tamil *mai*, "ink, black". DEDR compares Sanskrit *maṣi*, "lampblack, ink" (CDIAL 9920), which CDIAL takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: masi*
- *Say it: masi*, once more
- *Say it:* say *masi*
- *Recall:* say the Telugu for a bubble, then the Telugu for rust, then say *masi* again

Before you move on

What does **మసి** mean? ("Soot".) Say it once more.

233.5 బొగ్గు (boggu) — charcoal, coal

Before the new one: say the Telugu for rust, then the Telugu for soot.

You'll want to know: బొగ్గు

బొగ్గు — *boggu* — "charcoal, coal".

The word, taken apart — its roots and family

బొగ్గు (*boggu*) is native Dravidian. DEDR 4467 lists *boggu*, "charcoal", with Kolami *bogg* and Parji *bog*, "charcoal".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *boggu*
- *Say it:* *boggu*, once more
- *Say it:* say *boggu*
- *Recall:* say the Telugu for rust, then the Telugu for soot, then say *boggu* again

Before you move on

What does బొగ్గు mean? ("Charcoal, coal".) Say it once more.

Chapter 234

Heap, Fertilizer, Cow dung, Plough, Sickle

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say a heap, fertilizer, cow dung, a plough and a sickle.
>
> *Complete the last lesson of chapter 234: I can say a heap, fertilizer, cow dung, a plough and a sickle.*

234.1 కుప్ప (kuppa) — a heap, a pile

> Before the new one: say the Telugu for soot, then the Telugu for charcoal.

You'll want to know: కుప్ప

కుప్ప — *kuppa* — "a heap, a pile".

The word, taken apart — its roots and family

కుప్ప (*kuppa*) is native Dravidian, one word with Tamil *kuppai* and Kannada *kuppe* (DEDR 1731). DEDR lists Telugu *kuppa*, "heap, pile".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kuppa*
- *Say it:* *kuppa*, once more
- *Say it:* say *kuppa*
- *Recall:* say the Telugu for soot, then the Telugu for charcoal, then say *kuppa* again

Before you move on

What does కుప్ప mean? (“A heap, a pile”.) Say it once more.

234.2 ఎరువు (eruvu) — fertilizer, manure

Before the new one: say the Telugu for charcoal, then the Telugu for a heap.

You’ll want to know: ఎరువు

ఎరువు — *eruvu* — “fertilizer, manure”.

The word, taken apart — its roots and family

ఎరువు (*eruvu*) is native Dravidian, one word with Tamil *eru* and Malayalam *eru* (DEDR 813). DEDR lists Telugu *eruvu*, “manure”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *eruvu*
- *Say it:* *eruvu*, once more
- *Say it:* say *eruvu*
- *Recall:* say the Telugu for charcoal, then the Telugu for a heap, then say *eruvu* again

Before you move on

What does **ఎరువు** mean? (“Fertilizer, manure”.) Say it once more.

234.3 పేడ (pēḍa) — cow dung

Before the new one: say the Telugu for a heap, then the Telugu for fertilizer.

You’ll want to know: పేడ

పేడ — *pēḍa* — “cow dung”.

The word, taken apart — its roots and family

పేడ (*pēḍa*) is native Dravidian. DEDR 4441 lists a nasalised *pēḍa*, “dung of cattle”, with Tamil *pēḷ*, “excrement”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: pēḍa*
- *Say it: pēḍa*, once more
- *Say it:* say *pēḍa*
- *Recall:* say the Telugu for a heap, then the Telugu for fertilizer, then say *pēḍa* again

Before you move on

What does **పేడ** mean? (“Cow dung”.) Say it once more.

234.4 నాగలి (nāgali) — a plough

Before the new one: say the Telugu for fertilizer, then the Telugu for cow dung.

You'll want to know: నాగలి

నాగలి — *nāgali* — "a plough".

The word, taken apart — its roots and family

నాగలి (*nāgali*) is Dravidian. DEDR 2907 lists a nasalised *nāgali*, "plough", with Tamil *nāñcil* and Kannada *nēgal*, "plough", and compares Sanskrit *lāṅgala*, "plough" (CDIAL 11006). CDIAL reports a view that the Indo-Aryan and Dravidian words both come from Munda.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nāgali*
- *Say it:* *nāgali*, once more
- *Say it:* say *nāgali*
- *Recall:* say the Telugu for fertilizer, then the Telugu for cow dung, then say *nāgali* again

Before you move on

What does **నాగలి** mean? ("A plough".) Say it once more.

234.5 కొడవలి (koḍavali) — a sickle

Before the new one: say the Telugu for cow dung, then the Telugu for a plough.

You'll want to know: కొడవలి

కొడవలి — *koḍavali* — "a sickle".

The word, taken apart — its roots and family

కొడవలి (*koḍavali*) is native Dravidian. DEDR 2054 lists *koḍavali*, "sickle", with Tamil *koṭu*, "curved, bent".

What you've built

One more word for this chapter.

Your turn

- *Say it: koḍavali*
- *Say it: koḍavali*, once more
- *Say it:* say *koḍavali*
- *Recall:* say the Telugu for cow dung, then the Telugu for a plough, then say *koḍavali* again

Before you move on

What does **కొడవలి** mean? ("A sickle".) Say it once more.

234.6 Words from chapters 226-229 — a first pass

Say the words for a plough and a sickle.

Your turn

Say these aloud:

- a map, a document, a file, a form, a card
- a young man, elders, neighbours, an enemy, a bridegroom
- a crab, a scorpion, a bat, a nest, a tail
- firecrackers, a decorated performing bull seen at Sankranti, sunshine, a raindrop, fog

Before you move on

A map? (పటం, *paṭaṁ.*) A document? (పత్రం, *patraṁ.*) A file? (ఫైలు, *phailu.*) A form? (ఫారం, *phāraṁ.*) A card? (కార్డు, *kārḍu.*) A young man? (యువకుడు, *yuvakuḍu.*) Elders? (పెద్దలు, *peddalu.*) Neighbours? (ఇరుగుపొరుగు, *iruguporugu.*) An enemy? (శత్రువు, *śatruvu.*) A bridegroom? (పెళ్ళికొడుకు, *peḷḷikoḍuku.*) A crab? (పీత, *pīta.*) A scorpion? (తేలు, *tēlu.*) A bat? (గబ్బిలం, *gabbilaṁ.*) A nest? (గూడు, *gūḍu.*) A tail? (తోక, *tōka.*) Firecrackers? (టపాకాయలు, *ṭapākāyalu.*) A decorated performing bull seen at Sankranti? (గంగిరెద్దు, *gaṅgireddu.*) Sunshine? (ఎండ, *eṇḍa.*) A raindrop? (చినుకు, *cinuku.*) Fog? (పొగమంచు, *pogamañcu.*)

234.7 Words from chapters 230-234 — a second pass

Say the words for a poem and a painting.

Your turn

Say these aloud:

- a poem, a painting, a camera, entertainment, an actor
- a fan, pliers, a ladder, glue, a ruler
- a jar, a sack, a tub, a barrel, a mug
- a shoulder cloth, a bubble, rust, soot, charcoal
- a heap, fertilizer, cow dung, a plough, a sickle

Before you move on

A poem? (కవిత, *kavita.*) A painting? (చిత్రం, *citraṁ.*) A camera? (కెమెరా, *kemerā.*) Entertainment? (వినోదం, *vinōdaṁ.*) An actor? (నటుడు, *naṭuḍu.*) A fan? (ఫ్యాను, *phyānu.*) Pliers? (పటకారు, *paṭakāru.*) A ladder? (నిచ్చెన, *niccena.*) Glue? (జిగురు, *jiguru.*) A ruler? (కొలబద్ద, *kolabadda.*) A jar? (జాడీ, *jāḍī.*) A sack? (బస్తా, *bastā.*) A tub? (తొట్టి, *toṭṭi.*) A barrel? (పీపా, *pīpā.*) A mug? (మగ్గు, *maggu.*) A shoulder cloth? (కండువా, *kaṇḍuvā.*) A bubble? (బుడగ,

buḍaga.) Rust? (**తుప్పు**, *tuppu.*) Soot? (**మసి**, *masi.*) Charcoal? (**బొగ్గు**, *boggu.*) A heap? (**కుప్ప**, *kuppa.*) Fertilizer? (**ఎరువు**, *eruvu.*) Cow dung? (**పేడ**, *pēḍa.*) A plough? (**నాగలి**, *nāgali.*) A sickle? (**కొడవలి**, *koḍavali.*)

Chapter 235

Banknote, Loose change, Salary, Profit, Loss

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a banknote, loose change, a salary, a profit and a loss.

Complete the last lesson of chapter 235: I can say a banknote, loose change, a salary, a profit and a loss.

235.1 నోటు (nōṭu) — a banknote

Before the new one: say the Telugu for a plough, then the Telugu for a sickle.

You'll want to know: నోటు

నోటు — *nōṭu* — "a banknote".

The word, taken apart — its roots and family

నోటు (*nōṭu*) is a loan from English *note*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nōṭu*
- *Say it:* *nōṭu*, once more
- *Say it:* say *nōṭu*
- *Recall:* say the Telugu for a plough, then the Telugu for a sickle, then say *nōṭu* again

Before you move on

What does **నోటు** mean? (“A banknote”.) Say it once more.

235.2 చిల్లర (cillara) — loose change

Before the new one: say the Telugu for a sickle, then the Telugu for a banknote.

You’ll want to know: చిల్లర

చిల్లర — *cillara* — “loose change”.

The word, taken apart — its roots and family

చిల్లర (*cillara*) is native Dravidian, one word with Tamil *cillaṟai* and Kannada *cillaṟe* (DEDR 2574). DEDR lists Telugu *cillara*, “small, sundry; change”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *cillara*
- *Say it:* *cillara*, once more
- *Say it:* say *cillara*
- *Recall:* say the Telugu for a sickle, then the Telugu for a banknote, then say *cillara* again

Before you move on

What does **చిల్లర** mean? ("Loose change".) Say it once more.

235.3 జీతం (jītaṁ) — a salary

Before the new one: say the Telugu for a banknote, then the Telugu for loose change.

You'll want to know: జీతం

జీతం — *jītaṁ* — "a salary".

The word, taken apart — its roots and family

జీతం (*jītaṁ*) is usually traced to Sanskrit *jīvita*, "living, life" (CDIAL 5252), reshaped to Telugu sounds, with the Telugu ending *-ṁ*: "a living".

What you've built

One more word for this chapter.

Your turn

- *Say it: jītaṁ*
- *Say it: jītaṁ*, once more
- *Say it:* say *jītaṁ*
- *Recall:* say the Telugu for a banknote, then the Telugu for loose change, then say *jītaṁ* again

Before you move on

What does **జీతం** mean? ("A salary".) Say it once more.

235.4 లాభం (lābhaṁ) — a profit, a gain

Before the new one: say the Telugu for loose change, then the Telugu for a salary.

You'll want to know: లాభం

లాభం — *lābhaṁ* — "a profit, a gain".

The word, taken apart — its roots and family

లాభం (*lābhaṁ*) is Sanskrit *lābha*, "finding, profit", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 11018).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *lābhaṁ*
- *Say it:* *lābhaṁ*, once more
- *Say it:* say *lābhaṁ*
- *Recall:* say the Telugu for loose change, then the Telugu for a salary, then say *lābhaṁ* again

Before you move on

What does లాభం mean? ("A profit, a gain".) Say it once more.

235.5 నష్టం (naṣṭaṁ) — a loss

Before the new one: say the Telugu for a salary, then the Telugu for a profit.

You'll want to know: నష్టం

నష్టం — *naṣṭaṁ* — "a loss".

The word, taken apart — its roots and family

నష్టం (*naṣṭaṁ*) is Sanskrit *naṣṭa*, "lost, perished", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7027).

What you've built

One more word for this chapter.

Your turn

- *Say it: naṣṭaṁ*
- *Say it: naṣṭaṁ*, once more
- *Say it:* say *naṣṭaṁ*
- *Recall:* say the Telugu for a salary, then the Telugu for a profit, then say *naṣṭaṁ* again

Before you move on

What does నష్టం mean? ("A loss".) Say it once more.

Chapter 236

Team, Business, Company, Government, Marks

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a team, business, a company, the government and marks.

Complete the last lesson of chapter 236: I can say a team, business, a company, the government and marks.

236.1 జట్టు (jaṭṭu) — a team

Before the new one: say the Telugu for a profit, then the Telugu for a loss.

You'll want to know: జట్టు

జట్టు — *jaṭṭu* — "a team".

The word, taken apart — its roots and family

The origin of **జట్టు** (*jaṭṭu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "team".

What you've built

One more word for this chapter.

Your turn

- *Say it: jaṭṭu*
- *Say it: jaṭṭu*, once more
- *Say it:* say *jaṭṭu*
- *Recall:* say the Telugu for a profit, then the Telugu for a loss, then say *jaṭṭu* again

Before you move on

What does **జట్టు** mean? ("A team".) Say it once more.

236.2 వ్యాపారం (vyāpāraṁ) — business, trade

Before the new one: say the Telugu for a loss, then the Telugu for a team.

You'll want to know: వ్యాపారం

వ్యాపారం — *vyāpāraṁ* — "business, trade".

The word, taken apart — its roots and family

వ్యాపారం (*vyāpāraṁ*) is Sanskrit *vyāpāra*, "occupation, business", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 12205).

What you've built

One more word for this chapter.

Your turn

- *Say it: vyāpāraṁ*
- *Say it: vyāpāraṁ*, once more
- *Say it:* say *vyāpāraṁ*
- *Recall:* say the Telugu for a loss, then the Telugu for a team, then say *vyāpāraṁ* again

Before you move on

What does **వ్యాపారం** mean? (“Business, trade”.) Say it once more.

236.3 కంపెనీ (kampenī) — a company

Before the new one: say the Telugu for a team, then the Telugu for business.

You’ll want to know: కంపెనీ

కంపెనీ — *kampenī* — “a company”.

The word, taken apart — its roots and family

కంపెనీ (*kampenī*) is a loan from English *company*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kampenī*
- *Say it: kampenī*, once more
- *Say it:* say *kampenī*
- *Recall:* say the Telugu for a team, then the Telugu for business, then say *kampenī* again

Before you move on

What does **కంపెనీ** mean? (“A company”.) Say it once more.

236.4 ప్రభుత్వం (prabhutvaṁ) — the government

Before the new one: say the Telugu for business, then the Telugu for a company.

You'll want to know: ప్రభుత్వం

ప్రభుత్వం — *prabhutvaṁ* — "the government".

The word, taken apart — its roots and family

ప్రభుత్వం (*prabhutvaṁ*) is Sanskrit *prabhutva*, "lordship, rule", from *prabhu*, "strong; lord" (CDIAL 8715), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *prabhutvaṁ*
- *Say it:* *prabhutvaṁ*, once more
- *Say it:* say *prabhutvaṁ*
- *Recall:* say the Telugu for business, then the Telugu for a company, then say *prabhutvaṁ* again

Before you move on

What does ప్రభుత్వం mean? ("The government".) Say it once more.

236.5 మార్కులు (mārkulu) — marks, grades

Before the new one: say the Telugu for a company, then the Telugu for the government.

You'll want to know: మార్కులు

మార్కులు — *mārkulu* — "marks, grades".

The word, taken apart — its roots and family

మార్కులు (*mārkulu*) is a loan from English *marks*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mārkulu*
- *Say it:* *mārkulu*, once more
- *Say it:* say *mārkulu*
- *Recall:* say the Telugu for a company, then the Telugu for the government, then say *mārkulu* again

Before you move on

What does **మార్కులు** mean? (“Marks, grades”.) Say it once more.

Chapter 237

Police officer, Driver, Postman, Bus conductor, Lawyer

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a police officer, a driver, a postman, a bus conductor and a lawyer.
>
> *Complete the last lesson of chapter 237: I can say a police officer, a driver, a postman, a bus conductor and a lawyer.*

237.1 పోలీసు (pōlīsu) — a police officer; the police

> Before the new one: say the Telugu for the government, then the Telugu for marks.

You'll want to know: పోలీసు

పోలీసు — *pōlīsu* — "a police officer; the police".

The word, taken apart — its roots and family

పోలీసు (*pōlīsu*) is a loan from English *police*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pōlīsu*
- *Say it:* *pōlīsu*, once more
- *Say it:* say *pōlīsu*
- *Recall:* say the Telugu for the government, then the Telugu for marks, then say *pōlīsu* again

Before you move on

What does పోలీసు mean? ("A police officer; the police".) Say it once more.

237.2 డ్రైవరు (ḍraivaru) — a driver

Before the new one: say the Telugu for marks, then the Telugu for a police officer.

You'll want to know: డ్రైవరు

డ్రైవరు — *ḍraivaru* — "a driver".

The word, taken apart — its roots and family

డ్రైవరు (*ḍraivaru*) is a loan from English *driver*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ḍraivaru*
- *Say it:* *ḍraivaru*, once more
- *Say it:* say *ḍraivaru*
- *Recall:* say the Telugu for marks, then the Telugu for a police officer, then say *ḍraivaru* again

Before you move on

What does **డ్రైవరు** mean? ("A driver".) Say it once more.

237.3 పోస్టుమాను (pōsṭumānu) — a postman

Before the new one: say the Telugu for a police officer, then the Telugu for a driver.

You'll want to know: పోస్టుమాను

పోస్టుమాను — *pōsṭumānu* — "a postman".

The word, taken apart — its roots and family

పోస్టుమాను (*pōsṭumānu*) is a loan from English *postman*.

What you've built

One more word for this chapter.

Your turn

- *Say it: pōsṭumānu*
- *Say it: pōsṭumānu*, once more
- *Say it:* say *pōsṭumānu*
- *Recall:* say the Telugu for a police officer, then the Telugu for a driver, then say *pōsṭumānu* again

Before you move on

What does **పోస్టుమాను** mean? ("A postman".) Say it once more.

237.4 కండక్టరు (kaṇḍakṭaru) — a bus conductor

Before the new one: say the Telugu for a driver, then the Telugu for a postman.

You'll want to know: కండక్టరు

కండక్టరు — *kaṇḍakṭaru* — "a bus conductor".

The word, taken apart — its roots and family

కండక్టరు (*kaṇḍakṭaru*) is a loan from English *conductor*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kaṇḍakṭaru*
- *Say it: kaṇḍakṭaru*, once more
- *Say it:* say *kaṇḍakṭaru*
- *Recall:* say the Telugu for a driver, then the Telugu for a postman, then say *kaṇḍakṭaru* again

Before you move on

What does **కండక్టరు** mean? ("A bus conductor".) Say it once more.

237.5 వకీలు (vakīlu) — a lawyer

Before the new one: say the Telugu for a postman, then the Telugu for a bus conductor.

You'll want to know: వకీలు

వకీలు — *vakīlu* — "a lawyer".

The word, taken apart — its roots and family

వకీలు (*vakīlu*) is a loan from Arabic *wakīl*, "agent, advocate", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vakīlu*
- *Say it:* *vakīlu*, once more
- *Say it:* say *vakīlu*
- *Recall:* say the Telugu for a postman, then the Telugu for a bus conductor, then say *vakīlu* again

Before you move on

What does **వకీలు** mean? ("A lawyer".) Say it once more.

Chapter 238

Memory, History, Geography, Science, Physics

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a memory, history, geography, science and physics.

Complete the last lesson of chapter 238: I can say a memory, history, geography, science and physics.

238.1 జ్ఞాపకం (jñāpakaṁ) — a memory

Before the new one: say the Telugu for a bus conductor, then the Telugu for a lawyer.

You'll want to know: జ్ఞాపకం

జ్ఞాపకం — *jñāpakaṁ* — "a memory".

The word, taken apart — its roots and family

జ్ఞాపకం (*jñāpakaṁ*) is Sanskrit *jñāpaka*, "making known, reminding", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: jñāpakaṁ*
- *Say it: jñāpakaṁ*, once more
- *Say it:* say *jñāpakaṁ*
- *Recall:* say the Telugu for a bus conductor, then the Telugu for a lawyer, then say *jñāpakaṁ* again

Before you move on

What does **జ్ఞాపకం** mean? ("A memory".) Say it once more.

238.2 చరిత్ర (caritra) — history

Before the new one: say the Telugu for a lawyer, then the Telugu for a memory.

You'll want to know: చరిత్ర

చరిత్ర — *caritra* — "history".

The word, taken apart — its roots and family

చరిత్ర (*caritra*) is Sanskrit *caritra*, "going; behaviour", taken over whole as a learned loan, a tatsama (CDIAL 4691). The sense "history" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it: caritra*
- *Say it: caritra*, once more
- *Say it:* say *caritra*
- *Recall:* say the Telugu for a lawyer, then the Telugu for a memory, then say *caritra* again

Before you move on

What does **చరిత్ర** mean? ("History".) Say it once more.

238.3 భూగోళశాస్త్రం (bhūgōḷaśāstraṁ) — geography

Before the new one: say the Telugu for a memory, then the Telugu for history.

You'll want to know: భూగోళశాస్త్రం

భూగోళశాస్త్రం — *bhūgōḷaśāstraṁ* — "geography".

The word, taken apart — its roots and family

భూగోళశాస్త్రం (*bhūgōḷaśāstraṁ*) is Sanskrit: *bhū*, "earth" (CDIAL 9546), *gōla*, "ball" (CDIAL 4321), and *śāstra*, "treatise" (CDIAL 12422): "the science of the earth-ball".

What you've built

One more word for this chapter.

Your turn

- *Say it: bhūgōḷaśāstraṁ*
- *Say it: bhūgōḷaśāstraṁ*, once more
- *Say it:* say *bhūgōḷaśāstraṁ*
- *Recall:* say the Telugu for a memory, then the Telugu for history, then say *bhūgōḷaśāstraṁ* again

Before you move on

What does **భూగోళశాస్త్రం** mean? ("Geography".) Say it once more.

238.4 విజ్ఞానశాస్త్రం (vijñānaśāstraṁ) — science

Before the new one: say the Telugu for history, then the Telugu for geography.

You'll want to know: విజ్ఞానశాస్త్రం

విజ్ఞానశాస్త్రం — *vijñānaśāstraṁ* — "science".

The word, taken apart — its roots and family

విజ్ఞానశాస్త్రం (*vijñānaśāstraṁ*) is Sanskrit: *vijñāna*, "act of discerning, knowledge" (CDIAL 11707), and *śāstra*, "treatise" (CDIAL 12422), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: vijñānaśāstraṁ*
- *Say it: vijñānaśāstraṁ*, once more
- *Say it:* say *vijñānaśāstraṁ*
- *Recall:* say the Telugu for history, then the Telugu for geography, then say *vijñānaśāstraṁ* again

Before you move on

What does **విజ్ఞానశాస్త్రం** mean? ("Science".) Say it once more.

238.5 భౌతికశాస్త్రం (bhautikaśāstraṁ) — physics

Before the new one: say the Telugu for geography, then the Telugu for science.

You'll want to know: భౌతికశాస్త్రం

భౌతికశాస్త్రం — *bhautikaśāstraṁ* — "physics".

The word, taken apart — its roots and family

భౌతికశాస్త్రం (*bhautikaśāstraṁ*) is Sanskrit: *bhautika*, "of the elements, material", from *bhūta*, "any being" (CDIAL 9552), and *śāstra*, "treatise" (CDIAL 12422).

What you've built

One more word for this chapter.

Your turn

- *Say it: bhautikaśāstraṁ*
- *Say it: bhautikaśāstraṁ*, once more
- *Say it:* say *bhautikaśāstraṁ*
- *Recall:* say the Telugu for geography, then the Telugu for science, then say *bhautikaśāstraṁ* again

Before you move on

What does భౌతికశాస్త్రం mean? ("Physics".) Say it once more.

Chapter 239

Report, Organization, Chit, Pension, Agreement

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say a report, an organization, a chit, a pension and an agreement.
>
> *Complete the last lesson of chapter 239: I can say a report, an organization, a chit, a pension and an agreement.*

239.1 నివేదిక (nivēdika) — a report

> Before the new one: say the Telugu for science, then the Telugu for physics.

You'll want to know: నివేదిక

నివేదిక — *nivēdika* — "a report".

The word, taken apart — its roots and family

నివేదిక (*nivēdika*) is a learned word built on Sanskrit *nivēdana*, "making known, report".

What you've built

One more word for this chapter.

Your turn

- *Say it: nivēdika*
- *Say it: nivēdika*, once more
- *Say it:* say *nivēdika*
- *Recall:* say the Telugu for science, then the Telugu for physics, then say *nivēdika* again

Before you move on

What does **నివేదిక** mean? (“A report”.) Say it once more.

239.2 సంస్థ (saṁstha) — an organization

Before the new one: say the Telugu for physics, then the Telugu for a report.

You’ll want to know: సంస్థ

సంస్థ — *saṁstha* — “an organization”.

The word, taken apart — its roots and family

సంస్థ (*saṁstha*) is Sanskrit *saṁsthā*, “completion; established order”, taken over whole as a learned loan, a tatsama, with the final *-ā* shortened (CDIAL 13049).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: saṁstha*
- *Say it: saṁstha*, once more
- *Say it:* say *saṁstha*
- *Recall:* say the Telugu for physics, then the Telugu for a report, then say *saṁstha* again

Before you move on

What does **సంస్థ** mean? ("An organization".) Say it once more.

239.3 చీటీ (cīṭī) — a chit, a slip of paper

Before the new one: say the Telugu for a report, then the Telugu for an organization.

You'll want to know: చీటీ

చీటీ — *cīṭī* — "a chit, a slip of paper".

The word, taken apart — its roots and family

చీటీ (*cīṭī*) is probably a northern loan, like Hindi *ciṭṭhī*, "letter, note", which CDIAL 4832 sets under a reconstructed *ciṣṭa, "message".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cīṭī*
- *Say it:* *cīṭī*, once more
- *Say it:* say *cīṭī*
- *Recall:* say the Telugu for a report, then the Telugu for an organization, then say *cīṭī* again

Before you move on

What does **చీటీ** mean? ("A chit, a slip of paper".) Say it once more.

239.4 పింఛను (piñchanu) — a pension

Before the new one: say the Telugu for an organization, then the Telugu for a chit.

You'll want to know: పింఛను

పింఛను — *piñchanu* — "a pension".

The word, taken apart — its roots and family

పింఛను (*piñchanu*) is a loan from English *pension*.

What you've built

One more word for this chapter.

Your turn

- *Say it: piñchanu*
- *Say it: piñchanu*, once more
- *Say it:* say *piñchanu*
- *Recall:* say the Telugu for an organization, then the Telugu for a chit, then say *piñchanu* again

Before you move on

What does **పింఛను** mean? ("A pension".) Say it once more.

239.5 ఒప్పందం (oppandaṁ) — an agreement, a contract

Before the new one: say the Telugu for a chit, then the Telugu for a pension.

You'll want to know: ఒప్పందం

ఒప్పందం — *oppandaṁ* — "an agreement, a contract".

The word, taken apart — its roots and family

ఒప్పందం (*oppandaṁ*) is built on native *oppu*, "to consent, agree", one word with Kannada *oppu*, "to agree" (DEDR 924).

What you've built

One more word for this chapter.

Your turn

- *Say it: oppandaṁ*
- *Say it: oppandaṁ*, once more
- *Say it:* say *oppandaṁ*
- *Recall:* say the Telugu for a chit, then the Telugu for a pension, then say *oppandaṁ* again

Before you move on

What does ఒప్పందం mean? ("An agreement, a contract".) Say it once more.

239.6 Words from chapters 235-236 — a first pass

Say the words for a pension and an agreement.

Your turn

Say these aloud:

- a banknote, loose change, a salary, a profit, a loss
- a team, business, a company, the government, marks

Before you move on

A banknote? (నోటు, *nōṭu.*) Loose change? (చిల్లర, *cillara.*) A salary? (జీతం, *jītaṁ.*) A profit? (లాభం, *lābhaṁ.*) A loss? (నష్టం, *naṣṭaṁ.*) A team? (జట్టు, *jaṭṭu.*) Business? (వ్యాపారం, *vyāpāraṁ.*) A company? (కంపెనీ, *kampenī.*) The government? (ప్రభుత్వం, *prabhutvaṁ.*) Marks? (మార్కులు, *mārkulu.*)

239.7 Words from chapters 237-239 — a second pass

Say the words for a police officer and a driver.

Your turn

Say these aloud:

- a police officer, a driver, a postman, a bus conductor, a lawyer
- a memory, history, geography, science, physics
- a report, an organization, a chit, a pension, an agreement

Before you move on

A police officer? (**పోలీసు**, *pōlīsu.*) A driver? (**డ్రైవరు**, *ḍraivaru.*) A postman? (**పోస్టుమాను**, *pōsṭumānu.*) A bus conductor? (**కండక్టరు**, *kaṇḍakṭaru.*) A lawyer? (**వకీలు**, *vakīlu.*) A memory? (**జ్ఞాపకం**, *jñāpakaṁ.*) History? (**చరిత్ర**, *caritra.*) Geography? (**భూగోళశాస్త్రం**, *bhūgōḷaśāstraṁ.*) Science? (**విజ్ఞానశాస్త్రం**, *vijñānaśāstraṁ.*) Physics? (**భౌతికశాస్త్రం**, *bhautikaśāstraṁ.*) A report? (**నివేదిక**, *nivēdika.*) An organization? (**సంస్థ**, *saṁstha.*) A chit? (**చీటీ**, *cīṭī.*) A pension? (**పింఛను**, *piñchanu.*) An agreement? (**ఒప్పందం**, *oppandaṁ.*)

Chapter 240

To lift, To carry, To pull, To push, To throw

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to lift, to carry, to pull, to push and to throw.

Complete the last lesson of chapter 240: I can say to lift, to carry, to pull, to push and to throw.

240.1 ఎత్తు (ettu) — to lift

Before the new one: say the Telugu for a pension, then the Telugu for an agreement.

You'll want to know: ఎత్తు

ఎత్తు — *ettu* — "to lift".

The word, taken apart — its roots and family

ఎత్తు (*ettu*) is native Dravidian. DEDR 796 lists *ettu*, "to lift up, raise", with Kannada *ettu*, "to lift".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ettu*
- *Say it:* *ettu*, once more
- *Say it:* say *ettu*
- *Recall:* say the Telugu for a pension, then the Telugu for an agreement, then say *ettu* again

Before you move on

What does **ఎత్తు** mean? ("To lift".) Say it once more.

240.2 మోయు (mōyu) — to carry (a load)

Before the new one: say the Telugu for an agreement, then the Telugu for to lift.

You'll want to know: మోయు

మోయు — *mōyu* — "to carry (a load)".

The word, taken apart — its roots and family

మోయు (*mōyu*) is native Dravidian. DEDR 5126 lists *mōyu*, "to bear, carry", with Kannada *mōr̲*, "to carry on the head". DEDR 5139 *mōyu*, "to be widowed", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mōyu*
- *Say it:* *mōyu*, once more
- *Say it:* say *mōyu*
- *Recall:* say the Telugu for an agreement, then the Telugu for to lift, then say *mōyu* again

Before you move on

What does మోయు mean? ("To carry (a load)".) Say it once more.

240.3 లాగు (lāgu) — to pull

Before the new one: say the Telugu for to lift, then the Telugu for to carry.

You'll want to know: లాగు

లాగు — *lāgu* — "to pull".

The word, taken apart — its roots and family

The origin of లాగు (*lāgu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "to pull".

What you've built

One more word for this chapter.

Your turn

- *Say it: lāgu*
- *Say it: lāgu*, once more
- *Say it:* say *lāgu*
- *Recall:* say the Telugu for to lift, then the Telugu for to carry, then say *lāgu* again

Before you move on

What does లాగు mean? ("To pull".) Say it once more.

240.4 నెట్టు (neṭṭu) — to push

Before the new one: say the Telugu for to carry, then the Telugu for to pull.

You'll want to know: నెట్టు

నెట్టు — *neṭṭu* — "to push".

The word, taken apart — its roots and family

నెట్టు (*neṭṭu*) is native Dravidian. DEDR 3760 lists *neṭṭu*, "to push, shove", with Tamil *neṭṭu*, "to thrust, push".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *neṭṭu*
- *Say it:* *neṭṭu*, once more
- *Say it:* say *neṭṭu*
- *Recall:* say the Telugu for to carry, then the Telugu for to pull, then say *neṭṭu* again

Before you move on

What does **నెట్టు** mean? ("To push".) Say it once more.

240.5 విసురు (visuru) — to throw, to fling

Before the new one: say the Telugu for to pull, then the Telugu for to push.

You'll want to know: విసురు

విసురు — *visuru* — "to throw, to fling".

The word, taken apart — its roots and family

విసురు (*visuru*) is native Dravidian. DEDR 5450 lists *visuru*, "to throw, fling", with Tamil *vīcu*, "to throw, fling". DEDR compares Sanskrit *vyajana*, "fanning; fan" (CDIAL 12043).

What you've built

One more word for this chapter.

Your turn

- *Say it: visuru*
- *Say it: visuru*, once more
- *Say it:* say *visuru*
- *Recall:* say the Telugu for to pull, then the Telugu for to push, then say *visuru* again

Before you move on

What does **విసురు** mean? ("To throw, to fling".) Say it once more.

Chapter 241

To swallow, To bite, To breathe in, To sneeze, To vomit

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to swallow, to bite, to breathe in, to sneeze and to vomit.
>
> *Complete the last lesson of chapter 241: I can say to swallow, to bite, to breathe in, to sneeze and to vomit.*

241.1 మింగు (miṅgu) — to swallow

> Before the new one: say the Telugu for to push, then the Telugu for to throw.

You'll want to know: మింగు

మింగు — *miṅgu* — "to swallow".

The word, taken apart — its roots and family

మింగు (*miṅgu*) is native Dravidian, one word with Tamil *miḻuṅku* and Kannada *miṅgu* (DEDR 4866). DEDR lists Telugu *miṅgu*, "to swallow".

What you've built

One more word for this chapter.

Your turn

- *Say it: miṅgu*
- *Say it: miṅgu*, once more
- *Say it:* say *miṅgu*
- *Recall:* say the Telugu for to push, then the Telugu for to throw, then say *miṅgu* again

Before you move on

What does మింగు mean? (“To swallow”.) Say it once more.

241.2 కొరుకు (koruku) — to bite

Before the new one: say the Telugu for to throw, then the Telugu for to swallow.

You’ll want to know: కొరుకు

కొరుకు — *koruku* — “to bite”.

The word, taken apart — its roots and family

కొరుకు (*koruku*) is native Dravidian. DEDR 2164 lists *koṟuku*, “to bite, gnaw”, with Kannada *koṟuku*, “to bite, gnaw”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: koruku*
- *Say it: koruku*, once more
- *Say it:* say *koruku*
- *Recall:* say the Telugu for to throw, then the Telugu for to swallow, then say *koruku* again

Before you move on

What does **కొరుకు** mean? ("To bite".) Say it once more.

241.3 పీల్చు (pīlcu) — to breathe in, to inhale

Before the new one: say the Telugu for to swallow, then the Telugu for to bite.

You'll want to know: పీల్చు

పీల్చు — *pīlcu* — "to breathe in, to inhale".

The word, taken apart — its roots and family

పీల్చు (*pīlcu*) is native Dravidian. DEDR 4223 lists *pīlcu*, "to suck in, inhale", with Kannada *pīr*, "to suck".

What you've built

One more word for this chapter.

Your turn

- *Say it: pīlcu*
- *Say it: pīlcu*, once more
- *Say it:* say *pīlcu*
- *Recall:* say the Telugu for to swallow, then the Telugu for to bite, then say *pīlcu* again

Before you move on

What does **పీల్చు** mean? ("To breathe in, to inhale".) Say it once more.

241.4 తుమ్ము (tummu) — to sneeze

Before the new one: say the Telugu for to bite, then the Telugu for to breathe in.

You'll want to know: తుమ్ము

తుమ్ము — *tummu* — "to sneeze".

The word, taken apart — its roots and family

తుమ్ము (*tummu*) is native Dravidian, one word with Tamil *tummu* and Malayalam *tummuka* (DEDR 3336). DEDR lists Telugu *tummu*, "to sneeze".

What you've built

One more word for this chapter.

Your turn

- *Say it: tummu*
- *Say it: tummu*, once more
- *Say it:* say *tummu*
- *Recall:* say the Telugu for to bite, then the Telugu for to breathe in, then say *tummu* again

Before you move on

What does **తుమ్ము** mean? ("To sneeze".) Say it once more.

241.5 వాంతి చేసుకో (vānti cēsukō) — to vomit

Before the new one: say the Telugu for to breathe in, then the Telugu for to sneeze.

You'll want to know: వాంతి చేసుకో

వాంతి చేసుకో — *vānti cēsukō* — "to vomit".

The word, taken apart — its roots and family

వాంతి చేసుకో (*vānti cēsukō*) pairs Sanskrit *vānti*, "vomiting" (CDIAL 11518), with native *cēyu*, "to do" (DEDR 1957), and *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vānti cēsukō*
- *Say it:* *vānti cēsukō*, once more
- *Say it:* say *vānti cēsukō*
- *Recall:* say the Telugu for to breathe in, then the Telugu for to sneeze, then say *vānti cēsukō* again

Before you move on

What does **వాంతి చేసుకో** mean? ("To vomit".) Say it once more.

Chapter 242

To bring, To use, To finish, To begin, To iron

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to bring, to use, to finish, to begin and to iron.

Complete the last lesson of chapter 242: I can say to bring, to use, to finish, to begin and to iron.

242.1 తెచ్చు (teccu) — to bring

Before the new one: say the Telugu for to sneeze, then the Telugu for to vomit.

You'll want to know: తెచ్చు

తెచ్చు — *teccu* — "to bring".

The word, taken apart — its roots and family

తెచ్చు (*teccu*) is native Dravidian. DEDR 3098 lists *teccu*, "to bring", with Kannada *tar*, "to bring".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *teccu*
- *Say it:* *teccu*, once more
- *Say it:* say *teccu*
- *Recall:* say the Telugu for to sneeze, then the Telugu for to vomit, then say *teccu* again

Before you move on

What does **తెచ్చు** mean? (“To bring”.) Say it once more.

242.2 ఉపయోగించు (upayōgiñcu) — to use

Before the new one: say the Telugu for to vomit, then the Telugu for to bring.

You’ll want to know: ఉపయోగించు

ఉపయోగించు — *upayōgiñcu* — “to use”.

The word, taken apart — its roots and family

ఉపయోగించు (*upayōgiñcu*) is Sanskrit *upayōga*, “use, application”, made into a verb with the Telugu ending *-iñcu*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *upayōgiñcu*
- *Say it:* *upayōgiñcu*, once more
- *Say it:* say *upayōgiñcu*
- *Recall:* say the Telugu for to vomit, then the Telugu for to bring, then say *upayōgiñcu* again

Before you move on

What does **ఉపయోగించు** mean? ("To use".) Say it once more.

242.3 ముగించు (mugiñcu) — to finish

Before the new one: say the Telugu for to bring, then the Telugu for to use.

You'll want to know: ముగించు

ముగించు — *mugiñcu* — "to finish".

The word, taken apart — its roots and family

ముగించు (*mugiñcu*) is native Dravidian. DEDR 4891 lists *mugiñcu*, "to finish", with Tamil *muki*, "to finish", and Kannada *mugisu*, "to finish".

What you've built

One more word for this chapter.

Your turn

- *Say it: mugiñcu*
- *Say it: mugiñcu*, once more
- *Say it:* say *mugiñcu*
- *Recall:* say the Telugu for to bring, then the Telugu for to use, then say *mugiñcu* again

Before you move on

What does **ముగించు** mean? ("To finish".) Say it once more.

242.4 మొదలుపెట్టు (modalupeṭṭu) — to begin

Before the new one: say the Telugu for to use, then the Telugu for to finish.

You'll want to know: మొదలుపెట్టు

మొదలుపెట్టు — *modalupeṭṭu* — "to begin".

The word, taken apart — its roots and family

మొదలుపెట్టు (*modalupeṭṭu*) is native Dravidian: *modalu*, "beginning", one word with Tamil *mutal* (DEDR 4950), and *peṭṭu*, "to put" (DEDR 4390).

What you've built

One more word for this chapter.

Your turn

- *Say it: modalupeṭṭu*
- *Say it: modalupeṭṭu*, once more
- *Say it:* say *modalupeṭṭu*
- *Recall:* say the Telugu for to use, then the Telugu for to finish, then say *modalupeṭṭu* again

Before you move on

What does **మొదలుపెట్టు** mean? ("To begin".) Say it once more.

242.5 ఇస్త్రీ చేయు (istrī cēyu) — to iron (clothes)

Before the new one: say the Telugu for to finish, then the Telugu for to begin.

You'll want to know: ఇస్త్రీ చేయు

ఇస్త్రీ చేయు — *istrī cēyu* — "to iron (clothes)".

The word, taken apart — its roots and family

The origin of *istrī*, "an iron for clothes", the first word of **ఇస్త్రీ చేయు** (*istrī cēyu*), is uncertain; DEDR and CDIAL do not list it. It may come from Portuguese *estirar*, "to stretch". *Cēyu*, "to do", is native

(DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: istrī cēyu*
- *Say it: istrī cēyu*, once more
- *Say it:* say *istrī cēyu*
- *Recall:* say the Telugu for to finish, then the Telugu for to begin, then say *istrī cēyu* again

Before you move on

What does **ఇస్త్రీ చేయు** mean? ("To iron (clothes)".) Say it once more.

Chapter 243

To solve, To reduce, To raise, To inform, To transfer

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to solve, to reduce, to raise, to inform and to transfer.
>
> *Complete the last lesson of chapter 243: I can say to solve, to reduce, to raise, to inform and to transfer.*

243.1 పరిష్కరించు (pariṣkariñcu) — to solve, to settle

Before the new one: say the Telugu for to begin, then the Telugu for to iron.

You'll want to know: పరిష్కరించు

పరిష్కరించు — *pariṣkariñcu* — "to solve, to settle".

The word, taken apart — its roots and family

పరిష్కరించు (*pariṣkariñcu*) is Sanskrit *pariṣkāra*, which CDIAL 7894 glosses "ornament", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: pariṣkariñcu*
- *Say it: pariṣkariñcu*, once more
- *Say it:* say *pariṣkariñcu*
- *Recall:* say the Telugu for to begin, then the Telugu for to iron, then say *pariṣkariñcu* again

Before you move on

What does **పరిష్కరించు** mean? ("To solve, to settle".) Say it once more.

243.2 తగ్గించు (taggiñcu) — to reduce, to lower

Before the new one: say the Telugu for to iron, then the Telugu for to solve.

You'll want to know: తగ్గించు

తగ్గించు — *taggiñcu* — "to reduce, to lower".

The word, taken apart — its roots and family

తగ్గించు (*taggiñcu*) is native Dravidian, made from *taggu*, "to decrease, be reduced", which DEDR 3178 lists with Tamil *tāḻ*, "to fall low, decrease".

What you've built

One more word for this chapter.

Your turn

- *Say it: taggiñcu*
- *Say it: taggiñcu*, once more
- *Say it:* say *taggiñcu*

- *Recall:* say the Telugu for to iron, then the Telugu for to solve, then say *taggiñcu* again

Before you move on

What does **తగ్గించు** mean? (“To reduce, to lower”.) Say it once more.

243.3 పెంచు (peñcu) — to raise, to increase

Before the new one: say the Telugu for to solve, then the Telugu for to reduce.

You’ll want to know: పెంచు

పెంచు — *peñcu* — “to raise, to increase”.

The word, taken apart — its roots and family

పెంచు (*peñcu*) is native Dravidian. DEDR 4436 lists *peñcu*, “to nourish, rear, increase”, with Tamil *pēṇu*, “to cherish, foster”. DEDR 4385 *pencu*, “potsherd”, is a different word.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: peñcu*
- *Say it: peñcu*, once more
- *Say it:* say *peñcu*
- *Recall:* say the Telugu for to solve, then the Telugu for to reduce, then say *peñcu* again

Before you move on

What does **పెంచు** mean? (“To raise, to increase”.) Say it once more.

243.4 తెలియజేయు (teliyajēyu) — to inform, to let know

Before the new one: say the Telugu for to reduce, then the Telugu for to raise.

You'll want to know: తెలియజేయు

తెలియజేయు — *teliyajēyu* — "to inform, to let know".

The word, taken apart — its roots and family

తెలియజేయు (*teliyajēyu*) is native Dravidian: *teliya*, from *teliyu*, "to be known" (DEDR 3433), and *-jēyu*, from *cēyu*, "to do" (DEDR 1957): "to make known".

What you've built

One more word for this chapter.

Your turn

- *Say it: teliyajēyu*
- *Say it: teliyajēyu*, once more
- *Say it:* say *teliyajēyu*
- *Recall:* say the Telugu for to reduce, then the Telugu for to raise, then say *teliyajēyu* again

Before you move on

What does **తెలియజేయు** mean? ("To inform, to let know".) Say it once more.

243.5 బదిలీ చేయు (badilī cēyu) — to transfer

Before the new one: say the Telugu for to raise, then the Telugu for to inform.

You'll want to know: బదిలీ చేయు

బదిలీ చేయు — *badilī cēyu* — "to transfer".

The word, taken apart — its roots and family

బదిలీ చేయు (*badilī cēyu*) pairs *badilī*, "transfer", from Arabic *badal*, "exchange", through Persian and Hindustani, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: badilī cēyu*
- *Say it: badilī cēyu*, once more
- *Say it:* say *badilī cēyu*
- *Recall:* say the Telugu for to raise, then the Telugu for to inform, then say *badilī cēyu* again

Before you move on

What does **బదిలీ చేయు** mean? ("To transfer".) Say it once more.

Chapter 244

To blow, To shine, To freeze, To wilt, To bark

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to blow, to shine, to freeze, to wilt and to bark.

Complete the last lesson of chapter 244: I can say to blow, to shine, to freeze, to wilt and to bark.

244.1 వీచు (vīcu) — to blow (of the wind)

Before the new one: say the Telugu for to inform, then the Telugu for to transfer.

You'll want to know: వీచు

వీచు — *vīcu* — "to blow (of the wind)".

The word, taken apart — its roots and family

వీచు (*vīcu*) is native Dravidian. DEDR 5450 lists *vīcu*, "to blow as the wind", with Tamil *vīcu* and Kannada *bīsu*, "to blow, fan". DEDR compares Sanskrit *vyajana*, "fanning; fan" (CDIAL 12043).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vīcu*
- *Say it:* *vīcu*, once more
- *Say it:* say *vīcu*
- *Recall:* say the Telugu for to inform, then the Telugu for to transfer, then say *vīcu* again

Before you move on

What does **వీచు** mean? ("To blow (of the wind)".) Say it once more.

244.2 ప్రకాశించు (prakāśiñcu) — to shine

Before the new one: say the Telugu for to transfer, then the Telugu for to blow.

You'll want to know: ప్రకాశించు

ప్రకాశించు — *prakāśiñcu* — "to shine".

The word, taken apart — its roots and family

ప్రకాశించు (*prakāśiñcu*) is Sanskrit *prakāśa*, "clearness, lustre" (CDIAL 8437), made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *prakāśiñcu*
- *Say it:* *prakāśiñcu*, once more
- *Say it:* say *prakāśiñcu*
- *Recall:* say the Telugu for to transfer, then the Telugu for to blow, then say *prakāśiñcu* again

Before you move on

What does **ప్రకాశించు** mean? ("To shine".) Say it once more.

244.3 గడ్డకట్టు (gaḍḍakaṭṭu) — to freeze

Before the new one: say the Telugu for to blow, then the Telugu for to shine.

You'll want to know: గడ్డకట్టు

గడ్డకట్టు — *gaḍḍakaṭṭu* — "to freeze".

The word, taken apart — its roots and family

గడ్డకట్టు (*gaḍḍakaṭṭu*) is native Dravidian: *gaḍḍa*, "lump, clod, clot" (DEDR 1148), with *kaṭṭu*, "to bind, form": "to form a lump". DEDR compares Sanskrit *kaṭhina*, "hard" (CDIAL 2650), with the first; CDIAL reports the view that *kaṭhina* came from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: gaḍḍakaṭṭu*
- *Say it: gaḍḍakaṭṭu*, once more
- *Say it:* say *gaḍḍakaṭṭu*
- *Recall:* say the Telugu for to blow, then the Telugu for to shine, then say *gaḍḍakaṭṭu* again

Before you move on

What does **గడ్డకట్టు** mean? ("To freeze".) Say it once more.

244.4 వాడిపోవు (vāḍipōvu) — to wilt, to fade

Before the new one: say the Telugu for to shine, then the Telugu for to freeze.

You'll want to know: వాడిపోవు

వాడిపోవు — *vāḍipōvu* — "to wilt, to fade".

The word, taken apart — its roots and family

వాడిపోవు (*vāḍipōvu*) is native Dravidian: *vāḍu*, "to fade, wither", one word with Tamil *vāṭu* (DEDR 5342), and *pōvu*, "to go" (DEDR 4572).

What you've built

One more word for this chapter.

Your turn

- *Say it: vāḍipōvu*
- *Say it: vāḍipōvu*, once more
- *Say it:* say *vāḍipōvu*
- *Recall:* say the Telugu for to shine, then the Telugu for to freeze, then say *vāḍipōvu* again

Before you move on

What does **వాడిపోవు** mean? ("To wilt, to fade".) Say it once more.

244.5 మొరుగు (morugu) — to bark

Before the new one: say the Telugu for to freeze, then the Telugu for to wilt.

You'll want to know: మొరుగు

మొరుగు — *morugu* — "to bark".

The word, taken apart — its roots and family

మొరుగు (*morugu*) is native Dravidian. DEDR 5013 lists *mo̲rugu*, "to bark as a dog", with Kannada *mo̲re*, "to roar, bawl", and points to related sound-words across the region (CDIAL 10215).

What you've built

One more word for this chapter.

Your turn

- *Say it: morugu*
- *Say it: morugu*, once more
- *Say it:* say *morugu*
- *Recall:* say the Telugu for to freeze, then the Telugu for to wilt, then say *morugu* again

Before you move on

What does **మొరుగు** mean? ("To bark".) Say it once more.

Chapter 245

To collect, To broadcast, To print, To download, To type

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to collect, to broadcast, to print, to download and to type.
>
> *Complete the last lesson of chapter 245: I can say to collect, to broadcast, to print, to download and to type.*

245.1 సేకరించు (sēkariñcu) — to collect

> Before the new one: say the Telugu for to wilt, then the Telugu for to bark.

You'll want to know: సేకరించు

సేకరించు — *sēkariñcu* — "to collect".

The word, taken apart — its roots and family

DEDR 2801 lists **సేకరించు** (*sēkariñcu*), "to save, collect", with Tamil *cēkaram*, "acquisition, collection", and notes that the Malayalam forms look Sanskrit though Sanskrit has no such word in this sense.

What you've built

One more word for this chapter.

Your turn

- *Say it: sēkariñcu*
- *Say it: sēkariñcu*, once more
- *Say it:* say *sēkariñcu*
- *Recall:* say the Telugu for to wilt, then the Telugu for to bark, then say *sēkariñcu* again

Before you move on

What does **సేకరించు** mean? ("To collect".) Say it once more.

245.2 ప్రసారం చేయు (prasāraṁ cēyu) — to broadcast

Before the new one: say the Telugu for to bark, then the Telugu for to collect.

You'll want to know: ప్రసారం చేయు

ప్రసారం చేయు — *prasāraṁ cēyu* — "to broadcast".

The word, taken apart — its roots and family

ప్రసారం చేయు (*prasāraṁ cēyu*) pairs Sanskrit *prasāra*, "extension, spreading" (CDIAL 8835), with the Telugu ending *-ṁ*, and native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: prasāraṁ cēyu*
- *Say it: prasāraṁ cēyu*, once more
- *Say it:* say *prasāraṁ cēyu*

- *Recall:* say the Telugu for to bark, then the Telugu for to collect, then say *prasāraṁ cēyu* again

Before you move on

What does **ప్రసారం చేయు** mean? ("To broadcast".) Say it once more.

245.3 ముద్రించు (mudriñcu) — to print

Before the new one: say the Telugu for to collect, then the Telugu for to broadcast.

You'll want to know: ముద్రించు

ముద్రించు — *mudriñcu* — "to print".

The word, taken apart — its roots and family

ముద్రించు (*mudriñcu*) is Sanskrit *mudrā*, "seal, signet-ring" (CDIAL 10203), made into a verb with the Telugu ending *-iñcu*: "to stamp, print". CDIAL thinks *mudrā* probably came from Iranian.

What you've built

One more word for this chapter.

Your turn

- *Say it: mudriñcu*
- *Say it: mudriñcu*, once more
- *Say it:* say *mudriñcu*
- *Recall:* say the Telugu for to collect, then the Telugu for to broadcast, then say *mudriñcu* again

Before you move on

What does **ముద్రించు** mean? ("To print".) Say it once more.

245.4 డౌన్లోడ్ చేయు (ḍaunlōḍ cēyu) — to download

Before the new one: say the Telugu for to broadcast, then the Telugu for to print.

You'll want to know: డౌన్లోడ్ చేయు

డౌన్లోడ్ చేయు — *ḍaunlōḍ cēyu* — "to download".

The word, taken apart — its roots and family

డౌన్లోడ్ చేయు (*ḍaunlōḍ cēyu*) pairs *ḍaunlōḍ*, a loan from English *download*, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ḍaunlōḍ cēyu*
- *Say it:* *ḍaunlōḍ cēyu*, once more
- *Say it:* say *ḍaunlōḍ cēyu*
- *Recall:* say the Telugu for to broadcast, then the Telugu for to print, then say *ḍaunlōḍ cēyu* again

Before you move on

What does **డౌన్లోడ్ చేయు** mean? ("To download".) Say it once more.

245.5 టైప్ చేయు (ṭaip cēyu) — to type

Before the new one: say the Telugu for to print, then the Telugu for to download.

You'll want to know: టైప్ చేయు

టైప్ చేయు — *ṭaip cēyu* — "to type".

The word, taken apart — its roots and family

టైప్ చేయు (*ṭaip cēyu*) pairs *ṭaip*, a loan from English *type*, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: ṭaip cēyu*
- *Say it: ṭaip cēyu*, once more
- *Say it:* say *ṭaip cēyu*
- *Recall:* say the Telugu for to print, then the Telugu for to download, then say *ṭaip cēyu* again

Before you move on

What does **టైప్ చేయు** mean? ("To type".) Say it once more.

Chapter 246

To lend, To give back, To empty, To decrease, To refuse

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to lend, to give back, to empty, to decrease and to refuse.
>
> *Complete the last lesson of chapter 246: I can say to lend, to give back, to empty, to decrease and to refuse.*

246.1 అప్పు ఇవ్వు (appu ivvu) — to lend (money)

> Before the new one: say the Telugu for to download, then the Telugu for to type.

You'll want to know: అప్పు ఇవ్వు

అప్పు ఇవ్వు — *appu ivvu* — "to lend (money)".

The word, taken apart — its roots and family

అప్పు ఇవ్వు (*appu ivvu*) is native Dravidian: *appu*, "loan" (DEDR 216), and *ivvu*, "to give", one word with Tamil *ī* and Kannada *ī*, "to give" (DEDR 2598).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *appu ivvu*
- *Say it:* *appu ivvu*, once more
- *Say it:* say *appu ivvu*
- *Recall:* say the Telugu for to download, then the Telugu for to type, then say *appu ivvu* again

Before you move on

What does అప్పు ఇవ్వు mean? ("To lend (money)".) Say it once more.

246.2 తిరిగి ఇవ్వు (tirigi ivvu) — to give back, to return

Before the new one: say the Telugu for to type, then the Telugu for to lend.

You'll want to know: తిరిగి ఇవ్వు

తిరిగి ఇవ్వు — *tirigi ivvu* — "to give back, to return".

The word, taken apart — its roots and family

తిరిగి ఇవ్వు (*tirigi ivvu*) is native Dravidian: *tirigi*, "again", which DEDR 3246 lists under *tirugu*, "to turn", one word with Tamil *tiri*, "to turn"; and *ivvu*, "to give" (DEDR 2598).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tirigi ivvu*
- *Say it:* *tirigi ivvu*, once more
- *Say it:* say *tirigi ivvu*

- *Recall:* say the Telugu for to type, then the Telugu for to lend, then say *tirigi ivvu* again

Before you move on

What does **తిరిగి ఇవ్వు** mean? ("To give back, to return".) Say it once more.

246.3 ఖాళీ చేయు (khāḷī cēyu) — to empty

Before the new one: say the Telugu for to lend, then the Telugu for to give back.

You'll want to know: ఖాళీ చేయు

ఖాళీ చేయు — *khāḷī cēyu* — "to empty".

The word, taken apart — its roots and family

ఖాళీ చేయు (*khāḷī cēyu*) pairs *khāḷī*, "empty", a loan from Arabic *khālī* through Persian and Hindustani, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: khāḷī cēyu*
- *Say it: khāḷī cēyu*, once more
- *Say it:* say *khāḷī cēyu*
- *Recall:* say the Telugu for to lend, then the Telugu for to give back, then say *khāḷī cēyu* again

Before you move on

What does **ఖాళీ చేయు** mean? ("To empty".) Say it once more.

246.4 తగ్గు (taggu) — to decrease, to go down

Before the new one: say the Telugu for to give back, then the Telugu for to empty.

You'll want to know: తగ్గు

తగ్గు — *taggu* — "to decrease, to go down".

The word, taken apart — its roots and family

తగ్గు (*taggu*) is native Dravidian. DEDR 3178 lists *taggu*, "to decrease, become less", with Tamil *tāḻ*, "to fall low, decrease".

What you've built

One more word for this chapter.

Your turn

- *Say it: taggu*
- *Say it: taggu*, once more
- *Say it:* say *taggu*
- *Recall:* say the Telugu for to give back, then the Telugu for to empty, then say *taggu* again

Before you move on

What does **తగ్గు** mean? ("To decrease, to go down".) Say it once more.

246.5 నిరాకరించు (nirākariñcu) — to refuse

Before the new one: say the Telugu for to empty, then the Telugu for to decrease.

You'll want to know: నిరాకరించు

నిరాకరించు — *nirākariñcu* — "to refuse".

The word, taken apart — its roots and family

నిరాకరించు (*nirākariñcu*) is Sanskrit *nirākaraṇa*, "rejection, refusal", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: nirākariñcu*
- *Say it: nirākariñcu*, once more
- *Say it:* say *nirākariñcu*
- *Recall:* say the Telugu for to empty, then the Telugu for to decrease, then say *nirākariñcu* again

Before you move on

What does **నిరాకరించు** mean? ("To refuse".) Say it once more.

Chapter 247

To pinch, To scratch, To whisper, To persuade, To plead

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to pinch, to scratch, to whisper, to persuade and to plead.
>
> *Complete the last lesson of chapter 247: I can say to pinch, to scratch, to whisper, to persuade and to plead.*

247.1 గిల్లు (gillu) — to pinch

Before the new one: say the Telugu for to decrease, then the Telugu for to refuse.

You'll want to know: గిల్లు

గిల్లు — *gillu* — "to pinch".

The word, taken apart — its roots and family

గిల్లు (*gillu*) is native Dravidian, one word with Tamil *kiḷḷu* and Malayalam *kiḷḷuka* (DEDR 1589). DEDR lists Telugu *gillu*, "to pinch".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gillu*
- *Say it:* *gillu*, once more
- *Say it:* say *gillu*
- *Recall:* say the Telugu for to decrease, then the Telugu for to refuse, then say *gillu* again

Before you move on

What does గిల్లు mean? ("To pinch".) Say it once more.

247.2 గోకు (gōku) — to scratch

Before the new one: say the Telugu for to refuse, then the Telugu for to pinch.

You'll want to know: గోకు

గోకు — *gōku* — "to scratch".

The word, taken apart — its roots and family

గోకు (*gōku*) is native Dravidian. DEDR 2257 lists a nasalised *gōku*, "to scratch with the nails", with Kannada *gōṟu*, "to scratch", and Tamil *kōṟai*, "a scratch".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gōku*
- *Say it:* *gōku*, once more
- *Say it:* say *gōku*
- *Recall:* say the Telugu for to refuse, then the Telugu for to pinch, then say *gōku* again

Before you move on

What does **గోకు** mean? ("To scratch".) Say it once more.

247.3 గుసగుసలాడు (gusagusalāḍu) — to whisper

Before the new one: say the Telugu for to pinch, then the Telugu for to scratch.

You'll want to know: గుసగుసలాడు

గుసగుసలాడు — *gusagusalāḍu* — "to whisper".

The word, taken apart — its roots and family

గుసగుసలాడు (*gusagusalāḍu*) is native Dravidian: *gusagusa*, "whisper", which DEDR 1638 lists with Tamil *kucukucu*, "to whisper", and *āḍu*, "to play, act" (DEDR 347). DEDR notes related whisper-words in Prakrit and Hindi.

What you've built

One more word for this chapter.

Your turn

- *Say it: gusagusalāḍu*
- *Say it: gusagusalāḍu*, once more
- *Say it:* say *gusagusalāḍu*
- *Recall:* say the Telugu for to pinch, then the Telugu for to scratch, then say *gusagusalāḍu* again

Before you move on

What does **గుసగుసలాడు** mean? ("To whisper".) Say it once more.

247.4 ఒప్పించు (oppiñcu) — to persuade

Before the new one: say the Telugu for to scratch, then the Telugu for to whisper.

You'll want to know: ఒప్పించు

ఒప్పించు — *oppiñcu* — "to persuade".

The word, taken apart — its roots and family

ఒప్పించు (*oppiñcu*) is native Dravidian, made from *oppu*, "to consent, agree", one word with Kannada *oppu* (DEDR 924): "to make agree".

What you've built

One more word for this chapter.

Your turn

- *Say it: oppiñcu*
- *Say it: oppiñcu*, once more
- *Say it:* say *oppiñcu*
- *Recall:* say the Telugu for to scratch, then the Telugu for to whisper, then say *oppiñcu* again

Before you move on

What does **ఒప్పించు** mean? ("To persuade".) Say it once more.

247.5 బతిమాలు (batimālu) — to plead, to beg

Before the new one: say the Telugu for to whisper, then the Telugu for to persuade.

You'll want to know: బతిమాలు

బతిమాలు — *batimālu* — "to plead, to beg".

The word, taken apart — its roots and family

The origin of **బతిమాలు** (*batimālu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "to plead, beg".

What you've built

One more word for this chapter.

Your turn

- *Say it: batimālu*
- *Say it: batimālu*, once more
- *Say it:* say *batimālu*
- *Recall:* say the Telugu for to whisper, then the Telugu for to persuade, then say *batimālu* again

Before you move on

What does **బతిమాలు** mean? ("To plead, to beg".) Say it once more.

Chapter 248

To sprout, To milk, To cheat, To rob, To hand over

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say to sprout, to milk, to cheat, to rob and to hand over.

Complete the last lesson of chapter 248: I can say to sprout, to milk, to cheat, to rob and to hand over.

248.1 మొలకెత్తు (molakettu) — to sprout

Before the new one: say the Telugu for to persuade, then the Telugu for to plead.

You'll want to know: మొలకెత్తు

మొలకెత్తు — *molakettu* — "to sprout".

The word, taken apart — its roots and family

మొలకెత్తు (*molakettu*) is native Dravidian. DEDR 4997 lists *molakettu*, "to sprout, germinate", beside *molaka*, "sprout", with Tamil *muḷai*, "to sprout".

What you've built

One more word for this chapter.

Your turn

- *Say it: molakettu*
- *Say it: molakettu*, once more
- *Say it:* say *molakettu*
- *Recall:* say the Telugu for to persuade, then the Telugu for to plead, then say *molakettu* again

Before you move on

What does **మొలకెత్తు** mean? ("To sprout".) Say it once more.

248.2 పితుకు (pituku) — to milk (a cow)

Before the new one: say the Telugu for to plead, then the Telugu for to sprout.

You'll want to know: పితుకు

పితుకు — *pituku* — "to milk (a cow)".

The word, taken apart — its roots and family

పితుకు (*pituku*) is native Dravidian. DEDR 4165 lists *pituku*, "to milk, press out", with Tamil *pitukku*, "to squeeze out", and Kannada *hiduku*, "to squeeze".

What you've built

One more word for this chapter.

Your turn

- *Say it: pituku*
- *Say it: pituku*, once more
- *Say it:* say *pituku*
- *Recall:* say the Telugu for to plead, then the Telugu for to sprout, then say *pituku* again

Before you move on

What does **పితుకు** mean? ("To milk (a cow)".) Say it once more.

248.3 మోసం చేయు (mōsaṁ cēyu) — to cheat

Before the new one: say the Telugu for to sprout, then the Telugu for to milk.

You'll want to know: మోసం చేయు

మోసం చేయు — *mōsaṁ cēyu* — "to cheat".

The word, taken apart — its roots and family

Mōsaṁ, "deceit", the first word of **మోసం చేయు** (*mōsaṁ cēyu*), is probably Sanskrit *mōṣa*, "theft", Prakrit *mōsa*, "stealing" (CDIAL 10358). *Cēyu*, "to do", is native (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: mōsaṁ cēyu*
- *Say it: mōsaṁ cēyu*, once more
- *Say it:* say *mōsaṁ cēyu*
- *Recall:* say the Telugu for to sprout, then the Telugu for to milk, then say *mōsaṁ cēyu* again

Before you move on

What does **మోసం చేయు** mean? ("To cheat".) Say it once more.

248.4 దోచుకో (dōcukō) — to rob

Before the new one: say the Telugu for to milk, then the Telugu for to cheat.

You'll want to know: దోచుకో

దోచుకో — *dōcukō* — "to rob".

The word, taken apart — its roots and family

దోచుకో (*dōcukō*) is native Dravidian: a nasalised *dōcu*, "to plunder, rob", which DEDR 3541 lists with Kannada *dōcu*, "to plunder", with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: dōcukō*
- *Say it: dōcukō*, once more
- *Say it:* say *dōcukō*
- *Recall:* say the Telugu for to milk, then the Telugu for to cheat, then say *dōcukō* again

Before you move on

What does **దోచుకో** mean? ("To rob".) Say it once more.

248.5 అప్పగించు (appagiñcu) — to hand over, to entrust

Before the new one: say the Telugu for to cheat, then the Telugu for to rob.

You'll want to know: అప్పగించు

అప్పగించు — *appagiñcu* — "to hand over, to entrust".

The word, taken apart — its roots and family

The origin of అప్పగించు (*appagiñcu*) is uncertain. DEDR does not list it, but compare *oppincu*, "to make over, entrust", which DEDR 924 lists under *oppu*, "to consent".

What you've built

One more word for this chapter.

Your turn

- *Say it: appagiñcu*
- *Say it: appagiñcu*, once more
- *Say it:* say *appagiñcu*
- *Recall:* say the Telugu for to cheat, then the Telugu for to rob, then say *appagiñcu* again

Before you move on

What does అప్పగించు mean? ("To hand over, to entrust".) Say it once more.

248.6 Words from chapters 240-243 — a first pass

Say the words for to rob and to hand over.

Your turn

Say these aloud:

- to lift, to carry, to pull, to push, to throw
- to swallow, to bite, to breathe in, to sneeze, to vomit
- to bring, to use, to finish, to begin, to iron
- to solve, to reduce, to raise, to inform, to transfer

Before you move on

To lift? (ఎత్తు, *ettu.*) To carry? (మోయు, *mōyu.*) To pull? (లాగు, *lāgu.*) To push? (నెట్టు, *neṭṭu.*) To throw? (విసురు, *visuru.*) To swallow? (మింగు, *miṅgu.*) To bite? (కొరుకు, *koruku.*) To breathe in? (పీల్చు, *pīlcu.*) To sneeze? (తుమ్ము, *tummu.*) To vomit? (వాంతి చేసుకో, *vānti cēsukō.*) To bring? (తెచ్చు, *teccu.*) To use? (ఉపయోగించు, *upayōgiñcu.*) To finish? (ముగించు, *mugiñcu.*) To begin? (మొదలుపెట్టు, *modalupeṭṭu.*) To iron? (ఇస్త్రీ చేయు, *istrī cēyu.*) To solve? (పరిష్కరించు, *pariṣkariñcu.*) To reduce? (తగ్గించు, *taggiñcu.*) To raise? (పెంచు, *peñcu.*) To inform? (తెలియజేయు, *teliyajēyu.*) To transfer? (బదిలీ చేయు, *badilī cēyu.*)

248.7 Words from chapters 244-248 — a second pass

Say the words for to blow and to shine.

Your turn

Say these aloud:

- to blow, to shine, to freeze, to wilt, to bark
- to collect, to broadcast, to print, to download, to type
- to lend, to give back, to empty, to decrease, to refuse
- to pinch, to scratch, to whisper, to persuade, to plead
- to sprout, to milk, to cheat, to rob, to hand over

Before you move on

To blow? (వీచు, *vīcu.*) To shine? (ప్రకాశించు, *prakāśiñcu.*) To freeze? (గడ్డకట్టు, *gaḍḍakaṭṭu.*) To wilt? (వాడిపోవు, *vāḍipōvu.*) To bark? (మొరుగు, *morugu.*) To collect? (సేకరించు, *sēkariñcu.*) To broadcast? (ప్రసారం చేయు, *prasāraṁ cēyu.*) To print? (ముద్రించు, *mudriñcu.*) To download? (డౌన్లోడ్ చేయు, *ḍaunlōḍ cēyu.*) To type? (టైప్ చేయు, *ṭaip cēyu.*) To lend? (అప్పు ఇవ్వు, *appu ivvu.*) To give back? (తిరిగి ఇవ్వు,

tirigi ivvu.) To empty? (ఖాళీ చేయు, *khāḷī cēyu.*) To decrease? (తగ్గు, *taggu.*) To refuse? (నిరాకరించు, *nirākariñcu.*) To pinch? (గిల్లు, *gillu.*) To scratch? (గోకు, *gōku.*) To whisper? (గుసగుసలాడు, *gusagusalāḍu.*) To persuade? (ఒప్పించు, *oppiñcu.*) To plead? (బతిమాలు, *batimālu.*) To sprout? (మొలకెత్తు, *molakettu.*) To milk? (పితుకు, *pituku.*) To cheat? (మోసం చేయు, *mōsaṁ cēyu.*) To rob? (దోచుకో, *dōcukō.*) To hand over? (అప్పగించు, *appagiñcu.*)

Chapter 249

To endure, To crawl, To bend down, To stretch out, To stack

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to endure, to crawl, to bend down, to stretch out and to stack.
>
> *Complete the last lesson of chapter 249: I can say to endure, to crawl, to bend down, to stretch out and to stack.*

249.1 భరించు (bhariñcu) — to endure, to put up with

Before the new one: say the Telugu for to rob, then the Telugu for to hand over.

You'll want to know: భరించు

భరించు — *bhariñcu* — "to endure, to put up with".

The word, taken apart — its roots and family

భరించు (*bhariñcu*) is Sanskrit *bhara*, "carrying; weight" (CDIAL 9393), made into a verb with the Telugu ending *-iñcu*: "to bear".

What you've built

One more word for this chapter.

Your turn

- *Say it: bhariñcu*
- *Say it: bhariñcu*, once more
- *Say it:* say *bhariñcu*
- *Recall:* say the Telugu for to rob, then the Telugu for to hand over, then say *bhariñcu* again

Before you move on

What does భరించు mean? (“To endure, to put up with”.) Say it once more.

249.2 పాకు (pāku) — to crawl

Before the new one: say the Telugu for to hand over, then the Telugu for to endure.

You’ll want to know: పాకు

పాకు — *pāku* — “to crawl”.

The word, taken apart — its roots and family

పాకు (*pāku*) is native Dravidian. DEDR 3949 lists *prāku* and *pākulāḍu*, “to creep, crawl”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: pāku*
- *Say it: pāku*, once more
- *Say it:* say *pāku*
- *Recall:* say the Telugu for to hand over, then the Telugu for to endure, then say *pāku* again

Before you move on

What does **పాకు** mean? ("To crawl".) Say it once more.

249.3 వంగు (vaṅgu) — to bend down, to stoop

Before the new one: say the Telugu for to endure, then the Telugu for to crawl.

You'll want to know: వంగు

వంగు — *vaṅgu* — "to bend down, to stoop".

The word, taken apart — its roots and family

వంగు (*vaṅgu*) is native Dravidian. DEDR 5335 lists *vaṅgu*, "to bend, stoop", with Tamil *vāṅku*, "to bend". DEDR compares Sanskrit *vaṅka*, "bent, crooked" (CDIAL 11191), which CDIAL ties to a probably non-Aryan word-group.

What you've built

One more word for this chapter.

Your turn

- *Say it: vaṅgu*
- *Say it: vaṅgu*, once more
- *Say it:* say *vaṅgu*
- *Recall:* say the Telugu for to endure, then the Telugu for to crawl, then say *vaṅgu* again

Before you move on

What does **వంగు** mean? ("To bend down, to stoop".) Say it once more.

249.4 చాచు (cācu) — to stretch out (a limb)

Before the new one: say the Telugu for to crawl, then the Telugu for to bend down.

You'll want to know: చాచు

చాచు — *cācu* — "to stretch out (a limb)".

The word, taken apart — its roots and family

చాచు (*cācu*) is native Dravidian. DEDR 2433 lists a nasalised *cāgu*, "to be stretched", with Kannada *cācu*, "to stretch out", and sets beside them, with a query, Tamil *cāṭu*, "to stretch out".

What you've built

One more word for this chapter.

Your turn

- *Say it: cācu*
- *Say it: cācu*, once more
- *Say it:* say *cācu*
- *Recall:* say the Telugu for to crawl, then the Telugu for to bend down, then say *cācu* again

Before you move on

What does **చాచు** mean? ("To stretch out (a limb)".) Say it once more.

249.5 పేర్చు (pērcu) — to stack, to pile up

Before the new one: say the Telugu for to bend down, then the Telugu for to stretch out.

You'll want to know: పేర్చు

పేర్చు — *pērcu* — "to stack, to pile up".

The word, taken apart — its roots and family

పేర్చు (*pērcu*) is native Dravidian. DEDR 4446 lists *pērcu*, "to pile up, arrange in a row", with Tamil *piṟakku*, "to heap, pile up".

What you've built

One more word for this chapter.

Your turn

- *Say it: pērcu*
- *Say it: pērcu*, once more
- *Say it:* say *pērcu*
- *Recall:* say the Telugu for to bend down, then the Telugu for to stretch out, then say *pērcu* again

Before you move on

What does పేర్చు mean? ("To stack, to pile up".) Say it once more.

Chapter 250

Palm of the hand, Heel, Ankle, Thigh, Waist

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say the palm of the hand, the heel, the ankle, the thigh and the waist.

Complete the last lesson of chapter 250: I can say the palm of the hand, the heel, the ankle, the thigh and the waist.

250.1 అరచెయ్యి (araceyyi) — the palm of the hand

Before the new one: say the Telugu for to stretch out, then the Telugu for to stack.

You'll want to know: అరచెయ్యి

అరచెయ్యి — *araceyyi* — "the palm of the hand".

The word, taken apart — its roots and family

అరచెయ్యి (*araceyyi*) is native Dravidian. DEDR 310 lists *aṟa-cēyi*, "palm of the hand", with Tamil *aṟaṅkai*, "palm of the hand".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *araceyyi*
- *Say it:* *araceyyi*, once more
- *Say it:* say *araceyyi*
- *Recall:* say the Telugu for to stretch out, then the Telugu for to stack, then say *araceyyi* again

Before you move on

What does అరచెయ్యి mean? ("The palm of the hand".) Say it once more.

250.2 మడమ (maḍama) — the heel

Before the new one: say the Telugu for to stack, then the Telugu for the palm of the hand.

You'll want to know: మడమ

మడమ — *maḍama* — "the heel".

The word, taken apart — its roots and family

మడమ (*maḍama*) is native Dravidian, one word with Malayalam *maṭampu* and Kannada *maḍa* (DEDR 4649). DEDR lists Telugu *maḍama*, "heel".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *maḍama*
- *Say it:* *maḍama*, once more
- *Say it:* say *maḍama*

- *Recall:* say the Telugu for to stack, then the Telugu for the palm of the hand, then say *maḍama* again

Before you move on

What does **మడమ** mean? ("The heel".) Say it once more.

250.3 చీలమండ (cīlamaṇḍa) — the ankle

Before the new one: say the Telugu for the palm of the hand, then the Telugu for the heel.

You'll want to know: చీలమండ

చీలమండ — *cīlamaṇḍa* — "the ankle".

The word, taken apart — its roots and family

చీలమండ (*cīlamaṇḍa*) is listed in DEDR 2633, "ankle", with Kannada *cīlamaṇḍe*, "ankle".

What you've built

One more word for this chapter.

Your turn

- *Say it: cīlamaṇḍa*
- *Say it: cīlamaṇḍa*, once more
- *Say it:* say *cīlamaṇḍa*
- *Recall:* say the Telugu for the palm of the hand, then the Telugu for the heel, then say *cīlamaṇḍa* again

Before you move on

What does **చీలమండ** mean? ("The ankle".) Say it once more.

250.4 తొడ (toḍa) — the thigh

Before the new one: say the Telugu for the heel, then the Telugu for the ankle.

You'll want to know: తొడ

తొడ — *toḍa* — "the thigh".

The word, taken apart — its roots and family

తొడ (*toḍa*) is native Dravidian, one word with Tamil *toṭai* and Kannada *toḍe* (DEDR 3302). DEDR lists Telugu *toḍa*, "thigh".

What you've built

One more word for this chapter.

Your turn

- *Say it: toḍa*
- *Say it: toḍa*, once more
- *Say it:* say *toḍa*
- *Recall:* say the Telugu for the heel, then the Telugu for the ankle, then say *toḍa* again

Before you move on

What does **తొడ** mean? ("The thigh".) Say it once more.

250.5 నడుము (naḍumu) — the waist

Before the new one: say the Telugu for the ankle, then the Telugu for the thigh.

You'll want to know: నడుము

నడుము — *naḍumu* — "the waist".

The word, taken apart — its roots and family

నడుము (*naḍumu*) is native Dravidian, one word with Tamil *naṭu* and Kannada *naḍu* (DEDR 3584). DEDR lists Telugu *naḍumu*, "middle, waist".

What you've built

One more word for this chapter.

Your turn

- *Say it: naḍumu*
- *Say it: naḍumu*, once more
- *Say it:* say *naḍumu*
- *Recall:* say the Telugu for the ankle, then the Telugu for the thigh, then say *naḍumu* again

Before you move on

What does **నడుము** mean? ("The waist".) Say it once more.

Chapter 251

Mind, Breathlessness, Muscle, Injection, Vaccination

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say the mind, breathlessness, a muscle, an injection and a vaccination.
>
> *Complete the last lesson of chapter 251: I can say the mind, breathlessness, a muscle, an injection and a vaccination.*

251.1 మనసు (manasu) — the mind, one's inner feelings

Before the new one: say the Telugu for the thigh, then the Telugu for the waist.

You'll want to know: మనసు

మనసు — *manasu* — "the mind, one's inner feelings".

The word, taken apart — its roots and family

మనసు (*manasu*) is Sanskrit *manas*, "mind" (CDIAL 9822), taken over with the Telugu ending *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *manasu*
- *Say it:* *manasu*, once more
- *Say it:* say *manasu*
- *Recall:* say the Telugu for the thigh, then the Telugu for the waist, then say *manasu* again

Before you move on

What does **మనసు** mean? ("The mind, one's inner feelings".) Say it once more.

251.2 ఆయాసం (āyāsaṁ) — breathlessness

Before the new one: say the Telugu for the waist, then the Telugu for the mind.

You'll want to know: ఆయాసం

ఆయాసం — *āyāsaṁ* — "breathlessness".

The word, taken apart — its roots and family

ఆయాసం (*āyāsaṁ*) is Sanskrit *āyāsa*, "exertion, fatigue", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āyāsaṁ*
- *Say it:* *āyāsaṁ*, once more
- *Say it:* say *āyāsaṁ*
- *Recall:* say the Telugu for the waist, then the Telugu for the mind, then say *āyāsaṁ* again

Before you move on

What does **ఆయాసం** mean? ("Breathlessness".) Say it once more.

251.3 కండరం (kaṇḍaraṁ) — a muscle

Before the new one: say the Telugu for the mind, then the Telugu for breathlessness.

You'll want to know: కండరం

కండరం — *kaṇḍaraṁ* — "a muscle".

The word, taken apart — its roots and family

కండరం (*kaṇḍaraṁ*) is Sanskrit *kaṇḍarā*, "sinew, tendon", taken over as a learned loan, a tatsama, with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kaṇḍaraṁ*
- *Say it: kaṇḍaraṁ*, once more
- *Say it:* say *kaṇḍaraṁ*
- *Recall:* say the Telugu for the mind, then the Telugu for breathlessness, then say *kaṇḍaraṁ* again

Before you move on

What does **కండరం** mean? ("A muscle".) Say it once more.

251.4 ఇంజెక్షను (iñjekṣanu) — an injection

Before the new one: say the Telugu for breathlessness, then the Telugu for a muscle.

You'll want to know: ఇంజెక్షను

ఇంజెక్షను — *iñjekṣanu* — "an injection".

The word, taken apart — its roots and family

ఇంజెక్షను (*iñjekṣanu*) is a loan from English *injection*.

What you've built

One more word for this chapter.

Your turn

- *Say it: iñjekṣanu*
- *Say it: iñjekṣanu*, once more
- *Say it:* say *iñjekṣanu*
- *Recall:* say the Telugu for breathlessness, then the Telugu for a muscle, then say *iñjekṣanu* again

Before you move on

What does **ఇంజెక్షను** mean? ("An injection".) Say it once more.

251.5 టీకా (ṭīkā) — a vaccination

Before the new one: say the Telugu for a muscle, then the Telugu for an injection.

You'll want to know: టీకా

టీకా — *ṭīkā* — "a vaccination".

The word, taken apart — its roots and family

టీకా (*ṭīkā*) is probably a northern loan, like Hindi *ṭīkā*, "a mark on the forehead", which CDIAL 5458 sets under a reconstructed *ṭikka, "mark, spot".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ṭīkā*
- *Say it:* *ṭīkā*, once more
- *Say it:* say *ṭīkā*
- *Recall:* say the Telugu for a muscle, then the Telugu for an injection, then say *ṭīkā* again

Before you move on

What does **టీకా** mean? ("A vaccination".) Say it once more.

Chapter 252

Ugadi, Diwali, Dasara, Vinayaka Chavithi, Bathukamma

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say Ugadi, Diwali, Dasara, Vinayaka Chavithi and Bathukamma.

Complete the last lesson of chapter 252: I can say Ugadi, Diwali, Dasara, Vinayaka Chavithi and Bathukamma.

252.1 ఉగాది (ugādi) — Ugadi, the Telugu New Year

Before the new one: say the Telugu for an injection, then the Telugu for a vaccination.

You'll want to know: ఉగాది

ఉగాది — *ugādi* — "Ugadi, the Telugu New Year".

The word, taken apart — its roots and family

ఉగాది (*ugādi*) is Sanskrit *yugādi*, "the beginning of an age": *yuga*, "yoke; age" (CDIAL 10482), and *ādi*, "beginning" (CDIAL 1152).

What you've built

One more word for this chapter.

Your turn

- *Say it: ugādi*
- *Say it: ugādi*, once more
- *Say it:* say *ugādi*
- *Recall:* say the Telugu for an injection, then the Telugu for a vaccination, then say *ugādi* again

Before you move on

What does **ఉగాది** mean? ("Ugadi, the Telugu New Year".) Say it once more.

252.2 దీపావళి (dīpāvaḷi) — Diwali, the festival of lamps

Before the new one: say the Telugu for a vaccination, then the Telugu for Ugadi.

You'll want to know: దీపావళి

దీపావళి — *dīpāvaḷi* — "Diwali, the festival of lamps".

The word, taken apart — its roots and family

దీపావళి (*dīpāvaḷi*) is Sanskrit: *dīpa*, "lamp" (CDIAL 6348), and *āvali*, "row, line" (CDIAL 1423): "a row of lamps". CDIAL doubts any tie between this "row" word and a look-alike, unless both were borrowed separately from non-Aryan sources.

What you've built

One more word for this chapter.

Your turn

- *Say it: dīpāvaḷi*
- *Say it: dīpāvaḷi*, once more

- *Say it:* say *dīpāvaḷi*
- *Recall:* say the Telugu for a vaccination, then the Telugu for Ugadi, then say *dīpāvaḷi* again

Before you move on

What does **దీపావళి** mean? ("Diwali, the festival of lamps".) Say it once more.

252.3 దసరా (dasarā) — Dasara

Before the new one: say the Telugu for Ugadi, then the Telugu for Diwali.

You'll want to know: దసరా

దసరా — *dasarā* — "Dasara".

The word, taken apart — its roots and family

దసరా (*dasarā*) comes from Sanskrit *daśaharā*, the name of the festival.

What you've built

One more word for this chapter.

Your turn

- *Say it: dasarā*
- *Say it: dasarā*, once more
- *Say it:* say *dasarā*
- *Recall:* say the Telugu for Ugadi, then the Telugu for Diwali, then say *dasarā* again

Before you move on

What does **దసరా** mean? ("Dasara".) Say it once more.

252.4 వినాయక చవితి (vināyaka caviti) — Vinayaka Chavithi, Ganesha's festival

Before the new one: say the Telugu for Diwali, then the Telugu for Dasara.

You'll want to know: వినాయక చవితి

వినాయక చవితి — *vināyaka caviti* — "Vinayaka Chavithi, Ganesha's festival".

The word, taken apart — its roots and family

వినాయక చవితి (*vināyaka caviti*) is Sanskrit *vināyaka*, "leader, guide" (CDIAL 11776), a name of Ganesha, and *caviti*, "the fourth day", from Sanskrit *caturthī*, "fourth" (CDIAL 4600).

What you've built

One more word for this chapter.

Your turn

- *Say it: vināyaka caviti*
- *Say it: vināyaka caviti*, once more
- *Say it:* say *vināyaka caviti*
- *Recall:* say the Telugu for Diwali, then the Telugu for Dasara, then say *vināyaka caviti* again

Before you move on

What does **వినాయక చవితి** mean? ("Vinayaka Chavithi, Ganesha's festival".) Say it once more.

252.5 బతుకమ్మ (batukamma) — Bathukamma, the Telangana flower festival

Before the new one: say the Telugu for Dasara, then the Telugu for Vinayaka Chavithi.

You'll want to know: బతుకమ్మ

బతుకమ్మ — *batukamma* — "Bathukamma, the Telangana flower festival".

The word, taken apart — its roots and family

బతుకమ్మ (*batukamma*) is native Dravidian: *batuku*, "life", one word with Tamil *vāḻ*, "to live" (DEDR 5372), and *amma*, "mother" (DEDR 183), which DEDR compares with Sanskrit *ambā*, "mother" (CDIAL 574).

What you've built

One more word for this chapter.

Your turn

- *Say it: batukamma*
- *Say it: batukamma*, once more
- *Say it:* say *batukamma*
- *Recall:* say the Telugu for Dasara, then the Telugu for Vinayaka Chavithi, then say *batukamma* again

Before you move on

What does **బతుకమ్మ** mean? ("Bathukamma, the Telangana flower festival".) Say it once more.

Chapter 253

End, Ever, At present, In the past, Dawn

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say the end, ever, at present, in the past and dawn.

Complete the last lesson of chapter 253: I can say the end, ever, at present, in the past and dawn.

253.1 చివర (civara) — the end

Before the new one: say the Telugu for Vinayaka Chavithi, then the Telugu for Bathukamma.

You'll want to know: చివర

చివర — *civara* — "the end".

The word, taken apart — its roots and family

చివర (*civara*) is native Dravidian, one word with Tamil *cimai* (DEDR 2544). DEDR lists Telugu *civara*, "end, tip".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *civara*
- *Say it:* *civara*, once more
- *Say it:* say *civara*
- *Recall:* say the Telugu for Vinayaka Chavithi, then the Telugu for Bathukamma, then say *civara* again

Before you move on

What does **చివర** mean? (“The end”.) Say it once more.

253.2 ఎప్పుడైనా (eppuḍainā) — ever, at any time

Before the new one: say the Telugu for Bathukamma, then the Telugu for the end.

You’ll want to know: ఎప్పుడైనా

ఎప్పుడైనా — *eppuḍainā* — “ever, at any time”.

The word, taken apart — its roots and family

ఎప్పుడైనా (*eppuḍainā*) is native Dravidian: *eppuḍu*, “when”, on the question base *e-* (DEDR 5151), with *ainā*, “even if it is”, from *agu*, “to be” (DEDR 333).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *eppuḍainā*
- *Say it:* *eppuḍainā*, once more
- *Say it:* say *eppuḍainā*
- *Recall:* say the Telugu for Bathukamma, then the Telugu for the end, then say *eppuḍainā* again

Before you move on

What does ఎప్పుడైనా mean? (“Ever, at any time”.) Say it once more.

253.3 ప్రస్తుతం (prastutaṁ) — at present, currently

Before the new one: say the Telugu for the end, then the Telugu for ever.

You’ll want to know: ప్రస్తుతం

ప్రస్తుతం — *prastutaṁ* — “at present, currently”.

The word, taken apart — its roots and family

ప్రస్తుతం (*prastutaṁ*) is Sanskrit *prastuta*, “begun, under discussion, at hand”, taken over as a learned loan, a tatsama, with the Telugu ending *-ṁ*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: prastutaṁ*
- *Say it: prastutaṁ*, once more
- *Say it:* say *prastutaṁ*
- *Recall:* say the Telugu for the end, then the Telugu for ever, then say *prastutaṁ* again

Before you move on

What does ప్రస్తుతం mean? (“At present, currently”.) Say it once more.

253.4 పూర్వం (pūrvaṁ) — in the past, formerly

Before the new one: say the Telugu for ever, then the Telugu for at present.

You'll want to know: పూర్వం

పూర్వం — *pūrvaṁ* — "in the past, formerly".

The word, taken apart — its roots and family

పూర్వం (*pūrvaṁ*) is Sanskrit *pūrva*, "fore, first, eastern, ancient", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8343).

What you've built

One more word for this chapter.

Your turn

- *Say it: pūrvaṁ*
- *Say it: pūrvaṁ*, once more
- *Say it:* say *pūrvaṁ*
- *Recall:* say the Telugu for ever, then the Telugu for at present, then say *pūrvaṁ* again

Before you move on

What does పూర్వం mean? ("In the past, formerly".) Say it once more.

253.5 తెల్లవారుజాము (tellavārujāmu) — dawn, the early hours

Before the new one: say the Telugu for at present, then the Telugu for in the past.

You'll want to know: తెల్లవారుజాము

తెల్లవారుజాము — *tellavārujāmu* — "dawn, the early hours".

The word, taken apart — its roots and family

తెల్లవారుజాము (*tellavārujāmu*) joins *tellavāru*, "to dawn", built on native *tella*, "white, clear" (DEDR 3433), and *jāmu*, "a watch", from Sanskrit *yāma*, "night watch of three hours" (CDIAL 10467).

What you've built

One more word for this chapter.

Your turn

- *Say it: tellavārujāmu*
- *Say it: tellavārujāmu*, once more
- *Say it:* say *tellavārujāmu*
- *Recall:* say the Telugu for at present, then the Telugu for in the past, then say *tellavārujāmu* again

Before you move on

What does **తెల్లవారుజాము** mean? ("Dawn, the early hours".) Say it once more.

Chapter 254

State, Area, Direction, East, West

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a state, an area, a direction, east and west.
>
> *Complete the last lesson of chapter 254: I can say a state, an area, a direction, east and west.*

254.1 రాష్ట్రం (rāṣṭraṁ) — a state

Before the new one: say the Telugu for in the past, then the Telugu for dawn.

You'll want to know: రాష్ట్రం

రాష్ట్రం — *rāṣṭraṁ* — "a state".

The word, taken apart — its roots and family

రాష్ట్రం (*rāṣṭraṁ*) is Sanskrit *rāṣṭra*, "kingdom, country", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 10721).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *rāṣṭraṁ*
- *Say it:* *rāṣṭraṁ*, once more
- *Say it:* say *rāṣṭraṁ*
- *Recall:* say the Telugu for in the past, then the Telugu for dawn, then say *rāṣṭraṁ* again

Before you move on

What does రాష్ట్రం mean? ("A state".) Say it once more.

254.2 ప్రాంతం (prāntaṁ) — an area, a region

Before the new one: say the Telugu for dawn, then the Telugu for a state.

You'll want to know: ప్రాంతం

ప్రాంతం — *prāntaṁ* — "an area, a region".

The word, taken apart — its roots and family

ప్రాంతం (*prāntaṁ*) is Sanskrit *prānta*, "tip, point; end, edge", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8940). The sense "region" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *prāntaṁ*
- *Say it:* *prāntaṁ*, once more
- *Say it:* say *prāntaṁ*
- *Recall:* say the Telugu for dawn, then the Telugu for a state, then say *prāntaṁ* again

Before you move on

What does ప్రాంతం mean? ("An area, a region".) Say it once more.

254.3 దిక్కు (dikku) — a direction

Before the new one: say the Telugu for a state, then the Telugu for an area.

You'll want to know: దిక్కు

దిక్కు — *dikku* — "a direction".

The word, taken apart — its roots and family

దిక్కు (*dikku*) comes from Sanskrit *diś*, "direction, region" (CDIAL 6339), in its joining form *dik*, with the Telugu ending *-ku*.

What you've built

One more word for this chapter.

Your turn

- *Say it: dikku*
- *Say it: dikku*, once more
- *Say it:* say *dikku*
- *Recall:* say the Telugu for a state, then the Telugu for an area, then say *dikku* again

Before you move on

What does దిక్కు mean? ("A direction".) Say it once more.

254.4 తూర్పు (tūrpu) — east

Before the new one: say the Telugu for an area, then the Telugu for a direction.

You'll want to know: తూర్పు

తూర్పు — *tūrpu* — "east".

The word, taken apart — its roots and family

DEDR 3399 lists తూర్పు (*tūrpu*), "east", with a query, under *tūṟu*, "to enter", one word with Kannada *tūṟu*, "to enter".

What you've built

One more word for this chapter.

Your turn

- *Say it: tūrpu*
- *Say it: tūrpu*, once more
- *Say it:* say *tūrpu*
- *Recall:* say the Telugu for an area, then the Telugu for a direction, then say *tūrpu* again

Before you move on

What does తూర్పు mean? ("East".) Say it once more.

254.5 పడమర (paḍamara) — west

Before the new one: say the Telugu for a direction, then the Telugu for east.

You'll want to know: పడమర

పడమర — *paḍamara* — "west".

The word, taken apart — its roots and family

పడమర (*paḍamara*) is native Dravidian. DEDR 3852 lists *paḍamara*, "the west", under *paḍu*, "to fall, lie", which Kannada uses for the setting sun.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *paḍamara*
- *Say it:* *paḍamara*, once more
- *Say it:* say *paḍamara*
- *Recall:* say the Telugu for a direction, then the Telugu for east, then say *paḍamara* again

Before you move on

What does **పడమర** mean? ("West".) Say it once more.

Chapter 255

Museum, Gym, Stage, City, Village meeting platform

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a museum, a gym, a stage, a city and the village meeting platform.
>
> *Complete the last lesson of chapter 255: I can say a museum, a gym, a stage, a city and the village meeting platform.*

255.1 మ్యూజియం (myūziyaṁ) — a museum

> Before the new one: say the Telugu for east, then the Telugu for west.

You'll want to know: మ్యూజియం

మ్యూజియం — *myūziyaṁ* — "a museum".

The word, taken apart — its roots and family

మ్యూజియం (*myūziyaṁ*) is a loan from English *museum*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *myūziyaṁ*
- *Say it:* *myūziyaṁ*, once more
- *Say it:* say *myūziyaṁ*
- *Recall:* say the Telugu for east, then the Telugu for west, then say *myūziyaṁ* again

Before you move on

What does **మ్యూజియం** mean? ("A museum".) Say it once more.

255.2 వ్యాయామశాల (vyāyāmaśāla) — a gym

Before the new one: say the Telugu for west, then the Telugu for a museum.

You'll want to know: వ్యాయామశాల

వ్యాయామశాల — *vyāyāmaśāla* — "a gym".

The word, taken apart — its roots and family

వ్యాయామశాల (*vyāyāmaśāla*) is Sanskrit: *vyāyāma*, "exertion" (CDIAL 12209), and *śālā*, "shed, house" (CDIAL 12414), with the final *-ā* shortened.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vyāyāmaśāla*
- *Say it:* *vyāyāmaśāla*, once more
- *Say it:* say *vyāyāmaśāla*
- *Recall:* say the Telugu for west, then the Telugu for a museum, then say *vyāyāmaśāla* again

Before you move on

What does **వ్యాయామశాల** mean? ("A gym".) Say it once more.

255.3 వేదిక (vēdika) — a stage, a platform

Before the new one: say the Telugu for a museum, then the Telugu for a gym.

You'll want to know: వేదిక

వేదిక — *vēdika* — "a stage, a platform".

The word, taken apart — its roots and family

వేదిక (*vēdika*) is Sanskrit *vēdikā*, "raised piece of ground serving as an altar", taken over whole as a learned loan, a tatsama, with the final *-ā* shortened (CDIAL 12107).

What you've built

One more word for this chapter.

Your turn

- *Say it: vēdika*
- *Say it: vēdika*, once more
- *Say it:* say *vēdika*
- *Recall:* say the Telugu for a museum, then the Telugu for a gym, then say *vēdika* again

Before you move on

What does **వేదిక** mean? ("A stage, a platform".) Say it once more.

255.4 నగరం (nagaraṁ) — a city

Before the new one: say the Telugu for a gym, then the Telugu for a stage.

You'll want to know: నగరం

నగరం — *nagaraṁ* — "a city".

The word, taken apart — its roots and family

నగరం (*nagaraṁ*) is Sanskrit *nagara*, "town", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 6924). DEDR 3568 compares Tamil *nakar*, "house, town", with it.

What you've built

One more word for this chapter.

Your turn

- *Say it: nagaraṁ*
- *Say it: nagaraṁ*, once more
- *Say it:* say *nagaraṁ*
- *Recall:* say the Telugu for a gym, then the Telugu for a stage, then say *nagaraṁ* again

Before you move on

What does **నగరం** mean? ("A city".) Say it once more.

255.5 రచ్చబండ (raccabaṇḍa) — the village meeting platform

Before the new one: say the Telugu for a stage, then the Telugu for a city.

You'll want to know: రచ్చబండ

రచ్చబండ — *raccabaṇḍa* — "the village meeting platform".

The word, taken apart — its roots and family

రచ్చబండ (*raccabaṇḍa*) is *racca*, "village square", whose origin is uncertain, and native *baṇḍa*, "rock, slab" (DEDR 3903).

What you've built

One more word for this chapter.

Your turn

- *Say it: raccabaṇḍa*
- *Say it: raccabaṇḍa*, once more
- *Say it:* say *raccabaṇḍa*
- *Recall:* say the Telugu for a stage, then the Telugu for a city, then say *raccabaṇḍa* again

Before you move on

What does రచ్చబండ mean? ("The village meeting platform".) Say it once more.

Chapter 256

Lane, Tunnel, Outskirts, Warehouse, Court

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a lane, a tunnel, the outskirts, a warehouse and a court.
>
> *Complete the last lesson of chapter 256: I can say a lane, a tunnel, the outskirts, a warehouse and a court.*

256.1 సందు (sandu) — a lane, an alley

> Before the new one: say the Telugu for a city, then the Telugu for the village meeting platform.

You'll want to know: సందు

సందు — *sandu* — "a lane, an alley".

The word, taken apart — its roots and family

The origin of సందు (*sandu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "lane". It may come from Sanskrit *saṁdhi*, "joint, junction" (CDIAL 12913), but no source says so.

What you've built

One more word for this chapter.

Your turn

- *Say it: sandu*
- *Say it: sandu*, once more
- *Say it:* say *sandu*
- *Recall:* say the Telugu for a city, then the Telugu for the village meeting platform, then say *sandu* again

Before you move on

What does సందు mean? ("A lane, an alley".) Say it once more.

256.2 సొరంగం (soraṅgaṁ) — a tunnel

Before the new one: say the Telugu for the village meeting platform, then the Telugu for a lane.

You'll want to know: సొరంగం

సొరంగం — *soraṅgaṁ* — "a tunnel".

The word, taken apart — its roots and family

సొరంగం (*soraṅgaṁ*) comes from Sanskrit *suraṅgā*, "subterranean passage, mine" (CDIAL 13506), reshaped to Telugu sounds: a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it: soraṅgaṁ*
- *Say it: soraṅgaṁ*, once more
- *Say it:* say *soraṅgaṁ*
- *Recall:* say the Telugu for the village meeting platform, then the Telugu for a lane, then say *soraṅgaṁ* again

Before you move on

What does సొరంగం mean? ("A tunnel".) Say it once more.

256.3 శివారు (śivāru) — the outskirts

Before the new one: say the Telugu for a lane, then the Telugu for a tunnel.

You'll want to know: శివారు

శివారు — *śivāru* — "the outskirts".

The word, taken apart — its roots and family

The origin of శివారు (*śivāru*) is uncertain. DEDR and CDIAL list no word of this shape meaning "outskirts".

What you've built

One more word for this chapter.

Your turn

- *Say it: śivāru*
- *Say it: śivāru*, once more
- *Say it:* say *śivāru*
- *Recall:* say the Telugu for a lane, then the Telugu for a tunnel, then say *śivāru* again

Before you move on

What does శివారు mean? ("The outskirts".) Say it once more.

256.4 గోదాము (gōdāmu) — a warehouse

Before the new one: say the Telugu for a tunnel, then the Telugu for the outskirts.

You'll want to know: గోదాము

గోదాము — *gōdāmu* — "a warehouse".

The word, taken apart — its roots and family

The origin of **గోదాము** (*gōdāmu*) is not settled. It matches *godown*, the British-Indian word for a warehouse; DEDR 1525 lists Telugu *giḍḍaṅgi*, "storehouse, godown", with Tamil *kiṭaṅku*, and points to that word.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *gōdāmu*
- *Say it:* *gōdāmu*, once more
- *Say it:* say *gōdāmu*
- *Recall:* say the Telugu for a tunnel, then the Telugu for the outskirts, then say *gōdāmu* again

Before you move on

What does **గోదాము** mean? ("A warehouse".) Say it once more.

256.5 కోర్టు (kōrṭu) — a court (of law)

Before the new one: say the Telugu for the outskirts, then the Telugu for a warehouse.

You'll want to know: కోర్టు

కోర్టు — *kōrṭu* — "a court (of law)".

The word, taken apart — its roots and family

కోర్టు (*kōrṭu*) is a loan from English *court*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kōrṭu*
- *Say it: kōrṭu*, once more
- *Say it:* say *kōrṭu*
- *Recall:* say the Telugu for the outskirts, then the Telugu for a warehouse, then say *kōrṭu* again

Before you move on

What does కోర్టు mean? ("A court (of law)".) Say it once more.

Chapter 257

Promise, Secret, Friendship, Quarrel, Culture

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say a promise, a secret, friendship, a quarrel and culture.

Complete the last lesson of chapter 257: I can say a promise, a secret, friendship, a quarrel and culture.

257.1 వాగ్దానం (vāgdānaṁ) — a promise

Before the new one: say the Telugu for a warehouse, then the Telugu for a court.

You'll want to know: వాగ్దానం

వాగ్దానం — *vāgdānaṁ* — "a promise".

The word, taken apart — its roots and family

వాగ్దానం (*vāgdānaṁ*) is Sanskrit *vāgdāna*, "giving one's word": *vāc*, "speech", and *dāna*, "giving, gift" (CDIAL 6265), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vāgdānaṁ*
- *Say it:* *vāgdānaṁ*, once more
- *Say it:* say *vāgdānaṁ*
- *Recall:* say the Telugu for a warehouse, then the Telugu for a court, then say *vāgdānaṁ* again

Before you move on

What does **వాగ్దానం** mean? (“A promise”.) Say it once more.

257.2 రహస్యం (rahasyaṁ) — a secret

Before the new one: say the Telugu for a court, then the Telugu for a promise.

You’ll want to know: రహస్యం

రహస్యం — *rahasyaṁ* — “a secret”.

The word, taken apart — its roots and family

రహస్యం (*rahasyaṁ*) is Sanskrit *rahasya*, “private, secret”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 10669).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *rahasyaṁ*
- *Say it:* *rahasyaṁ*, once more
- *Say it:* say *rahasyaṁ*
- *Recall:* say the Telugu for a court, then the Telugu for a promise, then say *rahasyaṁ* again

Before you move on

What does రహస్యం mean? ("A secret".) Say it once more.

257.3 స్నేహం (snēhaṁ) — friendship

Before the new one: say the Telugu for a promise, then the Telugu for a secret.

You'll want to know: స్నేహం

స్నేహం — *snēhaṁ* — "friendship".

The word, taken apart — its roots and family

స్నేహం (*snēhaṁ*) is Sanskrit *snēha*, "grease; oiliness; love", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 13802). Sanskrit already used it for "friendship" too.

What you've built

One more word for this chapter.

Your turn

- *Say it: snēhaṁ*
- *Say it: snēhaṁ*, once more
- *Say it:* say *snēhaṁ*
- *Recall:* say the Telugu for a promise, then the Telugu for a secret, then say *snēhaṁ* again

Before you move on

What does స్నేహం mean? ("Friendship".) Say it once more.

257.4 గొడవ (goḍava) — a quarrel, a fuss

Before the new one: say the Telugu for a secret, then the Telugu for friendship.

You'll want to know: గొడవ

గొడవ — *goḍava* — "a quarrel, a fuss".

The word, taken apart — its roots and family

గొడవ (*goḍava*) is listed in DEDR 2048, "bother, worry, fuss", with Kannada *goḍave*, "concern with". DEDR 2073 *goḍava*, "danger", is filed apart.

What you've built

One more word for this chapter.

Your turn

- *Say it: goḍava*
- *Say it: goḍava*, once more
- *Say it:* say *goḍava*
- *Recall:* say the Telugu for a secret, then the Telugu for friendship, then say *goḍava* again

Before you move on

What does గొడవ mean? ("A quarrel, a fuss".) Say it once more.

257.5 సంస్కృతి (saṁskṛti) — culture

Before the new one: say the Telugu for friendship, then the Telugu for a quarrel.

You'll want to know: సంస్కృతి

సంస్కృతి — *saṁskṛti* — "culture".

The word, taken apart — its roots and family

సంస్కృతి (*saṁskṛti*) is Sanskrit *saṁskṛti*, "preparation", taken over whole as a learned loan, a tatsama (CDIAL 13040). The sense "culture" is the one Telugu gives it.

What you've built

One more word for this chapter.

Your turn

- *Say it: saṁskṛti*
- *Say it: saṁskṛti*, once more
- *Say it:* say *saṁskṛti*
- *Recall:* say the Telugu for friendship, then the Telugu for a quarrel, then say *saṁskṛti* again

Before you move on

What does సంస్కృతి mean? ("Culture".) Say it once more.

257.6 Words from chapters 249-252 — a first pass

Say the words for a quarrel and culture.

Your turn

Say these aloud:

- to endure, to crawl, to bend down, to stretch out, to stack
- the palm of the hand, the heel, the ankle, the thigh, the waist
- the mind, breathlessness, a muscle, an injection, a vaccination
- Ugadi, Diwali, Dasara, Vinayaka Chavithi, Bathukamma

Before you move on

To endure? (భరించు, *bhariñcu.*) To crawl? (పాకు, *pāku.*) To bend down? (వంగు, *vaṅgu.*) To stretch out? (చాచు, *cācu.*) To stack? (పేర్చు, *pērcu.*) The palm of the hand? (అరచెయ్యి, *araceyyi.*) The heel? (మడమ, *maḍama.*) The ankle? (చీలమండ, *cīlamaṇḍa.*) The thigh? (తొడ, *toḍa.*) The waist? (నడుము, *naḍumu.*) The mind?

(మనసు, *manasu.*) Breathlessness? (ఆయాసం, *āyāsaṁ.*) A muscle? (కండరం, *kaṇḍaraṁ.*) An injection? (ఇంజెక్షను, *iñjekṣanu.*) A vaccination? (టీకా, *ṭīkā.*) Ugadi? (ఉగాది, *ugādi.*) Diwali? (దీపావళి, *dīpāvaḷi.*) Dasara? (దసరా, *dasarā.*) Vinayaka Chavithi? (వినాయక చవితి, *vināyaka caviti.*) Bathukamma? (బతుకమ్మ, *batukamma.*)

257.7 Words from chapters 253-257 — a second pass

Say the words for the end and ever.

Your turn

Say these aloud:

- the end, ever, at present, in the past, dawn
- a state, an area, a direction, east, west
- a museum, a gym, a stage, a city, the village meeting platform
- a lane, a tunnel, the outskirts, a warehouse, a court
- a promise, a secret, friendship, a quarrel, culture

Before you move on

The end? (చివర, *civara.*) Ever? (ఎప్పుడైనా, *eppuḍainā.*) At present? (ప్రస్తుతం, *prastutaṁ.*) In the past? (పూర్వం, *pūrvaṁ.*) Dawn? (తెల్లవారుజాము, *tellavārujāmu.*) A state? (రాష్ట్రం, *rāṣṭraṁ.*) An area? (ప్రాంతం, *prāntaṁ.*) A direction? (దిక్కు, *dikku.*) East? (తూర్పు, *tūrpu.*) West? (పడమర, *paḍamara.*) A museum? (మ్యూజియం, *myūziyaṁ.*) A gym? (వ్యాయామశాల, *vyāyāmaśāla.*) A stage? (వేదిక, *vēdika.*) A city? (నగరం, *nagaraṁ.*) The village meeting platform? (రచ్చబండ, *raccabaṇḍa.*) A lane? (సందు, *sandu.*) A tunnel? (సొరంగం, *soraṅgaṁ.*) The outskirts? (శివారు, *śivāru.*) A warehouse? (గోదాము, *gōdāmu.*) A court? (కోర్టు, *kōrṭu.*) A promise? (వాగ్దానం, *vāgdānaṁ.*) A secret? (రహస్యం, *rahasyaṁ.*) Friendship? (స్నేహం, *snēhaṁ.*) A quarrel? (గొడవ, *goḍava.*) Culture? (సంస్కృతి, *saṁskṛti.*)

Chapter 258

Method, Rule, Effect, Development, Situation

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a method, a rule, an effect, development and a situation.

Complete the last lesson of chapter 258: I can say a method, a rule, an effect, development and a situation.

258.1 పద్ధతి (paddhati) — a method, a way of doing things

Before the new one: say the Telugu for a quarrel, then the Telugu for culture.

You'll want to know: పద్ధతి

పద్ధతి — *paddhati* — "a method, a way of doing things".

The word, taken apart — its roots and family

పద్ధతి (*paddhati*) is Sanskrit *paddhati*, "path, way, method", taken over whole as a learned loan, a tatsama.

What you've built

One more word for this chapter.

Your turn

- *Say it: paddhati*
- *Say it: paddhati*, once more
- *Say it:* say *paddhati*
- *Recall:* say the Telugu for a quarrel, then the Telugu for culture, then say *paddhati* again

Before you move on

What does **పద్ధతి** mean? ("A method, a way of doing things".) Say it once more.

258.2 నియమం (niyamaṁ) — a rule

Before the new one: say the Telugu for culture, then the Telugu for a method.

You'll want to know: నియమం

నియమం — *niyamaṁ* — "a rule".

The word, taken apart — its roots and family

నియమం (*niyamaṁ*) is Sanskrit *niyama*, "restraint; fixed law", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7250).

What you've built

One more word for this chapter.

Your turn

- *Say it: niyamaṁ*
- *Say it: niyamaṁ*, once more
- *Say it:* say *niyamaṁ*

- *Recall:* say the Telugu for culture, then the Telugu for a method, then say *niyamaṁ* again

Before you move on

What does **నియమం** mean? ("A rule".) Say it once more.

258.3 ప్రభావం (prabhāvaṁ) — an effect, an influence

Before the new one: say the Telugu for a method, then the Telugu for a rule.

You'll want to know: ప్రభావం

ప్రభావం — *prabhāvaṁ* — "an effect, an influence".

The word, taken apart — its roots and family

ప్రభావం (*prabhāvaṁ*) is Sanskrit *prabhāva*, "power, influence", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: prabhāvaṁ*
- *Say it: prabhāvaṁ*, once more
- *Say it:* say *prabhāvaṁ*
- *Recall:* say the Telugu for a method, then the Telugu for a rule, then say *prabhāvaṁ* again

Before you move on

What does **ప్రభావం** mean? ("An effect, an influence".) Say it once more.

258.4 అభివృద్ధి (abhivṛddhi) — development, progress

Before the new one: say the Telugu for a rule, then the Telugu for an effect.

You'll want to know: అభివృద్ధి

అభివృద్ధి — *abhivṛddhi* — "development, progress".

The word, taken apart — its roots and family

అభివృద్ధి (*abhivṛddhi*) is Sanskrit *abhivṛddhi*, "growth, prosperity", built on *vṛddhi*, "increase, prosperity" (CDIAL 12076).

What you've built

One more word for this chapter.

Your turn

- *Say it: abhivṛddhi*
- *Say it: abhivṛddhi*, once more
- *Say it:* say *abhivṛddhi*
- *Recall:* say the Telugu for a rule, then the Telugu for an effect, then say *abhivṛddhi* again

Before you move on

What does **అభివృద్ధి** mean? ("Development, progress".) Say it once more.

258.5 పరిస్థితి (paristhiti) — a situation

Before the new one: say the Telugu for an effect, then the Telugu for development.

You'll want to know: పరిస్థితి

పరిస్థితి — *paristhiti* — "a situation".

The word, taken apart — its roots and family

పరిస్థితి (*paristhiti*) is a learned word built on Sanskrit *sthiti*, "standing upright, continued existence" (CDIAL 13769).

What you've built

One more word for this chapter.

Your turn

- *Say it: paristhiti*
- *Say it: paristhiti*, once more
- *Say it:* say *paristhiti*
- *Recall:* say the Telugu for an effect, then the Telugu for development, then say *paristhiti* again

Before you move on

What does **పరిస్థితి** mean? ("A situation".) Say it once more.

Chapter 259

Crowded, Important, Own, Busy, Compulsory

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say crowded, important, own, busy and compulsory.
>
> *Complete the last lesson of chapter 259: I can say crowded, important, own, busy and compulsory.*

259.1 రద్దీ (raddī) — crowded; a crowd, rush

Before the new one: say the Telugu for development, then the Telugu for a situation.

You'll want to know: రద్దీ

రద్దీ — *raddī* — "crowded; a crowd, rush".

The word, taken apart — its roots and family

The origin of రద్దీ (*raddī*) is uncertain. DEDR and CDIAL list no word of this shape meaning "crowd, rush".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *raddī*
- *Say it:* *raddī*, once more
- *Say it:* say *raddī*
- *Recall:* say the Telugu for development, then the Telugu for a situation, then say *raddī* again

Before you move on

What does రద్దీ mean? ("Crowded; a crowd, rush".) Say it once more.

259.2 ముఖ్యమైన (mukhyamaina) — important

Before the new one: say the Telugu for a situation, then the Telugu for crowded.

You'll want to know: ముఖ్యమైన

ముఖ్యమైన — *mukhyamaina* — "important".

The word, taken apart — its roots and family

ముఖ్యమైన (*mukhyamaina*) is Sanskrit *mukhya*, "pertaining to the face; chief" (CDIAL 10174), with native *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mukhyamaina*
- *Say it:* *mukhyamaina*, once more
- *Say it:* say *mukhyamaina*
- *Recall:* say the Telugu for a situation, then the Telugu for crowded, then say *mukhyamaina* again

Before you move on

What does **ముఖ్యమైన** mean? ("Important".) Say it once more.

259.3 సొంత (sonta) — own

Before the new one: say the Telugu for crowded, then the Telugu for important.

You'll want to know: సొంత

సొంత — *sonta* — "own".

The word, taken apart — its roots and family

The origin of **సొంత** (*sonta*) is uncertain. DEDR and CDIAL list no word of this shape meaning "own".

What you've built

One more word for this chapter.

Your turn

- *Say it: sonta*
- *Say it: sonta*, once more
- *Say it:* say *sonta*
- *Recall:* say the Telugu for crowded, then the Telugu for important, then say *sonta* again

Before you move on

What does **సొంత** mean? ("Own".) Say it once more.

259.4 బిజీ (bijī) — busy

Before the new one: say the Telugu for important, then the Telugu for own.

You'll want to know: బిజీ

బిజీ — *bijī* — "busy".

The word, taken apart — its roots and family

బిజీ (*bijī*) is a loan from English *busy*.

What you've built

One more word for this chapter.

Your turn

- *Say it: bijī*
- *Say it: bijī*, once more
- *Say it:* say *bijī*
- *Recall:* say the Telugu for important, then the Telugu for own, then say *bijī* again

Before you move on

What does **బిజీ** mean? ("Busy".) Say it once more.

259.5 తప్పనిసరి (tappanisari) — compulsory

Before the new one: say the Telugu for own, then the Telugu for busy.

You'll want to know: తప్పనిసరి

తప్పనిసరి — *tappanisari* — "compulsory".

The word, taken apart — its roots and family

తప్పనిసరి (*tappanisari*) is native *tappu*, "to miss, fail" (DEDR 3071), with *ani*, "saying", and *sari*, "right", whose origin is uncertain: "right to say it cannot be missed".

What you've built

One more word for this chapter.

Your turn

- *Say it: tappanisari*
- *Say it: tappanisari*, once more
- *Say it:* say *tappanisari*
- *Recall:* say the Telugu for own, then the Telugu for busy, then say *tappanisari* again

Before you move on

What does తప్పనిసరి mean? ("Compulsory".) Say it once more.

Chapter 260

Smooth, Warm, Rare, Strange, Kind

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say smooth, warm, rare, strange and kind.

Complete the last lesson of chapter 260: I can say smooth, warm, rare, strange and kind.

260.1 నునుపైన (nunupaina) — smooth

Before the new one: say the Telugu for busy, then the Telugu for compulsory.

You'll want to know: నునుపైన

నునుపైన — *nunupaina* — "smooth".

The word, taken apart — its roots and family

నునుపైన (*nunupaina*) is native Dravidian: *nunupu*, "smoothness", one word with Kannada *nuṇupu*, "smoothness" (DEDR 3700), with *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: nunupaina*
- *Say it: nunupaina*, once more
- *Say it:* say *nunupaina*
- *Recall:* say the Telugu for busy, then the Telugu for compulsory, then say *nunupaina* again

Before you move on

What does **నునుపైన** mean? (“Smooth”.) Say it once more.

260.2 వెచ్చని (veccani) — warm

Before the new one: say the Telugu for compulsory, then the Telugu for smooth.

You’ll want to know: వెచ్చని

వెచ్చని — *veccani* — “warm”.

The word, taken apart — its roots and family

వెచ్చని (*veccani*) is native Dravidian. DEDR 5517 lists *veccani*, “hot, warm”, under the word for “to burn”, one word with Tamil *vē*, “to burn”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: veccani*
- *Say it: veccani*, once more
- *Say it:* say *veccani*
- *Recall:* say the Telugu for compulsory, then the Telugu for smooth, then say *veccani* again

Before you move on

What does **వెచ్చని** mean? (“Warm”.) Say it once more.

260.3 అరుదైన (arudaina) — rare

Before the new one: say the Telugu for smooth, then the Telugu for warm.

You’ll want to know: అరుదైన

అరుదైన — *arudaina* — “rare”.

The word, taken apart — its roots and family

అరుదైన (*arudaina*) is native Dravidian: *arudu*, “rare”, one word with Tamil *aru*, “rare” (DEDR 221), with *aina*, “which is” (DEDR 333).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *arudaina*
- *Say it:* *arudaina*, once more
- *Say it:* say *arudaina*
- *Recall:* say the Telugu for smooth, then the Telugu for warm, then say *arudaina* again

Before you move on

What does **అరుదైన** mean? (“Rare”.) Say it once more.

260.4 వింత (vinta) — strange, odd

Before the new one: say the Telugu for warm, then the Telugu for rare.

You'll want to know: వింత

వింత — *vinta* — "strange, odd".

The word, taken apart — its roots and family

వింత (*vinta*) is native Dravidian. DEDR 5415 lists *vinta*, "strangeness, newness; strange", with Tamil *viruntu*, "newcomer, newness".

What you've built

One more word for this chapter.

Your turn

- *Say it: vinta*
- *Say it: vinta*, once more
- *Say it:* say *vinta*
- *Recall:* say the Telugu for warm, then the Telugu for rare, then say *vinta* again

Before you move on

What does **వింత** mean? ("Strange, odd".) Say it once more.

260.5 దయగల (dayagala) — kind, compassionate

Before the new one: say the Telugu for rare, then the Telugu for strange.

You'll want to know: దయగల

దయగల — *dayagala* — "kind, compassionate".

The word, taken apart — its roots and family

దయగల (*dayagala*) is Sanskrit *dayā*, "sympathy" (CDIAL 6185), with native *gala*, "having", which DEDR 1300 lists as *kala*, "existing, having".

What you've built

One more word for this chapter.

Your turn

- *Say it: dayagala*
- *Say it: dayagala*, once more
- *Say it:* say *dayagala*
- *Recall:* say the Telugu for rare, then the Telugu for strange, then say *dayagala* again

Before you move on

What does దయగల mean? ("Kind, compassionate".) Say it once more.

Chapter 261

Natural, Thick, Greasy, Sticky, Rough

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say natural, thick, greasy, sticky and rough.

Complete the last lesson of chapter 261: I can say natural, thick, greasy, sticky and rough.

261.1 సహజమైన (sahajamaina) — natural

Before the new one: say the Telugu for strange, then the Telugu for kind.

You'll want to know: సహజమైన

సహజమైన — *sahajamaina* — "natural".

The word, taken apart — its roots and family

సహజమైన (*sahajamaina*) is Sanskrit *sahaja*, "born together, inborn" (CDIAL 13302), with native *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: sahajamaina*
- *Say it: sahajamaina*, once more
- *Say it:* say *sahajamaina*
- *Recall:* say the Telugu for strange, then the Telugu for kind, then say *sahajamaina* again

Before you move on

What does సహజమైన mean? ("Natural".) Say it once more.

261.2 చిక్కని (cikkani) — thick (of a liquid)

Before the new one: say the Telugu for kind, then the Telugu for natural.

You'll want to know: చిక్కని

చిక్కని — *cikkani* — "thick (of a liquid)".

The word, taken apart — its roots and family

చిక్కని (*cikkani*) is native Dravidian. DEDR 2488 lists *cikkana*, "thickness", with Kannada *jigi*, "thickness, viscidity". DEDR compares Sanskrit *cikka*, "bird-lime" (CDIAL 4780), which CDIAL reports as taken from Dravidian, or else from Munda.

What you've built

One more word for this chapter.

Your turn

- *Say it: cikkani*
- *Say it: cikkani*, once more
- *Say it:* say *cikkani*

- *Recall:* say the Telugu for kind, then the Telugu for natural, then say *cikkani* again

Before you move on

What does చిక్కని mean? ("Thick (of a liquid)".) Say it once more.

261.3 జిడ్డు (jiḍḍu) — greasy, oily

Before the new one: say the Telugu for natural, then the Telugu for thick.

You'll want to know: జిడ్డు

జిడ్డు — *jiḍḍu* — "greasy, oily".

The word, taken apart — its roots and family

జిడ్డు (*jiḍḍu*) is native Dravidian. DEDR 2516 lists *jiḍḍu*, "oiliness, greasiness", with Kannada *jiḍḍu*, "a greasy substance".

What you've built

One more word for this chapter.

Your turn

- *Say it: jiḍḍu*
- *Say it: jiḍḍu*, once more
- *Say it:* say *jiḍḍu*
- *Recall:* say the Telugu for natural, then the Telugu for thick, then say *jiḍḍu* again

Before you move on

What does జిడ్డు mean? ("Greasy, oily".) Say it once more.

261.4 జిగట (jigaṭa) — sticky

Before the new one: say the Telugu for thick, then the Telugu for greasy.

You'll want to know: జిగట

జిగట — *jigaṭa* — "sticky".

The word, taken apart — its roots and family

జిగట (*jigaṭa*) is native Dravidian. DEDR 2488 lists *jigaṭa*, "gum, stickiness", with Kannada *jigaṭu*, "stickiness". DEDR compares Sanskrit *cikka*, "bird-lime" (CDIAL 4780), which CDIAL reports as taken from Dravidian, or else from Munda.

What you've built

One more word for this chapter.

Your turn

- *Say it: jigaṭa*
- *Say it: jigaṭa*, once more
- *Say it:* say *jigaṭa*
- *Recall:* say the Telugu for thick, then the Telugu for greasy, then say *jigaṭa* again

Before you move on

What does జిగట mean? ("Sticky".) Say it once more.

261.5 గరుకు (garuku) — rough (to the touch)

Before the new one: say the Telugu for greasy, then the Telugu for sticky.

You'll want to know: గరుకు

గరుకు — *garuku* — "rough (to the touch)".

The word, taken apart — its roots and family

గరుకు (*garuku*) is probably native Dravidian. DEDR 1265 lists Telugu *kaṟaku*, "roughness; rough", with Kannada *garaku*, "rough surface", and Tulu *garu*, "rough", and compares Sanskrit *karkaśa*, "rough".

What you've built

One more word for this chapter.

Your turn

- *Say it: garuku*
- *Say it: garuku*, once more
- *Say it:* say *garuku*
- *Recall:* say the Telugu for greasy, then the Telugu for sticky, then say *garuku* again

Before you move on

What does **గరుకు** mean? ("Rough (to the touch)".) Say it once more.

Chapter 262

Bread, Chapati, Upma, Breakfast, Green gram

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say bread, a chapati, upma, breakfast and green gram.

Complete the last lesson of chapter 262: I can say bread, a chapati, upma, breakfast and green gram.

262.1 రొట్టె (roṭṭe) — bread, flatbread

Before the new one: say the Telugu for sticky, then the Telugu for rough.

You'll want to know: రొట్టె

రొట్టె — *roṭṭe* — "bread, flatbread".

The word, taken apart — its roots and family

రొట్టె (*roṭṭe*) matches the Indo-Aryan words for "bread", such as Hindi *roṭī*, which CDIAL 10837 traces to a reconstructed *rōṭṭa*, "bread".

What you've built

One more word for this chapter.

Your turn

- *Say it: roṭṭe*
- *Say it: roṭṭe*, once more
- *Say it:* say *roṭṭe*
- *Recall:* say the Telugu for sticky, then the Telugu for rough, then say *roṭṭe* again

Before you move on

What does రొట్టె mean? ("Bread, flatbread".) Say it once more.

262.2 చపాతీ (capātī) — a chapati

Before the new one: say the Telugu for rough, then the Telugu for bread.

You'll want to know: చపాతీ

చపాతీ — *capātī* — "a chapati".

The word, taken apart — its roots and family

చపాతీ (*capātī*) is a loan from Hindustani *capātī*, "flatbread".

What you've built

One more word for this chapter.

Your turn

- *Say it: capātī*
- *Say it: capātī*, once more
- *Say it:* say *capātī*
- *Recall:* say the Telugu for rough, then the Telugu for bread, then say *capātī* again

Before you move on

What does చపాతీ mean? ("A chapati".) Say it once more.

262.3 ఉప్మా (upmā) — upma

Before the new one: say the Telugu for bread, then the Telugu for a chapati.

You'll want to know: ఉప్మా

ఉప్మా — *upmā* — "upma".

The word, taken apart — its roots and family

The origin of ఉప్మా (*upmā*) is uncertain; DEDR and CDIAL do not list it.

What you've built

One more word for this chapter.

Your turn

- *Say it: upmā*
- *Say it: upmā*, once more
- *Say it:* say *upmā*
- *Recall:* say the Telugu for bread, then the Telugu for a chapati, then say *upmā* again

Before you move on

What does ఉప్మా mean? ("Upma".) Say it once more.

262.4 టిఫిను (ṭiphinu) — breakfast, a light snack

Before the new one: say the Telugu for a chapati, then the Telugu for upma.

You'll want to know: టిఫిను

టిఫిను — *ṭiphinu* — "breakfast, a light snack".

The word, taken apart — its roots and family

టిఫిను (*ṭiphinu*) is a loan from English *tiffin*.

What you've built

One more word for this chapter.

Your turn

- *Say it: ṭiphinu*
- *Say it: ṭiphinu*, once more
- *Say it:* say *ṭiphinu*
- *Recall:* say the Telugu for a chapati, then the Telugu for upma, then say *ṭiphinu* again

Before you move on

What does **టిఫిను** mean? ("Breakfast, a light snack".) Say it once more.

262.5 పెసలు (pesalu) — green gram

Before the new one: say the Telugu for upma, then the Telugu for breakfast.

You'll want to know: పెసలు

పెసలు — *pesalu* — "green gram".

The word, taken apart — its roots and family

పెసలు (*pesalu*) is native Dravidian, one word with Tamil *payaṟu* and Kannada *pesaṟ* (DEDR 3941). DEDR lists Telugu *pesalu*, "green gram".

What you've built

One more word for this chapter.

Your turn

- *Say it: pesalu*
- *Say it: pesalu*, once more
- *Say it:* say *pesalu*
- *Recall:* say the Telugu for upma, then the Telugu for breakfast, then say *pesalu* again

Before you move on

What does పెసలు mean? ("Green gram".) Say it once more.

Chapter 263

Peanuts, Taste, Trousers, Shorts, Vest

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say peanuts, taste, trousers, shorts and a vest.
>
> *Complete the last lesson of chapter 263: I can say peanuts, taste, trousers, shorts and a vest.*

263.1 వేరుశనగ (vēruśanaga) — peanuts

> Before the new one: say the Telugu for breakfast, then the Telugu for green gram.

You'll want to know: వేరుశనగ

వేరుశనగ — *vēruśanaga* — "peanuts".

The word, taken apart — its roots and family

వేరుశనగ (*vēruśanaga*) is native *vēru*, "root" (DEDR 5535), and *śanaga*, "gram", which matches Sanskrit *caṇaka*, "chickpea" (CDIAL 4579): "root-gram".

What you've built

One more word for this chapter.

Your turn

- *Say it: vēruśanaga*
- *Say it: vēruśanaga*, once more
- *Say it:* say *vēruśanaga*
- *Recall:* say the Telugu for breakfast, then the Telugu for green gram, then say *vēruśanaga* again

Before you move on

What does **వేరుశనగ** mean? (“Peanuts”.) Say it once more.

263.2 రుచి (ruci) — taste, flavour

Before the new one: say the Telugu for green gram, then the Telugu for peanuts.

You’ll want to know: రుచి

రుచి — *ruci* — “taste, flavour”.

The word, taken apart — its roots and family

రుచి (*ruci*) is Sanskrit *ruci*, “light, beauty”, taken over whole as a learned loan, a tatsama (CDIAL 10762). Sanskrit already used it for “taste” too.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: ruci*
- *Say it: ruci*, once more
- *Say it:* say *ruci*
- *Recall:* say the Telugu for green gram, then the Telugu for peanuts, then say *ruci* again

Before you move on

What does **రుచి** mean? (“Taste, flavour”.) Say it once more.

263.3 ప్యాంటు (pyāṇṭu) — trousers

Before the new one: say the Telugu for peanuts, then the Telugu for taste.

You’ll want to know: ప్యాంటు

ప్యాంటు — *pyāṇṭu* — “trousers”.

The word, taken apart — its roots and family

ప్యాంటు (*pyāṇṭu*) is a loan from English *pants*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: pyāṇṭu*
- *Say it: pyāṇṭu*, once more
- *Say it:* say *pyāṇṭu*
- *Recall:* say the Telugu for peanuts, then the Telugu for taste, then say *pyāṇṭu* again

Before you move on

What does **ప్యాంటు** mean? (“Trousers”.) Say it once more.

263.4 నిక్కరు (nikkaru) — shorts

Before the new one: say the Telugu for taste, then the Telugu for trousers.

You'll want to know: నిక్కరు

నిక్కరు — *nikkaru* — "shorts".

The word, taken apart — its roots and family

నిక్కరు (*nikkaru*) is a loan from English *knickers*.

What you've built

One more word for this chapter.

Your turn

- *Say it: nikkaru*
- *Say it: nikkaru*, once more
- *Say it:* say *nikkaru*
- *Recall:* say the Telugu for taste, then the Telugu for trousers, then say *nikkaru* again

Before you move on

What does **నిక్కరు** mean? ("Shorts".) Say it once more.

263.5 బనీను (banīnu) — a vest, an undershirt

Before the new one: say the Telugu for trousers, then the Telugu for shorts.

You'll want to know: బనీను

బనీను — *banīnu* — "a vest, an undershirt".

The word, taken apart — its roots and family

బనీను (*banīnu*) is probably a loan from English *banian*, a British-Indian word for a vest; DEDR and CDIAL do not list it.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *banīnu*
- *Say it:* *banīnu*, once more
- *Say it:* say *banīnu*
- *Recall:* say the Telugu for trousers, then the Telugu for shorts, then say *banīnu* again

Before you move on

What does **బనీను** mean? ("A vest, an undershirt".) Say it once more.

Chapter 264

Cheque, Visa, Luggage, Newspaper, Number

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a cheque, a visa, luggage, a newspaper and a number.

Complete the last lesson of chapter 264: I can say a cheque, a visa, luggage, a newspaper and a number.

264.1 చెక్కు (cekku) — a cheque

Before the new one: say the Telugu for shorts, then the Telugu for a vest.

You'll want to know: చెక్కు

చెక్కు — *cekku* — "a cheque".

The word, taken apart — its roots and family

చెక్కు (*cekku*) is a loan from English *cheque*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cekku*
- *Say it:* *cekku*, once more
- *Say it:* say *cekku*
- *Recall:* say the Telugu for shorts, then the Telugu for a vest, then say *cekku* again

Before you move on

What does చెక్కు mean? ("A cheque".) Say it once more.

264.2 వీసా (vīsā) — a visa

Before the new one: say the Telugu for a vest, then the Telugu for a cheque.

You'll want to know: వీసా

వీసా — *vīsā* — "a visa".

The word, taken apart — its roots and family

వీసా (*vīsā*) is a loan from English *visa*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vīsā*
- *Say it:* *vīsā*, once more
- *Say it:* say *vīsā*
- *Recall:* say the Telugu for a vest, then the Telugu for a cheque, then say *vīsā* again

Before you move on

What does **వీసా** mean? ("A visa".) Say it once more.

264.3 సామాను (sāmānu) — luggage, belongings

Before the new one: say the Telugu for a cheque, then the Telugu for a visa.

You'll want to know: సామాను

సామాను — *sāmānu* — "luggage, belongings".

The word, taken apart — its roots and family

సామాను (*sāmānu*) is a loan from Persian *sāmān*, "goods, gear, belongings", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: sāmānu*
- *Say it: sāmānu*, once more
- *Say it:* say *sāmānu*
- *Recall:* say the Telugu for a cheque, then the Telugu for a visa, then say *sāmānu* again

Before you move on

What does **సామాను** mean? ("Luggage, belongings".) Say it once more.

264.4 వార్తాపత్రిక (vārtāpatrika) — a newspaper

Before the new one: say the Telugu for a visa, then the Telugu for luggage.

You'll want to know: వార్తాపత్రిక

వార్తాపత్రిక — *vārtāpatrika* — "a newspaper".

The word, taken apart — its roots and family

వార్తాపత్రిక (*vārtāpatrika*) is Sanskrit: *vārttā*, "tidings" (CDIAL 11564), and *patrikā*, "a leaf, a letter", from *pattra*, "leaf of a book" (CDIAL 7733): "news-sheet".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vārtāpatrika*
- *Say it:* *vārtāpatrika*, once more
- *Say it:* say *vārtāpatrika*
- *Recall:* say the Telugu for a visa, then the Telugu for luggage, then say *vārtāpatrika* again

Before you move on

What does **వార్తాపత్రిక** mean? ("A newspaper".) Say it once more.

264.5 నంబరు (nambaru) — a number (phone, house)

Before the new one: say the Telugu for luggage, then the Telugu for a newspaper.

You'll want to know: నంబరు

నంబరు — *nambaru* — "a number (phone, house)".

The word, taken apart — its roots and family

నంబరు (*nambaru*) is a loan from English *number*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nambaru*
- *Say it:* *nambaru*, once more
- *Say it:* say *nambaru*
- *Recall:* say the Telugu for luggage, then the Telugu for a newspaper, then say *nambaru* again

Before you move on

What does **నంబరు** mean? ("A number (phone, house)".) Say it once more.

Chapter 265

Bride, People, God, Thief, Animal

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a bride, people, God, a thief and an animal.
>
> *Complete the last lesson of chapter 265: I can say a bride, people, God, a thief and an animal.*

265.1 పెళ్ళికూతురు (peḷḷikūturu) — a bride

Before the new one: say the Telugu for a newspaper, then the Telugu for a number.

You'll want to know: పెళ్ళికూతురు

పెళ్ళికూతురు — *peḷḷikūturu* — "a bride".

The word, taken apart — its roots and family

పెళ్ళికూతురు (*peḷḷikūturu*) is native Dravidian: *peḷḷi*, "marriage" (DEDR 4395), and a nasalised *kūturu*, "daughter", which DEDR 1873 lists with Kannada *kūsu*, "infant; maiden": "the wedding daughter". DEDR compares Sanskrit *kūkuda*, "one who gives a girl in marriage", a lexicon word, with the second.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *peḷḷikūturu*
- *Say it:* *peḷḷikūturu*, once more
- *Say it:* say *peḷḷikūturu*
- *Recall:* say the Telugu for a newspaper, then the Telugu for a number, then say *peḷḷikūturu* again

Before you move on

What does **పెళ్ళికూతురు** mean? (“A bride”.) Say it once more.

265.2 జనం (janaṁ) — people, a crowd

Before the new one: say the Telugu for a number, then the Telugu for a bride.

You’ll want to know: జనం

జనం — *janaṁ* — “people, a crowd”.

The word, taken apart — its roots and family

జనం (*janaṁ*) is Sanskrit *jana*, “race, person”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 5098).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *janaṁ*
- *Say it:* *janaṁ*, once more
- *Say it:* say *janaṁ*
- *Recall:* say the Telugu for a number, then the Telugu for a bride, then say *janaṁ* again

Before you move on

What does **జనం** mean? ("People, a crowd".) Say it once more.

265.3 దేవుడు (dēvuḍu) — God, a god

Before the new one: say the Telugu for a bride, then the Telugu for people.

You'll want to know: దేవుడు

దేవుడు — *dēvuḍu* — "God, a god".

The word, taken apart — its roots and family

దేవుడు (*dēvuḍu*) is Sanskrit *dēva*, "heavenly; a god" (CDIAL 6523), with the Telugu ending *-uḍu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: dēvuḍu*
- *Say it: dēvuḍu*, once more
- *Say it:* say *dēvuḍu*
- *Recall:* say the Telugu for a bride, then the Telugu for people, then say *dēvuḍu* again

Before you move on

What does **దేవుడు** mean? ("God, a god".) Say it once more.

265.4 దొంగ (doṅga) — a thief

Before the new one: say the Telugu for people, then the Telugu for God.

You'll want to know: దొంగ

దొంగ — *doṅga* — "a thief".

The word, taken apart — its roots and family

దొంగ (*doṅga*) is native Dravidian, one word with Tamil *toṅkaṉ* and Malayalam *toṅṅan* (DEDR 2982). DEDR lists Telugu *doṅga*, "thief; false, furtive".

What you've built

One more word for this chapter.

Your turn

- *Say it: doṅga*
- *Say it: doṅga*, once more
- *Say it:* say *doṅga*
- *Recall:* say the Telugu for people, then the Telugu for God, then say *doṅga* again

Before you move on

What does **దొంగ** mean? ("A thief".) Say it once more.

265.5 జంతువు (jantuvu) — an animal

Before the new one: say the Telugu for God, then the Telugu for a thief.

You'll want to know: జంతువు

జంతువు — *jantuvu* — "an animal".

The word, taken apart — its roots and family

జంతువు (*jantuvu*) is Sanskrit *jantu*, "offspring, creature; any animal", taken over whole as a learned loan, a tatsama, with the Telugu ending *-vu* (CDIAL 5110).

What you've built

One more word for this chapter.

Your turn

- *Say it: jantuvu*
- *Say it: jantuvu*, once more
- *Say it:* say *jantuvu*
- *Recall:* say the Telugu for God, then the Telugu for a thief, then say *jantuvu* again

Before you move on

What does **జంతువు** mean? ("An animal".) Say it once more.

Chapter 266

Jasmine flower, Neem, Banyan tree, Holy basil, Bud

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say a jasmine flower, neem, a banyan tree, holy basil and a bud.
>
> *Complete the last lesson of chapter 266: I can say a jasmine flower, neem, a banyan tree, holy basil and a bud.*

266.1 మల్లెపువ్వు (mallepuvvu) — a jasmine flower

> Before the new one: say the Telugu for a thief, then the Telugu for an animal.

You'll want to know: మల్లెపువ్వు

మల్లెపువ్వు — *mallepuvvu* — "a jasmine flower".

The word, taken apart — its roots and family

మల్లెపువ్వు (*mallepuvvu*) is *malle*, "jasmine", which matches Sanskrit *mallikā*, "jasmine" (CDIAL 9913), and native *puvvu*, "flower" (DEDR 4345). CDIAL compares the Dravidian jasmine words with the Sanskrit one; DEDR compares, with a query, Sanskrit *puṣpa*, "flower", with *puvvu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: mallepuvvu*
- *Say it: mallepuvvu*, once more
- *Say it:* say *mallepuvvu*
- *Recall:* say the Telugu for a thief, then the Telugu for an animal, then say *mallepuvvu* again

Before you move on

What does **మల్లెపువ్వు** mean? ("A jasmine flower".) Say it once more.

266.2 వేప (vēpa) — neem, the neem tree

Before the new one: say the Telugu for an animal, then the Telugu for a jasmine flower.

You'll want to know: వేప

వేప — *vēpa* — "neem, the neem tree".

The word, taken apart — its roots and family

వేప (*vēpa*) is native Dravidian, one word with Tamil *vēmpu* and Kannada *bēvu* (DEDR 5531). DEDR lists Telugu *vēpa*, "neem".

What you've built

One more word for this chapter.

Your turn

- *Say it: vēpa*
- *Say it: vēpa*, once more

- *Say it:* say *vēpa*
- *Recall:* say the Telugu for an animal, then the Telugu for a jasmine flower, then say *vēpa* again

Before you move on

What does **వేప** mean? ("Neem, the neem tree".) Say it once more.

266.3 మర్రి (marri) — a banyan tree

Before the new one: say the Telugu for a jasmine flower, then the Telugu for neem.

You'll want to know: మర్రి

మర్రి — *marri* — "a banyan tree".

The word, taken apart — its roots and family

మర్రి (*marri*) is Dravidian. DEDR 4773 lists *marṟi*, "banyan tree", with Kolami *marri*, "banyan".

What you've built

One more word for this chapter.

Your turn

- *Say it: marri*
- *Say it: marri*, once more
- *Say it:* say *marri*
- *Recall:* say the Telugu for a jasmine flower, then the Telugu for neem, then say *marri* again

Before you move on

What does **మర్రి** mean? ("A banyan tree".) Say it once more.

266.4 తులసి (tulasi) — holy basil, tulsi

Before the new one: say the Telugu for neem, then the Telugu for a banyan tree.

You'll want to know: తులసి

తులసి — *tulasi* — "holy basil, tulsi".

The word, taken apart — its roots and family

తులసి (*tulasi*) is the name DEDR 3357 lists with Tamil *tuḷaci* and Kannada *toḷasi*, "sacred basil". DEDR compares Sanskrit *tulasī* (CDIAL 5885) and notes that some of these forms were borrowed back from Sanskrit.

What you've built

One more word for this chapter.

Your turn

- *Say it: tulasi*
- *Say it: tulasi*, once more
- *Say it:* say *tulasi*
- *Recall:* say the Telugu for neem, then the Telugu for a banyan tree, then say *tulasi* again

Before you move on

What does **తులసి** mean? ("Holy basil, tulsi".) Say it once more.

266.5 మొగ్గ (mogga) — a bud

Before the new one: say the Telugu for a banyan tree, then the Telugu for holy basil.

You'll want to know: మొగ్గ

మొగ్గ — *mogga* — "a bud".

The word, taken apart — its roots and family

మొగ్గ (*mogga*) is native Dravidian. DEDR 4893 lists *mogga*, "a bud", with Tamil *mukil*, "to bud". DEDR compares Sanskrit *mukula*, "bud" (CDIAL 10146), which CDIAL takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mogga*
- *Say it:* *mogga*, once more
- *Say it:* say *mogga*
- *Recall:* say the Telugu for a banyan tree, then the Telugu for holy basil, then say *mogga* again

Before you move on

What does మొగ్గ mean? ("A bud".) Say it once more.

266.6 Words from chapters 258-261 — a first pass

Say the words for holy basil and a bud.

Your turn

Say these aloud:

- a method, a rule, an effect, development, a situation
- crowded, important, own, busy, compulsory
- smooth, warm, rare, strange, kind
- natural, thick, greasy, sticky, rough

Before you move on

A method? (పద్ధతి, *paddhati.*) A rule? (నియమం, *niyamaṁ.*) An effect? (ప్రభావం, *prabhāvaṁ.*) Development? (అభివృద్ధి, *abhivṛddhi.*) A situation? (పరిస్థితి, *paristhiti.*) Crowded? (రద్దీ, *raddī.*) Important? (ముఖ్యమైన, *mukhyamaina.*) Own? (సొంత, *sonta.*) Busy? (బిజీ, *bijī.*) Compulsory? (తప్పనిసరి, *tappanisari.*) Smooth? (నునుపైన, *nunupaina.*) Warm? (వెచ్చని, *veccani.*) Rare? (అరుదైన, *arudaina.*) Strange? (వింత, *vinta.*) Kind? (దయగల, *dayagala.*) Natural? (సహజమైన, *sahajamaina.*) Thick? (చిక్కని, *cikkani.*) Greasy? (జిడ్డు, *jiḍḍu.*) Sticky? (జిగట, *jigaṭa.*) Rough? (గరుకు, *garuku.*)

266.7 Words from chapters 262-266 — a second pass

Say the words for bread and a chapati.

Your turn

Say these aloud:

- bread, a chapati, upma, breakfast, green gram
- peanuts, taste, trousers, shorts, a vest
- a cheque, a visa, luggage, a newspaper, a number
- a bride, people, God, a thief, an animal
- a jasmine flower, neem, a banyan tree, holy basil, a bud

Before you move on

Bread? (రొట్టె, *roṭṭe.*) A chapati? (చపాతీ, *capātī.*) Upma? (ఉప్మా, *upmā.*) Breakfast? (టిఫిను, *ṭiphinu.*) Green gram? (పెసలు, *pesalu.*) Peanuts? (వేరుశనగ, *vēruśanaga.*) Taste? (రుచి, *ruci.*) Trousers? (ప్యాంటు, *pyāṇṭu.*) Shorts? (నిక్కరు, *nikkaru.*) A vest? (బనీను, *banīnu.*) A cheque? (చెక్కు, *cekku.*) A visa? (వీసా, *vīsā.*) Luggage? (సామాను, *sāmānu.*) A newspaper? (వార్తాపత్రిక, *vārtāpatrika.*) A number? (నంబరు, *nambaru.*) A bride? (పెళ్ళికూతురు, *peḷḷikūturu.*)

People? (**జనం**, *janaṁ.*) God? (**దేవుడు**, *dēvuḍu.*) A thief? (**దొంగ**, *doṅga.*) An animal? (**జంతువు**, *jantuvu.*) A jasmine flower? (**మల్లెపువ్వు**, *mallepuvvu.*) Neem? (**వేప**, *vēpa.*) A banyan tree? (**మర్రి**, *marri.*) Holy basil? (**తులసి**, *tulasi.*) A bud? (**మొగ్గ**, *mogga.*)

Chapter 267

Rainbow, Flood, Drought, Moonlight, Darkness

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a rainbow, a flood, a drought, moonlight and darkness.
>
> *Complete the last lesson of chapter 267: I can say a rainbow, a flood, a drought, moonlight and darkness.*

267.1 ఇంద్రధనుస్సు (indradhanussu) — a rainbow

> Before the new one: say the Telugu for holy basil, then the Telugu for a bud.

You'll want to know: ఇంద్రధనుస్సు

ఇంద్రధనుస్సు — *indradhanussu* — "a rainbow".

The word, taken apart — its roots and family

ఇంద్రధనుస్సు (*indradhanussu*) is Sanskrit *indradhanus*, "Indra's bow": *indra*, "the god Indra" (CDIAL 1572), and *dhanus*, "bow" (CDIAL 6726), with the Telugu ending *-u*.

What you've built

One more word for this chapter.

Your turn

- *Say it: indradhanussu*
- *Say it: indradhanussu*, once more
- *Say it:* say *indradhanussu*
- *Recall:* say the Telugu for holy basil, then the Telugu for a bud, then say *indradhanussu* again

Before you move on

What does ఇంద్రధనుస్సు mean? (“A rainbow”.) Say it once more.

267.2 వరద (varada) — a flood

Before the new one: say the Telugu for a bud, then the Telugu for a rainbow.

You’ll want to know: వరద

వరద — *varada* — “a flood”.

The word, taken apart — its roots and family

వరద (*varada*) is native Dravidian. DEDR 5323 lists *varada*, “flood, torrent”, with Kuwi *vāru*, “flood”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: varada*
- *Say it: varada*, once more
- *Say it:* say *varada*
- *Recall:* say the Telugu for a bud, then the Telugu for a rainbow, then say *varada* again

Before you move on

What does **వరద** mean? ("A flood".) Say it once more.

267.3 కరువు (karuvu) — a drought, a famine

Before the new one: say the Telugu for a rainbow, then the Telugu for a flood.

You'll want to know: కరువు

కరువు — *karuvu* — "a drought, a famine".

The word, taken apart — its roots and family

కరువు (*karuvu*) is native Dravidian, one word with Tamil *karuppu* (DEDR 1286). DEDR lists Telugu *karuvu*, "famine, dearth".

What you've built

One more word for this chapter.

Your turn

- *Say it: karuvu*
- *Say it: karuvu*, once more
- *Say it:* say *karuvu*
- *Recall:* say the Telugu for a rainbow, then the Telugu for a flood, then say *karuvu* again

Before you move on

What does **కరువు** mean? ("A drought, a famine".) Say it once more.

267.4 వెన్నెల (vennela) — moonlight

Before the new one: say the Telugu for a flood, then the Telugu for a drought.

You'll want to know: వెన్నెల

వెన్నెల — *vennela* — "moonlight".

The word, taken apart — its roots and family

వెన్నెల (*vennela*) is native Dravidian. DEDR 3754 lists *ven nela*, "moonlight": *ven-*, "white", and *nela*, "moon", one word with Tamil *nilā*, "moon".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vennela*
- *Say it:* *vennela*, once more
- *Say it:* say *vennela*
- *Recall:* say the Telugu for a flood, then the Telugu for a drought, then say *vennela* again

Before you move on

What does **వెన్నెల** mean? ("Moonlight".) Say it once more.

267.5 చీకటి (cīkaṭi) — darkness

Before the new one: say the Telugu for a drought, then the Telugu for moonlight.

You'll want to know: చీకటి

చీకటి — *cīkaṭi* — "darkness".

The word, taken apart — its roots and family

చీకటి (*cīkaṭi*) is native Dravidian. DEDR 2604 lists a nasalised *cīkaṭi*, "darkness", with Parji *cīkoḍ* and Konda *sīkaṭi*, "darkness".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cīkaṭi*
- *Say it:* *cīkaṭi*, once more
- *Say it:* say *cīkaṭi*
- *Recall:* say the Telugu for a drought, then the Telugu for moonlight, then say *cīkaṭi* again

Before you move on

What does **చీకటి** mean? ("Darkness".) Say it once more.

Chapter 268

Show, Radio, Programme, Internet, Website

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a show, the radio, a programme, the internet and a website.

Complete the last lesson of chapter 268: I can say a show, the radio, a programme, the internet and a website.

268.1 ప్రదర్శన (pradarśana) — a show, an exhibition

Before the new one: say the Telugu for moonlight, then the Telugu for darkness.

You'll want to know: ప్రదర్శన

ప్రదర్శన — *pradarśana* — "a show, an exhibition".

The word, taken apart — its roots and family

ప్రదర్శన (*pradarśana*) is Sanskrit *pradarśana*, "showing, display", taken over whole as a learned loan, a tatsama.

What you've built

One more word for this chapter.

Your turn

- *Say it: pradarśana*
- *Say it: pradarśana*, once more
- *Say it:* say *pradarśana*
- *Recall:* say the Telugu for moonlight, then the Telugu for darkness, then say *pradarśana* again

Before you move on

What does ప్రదర్శన mean? ("A show, an exhibition".) Say it once more.

268.2 రేడియో (rēḍiyō) — the radio

Before the new one: say the Telugu for darkness, then the Telugu for a show.

You'll want to know: రేడియో

రేడియో — *rēḍiyō* — "the radio".

The word, taken apart — its roots and family

రేడియో (*rēḍiyō*) is a loan from English *radio*.

What you've built

One more word for this chapter.

Your turn

- *Say it: rēḍiyō*
- *Say it: rēḍiyō*, once more
- *Say it:* say *rēḍiyō*
- *Recall:* say the Telugu for darkness, then the Telugu for a show, then say *rēḍiyō* again

Before you move on

What does రేడియో mean? ("The radio".) Say it once more.

268.3 కార్యక్రమం (kāryakramaṁ) — a programme, a show

Before the new one: say the Telugu for a show, then the Telugu for the radio.

You'll want to know: కార్యక్రమం

కార్యక్రమం — *kāryakramaṁ* — "a programme, a show".

The word, taken apart — its roots and family

కార్యక్రమం (*kāryakramaṁ*) is Sanskrit: *kārya*, "work, business", and *krama*, "step, series" (CDIAL 3577), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kāryakramaṁ*
- *Say it: kāryakramaṁ*, once more
- *Say it:* say *kāryakramaṁ*
- *Recall:* say the Telugu for a show, then the Telugu for the radio, then say *kāryakramaṁ* again

Before you move on

What does కార్యక్రమం mean? ("A programme, a show".) Say it once more.

268.4 ఇంటర్నెట్ (iṇṭarneṭ) — the internet

Before the new one: say the Telugu for the radio, then the Telugu for a programme.

You'll want to know: ఇంటర్నెట్

ఇంటర్నెట్ — *iṇṭarneṭ* — "the internet".

The word, taken apart — its roots and family

ఇంటర్నెట్ (*iṇṭarneṭ*) is a loan from English *internet*.

What you've built

One more word for this chapter.

Your turn

- *Say it: iṇṭarneṭ*
- *Say it: iṇṭarneṭ*, once more
- *Say it:* say *iṇṭarneṭ*
- *Recall:* say the Telugu for the radio, then the Telugu for a programme, then say *iṇṭarneṭ* again

Before you move on

What does ఇంటర్నెట్ mean? ("The internet".) Say it once more.

268.5 వెబ్సైట్ (vebsaiṭ) — a website

Before the new one: say the Telugu for a programme, then the Telugu for the internet.

You'll want to know: వెబ్సైట్

వెబ్సైట్ — *vebsaiṭ* — "a website".

The word, taken apart — its roots and family

వెబ్సైట్ (*vebsaiṭ*) is a loan from English *website*.

What you've built

One more word for this chapter.

Your turn

- *Say it: vebsaiṭ*
- *Say it: vebsaiṭ*, once more
- *Say it:* say *vebsaiṭ*
- *Recall:* say the Telugu for a programme, then the Telugu for the internet, then say *vebsaiṭ* again

Before you move on

What does వెబ్సైట్ mean? ("A website".) Say it once more.

Chapter 269

Tin, Eating plate, Sieve, Wood, Brass

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a tin, an eating plate, a sieve, wood and brass.
>
> *Complete the last lesson of chapter 269: I can say a tin, an eating plate, a sieve, wood and brass.*

269.1 డబ్బా (ḍabbā) — a tin, a can

Before the new one: say the Telugu for the internet, then the Telugu for a website.

You'll want to know: డబ్బా

డబ్బా — *ḍabbā* — "a tin, a can".

The word, taken apart — its roots and family

డబ్బా (*ḍabbā*) matches Hindi *ḍabbā*, "box", which CDIAL 5528 traces to a reconstructed *ḍabba*, "box", of non-Aryan origin, perhaps from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ḍabbā*
- *Say it:* *ḍabbā*, once more
- *Say it:* say *ḍabbā*
- *Recall:* say the Telugu for the internet, then the Telugu for a website, then say *ḍabbā* again

Before you move on

What does డబ్బా mean? ("A tin, a can".) Say it once more.

269.2 కంచం (kañcaṁ) — an eating plate

Before the new one: say the Telugu for a website, then the Telugu for a tin.

You'll want to know: కంచం

కంచం — *kañcaṁ* — "an eating plate".

The word, taken apart — its roots and family

కంచం (*kañcaṁ*) is usually traced to Sanskrit *kaṁsa*, "metal cup; bell-metal" (CDIAL 2576), reshaped to Telugu sounds.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kañcaṁ*
- *Say it:* *kañcaṁ*, once more
- *Say it:* say *kañcaṁ*
- *Recall:* say the Telugu for a website, then the Telugu for a tin, then say *kañcaṁ* again

Before you move on

What does **కంచం** mean? ("An eating plate".) Say it once more.

269.3 జల్లెడ (jalleḍa) — a sieve

Before the new one: say the Telugu for a tin, then the Telugu for an eating plate.

You'll want to know: జల్లెడ

జల్లెడ — *jalleḍa* — "a sieve".

The word, taken apart — its roots and family

జల్లెడ (*jalleḍa*) is native Dravidian. DEDR 2370 lists *jalleḍa*, "sieve", with Kannada *jallaḍi* and Tamil *callaṭai*, "sieve". DEDR compares the Indo-Aryan words in CDIAL 4771, such as Sanskrit *cālana*, "sieve".

What you've built

One more word for this chapter.

Your turn

- *Say it: jalleḍa*
- *Say it: jalleḍa*, once more
- *Say it:* say *jalleḍa*
- *Recall:* say the Telugu for a tin, then the Telugu for an eating plate, then say *jalleḍa* again

Before you move on

What does **జల్లెడ** mean? ("A sieve".) Say it once more.

269.4 చెక్క (cekka) — wood, a plank

Before the new one: say the Telugu for an eating plate, then the Telugu for a sieve.

You'll want to know: చెక్క

చెక్క — *cekka* — "wood, a plank".

The word, taken apart — its roots and family

చెక్క (*cekka*) is native Dravidian. DEDR 2748 lists *cekka*, "piece, chip", with Kannada *cekke* and Tamil *cakkai*, "chips". DEDR compares, with a query, Sanskrit *śakala*, "chip, fragment" (CDIAL 12243).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cekka*
- *Say it:* *cekka*, once more
- *Say it:* say *cekka*
- *Recall:* say the Telugu for an eating plate, then the Telugu for a sieve, then say *cekka* again

Before you move on

What does **చెక్క** mean? ("Wood, a plank".) Say it once more.

269.5 ఇత్తడి (ittaḍi) — brass

Before the new one: say the Telugu for a sieve, then the Telugu for wood.

You'll want to know: ఇత్తడి

ఇత్తడి — *ittaḍi* — "brass".

The word, taken apart — its roots and family

The origin of **ఇత్తడి** (*ittaḍi*) is uncertain. DEDR does not list it. CDIAL 8184 has Sanskrit *pittala*, "brass", which may be its source, but no source says so.

What you've built

One more word for this chapter.

Your turn

- *Say it: ittaḍi*
- *Say it: ittaḍi*, once more
- *Say it:* say *ittaḍi*
- *Recall:* say the Telugu for a sieve, then the Telugu for wood, then say *ittaḍi* again

Before you move on

What does ఇత్తడి mean? ("Brass".) Say it once more.

Chapter 270

Saucepan, Flowerpot, Griddle, Mortar, Pestle

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a saucepan, a flowerpot, a griddle, a mortar and a pestle.

Complete the last lesson of chapter 270: I can say a saucepan, a flowerpot, a griddle, a mortar and a pestle.

270.1 తపేలా (tapēlā) — a saucepan

Before the new one: say the Telugu for wood, then the Telugu for brass.

You'll want to know: తపేలా

తపేలా — *tapēlā* — "a saucepan".

The word, taken apart — its roots and family

The origin of **తపేలా** (*tapēlā*) is uncertain. DEDR and CDIAL list no word of this shape meaning "saucepan".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *tapēlā*
- *Say it:* *tapēlā*, once more
- *Say it:* say *tapēlā*
- *Recall:* say the Telugu for wood, then the Telugu for brass, then say *tapēlā* again

Before you move on

What does తపేలా mean? (“A saucepan”.) Say it once more.

270.2 కుండీ (kuṇḍī) — a flowerpot

Before the new one: say the Telugu for brass, then the Telugu for a saucepan.

You’ll want to know: కుండీ

కుండీ — *kuṇḍī* — “a flowerpot”.

The word, taken apart — its roots and family

కుండీ (*kuṇḍī*) comes from Sanskrit *kuṇḍa*, “bowl, waterpot” (CDIAL 3264), a word CDIAL itself takes from Dravidian.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *kuṇḍī*
- *Say it:* *kuṇḍī*, once more
- *Say it:* say *kuṇḍī*
- *Recall:* say the Telugu for brass, then the Telugu for a saucepan, then say *kuṇḍī* again

Before you move on

What does **కుండీ** mean? ("A flowerpot".) Say it once more.

270.3 పెనం (penaṁ) — a griddle (tava)

Before the new one: say the Telugu for a saucepan, then the Telugu for a flowerpot.

You'll want to know: పెనం

పెనం — *penaṁ* — "a griddle (tava)".

The word, taken apart — its roots and family

The origin of **పెనం** (*penaṁ*) is uncertain. DEDR and CDIAL list no word of this shape meaning "griddle".

What you've built

One more word for this chapter.

Your turn

- *Say it: penaṁ*
- *Say it: penaṁ*, once more
- *Say it:* say *penaṁ*
- *Recall:* say the Telugu for a saucepan, then the Telugu for a flowerpot, then say *penaṁ* again

Before you move on

What does **పెనం** mean? ("A griddle (tava)".) Say it once more.

270.4 రోలు (rōlu) — a mortar (for pounding)

Before the new one: say the Telugu for a flowerpot, then the Telugu for a griddle.

You'll want to know: రోలు

రోలు — *rōlu* — "a mortar (for pounding)".

The word, taken apart — its roots and family

రోలు (*rōlu*) is native Dravidian, one word with Tamil *ural* and Kannada *oral* (DEDR 651). DEDR lists Telugu *rōlu*, "mortar".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *rōlu*
- *Say it:* *rōlu*, once more
- *Say it:* say *rōlu*
- *Recall:* say the Telugu for a flowerpot, then the Telugu for a griddle, then say *rōlu* again

Before you move on

What does రోలు mean? ("A mortar (for pounding)".) Say it once more.

270.5 రోకలి (rōkali) — a pestle

Before the new one: say the Telugu for a griddle, then the Telugu for a mortar.

You'll want to know: రోకలి

రోకలి — *rōkali* — "a pestle".

The word, taken apart — its roots and family

DEDR 665 lists a nasalised రోకలి (*rōkali*), "a large wooden pestle", with a query, under the word for "to rub", one word with Tamil *urai*.

What you've built

One more word for this chapter.

Your turn

- *Say it: rōkali*
- *Say it: rōkali*, once more
- *Say it:* say *rōkali*
- *Recall:* say the Telugu for a griddle, then the Telugu for a mortar, then say *rōkali* again

Before you move on

What does రోకలి mean? ("A pestle".) Say it once more.

Chapter 271

Lime, Roof tile, Plastic, Foam, Hole

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say lime, a roof tile, plastic, foam and a hole.
>
> *Complete the last lesson of chapter 271: I can say lime, a roof tile, plastic, foam and a hole.*

271.1 సున్నం (sunnaṁ) — lime, whitewash

> Before the new one: say the Telugu for a mortar, then the Telugu for a pestle.

You'll want to know: సున్నం

సున్నం — *sunnaṁ* — "lime, whitewash".

The word, taken apart — its roots and family

సున్నం (*sunnaṁ*) is usually traced to Sanskrit *cūrṇa*, "ground, powder" (CDIAL 4889), reshaped to Telugu sounds.

What you've built

One more word for this chapter.

Your turn

- *Say it: sunnaṁ*
- *Say it: sunnaṁ*, once more
- *Say it:* say *sunnaṁ*
- *Recall:* say the Telugu for a mortar, then the Telugu for a pestle, then say *sunnaṁ* again

Before you move on

What does సున్నం mean? ("Lime, whitewash".) Say it once more.

271.2 పెంకు (peṅku) — a roof tile

Before the new one: say the Telugu for a pestle, then the Telugu for lime.

You'll want to know: పెంకు

పెంకు — *peṅku* — "a roof tile".

The word, taken apart — its roots and family

పెంకు (*peṅku*) is native Dravidian. DEDR 4385 lists *peṅku*, "tile, potsherd", with Kannada *heñcu*, "tile".

What you've built

One more word for this chapter.

Your turn

- *Say it: peṅku*
- *Say it: peṅku*, once more
- *Say it:* say *peṅku*
- *Recall:* say the Telugu for a pestle, then the Telugu for lime, then say *peṅku* again

Before you move on

What does పెంకు mean? (“A roof tile”.) Say it once more.

271.3 ప్లాస్టిక్కు (plāsṭikku) — plastic

Before the new one: say the Telugu for lime, then the Telugu for a roof tile.

You’ll want to know: ప్లాస్టిక్కు

ప్లాస్టిక్కు — *plāsṭikku* — “plastic”.

The word, taken apart — its roots and family

ప్లాస్టిక్కు (*plāsṭikku*) is a loan from English *plastic*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: plāsṭikku*
- *Say it: plāsṭikku*, once more
- *Say it:* say *plāsṭikku*
- *Recall:* say the Telugu for lime, then the Telugu for a roof tile, then say *plāsṭikku* again

Before you move on

What does ప్లాస్టిక్కు mean? (“Plastic”.) Say it once more.

271.4 నురుగు (nurugu) — foam, lather

Before the new one: say the Telugu for a roof tile, then the Telugu for plastic.

You'll want to know: నురుగు

నురుగు — *nurugu* — "foam, lather".

The word, taken apart — its roots and family

నురుగు (*nurugu*) is native Dravidian. DEDR 3710 lists *nurūgu* and *nuruvu*, "foam, froth", with Tamil *nurai* and Kannada *nore*, "foam".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nurugu*
- *Say it:* *nurugu*, once more
- *Say it:* say *nurugu*
- *Recall:* say the Telugu for a roof tile, then the Telugu for plastic, then say *nurugu* again

Before you move on

What does **నురుగు** mean? ("Foam, lather".) Say it once more.

271.5 చిల్లు (cillu) — a hole

Before the new one: say the Telugu for plastic, then the Telugu for foam.

You'll want to know: చిల్లు

చిల్లు — *cillu* — "a hole".

The word, taken apart — its roots and family

చిల్లు (*cillu*) is native Dravidian. DEDR 2575 gives it as *cilli*, "small hole", with Tamil *cilli*, "leak, hole", and Kannada *jilli*, "small hole".

What you've built

One more word for this chapter.

Your turn

- *Say it: cillu*
- *Say it: cillu*, once more
- *Say it:* say *cillu*
- *Recall:* say the Telugu for plastic, then the Telugu for foam, then say *cillu* again

Before you move on

What does **చిల్లు** mean? ("A hole".) Say it once more.

Chapter 272

Trellis, Fence, Bush, Stem, Wing

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say a trellis, a fence, a bush, a stem and a wing.
>
> *Complete the last lesson of chapter 272: I can say a trellis, a fence, a bush, a stem and a wing.*

272.1 పందిరి (pandiri) — a trellis; a festive canopy

> Before the new one: say the Telugu for foam, then the Telugu for a hole.

You'll want to know: పందిరి

పందిరి — *pandiri* — "a trellis; a festive canopy".

The word, taken apart — its roots and family

పందిరి (*pandiri*) is native Dravidian, one word with Tamil *pantal* and Kannada *pandal* (DEDR 3922). DEDR lists Telugu *pandiri*, "shed, trellis".

What you've built

One more word for this chapter.

Your turn

- *Say it: pandiri*
- *Say it: pandiri*, once more
- *Say it:* say *pandiri*
- *Recall:* say the Telugu for foam, then the Telugu for a hole, then say *pandiri* again

Before you move on

What does పందిరి mean? ("A trellis; a festive canopy".) Say it once more.

272.2 కంచె (kañce) — a fence

Before the new one: say the Telugu for a hole, then the Telugu for a trellis.

You'll want to know: కంచె

కంచె — *kañce* — "a fence".

The word, taken apart — its roots and family

The origin of కంచె (*kañce*) is uncertain. DEDR and CDIAL list no word of this shape meaning "fence".

What you've built

One more word for this chapter.

Your turn

- *Say it: kañce*
- *Say it: kañce*, once more
- *Say it:* say *kañce*
- *Recall:* say the Telugu for a hole, then the Telugu for a trellis, then say *kañce* again

Before you move on

What does **కంచె** mean? (“A fence”.) Say it once more.

272.3 పొద (poda) — a bush

Before the new one: say the Telugu for a trellis, then the Telugu for a fence.

You’ll want to know: పొద

పొద — *poda* — “a bush”.

The word, taken apart — its roots and family

పొద (*poda*) is native Dravidian. DEDR 4509 lists *poda*, “bush, thicket”, with Kannada *poda*r̲, “bush, thicket”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *poda*
- *Say it:* *poda*, once more
- *Say it:* say *poda*
- *Recall:* say the Telugu for a trellis, then the Telugu for a fence, then say *poda* again

Before you move on

What does **పొద** mean? (“A bush”.) Say it once more.

272.4 కాండం (kāṇḍaṁ) — a stem

Before the new one: say the Telugu for a fence, then the Telugu for a bush.

You'll want to know: కాండం

కాండం — *kāṇḍaṁ* — "a stem".

The word, taken apart — its roots and family

కాండం (*kāṇḍaṁ*) is Sanskrit *kāṇḍa*, "single joint of a plant; cluster", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 3023). CDIAL thinks the Sanskrit word is probably of non-Aryan origin, probably from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kāṇḍaṁ*
- *Say it:* *kāṇḍaṁ*, once more
- *Say it:* say *kāṇḍaṁ*
- *Recall:* say the Telugu for a fence, then the Telugu for a bush, then say *kāṇḍaṁ* again

Before you move on

What does కాండం mean? ("A stem".) Say it once more.

272.5 రెక్క (rekka) — a wing

Before the new one: say the Telugu for a bush, then the Telugu for a stem.

You'll want to know: రెక్క

రెక్క — *rekka* — "a wing".

The word, taken apart — its roots and family

రెక్క (*rekka*) is native Dravidian, one word with Tamil *iṟaku* and Kannada *ṟekke* (DEDR 2591). DEDR lists Telugu *rekka*, "wing".

What you've built

One more word for this chapter.

Your turn

- *Say it: rekka*
- *Say it: rekka*, once more
- *Say it:* say *rekka*
- *Recall:* say the Telugu for a bush, then the Telugu for a stem, then say *rekka* again

Before you move on

What does రెక్క mean? ("A wing".) Say it once more.

272.6 Words from chapters 267-269 — a first pass

Say the words for a stem and a wing.

Your turn

Say these aloud:

- a rainbow, a flood, a drought, moonlight, darkness
- a show, the radio, a programme, the internet, a website
- a tin, an eating plate, a sieve, wood, brass

Before you move on

A rainbow? (ఇంద్రధనుస్సు, *indradhanussu.*) A flood? (వరద, *varada.*) A drought? (కరువు, *karuvu.*) Moonlight? (వెన్నెల, *vennela.*) Darkness? (చీకటి, *cīkaṭi.*) A show? (ప్రదర్శన, *pradarśana.*) The radio? (రేడియో, *rēḍiyō.*) A programme? (కార్యక్రమం, *kāryakramaṁ.*) The internet? (ఇంటర్నెట్, *iṇṭarneṭ.*) A website? (వెబ్సైట్, *vebsaiṭ.*) A tin? (డబ్బా, *ḍabbā.*) An eating plate? (కంచం, *kañcaṁ.*) A sieve? (జల్లెడ, *jalleḍa.*) Wood? (చెక్క, *cekka.*) Brass? (ఇత్తడి, *ittaḍi.*)

272.7 Words from chapters 270-272 — a second pass

Say the words for a saucepan and a flowerpot.

Your turn

Say these aloud:

- a saucepan, a flowerpot, a griddle, a mortar, a pestle
- lime, a roof tile, plastic, foam, a hole
- a trellis, a fence, a bush, a stem, a wing

Before you move on

A saucepan? (తపేలా, *tapēlā.*) A flowerpot? (కుండీ, *kuṇḍī.*) A griddle? (పెనం, *penaṁ.*) A mortar? (రోలు, *rōlu.*) A pestle? (రోకలి, *rōkali.*) Lime? (సున్నం, *sunnaṁ.*) A roof tile? (పెంకు, *peṅku.*) Plastic? (ప్లాస్టిక్కు, *plāsṭikku.*) Foam? (నురుగు, *nurugu.*) A hole? (చిల్లు, *cillu.*) A trellis? (పందిరి, *pandiri.*) A fence? (కంచె, *kañce.*) A bush? (పొద, *poda.*) A stem? (కాండం, *kāṇḍaṁ.*) A wing? (రెక్క, *rekka.*)

Chapter 273

Interest, Bill, Discount, Groceries, Purchase

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say interest, a bill, a discount, groceries and a purchase.

Complete the last lesson of chapter 273: I can say interest, a bill, a discount, groceries and a purchase.

273.1 వడ్డీ (vaḍḍī) — interest (on money)

Before the new one: say the Telugu for a stem, then the Telugu for a wing.

You'll want to know: వడ్డీ

వడ్డీ — *vaḍḍī* — "interest (on money)".

The word, taken apart — its roots and family

వడ్డీ (*vaḍḍī*) comes from Sanskrit *vṛddhi*, "increase", through Prakrit *vaḍḍhi* (CDIAL 12076): a tadbhava. CDIAL lists words for "interest" from it in Hindi, Bengali and Old Sinhala.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vaḍḍī*
- *Say it:* *vaḍḍī*, once more
- *Say it:* say *vaḍḍī*
- *Recall:* say the Telugu for a stem, then the Telugu for a wing, then say *vaḍḍī* again

Before you move on

What does **వడ్డీ** mean? (“Interest (on money)”.) Say it once more.

273.2 బిల్లు (billu) — a bill

Before the new one: say the Telugu for a wing, then the Telugu for interest.

You’ll want to know: బిల్లు

బిల్లు — *billu* — “a bill”.

The word, taken apart — its roots and family

బిల్లు (*billu*) is a loan from English *bill*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *billu*
- *Say it:* *billu*, once more
- *Say it:* say *billu*
- *Recall:* say the Telugu for a wing, then the Telugu for interest, then say *billu* again

Before you move on

What does **బిల్లు** mean? (“A bill”.) Say it once more.

273.3 తగ్గింపు (taggimpu) — a discount

Before the new one: say the Telugu for interest, then the Telugu for a bill.

You’ll want to know: తగ్గింపు

తగ్గింపు — *taggimpu* — “a discount”.

The word, taken apart — its roots and family

తగ్గింపు (*taggimpu*) is native Dravidian, built on *taggu*, “to decrease”, which DEDR 3178 lists with Tamil *tāḻ*, “to decrease”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *taggimpu*
- *Say it:* *taggimpu*, once more
- *Say it:* say *taggimpu*
- *Recall:* say the Telugu for interest, then the Telugu for a bill, then say *taggimpu* again

Before you move on

What does **తగ్గింపు** mean? (“A discount”.) Say it once more.

273.4 సరుకులు (sarukulu) — groceries, goods

Before the new one: say the Telugu for a bill, then the Telugu for a discount.

You'll want to know: సరుకులు

సరుకులు — *sarukulu* — "groceries, goods".

The word, taken apart — its roots and family

సరుకులు (*sarukulu*) is native Dravidian. DEDR 2353 lists *saraku*, "article, commodity", with Tamil *carakku* and Kannada *saraku*, "goods"; **సరుకులు** (*sarukulu*) is its plural.

What you've built

One more word for this chapter.

Your turn

- *Say it: sarukulu*
- *Say it: sarukulu*, once more
- *Say it:* say *sarukulu*
- *Recall:* say the Telugu for a bill, then the Telugu for a discount, then say *sarukulu* again

Before you move on

What does **సరుకులు** mean? ("Groceries, goods".) Say it once more.

273.5 కొనుగోలు (konugōlu) — a purchase

Before the new one: say the Telugu for a discount, then the Telugu for groceries.

You'll want to know: కొనుగోలు

కొనుగోలు — *konugōlu* — "a purchase".

The word, taken apart — its roots and family

కొనుగోలు (*konugōlu*) is built on native *konu*, "to buy, take" (DEDR 2151), one word with Tamil *koḷ*, "to receive, buy".

What you've built

One more word for this chapter.

Your turn

- *Say it: konugōlu*
- *Say it: konugōlu*, once more
- *Say it:* say *konugōlu*
- *Recall:* say the Telugu for a discount, then the Telugu for groceries, then say *konugōlu* again

Before you move on

What does కొనుగోలు mean? ("A purchase".) Say it once more.

Chapter 274

Class, Lesson, Answer, Subject, Mathematics

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a class, a lesson, an answer, a subject and mathematics.

Complete the last lesson of chapter 274: I can say a class, a lesson, an answer, a subject and mathematics.

274.1 తరగతి (taragati) — a class, a grade

Before the new one: say the Telugu for groceries, then the Telugu for a purchase.

You'll want to know: తరగతి

తరగతి — *taragati* — "a class, a grade".

The word, taken apart — its roots and family

The origin of **తరగతి** (*taragati*) is uncertain. DEDR and CDIAL list no word of this shape meaning "class, grade".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *taragati*
- *Say it:* *taragati*, once more
- *Say it:* say *taragati*
- *Recall:* say the Telugu for groceries, then the Telugu for a purchase, then say *taragati* again

Before you move on

What does **తరగతి** mean? ("A class, a grade".) Say it once more.

274.2 పాఠం (pāṭhaṁ) — a lesson

Before the new one: say the Telugu for a purchase, then the Telugu for a class.

You'll want to know: పాఠం

పాఠం — *pāṭhaṁ* — "a lesson".

The word, taken apart — its roots and family

పాఠం (*pāṭhaṁ*) is Sanskrit *pāṭha*, "text of a book; study", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8035).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pāṭhaṁ*
- *Say it:* *pāṭhaṁ*, once more
- *Say it:* say *pāṭhaṁ*
- *Recall:* say the Telugu for a purchase, then the Telugu for a class, then say *pāṭhaṁ* again

Before you move on

What does **పాఠం** mean? (“A lesson”.) Say it once more.

274.3 జవాబు (javābu) — an answer, a reply

Before the new one: say the Telugu for a class, then the Telugu for a lesson.

You’ll want to know: జవాబు

జవాబు — *javābu* — “an answer, a reply”.

The word, taken apart — its roots and family

జవాబు (*javābu*) is a loan from Arabic *jawāb*, “answer”, which came through Persian and Hindustani.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: javābu*
- *Say it: javābu*, once more
- *Say it:* say *javābu*
- *Recall:* say the Telugu for a class, then the Telugu for a lesson, then say *javābu* again

Before you move on

What does **జవాబు** mean? (“An answer, a reply”.) Say it once more.

274.4 విషయం (viṣayaṁ) — a subject, a matter

Before the new one: say the Telugu for a lesson, then the Telugu for an answer.

You'll want to know: విషయం

విషయం — *viṣayaṁ* — "a subject, a matter".

The word, taken apart — its roots and family

విషయం (*viṣayaṁ*) is Sanskrit *viṣaya*, "scope; sphere, region", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 11973). Sanskrit already used it for "subject matter" too.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *viṣayaṁ*
- *Say it:* *viṣayaṁ*, once more
- *Say it:* say *viṣayaṁ*
- *Recall:* say the Telugu for a lesson, then the Telugu for an answer, then say *viṣayaṁ* again

Before you move on

What does **విషయం** mean? ("A subject, a matter".) Say it once more.

274.5 గణితం (gaṇitaṁ) — mathematics

Before the new one: say the Telugu for an answer, then the Telugu for a subject.

You'll want to know: గణితం

గణితం — *gaṇitaṁ* — "mathematics".

The word, taken apart — its roots and family

గణితం (*gaṇitaṁ*) is Sanskrit *gaṇita*, "counted", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 3996). Sanskrit already used it for "arithmetic" too.

What you've built

One more word for this chapter.

Your turn

- *Say it: gaṇitaṁ*
- *Say it: gaṇitaṁ*, once more
- *Say it:* say *gaṇitaṁ*
- *Recall:* say the Telugu for an answer, then the Telugu for a subject, then say *gaṇitaṁ* again

Before you move on

What does గణితం mean? ("Mathematics".) Say it once more.

Chapter 275

Priest, Artist, Poet, Music, Play

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a priest, an artist, a poet, music and a play.
>
> *Complete the last lesson of chapter 275: I can say a priest, an artist, a poet, music and a play.*

275.1 పూజారి (pūjāri) — a priest

Before the new one: say the Telugu for a subject, then the Telugu for mathematics.

You'll want to know: పూజారి

పూజారి — *pūjāri* — "a priest".

The word, taken apart — its roots and family

పూజారి (*pūjāri*) is Sanskrit *pūjā*, "honour, worship" (CDIAL 8317), with the ending *-āri*: "one who does worship".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pūjāri*
- *Say it:* *pūjāri*, once more
- *Say it:* say *pūjāri*
- *Recall:* say the Telugu for a subject, then the Telugu for mathematics, then say *pūjāri* again

Before you move on

What does పూజారి mean? ("A priest".) Say it once more.

275.2 కళాకారుడు (kaḷākāruḍu) — an artist, a performer

Before the new one: say the Telugu for mathematics, then the Telugu for a priest.

You'll want to know: కళాకారుడు

కళాకారుడు — *kaḷākāruḍu* — "an artist, a performer".

The word, taken apart — its roots and family

కళాకారుడు (*kaḷākāruḍu*) is Sanskrit *kalā*, "any practical art" (CDIAL 2927), and *kāra*, "maker", with the Telugu ending *-uḍu*. CDIAL takes this *kalā* from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kaḷākāruḍu*
- *Say it:* *kaḷākāruḍu*, once more
- *Say it:* say *kaḷākāruḍu*

- *Recall:* say the Telugu for mathematics, then the Telugu for a priest, then say *kaḷākāruḍu* again

Before you move on

What does **కళాకారుడు** mean? (“An artist, a performer”.) Say it once more.

275.3 కవి (kavi) — a poet

Before the new one: say the Telugu for a priest, then the Telugu for an artist.

You’ll want to know: కవి

కవి — *kavi* — “a poet”.

The word, taken apart — its roots and family

కవి (*kavi*) is Sanskrit *kavi*, “wise; wise man, poet”, taken over whole as a learned loan, a tatsama (CDIAL 2964).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kavi*
- *Say it: kavi*, once more
- *Say it:* say *kavi*
- *Recall:* say the Telugu for a priest, then the Telugu for an artist, then say *kavi* again

Before you move on

What does **కవి** mean? (“A poet”.) Say it once more.

275.4 సంగీతం (saṅgītaṁ) — music

Before the new one: say the Telugu for an artist, then the Telugu for a poet.

You'll want to know: సంగీతం

సంగీతం — *saṅgītaṁ* — "music".

The word, taken apart — its roots and family

సంగీతం (*saṅgītaṁ*) is Sanskrit *saṅgīta*, "chorus, concert", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 12849).

What you've built

One more word for this chapter.

Your turn

- *Say it: saṅgītaṁ*
- *Say it: saṅgītaṁ*, once more
- *Say it:* say *saṅgītaṁ*
- *Recall:* say the Telugu for an artist, then the Telugu for a poet, then say *saṅgītaṁ* again

Before you move on

What does **సంగీతం** mean? ("Music".) Say it once more.

275.5 నాటకం (nāṭakaṁ) — a play, a drama

Before the new one: say the Telugu for a poet, then the Telugu for music.

You'll want to know: నాటకం

నాటకం — *nāṭakaṁ* — "a play, a drama".

The word, taken apart — its roots and family

నాటకం (*nāṭakaṁ*) is Sanskrit *nāṭaka*, "dancer, actor", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 7045). Sanskrit already used it for "a play" too.

What you've built

One more word for this chapter.

Your turn

- *Say it: nāṭakaṁ*
- *Say it: nāṭakaṁ*, once more
- *Say it:* say *nāṭakaṁ*
- *Recall:* say the Telugu for a poet, then the Telugu for music, then say *nāṭakaṁ* again

Before you move on

What does **నాటకం** mean? ("A play, a drama".) Say it once more.

Chapter 276

Chemistry, Biology, Economics, Grammar, Blackboard

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say chemistry, biology, economics, grammar and a blackboard.
>
> *Complete the last lesson of chapter 276: I can say chemistry, biology, economics, grammar and a blackboard.*

276.1 రసాయనశాస్త్రం (rasāyanaśāstraṁ) — chemistry

Before the new one: say the Telugu for music, then the Telugu for a play.

You'll want to know: రసాయనశాస్త్రం

రసాయనశాస్త్రం — *rasāyanaśāstraṁ* — "chemistry".

The word, taken apart — its roots and family

రసాయనశాస్త్రం (*rasāyanaśāstraṁ*) is Sanskrit: *rasāyana*, "elixir of life" (CDIAL 10659), and *śāstra*, "treatise" (CDIAL 12422), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *rasāyanaśāstraṁ*
- *Say it:* *rasāyanaśāstraṁ*, once more
- *Say it:* say *rasāyanaśāstraṁ*
- *Recall:* say the Telugu for music, then the Telugu for a play, then say *rasāyanaśāstraṁ* again

Before you move on

What does రసాయనశాస్త్రం mean? ("Chemistry".) Say it once more.

276.2 జీవశాస్త్రం (jīvaśāstraṁ) — biology

Before the new one: say the Telugu for a play, then the Telugu for chemistry.

You'll want to know: జీవశాస్త్రం

జీవశాస్త్రం — *jīvaśāstraṁ* — "biology".

The word, taken apart — its roots and family

జీవశాస్త్రం (*jīvaśāstraṁ*) is Sanskrit: *jīva*, "living being; life" (CDIAL 5239), and *śāstra*, "treatise" (CDIAL 12422), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *jīvaśāstraṁ*

- *Say it: jīvaśāstraṁ*, once more
- *Say it:* say *jīvaśāstraṁ*
- *Recall:* say the Telugu for a play, then the Telugu for chemistry, then say *jīvaśāstraṁ* again

Before you move on

What does **జీవశాస్త్రం** mean? ("Biology".) Say it once more.

276.3 అర్థశాస్త్రం (arthaśāstraṁ) — economics

Before the new one: say the Telugu for chemistry, then the Telugu for biology.

You'll want to know: అర్థశాస్త్రం

అర్థశాస్త్రం — *arthaśāstraṁ* — "economics".

The word, taken apart — its roots and family

అర్థశాస్త్రం (*arthaśāstraṁ*) is Sanskrit: *artha*, "aim; thing, wealth" (CDIAL 638), and *śāstra*, "treatise" (CDIAL 12422), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: arthaśāstraṁ*
- *Say it: arthaśāstraṁ*, once more
- *Say it:* say *arthaśāstraṁ*
- *Recall:* say the Telugu for chemistry, then the Telugu for biology, then say *arthaśāstraṁ* again

Before you move on

What does అర్థశాస్త్రం mean? ("Economics".) Say it once more.

276.4 వ్యాకరణం (vyākaraṇaṁ) — grammar

Before the new one: say the Telugu for biology, then the Telugu for economics.

You'll want to know: వ్యాకరణం

వ్యాకరణం — *vyākaraṇaṁ* — "grammar".

The word, taken apart — its roots and family

వ్యాకరణం (*vyākaraṇaṁ*) is Sanskrit *vyākaraṇa*, "separation, grammatical analysis", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 12182).

What you've built

One more word for this chapter.

Your turn

- *Say it: vyākaraṇaṁ*
- *Say it: vyākaraṇaṁ*, once more
- *Say it:* say *vyākaraṇaṁ*
- *Recall:* say the Telugu for biology, then the Telugu for economics, then say *vyākaraṇaṁ* again

Before you move on

What does వ్యాకరణం mean? ("Grammar".) Say it once more.

276.5 నల్లబల్ల (nallaballa) — a blackboard

Before the new one: say the Telugu for economics, then the Telugu for grammar.

You'll want to know: నల్లబల్ల

నల్లబల్ల — *nallaballa* — "a blackboard".

The word, taken apart — its roots and family

నల్లబల్ల (*nallaballa*) is native *nalla*, "black", which DEDR 3613 lists with Tamil *nallam*, "blackness", and *balla*, "board", whose origin is uncertain.

What you've built

One more word for this chapter.

Your turn

- *Say it: nallaballa*
- *Say it: nallaballa*, once more
- *Say it:* say *nallaballa*
- *Recall:* say the Telugu for economics, then the Telugu for grammar, then say *nallaballa* again

Before you move on

What does **నల్లబల్ల** mean? ("A blackboard".) Say it once more.

Chapter 277

Complaint, Barber, Washerman, Potter, Blacksmith

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say a complaint, a barber, a washerman, a potter and a blacksmith.
>
> *Complete the last lesson of chapter 277: I can say a complaint, a barber, a washerman, a potter and a blacksmith.*

277.1 ఫిర్యాదు (phiryādu) — a complaint

> Before the new one: say the Telugu for grammar, then the Telugu for a blackboard.

You'll want to know: ఫిర్యాదు

ఫిర్యాదు — *phiryādu* — "a complaint".

The word, taken apart — its roots and family

ఫిర్యాదు (*phiryādu*) is a loan from Persian *faryād*, "outcry, complaint", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: phiryādu*
- *Say it: phiryādu*, once more
- *Say it:* say *phiryādu*
- *Recall:* say the Telugu for grammar, then the Telugu for a blackboard, then say *phiryādu* again

Before you move on

What does ఫిర్యాదు mean? ("A complaint".) Say it once more.

277.2 మంగలి (maṅgali) — a barber

Before the new one: say the Telugu for a blackboard, then the Telugu for a complaint.

You'll want to know: మంగలి

మంగలి — *maṅgali* — "a barber".

The word, taken apart — its roots and family

The origin of మంగలి (*maṅgali*) is uncertain. DEDR and CDIAL list no word of this shape meaning "barber".

What you've built

One more word for this chapter.

Your turn

- *Say it: maṅgali*
- *Say it: maṅgali*, once more
- *Say it:* say *maṅgali*
- *Recall:* say the Telugu for a blackboard, then the Telugu for a complaint, then say *maṅgali* again

Before you move on

What does **మంగలి** mean? ("A barber".) Say it once more.

277.3 చాకలి (cākali) — a washerman

Before the new one: say the Telugu for a complaint, then the Telugu for a barber.

You'll want to know: చాకలి

చాకలి — *cākali* — "a washerman".

The word, taken apart — its roots and family

The origin of **చాకలి** (*cākali*) is uncertain. DEDR and CDIAL list no word of this shape meaning "washerman".

What you've built

One more word for this chapter.

Your turn

- *Say it: cākali*
- *Say it: cākali*, once more
- *Say it:* say *cākali*
- *Recall:* say the Telugu for a complaint, then the Telugu for a barber, then say *cākali* again

Before you move on

What does **చాకలి** mean? ("A washerman".) Say it once more.

277.4 కుమ్మరి (kummari) — a potter

Before the new one: say the Telugu for a barber, then the Telugu for a washerman.

You'll want to know: కుమ్మరి

కుమ్మరి — *kummari* — "a potter".

The word, taken apart — its roots and family

కుమ్మరి (*kummari*) comes from Sanskrit *kumbhakāra*, "potter" (CDIAL 3310), reshaped to Telugu sounds: a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it: kummari*
- *Say it: kummari*, once more
- *Say it:* say *kummari*
- *Recall:* say the Telugu for a barber, then the Telugu for a washerman, then say *kummari* again

Before you move on

What does కుమ్మరి mean? ("A potter".) Say it once more.

277.5 కమ్మరి (kammari) — a blacksmith

Before the new one: say the Telugu for a washerman, then the Telugu for a potter.

You'll want to know: కమ్మరి

కమ్మరి — *kammari* — "a blacksmith".

The word, taken apart — its roots and family

కమ్మరి (*kammari*) is usually traced to Sanskrit *karmakāra*, "one who does any work" (CDIAL 2888), reshaped to Telugu sounds.

What you've built

One more word for this chapter.

Your turn

- *Say it: kammari*
- *Say it: kammari*, once more
- *Say it:* say *kammari*
- *Recall:* say the Telugu for a washerman, then the Telugu for a potter, then say *kammari* again

Before you move on

What does కమ్మరి mean? ("A blacksmith".) Say it once more.

277.6 Words from chapters 273-274 — a first pass

Say the words for a potter and a blacksmith.

Your turn

Say these aloud:

- interest, a bill, a discount, groceries, a purchase
- a class, a lesson, an answer, a subject, mathematics

Before you move on

Interest? (వడ్డీ, *vaḍḍī.*) A bill? (బిల్లు, *billu.*) A discount? (తగ్గింపు, *taggimpu.*) Groceries? (సరుకులు, *sarukulu.*) A purchase? (కొనుగోలు, *konugōlu.*) A class? (తరగతి, *taragati.*) A lesson? (పాఠం, *pāṭhaṁ.*) An answer? (జవాబు, *javābu.*) A subject? (విషయం, *viṣayaṁ.*) Mathematics? (గణితం, *gaṇitaṁ.*)

277.7 Words from chapters 275-277 — a second pass

Say the words for a priest and an artist.

Your turn

Say these aloud:

- a priest, an artist, a poet, music, a play
- chemistry, biology, economics, grammar, a blackboard
- a complaint, a barber, a washerman, a potter, a blacksmith

Before you move on

A priest? (**పూజారి**, *pūjāri.*) An artist? (**కళాకారుడు**, *kaḷākāruḍu.*) A poet? (**కవి**, *kavi.*) Music? (**సంగీతం**, *saṅgītaṁ.*) A play? (**నాటకం**, *nāṭakaṁ.*) Chemistry? (**రసాయనశాస్త్రం**, *rasāyanaśāstraṁ.*) Biology? (**జీవశాస్త్రం**, *jīvaśāstraṁ.*) Economics? (**అర్థశాస్త్రం**, *arthaśāstraṁ.*) Grammar? (**వ్యాకరణం**, *vyākaraṇaṁ.*) A blackboard? (**నల్లబల్ల**, *nallaballa.*) A complaint? (**ఫిర్యాదు**, *phiryādu.*) A barber? (**మంగలి**, *maṅgali.*) A washerman? (**చాకలి**, *cākali.*) A potter? (**కుమ్మరి**, *kummari.*) A blacksmith? (**కమ్మరి**, *kammari.*)

Chapter 278

To hold, To bathe, To prepare, To cross, To drive

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say to hold, to bathe, to prepare, to cross and to drive.

Complete the last lesson of chapter 278: I can say to hold, to bathe, to prepare, to cross and to drive.

278.1 పట్టుకో (paṭṭukō) — to hold, to catch

Before the new one: say the Telugu for a potter, then the Telugu for a blacksmith.

You'll want to know: పట్టుకో

పట్టుకో — *paṭṭukō* — "to hold, to catch".

The word, taken apart — its roots and family

పట్టుకో (*paṭṭukō*) is native Dravidian: *paṭṭu*, "to hold, catch", one word with Kannada *paṭṭu*, "to seize" (DEDR 4034), with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: paṭṭukō*
- *Say it: paṭṭukō*, once more
- *Say it:* say *paṭṭukō*
- *Recall:* say the Telugu for a potter, then the Telugu for a blacksmith, then say *paṭṭukō* again

Before you move on

What does **పట్టుకో** mean? ("To hold, to catch".) Say it once more.

278.2 స్నానం చేయు (snānaṁ cēyu) — to bathe

Before the new one: say the Telugu for a blacksmith, then the Telugu for to hold.

You'll want to know: స్నానం చేయు

స్నానం చేయు — *snānaṁ cēyu* — "to bathe".

The word, taken apart — its roots and family

స్నానం చేయు (*snānaṁ cēyu*) pairs Sanskrit *snāna*, "bathing" (CDIAL 13789), with the Telugu ending *-ṁ*, and native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: snānaṁ cēyu*
- *Say it: snānaṁ cēyu*, once more
- *Say it:* say *snānaṁ cēyu*
- *Recall:* say the Telugu for a blacksmith, then the Telugu for to hold, then say *snānaṁ cēyu* again

Before you move on

What does **స్నానం చేయు** mean? ("To bathe".) Say it once more.

278.3 తయారు చేయు (tayāru cēyu) — to prepare, to make

Before the new one: say the Telugu for to hold, then the Telugu for to bathe.

You'll want to know: తయారు చేయు

తయారు చేయు — *tayāru cēyu* — "to prepare, to make".

The word, taken apart — its roots and family

తయారు చేయు (*tayāru cēyu*) pairs *tayāru*, "ready", a loan from Arabic *tayyār* through Persian and Hindustani, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: tayāru cēyu*
- *Say it: tayāru cēyu*, once more
- *Say it:* say *tayāru cēyu*
- *Recall:* say the Telugu for to hold, then the Telugu for to bathe, then say *tayāru cēyu* again

Before you move on

What does **తయారు చేయు** mean? ("To prepare, to make".) Say it once more.

278.4 దాటు (dāṭu) — to cross

Before the new one: say the Telugu for to bathe, then the Telugu for to prepare.

You'll want to know: దాటు

దాటు — *dāṭu* — "to cross".

The word, taken apart — its roots and family

దాటు (*dāṭu*) is native Dravidian. DEDR 3158 lists a nasalised *dāṭu*, "to leap, cross over", with Kannada *dāṭu* and Tamil *tāṇṭu*, "to cross". DEDR compares Sanskrit *tāṇḍava*, "Śiva's dance".

What you've built

One more word for this chapter.

Your turn

- *Say it: dāṭu*
- *Say it: dāṭu*, once more
- *Say it:* say *dāṭu*
- *Recall:* say the Telugu for to bathe, then the Telugu for to prepare, then say *dāṭu* again

Before you move on

What does **దాటు** mean? ("To cross".) Say it once more.

278.5 నడుపు (naḍupu) — to drive, to ride (a vehicle)

Before the new one: say the Telugu for to prepare, then the Telugu for to cross.

You'll want to know: నడుపు

నడుపు — *naḍupu* — "to drive, to ride (a vehicle)".

The word, taken apart — its roots and family

నడుపు (*naḍupu*) is native Dravidian. DEDR 3582 lists *naḍupu*, "to make go, drive", under *naḍucu*, "to walk", one word with Tamil *naṭa*, "to walk".

What you've built

One more word for this chapter.

Your turn

- *Say it: naḍupu*
- *Say it: naḍupu*, once more
- *Say it:* say *naḍupu*
- *Recall:* say the Telugu for to prepare, then the Telugu for to cross, then say *naḍupu* again

Before you move on

What does **నడుపు** mean? ("To drive, to ride (a vehicle)".) Say it once more.

Chapter 279

To recover, To swell, To feel dizzy, To touch, To peel

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to recover, to swell, to feel dizzy, to touch and to peel.
>
> *Complete the last lesson of chapter 279: I can say to recover, to swell, to feel dizzy, to touch and to peel.*

279.1 కోలుకో (kōlukō) — to recover (from illness)

Before the new one: say the Telugu for to cross, then the Telugu for to drive.

You'll want to know: కోలుకో

కోలుకో — *kōlukō* — "to recover (from illness)".

The word, taken apart — its roots and family

The origin of **కోలుకో** (*kōlukō*) is uncertain. DEDR and CDIAL list no word of this shape meaning "to recover".

What you've built

One more word for this chapter.

Your turn

- *Say it: kōlukō*
- *Say it: kōlukō*, once more
- *Say it:* say *kōlukō*
- *Recall:* say the Telugu for to cross, then the Telugu for to drive, then say *kōlukō* again

Before you move on

What does కోలుకో mean? ("To recover (from illness)".) Say it once more.

279.2 ఉబ్బు (ubbu) — to swell

Before the new one: say the Telugu for to drive, then the Telugu for to recover.

You'll want to know: ఉబ్బు

ఉబ్బు — *ubbu* — "to swell".

The word, taken apart — its roots and family

ఉబ్బు (*ubbu*) is native Dravidian. DEDR 666 lists *ubbu*, "to swell, be puffed up", with Kannada *ubbu*, "to swell", and Tamil *uppu*, "to puff up". DEDR compares Pali *ubbilla*, "elation".

What you've built

One more word for this chapter.

Your turn

- *Say it: ubbu*
- *Say it: ubbu*, once more
- *Say it:* say *ubbu*

- *Recall:* say the Telugu for to drive, then the Telugu for to recover, then say *ubbu* again

Before you move on

What does ఉబ్బు mean? (“To swell”.) Say it once more.

279.3 కళ్ళు తిరుగు (kaḷḷu tirugu) — to feel dizzy

Before the new one: say the Telugu for to recover, then the Telugu for to swell.

You’ll want to know: కళ్ళు తిరుగు

కళ్ళు తిరుగు — *kaḷḷu tirugu* — “to feel dizzy”.

The word, taken apart — its roots and family

కళ్ళు తిరుగు (*kaḷḷu tirugu*) is native Dravidian: *kaḷḷu*, “eyes”, the plural of *kannu*, “eye” (DEDR 1159), and *tirugu*, “to turn”, one word with Tamil *tiri* (DEDR 3246): “the eyes turn”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kaḷḷu tirugu*
- *Say it: kaḷḷu tirugu*, once more
- *Say it:* say *kaḷḷu tirugu*
- *Recall:* say the Telugu for to recover, then the Telugu for to swell, then say *kaḷḷu tirugu* again

Before you move on

What does కళ్ళు తిరుగు mean? (“To feel dizzy”.) Say it once more.

279.4 తాకు (tāku) — to touch

Before the new one: say the Telugu for to swell, then the Telugu for to feel dizzy.

You'll want to know: తాకు

తాకు — *tāku* — "to touch".

The word, taken apart — its roots and family

తాకు (*tāku*) is native Dravidian. DEDR 3150 lists a nasalised *tāku*, "to touch, hit", with Kannada *tāku*, "to touch", and Tamil *tākku*, "to strike against".

What you've built

One more word for this chapter.

Your turn

- *Say it: tāku*
- *Say it: tāku*, once more
- *Say it:* say *tāku*
- *Recall:* say the Telugu for to swell, then the Telugu for to feel dizzy, then say *tāku* again

Before you move on

What does **తాకు** mean? ("To touch".) Say it once more.

279.5 ఒలుచు (olucu) — to peel

Before the new one: say the Telugu for to feel dizzy, then the Telugu for to touch.

You'll want to know: ఒలుచు

ఒలుచు — *olucu* — "to peel".

The word, taken apart — its roots and family

ఒలుచు (*olucu*) is native Dravidian. DEDR 1000 lists *olucu*, "to peel, strip", with Tamil *oliyal*, "skin, hide".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *olucu*
- *Say it:* *olucu*, once more
- *Say it:* say *olucu*
- *Recall:* say the Telugu for to feel dizzy, then the Telugu for to touch, then say *olucu* again

Before you move on

What does ఒలుచు mean? ("To peel".) Say it once more.

Chapter 280

To rub, To receive, To tell, To admit, To deposit

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to rub, to receive, to tell, to admit and to deposit.
>
> *Complete the last lesson of chapter 280: I can say to rub, to receive, to tell, to admit and to deposit.*

280.1 రుద్దు (ruddu) — to rub, to scrub

> Before the new one: say the Telugu for to touch, then the Telugu for to peel.

You'll want to know: రుద్దు

రుద్దు — *ruddu* — "to rub, to scrub".

The word, taken apart — its roots and family

రుద్దు (*ruddu*) is native Dravidian. DEDR 665 lists *ruddu*, "to rub, scour", with Tamil *urai*, "to rub", and Kannada *ujju*, "to rub". DEDR compares, with a query, Sanskrit *uñchati*, "gleans" (CDIAL 1680).

What you've built

One more word for this chapter.

Your turn

- *Say it: ruddu*
- *Say it: ruddu*, once more
- *Say it:* say *ruddu*
- *Recall:* say the Telugu for to touch, then the Telugu for to peel, then say *ruddu* again

Before you move on

What does రుద్దు mean? ("To rub, to scrub".) Say it once more.

280.2 అందుకో (andukō) — to receive, to catch

Before the new one: say the Telugu for to peel, then the Telugu for to rub.

You'll want to know: అందుకో

అందుకో — *andukō* — "to receive, to catch".

The word, taken apart — its roots and family

అందుకో (*andukō*) is native Dravidian: *andu*, "to reach, take with the hand", one word with Kannada *andu*, "to reach" (DEDR 149), with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it: andukō*
- *Say it: andukō*, once more
- *Say it:* say *andukō*
- *Recall:* say the Telugu for to peel, then the Telugu for to rub, then say *andukō* again

Before you move on

What does **అందుకో** mean? ("To receive, to catch".) Say it once more.

280.3 చెప్పు (ceppu) — to tell, to say

Before the new one: say the Telugu for to rub, then the Telugu for to receive.

You'll want to know: చెప్పు

చెప్పు — *ceppu* — "to tell, to say".

The word, taken apart — its roots and family

చెప్పు (*ceppu*) is native Dravidian, one word with Tamil *ceppu* and Malayalam *ceppuka* (DEDR 1955). DEDR lists Telugu *ceppu*, "to say, tell". DEDR 1963 *ceppu*, "sandal", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: ceppu*
- *Say it: ceppu*, once more
- *Say it:* say *ceppu*
- *Recall:* say the Telugu for to rub, then the Telugu for to receive, then say *ceppu* again

Before you move on

What does **చెప్పు** mean? ("To tell, to say".) Say it once more.

280.4 చేర్చు (cērcu) — to admit, to enrol, to add

Before the new one: say the Telugu for to receive, then the Telugu for to tell.

You'll want to know: చేర్చు

చేర్చు — *cērcu* — "to admit, to enrol, to add".

The word, taken apart — its roots and family

చేర్చు (*cērcu*) is native Dravidian, made from *cēru*, "to join, reach", which DEDR 2814 lists with Tamil *cēr* and Kannada *sēr*, "to join".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cērcu*
- *Say it:* *cērcu*, once more
- *Say it:* say *cērcu*
- *Recall:* say the Telugu for to receive, then the Telugu for to tell, then say *cērcu* again

Before you move on

What does **చేర్చు** mean? ("To admit, to enrol, to add".) Say it once more.

280.5 జమ చేయు (jama cēyu) — to deposit, to credit

Before the new one: say the Telugu for to tell, then the Telugu for to admit.

You'll want to know: జమ చేయు

జమ చేయు — *jama cēyu* — "to deposit, to credit".

The word, taken apart — its roots and family

జమ చేయు (*jama cēyu*) pairs *jama*, "deposit", a loan from Arabic *jam^{c}*, "collection, total", through Persian and Hindustani, with native *cēyu*,

"to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: jama cēyu*
- *Say it: jama cēyu*, once more
- *Say it:* say *jama cēyu*
- *Recall:* say the Telugu for to tell, then the Telugu for to admit, then say *jama cēyu* again

Before you move on

What does **జమ చేయు** mean? ("To deposit, to credit".) Say it once more.

Chapter 281

To cancel, To submit, To press, To get lost, To love

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to cancel, to submit, to press, to get lost and to love.
>
> *Complete the last lesson of chapter 281: I can say to cancel, to submit, to press, to get lost and to love.*

281.1 రద్దు చేయు (raddu cēyu) — to cancel

Before the new one: say the Telugu for to admit, then the Telugu for to deposit.

You'll want to know: రద్దు చేయు

రద్దు చేయు — *raddu cēyu* — "to cancel".

The word, taken apart — its roots and family

రద్దు చేయు (*raddu cēyu*) pairs *raddu*, "cancellation", a loan from Arabic *radd*, "rejection", through Persian and Hindustani, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *raddu cēyu*
- *Say it:* *raddu cēyu*, once more
- *Say it:* say *raddu cēyu*
- *Recall:* say the Telugu for to admit, then the Telugu for to deposit, then say *raddu cēyu* again

Before you move on

What does **రద్దు చేయు** mean? ("To cancel".) Say it once more.

281.2 సమర్పించు (samarpiñcu) — to submit, to present

Before the new one: say the Telugu for to deposit, then the Telugu for to cancel.

You'll want to know: సమర్పించు

సమర్పించు — *samarpiñcu* — "to submit, to present".

The word, taken apart — its roots and family

సమర్పించు (*samarpiñcu*) is Sanskrit *samarpaṇa*, "delivering over, presenting" (CDIAL 13191), made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *samarpiñcu*
- *Say it:* *samarpiñcu*, once more
- *Say it:* say *samarpiñcu*

- *Recall:* say the Telugu for to deposit, then the Telugu for to cancel, then say *samarpiñcu* again

Before you move on

What does సమర్పించు mean? ("To submit, to present".) Say it once more.

281.3 నొక్కు (nokku) — to press, to push (a button)

Before the new one: say the Telugu for to cancel, then the Telugu for to submit.

You'll want to know: నొక్కు

నొక్కు — *nokku* — "to press, to push (a button)".

The word, taken apart — its roots and family

నొక్కు (*nokku*) is native Dravidian. DEDR 3780 lists *nokku*, "to press, squeeze", with Malayalam *okkuka*, "to indent".

What you've built

One more word for this chapter.

Your turn

- *Say it: nokku*
- *Say it: nokku*, once more
- *Say it:* say *nokku*
- *Recall:* say the Telugu for to cancel, then the Telugu for to submit, then say *nokku* again

Before you move on

What does నొక్కు mean? ("To press, to push (a button)".) Say it once more.

281.4 తప్పిపోవు (tappipōvu) — to get lost

Before the new one: say the Telugu for to submit, then the Telugu for to press.

You'll want to know: తప్పిపోవు

తప్పిపోవు — *tappipōvu* — "to get lost".

The word, taken apart — its roots and family

తప్పిపోవు (*tappipōvu*) is native Dravidian: *tappi*, from *tappu*, "to miss, go astray", one word with Tamil *tappu* (DEDR 3071), and *pōvu*, "to go" (DEDR 4572).

What you've built

One more word for this chapter.

Your turn

- *Say it: tappipōvu*
- *Say it: tappipōvu*, once more
- *Say it:* say *tappipōvu*
- *Recall:* say the Telugu for to submit, then the Telugu for to press, then say *tappipōvu* again

Before you move on

What does **తప్పిపోవు** mean? ("To get lost".) Say it once more.

281.5 ప్రేమించు (prēmiñcu) — to love

Before the new one: say the Telugu for to press, then the Telugu for to get lost.

You'll want to know: ప్రేమించు

ప్రేమించు — *prēmiñcu* — "to love".

The word, taken apart — its roots and family

ప్రేమించు (*prēmiñcu*) is Sanskrit *prēman*, "love" (CDIAL 8999), made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: prēmiñcu*
- *Say it: prēmiñcu*, once more
- *Say it:* say *prēmiñcu*
- *Recall:* say the Telugu for to press, then the Telugu for to get lost, then say *prēmiñcu* again

Before you move on

What does ప్రేమించు mean? ("To love".) Say it once more.

Chapter 282

To graze, To plant, To decorate, To share out, To visit

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to graze, to plant, to decorate, to share out and to visit.
>
> *Complete the last lesson of chapter 282: I can say to graze, to plant, to decorate, to share out and to visit.*

282.1 మేయు (mēyu) — to graze

> Before the new one: say the Telugu for to get lost, then the Telugu for to love.

You'll want to know: మేయు

మేయు — *mēyu* — "to graze".

The word, taken apart — its roots and family

మేయు (*mēyu*) is native Dravidian, one word with Tamil *mēy* and Kannada *mēyu* (DEDR 5093). DEDR lists Telugu *mēyu*, "to graze, feed".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mēyu*
- *Say it:* *mēyu*, once more
- *Say it:* say *mēyu*
- *Recall:* say the Telugu for to get lost, then the Telugu for to love, then say *mēyu* again

Before you move on

What does **మేయు** mean? ("To graze".) Say it once more.

282.2 నాటు (nāṭu) — to plant (a sapling)

Before the new one: say the Telugu for to love, then the Telugu for to graze.

You'll want to know: నాటు

నాటు — *nāṭu* — "to plant (a sapling)".

The word, taken apart — its roots and family

నాటు (*nāṭu*) is native Dravidian. DEDR 3583 lists *nāṭu*, "to plant, fix", with Tamil *naṭu* and Kannada *naḍu*, "to plant".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nāṭu*
- *Say it:* *nāṭu*, once more
- *Say it:* say *nāṭu*
- *Recall:* say the Telugu for to love, then the Telugu for to graze, then say *nāṭu* again

Before you move on

What does **నాటు** mean? ("To plant (a sapling)".) Say it once more.

282.3 అలంకరించు (alaṅkariñcu) — to decorate

Before the new one: say the Telugu for to graze, then the Telugu for to plant.

You'll want to know: అలంకరించు

అలంకరించు — *alaṅkariñcu* — "to decorate".

The word, taken apart — its roots and family

అలంకరించు (*alaṅkariñcu*) is Sanskrit *alaṅkāra*, "ornament", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: alaṅkariñcu*
- *Say it: alaṅkariñcu*, once more
- *Say it:* say *alaṅkariñcu*
- *Recall:* say the Telugu for to graze, then the Telugu for to plant, then say *alaṅkariñcu* again

Before you move on

What does **అలంకరించు** mean? ("To decorate".) Say it once more.

282.4 పంచు (pañcu) — to share out, to distribute

Before the new one: say the Telugu for to plant, then the Telugu for to decorate.

You'll want to know: పంచు

పంచు — *pañcu* — "to share out, to distribute".

The word, taken apart — its roots and family

పంచు (*pañcu*) is native Dravidian. DEDR 3936 lists *pañcu*, "to distribute, divide", with Kannada *pañcu*, "to share". DEDR 3887 *pañcu*, "to send", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: pañcu*
- *Say it: pañcu*, once more
- *Say it:* say *pañcu*
- *Recall:* say the Telugu for to plant, then the Telugu for to decorate, then say *pañcu* again

Before you move on

What does **పంచు** mean? ("To share out, to distribute".) Say it once more.

282.5 సందర్శించు (sandarśiñcu) — to visit

Before the new one: say the Telugu for to decorate, then the Telugu for to share out.

You'll want to know: సందర్శించు

సందర్శించు — *sandarśiñcu* — "to visit".

The word, taken apart — its roots and family

సందర్శించు (*sandarśiñcu*) is Sanskrit *sandarśana*, "view; seeing" (CDIAL 12899), made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sandarśiñcu*
- *Say it: sandarśiñcu*, once more
- *Say it:* say *sandarśiñcu*
- *Recall:* say the Telugu for to decorate, then the Telugu for to share out, then say *sandarśiñcu* again

Before you move on

What does **సందర్శించు** mean? ("To visit".) Say it once more.

Chapter 283

To charge, To remove, To recognize, To oppose, To argue

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to charge, to remove, to recognize, to oppose and to argue.
>
> *Complete the last lesson of chapter 283: I can say to charge, to remove, to recognize, to oppose and to argue.*

283.1 ఛార్జ్ చేయు (chārj cēyu) — to charge (a battery)

Before the new one: say the Telugu for to share out, then the Telugu for to visit.

You'll want to know: ఛార్జ్ చేయు

ఛార్జ్ చేయు — *chārj cēyu* — "to charge (a battery)".

The word, taken apart — its roots and family

ఛార్జ్ చేయు (*chārj cēyu*) pairs *chārj*, a loan from English *charge*, with native *cēyu*, "to do" (DEDR 1957).

What you've built

One more word for this chapter.

Your turn

- *Say it: chārj cēyu*
- *Say it: chārj cēyu*, once more
- *Say it:* say *chārj cēyu*
- *Recall:* say the Telugu for to share out, then the Telugu for to visit, then say *chārj cēyu* again

Before you move on

What does ఛార్జ్ చేయు mean? ("To charge (a battery)".) Say it once more.

283.2 తొలగించు (tolagiñcu) — to remove, to delete

Before the new one: say the Telugu for to visit, then the Telugu for to charge.

You'll want to know: తొలగించు

తొలగించు — *tolagiñcu* — "to remove, to delete".

The word, taken apart — its roots and family

తొలగించు (*tolagiñcu*) is native Dravidian. DEDR 3519 lists a nasalised *tolagiñcu*, "to remove", with Kannada *tolagisu*, "to cause to go away".

What you've built

One more word for this chapter.

Your turn

- *Say it: tolagiñcu*
- *Say it: tolagiñcu*, once more
- *Say it:* say *tolagiñcu*
- *Recall:* say the Telugu for to visit, then the Telugu for to charge, then say *tolagiñcu* again

Before you move on

What does **తొలగించు** mean? (“To remove, to delete”.) Say it once more.

283.3 గుర్తుపట్టు (gurtupaṭṭu) — to recognize

Before the new one: say the Telugu for to charge, then the Telugu for to remove.

You’ll want to know: గుర్తుపట్టు

గుర్తుపట్టు — *gurtupaṭṭu* — “to recognize”.

The word, taken apart — its roots and family

గుర్తుపట్టు (*gurtupaṭṭu*) is native Dravidian: *gurtu*, “a mark, sign” (DEDR 1847), and *paṭṭu*, “to catch, hold” (DEDR 4034): “to catch the mark”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: gurtupaṭṭu*
- *Say it: gurtupaṭṭu*, once more
- *Say it:* say *gurtupaṭṭu*
- *Recall:* say the Telugu for to charge, then the Telugu for to remove, then say *gurtupaṭṭu* again

Before you move on

What does **గుర్తుపట్టు** mean? (“To recognize”.) Say it once more.

283.4 వ్యతిరేకించు (vyatirēkiñcu) — to oppose

Before the new one: say the Telugu for to remove, then the Telugu for to recognize.

You'll want to know: వ్యతిరేకించు

వ్యతిరేకించు — *vyatirēkiñcu* — "to oppose".

The word, taken apart — its roots and family

వ్యతిరేకించు (*vyatirēkiñcu*) is Sanskrit *vyatirēka*, "contrast, exclusion", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: vyatirēkiñcu*
- *Say it: vyatirēkiñcu*, once more
- *Say it:* say *vyatirēkiñcu*
- *Recall:* say the Telugu for to remove, then the Telugu for to recognize, then say *vyatirēkiñcu* again

Before you move on

What does **వ్యతిరేకించు** mean? ("To oppose".) Say it once more.

283.5 వాదించు (vādiñcu) — to argue

Before the new one: say the Telugu for to recognize, then the Telugu for to oppose.

You'll want to know: వాదించు

వాదించు — *vādiñcu* — "to argue".

The word, taken apart — its roots and family

వాదించు (*vādiñcu*) is Sanskrit *vāda*, "speech" (CDIAL 11507), also "debate", made into a verb with the Telugu ending *-iñcu*.

What you've built

One more word for this chapter.

Your turn

- *Say it: vādiñcu*
- *Say it: vādiñcu*, once more
- *Say it:* say *vādiñcu*
- *Recall:* say the Telugu for to recognize, then the Telugu for to oppose, then say *vādiñcu* again

Before you move on

What does **వాదించు** mean? ("To argue".) Say it once more.

Chapter 284

To let go, To dig, To happen, To sweep, To knead

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to let go, to dig, to happen, to sweep and to knead.
>
> *Complete the last lesson of chapter 284: I can say to let go, to dig, to happen, to sweep and to knead.*

284.1 వదులు (vadulu) — to let go, to leave

> Before the new one: say the Telugu for to oppose, then the Telugu for to argue.

You'll want to know: వదులు

వదులు — *vadulu* — "to let go, to leave".

The word, taken apart — its roots and family

వదులు (*vadulu*) is native Dravidian. DEDR 5243 lists *vadalu*, "to leave, let loose", with Kurux *odoxnā*, "to loosen, get rid of".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vadulu*
- *Say it:* *vadulu*, once more
- *Say it:* say *vadulu*
- *Recall:* say the Telugu for to oppose, then the Telugu for to argue, then say *vadulu* again

Before you move on

What does **వదులు** mean? (“To let go, to leave”.) Say it once more.

284.2 తవ్వు (tavvu) — to dig

Before the new one: say the Telugu for to argue, then the Telugu for to let go.

You’ll want to know: తవ్వు

తవ్వు — *tavvu* — “to dig”.

The word, taken apart — its roots and family

తవ్వు (*tavvu*) is native Dravidian. DEDR 3122 lists *tavvu*, “to dig, excavate”, with Kolami and Naiki *tavv-*, “to dig”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *tavvu*
- *Say it:* *tavvu*, once more
- *Say it:* say *tavvu*
- *Recall:* say the Telugu for to argue, then the Telugu for to let go, then say *tavvu* again

Before you move on

What does **తవ్వు** mean? (“To dig”.) Say it once more.

284.3 జరుగు (jarugu) — to happen

Before the new one: say the Telugu for to let go, then the Telugu for to dig.

You’ll want to know: జరుగు

జరుగు — *jarugu* — “to happen”.

The word, taken apart — its roots and family

జరుగు (*jarugu*) is native Dravidian. DEDR 2360 lists *jarugu*, “to pass, occur, come to pass”, with Kannada *sari*, “to move, go”, and Tamil *cari*, “to slip away”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: jarugu*
- *Say it: jarugu*, once more
- *Say it:* say *jarugu*
- *Recall:* say the Telugu for to let go, then the Telugu for to dig, then say *jarugu* again

Before you move on

What does **జరుగు** mean? (“To happen”.) Say it once more.

284.4 చిమ్ము (cimmu) — to sweep (the floor)

Before the new one: say the Telugu for to dig, then the Telugu for to happen.

You'll want to know: చిమ్ము

చిమ్ము — *cimmu* — "to sweep (the floor)".

The word, taken apart — its roots and family

చిమ్ము (*cimmu*) is native Dravidian. DEDR 2548 lists *cimmu*, "to throw, fling, toss", with Kannada *cimmu*, "to push away, fling". DEDR compares Prakrit *simpaï*, "sprinkles".

What you've built

One more word for this chapter.

Your turn

- *Say it: cimmu*
- *Say it: cimmu*, once more
- *Say it:* say *cimmu*
- *Recall:* say the Telugu for to dig, then the Telugu for to happen, then say *cimmu* again

Before you move on

What does **చిమ్ము** mean? ("To sweep (the floor)".) Say it once more.

284.5 పిసుకు (pisuku) — to knead, to squeeze

Before the new one: say the Telugu for to happen, then the Telugu for to sweep.

You'll want to know: పిసుకు

పిసుకు — *pisuku* — "to knead, to squeeze".

The word, taken apart — its roots and family

పిసుకు (*pisuku*) is native Dravidian. DEDR 4135 lists *pisuku*, "to squeeze, knead", with Kannada *pisuku* and Tamil *picai*, "to knead". DEDR compares Sanskrit *piccayati*, "presses flat" (CDIAL 8149).

What you've built

One more word for this chapter.

Your turn

- *Say it: pisuku*
- *Say it: pisuku*, once more
- *Say it:* say *pisuku*
- *Recall:* say the Telugu for to happen, then the Telugu for to sweep, then say *pisuku* again

Before you move on

What does **పిసుకు** mean? ("To knead, to squeeze".) Say it once more.

Chapter 285

To threaten, To warn, To take note of, To chase, To melt

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say to threaten, to warn, to take note of, to chase and to melt.
>
> *Complete the last lesson of chapter 285: I can say to threaten, to warn, to take note of, to chase and to melt.*

285.1 బెదిరించు (bediriñcu) — to threaten

Before the new one: say the Telugu for to sweep, then the Telugu for to knead.

You'll want to know: బెదిరించు

బెదిరించు — *bediriñcu* — "to threaten".

The word, taken apart — its roots and family

బెదిరించు (*bediriñcu*) is native Dravidian, made from *bedaru*, "to fear, be startled", which DEDR 4401 lists with Kannada *beda*r*u*, "to take fright": "to frighten".

What you've built

One more word for this chapter.

Your turn

- *Say it: bediriñcu*
- *Say it: bediriñcu*, once more
- *Say it:* say *bediriñcu*
- *Recall:* say the Telugu for to sweep, then the Telugu for to knead, then say *bediriñcu* again

Before you move on

What does **బెదిరించు** mean? ("To threaten".) Say it once more.

285.2 హెచ్చరించు (heccariñcu) — to warn

Before the new one: say the Telugu for to knead, then the Telugu for to threaten.

You'll want to know: హెచ్చరించు

హెచ్చరించు — *heccariñcu* — "to warn".

The word, taken apart — its roots and family

హెచ్చరించు (*heccariñcu*) is native Dravidian. DEDR 851 lists *heccariñcu*, "to caution", with Kannada *eccarisu*, "to awaken, warn", and Tamil *eccari*, "to warn", under the word for "to rise".

What you've built

One more word for this chapter.

Your turn

- *Say it: heccariñcu*
- *Say it: heccariñcu*, once more
- *Say it:* say *heccariñcu*
- *Recall:* say the Telugu for to knead, then the Telugu for to threaten, then say *heccariñcu* again

Before you move on

What does **హెచ్చరించు** mean? ("To warn".) Say it once more.

285.3 గమనించు (gamaniñcu) — to take note of, to notice

Before the new one: say the Telugu for to threaten, then the Telugu for to warn.

You'll want to know: గమనించు

గమనించు — *gamaniñcu* — "to take note of, to notice".

The word, taken apart — its roots and family

DEDR 1328 lists **గమనించు** (*gamaniñcu*), "to pay attention to", with Kannada *gamanisu*, "to heed", and Tamil *kavalai*, "care, concern".

What you've built

One more word for this chapter.

Your turn

- *Say it: gamaniñcu*
- *Say it: gamaniñcu*, once more
- *Say it:* say *gamaniñcu*
- *Recall:* say the Telugu for to threaten, then the Telugu for to warn, then say *gamaniñcu* again

Before you move on

What does **గమనించు** mean? ("To take note of, to notice".) Say it once more.

285.4 తరుము (tarumu) — to chase

Before the new one: say the Telugu for to warn, then the Telugu for to take note of.

You'll want to know: తరుము

తరుము — *tarumu* — "to chase".

The word, taken apart — its roots and family

The origin of **తరుము** (*tarumu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "to chase".

What you've built

One more word for this chapter.

Your turn

- *Say it: tarumu*
- *Say it: tarumu*, once more
- *Say it:* say *tarumu*
- *Recall:* say the Telugu for to warn, then the Telugu for to take note of, then say *tarumu* again

Before you move on

What does **తరుము** mean? ("To chase".) Say it once more.

285.5 కరుగు (karugu) — to melt

Before the new one: say the Telugu for to take note of, then the Telugu for to chase.

You'll want to know: కరుగు

కరుగు — *karugu* — "to melt".

The word, taken apart — its roots and family

కరుగు (*karugu*) is native Dravidian. DEDR 1292 lists a nasalised *karagu*, “to melt, dissolve”, with Tamil *karai*, “to dissolve, melt”, and Kannada *karagu*, “to melt”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: karugu*
- *Say it: karugu*, once more
- *Say it:* say *karugu*
- *Recall:* say the Telugu for to take note of, then the Telugu for to chase, then say *karugu* again

Before you move on

What does కరుగు mean? (“To melt”.) Say it once more.

Chapter 286

To postpone, To hesitate, To escape, To drain, To lean

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

By the end of this chapter: I can say to postpone, to hesitate, to escape, to drain and to lean.

Complete the last lesson of chapter 286: I can say to postpone, to hesitate, to escape, to drain and to lean.

286.1 వాయిదా వేయు (vāyidā vēyu) — to postpone

Before the new one: say the Telugu for to chase, then the Telugu for to melt.

You'll want to know: వాయిదా వేయు

వాయిదా వేయు — *vāyidā vēyu* — "to postpone".

The word, taken apart — its roots and family

Vāyidā, "postponement", the first word of **వాయిదా వేయు** (*vāyidā vēyu*), is a loan from Arabic *waʿda*, "promise, appointed time", which came through Persian and Hindustani. *Vēyu*, "to put, place", is native (DEDR 5549).

What you've built

One more word for this chapter.

Your turn

- *Say it: vāyidā vēyu*
- *Say it: vāyidā vēyu*, once more
- *Say it:* say *vāyidā vēyu*
- *Recall:* say the Telugu for to chase, then the Telugu for to melt, then say *vāyidā vēyu* again

Before you move on

What does **వాయిదా వేయు** mean? ("To postpone".) Say it once more.

286.2 వెనకాడు (venakāḍu) — to hesitate

Before the new one: say the Telugu for to melt, then the Telugu for to postpone.

You'll want to know: వెనకాడు

వెనకాడు — *venakāḍu* — "to hesitate".

The word, taken apart — its roots and family

వెనకాడు (*venakāḍu*) is native Dravidian: *venaka*, "back, rear", one word with Kannada *ben*, "the back" (DEDR 5488), and *āḍu*, "to move" (DEDR 347): "to move back".

What you've built

One more word for this chapter.

Your turn

- *Say it: venakāḍu*
- *Say it: venakāḍu*, once more
- *Say it:* say *venakāḍu*
- *Recall:* say the Telugu for to melt, then the Telugu for to postpone, then say *venakāḍu* again

Before you move on

What does **వెనకాడు** mean? (“To hesitate”.) Say it once more.

286.3 తప్పించుకో (tappiñcukō) — to escape

Before the new one: say the Telugu for to postpone, then the Telugu for to hesitate.

You’ll want to know: తప్పించుకో

తప్పించుకో — *tappiñcukō* — “to escape”.

The word, taken apart — its roots and family

తప్పించుకో (*tappiñcukō*) is native Dravidian. DEDR 3071 lists *tappiñcu*, “to extricate, free”, under *tappu*, “to miss, escape”, with *-konu*, “for oneself”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: tappiñcukō*
- *Say it: tappiñcukō*, once more
- *Say it:* say *tappiñcukō*
- *Recall:* say the Telugu for to postpone, then the Telugu for to hesitate, then say *tappiñcukō* again

Before you move on

What does **తప్పించుకో** mean? (“To escape”.) Say it once more.

286.4 వార్చు (vārcu) — to drain (cooked rice)

Before the new one: say the Telugu for to hesitate, then the Telugu for to escape.

You'll want to know: వార్చు

వార్చు — *vārcu* — "to drain (cooked rice)".

The word, taken apart — its roots and family

వార్చు (*vārcu*) is native Dravidian. DEDR 5356 lists *vārcu*, "to drain off, as water from boiled rice", with Tamil *vār*, "to flow, pour".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vārcu*
- *Say it:* *vārcu*, once more
- *Say it:* say *vārcu*
- *Recall:* say the Telugu for to hesitate, then the Telugu for to escape, then say *vārcu* again

Before you move on

What does వార్చు mean? ("To drain (cooked rice)".) Say it once more.

286.5 ఆనుకో (ānukō) — to lean (against)

Before the new one: say the Telugu for to escape, then the Telugu for to drain.

You'll want to know: ఆనుకో

ఆనుకో — *ānukō* — "to lean (against)".

The word, taken apart — its roots and family

ఆనుకో (*ānukō*) is native Dravidian: *ānu*, "to lean, recline", one word with Kannada *ānu*, "to lean against" (DEDR 408), with *-konu*, "for oneself".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ānukō*
- *Say it:* *ānukō*, once more
- *Say it:* say *ānukō*
- *Recall:* say the Telugu for to escape, then the Telugu for to drain, then say *ānukō* again

Before you move on

What does **ఆనుకో** mean? ("To lean (against)".) Say it once more.

286.6 Words from chapters 278-281 — a first pass

Say the words for to drain and to lean.

Your turn

Say these aloud:

- to hold, to bathe, to prepare, to cross, to drive
- to recover, to swell, to feel dizzy, to touch, to peel
- to rub, to receive, to tell, to admit, to deposit
- to cancel, to submit, to press, to get lost, to love

Before you move on

To hold? (**పట్టుకో**, *paṭṭukō.*) To bathe? (**స్నానం చేయు**, *snānaṁ cēyu.*) To prepare? (**తయారు చేయు**, *tayāru cēyu.*) To cross? (**దాటు**, *dāṭu.*) To drive? (**నడుపు**, *naḍupu.*) To recover? (**కోలుకో**, *kōlukō.*) To swell? (**ఉబ్బు**, *ubbu.*) To feel dizzy? (**కళ్ళు తిరుగు**, *kaḷḷu tirugu.*) To touch? (**తాకు**, *tāku.*) To peel? (**ఒలుచు**, *olucu.*) To rub? (**రుద్దు**, *ruddu.*) To

receive? (అందుకో, *andukō.*) To tell? (చెప్పు, *ceppu.*) To admit? (చేర్చు, *cērcu.*) To deposit? (జమ చేయు, *jama cēyu.*) To cancel? (రద్దు చేయు, *raddu cēyu.*) To submit? (సమర్పించు, *samarpiñcu.*) To press? (నొక్కు, *nokku.*) To get lost? (తప్పిపోవు, *tappipōvu.*) To love? (ప్రేమించు, *prēmiñcu.*)

286.7 Words from chapters 282-286 — a second pass

Say the words for to graze and to plant.

Your turn

Say these aloud:

- to graze, to plant, to decorate, to share out, to visit
- to charge, to remove, to recognize, to oppose, to argue
- to let go, to dig, to happen, to sweep, to knead
- to threaten, to warn, to take note of, to chase, to melt
- to postpone, to hesitate, to escape, to drain, to lean

Before you move on

To graze? (మేయు, *mēyu.*) To plant? (నాటు, *nāṭu.*) To decorate? (అలంకరించు, *alaṅkariñcu.*) To share out? (పంచు, *pañcu.*) To visit? (సందర్శించు, *sandarśiñcu.*) To charge? (ఛార్జ్ చేయు, *chārj cēyu.*) To remove? (తొలగించు, *tolagiñcu.*) To recognize? (గుర్తుపట్టు, *gurtupaṭṭu.*) To oppose? (వ్యతిరేకించు, *vyatirēkiñcu.*) To argue? (వాదించు, *vādiñcu.*) To let go? (వదులు, *vadulu.*) To dig? (తవ్వు, *tavvu.*) To happen? (జరుగు, *jarugu.*) To sweep? (చిమ్ము, *cimmu.*) To knead? (పిసుకు, *pisuku.*) To threaten? (బెదిరించు, *bediriñcu.*) To warn? (హెచ్చరించు, *heccariñcu.*) To take note of? (గమనించు, *gamaniñcu.*) To chase? (తరుము, *tarumu.*) To melt? (కరుగు, *karugu.*) To postpone? (వాయిదా వేయు, *vāyidā vēyu.*) To hesitate? (వెనకాడు, *venakāḍu.*) To escape? (తప్పించుకో, *tappiñcukō.*) To drain? (వార్చు, *vārcu.*) To lean? (ఆనుకో, *ānukō.*)

Chapter 287

Chest, Accident, Ambulance, Insurance, Emergency

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say the chest, an accident, an ambulance, insurance and an emergency.

Complete the last lesson of chapter 287: I can say the chest, an accident, an ambulance, insurance and an emergency.

287.1 ఛాతీ (chātī) — the chest

Before the new one: say the Telugu for to drain, then the Telugu for to lean.

You'll want to know: ఛాతీ

ఛాతీ — *chātī* — "the chest".

The word, taken apart — its roots and family

ఛాతీ (*chātī*) is probably a northern loan, like Hindi *chātī*, "chest", which CDIAL 5014 sets under a reconstructed *chātti, "chest, breast".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *chātī*
- *Say it:* *chātī*, once more
- *Say it:* say *chātī*
- *Recall:* say the Telugu for to drain, then the Telugu for to lean, then say *chātī* again

Before you move on

What does ఛాతీ mean? (“The chest”.) Say it once more.

287.2 ప్రమాదం (pramādaṁ) — an accident; danger

Before the new one: say the Telugu for to lean, then the Telugu for the chest.

You’ll want to know: ప్రమాదం

ప్రమాదం — *pramādaṁ* — “an accident; danger”.

The word, taken apart — its roots and family

ప్రమాదం (*pramādaṁ*) is Sanskrit *pramāda*, “negligence”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8724). Telugu uses it for “accident; danger”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *pramādaṁ*
- *Say it:* *pramādaṁ*, once more
- *Say it:* say *pramādaṁ*
- *Recall:* say the Telugu for to lean, then the Telugu for the chest, then say *pramādaṁ* again

Before you move on

What does ప్రమాదం mean? ("An accident; danger".) Say it once more.

287.3 అంబులెన్సు (ambulensu) — an ambulance

Before the new one: say the Telugu for the chest, then the Telugu for an accident.

You'll want to know: అంబులెన్సు

అంబులెన్సు — *ambulensu* — "an ambulance".

The word, taken apart — its roots and family

అంబులెన్సు (*ambulensu*) is a loan from English *ambulance*.

What you've built

One more word for this chapter.

Your turn

- *Say it: ambulensu*
- *Say it: ambulensu*, once more
- *Say it:* say *ambulensu*
- *Recall:* say the Telugu for the chest, then the Telugu for an accident, then say *ambulensu* again

Before you move on

What does అంబులెన్సు mean? ("An ambulance".) Say it once more.

287.4 బీమా (bīmā) — insurance

Before the new one: say the Telugu for an accident, then the Telugu for an ambulance.

You'll want to know: బీమా

బీమా — *bīmā* — "insurance".

The word, taken apart — its roots and family

బీమా (*bīmā*) is a loan from Persian *bīma*, "insurance", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bīmā*
- *Say it:* *bīmā*, once more
- *Say it:* say *bīmā*
- *Recall:* say the Telugu for an accident, then the Telugu for an ambulance, then say *bīmā* again

Before you move on

What does **బీమా** mean? ("Insurance".) Say it once more.

287.5 అత్యవసరం (atyavasaraṁ) — an emergency; urgent

Before the new one: say the Telugu for an ambulance, then the Telugu for insurance.

You'll want to know: అత్యవసరం

అత్యవసరం — *atyavasaraṁ* — "an emergency; urgent".

The word, taken apart — its roots and family

అత్యవసరం (*atyavasaraṁ*) is a learned word built from Sanskrit *ati*, "very", and *avasara*, "occasion, need", with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *atyavasaraṁ*
- *Say it:* *atyavasaraṁ*, once more
- *Say it:* say *atyavasaraṁ*
- *Recall:* say the Telugu for an ambulance, then the Telugu for insurance, then say *atyavasaraṁ* again

Before you move on

What does **అత్యవసరం** mean? ("An emergency; urgent".) Say it once more.

Chapter 288

Operation, Indigestion, Constipation, Diabetes, Blood pressure

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say an operation, indigestion, constipation, diabetes and blood pressure.

Complete the last lesson of chapter 288: I can say an operation, indigestion, constipation, diabetes and blood pressure.

288.1 ఆపరేషను (āparēṣanu) — an operation, surgery

Before the new one: say the Telugu for insurance, then the Telugu for an emergency.

You'll want to know: ఆపరేషను

ఆపరేషను — *āparēṣanu* — "an operation, surgery".

The word, taken apart — its roots and family

ఆపరేషను (*āparēṣanu*) is a loan from English *operation*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *āparēṣanu*
- *Say it:* *āparēṣanu*, once more
- *Say it:* say *āparēṣanu*
- *Recall:* say the Telugu for insurance, then the Telugu for an emergency, then say *āparēṣanu* again

Before you move on

What does **ఆపరేషను** mean? ("An operation, surgery".) Say it once more.

288.2 అజీర్ణం (ajīrṇaṁ) — indigestion

Before the new one: say the Telugu for an emergency, then the Telugu for an operation.

You'll want to know: అజీర్ణం

అజీర్ణం — *ajīrṇaṁ* — "indigestion".

The word, taken apart — its roots and family

అజీర్ణం (*ajīrṇaṁ*) is Sanskrit *ajīrṇa*, "indigestion", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ajīrṇaṁ*
- *Say it:* *ajīrṇaṁ*, once more
- *Say it:* say *ajīrṇaṁ*
- *Recall:* say the Telugu for an emergency, then the Telugu for an operation, then say *ajīrṇaṁ* again

Before you move on

What does **అజీర్ణం** mean? (“Indigestion”.) Say it once more.

288.3 మలబద్ధకం (malabaddhakaṁ) — constipation

Before the new one: say the Telugu for an operation, then the Telugu for indigestion.

You’ll want to know: మలబద్ధకం

మలబద్ధకం — *malabaddhakaṁ* — “constipation”.

The word, taken apart — its roots and family

మలబద్ధకం (*malabaddhakaṁ*) is Sanskrit: *mala*, “dirt; excretion” (CDIAL 9899), and *baddhaka*, from *baddha*, “bound” (CDIAL 9126), with the Telugu ending *-ṁ*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: malabaddhakaṁ*
- *Say it: malabaddhakaṁ*, once more
- *Say it:* say *malabaddhakaṁ*
- *Recall:* say the Telugu for an operation, then the Telugu for indigestion, then say *malabaddhakaṁ* again

Before you move on

What does **మలబద్ధకం** mean? (“Constipation”.) Say it once more.

288.4 మధుమేహం (madhumēhaṁ) — diabetes

Before the new one: say the Telugu for indigestion, then the Telugu for constipation.

You'll want to know: మధుమేహం

మధుమేహం — *madhumēhaṁ* — "diabetes".

The word, taken apart — its roots and family

మధుమేహం (*madhumēhaṁ*) is Sanskrit *madhumēha*: *madhu*, "honey" (CDIAL 9784), and *mēha*, "urine" (CDIAL 10337), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *madhumēhaṁ*
- *Say it:* *madhumēhaṁ*, once more
- *Say it:* say *madhumēhaṁ*
- *Recall:* say the Telugu for indigestion, then the Telugu for constipation, then say *madhumēhaṁ* again

Before you move on

What does **మధుమేహం** mean? ("Diabetes".) Say it once more.

288.5 రక్తపోటు (raktapōṭu) — blood pressure

Before the new one: say the Telugu for constipation, then the Telugu for diabetes.

You'll want to know: రక్తపోటు

రక్తపోటు — *raktapōṭu* — "blood pressure".

The word, taken apart — its roots and family

రక్తపోటు (*raktapōṭu*) is Sanskrit *rakta*, "red; blood" (CDIAL 10539), and native *pōṭu*, "a thrust, pain" (DEDR 4560).

What you've built

One more word for this chapter.

Your turn

- *Say it: raktapōṭu*
- *Say it: raktapōṭu*, once more
- *Say it:* say *raktapōṭu*
- *Recall:* say the Telugu for constipation, then the Telugu for diabetes, then say *raktapōṭu* again

Before you move on

What does రక్తపోటు mean? ("Blood pressure".) Say it once more.

Chapter 289

Bhogi, Festival, Village fair, Celebration, Sunrise

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say Bhogi, a festival, a village fair, a celebration and sunrise.
>
> *Complete the last lesson of chapter 289: I can say Bhogi, a festival, a village fair, a celebration and sunrise.*

289.1 భోగి (bhōgi) — Bhogi, the first day of Sankranti

> Before the new one: say the Telugu for diabetes, then the Telugu for blood pressure.

You'll want to know: భోగి

భోగి — *bhōgi* — "Bhogi, the first day of Sankranti".

The word, taken apart — its roots and family

భోగి (*bhōgi*) matches Sanskrit *bhōgin*, which CDIAL 9626 glosses "wealthy"; how the festival came by the name is not explained in our sources.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bhōgi*
- *Say it:* *bhōgi*, once more
- *Say it:* say *bhōgi*
- *Recall:* say the Telugu for diabetes, then the Telugu for blood pressure, then say *bhōgi* again

Before you move on

What does భోగి mean? ("Bhogi, the first day of Sankranti".) Say it once more.

289.2 పండుగ (paṇḍuga) — a festival

Before the new one: say the Telugu for blood pressure, then the Telugu for Bhogi.

You'll want to know: పండుగ

పండుగ — *paṇḍuga* — "a festival".

The word, taken apart — its roots and family

పండుగ (*paṇḍuga*) is native Dravidian, one word with Tamil *paṇṭikai* and Malayalam *paṇṭika* (DEDR 3899). DEDR lists Telugu *paṇḍuga*, "festival".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *paṇḍuga*
- *Say it:* *paṇḍuga*, once more
- *Say it:* say *paṇḍuga*

- *Recall:* say the Telugu for blood pressure, then the Telugu for Bhogi, then say *paṇḍuga* again

Before you move on

What does **పండుగ** mean? ("A festival".) Say it once more.

289.3 జాతర (jātara) — a village fair, a temple festival

Before the new one: say the Telugu for Bhogi, then the Telugu for a festival.

You'll want to know: జాతర

జాతర — *jātara* — "a village fair, a temple festival".

The word, taken apart — its roots and family

జాతర (*jātara*) comes from Sanskrit *yātrā*, "journey; festival" (CDIAL 10456), reshaped to Telugu sounds: a tadbhava.

What you've built

One more word for this chapter.

Your turn

- *Say it: jātara*
- *Say it: jātara*, once more
- *Say it:* say *jātara*
- *Recall:* say the Telugu for Bhogi, then the Telugu for a festival, then say *jātara* again

Before you move on

What does **జాతర** mean? ("A village fair, a temple festival".) Say it once more.

289.4 వేడుక (vēḍuka) — a celebration, a ceremony

Before the new one: say the Telugu for a festival, then the Telugu for a village fair.

You'll want to know: వేడుక

వేడుక — *vēḍuka* — "a celebration, a ceremony".

The word, taken apart — its roots and family

వేడుక (*vēḍuka*) is native Dravidian. DEDR 5528 lists *vēḍuka*, "pleasure, joy, fun", under *vēḍu*, "to wish, desire", one word with Tamil *vēṇṭu*, "to want".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vēḍuka*
- *Say it:* *vēḍuka*, once more
- *Say it:* say *vēḍuka*
- *Recall:* say the Telugu for a festival, then the Telugu for a village fair, then say *vēḍuka* again

Before you move on

What does **వేడుక** mean? ("A celebration, a ceremony".) Say it once more.

289.5 సూర్యోదయం (sūryōdayaṁ) — sunrise

Before the new one: say the Telugu for a village fair, then the Telugu for a celebration.

You'll want to know: సూర్యోదయం

సూర్యోదయం — *sūryōdayaṁ* — "sunrise".

The word, taken apart — its roots and family

సూర్యోదయం (*sūryōdayaṁ*) is Sanskrit: *sūrya*, "sun" (CDIAL 13574), and *udaya*, "rising of the sun" (CDIAL 1931), with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sūryōdayaṁ*
- *Say it: sūryōdayaṁ*, once more
- *Say it:* say *sūryōdayaṁ*
- *Recall:* say the Telugu for a village fair, then the Telugu for a celebration, then say *sūryōdayaṁ* again

Before you move on

What does సూర్యోదయం mean? ("Sunrise".) Say it once more.

Chapter 290

Daytime, Half of the day, Decade, Century, Childhood

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say daytime, a half of the day, a decade, a century and childhood.

Complete the last lesson of chapter 290: I can say daytime, a half of the day, a decade, a century and childhood.

290.1 పగలు (pagalu) — daytime

Before the new one: say the Telugu for a celebration, then the Telugu for sunrise.

You'll want to know: పగలు

పగలు — *pagalu* — "daytime".

The word, taken apart — its roots and family

పగలు (*pagalu*) is native Dravidian, one word with Tamil *pakal* and Kannada *pagal* (DEDR 3805). DEDR lists Telugu *pagalu*, "day, daytime".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pagalu*
- *Say it:* *pagalu*, once more
- *Say it:* say *pagalu*
- *Recall:* say the Telugu for a celebration, then the Telugu for sunrise, then say *pagalu* again

Before you move on

What does పగలు mean? ("Daytime".) Say it once more.

290.2 పూట (pūṭa) — a half of the day (a mealtime)

Before the new one: say the Telugu for sunrise, then the Telugu for daytime.

You'll want to know: పూట

పూట — *pūṭa* — "a half of the day (a mealtime)".

The word, taken apart — its roots and family

The origin of పూట (*pūṭa*) is uncertain. DEDR and CDIAL list no word of this shape meaning "half a day, a mealtime".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pūṭa*
- *Say it:* *pūṭa*, once more
- *Say it:* say *pūṭa*
- *Recall:* say the Telugu for sunrise, then the Telugu for daytime, then say *pūṭa* again

Before you move on

What does **పూట** mean? (“A half of the day (a mealtime)”.) Say it once more.

290.3 దశాబ్దం (daśābdaṁ) — a decade

Before the new one: say the Telugu for daytime, then the Telugu for a half of the day.

You’ll want to know: దశాబ్దం

దశాబ్దం — *daśābdaṁ* — “a decade”.

The word, taken apart — its roots and family

దశాబ్దం (*daśābdaṁ*) is Sanskrit *daśābda*, “ten years”: *daśa*, “ten”, and *abda*, “year”, with the Telugu ending *-ṁ*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: daśābdaṁ*
- *Say it: daśābdaṁ*, once more
- *Say it:* say *daśābdaṁ*
- *Recall:* say the Telugu for daytime, then the Telugu for a half of the day, then say *daśābdaṁ* again

Before you move on

What does **దశాబ్దం** mean? (“A decade”.) Say it once more.

290.4 శతాబ్దం (śatābdaṁ) — a century

Before the new one: say the Telugu for a half of the day, then the Telugu for a decade.

You'll want to know: శతాబ్దం

శతాబ్దం — *śatābdaṁ* — "a century".

The word, taken apart — its roots and family

శతాబ్దం (*śatābdaṁ*) is Sanskrit *śatābda*, "a hundred years": *śata*, "hundred", and *abda*, "year", with the Telugu ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *śatābdaṁ*
- *Say it:* *śatābdaṁ*, once more
- *Say it:* say *śatābdaṁ*
- *Recall:* say the Telugu for a half of the day, then the Telugu for a decade, then say *śatābdaṁ* again

Before you move on

What does **శతాబ్దం** mean? ("A century".) Say it once more.

290.5 బాల్యం (bālyaṁ) — childhood

Before the new one: say the Telugu for a decade, then the Telugu for a century.

You'll want to know: బాల్యం

బాల్యం — *bālyaṁ* — "childhood".

The word, taken apart — its roots and family

బాల్యం (*bālyaṁ*) is Sanskrit *bālya*, "childhood", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *bālyaṁ*
- *Say it:* *bālyaṁ*, once more
- *Say it:* say *bālyaṁ*
- *Recall:* say the Telugu for a decade, then the Telugu for a century, then say *bālyaṁ* again

Before you move on

What does బాల్యం mean? ("Childhood".) Say it once more.

Chapter 291

South, Place, Border, Opposite, Around

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say south, a place, a border, opposite and around.
>
> *Complete the last lesson of chapter 291: I can say south, a place, a border, opposite and around.*

291.1 దక్షిణం (dakṣiṇaṁ) — south

> Before the new one: say the Telugu for a century, then the Telugu for childhood.

You'll want to know: దక్షిణం

దక్షిణం — *dakṣiṇaṁ* — "south".

The word, taken apart — its roots and family

దక్షిణం (*dakṣiṇaṁ*) is Sanskrit *dakṣiṇa*, "right (hand); southern", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 6119).

What you've built

One more word for this chapter.

Your turn

- *Say it: dakṣiṇaṁ*
- *Say it: dakṣiṇaṁ*, once more
- *Say it:* say *dakṣiṇaṁ*
- *Recall:* say the Telugu for a century, then the Telugu for childhood, then say *dakṣiṇaṁ* again

Before you move on

What does **దక్షిణం** mean? ("South".) Say it once more.

291.2 ప్రదేశం (pradēśaṁ) — a place, a spot

Before the new one: say the Telugu for childhood, then the Telugu for south.

You'll want to know: ప్రదేశం

ప్రదేశం — *pradēśaṁ* — "a place, a spot".

The word, taken apart — its roots and family

ప్రదేశం (*pradēśaṁ*) is Sanskrit *pradēśa*, "region, country", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 8668).

What you've built

One more word for this chapter.

Your turn

- *Say it: pradēśaṁ*
- *Say it: pradēśaṁ*, once more
- *Say it:* say *pradēśaṁ*
- *Recall:* say the Telugu for childhood, then the Telugu for south, then say *pradēśaṁ* again

Before you move on

What does **ప్రదేశం** mean? ("A place, a spot".) Say it once more.

291.3 సరిహద్దు (sarihaddu) — a border, a boundary

Before the new one: say the Telugu for south, then the Telugu for a place.

You'll want to know: సరిహద్దు

సరిహద్దు — *sarihaddu* — "a border, a boundary".

The word, taken apart — its roots and family

సరిహద్దు (*sarihaddu*) is *sari*, "even, right", whose origin is uncertain, and *haddu*, "limit", a loan from Arabic *ḥadd*, "limit, boundary", through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: sarihaddu*
- *Say it: sarihaddu*, once more
- *Say it:* say *sarihaddu*
- *Recall:* say the Telugu for south, then the Telugu for a place, then say *sarihaddu* again

Before you move on

What does **సరిహద్దు** mean? ("A border, a boundary".) Say it once more.

291.4 ఎదురుగా (edurugā) — opposite, facing

Before the new one: say the Telugu for a place, then the Telugu for a border.

You'll want to know: ఎదురుగా

ఎదురుగా — *edurugā* — "opposite, facing".

The word, taken apart — its roots and family

ఎదురుగా (*edurugā*) is native Dravidian: *eduru*, "the front, opposite", one word with Tamil *etir* (DEDR 795), with the adverb ending *-gā*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *edurugā*
- *Say it:* *edurugā*, once more
- *Say it:* say *edurugā*
- *Recall:* say the Telugu for a place, then the Telugu for a border, then say *edurugā* again

Before you move on

What does **ఎదురుగా** mean? ("Opposite, facing".) Say it once more.

291.5 చుట్టూ (cuṭṭū) — around

Before the new one: say the Telugu for a border, then the Telugu for opposite.

You'll want to know: చుట్టూ

చుట్టూ — *cuṭṭū* — "around".

The word, taken apart — its roots and family

చుట్టూ (*cuṭṭū*) is native Dravidian. DEDR 2715 lists *cuṭṭu*, "a round; all around", with Tamil *cuṟṟu*, "to go around".

What you've built

One more word for this chapter.

Your turn

- *Say it: cuṭṭū*
- *Say it: cuṭṭū*, once more
- *Say it:* say *cuṭṭū*
- *Recall:* say the Telugu for a border, then the Telugu for opposite, then say *cuṭṭū* again

Before you move on

What does చుట్టూ mean? ("Around".) Say it once more.

Chapter 292

Hut, Canal, Building, Fort, Factory

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a hut, a canal, a building, a fort and a factory.
>
> *Complete the last lesson of chapter 292: I can say a hut, a canal, a building, a fort and a factory.*

292.1 గుడిసె (guḍise) — a hut

> Before the new one: say the Telugu for opposite, then the Telugu for around.

You'll want to know: గుడిసె

గుడిసె — *guḍise* — "a hut".

The word, taken apart — its roots and family

గుడిసె (*guḍise*) is native Dravidian. DEDR 1655 lists *guḍise*, "hut, cottage", with Kannada *guḍisalu*, "hut", and Tamil *kuṭical*, "hut". DEDR compares Sanskrit *kuṭī*, "hut" (CDIAL 3232), which CDIAL partly takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: guḍise*
- *Say it: guḍise*, once more
- *Say it:* say *guḍise*
- *Recall:* say the Telugu for opposite, then the Telugu for around, then say *guḍise* again

Before you move on

What does గుడిసె mean? (“A hut”.) Say it once more.

292.2 కాలువ (kāluva) — a canal

Before the new one: say the Telugu for around, then the Telugu for a hut.

You’ll want to know: కాలువ

కాలువ — *kāluva* — “a canal”.

The word, taken apart — its roots and family

కాలువ (*kāluva*) is native Dravidian. DEDR 1480 lists *kāluva*, “canal, channel”, with Kannada *kāluve*, “water-course”, and Tamil *kāl*, “irrigation channel”. DEDR compares Sanskrit *khalla*, “trench, canal” (CDIAL 3849).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: kāluva*
- *Say it: kāluva*, once more
- *Say it:* say *kāluva*

- *Recall:* say the Telugu for around, then the Telugu for a hut, then say *kāluva* again

Before you move on

What does **కాలువ** mean? ("A canal".) Say it once more.

292.3 భవనం (bhavanaṁ) — a building

Before the new one: say the Telugu for a hut, then the Telugu for a canal.

You'll want to know: భవనం

భవనం — *bhavanaṁ* — "a building".

The word, taken apart — its roots and family

భవనం (*bhavanaṁ*) is Sanskrit *bhavana*, "place of abode", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 9417).

What you've built

One more word for this chapter.

Your turn

- *Say it: bhavanaṁ*
- *Say it: bhavanaṁ*, once more
- *Say it:* say *bhavanaṁ*
- *Recall:* say the Telugu for a hut, then the Telugu for a canal, then say *bhavanaṁ* again

Before you move on

What does **భవనం** mean? ("A building".) Say it once more.

292.4 కోట (kōṭa) — a fort

Before the new one: say the Telugu for a canal, then the Telugu for a building.

You'll want to know: కోట

కోట — *kōṭa* — "a fort".

The word, taken apart — its roots and family

కోట (*kōṭa*) is native Dravidian. DEDR 2207 lists *kōṭa*, "fort", with Tamil *kōṭṭai* and Kannada *kōṭe*, "fort". DEDR compares Sanskrit *kōṭṭa*, "fort" (CDIAL 3500).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kōṭa*
- *Say it:* *kōṭa*, once more
- *Say it:* say *kōṭa*
- *Recall:* say the Telugu for a canal, then the Telugu for a building, then say *kōṭa* again

Before you move on

What does **కోట** mean? ("A fort".) Say it once more.

292.5 కార్ఖానా (kārkhānā) — a factory

Before the new one: say the Telugu for a building, then the Telugu for a fort.

You'll want to know: కార్ఖానా

కార్ఖానా — *kārkhānā* — "a factory".

The word, taken apart — its roots and family

కార్ఖానా (*kārkhānā*) is a loan from Persian *kārkhāna*, "workshop, factory", which came through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kārkhānā*
- *Say it:* *kārkhānā*, once more
- *Say it:* say *kārkhānā*
- *Recall:* say the Telugu for a building, then the Telugu for a fort, then say *kārkhānā* again

Before you move on

What does కార్ఖానా mean? ("A factory".) Say it once more.

Chapter 293

Jail, Mosque, Church, Village council, Loft

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a jail, a mosque, a church, the village council and a loft.
>
> *Complete the last lesson of chapter 293: I can say a jail, a mosque, a church, the village council and a loft.*

293.1 జైలు (jailu) — a jail

> Before the new one: say the Telugu for a fort, then the Telugu for a factory.

You'll want to know: జైలు

జైలు — *jailu* — "a jail".

The word, taken apart — its roots and family

జైలు (*jailu*) is a loan from English *jail*.

What you've built

One more word for this chapter.

Your turn

- *Say it: jailu*
- *Say it: jailu*, once more
- *Say it:* say *jailu*
- *Recall:* say the Telugu for a fort, then the Telugu for a factory, then say *jailu* again

Before you move on

What does **జైలు** mean? ("A jail".) Say it once more.

293.2 మసీదు (masīdu) — a mosque

Before the new one: say the Telugu for a factory, then the Telugu for a jail.

You'll want to know: మసీదు

మసీదు — *masīdu* — "a mosque".

The word, taken apart — its roots and family

మసీదు (*masīdu*) is a loan from Arabic *masjid*, "mosque", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: masīdu*
- *Say it: masīdu*, once more
- *Say it:* say *masīdu*
- *Recall:* say the Telugu for a factory, then the Telugu for a jail, then say *masīdu* again

Before you move on

What does **మసీదు** mean? ("A mosque".) Say it once more.

293.3 చర్చి (carci) — a church

Before the new one: say the Telugu for a jail, then the Telugu for a mosque.

You'll want to know: చర్చి

చర్చి — *carci* — "a church".

The word, taken apart — its roots and family

చర్చి (*carci*) is a loan from English *church*.

What you've built

One more word for this chapter.

Your turn

- *Say it: carci*
- *Say it: carci*, once more
- *Say it:* say *carci*
- *Recall:* say the Telugu for a jail, then the Telugu for a mosque, then say *carci* again

Before you move on

What does **చర్చి** mean? ("A church".) Say it once more.

293.4 పంచాయతీ (pañcāyatī) — the village council

Before the new one: say the Telugu for a mosque, then the Telugu for a church.

You'll want to know: పంచాయతీ

పంచాయతీ — *pañcāyatī* — "the village council".

The word, taken apart — its roots and family

పంచాయతీ (*pañcāyatī*) matches Hindustani *pañcāyat*, "village council", which DEDR and CDIAL do not list, so its exact route into Telugu is uncertain.

What you've built

One more word for this chapter.

Your turn

- *Say it: pañcāyatī*
- *Say it: pañcāyatī*, once more
- *Say it:* say *pañcāyatī*
- *Recall:* say the Telugu for a mosque, then the Telugu for a church, then say *pañcāyatī* again

Before you move on

What does **పంచాయతీ** mean? ("The village council".) Say it once more.

293.5 అటక (aṭaka) — a loft

Before the new one: say the Telugu for a church, then the Telugu for the village council.

You'll want to know: అటక

అటక — *aṭaka* — "a loft".

The word, taken apart — its roots and family

DEDR 93 lists **అటక** (*aṭaka*) as *aṭuka*, "loft under the roof", with Tamil *aṭṭam*, "upper story", and notes doubt whether the word is Indo-Aryan

or Dravidian in origin; CDIAL 180 has Sanskrit *aṭṭa*, “tower”, which it calls non-Aryan.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: aṭaka*
- *Say it: aṭaka*, once more
- *Say it:* say *aṭaka*
- *Recall:* say the Telugu for a church, then the Telugu for the village council, then say *aṭaka* again

Before you move on

What does **అటక** mean? (“A loft”.) Say it once more.

Chapter 294

Advice, Moreover, By the way, Almost, All in all

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say advice, moreover, by the way, almost and all in all.
>
> *Complete the last lesson of chapter 294: I can say advice, moreover, by the way, almost and all in all.*

294.1 సలహా (salahā) — advice

> Before the new one: say the Telugu for the village council, then the Telugu for a loft.

You'll want to know: సలహా

సలహా — *salahā* — "advice".

The word, taken apart — its roots and family

సలహా (*salahā*) is a loan from Arabic *ṣalāḥ*, "counsel, good advice", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *salahā*
- *Say it:* *salahā*, once more
- *Say it:* say *salahā*
- *Recall:* say the Telugu for the village council, then the Telugu for a loft, then say *salahā* again

Before you move on

What does సలహా mean? (“Advice”.) Say it once more.

294.2 పైగా (paigā) — moreover, besides

Before the new one: say the Telugu for a loft, then the Telugu for advice.

You’ll want to know: పైగా

పైగా — *paigā* — “moreover, besides”.

The word, taken apart — its roots and family

పైగా (*paigā*) is native Dravidian: *pai*, “upon, above, extra”, one word with Kannada *pai* (DEDR 4451), with the adverb ending *-gā*: “over and above”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *paigā*
- *Say it:* *paigā*, once more
- *Say it:* say *paigā*
- *Recall:* say the Telugu for a loft, then the Telugu for advice, then say *paigā* again

Before you move on

What does **పైగా** mean? ("Moreover, besides".) Say it once more.

294.3 అన్నట్టు (annaṭṭu) — by the way

Before the new one: say the Telugu for advice, then the Telugu for moreover.

You'll want to know: అన్నట్టు

అన్నట్టు — *annaṭṭu* — "by the way".

The word, taken apart — its roots and family

అన్నట్టు (*annaṭṭu*) is native Dravidian, built on *anu*, "to say, speak" (DEDR 868), with *-naṭṭu*, "as": "as was said".

What you've built

One more word for this chapter.

Your turn

- *Say it: annaṭṭu*
- *Say it: annaṭṭu*, once more
- *Say it:* say *annaṭṭu*
- *Recall:* say the Telugu for advice, then the Telugu for moreover, then say *annaṭṭu* again

Before you move on

What does **అన్నట్టు** mean? ("By the way".) Say it once more.

294.4 దాదాపు (dādāpu) — almost, nearly

Before the new one: say the Telugu for moreover, then the Telugu for by the way.

You'll want to know: దాదాపు

దాదాపు — *dādāpu* — "almost, nearly".

The word, taken apart — its roots and family

The origin of **దాదాపు** (*dādāpu*) is uncertain. DEDR and CDIAL list no word of this shape meaning "almost".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *dādāpu*
- *Say it:* *dādāpu*, once more
- *Say it:* say *dādāpu*
- *Recall:* say the Telugu for moreover, then the Telugu for by the way, then say *dādāpu* again

Before you move on

What does **దాదాపు** mean? ("Almost, nearly".) Say it once more.

294.5 మొత్తానికి (mottāniki) — all in all, in short

Before the new one: say the Telugu for by the way, then the Telugu for almost.

You'll want to know: మొత్తానికి

మొత్తానికి — *mottāniki* — "all in all, in short".

The word, taken apart — its roots and family

మొత్తానికి (*mottāniki*) is native Dravidian: *mottamu*, "total, whole", one word with Tamil *mottam* (DEDR 5119), with *-āniki*, "to the": "to the whole".

What you've built

One more word for this chapter.

Your turn

- *Say it: mottāniki*
- *Say it: mottāniki*, once more
- *Say it:* say *mottāniki*
- *Recall:* say the Telugu for by the way, then the Telugu for almost, then say *mottāniki* again

Before you move on

What does **మొత్తానికి** mean? ("All in all, in short".) Say it once more.

Chapter 295

Success, Shape, In case, For some reason, Somehow

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say success, a shape, in case, for some reason and somehow.
>
> *Complete the last lesson of chapter 295: I can say success, a shape, in case, for some reason and somehow.*

295.1 విజయం (vijayaṁ) — success

> Before the new one: say the Telugu for almost, then the Telugu for all in all.

You'll want to know: విజయం

విజయం — *vijayaṁ* — "success".

The word, taken apart — its roots and family

విజయం (*vijayaṁ*) is Sanskrit *vijaya*, "victory, success", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vijayaṁ*
- *Say it:* *vijayaṁ*, once more
- *Say it:* say *vijayaṁ*
- *Recall:* say the Telugu for almost, then the Telugu for all in all, then say *vijayaṁ* again

Before you move on

What does **విజయం** mean? ("Success".) Say it once more.

295.2 ఆకారం (ākāraṁ) — a shape

Before the new one: say the Telugu for all in all, then the Telugu for success.

You'll want to know: ఆకారం

ఆకారం — *ākāraṁ* — "a shape".

The word, taken apart — its roots and family

ఆకారం (*ākāraṁ*) is Sanskrit *ākāra*, "shape; appearance", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ* (CDIAL 1004).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ākāraṁ*
- *Say it:* *ākāraṁ*, once more
- *Say it:* say *ākāraṁ*
- *Recall:* say the Telugu for all in all, then the Telugu for success, then say *ākāraṁ* again

Before you move on

What does **ఆకారం** mean? ("A shape".) Say it once more.

295.3 ఎందుకైనా (endukainā) — in case, to be on the safe side

Before the new one: say the Telugu for success, then the Telugu for a shape.

You'll want to know: ఎందుకైనా

ఎందుకైనా — *endukainā* — "in case, to be on the safe side".

The word, taken apart — its roots and family

ఎందుకైనా (*endukainā*) is native Dravidian: *enduku*, "for what, why", on the question base *e-* (DEDR 5151), with *ainā*, "even if it is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: endukainā*
- *Say it: endukainā*, once more
- *Say it:* say *endukainā*
- *Recall:* say the Telugu for success, then the Telugu for a shape, then say *endukainā* again

Before you move on

What does **ఎందుకైనా** mean? ("In case, to be on the safe side".) Say it once more.

295.4 ఎందుకో (endukō) — for some reason

Before the new one: say the Telugu for a shape, then the Telugu for in case.

You'll want to know: ఎందుకో

ఎందుకో — *endukō* — "for some reason".

The word, taken apart — its roots and family

ఎందుకో (*endukō*) is native Dravidian: *enduku*, "for what, why", on the question base *e-* (DEDR 5151), with the doubting ending *-ō*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *endukō*
- *Say it:* *endukō*, once more
- *Say it:* say *endukō*
- *Recall:* say the Telugu for a shape, then the Telugu for in case, then say *endukō* again

Before you move on

What does **ఎందుకో** mean? ("For some reason".) Say it once more.

295.5 ఎలాగైనా (elāgainā) — somehow, by any means

Before the new one: say the Telugu for in case, then the Telugu for for some reason.

You'll want to know: ఎలాగైనా

ఎలాగైనా — *elāgainā* — "somehow, by any means".

The word, taken apart — its roots and family

ఎలాగైనా (*elāgainā*) is native Dravidian: *elāgu*, "how", on the question base *e-* (DEDR 5151), with *ainā*, "even if it is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: elāgainā*
- *Say it: elāgainā*, once more
- *Say it:* say *elāgainā*
- *Recall:* say the Telugu for in case, then the Telugu for for some reason, then say *elāgainā* again

Before you move on

What does ఎలాగైనా mean? ("Somehow, by any means".) Say it once more.

295.6 Words from chapters 287-290 — a first pass

Say the words for for some reason and somehow.

Your turn

Say these aloud:

- the chest, an accident, an ambulance, insurance, an emergency
- an operation, indigestion, constipation, diabetes, blood pressure
- Bhogi, a festival, a village fair, a celebration, sunrise
- daytime, a half of the day, a decade, a century, childhood

Before you move on

The chest? (ఛాతీ, *chātī.*) An accident? (ప్రమాదం, *pramādaṁ.*) An ambulance? (అంబులెన్సు, *ambulensu.*) Insurance? (బీమా, *bīmā.*) An emergency? (అత్యవసరం, *atyavasaraṁ.*) An operation? (ఆపరేషను, *āparēṣanu.*) Indigestion? (అజీర్ణం, *ajīrṇaṁ.*) Constipation? (మలబద్ధకం, *malabaddhakaṁ.*) Diabetes? (మధుమేహం, *madhumēhaṁ.*) Blood pressure? (రక్తపోటు, *raktapōṭu.*) Bhogi? (భోగి, *bhōgi.*) A festival? (పండుగ, *paṇḍuga.*) A village fair? (జాతర, *jātara.*) A celebration? (వేడుక, *vēḍuka.*) Sunrise? (సూర్యోదయం, *sūryōdayaṁ.*) Daytime? (పగలు, *pagalu.*) A half of the day? (పూట, *pūṭa.*) A decade? (దశాబ్దం, *daśābdaṁ.*) A century? (శతాబ్దం, *śatābdaṁ.*) Childhood? (బాల్యం, *bālyaṁ.*)

295.7 Words from chapters 291-295 — a second pass

Say the words for south and a place.

Your turn

Say these aloud:

- south, a place, a border, opposite, around
- a hut, a canal, a building, a fort, a factory
- a jail, a mosque, a church, the village council, a loft
- advice, moreover, by the way, almost, all in all
- success, a shape, in case, for some reason, somehow

Before you move on

South? (దక్షిణం, *dakṣiṇaṁ.*) A place? (ప్రదేశం, *pradēśaṁ.*) A border? (సరిహద్దు, *sarihaddu.*) Opposite? (ఎదురుగా, *edurugā.*) Around? (చుట్టూ, *cuṭṭū.*) A hut? (గుడిసె, *guḍise.*) A canal? (కాలువ, *kāluva.*) A building? (భవనం, *bhavanaṁ.*) A fort? (కోట, *kōṭa.*) A factory? (కార్ఖానా, *kārkhānā.*) A jail? (జైలు, *jailu.*) A mosque? (మసీదు,

masīdu.) A church? (చర్చి, *carci.*) The village council? (పంచాయతీ, *pañcāyatī.*) A loft? (అటక, *aṭaka.*) Advice? (సలహా, *salahā.*) Moreover? (పైగా, *paigā.*) By the way? (అన్నట్టు, *annaṭṭu.*) Almost? (దాదాపు, *dādāpu.*) All in all? (మొత్తానికి, *mottāniki.*) Success? (విజయం, *vijayaṁ.*) A shape? (ఆకారం, *ākāraṁ.*) In case? (ఎందుకైనా, *endukainā.*) For some reason? (ఎందుకో, *endukō.*) Somehow? (ఎలాగైనా, *elāgainā.*)

Chapter 296

Hard, Special, Convenient, Useful, Local

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say hard, special, convenient, useful and local.
>
> *Complete the last lesson of chapter 296: I can say hard, special, convenient, useful and local.*

296.1 కఠినమైన (kaṭhinamaina) — hard, difficult; strict, harsh

Before the new one: say the Telugu for for some reason, then the Telugu for somehow.

You'll want to know: కఠినమైన

కఠినమైన — *kaṭhinamaina* — "hard, difficult; strict, harsh".

The word, taken apart — its roots and family

కఠినమైన (*kaṭhinamaina*) is Sanskrit *kaṭhina*, "hard, stiff" (CDIAL 2650), with native *aina*, "which is" (DEDR 333). CDIAL reports the view that *kaṭhina* came from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it: kaṭhinamaina*
- *Say it: kaṭhinamaina*, once more
- *Say it:* say *kaṭhinamaina*
- *Recall:* say the Telugu for for some reason, then the Telugu for somehow, then say *kaṭhinamaina* again

Before you move on

What does కఠినమైన mean? (“Hard, difficult; strict, harsh”.) Say it once more.

296.2 ప్రత్యేక (pratyēka) — special, separate

Before the new one: say the Telugu for somehow, then the Telugu for hard.

You’ll want to know: ప్రత్యేక

ప్రత్యేక — *pratyēka* — “special, separate”.

The word, taken apart — its roots and family

ప్రత్యేక (*pratyēka*) is Sanskrit *pratyēka*, “each one, single”, taken over whole as a learned loan, a tatsama.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: pratyēka*
- *Say it: pratyēka*, once more
- *Say it:* say *pratyēka*
- *Recall:* say the Telugu for somehow, then the Telugu for hard, then say *pratyēka* again

Before you move on

What does **ప్రత్యేక** mean? ("Special, separate".) Say it once more.

296.3 అనుకూలమైన (anukūlamaina) — convenient

Before the new one: say the Telugu for hard, then the Telugu for special.

You'll want to know: అనుకూలమైన

అనుకూలమైన — *anukūlamaina* — "convenient".

The word, taken apart — its roots and family

అనుకూలమైన (*anukūlamaina*) is Sanskrit *anukūla*, "favourable, agreeable", with native *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: anukūlamaina*
- *Say it: anukūlamaina*, once more
- *Say it:* say *anukūlamaina*
- *Recall:* say the Telugu for hard, then the Telugu for special, then say *anukūlamaina* again

Before you move on

What does **అనుకూలమైన** mean? ("Convenient".) Say it once more.

296.4 ఉపయోగకరమైన (upayōgakaramaina) — useful

Before the new one: say the Telugu for special, then the Telugu for convenient.

You'll want to know: ఉపయోగకరమైన

ఉపయోగకరమైన — *upayōgakaramaina* — "useful".

The word, taken apart — its roots and family

ఉపయోగకరమైన (*upayōgakaramaina*) is Sanskrit *upayōga*, "use", with *kara*, "making", and native *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *upayōgakaramaina*
- *Say it:* *upayōgakaramaina*, once more
- *Say it:* say *upayōgakaramaina*
- *Recall:* say the Telugu for special, then the Telugu for convenient, then say *upayōgakaramaina* again

Before you move on

What does **ఉపయోగకరమైన** mean? ("Useful".) Say it once more.

296.5 స్థానిక (sthānika) — local

Before the new one: say the Telugu for convenient, then the Telugu for useful.

You'll want to know: స్థానిక

స్థానిక — *sthānika* — "local".

The word, taken apart — its roots and family

స్థానిక (*sthānika*) is Sanskrit *sthānika*, "belonging to a place", from *sthāna*, "place of abode" (CDIAL 13753).

What you've built

One more word for this chapter.

Your turn

- *Say it: sthānika*
- *Say it: sthānika*, once more
- *Say it:* say *sthānika*
- *Recall:* say the Telugu for convenient, then the Telugu for useful, then say *sthānika* again

Before you move on

What does స్థానిక mean? ("Local".) Say it once more.

Chapter 297

Stubborn, Stingy, Active, Naughty, Honesty

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say stubborn, stingy, active, naughty and honesty.

Complete the last lesson of chapter 297: I can say stubborn, stingy, active, naughty and honesty.

297.1 మొండి (moṇḍi) — stubborn

Before the new one: say the Telugu for useful, then the Telugu for local.

You'll want to know: మొండి

మొండి — *moṇḍi* — "stubborn".

The word, taken apart — its roots and family

మొండి (*moṇḍi*) is native Dravidian. DEDR 5114 lists *moṇḍi*, "maimed, blunt, stubborn", with Kannada *moṇḍa*, "blunt, maimed". DEDR compares Sanskrit *muṇḍa*, "hornless, blunt".

What you've built

One more word for this chapter.

Your turn

- *Say it: moṇḍi*
- *Say it: moṇḍi*, once more
- *Say it:* say *moṇḍi*
- *Recall:* say the Telugu for useful, then the Telugu for local, then say *moṇḍi* again

Before you move on

What does మొండి mean? (“Stubborn”.) Say it once more.

297.2 పిసినారి (pisināri) — stingy; a miser

Before the new one: say the Telugu for local, then the Telugu for stubborn.

You’ll want to know: పిసినారి

పిసినారి — *pisināri* — “stingy; a miser”.

The word, taken apart — its roots and family

పిసినారి (*pisināri*) is native Dravidian. DEDR 4144 lists *pisināri*, “miserly”, with Tamil *piciṉāṟi*, “miser”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: pisināri*
- *Say it: pisināri*, once more
- *Say it:* say *pisināri*
- *Recall:* say the Telugu for local, then the Telugu for stubborn, then say *pisināri* again

Before you move on

What does **పిసినారి** mean? ("Stingy; a miser".) Say it once more.

297.3 చురుకైన (curukaina) — active, alert

Before the new one: say the Telugu for stubborn, then the Telugu for stingy.

You'll want to know: చురుకైన

చురుకైన — *curukaina* — "active, alert".

The word, taken apart — its roots and family

చురుకైన (*curukaina*) is native Dravidian: *curuku*, "activity, briskness", one word with Tamil *cu̲rukku*, "quickness" (DEDR 2713), with *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: curukaina*
- *Say it: curukaina*, once more
- *Say it:* say *curukaina*
- *Recall:* say the Telugu for stubborn, then the Telugu for stingy, then say *curukaina* again

Before you move on

What does **చురుకైన** mean? ("Active, alert".) Say it once more.

297.4 అల్లరి (allari) — naughty; mischief

Before the new one: say the Telugu for stingy, then the Telugu for active.

You'll want to know: అల్లరి

అల్లరి — *allari* — "naughty; mischief".

The word, taken apart — its roots and family

అల్లరి (*allari*) is native Dravidian. DEDR 236 lists *allari*, "tumult, confusion, quarrel", with Tamil *ala*, "to suffer, be in distress". DEDR thinks Sanskrit *alasa*, "lazy", came from this Dravidian group.

What you've built

One more word for this chapter.

Your turn

- *Say it: allari*
- *Say it: allari*, once more
- *Say it:* say *allari*
- *Recall:* say the Telugu for stingy, then the Telugu for active, then say *allari* again

Before you move on

What does అల్లరి mean? ("Naughty; mischief".) Say it once more.

297.5 నిజాయితీ (nijāyitī) — honesty

Before the new one: say the Telugu for active, then the Telugu for naughty.

You'll want to know: నిజాయితీ

నిజాయితీ — *nijāyitī* — "honesty".

The word, taken apart — its roots and family

నిజాయితీ (*nijāyitī*) is built on Sanskrit *nija*, "constant; innate, one's own" (CDIAL 7181), with an ending that DEDR and CDIAL do not explain.

What you've built

One more word for this chapter.

Your turn

- *Say it: nijāyitī*
- *Say it: nijāyitī*, once more
- *Say it:* say *nijāyitī*
- *Recall:* say the Telugu for active, then the Telugu for naughty, then say *nijāyitī* again

Before you move on

What does **నిజాయితీ** mean? ("Honesty".) Say it once more.

Chapter 298

Blunt, Crooked, Flat, Hollow, Dim

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say blunt, crooked, flat, hollow and dim.
>
> *Complete the last lesson of chapter 298: I can say blunt, crooked, flat, hollow and dim.*

298.1 మొద్దు (moddu) — blunt; dull-witted

Before the new one: say the Telugu for naughty, then the Telugu for honesty.

You'll want to know: మొద్దు

మొద్దు — *moddu* — "blunt; dull-witted".

The word, taken apart — its roots and family

మొద్దు (*moddu*) is native Dravidian. DEDR 5118 lists *moddu*, "dull, stupid, blunt", with Kannada *moddu*, "bluntness", and Tamil *mottu*, "dullard".

What you've built

One more word for this chapter.

Your turn

- *Say it: moddu*
- *Say it: moddu*, once more
- *Say it:* say *moddu*
- *Recall:* say the Telugu for naughty, then the Telugu for honesty, then say *moddu* again

Before you move on

What does **మొద్దు** mean? ("Blunt; dull-witted".) Say it once more.

298.2 వంకర (vaṅkara) — crooked, bent

Before the new one: say the Telugu for honesty, then the Telugu for blunt.

You'll want to know: వంకర

వంకర — *vaṅkara* — "crooked, bent".

The word, taken apart — its roots and family

వంకర (*vaṅkara*) matches Sanskrit *vaṅkara* (CDIAL 11193), a lexicon word for "bend of a river"; CDIAL only infers the sense "crooked". CDIAL ties *vaṅka*, "bent, crooked", to a probably non-Aryan word-group.

What you've built

One more word for this chapter.

Your turn

- *Say it: vaṅkara*
- *Say it: vaṅkara*, once more
- *Say it:* say *vaṅkara*

- *Recall:* say the Telugu for honesty, then the Telugu for blunt, then say *vaṅkara* again

Before you move on

What does **వంకర** mean? ("Crooked, bent".) Say it once more.

298.3 చదునైన (cadunaina) — flat, level

Before the new one: say the Telugu for blunt, then the Telugu for crooked.

You'll want to know: చదునైన

చదునైన — *cadunaina* — "flat, level".

The word, taken apart — its roots and family

చదునైన (*cadunaina*) is native Dravidian: *cadunu*, "even, level", which DEDR 2322 lists under *cadumu*, "to strike", with Kannada *sade*, "to pound", and *aina*, "which is" (DEDR 333).

What you've built

One more word for this chapter.

Your turn

- *Say it: cadunaina*
- *Say it: cadunaina*, once more
- *Say it:* say *cadunaina*
- *Recall:* say the Telugu for blunt, then the Telugu for crooked, then say *cadunaina* again

Before you move on

What does **చదునైన** mean? ("Flat, level".) Say it once more.

298.4 బోలు (bōlu) — hollow

Before the new one: say the Telugu for crooked, then the Telugu for flat.

You'll want to know: బోలు

బోలు — *bōlu* — "hollow".

The word, taken apart — its roots and family

బోలు (*bōlu*) is native Dravidian. DEDR 4604 lists *bōlu*, "hollow", with Tamil *pōr*, "hollow of a tree", and Kannada *pōr*, "hole".

What you've built

One more word for this chapter.

Your turn

- *Say it: bōlu*
- *Say it: bōlu*, once more
- *Say it:* say *bōlu*
- *Recall:* say the Telugu for crooked, then the Telugu for flat, then say *bōlu* again

Before you move on

What does **బోలు** mean? ("Hollow".) Say it once more.

298.5 మసక (masaka) — dim, blurry

Before the new one: say the Telugu for flat, then the Telugu for hollow.

You'll want to know: మసక

మసక — *masaka* — "dim, blurry".

The word, taken apart — its roots and family

మసక (*masaka*) is native Dravidian, one word with Kannada *masaka* (DEDR 4627). DEDR lists Telugu *masaka*, “dimness, dusk”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *masaka*
- *Say it:* *masaka*, once more
- *Say it:* say *masaka*
- *Recall:* say the Telugu for flat, then the Telugu for hollow, then say *masaka* again

Before you move on

What does **మసక** mean? (“Dim, blurry”.) Say it once more.

Chapter 299

Chickpeas, Mustard seeds, Coriander leaves, Curry leaves, Buttermilk

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say chickpeas, mustard seeds, coriander leaves, curry leaves and buttermilk.

Complete the last lesson of chapter 299: I can say chickpeas, mustard seeds, coriander leaves, curry leaves and buttermilk.

299.1 శనగలు (śanagalu) — chickpeas

Before the new one: say the Telugu for hollow, then the Telugu for dim.

You'll want to know: శనగలు

శనగలు — *śanagalu* — "chickpeas".

The word, taken apart — its roots and family

శనగలు (*śanagalu*) matches Sanskrit *caṇaka*, "chickpea" (CDIAL 4579), with the Telugu plural ending *-lu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *śanagalu*
- *Say it:* *śanagalu*, once more
- *Say it:* say *śanagalu*
- *Recall:* say the Telugu for hollow, then the Telugu for dim, then say *śanagalu* again

Before you move on

What does **శనగలు** mean? (“Chickpeas”.) Say it once more.

299.2 ఆవాలు (āvālu) — mustard seeds

Before the new one: say the Telugu for dim, then the Telugu for chickpeas.

You’ll want to know: ఆవాలు

ఆవాలు — *āvālu* — “mustard seeds”.

The word, taken apart — its roots and family

DEDR 921 lists **ఆవాలు** (*āvālu*), “mustard seeds”, with a query, beside Tamil *aiyavi*, “mustard”, and points to a possible link with Sanskrit *sarṣapa*, “mustard seed” (CDIAL 13281).

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *āvālu*
- *Say it:* *āvālu*, once more
- *Say it:* say *āvālu*
- *Recall:* say the Telugu for dim, then the Telugu for chickpeas, then say *āvālu* again

Before you move on

What does **ఆవాలు** mean? ("Mustard seeds".) Say it once more.

299.3 కొత్తిమీర (kottimīra) — coriander leaves

Before the new one: say the Telugu for chickpeas, then the Telugu for mustard seeds.

You'll want to know: కొత్తిమీర

కొత్తిమీర — *kottimīra* — "coriander leaves".

The word, taken apart — its roots and family

కొత్తిమీర (*kottimīra*) probably comes from the northern coriander word, Hindi *kothmīr*, Oriya *kothimiri*, which CDIAL 3380 traces to Sanskrit *kustumbarī*, "coriander"; CDIAL calls that word non-Aryan.

What you've built

One more word for this chapter.

Your turn

- *Say it: kottimīra*
- *Say it: kottimīra*, once more
- *Say it:* say *kottimīra*
- *Recall:* say the Telugu for chickpeas, then the Telugu for mustard seeds, then say *kottimīra* again

Before you move on

What does **కొత్తిమీర** mean? ("Coriander leaves".) Say it once more.

299.4 కరివేపాకు (karivēpāku) — curry leaves

Before the new one: say the Telugu for mustard seeds, then the Telugu for coriander leaves.

You'll want to know: కరివేపాకు

కరివేపాకు — *karivēpāku* — "curry leaves".

The word, taken apart — its roots and family

కరివేపాకు (*karivēpāku*) is *kari*, "curry", with native *vēpa*, "neem" (DEDR 5531), and *āku*, "leaf" (DEDR 335): "curry-neem leaf".

What you've built

One more word for this chapter.

Your turn

- *Say it: karivēpāku*
- *Say it: karivēpāku*, once more
- *Say it:* say *karivēpāku*
- *Recall:* say the Telugu for mustard seeds, then the Telugu for coriander leaves, then say *karivēpāku* again

Before you move on

What does **కరివేపాకు** mean? ("Curry leaves".) Say it once more.

299.5 మజ్జిగ (majjiga) — buttermilk

Before the new one: say the Telugu for coriander leaves, then the Telugu for curry leaves.

You'll want to know: మజ్జిగ

మజ్జిగ — *majjiga* — "buttermilk".

The word, taken apart — its roots and family

DEDR 4630 lists **మజ్జిగ** (*majjiga*), "buttermilk", with Tamil *maccikai* and Kannada *majjige*, and asks whether the word came from Indo-Aryan, comparing Prakrit *majjiā*, "a curd dish".

What you've built

One more word for this chapter.

Your turn

- *Say it: majjiga*
- *Say it: majjiga*, once more
- *Say it:* say *majjiga*
- *Recall:* say the Telugu for coriander leaves, then the Telugu for curry leaves, then say *majjiga* again

Before you move on

What does మజ్జిగ mean? ("Buttermilk".) Say it once more.

Chapter 300

Shoes, Chain, Earrings, Button, Handkerchief

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say shoes, a chain, earrings, a button and a handkerchief.

Complete the last lesson of chapter 300: I can say shoes, a chain, earrings, a button and a handkerchief.

300.1 బూట్లు (būṭlu) — shoes

Before the new one: say the Telugu for curry leaves, then the Telugu for buttermilk.

You'll want to know: బూట్లు

బూట్లు — *būṭlu* — "shoes".

The word, taken apart — its roots and family

బూట్లు (*būṭlu*) is a loan from English *boots*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *būṭlu*
- *Say it:* *būṭlu*, once more
- *Say it:* say *būṭlu*
- *Recall:* say the Telugu for curry leaves, then the Telugu for buttermilk, then say *būṭlu* again

Before you move on

What does బూట్లు mean? ("Shoes".) Say it once more.

300.2 గొలుసు (golusu) — a chain, a necklace

Before the new one: say the Telugu for buttermilk, then the Telugu for shoes.

You'll want to know: గొలుసు

గొలుసు — *golusu* — "a chain, a necklace".

The word, taken apart — its roots and family

గొలుసు (*golusu*) is native Dravidian, one word with Tamil *kolucu* and Kannada *golasu* (DEDR 2134). DEDR lists Telugu *golusu*, "a chain".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *golusu*
- *Say it:* *golusu*, once more
- *Say it:* say *golusu*
- *Recall:* say the Telugu for buttermilk, then the Telugu for shoes, then say *golusu* again

Before you move on

What does **గొలుసు** mean? ("A chain, a necklace".) Say it once more.

300.3 చెవిపోగులు (cevipōgulu) — earrings

Before the new one: say the Telugu for shoes, then the Telugu for a chain.

You'll want to know: చెవిపోగులు

చెవిపోగులు — *cevipōgulu* — "earrings".

The word, taken apart — its roots and family

చెవిపోగులు (*cevipōgulu*) is native *cevi*, "ear", one word with Tamil *cevi* (DEDR 1977), and *pōgu*, "earring", which DEDR 4545 lists with a query.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cevipōgulu*
- *Say it:* *cevipōgulu*, once more
- *Say it:* say *cevipōgulu*
- *Recall:* say the Telugu for shoes, then the Telugu for a chain, then say *cevipōgulu* again

Before you move on

What does **చెవిపోగులు** mean? ("Earrings".) Say it once more.

300.4 గుండీ (guṇḍī) — a button

Before the new one: say the Telugu for a chain, then the Telugu for earrings.

You'll want to know: గుండీ

గుండీ — *guṇḍī* — "a button".

The word, taken apart — its roots and family

గుండీ (*guṇḍī*) is probably a northern loan, like Hindi *ghuṇḍī*, "tag, button", which CDIAL 4483 sets under a reconstructed *ghuṇṭa, "knot, button".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *guṇḍī*
- *Say it:* *guṇḍī*, once more
- *Say it:* say *guṇḍī*
- *Recall:* say the Telugu for a chain, then the Telugu for earrings, then say *guṇḍī* again

Before you move on

What does **గుండీ** mean? ("A button".) Say it once more.

300.5 చేతిరుమాలు (cētirumālu) — a handkerchief

Before the new one: say the Telugu for earrings, then the Telugu for a button.

You'll want to know: చేతిరుమాలు

చేతిరుమాలు — *cētirumālu* — "a handkerchief".

The word, taken apart — its roots and family

చేతిరుమాలు (*cētirumālu*) is native *cēti*, "of the hand", and *rumālu*, a loan from Persian *rūmāl*, "handkerchief", through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *cētirumālu*
- *Say it:* *cētirumālu*, once more
- *Say it:* say *cētirumālu*
- *Recall:* say the Telugu for earrings, then the Telugu for a button, then say *cētirumālu* again

Before you move on

What does **చేతిరుమాలు** mean? ("A handkerchief".) Say it once more.

Chapter 301

Dictionary, Cart, Auto-rickshaw, Taxi, Petrol

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a dictionary, a cart, an auto-rickshaw, a taxi and petrol.
>
> *Complete the last lesson of chapter 301: I can say a dictionary, a cart, an auto-rickshaw, a taxi and petrol.*

301.1 నిఘంటువు (nighaṇṭuvu) — a dictionary

> Before the new one: say the Telugu for a button, then the Telugu for a handkerchief.

You'll want to know: నిఘంటువు

నిఘంటువు — *nighaṇṭuvu* — "a dictionary".

The word, taken apart — its roots and family

నిఘంటువు (*nighaṇṭuvu*) is Sanskrit *nighaṇṭu*, "glossary, word list", with the Telugu ending *-vu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *nighaṇṭuvu*
- *Say it:* *nighaṇṭuvu*, once more
- *Say it:* say *nighaṇṭuvu*
- *Recall:* say the Telugu for a button, then the Telugu for a handkerchief, then say *nighaṇṭuvu* again

Before you move on

What does **నిఘంటువు** mean? (“A dictionary”.) Say it once more.

301.2 బండి (baṇḍi) — a cart; a vehicle

Before the new one: say the Telugu for a handkerchief, then the Telugu for a dictionary.

You’ll want to know: బండి

బండి — *baṇḍi* — “a cart; a vehicle”.

The word, taken apart — its roots and family

బండి (*baṇḍi*) is listed in DEDR’s appendix of words taken from Indo-Aryan (DEDR App. 50), with Tamil *vaṇṭi* and Kannada *baṇḍi*, “cart”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *baṇḍi*
- *Say it:* *baṇḍi*, once more
- *Say it:* say *baṇḍi*
- *Recall:* say the Telugu for a handkerchief, then the Telugu for a dictionary, then say *baṇḍi* again

Before you move on

What does **బండి** mean? (“A cart; a vehicle”.) Say it once more.

301.3 ఆటో (āṭō) — an auto-rickshaw

Before the new one: say the Telugu for a dictionary, then the Telugu for a cart.

You’ll want to know: ఆటో

ఆటో — *āṭō* — “an auto-rickshaw”.

The word, taken apart — its roots and family

ఆటో (*āṭō*) is a loan from English *auto*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *āṭō*
- *Say it:* *āṭō*, once more
- *Say it:* say *āṭō*
- *Recall:* say the Telugu for a dictionary, then the Telugu for a cart, then say *āṭō* again

Before you move on

What does **ఆటో** mean? (“An auto-rickshaw”.) Say it once more.

301.4 టాక్సీ (ṭāksī) — a taxi

Before the new one: say the Telugu for a cart, then the Telugu for an auto-rickshaw.

You'll want to know: టాక్సీ

టాక్సీ — *ṭāksī* — "a taxi".

The word, taken apart — its roots and family

టాక్సీ (*ṭāksī*) is a loan from English *taxi*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ṭāksī*
- *Say it:* *ṭāksī*, once more
- *Say it:* say *ṭāksī*
- *Recall:* say the Telugu for a cart, then the Telugu for an auto-rickshaw, then say *ṭāksī* again

Before you move on

What does టాక్సీ mean? ("A taxi".) Say it once more.

301.5 పెట్రోలు (peṭrōlu) — petrol

Before the new one: say the Telugu for an auto-rickshaw, then the Telugu for a taxi.

You'll want to know: పెట్రోలు

పెట్రోలు — *peṭrōlu* — "petrol".

The word, taken apart — its roots and family

పెట్రోలు (*peṭrōlu*) is a loan from English *petrol*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *peṭrōlu*
- *Say it:* *peṭrōlu*, once more
- *Say it:* say *peṭrōlu*
- *Recall:* say the Telugu for an auto-rickshaw, then the Telugu for a taxi, then say *peṭrōlu* again

Before you move on

What does పెట్రోలు mean? (“Petrol”.) Say it once more.

Chapter 302

Ox, Calf, Sheep, Wolf, Crocodile

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say an ox, a calf, a sheep, a wolf and a crocodile.
>
> *Complete the last lesson of chapter 302: I can say an ox, a calf, a sheep, a wolf and a crocodile.*

302.1 ఎద్దు (eddu) — an ox, a bull

Before the new one: say the Telugu for a taxi, then the Telugu for petrol.

You'll want to know: ఎద్దు

ఎద్దు — *eddu* — "an ox, a bull".

The word, taken apart — its roots and family

ఎద్దు (*eddu*) is native Dravidian, one word with Tamil *erutu* and Kannada *eddu* (DEDR 815). DEDR lists Telugu *eddu*, "ox, bull".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *eddu*
- *Say it:* *eddu*, once more
- *Say it:* say *eddu*
- *Recall:* say the Telugu for a taxi, then the Telugu for petrol, then say *eddu* again

Before you move on

What does ఎద్దు mean? (“An ox, a bull”.) Say it once more.

302.2 దూడ (dūḍa) — a calf

Before the new one: say the Telugu for petrol, then the Telugu for an ox.

You’ll want to know: దూడ

దూడ — *dūḍa* — “a calf”.

The word, taken apart — its roots and family

దూడ (*dūḍa*) is native Dravidian. DEDR 3378 lists *dūḍa*, “a calf”, with Gondi *ḍuḍḍe*, “female young of a buffalo”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *dūḍa*
- *Say it:* *dūḍa*, once more
- *Say it:* say *dūḍa*
- *Recall:* say the Telugu for petrol, then the Telugu for an ox, then say *dūḍa* again

Before you move on

What does దూడ mean? ("A calf".) Say it once more.

302.3 గొర్రె (gorre) — a sheep

Before the new one: say the Telugu for an ox, then the Telugu for a calf.

You'll want to know: గొర్రె

గొర్రె — *gorre* — "a sheep".

The word, taken apart — its roots and family

గొర్రె (*gorre*) is native Dravidian, one word with Tamil *koṟi* and Kannada *koṟi* (DEDR 2165). DEDR lists Telugu *gorre*, "sheep".

What you've built

One more word for this chapter.

Your turn

- *Say it: gorre*
- *Say it: gorre*, once more
- *Say it:* say *gorre*
- *Recall:* say the Telugu for an ox, then the Telugu for a calf, then say *gorre* again

Before you move on

What does గొర్రె mean? ("A sheep".) Say it once more.

302.4 తోడేలు (tōḍēlu) — a wolf

Before the new one: say the Telugu for a calf, then the Telugu for a sheep.

You'll want to know: తోడేలు

తోడేలు — *tōḍēlu* — "a wolf".

The word, taken apart — its roots and family

తోడేలు (*tōḍēlu*) is native Dravidian. DEDR 3548 lists a nasalised *tōḍēlu*, "wolf", with Tamil *tōṇṭāṉ* and Kannada *tōḷa*, "wolf".

What you've built

One more word for this chapter.

Your turn

- *Say it: tōḍēlu*
- *Say it: tōḍēlu*, once more
- *Say it:* say *tōḍēlu*
- *Recall:* say the Telugu for a calf, then the Telugu for a sheep, then say *tōḍēlu* again

Before you move on

What does **తోడేలు** mean? ("A wolf".) Say it once more.

302.5 మొసలి (mosali) — a crocodile

Before the new one: say the Telugu for a sheep, then the Telugu for a wolf.

You'll want to know: మొసలి

మొసలి — *mosali* — "a crocodile".

The word, taken apart — its roots and family

మొసలి (*mosali*) is native Dravidian. DEDR 4952 lists *mosali*, "crocodile", with Tamil *mutalai* and Kannada *mosaḷe*. DEDR compares Sanskrit *mācala*, "crocodile", a lexicon word.

What you've built

One more word for this chapter.

Your turn

- *Say it: mosali*
- *Say it: mosali*, once more
- *Say it:* say *mosali*
- *Recall:* say the Telugu for a sheep, then the Telugu for a wolf, then say *mosali* again

Before you move on

What does **మొసలి** mean? ("A crocodile".) Say it once more.

Chapter 303

Thorn, Creeper, Bamboo, Sugarcane, Worship

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a thorn, a creeper, bamboo, sugarcane and worship.

Complete the last lesson of chapter 303: I can say a thorn, a creeper, bamboo, sugarcane and worship.

303.1 ముల్లు (mullu) — a thorn

Before the new one: say the Telugu for a wolf, then the Telugu for a crocodile.

You'll want to know: ముల్లు

ముల్లు — *mullu* — "a thorn".

The word, taken apart — its roots and family

ముల్లు (*mullu*) is native Dravidian, one word with Tamil *muḷ* and Kannada *muḷḷu* (DEDR 4995). DEDR lists Telugu *mullu*, "thorn".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *mullu*
- *Say it:* *mullu*, once more
- *Say it:* say *mullu*
- *Recall:* say the Telugu for a wolf, then the Telugu for a crocodile, then say *mullu* again

Before you move on

What does ముల్లు mean? (“A thorn”.) Say it once more.

303.2 తీగ (tīga) — a creeper, a vine

Before the new one: say the Telugu for a crocodile, then the Telugu for a thorn.

You’ll want to know: తీగ

తీగ — *tīga* — “a creeper, a vine”.

The word, taken apart — its roots and family

తీగ (*tīga*) is native Dravidian. DEDR 3269 lists a nasalised *tīga*, “creeper, vine; wire”, with Kannada *tīge*, “creeping plant”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *tīga*
- *Say it:* *tīga*, once more
- *Say it:* say *tīga*
- *Recall:* say the Telugu for a crocodile, then the Telugu for a thorn, then say *tīga* again

Before you move on

What does **తీగ** mean? ("A creeper, a vine".) Say it once more.

303.3 వెదురు (veduru) — bamboo

Before the new one: say the Telugu for a thorn, then the Telugu for a creeper.

You'll want to know: వెదురు

వెదురు — *veduru* — "bamboo".

The word, taken apart — its roots and family

వెదురు (*veduru*) is native Dravidian, one word with Tamil *vetir* and Kannada *bidiru* (DEDR 5485). DEDR lists Telugu *veduru*, "bamboo".

What you've built

One more word for this chapter.

Your turn

- *Say it: veduru*
- *Say it: veduru*, once more
- *Say it:* say *veduru*
- *Recall:* say the Telugu for a thorn, then the Telugu for a creeper, then say *veduru* again

Before you move on

What does **వెదురు** mean? ("Bamboo".) Say it once more.

303.4 చెరకు (ceraku) — sugarcane

Before the new one: say the Telugu for a creeper, then the Telugu for bamboo.

You'll want to know: చెరకు

చెరకు — *ceraku* — "sugarcane".

The word, taken apart — its roots and family

చెరకు (*ceraku*) is Dravidian. DEDR 2795 lists *ceṟaku*, "sugarcane", with Kannada *ceruku*, "sugarcane".

What you've built

One more word for this chapter.

Your turn

- *Say it:* *ceraku*
- *Say it:* *ceraku*, once more
- *Say it:* say *ceraku*
- *Recall:* say the Telugu for a creeper, then the Telugu for bamboo, then say *ceraku* again

Before you move on

What does **చెరకు** mean? ("Sugarcane".) Say it once more.

303.5 పూజ (pūja) — worship, a puja

Before the new one: say the Telugu for bamboo, then the Telugu for sugarcane.

You'll want to know: పూజ

పూజ — *pūja* — "worship, a puja".

The word, taken apart — its roots and family

పూజ (*pūja*) is Sanskrit *pūjā*, "honour, worship", taken over whole as a learned loan, a tatsama, with the final *-ā* shortened (CDIAL 8317).

What you've built

One more word for this chapter.

Your turn

- *Say it:* *pūja*
- *Say it:* *pūja*, once more
- *Say it:* say *pūja*
- *Recall:* say the Telugu for bamboo, then the Telugu for sugarcane, then say *pūja* again

Before you move on

What does పూజ mean? ("Worship, a puja".) Say it once more.

Chapter 304

Nature, Sport, Player, Cricket, Chess

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say nature, a sport, a player, cricket and chess.
>
> *Complete the last lesson of chapter 304: I can say nature, a sport, a player, cricket and chess.*

304.1 ప్రకృతి (prakṛti) — nature

> Before the new one: say the Telugu for sugarcane, then the Telugu for worship.

You'll want to know: ప్రకృతి

ప్రకృతి — *prakṛti* — "nature".

The word, taken apart — its roots and family

ప్రకృతి (*prakṛti*) is Sanskrit *prakṛti*, "cause, source, nature", taken over whole as a learned loan, a tatsama (CDIAL 8446).

What you've built

One more word for this chapter.

Your turn

- *Say it: prakṛti*
- *Say it: prakṛti*, once more
- *Say it:* say *prakṛti*
- *Recall:* say the Telugu for sugarcane, then the Telugu for worship, then say *prakṛti* again

Before you move on

What does ప్రకృతి mean? (“Nature”.) Say it once more.

304.2 క్రీడ (krīḍa) — a sport

Before the new one: say the Telugu for worship, then the Telugu for nature.

You’ll want to know: క్రీడ

క్రీడ — *krīḍa* — “a sport”.

The word, taken apart — its roots and family

క్రీడ (*krīḍa*) is Sanskrit *krīḍā*, “play, sport”, taken over as a learned loan, a tatsama, with the final *-ā* shortened.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: krīḍa*
- *Say it: krīḍa*, once more
- *Say it:* say *krīḍa*
- *Recall:* say the Telugu for worship, then the Telugu for nature, then say *krīḍa* again

Before you move on

What does క్రీడ mean? (“A sport”.) Say it once more.

304.3 ఆటగాడు (āṭagāḍu) — a player

Before the new one: say the Telugu for nature, then the Telugu for a sport.

You’ll want to know: ఆటగాడు

ఆటగాడు — *āṭagāḍu* — “a player”.

The word, taken apart — its roots and family

ఆటగాడు (*āṭagāḍu*) is native Dravidian: *āṭa*, “play, game”, from *āḍu*, “to play” (DEDR 347), with *-gāḍu*, “one who does”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *āṭagāḍu*
- *Say it:* *āṭagāḍu*, once more
- *Say it:* say *āṭagāḍu*
- *Recall:* say the Telugu for nature, then the Telugu for a sport, then say *āṭagāḍu* again

Before you move on

What does **ఆటగాడు** mean? (“A player”.) Say it once more.

304.4 క్రికెట్ (kriketṭ) — cricket

Before the new one: say the Telugu for a sport, then the Telugu for a player.

You'll want to know: క్రికెట్

క్రికెట్ — *kriketa* — "cricket".

The word, taken apart — its roots and family

క్రికెట్ (*kriketa*) is a loan from English *cricket*.

What you've built

One more word for this chapter.

Your turn

- *Say it: kriketa*
- *Say it: kriketa*, once more
- *Say it:* say *kriketa*
- *Recall:* say the Telugu for a sport, then the Telugu for a player, then say *kriketa* again

Before you move on

What does **క్రికెట్** mean? ("Cricket".) Say it once more.

304.5 చదరంగం (cadaraṅgaṁ) — chess

Before the new one: say the Telugu for a player, then the Telugu for cricket.

You'll want to know: చదరంగం

చదరంగం — *cadaraṅgaṁ* — "chess".

The word, taken apart — its roots and family

చదరంగం (*cadaraṅgaṁ*) comes from Sanskrit *caturaṅga*, "having four limbs; consisting of four parts" (CDIAL 4596), reshaped to Telugu sounds (*t* to *d*): a tadbhava. The game of the four arms of an army took the name.

What you've built

One more word for this chapter.

Your turn

- *Say it: cadaraṅgaṁ*
- *Say it: cadaraṅgaṁ*, once more
- *Say it:* say *cadaraṅgaṁ*
- *Recall:* say the Telugu for a player, then the Telugu for cricket, then say *cadaraṅgaṁ* again

Before you move on

What does **చదరంగం** mean? ("Chess".) Say it once more.

304.6 Words from chapters 296-299 — a first pass

Say the words for cricket and chess.

Your turn

Say these aloud:

- hard, special, convenient, useful, local
- stubborn, stingy, active, naughty, honesty
- blunt, crooked, flat, hollow, dim
- chickpeas, mustard seeds, coriander leaves, curry leaves, buttermilk

Before you move on

Hard? (**కఠినమైన**, *kaṭhinamaina.*) Special? (**ప్రత్యేక**, *pratyēka.*) Convenient? (**అనుకూలమైన**, *anukūlamaina.*) Useful? (**ఉపయోగకరమైన**, *upayōgakaramaina.*) Local? (**స్థానిక**, *sthānika.*) Stubborn? (**మొండి**, *moṇḍi.*) Stingy? (**పిసినారి**, *pisināri.*) Active? (**చురుకైన**, *curukaina.*) Naughty? (**అల్లరి**, *allari.*) Honesty? (**నిజాయితీ**,

nijāyitī.) Blunt? (**మొద్దు**, *moddu.*) Crooked? (**వంకర**, *vaṅkara.*) Flat? (**చదునైన**, *cadunaina.*) Hollow? (**బోలు**, *bōlu.*) Dim? (**మసక**, *masaka.*) Chickpeas? (**శనగలు**, *śanagalu.*) Mustard seeds? (**ఆవాలు**, *āvālu.*) Coriander leaves? (**కొత్తిమీర**, *kottimīra.*) Curry leaves? (**కరివేపాకు**, *karivēpāku.*) Buttermilk? (**మజ్జిగ**, *majjiga.*)

304.7 Words from chapters 300-304 — a second pass

Say the words for shoes and a chain.

Your turn

Say these aloud:

- shoes, a chain, earrings, a button, a handkerchief
- a dictionary, a cart, an auto-rickshaw, a taxi, petrol
- an ox, a calf, a sheep, a wolf, a crocodile
- a thorn, a creeper, bamboo, sugarcane, worship
- nature, a sport, a player, cricket, chess

Before you move on

Shoes? (**బూట్లు**, *būṭlu.*) A chain? (**గొలుసు**, *golusu.*) Earrings? (**చెవిపోగులు**, *cevipōgulu.*) A button? (**గుండీ**, *guṇḍī.*) A handkerchief? (**చేతిరుమాలు**, *cētirumālu.*) A dictionary? (**నిఘంటువు**, *nighaṇṭuvu.*) A cart? (**బండి**, *baṇḍi.*) An auto-rickshaw? (**ఆటో**, *āṭō.*) A taxi? (**టాక్సీ**, *ṭāksī.*) Petrol? (**పెట్రోలు**, *peṭrōlu.*) An ox? (**ఎద్దు**, *eddu.*) A calf? (**దూడ**, *dūḍa.*) A sheep? (**గొర్రె**, *gorre.*) A wolf? (**తోడేలు**, *tōḍēlu.*) A crocodile? (**మొసలి**, *mosali.*) A thorn? (**ముల్లు**, *mullu.*) A creeper? (**తీగ**, *tīga.*) Bamboo? (**వెదురు**, *veduru.*) Sugarcane? (**చెరకు**, *ceraku.*) Worship? (**పూజ**, *pūja.*) Nature? (**ప్రకృతి**, *prakṛti.*) A sport? (**క్రీడ**, *krīḍa.*) A player? (**ఆటగాడు**, *āṭagāḍu.*) Cricket? (**క్రికెట్**, *kriketṭ.*) Chess? (**చదరంగం**, *cadaraṅgaṁ.*)

Chapter 305

App, Keyboard, Laptop, Battery, Video

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say an app, a keyboard, a laptop, a battery and a video.
>
> *Complete the last lesson of chapter 305: I can say an app, a keyboard, a laptop, a battery and a video.*

305.1 యాప్ (yāp) — an app

> Before the new one: say the Telugu for cricket, then the Telugu for chess.

You'll want to know: యాప్

యాప్ — *yāp* — "an app".

The word, taken apart — its roots and family

యాప్ (*yāp*) is a loan from English *app*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *yāp*
- *Say it:* *yāp*, once more
- *Say it:* say *yāp*
- *Recall:* say the Telugu for cricket, then the Telugu for chess, then say *yāp* again

Before you move on

What does యాప్ mean? ("An app".) Say it once more.

305.2 కీబోర్డు (kībōrḍu) — a keyboard

Before the new one: say the Telugu for chess, then the Telugu for an app.

You'll want to know: కీబోర్డు

కీబోర్డు — *kībōrḍu* — "a keyboard".

The word, taken apart — its roots and family

కీబోర్డు (*kībōrḍu*) is a loan from English *keyboard*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kībōrḍu*
- *Say it:* *kībōrḍu*, once more
- *Say it:* say *kībōrḍu*
- *Recall:* say the Telugu for chess, then the Telugu for an app, then say *kībōrḍu* again

Before you move on

What does కీబోర్డు mean? ("A keyboard".) Say it once more.

305.3 ల్యాప్టాప్ (lyāpṭāp) — a laptop

Before the new one: say the Telugu for an app, then the Telugu for a keyboard.

You'll want to know: ల్యాప్టాప్

ల్యాప్టాప్ — *lyāpṭāp* — "a laptop".

The word, taken apart — its roots and family

ల్యాప్టాప్ (*lyāpṭāp*) is a loan from English *laptop*.

What you've built

One more word for this chapter.

Your turn

- *Say it: lyāpṭāp*
- *Say it: lyāpṭāp*, once more
- *Say it:* say *lyāpṭāp*
- *Recall:* say the Telugu for an app, then the Telugu for a keyboard, then say *lyāpṭāp* again

Before you move on

What does ల్యాప్టాప్ mean? ("A laptop".) Say it once more.

305.4 బ్యాటరీ (byāṭarī) — a battery

Before the new one: say the Telugu for a keyboard, then the Telugu for a laptop.

You'll want to know: బ్యాటరీ

బ్యాటరీ — *byāṭarī* — "a battery".

The word, taken apart — its roots and family

బ్యాటరీ (*byāṭarī*) is a loan from English *battery*.

What you've built

One more word for this chapter.

Your turn

- *Say it: byāṭarī*
- *Say it: byāṭarī*, once more
- *Say it:* say *byāṭarī*
- *Recall:* say the Telugu for a keyboard, then the Telugu for a laptop, then say *byāṭarī* again

Before you move on

What does బ్యాటరీ mean? ("A battery".) Say it once more.

305.5 వీడియో (vīḍiyō) — a video

Before the new one: say the Telugu for a laptop, then the Telugu for a battery.

You'll want to know: వీడియో

వీడియో — *vīḍiyō* — "a video".

The word, taken apart — its roots and family

వీడియో (*vīḍiyō*) is a loan from English *video*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *vīḍiyō*
- *Say it:* *vīḍiyō*, once more
- *Say it:* say *vīḍiyō*
- *Recall:* say the Telugu for a laptop, then the Telugu for a battery, then say *vīḍiyō* again

Before you move on

What does **వీడియో** mean? (“A video”.) Say it once more.

Chapter 306

Steel, Cement, Leather, Cotton, Wool

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say steel, cement, leather, cotton and wool.

Complete the last lesson of chapter 306: I can say steel, cement, leather, cotton and wool.

306.1 ఉక్కు (ukku) — steel

Before the new one: say the Telugu for a battery, then the Telugu for a video.

You'll want to know: ఉక్కు

ఉక్కు — *ukku* — "steel".

The word, taken apart — its roots and family

ఉక్కు (*ukku*) is native Dravidian. DEDR 661 lists *ukku*, "steel", with Malayalam *urukku*, "fused metal, steel", under the word for "to melt".

What you've built

One more word for this chapter.

Your turn

- *Say it: ukku*
- *Say it: ukku*, once more
- *Say it:* say *ukku*
- *Recall:* say the Telugu for a battery, then the Telugu for a video, then say *ukku* again

Before you move on

What does **ఉక్కు** mean? (“Steel”.) Say it once more.

306.2 సిమెంటు (simeṇṭu) — cement

Before the new one: say the Telugu for a video, then the Telugu for steel.

You’ll want to know: సిమెంటు

సిమెంటు — *simeṇṭu* — “cement”.

The word, taken apart — its roots and family

సిమెంటు (*simeṇṭu*) is a loan from English *cement*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: simeṇṭu*
- *Say it: simeṇṭu*, once more
- *Say it:* say *simeṇṭu*
- *Recall:* say the Telugu for a video, then the Telugu for steel, then say *simeṇṭu* again

Before you move on

What does సిమెంటు mean? (“Cement”.) Say it once more.

306.3 తోలు (tōlu) — leather

Before the new one: say the Telugu for steel, then the Telugu for cement.

You’ll want to know: తోలు

తోలు — *tōlu* — “leather”.

The word, taken apart — its roots and family

తోలు (*tōlu*) is native Dravidian, one word with Tamil *tōl* and Kannada *tōlu* (DEDR 3559). DEDR lists Telugu *tōlu*, “skin, hide, leather”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: tōlu*
- *Say it: tōlu*, once more
- *Say it:* say *tōlu*
- *Recall:* say the Telugu for steel, then the Telugu for cement, then say *tōlu* again

Before you move on

What does తోలు mean? (“Leather”.) Say it once more.

306.4 పత్తి (patti) — cotton

Before the new one: say the Telugu for cement, then the Telugu for leather.

You'll want to know: పత్తి

పత్తి — *patti* — "cotton".

The word, taken apart — its roots and family

పత్తి (*patti*) is native Dravidian, one word with Tamil *parutti* and Kannada *patti* (DEDR 3976). DEDR lists Telugu *patti*, "cotton".

What you've built

One more word for this chapter.

Your turn

- *Say it: patti*
- *Say it: patti*, once more
- *Say it:* say *patti*
- *Recall:* say the Telugu for cement, then the Telugu for leather, then say *patti* again

Before you move on

What does పత్తి mean? ("Cotton".) Say it once more.

306.5 ఉన్ని (unni) — wool

Before the new one: say the Telugu for leather, then the Telugu for cotton.

You'll want to know: ఉన్ని

ఉన్ని — *unni* — "wool".

The word, taken apart — its roots and family

ఉన్ని (*unni*) is usually traced to Sanskrit *ūrṇā*, "wool" (CDIAL 2424), reshaped to Telugu sounds.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *unni*
- *Say it:* *unni*, once more
- *Say it:* say *unni*
- *Recall:* say the Telugu for leather, then the Telugu for cotton, then say *unni* again

Before you move on

What does ఉన్ని mean? ("Wool".) Say it once more.

Chapter 307

Fridge, Mixer-grinder, Dirty dishes, Incense stick, Kumkum

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a fridge, a mixer-grinder, dirty dishes, an incense stick and kumkum.

Complete the last lesson of chapter 307: I can say a fridge, a mixer-grinder, dirty dishes, an incense stick and kumkum.

307.1 ఫ్రిజ్జు (phrijju) — a fridge

Before the new one: say the Telugu for cotton, then the Telugu for wool.

You'll want to know: ఫ్రిజ్జు

ఫ్రిజ్జు — *phrijju* — "a fridge".

The word, taken apart — its roots and family

ఫ్రిజ్జు (*phrijju*) is a loan from English *fridge*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *phrijju*
- *Say it:* *phrijju*, once more
- *Say it:* say *phrijju*
- *Recall:* say the Telugu for cotton, then the Telugu for wool, then say *phrijju* again

Before you move on

What does ఫ్రిజ్జు mean? ("A fridge".) Say it once more.

307.2 మిక్సీ (miksī) — a mixer-grinder

Before the new one: say the Telugu for wool, then the Telugu for a fridge.

You'll want to know: మిక్సీ

మిక్సీ — *miksī* — "a mixer-grinder".

The word, taken apart — its roots and family

మిక్సీ (*miksī*) is a loan from English *mixie*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *miksī*
- *Say it:* *miksī*, once more
- *Say it:* say *miksī*
- *Recall:* say the Telugu for wool, then the Telugu for a fridge, then say *miksī* again

Before you move on

What does మిక్సీ mean? (“A mixer-grinder”.) Say it once more.

307.3 అంట్లు (aṇṭlu) — dirty dishes

Before the new one: say the Telugu for a fridge, then the Telugu for a mixer-grinder.

You’ll want to know: అంట్లు

అంట్లు — *aṇṭlu* — “dirty dishes”.

The word, taken apart — its roots and family

అంట్లు (*aṇṭlu*) is native Dravidian, from *aṇṭu*, “touch; uncleanness, defilement by touch”, which DEDR 120 lists with Kannada *aṇṭu*, “to touch”, and Tamil *aṇai*, “to come near, touch”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *aṇṭlu*
- *Say it:* *aṇṭlu*, once more
- *Say it:* say *aṇṭlu*
- *Recall:* say the Telugu for a fridge, then the Telugu for a mixer-grinder, then say *aṇṭlu* again

Before you move on

What does అంట్లు mean? (“Dirty dishes”.) Say it once more.

307.4 అగరుబత్తి (agarubatti) — an incense stick

Before the new one: say the Telugu for a mixer-grinder, then the Telugu for dirty dishes.

You'll want to know: అగరుబత్తి

అగరుబత్తి — *agarubatti* — "an incense stick".

The word, taken apart — its roots and family

అగరుబత్తి (*agarubatti*) is Sanskrit *agaru*, "fragrant aloe-wood" (CDIAL 49), and *batti*, "stick, wick", from Sanskrit *varti*, "wick" (CDIAL 11359). CDIAL takes *agaru* from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *agarubatti*
- *Say it:* *agarubatti*, once more
- *Say it:* say *agarubatti*
- *Recall:* say the Telugu for a mixer-grinder, then the Telugu for dirty dishes, then say *agarubatti* again

Before you move on

What does **అగరుబత్తి** mean? ("An incense stick".) Say it once more.

307.5 కుంకుమ (kuṅkuma) — kumkum, vermilion powder

Before the new one: say the Telugu for dirty dishes, then the Telugu for an incense stick.

You'll want to know: కుంకుమ

కుంకుమ — *kuṅkuma* — "kumkum, vermilion powder".

The word, taken apart — its roots and family

కుంకుమ (*kuṅkuma*) is Sanskrit *kuṅkuma*, "saffron", taken over whole as a learned loan, a tatsama (CDIAL 3214). Telugu uses it for the red

powder worn on the forehead.

What you've built

One more word for this chapter.

Your turn

- *Say it: kuṅkuma*
- *Say it: kuṅkuma*, once more
- *Say it:* say *kuṅkuma*
- *Recall:* say the Telugu for dirty dishes, then the Telugu for an incense stick, then say *kuṅkuma* again

Before you move on

What does కుంకుమ mean? ("Kumkum, vermilion powder".) Say it once more.

Chapter 308

Pit, Piece, Edge, Knot, Row

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a pit, a piece, an edge, a knot and a row.
>
> *Complete the last lesson of chapter 308: I can say a pit, a piece, an edge, a knot and a row.*

308.1 గుంట (guṇṭa) — a pit, a pothole

> Before the new one: say the Telugu for an incense stick, then the Telugu for kumkum.

You'll want to know: గుంట

గుంట — *guṇṭa* — "a pit, a pothole".

The word, taken apart — its roots and family

గుంట (*guṇṭa*) is native Dravidian. DEDR 1669 lists *guṇṭa*, "pit, pond", with Tamil *kuṇṭu*, "hollow, pit", and Kannada *kuṇṭe*, "pit". DEDR compares Sanskrit *kuṇḍa*, "pit, well" (CDIAL 3264), which CDIAL takes from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *guṇṭa*
- *Say it:* *guṇṭa*, once more
- *Say it:* say *guṇṭa*
- *Recall:* say the Telugu for an incense stick, then the Telugu for kumkum, then say *guṇṭa* again

Before you move on

What does **గుంట** mean? (“A pit, a pothole”.) Say it once more.

308.2 ముక్క (mukka) — a piece

Before the new one: say the Telugu for kumkum, then the Telugu for a pit.

You’ll want to know: ముక్క

ముక్క — *mukka* — “a piece”.

The word, taken apart — its roots and family

ముక్క (*mukka*) is native Dravidian. DEDR 4975 lists *mukka*, “piece, bit”, under *muri*, “to break”, one word with Tamil *muri*, “to break off”. DEDR compares Prakrit *muria*, “broken”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *mukka*
- *Say it:* *mukka*, once more
- *Say it:* say *mukka*
- *Recall:* say the Telugu for kumkum, then the Telugu for a pit, then say *mukka* again

Before you move on

What does **ముక్క** mean? ("A piece".) Say it once more.

308.3 అంచు (añcu) — an edge, a rim

Before the new one: say the Telugu for a pit, then the Telugu for a piece.

You'll want to know: అంచు

అంచు — *añcu* — "an edge, a rim".

The word, taken apart — its roots and family

అంచు (*añcu*) is Dravidian. DEDR 57 lists *añcu*, "border, edge, brim", with Kannada *añcu*, "edge", and notes that Tamil *aṉsu* was borrowed from Telugu. DEDR compares Sanskrit *añcala*, "border of a garment" (CDIAL 168).

What you've built

One more word for this chapter.

Your turn

- *Say it: añcu*
- *Say it: añcu*, once more
- *Say it:* say *añcu*
- *Recall:* say the Telugu for a pit, then the Telugu for a piece, then say *añcu* again

Before you move on

What does **అంచు** mean? ("An edge, a rim".) Say it once more.

308.4 ముడి (muḍi) — a knot

Before the new one: say the Telugu for a piece, then the Telugu for an edge.

You'll want to know: ముడి

ముడి — *muḍi* — "a knot".

The word, taken apart — its roots and family

ముడి (*muḍi*) is native Dravidian, one word with Tamil *muṭi* and Kannada *muḍi* (DEDR 4921). DEDR lists Telugu *muḍi*, "knot, tie".

What you've built

One more word for this chapter.

Your turn

- *Say it: muḍi*
- *Say it: muḍi*, once more
- *Say it:* say *muḍi*
- *Recall:* say the Telugu for a piece, then the Telugu for an edge, then say *muḍi* again

Before you move on

What does **ముడి** mean? ("A knot".) Say it once more.

308.5 వరుస (varusa) — a row, a queue

Before the new one: say the Telugu for an edge, then the Telugu for a knot.

You'll want to know: వరుస

వరుస — *varusa* — "a row, a queue".

The word, taken apart — its roots and family

వరుస (*varusa*) is native Dravidian. DEDR 5269 lists *varusa*, “row, line, turn”, with Tamil *varicai* and Kannada *varase*, “row, line”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: varusa*
- *Say it: varusa*, once more
- *Say it:* say *varusa*
- *Recall:* say the Telugu for an edge, then the Telugu for a knot, then say *varusa* again

Before you move on

What does **వరుస** mean? (“A row, a queue”.) Say it once more.

Chapter 309

Bund, Cattle, Pillar, Water tap, Flag

Modes: **voice** (7) **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say a bund, cattle, a pillar, a water tap and a flag.
>
> *Complete the last lesson of chapter 309: I can say a bund, cattle, a pillar, a water tap and a flag.*

309.1 గట్టు (gaṭṭu) — a bund, an embankment

> Before the new one: say the Telugu for a knot, then the Telugu for a row.

You'll want to know: గట్టు

గట్టు — *gaṭṭu* — "a bund, an embankment".

The word, taken apart — its roots and family

గట్టు (*gaṭṭu*) is native Dravidian. DEDR 1147 lists *gaṭṭu*, "dam, embankment", under *kaṭṭu*, "to tie, build", with Kannada *gaṭṭu*, and compares Sanskrit *ghaṭṭa*, "landing place" (CDIAL 4414).

What you've built

One more word for this chapter.

Your turn

- *Say it: gaṭṭu*
- *Say it: gaṭṭu*, once more
- *Say it:* say *gaṭṭu*
- *Recall:* say the Telugu for a knot, then the Telugu for a row, then say *gaṭṭu* again

Before you move on

What does గట్టు mean? ("A bund, an embankment".) Say it once more.

309.2 పశువులు (paśuvulu) — cattle, livestock

Before the new one: say the Telugu for a row, then the Telugu for a bund.

You'll want to know: పశువులు

పశువులు — *paśuvulu* — "cattle, livestock".

The word, taken apart — its roots and family

పశువులు (*paśuvulu*) is Sanskrit *paśu*, "domestic animal", taken over whole as a learned loan, a tatsama (CDIAL 7984).

What you've built

One more word for this chapter.

Your turn

- *Say it: paśuvulu*
- *Say it: paśuvulu*, once more
- *Say it:* say *paśuvulu*
- *Recall:* say the Telugu for a row, then the Telugu for a bund, then say *paśuvulu* again

Before you move on

What does **పశువులు** mean? (“Cattle, livestock”.) Say it once more.

309.3 స్తంభం (stambhaṁ) — a pillar, a pole

Before the new one: say the Telugu for a bund, then the Telugu for cattle.

You’ll want to know: స్తంభం

స్తంభం — *stambhaṁ* — “a pillar, a pole”.

The word, taken apart — its roots and family

స్తంభం (*stambhaṁ*) is Sanskrit *stambha*, “pillar, post”, taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-m* (CDIAL 13682).

What you’ve built

One more word for this chapter.

Your turn

- *Say it: stambhaṁ*
- *Say it: stambhaṁ*, once more
- *Say it:* say *stambhaṁ*
- *Recall:* say the Telugu for a bund, then the Telugu for cattle, then say *stambhaṁ* again

Before you move on

What does **స్తంభం** mean? (“A pillar, a pole”.) Say it once more.

309.4 కుళాయి (kuḷāyi) — a water tap, a faucet

Before the new one: say the Telugu for cattle, then the Telugu for a pillar.

You'll want to know: కుళాయి

కుళాయి — *kuḷāyi* — "a water tap, a faucet".

The word, taken apart — its roots and family

The origin of **కుళాయి** (*kuḷāyi*) is uncertain. DEDR and CDIAL list no word of this shape meaning "tap".

What you've built

One more word for this chapter.

Your turn

- *Say it: kuḷāyi*
- *Say it: kuḷāyi*, once more
- *Say it:* say *kuḷāyi*
- *Recall:* say the Telugu for cattle, then the Telugu for a pillar, then say *kuḷāyi* again

Before you move on

What does **కుళాయి** mean? ("A water tap, a faucet".) Say it once more.

309.5 జెండా (jeṇḍā) — a flag

Before the new one: say the Telugu for a pillar, then the Telugu for a water tap.

You'll want to know: జెండా

జెండా — *jeṇḍā* — "a flag".

The word, taken apart — its roots and family

జెండా (*jeṇḍā*) matches Hindustani *jhaṇḍā*, "flagstaff, flag", which CDIAL 6898 sets under a reconstructed *dhvajadaṇḍa, "flagstaff".

What you've built

One more word for this chapter.

Your turn

- *Say it: jeṇḍā*
- *Say it: jeṇḍā*, once more
- *Say it:* say *jeṇḍā*
- *Recall:* say the Telugu for a pillar, then the Telugu for a water tap, then say *jeṇḍā* again

Before you move on

What does జెండా mean? ("A flag".) Say it once more.

309.6 Words from chapters 305-306 — a first pass

Say the words for a water tap and a flag.

Your turn

Say these aloud:

- an app, a keyboard, a laptop, a battery, a video
- steel, cement, leather, cotton, wool

Before you move on

An app? (యాప్, *yāp.*) A keyboard? (కీబోర్డు, *kībōrḍu.*) A laptop? (ల్యాప్టాప్, *lyāpṭāp.*) A battery? (బ్యాటరీ, *byāṭarī.*) A video? (వీడియో, *vīḍiyō.*) Steel? (ఉక్కు, *ukku.*) Cement? (సిమెంటు, *simeṇṭu.*) Leather? (తోలు, *tōlu.*) Cotton? (పత్తి, *patti.*) Wool? (ఉన్ని, *unni.*)

309.7 Words from chapters 307-309 — a second pass

Say the words for a fridge and a mixer-grinder.

Your turn

Say these aloud:

- a fridge, a mixer-grinder, dirty dishes, an incense stick, kumkum
- a pit, a piece, an edge, a knot, a row
- a bund, cattle, a pillar, a water tap, a flag

Before you move on

A fridge? (ఫ్రిజ్జు, *phrijju.*) A mixer-grinder? (మిక్సీ, *miksī.*) Dirty dishes? (అంట్లు, *aṇṭlu.*) An incense stick? (అగరుబత్తి, *agarubatti.*) Kumkum? (కుంకుమ, *kuṅkuma.*) A pit? (గుంట, *guṇṭa.*) A piece? (ముక్క, *mukka.*) An edge? (అంచు, *añcu.*) A knot? (ముడి, *muḍi.*) A row? (వరుస, *varusa.*) A bund? (గట్టు, *gaṭṭu.*) Cattle? (పశువులు, *paśuvulu.*) A pillar? (స్తంభం, *stambhaṁ.*) A water tap? (కుళాయి, *kuḷāyi.*) A flag? (జెండా, *jeṇḍā.*)

Chapter 310

Purse, List, Half, Daily wages, Employee

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a purse, a list, half, daily wages and an employee.

Complete the last lesson of chapter 310: I can say a purse, a list, half, daily wages and an employee.

310.1 పర్సు (parsu) — a purse, a wallet

Before the new one: say the Telugu for a water tap, then the Telugu for a flag.

You'll want to know: పర్సు

పర్సు — *parsu* — "a purse, a wallet".

The word, taken apart — its roots and family

పర్సు (*parsu*) is a loan from English *purse*.

What you've built

One more word for this chapter.

Your turn

- *Say it: parsu*
- *Say it: parsu*, once more
- *Say it:* say *parsu*
- *Recall:* say the Telugu for a water tap, then the Telugu for a flag, then say *parsu* again

Before you move on

What does పర్సు mean? ("A purse, a wallet".) Say it once more.

310.2 జాబితా (jābitā) — a list

Before the new one: say the Telugu for a flag, then the Telugu for a purse.

You'll want to know: జాబితా

జాబితా — *jābitā* — "a list".

The word, taken apart — its roots and family

జాబితా (*jābitā*) is a loan from Arabic *ẓābiṭa*, "rule, register", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: jābitā*
- *Say it: jābitā*, once more
- *Say it:* say *jābitā*
- *Recall:* say the Telugu for a flag, then the Telugu for a purse, then say *jābitā* again

Before you move on

What does **జాబితా** mean? ("A list".) Say it once more.

310.3 సగం (sagaṁ) — half

Before the new one: say the Telugu for a purse, then the Telugu for a list.

You'll want to know: సగం

సగం — *sagaṁ* — "half".

The word, taken apart — its roots and family

The origin of **సగం** (*sagaṁ*) is uncertain. DEDR and CDIAL list no word of this shape meaning "half".

What you've built

One more word for this chapter.

Your turn

- *Say it: sagaṁ*
- *Say it: sagaṁ*, once more
- *Say it:* say *sagaṁ*
- *Recall:* say the Telugu for a purse, then the Telugu for a list, then say *sagaṁ* again

Before you move on

What does **సగం** mean? ("Half".) Say it once more.

310.4 కూలి (kūli) — daily wages; a labourer

Before the new one: say the Telugu for a list, then the Telugu for half.

You'll want to know: కూలి

కూలి — *kūli* — "daily wages; a labourer".

The word, taken apart — its roots and family

కూలి (*kūli*) is native Dravidian, one word with Tamil *kūli* and Kannada *kūli* (DEDR 1905). DEDR lists Telugu *kūli*, "wages; hired labourer".

What you've built

One more word for this chapter.

Your turn

- *Say it: kūli*
- *Say it: kūli*, once more
- *Say it:* say *kūli*
- *Recall:* say the Telugu for a list, then the Telugu for half, then say *kūli* again

Before you move on

What does కూలి mean? ("Daily wages; a labourer".) Say it once more.

310.5 ఉద్యోగి (udyōgi) — an employee

Before the new one: say the Telugu for half, then the Telugu for daily wages.

You'll want to know: ఉద్యోగి

ఉద్యోగి — *udyōgi* — "an employee".

The word, taken apart — its roots and family

ఉద్యోగి (*udyōgi*) is Sanskrit *udyōgin*, "one at work", from *udyōga*, "exertion" (CDIAL 2055), with the final *-n* dropped.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *udyōgi*
- *Say it:* *udyōgi*, once more
- *Say it:* say *udyōgi*
- *Recall:* say the Telugu for half, then the Telugu for daily wages, then say *udyōgi* again

Before you move on

What does ఉద్యోగి mean? ("An employee".) Say it once more.

Chapter 311

College, University, Degree, Experience, Account

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a college, a university, a degree, experience and an account.
>
> *Complete the last lesson of chapter 311: I can say a college, a university, a degree, experience and an account.*

311.1 కళాశాల (kaḷāśāla) — a college

> Before the new one: say the Telugu for daily wages, then the Telugu for an employee.

You'll want to know: కళాశాల

కళాశాల — *kaḷāśāla* — "a college".

The word, taken apart — its roots and family

కళాశాల (*kaḷāśāla*) is Sanskrit: *kalā*, "any practical art" (CDIAL 2927), and *śālā*, "house" (CDIAL 12414): "house of the arts". CDIAL takes this *kalā* from Dravidian.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *kaḷāśāla*
- *Say it:* *kaḷāśāla*, once more
- *Say it:* say *kaḷāśāla*
- *Recall:* say the Telugu for daily wages, then the Telugu for an employee, then say *kaḷāśāla* again

Before you move on

What does **కళాశాల** mean? (“A college”.) Say it once more.

311.2 విశ్వవిద్యాలయం (viśvavidyālayaṁ) — a university

Before the new one: say the Telugu for an employee, then the Telugu for a college.

You’ll want to know: విశ్వవిద్యాలయం

విశ్వవిద్యాలయం — *viśvavidyālayaṁ* — “a university”.

The word, taken apart — its roots and family

విశ్వవిద్యాలయం (*viśvavidyālayaṁ*) is Sanskrit: *viśva*, “all; the world” (CDIAL 11962), *vidyā*, “knowledge” (CDIAL 11741), and *ālaya*, “house” (CDIAL 1366), with the Telugu ending *-ṁ*.

What you’ve built

One more word for this chapter.

Your turn

- *Say it:* *viśvavidyālayaṁ*
- *Say it:* *viśvavidyālayaṁ*, once more
- *Say it:* say *viśvavidyālayaṁ*

- *Recall:* say the Telugu for an employee, then the Telugu for a college, then say *viśvavidyālayaṁ* again

Before you move on

What does **విశ్వవిద్యాలయం** mean? ("A university".) Say it once more.

311.3 డిగ్రీ (ḍigrī) — a degree

Before the new one: say the Telugu for a college, then the Telugu for a university.

You'll want to know: డిగ్రీ

డిగ్రీ — *ḍigrī* — "a degree".

The word, taken apart — its roots and family

డిగ్రీ (*ḍigrī*) is a loan from English *degree*.

What you've built

One more word for this chapter.

Your turn

- *Say it: ḍigrī*
- *Say it: ḍigrī*, once more
- *Say it:* say *ḍigrī*
- *Recall:* say the Telugu for a college, then the Telugu for a university, then say *ḍigrī* again

Before you move on

What does **డిగ్రీ** mean? ("A degree".) Say it once more.

311.4 అనుభవం (anubhavaṁ) — experience

Before the new one: say the Telugu for a university, then the Telugu for a degree.

You'll want to know: అనుభవం

అనుభవం — *anubhavaṁ* — "experience".

The word, taken apart — its roots and family

అనుభవం (*anubhavaṁ*) is Sanskrit *anubhava*, "experience", taken over whole as a learned loan, a tatsama, with the Telugu noun ending *-ṁ*.

What you've built

One more word for this chapter.

Your turn

- *Say it: anubhavaṁ*
- *Say it: anubhavaṁ*, once more
- *Say it:* say *anubhavaṁ*
- *Recall:* say the Telugu for a university, then the Telugu for a degree, then say *anubhavaṁ* again

Before you move on

What does **అనుభవం** mean? ("Experience".) Say it once more.

311.5 ఖాతా (khātā) — an account (bank)

Before the new one: say the Telugu for a degree, then the Telugu for experience.

You'll want to know: ఖాతా

ఖాతా — *khātā* — "an account (bank)".

The word, taken apart — its roots and family

ఖాతా (*khātā*) matches Hindustani *khātā*, “account book”, which CDIAL 3648 sets under Sanskrit *kṣatra*, “might, rule”.

What you’ve built

One more word for this chapter.

Your turn

- *Say it: khātā*
- *Say it: khātā*, once more
- *Say it:* say *khātā*
- *Recall:* say the Telugu for a degree, then the Telugu for experience, then say *khātā* again

Before you move on

What does ఖాతా mean? (“An account (bank)”.) Say it once more.

Chapter 312

Story, Game, Film, Coach, Engineer

Modes: **voice** (5) **Hands-free start:** all 5 lessons.

By the end of this chapter: I can say a story, a game, a film, a coach and an engineer.

Complete the last lesson of chapter 312: I can say a story, a game, a film, a coach and an engineer.

312.1 కథ (katha) — a story

Before the new one: say the Telugu for experience, then the Telugu for an account.

You'll want to know: కథ

కథ — *katha* — "a story".

The word, taken apart — its roots and family

కథ (*katha*) is Sanskrit *kathā*, "conversation, speech; story", taken over whole as a learned loan, a tatsama, with the final -*ā* shortened (CDIAL 2704).

What you've built

One more word for this chapter.

Your turn

- *Say it: katha*
- *Say it: katha*, once more
- *Say it:* say *katha*
- *Recall:* say the Telugu for experience, then the Telugu for an account, then say *katha* again

Before you move on

What does కథ mean? ("A story".) Say it once more.

312.2 ఆట (āṭa) — a game, a sport

Before the new one: say the Telugu for an account, then the Telugu for a story.

You'll want to know: ఆట

ఆట — *āṭa* — "a game, a sport".

The word, taken apart — its roots and family

ఆట (*āṭa*) is native Dravidian. DEDR 347 lists *āṭa*, "play, game", under *āḍu*, "to play", one word with Tamil *āṭu* and Kannada *āḍu*, "to play".

What you've built

One more word for this chapter.

Your turn

- *Say it: āṭa*
- *Say it: āṭa*, once more
- *Say it:* say *āṭa*
- *Recall:* say the Telugu for an account, then the Telugu for a story, then say *āṭa* again

Before you move on

What does **ఆట** mean? ("A game, a sport".) Say it once more.

312.3 సినిమా (sinimā) — a film, the cinema

Before the new one: say the Telugu for a story, then the Telugu for a game.

You'll want to know: సినిమా

సినిమా — *sinimā* — "a film, the cinema".

The word, taken apart — its roots and family

సినిమా (*sinimā*) is a loan from English *cinema*.

What you've built

One more word for this chapter.

Your turn

- *Say it: sinimā*
- *Say it: sinimā*, once more
- *Say it:* say *sinimā*
- *Recall:* say the Telugu for a story, then the Telugu for a game, then say *sinimā* again

Before you move on

What does **సినిమా** mean? ("A film, the cinema".) Say it once more.

312.4 శిక్షకుడు (śikṣakuḍu) — a coach, a trainer

Before the new one: say the Telugu for a game, then the Telugu for a film.

You'll want to know: శిక్షకుడు

శిక్షకుడు — *śikṣakuḍu* — "a coach, a trainer".

The word, taken apart — its roots and family

శిక్షకుడు (*śikṣakuḍu*) is Sanskrit *śikṣaka*, "teacher, trainer", with the Telugu ending *-uḍu*.

What you've built

One more word for this chapter.

Your turn

- *Say it:* *śikṣakuḍu*
- *Say it:* *śikṣakuḍu*, once more
- *Say it:* say *śikṣakuḍu*
- *Recall:* say the Telugu for a game, then the Telugu for a film, then say *śikṣakuḍu* again

Before you move on

What does **శిక్షకుడు** mean? ("A coach, a trainer".) Say it once more.

312.5 ఇంజనీరు (iñjanīru) — an engineer

Before the new one: say the Telugu for a film, then the Telugu for a coach.

You'll want to know: ఇంజనీరు

ఇంజనీరు — *iñjanīru* — "an engineer".

The word, taken apart — its roots and family

ఇంజనీరు (*iñjanīru*) is a loan from English *engineer*.

What you've built

One more word for this chapter.

Your turn

- *Say it: iñjanīru*
- *Say it: iñjanīru*, once more
- *Say it:* say *iñjanīru*
- *Recall:* say the Telugu for a film, then the Telugu for a coach, then say *iñjanīru* again

Before you move on

What does **ఇంజనీరు** mean? (“An engineer”.) Say it once more.

Chapter 313

Piece of chalk, Slate, Slate pencil, Ink, Attendance

Modes: 🚗 **voice** (5) 🚗 **Hands-free start:** all 5 lessons.

> ***By the end of this chapter:*** I can say a piece of chalk, a slate, a slate pencil, ink and attendance.
>
> *Complete the last lesson of chapter 313: I can say a piece of chalk, a slate, a slate pencil, ink and attendance.*

313.1 సుద్దముక్క (suddamukka) — a piece of chalk

Before the new one: say the Telugu for a coach, then the Telugu for an engineer.

You'll want to know: సుద్దముక్క

సుద్దముక్క — *suddamukka* — "a piece of chalk".

The word, taken apart — its roots and family

సుద్దముక్క (*suddamukka*) is *sudda*, "chalk", whose origin is uncertain, and native *mukka*, "piece" (DEDR 4975).

What you've built

One more word for this chapter.

Your turn

- *Say it: suddamukka*
- *Say it: suddamukka*, once more
- *Say it:* say *suddamukka*
- *Recall:* say the Telugu for a coach, then the Telugu for an engineer, then say *suddamukka* again

Before you move on

What does **సుద్దముక్క** mean? ("A piece of chalk".) Say it once more.

313.2 పలక (palaka) — a slate

Before the new one: say the Telugu for an engineer, then the Telugu for a piece of chalk.

You'll want to know: పలక

పలక — *palaka* — "a slate".

The word, taken apart — its roots and family

పలక (*palaka*) probably comes from Sanskrit *phalaka*, "board" (CDIAL 9053), reshaped to Telugu sounds: a tadbhava. CDIAL lists Assamese *phali*, "slate", from it.

What you've built

One more word for this chapter.

Your turn

- *Say it: palaka*
- *Say it: palaka*, once more
- *Say it:* say *palaka*
- *Recall:* say the Telugu for an engineer, then the Telugu for a piece of chalk, then say *palaka* again

Before you move on

What does **పలక** mean? ("A slate".) Say it once more.

313.3 బలపం (balapaṁ) — a slate pencil

Before the new one: say the Telugu for a piece of chalk, then the Telugu for a slate.

You'll want to know: బలపం

బలపం — *balapaṁ* — "a slate pencil".

The word, taken apart — its roots and family

బలపం (*balapaṁ*) is native Dravidian, one word with Tamil *palappam* and Malayalam *valappam* (DEDR 4014). DEDR lists Telugu *balapamu*, "slate", and *balapapu pulla*, "slate pencil".

What you've built

One more word for this chapter.

Your turn

- *Say it: balapaṁ*
- *Say it: balapaṁ*, once more
- *Say it:* say *balapaṁ*
- *Recall:* say the Telugu for a piece of chalk, then the Telugu for a slate, then say *balapaṁ* again

Before you move on

What does **బలపం** mean? ("A slate pencil".) Say it once more.

313.4 సిరా (sirā) — ink

Before the new one: say the Telugu for a slate, then the Telugu for a slate pencil.

You'll want to know: సిరా

సిరా — *sirā* — "ink".

The word, taken apart — its roots and family

The origin of **సిరా** (*sirā*) is uncertain. DEDR and CDIAL list no word of this shape meaning "ink"; CDIAL 13421 *sirā*, "stream, vein", is a different word.

What you've built

One more word for this chapter.

Your turn

- *Say it: sirā*
- *Say it: sirā*, once more
- *Say it:* say *sirā*
- *Recall:* say the Telugu for a slate, then the Telugu for a slate pencil, then say *sirā* again

Before you move on

What does **సిరా** mean? ("Ink".) Say it once more.

313.5 హాజరు (hājaru) — attendance

Before the new one: say the Telugu for a slate pencil, then the Telugu for ink.

You'll want to know: హాజరు

హాజరు — *hājaru* — "attendance".

The word, taken apart — its roots and family

హాజరు (*hājaru*) is a loan from Arabic *ḥāḍir*, "present, in attendance", which came through Persian and Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: hājaru*
- *Say it: hājaru*, once more
- *Say it:* say *hājaru*
- *Recall:* say the Telugu for a slate pencil, then the Telugu for ink, then say *hājaru* again

Before you move on

What does హాజరు mean? ("Attendance".) Say it once more.

Chapter 314

Mason, Plumber, Mechanic, Watchman, Milkman

Modes: 🚗 **voice** (7) 🚗 **Hands-free start:** all 7 lessons.

> ***By the end of this chapter:*** I can say a mason, a plumber, a mechanic, a watchman and a milkman.
>
> *Complete the last lesson of chapter 314: I can say a mason, a plumber, a mechanic, a watchman and a milkman.*

314.1 మేస్త్రి (mēstri) — a mason, a foreman

> Before the new one: say the Telugu for ink, then the Telugu for attendance.

You'll want to know: మేస్త్రి

మేస్త్రి — *mēstri* — "a mason, a foreman".

The word, taken apart — its roots and family

మేస్త్రి (*mēstri*) is usually traced to Portuguese *mestre*, "master, foreman".

What you've built

One more word for this chapter.

Your turn

- *Say it: mēstri*
- *Say it: mēstri*, once more
- *Say it:* say *mēstri*
- *Recall:* say the Telugu for ink, then the Telugu for attendance, then say *mēstri* again

Before you move on

What does మేస్త్రి mean? ("A mason, a foreman".) Say it once more.

314.2 ప్లంబరు (plambaru) — a plumber

Before the new one: say the Telugu for attendance, then the Telugu for a mason.

You'll want to know: ప్లంబరు

ప్లంబరు — *plambaru* — "a plumber".

The word, taken apart — its roots and family

ప్లంబరు (*plambaru*) is a loan from English *plumber*.

What you've built

One more word for this chapter.

Your turn

- *Say it: plambaru*
- *Say it: plambaru*, once more
- *Say it:* say *plambaru*
- *Recall:* say the Telugu for attendance, then the Telugu for a mason, then say *plambaru* again

Before you move on

What does **ప్లంబరు** mean? ("A plumber".) Say it once more.

314.3 మెకానిక్కు (mekānikku) — a mechanic

Before the new one: say the Telugu for a mason, then the Telugu for a plumber.

You'll want to know: మెకానిక్కు

మెకానిక్కు — *mekānikku* — "a mechanic".

The word, taken apart — its roots and family

మెకానిక్కు (*mekānikku*) is a loan from English *mechanic*.

What you've built

One more word for this chapter.

Your turn

- *Say it: mekānikku*
- *Say it: mekānikku*, once more
- *Say it:* say *mekānikku*
- *Recall:* say the Telugu for a mason, then the Telugu for a plumber, then say *mekānikku* again

Before you move on

What does **మెకానిక్కు** mean? ("A mechanic".) Say it once more.

314.4 కాపలాదారు (kāpalādāru) — a watchman, a guard

Before the new one: say the Telugu for a plumber, then the Telugu for a mechanic.

You'll want to know: కాపలాదారు

కాపలాదారు — *kāpalādāru* — "a watchman, a guard".

The word, taken apart — its roots and family

కాపలాదారు (*kāpalādāru*) is built on native *kāpu*, "guarding", one word with Tamil *kāppu*, "watching, guard" (DEDR 1416), with Persian *-dār*, "holder", through Hindustani.

What you've built

One more word for this chapter.

Your turn

- *Say it: kāpalādāru*
- *Say it: kāpalādāru*, once more
- *Say it:* say *kāpalādāru*
- *Recall:* say the Telugu for a plumber, then the Telugu for a mechanic, then say *kāpalādāru* again

Before you move on

What does **కాపలాదారు** mean? ("A watchman, a guard".) Say it once more.

314.5 పాలవాడు (pālavāḍu) — a milkman

Before the new one: say the Telugu for a mechanic, then the Telugu for a watchman.

You'll want to know: పాలవాడు

పాలవాడు — *pālavāḍu* — "a milkman".

The word, taken apart — its roots and family

పాలవాడు (*pālavāḍu*) is native Dravidian: *pālu*, "milk", one word with Tamil *pāl* (DEDR 4096), and *vāḍu*, "that man" (DEDR 1). DEDR

compares, with a query, Sanskrit *pālana*, "milk of a cow newly calved", a lexicon word.

What you've built

One more word for this chapter.

Your turn

- *Say it: pālavāḍu*
- *Say it: pālavāḍu*, once more
- *Say it:* say *pālavāḍu*
- *Recall:* say the Telugu for a mechanic, then the Telugu for a watchman, then say *pālavāḍu* again

Before you move on

What does పాలవాడు mean? ("A milkman".) Say it once more.

314.6 Words from chapters 310-311 — a first pass

Say the words for a watchman and a milkman.

Your turn

Say these aloud:

- a purse, a list, half, daily wages, an employee
- a college, a university, a degree, experience, an account

Before you move on

A purse? (పర్సు, *parsu.*) A list? (జాబితా, *jābitā.*) Half? (సగం, *sagaṁ.*) Daily wages? (కూలి, *kūli.*) An employee? (ఉద్యోగి, *udyōgi.*) A college? (కళాశాల, *kaḷāśāla.*) A university? (విశ్వవిద్యాలయం, *viśvavidyālayaṁ.*) A degree? (డిగ్రీ, *ḍigrī.*) Experience? (అనుభవం, *anubhavaṁ.*) An account? (ఖాతా, *khātā.*)

314.7 Words from chapters 312-314 — a second pass

Say the words for a story and a game.

Your turn

Say these aloud:

- a story, a game, a film, a coach, an engineer
- a piece of chalk, a slate, a slate pencil, ink, attendance
- a mason, a plumber, a mechanic, a watchman, a milkman

Before you move on

A story? (**కథ**, *katha.*) A game? (**ఆట**, *āṭa.*) A film? (**సినిమా**, *sinimā.*) A coach? (**శిక్షకుడు**, *śikṣakuḍu.*) An engineer? (**ఇంజనీరు**, *iñjanīru.*) A piece of chalk? (**సుద్దముక్క**, *suddamukka.*) A slate? (**పలక**, *palaka.*) A slate pencil? (**బలపం**, *balapaṁ.*) Ink? (**సిరా**, *sirā.*) Attendance? (**హాజరు**, *hājaru.*) A mason? (**మేస్త్రి**, *mēstri.*) A plumber? (**ప్లంబరు**, *plambaru.*) A mechanic? (**మెకానిక్కు**, *mekānikku.*) A watchman? (**కాపలాదారు**, *kāpalādāru.*) A milkman? (**పాలవాడు**, *pālavāḍu.*)

The Telugu script — a reference

A **reference**, not a chapter — a place to look things up. You are *not* meant to read this before the lessons: the lessons teach reading through real words, introducing each letter as a word needs it. This page just gathers the system in one spot.

How the Telugu script works (the three facts the lessons teach)

1. **Consonants carry a built-in "a".** క = "ka," మ = "ma," ర = "ra." (Many wear the *talakaṭṭu*, a small check-mark hat.) You never write the short *a*.

2. **A vowel sign changes that built-in vowel.** Attached to a consonant it gives కా = kā · కి = ki · కీ = kī · కు = ku · కూ = kū · కె = ke · కే = kē · కొ = ko · కో = kō. The signs themselves are ◌ా ā · ◌ి i · ◌ీ ī · ◌ు u · ◌ూ ū · ◌ె e · ◌ే ē · ◌ొ o · ◌ో ō.

3. **A *virama* (◌్) strips the vowel, and the bare consonant *stacks below* the next as a conjunct.** స్ + క → స్క (ska), న్ + య → న్య (nya). A dot **anusvāra** (◌ం) adds a final nasal.

Independent vowels (word-initial)

అ a · ఆ ā · ఇ i · ఈ ī · ఉ u · ఊ ū · ఎ e · ఏ ē · ఐ ai · ఒ o · ఓ ō · ఔ au.

Worth flagging

- **Aspiration is written.** క k / ఖ kh, గ g / ఘ gh, ద d / ధ dh — the "h" is a real puff. Like Kannada and unlike Tamil, Telugu keeps separate letters for the Sanskrit aspirates and voiced stops, because it borrowed so many Sanskrit words.
- **Round, looping forms.** Telugu and Kannada are script-sisters, shaped for palm-leaf writing; the two look far more alike than either does to Tamil.
- **"The Italian of the East."** Telugu words tend to end in vowels, giving the language an open, musical flow.

Telugu in the Dravidian family

Dravidian is a family entirely separate from Indo-European (English, Latin, Sanskrit). Telugu shares grammar and native vocabulary with Tamil, Kannada, and Malayalam — but, like Kannada and unlike Tamil, it borrowed **heavily** from Sanskrit. It also shows the family is not uniform: where its sisters say "no" with a word from the root *il-* (*illai / illa*), Telugu uses *lēdu / kādu*, whose *lē-* DEDR files with *il-* all the same. The lessons trace, word by word, what is home-grown and what is borrowed.

Glossary

This glossary collects every word and phrase taught in the book. Pronunciation appears when it differs from the written form; chapter numbers show where each entry is introduced.

-కు *-ku*
the dative suffix -ku, 'to / for' — and the idea of stacking
Introduced in Chapter 6.

అబద్ధం *abaddhaṁ*
a lie; untrue
Introduced in Chapter 140.

అబ్బాయి *abbāyi*
a boy; a son
Introduced in Chapter 88.

అభినందనలు *abhinandanalu*
congratulations, compliments
Introduced in Chapter 99.

అభిప్రాయం *abhiprāyaṁ*
an opinion
Introduced in Chapter 197.

అభిరుచి *abhiruci*
a hobby; taste
Introduced in Chapter 189.

అభివృద్ధి *abhivṛddhi*
development, progress
Introduced in Chapter 258.

ఆచారం *ācāraṁ*
a custom, a practice
Introduced in Chapter 217.

అదనపు *adanapu*
extra, additional
Introduced in Chapter 182.

అడవి *aḍavi*
a forest
Introduced in Chapter 120.

అద్భుతమైన *adbhutamaina*
wonderful, amazing
Introduced in Chapter 181.

అద్దం *addaṁ*
a mirror
Introduced in Chapter 62.

అద్దె *adde*
rent
Introduced in Chapter 156.

అదే *adē*
that's the one, the same
Introduced in Chapter 98.

ఆధారం *ādhāraṁ*
a basis; evidence
Introduced in Chapter 219.

అధికారి *adhikāri*
an officer, an official
Introduced in Chapter 195.

ఆధునిక *ādhunika*
modern
Introduced in Chapter 222.

అది *adi*
that one — the thing over there
Introduced in Chapter 41.

అడుగు *aḍugu*
to ask — a native verb none of the three literary sisters share, and the clue to which branch of Dravidian Telugu actually sits on
Introduced in Chapter 34.

ఆగండి *āgaṇḍi*
please wait; please stop
Introduced in Chapter 86.

అగరుబత్తి *agarubatti*
an incense stick
Introduced in Chapter 307.

అగ్గిపెట్టె *aggipeṭṭe*
a matchbox
Introduced in Chapter 113.

ఆహ్వానం *āhvānaṁ*
an invitation
Introduced in Chapter 99.

ఐదవ *aidava*
fifth — where the vowel that goes is a diphthong's tail
Introduced in Chapter 81.

అజీర్ణం *ajīrṇaṁ*
indigestion
Introduced in Chapter 288.

ఆకలి *ākali*
hunger
Introduced in Chapter 63.

ఆకారం *ākāraṁ*
a shape
Introduced in Chapter 295.

ఆకాశం *ākāśaṁ*
the sky
Introduced in Chapter 53.

అకస్మాత్తుగా *akasmāttugā*
suddenly
Introduced in Chapter 213.

అక్కడ *akkaḍa*
there — where I am not
Introduced in Chapter 41.

ఆకు *āku*
a leaf
Introduced in Chapter 120.

ఆకుకూర *ākukūra*
leafy greens
Introduced in Chapter 225.

అల *ala*
a wave
Introduced in Chapter 121.

అలాగా *alāgā*
is that so? I see
Introduced in Chapter 87.

అలాగే *alāgē*
just so, alright then
Introduced in Chapter 49.

ఆలకించు *ālakiñcu*
listen
Introduced in Chapter 44.

అలంకరించు *alaṅkariñcu*
to decorate
Introduced in Chapter 282.

అలసట *alasaṭa*
tiredness
Introduced in Chapter 84.

అలవాటు *alavāṭu*
a habit
Introduced in Chapter 217.

అల్లం *allaṁ*
ginger
Introduced in Chapter 118.

అల్లరి *allari*
naughty; mischief
Introduced in Chapter 297.

అల్లు *allu*
to knit, to weave
Introduced in Chapter 165.

అల్లుడు *alluḍu*
a son-in-law
Introduced in Chapter 71.

అంబులెన్సు *ambulensu*
an ambulance
Introduced in Chapter 287.

అమ్మమ్మ *ammamma*
grandmother, the mother's mother
Introduced in Chapter 45.

అమ్మాయి *ammāyi*
a girl; a daughter
Introduced in Chapter 88.

అమ్ము *ammu*
to sell
Introduced in Chapter 148.

ఆనందం *ānandaṁ*
delight, joy
Introduced in Chapter 99.

అంచు *añcu*
an edge, a rim
Introduced in Chapter 308.

అందమైన *andamaina*
beautiful
Introduced in Chapter 138.

ఆందోళన *āndōḷana*
anxiety, worry
Introduced in Chapter 97.

అందుకే *andukē*
that is exactly why
Introduced in Chapter 109.

అందుకో *andukō*
to receive, to catch
Introduced in Chapter 280.

అందువల్ల *anduvalla*
therefore
Introduced in Chapter 108.

అంగడి *aṅgaḍi*
a shop
Introduced in Chapter 72.

అని *ani*
that (reporting what was said or thought)
Introduced in Chapter 80.

అన్నట్టు *annaṭṭu*
by the way
Introduced in Chapter 294.

అంతే *antē*
that's all; that's just it
Introduced in Chapter 58.

అంట్లు *aṇṭlu*
dirty dishes
Introduced in Chapter 307.

అనుభవం *anubhavaṁ*
experience
Introduced in Chapter 311.

అనుకో *anukō*
to think — literally "say it to yourself", built from the family's say-verb plus the ending that turns a verb back on its own doer
Introduced in Chapter 33.

ఆనుకో *ānukō*
to lean (against)
Introduced in Chapter 286.

అనుకూలమైన *anukūlamaina*
convenient
Introduced in Chapter 296.

అనుమానం *anumānaṁ*
doubt, suspicion
Introduced in Chapter 210.

అనుమానించు *anumāniñcu*
to suspect, to doubt
Introduced in Chapter 163.

అనుమతి *anumati*
permission
Introduced in Chapter 65.

అనువదించు *anuvadiñcu*
to translate
Introduced in Chapter 160.

ఆపరేషను *āparēṣanu*
an operation, surgery
Introduced in Chapter 288.

అప్పగించు *appagiñcu*
to hand over, to entrust
Introduced in Chapter 248.

అప్పు ఇవ్వు *appu ivvu*
to lend (money)
Introduced in Chapter 246.

అప్పు తీసుకో *appu tīsukō*
to borrow (money)
Introduced in Chapter 205.

అప్పుడప్పుడు *appuḍappuḍu*
sometimes
Introduced in Chapter 170.

ఆరబెట్టు *ārabeṭṭu*
to put out to dry
Introduced in Chapter 199.

అరచెయ్యి *araceyyi*
the palm of the hand
Introduced in Chapter 250.

అరటిపండు *araṭipaṇḍu*
a banana
Introduced in Chapter 117.

ఆరవ *ārava*
sixth — the shortest of the ten
Introduced in Chapter 82.

అరిసెలు *ariselu*
rice-flour sweets; made with jaggery at Sankranti
Introduced in Chapter 188.

ఆరోగ్యం *ārōgyaṁ*
health
Introduced in Chapter 63.

ఆర్పు *ārpu*
to put out
Introduced in Chapter 148.

అర్థం చేసుకో *arthaṁ cēsukō*
to understand — "make the meaning your own", a Sanskrit noun on the native do-verb with the ending that hands the action back to you
Introduced in Chapter 33.

అర్థం కాలేదు *arthaṁ kālēdu*
I did not understand
Introduced in Chapter 78.

అర్థశాస్త్రం *arthaśāstraṁ*
economics
Introduced in Chapter 276.

ఆరు ఏడు ఎనిమిది తొమ్మిది పది *āru ēḍu enimidi tommidi padi*
six to ten — where Telugu wanders furthest from its Dravidian cousins
Introduced in Chapter 7.

అరుదైన *arudaina*
rare
Introduced in Chapter 260.

అరుదుగా *arudugā*
rarely
Introduced in Chapter 171.

అరుపు *arupu*
a shout
Introduced in Chapter 68.

ఆశ *āśa*
hope
Introduced in Chapter 107.

ఆసక్తికరమైన *āsaktikaramaina*
interesting
Introduced in Chapter 181.

అసలు *asalu*
actually; (not) at all
Introduced in Chapter 177.

ఆశ్చర్యపోవు *āścaryapōvu*
to be surprised, to be amazed
Introduced in Chapter 161.

ఆశించు *āśiñcu*
to hope, to expect
Introduced in Chapter 155.

ఆశీర్వాదం *āśīrvādaṁ*
a blessing
Introduced in Chapter 51.

ఆస్తి *āsti*
property
Introduced in Chapter 106.

ఆసుపత్రి *āsupatri*
a hospital
Introduced in Chapter 92.

అసూయ *asūya*
jealousy
Introduced in Chapter 168.

ఆట *āṭa*
a game, a sport
Introduced in Chapter 312.

ఆటగాడు *āṭagāḍu*
a player
Introduced in Chapter 304.

అటక *aṭaka*
a loft
Introduced in Chapter 293.

అతను *atanu*
he (and **ఆమె**, she)
Introduced in Chapter 79.

ఆటపట్టించు *āṭapaṭṭiñcu*
to tease
Introduced in Chapter 162.

అతిథి *atithi*
a guest
Introduced in Chapter 48.

ఆటో *āṭō*
an auto-rickshaw
Introduced in Chapter 301.

అత్త *atta*
an aunt; a mother-in-law
Introduced in Chapter 71.

అటు *aṭu*
that way, in that direction
Introduced in Chapter 174.

అతుకు *atuku*
to stick, to be joined together
Introduced in Chapter 208.

అత్యవసరం *atyavasaraṁ*
an emergency; urgent
Introduced in Chapter 287.

అవకాశం *avakāśaṁ*
a chance, an opportunity
Introduced in Chapter 106.

ఆవలించు *āvaliñcu*
to yawn
Introduced in Chapter 201.

ఆవాలు *āvālu*
mustard seeds
Introduced in Chapter 299.

అవసరం *avasaraṁ*
need, necessity
Introduced in Chapter 94.

అవతల *avatala*
on the other side, beyond
Introduced in Chapter 174.

ఆవిరి *āviri*
steam, vapour
Introduced in Chapter 211.

ఆవు *āvu*
a cow
Introduced in Chapter 122.

అవునా *avunā*
is it so?
Introduced in Chapter 78.

అవును *avunu*
yes (avunu)
Introduced in Chapter 1.

ఆయాసం *āyāsaṁ*
breathlessness
Introduced in Chapter 251.

అయినా *ayinā*
even so, still
Introduced in Chapter 176.

అయితే *ayitē*
in that case
Introduced in Chapter 64.

బాధ *bādha*
sorrow, distress
Introduced in Chapter 85.

బాధ్యత *bādhyata*
a responsibility, a duty
Introduced in Chapter 196.

బడి *baḍi*
a school
Introduced in Chapter 103.

బదిలీ చేయు *badilī cēyu*
to transfer
Introduced in Chapter 243.

బదులు *badulu*
instead of
Introduced in Chapter 177.

బాగా *bāgā*
well, fine — and the reply "**నేను బాగున్నాను**"
Introduced in Chapter 3.

బాగుచేయు *bāgucēyu*
to repair, to mend
Introduced in Chapter 159.

బాగున్నారా? *bāgunnārā?*
are you well?
Introduced in Chapter 91.

బహుమతి *bahumati*
a gift, a prize
Introduced in Chapter 99.

బహుశా *bahuśā*
probably, perhaps
Introduced in Chapter 87.

బలం *balaṁ*
strength
Introduced in Chapter 106.

బలపం *balapaṁ*
a slate pencil
Introduced in Chapter 313.

బల్బు *balbu*
a light bulb
Introduced in Chapter 191.

బాల్చీ *bālcī*
a bucket
Introduced in Chapter 183.

బల్లి *balli*
a lizard, a gecko
Introduced in Chapter 187.

బాల్యం *bālyaṁ*
childhood
Introduced in Chapter 290.

బాణలి *bāṇali*
a frying pan, a wok
Introduced in Chapter 183.

బండ *baṇḍa*
a rock, a boulder
Introduced in Chapter 215.

బంధువు *bandhuvu*
a relative
Introduced in Chapter 88.

బండి *baṇḍi*
a cart; a vehicle
Introduced in Chapter 301.

బంగాళాదుంప *baṅgāḷādumpa*
a potato
Introduced in Chapter 118.

బంగారు *baṅgāru*
golden
Introduced in Chapter 140.

బనీను *banīnu*
a vest, an undershirt
Introduced in Chapter 263.

బంతి *banti*
a ball
Introduced in Chapter 113.

బరువు *baruvu*
heavy
Introduced in Chapter 136.

బస్సు *bassu*
a bus
Introduced in Chapter 105.

బస్తా *bastā*
a sack (of grain)
Introduced in Chapter 232.

బస్టాండు *basṭāṇḍu*
a bus stand
Introduced in Chapter 214.

బాట *bāṭa*
a path, a way
Introduced in Chapter 55.

బాటిలు *bāṭilu*
a bottle
Introduced in Chapter 131.

బతిమాలు *batimālu*
to plead, to beg
Introduced in Chapter 247.

బట్ట *baṭṭa*
cloth
Introduced in Chapter 46.

బాతు *bātu*
a duck
Introduced in Chapter 126.

బతుకమ్మ *batukamma*
Bathukamma, the Telangana flower festival
Introduced in Chapter 252.

బావ *bāva*
a brother-in-law; a male cousin
Introduced in Chapter 71.

బయలుదేరు *bayaludēru*
to set out, to start off
Introduced in Chapter 50.

బయట *bayaṭa*
outside
Introduced in Chapter 101.

బెదిరించు *bediriñcu*
to threaten
Introduced in Chapter 285.

బేకరీ *bēkarī*
a bakery
Introduced in Chapter 216.

బెల్టు *beltu*
a belt
Introduced in Chapter 131.

బెండకాయ *beṇḍakāya*
okra, lady's finger
Introduced in Chapter 184.

బెంగ *beṅga*
pining, homesickness
Introduced in Chapter 210.

బెణుకు *beṇuku*
a sprain
Introduced in Chapter 169.

బేరం *bēraṁ*
a bargain, haggling
Introduced in Chapter 72.

భారతదేశం *Bhāratadēśaṁ*
India
Introduced in Chapter 77.

భరించు *bhariñcu*
to endure, to put up with
Introduced in Chapter 249.

భర్త *bharta*
husband
Introduced in Chapter 45.

భార్య *bhārya*
wife
Introduced in Chapter 45.

భాష *bhāṣa*
a language
Introduced in Chapter 89.

భౌతికశాస్త్రం *bhautikaśāstraṁ*
physics
Introduced in Chapter 238.

భవనం *bhavanaṁ*
a building
Introduced in Chapter 292.

భవిష్యత్తు *bhaviṣyattu*
the future
Introduced in Chapter 155.

భయం *bhayaṁ*
fear
Introduced in Chapter 85.

భయంకరమైన *bhayaṅkaramaina*
terrible, dreadful
Introduced in Chapter 142.

భిన్నమైన *bhinnamaina*
different
Introduced in Chapter 222.

భోగి *bhōgi*
Bhogi, the first day of Sankranti
Introduced in Chapter 289.

భోజనం *bhōjanaṁ*
a meal — the polite Sanskrit noun Chapter 32 already named and never taught, finally given its own lesson
Introduced in Chapter 40.

భోంచేశారా? *bhōñcēśārā?*
have you eaten?
Introduced in Chapter 91.

భూగోళశాస్త్రం *bhūgōḷaśāstraṁ*
geography
Introduced in Chapter 238.

భుజం *bhujaṁ*
a shoulder
Introduced in Chapter 127.

భూకంపం *bhūkampaṁ*
an earthquake
Introduced in Chapter 175.

బిగించు *bigiñcu*
to tighten
Introduced in Chapter 165.

బిజీ *bijī*
busy
Introduced in Chapter 259.

బిల్లు *billu*
a bill
Introduced in Chapter 273.

బీమా *bīmā*
insurance
Introduced in Chapter 287.

బిందె *bindē*
a water pot
Introduced in Chapter 129.

బీరువా *bīruvā*
a cupboard
Introduced in Chapter 129.

బొబ్బ *bobba*
a blister
Introduced in Chapter 169.

బొగ్గు *boggu*
charcoal, coal
Introduced in Chapter 233.

బోలు *bōlu*
hollow
Introduced in Chapter 298.

బొమ్మ *bomma*
a doll; a picture
Introduced in Chapter 113.

బొప్పాయి *boppāyi*
a papaya
Introduced in Chapter 225.

బొట్టు *boṭṭu*
a bindi, a dot worn on the forehead
Introduced in Chapter 188.

బుడగ *buḍaga*
a bubble
Introduced in Chapter 233.

బూడిద *būḍida*
grey; ash
Introduced in Chapter 140.

బుగ్గ *bugga*
a cheek
Introduced in Chapter 127.

బురద *burada*
mud
Introduced in Chapter 59.

బూట్లు *būṭlu*
shoes
Introduced in Chapter 300.

బుట్ట *buṭṭa*
a basket
Introduced in Chapter 56.

బ్యాంకు *byāṅku*
a bank
Introduced in Chapter 103.

బ్యాటరీ *byāṭarī*
a battery
Introduced in Chapter 305.

చాచు *cācu*
to stretch out (a limb)
Introduced in Chapter 249.

చదరంగం *cadaraṅgaṁ*
chess
Introduced in Chapter 304.

చదునైన *cadunaina*
flat, level
Introduced in Chapter 298.

చదువు *caduvu*
to read — and, with no second word, to study; the same form is the noun for an education, and its middle vowel moves as the endings change
Introduced in Chapter 33.

చైత్రం వైశాఖం జ్యేష్ఠం ఆషాఢం శ్రావణం భాద్రపదం ఆశ్వయుజం కార్తీకం మార్గశిరం పుష్యం మాఘం ఫాల్గుణం *Caitraṁ Vaiśākhaṁ Jyēṣṭhaṁ Āṣāḍhaṁ Śrāvaṇaṁ Bhādrapadaṁ Āśvayujaṁ Kārtīkaṁ Mārgaśiraṁ Puṣyaṁ Māghaṁ Phālguṇaṁ*
the twelve lunisolar months — matching Kannada and Hindi's shared pan-Indian calendar, completing the split with Tamil/Malayalam's own solar systems
Introduced in Chapter 16.

చాకలి *cākali*
a washerman
Introduced in Chapter 277.

చక్కెర *cakkera*
sugar
Introduced in Chapter 61.

చక్రం *cakraṁ*
a wheel
Introduced in Chapter 193.

చాలా మంచి *cālā manci*
very good
Introduced in Chapter 76.

చాలా రోజులైంది *cālā rōjulaindi*
it has been a long time
Introduced in Chapter 91.

చలి *cali*
cold, the cold
Introduced in Chapter 85.

చల్లార్చు *callārcu*
to cool (something) down
Introduced in Chapter 207.

చాలు *cālu*
enough, that will do
Introduced in Chapter 49.

చంద్రుడు *candruḍu*
the moon
Introduced in Chapter 53.

చనిపోవు *canipōvu*
to die
Introduced in Chapter 208.

చాప *cāpa*
a mat
Introduced in Chapter 56.

చపాతీ *capātī*
a chapati
Introduced in Chapter 262.

చప్పని *cappani*
bland, tasteless
Introduced in Chapter 179.

చర్చి *carci*
a church
Introduced in Chapter 293.

చర్చించు *carciñcu*
to discuss
Introduced in Chapter 202.

చరిత్ర *caritra*
history
Introduced in Chapter 238.

చర్మం *carmaṁ*
the skin
Introduced in Chapter 128.

చట్టి *caṭṭi*
a clay pot
Introduced in Chapter 129.

చతురస్రం *caturasraṁ*
a square
Introduced in Chapter 193.

చౌక *cauka*
cheap
Introduced in Chapter 179.

చేదైన *cēdaina*
bitter-tasting
Introduced in Chapter 141.

చెడ్డ *ceḍḍa*
bad
Introduced in Chapter 76.

చేదు *cēdu*
bitter, bitterness
Introduced in Chapter 73.

చెక్క *cekka*
wood, a plank
Introduced in Chapter 269.

చెక్కు *cekku*
a cheque
Introduced in Chapter 264.

చెల్లించు *celliñcu*
to pay
Introduced in Chapter 157.

చెమట *cemaṭa*
sweat
Introduced in Chapter 167.

చెంచా *cemcā*
a spoon
Introduced in Chapter 112.

చేప *cēpa*
a fish
Introduced in Chapter 116.

చెప్పు *ceppu*
to tell, to say
Introduced in Chapter 280.

చెప్పులు *ceppulu*
sandals
Introduced in Chapter 114.

చెరకు *ceraku*
sugarcane
Introduced in Chapter 303.

చేర్చు *cērcu*
to admit, to enrol, to add
Introduced in Chapter 280.

చేరు *cēru*
to reach, to join
Introduced in Chapter 146.

చెరువు *ceruvu*
a village tank, a reservoir
Introduced in Chapter 55.

చేతిరుమాలు *cētirumālu*
a handkerchief
Introduced in Chapter 300.

చెత్త *cetta*
rubbish, garbage
Introduced in Chapter 224.

చెట్టు *ceṭṭu*
a tree
Introduced in Chapter 54.

చెవి *cevi*
ear — native Dravidian, matching Tamil's own form closely
Introduced in Chapter 37.

చెవిపోగులు *cevipōgulu*
earrings
Introduced in Chapter 300.

ఛార్జ్ చేయు *chārj cēyu*
to charge (a battery)
Introduced in Chapter 283.

ఛాతీ *chātī*
the chest
Introduced in Chapter 287.

ఛాయ *chāya*
shade; shadow
Introduced in Chapter 151.

చీకటి *cīkaṭi*
darkness
Introduced in Chapter 267.

చిక్కని *cikkani*
thick (of a liquid)
Introduced in Chapter 261.

చిలక *cilaka*
a parrot
Introduced in Chapter 124.

చీలమండ *cīlamaṇḍa*
the ankle
Introduced in Chapter 250.

చిల్లర *cillara*
loose change
Introduced in Chapter 235.

చిల్లు *cillu*
a hole
Introduced in Chapter 271.

చీమ *cīma*
an ant
Introduced in Chapter 60.

చిమ్ము *cimmu*
to sweep (the floor)
Introduced in Chapter 284.

చింపు *cimpu*
to tear
Introduced in Chapter 164.

చిందరవందర *cindaravandara*
messy, in disarray
Introduced in Chapter 223.

చిందు *cindu*
to spill
Introduced in Chapter 165.

చిన్న *cinna*
small
Introduced in Chapter 42.

చింతపండు *cintapaṇḍu*
tamarind
Introduced in Chapter 135.

చినుకు *cinuku*
a raindrop
Introduced in Chapter 229.

చీపురు *cīpuru*
a broom
Introduced in Chapter 62.

చీర *cīra*
a sari
Introduced in Chapter 114.

చిరునామా *cirunāmā*
an address
Introduced in Chapter 89.

చీటీ *cīṭī*
a chit, a slip of paper
Introduced in Chapter 239.

చిత్రం *citraṁ*
a painting, a picture
Introduced in Chapter 230.

చివర *civara*
the end
Introduced in Chapter 253.

చివరకు *civaraku*
finally, at last
Introduced in Chapter 212.

చొక్కా *cokkā*
a shirt
Introduced in Chapter 114.

చూడు *cūḍu*
look
Introduced in Chapter 44.

చూడు *cūḍu*
to see, to look — Telugu's own everyday see-word, and the respectful **-అండి** ending that fits any verb stem
Introduced in Chapter 32.

చుక్క *cukka*
a star; a dot
Introduced in Chapter 53.

చూపించండి *cūpiñcaṇḍi*
please show me
Introduced in Chapter 95.

చురుకైన *curukaina*
active, alert
Introduced in Chapter 297.

చుట్టు *cuṭṭu*
to wrap, to roll up
Introduced in Chapter 164.

చుట్టూ *cuṭṭū*
around
Introduced in Chapter 291.

డబ్బా *ḍabbā*
a tin, a can
Introduced in Chapter 269.

డబ్బు *ḍabbu*
money
Introduced in Chapter 72.

దాచు *dācu*
to hide
Introduced in Chapter 147.

దాదాపు *dādāpu*
almost, nearly
Introduced in Chapter 294.

దద్దుర్లు *daddurlu*
a rash
Introduced in Chapter 169.

దగ్గర *daggara*
near
Introduced in Chapter 100.

దగ్గు *daggu*
a cough
Introduced in Chapter 63.

దాహం *dāhaṁ*
thirst
Introduced in Chapter 84.

దక్షిణం *dakṣiṇaṁ*
south
Introduced in Chapter 291.

దంచు *dañcu*
to pound (in a mortar)
Introduced in Chapter 199.

దండం *daṇḍaṁ*
a salutation, “my respects”
Introduced in Chapter 51.

డప్పు *ḍappu*
a drum
Introduced in Chapter 4.

దరఖాస్తు *darakhāstu*
an application
Introduced in Chapter 196.

దారం *dāraṁ*
thread
Introduced in Chapter 62.

దర్జీ *darjī*
a tailor
Introduced in Chapter 194.

దశాబ్దం *daśābdaṁ*
a decade
Introduced in Chapter 290.

దసరా *dasarā*
Dasara
Introduced in Chapter 252.

దాటు *dāṭu*
to cross
Introduced in Chapter 278.

డౌన్లోడ్ చేయు *ḍaunlōḍ cēyu*
to download
Introduced in Chapter 245.

దయచేసి *dayacēsi*
please (dayacēsi — “having done compassion,” from **దయ** daya “compassion”)
Introduced in Chapter 8.

దయచేసి టీ *dayacēsi ṭī*
tea, please — Telugu's traditional word for tea travelled by sea, not by the overland road most of its neighbours took
Introduced in Chapter 39.

దయగల *dayagala*
kind, compassionate
Introduced in Chapter 260.

దేశం *dēśaṁ*
a country
Introduced in Chapter 77.

దేవుడు *dēvuḍu*
God, a god
Introduced in Chapter 265.

ధైర్యం *dhairyaṁ*
courage; brave
Introduced in Chapter 141.

ధాన్యం *dhānyaṁ*
grain
Introduced in Chapter 134.

ధన్యవాదములు *dhanyavādamulu*
thank you (dhanyavādamulu — "utterances of 'worthy'")
Introduced in Chapter 1.

ధర *dhara*
a price
Introduced in Chapter 72.

ధోతి *dhōti*
a dhoti
Introduced in Chapter 132.

దిద్దు *diddu*
to correct (written work)
Introduced in Chapter 166.

డిగ్రీ *ḍigrī*
a degree
Introduced in Chapter 311.

దిగు *digu*
to get down, to get off
Introduced in Chapter 145.

దిక్కు *dikku*
a direction
Introduced in Chapter 254.

దిండు *diṇḍu*
a pillow
Introduced in Chapter 109.

దీపం *dīpaṁ*
a lamp
Introduced in Chapter 46.

దీపావళి *dīpāvaḷi*
Diwali, the festival of lamps
Introduced in Chapter 252.

దీవి *dīvi*
an island
Introduced in Chapter 122.

దోచుకో *dōcukō*
to rob
Introduced in Chapter 248.

దోమ *dōma*
a mosquito
Introduced in Chapter 70.

దొంగ *doṅga*
a thief
Introduced in Chapter 265.

దొర్లు *dorlu*
to roll (over)
Introduced in Chapter 206.

దొరుకు *doruku*
to be found, to be available
Introduced in Chapter 201.

దోశ *dōsa*
a dosa
Introduced in Chapter 119.

దోసకాయ *dōsakāya*
a cucumber
Introduced in Chapter 184.

డ్రైవరు *ḍraivaru*
a driver
Introduced in Chapter 237.

ద్రాక్ష *drākṣa*
grapes
Introduced in Chapter 135.

దూడ *dūḍa*
a calf
Introduced in Chapter 302.

దూకు *dūku*
to jump
Introduced in Chapter 145.

దుమ్ము *dummu*
dust
Introduced in Chapter 175.

దున్ను *dunnu*
to till (a field)
Introduced in Chapter 207.

దుప్పటి *duppaṭi*
a blanket
Introduced in Chapter 109.

దురద *durada*
an itch
Introduced in Chapter 209.

దూరం *dūraṁ*
far; distance
Introduced in Chapter 100.

దువ్వెన *duvvena*
a comb
Introduced in Chapter 111.

ద్వారా *dvārā*
through, by means of
Introduced in Chapter 176.

ఎడమ *eḍama*
left (not right)
Introduced in Chapter 100.

ఎడారి *eḍāri*
a desert
Introduced in Chapter 215.

ఏడవ *ēḍava*
seventh — a long vowel that stays long
Introduced in Chapter 82.

ఏడ్చు *ēḍcu*
to cry
Introduced in Chapter 149.

ఎద్దు *eddu*
an ox, a bull
Introduced in Chapter 302.

ఏదేమైనా *ēdēmainā*
anyway, in any case
Introduced in Chapter 177.

ఎదుగు *edugu*
to grow up
Introduced in Chapter 203.

ఏడుపు *ēḍupu*
crying, tears
Introduced in Chapter 97.

ఎదుర్కొను *edurkonu*
to confront, to face
Introduced in Chapter 208.

ఎదురుచూడు *edurucūḍu*
to look forward to, to wait for
Introduced in Chapter 155.

ఎదురుగా *edurugā*
opposite, facing
Introduced in Chapter 291.

ఎగురు *egiru*
to fly
Introduced in Chapter 143.

ఎక్కడ *ekkaḍa*
where? — asking about a place
Introduced in Chapter 41.

ఎక్కడా *ekkaḍā*
nowhere, not anywhere (with a negative verb)
Introduced in Chapter 153.

ఎక్కడికి? *ekkaḍiki?*
where to?
Introduced in Chapter 91.

ఎక్కిళ్ళు *ekkiḷḷu*
hiccups
Introduced in Chapter 211.

ఎక్కువ *ekkuva*
more, a great deal
Introduced in Chapter 58.

ఎలా *elā*
how
Introduced in Chapter 3.

ఎలా అంటారు? *elā aṇṭāru?*
how do you say it?
Introduced in Chapter 95.

ఎలాగైనా *elāgainā*
somehow, by any means
Introduced in Chapter 295.

ఎల్లుండి *elluṇḍi*
the day after tomorrow
Introduced in Chapter 50.

ఎలుగుబంటి *elugubaṇṭi*
a bear
Introduced in Chapter 123.

ఎలుక *eluka*
a mouse, a rat
Introduced in Chapter 70.

ఏమైనా *ēmainā*
anything, something
Introduced in Chapter 153.

ఏమీ లేదు *ēmī lēdu*
nothing, it's nothing
Introduced in Chapter 98.

ఏమిటి *ēmiṭi*
what
Introduced in Chapter 2.

ఏమో *ēmō*
perhaps, who knows
Introduced in Chapter 49.

ఎముక *emuka*
a bone
Introduced in Chapter 57.

ఎంచుకో *eñcukō*
to choose
Introduced in Chapter 200.

ఎండ *eṇḍa*
sunshine, the sun's heat
Introduced in Chapter 229.

ఎందుకైనా *endukainā*
in case, to be on the safe side
Introduced in Chapter 295.

ఎందుకంటే *endukaṇṭē*
because
Introduced in Chapter 74.

ఎందుకో *endukō*
for some reason
Introduced in Chapter 295.

ఎందుకు *enduku*
why?
Introduced in Chapter 74.

ఎనిమిదవ *enimidava*
eighth — where the vowel that goes is an i, not a u
Introduced in Chapter 82.

ఏంటి సంగతి? *ēṇṭi saṅgati?*
what's new?
Introduced in Chapter 91.

ఏనుగు *ēnugu*
an elephant
Introduced in Chapter 122.

ఎప్పటికీ *eppaṭikī*
forever
Introduced in Chapter 172.

ఎప్పుడైనా *eppuḍainā*
ever, at any time
Introduced in Chapter 253.

ఎప్పుడూ *eppuḍū*
never (with a negative verb); always
Introduced in Chapter 153.

ఎప్పుడు వస్తారు? *eppuḍu vastāru?*
when will you come?
Introduced in Chapter 75.

ఎర్రటి *erraṭi*
red, reddish
Introduced in Chapter 143.

ఎరువు *eruvu*
fertilizer, manure
Introduced in Chapter 234.

ఏటా *ēṭā*
every year, annually
Introduced in Chapter 172.

ఎత్తు *ettu*
to lift
Introduced in Chapter 240.

ఎవరైనా *evarainā*
anyone, someone
Introduced in Chapter 153.

ఎవరు *evaru*
who? — asking about a person
Introduced in Chapter 41.

ఎవరూ *evarū*
nobody (with a negative verb)
Introduced in Chapter 153.

గబ్బిలం *gabbilaṁ*
a bat (animal)
Introduced in Chapter 228.

గడప *gaḍapa*
a threshold
Introduced in Chapter 67.

గడ్డకట్టు *gaḍḍakaṭṭu*
to freeze
Introduced in Chapter 244.

గడ్డం *gaḍḍaṁ*
the chin; a beard
Introduced in Chapter 128.

గడ్డి *gaḍḍi*
grass
Introduced in Chapter 66.

గాడిద *gāḍida*
a donkey
Introduced in Chapter 126.

గడియారం *gaḍiyāraṁ*
a clock, a watch
Introduced in Chapter 111.

గడుపు *gaḍupu*
to spend (time)
Introduced in Chapter 154.

గడువు *gaḍuvu*
a deadline, a time limit
Introduced in Chapter 196.

గాజులు *gājulu*
bangles
Introduced in Chapter 115.

గాలి *gāli*
wind, air
Introduced in Chapter 59.

గాలిపటం *gālipaṭaṁ*
a kite
Introduced in Chapter 114.

గమనించు *gamaniñcu*
to take note of, to notice
Introduced in Chapter 285.

గంగిరెద్దు *gaṅgireddu*
a decorated performing bull seen at Sankranti
Introduced in Chapter 229.

గణితం *gaṇitaṁ*
mathematics
Introduced in Chapter 274.

గంట *gaṇṭa*
hour — matching Kannada and Hindi exactly, the same Sanskrit "bell" word
Introduced in Chapter 18.

గరిటె *gariṭe*
a ladle
Introduced in Chapter 224.

గారు *gāru*
the respectful suffix on a name
Introduced in Chapter 79.

గరుకు *garuku*
rough (to the touch)
Introduced in Chapter 261.

గర్వం *garvaṁ*
pride
Introduced in Chapter 168.

గత *gata*
last, previous
Introduced in Chapter 154.

గట్టి *gaṭṭi*
hard
Introduced in Chapter 137.

గట్టిగా *gaṭṭigā*
loudly; firmly
Introduced in Chapter 86.

గట్టు *gaṭṭu*
a bund, an embankment
Introduced in Chapter 309.

గౌరవం *gauravaṁ*
respect
Introduced in Chapter 51.

గాయం *gāyaṁ*
a wound, an injury
Introduced in Chapter 92.

గేదె *gēde*
a buffalo
Introduced in Chapter 60.

గెలుచు *gelucu*
to win
Introduced in Chapter 147.

గేటు *gēṭu*
a gate
Introduced in Chapter 216.

గిల్లు *gillu*
to pinch
Introduced in Chapter 247.

గిన్నె *ginne*
a cooking vessel, a bowl
Introduced in Chapter 56.

గీత *gīta*
a line
Introduced in Chapter 193.

గీయు *gīyu*
to draw (a line, a picture)
Introduced in Chapter 204.

గ్లాసు *glāsu*
a drinking glass
Introduced in Chapter 112.

గోడ *gōḍa*
a wall
Introduced in Chapter 67.

గోదాము *gōdāmu*
a warehouse
Introduced in Chapter 256.

గొడవ *goḍava*
a quarrel, a fuss
Introduced in Chapter 257.

గొడ్డలి *goḍḍali*
an axe
Introduced in Chapter 69.

గోధుమ రంగు *gōdhuma raṅgu*
brown
Introduced in Chapter 221.

గోధుమలు *gōdhumalu*
wheat
Introduced in Chapter 134.

గొడుగు *goḍugu*
an umbrella
Introduced in Chapter 62.

గోకు *gōku*
to scratch
Introduced in Chapter 247.

గొళ్ళెం *goḷḷeṁ*
a latch, a bolt
Introduced in Chapter 192.

గొలుసు *golusu*
a chain, a necklace
Introduced in Chapter 300.

గొంతు *gontu*
a voice
Introduced in Chapter 68.

గొణుగు *goṇugu*
to mutter, to grumble
Introduced in Chapter 166.

గొప్ప *goppa*
great, eminent
Introduced in Chapter 181.

గోరింటాకు *gōriṇṭāku*
henna
Introduced in Chapter 188.

గొర్రె *gorre*
a sheep
Introduced in Chapter 302.

గోరు *gōru*
a fingernail, a claw
Introduced in Chapter 57.

గొరుగు *gorugu*
to shave
Introduced in Chapter 165.

గ్రహించు *grahiñcu*
to realize, to grasp
Introduced in Chapter 163.

గ్రామం *grāmaṁ*
a village
Introduced in Chapter 55.

గ్రంథాలయం *granthālayaṁ*
a library
Introduced in Chapter 103.

గుచ్చు *guccu*
to prick, to string (flowers)
Introduced in Chapter 165.

గుడ్డలు *guḍḍalu*
clothes, cloth
Introduced in Chapter 133.

గుడ్డు *guḍḍu*
an egg
Introduced in Chapter 116.

గుడి *guḍi*
a temple
Introduced in Chapter 103.

గుడిసె *guḍise*
a hut
Introduced in Chapter 292.

గుడ్లగూబ *guḍlagūba*
an owl
Introduced in Chapter 125.

గూడు *gūḍu*
a nest
Introduced in Chapter 228.

గుహ *guha*
a cave
Introduced in Chapter 174.

గులాబీ రంగు *gulābī raṅgu*
pink
Introduced in Chapter 180.

గుమాస్తా *gumāstā*
a clerk
Introduced in Chapter 195.

గుంపు *gumpu*
a crowd
Introduced in Chapter 175.

గుండె *guṇḍe*
heart — the everyday native Dravidian word, cognate with Kannada's own native heart-word
Introduced in Chapter 38.

గుండీ *guṇḍī*
a button
Introduced in Chapter 300.

గుండ్రని *guṇḍrani*
round
Introduced in Chapter 221.

గుంట *guṇṭa*
a pit, a pothole
Introduced in Chapter 308.

గురక *guraka*
snoring
Introduced in Chapter 211.

గురించి *guriñci*
about, concerning
Introduced in Chapter 176.

గుర్రం *gurraṁ*
a horse
Introduced in Chapter 122.

గుర్తుపట్టు *gurtupaṭṭu*
to recognize
Introduced in Chapter 283.

గుర్తుపెట్టుకో *gurtupeṭṭukō*
to remember, to keep in mind
Introduced in Chapter 160.

గురువు *guruvu*
a teacher
Introduced in Chapter 48.

గుసగుసలాడు *gusagusalāḍu*
to whisper
Introduced in Chapter 247.

గుట్ట *guṭṭa*
a low hill
Introduced in Chapter 55.

హాజరు *hājaru*
attendance
Introduced in Chapter 313.

హక్కు *hakku*
a right
Introduced in Chapter 105.

హంస *haṃsa*
a swan
Introduced in Chapter 5.

హారం *hāraṁ*
a necklace
Introduced in Chapter 192.

హాయిగా *hāyigā*
comfortably, pleasantly
Introduced in Chapter 93.

హెచ్చరించు *heccariñcu*
to warn
Introduced in Chapter 285.

హోటలు *hōṭalu*
a restaurant, an eating house
Introduced in Chapter 173.

హృదయం *hṛdayaṁ*
heart — the literary Sanskrit word for the same organ, a genuine Indo-European cousin of English "heart"
Introduced in Chapter 38.

ఇది *idi*
this one — the thing near me
Introduced in Chapter 41.

ఇడ్లీ *iḍlī*
an idli
Introduced in Chapter 119.

ఇకపై *ikapai*
from now on
Introduced in Chapter 155.

ఇక్కడ *ikkaḍa*
here — where I am
Introduced in Chapter 41.

ఇంద్రధనుస్సు *indradhanussu*
a rainbow
Introduced in Chapter 267.

ఇంగ్లీషు *iṅglīṣu*
English, the language
Introduced in Chapter 89.

ఇంజనీరు *iñjanīru*
an engineer
Introduced in Chapter 312.

ఇంజెక్షను *iñjekṣanu*
an injection
Introduced in Chapter 251.

ఇంకా *iṅkā*
still, yet
Introduced in Chapter 64.

ఇంకా లేదు *iṅkā lēdu*
not yet
Introduced in Chapter 98.

ఇంకోసారి *iṅkōsāri*
once more, one more time
Introduced in Chapter 86.

ఇంతలో *intalō*
meanwhile
Introduced in Chapter 172.

ఇంటర్నెట్ *iṇṭarneṭ*
the internet
Introduced in Chapter 268.

ఇంటర్వ్యూ *iṇṭarvyū*
an interview
Introduced in Chapter 198.

ఇంటికి *iṇṭiki*
home, to the house
Introduced in Chapter 90.

ఇంటిపని *iṇṭipani*
housework
Introduced in Chapter 194.

ఇంటిపేరు *iṇṭipēru*
a surname, the family name
Introduced in Chapter 96.

ఇప్పటికే *ippaṭikē*
already
Introduced in Chapter 154.

ఇప్పుడు *ippuḍu*
now
Introduced in Chapter 50.

ఇరుగుపొరుగు *iruguporugu*
neighbours
Introduced in Chapter 227.

ఇరుకు *iruku*
narrow
Introduced in Chapter 138.

ఇస్త్రీ చేయు *istrī cēyu*
to iron (clothes)
Introduced in Chapter 242.

ఇసుక *isuka*
sand
Introduced in Chapter 59.

ఇటీవల *iṭīvala*
recently
Introduced in Chapter 154.

ఇత్తడి *ittaḍi*
brass
Introduced in Chapter 269.

ఇటు *iṭu*
this way, in this direction
Introduced in Chapter 174.

ఇటుక *iṭuka*
a brick
Introduced in Chapter 9.

ఇవాళ *ivāḷa*
today
Introduced in Chapter 75.

ఇవ్వు *ivvu*
give
Introduced in Chapter 43.

జాబితా *jābitā*
a list
Introduced in Chapter 310.

జడ *jaḍa*
a braid, a plait (of hair)
Introduced in Chapter 192.

జాడీ *jāḍī*
a jar (for pickle)
Introduced in Chapter 232.

జాగ్రత్త *jāgratta*
care, caution
Introduced in Chapter 90.

జైలు *jailu*
a jail
Introduced in Chapter 293.

జాకెట్టు *jāketṭṭu*
a blouse
Introduced in Chapter 132.

జలపాతం *jalapātaṁ*
a waterfall
Introduced in Chapter 122.

జల్లెడ *jalleḍa*
a sieve
Introduced in Chapter 269.

జలుబు *jalubu*
a cold, a runny nose
Introduced in Chapter 92.

జమ చేయు *jama cēyu*
to deposit, to credit
Introduced in Chapter 280.

జామపండు *jāmapaṇḍu*
a guava
Introduced in Chapter 136.

జనం *janaṁ*
people, a crowd
Introduced in Chapter 265.

జంతువు *jantuvu*
an animal
Introduced in Chapter 265.

జరిమానా *jarimānā*
a fine, a penalty
Introduced in Chapter 196.

జారు *jāru*
to slip, to slide
Introduced in Chapter 206.

జరుగు *jarugu*
to happen
Introduced in Chapter 284.

జరుపుకో *jarupukō*
to celebrate (a festival or occasion)
Introduced in Chapter 161.

జాతర *jātara*
a village fair, a temple festival
Introduced in Chapter 289.

జట్టు *jaṭṭu*
a team
Introduced in Chapter 236.

జవాబు *javābu*
an answer, a reply
Introduced in Chapter 274.

జేబు *jēbu*
a pocket
Introduced in Chapter 131.

జెండా *jeṇḍā*
a flag
Introduced in Chapter 309.

ఝరి *jhari*
a stream; mountain stream
Introduced in Chapter 152.

జిడ్డు *jiḍḍu*
greasy, oily
Introduced in Chapter 261.

జీడిపప్పు *jīḍipappu*
cashew nuts
Introduced in Chapter 225.

జిగట *jigaṭa*
sticky
Introduced in Chapter 261.

జిగురు *jiguru*
glue
Introduced in Chapter 231.

జీలకర్ర *jīlakarra*
cumin
Introduced in Chapter 135.

జిల్లా *jillā*
a district
Introduced in Chapter 214.

జింక *jiṅka*
a deer
Introduced in Chapter 124.

జీతం *jītaṁ*
a salary
Introduced in Chapter 235.

జీవశాస్త్రం *jīvaśāstraṁ*
biology
Introduced in Chapter 276.

జ్ఞాపకం *jñāpakaṁ*
a memory
Introduced in Chapter 238.

జుట్టు *juṭṭu*
hair (of the head)
Introduced in Chapter 47.

జ్వరం *jvaraṁ*
a fever
Introduced in Chapter 84.

కబురు *kaburu*
a message, news
Introduced in Chapter 68.

కడుగు *kaḍugu*
to wash
Introduced in Chapter 146.

కదులు *kadulu*
to move
Introduced in Chapter 201.

కడుపు *kaḍupu*
the stomach, the belly
Introduced in Chapter 47.

కాగితం *kāgitaṁ*
paper
Introduced in Chapter 112.

కాకి *kāki*
a crow
Introduced in Chapter 125.

కల *kala*
a dream
Introduced in Chapter 107.

కళాకారుడు *kaḷākāruḍu*
an artist, a performer
Introduced in Chapter 275.

కలం *kalaṁ*
a pen
Introduced in Chapter 112.

కాలపట్టిక *kālapaṭṭika*
a timetable
Introduced in Chapter 156.

కళాశాల *kaḷāśāla*
a college
Introduced in Chapter 311.

కాల్చు *kālcu*
to burn
Introduced in Chapter 148.

కలిసి *kalisi*
together
Introduced in Chapter 217.

కళ్ళజోడు *kaḷḷajōḍu*
glasses, spectacles
Introduced in Chapter 111.

కల్లం *kallaṁ*
a threshing floor
Introduced in Chapter 66.

కళ్ళు తిరుగు *kaḷḷu tirugu*
to feel dizzy
Introduced in Chapter 279.

కాలు *kālu*
leg, foot
Introduced in Chapter 47.

కలుపు *kalupu*
to mix, to stir in
Introduced in Chapter 157.

కాలువ *kāluva*
a canal
Introduced in Chapter 292.

కమ్మని *kammani*
delicious, tasty
Introduced in Chapter 179.

కమ్మరి *kammari*
a blacksmith
Introduced in Chapter 277.

కంపెనీ *kampenī*
a company
Introduced in Chapter 236.

కంప్యూటర్ *kampyūṭar*
a computer
Introduced in Chapter 130.

కంచం *kañcaṁ*
an eating plate
Introduced in Chapter 269.

కంచె *kañce*
a fence
Introduced in Chapter 272.

కండక్టరు *kaṇḍakṭaru*
a bus conductor
Introduced in Chapter 237.

కాండం *kāṇḍaṁ*
a stem
Introduced in Chapter 272.

కండరం *kaṇḍaraṁ*
a muscle
Introduced in Chapter 251.

కండువా *kaṇḍuvā*
a shoulder cloth, a scarf
Introduced in Chapter 233.

కానీ *kānī*
but
Introduced in Chapter 74.

కన్ను *kannu*
eye — a word this book has already used once, unglossed, as proof of the family's shared oldest seeing-root
Introduced in Chapter 37.

కంటినీరు *kaṇṭinīru*
tears
Introduced in Chapter 133.

కనుబొమ్మ *kanubomma*
an eyebrow
Introduced in Chapter 127.

కనుక్కో *kanukkō*
to find out, to discover
Introduced in Chapter 205.

కాపాడు *kāpāḍu*
to protect, to save
Introduced in Chapter 148.

కాపలాదారు *kāpalādāru*
a watchman, a guard
Introduced in Chapter 314.

కాఫీ *kāphī*
coffee
Introduced in Chapter 119.

కప్ప *kappa*
a frog
Introduced in Chapter 70.

కప్పు *kappu*
a roof
Introduced in Chapter 67.

కారం *kāraṁ*
pungency, heat
Introduced in Chapter 73.

కారమైన *kāramaina*
spicy
Introduced in Chapter 141.

కారణం *kāraṇaṁ*
a reason
Introduced in Chapter 108.

కార్డు *kārḍu*
a card
Introduced in Chapter 226.

కరెంటు *kareṇṭu*
electricity, power
Introduced in Chapter 190.

కరివేపాకు *karivēpāku*
curry leaves
Introduced in Chapter 299.

కార్ఖానా *kārkhānā*
a factory
Introduced in Chapter 292.

కర్ర *karra*
a stick
Introduced in Chapter 69.

కారు *kāru*
a car
Introduced in Chapter 134.

కరుగు *karugu*
to melt
Introduced in Chapter 285.

కరువు *karuvu*
a drought, a famine
Introduced in Chapter 267.

కార్యక్రమం *kāryakramaṁ*
a programme, a show
Introduced in Chapter 268.

కార్యాలయం *kāryālayaṁ*
an office
Introduced in Chapter 104.

కాసేపు *kāsēpu*
a little while
Introduced in Chapter 213.

కష్టం *kaṣṭaṁ*
difficult; trouble
Introduced in Chapter 76.

కష్టపడే *kaṣṭapaḍē*
hard-working
Introduced in Chapter 142.

కథ *katha*
a story
Introduced in Chapter 312.

కఠినమైన *kaṭhinamaina*
hard, difficult; strict, harsh
Introduced in Chapter 296.

కట్టెలు *kaṭṭelu*
firewood
Introduced in Chapter 191.

కత్తెర *katterā*
scissors
Introduced in Chapter 110.

కత్తి *katti*
a knife
Introduced in Chapter 56.

కట్టు *kaṭṭu*
to tie, to build
Introduced in Chapter 147.

కౌగిలించు *kaugiliñcu*
to hug, to embrace
Introduced in Chapter 162.

కావాలా? *kāvālā?*
do you want it?
Introduced in Chapter 94.

కవలలు *kavalalu*
twins
Introduced in Chapter 186.

కావాలని *kāvālani*
on purpose, deliberately
Introduced in Chapter 178.

కవరు *kavaru*
an envelope
Introduced in Chapter 185.

కవి *kavi*
a poet
Introduced in Chapter 275.

కవిత *kavita*
a poem
Introduced in Chapter 230.

కెమెరా *kemerā*
a camera
Introduced in Chapter 230.

ఖాళీ చేయు *khāḷī cēyu*
to empty
Introduced in Chapter 246.

ఖరీదైన *kharīdaina*
expensive
Introduced in Chapter 179.

ఖాతా *khātā*
an account (bank)
Introduced in Chapter 311.

కీబోర్డు *kībōrḍu*
a keyboard
Introduced in Chapter 305.

కింద *kinda*
below, underneath
Introduced in Chapter 101.

కిటికీ *kiṭikī*
a window
Introduced in Chapter 67.

కిటికీతెర *kiṭikītera*
a window curtain
Introduced in Chapter 129.

కొబ్బరి *kobbari*
coconut
Introduced in Chapter 117.

కొడవలి *koḍavali*
a sickle
Introduced in Chapter 234.

కోడి *kōḍi*
a hen
Introduced in Chapter 60.

కొడుకు *koḍuku*
son — a native Dravidian root that shares its shape with a word already met in this book, and not with the next lesson's word for daughter
Introduced in Chapter 36.

కోకిల *kōkila*
a koel, the Indian cuckoo
Introduced in Chapter 187.

కొలబద్ద *kolabadda*
a ruler, a measuring stick
Introduced in Chapter 231.

కొలుచు *kolucu*
to measure
Introduced in Chapter 158.

కోలుకో *kōlukō*
to recover (from illness)
Introduced in Chapter 279.

కొమ్మ *komma*
a branch
Introduced in Chapter 54.

కొనసాగు *konasāgu*
to continue
Introduced in Chapter 166.

కొంచెం *koñcem*
a little, a bit
Introduced in Chapter 58.

కొండ *koṇḍa*
a hill, a mountain
Introduced in Chapter 121.

కొనుగోలు *konugōlu*
a purchase
Introduced in Chapter 273.

కోపం *kōpaṁ*
anger
Introduced in Chapter 85.

కోరిక *kōrika*
a wish
Introduced in Chapter 107.

కోర్టు *kōrṭu*
a court (of law)
Introduced in Chapter 256.

కోరు *kōru*
to wish for, to ask for
Introduced in Chapter 108.

కొరుకు *koruku*
to bite
Introduced in Chapter 241.

కోట *kōṭa*
a fort
Introduced in Chapter 292.

కోతి *kōti*
a monkey
Introduced in Chapter 123.

కొత్త *kotta*
new
Introduced in Chapter 42.

కొత్తిమీర *kottimīra*
coriander leaves
Introduced in Chapter 299.

కొట్టు *koṭṭu*
to hit, to beat
Introduced in Chapter 206.

కోటు *kōṭu*
a coat
Introduced in Chapter 132.

కొవ్వొత్తి *kovvotti*
a candle
Introduced in Chapter 113.

కోయు *kōyu*
to cut
Introduced in Chapter 144.

క్రీడ *krīḍa*
a sport
Introduced in Chapter 304.

క్రికెట్ *kriketṭ*
cricket
Introduced in Chapter 304.

కృతజ్ఞత *kṛtajñata*
gratitude
Introduced in Chapter 51.

క్షమాపణ *kṣamāpaṇa*
an apology
Introduced in Chapter 94.

క్షమించండి *kṣamiñcaṇḍi*
please forgive / sorry (kṣamiñcaṇḍi — from kṣamiñcu "to forgive," Sanskrit kṣamā + respectful -aṇḍi)
Introduced in Chapter 9.

క్షేమం *kṣēmaṁ*
wellbeing, safety
Introduced in Chapter 93.

కూడా *kūḍā*
also
Introduced in Chapter 64.

కూడలి *kūḍali*
a junction, a crossroads
Introduced in Chapter 214.

కుడి *kuḍi*
right (not left)
Introduced in Chapter 100.

కుక్క, పిల్లి *kukka, pilli*
dog and cat — kukka genuinely breaks from its Dravidian cousins' shared naayi root, debated as onomatopoeic or a Sanskrit loan; pilli most likely closes the ENTIRE arc's cat-story loop, the probable Dravidian source behind Sanskrit's biDaala and so Hindi's billi
Introduced in Chapter 21.

కుళాయి *kuḷāyi*
a water tap, a faucet
Introduced in Chapter 309.

కూలి *kūli*
daily wages; a labourer
Introduced in Chapter 310.

కుమ్మరి *kummari*
a potter
Introduced in Chapter 277.

కుంచె *kuñce*
a paintbrush
Introduced in Chapter 192.

కుందేలు *kundēlu*
a rabbit
Introduced in Chapter 123.

కుండీ *kuṇḍī*
a flowerpot
Introduced in Chapter 270.

కుంకుమ *kuṅkuma*
kumkum, vermilion powder
Introduced in Chapter 307.

కుప్ప *kuppa*
a heap, a pile
Introduced in Chapter 234.

కూర *kūra*
a curry
Introduced in Chapter 115.

కూరగాయలు *kūragāyalu*
vegetables
Introduced in Chapter 117.

కుర్చీ *kurcī*
a chair
Introduced in Chapter 52.

కూర్చో *kūrcō*
sit
Introduced in Chapter 43.

కురియు *kuriyu*
to rain down, to pour (of rain)
Introduced in Chapter 203.

కుట్టు *kuṭṭu*
to sew
Introduced in Chapter 147.

కుటుంబం *kuṭumbaṁ*
family — the collective word Chapter 12's parents and siblings never needed, because each of them was already the name of one specific person
Introduced in Chapter 35.

కూతురు *kūturu*
daughter — a second, separate Proto-Dravidian root, cognate across the family with a word for "infant" rather than with Telugu's own word for son
Introduced in Chapter 36.

లాభం *lābhaṁ*
a profit, a gain
Introduced in Chapter 235.

లాగు *lāgu*
to pull
Introduced in Chapter 240.

లక్ష్యం *lakṣyaṁ*
a goal, an aim
Introduced in Chapter 218.

లంగా *laṅgā*
a long skirt
Introduced in Chapter 131.

లావు *lāvu*
fat, thick
Introduced in Chapter 220.

లేచు *lēcu*
to get up
Introduced in Chapter 143.

లేదా *lēdā*
or
Introduced in Chapter 74.

లేదు *lēdu*
no / there isn't (lēdu)
Introduced in Chapter 1.

లేకపోతే *lēkapōtē*
otherwise, or else
Introduced in Chapter 176.

లెక్కపెట్టు *lekkapeṭṭu*
to count
Introduced in Chapter 146.

లేకుండా *lēkuṇḍā*
without
Introduced in Chapter 176.

లేత *lēta*
pale (of a colour); tender, young
Introduced in Chapter 221.

లోపల *lōpala*
inside
Introduced in Chapter 101.

లోపలికి రండి *lōpaliki raṇḍi*
please come in
Introduced in Chapter 80.

లోతు *lōtu*
deep
Introduced in Chapter 138.

లోయ *lōya*
a valley
Introduced in Chapter 174.

ల్యాప్టాప్ *lyāpṭāp*
a laptop
Introduced in Chapter 305.

మా *mā*
our (not including you)
Introduced in Chapter 79.

మబ్బు *mabbu*
a cloud
Introduced in Chapter 53.

మచ్చ *macca*
a scar, a spot
Introduced in Chapter 169.

మడమ *maḍama*
the heel
Introduced in Chapter 250.

మడతపెట్టు *maḍatapeṭṭu*
to fold
Introduced in Chapter 199.

మధుమేహం *madhumēhaṁ*
diabetes
Introduced in Chapter 288.

మధ్యాహ్నం *madhyāhnam*
“afternoon” — the same word already met meaning precisely “noon” (TE-C17), confirmed via a directly-fetched source to also cover “the time between noon and evening” in modern usage — the same kind of semantic widening already found for Hindi’s **दोपहर** and, more thinly, Kannada’s **ಮಧ್ಯಾಹ್ನ**
Introduced in Chapter 28.

మధ్యాహ్నం అర్ధరాత్రి *madhyāhnam ardharātri*
noon (Sanskrit "middle of day," same as Kannada) and midnight (Sanskrit "HALF of night" — a different root than Kannada's midnight word)
Introduced in Chapter 17.

మధ్యలో *madhyalō*
in the middle
Introduced in Chapter 102.

మగ్గు *maggu*
a mug
Introduced in Chapter 232.

మైదానం *maidānaṁ*
an open ground, a plain
Introduced in Chapter 215.

మజ్జిగ *majjiga*
buttermilk
Introduced in Chapter 299.

మలబద్ధకం *malabaddhakaṁ*
constipation
Introduced in Chapter 288.

మల్లెపువ్వు *mallepuvvu*
a jasmine flower
Introduced in Chapter 266.

మళ్ళీ కలుద్దాం *maḷḷī kaluddām*
we'll meet again
Introduced in Chapter 4.

మలుపు *malupu*
a turn, a bend
Introduced in Chapter 104.

మామ *māma*
an uncle; a father-in-law
Introduced in Chapter 71.

మామిడిపండు *māmiḍipaṇḍu*
a mango
Introduced in Chapter 117.

మాంసం *māṁsaṁ*
meat
Introduced in Chapter 116.

మామూలు *māmūlu*
ordinary, usual
Introduced in Chapter 181.

మనసు *manasu*
the mind, one's inner feelings
Introduced in Chapter 251.

మనవడు *manavaḍu*
a grandson
Introduced in Chapter 186.

మనవరాలు *manavarālu*
a granddaughter
Introduced in Chapter 186.

మనవి *manavi*
a polite request
Introduced in Chapter 65.

మంచం *mañcaṁ*
a bed
Introduced in Chapter 109.

మంచి *manci*
good
Introduced in Chapter 42.

మంచిది *mancidi*
it is a good one
Introduced in Chapter 76.

మంచు *mañcu*
mist, dew, snow
Introduced in Chapter 59.

మందు *mandu*
medicine
Introduced in Chapter 92.

మంగలి *maṅgali*
a barber
Introduced in Chapter 277.

మణికట్టు *maṇikaṭṭu*
a wrist
Introduced in Chapter 128.

మనిషి *maniṣi*
a person, a human being
Introduced in Chapter 88.

మన్నికైన *mannikaina*
durable, long-lasting
Introduced in Chapter 182.

మన్నించండి *manniñcaṇḍi*
please pardon me
Introduced in Chapter 94.

మరచిపో *maracipō*
to forget
Introduced in Chapter 145.

మరదలు *maradalu*
a sister-in-law; a female cousin
Introduced in Chapter 71.

మార్చు *mārcu*
to change
Introduced in Chapter 158.

మరియు *mariyu*
and
Introduced in Chapter 74.

మార్కులు *mārkulu*
marks, grades
Introduced in Chapter 236.

మర్రి *marri*
a banyan tree
Introduced in Chapter 266.

మర్యాద *maryāda*
good manners
Introduced in Chapter 65.

మసక *masaka*
dim, blurry
Introduced in Chapter 298.

మసి *masi*
soot
Introduced in Chapter 233.

మసీదు *masīdu*
a mosque
Introduced in Chapter 293.

మాట్లాడు *māṭlāḍu*
speak
Introduced in Chapter 44.

మాట్లాడు *māṭlāḍu*
to speak
Introduced in Chapter 5.

మాత్ర *mātra*
a tablet, a pill
Introduced in Chapter 167.

మాత్రమే *mātramē*
only
Introduced in Chapter 64.

మట్టి *maṭṭi*
soil, earth
Introduced in Chapter 120.

మెడ *meḍa*
the neck
Introduced in Chapter 57.

మేక *mēka*
a goat
Introduced in Chapter 60.

మెకానిక్కు *mekānikku*
a mechanic
Introduced in Chapter 314.

మేకు *mēku*
a nail (to hammer)
Introduced in Chapter 110.

మెల్లగా *mellagā*
gently, softly, slowly
Introduced in Chapter 95.

మేలు *mēlu*
a good turn, a benefit
Introduced in Chapter 51.

మేనేజరు *mēnējaru*
a manager
Introduced in Chapter 195.

మెరుపు *merupu*
lightning
Introduced in Chapter 121.

మేస్త్రి *mēstri*
a mason, a foreman
Introduced in Chapter 314.

మెత్తని *mettani*
soft
Introduced in Chapter 137.

మెట్టు *meṭṭu*
a step
Introduced in Chapter 67.

మేయు *mēyu*
to graze
Introduced in Chapter 282.

మీ పేరు ఏమిటి? *mī pēru ēmiṭi?*
what's your name?
Introduced in Chapter 2.

మిక్సీ *miksī*
a mixer-grinder
Introduced in Chapter 307.

మింగు *miṅgu*
to swallow
Introduced in Chapter 241.

మిరప *mirapa*
a chilli
Introduced in Chapter 61.

మిరియాలు *miriyālu*
black pepper
Introduced in Chapter 135.

మీరు ఎలా ఉన్నారు? *mīru elā unnāru?*
how are you? (respectful)
Introduced in Chapter 3.

మీసాలు *mīsālu*
a moustache
Introduced in Chapter 133.

మోచేయి *mōcēyi*
an elbow
Introduced in Chapter 128.

మొదలుపెట్టు *modalupeṭṭu*
to begin
Introduced in Chapter 242.

మొదటి *modaṭi*
first — the one ordinal Telugu does not build from a number
Introduced in Chapter 81.

మొద్దు *moddu*
blunt; dull-witted
Introduced in Chapter 298.

మొగ్గ *mogga*
a bud
Introduced in Chapter 266.

మోకాలు *mōkālu*
a knee
Introduced in Chapter 127.

మొక్క *mokka*
a young plant
Introduced in Chapter 54.

మొలకెత్తు *molakettu*
to sprout
Introduced in Chapter 248.

మొండి *moṇḍi*
stubborn
Introduced in Chapter 297.

మొన్న *monna*
the day before yesterday
Introduced in Chapter 213.

మొరటు *moraṭu*
rude, coarse
Introduced in Chapter 223.

మొరుగు *morugu*
to bark
Introduced in Chapter 244.

మొసలి *mosali*
a crocodile
Introduced in Chapter 302.

మోసం చేయు *mōsaṁ cēyu*
to cheat
Introduced in Chapter 248.

మొత్తం *mottaṁ*
total, whole; the total
Introduced in Chapter 180.

మొత్తానికి *mottāniki*
all in all, in short
Introduced in Chapter 294.

మోయు *mōyu*
to carry (a load)
Introduced in Chapter 240.

మూడవ *mūḍava*
third — the swap on its second number
Introduced in Chapter 81.

ముద్దుపేరు *muddupēru*
a nickname, a pet name
Introduced in Chapter 96.

ముద్దుపెట్టు *muddupeṭṭu*
to kiss
Introduced in Chapter 162.

ముడి *muḍi*
a knot
Introduced in Chapter 308.

ముద్రించు *mudriñcu*
to print
Introduced in Chapter 245.

ముగ్గు *muggu*
the rice-flour design drawn at the doorstep
Introduced in Chapter 52.

ముగించు *mugiñcu*
to finish
Introduced in Chapter 242.

ముఖం *mukhaṁ*
the face
Introduced in Chapter 126.

ముఖ్యమైన *mukhyamaina*
important
Introduced in Chapter 259.

ముక్క *mukka*
a piece
Introduced in Chapter 308.

ముక్కు *mukku*
nose — native Dravidian, but an irregular reflex of its own Proto-Dravidian root, contaminated in shape by the separate word for "face"
Introduced in Chapter 37.

మూల *mūla*
a corner
Introduced in Chapter 104.

ముల్లు *mullu*
a thorn
Introduced in Chapter 303.

ముంచు *muñcu*
to dip, to soak in
Introduced in Chapter 164.

ముందు *mundu*
before, in front
Introduced in Chapter 75.

ముప్పై *muppai*
thirty (and the tens above it)
Introduced in Chapter 77.

మురికి *murikī*
dirty
Introduced in Chapter 137.

ముసలి *musali*
old (of people)
Introduced in Chapter 139.

మూత *mūta*
a lid
Introduced in Chapter 183.

మూయు *mūyu*
to close
Introduced in Chapter 149.

మ్యూజియం *myūziyaṁ*
a museum
Introduced in Chapter 255.

నా *nā*
my
Introduced in Chapter 2.

నా పేరు ... *nā pēru ...*
my name is... (with no "is")
Introduced in Chapter 2.

నది *nadi*
a river
Introduced in Chapter 55.

నడుచు *naḍucu*
to walk
Introduced in Chapter 149.

నడుము *naḍumu*
the waist
Introduced in Chapter 250.

నడుపు *naḍupu*
to drive, to ride (a vehicle)
Introduced in Chapter 278.

నాగలి *nāgali*
a plough
Introduced in Chapter 234.

నగరం *nagaraṁ*
a city
Introduced in Chapter 255.

నైపుణ్యం *naipuṇyaṁ*
a skill
Introduced in Chapter 105.

నకిలీ *nakilī*
fake, counterfeit
Introduced in Chapter 182.

నక్క *nakka*
a fox
Introduced in Chapter 124.

నాకు కావాలి *nāku kāvāli*
I want it
Introduced in Chapter 80.

నాకు తెలియదు *nāku teliyadu*
I do not know
Introduced in Chapter 78.

నాకు తెలుగు ఇష్టం *nāku telugu iṣṭaṁ*
'I like Telugu' — a sentence with no verb in it at all, the liker in the dative and the liked thing left standing plain
Introduced in Chapter 34.

నాకు తెలుగు వచ్చు *nāku telugu vaccu*
'I know Telugu' — literally 'to me Telugu comes', with no subject at all
Introduced in Chapter 6.

నల్లబల్ల *nallaballa*
a blackboard
Introduced in Chapter 276.

నల్లని *nallani*
black, dark
Introduced in Chapter 142.

నాలుగవ *nālugava*
fourth — the longest of the ten, and still the same ending
Introduced in Chapter 81.

నాలుక *nāluka*
the tongue
Introduced in Chapter 127.

నలుపు తెలుపు ఎరుపు నీలం *nalupu telupu erupu nīlam*
black, white, red, blue — Telugu's own basic colors, completing the whole family's shared blue
Introduced in Chapter 11.

నమలు *namalu*
to chew
Introduced in Chapter 200.

నమస్కారం *namaskāram*
hello / greetings (namaskāram — "a making of a bow")
Introduced in Chapter 1.

నమస్తే *namastē*
namaste, hello
Introduced in Chapter 99.

నంబరు *nambaru*
a number (phone, house)
Introduced in Chapter 264.

నమ్మకం *nammakaṁ*
trust
Introduced in Chapter 65.

నమోదు చేయు *namōdu cēyu*
to register, to record
Introduced in Chapter 202.

నానబెట్టు *nānabeṭṭu*
to soak
Introduced in Chapter 159.

నాణెం *nāṇeṁ*
a coin
Introduced in Chapter 194.

నాన్న అమ్మ అన్న తమ్ముడు అక్క చెల్లి *nānna amma anna tammuḍu akka celli*
father, mother, and four age-graded sibling words — Telugu's own father-word and "younger sister" word, but the same age-first system
Introduced in Chapter 12.

నన్ను *nannu*
me (as the object)
Introduced in Chapter 79.

నారింజ రంగు *nāriñja raṅgu*
orange (colour)
Introduced in Chapter 180.

నర్సు *narsu*
a nurse
Introduced in Chapter 209.

నష్టం *naṣṭaṁ*
a loss
Introduced in Chapter 235.

నాటకం *nāṭakaṁ*
a play, a drama
Introduced in Chapter 275.

నటించు *naṭiñcu*
to act (in a play or film)
Introduced in Chapter 204.

నాటు *nāṭu*
to plant (a sapling)
Introduced in Chapter 282.

నటుడు *naṭuḍu*
an actor
Introduced in Chapter 230.

నాట్యం చేయు *nāṭyaṁ cēyu*
to dance
Introduced in Chapter 161.

నవల *navala*
a novel
Introduced in Chapter 189.

నవ్వు *navvu*
a laugh, a smile
Introduced in Chapter 97.

నేల *nēla*
the floor, the ground
Introduced in Chapter 224.

నెమలి *nemali*
a peacock
Introduced in Chapter 125.

నెమ్మదిగా *nemmadigā*
slowly
Introduced in Chapter 86.

నేను *nēnu*
I
Introduced in Chapter 3.

నేను తెలుగు మాట్లాడతాను *nēnu telugu māṭlāḍatānu*
I speak Telugu
Introduced in Chapter 5.

నేర్చుకో *nērcukō*
to learn
Introduced in Chapter 145.

నేర్పు *nērpu*
to teach
Introduced in Chapter 145.

నెట్టు *neṭṭu*
to push
Introduced in Chapter 240.

నెయ్యి *neyyi*
ghee
Introduced in Chapter 61.

నీ వయసెంత? *nī vayasenta*
how old are you? — literally “your age how-much?”, matching Kannada’s simple verbless possessive exactly
Introduced in Chapter 19.

నిచ్చెన *niccena*
a ladder
Introduced in Chapter 231.

నిద్ర *nidra*
sleep
Introduced in Chapter 63.

నిద్రపో *nidrapō*
to sleep
Introduced in Chapter 143.

నిఘంటువు *nighaṇṭuvu*
a dictionary
Introduced in Chapter 301.

నిజం *nijaṁ*
true; the truth
Introduced in Chapter 49.

నిజమే *nijamē*
that's true
Introduced in Chapter 98.

నిజంగా *nijaṁgā*
really, truly
Introduced in Chapter 87.

నిజాయితీ *nijāyitī*
honesty
Introduced in Chapter 297.

నిక్కరు *nikkaru*
shorts
Introduced in Chapter 263.

నిల్చో *nilcō*
stand
Introduced in Chapter 43.

నీళ్ళు బియ్యం అన్నం *nīḷḷu biyyam annam*
water (matching Tamil/Kannada's neer/niiru), and rice raw/cooked — completing the family's water and rice pattern
Introduced in Chapter 15.

నిమ్మకాయ *nimmakāya*
a lemon
Introduced in Chapter 135.

నింపు *nimpu*
to fill
Introduced in Chapter 199.

నింద *ninda*
blame
Introduced in Chapter 219.

నిండు *niṇḍu*
full
Introduced in Chapter 220.

నిన్న *ninna*
yesterday
Introduced in Chapter 75.

నిప్పు *nippu*
fire, a live coal
Introduced in Chapter 59.

నిరాకరించు *nirākariñcu*
to refuse
Introduced in Chapter 246.

నిరంతరం *nirantaraṁ*
constantly, continuously
Introduced in Chapter 171.

నిరాశ *nirāśa*
disappointment
Introduced in Chapter 210.

నీరసం *nīrasaṁ*
weakness, lethargy
Introduced in Chapter 92.

నిర్ణయించు *nirṇayiñcu*
to decide
Introduced in Chapter 108.

నిశ్శబ్దం *niśśabdaṁ*
silence; quiet
Introduced in Chapter 182.

నివేదిక *nivēdika*
a report
Introduced in Chapter 239.

నియమం *niyamaṁ*
a rule
Introduced in Chapter 258.

నొక్కు *nokku*
to press, to push (a button)
Introduced in Chapter 281.

నొప్పి *noppi*
a pain, an ache
Introduced in Chapter 84.

నోరు *nōru*
mouth — the one face-word where Telugu does not obviously match the root its three sisters all share
Introduced in Chapter 37.

నోటు *nōṭu*
a banknote
Introduced in Chapter 235.

నుదురు *nuduru*
the forehead
Introduced in Chapter 209.

నుంచి *nunci*
from
Introduced in Chapter 77.

నూనె *nūne*
oil
Introduced in Chapter 61.

నునుపైన *nunupaina*
smooth
Introduced in Chapter 260.

నురుగు *nurugu*
foam, lather
Introduced in Chapter 271.

నువ్వు / మీరు *nuvvu / mīru*
you (familiar / respectful)
Introduced in Chapter 2.

న్యాయమైన *nyāyamaina*
fair, righteous
Introduced in Chapter 222.

ఒకసారి *okasāri*
once, one time
Introduced in Chapter 154.

ఒకటి రెండు మూడు నాలుగు ఐదు *okaṭi reṇḍu mūḍu nālugu aidu*
one to five — the Dravidian family numbers, with Telugu's odd-looking "one"
Introduced in Chapter 7.

ఒకవేళ *okavēḷa*
if by chance, in case
Introduced in Chapter 177.

ఒక్క నిమిషం *okka nimiṣaṁ*
one minute, a moment
Introduced in Chapter 86.

ఒళ్ళు *oḷḷu*
the body
Introduced in Chapter 93.

ఒలుచు *olucu*
to peel
Introduced in Chapter 279.

ఒంటరిగా *oṇṭarigā*
alone
Introduced in Chapter 97.

ఒంటె *oṇṭe*
a camel
Introduced in Chapter 126.

ఒప్పందం *oppandaṁ*
an agreement, a contract
Introduced in Chapter 239.

ఒప్పించు *oppiñcu*
to persuade
Introduced in Chapter 247.

ఒప్పుకో *oppukō*
to agree, to accept
Introduced in Chapter 160.

పచ్చ, పసుపు *pacca pasupu*
green and yellow — a genuine Telugu doublet pair, both from the same Proto-Dravidian *pac- root, unlike Kannada, where the yellow word broke away as a Sanskrit loan*
Introduced in Chapter 22.

పచ్చడి *paccaḍi*
a chutney, a pickle
Introduced in Chapter 184.

పచ్చి *pacci*
raw, unripe
Introduced in Chapter 220.

పాడైన *pāḍaina*
spoiled
Introduced in Chapter 140.

పడకగది *paḍakagadi*
a bedroom
Introduced in Chapter 183.

పదకొండు — ఇరవై *padakoṇḍu — iravai*
11-20 — additive "ten-echo" compounds for the teens; **ఇరవై** (20) most likely continues the SAME pan-Dravidian "two-tens" pattern as Kannada's ippattu, though worn down further and less transparent on the surface today
Introduced in Chapter 20.

పడమర *paḍamara*
west
Introduced in Chapter 254.

పదండి *padaṇḍi*
let's go
Introduced in Chapter 90.

పడవ *paḍava*
a boat
Introduced in Chapter 133.

పదవ *padava*
tenth — the ten closed, and the shortest swap of all
Introduced in Chapter 82.

పద్ధతి *paddhati*
a method, a way of doing things
Introduced in Chapter 258.

పదే పదే *padē padē*
again and again
Introduced in Chapter 213.

పాడు *pāḍu*
to sing
Introduced in Chapter 148.

పడుకో *paḍukō*
to lie down
Introduced in Chapter 201.

పదునైన *padunaina*
sharp
Introduced in Chapter 221.

పగలగొట్టు *pagalagoṭṭu*
to break
Introduced in Chapter 144.

పగలు *pagalu*
daytime
Introduced in Chapter 290.

పైగా *paigā*
moreover, besides
Introduced in Chapter 294.

పైన *paina*
above, on top
Introduced in Chapter 101.

పైసా *paisā*
a paisa, small change
Introduced in Chapter 130.

పక్కన *pakkana*
beside, next to
Introduced in Chapter 173.

పక్షి *pakṣi*
a bird
Introduced in Chapter 60.

పాకు *pāku*
to crawl
Introduced in Chapter 249.

పలక *palaka*
a slate
Introduced in Chapter 313.

పలకరించు *palakariñcu*
to greet
Introduced in Chapter 161.

పాలకూర *pālakūra*
spinach
Introduced in Chapter 225.

పాలవాడు *pālavāḍu*
a milkman
Introduced in Chapter 314.

పాలు *pālu*
milk — the same Proto-Dravidian word the whole family shares, with Telugu on the majority side of a regular Kannada sound law
Introduced in Chapter 39.

పంపు *pampu*
to send
Introduced in Chapter 144.

పాము *pāmu*
a snake
Introduced in Chapter 124.

పంచదార *pañcadāra*
sugar
Introduced in Chapter 136.

పంచాయతీ *pañcāyatī*
the village council
Introduced in Chapter 293.

పంచె *pañce*
a dhoti
Introduced in Chapter 114.

పంచు *pañcu*
to share out, to distribute
Introduced in Chapter 282.

పంచుకో *pañcukō*
to share
Introduced in Chapter 205.

పంది *pandi*
a pig
Introduced in Chapter 126.

పండించు *paṇḍiñcu*
to grow (crops)
Introduced in Chapter 207.

పందిరి *pandiri*
a trellis; a festive canopy
Introduced in Chapter 272.

పండు *paṇḍu*
a fruit
Introduced in Chapter 46.

పండుగ *paṇḍuga*
a festival
Introduced in Chapter 289.

పని చేయు *pani cēyu*
to work (lit. “work-do”)
Introduced in Chapter 5.

పనికిరాని *panikirāni*
useless
Introduced in Chapter 223.

పనిమనిషి *panimaniṣi*
a domestic helper
Introduced in Chapter 194.

పన్ను *pannu*
a tooth
Introduced in Chapter 47.

పంట *paṇṭa*
a harvest
Introduced in Chapter 66.

పాప *pāpa*
a baby, a little one
Introduced in Chapter 186.

పప్పు *pappu*
dal, lentils
Introduced in Chapter 115.

పార *pāra*
a spade
Introduced in Chapter 69.

పరవాలేదు *paravālēdu*
it's okay / no problem / you're welcome
Introduced in Chapter 3.

పారేయు *pārēyu*
to throw away
Introduced in Chapter 159.

పరిచయం *paricayaṁ*
an introduction, acquaintance
Introduced in Chapter 94.

పరిగెత్తు *parigettu*
to run
Introduced in Chapter 143.

పరికరం *parikaraṁ*
a tool
Introduced in Chapter 106.

పరీక్ష *parīkṣa*
a test, an examination
Introduced in Chapter 209.

పరిణామం *pariṇāmaṁ*
a development, an outcome
Introduced in Chapter 219.

పరిష్కారం *pariṣkāraṁ*
a solution
Introduced in Chapter 197.

పరిష్కరించు *pariṣkariñcu*
to solve, to settle
Introduced in Chapter 243.

పరిస్థితి *paristhiti*
a situation
Introduced in Chapter 258.

పార్కు *pārku*
a park
Introduced in Chapter 102.

పార్సెలు *pārselu*
a parcel
Introduced in Chapter 185.

పర్సు *parsu*
a purse, a wallet
Introduced in Chapter 310.

పరుపు *parupu*
a mattress
Introduced in Chapter 224.

పశువులు *paśuvulu*
cattle, livestock
Introduced in Chapter 309.

పాట *pāṭa*
a song
Introduced in Chapter 68.

పాత *pāta*
old — of a thing, not of a person
Introduced in Chapter 42.

పతకం *patakaṁ*
a medal
Introduced in Chapter 189.

పటకారు *paṭakāru*
pliers, tongs
Introduced in Chapter 231.

పటం *paṭaṁ*
a map, a chart
Introduced in Chapter 226.

పాఠం *pāṭhaṁ*
a lesson
Introduced in Chapter 274.

పాటించు *pāṭiñcu*
to observe, to follow (rules)
Introduced in Chapter 166.

పత్రం *patraṁ*
a document, a certificate
Introduced in Chapter 226.

పట్టణం *paṭṭaṇaṁ*
a town
Introduced in Chapter 77.

పత్తి *patti*
cotton
Introduced in Chapter 306.

పట్టించుకో *paṭṭiñcukō*
to pay attention to, to care about
Introduced in Chapter 163.

పట్టుకో *paṭṭukō*
to hold, to catch
Introduced in Chapter 278.

పావురం *pāvuraṁ*
a pigeon
Introduced in Chapter 125.

పాయసం *pāyasaṁ*
a sweet milk pudding
Introduced in Chapter 184.

పేడ *pēḍa*
cow dung
Introduced in Chapter 234.

పేద *pēda*
poor
Introduced in Chapter 139.

పెదవి *pedavi*
a lip
Introduced in Chapter 57.

పెద్ద *pedda*
big
Introduced in Chapter 42.

పెద్దలు *peddalu*
elders
Introduced in Chapter 227.

పెళ్ళి *peḷḷi*
a wedding, marriage
Introduced in Chapter 89.

పెళ్ళికొడుకు *peḷḷikoḍuku*
a bridegroom
Introduced in Chapter 227.

పెళ్ళికూతురు *peḷḷikūturu*
a bride
Introduced in Chapter 265.

పెనం *penaṁ*
a griddle (tava)
Introduced in Chapter 270.

పెంచు *peñcu*
to raise, to increase
Introduced in Chapter 243.

పెంకు *peṅku*
a roof tile
Introduced in Chapter 271.

పెన్సిలు *pensilu*
a pencil
Introduced in Chapter 185.

పెరడు *peraḍu*
a backyard
Introduced in Chapter 173.

పేర్చు *pērcu*
to stack, to pile up
Introduced in Chapter 249.

పేరు *pēru*
name
Introduced in Chapter 2.

పెరుగు *perugu*
curd
Introduced in Chapter 61.

పెసలు *pesalu*
green gram
Introduced in Chapter 262.

పెట్రోలు *peṭrōlu*
petrol
Introduced in Chapter 301.

పెట్టె *peṭṭe*
a box
Introduced in Chapter 56.

ఫైలు *phailu*
a file, a folder
Introduced in Chapter 226.

ఫలితం *phalitaṁ*
a result
Introduced in Chapter 218.

ఫారం *phāraṁ*
a form (to fill in)
Introduced in Chapter 226.

ఫీజు *phīju*
a fee
Introduced in Chapter 196.

ఫిర్యాదు *phiryādu*
a complaint
Introduced in Chapter 277.

ఫోను *phōnu*
a phone
Introduced in Chapter 130.

ఫోటో తీయు *phōṭō tīyu*
to take a photo
Introduced in Chapter 205.

ఫ్రిజ్జు *phrijju*
a fridge
Introduced in Chapter 307.

ఫ్యాను *phyānu*
a fan
Introduced in Chapter 231.

పిచ్చుక *piccuka*
a sparrow
Introduced in Chapter 187.

పీల్చు *pīlcu*
to breathe in, to inhale
Introduced in Chapter 241.

పిల్లలు *pillalu*
children
Introduced in Chapter 88.

పిలుచు *pilucu*
to call
Introduced in Chapter 146.

పింఛను *piñchanu*
a pension
Introduced in Chapter 239.

పిండి *piṇḍi*
flour
Introduced in Chapter 224.

పిండు *piṇḍu*
to squeeze
Introduced in Chapter 159.

పీపా *pīpā*
a barrel
Introduced in Chapter 232.

పిసినారి *pisināri*
stingy; a miser
Introduced in Chapter 297.

పిసుకు *pisuku*
to knead, to squeeze
Introduced in Chapter 284.

పీత *pīta*
a crab
Introduced in Chapter 228.

పితుకు *pituku*
to milk (a cow)
Introduced in Chapter 248.

ప్లంబరు *plambaru*
a plumber
Introduced in Chapter 314.

ప్లాస్టిక్కు *plāsṭikku*
plastic
Introduced in Chapter 271.

పొద *poda*
a bush
Introduced in Chapter 272.

పొడవు *poḍavu*
tall, long
Introduced in Chapter 136.

పొడి *poḍi*
dry
Introduced in Chapter 139.

పొదుపు చేయు *podupu cēyu*
to save (money)
Introduced in Chapter 200.

పొగ *poga*
smoke
Introduced in Chapter 175.

పొగడు *pogaḍu*
to praise
Introduced in Chapter 162.

పొగమంచు *pogamañcu*
fog
Introduced in Chapter 229.

పోగొట్టుకో *pōgoṭṭukō*
to lose (something)
Introduced in Chapter 159.

పొలం *polaṁ*
a field
Introduced in Chapter 66.

పోల్చు *pōlcu*
to compare
Introduced in Chapter 204.

పోలీసు *pōlīsu*
a police officer; the police
Introduced in Chapter 237.

పోనీ *pōnī*
never mind; let it be
Introduced in Chapter 178.

పొరపాటున *porapāṭuna*
by mistake, accidentally
Introduced in Chapter 178.

పోస్టాఫీసు *pōsṭāphīsu*
a post office
Introduced in Chapter 173.

పోస్టుమాను *pōsṭumānu*
a postman
Introduced in Chapter 237.

పోటీ *pōṭī*
a competition, a match
Introduced in Chapter 189.

పోటీపడు *pōṭīpaḍu*
to compete
Introduced in Chapter 163.

పోట్లాడు *pōṭlāḍu*
to fight, to quarrel
Introduced in Chapter 203.

పొట్టి *poṭṭi*
short
Introduced in Chapter 136.

పొయ్యి *poyyi*
a stove
Introduced in Chapter 113.

ప్రభావం *prabhāvaṁ*
an effect, an influence
Introduced in Chapter 258.

ప్రభుత్వం *prabhutvaṁ*
the government
Introduced in Chapter 236.

ప్రదర్శన *pradarśana*
a show, an exhibition
Introduced in Chapter 268.

ప్రదేశం *pradēśaṁ*
a place, a spot
Introduced in Chapter 291.

ప్రధాన *pradhāna*
main, chief
Introduced in Chapter 180.

ప్రైవేటు *praivēṭu*
private
Introduced in Chapter 223.

ప్రకారం *prakāraṁ*
according to
Introduced in Chapter 177.

ప్రకాశించు *prakāśiñcu*
to shine
Introduced in Chapter 244.

ప్రకటన *prakaṭana*
an advertisement, an announcement
Introduced in Chapter 156.

ప్రకృతి *prakṛti*
nature
Introduced in Chapter 304.

ప్రమాదం *pramādaṁ*
an accident; danger
Introduced in Chapter 287.

ప్రణాళిక *praṇāḷika*
a plan
Introduced in Chapter 107.

ప్రాంతం *prāntaṁ*
an area, a region
Introduced in Chapter 254.

ప్రపంచం *prapañcaṁ*
the world
Introduced in Chapter 175.

ప్రసాదం *prasādaṁ*
prasadam, food offered to a deity and shared
Introduced in Chapter 188.

ప్రసారం చేయు *prasāraṁ cēyu*
to broadcast
Introduced in Chapter 245.

ప్రసిద్ధ *prasiddha*
famous
Introduced in Chapter 139.

ప్రస్తుతం *prastutaṁ*
at present, currently
Introduced in Chapter 253.

ప్రతి *prati*
every, each
Introduced in Chapter 180.

ప్రతిరోజు *pratirōju*
every day
Introduced in Chapter 171.

ప్రత్యేక *pratyēka*
special, separate
Introduced in Chapter 296.

ప్రయాణం *prayāṇaṁ*
a journey
Introduced in Chapter 50.

ప్రయత్నించు *prayatniñcu*
to try
Introduced in Chapter 200.

ప్రేమించు *prēmiñcu*
to love
Introduced in Chapter 281.

ప్రేరణ *prēraṇa*
motivation, inspiration
Introduced in Chapter 219.

పుచ్చకాయ *puccakāya*
a watermelon
Introduced in Chapter 225.

పూజ *pūja*
worship, a puja
Introduced in Chapter 303.

పూజారి *pūjāri*
a priest
Introduced in Chapter 275.

పుక్కిలించు *pukkiliñcu*
to gargle
Introduced in Chapter 208.

పూలదండ *pūladaṇḍa*
a flower garland
Introduced in Chapter 52.

పులి *puli*
a tiger
Introduced in Chapter 123.

పులుపు *pulupu*
sour, sourness
Introduced in Chapter 73.

పునాది *punādi*
a foundation
Introduced in Chapter 216.

పుండు *puṇḍu*
a sore, an ulcer
Introduced in Chapter 169.

పురుగు *purugu*
an insect, a worm
Introduced in Chapter 187.

పూర్వం *pūrvaṁ*
in the past, formerly
Introduced in Chapter 253.

పుస్తకం *pustakaṁ*
a book
Introduced in Chapter 46.

పూట *pūṭa*
a half of the day (a mealtime)
Introduced in Chapter 290.

పుట్టినరోజు *puṭṭinarōju*
a birthday
Introduced in Chapter 96.

పుట్టు *puṭṭu*
to be born
Introduced in Chapter 208.

పువ్వు *puvvu*
a flower
Introduced in Chapter 52.

పూయు *pūyu*
to bloom, to flower
Introduced in Chapter 203.

ప్యాంటు *pyāṇṭu*
trousers
Introduced in Chapter 263.

రా *rā*
come
Introduced in Chapter 43.

రా *rā*
to come — the command is **రా**, but every ending attaches to **వచ్చు** instead
Introduced in Chapter 32.

రబ్బరు *rabbaru*
rubber; an eraser
Introduced in Chapter 191.

రచయిత *racayita*
a writer, an author
Introduced in Chapter 197.

రచ్చబండ *raccabaṇḍa*
the village meeting platform
Introduced in Chapter 255.

రద్దీ *raddī*
crowded; a crowd, rush
Introduced in Chapter 259.

రద్దు చేయు *raddu cēyu*
to cancel
Introduced in Chapter 281.

రహస్యం *rahasyaṁ*
a secret
Introduced in Chapter 257.

రైలు *railu*
a train
Introduced in Chapter 133.

రైతు *raitu*
a farmer
Introduced in Chapter 48.

రాజధాని *rājadhāni*
a capital city
Introduced in Chapter 214.

రక్తం *raktaṁ*
blood
Introduced in Chapter 128.

రక్తపోటు *raktapōṭu*
blood pressure
Introduced in Chapter 288.

రాలు *rālu*
to fall (of leaves, fruit, petals)
Introduced in Chapter 204.

రంపం *rampaṁ*
a saw
Introduced in Chapter 69.

రసం *rasaṁ*
rasam
Introduced in Chapter 116.

రసాయనశాస్త్రం *rasāyanaśāstraṁ*
chemistry
Introduced in Chapter 276.

రసీదు *rasīdu*
a receipt
Introduced in Chapter 156.

రాష్ట్రం *rāṣṭraṁ*
a state
Introduced in Chapter 254.

రాత్రి *rātri*
"night" — the same Sanskrit tatsama word already hiding inside ardharātri; unlike day's Persian surprise, night genuinely follows the Sanskrit-tatsama-as-everyday pattern, matching Kannada
Introduced in Chapter 24.

రాయి *rāyi*
write
Introduced in Chapter 44.

రాయు *rāyu*
to write — an old Dravidian word for drawing a line, still spelled **వ్రాయు** in books, and the chapter's fourth mind-verb
Introduced in Chapter 33.

రేడియో *rēḍiyō*
the radio
Introduced in Chapter 268.

రెక్క *rekka*
a wing
Introduced in Chapter 272.

రెండవ *reṇḍava*
second — and the one swap that makes every ordinal from here to the end
Introduced in Chapter 81.

రేపు కలుద్దాం *rēpu kaluddām*
see you tomorrow
Introduced in Chapter 4.

రికార్డు చేయు *rikārḍu cēyu*
to record
Introduced in Chapter 205.

రోడ్డు *rōḍḍu*
a road
Introduced in Chapter 102.

రోగం *rōgaṁ*
a disease
Introduced in Chapter 63.

రోజు *rōju*
"day" — a genuine surprise: Telugu's everyday word isn't Sanskrit or native Dravidian at all, it's a Persian loanword; **దినము**, the Sanskrit tatsama form, is the more formal alternate here — the mirror image of Kannada's pattern
Introduced in Chapter 23.

రోకలి *rōkali*
a pestle
Introduced in Chapter 270.

రోలు *rōlu*
a mortar (for pounding)
Introduced in Chapter 270.

రొట్టె *roṭṭe*
bread, flatbread
Introduced in Chapter 262.

రుబ్బు *rubbu*
to grind (wet batter)
Introduced in Chapter 157.

రుచి *ruci*
taste, flavour
Introduced in Chapter 263.

రుద్దు *ruddu*
to rub, to scrub
Introduced in Chapter 280.

రుజువు *rujuvu*
proof
Introduced in Chapter 219.

రూపాయి *rūpāyi*
a rupee
Introduced in Chapter 131.

సబ్బు *sabbu*
soap
Introduced in Chapter 111.

శబ్దం *śabdaṁ*
a sound
Introduced in Chapter 68.

సాదా *sādā*
plain, simple
Introduced in Chapter 182.

సాధన చేయు *sādhana cēyu*
to practise
Introduced in Chapter 202.

సాధారణంగా *sādhāraṇaṅgā*
usually, generally
Introduced in Chapter 171.

సగం *sagaṁ*
half
Introduced in Chapter 310.

సహజమైన *sahajamaina*
natural
Introduced in Chapter 261.

సహనం *sahanaṁ*
patience
Introduced in Chapter 168.

సహాయం చేయు *sahāyaṁ cēyu*
to help — a Sanskrit noun on the native do-verb, and the noun takes apart into "a going with somebody"
Introduced in Chapter 34.

సహోద్యోగి *sahōdyōgi*
a colleague
Introduced in Chapter 195.

సైకిలు *sāikilu*
a bicycle
Introduced in Chapter 134.

సాక్సు *sāksu*
socks
Introduced in Chapter 132.

సాకు *sāku*
an excuse, a pretext
Introduced in Chapter 178.

సలహా *salahā*
advice
Introduced in Chapter 294.

సాలీడు *sālīḍu*
a spider
Introduced in Chapter 70.

సామాను *sāmānu*
luggage, belongings
Introduced in Chapter 264.

సమర్పించు *samarpiñcu*
to submit, to present
Introduced in Chapter 281.

సామర్థ్యం *sāmarthyaṁ*
ability
Introduced in Chapter 105.

సమస్య *samasya*
a problem
Introduced in Chapter 197.

సమావేశం *samāvēśaṁ*
a meeting
Introduced in Chapter 195.

సమయం *samayaṁ*
time
Introduced in Chapter 170.

సాంబారు *sāmbāru*
sambar
Introduced in Chapter 116.

సంపాదించు *sampādiñcu*
to earn
Introduced in Chapter 160.

సంప్రదాయం *sampradāyaṁ*
a tradition
Introduced in Chapter 217.

సంప్రదించు *sampradiñcu*
to contact, to consult
Introduced in Chapter 202.

సంస్కృతి *saṁskṛti*
culture
Introduced in Chapter 257.

సంస్థ *saṁstha*
an organization
Introduced in Chapter 239.

సముద్రం *samudraṁ*
the sea
Introduced in Chapter 120.

సంవత్సరం *saṁvatsaraṁ*
a year
Introduced in Chapter 75.

శనగలు *śanagalu*
chickpeas
Introduced in Chapter 299.

సంచి *sañci*
a bag
Introduced in Chapter 112.

సందర్శించు *sandarśiñcu*
to visit
Introduced in Chapter 282.

సందు *sandu*
a lane, an alley
Introduced in Chapter 256.

సంగీతం *saṅgītaṁ*
music
Introduced in Chapter 275.

సంక్రాంతి *saṅkrānti*
Sankranti, the January harvest festival
Introduced in Chapter 212.

సన్నని *sannani*
thin, slim
Introduced in Chapter 220.

సంత *santa*
a market
Introduced in Chapter 103.

సంతకం *santakaṁ*
a signature
Introduced in Chapter 96.

శాంతి *śānti*
peace, calm
Introduced in Chapter 168.

సంతోషం *santōṣam*
joy / pleased to meet you
Introduced in Chapter 2.

సంతోషంగా *santōṣaṁgā*
happily, gladly
Introduced in Chapter 93.

సరదా *saradā*
fun; a fondness
Introduced in Chapter 222.

సరస్సు *sarassu*
a lake
Introduced in Chapter 120.

షరతు *ṣaratu*
a condition
Introduced in Chapter 178.

సర్దు *sardu*
to arrange, to tidy up
Introduced in Chapter 199.

సరే *sarē*
okay / alright (sarē)
Introduced in Chapter 1.

సరిగ్గా *sariggā*
exactly, properly
Introduced in Chapter 87.

సరిహద్దు *sarihaddu*
a border, a boundary
Introduced in Chapter 291.

సరిపోతుంది *saripōtundi*
that will do, it is enough
Introduced in Chapter 98.

సరుకులు *sarukulu*
groceries, goods
Introduced in Chapter 273.

శతాబ్దం *śatābdaṁ*
a century
Introduced in Chapter 290.

శత్రువు *śatruvu*
an enemy
Introduced in Chapter 227.

సాయంత్రం *sāyantram*
"evening" (sāyantram) — Sanskrit tatsama from **సాయం** (sāyam, "in the evening") + a "-tana" time-adjective suffix; **సాయం** itself traces to PIE *seh₁- ("long, lasting"), the SAME root as Latin's sērus — attested as the root of French soir and Italian sera — a genuine distant cognate across two completely different Indo-European branches*
Introduced in Chapter 27.

సెకను *sekanu*
a second
Introduced in Chapter 213.

సేకరించు *sēkariñcu*
to collect
Introduced in Chapter 245.

సెలవు *selavu*
leave, a holiday
Introduced in Chapter 90.

సెలూను *selūnu*
a hair salon
Introduced in Chapter 216.

సిబ్బంది *sibbandi*
staff
Introduced in Chapter 198.

సిగ్గుపడు *siggupaḍu*
to feel shy, to be bashful
Introduced in Chapter 161.

శిక్షకుడు *śikṣakuḍu*
a coach, a trainer
Introduced in Chapter 312.

సిమెంటు *simeṇṭu*
cement
Introduced in Chapter 306.

సింహం *siṁhaṁ*
a lion
Introduced in Chapter 123.

సినిమా *sinimā*
a film, the cinema
Introduced in Chapter 312.

షిఫ్టు *ṣiphṭu*
a work shift
Introduced in Chapter 198.

సిరా *sirā*
ink
Introduced in Chapter 313.

సీతాకోకచిలుక *sītākōkacilaka*
a butterfly
Introduced in Chapter 125.

శివారు *śivāru*
the outskirts
Introduced in Chapter 256.

స్నానం చేయు *snānaṁ cēyu*
to bathe
Introduced in Chapter 278.

స్నానపు గది *snānapu gadi*
a bathroom
Introduced in Chapter 216.

స్నేహం *snēhaṁ*
friendship
Introduced in Chapter 257.

స్నేహితుడి *snēhituḍi*
the friend's
Introduced in Chapter 79.

స్నేహితుడు *snēhituḍu*
friend — the everyday Sanskrit-derived word, with Telugu's own DEDR-attested alternative named beside it
Introduced in Chapter 35.

సోమరి *sōmari*
lazy
Introduced in Chapter 141.

సోమవారం మంగళవారం బుధవారం గురువారం శుక్రవారం శనివారం ఆదివారం *Somavāram Maṅgaḷavāram Budhavāram Guruvāram Śukravāram Śanivāram Ādivāram*
the seven weekdays — Sanskritic like Hindi, but Sunday means "the FIRST day," not "Sun's day"
Introduced in Chapter 10.

సొంత *sonta*
own
Introduced in Chapter 259.

సోఫా *sōphā*
a sofa
Introduced in Chapter 190.

సొరంగం *soraṅgaṁ*
a tunnel
Introduced in Chapter 256.

స్పష్టమైన *spaṣṭamaina*
clear
Introduced in Chapter 222.

శ్రమ *śrama*
effort, toil
Introduced in Chapter 218.

స్తంభం *stambhaṁ*
a pillar, a pole
Introduced in Chapter 309.

స్టాంపు *sṭāmpu*
a postage stamp
Introduced in Chapter 185.

స్టేడియం *sṭēḍiyaṁ*
a stadium
Introduced in Chapter 215.

స్టేషన్ *sṭēṣan*
a station
Introduced in Chapter 105.

స్థానిక *sthānika*
local
Introduced in Chapter 296.

శుభ మధ్యాహ్నం *śubha madhyāhnam*
"good afternoon" (śubha madhyāhnam), built on the widened "noon" word rather than the classical later-afternoon term
Introduced in Chapter 31.

శుభ రాత్రి *śubha rātri*
"good night" — the standard Sanskrit-tatsama translation (rātri already met, śubha new); some sources describe everyday speakers often code-switching to English "good night" instead
Introduced in Chapter 25.

శుభ సాయంత్రం *śubha sāyantram*
"good evening" (śubha sāyantram) — pairs with **సాయంత్రం** (TE-C27, the word with the striking Latin sērus/French soir cognate); unlike GREETING-MORNING's single, dramatic "displaced by English" source, TWO independently-fetched sources agree this one is genuinely, commonly used in both formal and casual speech, with **నమస్కారం** as a time-independent alternative rather than a replacement
Introduced in Chapter 30.

శుభాకాంక్షలు *śubhākāṅkṣalu*
congratulations, good wishes
Introduced in Chapter 80.

శుభోదయం *śubhōdayam*
"good morning" (subhodayam) — **శుభ** + **ఉదయం**, the traditional phrase; one directly-fetched source (a Telugu-learning blog, the same low-authority genre already found overstated for Hindi/Kannada) claims it's archaic, displaced by English "good morning" — treat with real skepticism, not as confirmed; **నమస్కారం** remains a safer everyday-greeting bet regardless
Introduced in Chapter 29.

శుభ్రం *śubhraṁ*
clean
Introduced in Chapter 137.

సూచన *sūcana*
an instruction, a note (on a sign)
Introduced in Chapter 156.

సుద్దముక్క *suddamukka*
a piece of chalk
Introduced in Chapter 313.

సూది *sūdi*
a needle
Introduced in Chapter 62.

సుఖం *sukhaṁ*
comfort, ease
Introduced in Chapter 93.

సులభం *sulabhaṁ*
easy
Introduced in Chapter 76.

సున్నం *sunnaṁ*
lime, whitewash
Introduced in Chapter 271.

సురక్షితం *surakṣitaṁ*
safe
Introduced in Chapter 140.

సూర్యాస్తమయం *sūryāstamayaṁ*
sunset
Introduced in Chapter 171.

సూర్యోదయం *sūryōdayaṁ*
sunrise
Introduced in Chapter 289.

సూర్యుడు *sūryuḍu*
the sun
Introduced in Chapter 53.

సుత్తి *sutti*
a hammer
Introduced in Chapter 69.

స్వాగతం *svāgataṁ*
a welcome
Introduced in Chapter 65.

తాబేలు *tābēlu*
a tortoise
Introduced in Chapter 124.

తడి *taḍi*
wet
Introduced in Chapter 139.

తాడు *tāḍu*
a rope
Introduced in Chapter 110.

తగ్గింపు *taggimpu*
a discount
Introduced in Chapter 273.

తగ్గించు *taggiñcu*
to reduce, to lower
Introduced in Chapter 243.

తగ్గు *taggu*
to decrease, to go down
Introduced in Chapter 246.

తాగు *tāgu*
to drink
Introduced in Chapter 149.

టైప్ చేయు *ṭaip cēyu*
to type
Introduced in Chapter 245.

తాజా *tājā*
fresh
Introduced in Chapter 179.

తక్కువ *takkuva*
less, too little
Introduced in Chapter 58.

టాక్సీ *ṭāksī*
a taxi
Introduced in Chapter 301.

తాకు *tāku*
to touch
Introduced in Chapter 279.

తల చెయ్యి *tala ceyyi*
head (matching its cousins) and hand (the SAME Dravidian root as the others, transformed almost past recognition)
Introduced in Chapter 13.

తాళం *tāḷaṁ*
a lock
Introduced in Chapter 110.

తాళంచెవి *tāḷaṁcevi*
a key
Introduced in Chapter 110.

తలనొప్పి *talanoppi*
a headache
Introduced in Chapter 167.

తల్లిదండ్రులు *tallidaṇḍrulu*
parents
Introduced in Chapter 186.

తలుపు *talupu*
a door
Introduced in Chapter 52.

తామరపువ్వు *tāmarapuvvu*
a lotus
Introduced in Chapter 132.

టమాటా *ṭamāṭā*
a tomato
Introduced in Chapter 118.

తనిఖీ చేయు *tanikhī cēyu*
to check, to inspect
Introduced in Chapter 202.

తన్ను *tannu*
to kick
Introduced in Chapter 163.

టపాకాయలు *ṭapākāyalu*
firecrackers
Introduced in Chapter 229.

తపాలా *tapālā*
the post, mail
Introduced in Chapter 185.

తపేలా *tapēlā*
a saucepan
Introduced in Chapter 270.

తప్ప *tappa*
except
Introduced in Chapter 217.

తప్పకుండా *tappakuṇḍā*
certainly, without fail
Introduced in Chapter 49.

తప్పనిసరి *tappanisari*
compulsory
Introduced in Chapter 259.

తప్పించుకో *tappiñcukō*
to escape
Introduced in Chapter 286.

తప్పిపోవు *tappipōvu*
to get lost
Introduced in Chapter 281.

తప్పు *tappu*
a mistake; wrong
Introduced in Chapter 87.

తరచుగా *taracugā*
often
Introduced in Chapter 170.

తరగతి *taragati*
a class, a grade
Introduced in Chapter 274.

తరుము *tarumu*
to chase
Introduced in Chapter 285.

తరువాత *taruvāta*
after that, later
Introduced in Chapter 64.

తాత *tāta*
grandfather
Introduced in Chapter 45.

తట్టు *taṭṭu*
to tap, to pat
Introduced in Chapter 207.

తవ్వు *tavvu*
to dig
Introduced in Chapter 284.

తయారు చేయు *tayāru cēyu*
to prepare, to make
Introduced in Chapter 278.

టేబుల్ *ṭēbul*
a table
Introduced in Chapter 129.

తెచ్చు *teccu*
to bring
Introduced in Chapter 242.

తేడా *tēḍā*
a difference
Introduced in Chapter 218.

తేదీ *tēdī*
a date
Introduced in Chapter 170.

తేలిక *tēlika*
light (in weight)
Introduced in Chapter 137.

తెలివైన *telivaina*
clever
Introduced in Chapter 142.

తెలియజేయు *teliyajēyu*
to inform, to let know
Introduced in Chapter 243.

తెల్లని *tellani*
white, bright
Introduced in Chapter 142.

తెల్లవారుజాము *tellavārujāmu*
dawn, the early hours
Introduced in Chapter 253.

తేలు *tēlu*
a scorpion
Introduced in Chapter 228.

తెలుగులో *telugulō*
in Telugu
Introduced in Chapter 95.

తెలుసా *telusā*
do you know?
Introduced in Chapter 78.

తెలుసు *telusu*
it is known — the verb that carries no person at all, so the knower rides in the dative
Introduced in Chapter 32.

తెంపు *tempu*
to pluck, to snap off
Introduced in Chapter 207.

తేనె *tēne*
honey
Introduced in Chapter 119.

తేనెటీగ *tēneṭīga*
a bee
Introduced in Chapter 187.

తెర *tera*
a curtain, a screen
Introduced in Chapter 109.

తెరువు *teruvu*
to open
Introduced in Chapter 149.

థియేటరు *thiyēṭaru*
a theatre, a cinema hall
Introduced in Chapter 215.

తీగ *tīga*
a creeper, a vine
Introduced in Chapter 303.

టీకా *ṭīkā*
a vaccination
Introduced in Chapter 251.

టిక్కెట్టు *ṭikkeṭṭu*
a ticket
Introduced in Chapter 130.

తిమ్మిరి *timmiri*
numbness, pins and needles
Introduced in Chapter 211.

తిన్నగా *tinnagā*
straight ahead
Introduced in Chapter 100.

తిను *tinu*
to eat — the inherited Dravidian root Telugu kept as its plain everyday verb, with the mealtime nouns borrowed from Sanskrit
Introduced in Chapter 32.

టిఫిను *ṭiphinu*
breakfast, a light snack
Introduced in Chapter 262.

తీపి *tīpi*
sweet, sweetness
Introduced in Chapter 73.

తీరం *tīraṁ*
a shore, a coast
Introduced in Chapter 104.

తిరిగి ఇవ్వు *tirigi ivvu*
to give back, to return
Introduced in Chapter 246.

తీరిక *tīrika*
free time, leisure
Introduced in Chapter 212.

తీసుకో *tīsukō*
to take — **తీయు**, "to pull out", wearing the same **-కో** as the last chapter's two mind-verbs, so taking is pulling something out for yourself
Introduced in Chapter 34.

తిట్టు *tiṭṭu*
to scold, to curse
Introduced in Chapter 203.

తివాచీ *tivācī*
a carpet, a rug
Introduced in Chapter 190.

టీవీ *ṭīvī*
a television
Introduced in Chapter 130.

తీయని *tīyani*
sweet (of taste)
Introduced in Chapter 141.

తొడ *toḍa*
the thigh
Introduced in Chapter 250.

తోడేలు *tōḍēlu*
a wolf
Introduced in Chapter 302.

తోక *tōka*
a tail
Introduced in Chapter 228.

తొక్కు *tokku*
to tread on, to pedal
Introduced in Chapter 206.

తొలగించు *tolagiñcu*
to remove, to delete
Introduced in Chapter 283.

తోలు *tōlu*
leather
Introduced in Chapter 306.

తొమ్మిదవ *tommidava*
ninth — the doubled consonant survives the swap
Introduced in Chapter 82.

తోము *tōmu*
to brush (teeth), to scour (pots)
Introduced in Chapter 158.

తొందరపడు *tondarapaḍu*
to hurry
Introduced in Chapter 158.

టోపీ *ṭōpī*
a cap, a hat
Introduced in Chapter 115.

తోరణం *tōraṇaṁ*
a festoon of mango leaves hung over a doorway
Introduced in Chapter 188.

తోట *tōṭa*
a garden
Introduced in Chapter 104.

తొట్టి *toṭṭi*
a tub, a trough
Introduced in Chapter 232.

త్రాసు *trāsu*
a weighing scale
Introduced in Chapter 191.

త్రిభుజం *tribhujaṁ*
a triangle
Introduced in Chapter 193.

తృప్తి *tṛpti*
contentment, satisfaction
Introduced in Chapter 210.

తుడుచు *tuḍucu*
to wipe
Introduced in Chapter 147.

తూకం *tūkaṁ*
weight
Introduced in Chapter 72.

తులసి *tulasi*
holy basil, tulsi
Introduced in Chapter 266.

తుమ్ము *tummu*
to sneeze
Introduced in Chapter 241.

తుపాను *tupānu*
a storm
Introduced in Chapter 121.

తుప్పు *tuppu*
rust
Introduced in Chapter 233.

తూర్పు *tūrpu*
east
Introduced in Chapter 254.

తురుము *turumu*
to grate
Introduced in Chapter 164.

తువ్వాలు *tuvvālu*
a towel
Introduced in Chapter 111.

త్వరగా *tvaragā*
quickly, soon
Introduced in Chapter 90.

ట్యూషను *ṭyūṣanu*
tuition, coaching
Introduced in Chapter 198.

ఉబ్బు *ubbu*
to swell
Introduced in Chapter 279.

ఉచితం *ucitaṁ*
free (of charge)
Introduced in Chapter 220.

ఉదాహరణ *udāharaṇa*
an example
Introduced in Chapter 218.

ఉదయం *udayam*
"morning" (udayam) — Sanskrit tatsama from udaya ("rise") + Telugu -mu, Telugu's most general everyday word, though genuine native competitors (poddu/ podduna, vēkuva) also do real everyday work; unlike Kannada, where the same Sanskrit root (udaya) shows up ONLY inside the greeting śubhōdaya, Telugu's everyday noun and its greeting-root are the SAME word
Introduced in Chapter 26.

ఉద్దేశం *uddēśaṁ*
an intention
Introduced in Chapter 107.

ఉడికించు *uḍikiñcu*
to boil (food), to simmer
Introduced in Chapter 157.

ఉడుత *uḍuta*
a squirrel
Introduced in Chapter 70.

ఉద్యోగం *udyōgaṁ*
a job
Introduced in Chapter 89.

ఉద్యోగి *udyōgi*
an employee
Introduced in Chapter 310.

ఉగాది *ugādi*
Ugadi, the Telugu New Year
Introduced in Chapter 252.

ఉక్కు *ukku*
steel
Introduced in Chapter 306.

ఉల్లిపాయ *ullipāya*
an onion
Introduced in Chapter 117.

ఉండు *uṇḍu*
to be, to exist, to stay — and the negative Telugu has to fetch from a different verb
Introduced in Chapter 32.

ఉండు *uṇḍu*
to be, to stay, to live
Introduced in Chapter 5.

ఉంగరం *uṅgaraṁ*
a ring
Introduced in Chapter 115.

ఉన్నారా *unnārā*
is he or she there?
Introduced in Chapter 78.

ఉన్ని *unni*
wool
Introduced in Chapter 306.

ఉపయోగకరమైన *upayōgakaramaina*
useful
Introduced in Chapter 296.

ఉపయోగించు *upayōgiñcu*
to use
Introduced in Chapter 242.

ఉప్మా *upmā*
upma
Introduced in Chapter 262.

ఉప్పు *uppu*
salt
Introduced in Chapter 46.

ఉరుము *urumu*
thunder
Introduced in Chapter 121.

ఉత్సాహం *utsāhaṁ*
enthusiasm, excitement
Introduced in Chapter 168.

ఉయ్యాల *uyyāla*
a swing; a cradle
Introduced in Chapter 190.

వచ్చే *vaccē*
next, coming
Introduced in Chapter 155.

వడ *vaḍa*
a vada
Introduced in Chapter 119.

వడదెబ్బ *vaḍadebba*
sunstroke
Introduced in Chapter 211.

వడకట్టు *vaḍakaṭṭu*
to strain, to filter
Introduced in Chapter 164.

వడ్డీ *vaḍḍī*
interest (on money)
Introduced in Chapter 273.

వడ్డించు *vaḍḍiñcu*
to serve (food)
Introduced in Chapter 200.

వద్దు *vaddu*
no, I don't want it
Introduced in Chapter 58.

వాదించు *vādiñcu*
to argue
Introduced in Chapter 283.

వాడిపోవు *vāḍipōvu*
to wilt, to fade
Introduced in Chapter 244.

వడ్రంగి *vaḍraṅgi*
a carpenter
Introduced in Chapter 197.

వదులు *vadulu*
to let go, to leave
Introduced in Chapter 284.

వగరు *vagaru*
astringent
Introduced in Chapter 73.

వాగ్దానం *vāgdānaṁ*
a promise
Introduced in Chapter 257.

వైద్యం *vaidyaṁ*
medical treatment
Introduced in Chapter 209.

వైద్యుడు *vaidyuḍu*
a doctor, a physician
Introduced in Chapter 48.

వకీలు *vakīlu*
a lawyer
Introduced in Chapter 237.

వల *vala*
a net
Introduced in Chapter 191.

వల్ల *valla*
because of
Introduced in Chapter 108.

వండు *vaṇḍu*
to cook
Introduced in Chapter 144.

వంగు *vaṅgu*
to bend down, to stoop
Introduced in Chapter 249.

వంకర *vaṅkara*
crooked, bent
Introduced in Chapter 298.

వంకాయ *vaṅkāya*
an aubergine
Introduced in Chapter 118.

వాఙ్మయం *vāṅmayaṁ*
literature; the whole body of expression in words
Introduced in Chapter 150.

వంటగది *vaṇṭagadi*
a kitchen
Introduced in Chapter 183.

వంతెన *vantena*
a bridge
Introduced in Chapter 102.

వాంతి చేసుకో *vānti cēsukō*
to vomit
Introduced in Chapter 241.

వణుకు *vaṇuku*
to shiver, to tremble
Introduced in Chapter 201.

వాపు *vāpu*
a swelling
Introduced in Chapter 167.

వరద *varada*
a flood
Introduced in Chapter 267.

వరకు *varaku*
until, up to
Introduced in Chapter 212.

వరండా *varaṇḍā*
a veranda
Introduced in Chapter 173.

వారాంతం *vārāntaṁ*
a weekend
Introduced in Chapter 170.

వార్చు *vārcu*
to drain (cooked rice)
Introduced in Chapter 286.

వరి *vari*
paddy, rice still in the field
Introduced in Chapter 66.

వర్ణించు *varṇiñcu*
to describe
Introduced in Chapter 162.

వార్తాపత్రిక *vārtāpatrika*
a newspaper
Introduced in Chapter 264.

వరుస *varusa*
a row, a queue
Introduced in Chapter 308.

వాసన *vāsana*
a smell
Introduced in Chapter 181.

వసంత ఋతువు వేసవి వానాకాలం శీతాకాలం *vasanta ṛtuvu vēsavi vānākālam śītākālam*
spring, summer, monsoon, winter — completing the Dravidian pattern of native heat/rain words plus Sanskrit spring
Introduced in Chapter 14.

వాతావరణం *vātāvaraṇam*
weather/atmosphere — a PURE Sanskrit compound, unlike Kannada's Persian+Sanskrit hybrid: vata ("air/wind") + avarana ("covering")
Introduced in Chapter 20.

వత్తి *vatti*
a wick
Introduced in Chapter 192.

వయసు *vayasu*
age
Introduced in Chapter 96.

వాయిదా వేయు *vāyidā vēyu*
to postpone
Introduced in Chapter 286.

వెబ్‌సైట్ *vebsaiṭ*
a website
Introduced in Chapter 268.

వెచ్చని *veccani*
warm
Introduced in Chapter 260.

వెడల్పు *veḍalpu*
wide
Introduced in Chapter 138.

వేడి *vēḍi*
heat; hot
Introduced in Chapter 85.

వేదిక *vēdika*
a stage, a platform
Introduced in Chapter 255.

వేడుక *vēḍuka*
a celebration, a ceremony
Introduced in Chapter 289.

వెదురు *veduru*
bamboo
Introduced in Chapter 303.

వేగం *vēgaṁ*
fast; speed
Introduced in Chapter 138.

వేలాడు *vēlāḍu*
to hang, to dangle
Introduced in Chapter 206.

వెళ్ళవచ్చు *veḷḷavaccu*
you may go
Introduced in Chapter 80.

వెళ్ళి వస్తాను *veḷḷi vastānu*
goodbye (lit. “I’ll go and come back”)
Introduced in Chapter 4.

వెళ్ళొస్తాను *veḷḷostānu*
I’ll go and come back — the everyday goodbye
Introduced in Chapter 50.

వెళ్ళు *veḷḷu*
to go (and vaccu, to come)
Introduced in Chapter 4.

వెళ్ళు *veḷḷu*
to go — with one tense-piece covering both “I go” and “I will go”, and “right now” built out of the be-verb
Introduced in Chapter 32.

వెల్లుల్లి *vellulli*
garlic
Introduced in Chapter 118.

వేలు *vēlu*
a finger
Introduced in Chapter 47.

వెనక *venaka*
behind
Introduced in Chapter 101.

వెనకాడు *venakāḍu*
to hesitate
Introduced in Chapter 286.

వెండి *veṇḍi*
silver
Introduced in Chapter 221.

వెన్న *venna*
butter
Introduced in Chapter 184.

వెన్నెల *vennela*
moonlight
Introduced in Chapter 267.

వెంటనే *veṇṭanē*
immediately
Introduced in Chapter 212.

వేప *vēpa*
neem, the neem tree
Introduced in Chapter 266.

వేరు *vēru*
a root
Introduced in Chapter 54.

వేరుశనగ *vērušanaga*
peanuts
Introduced in Chapter 263.

వేసుకో *vēsukō*
to put on (clothes)
Introduced in Chapter 146.

వెతుకు *vetuku*
to look for
Introduced in Chapter 144.

వేయించు *vēyiñcu*
to fry, to roast
Introduced in Chapter 157.

విచారం *vicāraṁ*
regret, sorrow
Introduced in Chapter 97.

వీచు *vīcu*
to blow (of the wind)
Introduced in Chapter 244.

వీధి *vīdhi*
a street
Introduced in Chapter 102.

విడిపోవు *viḍipōvu*
to separate, to part
Introduced in Chapter 166.

వీడియో *vīḍiyō*
a video
Introduced in Chapter 305.

విద్యార్థి *vidyārthi*
a student
Introduced in Chapter 48.

విజయం *vijayaṁ*
success
Introduced in Chapter 295.

విజేత *vijēta*
a winner
Introduced in Chapter 189.

విజ్ఞానశాస్త్రం *vijñānaśāstraṁ*
science
Introduced in Chapter 238.

విమానం *vimānaṁ*
an aeroplane
Introduced in Chapter 134.

విమానాశ్రయం *vimānāśrayaṁ*
an airport
Introduced in Chapter 214.

వినాయక చవితి *vināyaka caviti*
Vinayaka Chavithi, Ganesha's festival
Introduced in Chapter 252.

వినిపించలేదు *vinipiñcalēdu*
I could not hear it
Introduced in Chapter 95.

వినోదం *vinōdaṁ*
entertainment
Introduced in Chapter 230.

వింత *vinta*
strange, odd
Introduced in Chapter 260.

విప్పు *vippu*
to take off, to untie
Introduced in Chapter 158.

వీపు *vīpu*
the back
Introduced in Chapter 57.

విరేచనాలు *virēcanālu*
diarrhoea
Introduced in Chapter 167.

వీసా *vīsā*
a visa
Introduced in Chapter 264.

విషయం *viṣayaṁ*
a subject, a matter
Introduced in Chapter 274.

విశ్రాంతి *viśrānti*
rest
Introduced in Chapter 84.

విసుగు *visugu*
boredom, weariness of something
Introduced in Chapter 210.

విసురు *visuru*
to throw, to fling
Introduced in Chapter 240.

విశ్వవిద్యాలయం *viśvavidyālayaṁ*
a university
Introduced in Chapter 311.

విత్తనం *vittanaṁ*
a seed
Introduced in Chapter 54.

వివరించు *vivariñcu*
to explain
Introduced in Chapter 160.

వృద్ధాప్యం *vṛddhāpyaṁ*
old age
Introduced in Chapter 172.

వృత్తం *vṛttaṁ*
a circle
Introduced in Chapter 193.

వ్యాకరణం *vyākaraṇaṁ*
grammar
Introduced in Chapter 276.

వ్యక్తిగత *vyaktigata*
personal
Introduced in Chapter 223.

వ్యాపారం *vyāpāraṁ*
business, trade
Introduced in Chapter 236.

వ్యాపారి *vyāpāri*
a trader, a merchant
Introduced in Chapter 194.

వ్యతిరేకించు *vyatirēkiñcu*
to oppose
Introduced in Chapter 283.

వ్యాయామం చేయు *vyāyāmaṁ cēyu*
to exercise
Introduced in Chapter 204.

వ్యాయామశాల *vyāyāmaśāla*
a gym
Introduced in Chapter 255.

యజమాని *yajamāni*
an owner
Introduced in Chapter 106.

యంత్రం *yantraṁ*
a machine
Introduced in Chapter 190.

యాప్ *yāp*
an app
Introduced in Chapter 305.

యవ్వనం *yavvanaṁ*
youth
Introduced in Chapter 172.

యూనిఫారం *yūniphāraṁ*
a uniform
Introduced in Chapter 198.

యువకుడు *yuvakuḍu*
a young man, a youth
Introduced in Chapter 227.

Review Questions

Try these without looking ahead. Every prompt comes from the same canonical lesson data as its chapter. Answers begin in the next section.

Chapter 31

31.1 శుభ మధ్యాహ్నం — *register and evidence*
Do both sources claim subha madhyahnam is less common?

Chapter 83

83.1 *(reading) — six words, read down as well as along*
Which word is the lamp?

83.2 *(reading) — six lines, and no word for* is
What English word has no Telugu equivalent in these lines?

83.3 *(reading) — the first passage*
Who is not in the room?

Chapter 150

150.1 వాఙ్మయం *(vāṅmayaṁ) — literature, the whole body of expression in words*
What Telugu word names literature or the wider body of expression in words?

150.2 ఙ — *the quiet letter inside* **వాఙ్మయం**
Which base letter is hidden in the cluster ఙ్మ?

Chapter 151

151.1 ఛాయ *(chāya)* — *shade, shadow*
What Telugu word can mean shade or shadow?

151.2 ఛ — *the airy first letter in* ఛాయ
Which base letter begins ఛాయ?

151.3 ఛాయ — *meaning and shape together*
Write the first base letter of ఛాయ, then say what the whole word means.

Chapter 152

152.1 ఝరి *(jhari)* — *a stream*
What Telugu word can mean a stream or mountain stream?

152.2 ఝ — *the breathy first letter in* ఝరి
Which base letter begins ఝరి?

152.3 ఝరి — *meaning and shape together*
From the picture cue of a stream, write the whole Telugu word, circle its first base letter, and give the meaning.

Answer Key

The first response is the canonical display answer. When a question accepts other authored forms, they appear underneath.

Chapter 31

31.1 శుభ మధ్యాహ్నం — *register and evidence*
Answer: no
Also accepted: no they do not; only one source does

Chapter 83

83.1 *(reading) — six words, read down as well as along*
Answer: deepam
Also accepted: **దీపం**; lamp

83.2 *(reading) — six lines, and no word for* is
Answer: is
Also accepted: to be; the verb is

83.3 *(reading) — the first passage*
Answer: the farmer
Also accepted: **రైతు**; farmer

Chapter 150

150.1 వాఙ్మయం *(vāṅmayaṁ) — literature, the whole body of expression in words*
Answer: **వాఙ్మయం**
Also accepted: vangmayam; vāṅmayaṁ

150.2 ఙ — *the quiet letter inside* **వాఙ్మయం**
Answer: **ఙ**
Also accepted: nga; ṅa

Chapter 151

151.1 ఛాయ *(chāya)* — *shade, shadow*
Answer: ఛాయ
Also accepted: chaya; chāya; chhaya; chhāya

151.2 ఛ — *the airy first letter in* ఛాయ
Answer: ఛ
Also accepted: cha; chha

151.3 ఛాయ — *meaning and shape together*
Answer: ఛ — shade or shadow
Also accepted: ఛ, shade; ఛ, shadow; cha, shade; chha, shadow

Chapter 152

152.1 ఝరి *(jhari)* — *a stream*
Answer: ఝరి
Also accepted: jhari

152.2 ఝ — *the breathy first letter in* ఝరి
Answer: ఝ
Also accepted: jha

152.3 ఝరి — *meaning and shape together*
Answer: ఝరి — a stream; first letter ఝ
Also accepted: ఝరి, stream, ఝ; jhari, stream, jha; ఝరి, mountain stream, ఝ

Index

Look up an English meaning, a dedicated language topic, or a chapter topic. Each linked reference opens the chapter where the material is introduced; the focus labels name only explicitly typed lesson sections.

0–9

11-20 — additive “ten-echo” compounds for the teens; ఇరవై (20) most likely continues the SAME pan-Dravidian “two-tens” pattern as Kannada’s ippattu, though worn down further and less transparent on the surface today పదకొండు — ఇరవై (padakoṇḍu — iravai)
explicit focus: etymology; Chapter 20, p. 193

A

a baby, a little one పాప (pāpa)
explicit focus: etymology; Chapter 186, p. 1173
a backyard పెరడు (peraḍu)
explicit focus: etymology; Chapter 173, p. 1093
a bag సంచి (sañci)
explicit focus: etymology; Chapter 112, p. 727
a bakery బేకరీ (bēkarī)
explicit focus: etymology; Chapter 216, p. 1357
a ball బంతి (banti)
explicit focus: etymology; Chapter 113, p. 733
a banana అరటిపండు (araṭipaṇḍu)
explicit focus: etymology; Chapter 117, p. 757
a bank బ్యాంకు (byāṅku)
explicit focus: etymology; Chapter 103, p. 673
a banknote నోటు (nōṭu)
explicit focus: etymology; Chapter 235, p. 1473

a banyan tree మర్రి (marri)
explicit focus: etymology; Chapter 266, p. 1661
a barber మంగలి (maṅgali)
explicit focus: etymology; Chapter 277, p. 1729
a bargain, haggling బేరం (bēraṁ)
explicit focus: etymology; Chapter 72, p. 477
a barrel పీపా (pīpā)
explicit focus: etymology; Chapter 232, p. 1453
a basis; evidence ఆధారం (ādhāraṁ)
explicit focus: etymology; Chapter 219, p. 1375
a basket బుట్ట (buṭṭa)
explicit focus: etymology; Chapter 56, p. 381
a bat (animal) గబ్బిలం (gabbilaṁ)
explicit focus: etymology; Chapter 228, p. 1429
a bathroom స్నానపు గది (snānapu gadi)
explicit focus: etymology; Chapter 216, p. 1357
a battery బ్యాటరీ (byāṭarī)
explicit focus: etymology; Chapter 305, p. 1899
a bear ఎలుగుబంటి (elugubaṇṭi)
explicit focus: etymology; Chapter 123, p. 795
a bed మంచం (mañcaṁ)
explicit focus: etymology; Chapter 109, p. 709
a bedroom పడకగది (paḍakagadi)
explicit focus: etymology; Chapter 183, p. 1155
a bee తేనెటీగ (tēneṭīga)
explicit focus: etymology; Chapter 187, p. 1179
a belt బెల్టు (beltu)
explicit focus: etymology; Chapter 131, p. 845
a bicycle సైకిలు (sāikilu)
explicit focus: etymology; Chapter 134, p. 863
a bill బిల్లు (billu)
explicit focus: etymology; Chapter 273, p. 1705
a bindi, a dot worn on the forehead బొట్టు (boṭṭu)
explicit focus: etymology; Chapter 188, p. 1185
a bird పక్షి (pakṣi)
Chapter 60, p. 405
a birthday పుట్టినరోజు (puṭṭinarōju)
explicit focus: etymology; Chapter 96, p. 629
a blackboard నల్లబల్ల (nallaballa)
explicit focus: etymology; Chapter 276, p. 1723
a blacksmith కమ్మరి (kammari)
explicit focus: etymology; Chapter 277, p. 1729

a blanket దుప్పటి (duppaṭi)
explicit focus: etymology; Chapter 109, p. 709
a blessing ఆశీర్వాదం (āśīrvādaṁ)
explicit focus: etymology; Chapter 51, p. 345
a blister బొబ్బ (bobba)
explicit focus: etymology; Chapter 169, p. 1069
a blouse జాకెట్టు (jākeṭṭu)
explicit focus: etymology; Chapter 132, p. 851
a boat పడవ (paḍava)
explicit focus: etymology; Chapter 133, p. 857
a bone ఎముక (emuka)
explicit focus: etymology; Chapter 57, p. 387
a book పుస్తకం (pustakaṁ)
Chapter 46, p. 315
a border, a boundary సరిహద్దు (sarihaddu)
explicit focus: etymology; Chapter 291, p. 1813
a bottle బాటిలు (bāṭilu)
explicit focus: etymology; Chapter 131, p. 845
a box పెట్టె (peṭṭe)
explicit focus: etymology; Chapter 56, p. 381
a boy; a son అబ్బాయి (abbāyi)
explicit focus: etymology; Chapter 88, p. 577
a braid, a plait (of hair) జడ (jaḍa)
explicit focus: etymology; Chapter 192, p. 1209
a branch కొమ్మ (komma)
explicit focus: etymology; Chapter 54, p. 369
a brick ఇటుక (iṭuka)
explicit focus: etymology; Chapter 9, p. 127
a bride పెళ్ళికూతురు (peḷḷikūturu)
explicit focus: etymology; Chapter 265, p. 1655
a bridegroom పెళ్ళికొడుకు (peḷḷikoḍuku)
explicit focus: etymology; Chapter 227, p. 1423
a bridge వంతెన (vantena)
explicit focus: etymology; Chapter 102, p. 667
a broom చీపురు (cīpuru)
explicit focus: etymology; Chapter 62, p. 417
a brother-in-law; a male cousin బావ (bāva)
explicit focus: etymology; Chapter 71, p. 471
a bubble బుడగ (buḍaga)
explicit focus: etymology; Chapter 233, p. 1459
a bucket బాల్చీ (bālcī)
explicit focus: etymology; Chapter 183, p. 1155
a bud మొగ్గ (mogga)
explicit focus: etymology; Chapter 266, p. 1661

a buffalo గేదె (gēde)
explicit focus: etymology; Chapter 60, p. 405
a building భవనం (bhavanaṁ)
explicit focus: etymology; Chapter 292, p. 1819
a bund, an embankment గట్టు (gaṭṭu)
explicit focus: etymology; Chapter 309, p. 1923
a bus బస్సు (bassu)
explicit focus: etymology; Chapter 105, p. 685
a bus conductor కండక్టరు (kaṇḍakṭaru)
explicit focus: etymology; Chapter 237, p. 1485
a bus stand బస్టాండు (basṭāṇḍu)
explicit focus: etymology; Chapter 214, p. 1345
a bush పొద (poda)
explicit focus: etymology; Chapter 272, p. 1699
a butterfly సీతాకోకచిలుక (sītākōkacilaka)
explicit focus: etymology; Chapter 125, p. 807
a button గుండీ (guṇḍī)
explicit focus: etymology; Chapter 300, p. 1869
a calf దూడ (dūḍa)
explicit focus: etymology; Chapter 302, p. 1881
a camel ఒంటె (oṇṭe)
explicit focus: etymology; Chapter 126, p. 813
a camera కెమెరా (kemerā)
explicit focus: etymology; Chapter 230, p. 1441
a canal కాలువ (kāluva)
explicit focus: etymology; Chapter 292, p. 1819
a candle కొవ్వొత్తి (kovvotti)
explicit focus: etymology; Chapter 113, p. 733
a cap, a hat టోపీ (ṭōpī)
explicit focus: etymology; Chapter 115, p. 745
a capital city రాజధాని (rājadhāni)
explicit focus: etymology; Chapter 214, p. 1345
a car కారు (kāru)
explicit focus: etymology; Chapter 134, p. 863
a card కార్డు (kārḍu)
explicit focus: etymology; Chapter 226, p. 1417
a carpenter వడ్రంగి (vaḍraṅgi)
explicit focus: etymology; Chapter 197, p. 1241
a carpet, a rug తివాచీ (tivācī)
explicit focus: etymology; Chapter 190, p. 1197
a cart; a vehicle బండి (baṇḍi)
explicit focus: etymology; Chapter 301, p. 1875
a cave గుహ (guha)
explicit focus: etymology; Chapter 174, p. 1099

a celebration, a ceremony వేడుక (vēḍuka)
explicit focus: etymology; Chapter 289, p. 1801
a century శతాబ్దం (śatābdaṁ)
explicit focus: etymology; Chapter 290, p. 1807
a chain, a necklace గొలుసు (golusu)
explicit focus: etymology; Chapter 300, p. 1869
a chair కుర్చీ (kurcī)
Chapter 52, p. 357
a chance, an opportunity అవకాశం (avakāśaṁ)
explicit focus: etymology; Chapter 106, p. 691
a chapati చపాతీ (capātī)
explicit focus: etymology; Chapter 262, p. 1637
a cheek బుగ్గ (bugga)
explicit focus: etymology; Chapter 127, p. 819
a cheque చెక్కు (cekku)
explicit focus: etymology; Chapter 264, p. 1649
a chilli మిరప (mirapa)
explicit focus: etymology; Chapter 61, p. 411
a chit, a slip of paper చీటీ (cīṭī)
explicit focus: etymology; Chapter 239, p. 1497
a church చర్చి (carci)
explicit focus: etymology; Chapter 293, p. 1825
a chutney, a pickle పచ్చడి (paccaḍi)
explicit focus: etymology; Chapter 184, p. 1161
a circle వృత్తం (vṛttaṁ)
explicit focus: etymology; Chapter 193, p. 1217
a city నగరం (nagaraṁ)
explicit focus: etymology; Chapter 255, p. 1595
a class, a grade తరగతి (taragati)
explicit focus: etymology; Chapter 274, p. 1711
a clay pot చట్టి (caṭṭi)
explicit focus: etymology; Chapter 129, p. 831
a clerk గుమాస్తా (gumāstā)
explicit focus: etymology; Chapter 195, p. 1229
a clock, a watch గడియారం (gaḍiyāraṁ)
explicit focus: etymology; Chapter 111, p. 721
a cloud మబ్బు (mabbu)
explicit focus: etymology; Chapter 53, p. 363
a coach, a trainer శిక్షకుడు (śikṣakuḍu)
explicit focus: etymology; Chapter 312, p. 1941
a coat కోటు (kōṭu)
explicit focus: etymology; Chapter 132, p. 851
a coin నాణెం (nāṇeṁ)
explicit focus: etymology; Chapter 194, p. 1223

a cold, a runny nose **జలుబు** (jalubu)
explicit focus: etymology; Chapter 92, p. 603
a colleague **సహోద్యోగి** (sahōdyōgi)
explicit focus: etymology; Chapter 195, p. 1229
a college **కళాశాల** (kaḷāśāla)
explicit focus: etymology; Chapter 311, p. 1935
a comb **దువ్వెన** (duvvena)
explicit focus: etymology; Chapter 111, p. 721
a company **కంపెనీ** (kampenī)
explicit focus: etymology; Chapter 236, p. 1479
a competition, a match **పోటీ** (pōṭī)
explicit focus: etymology; Chapter 189, p. 1191
a complaint **ఫిర్యాదు** (phiryādu)
explicit focus: etymology; Chapter 277, p. 1729
a computer **కంప్యూటర్** (kampyūṭar)
explicit focus: etymology; Chapter 130, p. 839
a condition **షరతు** (ṣaratu)
explicit focus: etymology; Chapter 178, p. 1125
a cooking vessel, a bowl **గిన్నె** (ginne)
explicit focus: etymology; Chapter 56, p. 381
a corner **మూల** (mūla)
explicit focus: etymology; Chapter 104, p. 679
a cough **దగ్గు** (daggu)
explicit focus: etymology; Chapter 63, p. 423
a country **దేశం** (dēśaṁ)
explicit focus: etymology; Chapter 77, p. 507
a court (of law) **కోర్టు** (kōrṭu)
explicit focus: etymology; Chapter 256, p. 1601
a cow **ఆవు** (āvu)
explicit focus: etymology; Chapter 122, p. 789
a crab **పీత** (pīta)
explicit focus: etymology; Chapter 228, p. 1429
a creeper, a vine **తీగ** (tīga)
explicit focus: etymology; Chapter 303, p. 1887
a crocodile **మొసలి** (mosali)
explicit focus: etymology; Chapter 302, p. 1881
a crow **కాకి** (kāki)
explicit focus: etymology; Chapter 125, p. 807
a crowd **గుంపు** (gumpu)
explicit focus: etymology; Chapter 175, p. 1107
a cucumber **దోసకాయ** (dōsakāya)
explicit focus: etymology; Chapter 184, p. 1161

a cupboard బీరువా (bīruvā)
explicit focus: etymology; Chapter 129, p. 831
a curry కూర (kūra)
explicit focus: etymology; Chapter 115, p. 745
a curtain, a screen తెర (tera)
explicit focus: etymology; Chapter 109, p. 709
a custom, a practice ఆచారం (ācāraṁ)
explicit focus: etymology; Chapter 217, p. 1363
a date తేదీ (tēdī)
explicit focus: etymology; Chapter 170, p. 1075
a deadline, a time limit గడువు (gaḍuvu)
explicit focus: etymology; Chapter 196, p. 1235
a decade దశాబ్దం (daśābdaṁ)
explicit focus: etymology; Chapter 290, p. 1807
a decorated performing bull seen at Sankranti గంగిరెద్దు (gaṅgireddu)
explicit focus: etymology; Chapter 229, p. 1435
a deer జింక (jiṅka)
explicit focus: etymology; Chapter 124, p. 801
a degree డిగ్రీ (ḍigrī)
explicit focus: etymology; Chapter 311, p. 1935
a desert ఎడారి (eḍāri)
explicit focus: etymology; Chapter 215, p. 1351
a development, an outcome పరిణామం (pariṇāmaṁ)
explicit focus: etymology; Chapter 219, p. 1375
a dhoti ధోతి (dhōti)
explicit focus: etymology; Chapter 132, p. 851
a dhoti పంచె (pañce)
explicit focus: etymology; Chapter 114, p. 739
a dictionary నిఘంటువు (nighaṇṭuvu)
explicit focus: etymology; Chapter 301, p. 1875
a difference తేడా (tēḍā)
explicit focus: etymology; Chapter 218, p. 1369
a direction దిక్కు (dikku)
explicit focus: etymology; Chapter 254, p. 1589
a discount తగ్గింపు (taggimpu)
explicit focus: etymology; Chapter 273, p. 1705
a disease రోగం (rōgaṁ)
Chapter 63, p. 423
a district జిల్లా (jillā)
explicit focus: etymology; Chapter 214, p. 1345
a doctor, a physician వైద్యుడు (vaidyuḍu)
explicit focus: etymology; Chapter 48, p. 327

a document, a certificate పత్రం (patraṁ)
explicit focus: etymology; Chapter 226, p. 1417
a doll; a picture బొమ్మ (bomma)
explicit focus: etymology; Chapter 113, p. 733
a domestic helper పనిమనిషి (panimaniṣi)
explicit focus: etymology; Chapter 194, p. 1223
a donkey గాడిద (gāḍida)
explicit focus: etymology; Chapter 126, p. 813
a door తలుపు (talupu)
explicit focus: etymology; Chapter 52, p. 357
a dosa దోశ (dōsa)
explicit focus: etymology; Chapter 119, p. 769
a dream కల (kala)
explicit focus: etymology; Chapter 107, p. 697
a drinking glass గ్లాసు (glāsu)
explicit focus: etymology; Chapter 112, p. 727
a driver డ్రైవరు (ḍraivaru)
explicit focus: etymology; Chapter 237, p. 1485
a drought, a famine కరువు (karuvu)
explicit focus: etymology; Chapter 267, p. 1669
a drum డప్పు (ḍappu)
explicit focus: etymology; Chapter 4, p. 65
a duck బాతు (bātu)
explicit focus: etymology; Chapter 126, p. 813
a factory కార్ఖానా (kārkhānā)
explicit focus: etymology; Chapter 292, p. 1819
a fan ఫ్యాను (phyānu)
explicit focus: etymology; Chapter 231, p. 1447
a farmer రైతు (raitu)
Chapter 48, p. 327
a fee ఫీజు (phīju)
explicit focus: etymology; Chapter 196, p. 1235
a fence కంచె (kañce)
explicit focus: etymology; Chapter 272, p. 1699
a festival పండుగ (paṇḍuga)
explicit focus: etymology; Chapter 289, p. 1801
a festoon of mango leaves hung over a doorway తోరణం (tōraṇaṁ)
explicit focus: etymology; Chapter 188, p. 1185
a fever జ్వరం (jvaraṁ)
explicit focus: etymology; Chapter 84, p. 551
a field పొలం (polaṁ)
explicit focus: etymology; Chapter 66, p. 441

a file, a folder ఫైలు (phailu)
explicit focus: etymology; Chapter 226, p. 1417
a film, the cinema సినిమా (sinimā)
explicit focus: etymology; Chapter 312, p. 1941
a fine, a penalty జరిమానా (jarimānā)
explicit focus: etymology; Chapter 196, p. 1235
a finger వేలు (vēlu)
Chapter 47, p. 321
a fingernail, a claw గోరు (gōru)
explicit focus: etymology; Chapter 57, p. 387
a fish చేప (cēpa)
explicit focus: etymology; Chapter 116, p. 751
a flag జెండా (jeṇḍā)
explicit focus: etymology; Chapter 309, p. 1923
a flood వరద (varada)
explicit focus: etymology; Chapter 267, p. 1669
a flower పువ్వు (puvvu)
Chapter 52, p. 357
a flower garland పూలదండ (pūladaṇḍa)
Chapter 52, p. 357
a flowerpot కుండీ (kuṇḍī)
explicit focus: etymology; Chapter 270, p. 1687
a forest అడవి (aḍavi)
explicit focus: etymology; Chapter 120, p. 777
a form (to fill in) ఫారం (phāraṁ)
explicit focus: etymology; Chapter 226, p. 1417
a fort కోట (kōṭa)
explicit focus: etymology; Chapter 292, p. 1819
a foundation పునాది (punādi)
explicit focus: etymology; Chapter 216, p. 1357
a fox నక్క (nakka)
explicit focus: etymology; Chapter 124, p. 801
a fridge ఫ్రిజ్జు (phrijju)
explicit focus: etymology; Chapter 307, p. 1911
a frog కప్ప (kappa)
explicit focus: etymology; Chapter 70, p. 465
a fruit పండు (paṇḍu)
explicit focus: etymology; Chapter 46, p. 315
a frying pan, a wok బాణలి (bāṇali)
explicit focus: etymology; Chapter 183, p. 1155
a game, a sport ఆట (āṭa)
explicit focus: etymology; Chapter 312, p. 1941

a garden తోట (tōṭa)
explicit focus: etymology; Chapter 104, p. 679
a gate గేటు (gēṭu)
explicit focus: etymology; Chapter 216, p. 1357
a gift, a prize బహుమతి (bahumati)
explicit focus: etymology; Chapter 99, p. 647
a girl; a daughter అమ్మాయి (ammāyi)
explicit focus: etymology; Chapter 88, p. 577
a goal, an aim లక్ష్యం (lakṣyaṁ)
explicit focus: etymology; Chapter 218, p. 1369
a goat మేక (mēka)
explicit focus: etymology; Chapter 60, p. 405
a good turn, a benefit మేలు (mēlu)
explicit focus: etymology; Chapter 51, p. 345
a granddaughter మనవరాలు (manavarālu)
explicit focus: etymology; Chapter 186, p. 1173
a grandson మనవడు (manavaḍu)
explicit focus: etymology; Chapter 186, p. 1173
a griddle (tava) పెనం (penaṁ)
explicit focus: etymology; Chapter 270, p. 1687
a guava జామపండు (jāmapaṇḍu)
explicit focus: etymology; Chapter 136, p. 875
a guest అతిథి (atithi)
explicit focus: etymology; Chapter 48, p. 327
a gym వ్యాయామశాల (vyāyāmaśāla)
explicit focus: etymology; Chapter 255, p. 1595
a habit అలవాటు (alavāṭu)
explicit focus: etymology; Chapter 217, p. 1363
a hair salon సెలూను (selūnu)
explicit focus: etymology; Chapter 216, p. 1357
a half of the day (a mealtime) పూట (pūṭa)
explicit focus: etymology; Chapter 290, p. 1807
a hammer సుత్తి (sutti)
explicit focus: etymology; Chapter 69, p. 459
a handkerchief చేతిరుమాలు (cētirumālu)
explicit focus: etymology; Chapter 300, p. 1869
a harvest పంట (paṇṭa)
explicit focus: etymology; Chapter 66, p. 441
a headache తలనొప్పి (talanoppi)
explicit focus: etymology; Chapter 167, p. 1057
a heap, a pile కుప్ప (kuppa)
explicit focus: etymology; Chapter 234, p. 1465

a hen కోడి (kōḍi)
explicit focus: etymology; Chapter 60, p. 405
a hill, a mountain కొండ (koṇḍa)
explicit focus: etymology; Chapter 121, p. 783
a hobby; taste అభిరుచి (abhiruci)
explicit focus: etymology; Chapter 189, p. 1191
a hole చిల్లు (cillu)
explicit focus: etymology; Chapter 271, p. 1693
a horse గుర్రం (gurraṁ)
explicit focus: etymology; Chapter 122, p. 789
a hospital ఆసుపత్రి (āsupatri)
explicit focus: etymology; Chapter 92, p. 603
a hut గుడిసె (guḍise)
explicit focus: etymology; Chapter 292, p. 1819
a jail జైలు (jailu)
explicit focus: etymology; Chapter 293, p. 1825
a jar (for pickle) జాడీ (jāḍī)
explicit focus: etymology; Chapter 232, p. 1453
a jasmine flower మల్లెపువ్వు (mallepuvvu)
explicit focus: etymology; Chapter 266, p. 1661
a job ఉద్యోగం (udyōgaṁ)
explicit focus: etymology; Chapter 89, p. 583
a journey ప్రయాణం (prayāṇaṁ)
Chapter 50, p. 339
a junction, a crossroads కూడలి (kūḍali)
explicit focus: etymology; Chapter 214, p. 1345
a key తాళంచెవి (tāḷaṁcevi)
explicit focus: etymology; Chapter 110, p. 715
a keyboard కీబోర్డు (kībōrḍu)
explicit focus: etymology; Chapter 305, p. 1899
a kitchen వంటగది (vaṇṭagadi)
explicit focus: etymology; Chapter 183, p. 1155
a kite గాలిపటం (gālipaṭaṁ)
explicit focus: etymology; Chapter 114, p. 739
a knee మోకాలు (mōkālu)
explicit focus: etymology; Chapter 127, p. 819
a knife కత్తి (katti)
explicit focus: etymology; Chapter 56, p. 381
a knot ముడి (muḍi)
explicit focus: etymology; Chapter 308, p. 1917
a koel, the Indian cuckoo కోకిల (kōkila)
explicit focus: etymology; Chapter 187, p. 1179
a ladder నిచ్చెన (niccena)
explicit focus: etymology; Chapter 231, p. 1447

a ladle గరిటె (gariṭe)
explicit focus: etymology; Chapter 224, p. 1405
a lake సరస్సు (sarassu)
explicit focus: etymology; Chapter 120, p. 777
a lamp దీపం (dīpaṁ)
Chapter 46, p. 315
a lane, an alley సందు (sandu)
explicit focus: etymology; Chapter 256, p. 1601
a language భాష (bhāṣa)
explicit focus: etymology; Chapter 89, p. 583
a laptop ల్యాప్టాప్ (lyāpṭāp)
explicit focus: etymology; Chapter 305, p. 1899
a latch, a bolt గొళ్ళెం (goḷḷeṁ)
explicit focus: etymology; Chapter 192, p. 1209
a laugh, a smile నవ్వు (navvu)
explicit focus: etymology; Chapter 97, p. 635
a lawyer వకీలు (vakīlu)
explicit focus: etymology; Chapter 237, p. 1485
a leaf ఆకు (āku)
explicit focus: etymology; Chapter 120, p. 777
a lemon నిమ్మకాయ (nimmakāya)
explicit focus: etymology; Chapter 135, p. 869
a lesson పాఠం (pāṭhaṁ)
explicit focus: etymology; Chapter 274, p. 1711
a library గ్రంథాలయం (granthālayaṁ)
explicit focus: etymology; Chapter 103, p. 673
a lid మూత (mūta)
explicit focus: etymology; Chapter 183, p. 1155
a lie; untrue అబద్ధం (abaddhaṁ)
explicit focus: etymology; Chapter 140, p. 901
a light bulb బల్బు (balbu)
explicit focus: etymology; Chapter 191, p. 1203
a line గీత (gīta)
explicit focus: etymology; Chapter 193, p. 1217
a lion సింహం (siṁhaṁ)
explicit focus: etymology; Chapter 123, p. 795
a lip పెదవి (pedavi)
explicit focus: etymology; Chapter 57, p. 387
a list జాబితా (jābitā)
explicit focus: etymology; Chapter 310, p. 1929
a little, a bit కొంచెం (koñcem)
explicit focus: etymology; Chapter 58, p. 393

a little while కాసేపు (kāsēpu)
explicit focus: etymology; Chapter 213, p. 1339
a lizard, a gecko బల్లి (balli)
explicit focus: etymology; Chapter 187, p. 1179
a lock తాళం (tāḷaṁ)
explicit focus: etymology; Chapter 110, p. 715
a loft అటక (aṭaka)
explicit focus: etymology; Chapter 293, p. 1825
a long skirt లంగా (laṅgā)
explicit focus: etymology; Chapter 131, p. 845
a loss నష్టం (naṣṭaṁ)
explicit focus: etymology; Chapter 235, p. 1473
a lotus తామరపువ్వు (tāmarapuvvu)
explicit focus: etymology; Chapter 132, p. 851
a low hill గుట్ట (guṭṭa)
explicit focus: etymology; Chapter 55, p. 375
a machine యంత్రం (yantraṁ)
explicit focus: etymology; Chapter 190, p. 1197
a manager మేనేజరు (mēnējaru)
explicit focus: etymology; Chapter 195, p. 1229
a mango మామిడిపండు (māmiḍipaṇḍu)
explicit focus: etymology; Chapter 117, p. 757
a map, a chart పటం (paṭaṁ)
explicit focus: etymology; Chapter 226, p. 1417
a market సంత (santa)
explicit focus: etymology; Chapter 103, p. 673
a mason, a foreman మేస్త్రి (mēstri)
explicit focus: etymology; Chapter 314, p. 1953
a mat చాప (cāpa)
explicit focus: etymology; Chapter 56, p. 381
a matchbox అగ్గిపెట్టె (aggipeṭṭe)
explicit focus: etymology; Chapter 113, p. 733
a mattress పరుపు (parupu)
explicit focus: etymology; Chapter 224, p. 1405
A Meal
chapter topic; Chapter 40, p. 283
a meal — the polite Sanskrit noun Chapter 32 already named and never taught, finally given its own lesson భోజనం (bhōjanaṁ)
explicit focus: etymology; Chapter 40, p. 283
a mechanic మెకానిక్కు (mekānikku)
explicit focus: etymology; Chapter 314, p. 1953
a medal పతకం (patakaṁ)
explicit focus: etymology; Chapter 189, p. 1191

a meeting సమావేశం (samāvēśaṁ)
explicit focus: etymology; Chapter 195, p. 1229
a memory జ్ఞాపకం (jñāpakaṁ)
explicit focus: etymology; Chapter 238, p. 1491
a message, news కబురు (kaburu)
Chapter 68, p. 453
a method, a way of doing things పద్ధతి (paddhati)
explicit focus: etymology; Chapter 258, p. 1613
a milkman పాలవాడు (pālavāḍu)
explicit focus: etymology; Chapter 314, p. 1953
a mirror అద్దం (addaṁ)
Chapter 62, p. 417
a mistake; wrong తప్పు (tappu)
explicit focus: etymology; Chapter 87, p. 569
a mixer-grinder మిక్సీ (miksī)
explicit focus: etymology; Chapter 307, p. 1911
a monkey కోతి (kōti)
explicit focus: etymology; Chapter 123, p. 795
a mortar (for pounding) రోలు (rōlu)
explicit focus: etymology; Chapter 270, p. 1687
a mosque మసీదు (masīdu)
explicit focus: etymology; Chapter 293, p. 1825
a mosquito దోమ (dōma)
explicit focus: etymology; Chapter 70, p. 465
a mouse, a rat ఎలుక (eluka)
explicit focus: etymology; Chapter 70, p. 465
a moustache మీసాలు (mīsālu)
explicit focus: etymology; Chapter 133, p. 857
a mug మగ్గు (maggu)
explicit focus: etymology; Chapter 232, p. 1453
a muscle కండరం (kaṇḍaraṁ)
explicit focus: etymology; Chapter 251, p. 1571
a museum మ్యూజియం (myūziyaṁ)
explicit focus: etymology; Chapter 255, p. 1595
a nail (to hammer) మేకు (mēku)
explicit focus: etymology; Chapter 110, p. 715
a necklace హారం (hāraṁ)
explicit focus: etymology; Chapter 192, p. 1209
a needle సూది (sūdi)
Chapter 62, p. 417
a nest గూడు (gūḍu)
explicit focus: etymology; Chapter 228, p. 1429

a net వల (vala)
explicit focus: etymology; Chapter 191, p. 1203
a newspaper వార్తాపత్రిక (vārtāpatrika)
explicit focus: etymology; Chapter 264, p. 1649
a nickname, a pet name ముద్దుపేరు (muddupēru)
explicit focus: etymology; Chapter 96, p. 629
a novel నవల (navala)
explicit focus: etymology; Chapter 189, p. 1191
a number (phone, house) నంబరు (nambaru)
explicit focus: etymology; Chapter 264, p. 1649
a nurse నర్సు (narsu)
explicit focus: etymology; Chapter 209, p. 1315
a pain, an ache నొప్పి (noppi)
explicit focus: etymology; Chapter 84, p. 551
a paintbrush కుంచె (kuñce)
explicit focus: etymology; Chapter 192, p. 1209
a painting, a picture చిత్రం (citraṁ)
explicit focus: etymology; Chapter 230, p. 1441
a paisa, small change పైసా (paisā)
explicit focus: etymology; Chapter 130, p. 839
a papaya బొప్పాయి (boppāyi)
explicit focus: etymology; Chapter 225, p. 1411
a parcel పార్సెలు (pārselu)
explicit focus: etymology; Chapter 185, p. 1167
a park పార్కు (pārku)
explicit focus: etymology; Chapter 102, p. 667
a parrot చిలక (cilaka)
explicit focus: etymology; Chapter 124, p. 801
a path, a way బాట (bāṭa)
explicit focus: etymology; Chapter 55, p. 375
a peacock నెమలి (nemali)
explicit focus: etymology; Chapter 125, p. 807
a pen కలం (kalaṁ)
explicit focus: etymology; Chapter 112, p. 727
a pencil పెన్సిలు (pensilu)
explicit focus: etymology; Chapter 185, p. 1167
a pension పింఛను (piñchanu)
explicit focus: etymology; Chapter 239, p. 1497
a person, a human being మనిషి (maniṣi)
explicit focus: etymology; Chapter 88, p. 577
a pestle రోకలి (rōkali)
explicit focus: etymology; Chapter 270, p. 1687
a phone ఫోను (phōnu)
explicit focus: etymology; Chapter 130, p. 839

a piece ముక్క (mukka)
explicit focus: etymology; Chapter 308, p. 1917
a piece of chalk సుద్దముక్క (suddamukka)
explicit focus: etymology; Chapter 313, p. 1947
a pig పంది (pandi)
explicit focus: etymology; Chapter 126, p. 813
a pigeon పావురం (pāvuraṁ)
explicit focus: etymology; Chapter 125, p. 807
a pillar, a pole స్తంభం (stambhaṁ)
explicit focus: etymology; Chapter 309, p. 1923
a pillow దిండు (diṇḍu)
explicit focus: etymology; Chapter 109, p. 709
a pit, a pothole గుంట (guṇṭa)
explicit focus: etymology; Chapter 308, p. 1917
a place, a spot ప్రదేశం (pradēśaṁ)
explicit focus: etymology; Chapter 291, p. 1813
a plan ప్రణాళిక (praṇāḷika)
explicit focus: etymology; Chapter 107, p. 697
a play, a drama నాటకం (nāṭakaṁ)
explicit focus: etymology; Chapter 275, p. 1717
a player ఆటగాడు (āṭagāḍu)
explicit focus: etymology; Chapter 304, p. 1893
a plough నాగలి (nāgali)
explicit focus: etymology; Chapter 234, p. 1465
a plumber ప్లంబరు (plambaru)
explicit focus: etymology; Chapter 314, p. 1953
a pocket జేబు (jēbu)
explicit focus: etymology; Chapter 131, p. 845
a poem కవిత (kavita)
explicit focus: etymology; Chapter 230, p. 1441
a poet కవి (kavi)
explicit focus: etymology; Chapter 275, p. 1717
a police officer; the police పోలీసు (pōlīsu)
explicit focus: etymology; Chapter 237, p. 1485
a polite request మనవి (manavi)
explicit focus: etymology; Chapter 65, p. 435
a post office పోస్టాఫీసు (pōsṭāphīsu)
explicit focus: etymology; Chapter 173, p. 1093
a postage stamp స్టాంపు (sṭāmpu)
explicit focus: etymology; Chapter 185, p. 1167
a postman పోస్టుమాను (pōsṭumānu)
explicit focus: etymology; Chapter 237, p. 1485
a potato బంగాళాదుంప (baṅgāḷādumpa)
explicit focus: etymology; Chapter 118, p. 763

a potter కుమ్మరి (kummari)
explicit focus: etymology; Chapter 277, p. 1729
a price ధర (dhara)
Chapter 72, p. 477
a priest పూజారి (pūjāri)
explicit focus: etymology; Chapter 275, p. 1717
a problem సమస్య (samasya)
explicit focus: etymology; Chapter 197, p. 1241
a profit, a gain లాభం (lābhaṁ)
explicit focus: etymology; Chapter 235, p. 1473
a programme, a show కార్యక్రమం (kāryakramaṁ)
explicit focus: etymology; Chapter 268, p. 1675
a promise వాగ్దానం (vāgdānaṁ)
explicit focus: etymology; Chapter 257, p. 1607
a purchase కొనుగోలు (konugōlu)
explicit focus: etymology; Chapter 273, p. 1705
a purse, a wallet పర్సు (parsu)
explicit focus: etymology; Chapter 310, p. 1929
a quarrel, a fuss గొడవ (goḍava)
explicit focus: etymology; Chapter 257, p. 1607
a rabbit కుందేలు (kundēlu)
explicit focus: etymology; Chapter 123, p. 795
a rainbow ఇంద్రధనుస్సు (indradhanussu)
explicit focus: etymology; Chapter 267, p. 1669
a raindrop చినుకు (cinuku)
explicit focus: etymology; Chapter 229, p. 1435
a rash దద్దుర్లు (daddurlu)
explicit focus: etymology; Chapter 169, p. 1069
a reason కారణం (kāraṇaṁ)
explicit focus: etymology; Chapter 108, p. 703
a receipt రసీదు (rasīdu)
explicit focus: etymology; Chapter 156, p. 991
a relative బంధువు (bandhuvu)
explicit focus: etymology; Chapter 88, p. 577
a report నివేదిక (nivēdika)
explicit focus: etymology; Chapter 239, p. 1497
a responsibility, a duty బాధ్యత (bādhyata)
explicit focus: etymology; Chapter 196, p. 1235
a restaurant, an eating house హోటలు (hōṭalu)
explicit focus: etymology; Chapter 173, p. 1093
a result ఫలితం (phalitaṁ)
explicit focus: etymology; Chapter 218, p. 1369
a right హక్కు (hakku)
explicit focus: etymology; Chapter 105, p. 685

a ring ఉంగరం (uṅgaraṁ)
explicit focus: etymology; Chapter 115, p. 745
a river నది (nadi)
Chapter 55, p. 375
a road రోడ్డు (rōḍḍu)
explicit focus: etymology; Chapter 102, p. 667
a rock, a boulder బండ (baṇḍa)
explicit focus: etymology; Chapter 215, p. 1351
a roof కప్పు (kappu)
explicit focus: etymology; Chapter 67, p. 447
a roof tile పెంకు (peṅku)
explicit focus: etymology; Chapter 271, p. 1693
a root వేరు (vēru)
explicit focus: etymology; Chapter 54, p. 369
a rope తాడు (tāḍu)
explicit focus: etymology; Chapter 110, p. 715
a row, a queue వరుస (varusa)
explicit focus: etymology; Chapter 308, p. 1917
a rule నియమం (niyamaṁ)
explicit focus: etymology; Chapter 258, p. 1613
a ruler, a measuring stick కొలబద్ద (kolabadda)
explicit focus: etymology; Chapter 231, p. 1447
a rupee రూపాయి (rūpāyi)
explicit focus: etymology; Chapter 131, p. 845
a sack (of grain) బస్తా (bastā)
explicit focus: etymology; Chapter 232, p. 1453
a salary జీతం (jītaṁ)
explicit focus: etymology; Chapter 235, p. 1473
a salutation, "my respects" దండం (daṇḍaṁ)
Chapter 51, p. 345
a sari చీర (cīra)
explicit focus: etymology; Chapter 114, p. 739
a saucepan తపేలా (tapēlā)
explicit focus: etymology; Chapter 270, p. 1687
a saw రంపం (rampaṁ)
explicit focus: etymology; Chapter 69, p. 459
a scar, a spot మచ్చ (macca)
explicit focus: etymology; Chapter 169, p. 1069
a school బడి (baḍi)
explicit focus: etymology; Chapter 103, p. 673
a scorpion తేలు (tēlu)
explicit focus: etymology; Chapter 228, p. 1429
a second సెకను (sekanu)
explicit focus: etymology; Chapter 213, p. 1339

a secret రహస్యం (rahasyaṁ)
explicit focus: etymology; Chapter 257, p. 1607
a seed విత్తనం (vittanaṁ)
explicit focus: etymology; Chapter 54, p. 369
a shape ఆకారం (ākāraṁ)
explicit focus: etymology; Chapter 295, p. 1837
a sheep గొర్రె (gorre)
explicit focus: etymology; Chapter 302, p. 1881
a shirt చొక్కా (cokkā)
explicit focus: etymology; Chapter 114, p. 739
a shop అంగడి (aṅgaḍi)
explicit focus: etymology; Chapter 72, p. 477
a shore, a coast తీరం (tīraṁ)
explicit focus: etymology; Chapter 104, p. 679
a shoulder భుజం (bhujaṁ)
explicit focus: etymology; Chapter 127, p. 819
a shoulder cloth, a scarf కండువా (kaṇḍuvā)
explicit focus: etymology; Chapter 233, p. 1459
a shout అరుపు (arupu)
explicit focus: etymology; Chapter 68, p. 453
a show, an exhibition ప్రదర్శన (pradarśana)
explicit focus: etymology; Chapter 268, p. 1675
a sickle కొడవలి (koḍavali)
explicit focus: etymology; Chapter 234, p. 1465
a sieve జల్లెడ (jalleḍa)
explicit focus: etymology; Chapter 269, p. 1681
ో— a sign, not a letter
script and writing topic; explicit focus: script, writing; Chapter 2, p. 23
a signature సంతకం (santakaṁ)
explicit focus: etymology; Chapter 96, p. 629
a sister-in-law; a female cousin మరదలు (maradalu)
explicit focus: etymology; Chapter 71, p. 471
a situation పరిస్థితి (paristhiti)
explicit focus: etymology; Chapter 258, p. 1613
a skill నైపుణ్యం (naipuṇyaṁ)
explicit focus: etymology; Chapter 105, p. 685
a slate పలక (palaka)
explicit focus: etymology; Chapter 313, p. 1947
a slate pencil బలపం (balapaṁ)
explicit focus: etymology; Chapter 313, p. 1947
a smell వాసన (vāsana)
explicit focus: etymology; Chapter 181, p. 1143
a snake పాము (pāmu)
explicit focus: etymology; Chapter 124, p. 801

a sofa సోఫా (sōphā)
explicit focus: etymology; Chapter 190, p. 1197
a solution పరిష్కారం (pariṣkāraṁ)
explicit focus: etymology; Chapter 197, p. 1241
a son-in-law అల్లుడు (alluḍu)
explicit focus: etymology; Chapter 71, p. 471
a song పాట (pāṭa)
explicit focus: etymology; Chapter 68, p. 453
a sore, an ulcer పుండు (puṇḍu)
explicit focus: etymology; Chapter 169, p. 1069
a sound శబ్దం (śabdaṁ)
Chapter 68, p. 453
a spade పార (pāra)
explicit focus: etymology; Chapter 69, p. 459
a sparrow పిచ్చుక (piccuka)
explicit focus: etymology; Chapter 187, p. 1179
a spider సాలీడు (sālīḍu)
explicit focus: etymology; Chapter 70, p. 465
a spoon చెంచా (cemcā)
explicit focus: etymology; Chapter 112, p. 727
a sport క్రీడ (krīḍa)
explicit focus: etymology; Chapter 304, p. 1893
a sprain బెణుకు (beṇuku)
explicit focus: etymology; Chapter 169, p. 1069
a square చతురస్రం (caturasraṁ)
explicit focus: etymology; Chapter 193, p. 1217
a squirrel ఉడుత (uḍuta)
explicit focus: etymology; Chapter 70, p. 465
a stadium స్టేడియం (sṭēḍiyaṁ)
explicit focus: etymology; Chapter 215, p. 1351
a stage, a platform వేదిక (vēdika)
explicit focus: etymology; Chapter 255, p. 1595
a star; a dot చుక్క (cukka)
explicit focus: etymology; Chapter 53, p. 363
a state రాష్ట్రం (rāṣṭraṁ)
explicit focus: etymology; Chapter 254, p. 1589
a station స్టేషన్ (sṭēṣan)
explicit focus: etymology; Chapter 105, p. 685
a stem కాండం (kāṇḍaṁ)
explicit focus: etymology; Chapter 272, p. 1699
a step మెట్టు (meṭṭu)
explicit focus: etymology; Chapter 67, p. 447

a stick కర్ర (karra)
explicit focus: etymology; Chapter 69, p. 459
a storm తుపాను (tupānu)
explicit focus: etymology; Chapter 121, p. 783
a story కథ (katha)
explicit focus: etymology; Chapter 312, p. 1941
a stove పొయ్యి (poyyi)
explicit focus: etymology; Chapter 113, p. 733
a stream; mountain stream ఝరి (jhari)
explicit focus: etymology; Chapter 152, p. 969
a street వీధి (vīdhi)
explicit focus: etymology; Chapter 102, p. 667
a student విద్యార్థి (vidyārthi)
Chapter 48, p. 327
a subject, a matter విషయం (viṣayaṁ)
explicit focus: etymology; Chapter 274, p. 1711
a surname, the family name ఇంటిపేరు (iṇṭipēru)
explicit focus: etymology; Chapter 96, p. 629
a swan హంస (haṃsa)
explicit focus: etymology; Chapter 5, p. 79
a sweet milk pudding పాయసం (pāyasaṁ)
explicit focus: etymology; Chapter 184, p. 1161
a swelling వాపు (vāpu)
explicit focus: etymology; Chapter 167, p. 1057
a swing; a cradle ఉయ్యాల (uyyāla)
explicit focus: etymology; Chapter 190, p. 1197
a table టేబుల్ (ṭēbul)
explicit focus: etymology; Chapter 129, p. 831
a tablet, a pill మాత్ర (mātra)
explicit focus: etymology; Chapter 167, p. 1057
a tail తోక (tōka)
explicit focus: etymology; Chapter 228, p. 1429
a tailor దర్జీ (darjī)
explicit focus: etymology; Chapter 194, p. 1223
a taxi టాక్సీ (ṭāksī)
explicit focus: etymology; Chapter 301, p. 1875
a teacher గురువు (guruvu)
Chapter 48, p. 327
a team జట్టు (jaṭṭu)
explicit focus: etymology; Chapter 236, p. 1479
a television టీవీ (ṭīvī)
explicit focus: etymology; Chapter 130, p. 839

a temple గుడి (guḍi)
explicit focus: etymology; Chapter 103, p. 673
a test, an examination పరీక్ష (parīkṣa)
explicit focus: etymology; Chapter 209, p. 1315
a theatre, a cinema hall థియేటరు (thiyēṭaru)
explicit focus: etymology; Chapter 215, p. 1351
a thief దొంగ (doṅga)
explicit focus: etymology; Chapter 265, p. 1655
a thorn ముల్లు (mullu)
explicit focus: etymology; Chapter 303, p. 1887
a threshing floor కల్లం (kallaṁ)
explicit focus: etymology; Chapter 66, p. 441
a threshold గడప (gaḍapa)
explicit focus: etymology; Chapter 67, p. 447
a ticket టిక్కెట్టు (ṭikkeṭṭu)
explicit focus: etymology; Chapter 130, p. 839
a tiger పులి (puli)
explicit focus: etymology; Chapter 123, p. 795
a timetable కాలపట్టిక (kālapaṭṭika)
explicit focus: etymology; Chapter 156, p. 991
A Timetable, a Notice, the Rent, an Advert, a Receipt
chapter topic; Chapter 156, p. 991
a tin, a can డబ్బా (ḍabbā)
explicit focus: etymology; Chapter 269, p. 1681
a tomato టమాటా (ṭamāṭā)
explicit focus: etymology; Chapter 118, p. 763
a tool పరికరం (parikaraṁ)
explicit focus: etymology; Chapter 106, p. 691
a tooth పన్ను (pannu)
Chapter 47, p. 321
a tortoise తాబేలు (tābēlu)
explicit focus: etymology; Chapter 124, p. 801
a towel తువ్వాలు (tuvvālu)
explicit focus: etymology; Chapter 111, p. 721
a town పట్టణం (paṭṭaṇaṁ)
explicit focus: etymology; Chapter 77, p. 507
a trader, a merchant వ్యాపారి (vyāpāri)
explicit focus: etymology; Chapter 194, p. 1223
a tradition సంప్రదాయం (sampradāyaṁ)
explicit focus: etymology; Chapter 217, p. 1363
a train రైలు (railu)
explicit focus: etymology; Chapter 133, p. 857
a tree చెట్టు (ceṭṭu)
explicit focus: etymology; Chapter 54, p. 369

a trellis; a festive canopy పందిరి (pandiri)
explicit focus: etymology; Chapter 272, p. 1699
a triangle త్రిభుజం (tribhujaṁ)
explicit focus: etymology; Chapter 193, p. 1217
a tub, a trough తొట్టి (toṭṭi)
explicit focus: etymology; Chapter 232, p. 1453
a tunnel సొరంగం (soraṅgaṁ)
explicit focus: etymology; Chapter 256, p. 1601
a turn, a bend మలుపు (malupu)
explicit focus: etymology; Chapter 104, p. 679
a uniform యూనిఫారం (yūniphāraṁ)
explicit focus: etymology; Chapter 198, p. 1247
a university విశ్వవిద్యాలయం (viśvavidyālayaṁ)
explicit focus: etymology; Chapter 311, p. 1935
a vaccination టీకా (ṭīkā)
explicit focus: etymology; Chapter 251, p. 1571
a vada వడ (vaḍa)
explicit focus: etymology; Chapter 119, p. 769
a valley లోయ (lōya)
explicit focus: etymology; Chapter 174, p. 1099
a veranda వరండా (varaṇḍā)
explicit focus: etymology; Chapter 173, p. 1093
a vest, an undershirt బనీను (banīnu)
explicit focus: etymology; Chapter 263, p. 1643
a video వీడియో (vīḍiyō)
explicit focus: etymology; Chapter 305, p. 1899
a village గ్రామం (grāmaṁ)
Chapter 55, p. 375
a village fair, a temple festival జాతర (jātara)
explicit focus: etymology; Chapter 289, p. 1801
a village tank, a reservoir చెరువు (ceruvu)
explicit focus: etymology; Chapter 55, p. 375
a visa వీసా (vīsā)
explicit focus: etymology; Chapter 264, p. 1649
a voice గొంతు (gontu)
explicit focus: etymology; Chapter 68, p. 453
a wall గోడ (gōḍa)
explicit focus: etymology; Chapter 67, p. 447
a warehouse గోదాము (gōdāmu)
explicit focus: etymology; Chapter 256, p. 1601
a washerman చాకలి (cākali)
explicit focus: etymology; Chapter 277, p. 1729

a watchman, a guard కాపలాదారు (kāpalādāru)
explicit focus: etymology; Chapter 314, p. 1953
a water pot బిందె (bindē)
explicit focus: etymology; Chapter 129, p. 831
a water tap, a faucet కుళాయి (kuḷāyi)
explicit focus: etymology; Chapter 309, p. 1923
a waterfall జలపాతం (jalapātaṁ)
explicit focus: etymology; Chapter 122, p. 789
a watermelon పుచ్చకాయ (puccakāya)
explicit focus: etymology; Chapter 225, p. 1411
a wave అల (ala)
explicit focus: etymology; Chapter 121, p. 783
a website వెబ్సైట్ (vebsaiṭ)
explicit focus: etymology; Chapter 268, p. 1675
a wedding, marriage పెళ్ళి (peḷḷi)
explicit focus: etymology; Chapter 89, p. 583
a weekend వారాంతం (vārāntaṁ)
explicit focus: etymology; Chapter 170, p. 1075
a weighing scale త్రాసు (trāsu)
explicit focus: etymology; Chapter 191, p. 1203
a welcome స్వాగతం (svāgataṁ)
Chapter 65, p. 435
a wheel చక్రం (cakraṁ)
explicit focus: etymology; Chapter 193, p. 1217
a wick వత్తి (vatti)
explicit focus: etymology; Chapter 192, p. 1209
a window కిటికీ (kiṭikī)
Chapter 67, p. 447
a window curtain కిటికీతెర (kiṭikītera)
explicit focus: etymology; Chapter 129, p. 831
a wing రెక్క (rekka)
explicit focus: etymology; Chapter 272, p. 1699
a winner విజేత (vijēta)
explicit focus: etymology; Chapter 189, p. 1191
a wish కోరిక (kōrika)
explicit focus: etymology; Chapter 107, p. 697
a wolf తోడేలు (tōḍēlu)
explicit focus: etymology; Chapter 302, p. 1881
A Word for a Stream — Then Its First Letter
chapter topic; Chapter 152, p. 969
A Word for Literature — Then the Letter Inside It
chapter topic; Chapter 150, p. 961
A Word for Shade — Then Its First Letter
chapter topic; Chapter 151, p. 965

a work shift **షిఫ్టు** (ṣiphṭu)
explicit focus: etymology; Chapter 198, p. 1247
a wound, an injury **గాయం** (gāyaṁ)
explicit focus: etymology; Chapter 92, p. 603
a wrist **మణికట్టు** (maṇikaṭṭu)
explicit focus: etymology; Chapter 128, p. 825
a writer, an author **రచయిత** (racayita)
explicit focus: etymology; Chapter 197, p. 1241
a year **సంవత్సరం** (saṁvatsaraṁ)
explicit focus: etymology; Chapter 75, p. 495
a young man, a youth **యువకుడు** (yuvakuḍu)
explicit focus: etymology; Chapter 227, p. 1423
a young plant **మొక్క** (mokka)
explicit focus: etymology; Chapter 54, p. 369
ability **సామర్థ్యం** (sāmarthyaṁ)
explicit focus: etymology; Chapter 105, p. 685
about, concerning **గురించి** (guriñci)
explicit focus: etymology; Chapter 176, p. 1113
About Yourself
chapter topic; Chapter 89, p. 583
Above, Below, Inside, Outside, Behind
chapter topic; Chapter 101, p. 661
above, on top **పైన** (paina)
explicit focus: etymology; Chapter 101, p. 661
according to **ప్రకారం** (prakāraṁ)
explicit focus: etymology; Chapter 177, p. 1119
active, alert **చురుకైన** (curukaina)
explicit focus: etymology; Chapter 297, p. 1851
actually; (not) at all **అసలు** (asalu)
explicit focus: etymology; Chapter 177, p. 1119
advice **సలహా** (salahā)
explicit focus: etymology; Chapter 294, p. 1831
Advice, Moreover, By the way, Almost, All in all
chapter topic; Chapter 294, p. 1831
after that, later **తరువాత** (taruvāta)
explicit focus: etymology; Chapter 64, p. 429
Afternoon
chapter topic; Chapter 28, p. 221

“afternoon” — the same word already met meaning precisely “noon” (TE-C17), confirmed via a directly-fetched source to also cover “the time between noon and evening” in modern usage — the same kind of semantic widening already found for Hindi’s दोपहर and, more thinly, Kannada’s
మధ్యాహ్న మధ్యాహ్నం (madhyāhnam)
explicit focus: etymology, usage and culture; Chapter 28, p. 221

again and again పదే పదే (padē padē)
explicit focus: etymology; Chapter 213, p. 1339

age వయసు (vayasu)
explicit focus: etymology; Chapter 96, p. 629

all in all, in short మొత్తానికి (mottāniki)
explicit focus: etymology; Chapter 294, p. 1831

almost, nearly దాదాపు (dādāpu)
explicit focus: etymology; Chapter 294, p. 1831

alone ఒంటరిగా (oṇṭarigā)
explicit focus: etymology; Chapter 97, p. 635

already ఇప్పటికే (ippaṭikē)
explicit focus: etymology; Chapter 154, p. 979

also కూడా (kūḍā)
explicit focus: etymology; Chapter 64, p. 429

an accident; danger ప్రమాదం (pramādaṁ)
explicit focus: etymology; Chapter 287, p. 1789

an account (bank) ఖాతా (khātā)
explicit focus: etymology; Chapter 311, p. 1935

an actor నటుడు (naṭuḍu)
explicit focus: etymology; Chapter 230, p. 1441

an address చిరునామా (cirunāmā)
explicit focus: etymology; Chapter 89, p. 583

an advertisement, an announcement ప్రకటన (prakaṭana)
explicit focus: etymology; Chapter 156, p. 991

an aeroplane విమానం (vimānaṁ)
explicit focus: etymology; Chapter 134, p. 863

an agreement, a contract ఒప్పందం (oppandaṁ)
explicit focus: etymology; Chapter 239, p. 1497

an airport విమానాశ్రయం (vimānāśrayaṁ)
explicit focus: etymology; Chapter 214, p. 1345

an ambulance అంబులెన్సు (ambulensu)
explicit focus: etymology; Chapter 287, p. 1789

an animal జంతువు (jantuvu)
explicit focus: etymology; Chapter 265, p. 1655

an answer, a reply జవాబు (javābu)
explicit focus: etymology; Chapter 274, p. 1711

an ant చీమ (cīma)
explicit focus: etymology; Chapter 60, p. 405
an apology క్షమాపణ (kṣamāpaṇa)
explicit focus: etymology; Chapter 94, p. 615
an app యాప్ (yāp)
explicit focus: etymology; Chapter 305, p. 1899
an application దరఖాస్తు (darakhāstu)
explicit focus: etymology; Chapter 196, p. 1235
an area, a region ప్రాంతం (prāntaṁ)
explicit focus: etymology; Chapter 254, p. 1589
an artist, a performer కళాకారుడు (kaḷākāruḍu)
explicit focus: etymology; Chapter 275, p. 1717
an aubergine వంకాయ (vaṅkāya)
explicit focus: etymology; Chapter 118, p. 763
an aunt; a mother-in-law అత్త (atta)
explicit focus: etymology; Chapter 71, p. 471
an auto-rickshaw ఆటో (āṭō)
explicit focus: etymology; Chapter 301, p. 1875
an axe గొడ్డలి (goḍḍali)
explicit focus: etymology; Chapter 69, p. 459
an earthquake భూకంపం (bhūkampaṁ)
explicit focus: etymology; Chapter 175, p. 1107
an eating plate కంచం (kañcaṁ)
explicit focus: etymology; Chapter 269, p. 1681
an edge, a rim అంచు (añcu)
explicit focus: etymology; Chapter 308, p. 1917
an effect, an influence ప్రభావం (prabhāvaṁ)
explicit focus: etymology; Chapter 258, p. 1613
an egg గుడ్డు (guḍḍu)
explicit focus: etymology; Chapter 116, p. 751
an elbow మోచేయి (mōcēyi)
explicit focus: etymology; Chapter 128, p. 825
an elephant ఏనుగు (ēnugu)
explicit focus: etymology; Chapter 122, p. 789
an emergency; urgent అత్యవసరం (atyavasaraṁ)
explicit focus: etymology; Chapter 287, p. 1789
an employee ఉద్యోగి (udyōgi)
explicit focus: etymology; Chapter 310, p. 1929
an enemy శత్రువు (śatruvu)
explicit focus: etymology; Chapter 227, p. 1423
an engineer ఇంజనీరు (iñjanīru)
explicit focus: etymology; Chapter 312, p. 1941

an envelope కవరు (kavaru)
explicit focus: etymology; Chapter 185, p. 1167
an example ఉదాహరణ (udāharaṇa)
explicit focus: etymology; Chapter 218, p. 1369
an excuse, a pretext సాకు (sāku)
explicit focus: etymology; Chapter 178, p. 1125
an eyebrow కనుబొమ్మ (kanubomma)
explicit focus: etymology; Chapter 127, p. 819
an idli ఇడ్లీ (iḍlī)
explicit focus: etymology; Chapter 119, p. 769
an incense stick అగరుబత్తి (agarubatti)
explicit focus: etymology; Chapter 307, p. 1911
an injection ఇంజెక్షను (iñjekṣanu)
explicit focus: etymology; Chapter 251, p. 1571
an insect, a worm పురుగు (purugu)
explicit focus: etymology; Chapter 187, p. 1179
an instruction, a note (on a sign) సూచన (sūcana)
explicit focus: etymology; Chapter 156, p. 991
an intention ఉద్దేశం (uddēśaṁ)
explicit focus: etymology; Chapter 107, p. 697
an interview ఇంటర్వ్యూ (iṇṭarvyū)
explicit focus: etymology; Chapter 198, p. 1247
an introduction, acquaintance పరిచయం (paricayaṁ)
explicit focus: etymology; Chapter 94, p. 615
an invitation ఆహ్వానం (āhvānaṁ)
explicit focus: etymology; Chapter 99, p. 647
an island దీవి (dīvi)
explicit focus: etymology; Chapter 122, p. 789
an itch దురద (durada)
explicit focus: etymology; Chapter 209, p. 1315
an office కార్యాలయం (kāryālayaṁ)
explicit focus: etymology; Chapter 104, p. 679
an officer, an official అధికారి (adhikāri)
explicit focus: etymology; Chapter 195, p. 1229
an onion ఉల్లిపాయ (ullipāya)
explicit focus: etymology; Chapter 117, p. 757
an open ground, a plain మైదానం (maidānaṁ)
explicit focus: etymology; Chapter 215, p. 1351
an operation, surgery ఆపరేషను (āparēṣanu)
explicit focus: etymology; Chapter 288, p. 1795
an opinion అభిప్రాయం (abhiprāyaṁ)
explicit focus: etymology; Chapter 197, p. 1241

an organization సంస్థ (saṁstha)
explicit focus: etymology; Chapter 239, p. 1497
an owl గుడ్లగూబ (guḍlagūba)
explicit focus: etymology; Chapter 125, p. 807
an owner యజమాని (yajamāni)
explicit focus: etymology; Chapter 106, p. 691
an ox, a bull ఎద్దు (eddu)
explicit focus: etymology; Chapter 302, p. 1881
an umbrella గొడుగు (goḍugu)
explicit focus: etymology; Chapter 62, p. 417
an uncle; a father-in-law మామ (māma)
explicit focus: etymology; Chapter 71, p. 471
and మరియు (mariyu)
explicit focus: etymology; Chapter 74, p. 489
And, But, Or
chapter topic; Chapter 74, p. 489
anger కోపం (kōpaṁ)
explicit focus: etymology; Chapter 85, p. 557
Animals
chapter topic; Chapter 60, p. 405
Answering With More Than Yes
chapter topic; Chapter 49, p. 333
anxiety, worry ఆందోళన (āndōḷana)
explicit focus: etymology; Chapter 97, p. 635
anyone, someone ఎవరైనా (evarainā)
explicit focus: etymology; Chapter 153, p. 973
anything, something ఏమైనా (ēmainā)
explicit focus: etymology; Chapter 153, p. 973
anyway, in any case ఏదేమైనా (ēdēmainā)
explicit focus: etymology; Chapter 177, p. 1119
App, Keyboard, Laptop, Battery, Video
chapter topic; Chapter 305, p. 1899
are you well? బాగున్నారా*?* (bāgunnārā?)
explicit focus: etymology; Chapter 91, p. 595
around చుట్టూ (cuṭṭū)
explicit focus: etymology; Chapter 291, p. 1813
Asking Someone's Age
chapter topic; Chapter 19, p. 191
astringent వగరు (vagaru)
explicit focus: etymology; Chapter 73, p. 483
at present, currently ప్రస్తుతం (prastutaṁ)
explicit focus: etymology; Chapter 253, p. 1583
At the Doctor
chapter topic; Chapter 92, p. 603

attendance హాజరు (hājaru)
explicit focus: etymology; Chapter 313, p. 1947

B

bad చెడ్డ (ceḍḍa)
explicit focus: etymology; Chapter 76, p. 501
Bag, Pen, Paper, Drinking glass, Spoon
chapter topic; Chapter 112, p. 727
bamboo వెదురు (veduru)
explicit focus: etymology; Chapter 303, p. 1887
bangles గాజులు (gājulu)
explicit focus: etymology; Chapter 115, p. 745
Banknote, Loose change, Salary, Profit, Loss
chapter topic; Chapter 235, p. 1473
Bathroom, Foundation, Gate, Bakery, Hair salon
chapter topic; Chapter 216, p. 1357
Bathukamma, the Telangana flower festival బతుకమ్మ (batukamma)
explicit focus: etymology; Chapter 252, p. 1577
beautiful అందమైన (andamaina)
explicit focus: etymology; Chapter 138, p. 887
because ఎందుకంటే (endukaṇṭē)
explicit focus: grammar, etymology; Chapter 74, p. 489
because of వల్ల (valla)
explicit focus: etymology; Chapter 108, p. 703
Bee, Lizard, Insect, Sparrow, Koel
chapter topic; Chapter 187, p. 1179
before, in front ముందు (mundu)
explicit focus: etymology; Chapter 75, p. 495
before the noun, unchanged — five words, one rule
grammar topic; explicit focus: grammar; Chapter 42, p. 295
behind వెనక (venaka)
explicit focus: etymology; Chapter 101, p. 661
below, underneath కింద (kinda)
explicit focus: etymology; Chapter 101, p. 661
beside, next to పక్కన (pakkana)
explicit focus: etymology; Chapter 173, p. 1093
Bhogi, Festival, Village fair, Celebration, Sunrise
chapter topic; Chapter 289, p. 1801
Bhogi, the first day of Sankranti భోగి (bhōgi)
explicit focus: etymology; Chapter 289, p. 1801
big పెద్ద (pedda)
explicit focus: etymology; Chapter 42, p. 295

biology జీవశాస్త్రం (jīvaśāstraṁ)
explicit focus: etymology; Chapter 276, p. 1723
bitter, bitterness చేదు (cēdu)
explicit focus: etymology; Chapter 73, p. 483
bitter-tasting చేదైన (cēdaina)
explicit focus: etymology; Chapter 141, p. 907
black, dark నల్లని (nallani)
explicit focus: etymology; Chapter 142, p. 913
black pepper మిరియాలు (miriyālu)
explicit focus: etymology; Chapter 135, p. 869
Black pepper, Cumin, Tamarind, Lemon, Grapes
chapter topic; Chapter 135, p. 869
black, white, red, blue — Telugu's own basic colors, completing the whole family's shared blue నలుపు తెలుపు ఎరుపు నీలం (nalupu telupu erupu nīlam)
explicit focus: etymology; Chapter 11, p. 143
blame నింద (ninda)
explicit focus: etymology; Chapter 219, p. 1375
Blame, Basis, Proof, Development, Motivation
chapter topic; Chapter 219, p. 1375
bland, tasteless చప్పని (cappani)
explicit focus: etymology; Chapter 179, p. 1131
blood రక్తం (raktaṁ)
explicit focus: etymology; Chapter 128, p. 825
blood pressure రక్తపోటు (raktapōṭu)
explicit focus: etymology; Chapter 288, p. 1795
Blunt, Crooked, Flat, Hollow, Dim
chapter topic; Chapter 298, p. 1857
blunt; dull-witted మొద్దు (moddu)
explicit focus: etymology; Chapter 298, p. 1857
boredom, weariness of something విసుగు (visugu)
explicit focus: etymology; Chapter 210, p. 1321
brass ఇత్తడి (ittaḍi)
explicit focus: etymology; Chapter 269, p. 1681
Bread, Chapati, Upma, Breakfast, Green gram
chapter topic; Chapter 262, p. 1637
bread, flatbread రొట్టె (roṭṭe)
explicit focus: etymology; Chapter 262, p. 1637
breakfast, a light snack టిఫిను (ṭiphinu)
explicit focus: etymology; Chapter 262, p. 1637
breathlessness ఆయాసం (āyāsaṁ)
explicit focus: etymology; Chapter 251, p. 1571
Bride, People, God, Thief, Animal
chapter topic; Chapter 265, p. 1655

brown గోధుమ రంగు (gōdhuma raṅgu)
explicit focus: etymology; Chapter 221, p. 1387
Brown, Silver, Pale, Round, Sharp
chapter topic; Chapter 221, p. 1387
Bund, Cattle, Pillar, Water tap, Flag
chapter topic; Chapter 309, p. 1923
Bus stand, Airport, Junction, Capital city, District
chapter topic; Chapter 214, p. 1345
business, trade వ్యాపారం (vyāpāraṁ)
explicit focus: etymology; Chapter 236, p. 1479
busy బిజీ (bijī)
explicit focus: etymology; Chapter 259, p. 1619
but కానీ (kānī)
explicit focus: etymology; Chapter 74, p. 489
butter వెన్న (venna)
explicit focus: etymology; Chapter 184, p. 1161
Butter, Chutney, Sweet milk pudding, Cucumber, Okra
chapter topic; Chapter 184, p. 1161
buttermilk మజ్జిగ (majjiga)
explicit focus: etymology; Chapter 299, p. 1863
by mistake, accidentally పొరపాటున (porapāṭuna)
explicit focus: etymology; Chapter 178, p. 1125
by the way అన్నట్టు (annaṭṭu)
explicit focus: etymology; Chapter 294, p. 1831

C

Cap, Ring, Bangles, Curry, Dal
chapter topic; Chapter 115, p. 745
Car, Bicycle, Aeroplane, Grain, Wheat
chapter topic; Chapter 134, p. 863
care, caution జాగ్రత్త (jāgratta)
explicit focus: etymology; Chapter 90, p. 589
Carpenter, Writer, Problem, Solution, Opinion
chapter topic; Chapter 197, p. 1241
Case Endings and Dative Subjects
chapter topic; Chapter 6, p. 99
cashew nuts జీడిపప్పు (jīḍipappu)
explicit focus: etymology; Chapter 225, p. 1411
cattle, livestock పశువులు (paśuvulu)
explicit focus: etymology; Chapter 309, p. 1923
cement సిమెంటు (simeṇṭu)
explicit focus: etymology; Chapter 306, p. 1905

certainly, without fail తప్పకుండా (tappakuṇḍā)
explicit focus: etymology; Chapter 49, p. 333
Chance, Tool, Property, Owner, Strength
chapter topic; Chapter 106, p. 691
charcoal, coal బొగ్గు (boggu)
explicit focus: etymology; Chapter 233, p. 1459
cheap చౌక (cauka)
explicit focus: etymology; Chapter 179, p. 1131
chemistry రసాయనశాస్త్రం (rasāyanaśāstraṁ)
explicit focus: etymology; Chapter 276, p. 1723
Chemistry, Biology, Economics, Grammar, Blackboard
chapter topic; Chapter 276, p. 1723
Cheque, Visa, Luggage, Newspaper, Number
chapter topic; Chapter 264, p. 1649
chess చదరంగం (cadaraṅgaṁ)
explicit focus: etymology; Chapter 304, p. 1893
Chest, Accident, Ambulance, Insurance, Emergency
chapter topic; Chapter 287, p. 1789
chickpeas శనగలు (śanagalu)
explicit focus: etymology; Chapter 299, p. 1863
Chickpeas, Mustard seeds, Coriander leaves, Curry leaves, Buttermilk
chapter topic; Chapter 299, p. 1863
childhood బాల్యం (bālyaṁ)
explicit focus: etymology; Chapter 290, p. 1807
children పిల్లలు (pillalu)
explicit focus: etymology; Chapter 88, p. 577
Chin, Wrist, Elbow, Skin, Blood
chapter topic; Chapter 128, p. 825
Class, Lesson, Answer, Subject, Mathematics
chapter topic; Chapter 274, p. 1711
clean శుభ్రం (śubhraṁ)
explicit focus: etymology; Chapter 137, p. 881
clear స్పష్టమైన (spaṣṭamaina)
explicit focus: etymology; Chapter 222, p. 1393
clever తెలివైన (telivaina)
explicit focus: etymology; Chapter 142, p. 913
cloth బట్ట (baṭṭa)
explicit focus: etymology; Chapter 46, p. 315
clothes, cloth గుడ్డలు (guḍḍalu)
explicit focus: etymology; Chapter 133, p. 857
Clothes, Moustache, Tears, Boat, Train
chapter topic; Chapter 133, p. 857

coconut కొబ్బరి (kobbari)
explicit focus: etymology; Chapter 117, p. 757
coffee కాఫీ (kāphī)
explicit focus: etymology; Chapter 119, p. 769
Cold, Hot, and How You Feel
chapter topic; Chapter 85, p. 557
cold, the cold చలి (cali)
explicit focus: etymology; Chapter 85, p. 557
College, University, Degree, Experience, Account
chapter topic; Chapter 311, p. 1935
Comb, Soap, Towel, Glasses, Clock
chapter topic; Chapter 111, p. 721
come రా (rā)
explicit focus: etymology; Chapter 43, p. 301
comfort, ease సుఖం (sukhaṁ)
explicit focus: etymology; Chapter 93, p. 609
comfortably, pleasantly హాయిగా (hāyigā)
explicit focus: etymology; Chapter 93, p. 609
Competition, Winner, Medal, Hobby, Novel
chapter topic; Chapter 189, p. 1191
Complaint, Barber, Washerman, Potter, Blacksmith
chapter topic; Chapter 277, p. 1729
compulsory తప్పనిసరి (tappanisari)
explicit focus: etymology; Chapter 259, p. 1619
congratulations, compliments అభినందనలు (abhinandanalu)
explicit focus: etymology; Chapter 99, p. 647
congratulations, good wishes శుభాకాంక్షలు (śubhākāṅkṣalu)
explicit focus: etymology; Chapter 80, p. 525
constantly, continuously నిరంతరం (nirantaraṁ)
explicit focus: etymology; Chapter 171, p. 1081
constipation మలబద్ధకం (malabaddhakaṁ)
explicit focus: etymology; Chapter 288, p. 1795
contentment, satisfaction తృప్తి (tṛpti)
explicit focus: etymology; Chapter 210, p. 1321
convenient అనుకూలమైన (anukūlamaina)
explicit focus: etymology; Chapter 296, p. 1845
coriander leaves కొత్తిమీర (kottimīra)
explicit focus: etymology; Chapter 299, p. 1863
cotton పత్తి (patti)
explicit focus: etymology; Chapter 306, p. 1905
Counting in Order
chapter topic; Chapter 81, p. 531
courage; brave ధైర్యం (dhairyaṁ)
explicit focus: etymology; Chapter 141, p. 907

Courtesy Words
chapter topic; Chapter 51, p. 345
cow dung పేడ (pēḍa)
explicit focus: etymology; Chapter 234, p. 1465
Crab, Scorpion, Bat, Nest, Tail
chapter topic; Chapter 228, p. 1429
cricket క్రికెట్ (krikeṭ)
explicit focus: etymology; Chapter 304, p. 1893
crooked, bent వంకర (vaṅkara)
explicit focus: etymology; Chapter 298, p. 1857
Crowd, World, Earthquake, Dust, Smoke
chapter topic; Chapter 175, p. 1107
crowded; a crowd, rush రద్దీ (raddī)
explicit focus: etymology; Chapter 259, p. 1619
Crowded, Important, Own, Busy, Compulsory
chapter topic; Chapter 259, p. 1619
crying, tears ఏడుపు (ēḍupu)
explicit focus: etymology; Chapter 97, p. 635
culture సంస్కృతి (saṁskṛti)
explicit focus: etymology; Chapter 257, p. 1607
cumin జీలకర్ర (jīlakarra)
explicit focus: etymology; Chapter 135, p. 869
curd పెరుగు (perugu)
explicit focus: etymology; Chapter 61, p. 411
curry leaves కరివేపాకు (karivēpāku)
explicit focus: etymology; Chapter 299, p. 1863

D

daily wages; a labourer కూలి (kūli)
explicit focus: etymology; Chapter 310, p. 1929
dal, lentils పప్పు (pappu)
explicit focus: etymology; Chapter 115, p. 745
darkness చీకటి (cīkaṭi)
explicit focus: etymology; Chapter 267, p. 1669
Dasara దసరా (dasarā)
explicit focus: etymology; Chapter 252, p. 1577
daughter — a second, separate Proto-Dravidian root, cognate across the family with a word for "infant" rather than with Telugu's own word for son కూతురు (kūturu)
explicit focus: etymology; Chapter 36, p. 263
dawn, the early hours తెల్లవారుజాము (tellavārujāmu)
explicit focus: etymology; Chapter 253, p. 1583

Day
chapter topic; Chapter 23, p. 203
"day" — a genuine surprise: Telugu's everyday word isn't Sanskrit or native Dravidian at all, it's a Persian loanword; దినము, the Sanskrit tatsama form, is the more formal alternate here — the mirror image of Kannada's pattern రోజు (rōju)
explicit focus: etymology, usage and culture; Chapter 23, p. 203
Days of the Week
chapter topic; Chapter 10, p. 133
daytime పగలు (pagalu)
explicit focus: etymology; Chapter 290, p. 1807
Daytime, Half of the day, Decade, Century, Childhood
chapter topic; Chapter 290, p. 1807
deep లోతు (lōtu)
explicit focus: etymology; Chapter 138, p. 887
Deer, Fox, Snake, Tortoise, Parrot
chapter topic; Chapter 124, p. 801
Delicious, Bland, Fresh, Expensive, Cheap
chapter topic; Chapter 179, p. 1131
delicious, tasty కమ్మని (kammani)
explicit focus: etymology; Chapter 179, p. 1131
delight, joy ఆనందం (ānandaṁ)
explicit focus: etymology; Chapter 99, p. 647
Describing Things
chapter topic; Chapter 42, p. 295
Desert, Rock, Open ground, Theatre, Stadium
chapter topic; Chapter 215, p. 1351
development, progress అభివృద్ధి (abhivṛddhi)
explicit focus: etymology; Chapter 258, p. 1613
diabetes మధుమేహం (madhumēhaṁ)
explicit focus: etymology; Chapter 288, p. 1795
diarrhoea విరేచనాలు (virēcanālu)
explicit focus: etymology; Chapter 167, p. 1057
Dictionary, Cart, Auto-rickshaw, Taxi, Petrol
chapter topic; Chapter 301, p. 1875
different భిన్నమైన (bhinnamaina)
explicit focus: etymology; Chapter 222, p. 1393
difficult; trouble కష్టం (kaṣṭaṁ)
explicit focus: etymology; Chapter 76, p. 501
dim, blurry మసక (masaka)
explicit focus: etymology; Chapter 298, p. 1857
dirty మురికి (murikī)
explicit focus: etymology; Chapter 137, p. 881

dirty dishes అంట్లు (aṇṭlu)
explicit focus: etymology; Chapter 307, p. 1911
disappointment నిరాశ (nirāśa)
explicit focus: etymology; Chapter 210, p. 1321
Diwali, the festival of lamps దీపావళి (dīpāvaḷi)
explicit focus: etymology; Chapter 252, p. 1577
do you know? తెలుసా (telusā)
explicit focus: etymology; Chapter 78, p. 513
do you want it? కావాలా? (kāvālā?)
explicit focus: etymology; Chapter 94, p. 615
Dog and Cat
chapter topic; Chapter 21, p. 197
dog and cat — kukka genuinely breaks from its Dravidian cousins' shared naayi root, debated as onomatopoeic or a Sanskrit loan; pilli most likely closes the ENTIRE arc's cat-story loop, the probable Dravidian source behind Sanskrit's biDaala and so Hindi's billi కుక్క, పిల్లి (kukka, pilli)
explicit focus: etymology; Chapter 21, p. 197
Doubt, Contentment, Disappointment, Boredom, Pining
chapter topic; Chapter 210, p. 1321
doubt, suspicion అనుమానం (anumānaṁ)
explicit focus: etymology; Chapter 210, p. 1321
dry పొడి (poḍi)
explicit focus: etymology; Chapter 139, p. 893
Duck, Pig, Donkey, Camel, Face
chapter topic; Chapter 126, p. 813
durable, long-lasting మన్నికైన (mannikaina)
explicit focus: etymology; Chapter 182, p. 1149
dust దుమ్ము (dummu)
explicit focus: etymology; Chapter 175, p. 1107

E

ear — native Dravidian, matching Tamil's own form closely చెవి (cevi)
explicit focus: etymology; Chapter 37, p. 267
earrings చెవిపోగులు (cevipōgulu)
explicit focus: etymology; Chapter 300, p. 1869
east తూర్పు (tūrpu)
explicit focus: etymology; Chapter 254, p. 1589
easy సులభం (sulabhaṁ)
Chapter 76, p. 501

economics అర్థశాస్త్రం (arthaśāstraṁ)
explicit focus: etymology; Chapter 276, p. 1723
effort, toil శ్రమ (śrama)
explicit focus: etymology; Chapter 218, p. 1369
eighth — where the vowel that goes is an i, not a u ఎనిమిదవ (enimidava)
explicit focus: etymology; Chapter 82, p. 539
elders పెద్దలు (peddalu)
explicit focus: etymology; Chapter 227, p. 1423
Electricity, Machine, Sofa, Swing, Carpet
chapter topic; Chapter 190, p. 1197
electricity, power కరెంటు (kareṇṭu)
explicit focus: etymology; Chapter 190, p. 1197
End, Ever, At present, In the past, Dawn
chapter topic; Chapter 253, p. 1583
English, the language ఇంగ్లీషు (iṅglīṣu)
explicit focus: etymology; Chapter 89, p. 583
enough, that will do చాలు (cālu)
explicit focus: etymology; Chapter 49, p. 333
entertainment వినోదం (vinōdaṁ)
explicit focus: etymology; Chapter 230, p. 1441
enthusiasm, excitement ఉత్సాహం (utsāhaṁ)
explicit focus: etymology; Chapter 168, p. 1063
Envelope, Postage stamp, Parcel, Post, Pencil
chapter topic; Chapter 185, p. 1167
even so, still అయినా (ayinā)
explicit focus: etymology; Chapter 176, p. 1113
Evening
chapter topic; Chapter 27, p. 219
"evening" (sāyantram) — Sanskrit tatsama from సాయం (sāyam, "in the evening") + a "-tana" time-adjective suffix; సాయం itself traces to PIE *seh₁- ("long, lasting"), the SAME root as Latin's sērus — attested as the root of French soir and Italian sera — a genuine distant cognate across two completely different Indo-European branches సాయంత్రం (sāyantram)
explicit focus: etymology; Chapter 27, p. 219
ever, at any time ఎప్పుడైనా (eppuḍainā)
explicit focus: etymology; Chapter 253, p. 1583
every day ప్రతిరోజు (pratirōju)
explicit focus: etymology; Chapter 171, p. 1081
every, each ప్రతి (prati)
explicit focus: etymology; Chapter 180, p. 1137

every year, annually ఏటా (ēṭā)
explicit focus: etymology; Chapter 172, p. 1087
exactly, properly సరిగ్గా (sariggā)
explicit focus: etymology; Chapter 87, p. 569
except తప్ప (tappa)
explicit focus: etymology; Chapter 217, p. 1363
expensive ఖరీదైన (kharīdaina)
explicit focus: etymology; Chapter 179, p. 1131
experience అనుభవం (anubhavaṁ)
explicit focus: etymology; Chapter 311, p. 1935
extra, additional అదనపు (adanapu)
explicit focus: etymology; Chapter 182, p. 1149
eye — a word this book has already used once, unglossed, as proof of the family's shared oldest seeing-root కన్ను (kannu)
explicit focus: etymology; Chapter 37, p. 267

F

fair, righteous న్యాయమైన (nyāyamaina)
explicit focus: etymology; Chapter 222, p. 1393
fake, counterfeit నకిలీ (nakilī)
explicit focus: etymology; Chapter 182, p. 1149
Family
chapter topic; Chapter 12, p. 147
Family and Friends
chapter topic; Chapter 35, p. 259
family — the collective word Chapter 12's parents and siblings never needed, because each of them was already the name of one specific person కుటుంబం (kuṭumbaṁ)
explicit focus: etymology; Chapter 35, p. 259
famous ప్రసిద్ధ (prasiddha)
explicit focus: etymology; Chapter 139, p. 893
Fan, Pliers, Ladder, Glue, Ruler
chapter topic; Chapter 231, p. 1447
far; distance దూరం (dūraṁ)
explicit focus: etymology; Chapter 100, p. 655
Farewells
chapter topic; Chapter 4, p. 65
Fast, Beautiful, Deep, Wide, Narrow
chapter topic; Chapter 138, p. 887
fast; speed వేగం (vēgaṁ)
explicit focus: etymology; Chapter 138, p. 887

fat, thick లావు (lāvu)
explicit focus: etymology; Chapter 220, p. 1381
father, mother, and four age-graded sibling words — Telugu's own father-word and "younger sister" word, but the same age-first system నాన్న అమ్మ అన్న తమ్ముడు అక్క చెల్లి (nānna amma anna tammuḍu akka celli)
explicit focus: etymology; Chapter 12, p. 147
fear భయం (bhayaṁ)
explicit focus: etymology; Chapter 85, p. 557
Fee, Fine, Deadline, Responsibility, Application
chapter topic; Chapter 196, p. 1235
fertilizer, manure ఎరువు (eruvu)
explicit focus: etymology; Chapter 234, p. 1465
fifth — where the vowel that goes is a diphthong's tail ఐదవ (aidava)
explicit focus: etymology; Chapter 81, p. 531
finally, at last చివరకు (civaraku)
explicit focus: etymology; Chapter 212, p. 1333
fire, a live coal నిప్పు (nippu)
Chapter 59, p. 399
firecrackers టపాకాయలు (ṭapākāyalu)
explicit focus: etymology; Chapter 229, p. 1435
Firecrackers, Decorated performing bull seen at Sankranti, Sunshine, Raindrop, Fog
chapter topic; Chapter 229, p. 1435
firewood కట్టెలు (kaṭṭelu)
explicit focus: etymology; Chapter 191, p. 1203
first — the one ordinal Telugu does not build from a number మొదటి (modaṭi)
explicit focus: etymology; Chapter 81, p. 531
flat, level చదునైన (cadunaina)
explicit focus: etymology; Chapter 298, p. 1857
flour పిండి (piṇḍi)
explicit focus: etymology; Chapter 224, p. 1405
foam, lather నురుగు (nurugu)
explicit focus: etymology; Chapter 271, p. 1693
fog పొగమంచు (pogamañcu)
explicit focus: etymology; Chapter 229, p. 1435
for some reason ఎందుకో (endukō)
explicit focus: etymology; Chapter 295, p. 1837
forever ఎప్పటికీ (eppaṭikī)
explicit focus: etymology; Chapter 172, p. 1087

Four Core Colours
chapter topic; Chapter 11, p. 143
Four Verbs Between People
chapter topic; Chapter 34, p. 251
Four Verbs of the Mind
chapter topic; Chapter 33, p. 241
Four Words on the Face
chapter topic; Chapter 37, p. 267
fourth — the longest of the ten, and still the same ending నాలుగవ (nālugava)
explicit focus: etymology; Chapter 81, p. 531
Free, Full, Fat, Thin, Raw
chapter topic; Chapter 220, p. 1381
free (of charge) ఉచితం (ucitaṁ)
explicit focus: etymology; Chapter 220, p. 1381
Free time, Immediately, Finally, Until, Sankranti
chapter topic; Chapter 212, p. 1333
free time, leisure తీరిక (tīrika)
explicit focus: etymology; Chapter 212, p. 1333
fresh తాజా (tājā)
explicit focus: etymology; Chapter 179, p. 1131
Fridge, Mixer-grinder, Dirty dishes, Incense stick, Kumkum
chapter topic; Chapter 307, p. 1911
friend — the everyday Sanskrit-derived word, with Telugu's own DEDR-attested alternative named beside it స్నేహితుడు (snēhituḍu)
explicit focus: etymology; Chapter 35, p. 259
friendship స్నేహం (snēhaṁ)
explicit focus: etymology; Chapter 257, p. 1607
from నుంచి (nunci)
explicit focus: grammar, etymology; Chapter 77, p. 507
from now on ఇకపై (ikapai)
explicit focus: etymology; Chapter 155, p. 985
full నిండు (niṇḍu)
explicit focus: etymology; Chapter 220, p. 1381
fun; a fondness సరదా (saradā)
explicit focus: etymology; Chapter 222, p. 1393
Fun, Modern, Clear, Different, Fair
chapter topic; Chapter 222, p. 1393

G

garlic వెల్లుల్లి (vellulli)
explicit focus: etymology; Chapter 118, p. 763

gently, softly, slowly మెల్లగా (mellagā)
explicit focus: etymology; Chapter 95, p. 621
geography భూగోళశాస్త్రం (bhūgōḷaśāstraṁ)
explicit focus: etymology; Chapter 238, p. 1491
ghee నెయ్యి (neyyi)
explicit focus: etymology; Chapter 61, p. 411
ginger అల్లం (allaṁ)
explicit focus: etymology; Chapter 118, p. 763
give ఇవ్వు (ivvu)
explicit focus: etymology; Chapter 43, p. 301
glasses, spectacles కళ్ళజోడు (kaḷḷajōḍu)
explicit focus: etymology; Chapter 111, p. 721
glue జిగురు (jiguru)
explicit focus: etymology; Chapter 231, p. 1447
God, a god దేవుడు (dēvuḍu)
explicit focus: etymology; Chapter 265, p. 1655
golden బంగారు (baṅgāru)
explicit focus: etymology; Chapter 140, p. 901
good మంచి (manci)
explicit focus: etymology; Chapter 42, p. 295
Good Afternoon
chapter topic; Chapter 31, p. 227
"good afternoon" (śubha madhyāhnam), built on the widened "noon" word rather than the classical later-afternoon term శుభ మధ్యాహ్నం (śubha madhyāhnam)
explicit focus: etymology; Chapter 31, p. 227
Good Evening
chapter topic; Chapter 30, p. 225
"good evening" (śubha sāyantram) — pairs with సాయంత్రం (TE-C27, the word with the striking Latin sērus/French soir cognate); unlike GREETING-MORNING's single, dramatic "displaced by English" source, TWO independently-fetched sources agree this one is genuinely, commonly used in both formal and casual speech, with నమస్కారం as a time-independent alternative rather than a replacement శుభ సాయంత్రం (śubha sāyantram)
explicit focus: etymology, usage and culture; Chapter 30, p. 225
good manners మర్యాద (maryāda)
Chapter 65, p. 435
Good Morning
chapter topic; Chapter 29, p. 223

"good morning" (subhodayam) — శుభ + ఉదయం, the traditional phrase; one directly-fetched source (a Telugu-learning blog, the same low-authority genre already found overstated for Hindi/ Kannada) claims it's archaic, displaced by English "good morning" — treat with real skepticism, not as confirmed; నమస్కారం remains a safer everyday-greeting bet regardless శుభోదయం (śubhōdayam)
explicit focus: etymology, usage and culture; Chapter 29, p. 223
Good Night
chapter topic; Chapter 25, p. 211
"good night" — the standard Sanskrit-tatsama translation (rātri already met, śubha new); some sources describe everyday speakers often code-switching to English "good night" instead శుభ రాత్రి (śubha rātri)
explicit focus: etymology, usage and culture; Chapter 25, p. 211
goodbye (lit. "I'll go and come back") వెళ్ళి వస్తాను (veḷḷi vastānu)
explicit focus: script, grammar, etymology; Chapter 4, p. 65
grain ధాన్యం (dhānyaṁ)
explicit focus: etymology; Chapter 134, p. 863
grammar వ్యాకరణం (vyākaraṇaṁ)
explicit focus: etymology; Chapter 276, p. 1723
grandfather తాత (tāta)
explicit focus: etymology; Chapter 45, p. 309
grandmother, the mother's mother అమ్మమ్మ (ammamma)
explicit focus: etymology; Chapter 45, p. 309
Grandparents, and the Married Pair
chapter topic; Chapter 45, p. 309
Grandson, Granddaughter, Parents, Twins, Baby
chapter topic; Chapter 186, p. 1173
grapes ద్రాక్ష (drākṣa)
explicit focus: etymology; Chapter 135, p. 869
grass గడ్డి (gaḍḍi)
explicit focus: etymology; Chapter 66, p. 441
gratitude కృతజ్ఞత (kṛtajñata)
explicit focus: etymology; Chapter 51, p. 345
greasy, oily జిడ్డు (jiḍḍu)
explicit focus: etymology; Chapter 261, p. 1631
great, eminent గొప్ప (goppa)
explicit focus: etymology; Chapter 181, p. 1143
Great, Smell, Interesting, Wonderful, Ordinary
chapter topic; Chapter 181, p. 1143
Green and Yellow
chapter topic; Chapter 22, p. 201

green and yellow — a genuine Telugu doublet pair, both from the same Proto-Dravidian *pac- root, unlike Kannada, where the yellow word broke away as a Sanskrit loan* పచ్చ, పసుపు (pacca pasupu)
explicit focus: etymology; Chapter 22, p. 201
green gram పెసలు (pesalu)
explicit focus: etymology; Chapter 262, p. 1637
Greetings
chapter topic; Chapter 1, p. 1
Greetings People Actually Say
chapter topic; Chapter 91, p. 595
grey; ash బూడిద (būḍida)
explicit focus: etymology; Chapter 140, p. 901
groceries, goods సరుకులు (sarukulu)
explicit focus: etymology; Chapter 273, p. 1705
Guava, Sugar, Tall, Short, Heavy
chapter topic; Chapter 136, p. 875

H

hair (of the head) జుట్టు (juṭṭu)
explicit focus: etymology; Chapter 47, p. 321
half సగం (sagaṁ)
explicit focus: etymology; Chapter 310, p. 1929
happily, gladly సంతోషంగా (santōṣaṁgā)
explicit focus: etymology; Chapter 93, p. 609
hard గట్టి (gaṭṭi)
explicit focus: etymology; Chapter 137, p. 881
hard, difficult; strict, harsh కఠినమైన (kaṭhinamaina)
explicit focus: etymology; Chapter 296, p. 1845
Hard, Special, Convenient, Useful, Local
chapter topic; Chapter 296, p. 1845
hard-working కష్టపడే (kaṣṭapaḍē)
explicit focus: etymology; Chapter 142, p. 913
Hard-working, Clever, Terrible, Black, White
chapter topic; Chapter 142, p. 913
have you eaten? భోంచేశారా? (bhōñcēśārā?)
explicit focus: etymology; Chapter 91, p. 595
he (and ఆమె, she) అతను (atanu)
explicit focus: grammar, etymology; Chapter 79, p. 519
He, She, and Whose
chapter topic; Chapter 79, p. 519

Head and Hand
chapter topic; Chapter 13, p. 153
head (matching its cousins) and hand (the SAME Dravidian root as the others, transformed almost past recognition) తల చెయ్యి (tala ceyyi)
Chapter 13, p. 153
Headache, Diarrhoea, Tablet, Sweat, Swelling
chapter topic; Chapter 167, p. 1057
health ఆరోగ్యం (ārōgyaṁ)
explicit focus: etymology; Chapter 63, p. 423
Heap, Fertilizer, Cow dung, Plough, Sickle
chapter topic; Chapter 234, p. 1465
heart — the everyday native Dravidian word, cognate with Kannada's own native heart-word గుండె (guṇḍe)
explicit focus: etymology; Chapter 38, p. 273
heart — the literary Sanskrit word for the same organ, a genuine Indo-European cousin of English "heart" హృదయం (hṛdayaṁ)
explicit focus: script, etymology; Chapter 38, p. 273
heat; hot వేడి (vēḍi)
explicit focus: etymology; Chapter 85, p. 557
heavy బరువు (baruvu)
explicit focus: etymology; Chapter 136, p. 875
hello / greetings (namaskāram — "a making of a bow") నమస్కారం (namaskāram)
explicit focus: pronunciation, script, etymology, usage and culture; Chapter 1, p. 1
henna గోరింటాకు (gōriṇṭāku)
explicit focus: etymology; Chapter 188, p. 1185
here — where I am ఇక్కడ (ikkaḍa)
explicit focus: etymology; Chapter 41, p. 287
hiccups ఎక్కిళ్ళు (ekkiḷḷu)
explicit focus: etymology; Chapter 211, p. 1327
history చరిత్ర (caritra)
explicit focus: etymology; Chapter 238, p. 1491
hollow బోలు (bōlu)
explicit focus: etymology; Chapter 298, p. 1857
holy basil, tulsi తులసి (tulasi)
explicit focus: etymology; Chapter 266, p. 1661
home, to the house ఇంటికి (iṇṭiki)
explicit focus: etymology; Chapter 90, p. 589
honesty నిజాయితీ (nijāyitī)
explicit focus: etymology; Chapter 297, p. 1851
honey తేనె (tēne)
explicit focus: etymology; Chapter 119, p. 769

Honey, Idli, Dosa, Vada, Coffee
chapter topic; Chapter 119, p. 769
hope ఆశ (āśa)
explicit focus: etymology; Chapter 107, p. 697
hour — matching Kannada and Hindi exactly, the same Sanskrit "bell" word గంట (gaṇṭa)
explicit focus: grammar, usage and culture; Chapter 18, p. 183
housework ఇంటిపని (iṇṭipani)
explicit focus: etymology; Chapter 194, p. 1223
Housework, Domestic helper, Tailor, Trader, Coin
chapter topic; Chapter 194, p. 1223
how ఎలా (elā)
explicit focus: pronunciation, script, etymology; Chapter 3, p. 49
How Are You?
chapter topic; Chapter 3, p. 49
how are you? (respectful) మీరు ఎలా ఉన్నారు? (mīru elā unnāru?)
explicit focus: script, grammar, etymology; Chapter 3, p. 49
How Do You Say It?
chapter topic; Chapter 95, p. 621
how do you say it? ఎలా అంటారు? (elā aṇṭāru?)
explicit focus: etymology; Chapter 95, p. 621
how old are you? — literally "your age how-much?", matching Kannada's simple verbless possessive exactly నీ వయసెంత? (nī vayasenta)
explicit focus: grammar, etymology; Chapter 19, p. 191
hunger ఆకలి (ākali)
explicit focus: etymology; Chapter 63, p. 423
Hunger, Sleep and Health
chapter topic; Chapter 63, p. 423
husband భర్త (bharta)
Chapter 45, p. 309
Hut, Canal, Building, Fort, Factory
chapter topic; Chapter 292, p. 1819

I

I నేను (nēnu)
explicit focus: pronunciation, script, grammar, etymology; Chapter 3, p. 49
i- / a- / e- — six words, one machine
grammar topic; explicit focus: grammar; Chapter 41, p. 287
I could not hear it వినిపించలేదు (vinipiñcalēdu)
explicit focus: etymology; Chapter 95, p. 621

I did not understand అర్థం కాలేదు (arthaṁ kālēdu)
explicit focus: etymology; Chapter 78, p. 513
I do not know నాకు తెలియదు (nāku teliyadu)
explicit focus: grammar, etymology; Chapter 78, p. 513
'I know Telugu' — literally 'to me Telugu comes', with no subject at all నాకు తెలుగు వచ్చు (nāku telugu vaccu)
explicit focus: grammar, etymology; Chapter 6, p. 99
'I like Telugu' — a sentence with no verb in it at all, the liker in the dative and the liked thing left standing plain నాకు తెలుగు ఇష్టం (nāku telugu iṣṭaṁ)
explicit focus: script, grammar, etymology; Chapter 34, p. 251
I'll go and come back — the everyday goodbye వెళ్ళొస్తాను (veḷḷostānu)
explicit focus: etymology; Chapter 50, p. 339
I speak Telugu నేను తెలుగు మాట్లాడతాను (nēnu telugu māṭlāḍatānu)
explicit focus: script, grammar, etymology; Chapter 5, p. 79
I want it నాకు కావాలి (nāku kāvāli)
explicit focus: etymology; Chapter 80, p. 525
if by chance, in case ఒకవేళ (okavēḷa)
explicit focus: etymology; Chapter 177, p. 1119
If by chance, Instead of, According to, Actually, Anyway
chapter topic; Chapter 177, p. 1119
immediately వెంటనే (veṇṭanē)
explicit focus: etymology; Chapter 212, p. 1333
important ముఖ్యమైన (mukhyamaina)
explicit focus: etymology; Chapter 259, p. 1619
in case, to be on the safe side ఎందుకైనా (endukainā)
explicit focus: etymology; Chapter 295, p. 1837
in Telugu తెలుగులో (telugulō)
explicit focus: etymology; Chapter 95, p. 621
in that case అయితే (ayitē)
explicit focus: etymology; Chapter 64, p. 429
In the House
chapter topic; Chapter 56, p. 381
In the Kitchen
chapter topic; Chapter 61, p. 411
in the middle మధ్యలో (madhyalō)
explicit focus: etymology; Chapter 102, p. 667
In the middle, Street, Road, Bridge, Park
chapter topic; Chapter 102, p. 667
in the past, formerly పూర్వం (pūrvaṁ)
explicit focus: etymology; Chapter 253, p. 1583

India భారతదేశం (Bhāratadēśaṁ)
explicit focus: etymology; Chapter 77, p. 507
indigestion అజీర్ణం (ajīrṇaṁ)
explicit focus: etymology; Chapter 288, p. 1795
ink సిరా (sirā)
explicit focus: etymology; Chapter 313, p. 1947
inside లోపల (lōpala)
explicit focus: etymology; Chapter 101, p. 661
instead of బదులు (badulu)
explicit focus: etymology; Chapter 177, p. 1119
insurance బీమా (bīmā)
explicit focus: etymology; Chapter 287, p. 1789
Interest, Bill, Discount, Groceries, Purchase
chapter topic; Chapter 273, p. 1705
interest (on money) వడ్డీ (vaḍḍī)
explicit focus: etymology; Chapter 273, p. 1705
interesting ఆసక్తికరమైన (āsaktikaramaina)
explicit focus: etymology; Chapter 181, p. 1143
Introducing Yourself
chapter topic; Chapter 2, p. 23
is he or she there? ఉన్నారా (unnārā)
explicit focus: etymology; Chapter 78, p. 513
is it so? అవునా (avunā)
explicit focus: grammar, etymology; Chapter 78, p. 513
is that so? I see అలాగా (alāgā)
explicit focus: etymology; Chapter 87, p. 569
it has been a long time చాలా రోజులైంది (cālā rōjulaindi)
explicit focus: etymology; Chapter 91, p. 595
it is a good one మంచిది (mancidi)
explicit focus: grammar, etymology; Chapter 76, p. 501
it is known — the verb that carries no person at all, so the knower rides in the dative తెలుసు (telusu)
explicit focus: grammar; Chapter 32, p. 231
it's okay / no problem / you're welcome పరవాలేదు (paravālēdu)
explicit focus: script, grammar, etymology; Chapter 3, p. 49
Itch, Nurse, Test, Medical treatment, Forehead
chapter topic; Chapter 209, p. 1315

J

Jail, Mosque, Church, Village council, Loft
chapter topic; Chapter 293, p. 1825

Jar, Sack, Tub, Barrel, Mug
chapter topic; Chapter 232, p. 1453
Jasmine flower, Neem, Banyan tree, Holy basil, Bud
chapter topic; Chapter 266, p. 1661
jealousy అసూయ (asūya)
explicit focus: etymology; Chapter 168, p. 1063
Jealousy, Pride, Enthusiasm, Peace, Patience
chapter topic; Chapter 168, p. 1063
joy / pleased to meet you సంతోషం (santōṣam)
explicit focus: etymology; Chapter 2, p. 23
just so, alright then అలాగే (alāgē)
explicit focus: etymology; Chapter 49, p. 333

K

Keeping Well
chapter topic; Chapter 93, p. 609
kind, compassionate దయగల (dayagala)
explicit focus: etymology; Chapter 260, p. 1625
Kitchen, Bedroom, Bucket, Lid, Frying pan
chapter topic; Chapter 183, p. 1155
Kite, Shirt, Sari, Dhoti, Sandals
chapter topic; Chapter 114, p. 739
kumkum, vermilion powder కుంకుమ (kuṅkuma)
explicit focus: etymology; Chapter 307, p. 1911

L

Ladle, Rubbish, Floor, Mattress, Flour
chapter topic; Chapter 224, p. 1405
Lane, Tunnel, Outskirts, Warehouse, Court
chapter topic; Chapter 256, p. 1601
last, previous గత (gata)
explicit focus: etymology; Chapter 154, p. 979
Laughing, Crying, Worrying
chapter topic; Chapter 97, p. 635
lazy సోమరి (sōmari)
explicit focus: etymology; Chapter 141, p. 907
leafy greens ఆకుకూర (ākukūra)
explicit focus: etymology; Chapter 225, p. 1411
Leafy greens, Spinach, Papaya, Watermelon, Cashew nuts
chapter topic; Chapter 225, p. 1411

leather తోలు (tōlu)
explicit focus: etymology; Chapter 306, p. 1905
leave, a holiday సెలవు (selavu)
explicit focus: etymology; Chapter 90, p. 589
left (not right) ఎడమ (eḍama)
explicit focus: etymology; Chapter 100, p. 655
leg, foot కాలు (kālu)
Chapter 47, p. 321
less, too little తక్కువ (takkuva)
explicit focus: etymology; Chapter 58, p. 393
let's go పదండి (padaṇḍi)
explicit focus: etymology; Chapter 90, p. 589
light (in weight) తేలిక (tēlika)
explicit focus: etymology; Chapter 137, p. 881
Light, Soft, Hard, Clean, Dirty
chapter topic; Chapter 137, p. 881
lightning మెరుపు (merupu)
explicit focus: etymology; Chapter 121, p. 783
Lime, Roof tile, Plastic, Foam, Hole
chapter topic; Chapter 271, p. 1693
lime, whitewash సున్నం (sunnaṁ)
explicit focus: etymology; Chapter 271, p. 1693
Line, Circle, Square, Triangle, Wheel
chapter topic; Chapter 193, p. 1217
listen ఆలకించు (ālakiñcu)
explicit focus: etymology; Chapter 44, p. 305
literature; the whole body of expression in words వాఙ్మయం (vāṅmayaṁ)
Chapter 150, p. 961
local స్థానిక (sthānika)
explicit focus: etymology; Chapter 296, p. 1845
Lock, Key, Rope, Nail, Scissors
chapter topic; Chapter 110, p. 715
look చూడు (cūḍu)
explicit focus: etymology; Chapter 44, p. 305
loose change చిల్లర (cillara)
explicit focus: etymology; Chapter 235, p. 1473
loudly; firmly గట్టిగా (gaṭṭigā)
explicit focus: etymology; Chapter 86, p. 563
luggage, belongings సామాను (sāmānu)
explicit focus: etymology; Chapter 264, p. 1649

M

main, chief ప్రధాన (pradhāna)
explicit focus: etymology; Chapter 180, p. 1137
Main, Total, Every, Pink, Orange
chapter topic; Chapter 180, p. 1137
Map, Document, File, Form, Card
chapter topic; Chapter 226, p. 1417
marks, grades మార్కులు (mārkulu)
explicit focus: etymology; Chapter 236, p. 1479
Mason, Plumber, Mechanic, Watchman, Milkman
chapter topic; Chapter 314, p. 1953
mathematics గణితం (gaṇitaṁ)
explicit focus: etymology; Chapter 274, p. 1711
me (as the object) నన్ను (nannu)
explicit focus: grammar, etymology; Chapter 79, p. 519
meanwhile ఇంతలో (intalō)
explicit focus: etymology; Chapter 172, p. 1087
meat మాంసం (māṁsaṁ)
explicit focus: etymology; Chapter 116, p. 751
medical treatment వైద్యం (vaidyaṁ)
explicit focus: etymology; Chapter 209, p. 1315
medicine మందు (mandu)
explicit focus: etymology; Chapter 92, p. 603
Memory, History, Geography, Science, Physics
chapter topic; Chapter 238, p. 1491
messy, in disarray చిందరవందర (cindaravandara)
explicit focus: etymology; Chapter 223, p. 1399
Method, Rule, Effect, Development, Situation
chapter topic; Chapter 258, p. 1613
milk — the same Proto-Dravidian word the whole family shares, with Telugu on the majority side of a regular Kannada sound law పాలు (pālu)
explicit focus: etymology; Chapter 39, p. 277
Mind, Breathlessness, Muscle, Injection, Vaccination
chapter topic; Chapter 251, p. 1571
mist, dew, snow మంచు (mañcu)
explicit focus: etymology; Chapter 59, p. 399
modern ఆధునిక (ādhunika)
explicit focus: etymology; Chapter 222, p. 1393
money డబ్బు (ḍabbu)
explicit focus: etymology; Chapter 72, p. 477
moonlight వెన్నెల (vennela)
explicit focus: etymology; Chapter 267, p. 1669

more, a great deal ఎక్కువ (ekkuva)
explicit focus: etymology; Chapter 58, p. 393
More Everyday Verbs
chapter topic; Chapter 43, p. 301
More Good Manners
chapter topic; Chapter 65, p. 435
More of the Body
chapter topic; Chapter 57, p. 387
More Short Replies
chapter topic; Chapter 58, p. 393
moreover, besides పైగా (paigā)
explicit focus: etymology; Chapter 294, p. 1831
Morning
chapter topic; Chapter 26, p. 215
"morning" (udayam) — Sanskrit tatsama from udaya ("rise") + Telugu -mu, Telugu's most general everyday word, though genuine native competitors (poddu/podduna, vēkuva) also do real everyday work; unlike Kannada, where the same Sanskrit root (udaya) shows up ONLY inside the greeting śubhōdaya, Telugu's everyday noun and its greeting-root are the SAME word ఉదయం (udayam)
explicit focus: etymology, usage and culture; Chapter 26, p. 215
motivation, inspiration ప్రేరణ (prēraṇa)
explicit focus: etymology; Chapter 219, p. 1375
mouth — the one face-word where Telugu does not obviously match the root its three sisters all share నోరు (nōru)
explicit focus: etymology; Chapter 37, p. 267
mud బురద (burada)
explicit focus: etymology; Chapter 59, p. 399
Museum, Gym, Stage, City, Village meeting platform
chapter topic; Chapter 255, p. 1595
music సంగీతం (saṅgītaṁ)
explicit focus: etymology; Chapter 275, p. 1717
mustard seeds ఆవాలు (āvālu)
explicit focus: etymology; Chapter 299, p. 1863
my నా (nā)
explicit focus: pronunciation, script, etymology; Chapter 2, p. 23
my name is... (with no "is") నా పేరు … (nā pēru …)
explicit focus: grammar, etymology; Chapter 2, p. 23

N

namaste, hello నమస్తే (namastē)
explicit focus: etymology; Chapter 99, p. 647
name పేరు (pēru)
explicit focus: pronunciation, script, etymology; Chapter 2, p. 23
Names, Ages, Birthdays
chapter topic; Chapter 96, p. 629
Naming Who Someone Is
chapter topic; Chapter 48, p. 327
narrow ఇరుకు (iruku)
explicit focus: etymology; Chapter 138, p. 887
natural సహజమైన (sahajamaina)
explicit focus: etymology; Chapter 261, p. 1631
Natural, Thick, Greasy, Sticky, Rough
chapter topic; Chapter 261, p. 1631
nature ప్రకృతి (prakṛti)
explicit focus: etymology; Chapter 304, p. 1893
Nature, Sport, Player, Cricket, Chess
chapter topic; Chapter 304, p. 1893
naughty; mischief అల్లరి (allari)
explicit focus: etymology; Chapter 297, p. 1851
near దగ్గర (daggara)
explicit focus: etymology; Chapter 100, p. 655
need, necessity అవసరం (avasaraṁ)
explicit focus: etymology; Chapter 94, p. 615
neem, the neem tree వేప (vēpa)
explicit focus: etymology; Chapter 266, p. 1661
neighbours ఇరుగుపొరుగు (iruguporugu)
explicit focus: etymology; Chapter 227, p. 1423
never mind; let it be పోనీ (pōnī)
explicit focus: etymology; Chapter 178, p. 1125
never (with a negative verb); always ఎప్పుడూ (eppuḍū)
explicit focus: etymology; Chapter 153, p. 973
new కొత్త (kotta)
explicit focus: etymology; Chapter 42, p. 295
next, coming వచ్చే (vaccē)
explicit focus: etymology; Chapter 155, p. 985
Next, From Now On, the Future, To Hope, To Look Forward To
chapter topic; Chapter 155, p. 985
Night
chapter topic; Chapter 24, p. 207

“night” — the same Sanskrit tatsama word already hiding inside ardharātri; unlike day’s Persian surprise, night genuinely follows the Sanskrit-tatsama-as-everyday pattern, matching Kannada రాత్రి (rātri)
explicit focus: etymology; Chapter 24, p. 207
ninth — the doubled consonant survives the swap **తొమ్మిదవ** (tommidava)
explicit focus: etymology; Chapter 82, p. 539
no, I don’t want it వద్దు (vaddu)
explicit focus: etymology; Chapter 58, p. 393
no / there isn’t (lēdu) లేదు (lēdu)
explicit focus: pronunciation, script, grammar, etymology; Chapter 1, p. 1
Nobody, Never, Nowhere, Anyone, Anything
chapter topic; Chapter 153, p. 973
nobody (with a negative verb) ఎవరూ (evarū)
explicit focus: etymology; Chapter 153, p. 973
Noon and Midnight
chapter topic; Chapter 17, p. 173
noon (Sanskrit “middle of day,” same as Kannada) and midnight (Sanskrit “HALF of night” — a different root than Kannada’s midnight word) మధ్యాహ్నం అర్ధరాత్రి (madhyāhnam ardharātri)
explicit focus: grammar, etymology; Chapter 17, p. 173
nose — native Dravidian, but an irregular reflex of its own Proto-Dravidian root, contaminated in shape by the separate word for “face” ముక్కు (mukku)
explicit focus: etymology; Chapter 37, p. 267
not yet ఇంకా లేదు (iṅkā lēdu)
explicit focus: etymology; Chapter 98, p. 641
nothing, it’s nothing ఏమీ లేదు (ēmī lēdu)
explicit focus: etymology; Chapter 98, p. 641
Nothing, Not Yet, That Will Do
chapter topic; Chapter 98, p. 641
now ఇప్పుడు (ippuḍu)
explicit focus: etymology; Chapter 50, p. 339
nowhere, not anywhere (with a negative verb) ఎక్కడా (ekkaḍā)
explicit focus: etymology; Chapter 153, p. 973
Numbers 11–20 and Weather
chapter topic; Chapter 20, p. 193
Numbers One to Ten
chapter topic; Chapter 7, p. 107
Numbness, Hiccups, Snoring, Sunstroke, Steam
chapter topic; Chapter 211, p. 1327

numbness, pins and needles తిమ్మిరి (timmiri)
explicit focus: etymology; Chapter 211, p. 1327

O

Offers, Apologies, Introductions
chapter topic; Chapter 94, p. 615
Officer, Clerk, Manager, Colleague, Meeting
chapter topic; Chapter 195, p. 1229
often తరచుగా (taracugā)
explicit focus: etymology; Chapter 170, p. 1075
oil నూనె (nūne)
explicit focus: etymology; Chapter 61, p. 411
okay / alright (sarē) సరే (sarē)
explicit focus: pronunciation, script, grammar, etymology; Chapter 1, p. 1
okra, lady's finger బెండకాయ (beṇḍakāya)
explicit focus: etymology; Chapter 184, p. 1161
old age వృద్ధాప్యం (vṛddhāpyaṁ)
explicit focus: etymology; Chapter 172, p. 1087
old — of a thing, not of a person పాత (pāta)
explicit focus: etymology; Chapter 42, p. 295
old (of people) ముసలి (musali)
explicit focus: etymology; Chapter 139, p. 893
On purpose, By mistake, Never mind, Condition, Excuse
chapter topic; Chapter 178, p. 1125
on purpose, deliberately కావాలని (kāvālani)
explicit focus: etymology; Chapter 178, p. 1125
on the other side, beyond అవతల (avatala)
explicit focus: etymology; Chapter 174, p. 1099
On the other side, That way, This way, Cave, Valley
chapter topic; Chapter 174, p. 1099
On the Way Out
chapter topic; Chapter 90, p. 589
once more, one more time ఇంకోసారి (iṅkōsāri)
explicit focus: etymology; Chapter 86, p. 563
once, one time ఒకసారి (okasāri)
explicit focus: etymology; Chapter 154, p. 979
ృ — one character, met inside a word you already say
script and writing topic; explicit focus: script, writing; Chapter 39, p. 277
ౌ — one character, met inside a word you already say
script and writing topic; explicit focus: script, writing; Chapter 51, p. 345
ా — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 1, p. 1

ే — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 1, p. 1
ు — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 2, p. 23
్ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 2, p. 23
ి — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 2, p. 23
ం — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 2, p. 23
ా — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 7, p. 107
ై — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 11, p. 143
ీ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 15, p. 163
ౌ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 16, p. 167
one minute, a moment ఒక్క నిమిషం (okka nimiṣaṁ)
explicit focus: etymology; Chapter 86, p. 563
one to five — the Dravidian family numbers, with Telugu's odd-looking "one" ఒకటి రెండు మూడు నాలుగు ఐదు (okaṭi reṇḍu mūḍu nālugu aidu)
explicit focus: script, etymology; Chapter 7, p. 107
only మాత్రమే (mātramē)
Chapter 64, p. 429
Operation, Indigestion, Constipation, Diabetes, Blood pressure
chapter topic; Chapter 288, p. 1795
opposite, facing ఎదురుగా (edurugā)
explicit focus: etymology; Chapter 291, p. 1813
or లేదా (lēdā)
explicit focus: etymology; Chapter 74, p. 489
orange (colour) నారింజ రంగు (nāriñja raṅgu)
explicit focus: etymology; Chapter 180, p. 1137
ordinary, usual మామూలు (māmūlu)
explicit focus: etymology; Chapter 181, p. 1143
Otherwise, Even so, Through, About, Without
chapter topic; Chapter 176, p. 1113
otherwise, or else లేకపోతే (lēkapōtē)
explicit focus: etymology; Chapter 176, p. 1113
our (not including you) మా (mā)
explicit focus: etymology; Chapter 79, p. 519
outside బయట (bayaṭa)
explicit focus: etymology; Chapter 101, p. 661

own సొంత (sonta)
explicit focus: etymology; Chapter 259, p. 1619
Ox, Calf, Sheep, Wolf, Crocodile
chapter topic; Chapter 302, p. 1881

P

paddy, rice still in the field వరి (vari)
Chapter 66, p. 441
pale (of a colour); tender, young లేత (lēta)
explicit focus: etymology; Chapter 221, p. 1387
Palm of the hand, Heel, Ankle, Thigh, Waist
chapter topic; Chapter 250, p. 1565
paper కాగితం (kāgitaṁ)
explicit focus: etymology; Chapter 112, p. 727
parents తల్లిదండ్రులు (tallidaṇḍrulu)
explicit focus: etymology; Chapter 186, p. 1173
patience సహనం (sahanaṁ)
explicit focus: etymology; Chapter 168, p. 1063
peace, calm శాంతి (śānti)
explicit focus: etymology; Chapter 168, p. 1063
peanuts వేరుశనగ (vēruśanaga)
explicit focus: etymology; Chapter 263, p. 1643
Peanuts, Taste, Trousers, Shorts, Vest
chapter topic; Chapter 263, p. 1643
people, a crowd జనం (janaṁ)
explicit focus: etymology; Chapter 265, p. 1655
perhaps, who knows ఏమో (ēmō)
explicit focus: etymology; Chapter 49, p. 333
permission అనుమతి (anumati)
Chapter 65, p. 435
personal వ్యక్తిగత (vyaktigata)
explicit focus: etymology; Chapter 223, p. 1399
Personal, Private, Useless, Messy, Rude
chapter topic; Chapter 223, p. 1399
petrol పెట్రోలు (peṭrōlu)
explicit focus: etymology; Chapter 301, p. 1875
physics భౌతికశాస్త్రం (bhautikaśāstraṁ)
explicit focus: etymology; Chapter 238, p. 1491
Piece of chalk, Slate, Slate pencil, Ink, Attendance
chapter topic; Chapter 313, p. 1947
Pigeon, Owl, Peacock, Butterfly, Crow
chapter topic; Chapter 125, p. 807

pining, homesickness బెంగ (beṅga)
explicit focus: etymology; Chapter 210, p. 1321
pink గులాబీ రంగు (gulābī raṅgu)
explicit focus: etymology; Chapter 180, p. 1137
Pit, Piece, Edge, Knot, Row
chapter topic; Chapter 308, p. 1917
plain, simple సాదా (sādā)
explicit focus: etymology; Chapter 182, p. 1149
plastic ప్లాస్టిక్కు (plāsṭikku)
explicit focus: etymology; Chapter 271, p. 1693
Please
chapter topic; Chapter 8, p. 121
please come in లోపలికి రండి (lōpaliki raṇḍi)
explicit focus: etymology; Chapter 80, p. 525
please (dayacēsi — "having done compassion," from దయ **daya "compassion")** దయచేసి (dayacēsi)
explicit focus: script, etymology; Chapter 8, p. 121
please forgive / sorry (kṣamiñcaṇḍi — from kṣamiñcu "to forgive," Sanskrit kṣamā + respectful -aṇḍi) క్షమించండి (kṣamiñcaṇḍi)
explicit focus: etymology, usage and culture; Chapter 9, p. 127
please pardon me మన్నించండి (manniñcaṇḍi)
explicit focus: etymology; Chapter 94, p. 615
please show me చూపించండి (cūpiñcaṇḍi)
explicit focus: etymology; Chapter 95, p. 621
please wait; please stop ఆగండి (āgaṇḍi)
explicit focus: etymology; Chapter 86, p. 563
pliers, tongs పటకారు (paṭakāru)
explicit focus: etymology; Chapter 231, p. 1447
Poem, Painting, Camera, Entertainment, Actor
chapter topic; Chapter 230, p. 1441
Pointing, and Asking
chapter topic; Chapter 41, p. 287
Police officer, Driver, Postman, Bus conductor, Lawyer
chapter topic; Chapter 237, p. 1485
poor పేద (pēda)
explicit focus: etymology; Chapter 139, p. 893
prasadam, food offered to a deity and shared ప్రసాదం (prasādaṁ)
explicit focus: etymology; Chapter 188, p. 1185
Prasadam, Rice-flour sweets, Festoon of mango leaves hung over a doorway, Bindi, Henna
chapter topic; Chapter 188, p. 1185
pride గర్వం (garvaṁ)
explicit focus: etymology; Chapter 168, p. 1063

Priest, Artist, Poet, Music, Play
chapter topic; Chapter 275, p. 1717
private ప్రైవేటు (praivēṭu)
explicit focus: etymology; Chapter 223, p. 1399
probably, perhaps బహుశా (bahuśā)
explicit focus: etymology; Chapter 87, p. 569
Promise, Secret, Friendship, Quarrel, Culture
chapter topic; Chapter 257, p. 1607
proof రుజువు (rujuvu)
explicit focus: etymology; Chapter 219, p. 1375
property ఆస్తి (āsti)
explicit focus: etymology; Chapter 106, p. 691
pungency, heat కారం (kāraṁ)
explicit focus: etymology; Chapter 73, p. 483
Purse, List, Half, Daily wages, Employee
chapter topic; Chapter 310, p. 1929

Q

quickly, soon త్వరగా (tvaragā)
explicit focus: etymology; Chapter 90, p. 589

R

Rainbow, Flood, Drought, Moonlight, Darkness
chapter topic; Chapter 267, p. 1669
rare అరుదైన (arudaina)
explicit focus: etymology; Chapter 260, p. 1625
rarely అరుదుగా (arudugā)
explicit focus: etymology; Chapter 171, p. 1081
rasam రసం (rasaṁ)
explicit focus: etymology; Chapter 116, p. 751
raw, unripe పచ్చి (pacci)
explicit focus: etymology; Chapter 220, p. 1381
Reading — Words, Lines, and a First Passage
chapter topic; Chapter 83, p. 547
really, truly నిజంగా (nijaṁgā)
explicit focus: etymology; Chapter 87, p. 569
recently ఇటీవల (iṭīvala)
explicit focus: etymology; Chapter 154, p. 979
Recently, Already, Last, Once, To Spend (Time)
chapter topic; Chapter 154, p. 979

red, reddish ఎర్రటి (erraṭi)
explicit focus: etymology; Chapter 143, p. 919
Red, To fly, To run, To sleep, To get up
chapter topic; Chapter 143, p. 919
regret, sorrow విచారం (vicāraṁ)
explicit focus: etymology; Chapter 97, p. 635
rent అద్దె (adde)
explicit focus: etymology; Chapter 156, p. 991
Report, Organization, Chit, Pension, Agreement
chapter topic; Chapter 239, p. 1497
respect గౌరవం (gauravaṁ)
explicit focus: etymology; Chapter 51, p. 345
rest విశ్రాంతి (viśrānti)
explicit focus: etymology; Chapter 84, p. 551
Result, Goal, Example, Difference, Effort
chapter topic; Chapter 218, p. 1369
rice-flour sweets; made with jaggery at Sankranti అరిసెలు (ariselu)
explicit focus: etymology; Chapter 188, p. 1185
Right, Left, Straight ahead, Near, Far
chapter topic; Chapter 100, p. 655
right (not left) కుడి (kuḍi)
explicit focus: etymology; Chapter 100, p. 655
Right, Wrong, Maybe
chapter topic; Chapter 87, p. 569
River and Road
chapter topic; Chapter 55, p. 375
rough (to the touch) గరుకు (garuku)
explicit focus: etymology; Chapter 261, p. 1631
round గుండ్రని (guṇḍrani)
explicit focus: etymology; Chapter 221, p. 1387
rubber; an eraser రబ్బరు (rabbaru)
explicit focus: etymology; Chapter 191, p. 1203
Rubber, Light bulb, Firewood, Net, Weighing scale
chapter topic; Chapter 191, p. 1203
rubbish, garbage చెత్త (cetta)
explicit focus: etymology; Chapter 224, p. 1405
rude, coarse మొరటు (moraṭu)
explicit focus: etymology; Chapter 223, p. 1399
Rupee, Bottle, Long skirt, Pocket, Belt
chapter topic; Chapter 131, p. 845
rust తుప్పు (tuppu)
explicit focus: etymology; Chapter 233, p. 1459

S

safe సురక్షితం (surakṣitaṁ)
explicit focus: etymology; Chapter 140, p. 901
Safe, Lie, Grey, Golden, Spoiled
chapter topic; Chapter 140, p. 901
salt ఉప్పు (uppu)
Chapter 46, p. 315
sambar సాంబారు (sāmbāru)
explicit focus: etymology; Chapter 116, p. 751
Sambar, Rasam, Egg, Fish, Meat
chapter topic; Chapter 116, p. 751
sand ఇసుక (isuka)
explicit focus: etymology; Chapter 59, p. 399
sandals చెప్పులు (ceppulu)
explicit focus: etymology; Chapter 114, p. 739
Sankranti, the January harvest festival సంక్రాంతి (saṅkrānti)
explicit focus: etymology; Chapter 212, p. 1333
Saucepan, Flowerpot, Griddle, Mortar, Pestle
chapter topic; Chapter 270, p. 1687
science విజ్ఞానశాస్త్రం (vijñānaśāstraṁ)
explicit focus: etymology; Chapter 238, p. 1491
scissors కత్తెర (katterā)
explicit focus: etymology; Chapter 110, p. 715
Sea, Lake, Forest, Leaf, Soil
chapter topic; Chapter 120, p. 777
Seasons
chapter topic; Chapter 14, p. 157
second — and the one swap that makes every ordinal from here to the end రెండవ (reṇḍava)
explicit focus: grammar, etymology; Chapter 81, p. 531
see you tomorrow రేపు కలుద్దాం (rēpu kaluddām)
explicit focus: pronunciation, script, etymology; Chapter 4, p. 65
seventh — a long vowel that stays long ఏడవ (ēḍava)
explicit focus: etymology; Chapter 82, p. 539
shade; shadow ఛాయ (chāya)
explicit focus: etymology; Chapter 151, p. 965
sharp పదునైన (padunaina)
explicit focus: etymology; Chapter 221, p. 1387
shoes బూట్లు (būṭlu)
explicit focus: etymology; Chapter 300, p. 1869
Shoes, Chain, Earrings, Button, Handkerchief
chapter topic; Chapter 300, p. 1869

Shore, Office, Garden, Corner, Turn
chapter topic; Chapter 104, p. 679
short పొట్టి (poṭṭi)
explicit focus: etymology; Chapter 136, p. 875
shorts నిక్కరు (nikkaru)
explicit focus: etymology; Chapter 263, p. 1643
Shoulder cloth, Bubble, Rust, Soot, Charcoal
chapter topic; Chapter 233, p. 1459
Show, Radio, Programme, Internet, Website
chapter topic; Chapter 268, p. 1675
Silence, Durable, Fake, Plain, Extra
chapter topic; Chapter 182, p. 1149
silence; quiet నిశ్శబ్దం (niśśabdaṁ)
explicit focus: etymology; Chapter 182, p. 1149
silver వెండి (veṇḍi)
explicit focus: etymology; Chapter 221, p. 1387
sit కూర్చో (kūrcō)
explicit focus: etymology; Chapter 43, p. 301
six to ten — where Telugu wanders furthest from its Dravidian cousins ఆరు ఏడు ఎనిమిది తొమ్మిది పది (āru ēḍu enimidi tommidi padi)
explicit focus: etymology; Chapter 7, p. 107
sixth — the shortest of the ten ఆరవ (ārava)
Chapter 82, p. 539
Sixth to Eleventh
chapter topic; Chapter 82, p. 539
sleep నిద్ర (nidra)
Chapter 63, p. 423
Slower, Please
chapter topic; Chapter 86, p. 563
slowly నెమ్మదిగా (nemmadigā)
explicit focus: etymology; Chapter 86, p. 563
small చిన్న (cinna)
explicit focus: etymology; Chapter 42, p. 295
Small Creatures
chapter topic; Chapter 70, p. 465
smoke పొగ (poga)
explicit focus: etymology; Chapter 175, p. 1107
smooth నునుపైన (nunupaina)
explicit focus: etymology; Chapter 260, p. 1625
Smooth, Warm, Rare, Strange, Kind
chapter topic; Chapter 260, p. 1625
snoring గురక (guraka)
explicit focus: etymology; Chapter 211, p. 1327

soap సబ్బు (sabbu)
explicit focus: etymology; Chapter 111, p. 721
socks సాక్సు (sāksu)
explicit focus: etymology; Chapter 132, p. 851
Socks, Coat, Dhoti, Blouse, Lotus
chapter topic; Chapter 132, p. 851
soft మెత్తని (mettani)
explicit focus: etymology; Chapter 137, p. 881
soil, earth మట్టి (maṭṭi)
explicit focus: etymology; Chapter 120, p. 777
somehow, by any means ఎలాగైనా (elāgainā)
explicit focus: etymology; Chapter 295, p. 1837
sometimes అప్పుడప్పుడు (appuḍappuḍu)
explicit focus: etymology; Chapter 170, p. 1075
son — a native Dravidian root that shares its shape with a word already met in this book, and not with the next lesson's word for daughter కొడుకు (koḍuku)
explicit focus: etymology; Chapter 36, p. 263
Son and Daughter, Two Different Roots
chapter topic; Chapter 36, p. 263
soot మసి (masi)
explicit focus: etymology; Chapter 233, p. 1459
Sore, Blister, Rash, Scar, Sprain
chapter topic; Chapter 169, p. 1069
sorrow, distress బాధ (bādha)
explicit focus: etymology; Chapter 85, p. 557
Sorry
chapter topic; Chapter 9, p. 127
Sound and Voice
chapter topic; Chapter 68, p. 453
sour, sourness పులుపు (pulupu)
explicit focus: etymology; Chapter 73, p. 483
south దక్షిణం (dakṣiṇaṁ)
explicit focus: etymology; Chapter 291, p. 1813
South, Place, Border, Opposite, Around
chapter topic; Chapter 291, p. 1813
speak మాట్లాడు (māṭlāḍu)
explicit focus: etymology; Chapter 44, p. 305
special, separate ప్రత్యేక (pratyēka)
explicit focus: etymology; Chapter 296, p. 1845
spicy కారమైన (kāramaina)
explicit focus: etymology; Chapter 141, p. 907
spinach పాలకూర (pālakūra)
explicit focus: etymology; Chapter 225, p. 1411

spoiled పాడైన (pāḍaina)
explicit focus: etymology; Chapter 140, p. 901
spring, summer, monsoon, winter — completing the Dravidian pattern of native heat/rain words plus Sanskrit spring వసంత ఋతువు వేసవి వానాకాలం శీతాకాలం (vasanta ṛtuvu vēsavi vānākālam śītākālam)
explicit focus: usage and culture; Chapter 14, p. 157
staff సిబ్బంది (sibbandi)
explicit focus: etymology; Chapter 198, p. 1247
stand నిల్చో (nilcō)
explicit focus: etymology; Chapter 43, p. 301
State, Area, Direction, East, West
chapter topic; Chapter 254, p. 1589
Station, Bus, Ability, Skill, Right
chapter topic; Chapter 105, p. 685
steam, vapour ఆవిరి (āviri)
explicit focus: etymology; Chapter 211, p. 1327
steel ఉక్కు (ukku)
explicit focus: etymology; Chapter 306, p. 1905
Steel, Cement, Leather, Cotton, Wool
chapter topic; Chapter 306, p. 1905
sticky జిగట (jigaṭa)
explicit focus: etymology; Chapter 261, p. 1631
still, yet ఇంకా (iṅkā)
explicit focus: etymology; Chapter 64, p. 429
stingy; a miser పిసినారి (pisināri)
explicit focus: etymology; Chapter 297, p. 1851
Story, Game, Film, Coach, Engineer
chapter topic; Chapter 312, p. 1941
Stove, Candle, Matchbox, Doll, Ball
chapter topic; Chapter 113, p. 733
straight ahead తిన్నగా (tinnagā)
explicit focus: etymology; Chapter 100, p. 655
strange, odd వింత (vinta)
explicit focus: etymology; Chapter 260, p. 1625
strength బలం (balaṁ)
explicit focus: etymology; Chapter 106, p. 691
stubborn మొండి (moṇḍi)
explicit focus: etymology; Chapter 297, p. 1851
Stubborn, Stingy, Active, Naughty, Honesty
chapter topic; Chapter 297, p. 1851
success విజయం (vijayaṁ)
explicit focus: etymology; Chapter 295, p. 1837

Success, Shape, In case, For some reason, Somehow
chapter topic; Chapter 295, p. 1837
suddenly అకస్మాత్తుగా (akasmāttugā)
explicit focus: etymology; Chapter 213, p. 1339
Suddenly, Again and again, Little while, Second, Day before yesterday
chapter topic; Chapter 213, p. 1339
sugar చక్కెర (cakkera)
Chapter 61, p. 411
sugar పంచదార (pañcadāra)
explicit focus: etymology; Chapter 136, p. 875
sugarcane చెరకు (ceraku)
explicit focus: etymology; Chapter 303, p. 1887
sunrise సూర్యోదయం (sūryōdayaṁ)
explicit focus: etymology; Chapter 289, p. 1801
sunset సూర్యాస్తమయం (sūryāstamayaṁ)
explicit focus: etymology; Chapter 171, p. 1081
Sunset, Every day, Usually, Rarely, Constantly
chapter topic; Chapter 171, p. 1081
sunshine, the sun's heat ఎండ (eṇḍa)
explicit focus: etymology; Chapter 229, p. 1435
sunstroke వడదెబ్బ (vaḍadebba)
explicit focus: etymology; Chapter 211, p. 1327
sweat చెమట (cemaṭa)
explicit focus: etymology; Chapter 167, p. 1057
Sweet, Bitter-tasting, Spicy, Courage, Lazy
chapter topic; Chapter 141, p. 907
sweet (of taste) తీయని (tīyani)
explicit focus: etymology; Chapter 141, p. 907
sweet, sweetness తీపి (tīpi)
explicit focus: etymology; Chapter 73, p. 483

T

Taking Your Leave
chapter topic; Chapter 50, p. 339
tall, long పొడవు (poḍavu)
explicit focus: etymology; Chapter 136, p. 875
tamarind చింతపండు (cintapaṇḍu)
explicit focus: etymology; Chapter 135, p. 869
taste, flavour రుచి (ruci)
explicit focus: etymology; Chapter 263, p. 1643

Tastes
chapter topic; Chapter 73, p. 483
Tea and Milk, Two Roads
chapter topic; Chapter 39, p. 277
tea, please — Telugu's traditional word for tea travelled by sea, not by the overland road most of its neighbours took దయచేసి టీ (dayacēsi ṭī)
explicit focus: etymology; Chapter 39, p. 277
Team, Business, Company, Government, Marks
chapter topic; Chapter 236, p. 1479
tears కంటినీరు (kaṇṭinīru)
explicit focus: etymology; Chapter 133, p. 857
Television, Computer, Phone, Ticket, Paisa
chapter topic; Chapter 130, p. 839
Telling Time
chapter topic; Chapter 18, p. 183
Temple, School, Library, Bank, Market
chapter topic; Chapter 103, p. 673
tenth — the ten closed, and the shortest swap of all పదవ (padava)
explicit focus: etymology; Chapter 82, p. 539
terrible, dreadful భయంకరమైన (bhayaṅkaramaina)
explicit focus: etymology; Chapter 142, p. 913
thank you (dhanyavādamulu — "utterances of 'worthy'") ధన్యవాదములు (dhanyavādamulu)
explicit focus: pronunciation, script, grammar, etymology; Chapter 1, p. 1
that is exactly why అందుకే (andukē)
explicit focus: etymology; Chapter 109, p. 709
That is exactly why, Bed, Pillow, Blanket, Curtain
chapter topic; Chapter 109, p. 709
that one — the thing over there అది (adi)
explicit focus: etymology; Chapter 41, p. 287
that (reporting what was said or thought) అని (ani)
explicit focus: grammar, etymology; Chapter 80, p. 525
that's all; that's just it అంతే (antē)
explicit focus: etymology; Chapter 58, p. 393
that's the one, the same అదే (adē)
explicit focus: etymology; Chapter 98, p. 641
that's true నిజమే (nijamē)
explicit focus: etymology; Chapter 98, p. 641
that way, in that direction అటు (aṭu)
explicit focus: etymology; Chapter 174, p. 1099
that will do, it is enough సరిపోతుంది (saripōtundi)
explicit focus: etymology; Chapter 98, p. 641

the ankle చీలమండ (cīlamaṇḍa)
explicit focus: etymology; Chapter 250, p. 1565
the back వీపు (vīpu)
explicit focus: etymology; Chapter 57, p. 387
the body ఒళ్ళు (oḷḷu)
explicit focus: etymology; Chapter 93, p. 609
the chest ఛాతీ (chātī)
explicit focus: etymology; Chapter 287, p. 1789
the chin; a beard గడ్డం (gaḍḍaṁ)
explicit focus: etymology; Chapter 128, p. 825
The Core Verbs
chapter topic; Chapter 32, p. 231
the dative suffix -ku, 'to / for' — and the idea of stacking -కు (-ku)
explicit focus: grammar; Chapter 6, p. 99
the day after tomorrow ఎల్లుండి (elluṇḍi)
explicit focus: etymology; Chapter 50, p. 339
the day before yesterday మొన్న (monna)
explicit focus: etymology; Chapter 213, p. 1339
the end చివర (civara)
explicit focus: etymology; Chapter 253, p. 1583
the face ముఖం (mukhaṁ)
explicit focus: etymology; Chapter 126, p. 813
The Field
chapter topic; Chapter 66, p. 441
The First Verbs
chapter topic; Chapter 5, p. 79
the floor, the ground నేల (nēla)
explicit focus: etymology; Chapter 224, p. 1405
the forehead నుదురు (nuduru)
explicit focus: etymology; Chapter 209, p. 1315
the friend's స్నేహితుడి (snēhituḍi)
explicit focus: grammar, etymology; Chapter 79, p. 519
the future భవిష్యత్తు (bhaviṣyattu)
explicit focus: etymology; Chapter 155, p. 985
the government ప్రభుత్వం (prabhutvaṁ)
explicit focus: etymology; Chapter 236, p. 1479
The Heart, Two Ways
chapter topic; Chapter 38, p. 273
the heel మడమ (maḍama)
explicit focus: etymology; Chapter 250, p. 1565
The House Itself
chapter topic; Chapter 67, p. 447

the internet ఇంటర్నెట్ (iṇṭarneṭ)
explicit focus: etymology; Chapter 268, p. 1675
The Leg and the Tooth
chapter topic; Chapter 47, p. 321
The Market
chapter topic; Chapter 72, p. 477
the mind, one's inner feelings మనసు (manasu)
explicit focus: etymology; Chapter 251, p. 1571
the moon చంద్రుడు (candruḍu)
Chapter 53, p. 363
the neck మెడ (meḍa)
explicit focus: etymology; Chapter 57, p. 387
the outskirts శివారు (śivāru)
explicit focus: etymology; Chapter 256, p. 1601
the palm of the hand అరచెయ్యి (araceyyi)
explicit focus: etymology; Chapter 250, p. 1565
The People Around You
chapter topic; Chapter 88, p. 577
the post, mail తపాలా (tapālā)
explicit focus: etymology; Chapter 185, p. 1167
the radio రేడియో (rēḍiyō)
explicit focus: etymology; Chapter 268, p. 1675
the respectful suffix on a name గారు (gāru)
explicit focus: etymology; Chapter 79, p. 519
the rice-flour design drawn at the doorstep ముగ్గు (muggu)
explicit focus: etymology; Chapter 52, p. 357
the sea సముద్రం (samudraṁ)
explicit focus: etymology; Chapter 120, p. 777
the seven weekdays — Sanskritic like Hindi, but Sunday means "the FIRST day," not "Sun's day" సోమవారం మంగళవారం బుధవారం గురువారం శుక్రవారం శనివారం ఆదివారం (Somavāram Maṅgaḷavāram Budhavāram Guruvāram Śukravāram Śanivāram Ādivāram)
explicit focus: etymology, usage and culture; Chapter 10, p. 133
ొ— the short one of the pair
script and writing topic; explicit focus: script, writing; Chapter 7, p. 107
the skin చర్మం (carmaṁ)
explicit focus: etymology; Chapter 128, p. 825
The Sky
chapter topic; Chapter 53, p. 363
the sky ఆకాశం (ākāśaṁ)
Chapter 53, p. 363
the stomach, the belly కడుపు (kaḍupu)
explicit focus: etymology; Chapter 47, p. 321

the sun సూర్యుడు (sūryuḍu)
Chapter 53, p. 363
the thigh తొడ (toḍa)
explicit focus: etymology; Chapter 250, p. 1565
the tongue నాలుక (nāluka)
explicit focus: etymology; Chapter 127, p. 819
The Traditional Months
chapter topic; Chapter 16, p. 167
The Tree
chapter topic; Chapter 54, p. 369
the twelve lunisolar months — matching Kannada and Hindi's shared pan-Indian calendar, completing the split with Tamil/ Malayalam's own solar systems చైత్రం వైశాఖం జ్యేష్ఠం ఆషాఢం శ్రావణం భాద్రపదం ఆశ్వయుజం కార్తీకం మార్గశిరం పుష్యం మాఘం ఫాల్గుణం (Caitraṁ Vaiśākhaṁ Jyēṣṭhaṁ Āṣāḍhaṁ Śrāvaṇaṁ Bhādrapadaṁ Āśvayujaṁ Kārtīkaṁ Mārgaśiraṁ Puṣyaṁ Māghaṁ Phālguṇaṁ)
explicit focus: etymology; Chapter 16, p. 167
the village council పంచాయతీ (pañcāyatī)
explicit focus: etymology; Chapter 293, p. 1825
the village meeting platform రచ్చబండ (raccabaṇḍa)
explicit focus: etymology; Chapter 255, p. 1595
the waist నడుము (naḍumu)
explicit focus: etymology; Chapter 250, p. 1565
The Wider Family
chapter topic; Chapter 71, p. 471
the world ప్రపంచం (prapañcaṁ)
explicit focus: etymology; Chapter 175, p. 1107
there — where I am not అక్కడ (akkaḍa)
explicit focus: etymology; Chapter 41, p. 287
therefore అందువల్ల (anduvalla)
explicit focus: etymology; Chapter 108, p. 703
thick (of a liquid) చిక్కని (cikkani)
explicit focus: etymology; Chapter 261, p. 1631
thin, slim సన్నని (sannani)
explicit focus: etymology; Chapter 220, p. 1381
Things People Make
chapter topic; Chapter 62, p. 417
Things You Ask For
chapter topic; Chapter 46, p. 315
third — the swap on its second number మూడవ (mūḍava)
explicit focus: etymology; Chapter 81, p. 531
thirst దాహం (dāhaṁ)
explicit focus: etymology; Chapter 84, p. 551

thirty (and the tens above it) ముప్పై (muppai)
explicit focus: grammar, etymology; Chapter 77, p. 507
this one — the thing near me ఇది (idi)
explicit focus: etymology; Chapter 41, p. 287
this way, in this direction ఇటు (iṭu)
explicit focus: etymology; Chapter 174, p. 1099
Thorn, Creeper, Bamboo, Sugarcane, Worship
chapter topic; Chapter 303, p. 1887
thread దారం (dāraṁ)
Chapter 62, p. 417
through, by means of ద్వారా (dvārā)
explicit focus: etymology; Chapter 176, p. 1113
thunder ఉరుము (urumu)
explicit focus: etymology; Chapter 121, p. 783
Thunder, Lightning, Storm, Wave, Hill
chapter topic; Chapter 121, p. 783
Tiger, Lion, Bear, Monkey, Rabbit
chapter topic; Chapter 123, p. 795
time సమయం (samayaṁ)
explicit focus: etymology; Chapter 170, p. 1075
Time, Sometimes, Often, Date, Weekend
chapter topic; Chapter 170, p. 1075
Tin, Eating plate, Sieve, Wood, Brass
chapter topic; Chapter 269, p. 1681
tiredness అలసట (alasaṭa)
explicit focus: etymology; Chapter 84, p. 551
to act (in a play or film) నటించు (naṭiñcu)
explicit focus: etymology; Chapter 204, p. 1283
to admit, to enrol, to add చేర్చు (cērcu)
explicit focus: etymology; Chapter 280, p. 1747
to agree, to accept ఒప్పుకో (oppukō)
explicit focus: etymology; Chapter 160, p. 1015
to argue వాదించు (vādiñcu)
explicit focus: etymology; Chapter 283, p. 1765
to arrange, to tidy up సర్దు (sardu)
explicit focus: etymology; Chapter 199, p. 1253
to ask — a native verb none of the three literary sisters share, and the clue to which branch of Dravidian Telugu actually sits on అడుగు (aḍugu)
explicit focus: script, etymology; Chapter 34, p. 251
to bark మొరుగు (morugu)
explicit focus: etymology; Chapter 244, p. 1527
to bathe స్నానం చేయు (snānaṁ cēyu)
explicit focus: etymology; Chapter 278, p. 1735

to be born పుట్టు (puṭṭu)
explicit focus: etymology; Chapter 208, p. 1309
to be found, to be available దొరుకు (doruku)
explicit focus: etymology; Chapter 201, p. 1265
To be found, To lie down, To yawn, To shiver, To move
chapter topic; Chapter 201, p. 1265
to be surprised, to be amazed ఆశ్చర్యపోవు (āścaryapōvu)
explicit focus: etymology; Chapter 161, p. 1021
to be, to exist, to stay — and the negative Telugu has to fetch from a different verb ఉండు (uṇḍu)
explicit focus: pronunciation, grammar; Chapter 32, p. 231
to be, to stay, to live ఉండు (uṇḍu)
explicit focus: script, grammar, etymology; Chapter 5, p. 79
to begin మొదలుపెట్టు (modalupeṭṭu)
explicit focus: etymology; Chapter 242, p. 1515
to bend down, to stoop వంగు (vaṅgu)
explicit focus: etymology; Chapter 249, p. 1559
to bite కొరుకు (koruku)
explicit focus: etymology; Chapter 241, p. 1509
to bloom, to flower పూయు (pūyu)
explicit focus: etymology; Chapter 203, p. 1277
to blow (of the wind) వీచు (vīcu)
explicit focus: etymology; Chapter 244, p. 1527
To blow, To shine, To freeze, To wilt, To bark
chapter topic; Chapter 244, p. 1527
to boil (food), to simmer ఉడికించు (uḍikiñcu)
explicit focus: etymology; Chapter 157, p. 997
to borrow (money) అప్పు తీసుకో (appu tīsukō)
explicit focus: etymology; Chapter 205, p. 1289
to break పగలగొట్టు (pagalagoṭṭu)
explicit focus: etymology; Chapter 144, p. 925
to breathe in, to inhale పీల్చు (pīlcu)
explicit focus: etymology; Chapter 241, p. 1509
to bring తెచ్చు (teccu)
explicit focus: etymology; Chapter 242, p. 1515
To bring, To use, To finish, To begin, To iron
chapter topic; Chapter 242, p. 1515
to broadcast ప్రసారం చేయు (prasāraṁ cēyu)
explicit focus: etymology; Chapter 245, p. 1533
to brush (teeth), to scour (pots) తోము (tōmu)
explicit focus: etymology; Chapter 158, p. 1003
to burn కాల్చు (kālcu)
explicit focus: etymology; Chapter 148, p. 949

to call పిలుచు (pilucu)
explicit focus: etymology; Chapter 146, p. 937
to cancel రద్దు చేయు (raddu cēyu)
explicit focus: etymology; Chapter 281, p. 1753
To cancel, To submit, To press, To get lost, To love
chapter topic; Chapter 281, p. 1753
to carry (a load) మోయు (mōyu)
explicit focus: etymology; Chapter 240, p. 1503
to celebrate (a festival or occasion) జరుపుకో (jarupukō)
explicit focus: etymology; Chapter 161, p. 1021
to change మార్చు (mārcu)
explicit focus: etymology; Chapter 158, p. 1003
to charge (a battery) ఛార్జ్ చేయు (chārj cēyu)
explicit focus: etymology; Chapter 283, p. 1765
To charge, To remove, To recognize, To oppose, To argue
chapter topic; Chapter 283, p. 1765
to chase తరుము (tarumu)
explicit focus: etymology; Chapter 285, p. 1777
to cheat మోసం చేయు (mōsaṁ cēyu)
explicit focus: etymology; Chapter 248, p. 1551
to check, to inspect తనిఖీ చేయు (tanikhī cēyu)
explicit focus: etymology; Chapter 202, p. 1271
to chew నమలు (namalu)
explicit focus: etymology; Chapter 200, p. 1259
to choose ఎంచుకో (eñcukō)
explicit focus: etymology; Chapter 200, p. 1259
to close మూయు (mūyu)
explicit focus: etymology; Chapter 149, p. 955
to collect సేకరించు (sēkariñcu)
explicit focus: etymology; Chapter 245, p. 1533
To collect, To broadcast, To print, To download, To type
chapter topic; Chapter 245, p. 1533
to come — the command is రా, but every ending attaches to వచ్చు instead రా (rā)
explicit focus: grammar; Chapter 32, p. 231
to compare పోల్చు (pōlcu)
explicit focus: etymology; Chapter 204, p. 1283
To compare, To fall, To exercise, To act, To draw
chapter topic; Chapter 204, p. 1283
to compete పోటీపడు (pōṭīpaḍu)
explicit focus: etymology; Chapter 163, p. 1033
to confront, to face ఎదుర్కొను (edurkonu)
explicit focus: etymology; Chapter 208, p. 1309

to contact, to consult సంప్రదించు (sampradiñcu)
explicit focus: etymology; Chapter 202, p. 1271
to continue కొనసాగు (konasāgu)
explicit focus: etymology; Chapter 166, p. 1051
To continue, To observe, To correct, To mutter, To separate
chapter topic; Chapter 166, p. 1051
to cook వండు (vaṇḍu)
explicit focus: etymology; Chapter 144, p. 925
To cook, To cut, To break, To send, To look for
chapter topic; Chapter 144, p. 925
to cool (something) down చల్లార్చు (callārcu)
explicit focus: etymology; Chapter 207, p. 1301
To cool, To tap, To pluck, To till, To grow
chapter topic; Chapter 207, p. 1301
to correct (written work) దిద్దు (diddu)
explicit focus: etymology; Chapter 166, p. 1051
to count లెక్కపెట్టు (lekkapeṭṭu)
explicit focus: etymology; Chapter 146, p. 937
to crawl పాకు (pāku)
explicit focus: etymology; Chapter 249, p. 1559
to cross దాటు (dāṭu)
explicit focus: etymology; Chapter 278, p. 1735
to cry ఏడ్చు (ēḍcu)
explicit focus: etymology; Chapter 149, p. 955
to cut కోయు (kōyu)
explicit focus: etymology; Chapter 144, p. 925
to dance నాట్యం చేయు (nāṭyaṁ cēyu)
explicit focus: etymology; Chapter 161, p. 1021
To dance, To celebrate, To greet, To feel shy, To be surprised
chapter topic; Chapter 161, p. 1021
to decide నిర్ణయించు (nirṇayiñcu)
explicit focus: etymology; Chapter 108, p. 703
to decorate అలంకరించు (alaṅkariñcu)
explicit focus: etymology; Chapter 282, p. 1759
to decrease, to go down తగ్గు (taggu)
explicit focus: etymology; Chapter 246, p. 1539
to deposit, to credit జమ చేయు (jama cēyu)
explicit focus: etymology; Chapter 280, p. 1747
to describe వర్ణించు (varṇiñcu)
explicit focus: etymology; Chapter 162, p. 1027
to die చనిపోవు (canipōvu)
explicit focus: etymology; Chapter 208, p. 1309
to dig తవ్వు (tavvu)
explicit focus: etymology; Chapter 284, p. 1771

to dip, to soak in ముంచు (muñcu)
explicit focus: etymology; Chapter 164, p. 1039
to discuss చర్చించు (carciñcu)
explicit focus: etymology; Chapter 202, p. 1271
To discuss, To contact, To check, To register, To practise
chapter topic; Chapter 202, p. 1271
to download డౌన్లోడ్ చేయు (ḍaunlōḍ cēyu)
explicit focus: etymology; Chapter 245, p. 1533
to drain (cooked rice) వార్చు (vārcu)
explicit focus: etymology; Chapter 286, p. 1783
to draw (a line, a picture) గీయు (gīyu)
explicit focus: etymology; Chapter 204, p. 1283
to drink తాగు (tāgu)
explicit focus: etymology; Chapter 149, p. 955
to drive, to ride (a vehicle) నడుపు (naḍupu)
explicit focus: etymology; Chapter 278, p. 1735
to earn సంపాదించు (sampādiñcu)
explicit focus: etymology; Chapter 160, p. 1015
To earn, To explain, To translate, To remember, To agree
chapter topic; Chapter 160, p. 1015
to eat — the inherited Dravidian root Telugu kept as its plain everyday verb, with the mealtime nouns borrowed from Sanskrit తిను (tinu)
explicit focus: etymology; Chapter 32, p. 231
to empty ఖాళీ చేయు (khāḷī cēyu)
explicit focus: etymology; Chapter 246, p. 1539
To endure, To crawl, To bend down, To stretch out, To stack
chapter topic; Chapter 249, p. 1559
to endure, to put up with భరించు (bhariñcu)
explicit focus: etymology; Chapter 249, p. 1559
to escape తప్పించుకో (tappiñcukō)
explicit focus: etymology; Chapter 286, p. 1783
to exercise వ్యాయామం చేయు (vyāyāmaṁ cēyu)
explicit focus: etymology; Chapter 204, p. 1283
to explain వివరించు (vivariñcu)
explicit focus: etymology; Chapter 160, p. 1015
to fall (of leaves, fruit, petals) రాలు (rālu)
explicit focus: etymology; Chapter 204, p. 1283
to feel dizzy కళ్ళు తిరుగు (kaḷḷu tirugu)
explicit focus: etymology; Chapter 279, p. 1741
to feel shy, to be bashful సిగ్గుపడు (siggupaḍu)
explicit focus: etymology; Chapter 161, p. 1021
to fight, to quarrel పోట్లాడు (pōṭlāḍu)
explicit focus: etymology; Chapter 203, p. 1277

to fill నింపు (nimpu)
explicit focus: etymology; Chapter 199, p. 1253
to find out, to discover కనుక్కో (kanukkō)
explicit focus: etymology; Chapter 205, p. 1289
to finish ముగించు (mugiñcu)
explicit focus: etymology; Chapter 242, p. 1515
to fly ఎగురు (egiru)
explicit focus: etymology; Chapter 143, p. 919
to fold మడతపెట్టు (maḍatapeṭṭu)
explicit focus: etymology; Chapter 199, p. 1253
to forget మరచిపో (maracipō)
explicit focus: etymology; Chapter 145, p. 931
to freeze గడ్డకట్టు (gaḍḍakaṭṭu)
explicit focus: etymology; Chapter 244, p. 1527
to fry, to roast వేయించు (vēyiñcu)
explicit focus: etymology; Chapter 157, p. 997
to gargle పుక్కిలించు (pukkiliñcu)
explicit focus: etymology; Chapter 208, p. 1309
to get down, to get off దిగు (digu)
explicit focus: etymology; Chapter 145, p. 931
to get lost తప్పిపోవు (tappipōvu)
explicit focus: etymology; Chapter 281, p. 1753
to get up లేచు (lēcu)
explicit focus: etymology; Chapter 143, p. 919
to give back, to return తిరిగి ఇవ్వు (tirigi ivvu)
explicit focus: etymology; Chapter 246, p. 1539
to go (and vaccu, to come) వెళ్ళు (veḷḷu)
explicit focus: pronunciation, script, etymology; Chapter 4, p. 65
to go — with one tense-piece covering both "I go" and "I will go", and "right now" built out of the be-verb వెళ్ళు (veḷḷu)
explicit focus: pronunciation, grammar; Chapter 32, p. 231
to grate తురుము (turumu)
explicit focus: etymology; Chapter 164, p. 1039
To grate, To strain, To dip, To tear, To wrap
chapter topic; Chapter 164, p. 1039
to graze మేయు (mēyu)
explicit focus: etymology; Chapter 282, p. 1759
To graze, To plant, To decorate, To share out, To visit
chapter topic; Chapter 282, p. 1759
to greet పలకరించు (palakariñcu)
explicit focus: etymology; Chapter 161, p. 1021
to grind (wet batter) రుబ్బు (rubbu)
explicit focus: etymology; Chapter 157, p. 997

to grow (crops) పండించు (paṇḍiñcu)
explicit focus: etymology; Chapter 207, p. 1301
to grow up ఎదుగు (edugu)
explicit focus: etymology; Chapter 203, p. 1277
to hand over, to entrust అప్పగించు (appagiñcu)
explicit focus: etymology; Chapter 248, p. 1551
to hang, to dangle వేలాడు (vēlāḍu)
explicit focus: etymology; Chapter 206, p. 1295
to happen జరుగు (jarugu)
explicit focus: etymology; Chapter 284, p. 1771
to help — a Sanskrit noun on the native do-verb, and the noun takes apart into "a going with somebody" సహాయం చేయు (sahāyaṁ cēyu)
explicit focus: script, etymology, usage and culture; Chapter 34, p. 251
to hesitate వెనకాడు (venakāḍu)
explicit focus: etymology; Chapter 286, p. 1783
to hide దాచు (dācu)
explicit focus: etymology; Chapter 147, p. 943
to hit, to beat కొట్టు (koṭṭu)
explicit focus: etymology; Chapter 206, p. 1295
To hold, To bathe, To prepare, To cross, To drive
chapter topic; Chapter 278, p. 1735
to hold, to catch పట్టుకో (paṭṭukō)
explicit focus: etymology; Chapter 278, p. 1735
to hope, to expect ఆశించు (āśiñcu)
explicit focus: etymology; Chapter 155, p. 985
to hug, to embrace కౌగిలించు (kaugiliñcu)
explicit focus: etymology; Chapter 162, p. 1027
to hurry తొందరపడు (tondarapaḍu)
explicit focus: etymology; Chapter 158, p. 1003
To hurry, To brush, To change, To take off, To measure
chapter topic; Chapter 158, p. 1003
to inform, to let know తెలియజేయు (teliyajēyu)
explicit focus: etymology; Chapter 243, p. 1521
to iron (clothes) ఇస్త్రీ చేయు (istrī cēyu)
explicit focus: etymology; Chapter 242, p. 1515
to jump దూకు (dūku)
explicit focus: etymology; Chapter 145, p. 931
to kick తన్ను (tannu)
explicit focus: etymology; Chapter 163, p. 1033
to kiss ముద్దుపెట్టు (muddupeṭṭu)
explicit focus: etymology; Chapter 162, p. 1027
To kiss, To hug, To tease, To praise, To describe
chapter topic; Chapter 162, p. 1027

to knead, to squeeze పిసుకు (pisuku)
explicit focus: etymology; Chapter 284, p. 1771
to knit, to weave అల్లు (allu)
explicit focus: etymology; Chapter 165, p. 1045
to lean (against) ఆనుకో (ānukō)
explicit focus: etymology; Chapter 286, p. 1783
to learn నేర్చుకో (nērcukō)
explicit focus: etymology; Chapter 145, p. 931
To learn, To teach, To forget, To jump, To get down
chapter topic; Chapter 145, p. 931
to lend (money) అప్పు ఇవ్వు (appu ivvu)
explicit focus: etymology; Chapter 246, p. 1539
To lend, To give back, To empty, To decrease, To refuse
chapter topic; Chapter 246, p. 1539
To let go, To dig, To happen, To sweep, To knead
chapter topic; Chapter 284, p. 1771
to let go, to leave వదులు (vadulu)
explicit focus: etymology; Chapter 284, p. 1771
to lie down పడుకో (paḍukō)
explicit focus: etymology; Chapter 201, p. 1265
to lift ఎత్తు (ettu)
explicit focus: etymology; Chapter 240, p. 1503
To lift, To carry, To pull, To push, To throw
chapter topic; Chapter 240, p. 1503
to look for వెతుకు (vetuku)
explicit focus: etymology; Chapter 144, p. 925
to look forward to, to wait for ఎదురుచూడు (edurucūḍu)
explicit focus: etymology; Chapter 155, p. 985
to lose (something) పోగొట్టుకో (pōgoṭṭukō)
explicit focus: etymology; Chapter 159, p. 1009
to love ప్రేమించు (prēmiñcu)
explicit focus: etymology; Chapter 281, p. 1753
to measure కొలుచు (kolucu)
explicit focus: etymology; Chapter 158, p. 1003
to melt కరుగు (karugu)
explicit focus: etymology; Chapter 285, p. 1777
to milk (a cow) పితుకు (pituku)
explicit focus: etymology; Chapter 248, p. 1551
to mix, to stir in కలుపు (kalupu)
explicit focus: etymology; Chapter 157, p. 997
to move కదులు (kadulu)
explicit focus: etymology; Chapter 201, p. 1265
to mutter, to grumble గొణుగు (goṇugu)
explicit focus: etymology; Chapter 166, p. 1051

to observe, to follow (rules) పాటించు (pāṭiñcu)
explicit focus: etymology; Chapter 166, p. 1051
to open తెరువు (teruvu)
explicit focus: etymology; Chapter 149, p. 955
to oppose వ్యతిరేకించు (vyatirēkiñcu)
explicit focus: etymology; Chapter 283, p. 1765
to pay చెల్లించు (celliñcu)
explicit focus: etymology; Chapter 157, p. 997
to pay attention to, to care about పట్టించుకో (paṭṭiñcukō)
explicit focus: etymology; Chapter 163, p. 1033
To pay, To fry, To boil, To mix, To grind
chapter topic; Chapter 157, p. 997
to peel ఒలుచు (olucu)
explicit focus: etymology; Chapter 279, p. 1741
to persuade ఒప్పించు (oppiñcu)
explicit focus: etymology; Chapter 247, p. 1545
to pinch గిల్లు (gillu)
explicit focus: etymology; Chapter 247, p. 1545
To pinch, To scratch, To whisper, To persuade, To plead
chapter topic; Chapter 247, p. 1545
to plant (a sapling) నాటు (nāṭu)
explicit focus: etymology; Chapter 282, p. 1759
to plead, to beg బతిమాలు (batimālu)
explicit focus: etymology; Chapter 247, p. 1545
to pluck, to snap off తెంపు (tempu)
explicit focus: etymology; Chapter 207, p. 1301
to postpone వాయిదా వేయు (vāyidā vēyu)
explicit focus: etymology; Chapter 286, p. 1783
To postpone, To hesitate, To escape, To drain, To lean
chapter topic; Chapter 286, p. 1783
to pound (in a mortar) దంచు (dañcu)
explicit focus: etymology; Chapter 199, p. 1253
To pound, To fill, To put out to dry, To fold, To arrange
chapter topic; Chapter 199, p. 1253
to practise సాధన చేయు (sādhana cēyu)
explicit focus: etymology; Chapter 202, p. 1271
to praise పొగడు (pogaḍu)
explicit focus: etymology; Chapter 162, p. 1027
to prepare, to make తయారు చేయు (tayāru cēyu)
explicit focus: etymology; Chapter 278, p. 1735
to press, to push (a button) నొక్కు (nokku)
explicit focus: etymology; Chapter 281, p. 1753
to prick, to string (flowers) గుచ్చు (guccu)
explicit focus: etymology; Chapter 165, p. 1045

to print ముద్రించు (mudriñcu)
explicit focus: etymology; Chapter 245, p. 1533
To protect, To burn, To put out, To sing, To sell
chapter topic; Chapter 148, p. 949
to protect, to save కాపాడు (kāpāḍu)
explicit focus: etymology; Chapter 148, p. 949
to pull లాగు (lāgu)
explicit focus: etymology; Chapter 240, p. 1503
to push నెట్టు (neṭṭu)
explicit focus: etymology; Chapter 240, p. 1503
to put on (clothes) వేసుకో (vēsukō)
explicit focus: etymology; Chapter 146, p. 937
to put out ఆర్పు (ārpu)
explicit focus: etymology; Chapter 148, p. 949
to put out to dry ఆరబెట్టు (ārabeṭṭu)
explicit focus: etymology; Chapter 199, p. 1253
to rain down, to pour (of rain) కురియు (kuriyu)
explicit focus: etymology; Chapter 203, p. 1277
to raise, to increase పెంచు (peñcu)
explicit focus: etymology; Chapter 243, p. 1521
to reach, to join చేరు (cēru)
explicit focus: etymology; Chapter 146, p. 937
To reach, To put on, To call, To count, To wash
chapter topic; Chapter 146, p. 937
to read — and, with no second word, to study; the same form is the noun for an education, and its middle vowel moves as the endings change చదువు (caduvu)
explicit focus: script, grammar; Chapter 33, p. 241
to realize, to grasp గ్రహించు (grahiñcu)
explicit focus: etymology; Chapter 163, p. 1033
to receive, to catch అందుకో (andukō)
explicit focus: etymology; Chapter 280, p. 1747
to recognize గుర్తుపట్టు (gurtupaṭṭu)
explicit focus: etymology; Chapter 283, p. 1765
to record రికార్డు చేయు (rikārḍu cēyu)
explicit focus: etymology; Chapter 205, p. 1289
To record, To take a photo, To share, To find out, To borrow
chapter topic; Chapter 205, p. 1289
to recover (from illness) కోలుకో (kōlukō)
explicit focus: etymology; Chapter 279, p. 1741
To recover, To swell, To feel dizzy, To touch, To peel
chapter topic; Chapter 279, p. 1741
to reduce, to lower తగ్గించు (taggiñcu)
explicit focus: etymology; Chapter 243, p. 1521

to refuse నిరాకరించు (nirākariñcu)
explicit focus: etymology; Chapter 246, p. 1539

to register, to record నమోదు చేయు (namōdu cēyu)
explicit focus: etymology; Chapter 202, p. 1271

to remember, to keep in mind గుర్తుపెట్టుకో (gurtupeṭṭukō)
explicit focus: etymology; Chapter 160, p. 1015

to remove, to delete తొలగించు (tolagiñcu)
explicit focus: etymology; Chapter 283, p. 1765

to repair, to mend బాగుచేయు (bāgucēyu)
explicit focus: etymology; Chapter 159, p. 1009

to rob దోచుకో (dōcukō)
explicit focus: etymology; Chapter 248, p. 1551

to roll (over) దొర్లు (dorlu)
explicit focus: etymology; Chapter 206, p. 1295

To roll, To slip, To hang, To tread on, To hit
chapter topic; Chapter 206, p. 1295

To rub, To receive, To tell, To admit, To deposit
chapter topic; Chapter 280, p. 1747

to rub, to scrub రుద్దు (ruddu)
explicit focus: etymology; Chapter 280, p. 1747

to run పరిగెత్తు (parigettu)
explicit focus: etymology; Chapter 143, p. 919

to save (money) పొదుపు చేయు (podupu cēyu)
explicit focus: etymology; Chapter 200, p. 1259

To save, To choose, To try, To serve, To chew
chapter topic; Chapter 200, p. 1259

to scold, to curse తిట్టు (tiṭṭu)
explicit focus: etymology; Chapter 203, p. 1277

To scold, To fight, To grow up, To bloom, To rain down
chapter topic; Chapter 203, p. 1277

to scratch గోకు (gōku)
explicit focus: etymology; Chapter 247, p. 1545

to see, to look — Telugu's own everyday see-word, and the respectful -అండి ending that fits any verb stem చూడు (cūḍu)
explicit focus: pronunciation, grammar; Chapter 32, p. 231

to sell అమ్ము (ammu)
explicit focus: etymology; Chapter 148, p. 949

to send పంపు (pampu)
explicit focus: etymology; Chapter 144, p. 925

to separate, to part విడిపోవు (viḍipōvu)
explicit focus: etymology; Chapter 166, p. 1051

to serve (food) వడ్డించు (vaḍḍiñcu)
explicit focus: etymology; Chapter 200, p. 1259

to set out, to start off బయలుదేరు (bayaludēru)
explicit focus: etymology; Chapter 50, p. 339
to sew కుట్టు (kuṭṭu)
explicit focus: etymology; Chapter 147, p. 943
to share పంచుకో (pañcukō)
explicit focus: etymology; Chapter 205, p. 1289
to share out, to distribute పంచు (pañcu)
explicit focus: etymology; Chapter 282, p. 1759
to shave గొరుగు (gorugu)
explicit focus: etymology; Chapter 165, p. 1045
to shine ప్రకాశించు (prakāśiñcu)
explicit focus: etymology; Chapter 244, p. 1527
to shiver, to tremble వణుకు (vaṇuku)
explicit focus: etymology; Chapter 201, p. 1265
to sing పాడు (pāḍu)
explicit focus: etymology; Chapter 148, p. 949
to sleep నిద్రపో (nidrapō)
explicit focus: etymology; Chapter 143, p. 919
to slip, to slide జారు (jāru)
explicit focus: etymology; Chapter 206, p. 1295
to sneeze తుమ్ము (tummu)
explicit focus: etymology; Chapter 241, p. 1509
to soak నానబెట్టు (nānabeṭṭu)
explicit focus: etymology; Chapter 159, p. 1009
To solve, To reduce, To raise, To inform, To transfer
chapter topic; Chapter 243, p. 1521
to solve, to settle పరిష్కరించు (pariṣkariñcu)
explicit focus: etymology; Chapter 243, p. 1521
to speak మాట్లాడు (māṭlāḍu)
explicit focus: pronunciation, script, grammar, etymology; Chapter 5, p. 79
to spend (time) గడుపు (gaḍupu)
explicit focus: etymology; Chapter 154, p. 979
to spill చిందు (cindu)
explicit focus: etymology; Chapter 165, p. 1045
To spill, To shave, To tighten, To prick, To knit
chapter topic; Chapter 165, p. 1045
to sprout మొలకెత్తు (molakettu)
explicit focus: etymology; Chapter 248, p. 1551
To sprout, To milk, To cheat, To rob, To hand over
chapter topic; Chapter 248, p. 1551
to squeeze పిండు (piṇḍu)
explicit focus: etymology; Chapter 159, p. 1009
To squeeze, To soak, To repair, To throw away, To lose
chapter topic; Chapter 159, p. 1009

to stack, to pile up పేర్చు (pērcu)
explicit focus: etymology; Chapter 249, p. 1559
to stick, to be joined together అతుకు (atuku)
explicit focus: etymology; Chapter 208, p. 1309
To stick, To gargle, To die, To be born, To confront
chapter topic; Chapter 208, p. 1309
to strain, to filter వడకట్టు (vaḍakaṭṭu)
explicit focus: etymology; Chapter 164, p. 1039
to stretch out (a limb) చాచు (cācu)
explicit focus: etymology; Chapter 249, p. 1559
to submit, to present సమర్పించు (samarpiñcu)
explicit focus: etymology; Chapter 281, p. 1753
to suspect, to doubt అనుమానించు (anumāniñcu)
explicit focus: etymology; Chapter 163, p. 1033
To suspect, To realize, To pay attention to, To compete, To kick
chapter topic; Chapter 163, p. 1033
to swallow మింగు (miṅgu)
explicit focus: etymology; Chapter 241, p. 1509
To swallow, To bite, To breathe in, To sneeze, To vomit
chapter topic; Chapter 241, p. 1509
to sweep (the floor) చిమ్ము (cimmu)
explicit focus: etymology; Chapter 284, p. 1771
to swell ఉబ్బు (ubbu)
explicit focus: etymology; Chapter 279, p. 1741
to take a photo ఫోటో తీయు (phōṭō tīyu)
explicit focus: etymology; Chapter 205, p. 1289
to take note of, to notice గమనించు (gamaniñcu)
explicit focus: etymology; Chapter 285, p. 1777
to take off, to untie విప్పు (vippu)
explicit focus: etymology; Chapter 158, p. 1003
to take — తీయు, "to pull out", wearing the same -కో as the last chapter's two mind-verbs, so taking is pulling something out for yourself తీసుకో (tīsukō)
explicit focus: script, grammar, etymology; Chapter 34, p. 251
to tap, to pat తట్టు (taṭṭu)
explicit focus: etymology; Chapter 207, p. 1301
to teach నేర్పు (nērpu)
explicit focus: etymology; Chapter 145, p. 931
to tear చింపు (cimpu)
explicit focus: etymology; Chapter 164, p. 1039
to tease ఆటపట్టించు (āṭapaṭṭiñcu)
explicit focus: etymology; Chapter 162, p. 1027
to tell, to say చెప్పు (ceppu)
explicit focus: etymology; Chapter 280, p. 1747

to think — literally "say it to yourself", built from the family's say-verb plus the ending that turns a verb back on its own doer అనుకో (anukō)
explicit focus: script, grammar, etymology; Chapter 33, p. 241
to threaten బెదిరించు (bediriñcu)
explicit focus: etymology; Chapter 285, p. 1777
To threaten, To warn, To take note of, To chase, To melt
chapter topic; Chapter 285, p. 1777
to throw away పారేయు (pārēyu)
explicit focus: etymology; Chapter 159, p. 1009
to throw, to fling విసురు (visuru)
explicit focus: etymology; Chapter 240, p. 1503
to tie, to build కట్టు (kaṭṭu)
explicit focus: etymology; Chapter 147, p. 943
to tighten బిగించు (bigiñcu)
explicit focus: etymology; Chapter 165, p. 1045
to till (a field) దున్ను (dunnu)
explicit focus: etymology; Chapter 207, p. 1301
to touch తాకు (tāku)
explicit focus: etymology; Chapter 279, p. 1741
to transfer బదిలీ చేయు (badilī cēyu)
explicit focus: etymology; Chapter 243, p. 1521
to translate అనువదించు (anuvadiñcu)
explicit focus: etymology; Chapter 160, p. 1015
to tread on, to pedal తొక్కు (tokku)
explicit focus: etymology; Chapter 206, p. 1295
to try ప్రయత్నించు (prayatniñcu)
explicit focus: etymology; Chapter 200, p. 1259
to type టైప్ చేయు (ṭaip cēyu)
explicit focus: etymology; Chapter 245, p. 1533
to understand — "make the meaning your own", a Sanskrit noun on the native do-verb with the ending that hands the action back to you అర్థం చేసుకో (arthaṁ cēsukō)
explicit focus: script, grammar, etymology; Chapter 33, p. 241
to use ఉపయోగించు (upayōgiñcu)
explicit focus: etymology; Chapter 242, p. 1515
to visit సందర్శించు (sandarśiñcu)
explicit focus: etymology; Chapter 282, p. 1759
to vomit వాంతి చేసుకో (vānti cēsukō)
explicit focus: etymology; Chapter 241, p. 1509
to walk నడుచు (naḍucu)
explicit focus: etymology; Chapter 149, p. 955

To walk, To close, To open, To drink, To cry
chapter topic; Chapter 149, p. 955
to warn హెచ్చరించు (heccariñcu)
explicit focus: etymology; Chapter 285, p. 1777
to wash కడుగు (kaḍugu)
explicit focus: etymology; Chapter 146, p. 937
to whisper గుసగుసలాడు (gusagusalāḍu)
explicit focus: etymology; Chapter 247, p. 1545
to wilt, to fade వాడిపోవు (vāḍipōvu)
explicit focus: etymology; Chapter 244, p. 1527
to win గెలుచు (gelucu)
explicit focus: etymology; Chapter 147, p. 943
to wipe తుడుచు (tuḍucu)
explicit focus: etymology; Chapter 147, p. 943
To wipe, To tie, To sew, To win, To hide
chapter topic; Chapter 147, p. 943
to wish for, to ask for కోరు (kōru)
explicit focus: etymology; Chapter 108, p. 703
To wish for, To decide, Reason, Therefore, Because of
chapter topic; Chapter 108, p. 703
to work (lit. "work-do") పని చేయు (pani cēyu)
explicit focus: script, grammar, etymology; Chapter 5, p. 79
to wrap, to roll up చుట్టు (cuṭṭu)
explicit focus: etymology; Chapter 164, p. 1039
to write — an old Dravidian word for drawing a line, still spelled వ్రాయు in books, and the chapter's fourth mind-verb రాయు (rāyu)
explicit focus: script, grammar, etymology; Chapter 33, p. 241
to yawn ఆవలించు (āvaliñcu)
explicit focus: etymology; Chapter 201, p. 1265
today ఇవాళ (ivāḷa)
explicit focus: etymology; Chapter 75, p. 495
Today, Yesterday, When
chapter topic; Chapter 75, p. 495
together కలిసి (kalisi)
explicit focus: etymology; Chapter 217, p. 1363
Together, Except, Tradition, Custom, Habit
chapter topic; Chapter 217, p. 1363
Tomato, Potato, Aubergine, Ginger, Garlic
chapter topic; Chapter 118, p. 763
Tongue, Knee, Shoulder, Eyebrow, Cheek
chapter topic; Chapter 127, p. 819
Tools
chapter topic; Chapter 69, p. 459

total, whole; the total మొత్తం (mottaṁ)
explicit focus: etymology; Chapter 180, p. 1137
Trellis, Fence, Bush, Stem, Wing
chapter topic; Chapter 272, p. 1699
trousers ప్యాంటు (pyāṇṭu)
explicit focus: etymology; Chapter 263, p. 1643
true; the truth నిజం (nijaṁ)
Chapter 49, p. 333
trust నమ్మకం (nammakaṁ)
Chapter 65, p. 435
tuition, coaching ట్యూషను (ṭyūṣanu)
explicit focus: etymology; Chapter 198, p. 1247
Tuition, Interview, Work shift, Uniform, Staff
chapter topic; Chapter 198, p. 1247
twins కవలలు (kavalalu)
explicit focus: etymology; Chapter 186, p. 1173

U

Ugadi, Diwali, Dasara, Vinayaka Chavithi, Bathukamma
chapter topic; Chapter 252, p. 1577
Ugadi, the Telugu New Year ఉగాది (ugādi)
explicit focus: etymology; Chapter 252, p. 1577
until, up to వరకు (varaku)
explicit focus: etymology; Chapter 212, p. 1333
upma ఉప్మా (upmā)
explicit focus: etymology; Chapter 262, p. 1637
useful ఉపయోగకరమైన (upayōgakaramaina)
explicit focus: etymology; Chapter 296, p. 1845
useless పనికిరాని (panikirāni)
explicit focus: etymology; Chapter 223, p. 1399
usually, generally సాధారణంగా (sādhāraṇaṅgā)
explicit focus: etymology; Chapter 171, p. 1081

V

vegetables కూరగాయలు (kūragāyalu)
explicit focus: etymology; Chapter 117, p. 757
Vegetables, Banana, Mango, Coconut, Onion
chapter topic; Chapter 117, p. 757
Veranda, Backyard, Restaurant, Beside, Post office
chapter topic; Chapter 173, p. 1093

Verbs of Seeing and Saying
chapter topic; Chapter 44, p. 305
very good చాలా మంచి (cālā manci)
explicit focus: etymology; Chapter 76, p. 501
Very Good, Very Bad
chapter topic; Chapter 76, p. 501
Vinayaka Chavithi, Ganesha's festival వినాయక చవితి (vināyaka caviti)
explicit focus: etymology; Chapter 252, p. 1577

W

Wanting, Allowing, Wishing
chapter topic; Chapter 80, p. 525
warm వెచ్చని (veccani)
explicit focus: etymology; Chapter 260, p. 1625
Water and Rice
chapter topic; Chapter 15, p. 163
water (matching Tamil/Kannada's neer/niiru), and rice raw/cooked — completing the family's water and rice pattern నీళ్ళు బియ్యం అన్నం (nīḷḷu biyyam annam)
explicit focus: etymology; Chapter 15, p. 163
Waterfall, Island, Cow, Horse, Elephant
chapter topic; Chapter 122, p. 789
we'll meet again మళ్ళీ కలుద్దాం (maḷḷī kaluddām)
explicit focus: script, etymology; Chapter 4, p. 65
weakness, lethargy నీరసం (nīrasaṁ)
explicit focus: etymology; Chapter 92, p. 603
Weather and Ground
chapter topic; Chapter 59, p. 399
weather/atmosphere — a PURE Sanskrit compound, unlike Kannada's Persian+Sanskrit hybrid: vata ("air/wind") + avarana ("covering") వాతావరణం (vātāvaraṇam)
explicit focus: grammar, etymology; Chapter 20, p. 193
weight తూకం (tūkaṁ)
explicit focus: etymology; Chapter 72, p. 477
Welcomes, Gifts, Invitations
chapter topic; Chapter 99, p. 647
Welcoming a Guest
chapter topic; Chapter 52, p. 357
well, fine — and the reply "నేను బాగున్నాను" బాగా (bāgā)
explicit focus: pronunciation, script, etymology; Chapter 3, p. 49

wellbeing, safety క్షేమం (kṣēmaṁ)
explicit focus: etymology; Chapter 93, p. 609
west పడమర (paḍamara)
explicit focus: etymology; Chapter 254, p. 1589
wet తడి (taḍi)
explicit focus: etymology; Chapter 139, p. 893
Wet, Dry, Poor, Old, Famous
chapter topic; Chapter 139, p. 893
what ఏమిటి (ēmiṭi)
explicit focus: pronunciation, script, etymology; Chapter 2, p. 23
what's new? ఏంటి సంగతి? (ēṇṭi saṅgati?)
explicit focus: etymology; Chapter 91, p. 595
what's your name? మీ పేరు ఏమిటి? (mī pēru ēmiṭi?)
explicit focus: grammar, etymology; Chapter 2, p. 23
wheat గోధుమలు (gōdhumalu)
explicit focus: etymology; Chapter 134, p. 863
when will you come? ఎప్పుడు వస్తారు? (eppuḍu vastāru?)

script and writing topic; explicit focus: script, writing; Chapter 151, p. 965
జ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 24, p. 207
ఝ — the breathy first letter in ఝరి
script and writing topic; explicit focus: script, writing; Chapter 152, p. 969
ఞ · ◌ౌ— from the sound, with nothing to copy
script and writing topic; explicit focus: writing; Chapter 51, p. 345
ఞ — one character, met inside a word you already say
script and writing topic; explicit focus: script, writing; Chapter 51, p. 345
ట — the curled t, in the question from this chapter
script and writing topic; explicit focus: script, writing; Chapter 2, p. 23
ఠ — the curled t, with the breath let out
script and writing topic; explicit focus: script, writing; Chapter 17, p. 173
-◌ండి (-aṇḍi) — where Telugu actually keeps “please”
grammar topic; explicit focus: usage and culture; Chapter 8, p. 121
డ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 4, p. 65
ఢ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 18, p. 183

ణ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 23, p. 203
త — copy it where it lives
script and writing topic; explicit focus: writing; Chapter 5, p. 79
త — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 5, p. 79
త — the letter from the sound
script and writing topic; explicit focus: writing; Chapter 5, p. 79
త — write it with the model covered
script and writing topic; explicit focus: writing; Chapter 5, p. 79
థ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 33, p. 241
ద — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 12, p. 147
ధ — the character the thank-you word opens with
script and writing topic; explicit focus: script, writing; Chapter 1, p. 1
న — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 2, p. 23
ప — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 4, p. 65
పదకొండవ (padakoṇḍava) — the ending does not stop at ten
grammar topic; explicit focus: grammar; Chapter 82, p. 539
ఫ — ప, with the breath let out
script and writing topic; explicit focus: script, writing; Chapter 17, p. 173
బ — the letter your answer starts with
script and writing topic; explicit focus: script, writing; Chapter 3, p. 49
భ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 25, p. 211
మ — one character, and it is in the first word of the book
script and writing topic; explicit focus: script, writing; Chapter 1, p. 1
య — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 6, p. 99
ర — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 3, p. 49
ల — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 10, p. 133
ళ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 18, p. 183
వ — one character, met inside words you already say
script and writing topic; explicit focus: script, writing; Chapter 13, p. 153
శ — the third s, and the last one
script and writing topic; explicit focus: script, writing; Chapter 10, p. 133
